

* So you say friends play this
game "casual sex" all the time?
Being human is so much fun!

* Oh! Did I win? I feel something
warm deep inside my tummy
spreading...

* I think Seth had a book about
this game. There it was called
"human pollination".

* I should ask Seth later what
"pollination" means, it sounds
funny!

* "Aqua colored flower seeds"
have been added to your
inventory
