

R-18

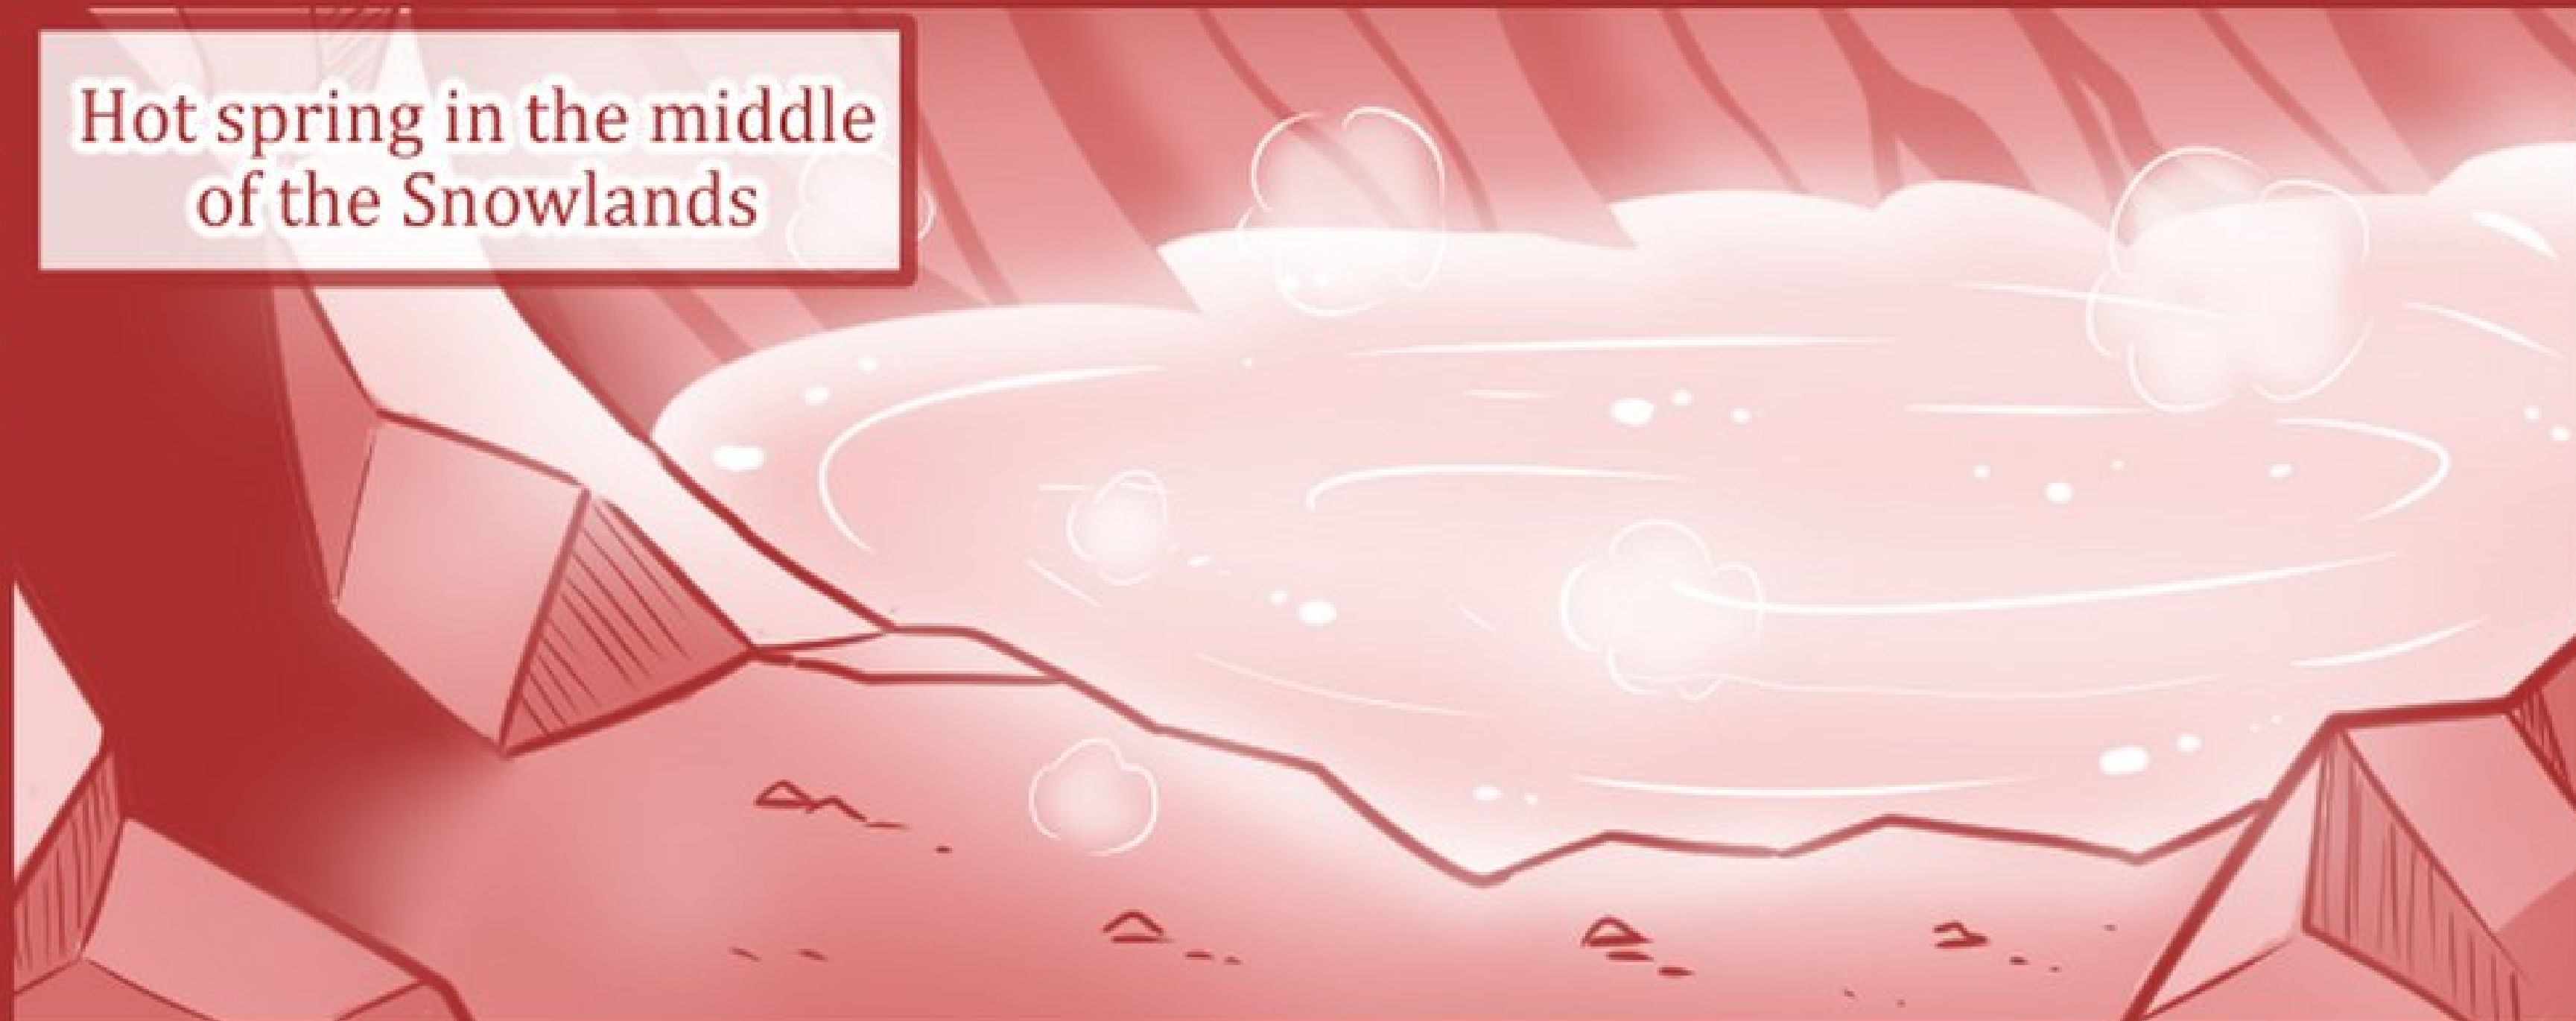

Act 2:
Black Unicorn

CROSSOVER STORY

By Loveless Nova Aka Vavacung

Hot spring in the middle
of the Snowlands

A hot spring
hidden in the middle
of the snowlands,
and teleporting is the
only way to reach
this place.

This was
a very nice
place to set up
my secret base.

*And look! My bag is
already here!!*

Oh!?
Is someone really
eager to receive
punishment
from me?

Hurrying
himself to bathe
and be nice and
clean just for
me?

But no matter how eager you may be, I don't think swimming in a pool with heavy metal armour on is a good idea.

You!!
Cough
It was you who dropped me into that hot spring!!

Damn!!
My Cape!
My Armour!!

It's all soaking wet thanks to that foal play teleport of yours!!!

Really?
Oh! Sorry, it was an accident I assure you. I just never teleported 2 persons before.

You did this on purpose didn't you!?!

Release
me!!!

No
dear...

Not until
you clean up
your own
mess first.

So now,
lick me
clean...

I'm not
going to lick
that off!
That is my
own cum!!

And I just
might reward you
with something
that's worth doing
that for...

