The night...

Ngghh!!

SPRASH!!

I think that's enough.
These things are so embarrassing.

I am at your disposal.

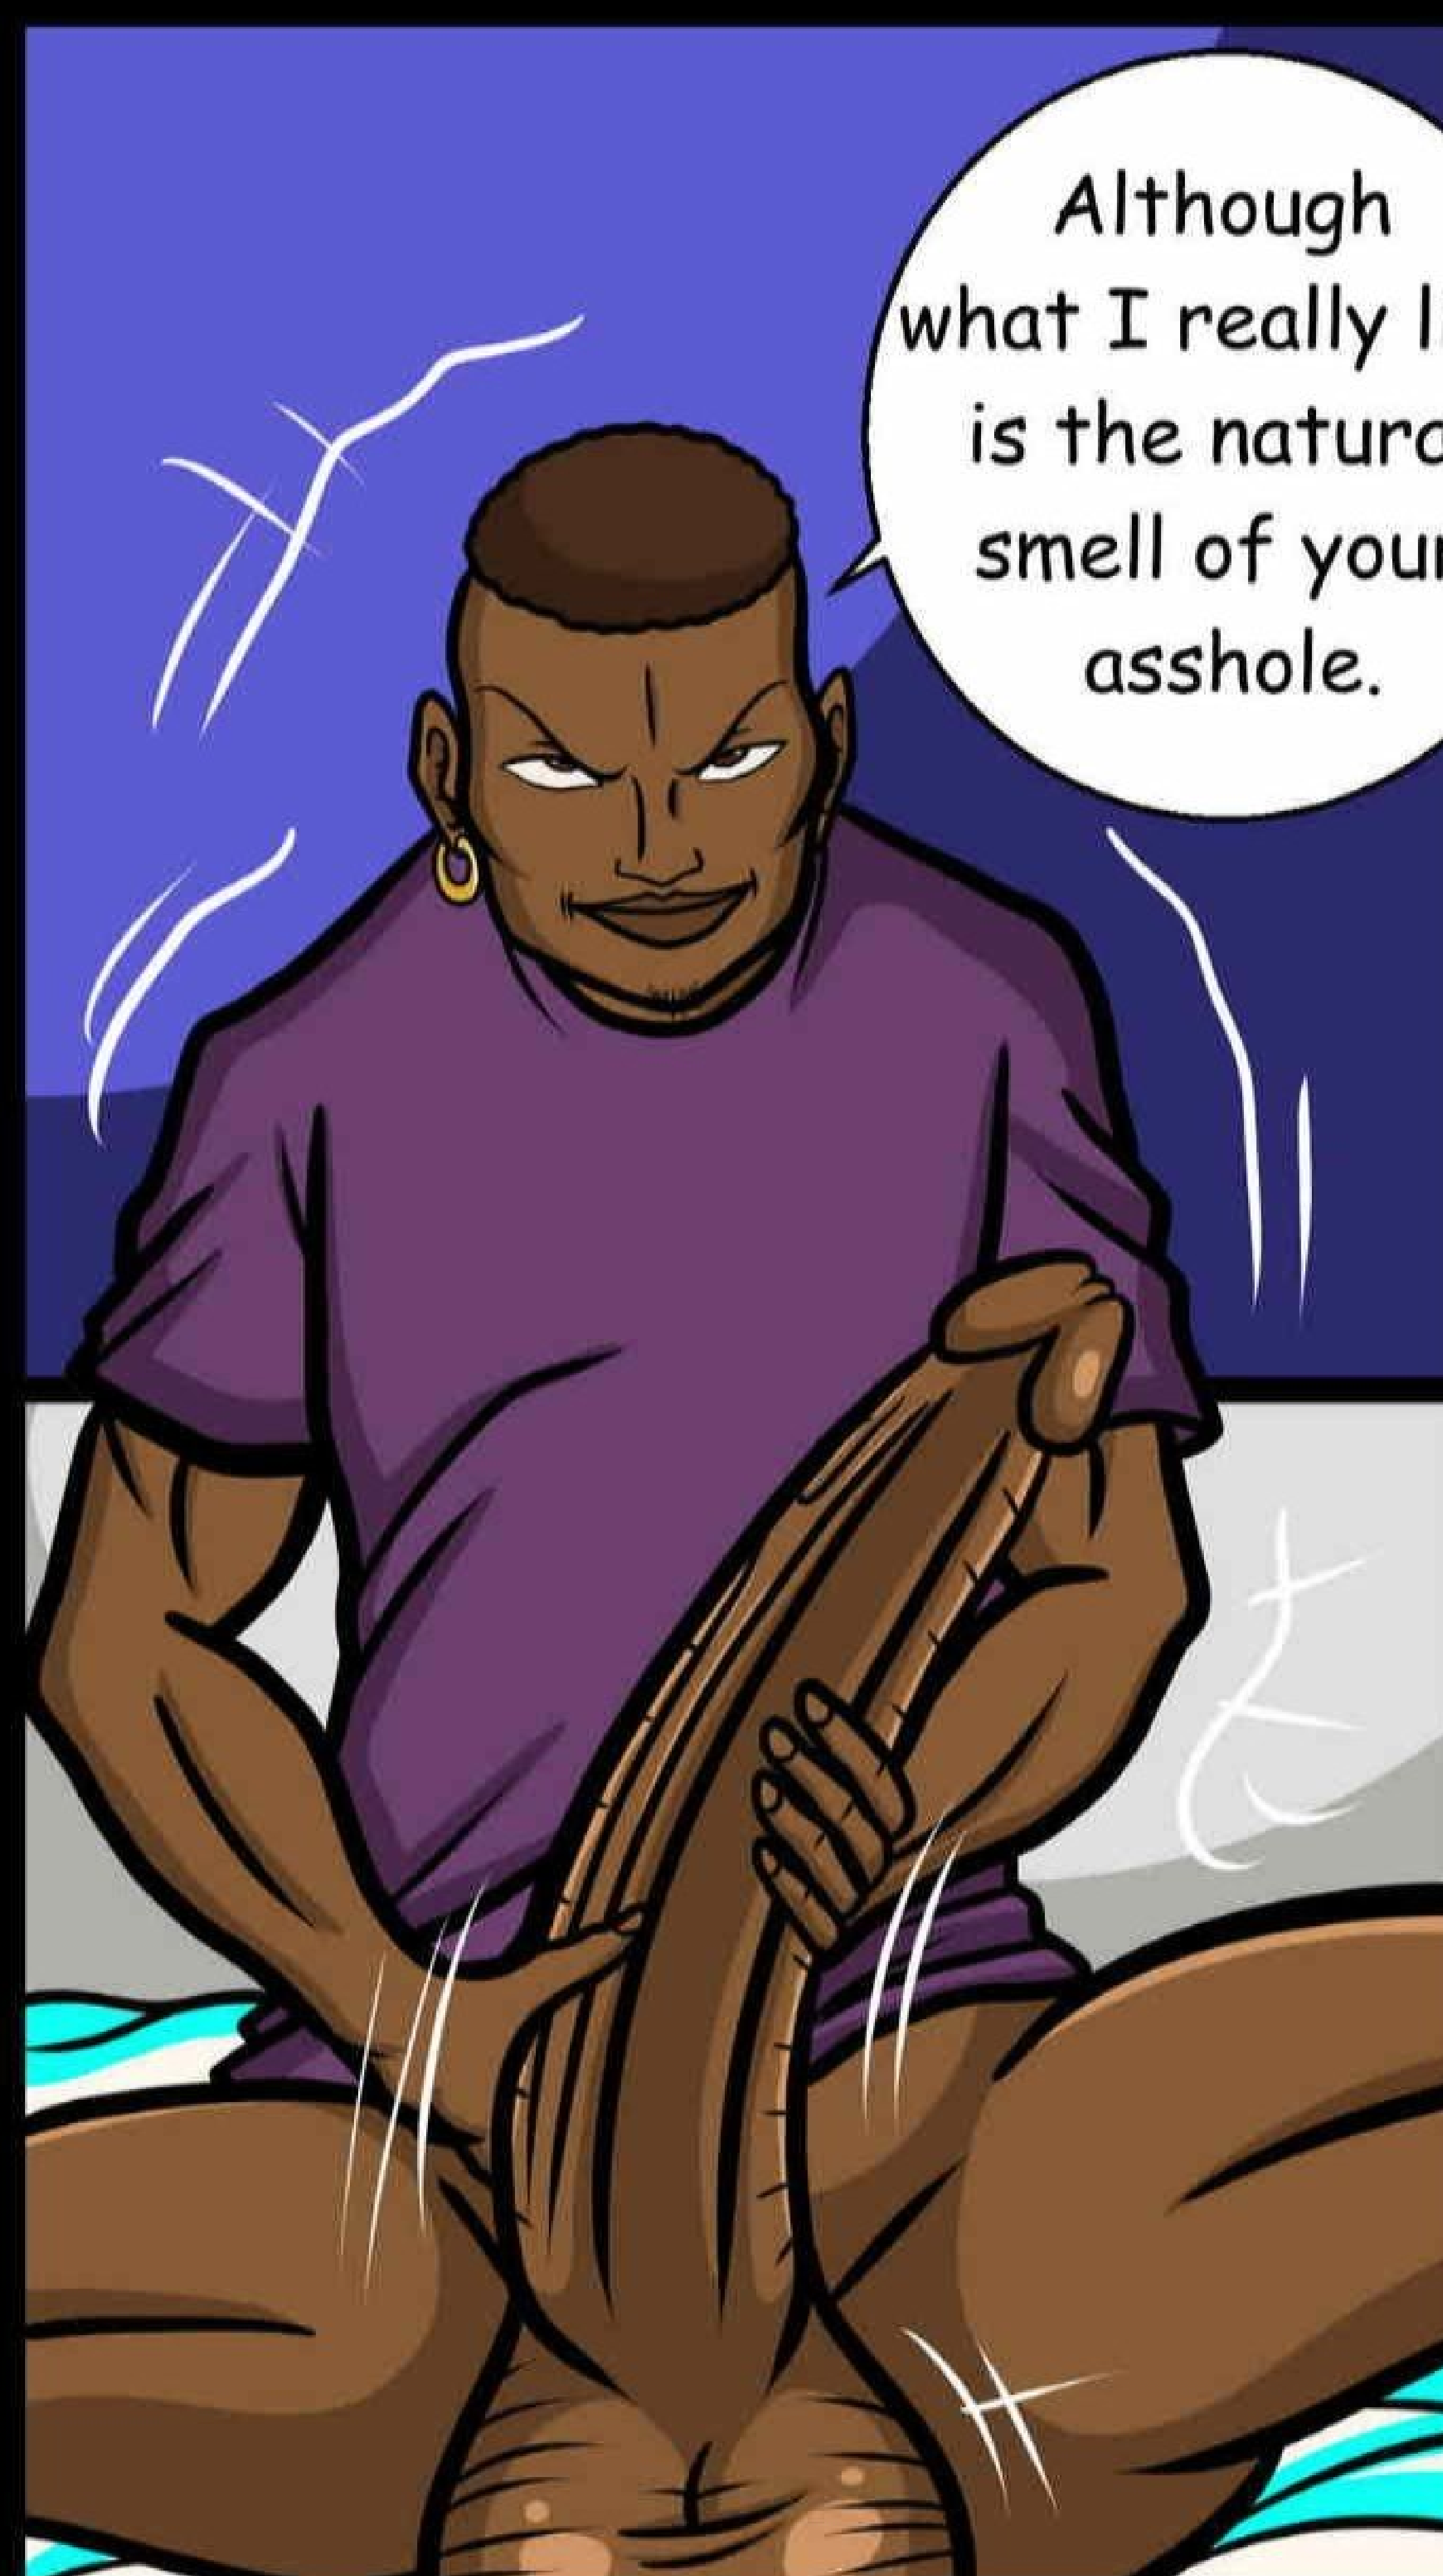

Right...
it's clean.

RUB!

RUB!

RUB!

After visiting the home of my husband's deceased parents, we returned to our home for the night. At dawn, Gavin made sure that Kazuhiro was already asleep so that he could call me once again to his room.

This would be our third fuck in one day. My anus was still sore from the damage done by Gavin's gigantic member during the day. He made sure to rupture my poor anus even more that early morning.

Ohhh...
Are you smelling
my cock,
Nee-san?

