

Commission #110 -
Brigid's No Nut November

Random Woman: N-Ngh... W-Why... w-was it...
so... b-big...?!

Brigid: *Sings* Never gonna give you up...
Never gonna let you... down...

Regina: Anyone... awake around here...?

Regina: *Sniffs* (Must've been one hell of a party last night...)

Brigid: *Sings* Never gonna tell a lie... and
HURT you...!

Brigid: Huh...?

Brigid: **REGGIE!** Damn good to see you here...!
Oh man, you missed out last night...
The girls... **WHEW!**
They sure know how to party...

A woman with long dark hair, wearing dark sunglasses, a dark blue blazer over a white top, and light grey pants, stands in a white doorway. She is looking up towards a large, blurry, brown object that appears to be hanging from above. The scene is set in a modern, brightly lit interior with white walls and a glass door. The woman has her hands on her hips, looking up at the object with a slight smirk.

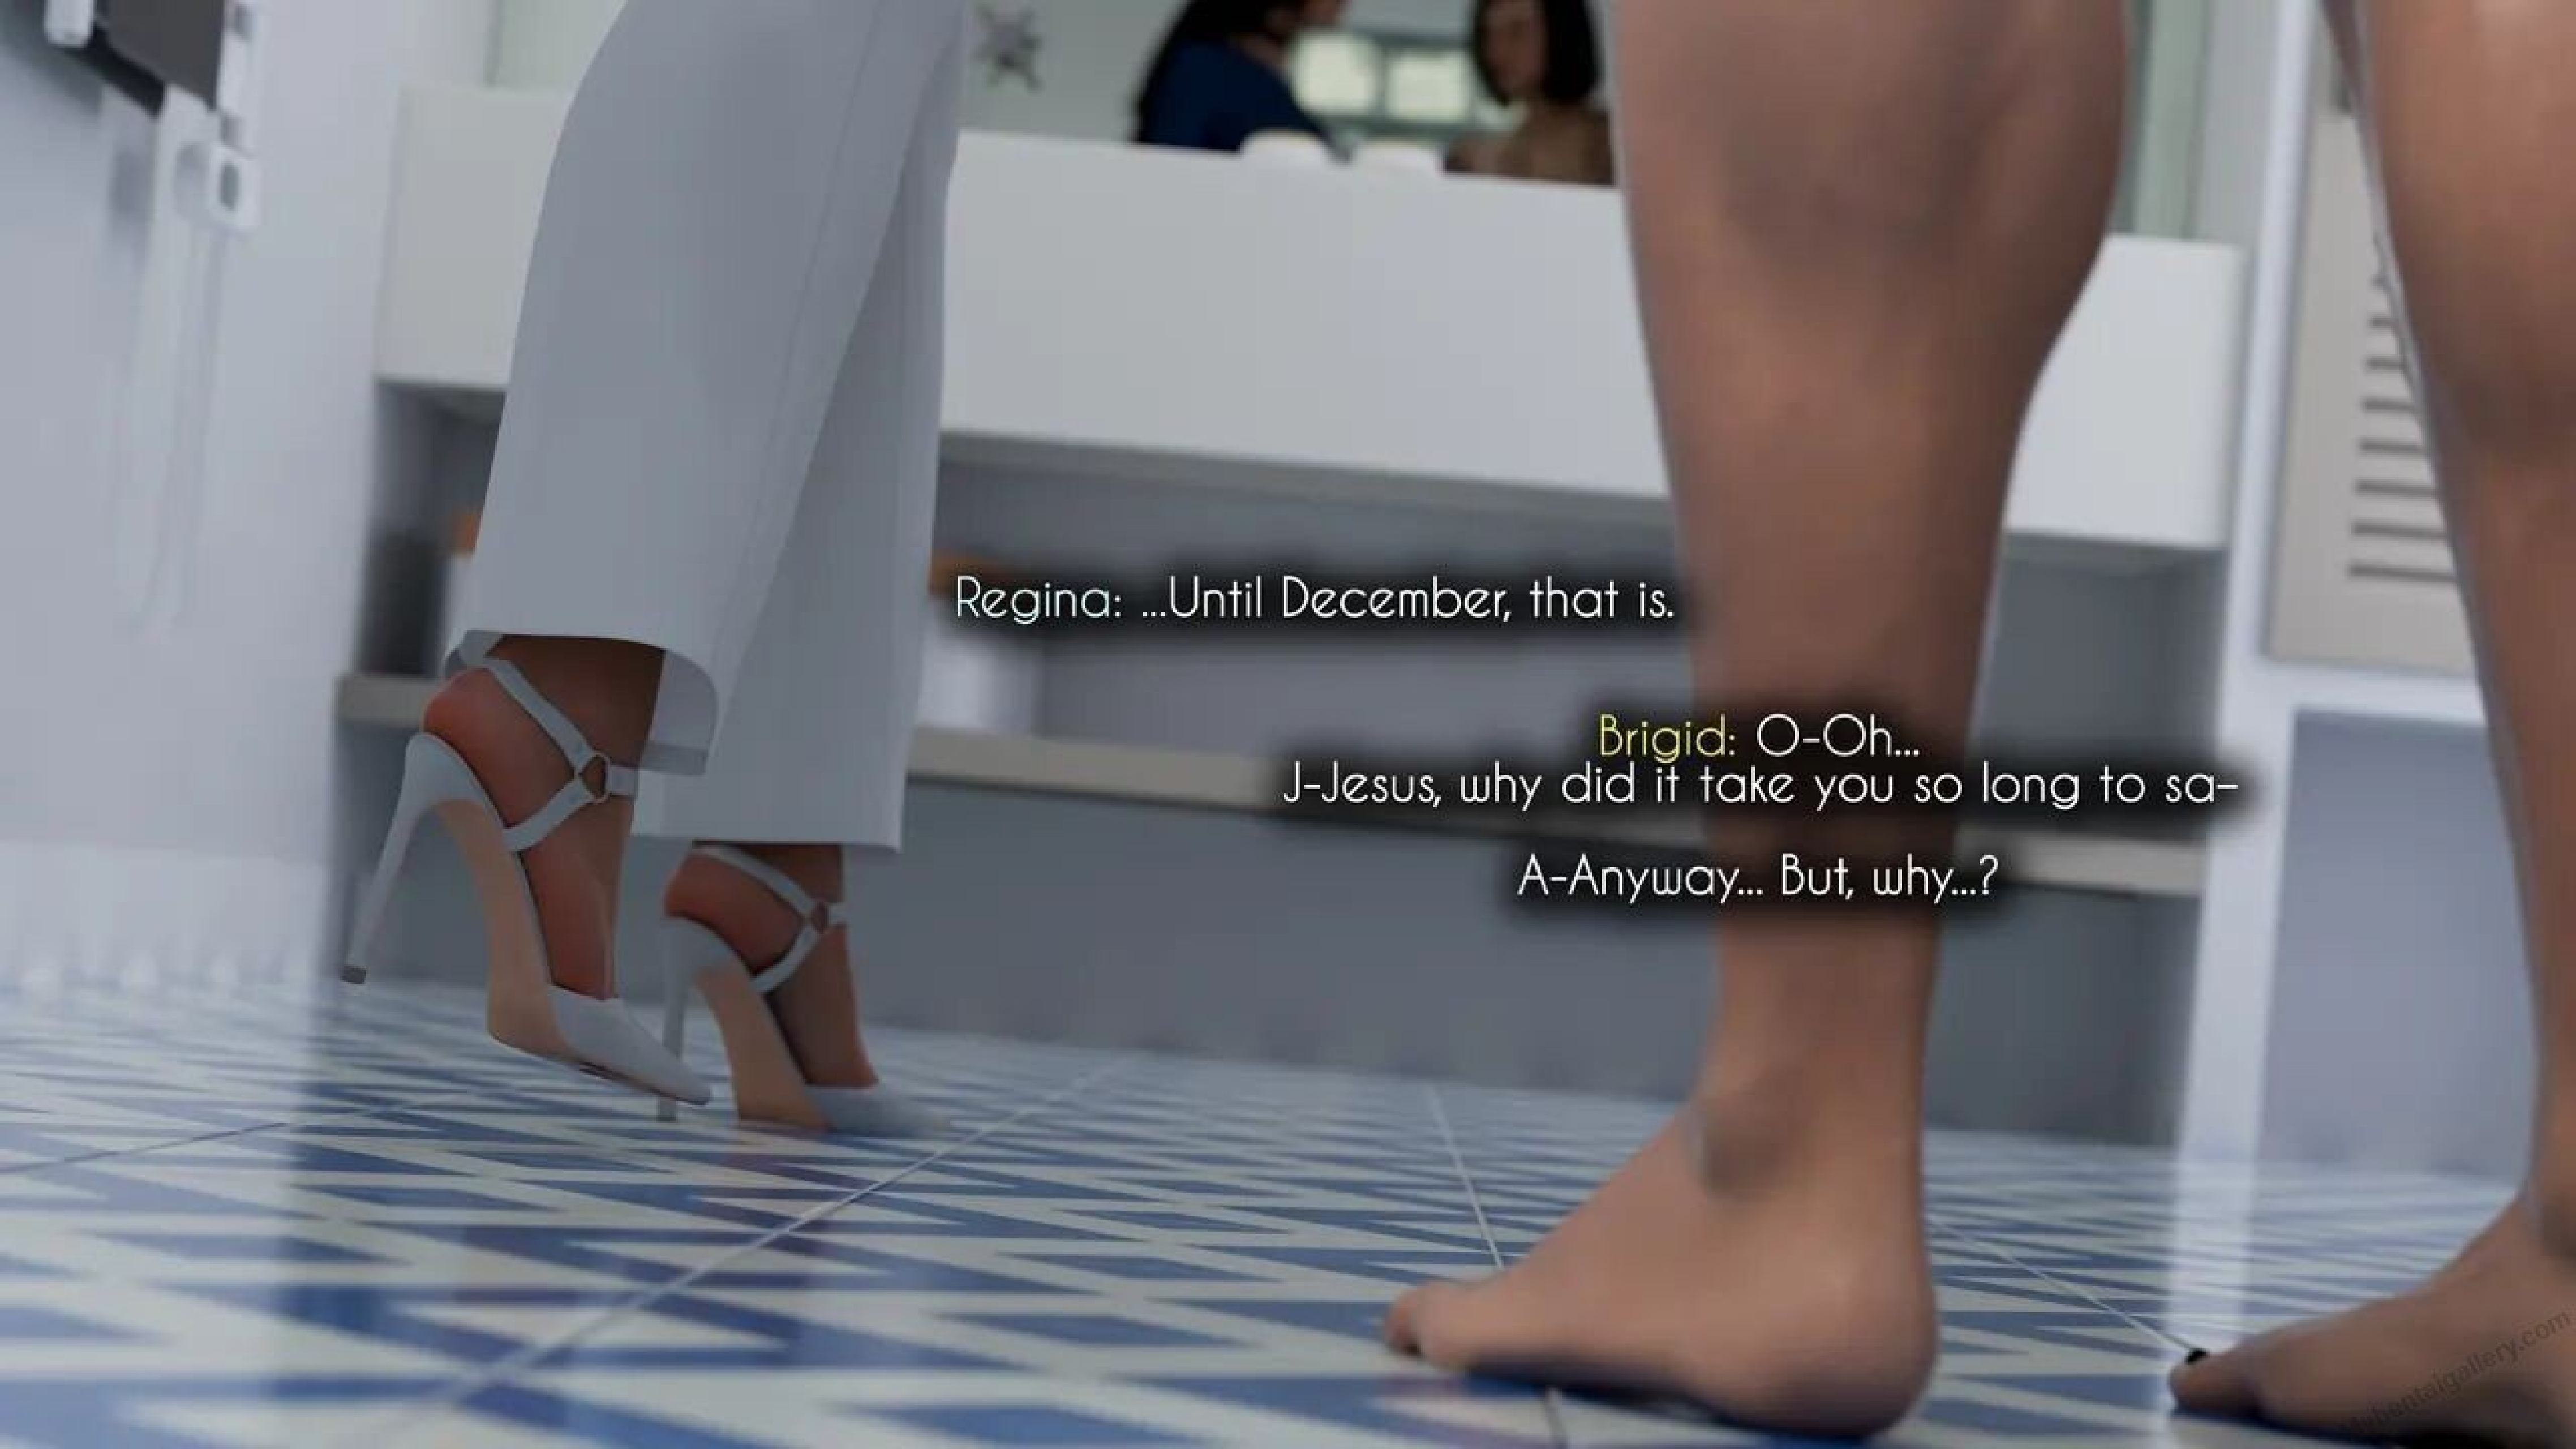

Regina: Yeah... I can tell by the smell...
Well, I hope you got it all out of your system...

A close-up shot of Regina Mills from the TV show 'Grey's Anatomy'. She is standing in a brightly lit hallway with white walls and doors. She has long, dark hair and is wearing dark sunglasses, a dark choker, and a dark blue top. She has a serious expression on her face.

Regina: Cus' you're done.

Brigid: W-Wait, WHAT...?!
Y-Y-YOU'RE FIRING M-

Regina: ...Until December, that is.

Brigid: O-Oh...
J-Jesus, why did it take you so long to sa-
A-Anyway... But, why...?

The image is a still from a Japanese adult film. It is split into two main visual sections. The top section, which takes up about half the frame, shows a close-up of a large, realistic-looking prosthetic penis. It has a wrinkled, brownish skin texture and a pinkish-red, moist-looking head. A hand with dark nail polish is visible at the top, holding the base of the penis. The bottom section shows a woman with dark hair, wearing a purple and orange patterned bikini, standing in a shower stall. She is looking down. The background is a plain, light-colored wall.

Regina: Page 47, clause 4 of your employee contract for the agency that you're currently with...

You are hereby forbidden from having sexual activity of any kind, as well as all forms of self gratification... until November 31st, 11:59PM has passed...

A woman with dark hair and multiple tattoos is standing in a shower stall. She is holding a towel around her waist. The shower stall has white walls and a glass door with a silver handle. The woman has a tattoo on her upper left chest that says "SM-101". She has a large, colorful tattoo on her right arm. She is looking towards the camera with a slight smile.