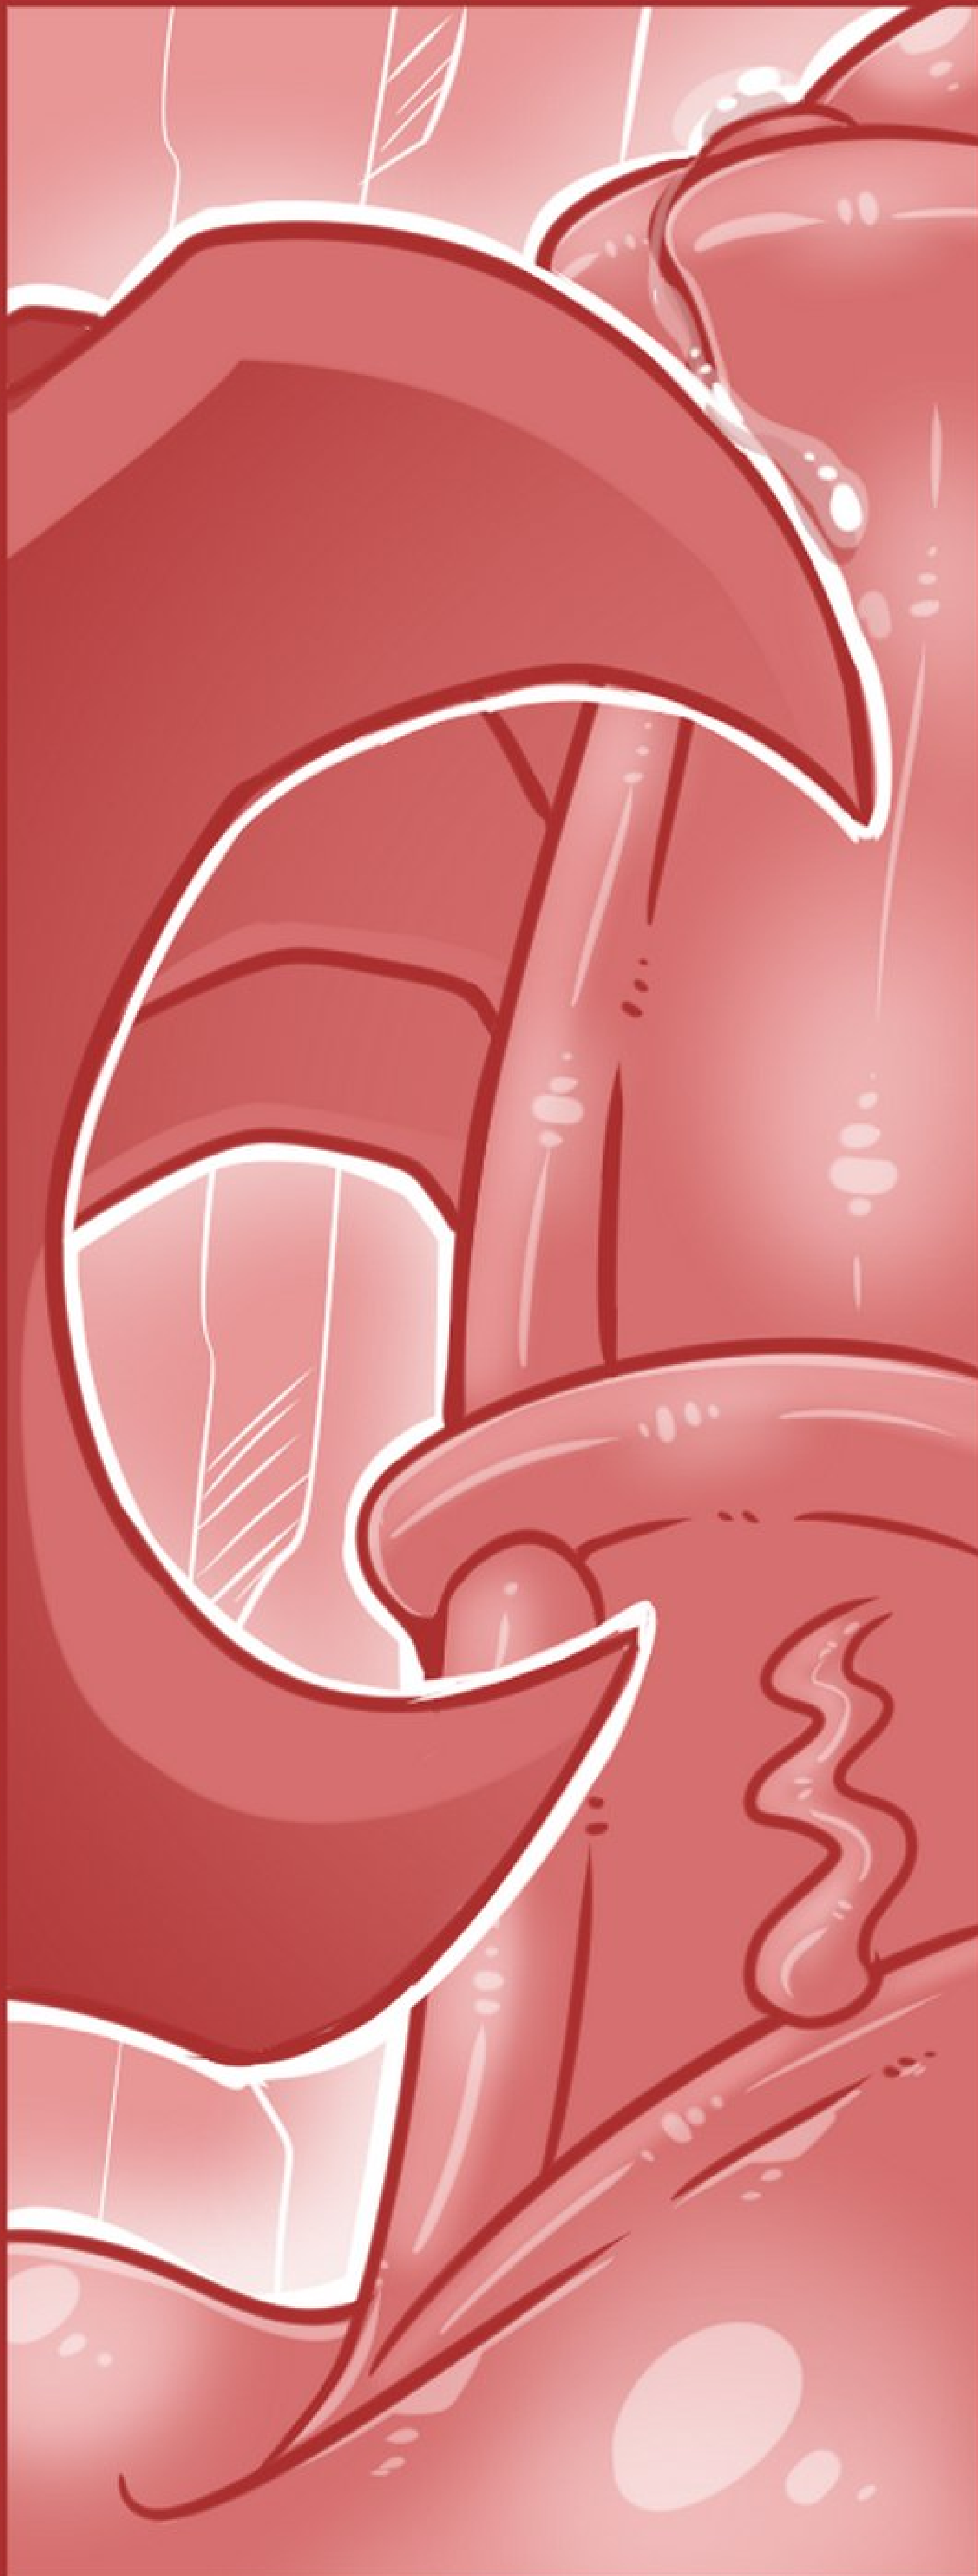

Come on!
Just do
it!!

If...If I do
this...You
won't rape me
will you?

Well...That's
depends on how
cooperative
you are...

But that claw thing feels so good...

Hmmm...
Stallion cock,
I so miss
it...