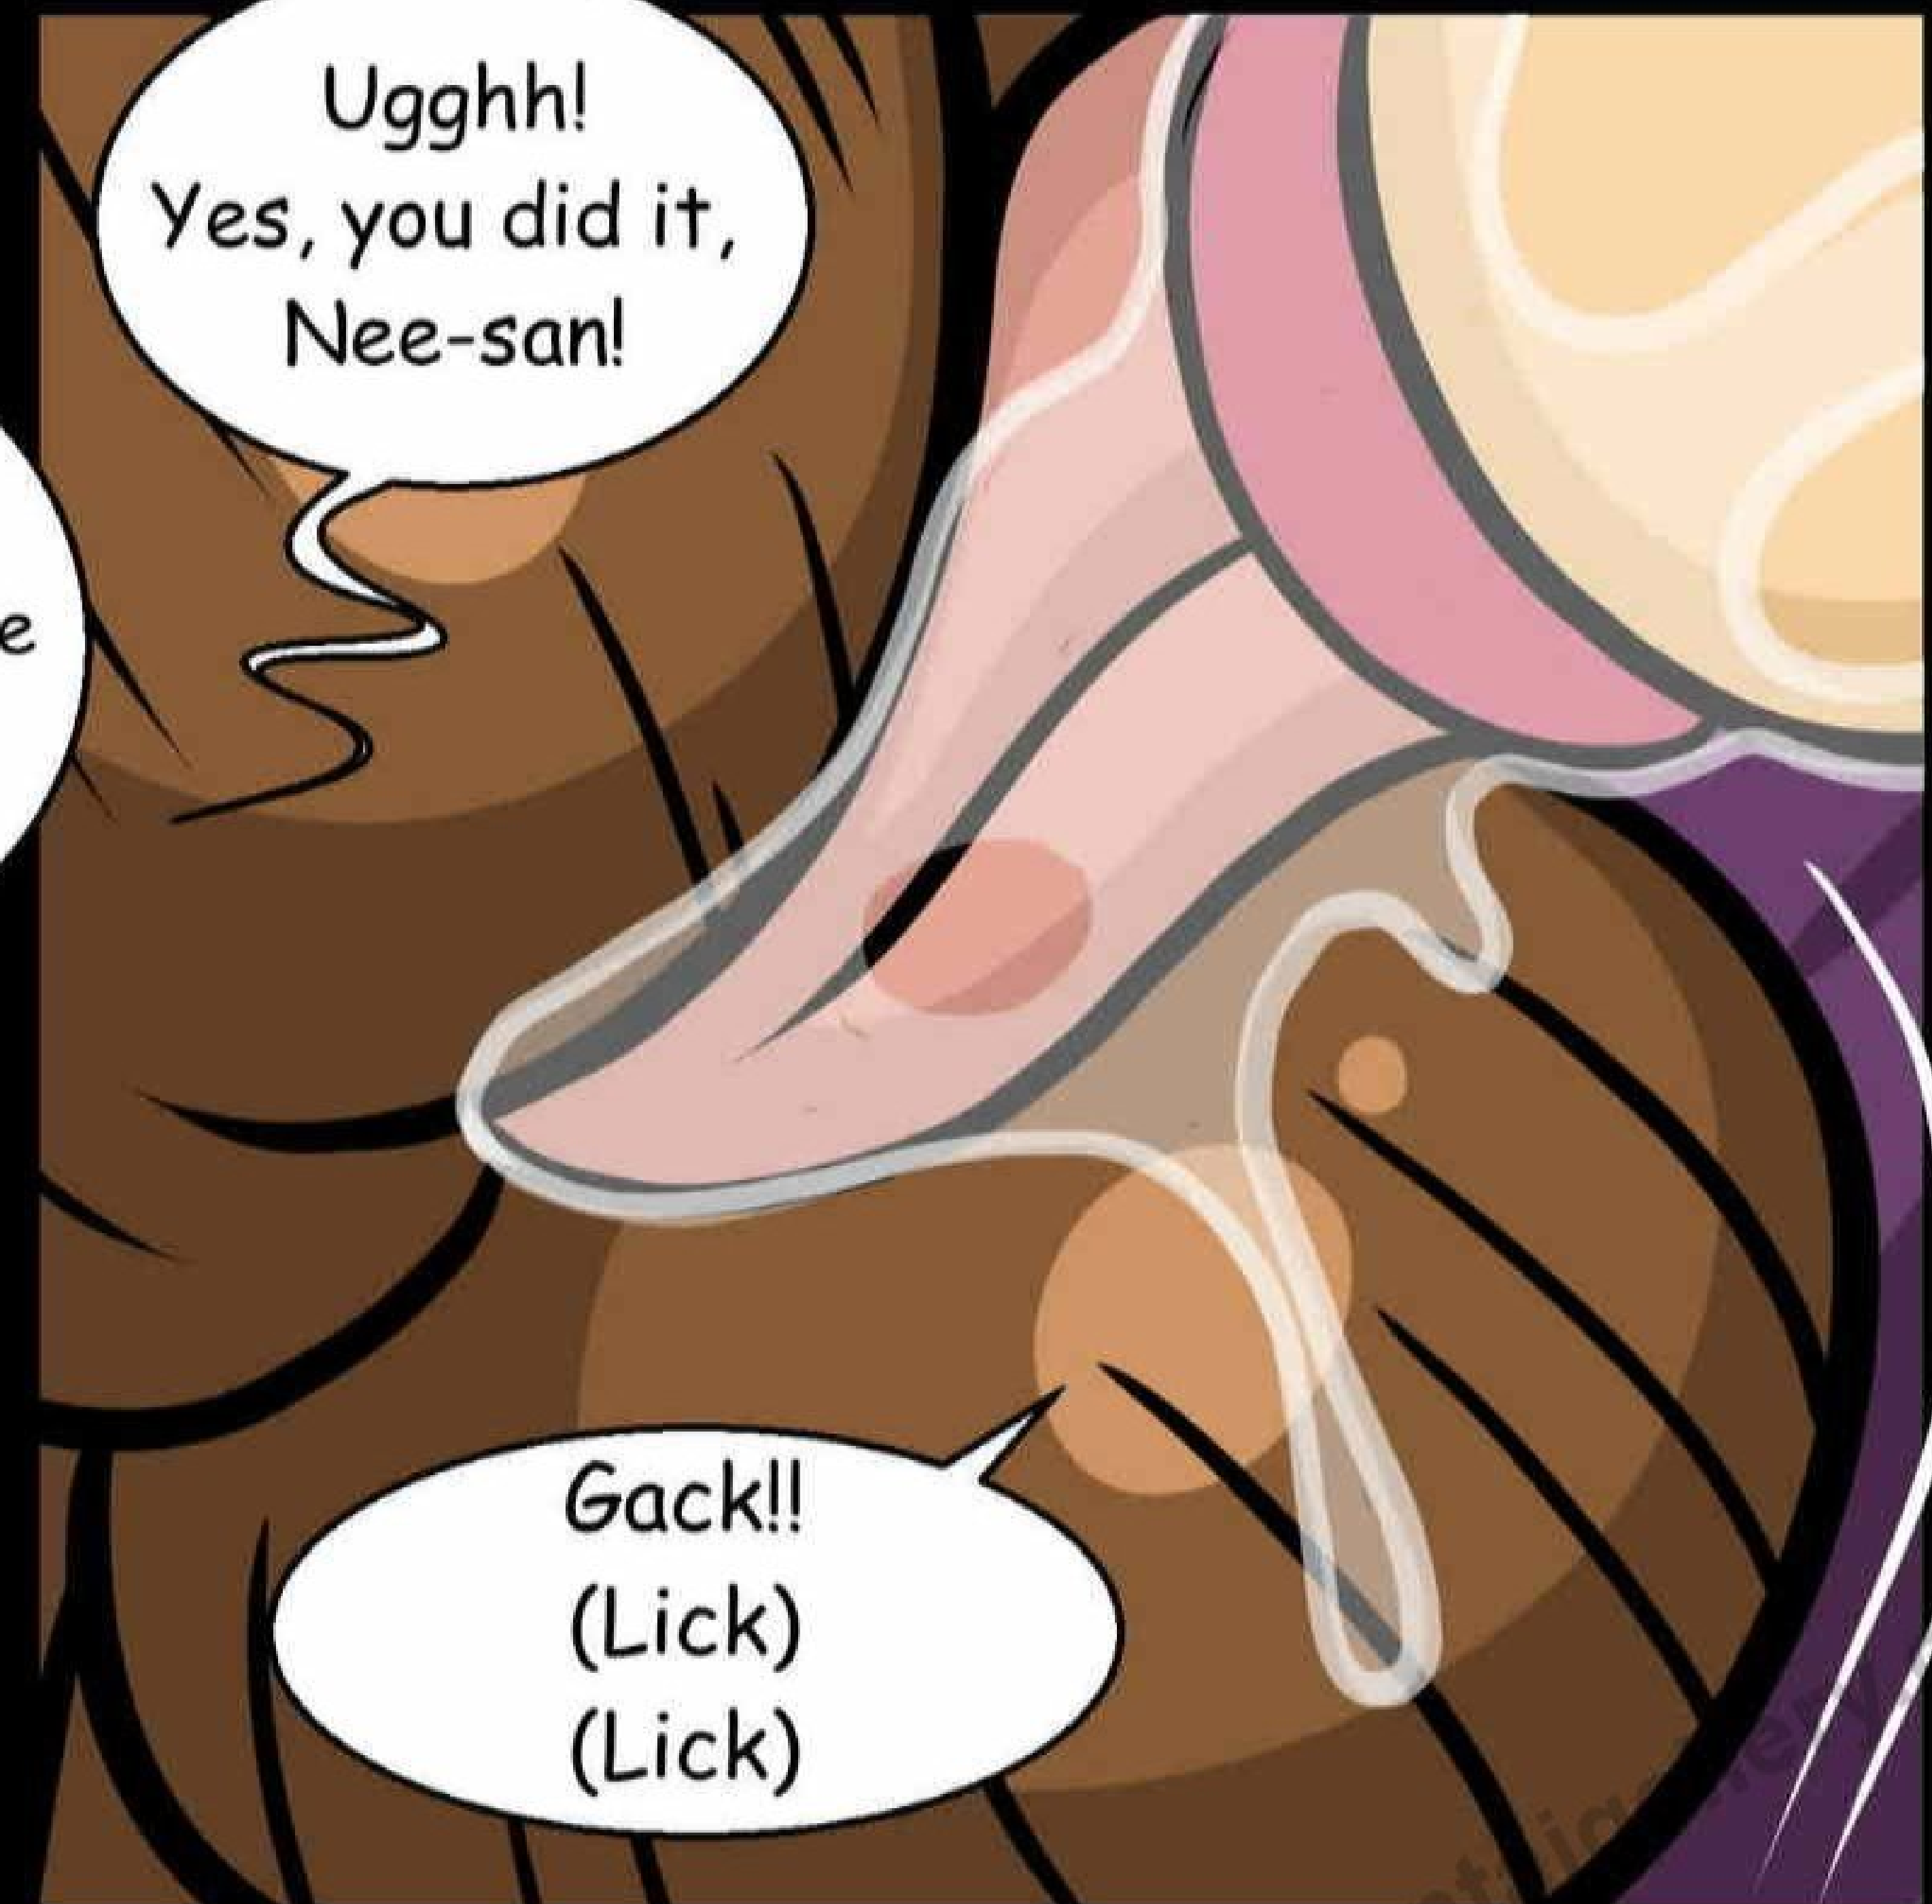

I haven't
cleaned it since
we got here,
you know.

