

What the...!?

Why you try to rob a bank that is right next to the sheriffs office is beyond me...

...and could you please not resist?
It's much too early for trouble.

Your going to regret messing with us, Centaur!

Oh thank you Sheriff!
Before you came into office, this town was the pit of scumbags and crooks. But now the town could never be happier!!

How can we ever thank you?

It's Jacklyn, shut up.

Geez, no need to thank me. Just doing my job is all.

Head over to the cells and no funny business.

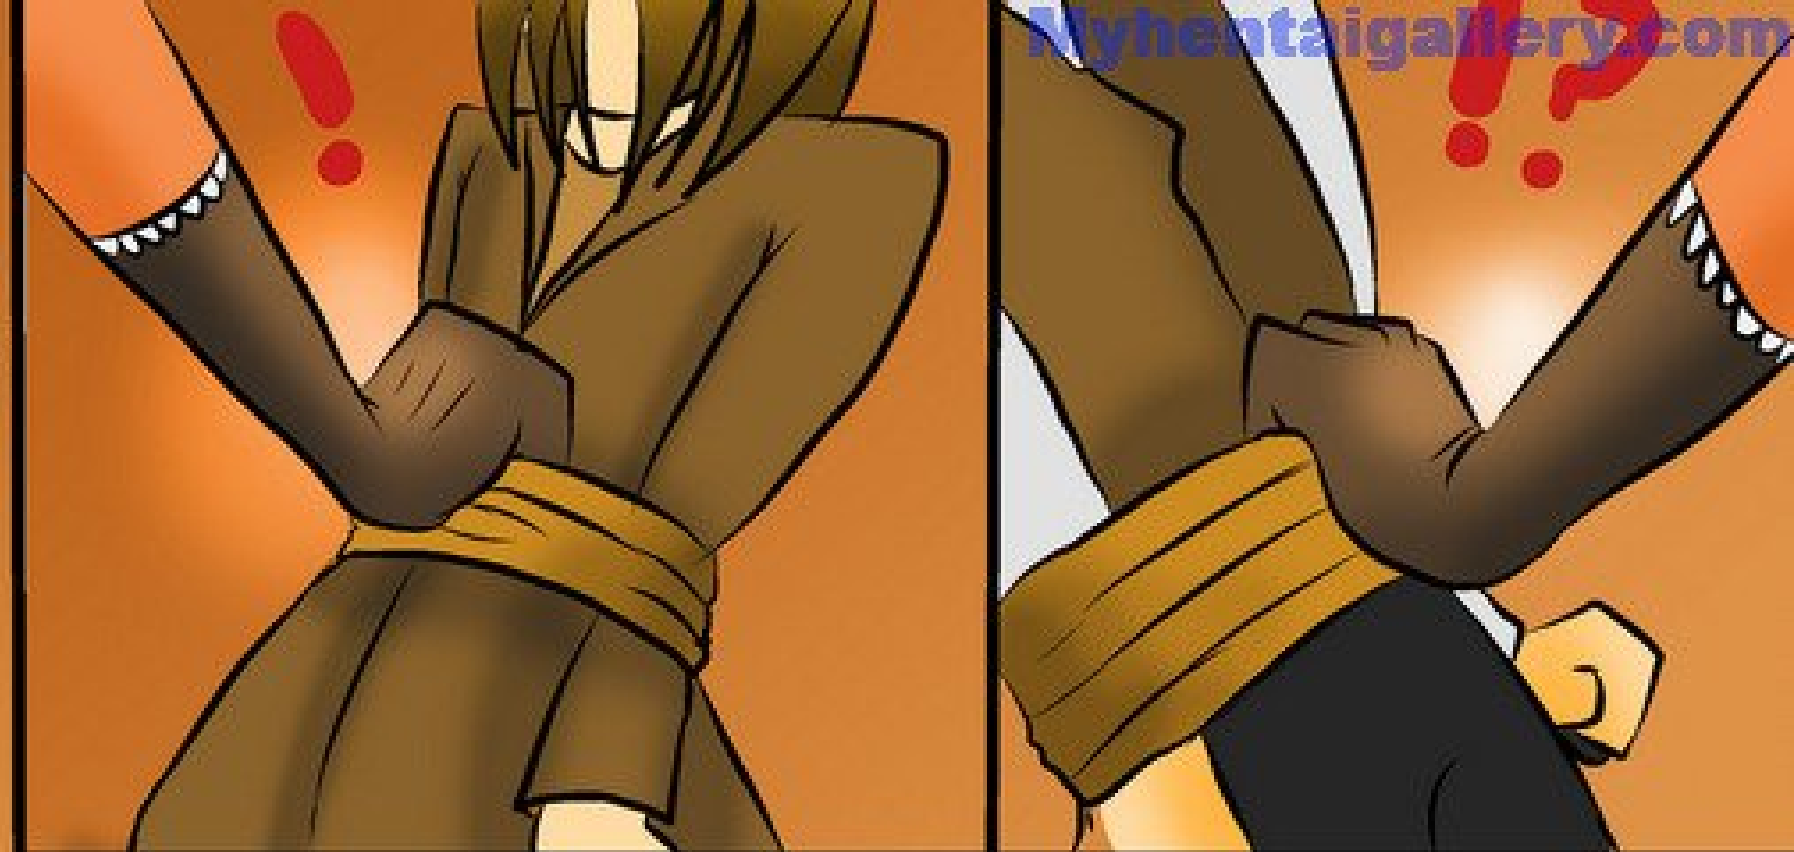

Hey I got a question. Centaur!
It's still Jacklyn

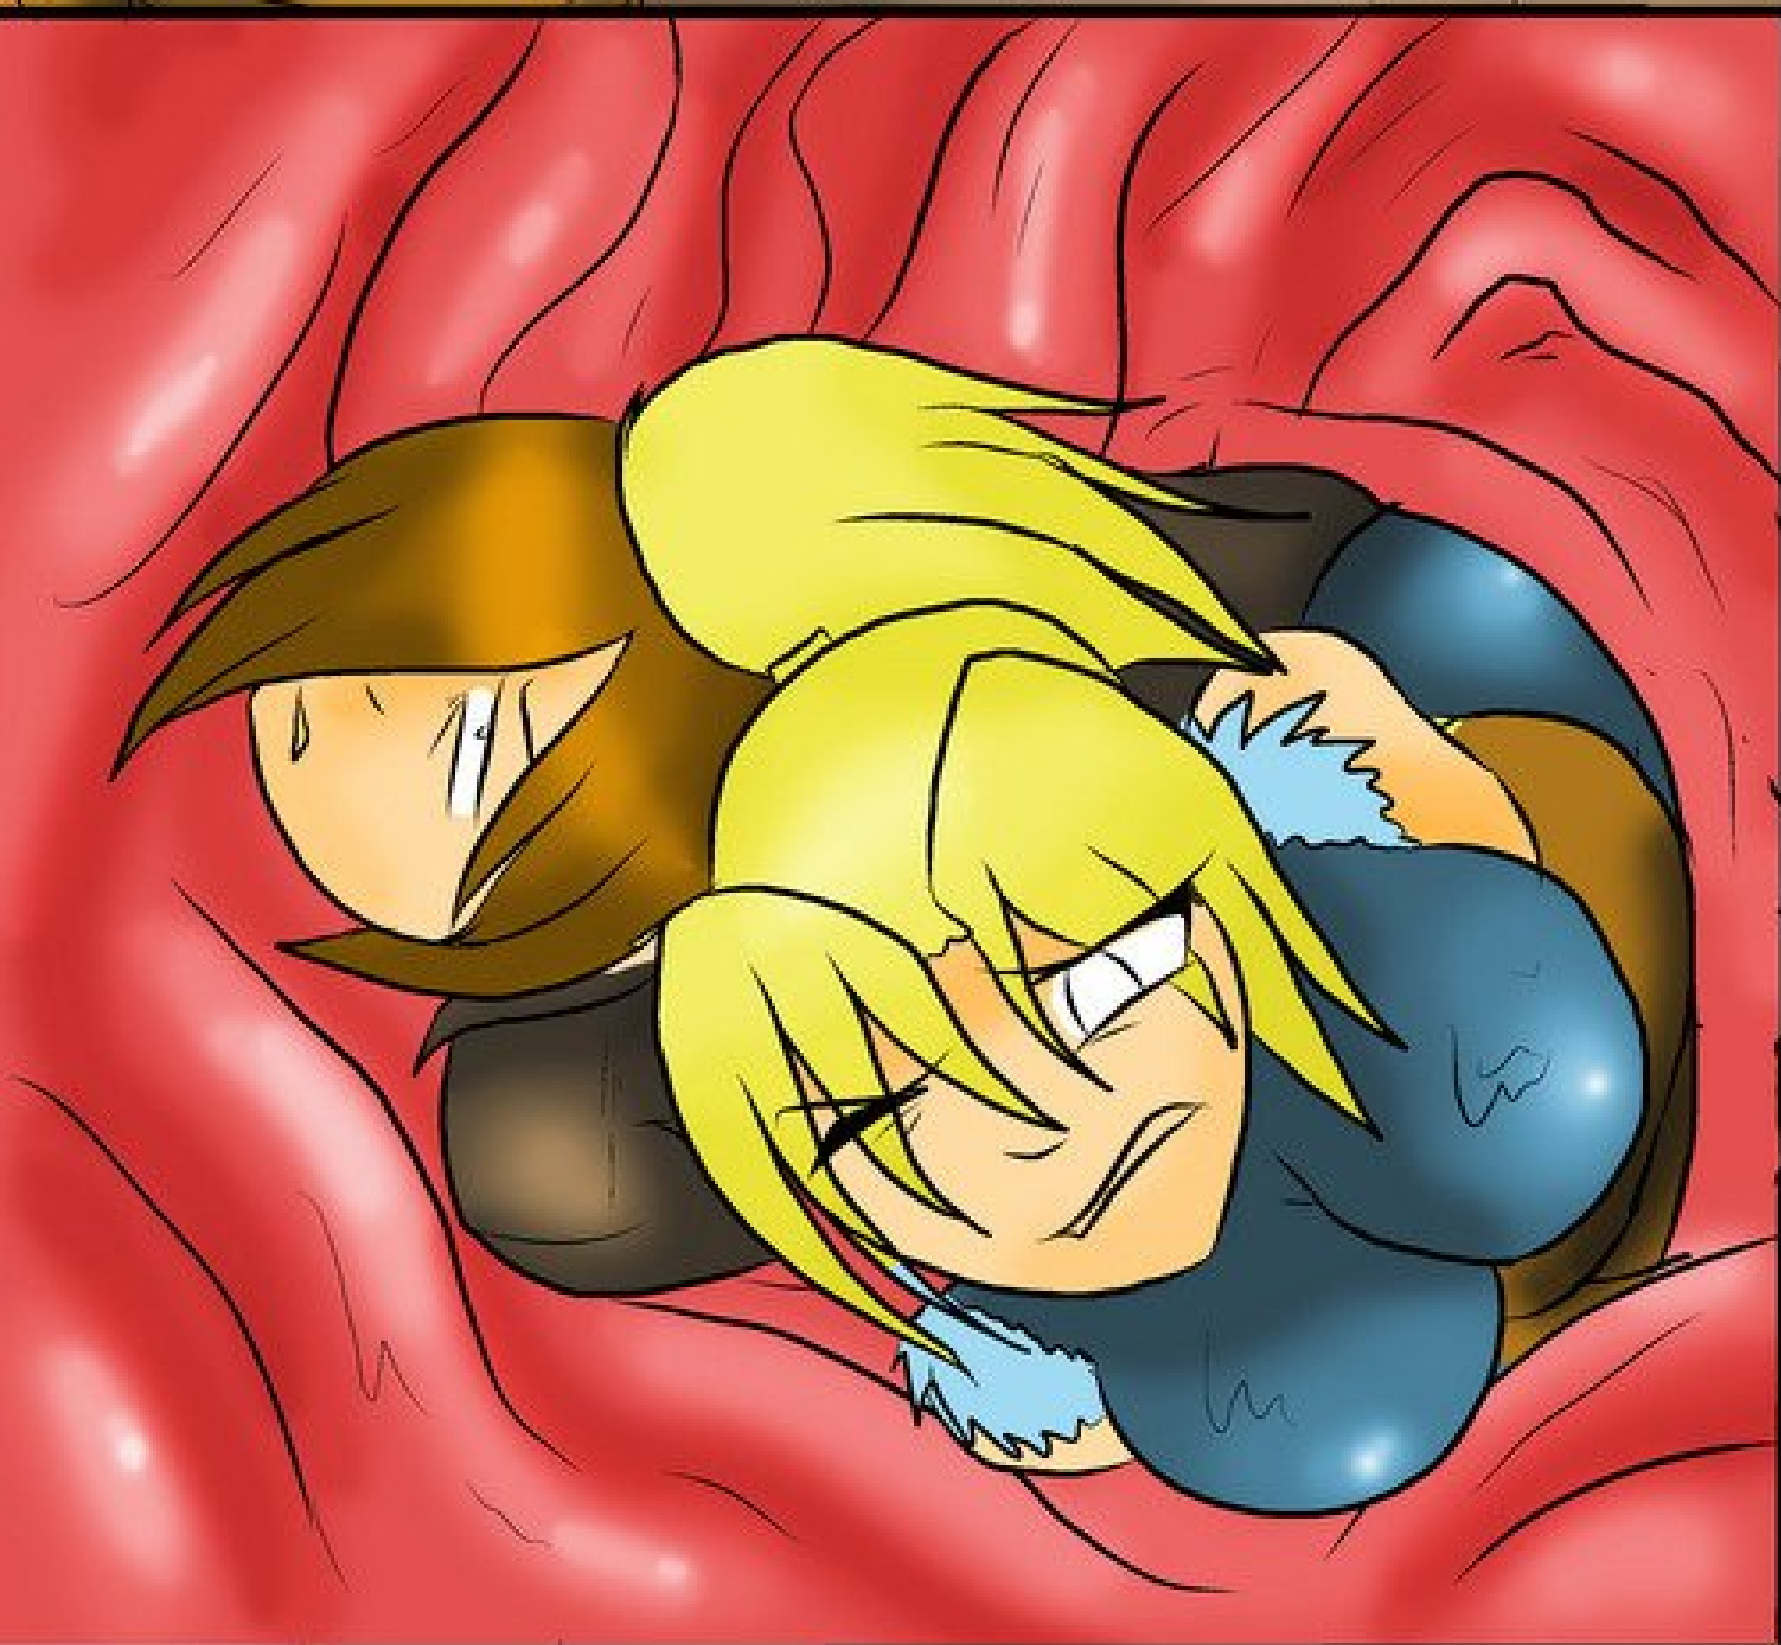

So how did a Centaur get the position of Sheriff? Was there no one else but an animal available? Ha ha!

I was just a traveling sales-woman when I came to this town.
When the previous Sheriff got shot, I some how got roped into the position.
It was good at first, but after a while I realized that it's tough being a sheriff in a lawless town.
When ever I arrested a crook, they would just start up again once they got out of jail. I just wanted to relax.
Then I came up with a solution...

Urp.
Note to self,
make sure their
boots are off
before the go
down.

There y'all!
Now just sit
tight and digest.

Three is
usually my limit, but
have to make sure
none of you blab
to the
townfolk here.

BURP!
Who could
that be?

Hi Miss Jacklyn!
I made a pie for you
for saving Daddy's bank
today!

Aww
How sweet of you!
Thank you!

Hey!
Where are the bad guys?
aint they suppose to be in jail?

Ummmm...urp

The...uh, Jail Fairy,
stopped by and decided
to... uh...

take them tooooo...
the... Pillow Palace!
where they learn to be good
people again by letting them
ride unicorns!

Really!?
Wow!!

Miss Jacklyn!
Your so pretty,
Can I ride on you back?

Thank you very much!
and maybe later,
I have some business
to attend to.

Gurgle

One Week Later....

Myhentaigallery.com

COME ON OUT
SHERIFF!

IF MY GIRLS AIN'T OUTTA THERE
IN FIVE MINUTES...

