A KITTY FOR YOUR BIRTHDAY

ART BY EVERFIRE

STORY BY A VERY CREATIVE FAN

High above the city streets,
in the Four Freedoms Plaza...

... a secret meeting
is taking place!

Oh my
gosh!

Son, here's
that Kitty I
promised you!
Haha!

NO WAY!!
You ACTUALLY
brought her up
here?!?!

Aww, so
you *really* do
have a crush
on me!

Um,
I -uh,
yeah...

Remember,
you have to share
her with Mommy,
Franklin...

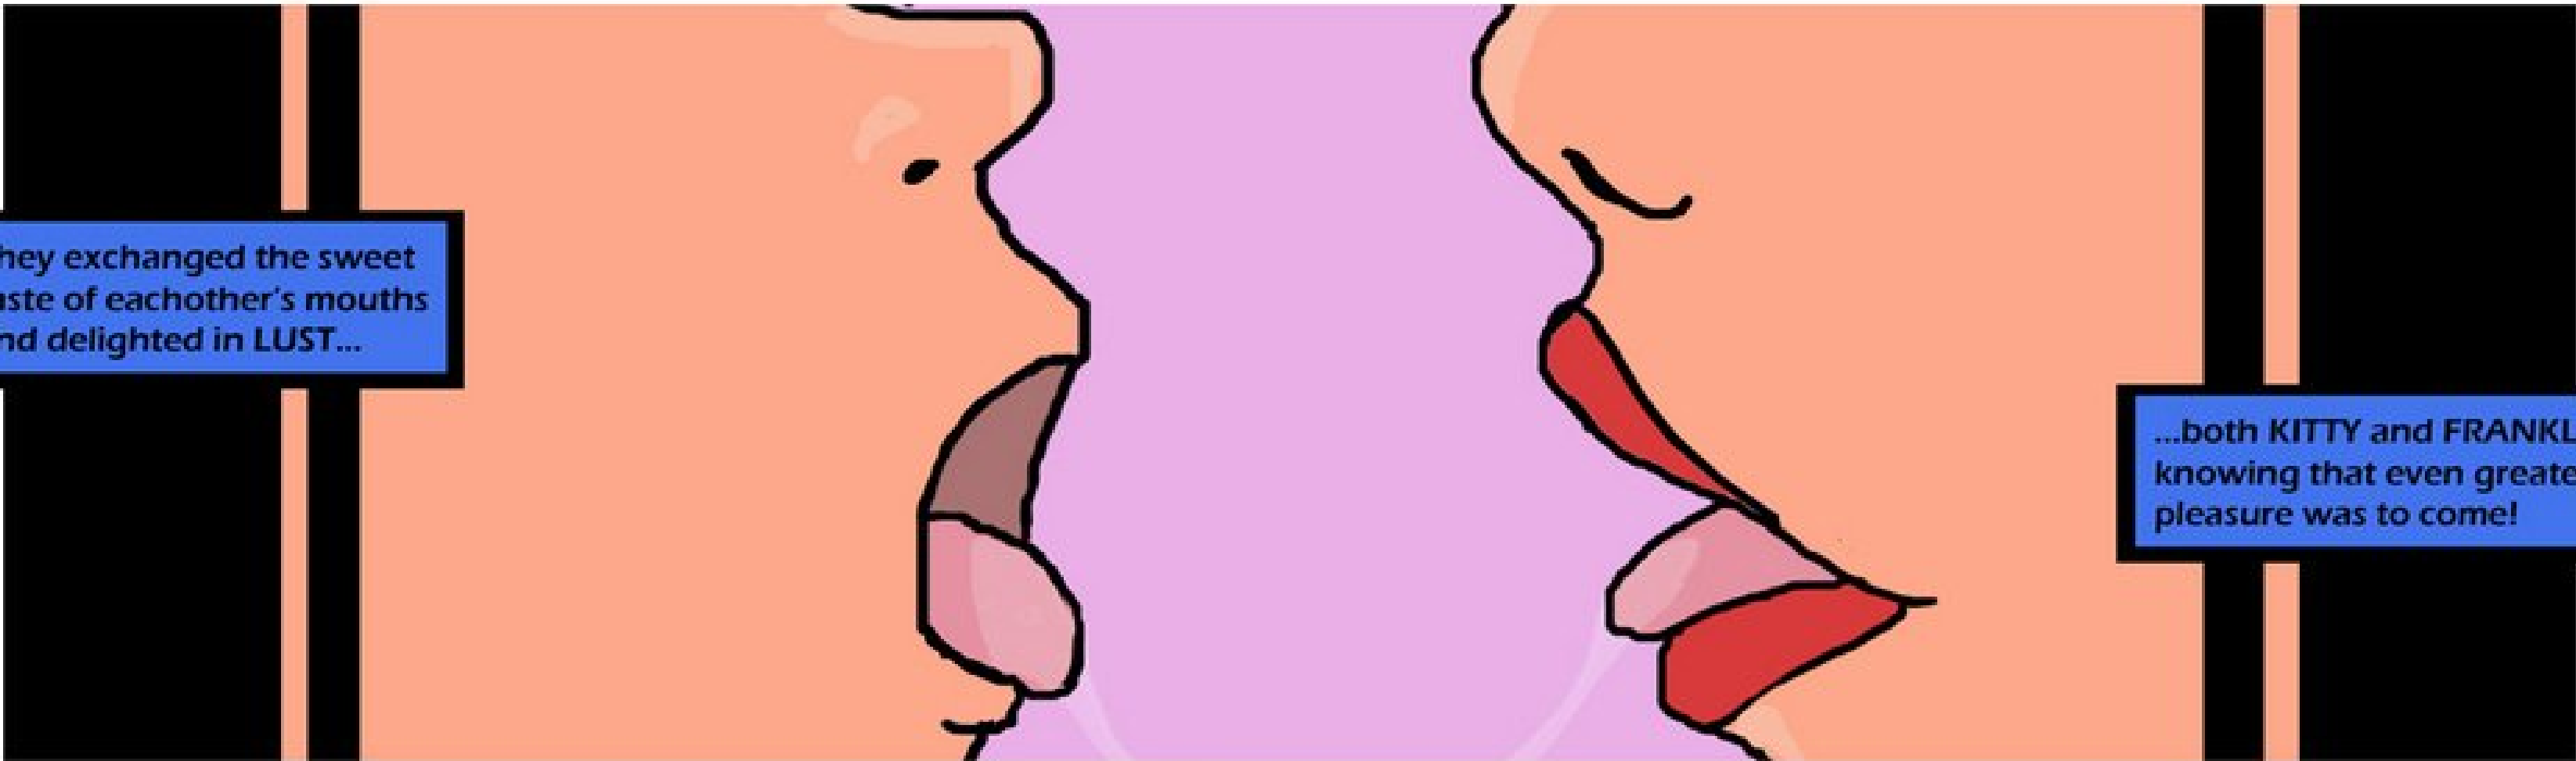

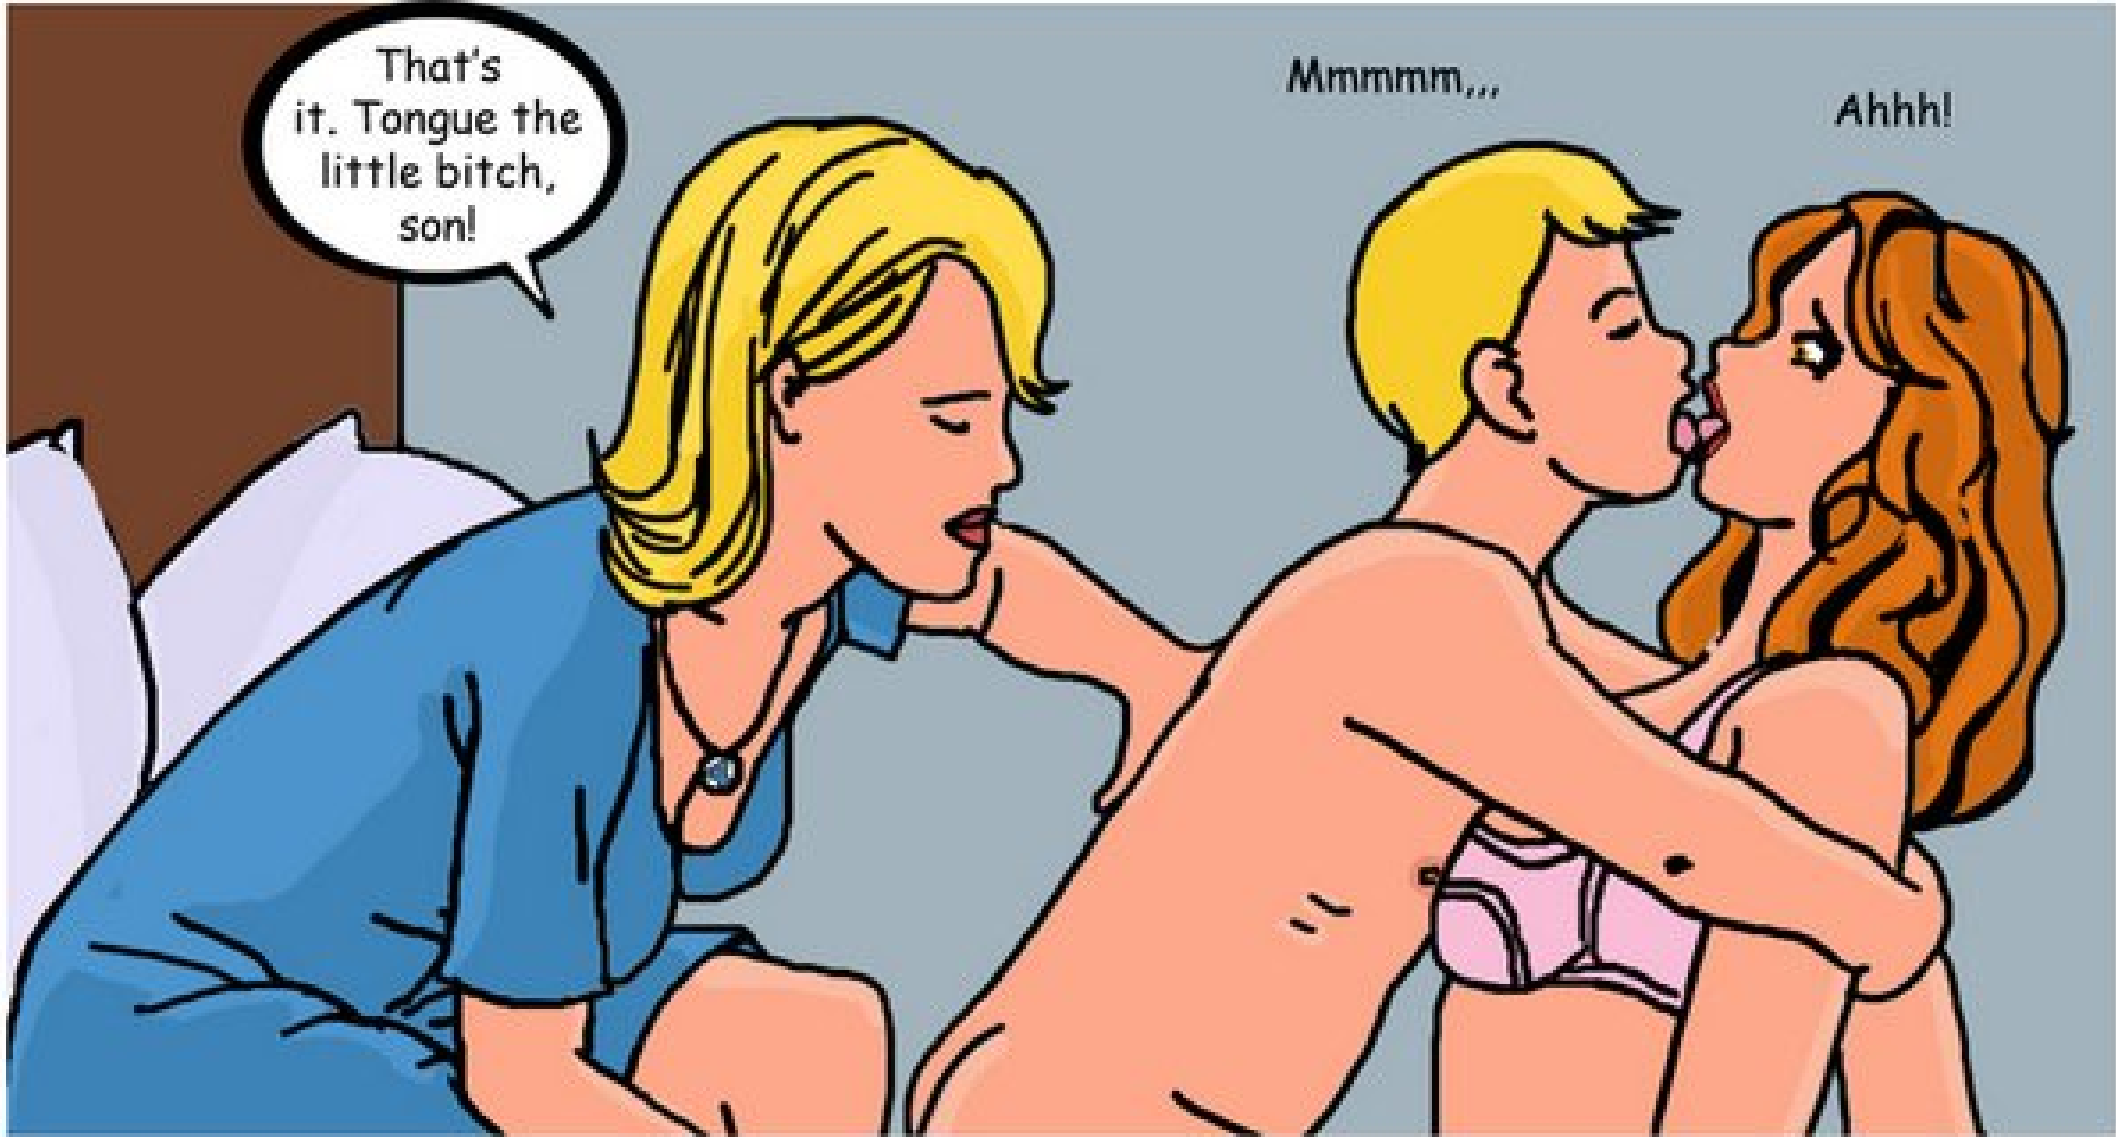

YEAH-
YEAH, I
remember...
sheesh!

