I cant
help but
do this
....

Since Homeworld's
treaty with Earth I've
been living here with
Steven.

Gem-human relations
became common.

In human terms...
I guess you can say
I've become a
"housewife"

I... I'm not really
opposed to it.

I've also
learned about
relationships,
marital
norms
and...

... Intercourse ♡

My new husband
is an odd one to be
Sure...

but...

I've grown accustomed
to being a housewife ♡