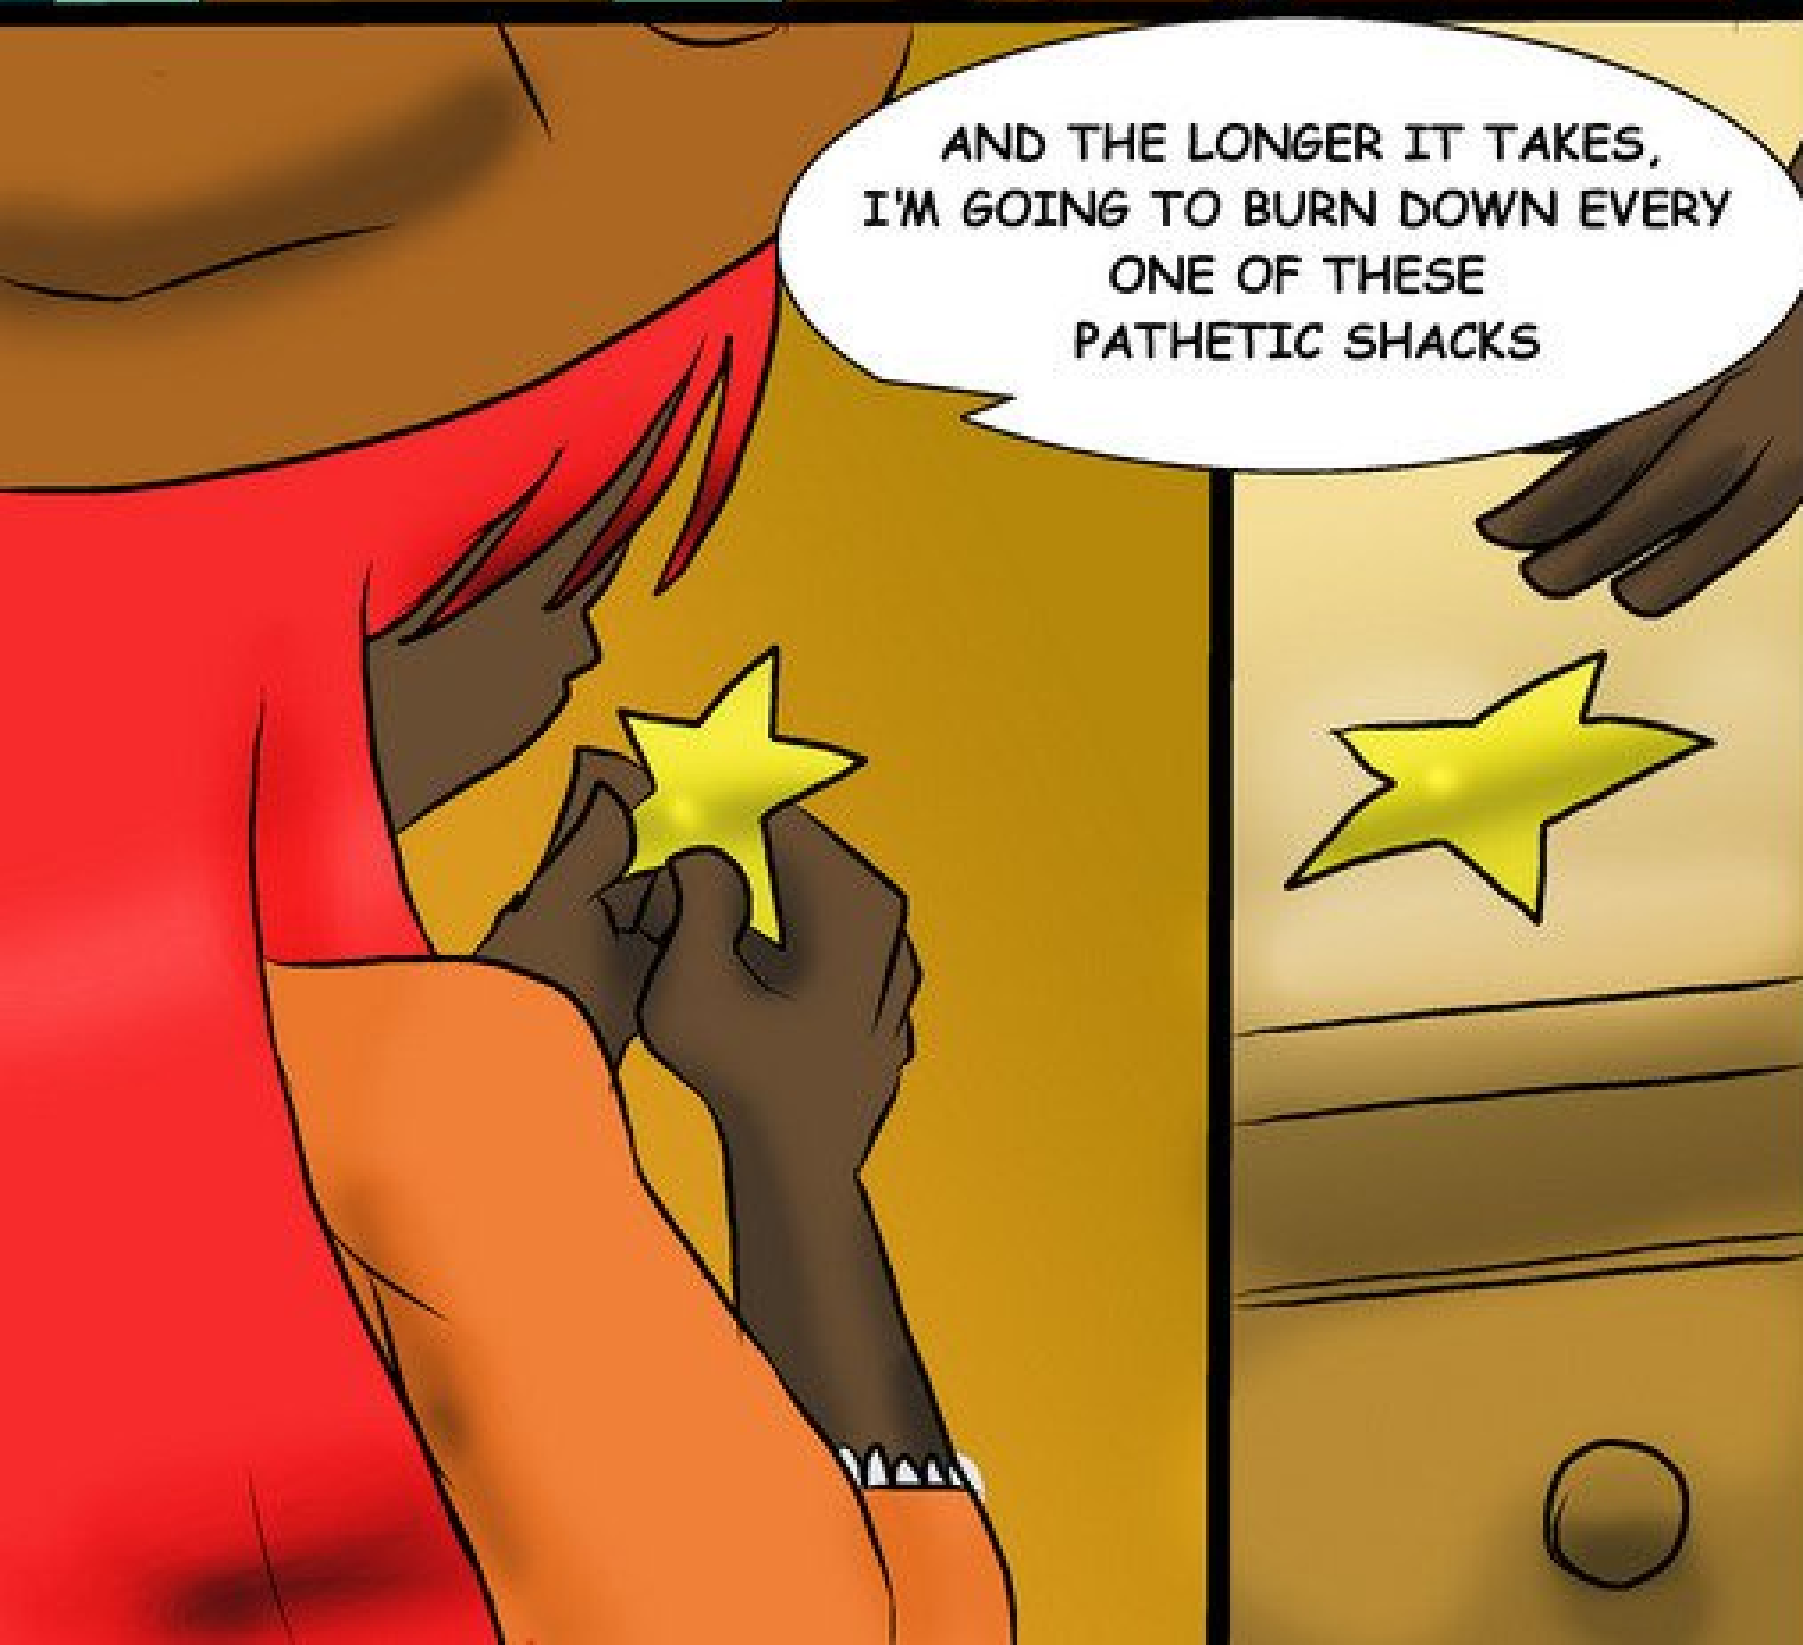

I'M GOING TA
USE HER AS A PERSONAL
CAT TOY!

Let her go.
Your partners aren't here anymore.

They were
shipped out
two days ago to
the next town for
trial.
Hey! Your
Jacklyn Ambrose!

AND THE LONGER IT TAKES,
I'M GOING TO BURN DOWN EVERY
ONE OF THESE
PATHETIC SHACKS

I know her boss!
She was known as the
'Glutton Steed'

A merchant who
also took assassination jobs!
She was well known of how her victims
vanish without a trace by
devouring them!

She's a crook,
just like the rest of us.