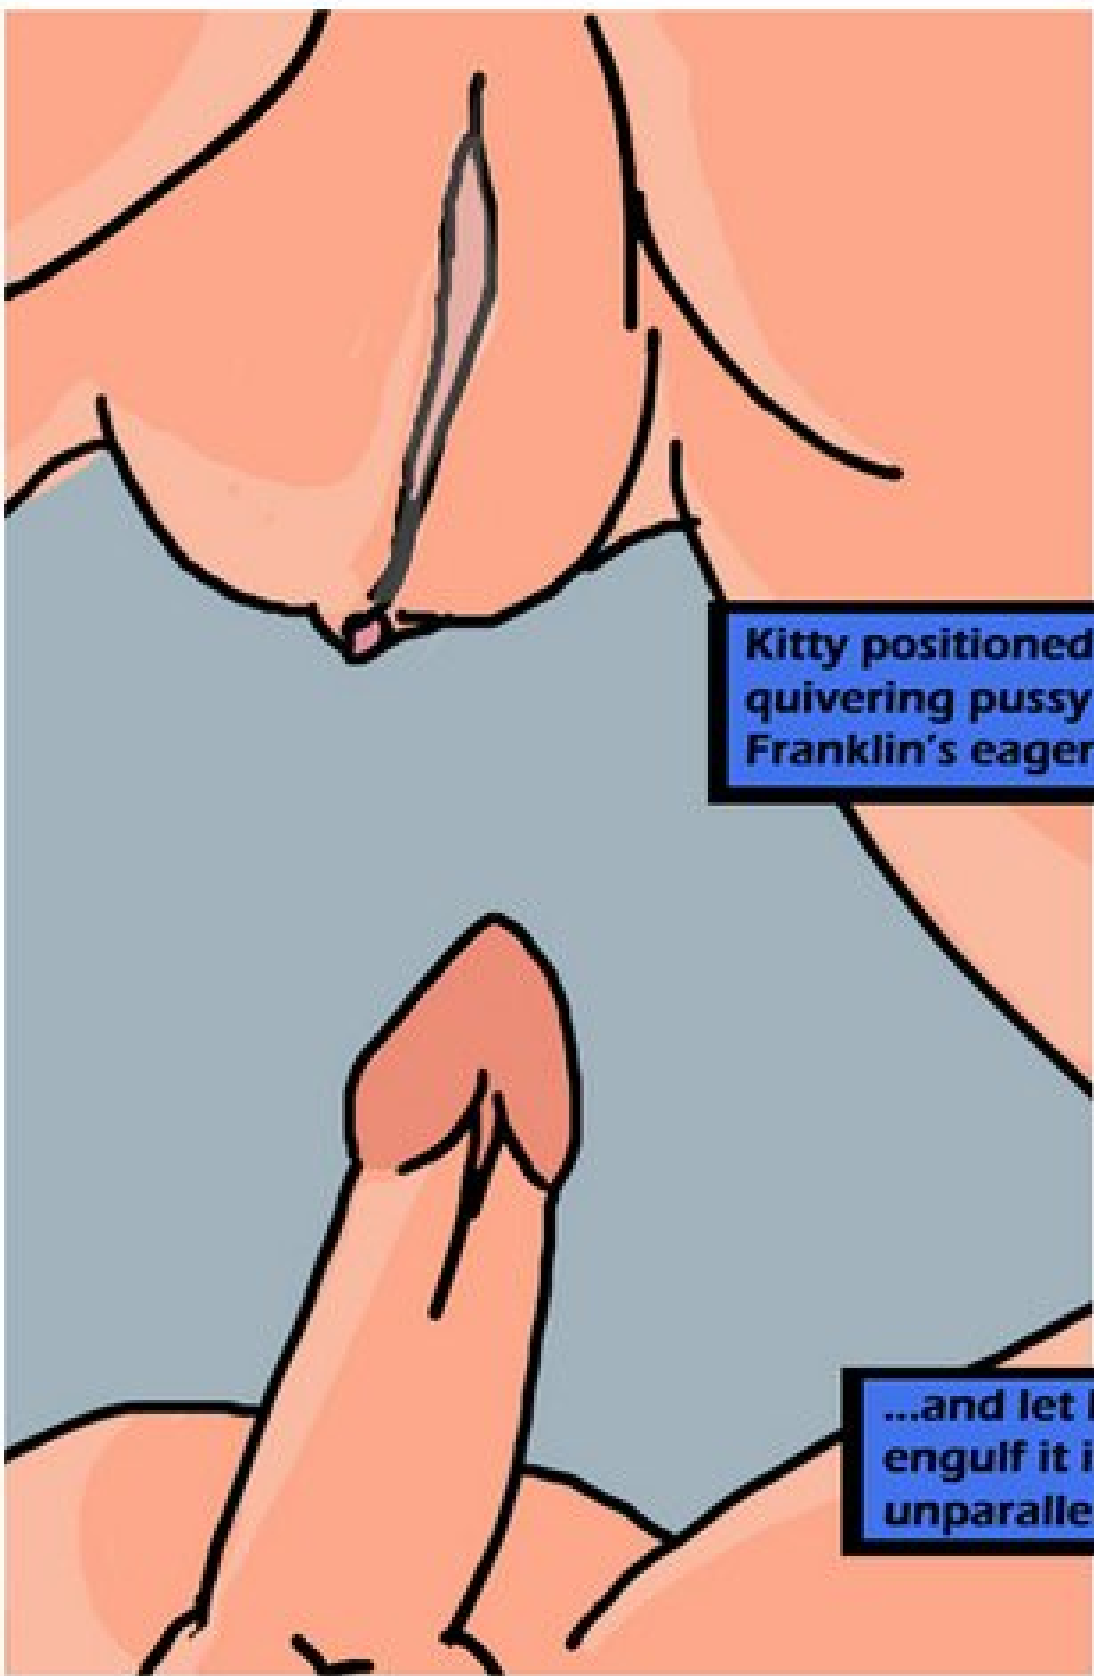

Mmmm...

Mmmph...

Aw man,
look at that
hot ass!

