been this

I can't see...
I can't feel
anything...
What is
going
on?

Is...
Is this it?
Am I
done?

Am I gonna
die alone
in a dirty
bathroom?

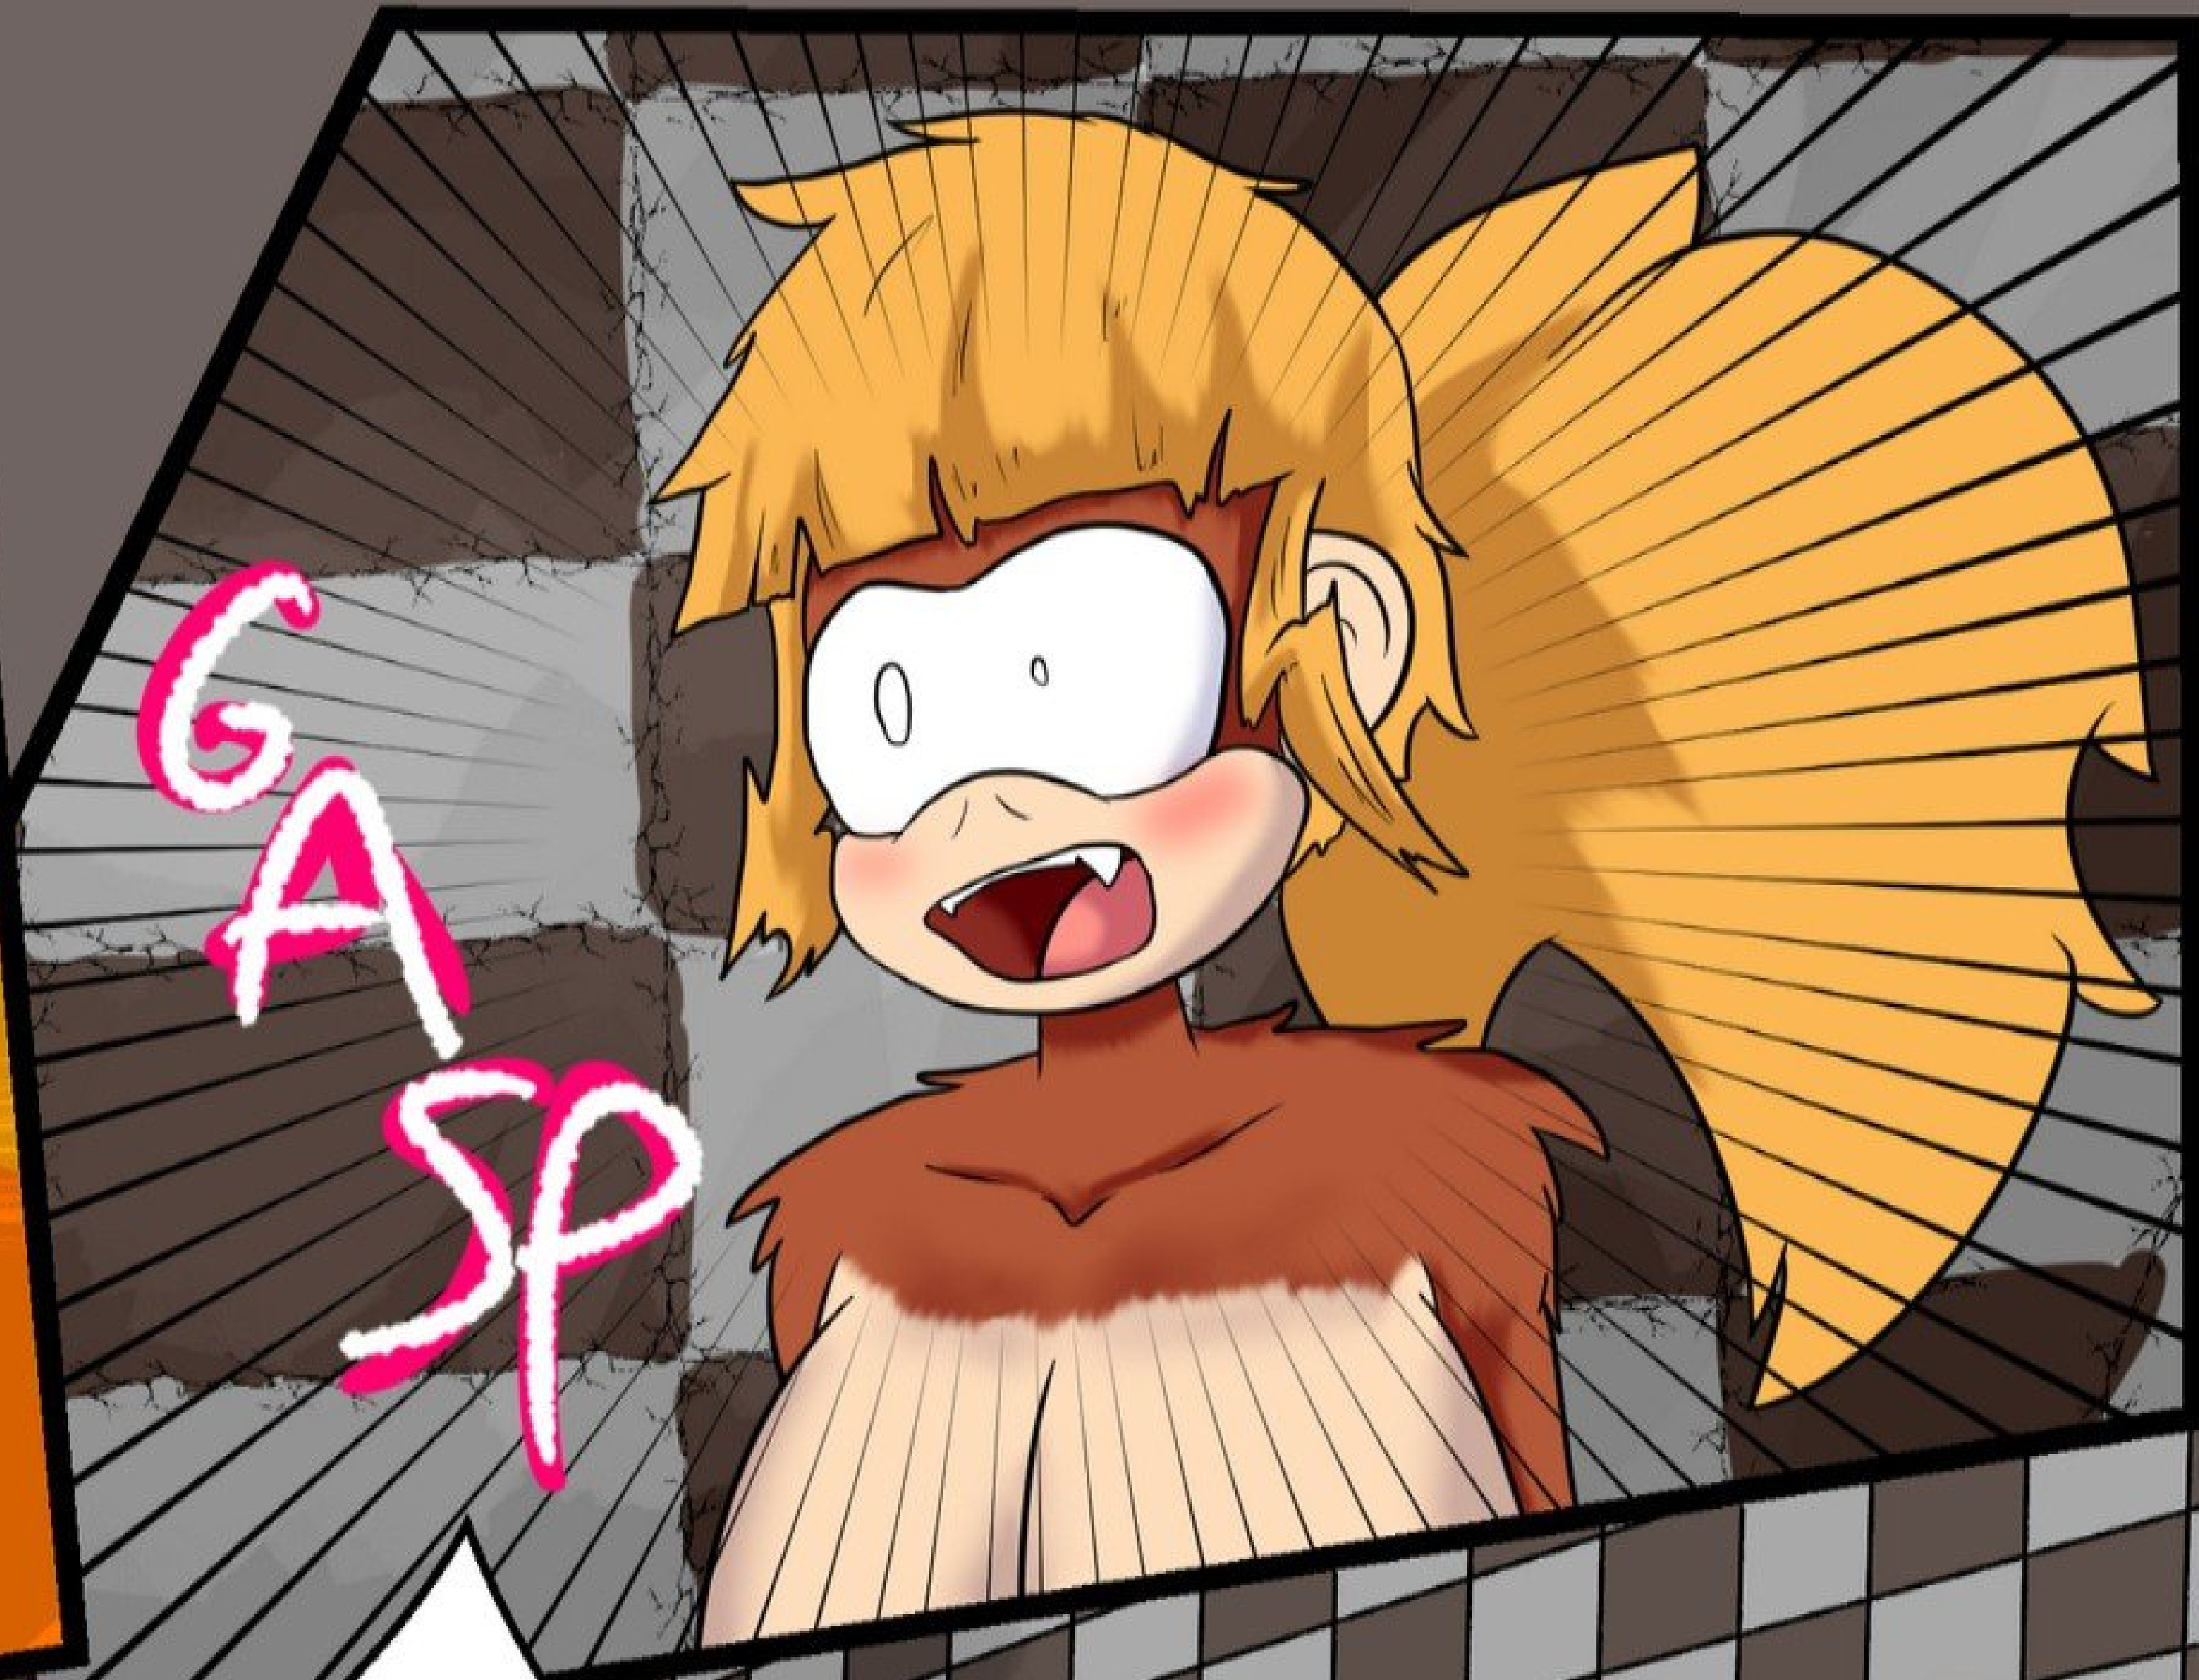

Why is my
stomach
open,
pouring
cum out of
every hole?

And the
same day
I caught Diddy
cheating on
me...
What a joke
my life was...

Perhaps
this is how
it should end.
As a big fat
joke.

Yes, this
is for
the best.
Goodbye...

Hey sugar cheeks. Time to wake up!

I'm alive?! HOW!?

Thanks for draining my balls back then. I really needed to fuck a bitch to death!

Look, my cock is starting to throb just looking at that gaping cum hole you call an ass!

Was it a dream!?

Ouch
Ok, my ass is still a gaping mess...

But... Why? Why did you come back to heal me?

A few minutes earlier

I really needed that! I'm feeling like a million rings!

Well sugar cheeks, that was fun and all but I have to go.

click~

See you again never! Hahaha ha-haha...

Really? You are gonna cry now?

Ah shit

Now I actually feel kinda bad...

Perhaps there's still a way to "restore" her.

Something that could let me "use" her again.

Bingo!

Why?

WHY!?

Because my balls
still need draining!
They always do!
And that's gonna
be your job
from now
on! I will
pop you like a balloon
over and over!

Don't worry,
I will
bring you
back as many
times as
I have to!
An ass
that good
can't be
wasted!

Will you
fuck me
again?

You bet
your ass
I will!

I see...
Then, I
can only
ask--

The end
