PART 2

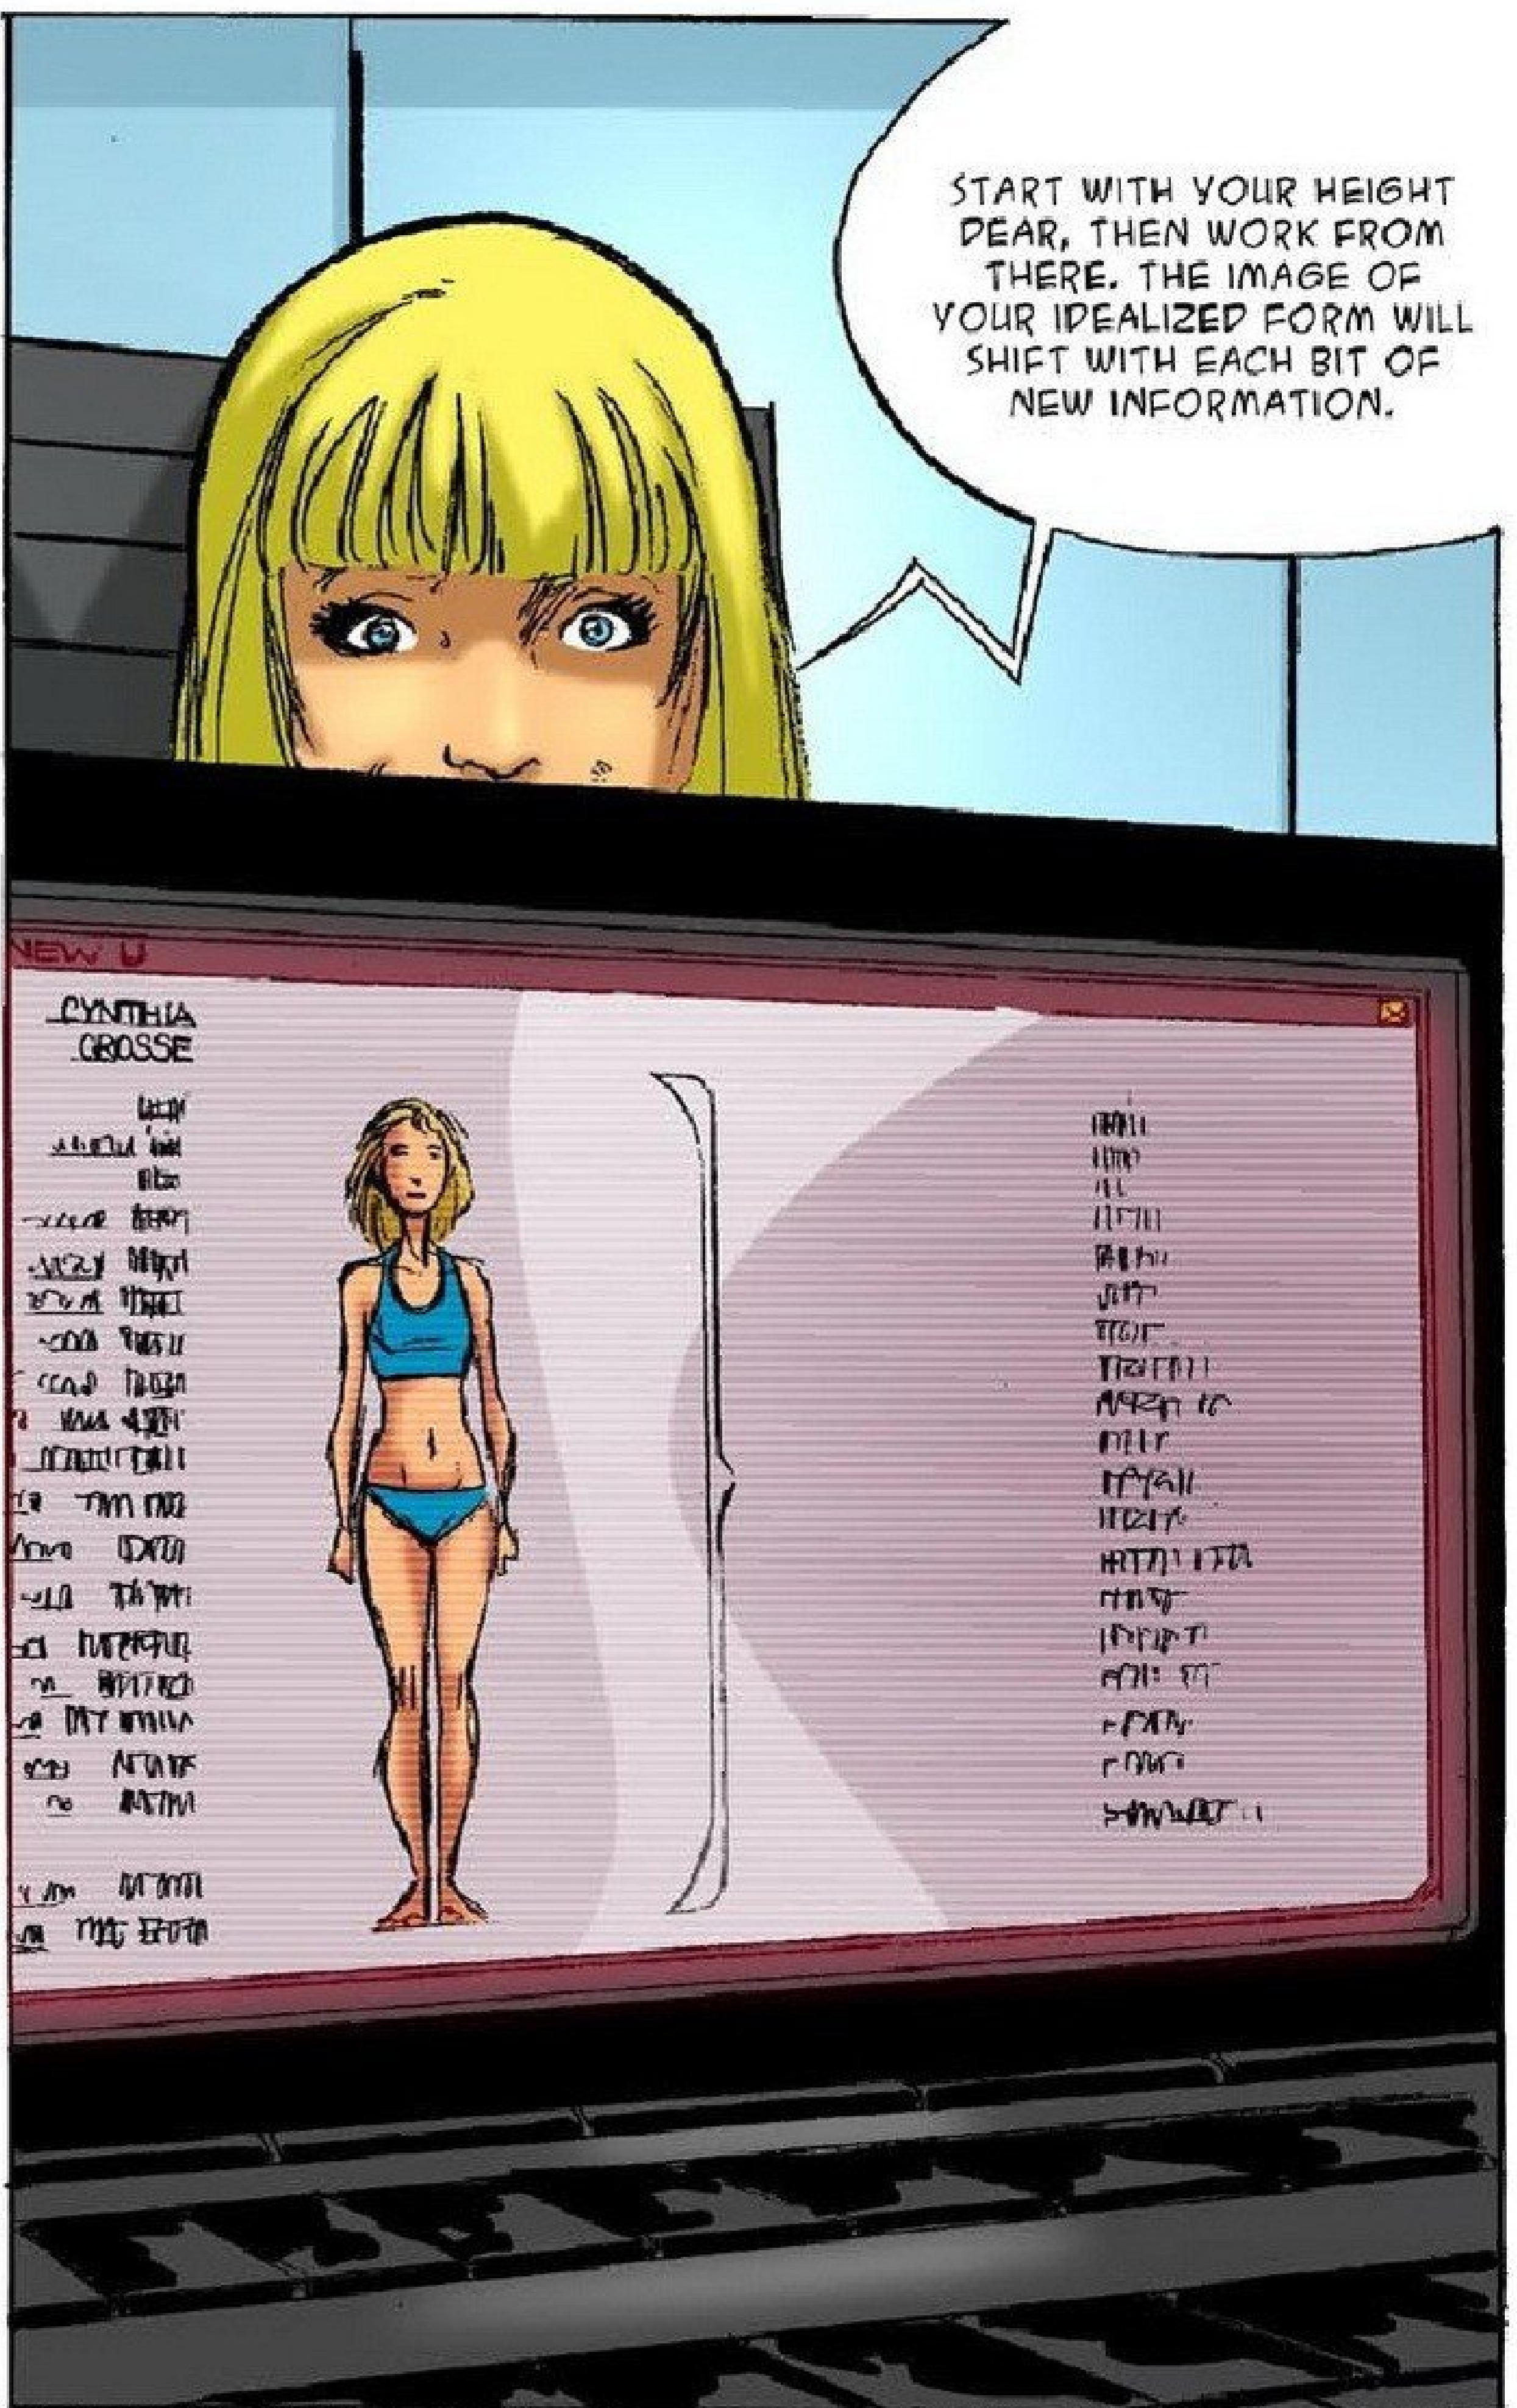

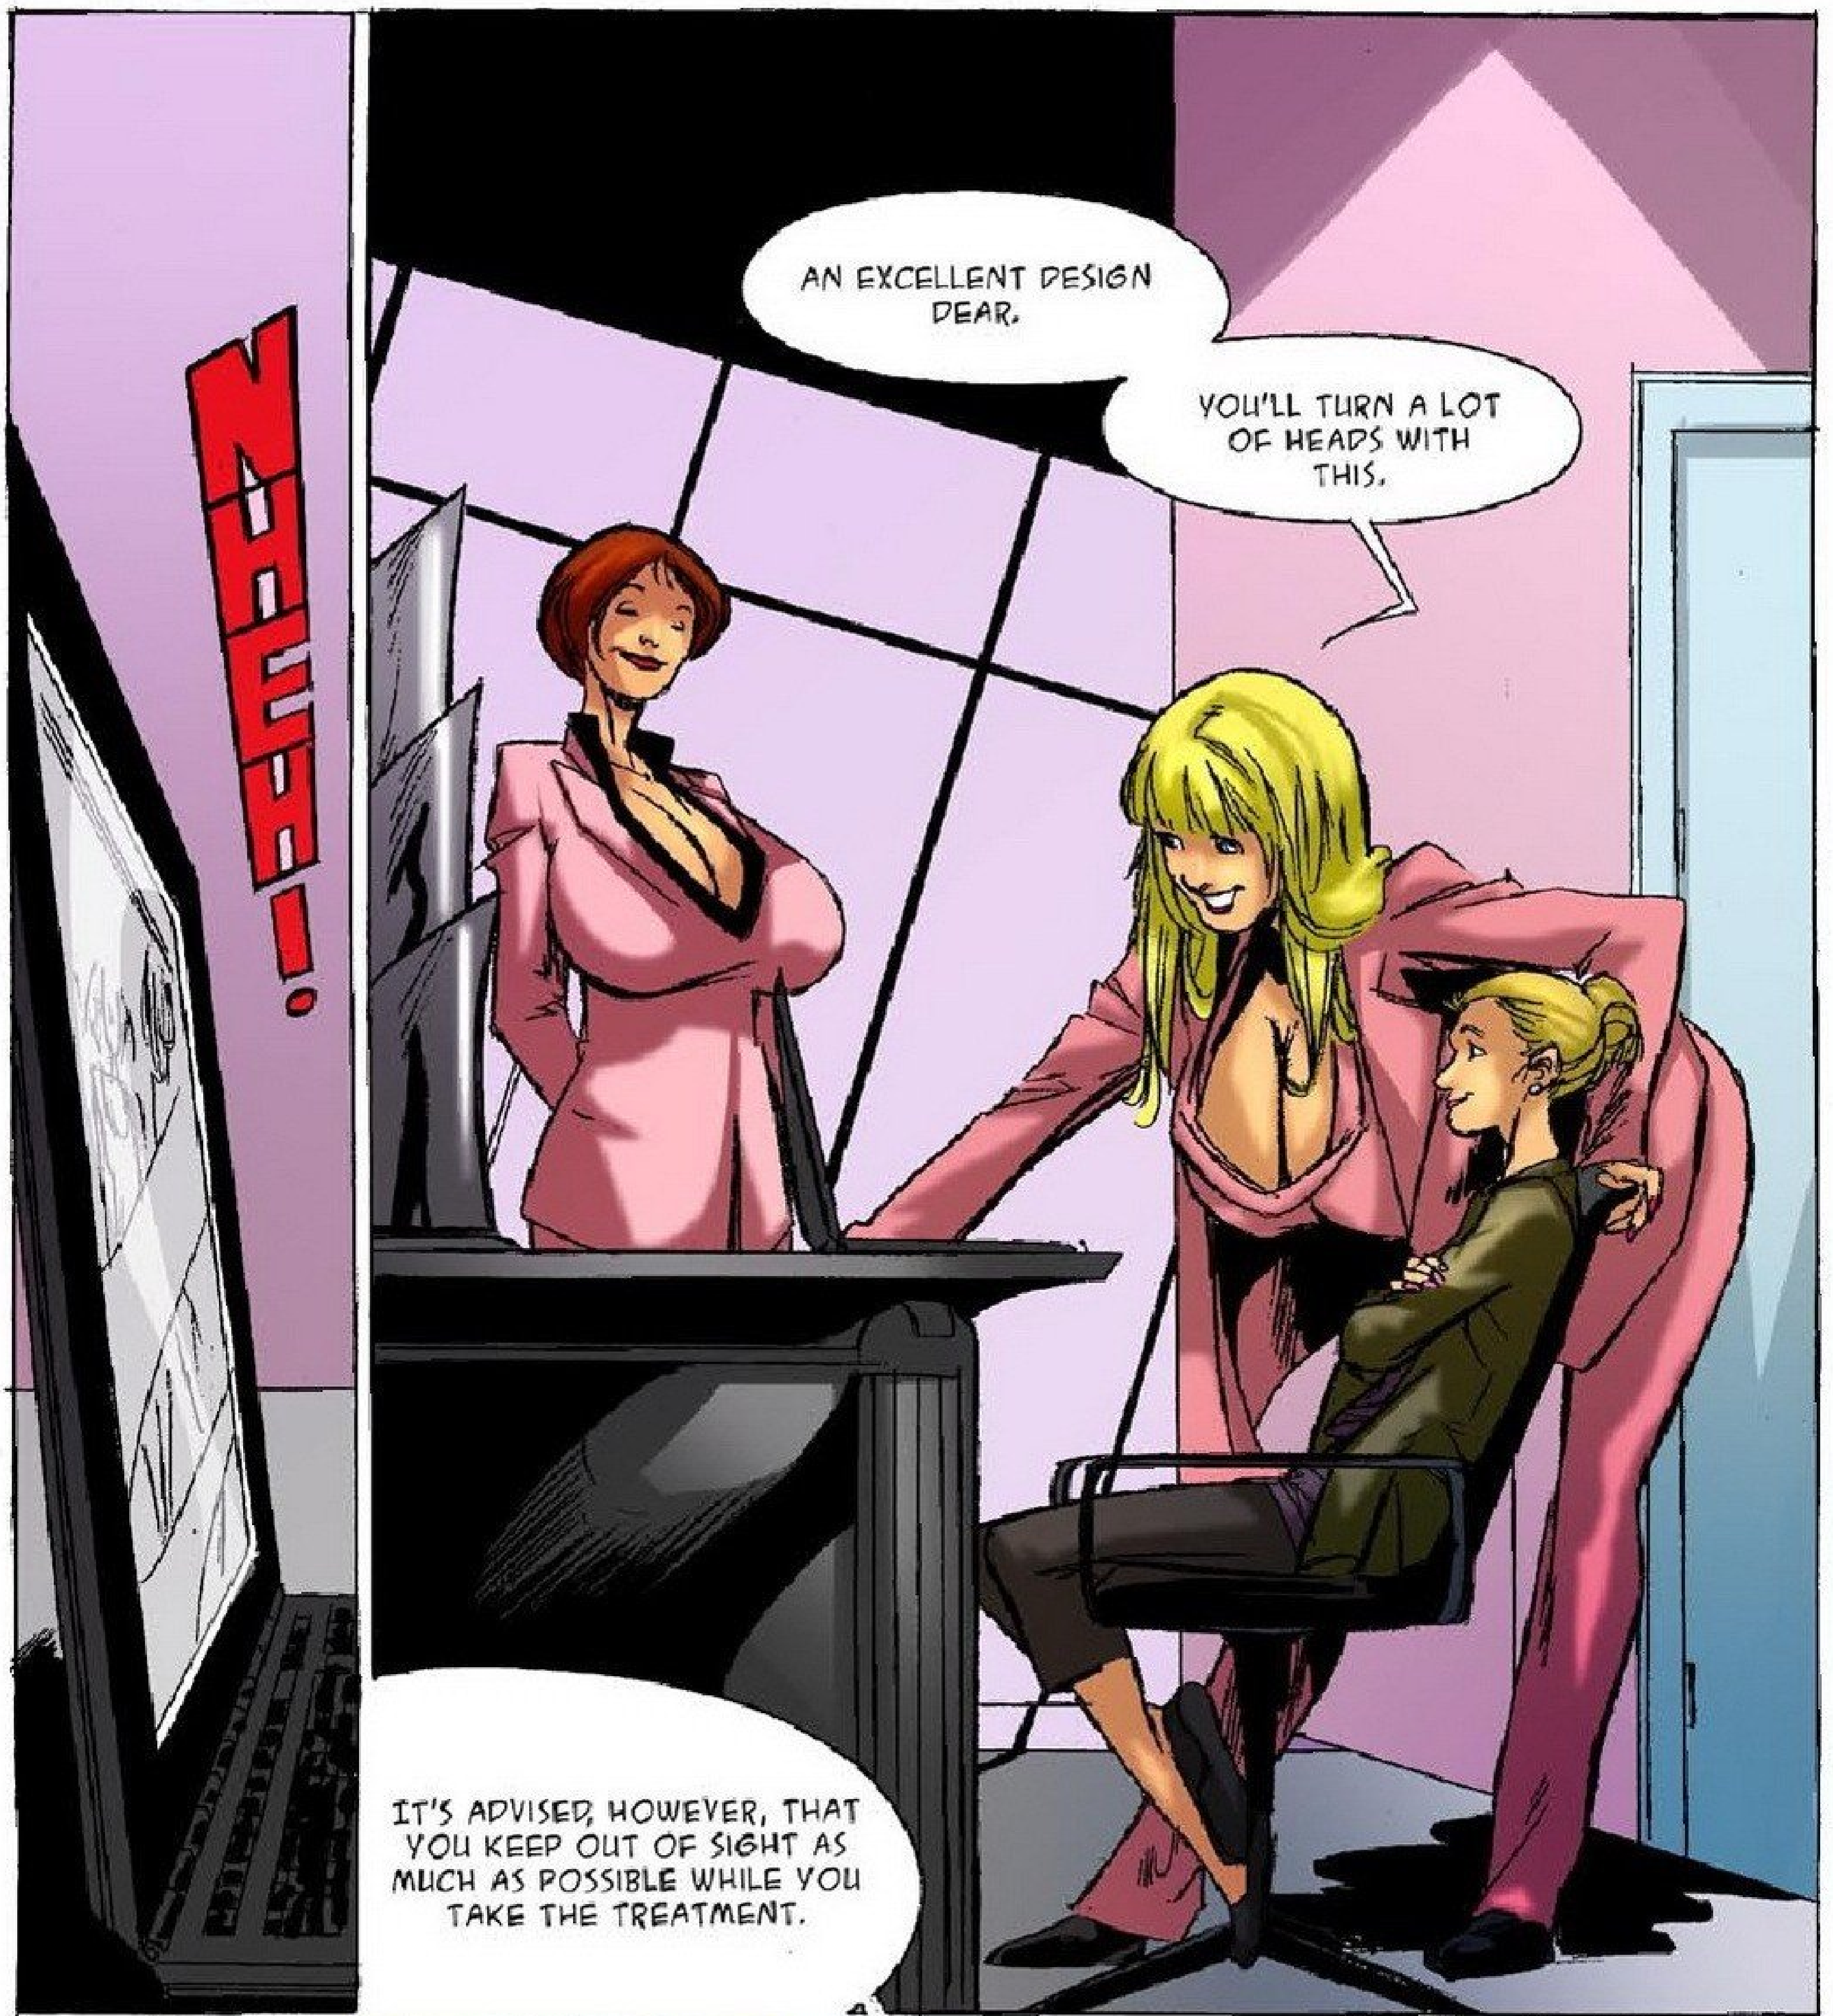

ACCELERATED TREATMENT CAUSES THE PATIENT TO GROW AT AN ACCELERATED RATE, INDUCING A TEMPORARY BOUT OF RAGE AND ANGER WITHIN THEM. IT'S SUPPRESSED EASILY ENOUGH AFTER A FEW DAYS, AND EASILY AVOIDED, BUT NOT A PRETTY SIGHT TO BEHOLD.

I'LL DO IT. HOW DO I DESIGN THE NEW ME?