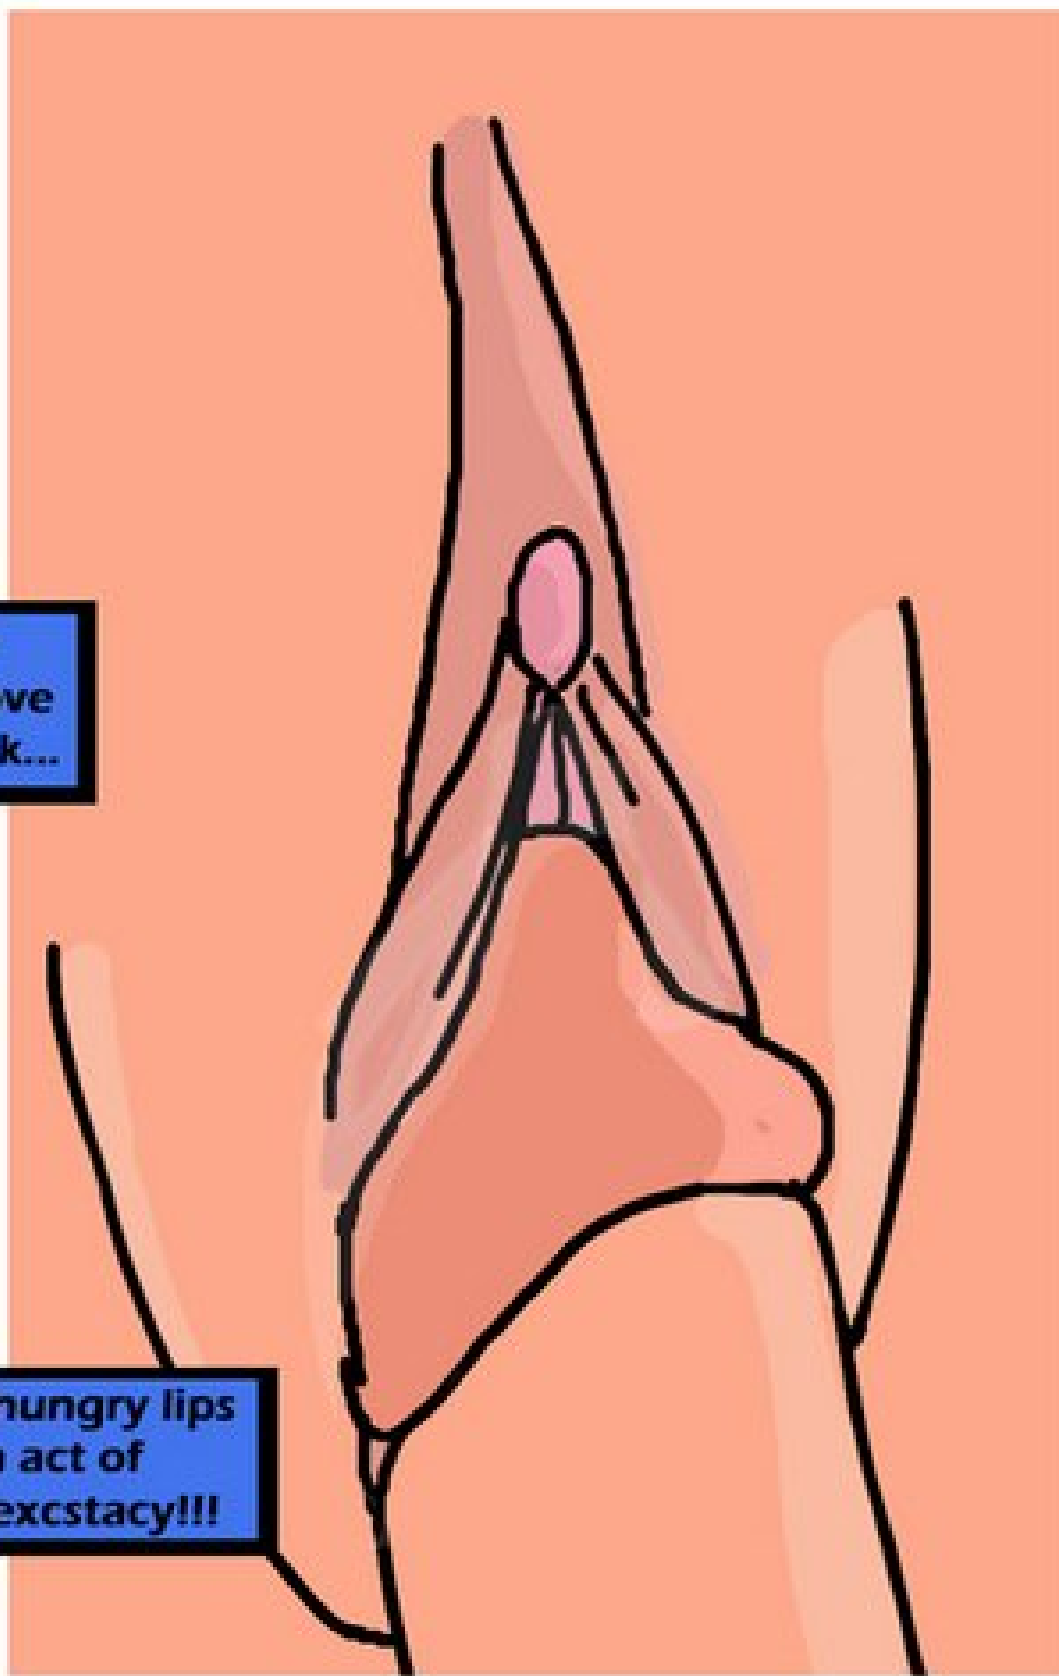

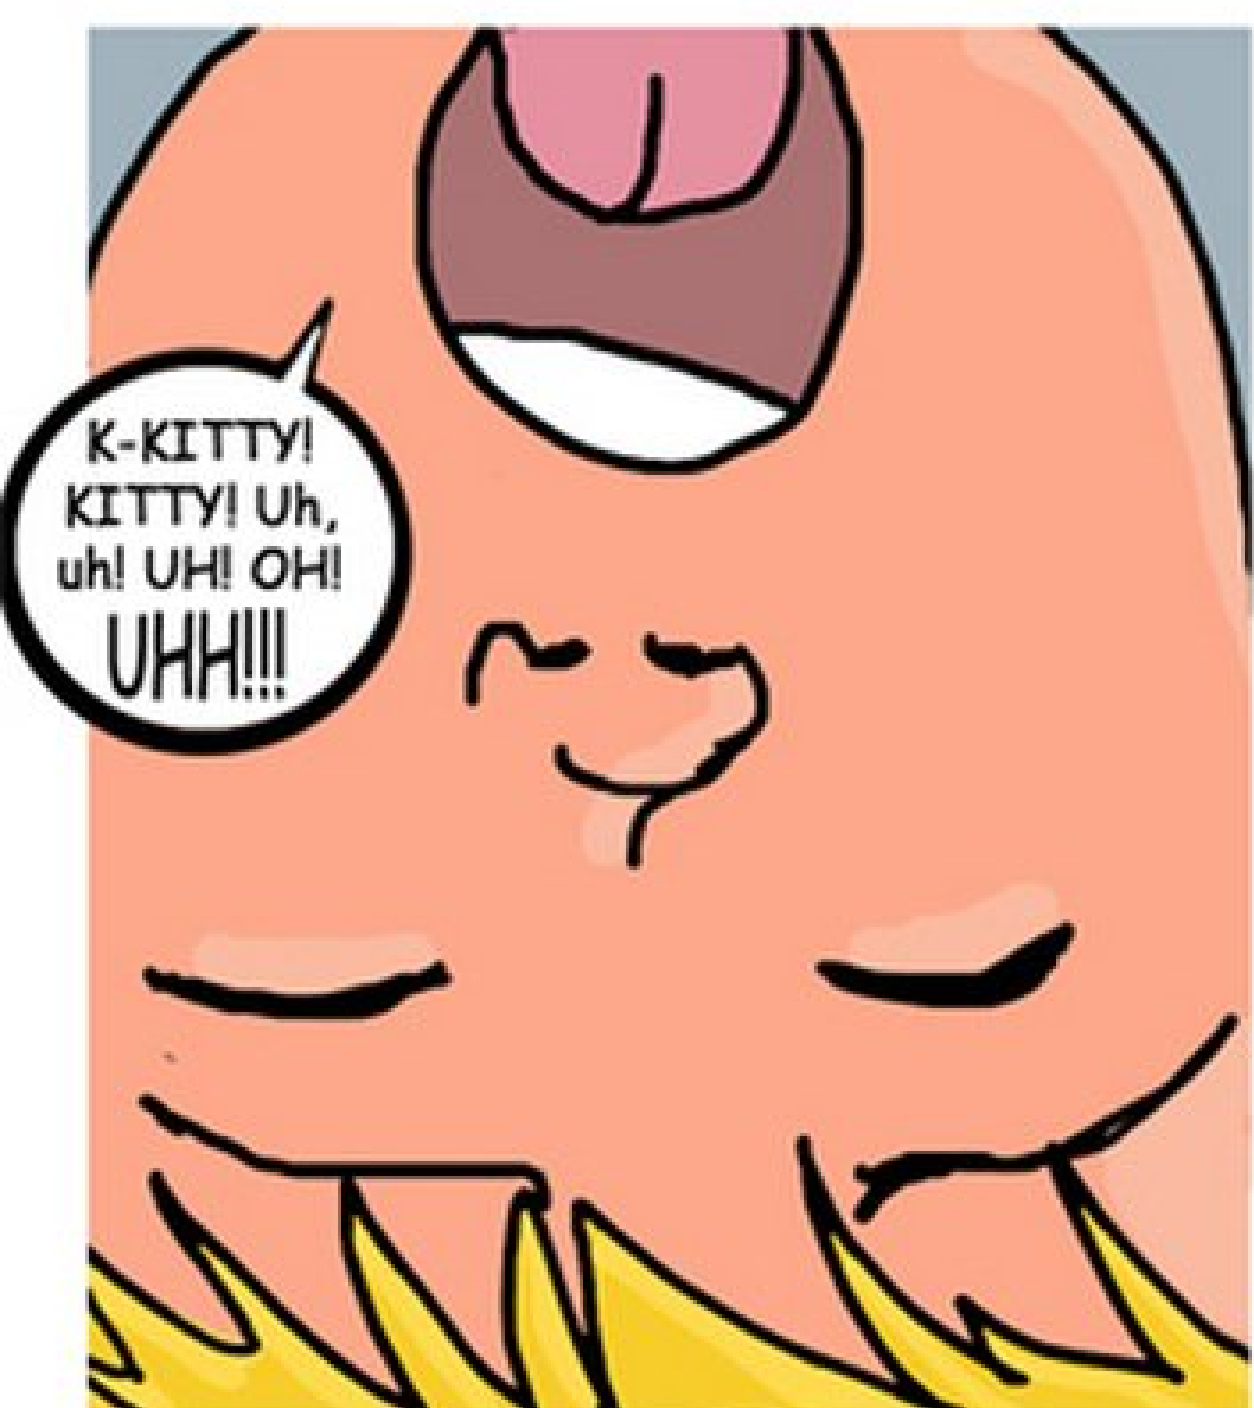

Kitty positioned her quivering pussy above Franklin's eager cock...

...and let her hungry lips engulf it in an act of unparalleled excstacy!!!