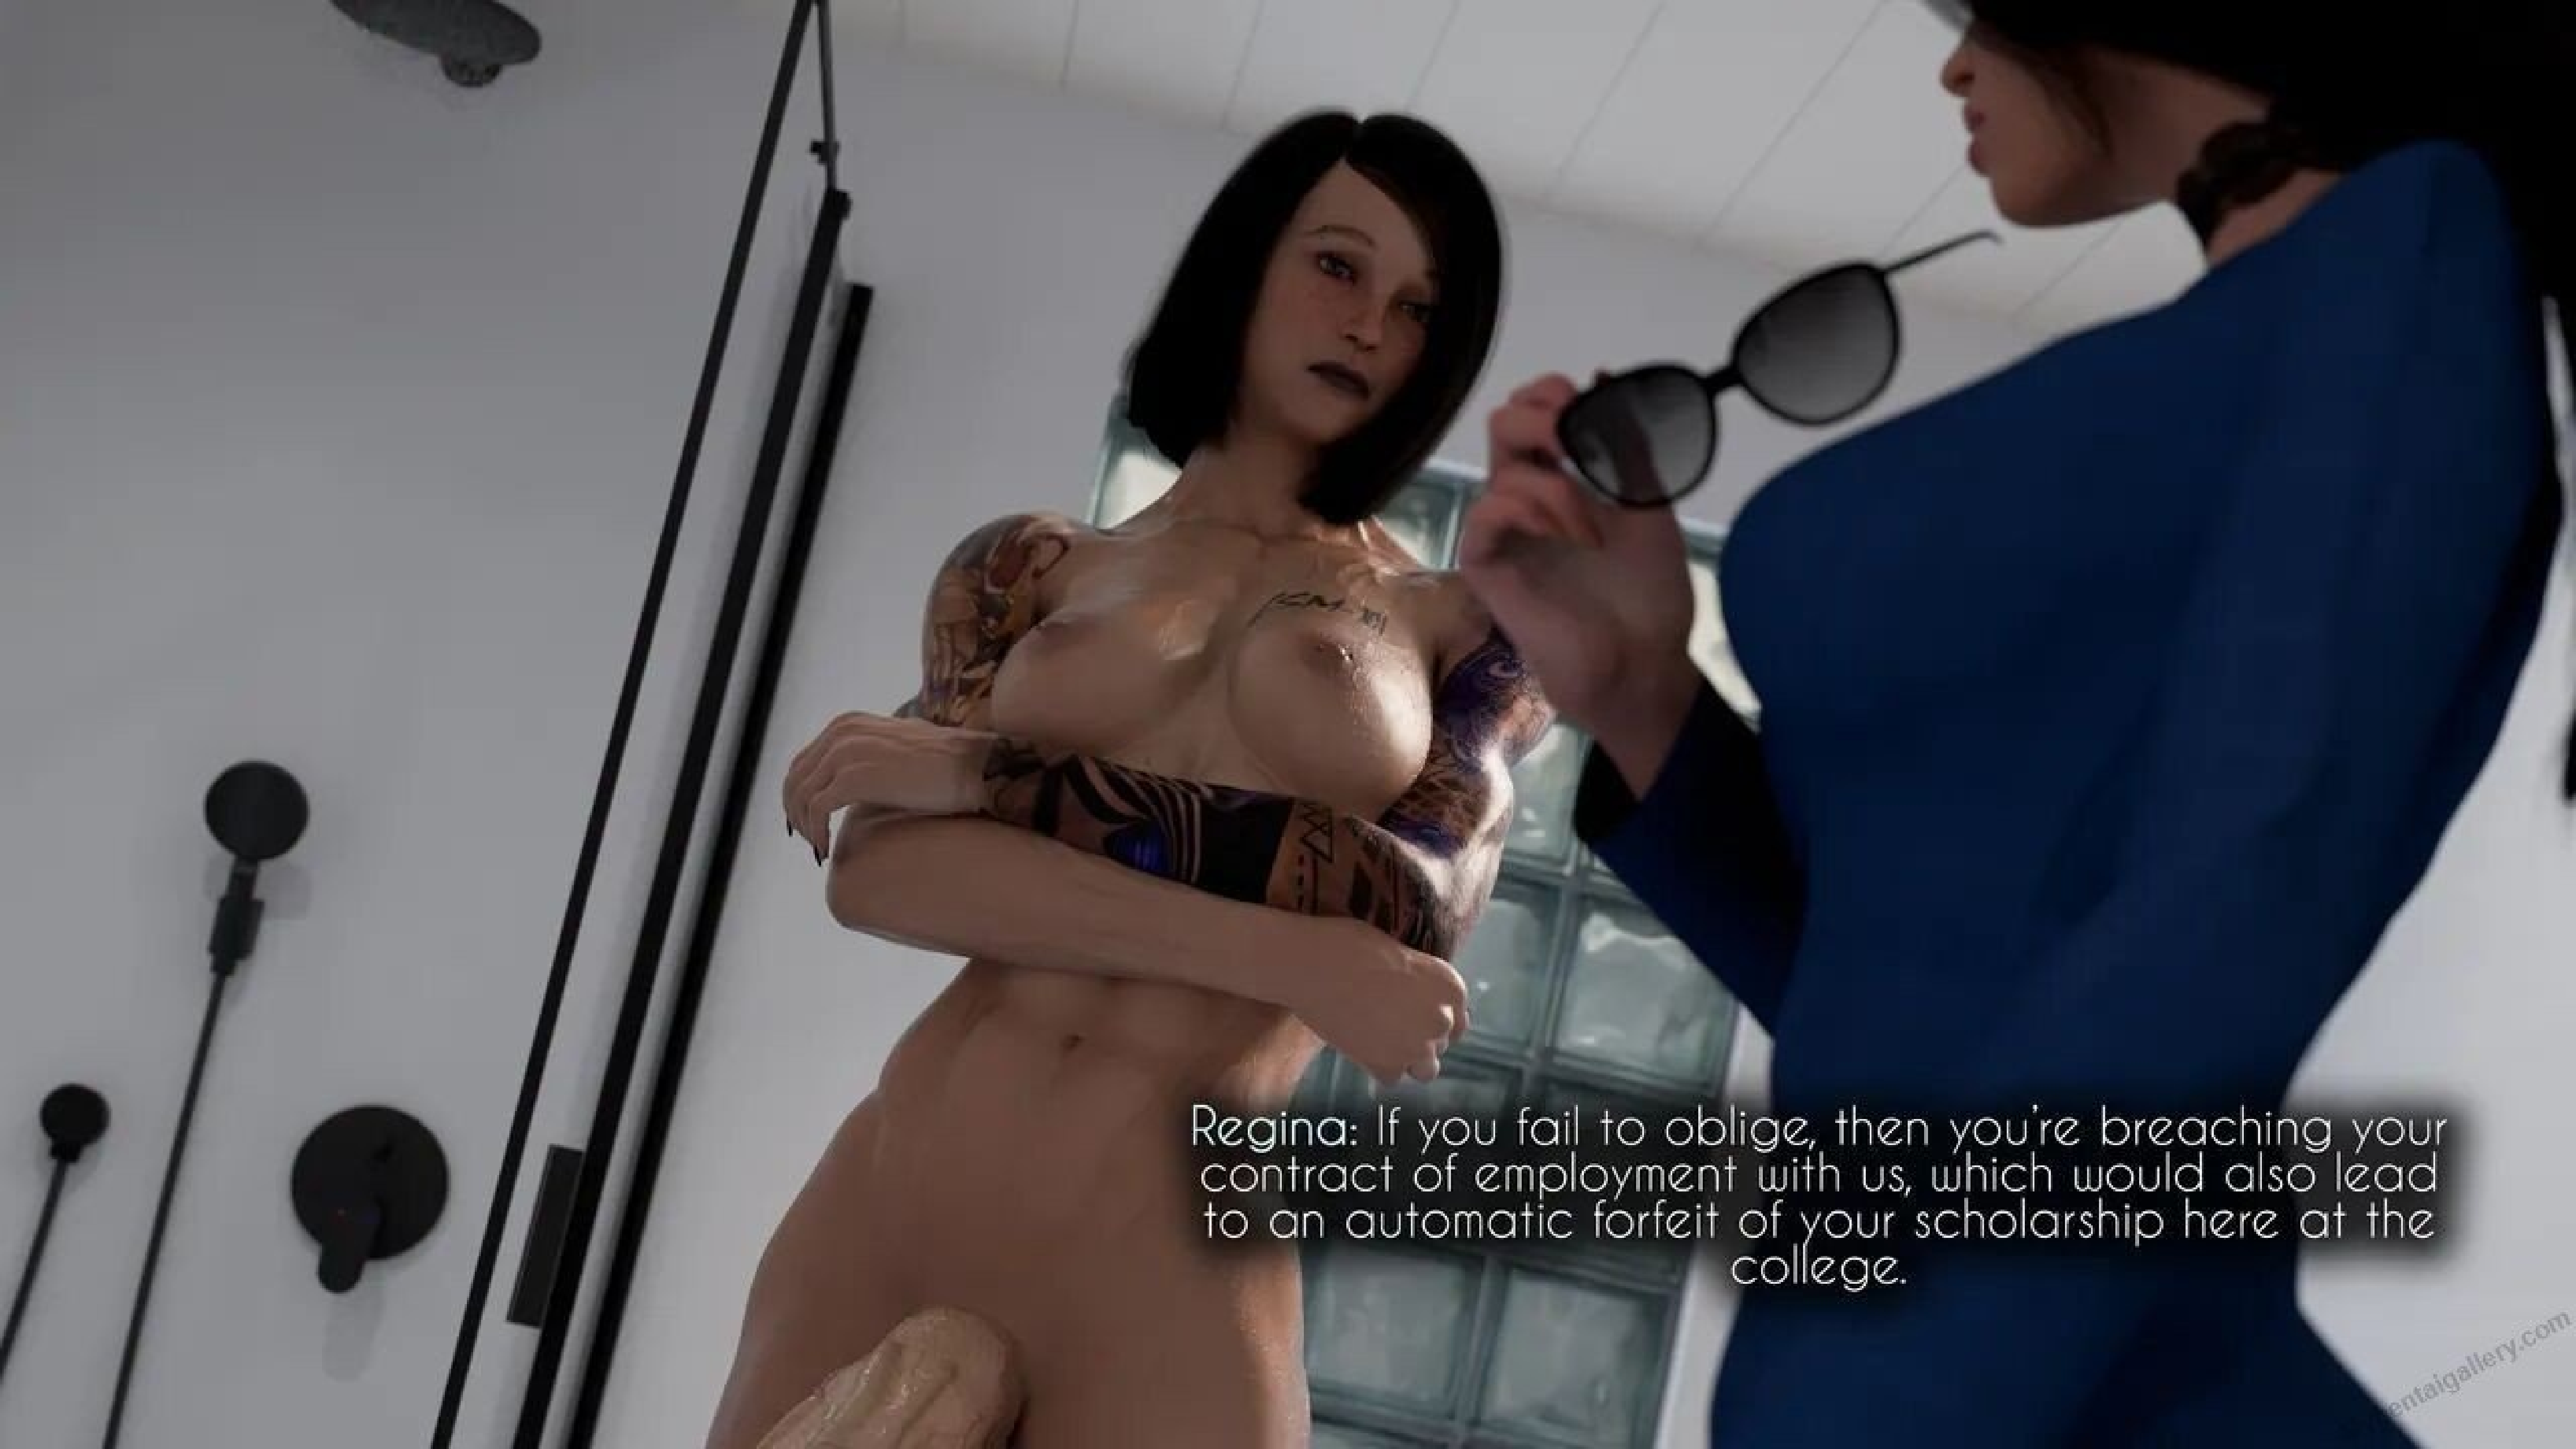

Regina: In an effort to ensure **RIPE** performances and provide a chance for our workers to relax and recover...