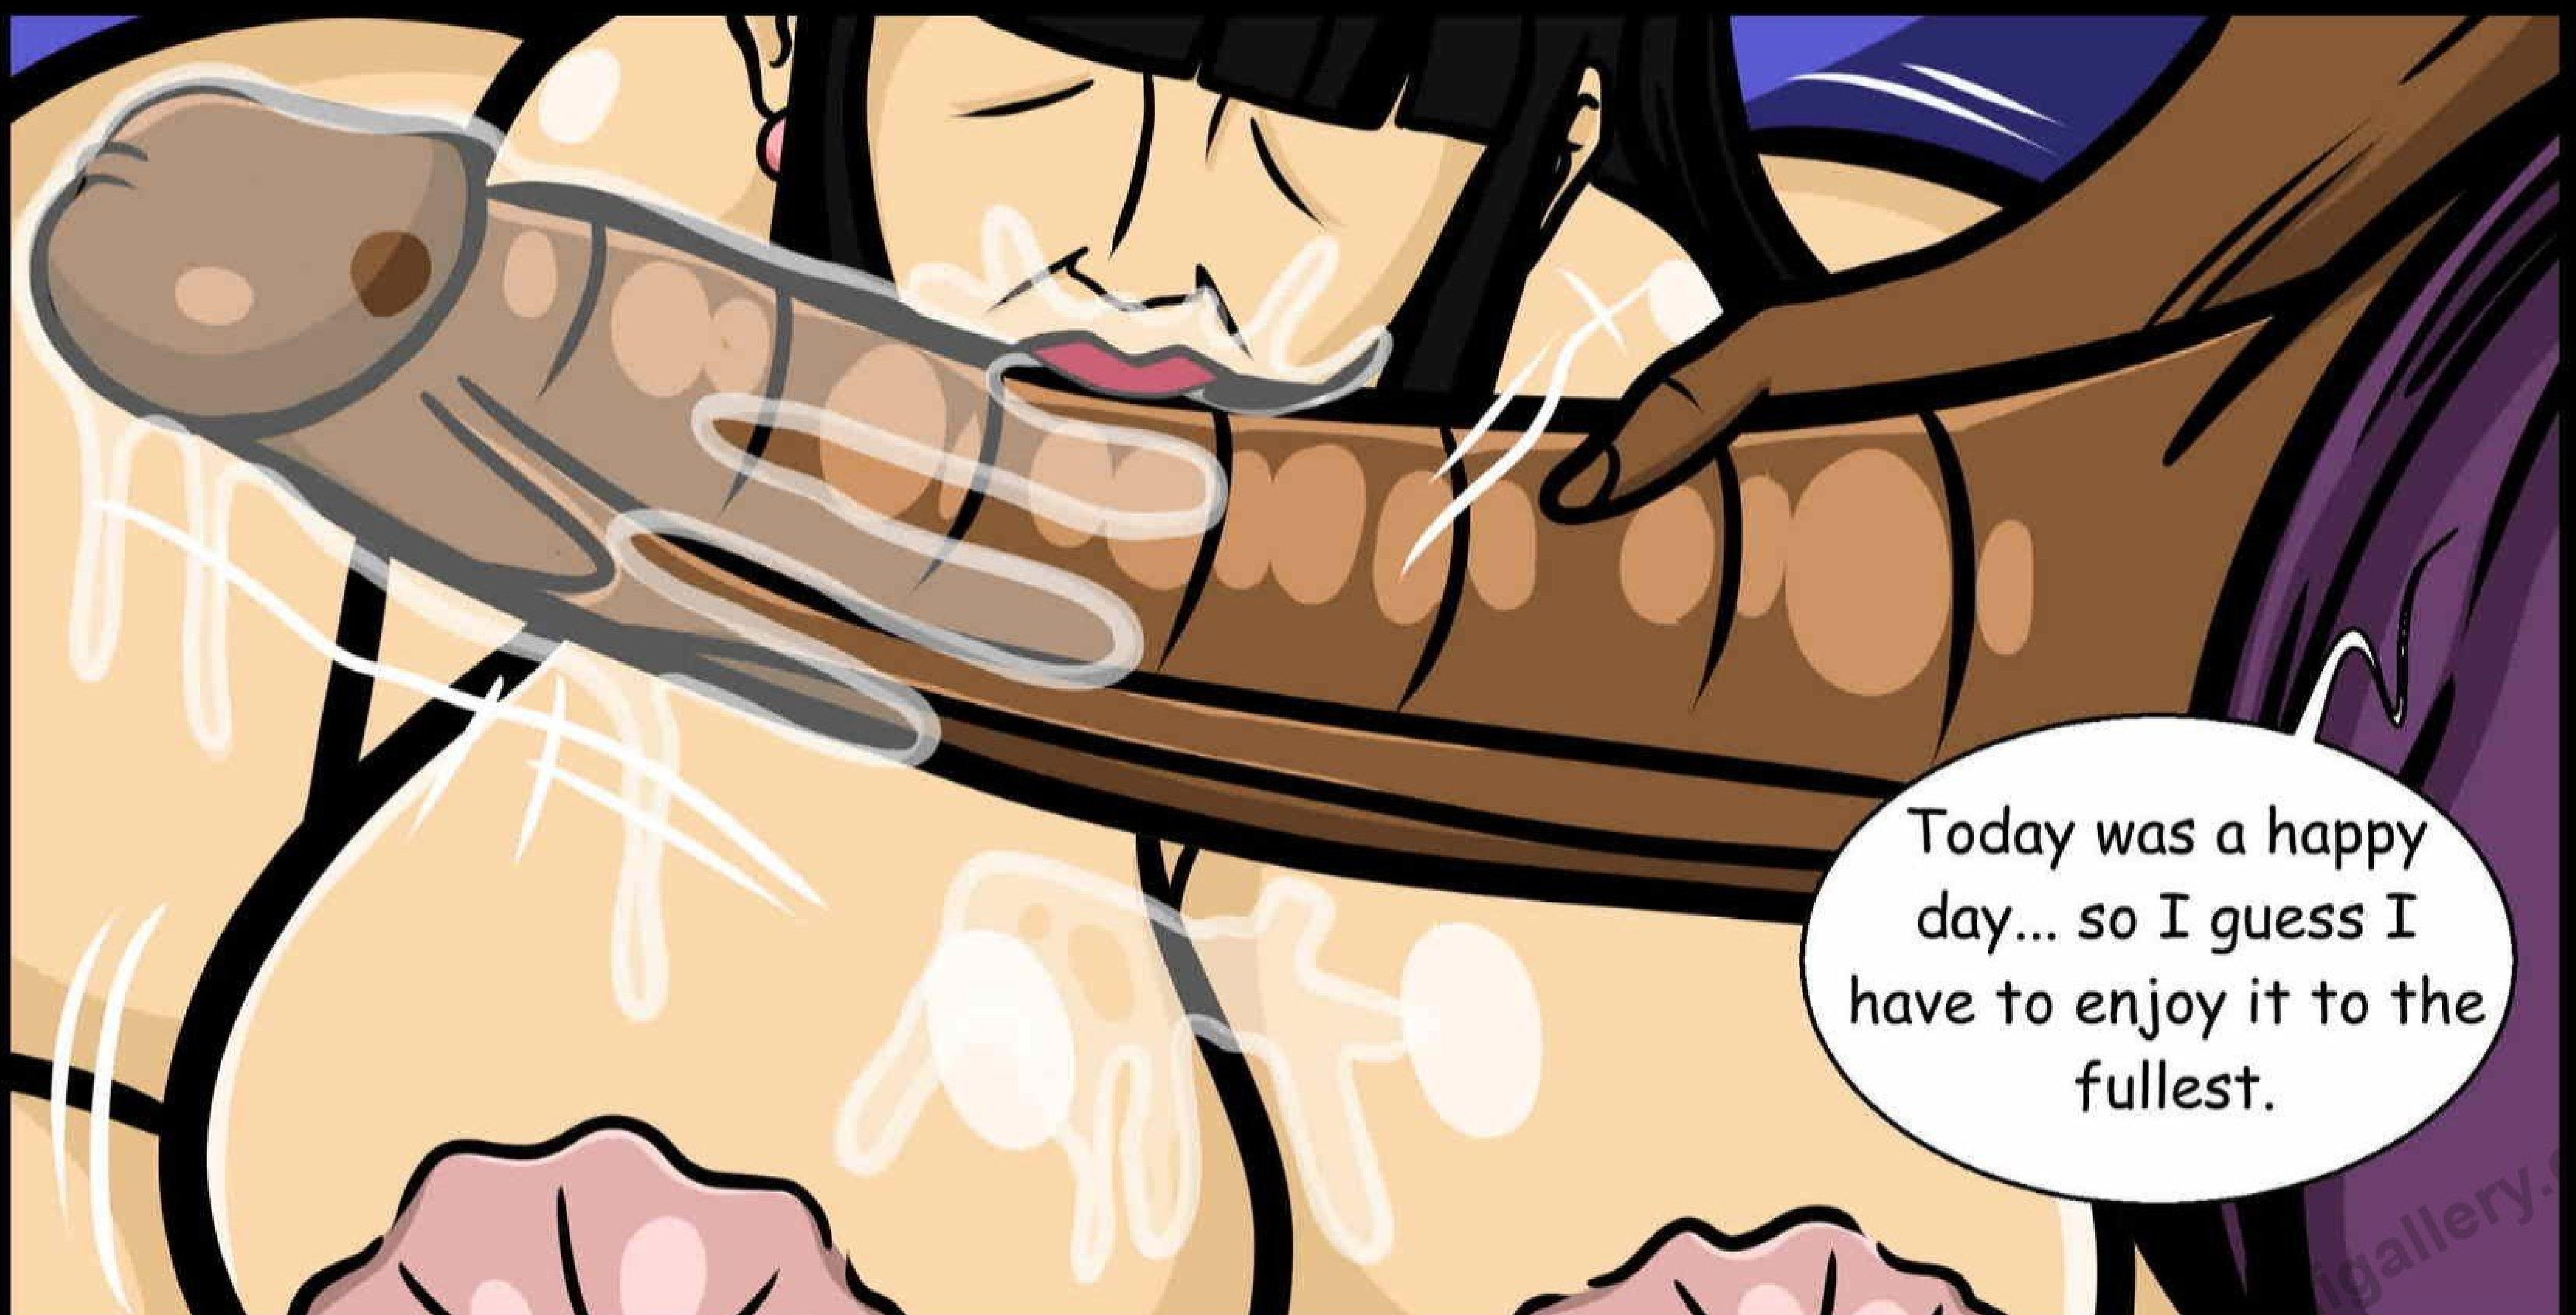