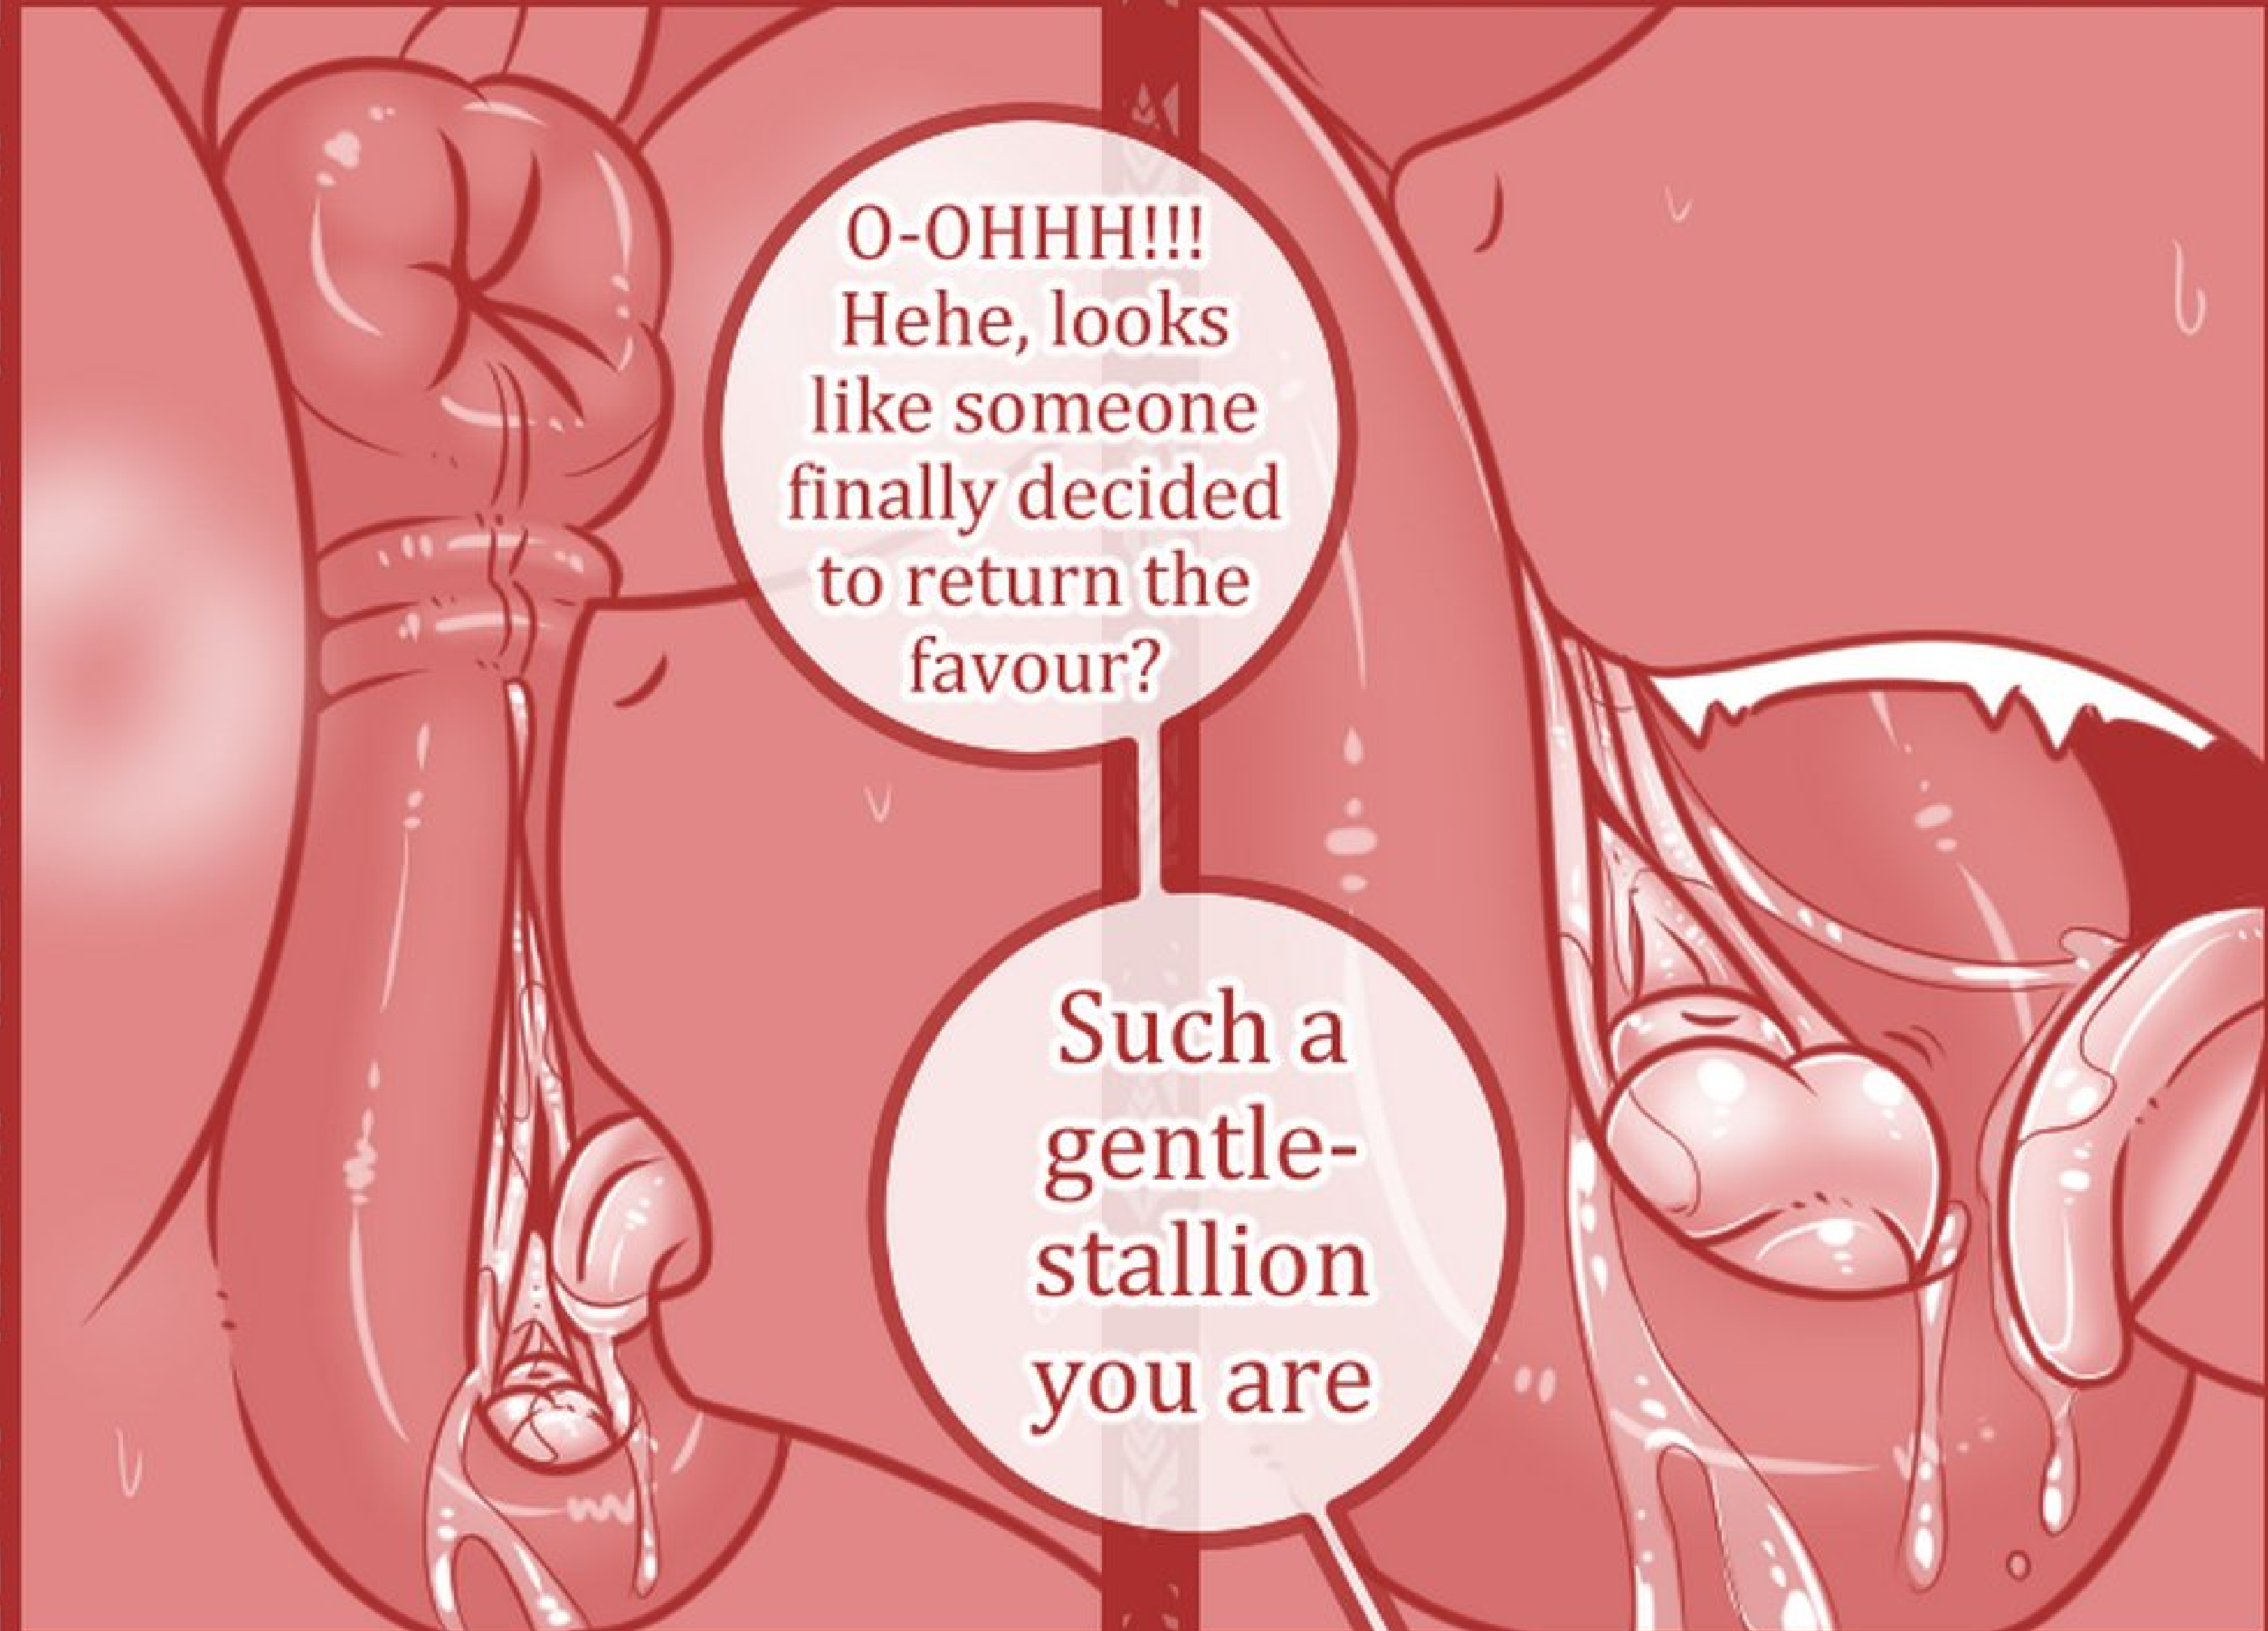

The very
first cock I
have had,

Ever since
I became an
outcast for using
dark magic.

It might be
shorter than a
male of my own
kind, but this
girth...Is going
to fill me up
♥ so well. ♥

O-OHHH!!!
Hehe, looks
like someone
finally decided
to return the
favour?

Such a
gentle-
stallion
you are

AHH!!
That hit a
GREAT
spot!!

Mmm...
I think we
have had
enough
foreplay
now.

