

Claire And Miss K Bake Cookies

You know, sweetie... watching you bake and fondle cookie dough always makes me think of naughty things...

U-um... naughty things?

Wanna guess what it's making me crave right now?

C-cookies?

I'm craving a taste of everything under that apron.

M-my... oh, my goodness...

How long do these cookies need to bake?

Ah... about 12 minutes...

Mmhmm... perfect...

SHUX

Claaaaire... you were already
soaking wet, why didn't you
tell me?

Ah... I was... I

Are you nuzzling
my butt?

Mm... honey, everything about
you is so delicious...!

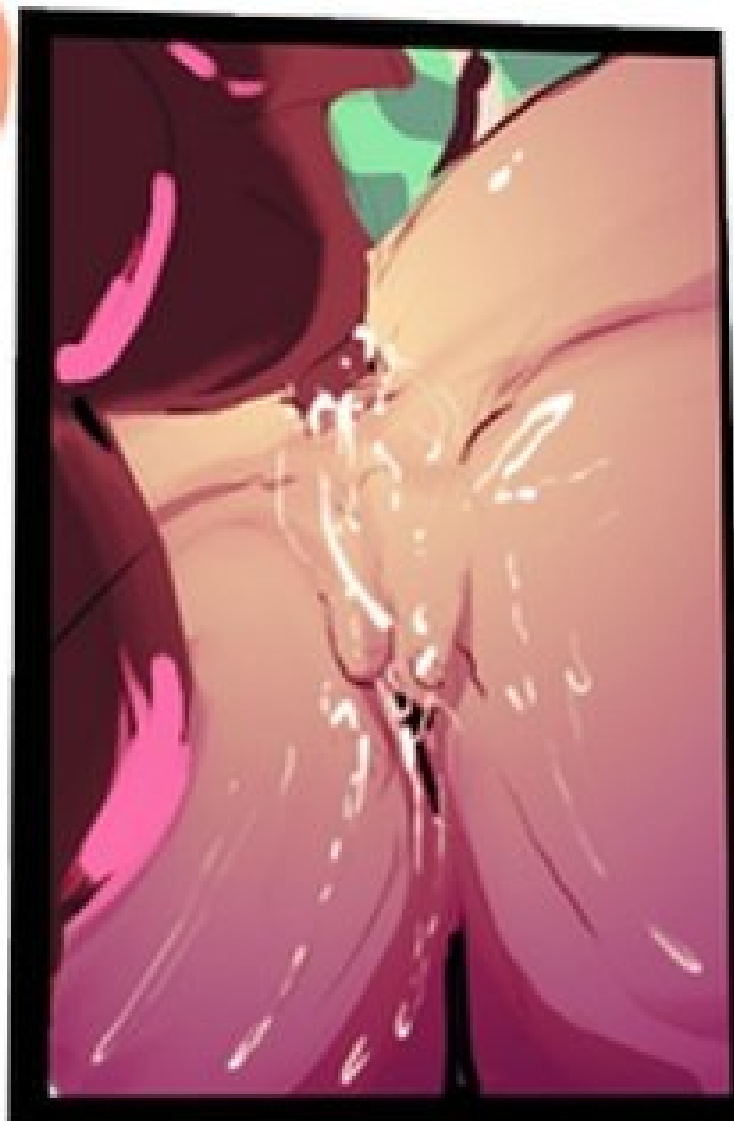

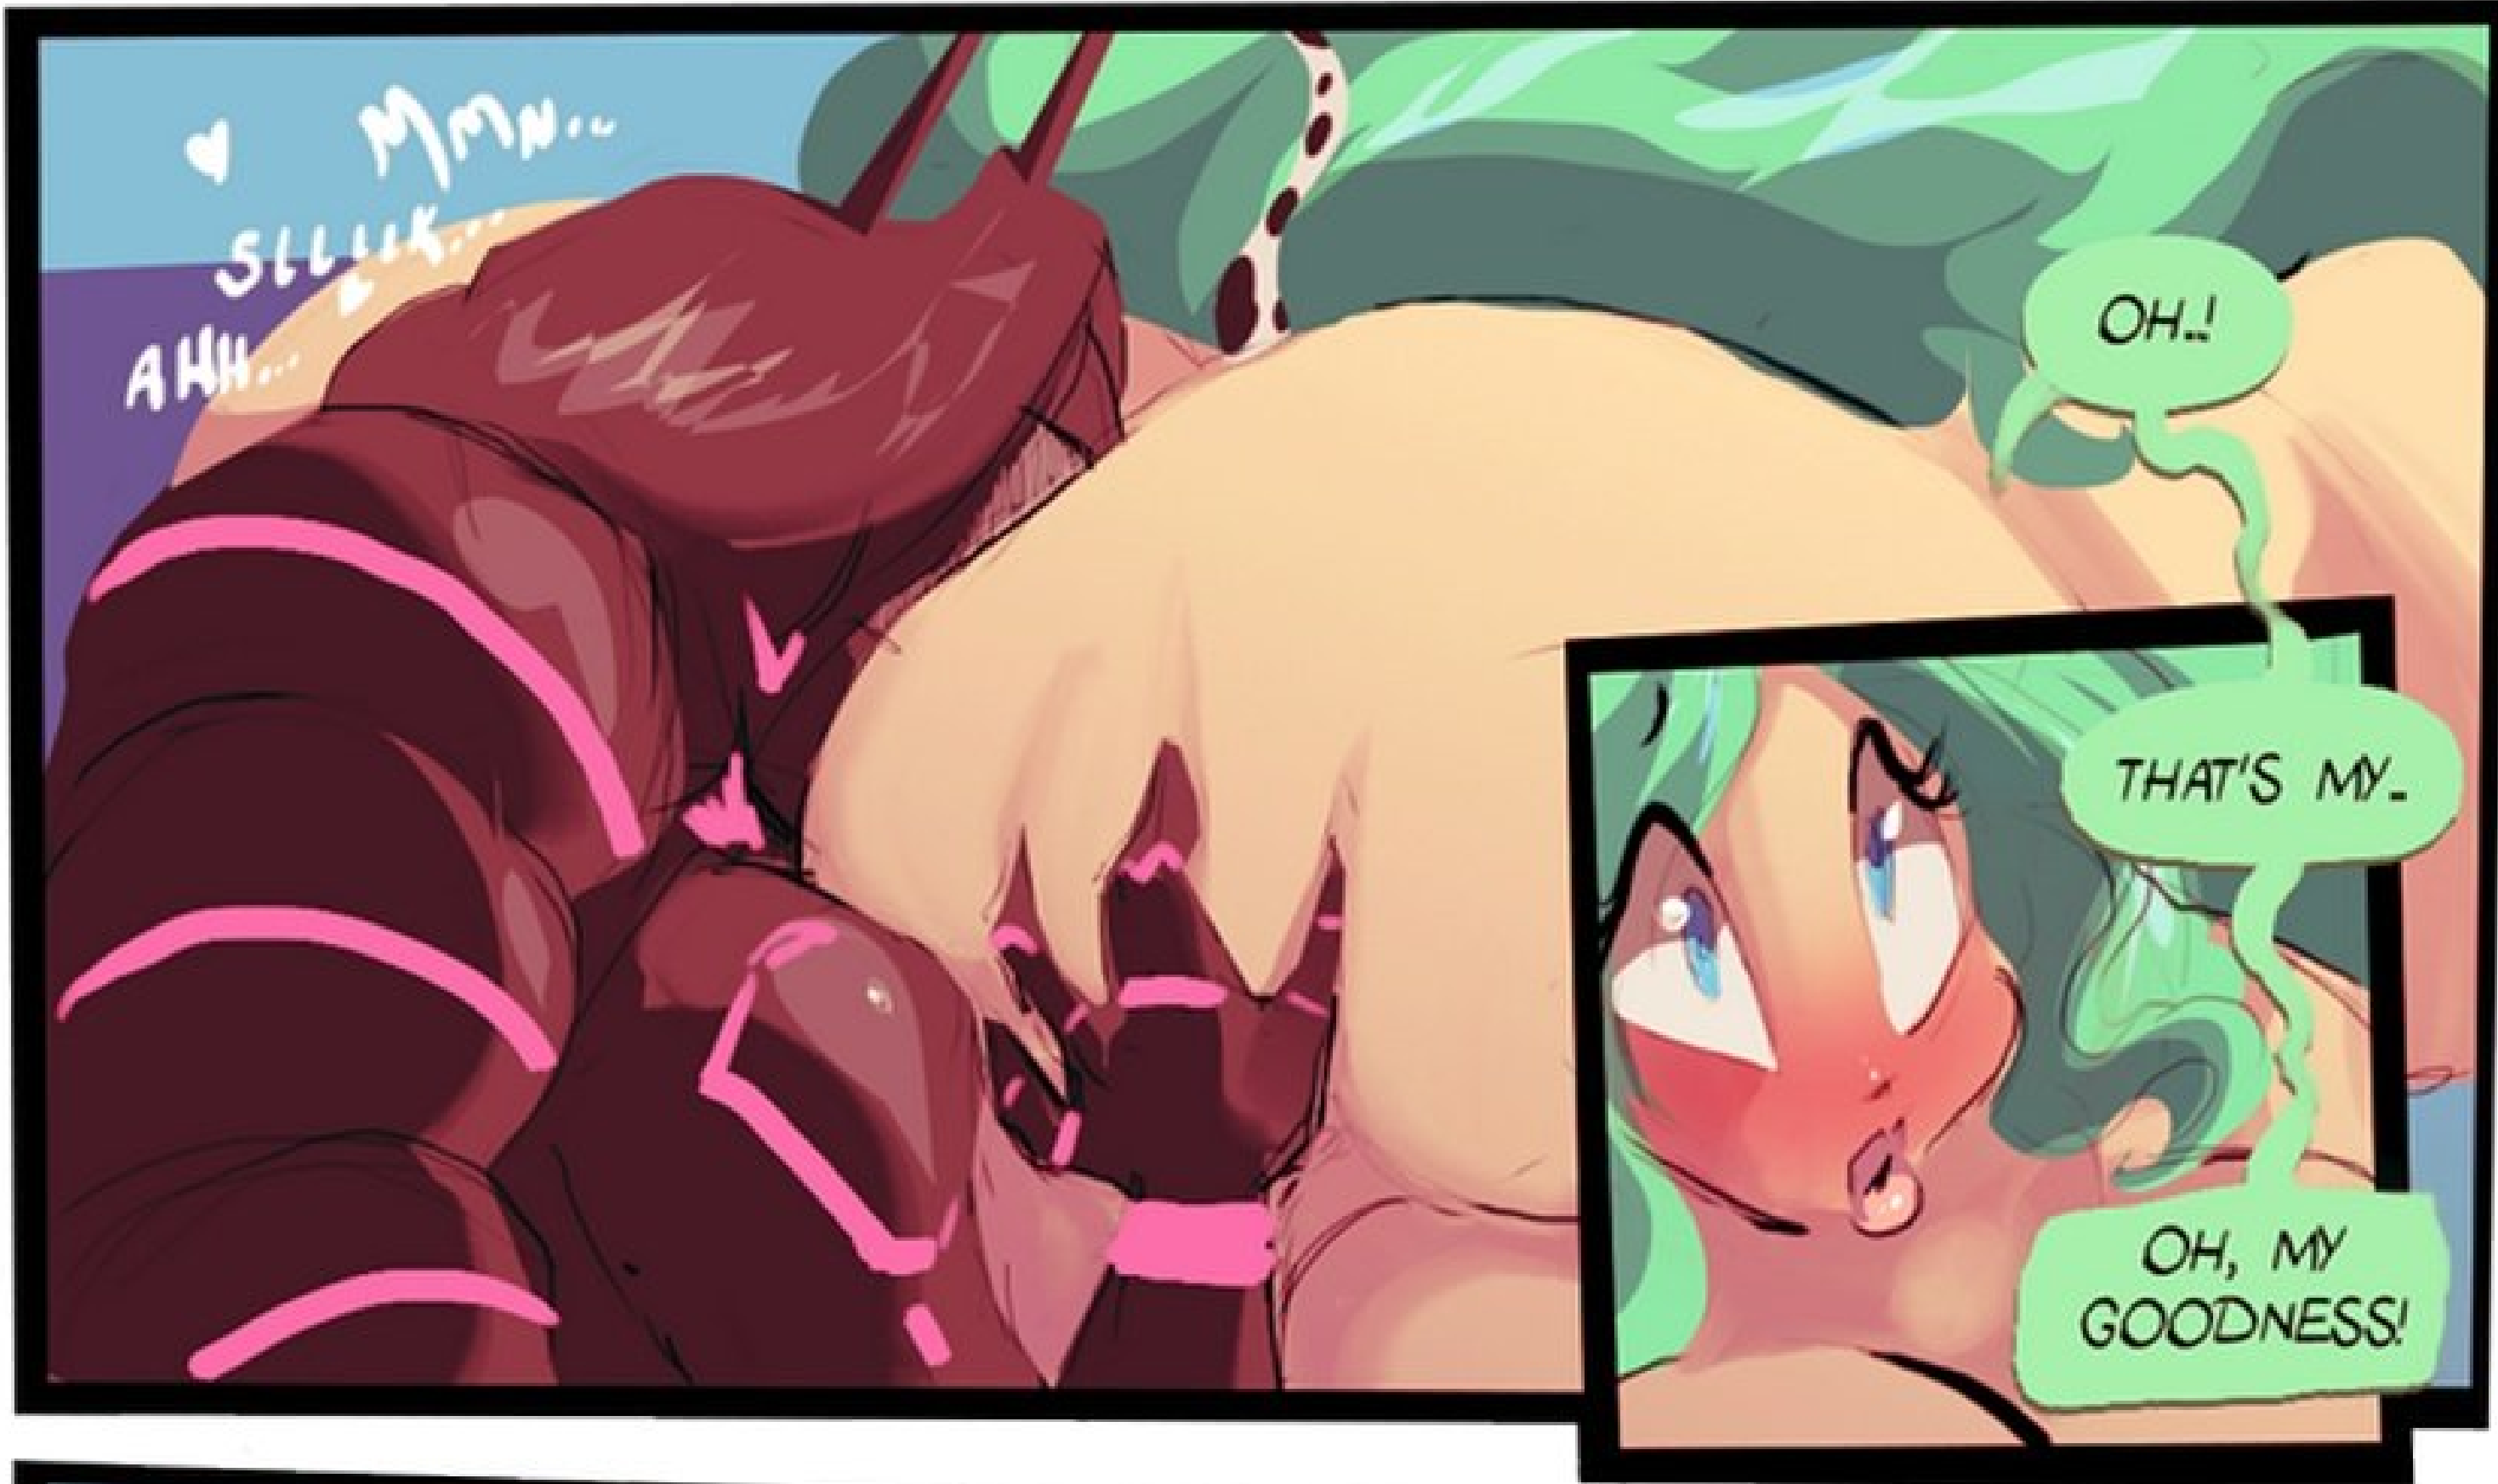

Is the oven too
hot, sweetie?

N-no, just... ooh!
Just warm...

Why...?

I wanna shove all of
you in my mouth!!!

I just want you to have
something sturdy to lean on.

10 minutes of booty licking later..
