

After I lost my quirk,
I was cast out by the Hero community.
But never gave up!
If I keep training maybe I can....

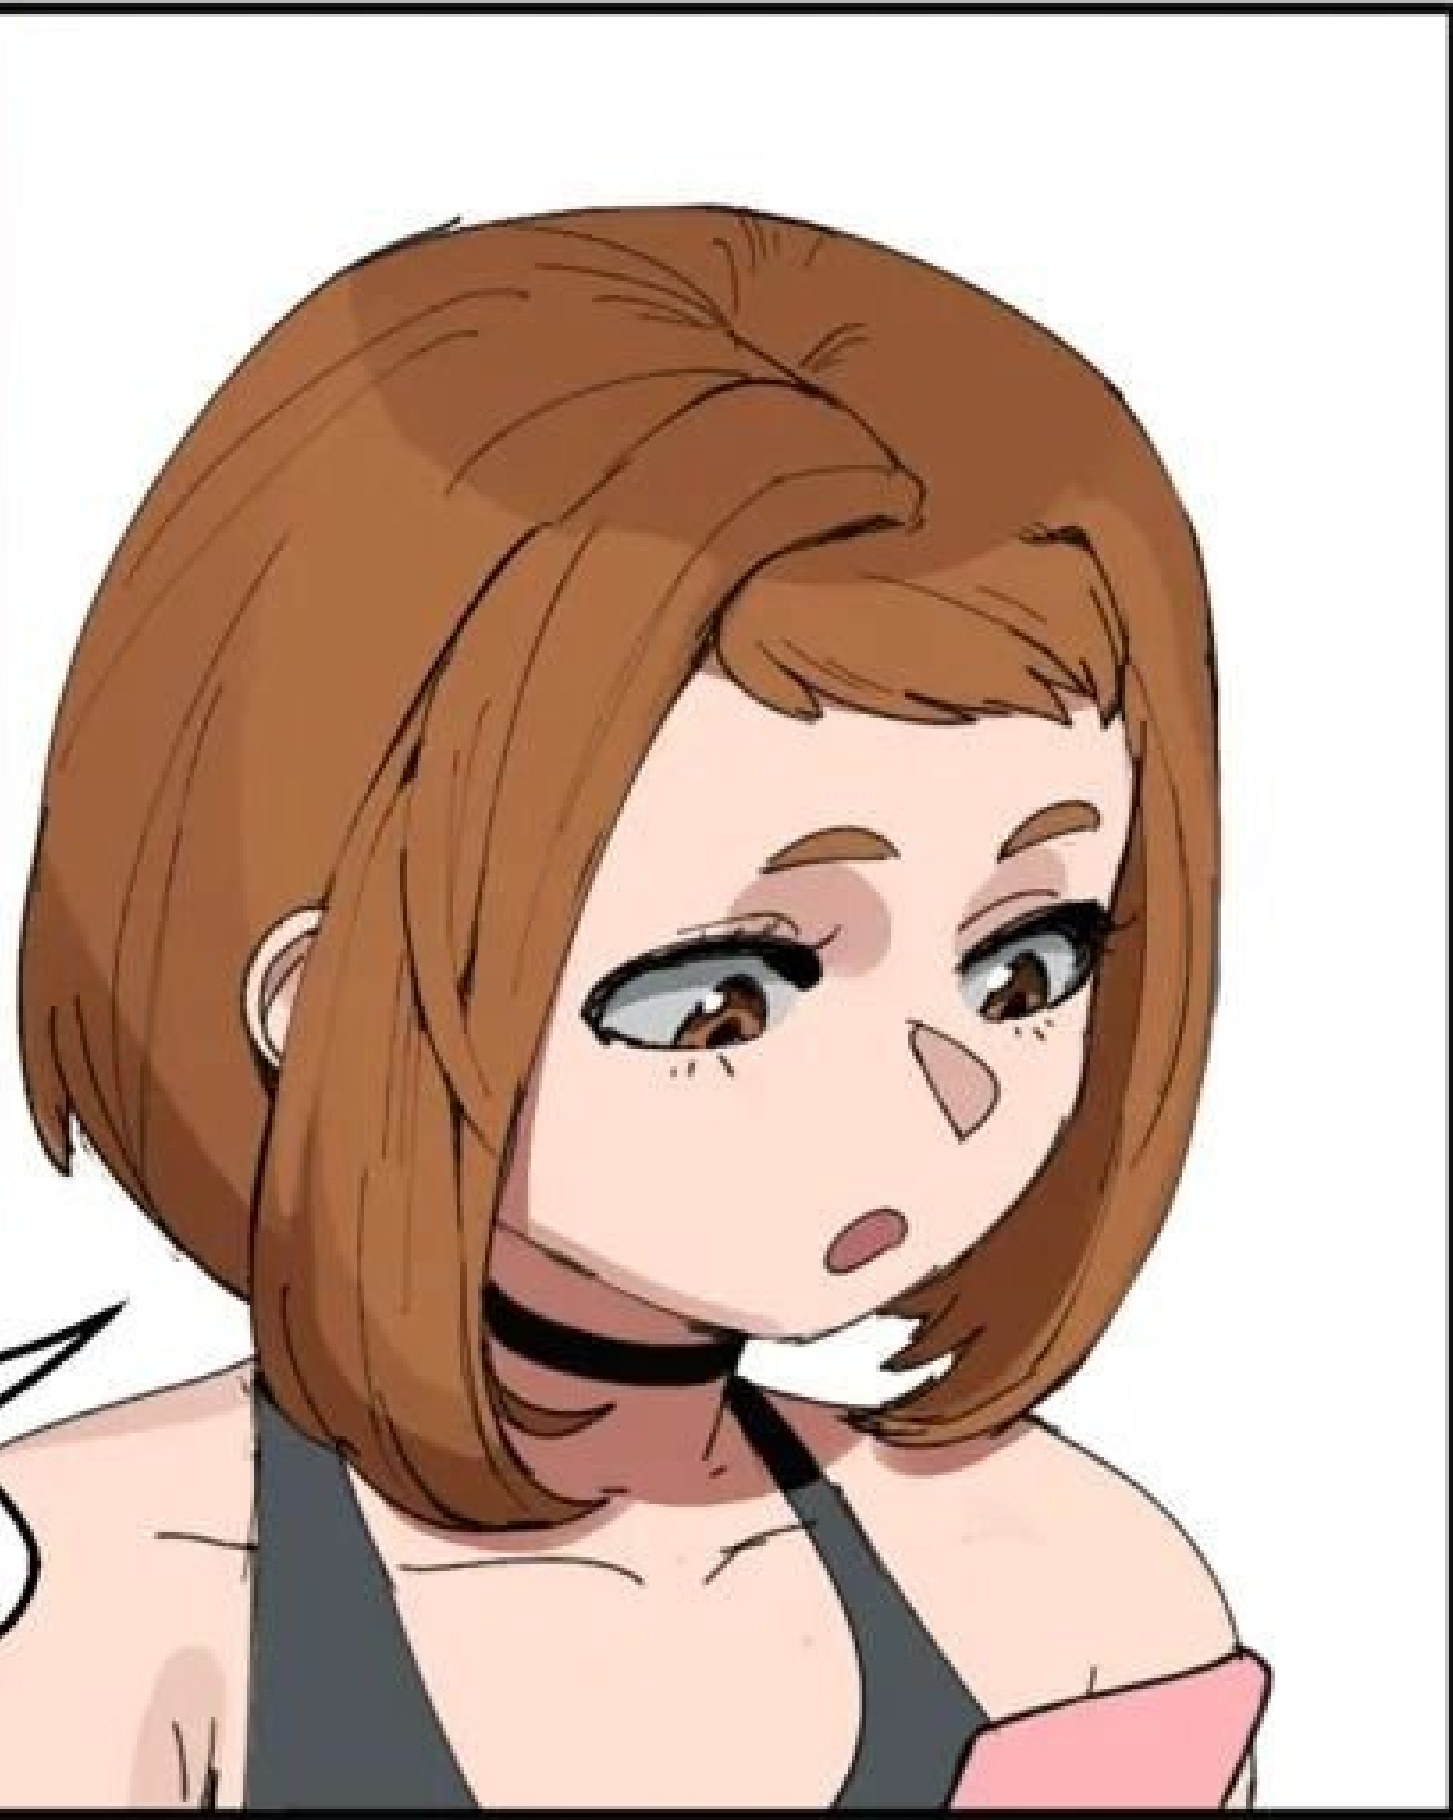

i havent seen her
since i lost my quirk

yes.. it is me Midoriya-san..