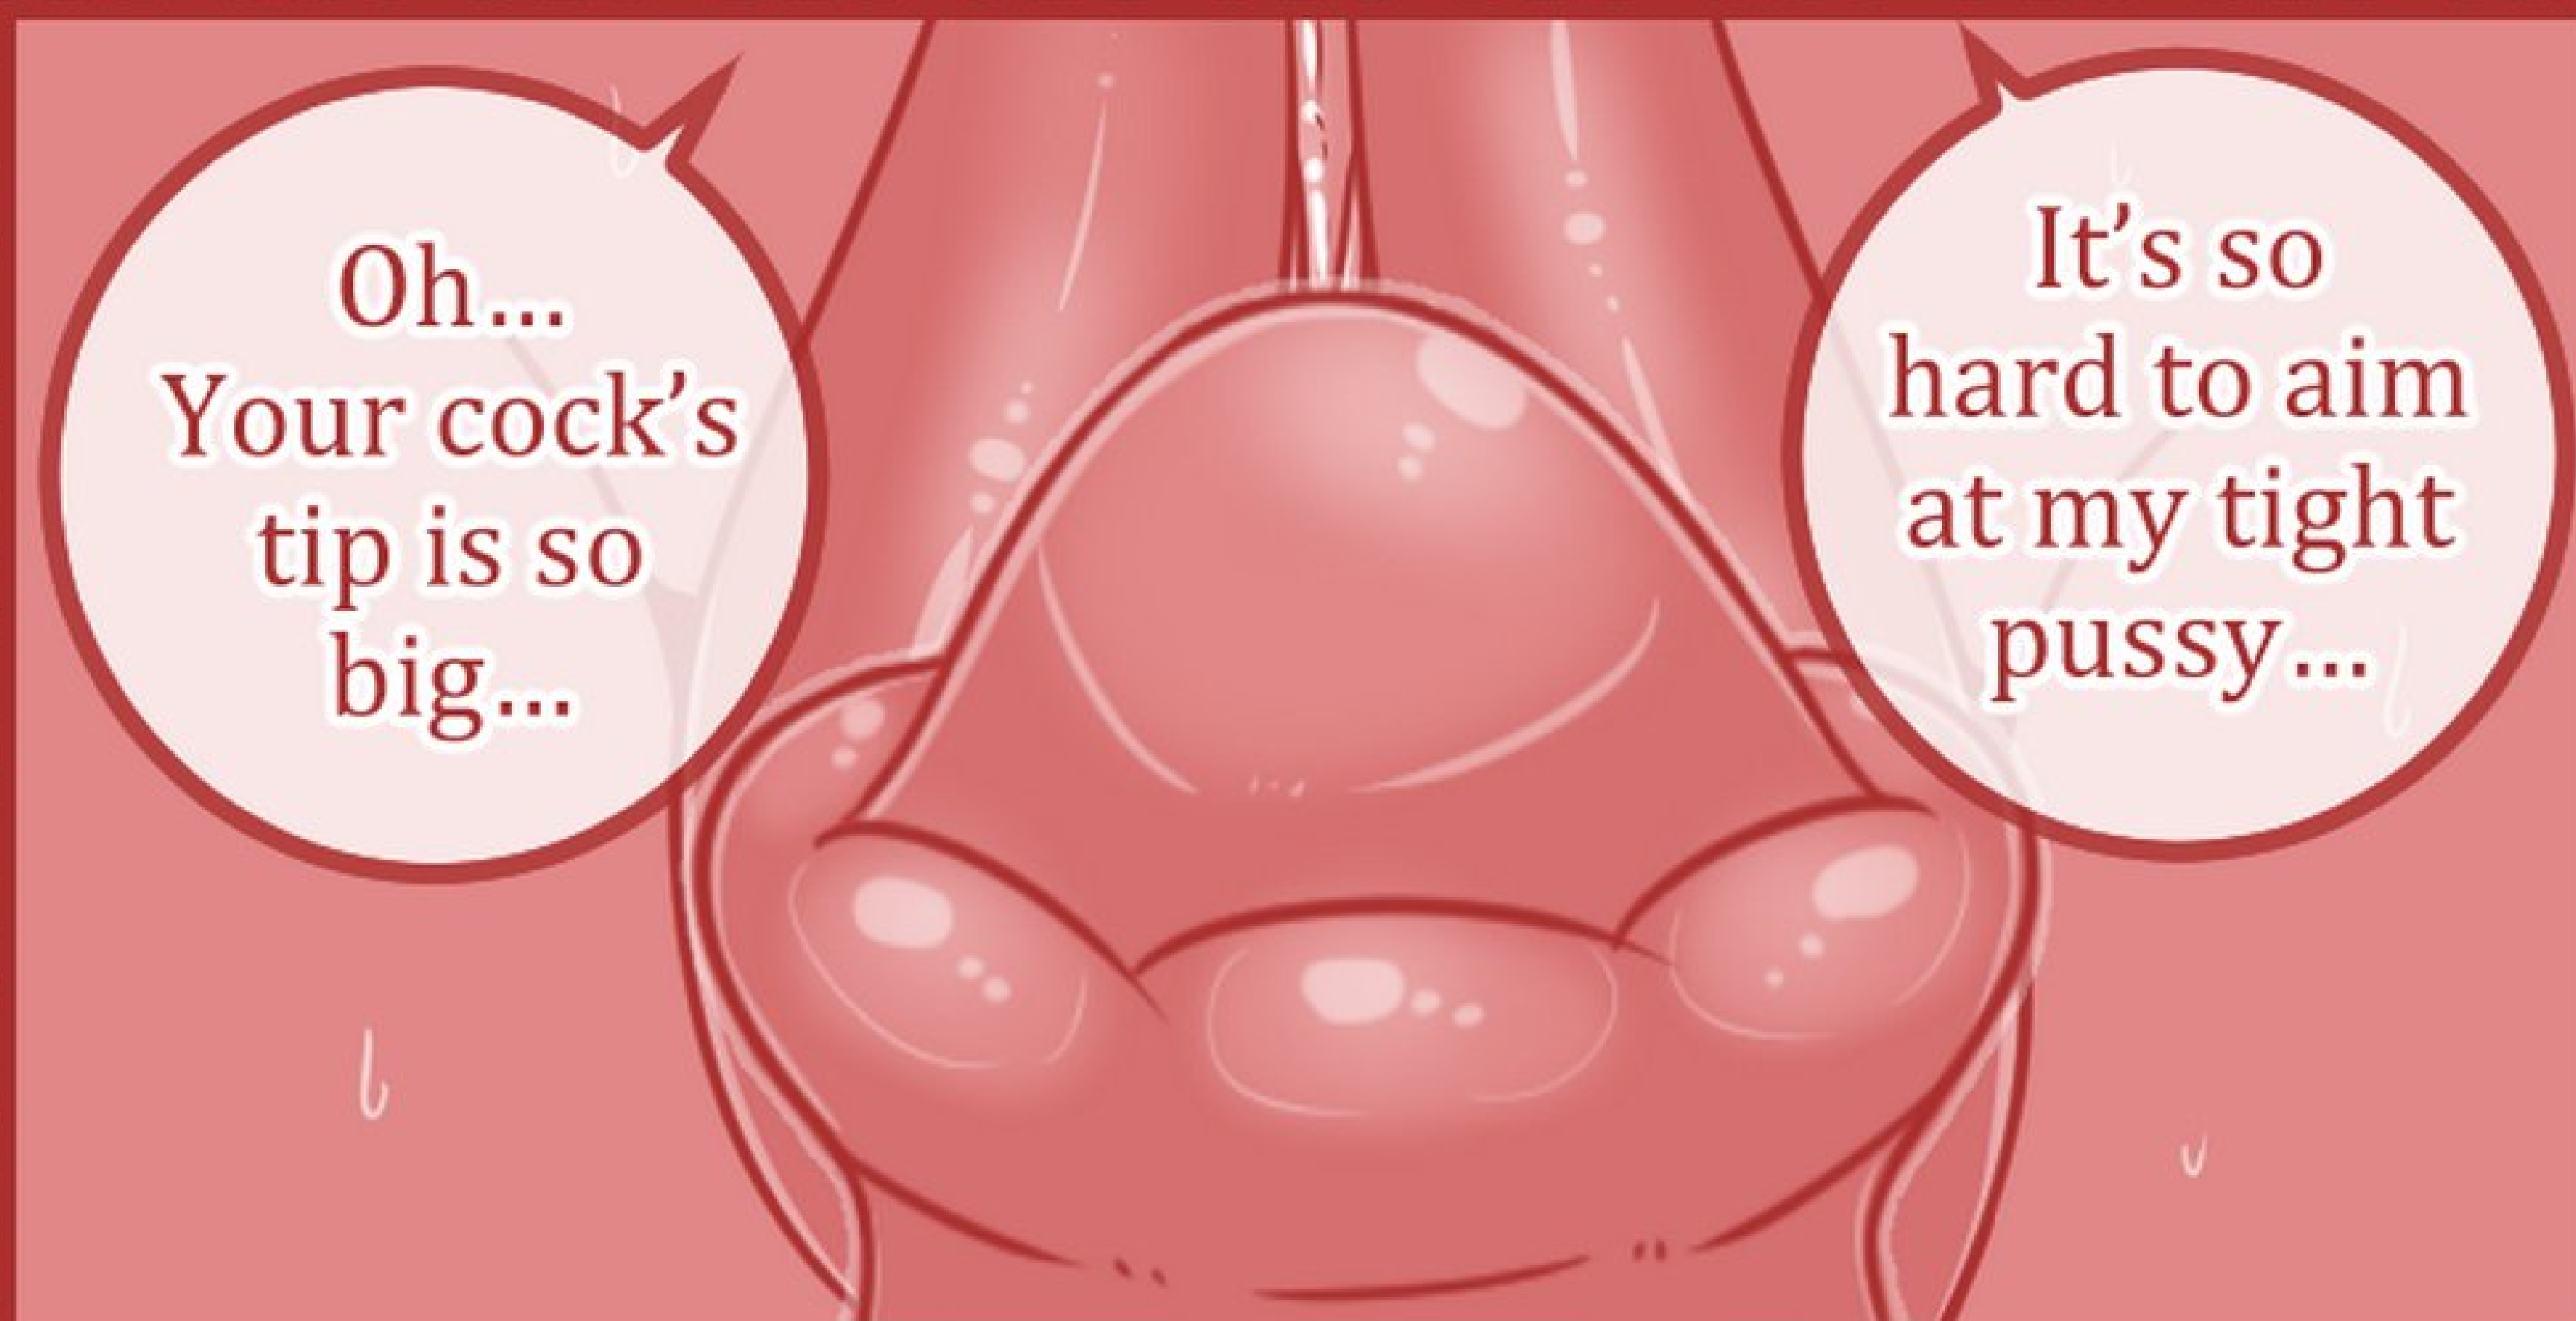

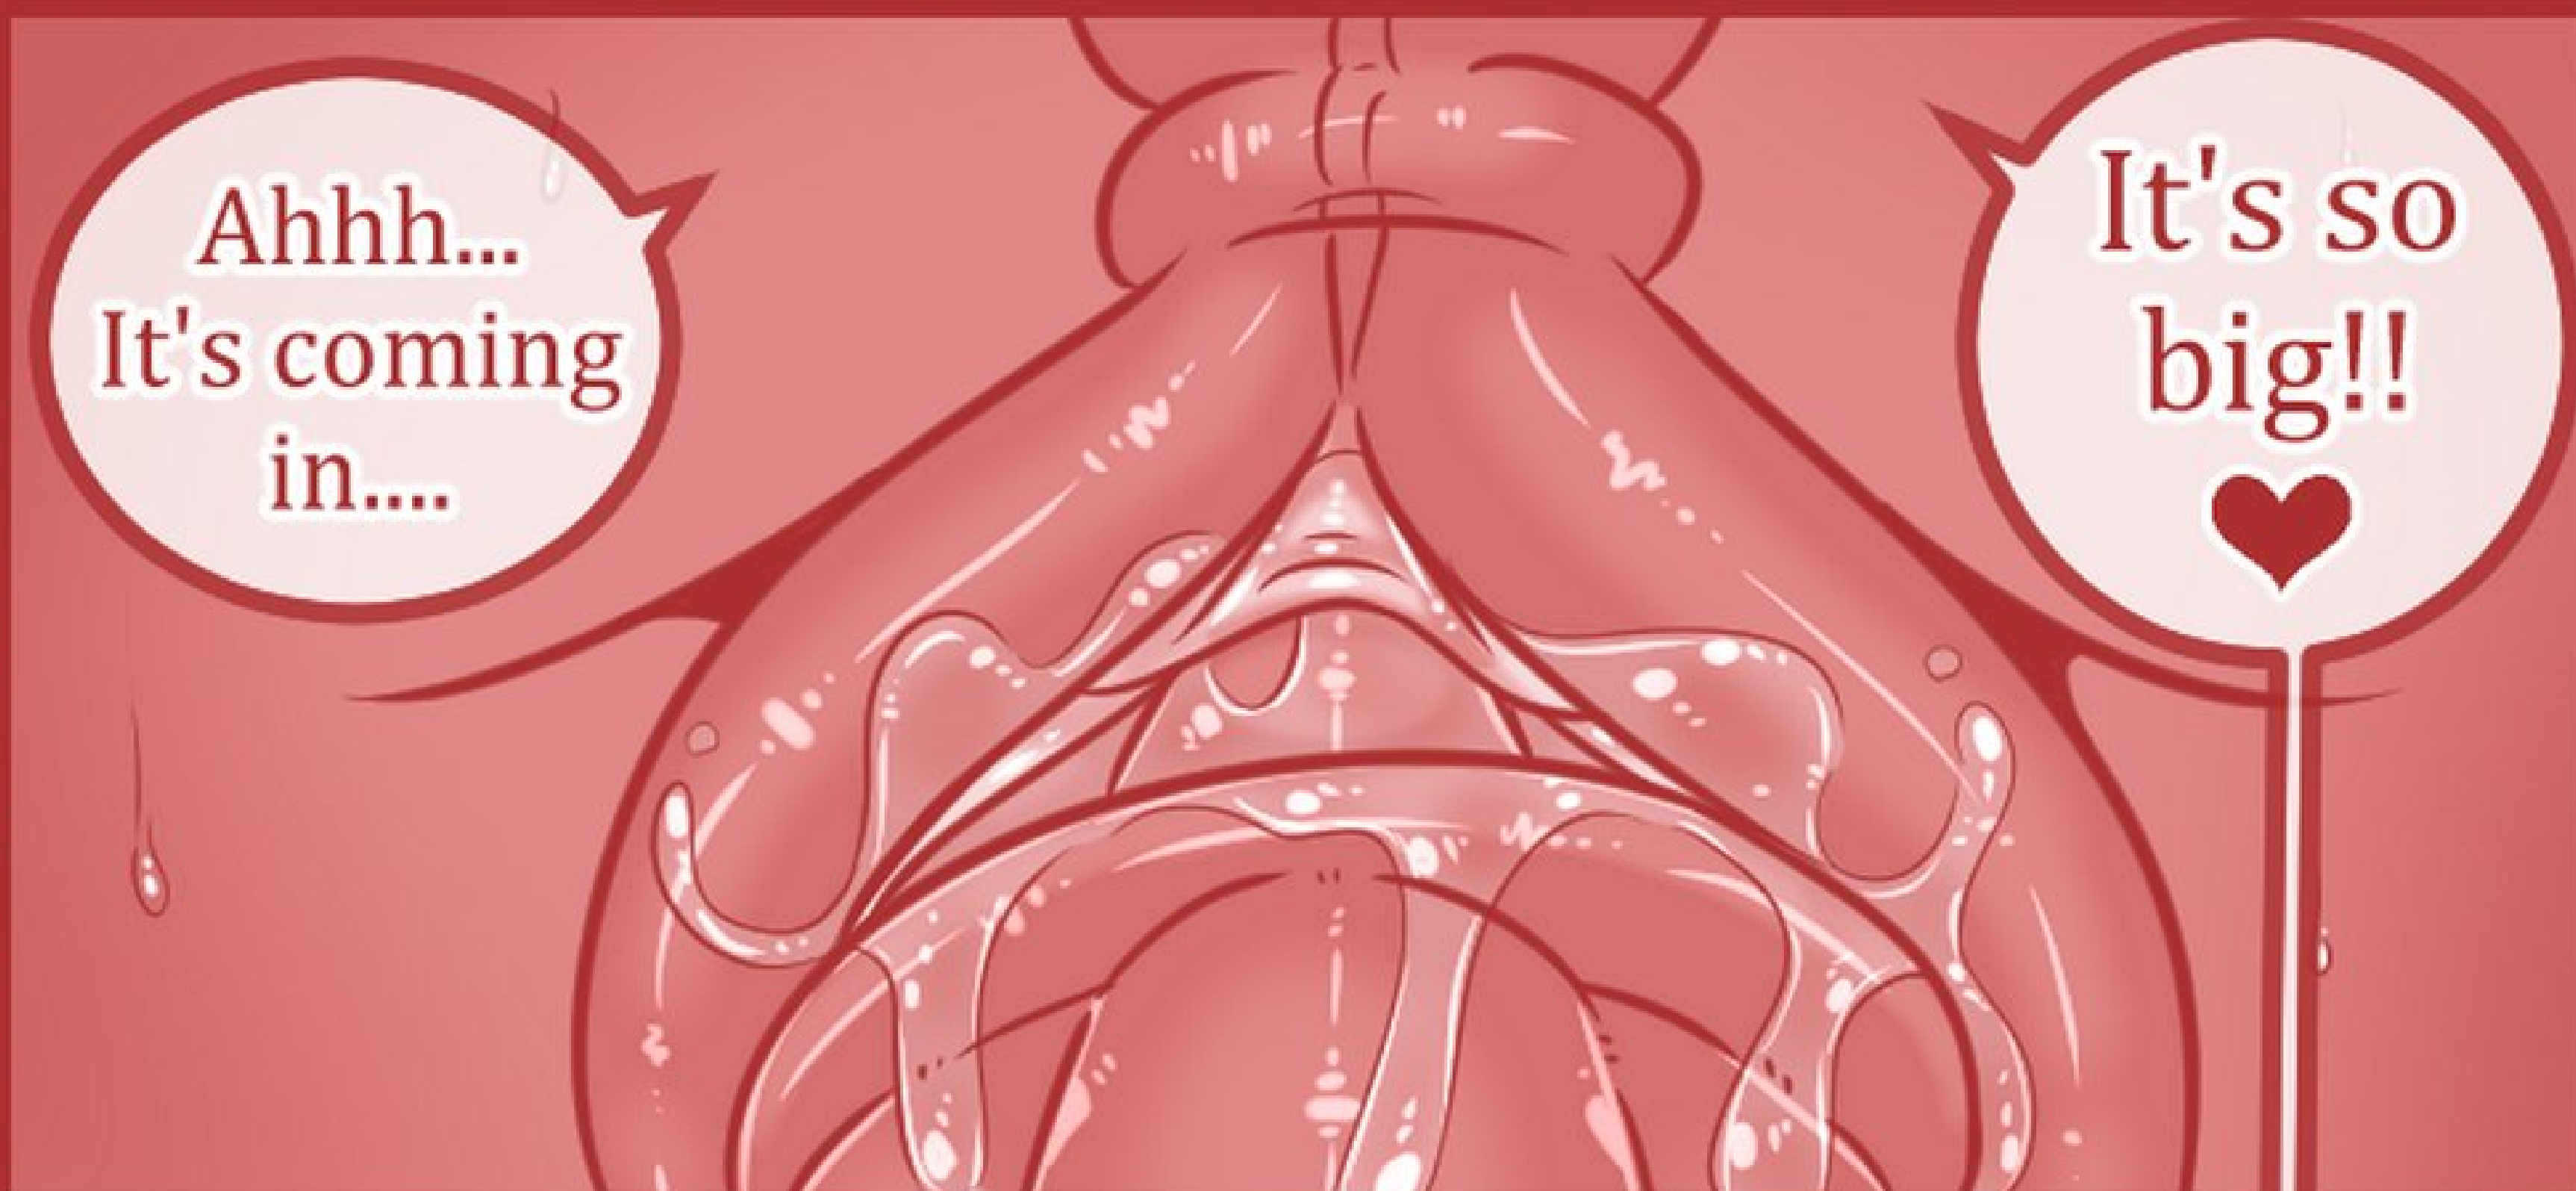

It's time
for the
main
event!

Oh...
Your cock's
tip is so
big...

It's so
hard to aim
at my tight
pussy...

Come on
now!!

