Chapter 3

A scene showing Belle sitting on a brown horse, looking towards a large, dark, multi-towered castle in the distance. The sky is blue with some birds flying.

- What is this place?

Phillipe brought the girl to the gate of a huge dark castle. Having screwed up her courage Belle stepped inside with both feet.

A scene inside the castle. Cogsworth, a clock-like character, is looking angry and shouting at Lumiere, a candelabra character, who is looking surprised. A large circular inset shows a close-up of Lumiere's face with a wide-eyed, open-mouthed expression.

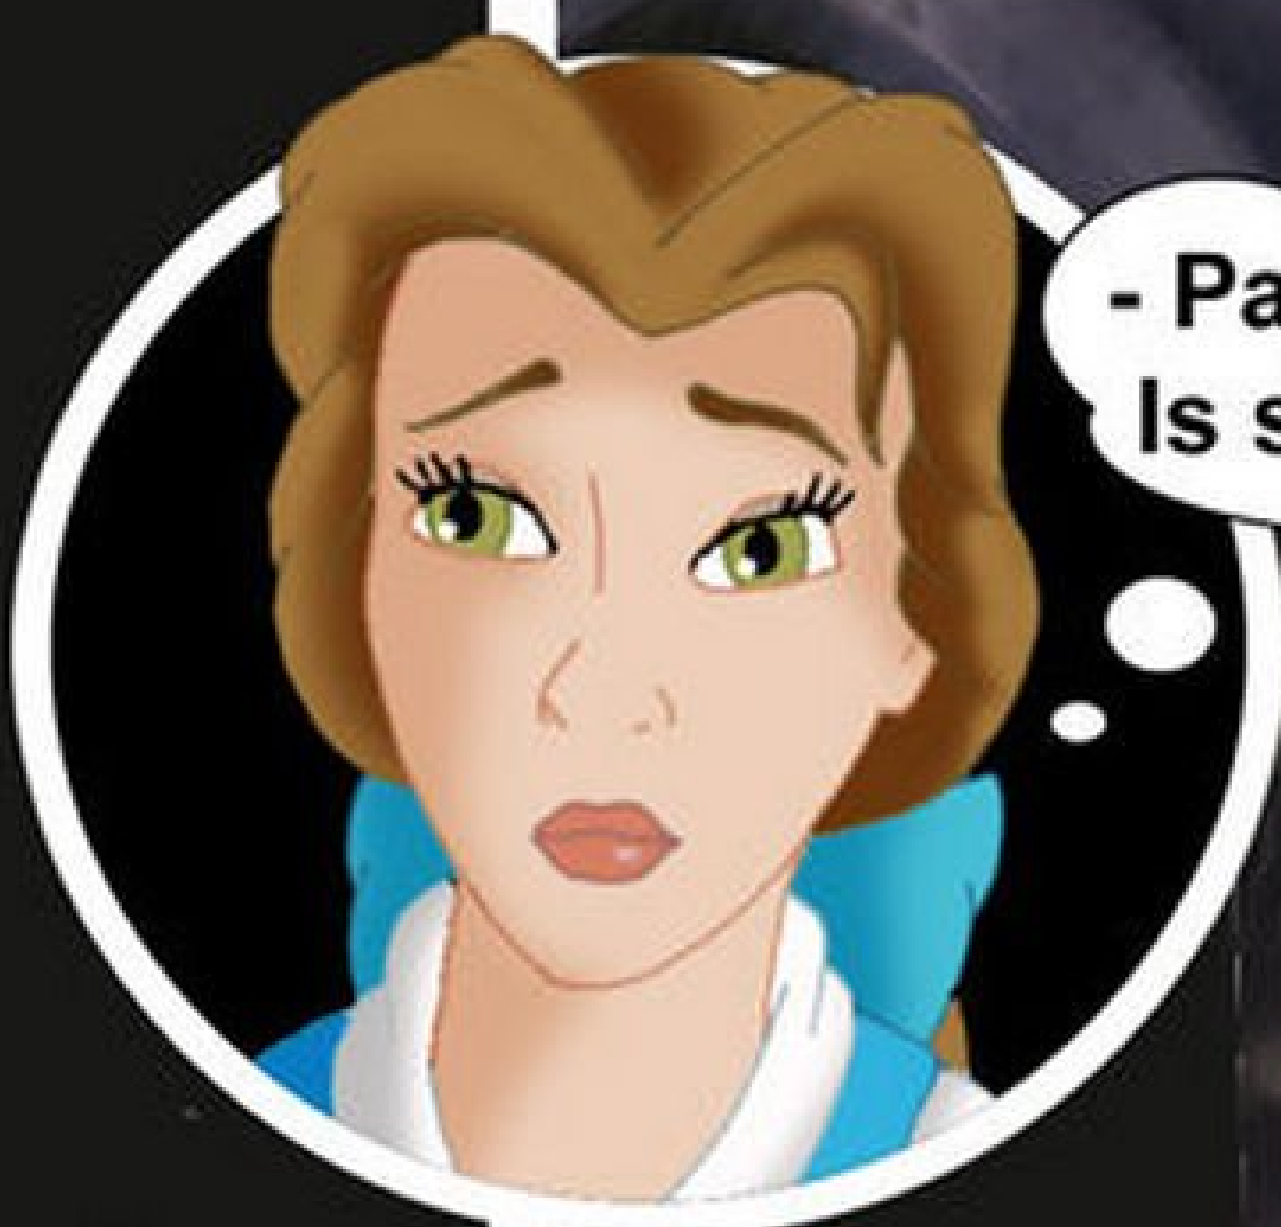

- I told you Lumiere, we shouldn't call for him to fuck in the master's chair!

A scene showing Belle walking through a dark, stone hallway. She is wearing her signature blue dress and cape, looking around with a curious and slightly nervous expression.

- Papa? Papa, are you here?

