

Big Bouncy Ticklish

1 THE WHEEL

THE SCREAMS OF THE TORMENTED VARY FROM CHAMBER TO CHAMBER, BUT THEY ARE MOST UNIQUE FOR THOSE TORTURED ON THE WHEEL. THE SOFTEST, FINEST FUR ROTATES, SOMETIMES SLOW, SOMETIMES FAST, NEVER ALLOWING ITS VICTIM TO GET USE TO THE MADDENING SENSATION OF TEASING FURRY BRISTLES ALONG THEIR SENSITIVE NIPPLES. THEY STRUGGLE AND SQUIRM BUT IT ONLY ALLOWS MORE OF THEIR PLUMB BREASTS TO FEEL THE WHEELS KISS. FOR THE MORE SENSITIVE OF THE PRISONERS, THIS OFTEN BRINGS THEM INSIDIOUSLY CLOSE TO CUMMING, BUT IT WILL BE HOURS, IF AT ALL BEFORE THEY ARE ALLOWED RELEASE.

2 GOOD/BAD VIBRATIONS
SOMETIMES THE SIMPLEST TORMENTS
CAN PROVE TO BE THE WORST. WITH THE
CAPTIVE BOUND TO THE POSTS AS THE
VIBRATION UNITS, ALL SET TO GO OFF AT
RANDOM, AND AT DIFFERENT PULSE
RATES. LIGHTLY TOUCHING THE SOFT SKIN
OF THE UNDERARMS AND BREASTS. THE
TICKLISH SENSATION IS MADDENING AS
SHE WILL NEVER KNOW HOW, WHEN, OR
WHERE THE TICKLING FEELING WILL
COME. SOME CAPTIVES HAVE GONE MAD
IN HOURS.

3 A GOOD DUSTING

WHILE THE NIPPLES ARE UNDOUBTEDLY THE MORE SENSITIVE AREA OF THESE BUSTY BABES, IT IS IMPORTANT NOT TO FORGET THE REST OF THEIR AMAZING MOUNDS. SIMPLE ROTATING DUSTERS THAT SLIDE UP AND DOWN ALONG THE SIDES AND PUSH UP BETWEEN THE GENEROUS CLEAVAGE WILL HAVE THEM SQUIRMING AND SQUEALING FOR MERCY. BUT OF COURSE, WE DON'T DO THE MERCY THING HERE. TOO BAD FOR HER.

4 BUFFED

AMONGST THE OFTEN OVERLOOKED AREAS, A GOOD ROUND BUM IS ALL TO FREQUENTLY ONE OF THEM. A WELL PLACE BUFFING WHEEL OF SOFT FUR TO SPIN ALONG HER SENSITIVE BEHIND WHILE ANOTHER ONE STARTS AND STOPS AT RANDOM ALONG HER SENSITIVE LOWER LIPS. THE RESULT IS A SCREAMING, SQUEALING PRISONER THAT WILL SPILL ANY SECRET TO END THIS INSANE TORTURE. THE COMBINATION OF RELENTLESS TICKLING AND SEXUAL FRUSTRATION IS ALSO AN EFFECTIVE TRAINING METHOD.

5 HANDS ON APPROACH

SOMETIMES ONE MUST COMPLETELY BREAK A PRISONER TO GET THEM TO TALK. THIS INCLUDES PUSHING THEM TILL THEY ARE BEGGING TO TELL YOU WHATEVER YOU WANT. A SIMPLE BINDING AROUND THE ARMS AND LEGS WHILE SIMPLE MECHANIZED HANDS TEASE AND TORMENT HER HELPLESS BODY. A BALL GAG IS EMPLOYED TO MAKE IT A PUNISHMENT AS WELL AS AN INTER-ROGATION. SHE IS GIVEN THE OPTION TO TALK, AND WHEN SHE REFUSES THE GAG IS APPLIED. THEN THE HANDS GO TO WORK, PINCHING AND TICKLING HER NIPPLES, SOMETIMES DARTING TO OTHER SENSITIVE SPOTS LIKE UNDER THE ARMS. OTHER HANDS WILL TICKLE AND PINCH HER BARE ASS OR TEASE HER LOWER LIPS WITH A FEATHER. THIS WILL GO ON FOR AN INDETERMINATE AMOUNT OF TIME. THEN THE GAG WILL BE REMOVED FOR A BRIEF MOMENT, AND SHE WILL BE GIVEN A SMALL CHANCE TO TALK. BUT UNLESS SHE SPILLS IMMEDIATELY, THE GAG IS REPLACED AND THE TORTURE BEGINS AGAIN, PERHAPS FOR HOURS.

