Chapter 1: The Teacher's Pet

Up, cunt.

Crawl like the filthy animal you are.

You know the routine.

...Yes...master.

What did I teach you yesterday?

...A good...slut... always keeps her...cunt...and ass exposed.

Good girl.

Now heel, cunt.

You'll keep that tail raised if you know what's good for you.

Ugh...

If you lag behind again...

...I won't, master. this...slave.. will be good.

You're in for some intensive training, whore.

King Dainn has requested a report on his pet's progress.

...

Never forget that you are his property.

Ho, slave. Stay.

Let's make sure you're properly prepared for your training.

...Please...master...

Use this...cunt's...mouth...

Good girl. Now beg for it like the whore you are.

...This slut...wants it in...her asshole. Please...use me like the...c-cocksleeve I am...master.

Nghh...

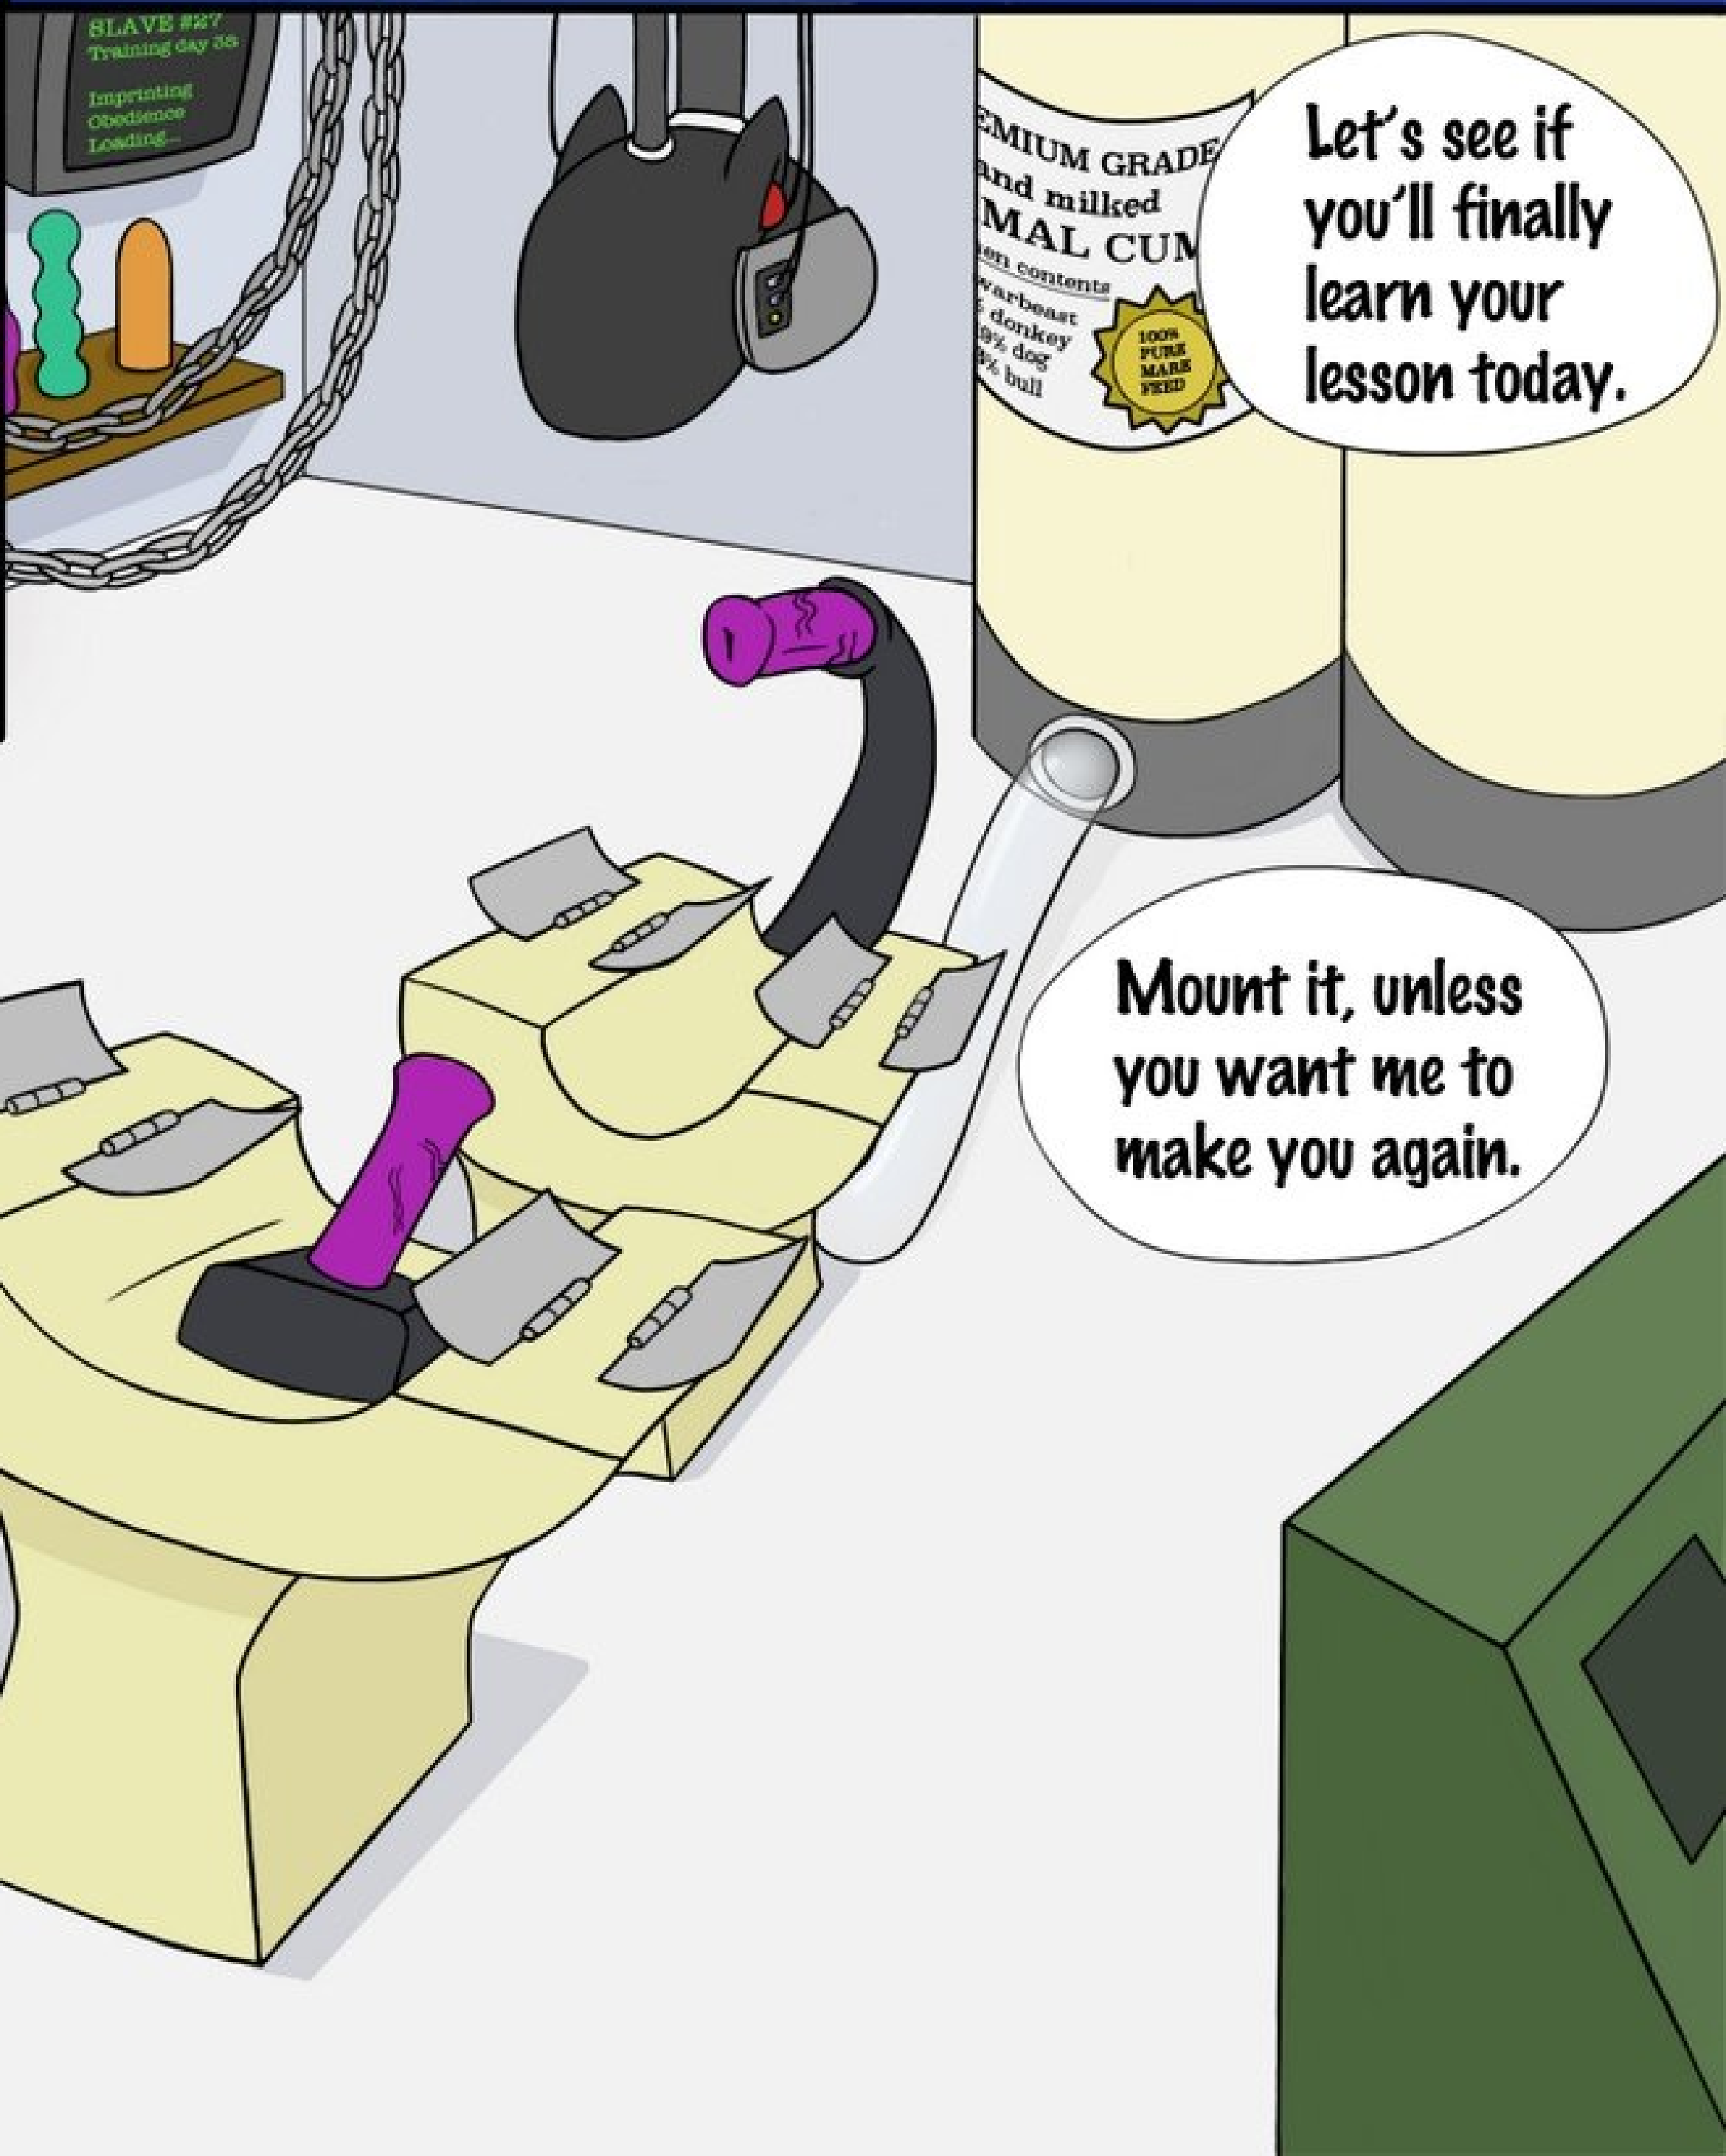

Get up, cunt. You know better than to keep me waiting.

Ah!

Haah...

Hurry up, if I see you drag your hooves you're getting the rod, *understood?*

Ngh...yes master...

Ah...

See how much easier it is if you behave like a good slave?

click

...

It won't be long before you're as obedient as that "princess of love".

Ugh...

We're going to work on that attitude of yours, cunt.

You'll soon recognize the truth of your words.

I can already hear it in your voice.

Ngh!

Well then, let's start shall we?

What is your name, whore?

I asked you for you *name*, whore!

Princess Celes-

That is the wrong answer, slave.

AUGGGH!

AAAGH!

Again. What is your name?

Haah...augh...

My name...is S-Sun...Slut...master.

And what are you?

I am...King...Dainn's personal...sex s-slave.

There, much better.

VIE

Good girl.

N-no please...

A good slave deserves a fitting reward.

Hnngh!