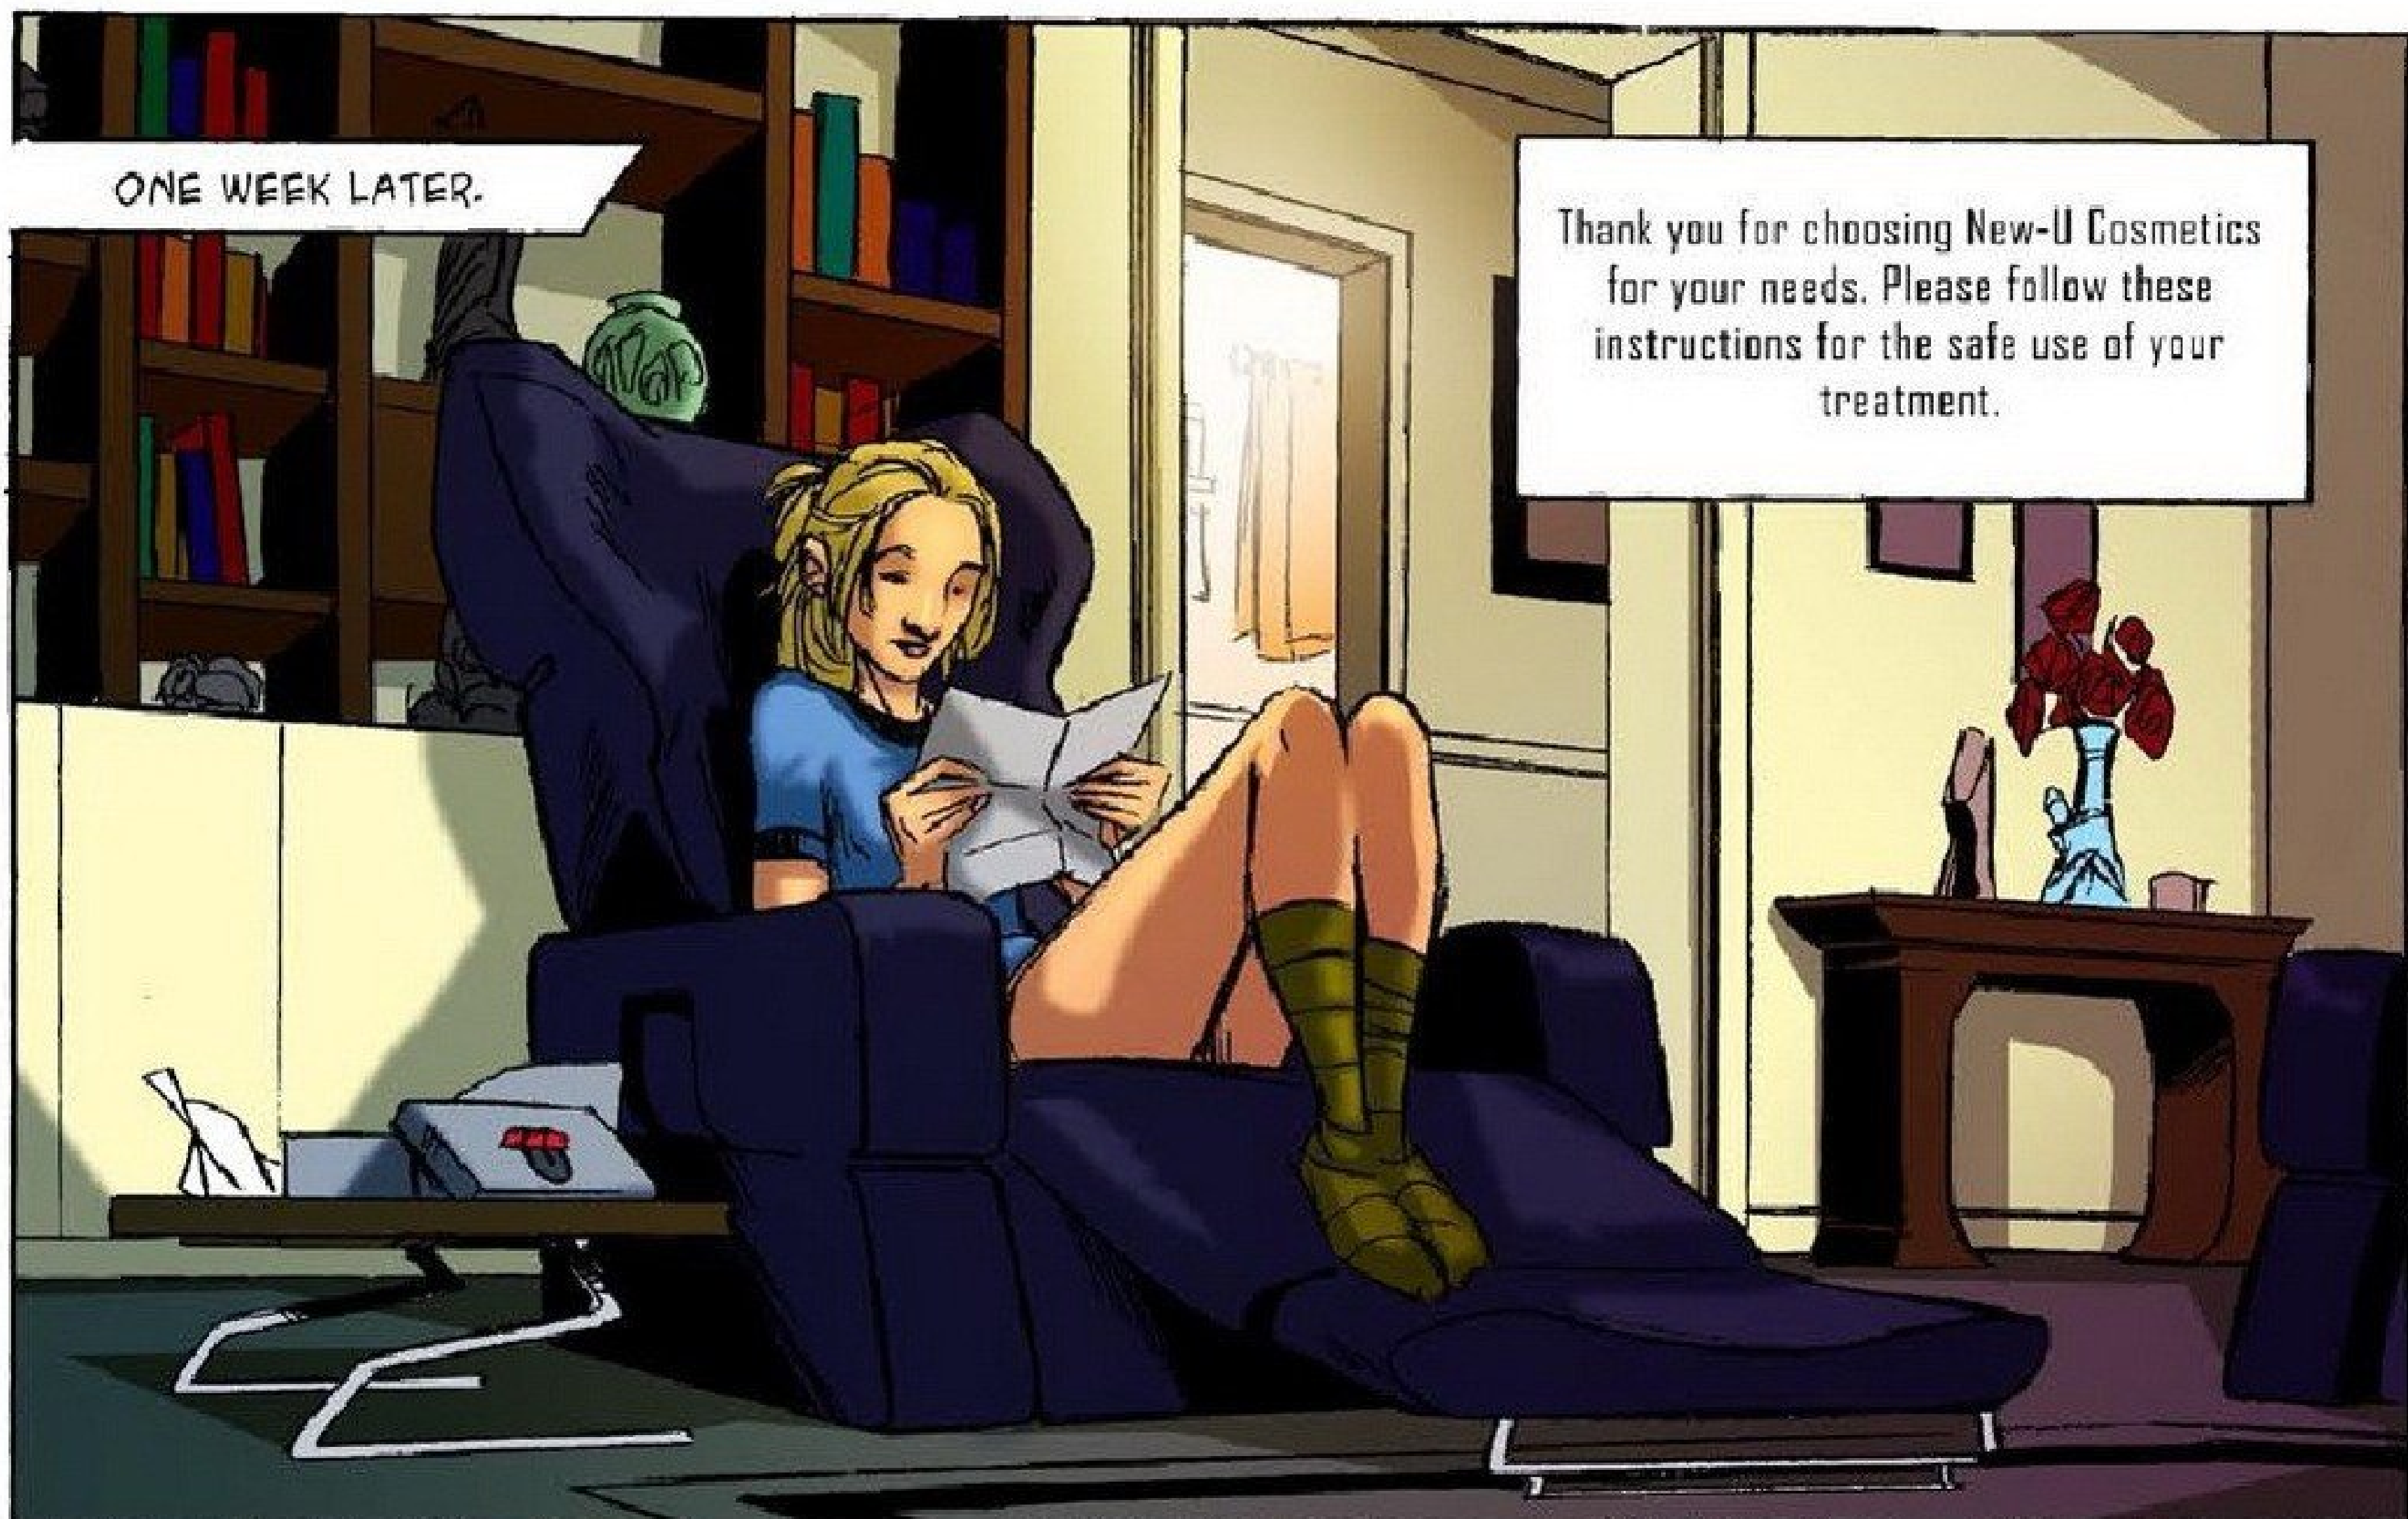

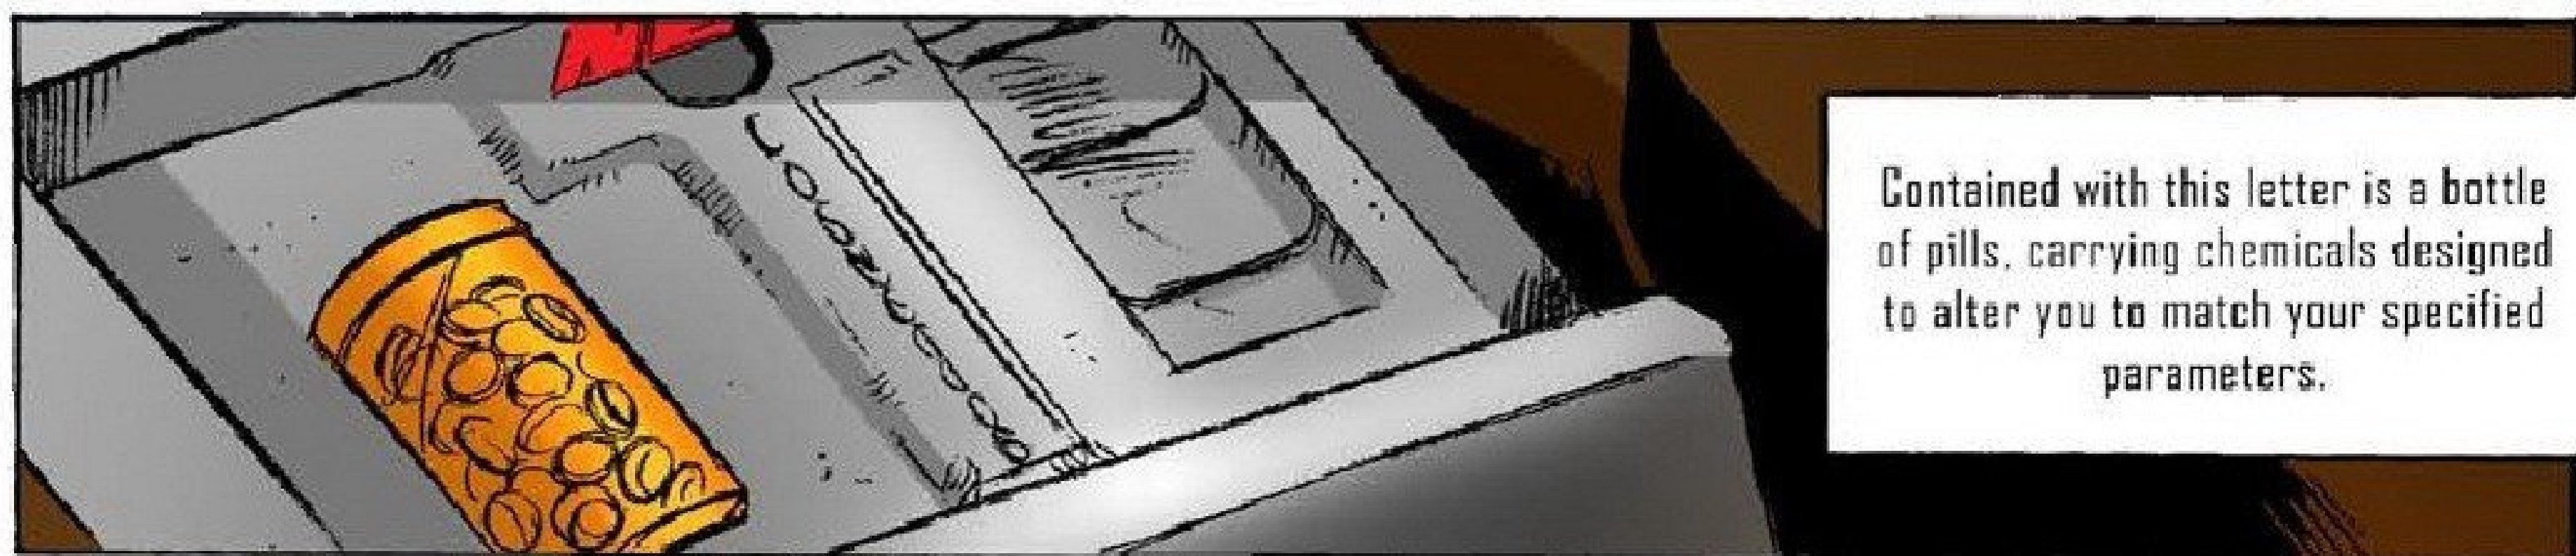

ONE WEEK LATER.

Thank you for choosing New-U Cosmetics for your needs. Please follow these instructions for the safe use of your treatment.

Contained with this letter is a bottle of pills, carrying chemicals designed to alter you to match your specified parameters.

Take one pill each day until spent with eight fluid ounces of water.

Do not substitute with different liquids, as this may cause side effects.