6 TEN-TICKLED

MAGICALLY SUMMONED OR TRAINED TENTACLES ARE HIGHLY USEFUL FOR PUTTING PRISONERS IN THE MOOD TO TALK. THEIR LIGHT AND TEASING TOUCH CAN REDUCE THE MOST STUBBORN PRISONERS TO GALES OF PANICKED SCREAMING LAUGHTER. TENTACLE ENTITIES FEED OFF OF PSYCHIC CHAOS. SO REDUCING A SUBJECT TO A SCREAMING LAUGHING MESS IS SECOND NATURE TO THEM. THOUGH THEY CAN ALSO DO SO IN OTHER WAYS IF ORDERED. THEY WILL OFTEN ALTER THEIR PLIANT AND CHANGEABLE FORMS TO PRODUCE THE GREATEST MENTAL CHAOS THEY CAN. TEASING THE EROGENOUS ZONES OF THE BODY BUT DENYING THEM RELEASE IS ALSO HIGHLY EFFECTIVE. IT IS IMPORTANT HOWEVER, TO CLOSELY MONITOR THEM IF IT IS AN INTERROGATION. AS THEY WILL DRIVE THE SUBJECT INSANE WITH TICKLISH TORMENT IF LEFT UNCHECKED. BEST TO SAVE THAT FOR AFTER THEY HAVE TALKED.

7 A GOOD SCRUBBING
SENSUALLY SOFT BRUSHES CAN BE THE MOST
EFFECTIVE TORTURE DEVICE IF PROPERLY
EMPLOYED. MERFOLK FEMALES TEND TO BE WELL
ENDOWED, SO ALLOWING AUTOMATED BRUSHES
TO DANCE ALONG THEIR SOFT SUPPLE BREASTS,
AND TEASE THEIR OVERLY SENSITIVE NIPPLE IS
EXCELLENT TORTURE METHOD. THEY WILL DOUBT-
LESS ACHIEVE MULTIPLE ORGASMS DURING THE
PROCESS. THIS HOWEVER, ONLY MAKES THEIR
BOOBS MORE SENSITIVE AND ADDS TO THEIR
TORMENT. USUALLY AROUND THE 5TH OR 6TH
ORGASM THEY ARE WILLING TO SPILL ANYTHING
THEY KNOW. THE MORE STUBBORN HOWEVER
WILL RESIST MUCH LONGER. THOUGH WATCHING
THEM JIGGLE AND SQUEAL IS A GOOD WAY TO
PASS THE TIME.

8 MAKING THE PRINCESS TALK PART 1

WHILE SOME ELVEN KINGDOMS ARE WARRIORS THROUGH AND THROUGH, FROM THE COMMON FOLK TO THE ROYALTY. SOME LIKE THE EASTERN KINGDOM ARE NOT SO WAR MINDED. SO WHEN THE PRINCESS WAS CAPTURED, LEARNING EVERYTHING SHE KNEW ABOUT HER KINGDOMS DEFENSES WOULD SEEMINGLY BE EASY. SHE WAS MORE RECALCITRANT THEN ANYONE ANTICIPATED HOWEVER.

LOCKING HER IN A ROOM WITH TRAINED TENTACLES SEEMED THE BEST WAS TO PRODUCE RESULTS. THEY COILED AROUND, PINNING HER ARMS WHILE THEY POKED AND TEASED HER SHAPELY BREASTS THROUGH HER SILK SHIRT. THIS EARNED A SERIES OF PROTESTS AND EVENTUALLY A FEW SMALL GIGGLES FROM THE STUBBORN GIRL.

9 PART 2 PLAYING

EVENTUALLY AFTER WRAPPING HER I THEIR COILS THEY TORE THE THIN FABRIC AWAY AND BEGAN TO PLAY AND TEASE HER LARGE CHEST IN EARNEST. POKING AND MASSAGING THE MASSIVE MOUNDS, TICKLING THE SENSITIVE FLESH AND NIPPLES TILL THEY HAD HER A GIGGLING MESS. AS THE COILS WRAPPED TIGHTER TRAPPING HER LARGE BREASTS BETWEEN THEM THEY START TESTING EVERY INCH AND FOCUSING ON ANY SPOT THE PRODUCED A SIGNIFICANT REACTION.

**TO PART 3 BEGGING TO TALK
AFTER PROBING EVERY PART OF HER
SHAPELY BREASTS THEY SEEM TO SETTLE
ON THE NOW PAINFULLY ERECT NIPPLES.
MORPHING THEIR TIPS INTO FEATHERY
PLUMES THEY BEGAN A SLOW, TORTUROUS
STROKE ALL AROUND HER NIPPLES AND
AREOLAS UNTIL SHE WAS SCREAMING AND
CRYING WITH LAUGHTER. SHE REPEATEDLY
SCREAMED THAT SHE WOULD TELL THEM
ANYTHING THEY WANTED TO KNOW. BUT
HER TORMENTORS DECIDED TO LEAVE HER
TO SUFFER FOR A WHILE LONGER. EVENTU-
ALLY ONE OF THE TENTACLES MOVED TO
HER FACE AND MUFFLED HER BEGGING
WHILE THE TICKLING SENSATION THEY
INDUCED IN HER NIPPLES DROVE HER TO A
JIBBERING MESS OF SCREAMS, HIGH
PITCHED LAUGHTER AND INCOHERENT BAB-
BLING.**