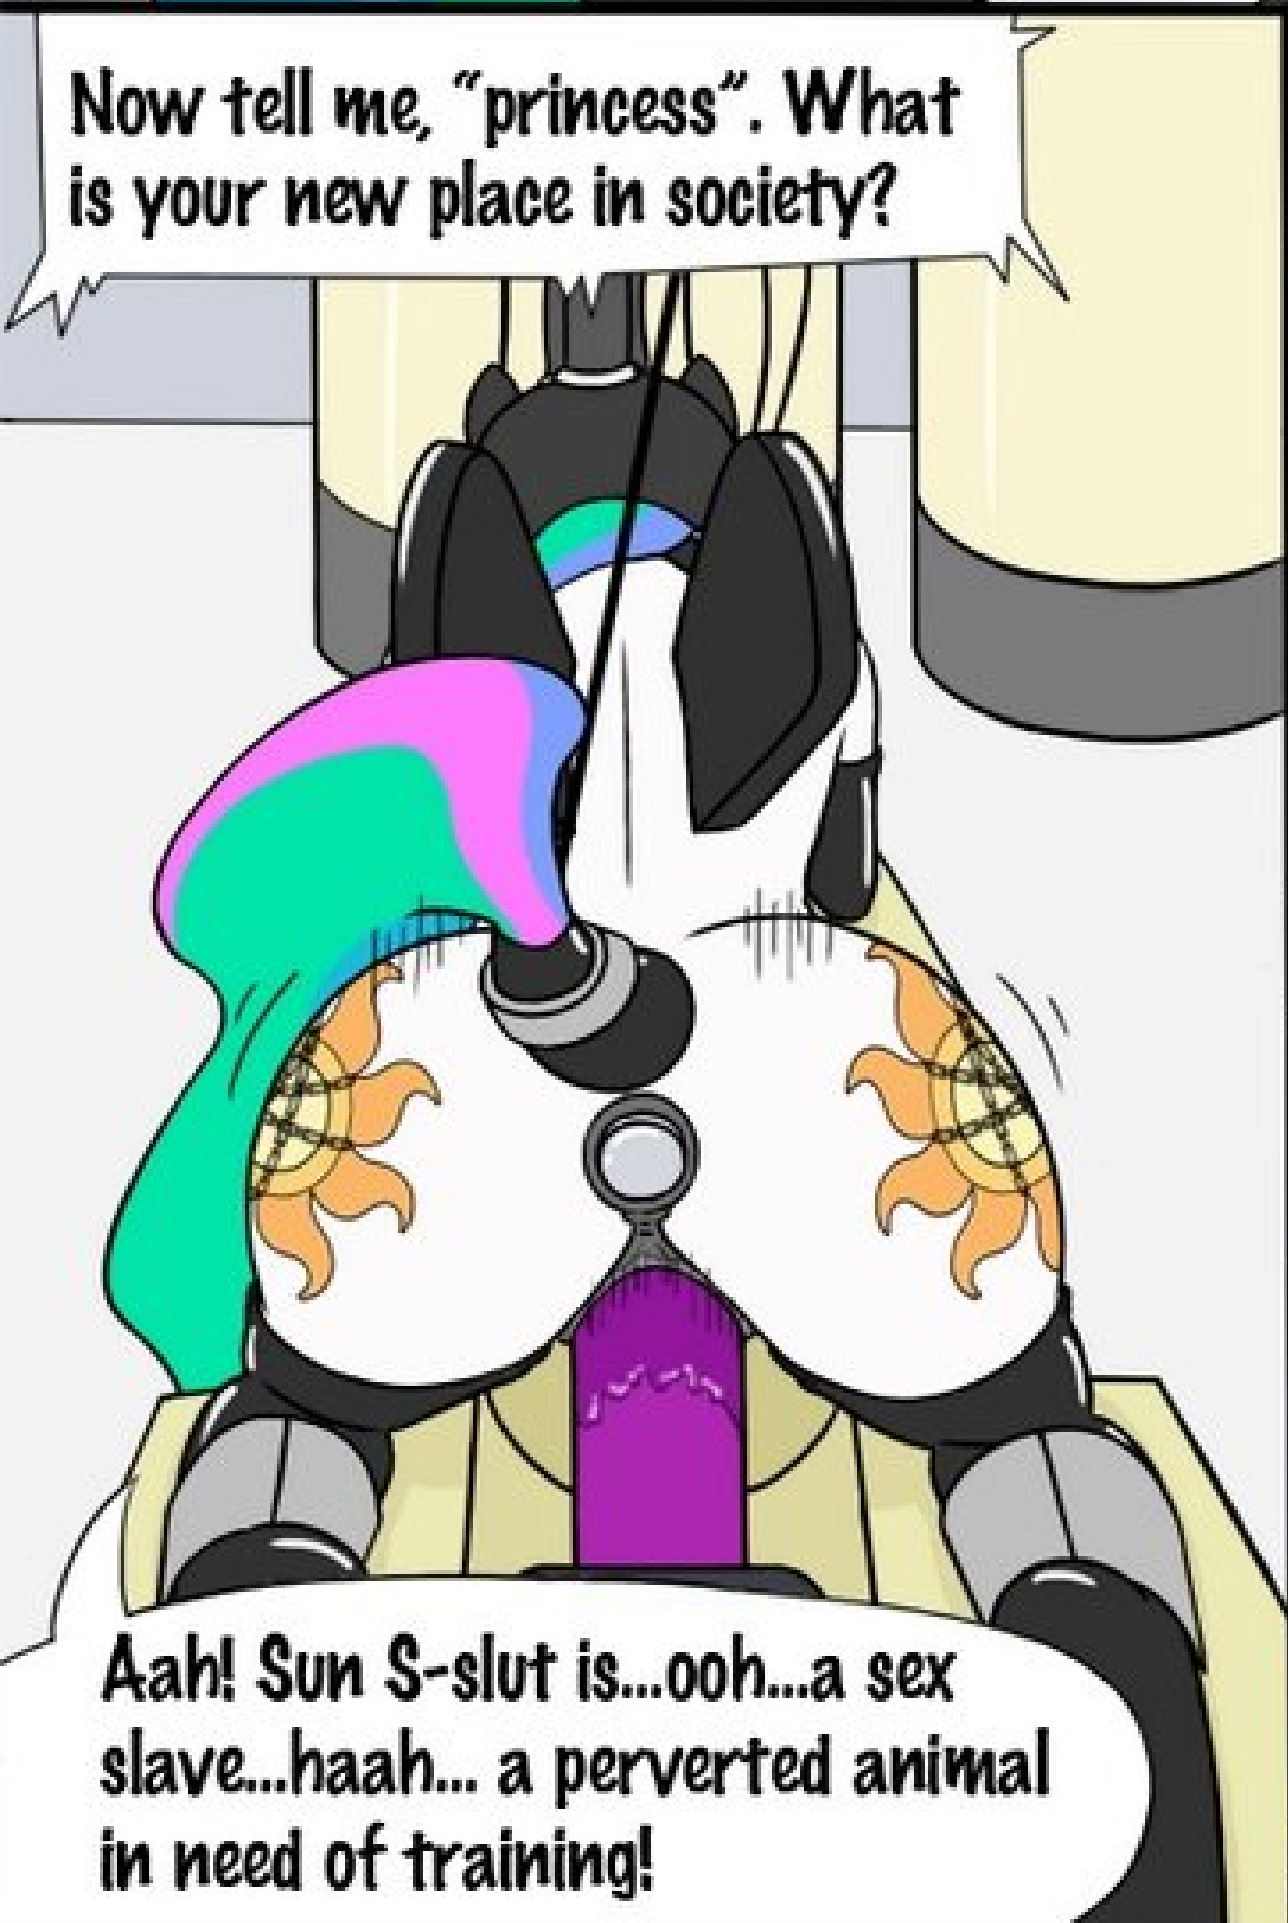

I can tell you're starting to love this, you filthy slut.

Aah!

Haah, ooh!

If you continue to be good I might even let you cum.

Now tell me, "princess". What is your new place in society?

Aah! Sun S-slut is...ooh...a sex slave...haah... a perverted animal in need of training!

I'm nothing but...AH!

A worthless cunt!