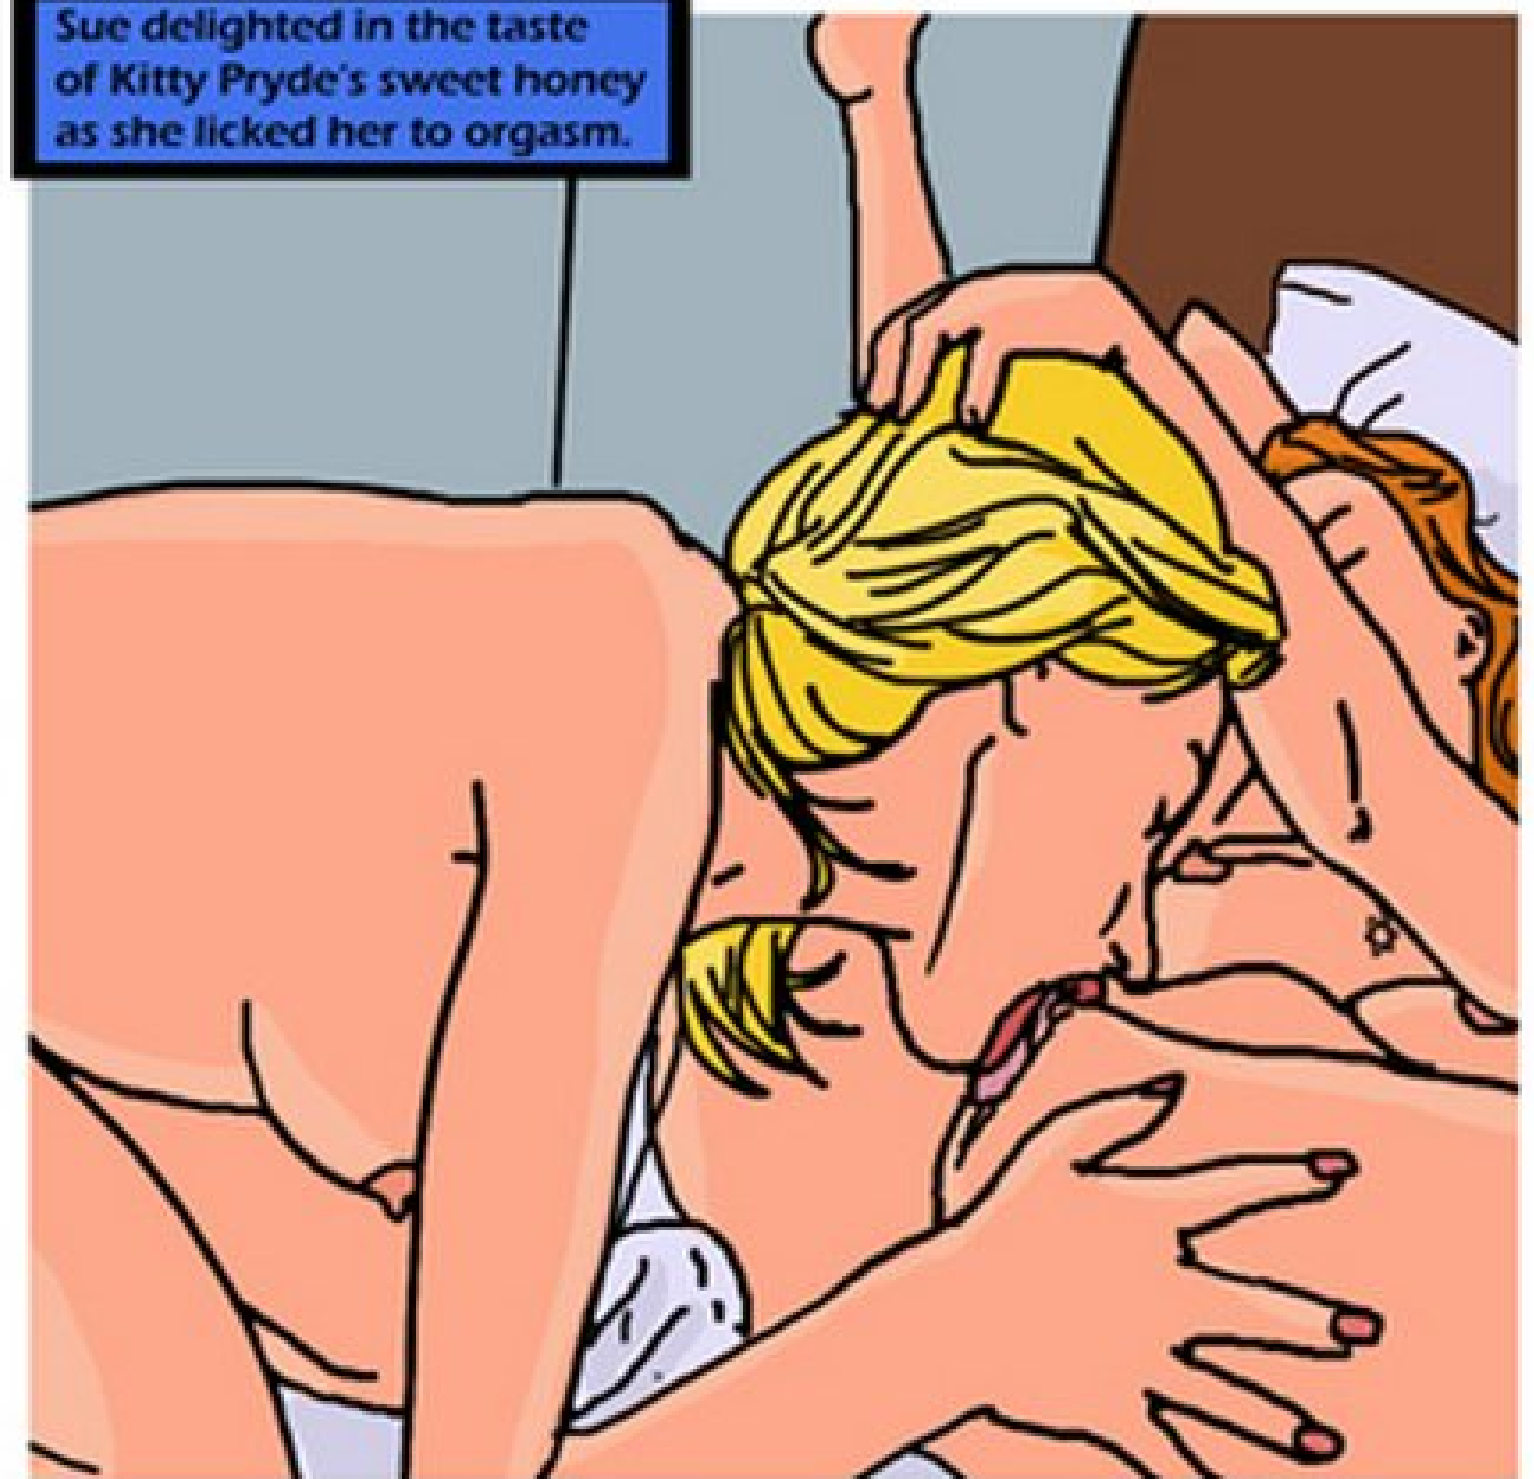

Franklin got beneath Kitty again and resumed fucking.