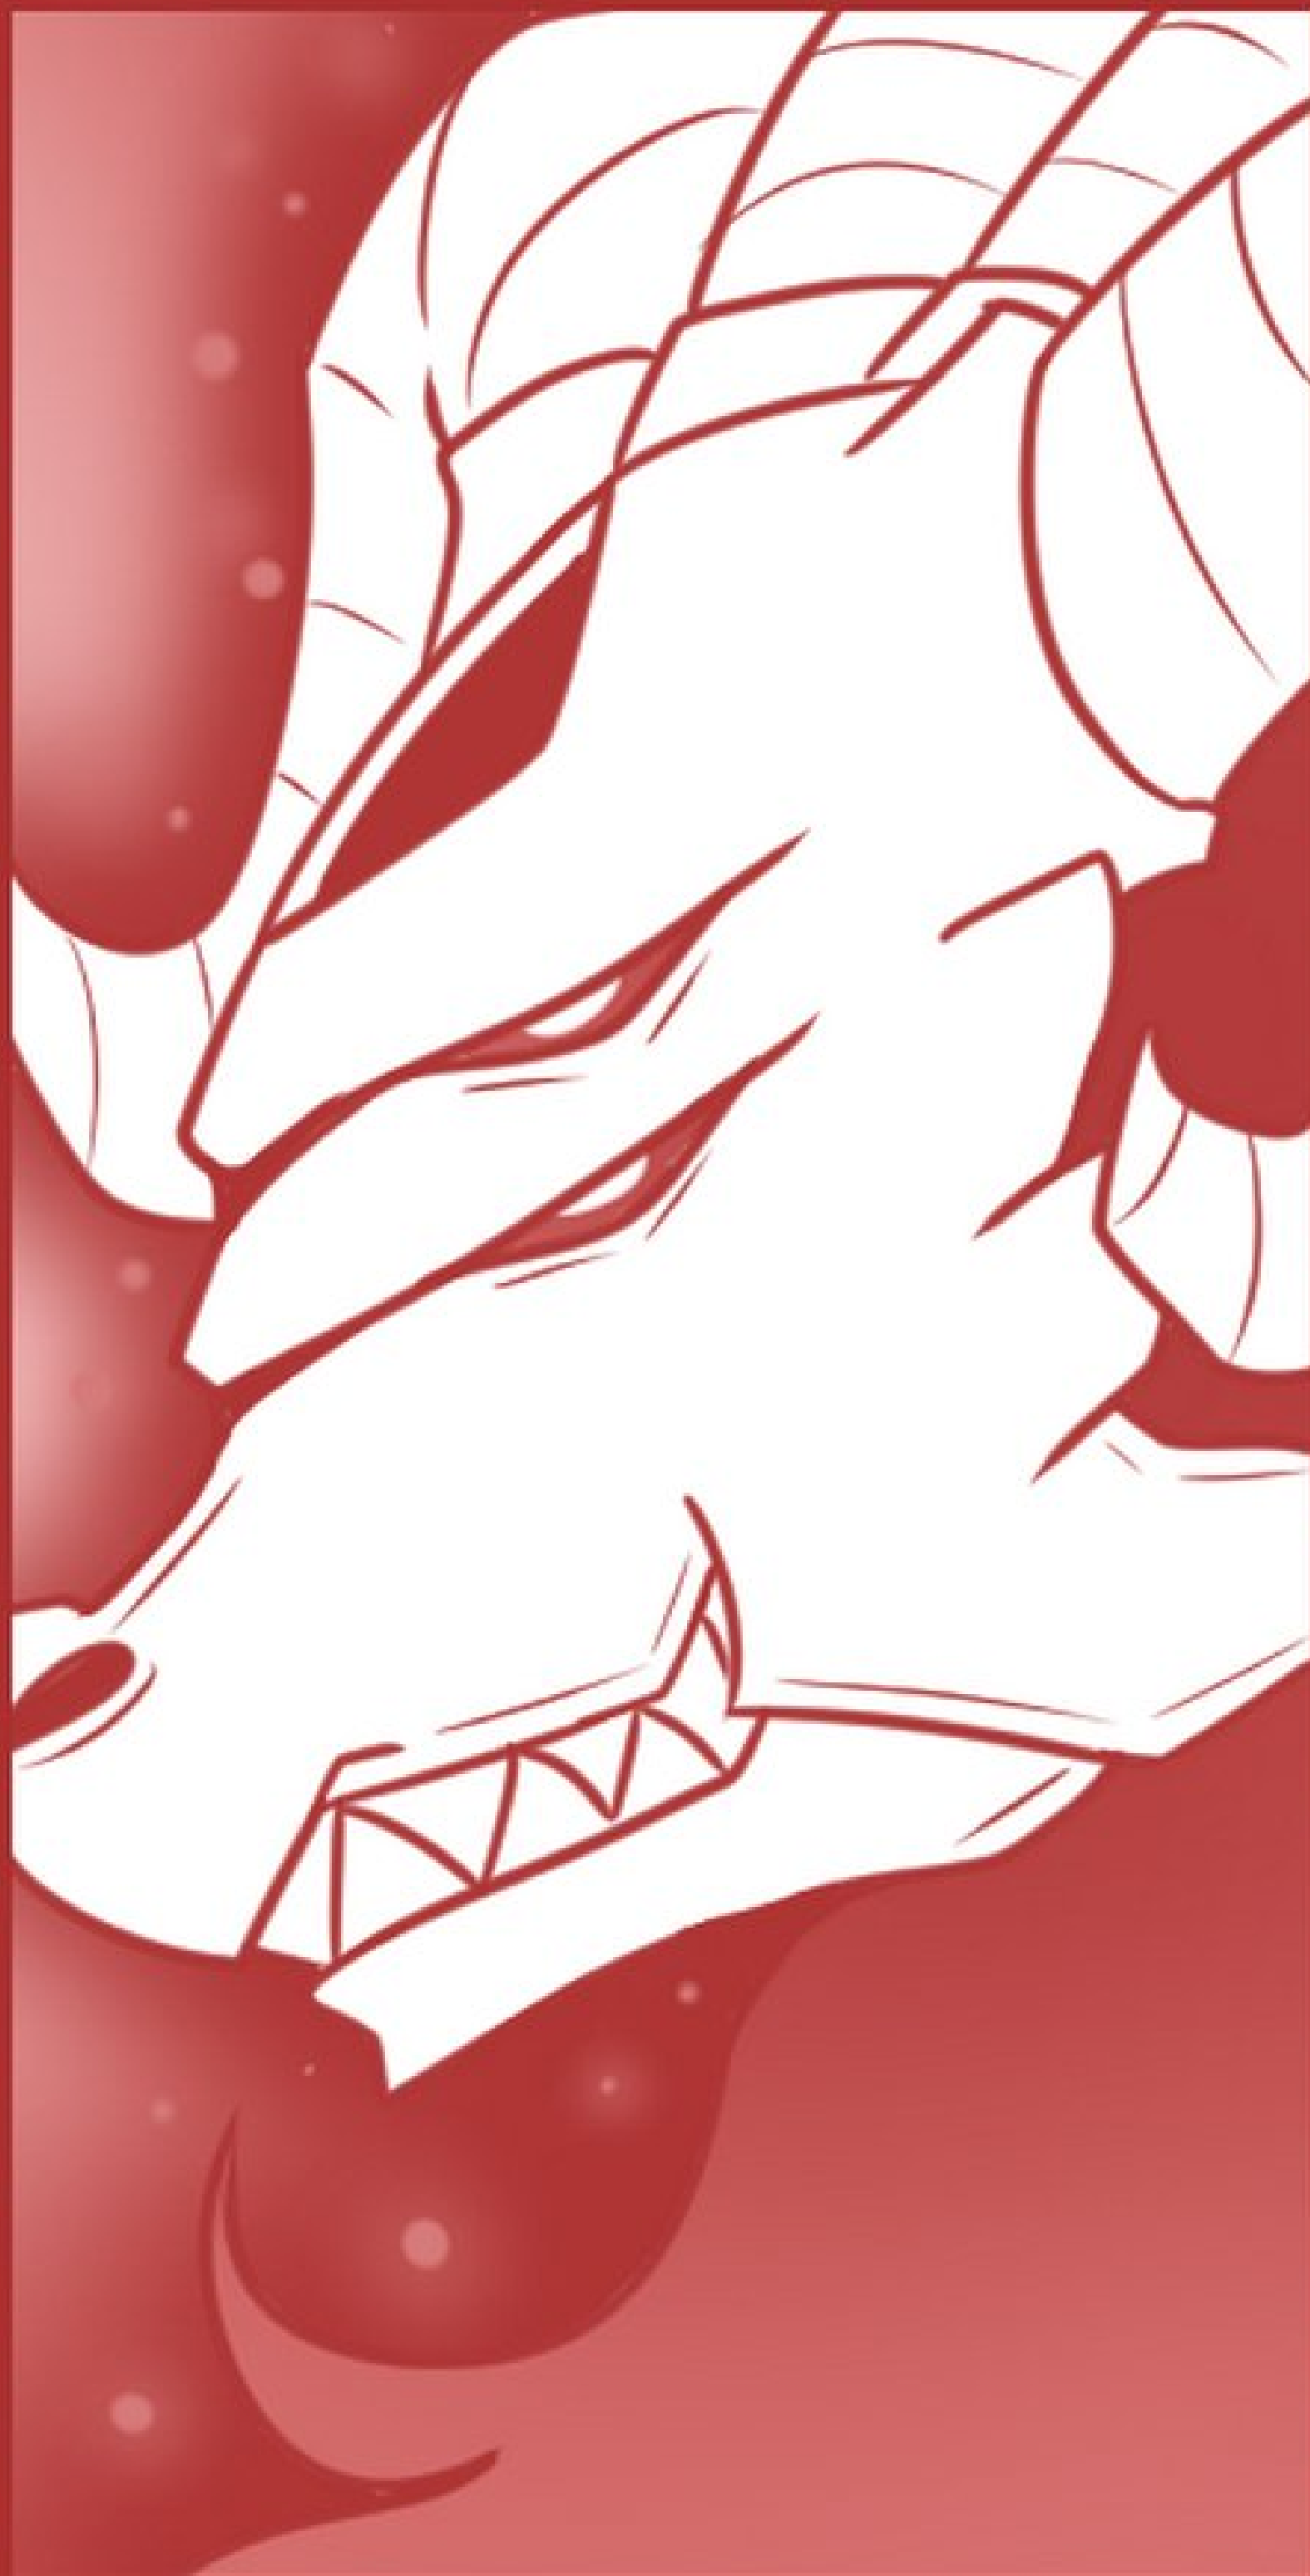

Don't let
the girl do
all the work
here!

Move
those hips
of yours
too!!