h,hey..!
long time no see...
h,how have
you been?

is your hero work going well?

what about Asui-san or Yaoyorozu-san or...

uhm... uh....
do you wanna train together?

great

they're
good

sigh...okay...

(doesn't seem
like he's gonna
go away...)

later...

I wanted to show
Uraraka-san
my training
progress but...

Hey Ochaco-chan!
What are you doing here?

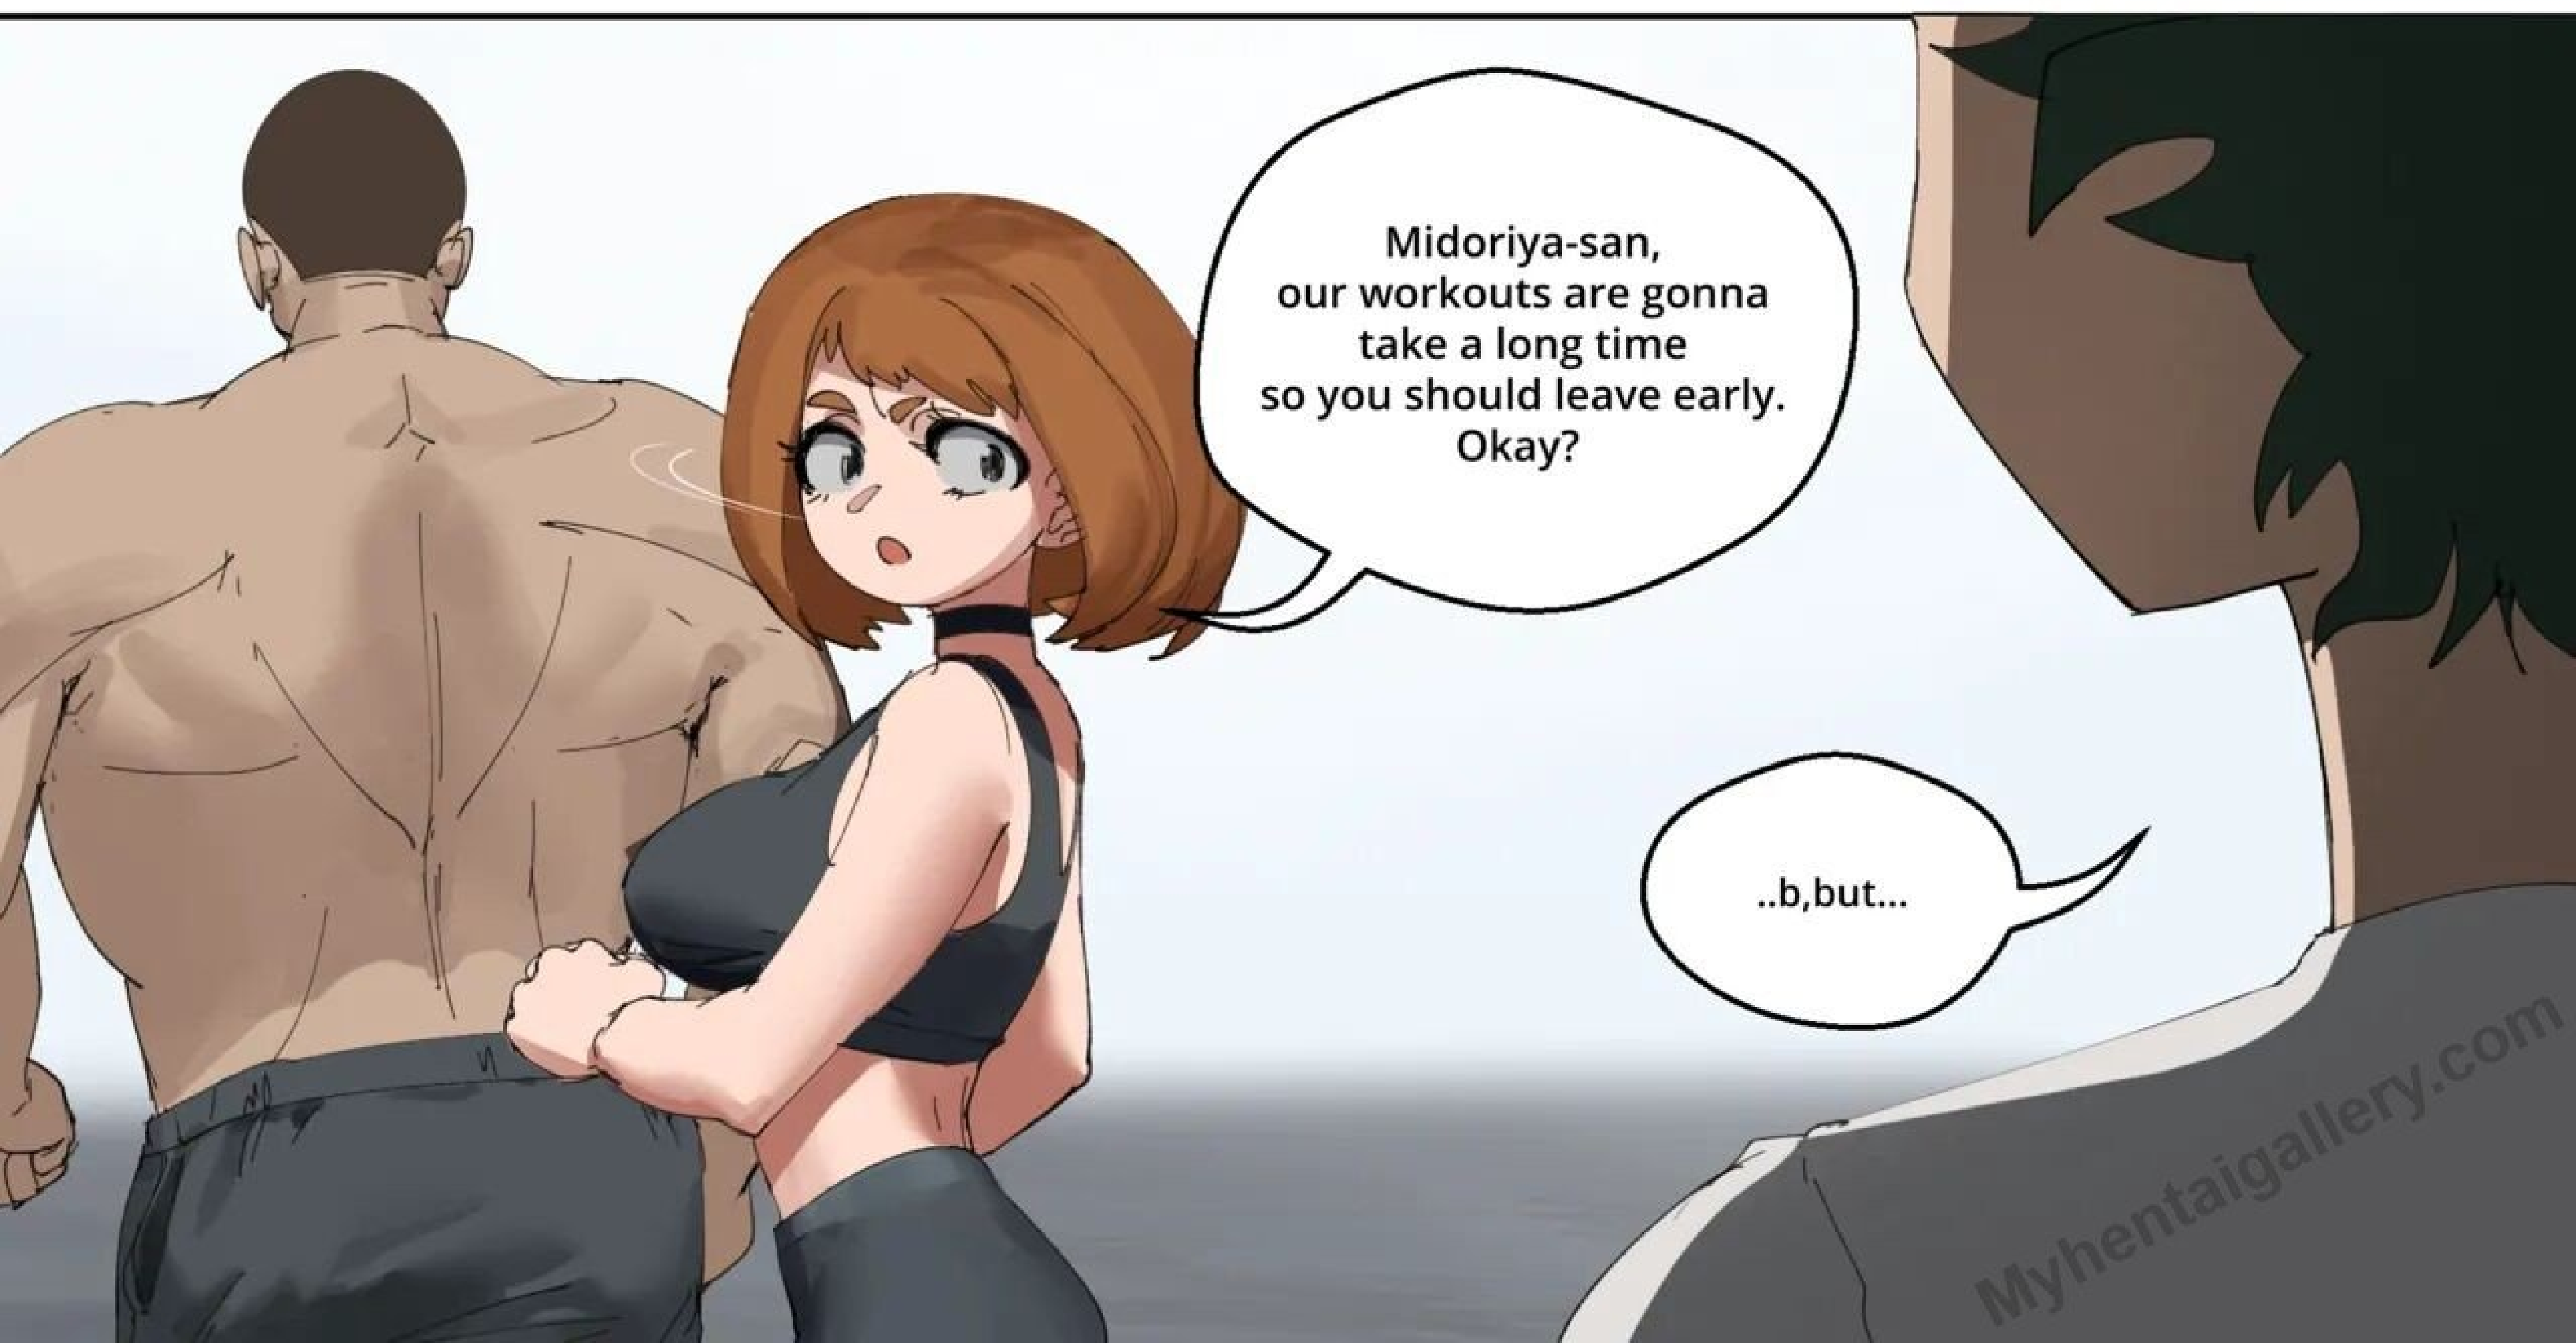

Oh hey!

It's a waste of time
for us Heroes to train in
the normal training area!