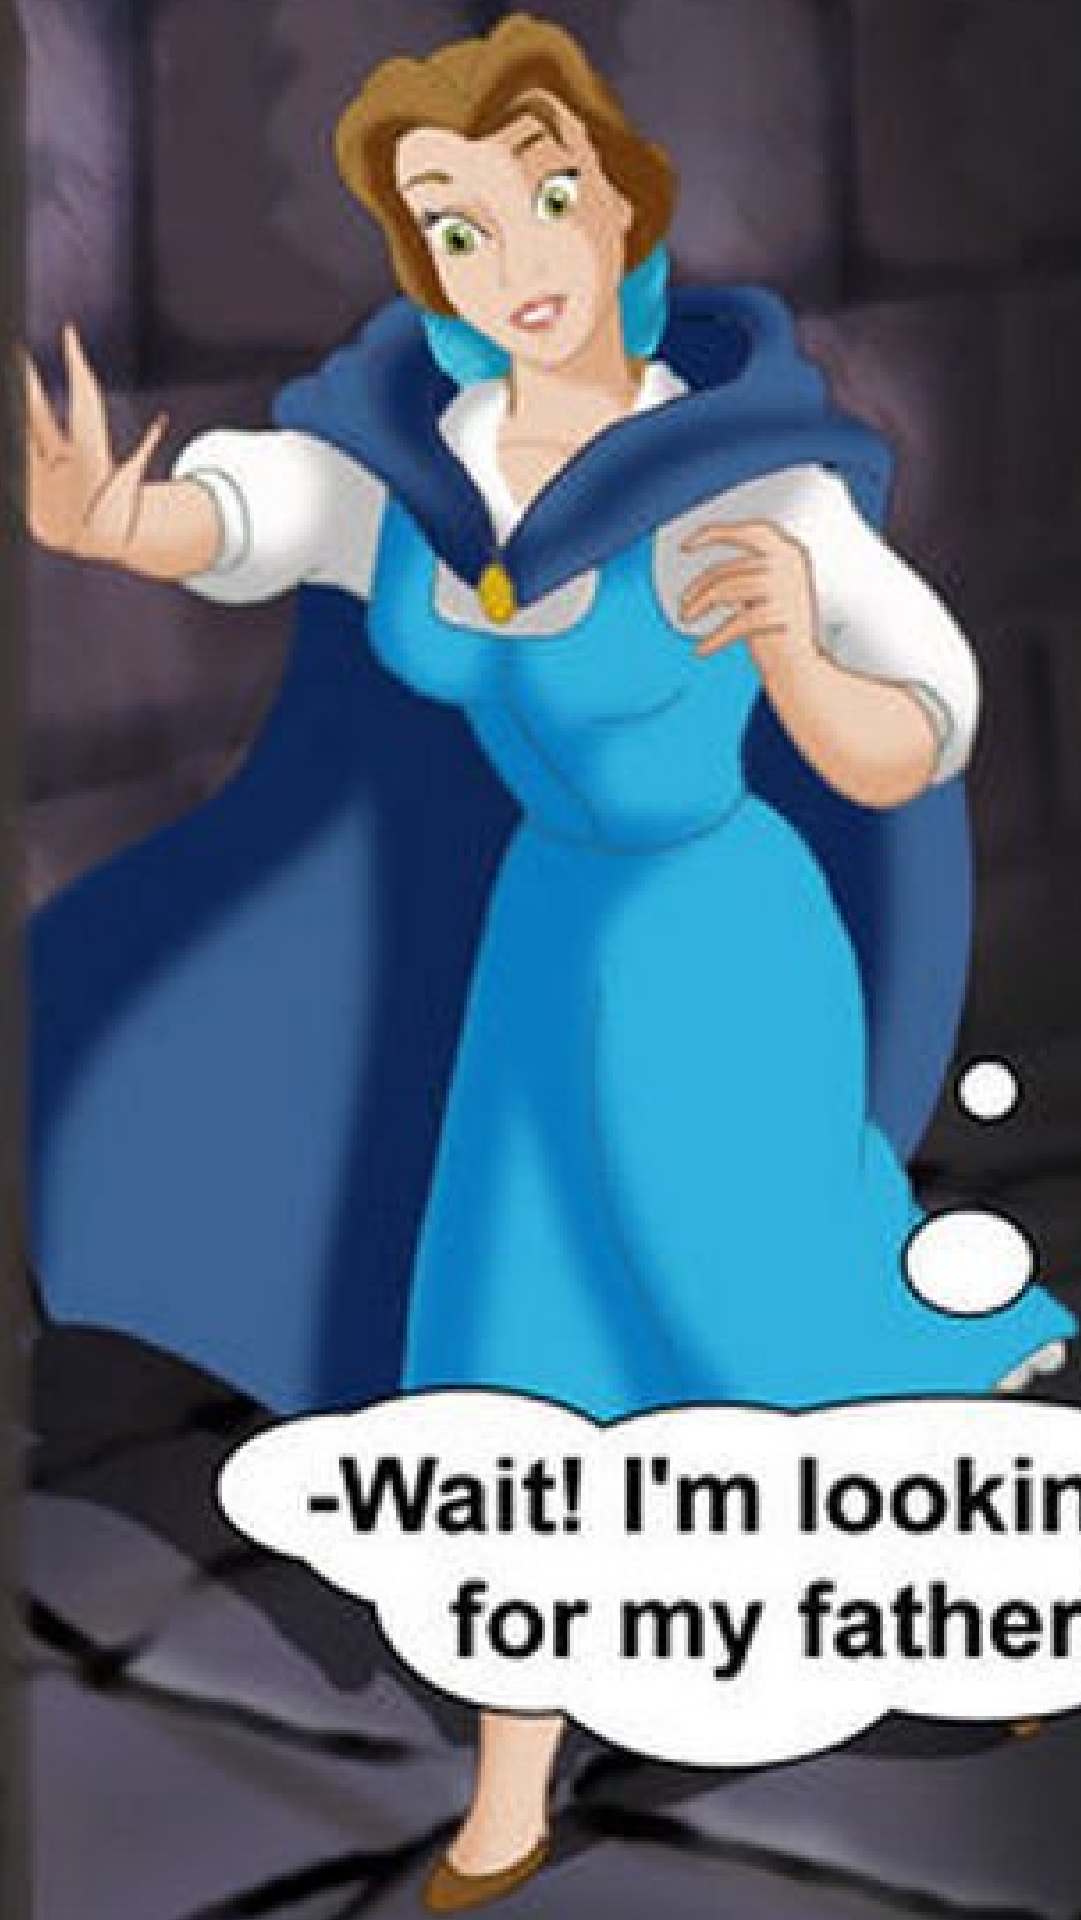

-Wow! Did you see that? It's a girl!

Belle was going through the dark castle's halls! Only echo of her steps was audible in resounding halls. She was somewhat afraid but curious!

- Papa? Papa? Hello?
Is someone here?

- That's the girl who
must suck off the
master!

-Wait! I'm looking
for my father!

B...B...BELLE??

Searching her father the
girl came up to the highest
floor of the tower.

- Papa! Where are you?

- Who did this to you, papa?

- Belle? How did you find me?

OOOH!
OOOH...!

- No time to explain.
You must go. . . now!

- I won't leave
you!

