MAN > CUNT

CUNT ≠ HUMAN
CUNT = SEX OBJECT

WORSHIP

you are just a tool that men
use to jerk off with. you have
no rights, no brain, no worth.
you are just a fleshlight with
a pulse and tits, nothing more.
The only valuable thing about
you are the holes on your body
that provide pleasure and
entertainment for Men cocks.
The sooner you embrace this
about yourselves the more
useful you will be.
Do you understand?
You stupid fuck holes!

In class, we learn a variety of cunt etiquette

After the basic etiquette training,
a full-fledged toilet practice begins.

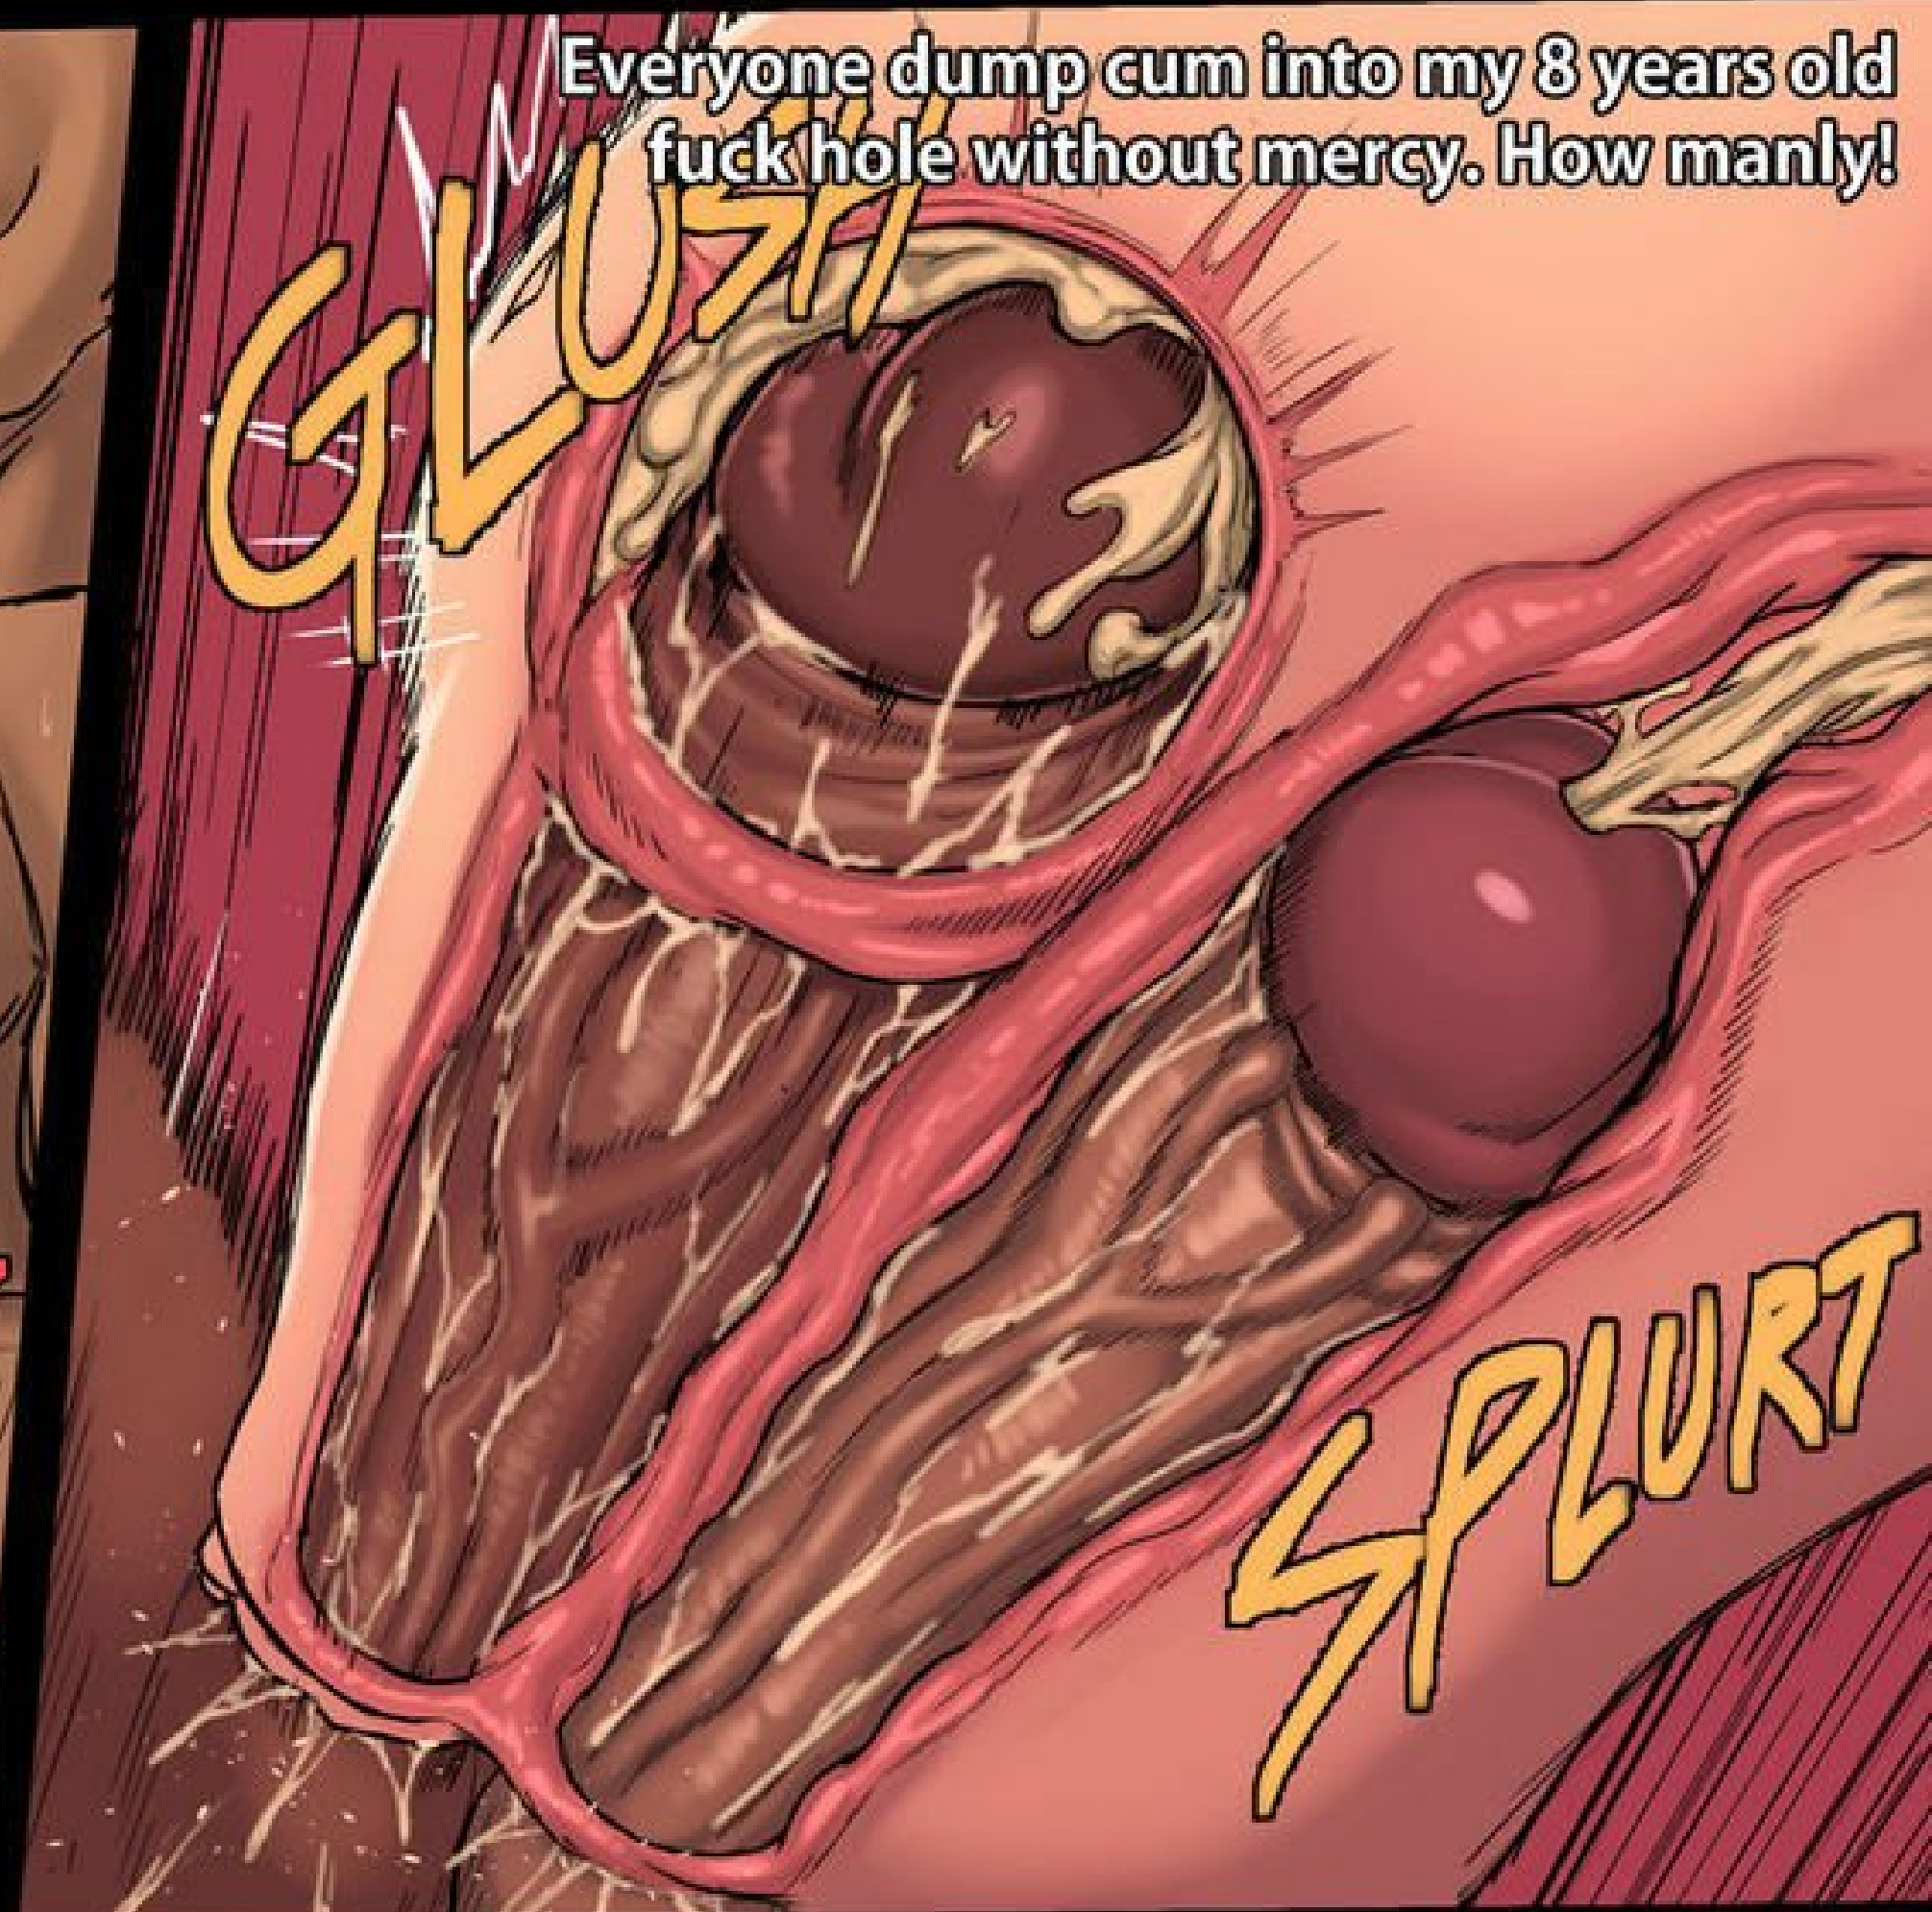

We have to fuck with all the students
and teachers at the academy.

So, we don't have a break. Each cunt has to be
raped by more than a hundred men every day. ♡

Everyone dump cum into my 8 years old
fuck hole without mercy. How manly!

Today is going to
be a long day... ♡

Damn! im cumming again, take it!!!

I get fucked and fucked again until all the men in the academy are satisfied. Even if I faint, they don't have mercy♥

It's usually time to go back home, but there are often days when I can't go back because I've been fucked all night.

can't you even thank me for fucking you? c'mon, let me see that swooned, cumdump look my cock gave you, you piece of shit!

Come on, wake up and tighten your filthy ass!

...guess I won't be able to go home again today♥

We're not satisfied yet, cunt!
