

Oh? You know a
magic trick?

Of course! I'd
love to see!

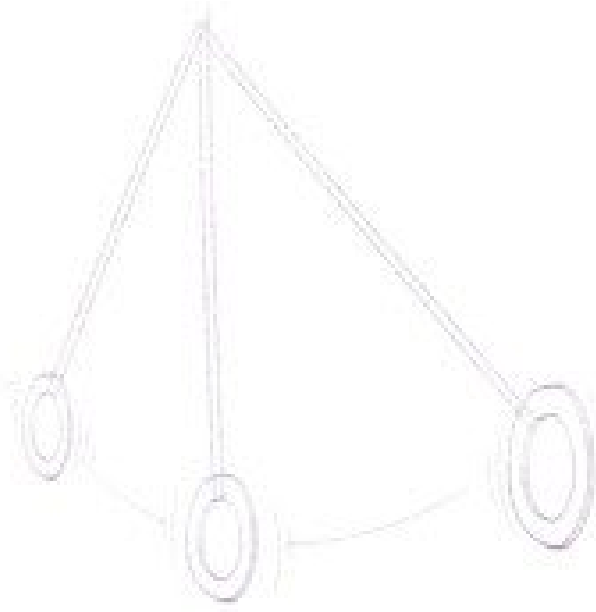

Toriel focuses upon
the "Magic Trick"
with the utmost
DETERMINATION
to enjoy it!

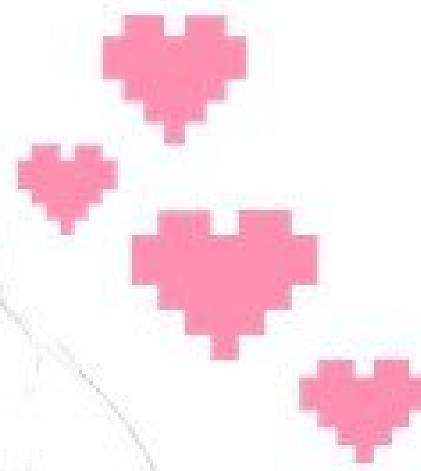

Toriel is so focused, her mind almost seems to be in a different place...

It seems to be working!
You "suggest" she relives her favorite youth memory!

Goat Girls all love
juicy dicks! Goat
Girls are all
fellatrix!

Suck them off until
they cream, and
don't stop even if
they scream!

Drain fat balls
dry with my throat-
That's what I do
as girl of Goat!

... Oookay. If that's
her favorite, that's
her favorite.

You decide to let her
"enjoy" that mindset
for a while.

SNAP!

... Eh?
W-wha? I can't stop
thinking about...

Oh my goodness! Just,
ignore that mantra! It
was from my sorority at
monster college! I...

I... I feel... So good,
like... Like I want to-

Suck.

Blow.

Swallow.

Do it like I'm
back in college...

Your soul feels like
it's being sucked out!