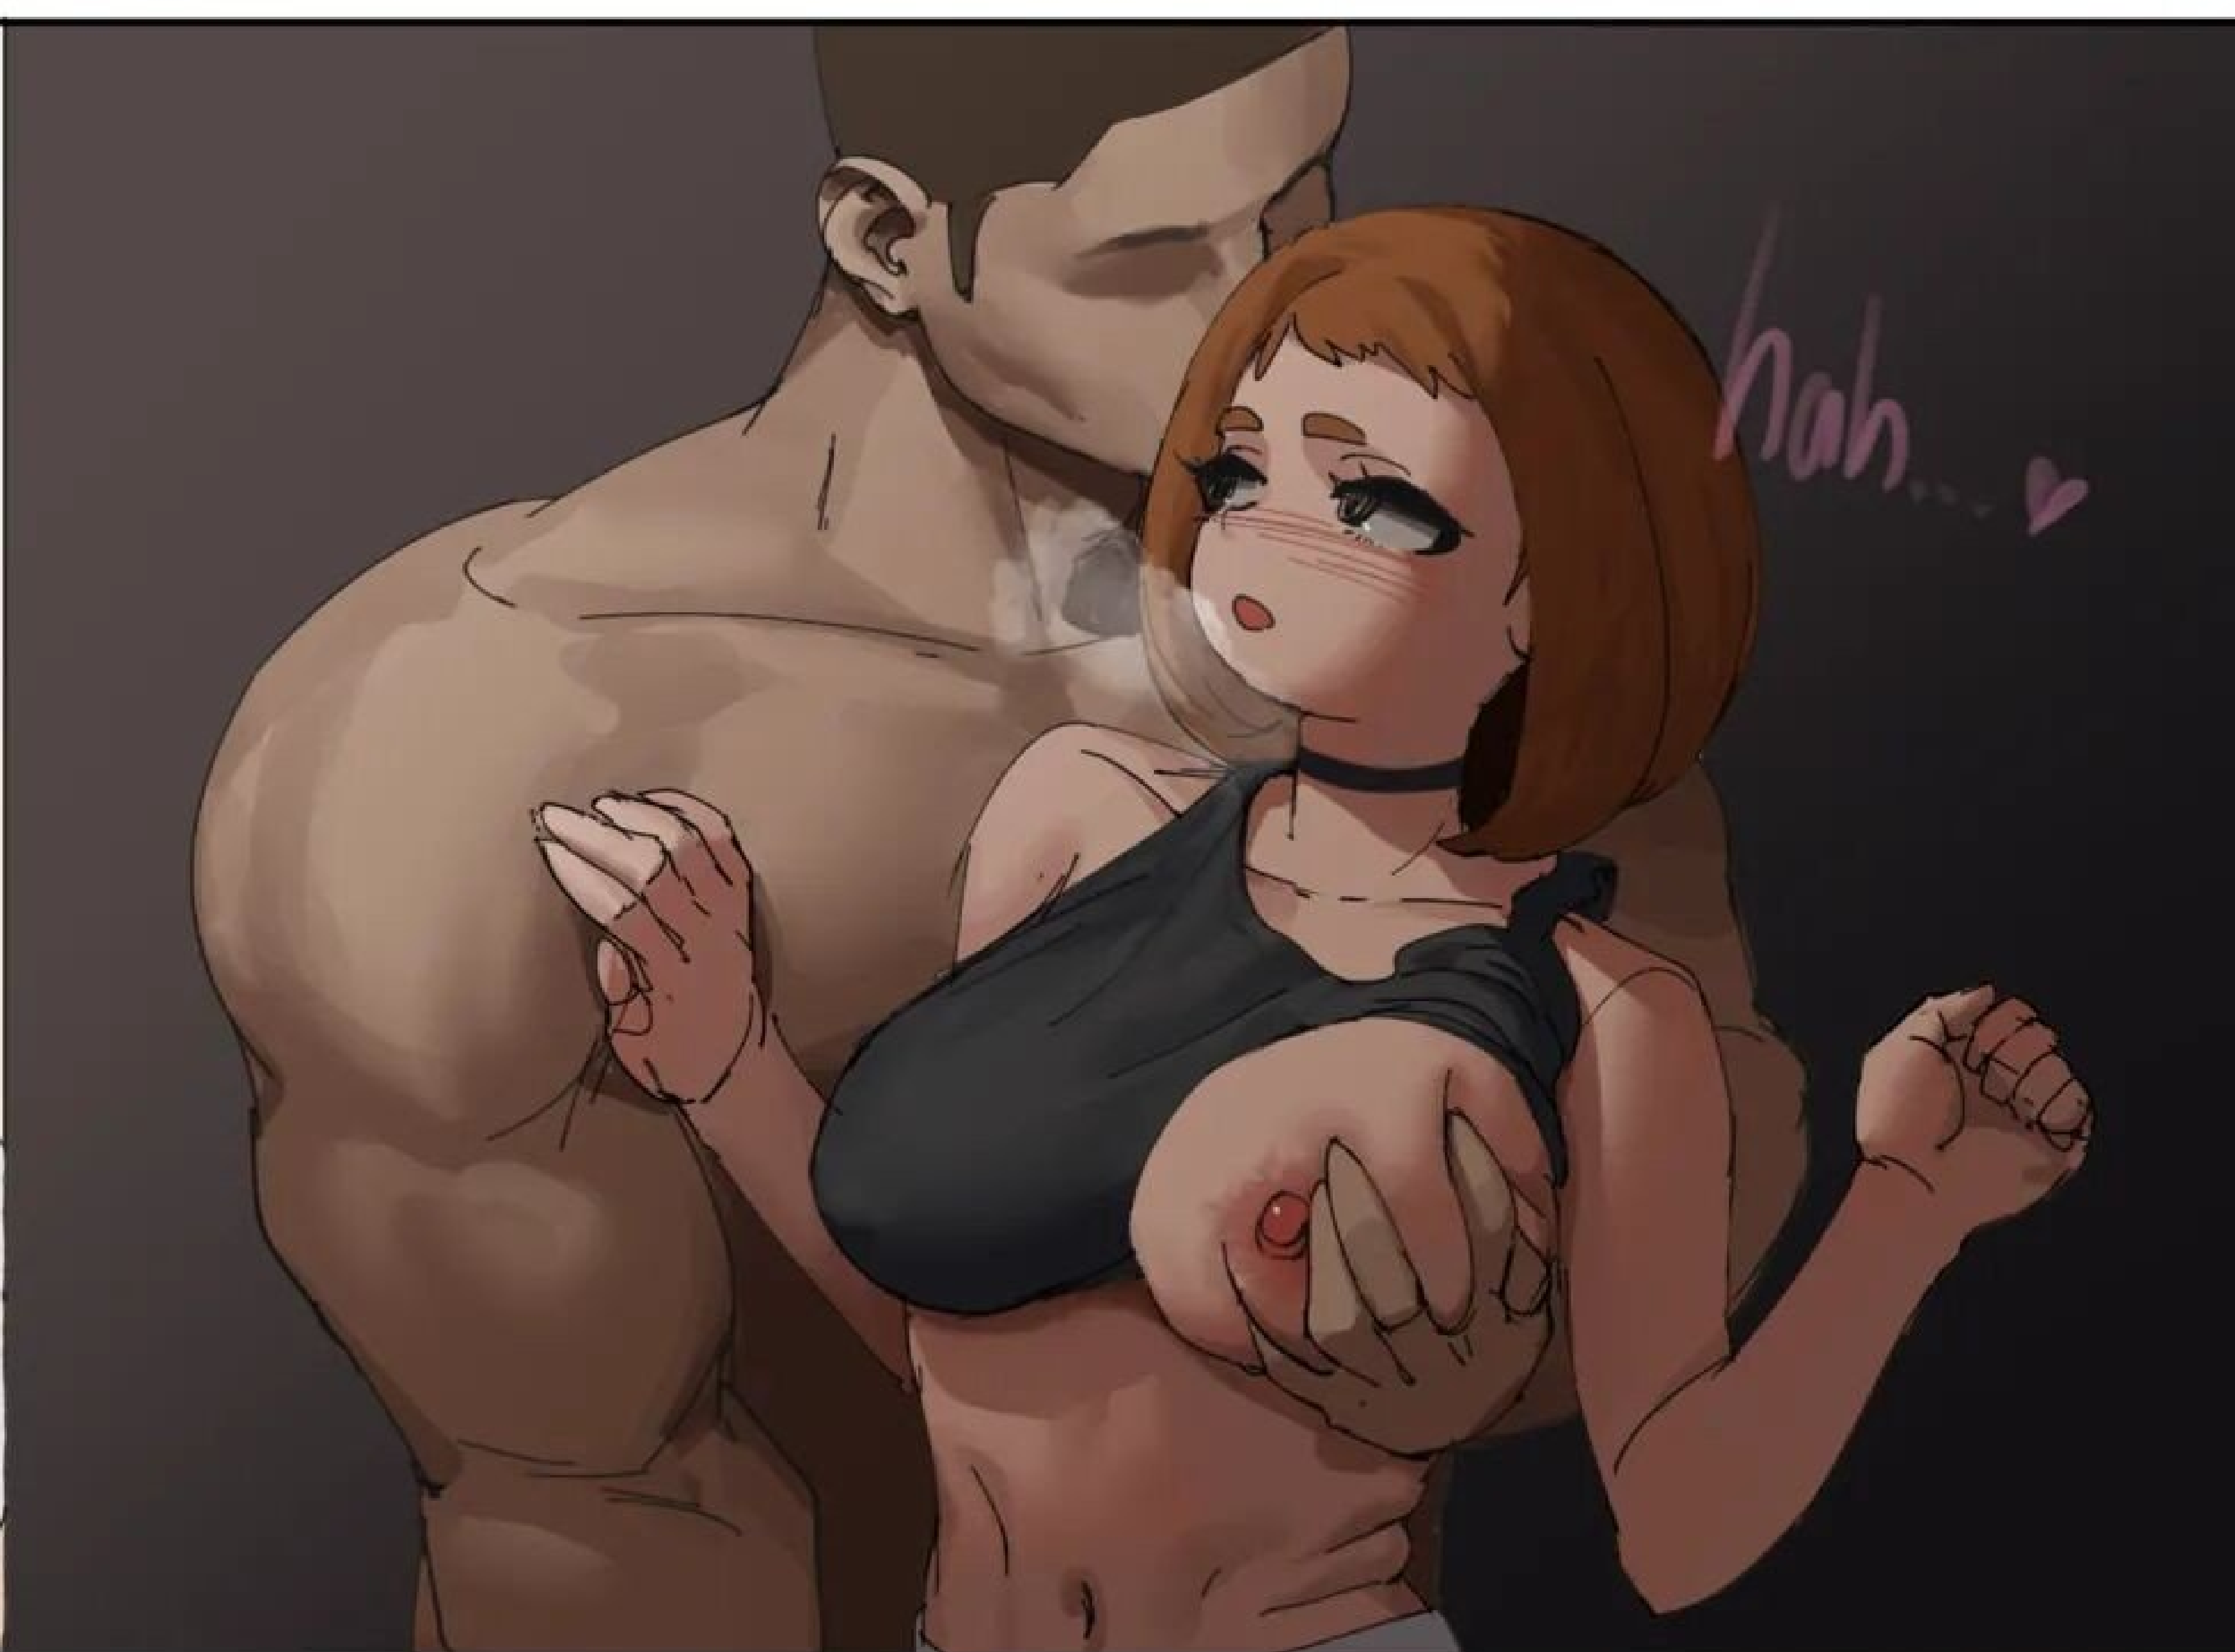

How about we
train at the
Hero only area?

okay!
that sounds nice!

Midoriya-san,
our workouts are gonna
take a long time
so you should leave early.
Okay?

..b,but...

hahh
ahh

ahh
ahh

is this sound coming
from the hero only area...?

I guess hero workouts
are that much more
intense huh....