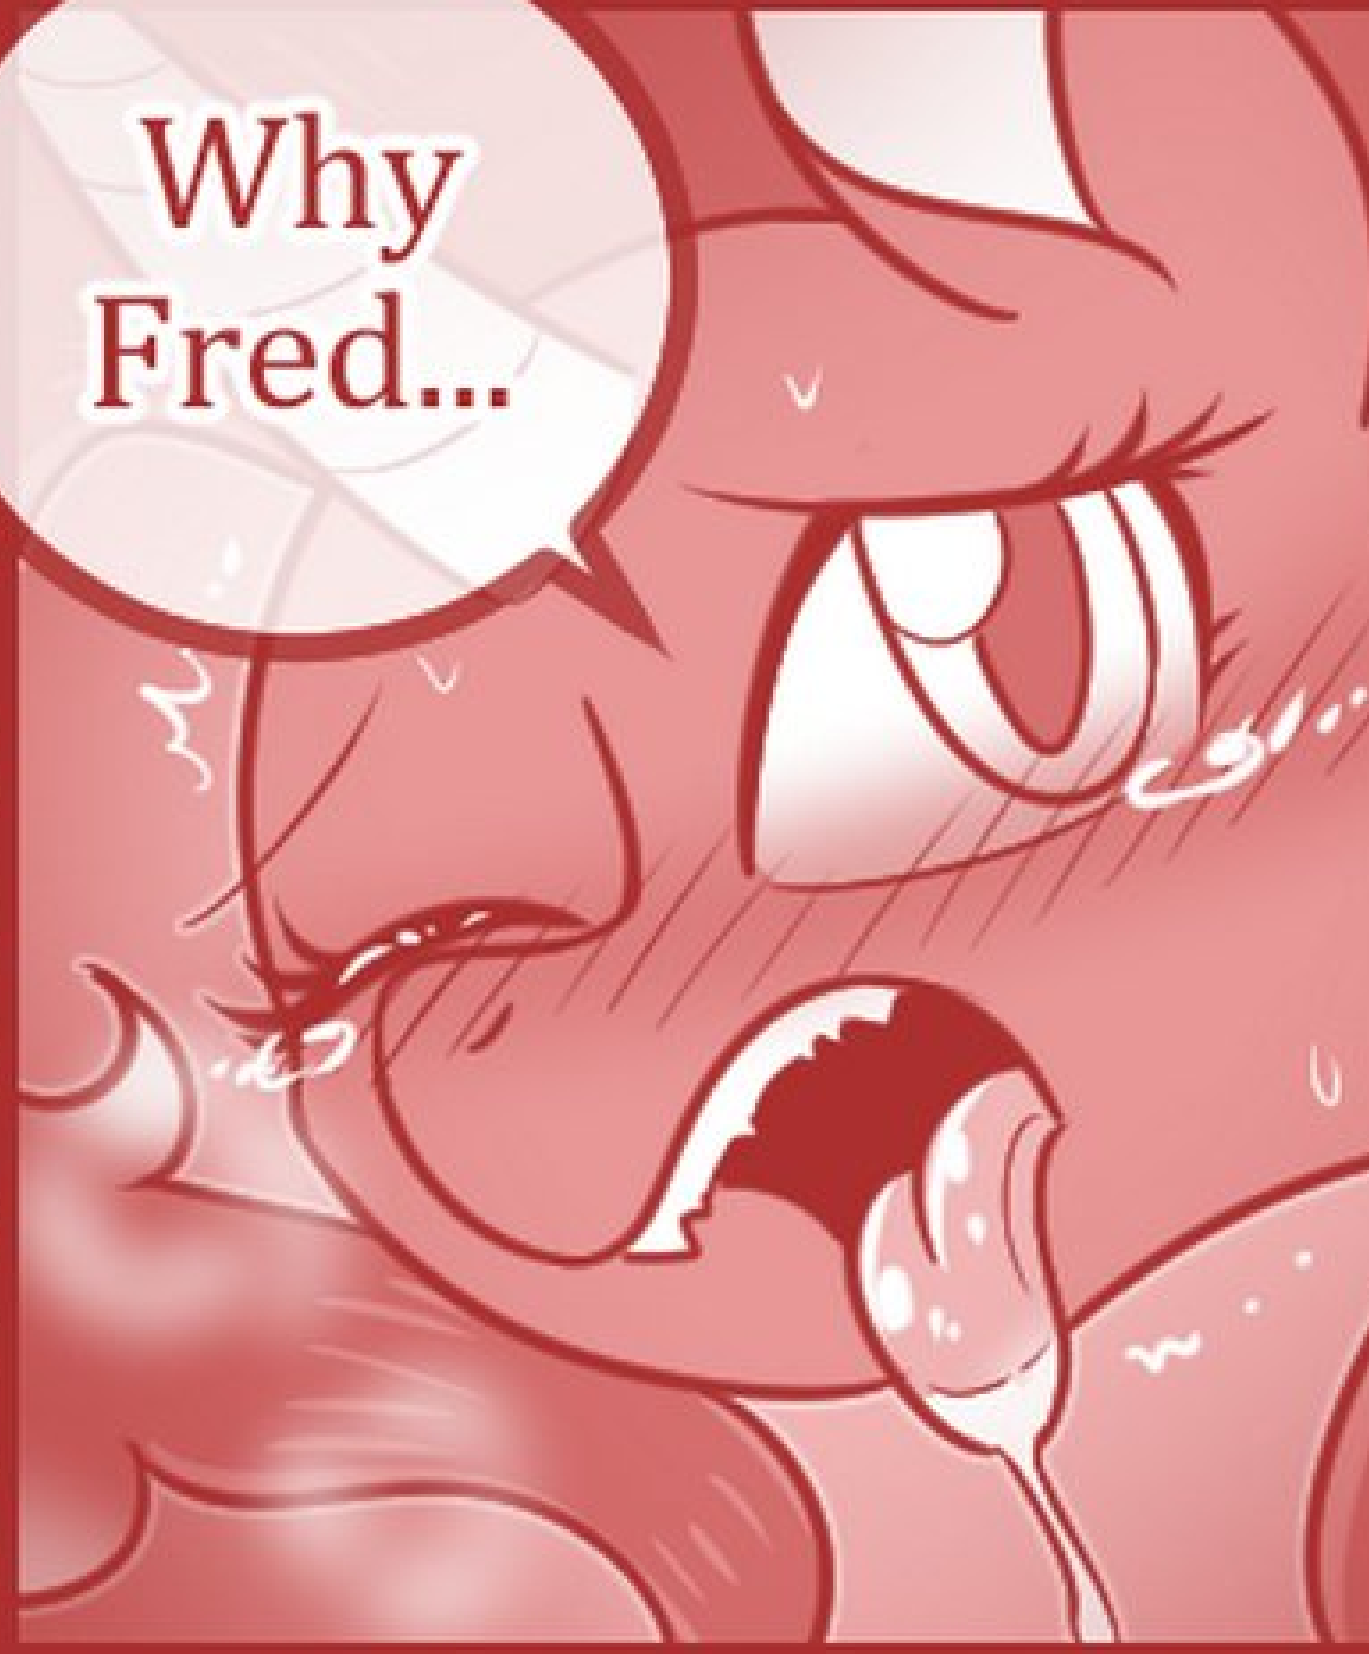

AHH!!
GOOD YES!!
EXCELLENT
!!!!

!!!!
FUCKED
!!!!

Why
Fred...

Why
didn't you
tell me...

That you
had a cock
this whole
time?!

Well...

Because
you never
asked!

Ah, it's been
so long since I
last experienced
this mortal
pleasure...

With how
tight your ass is,
I don't think I'm
going to last much
longer either...