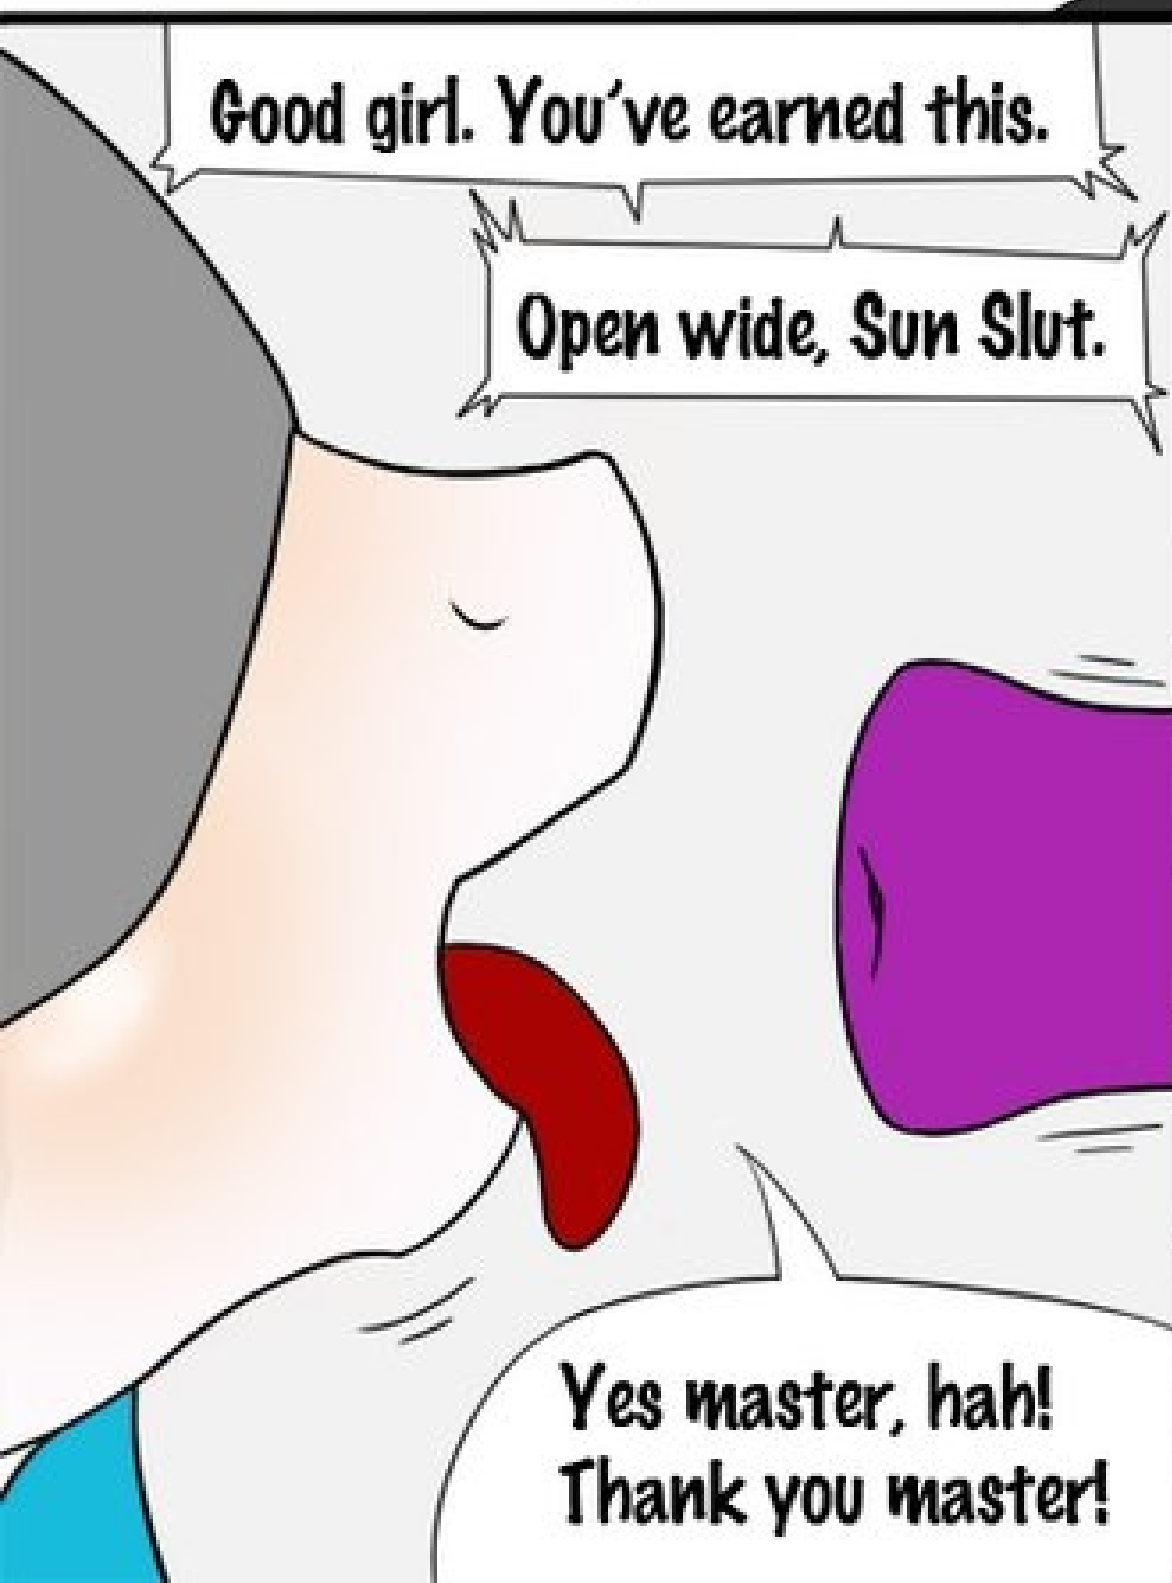

And what are you being made into, cunt?

