Not long after Surge had claimed Dixie as her new favorite toy...

Don't you dare pass out before I cum again!

I wanna hear you scream and *pop* at the **same time**!

Usually Surge throws her toys away after they break...

But she has grown quite attached to Dixie.

Myhentaigallery.com

You thought I would go easy on you just because you have a nice ass!?

Don't you dare loosen up, stay tight just like that!

That's it, grip my cock as I flood you with cum!

Yes, understood!

hentaigallery.com

In fact, I think there's two toys I would like to sugest, if I'm allowed.

I'm listening...

Thanks for waiting for me, had to stay late today.

No problem, *wow* the streets become empty quite early over here, it's kinda scary...

Indeed that's why I appreciate your company.

Just give me a second to lock the door.

Sure thing. hey, do you have plans for tonight?

I was thinking that we could, you know... Go to my place and hang ou--

Holy shit!!!

Hi ladies, rememmber me?

I've been thinking about you two for a while now.

Myhentaigallery.c

This is so good, I've never felt so much peace...

I know, I can't feel half my body and I love it.

Dozen upon dozens of orgasms later.

Yeah, my balls are nearly empty, good job you sluts.

And yet you are still so hard.
Is there any way to satisfy your lust?

Hey, Jewel, if Surge has another one of those potions could you maybe use it on me?

I could go for a few more rounds, if y mistress Surge is not out of rings that is.

hentaigallery.com

Now hold on, I don't mind if you two play to be lovers, but you are both my new, personal toys, and you can thank this cute Kong for that.

Does that mean you finally have enough play things?

Hell no!

Yall are a nice start, but soon I will go get me some more toys, and the three of you are gonna help me get them!

You hear that? You are mine, as both TOYS and TOOLS!

Yes maham, we are all yours now!

I'll follow you amywhere, count me in!

I assumed as much, I'll always be on your side.

Also, Dixie! I have something else for you!

Is it another potion?

No, just wait.

This aint something for those two bitches to enjoy. This is only for you.

Well, I guess they "can" enjoy it.

But they can't "use" it.

Tadaaa I know you lIke to play the guitar. Happy birthday or whatever!

MyHentaiGallery.com

OH MY GOD!

This is so awesome! It looks amazing and it sounds even better! Thank you!

So romantic!

I love this kind of gesture!

"Romantic" my ass! I meerly keep my TOY happy so she keep being a good onahole!

She knows her place, so don't get her confused!

That's... Nice. So, what's next for us? Do you have any new "target" in mind?

Well, I was thinking aboyt Amy Rose, but she belongs to Vanilla. And I ain't about to mess with that monster of a futa... Yet.

I have, however my eye set on a specific group of girls that need some good dicking...

To be continued...