GRRRRROW!

- GHRRR!
The master
of this castle.

- Who's there?
Who are you?

- I've come for my father.
Please let him

GRRROUCH!

- You? You want to
stay here instead
of him?

- No! He's my prisoner!
And I will fuck him!

Belle couldn't see who was
standing in the darkness
of the tower. But she was
feeling that it's someone
terrible and horrible!

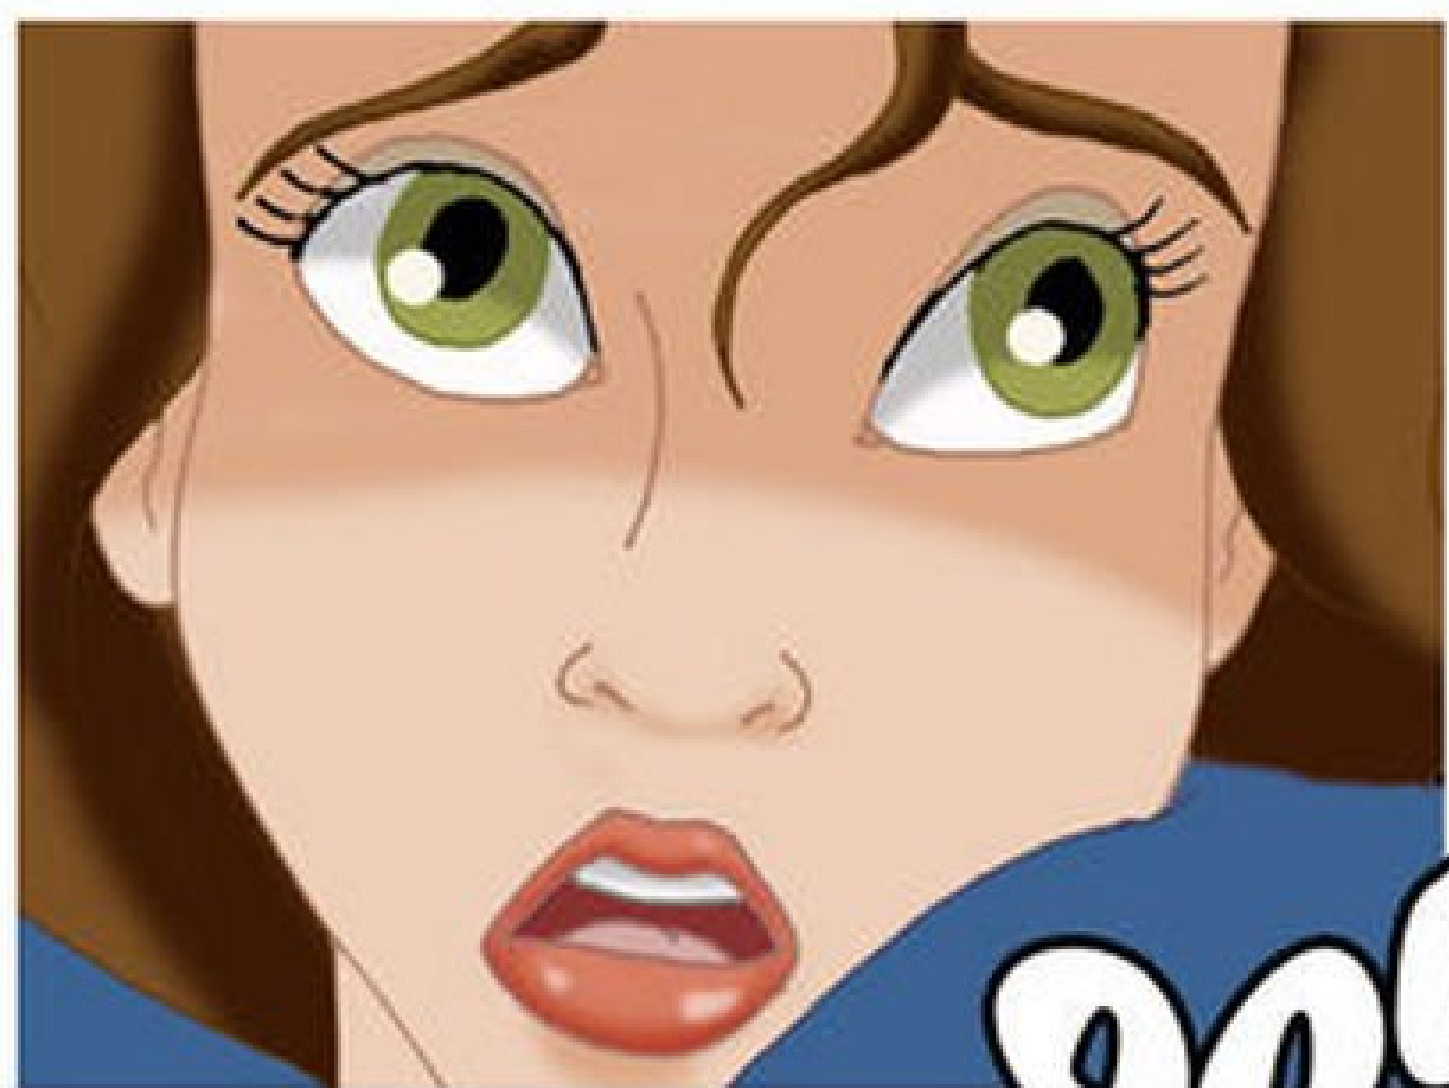

- Let him go!
You'd better fuck me!

- No, Belle! No!

- Come into the light
and drop your pants!
I wanna look at you.

GRRROOLSH!!!

OOOOPS!