Hnngh!

I'm being turned into an obdient whore! Ooh!

A c-cock sleeve...aah...for King Dainn's personal use!

Good girl. You've earned this.

Open wide, Sun Slut.

Yes master, hah! Thank you master!

GURGLE

GULP GULP

Hmm!!

Mmh!

My name is Sun Slut...I am master Dainn's...obedient sex slave...

I can tell you're becoming more submissive, slut. More obedient.

Now that you've accepted your new name...

What's wrong with this picture?

Haah...

Ooh...

You're still barely worth training though.

...let's continue your reeducation.

Enjoy it, cunt. I know you will.

...The...

That is the right answer, whore.

And this one?

Hnngh!

Haah...the m-mare is spitting out...ooh...her gift of cum f-from her owner.

And what did I teach you?

Ah...a good s-slave always obediently swallows h-her master's load...

Now this picture, what's wrong with it?

Nh...nothing master.

This ah...mare knows her place...

Aagh!

Aah! ♥

Ngh...and is crawling obediently behind... hah...her owner.

Good girl. And this?

Aahn! Ohh...thi-this mare is looking a male in the eye...

...and trying to hah... cover h-herself up.

A good slave...mph...always allows a male a g-good look at her body, ah! And o-offers to service him with her...cunt, ass and mouth.

That is correct, whore.

Hnngh!

Ah! ♥

This one?

T-the mare seems unhappy with ooh...the gift of cock from h-her hah...master.

Mares aah! Only exist to f-fuck and suck cocks...ngh...and...she should be grateful to her owner for pounding her...mpf...cunt.

Hah!

Ah...

And what about this?

Th-this mare...

This mare...is being put into her hnng! ...Proper place.

Mares are...not worthy of n-NGH! ...having wings or magic...

She is...a foolish, fresh...cunt who is yet to be taught ah...that being de-horned, plucked and s-sheathed befits ah...a mare.

They are just cunts...that exist f-for their master's pleasure.

And?