Brigid: With all due respect... I do appreciate the sentiment, but I find fucking women until they coom their brains out very relaxing myself, so...

Thank you, but no. I'mma have to pass on that.

A woman with long dark hair, wearing a dark blue blazer over a white top and a dark choker, stands in a modern office hallway. She is holding a pair of glasses in her right hand and looking towards the camera with a serious expression. The background shows office cubicles and a glass wall.

Regina: *Scoffs* Oh, it's not up for debate...
You see...

Regina: If you fail to oblige, then you're breaching your contract of employment with us, which would also lead to an automatic forfeit of your scholarship here at the college.

A person with extensive tattoos on their back and arms is shown from behind. The tattoos include a large, colorful design on the upper back and a large, dark, abstract design on the lower back. The person is standing in a clinical or medical setting, with a white wall and a window visible in the background. The person's skin is oiled, and their back is arched slightly forward.

Regina: You see where I'm going with this, right...?
Not only will you have to pay for the rest of your
EXPENSIVE semesters, but Lola, all these college
girls you knocked up, and more...

Without us handling the financial responsibility for
your precious children...

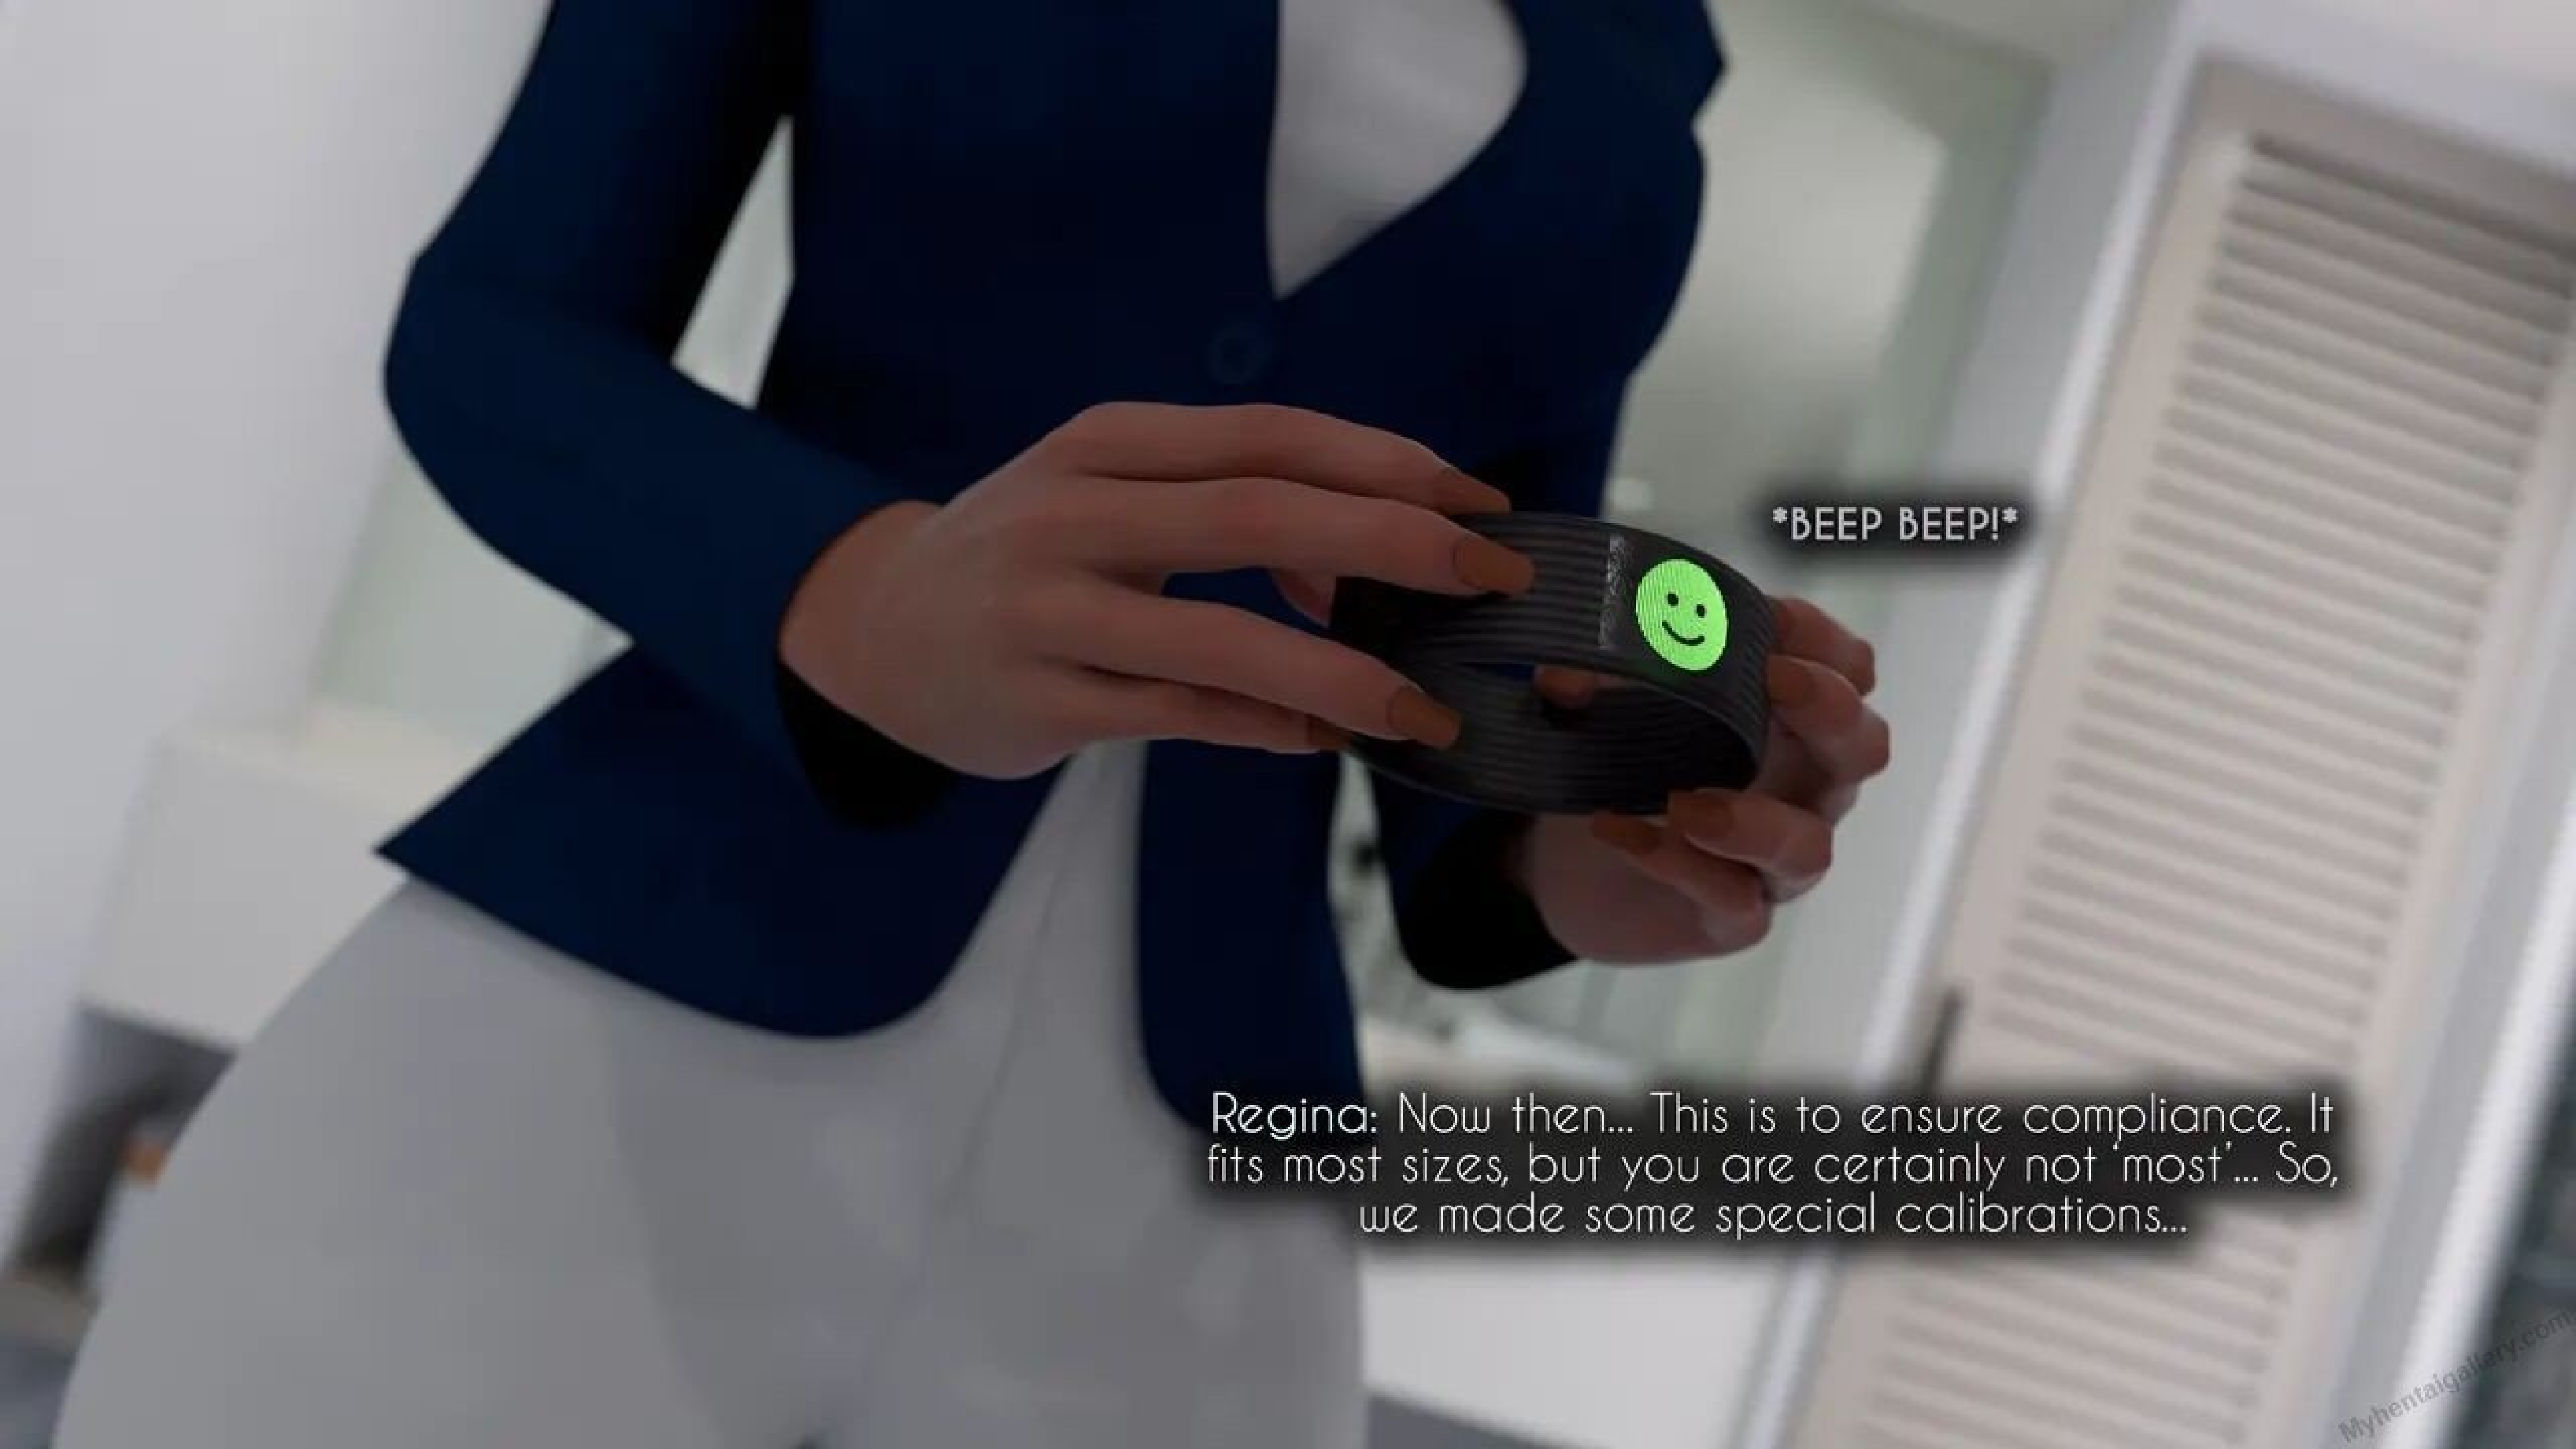

Scoffs You're pretty much screwed!

A woman with dark hair and tattoos is standing in a room with a white ceiling and a window. She is holding a large, realistic-looking prosthetic penis in her hands. The scene is lit with soft, even light.

Regina: So, what will it be...?