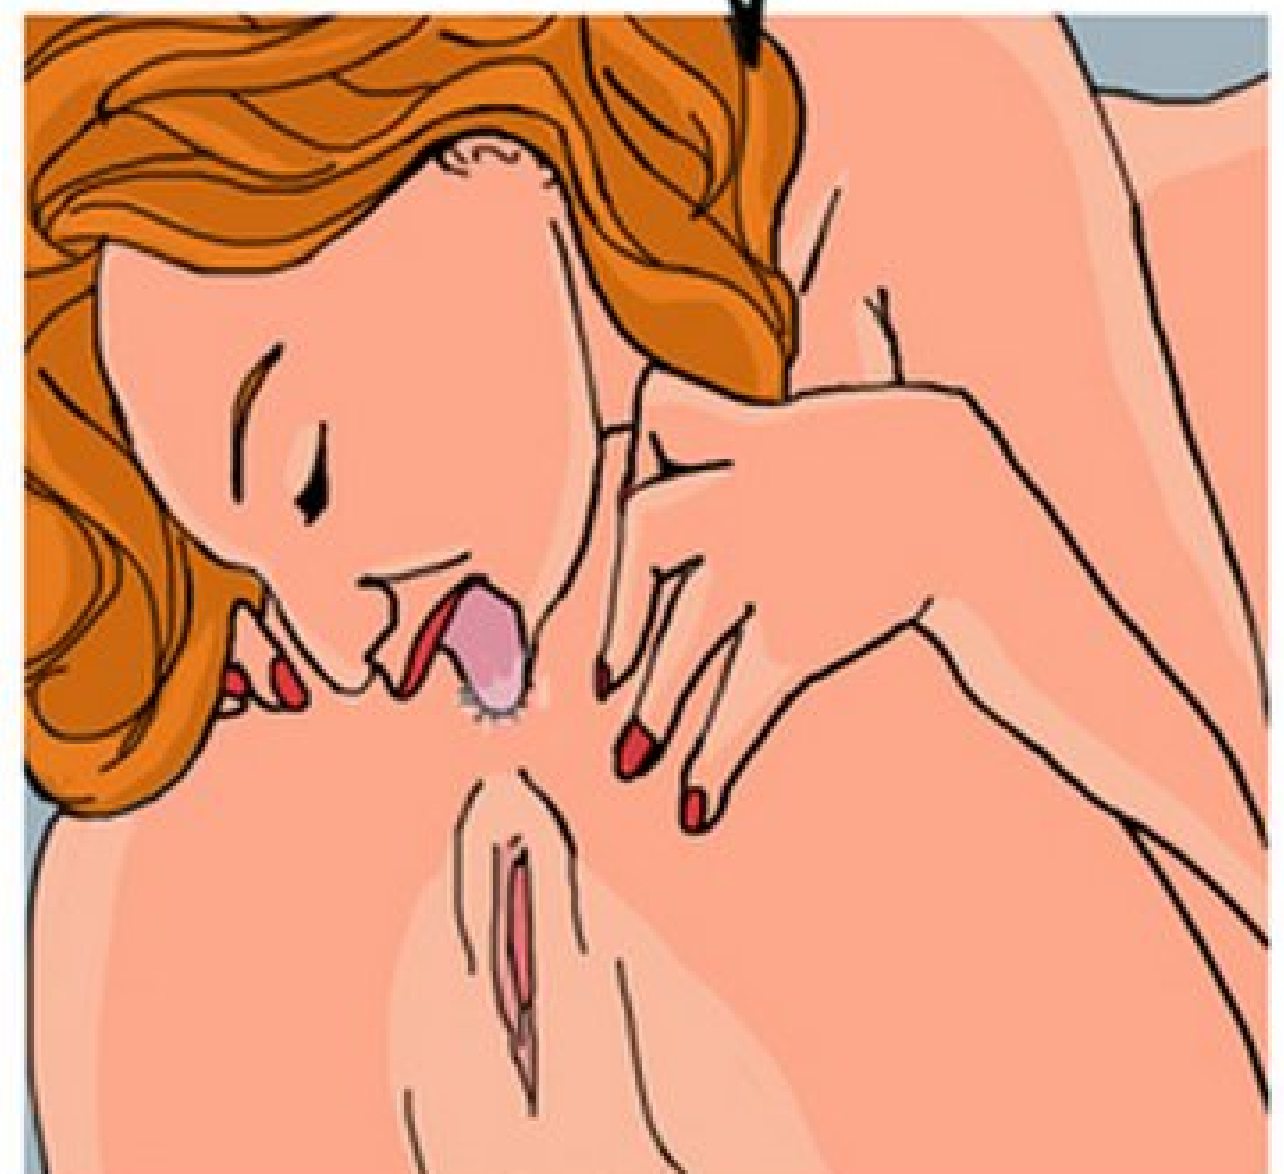

Kitty stopped complaining and enjoyed the double penetration!

