

Urbain

Oh hey, did you get your Challenger's Ticket yet?
Huh, that's weird. I'm getting a notification on my phone.

Warning: Rogue Mega Evolution is imminent!

Urbain

Ugh, fuck! Why do I feel so horny? Yo, Paxton, check this out. My dick is throbbing for some reason.

Urbain

Is this the source of the Mega Power my phone was picking up on? Fuck, it feels so good!

Urbain

Something is telling me to pull it out of my sweats.
I don't think I can hold it for much longer!

Urbain

Damn! It's beautiful, right? Want to test your strength against my Mega Evolved cock? Don't be scared.

Urbain

It's as big as your arm, Paxton! You're up for the challenge, though, right? Show Daddy what you can do.

Tssk

Urbain

That's a good boy. Tastes better than croissant curry, huh? I know you can fit more dick in your mouth, fag!

Tssk

SPLURT

Tssk

Urbain

Yeah, come play with it. I know you want to, you're practically drooling onto the fucking sidewalk.

Rogue Mega Cock (Lv. 200)

Urbain

C'mon, Paxy. I know you can take it harder than that. I can barely even feel it. Make it leave a mark, bitch!

Urbain

Hey, look. I think all these donuts summoned a super powerful legendary - my fat cock!

Urbain

Oh fuck! That's a lot of extra cream! Be a good boy and lick it all up for me.

Urbain

Looking for something? I might be willing to help you out... if you do me a favor in return.

Urbain

That's it, keep bouncing on it just like that and I'll fill you up so good.