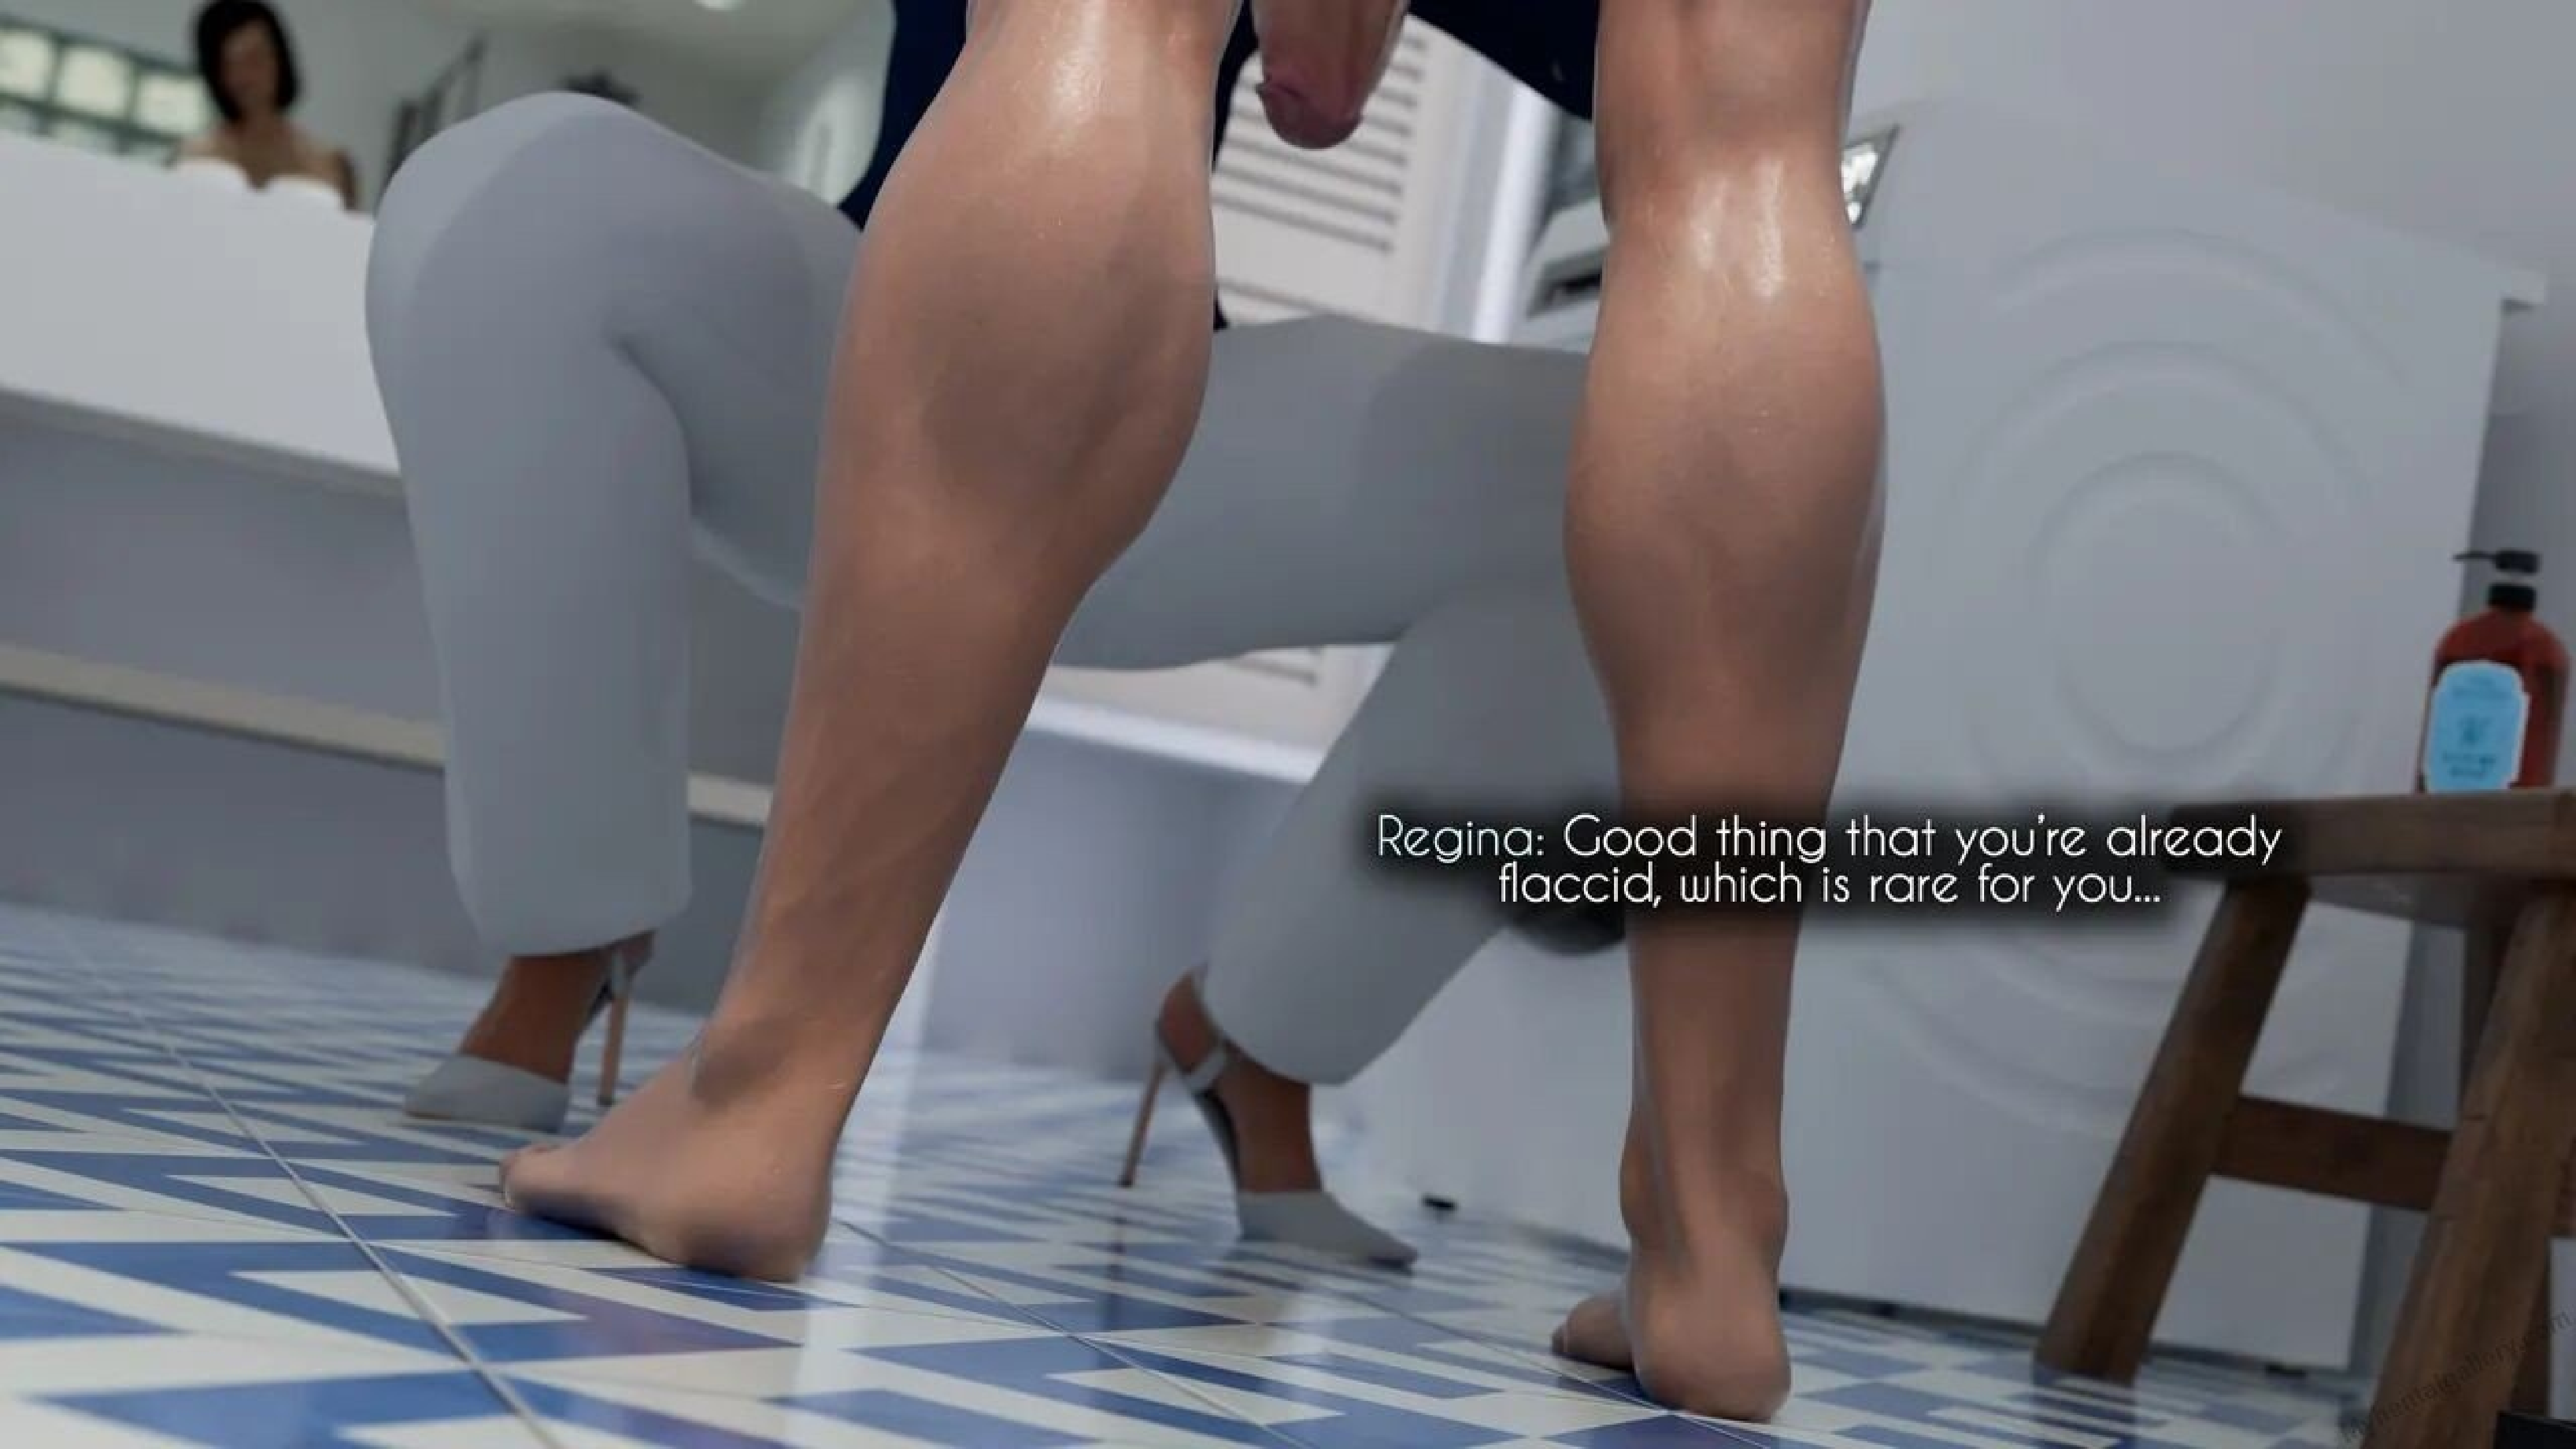

Brigid: (D-Damn you...)