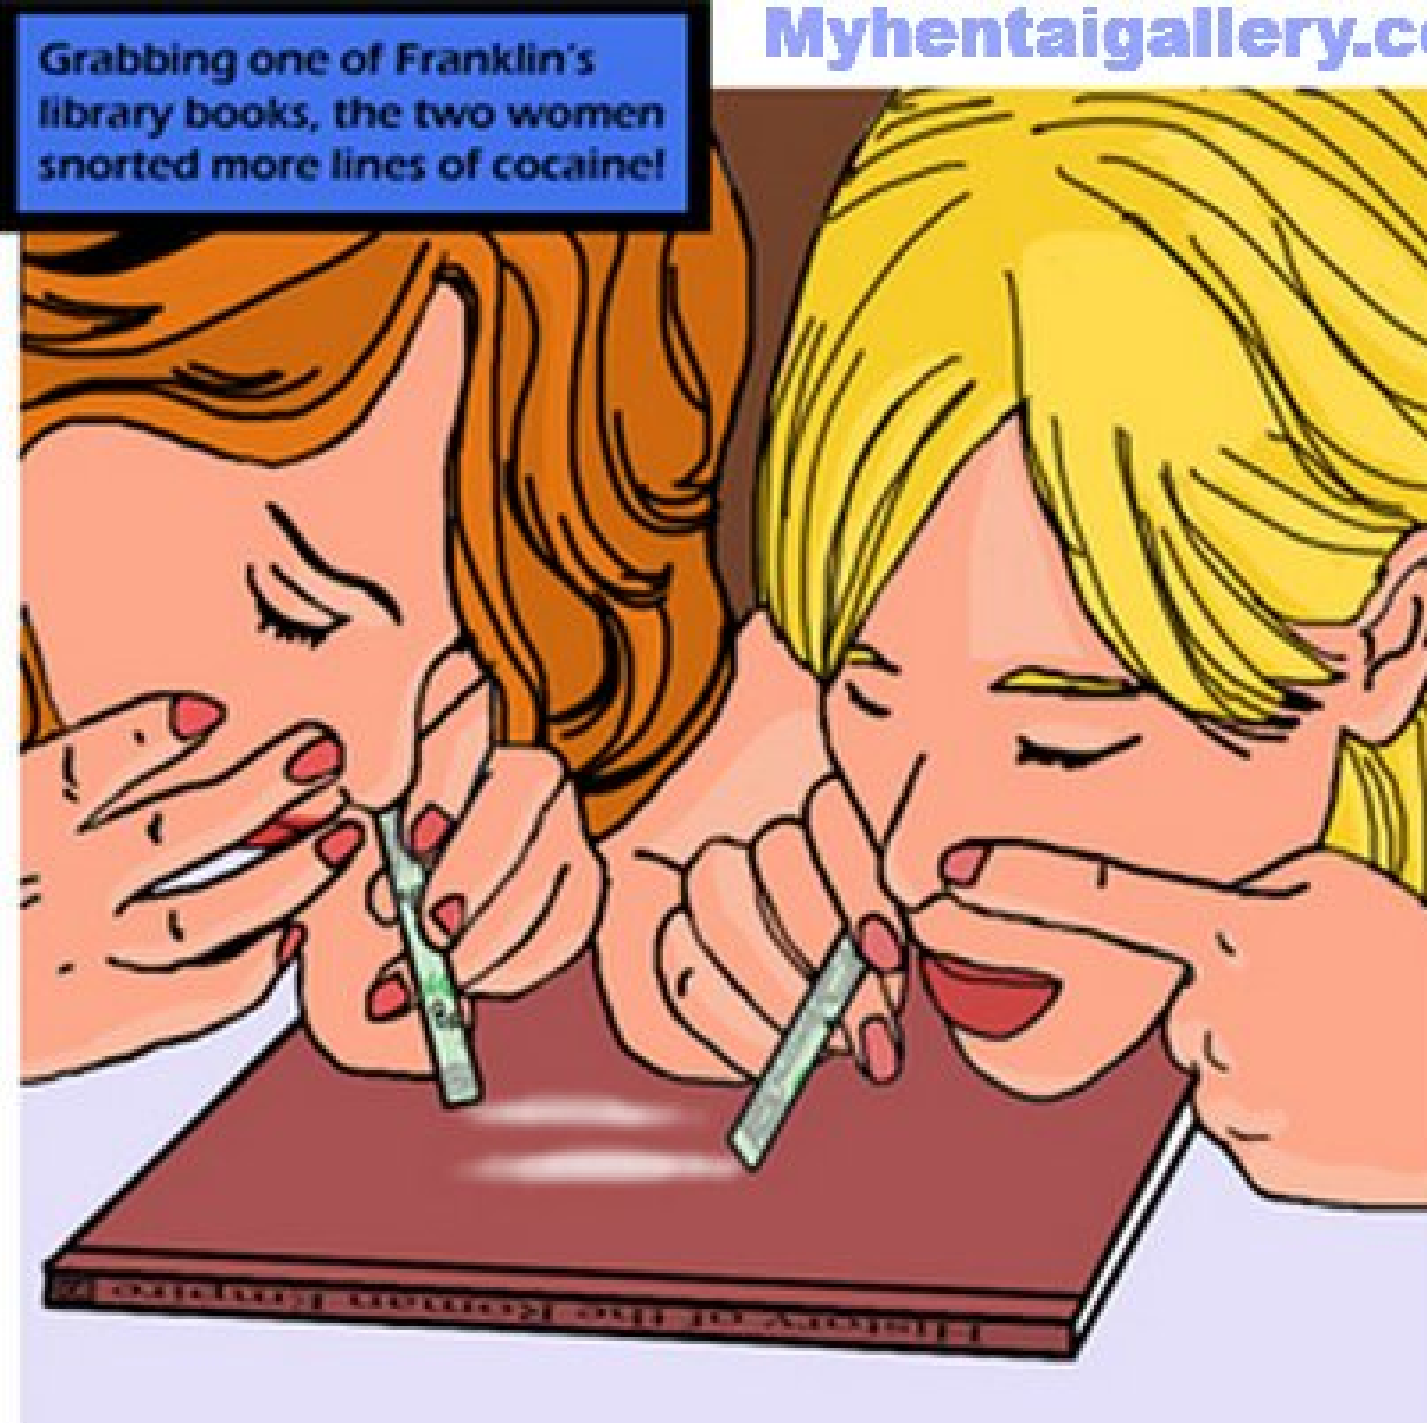

Kitty, Sue, and Franklin shared a 3-way kiss of forbidden passion.

The two tasted each other in every way that two women in the throes of lust could...

Franklin took his time mounting Sue as he usually did, flooding her reproductive organs over and over again as they coupled!

Still, making Dad wear condoms, Mommy?

Their frenzied passion had united mother and son in a loving bond that few others would ever know...

YES! My eggs are for you to fertilize now and forever!

Done with his mother, Franklin moved on to fucking the nubile Kitty!

Ahh, that outta do it!

Awww! I'm all the way up your tight ass! UGH!!

UH! Y-YES! I'm a depraved whore! Treat me like one!

Like he'd done in her pussy earlier, Franklin released a full load deep into her ass!!!

ME! ME! Oh pick me! I-I want you to make sure that you give me a BABY!!!

ME!!! Son, you know you like my pussy the BEST!