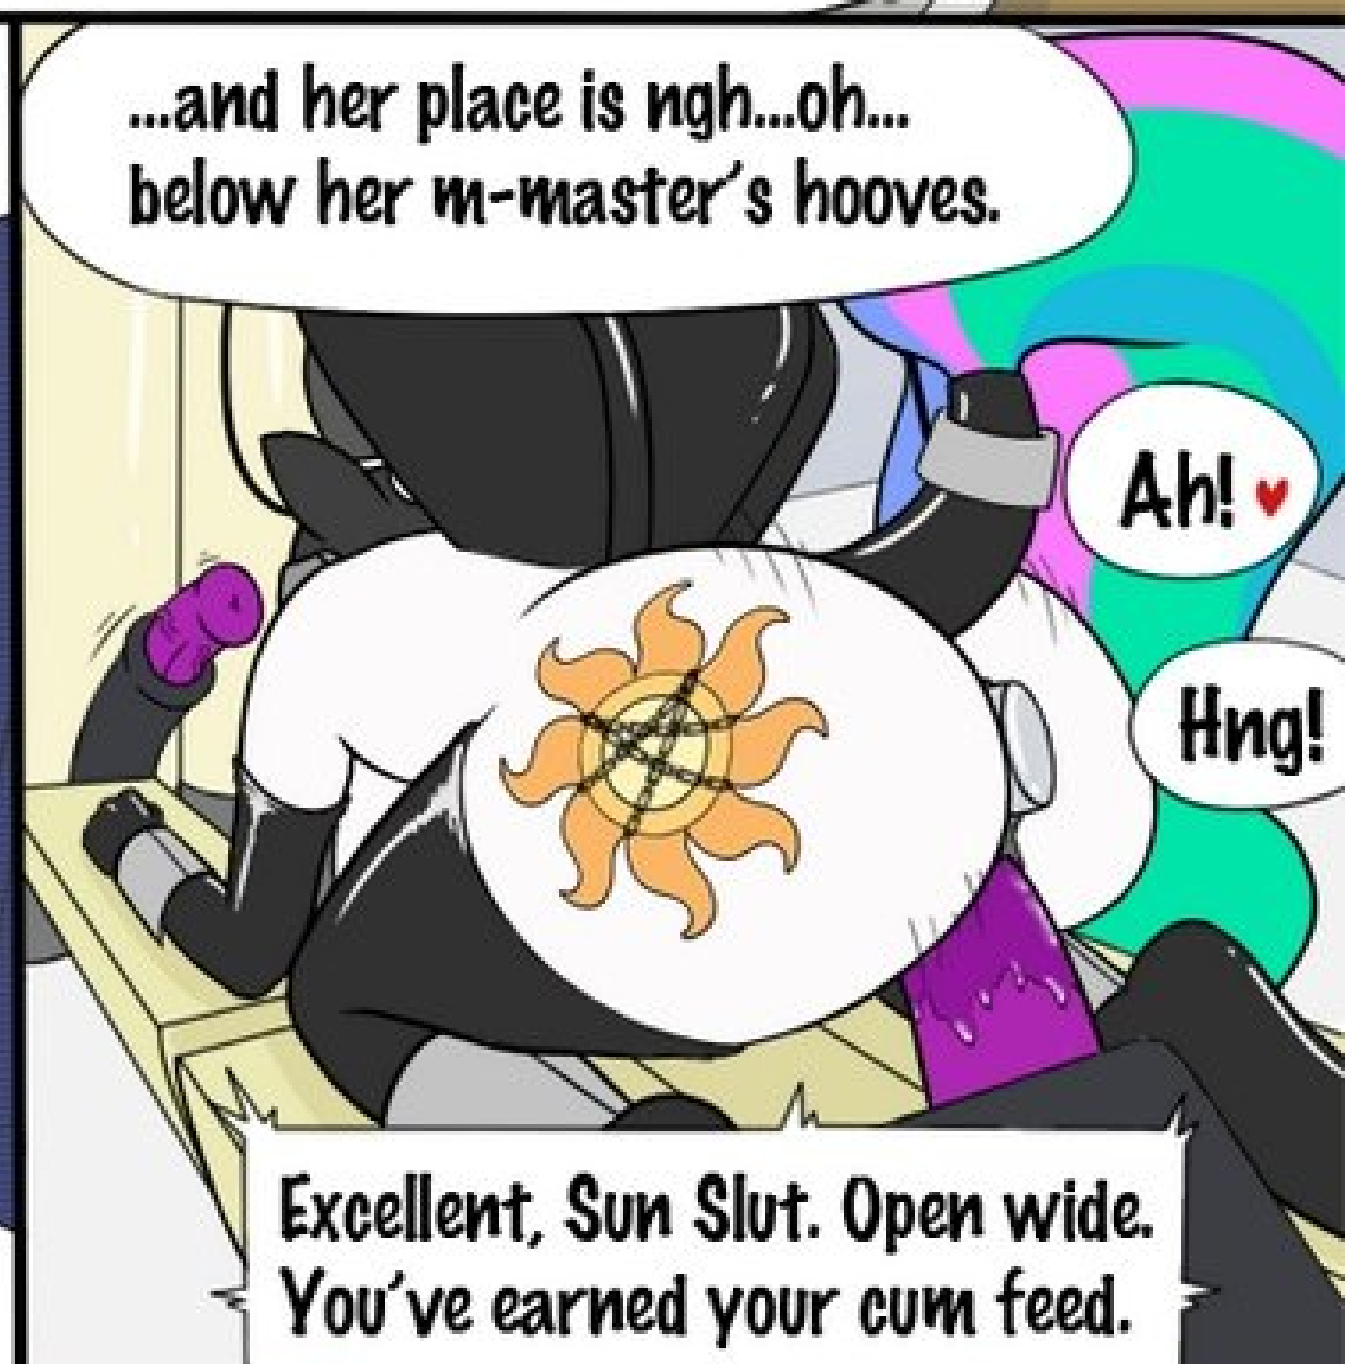

Nh, haah...it's her...fate to be t-trained. To...submit.

Oh!

S-she's ah...a sex slave now...

Understood, cunt?!

Y-yes master!

Good, I want you on your most obedient behavior before the king.

You know the consequences if you resist.

Excellent. Now heel, cunt.

You must be excited to see your master again after so many months.

Ah, greetings Lord Hrathr...

Though I understand you're going by Sun Slut now.

Regardless, I'm sure you remember the taste of my cock.

Word has it you're quite enjoying being trained into the king's pet.

...and "princess" Cuntlestia.

Your whorish moans and screams can be heard by half the castle.

Well slave? A male is eyeing you up. What did I teach you?

...Greetings...master. For your pleasure...

...Master...Dainn...has...generously bestowed these...ugh...fits...upon me.

Please...

...enjoy the view.

Heh. You look much improved, slut.

I can't wait to sink my cock into that depraved pussy of yours.

Animals normally aren't allowed into the throne room...

...but I guess we'll have to make an exception for the "princess".

You, blindfold the cunt.

Yes sir!

A worthless whore isn't fit to look upon the king.

...but you should learn to use your tongue for its true purpose.

Mmm...

Adjust her training accordingly, Hrathr. Make sure she learns how to properly pleasure a male.

Mh...