Regina: Mmmmmm...
The sweet sound of silence...
It means so little, and it means so much...
And that is submission.

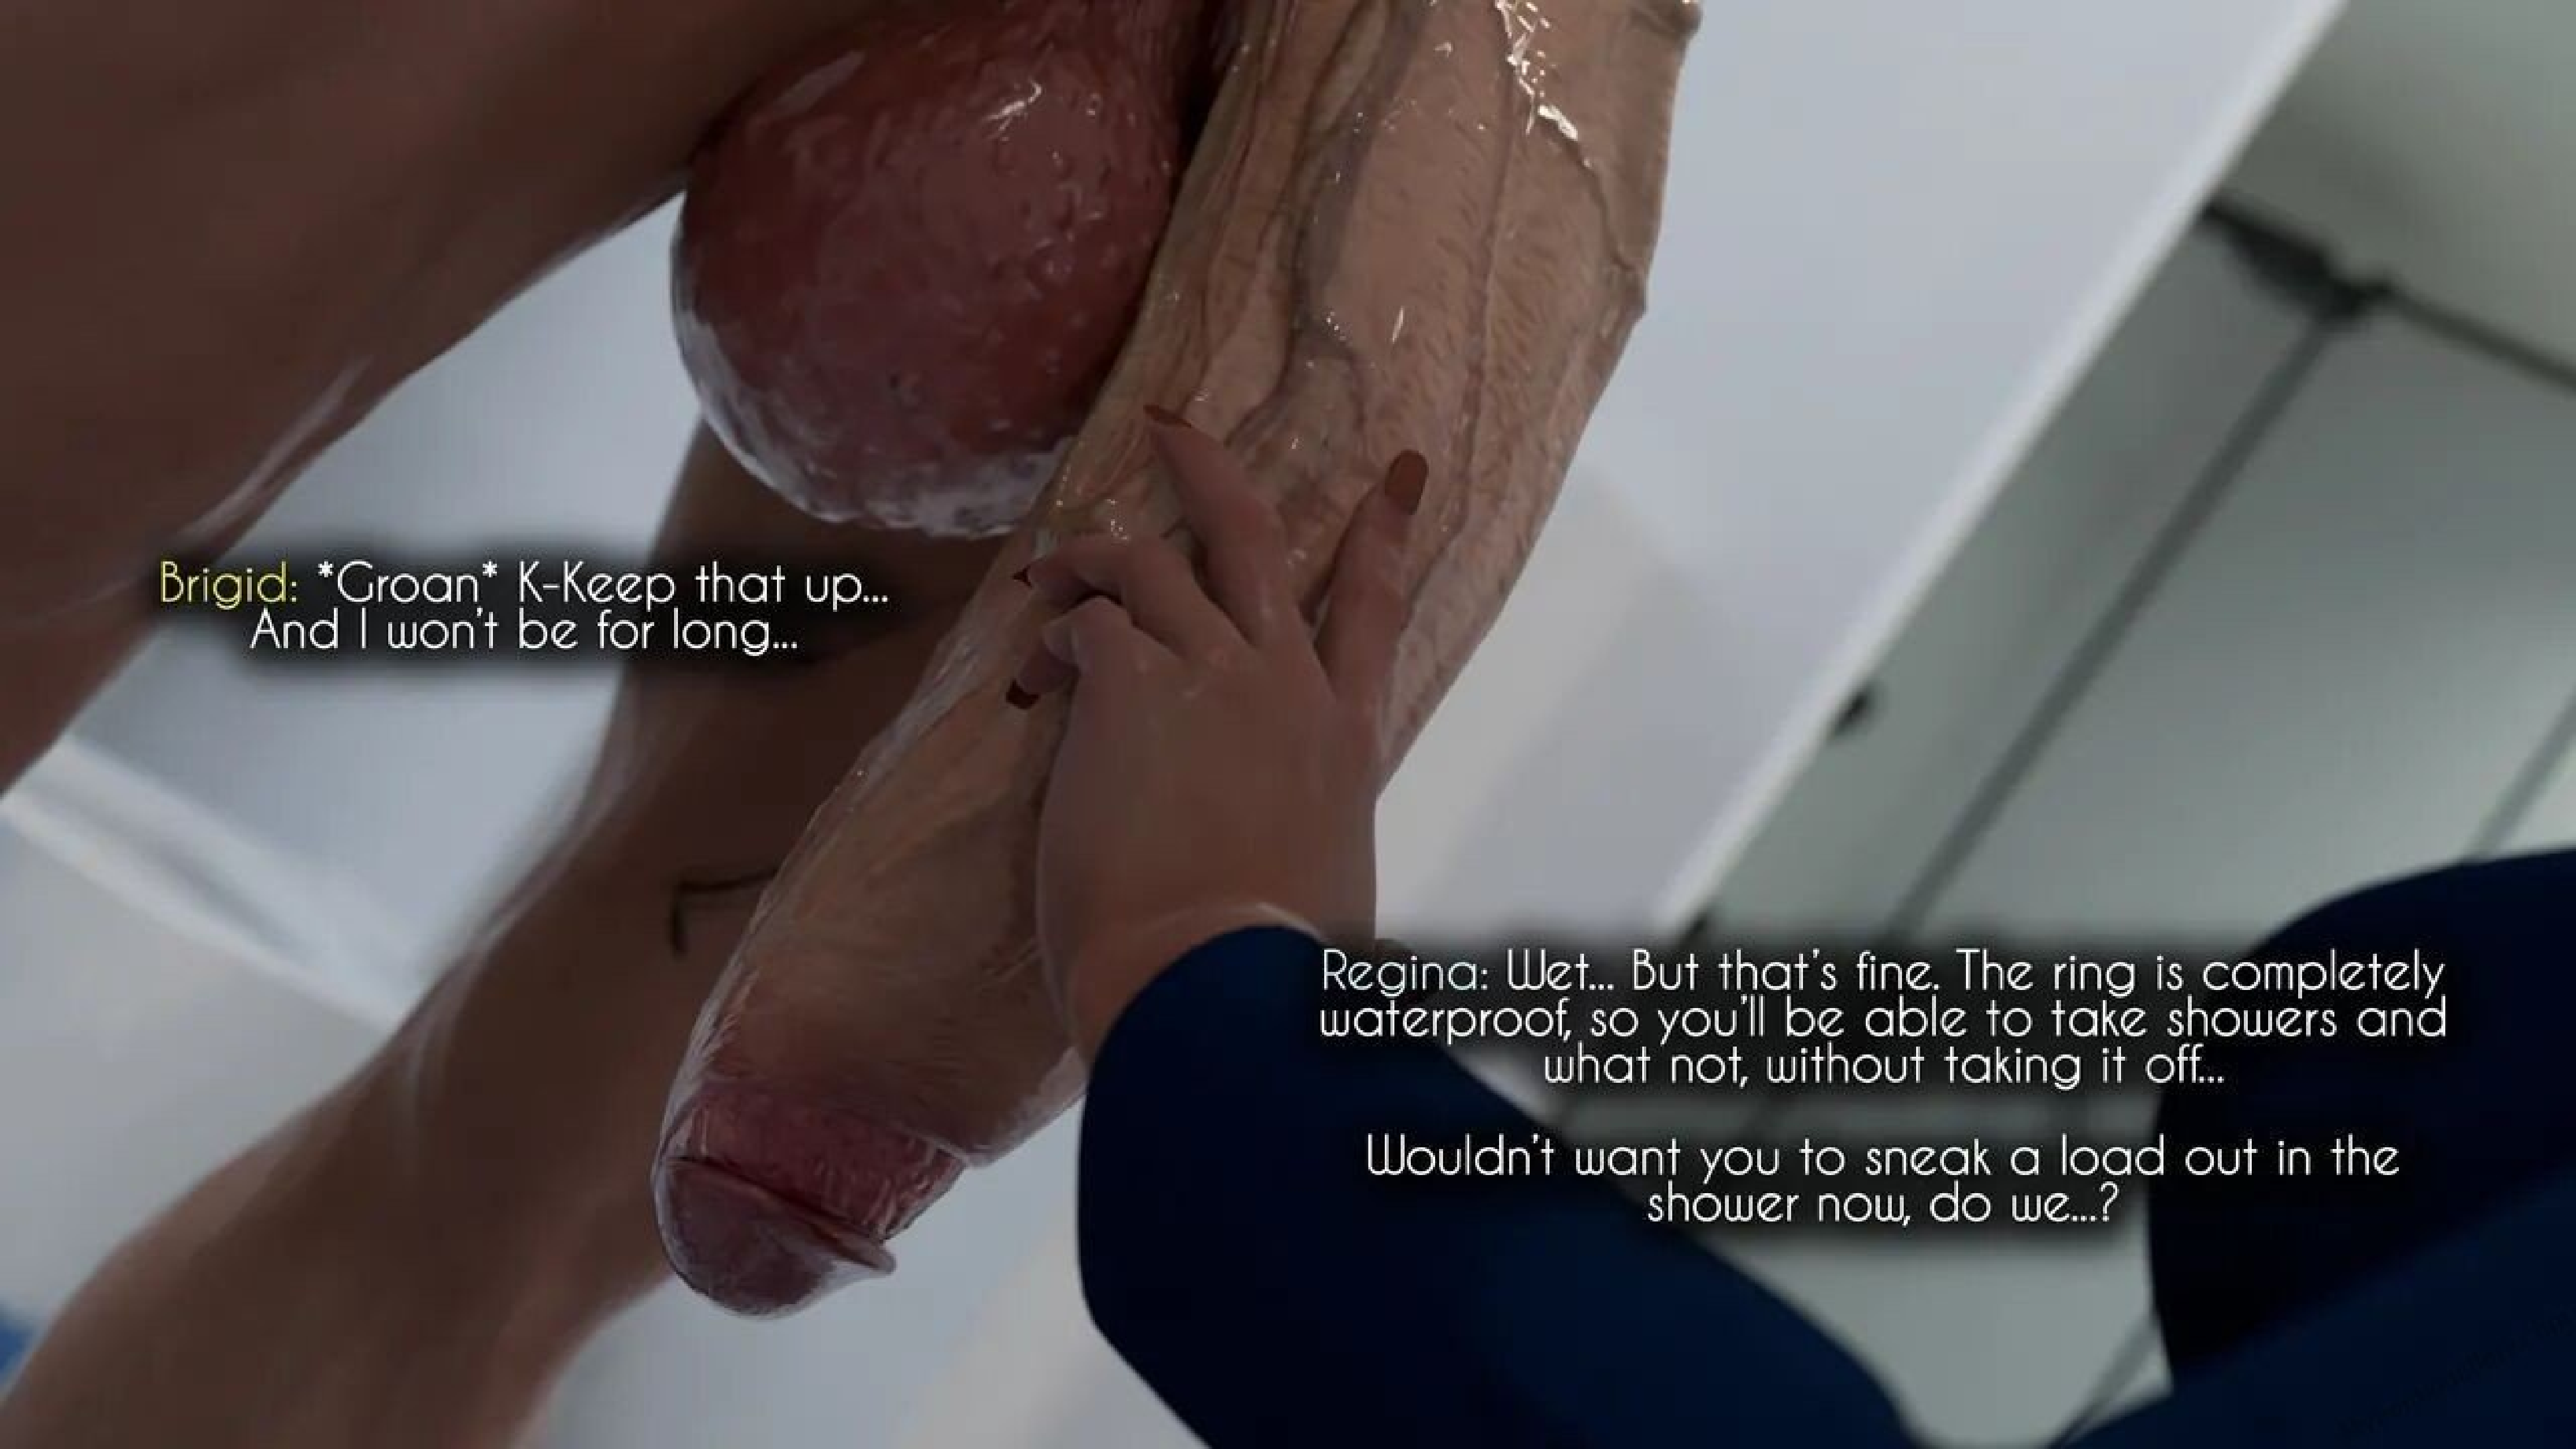

A person wearing a blue lab coat is holding a black, ribbed, ring-shaped device with both hands. The device has a glowing green smiley face on its front. The background is a blurred indoor setting with a window and a door.

BEEP BEEP!

Regina: Now then... This is to ensure compliance. It fits most sizes, but you are certainly not 'most'... So, we made some special calibrations...

A low-angle, close-up shot of a person's legs from the knees down, standing on a blue and white geometric patterned floor. The person is wearing light blue leggings and is barefoot. The background is a bright, modern gym with white equipment and a large circular vent on the wall. A wooden stool with a red bottle on it is visible on the right. A subtitle is overlaid on the right side of the image.

Regina: Good thing that you're already flaccid, which is rare for you...

Brigid: *Groan* K-Keep that up...
And I won't be for long...

Regina: Wet... But that's fine. The ring is completely waterproof, so you'll be able to take showers and what not, without taking it off...

Wouldn't want you to sneak a load out in the shower now, do we...?

Brigid: A bit... tight, isn't it...?

Regina: It's made to conform comfortably
around the shaft...

Brigid: N-Ngh... You sure about that...?

BEEP BEEP BEEP!

Regina: Well, as I said before...
You're not normal.

Interesting... The indicator is already showing
some hormonal uneasiness...
Boy, you're going to have a **REALLY** long
month...

Regina: The indicator will also warn you if
your 'tanks' are getting too full, or if you're
close to blowing a load...
It will get angry at you, if you are.

Brigid: A-And how lon-

Regina: One month. Every day of November.
And remember...

Regina: You take it off, you're done.
You break it, you're done.
You cum, well... You've probably guessed what happens.

Regina: Oh, and a little surprise for you on the kitchen counter, if one of your skanks haven't snatched it already...

Some pocket money for you to consider some meditation classes, or perhaps a book on abstinence.

Anyway, don't forget to have fun! Enjoy your November!

The Next Day...

Brigid: (Ehhh... Gym is only gonna make it worse...)

The End

Full Name: Brigid Wallace

Age: 20