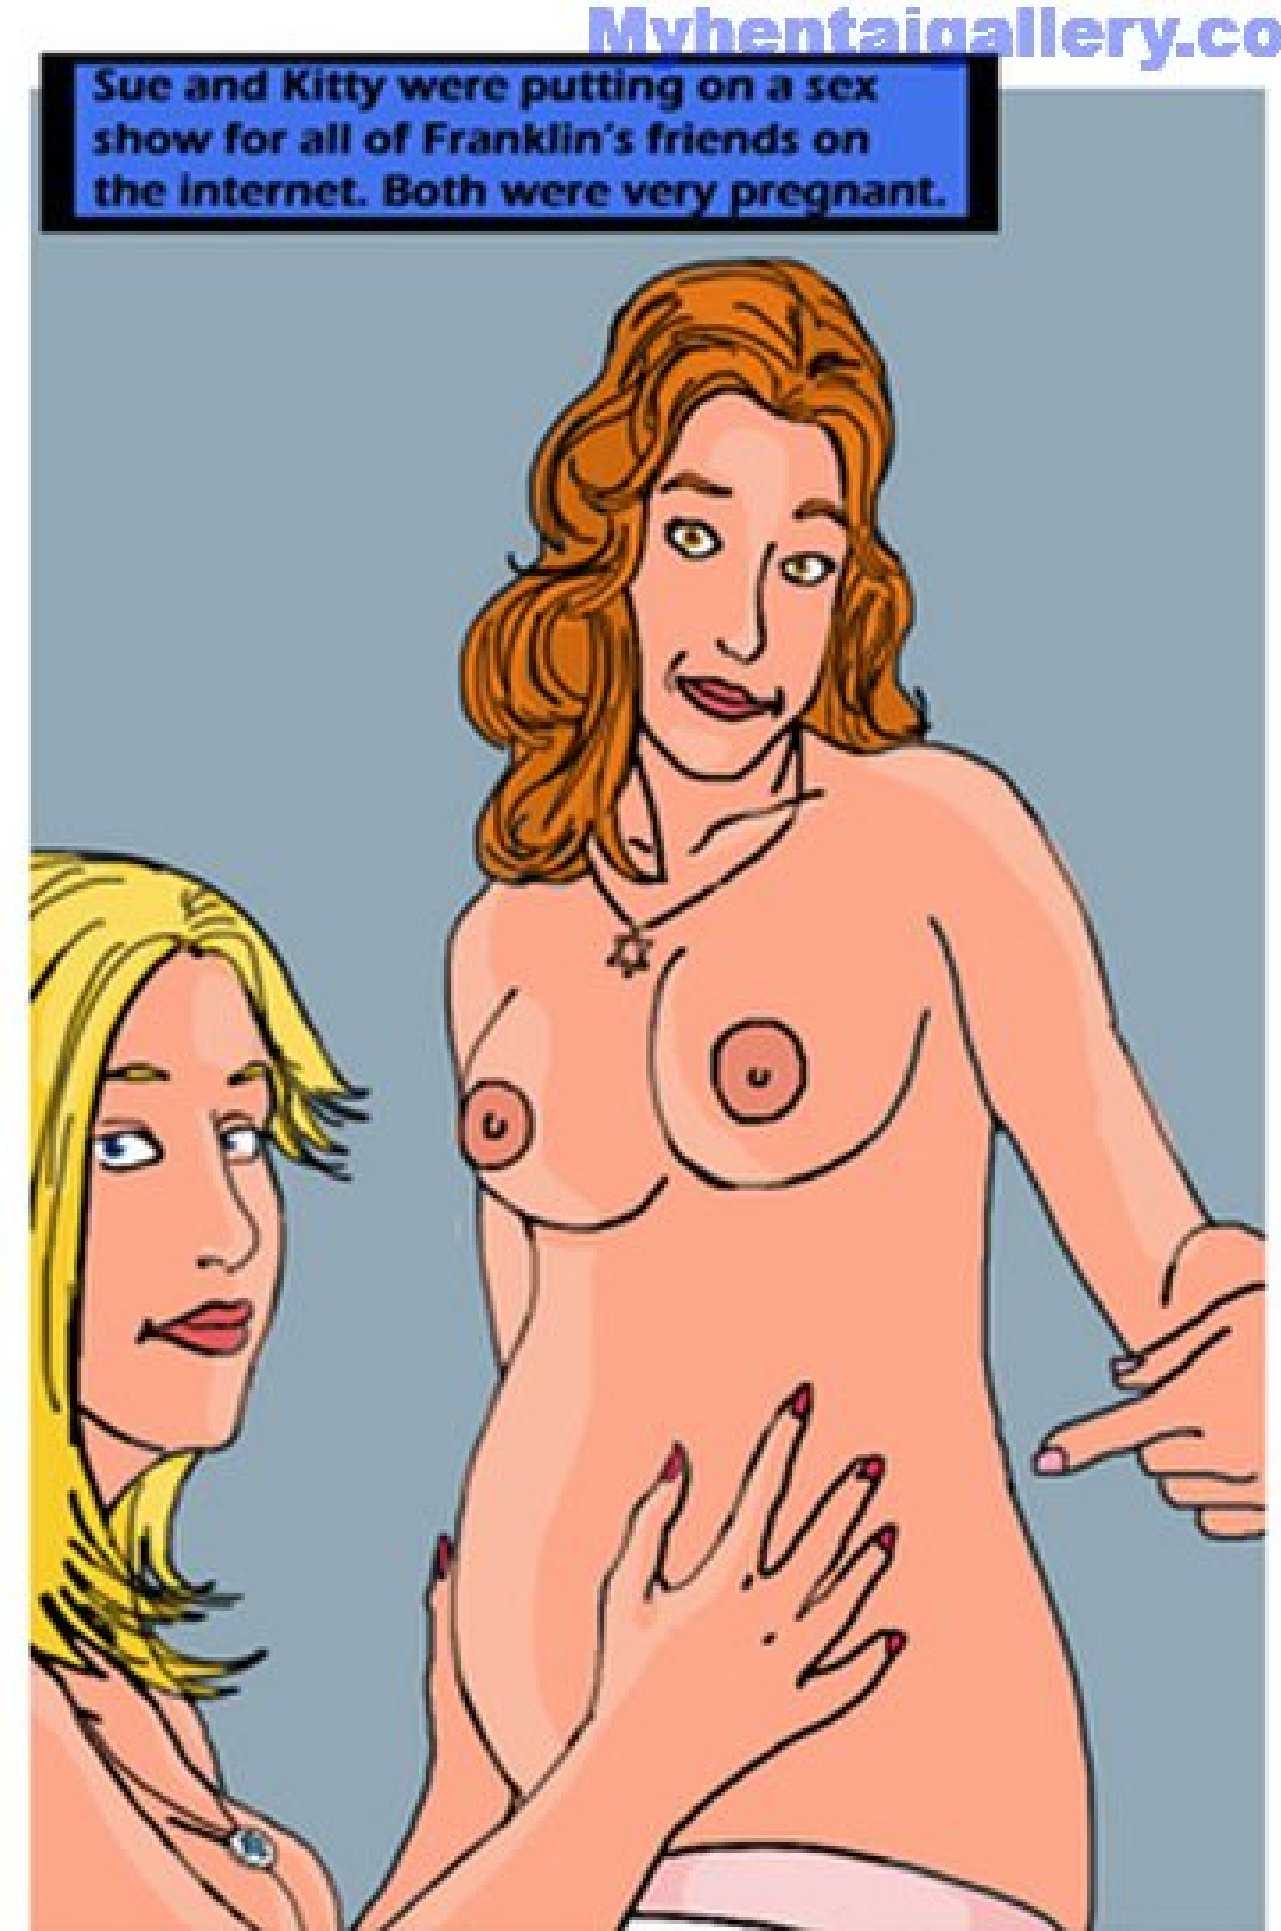

And my little asshole needs more sex!

OK, SLUTS, now which one of you wants another hard fucking?!?

A few hours and many lines later...

THE END?

Kitty Pryde and Susan Richards