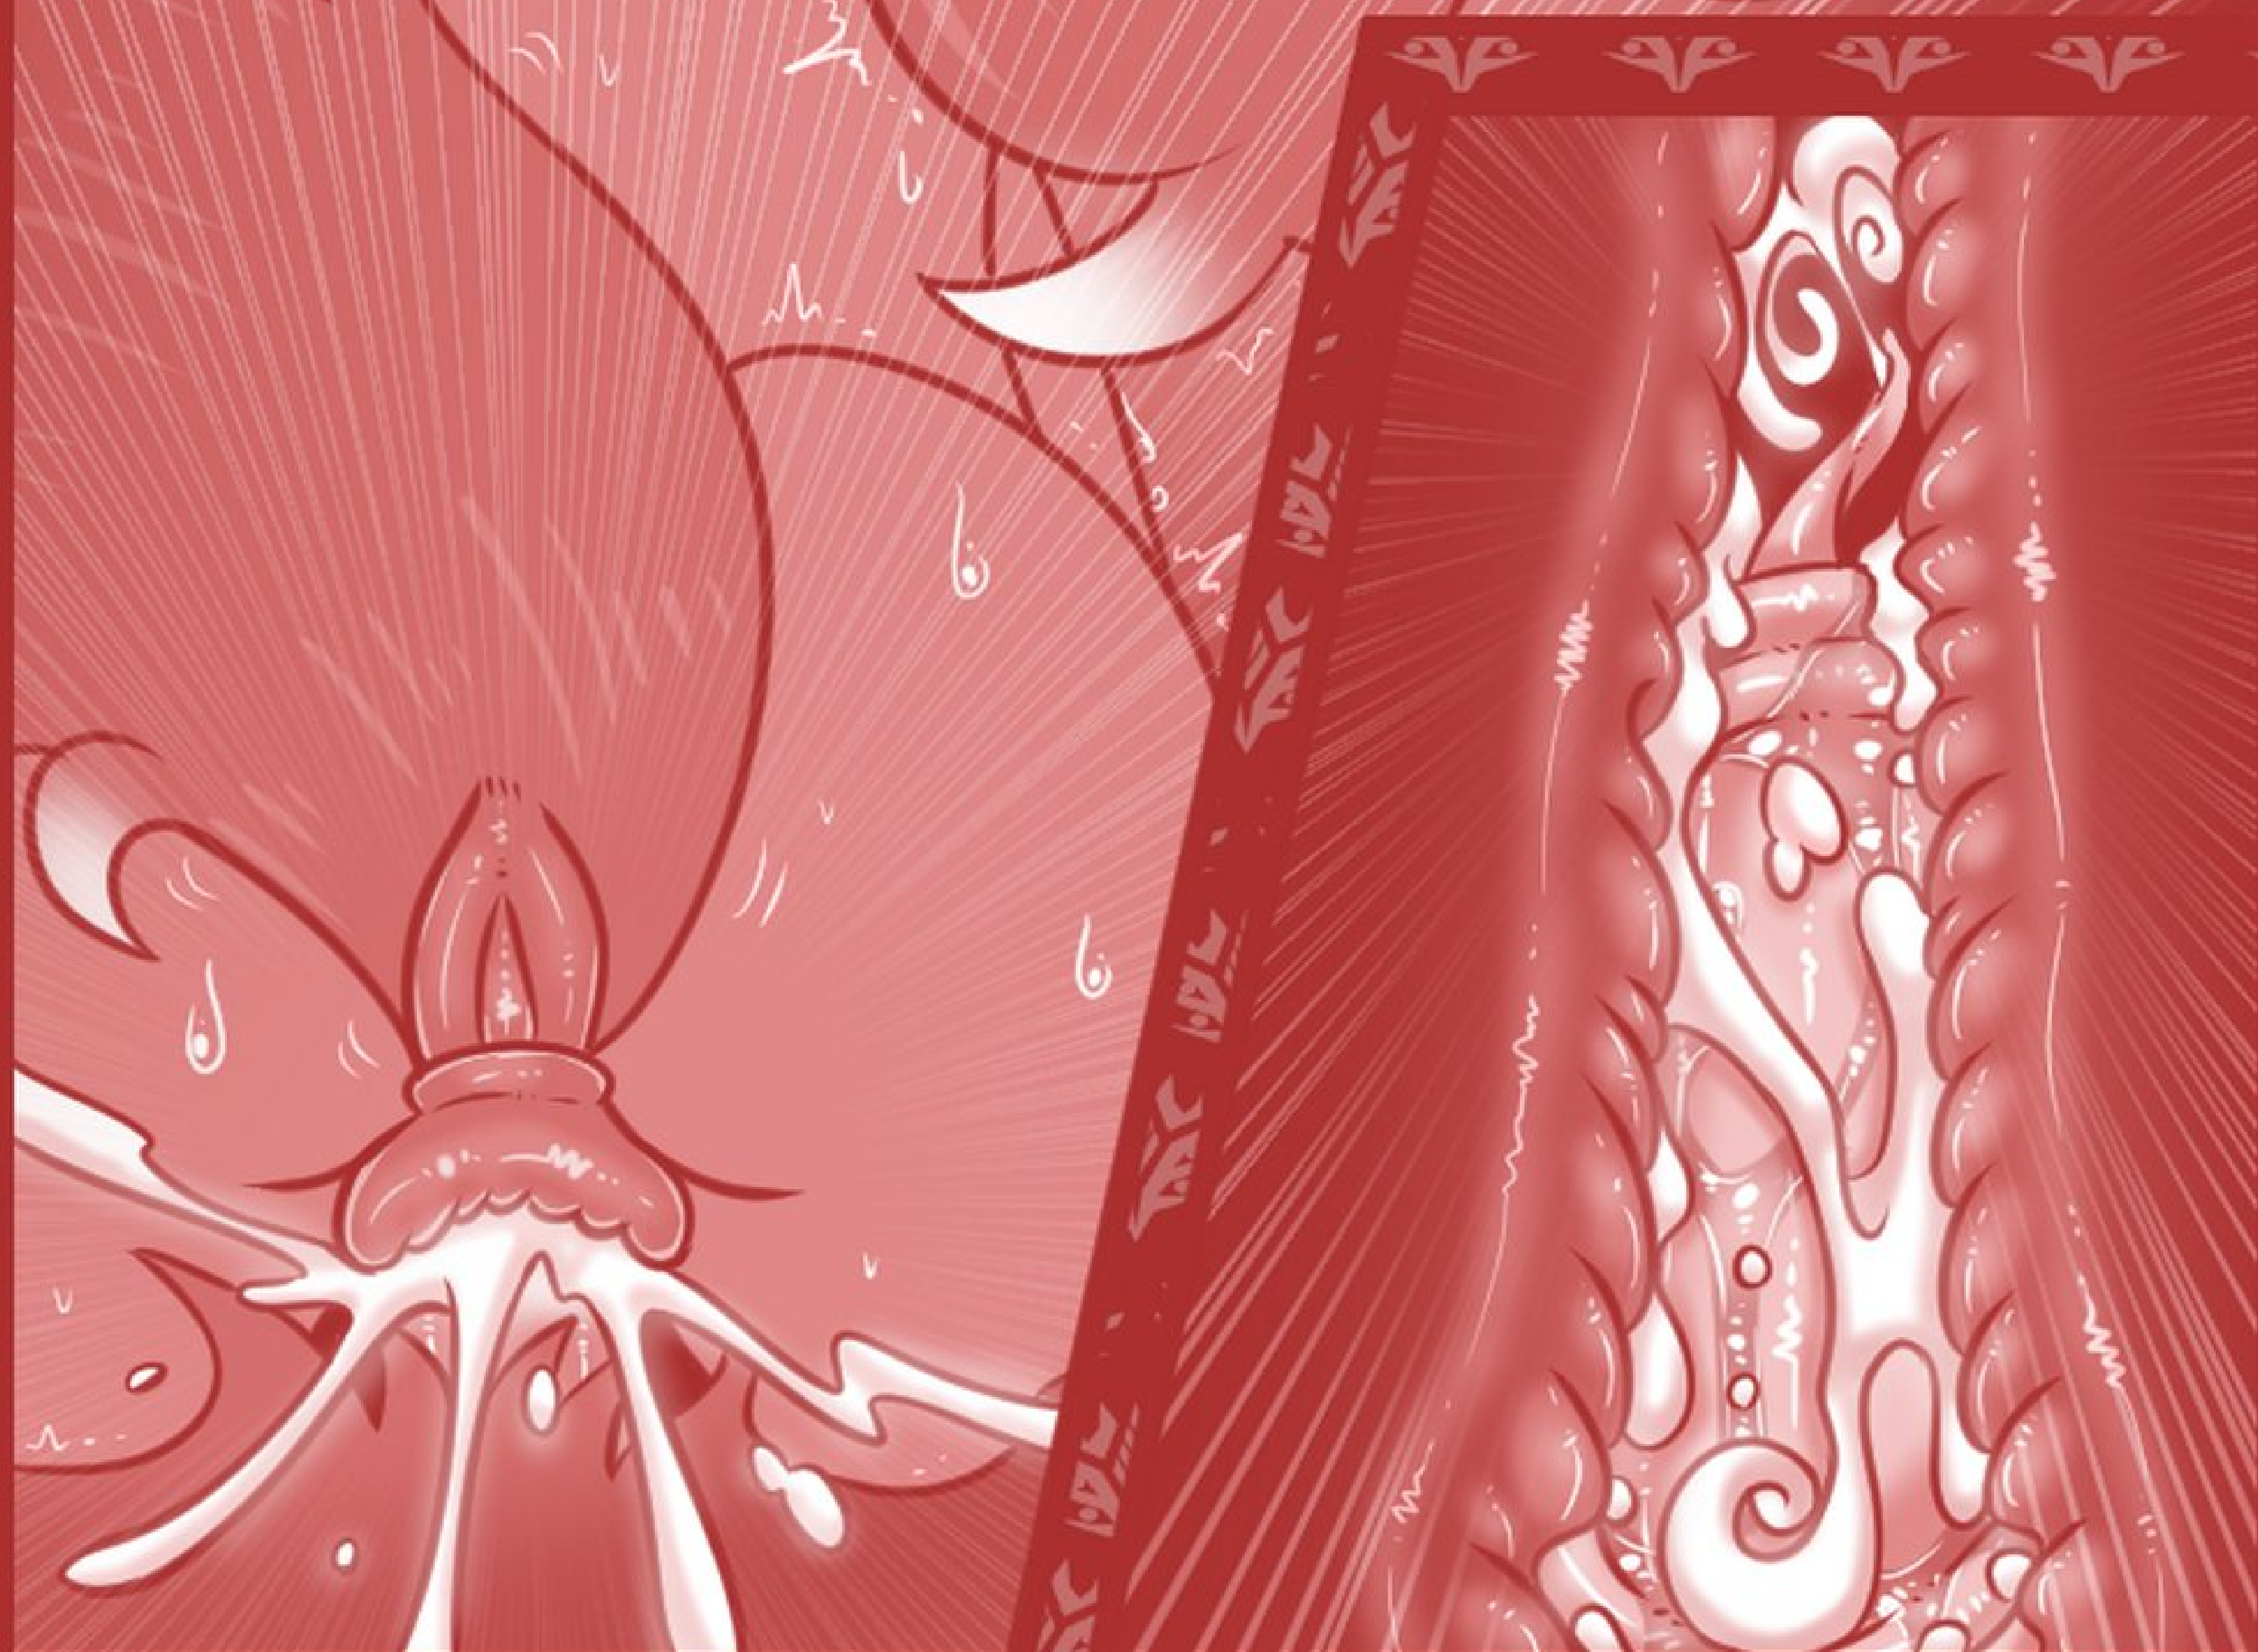

If only
I knew you
had a cock,
Fred!

I wouldn't
of had to
summon this
unicorn in the
first place!

Just you
fucking
me is
enough!

АНННН
ННН
!!!!

And what was his name anyway!? I forget to ask!

That's because you sent him back to where he came from.

I sent him back? How?

Summoned creatures come to you when you want them to, but disappear once you no longer need them.

Oh...I see then... He's gone because I already have you.

But I can't feel his cum inside me at all.

Poor guy...