Occupation: Student/Entertainer

Height: 6'7 (200 cm)

Weight: 88 KG (194 lbs)

Sister to Diana, and daughter to Thrud, Brigid is a 20-year-old girl, who had a hopeless start to her adult life, with financial issues being an obstacle for her to get into college, that is, until she is met with a Junior 'entertainment' handler, whose name is Lola... After inspecting Brigid, she then shows her what her company is prepared to offer, but with Brigid sceptical, they take it into the restroom, and she successfully breeds Lola, unintentionally of course...

Now, fully hired as an 'Entertainer', Brigid provides her services to the many dorms across town and campuses, while being generously paid by her employer, and being legally protected from any responsibilities or obligations she owes to the 'mother' of her offspring.

With Lola on maternity leave, one of the young senior handlers decides to take Brigid under her wing, and while being fascinated with how exceptional she is as an entertainer, she is certainly not intimidated at all... In fact, she is ever more ruthless with her, working her into the ground, and even forcing her into company obligations that would make Brigid suffer for a month long...

Full Name: Regina Hilton

Age: 28

Occupation: Entertainment Handler/Board Member

Height: 5'3 (160 cm)

Weight: 50 KG (110 lbs)

Having being brought up in a high-working class environment, Regina's expectations and standards are much higher than the average person's... Educated on the highest of levels, being referred to an internal board who oversee one of their greatest moneymaking schemes, using adult 'entertainers' to 'entertain' those willing to spend some money for a real 'bang for their buck'.

Regina is one of the youngest board members, and may also be one of their brightest so far, with plans to include such unorthodox clauses and completely reforming the 'Entertainer' terms and conditions on their contracts, including the sacred 'No Nut November' Scheme as a 30 day paid Holiday, whilst being strictly observed and under hard requirements. Entertainers hate her.... Their handlers? Love her...

Now using her own implemented clause to force Brigid into a 30-day rest period while being observed and monitored for any legally breaking action that would cause her to be dismissed as an entertainer, and forever owe upon hundreds of thousands to the company itself.