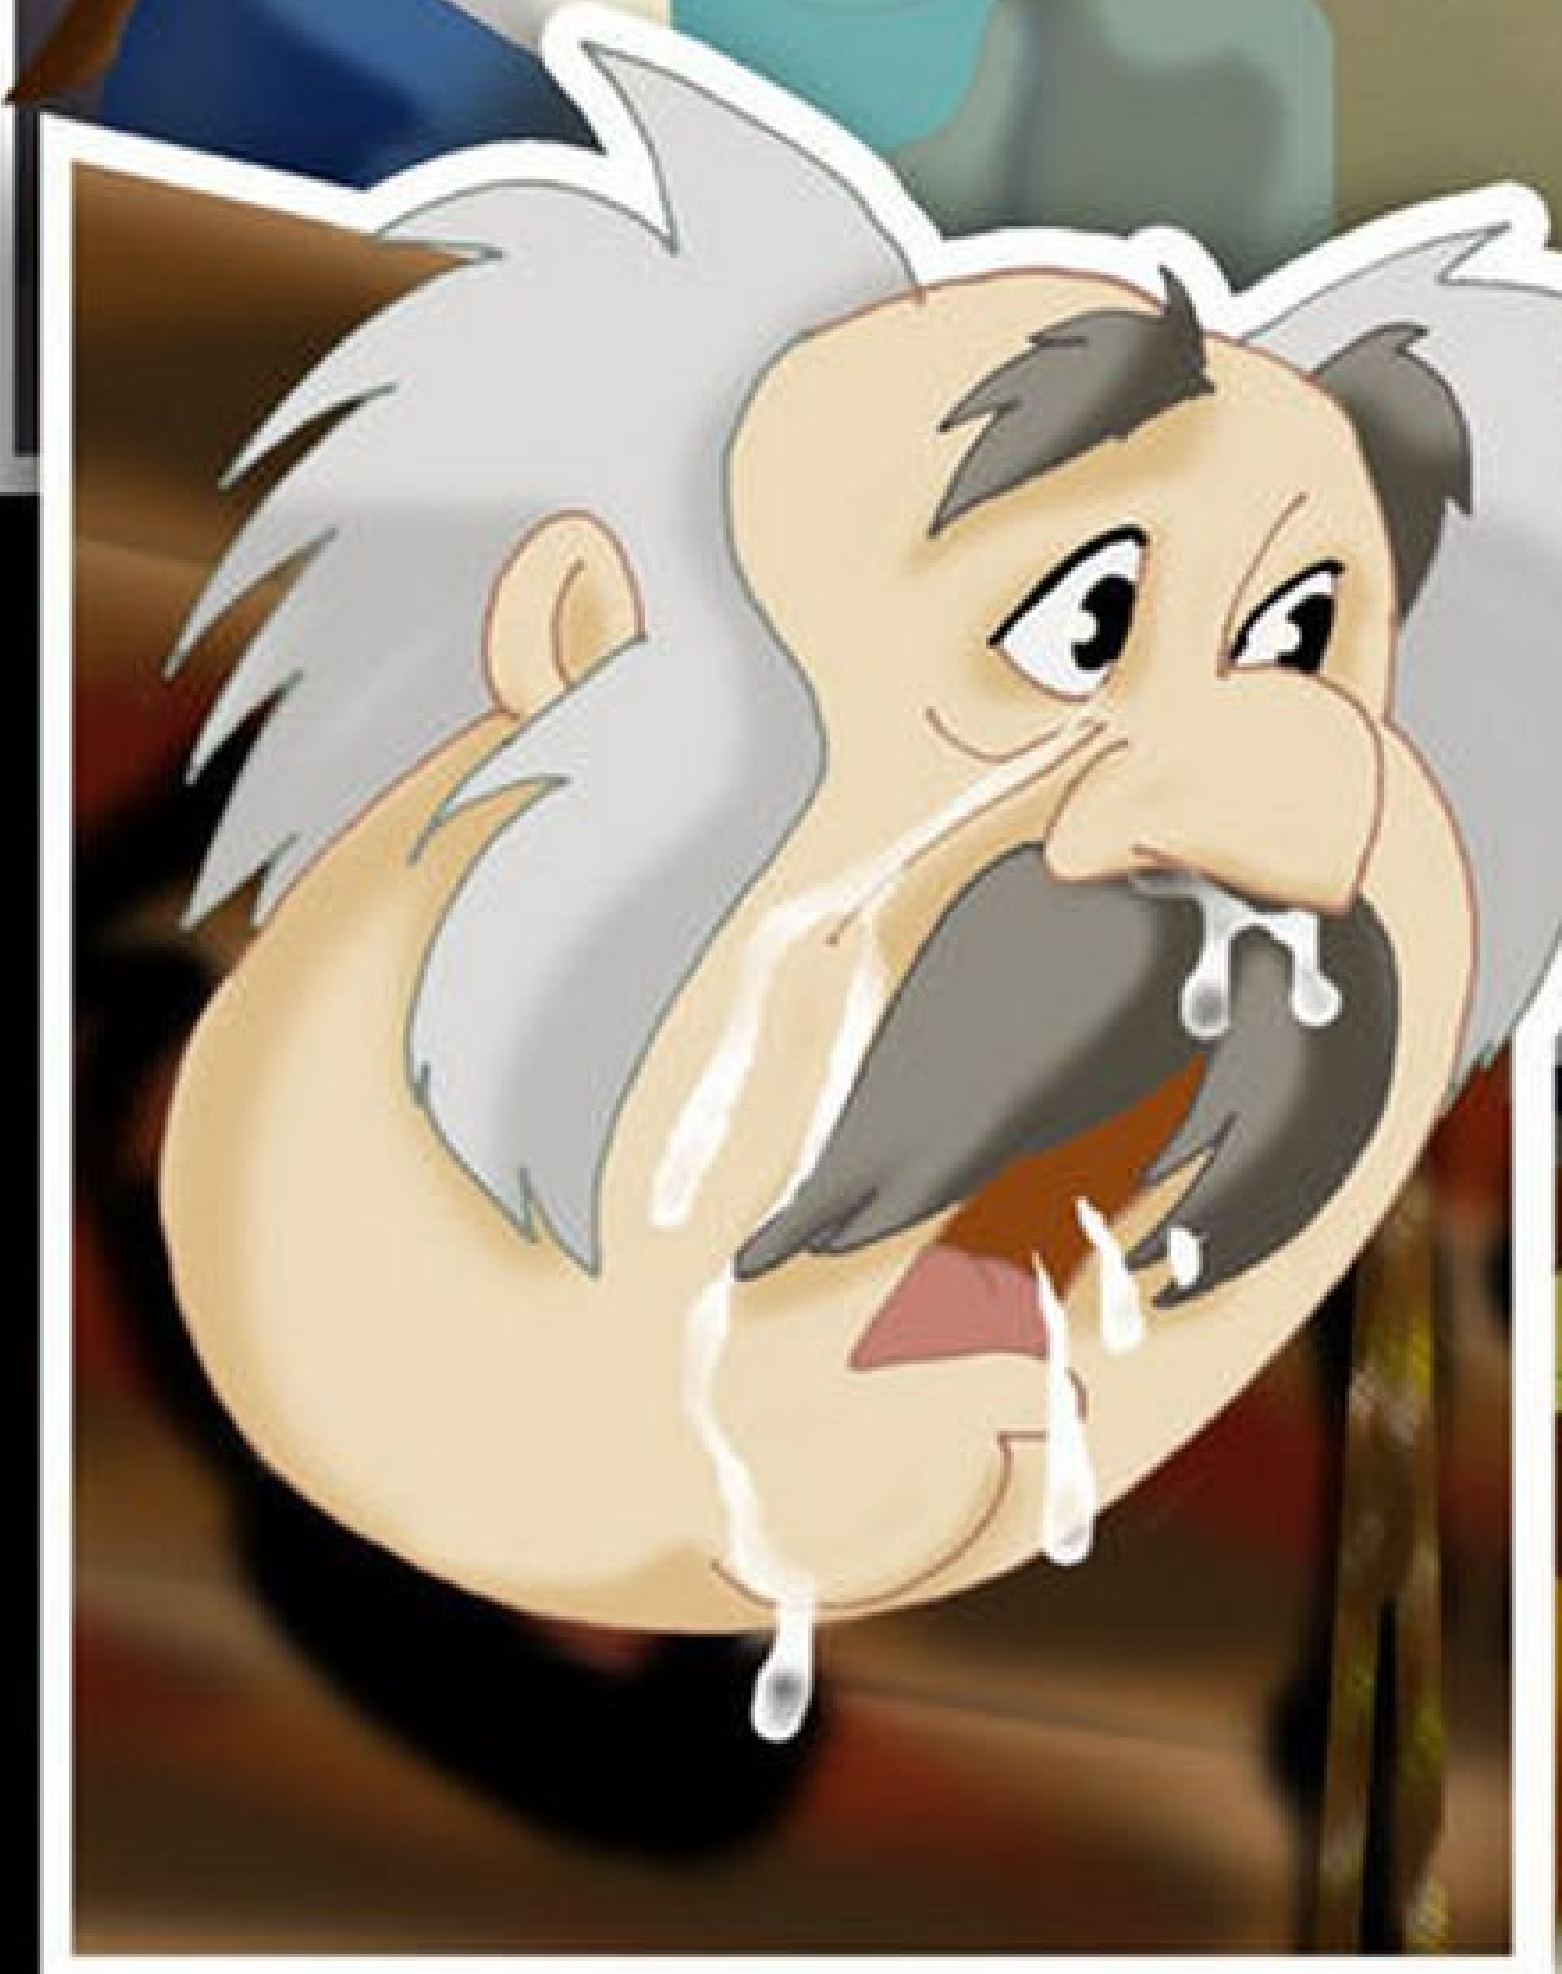

That was a hell of a monster! His
huge beefy dick made her flesh creep!
But she had no choice! She was ready
to go any length only to save her father.

A panel showing Belle in profile, looking towards the Beast. She has a blue bow in her hair and is wearing a blue dress. The Beast is on the right, looking back at her with a slight smile.

- I agree!
You have my
word.

- Done!

A close-up panel of Mr. Potts, the castle's chef. He has a large grey mustache and is crying with tears on his face.

- No, Belle. Listen
to me. I'm old, I've
lived my life. . .

GRRRRRAH!!

A panel showing Belle looking up in shock and fear at the Beast. The Beast is roaring with his mouth wide open, showing sharp teeth.

- AAAA-AH! Papa!!!!

CRAASHA!!

- Papa!!!!

CRAAACH!!

- No, please spare my daughter!

- Belle! My lassie!

- She's no longer your concern.

OOH...

Finally the beast was satisfied. He grabbed her father and threw him out of the castle's gate!

- WHAT!

GRRRRR!

- Master! I wanna say that if the girl's staying here may be you could fuck her on a more comfortable place?

- Then again, maybe not...

- You didn't even let me say good bye. I'll never see him again. I didn't get to say good-bye.

- I'll show you to your room.

- My room?
Indicating the
cell. But I
thought. . .

- You want me
to fuck you right
here?

- No.

- Then follow me.

Belle went after the Beast! She was
frightened but she was passively
walking after him!

- Master! Say
something to her!

- Hmm? Oh. I hope
you liked it!
The castle is your home now,
so you can go anywhere
you wish, except the
West Wing.

- Call her in!

- And you are coming to my bedroom tonight!

- That's not a request!!!!

GRROW!!

- But...

The girl closed the door and burst into sobs on her bed! She will never ever see her father! She was destined to spend all her life in this castle. And all her life she will be raped by this horrible monster! From now on her gentle young body will be pawed by this sultry beast! The idea gave her the horrors and she flacked out!