I wonder what or who he will cum all over this time...
Giggles

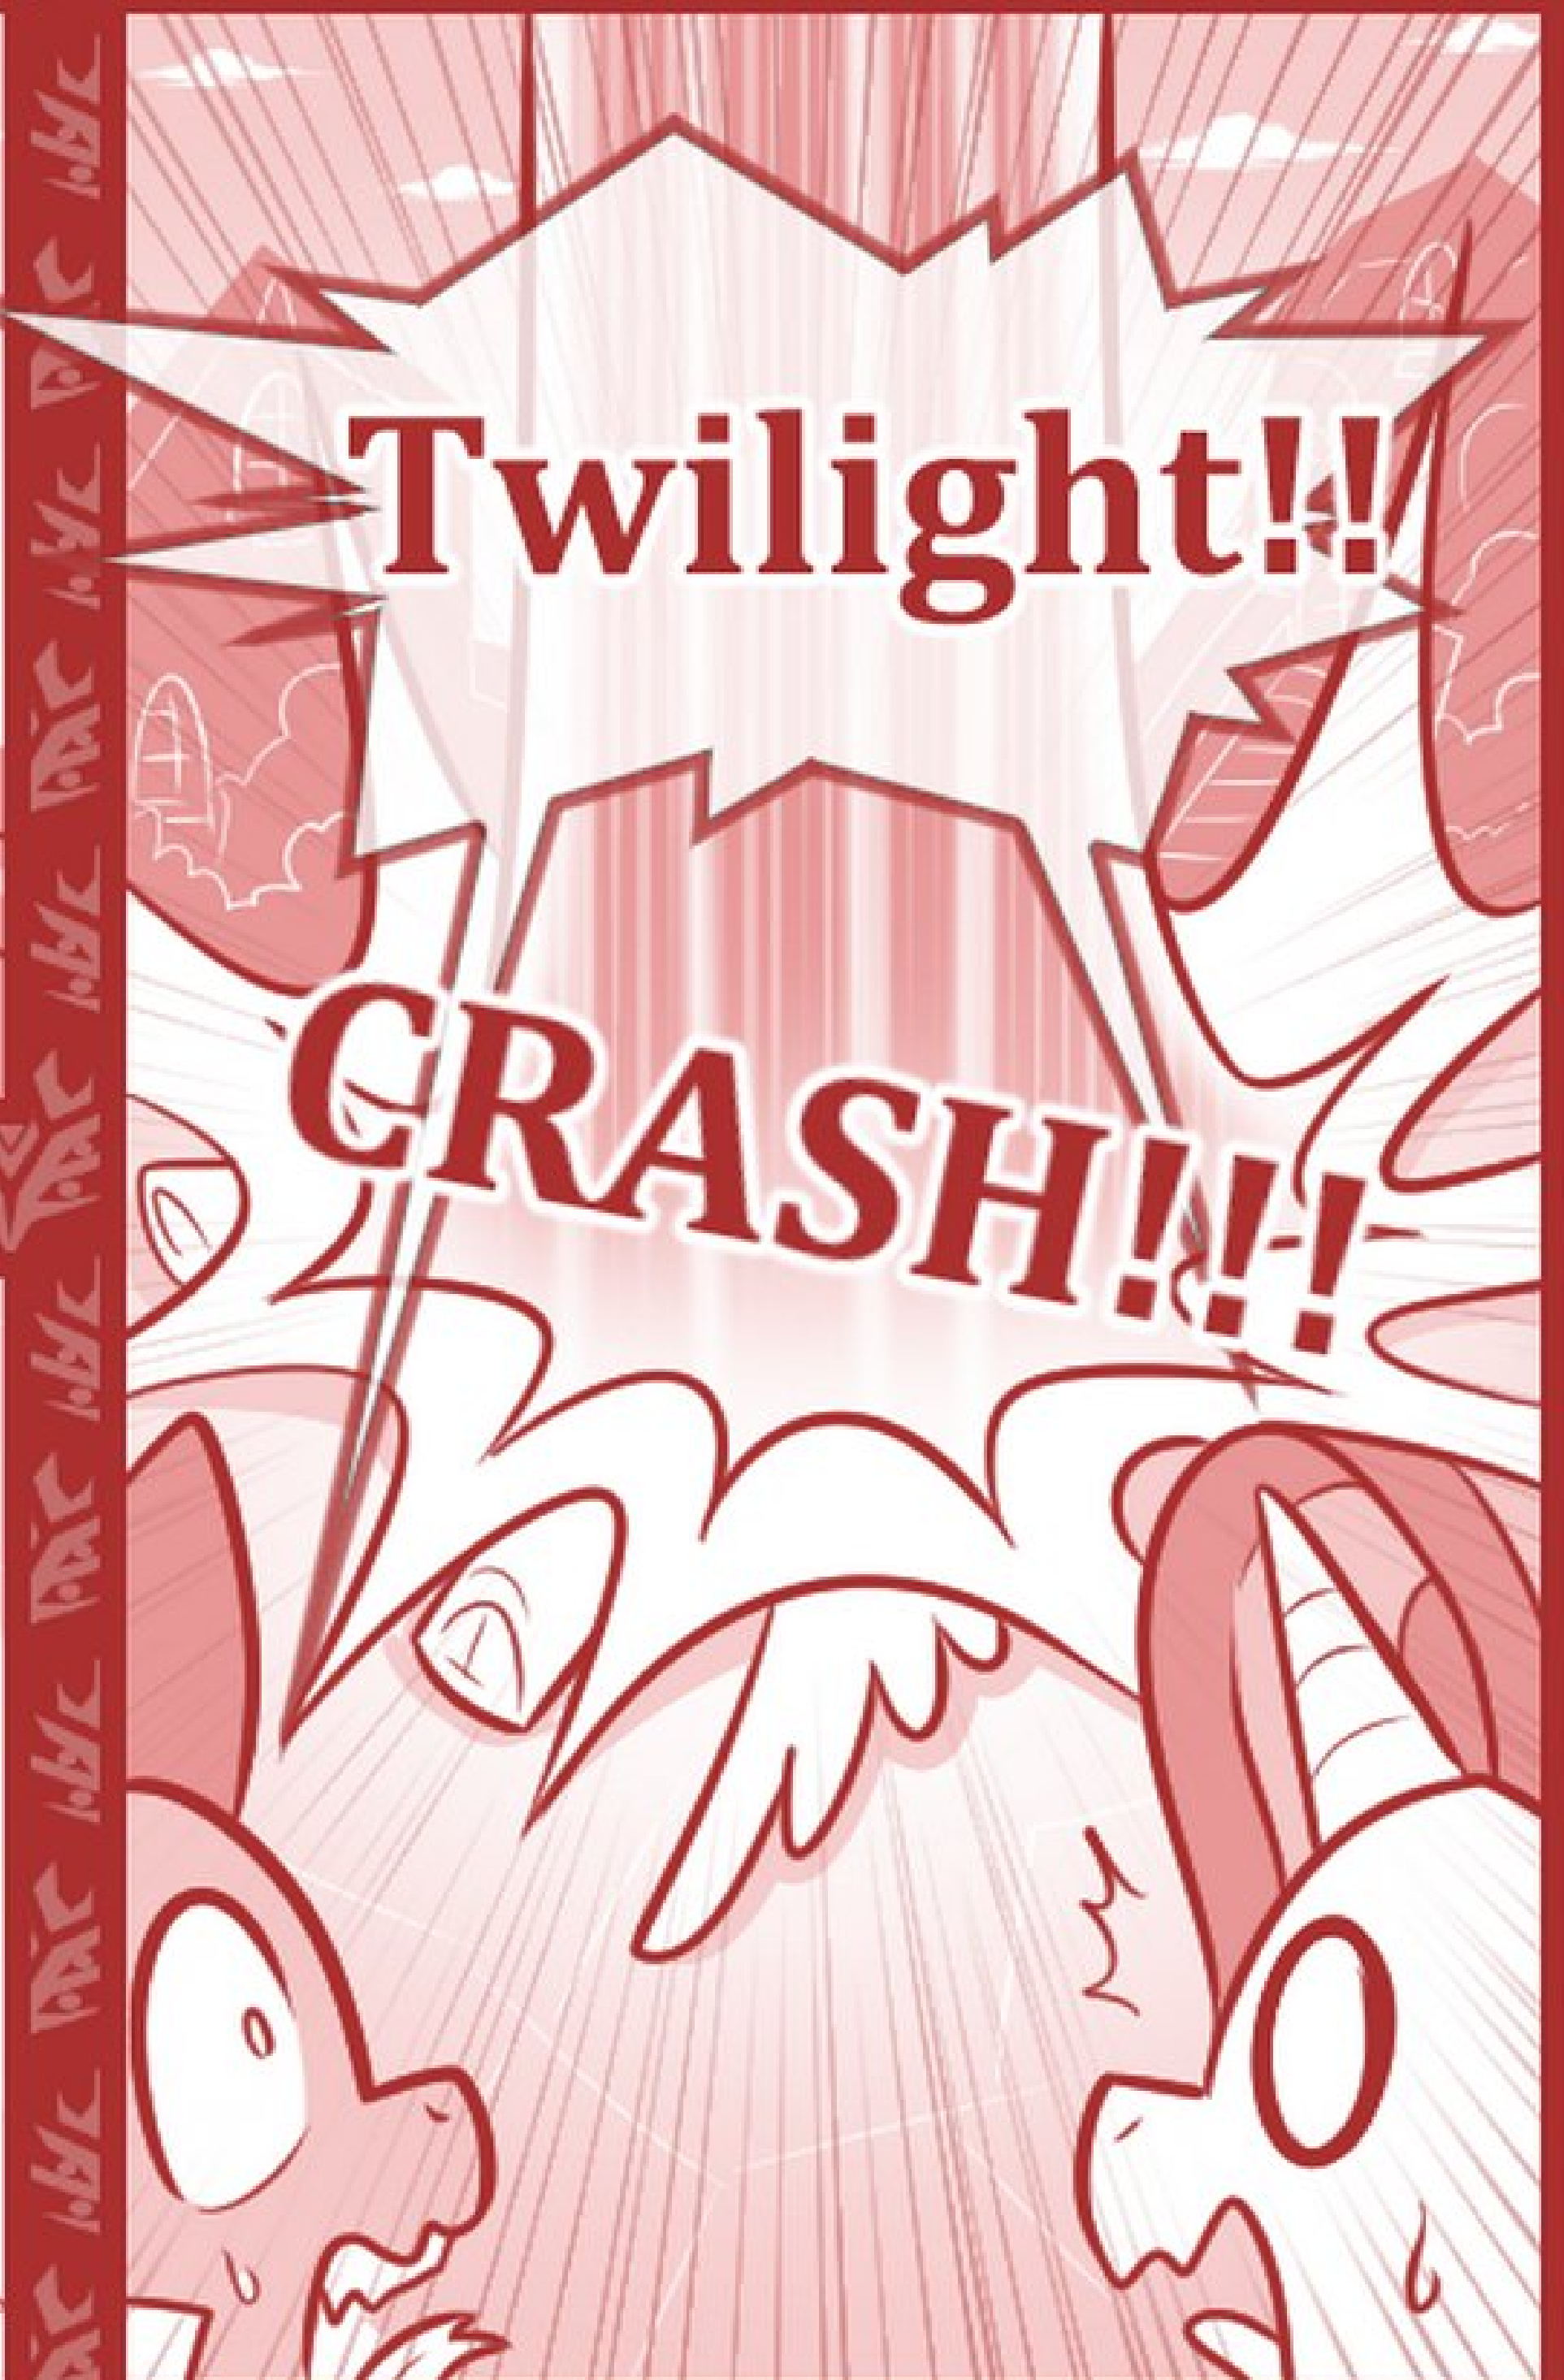

Crystal Empire

Our business
here is concluded.
Let us head back
to Ponyville!

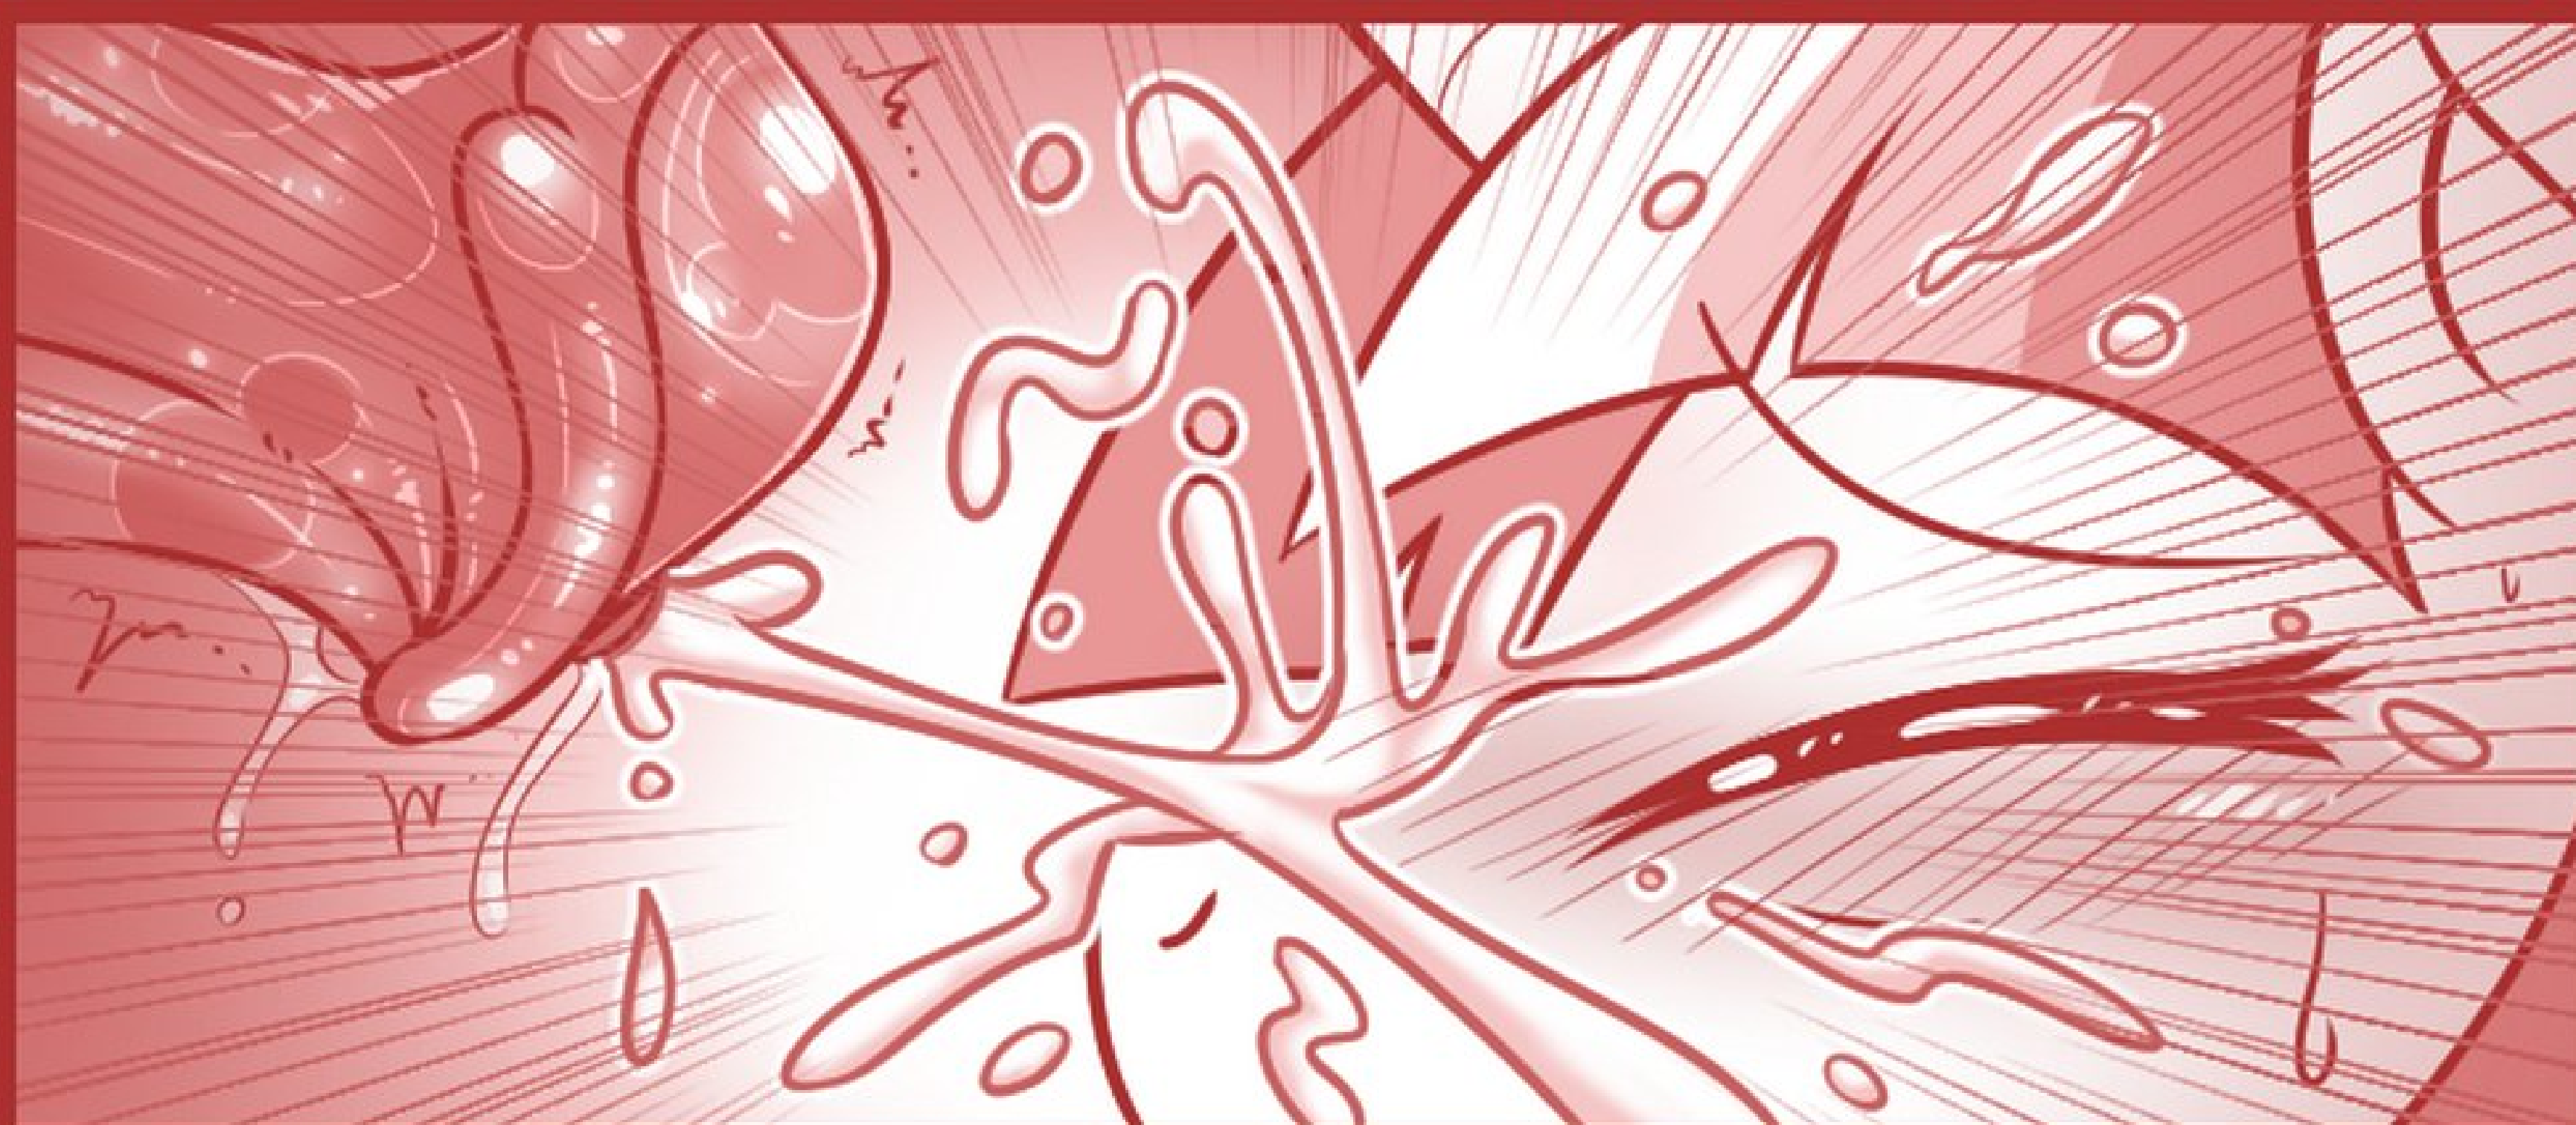

Twilight!!
CRASH!!!

Oww...
What in
Tartarus just
fell on me...
Hmm?

To taint
my innocent
virgin body
with your
filthy
semen!!

Sombra: W...why do these kind of events keep happening to me!?

How could
I be a good
bride after
what you did
to me!?

Narrator: Because karma is a bitch...Sombra...

How could
Twilight be a
virgin? Didn't
we just have
a threesom-

And isn't
that Sombra?
I guess nobody
recognizes him
without his
armor...

Shut up
Spike,
somepony
might overhear
you...

For your
crime against
the holy Goddess,
you shall
recieve

Punishment-

With
pleasure!

Your
cum tastes
really
nice!

**NO
OO
O
!!
!**

HEY!!! You
come back here!
Come back here
right now!!!

And after that day, the former king of the Crystal Empire never sought to enslave
or be bad ever again, thanks to that dominant mare and their friendship lessons!

THE END

AFTER WORDS

Thank you for supporting me until now everyone, my sixth doujinshi couldn't have been completed without all of your support. Thank you so much for giving me the chance to become a full time artist, so that I can use all my time to entertain you with my art and stories!

This Crossover Story Second Act comic was planning to be draw ever since before Crossover Story First Act even completed. At first, I never planed to make this story as the sixth doujin of mine. But the seventh doujin and having some other naughty comic between it as the breake story. But than I decide to go against it in the end.

This story is completly ended now in my current plan. But who know, my madness might come up with something crazy for our ex-villain king again someday in future? XD

I hope you will all still stick around so I can see you all again in my next doujinshi!! >w<

"Crazy Alternate Future Part 3 : Science and Magic"

...In which, Sombra was able to impregnate Oleander with precum...