If she's here,
then our comrades
are as good as
eaten.

Then I guess
we don't have to hold
off anymore!

Let's burn down
this entire town!

Smack!

YOU NASTY LITTLE BRAT!!

I'M GOING TO SHRED
YOU LIKE A FISH!

Shut up...

Well then...

I guess I don't
have to hold back
anymore...

Gurgle

Oh yeah?
There are eight of
us, you can't possibly
take us all on-

Ah!
Much better!
Haven't had that much
anal pleasure in a long time!

Hard to find anyone
big enough.

Though it's sure
drafty suddenly...

Aw shit...
this was my favorite
blouse.

It was getting small
with my girls growing
the way they are.

And I'm getting
a little stuffed.

Five is usually my
limit, but I was
still pretty stuffed
from before.

I don't think I can fit anymore
in my stomach...

I guess it's time
to put these jugs
into action.

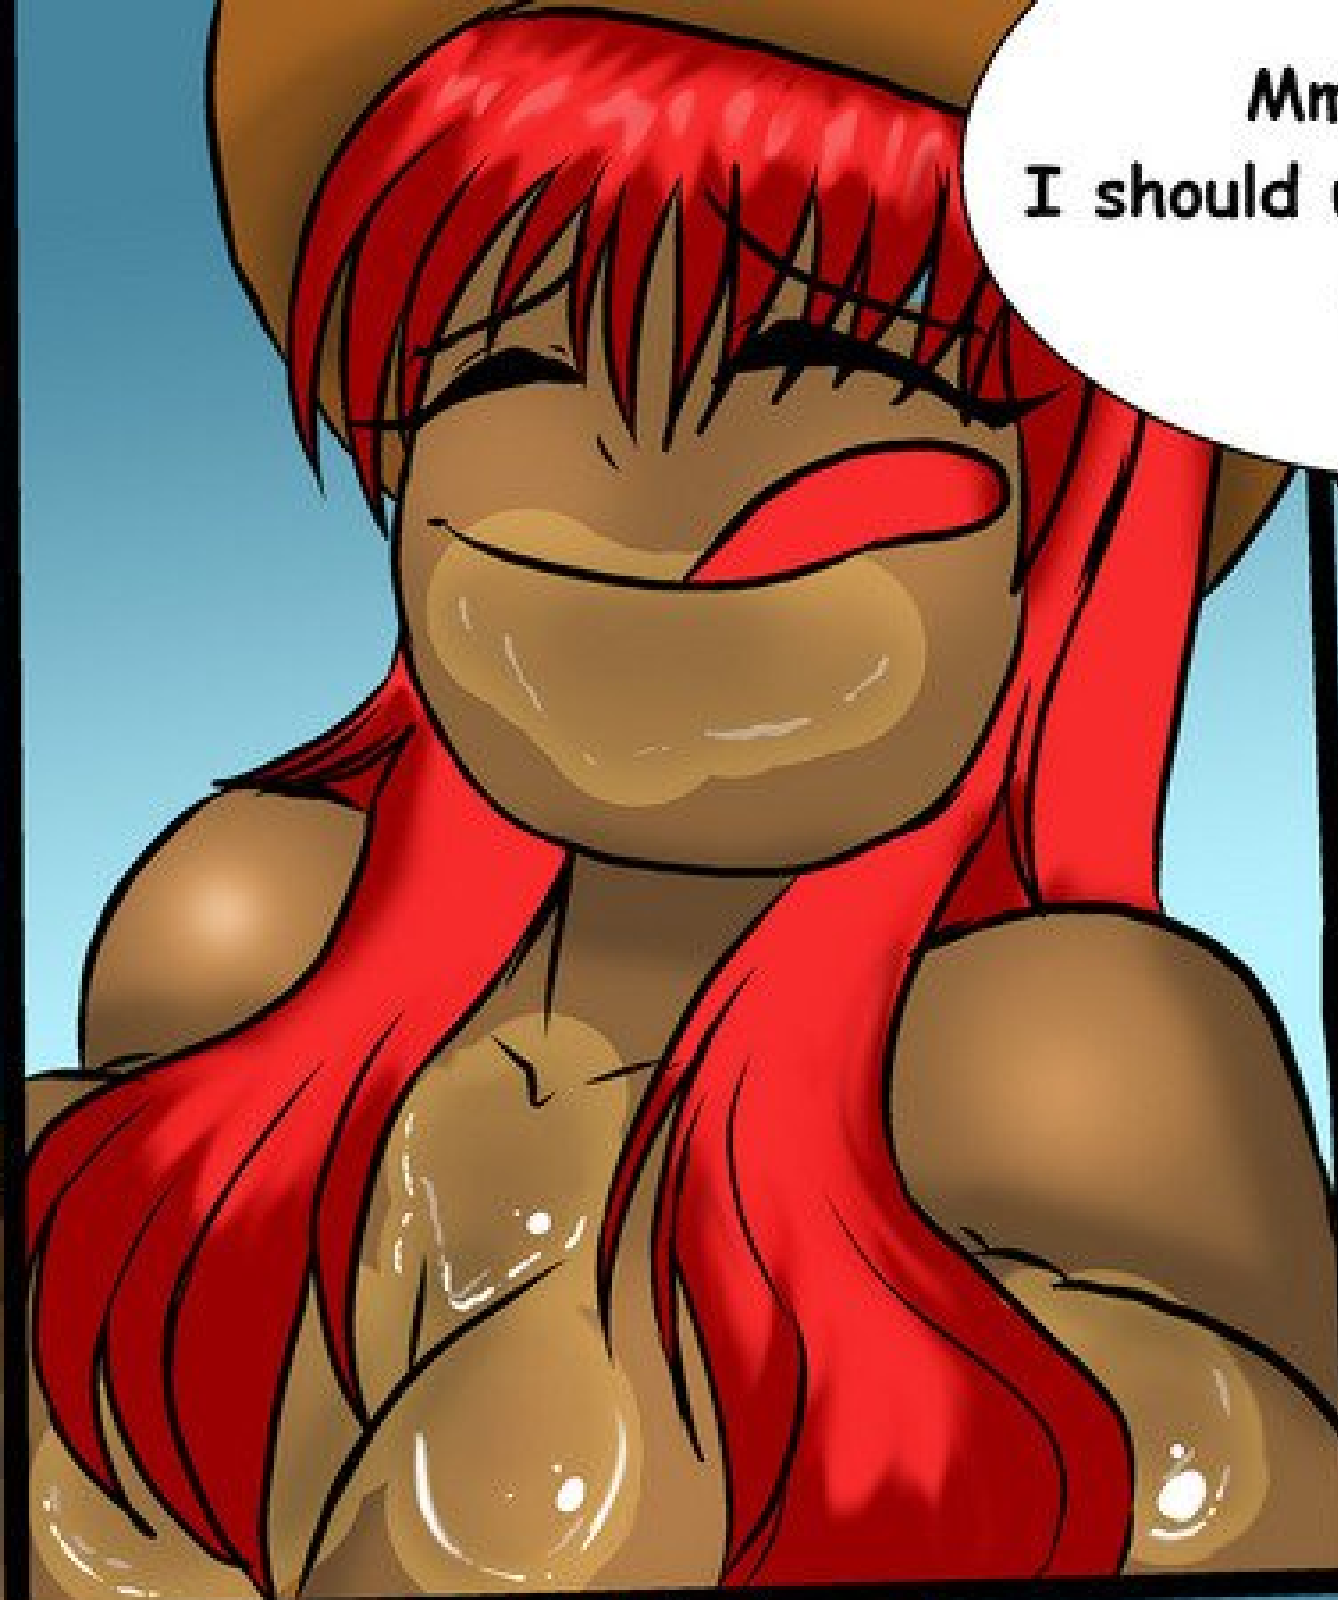

After all,
it was you who
brought me a
magnificent
feast!

Now I think it's time
for dessert!

Don't you think?

Mmm-mmm!
I should use honey more often.

I guess my
human stomach was the
only room left.

Well, that
was a marvalous feast!

It has been a long
time since I've
eaten this good!

Though I still
feel like I've forgotten
something...

...
Huh?

But didn't you just see me eat eight people?

I mean, aren't you going to kick me out!?
Throw me in jail!?

Why would we do that?

You just saved our town and protected us from outlaws for years

We all knew all along what you were doing.

We also knew how much you loved this town.

And we can't thank you enough for what you did for this town!

Yeah!
Thank you for saving me!

Sure

Can I ride on your back sometime?

3 WEEKS LATER

SPLAT!

SPLUTTER

Whew,
that was a stinker...

But I guess it's a sure
sign of progress!

Finally got my figure
back!

Mostly...

I wonder if I should
go to the saloon.

I guess that depends
on how much I make today.

Well, I guess it's
time for my second
job!