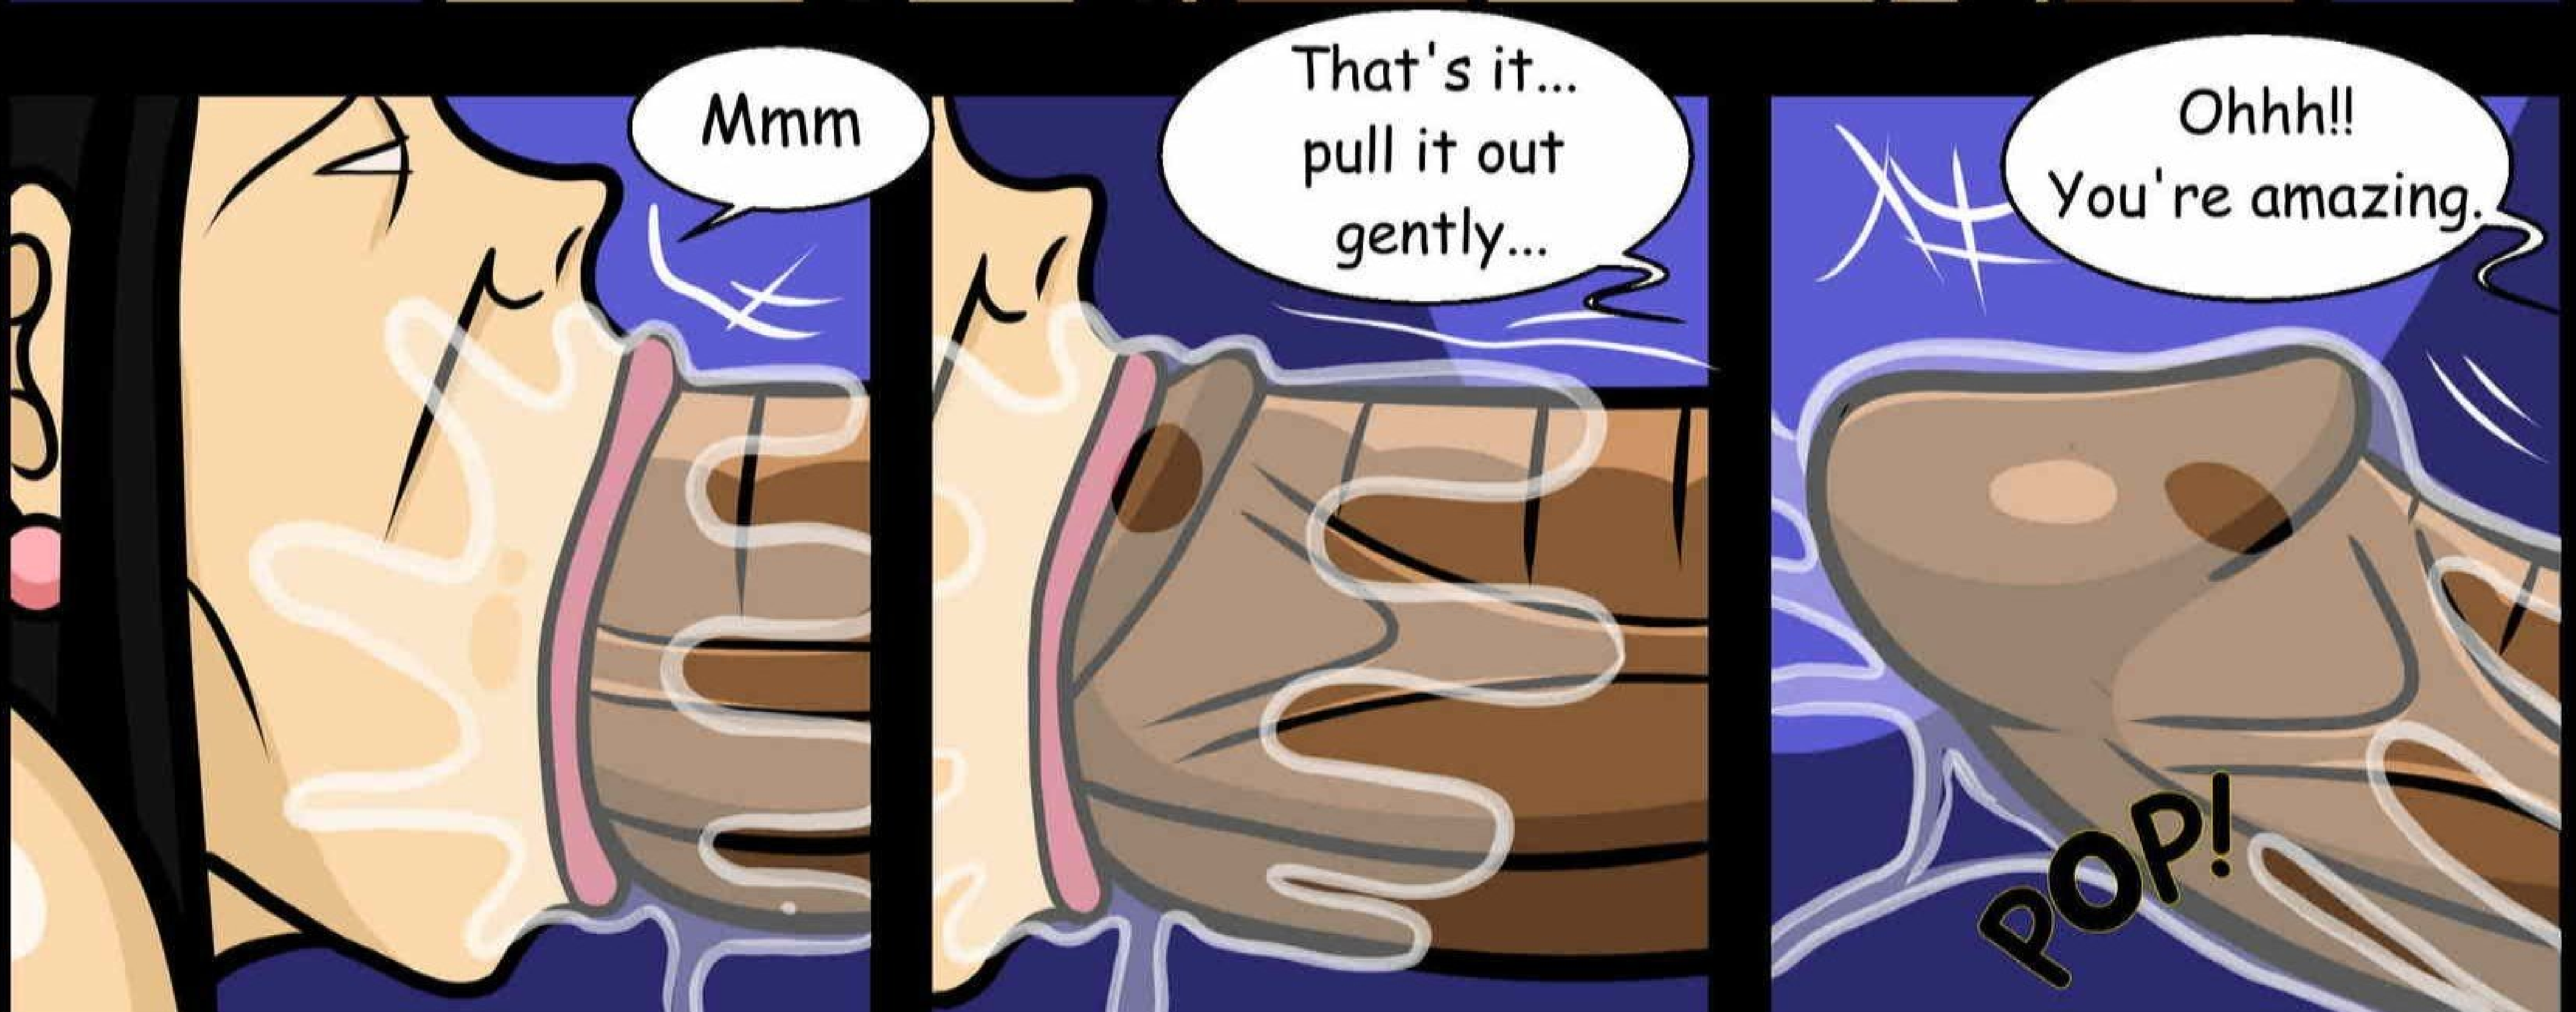

Let's go!
Swallow it all and
then run your tongue
down my balls,
you can do it.

Gack!
Uck!!
Ack!!

Ugghh!
Yes, you did it,
Nee-san!

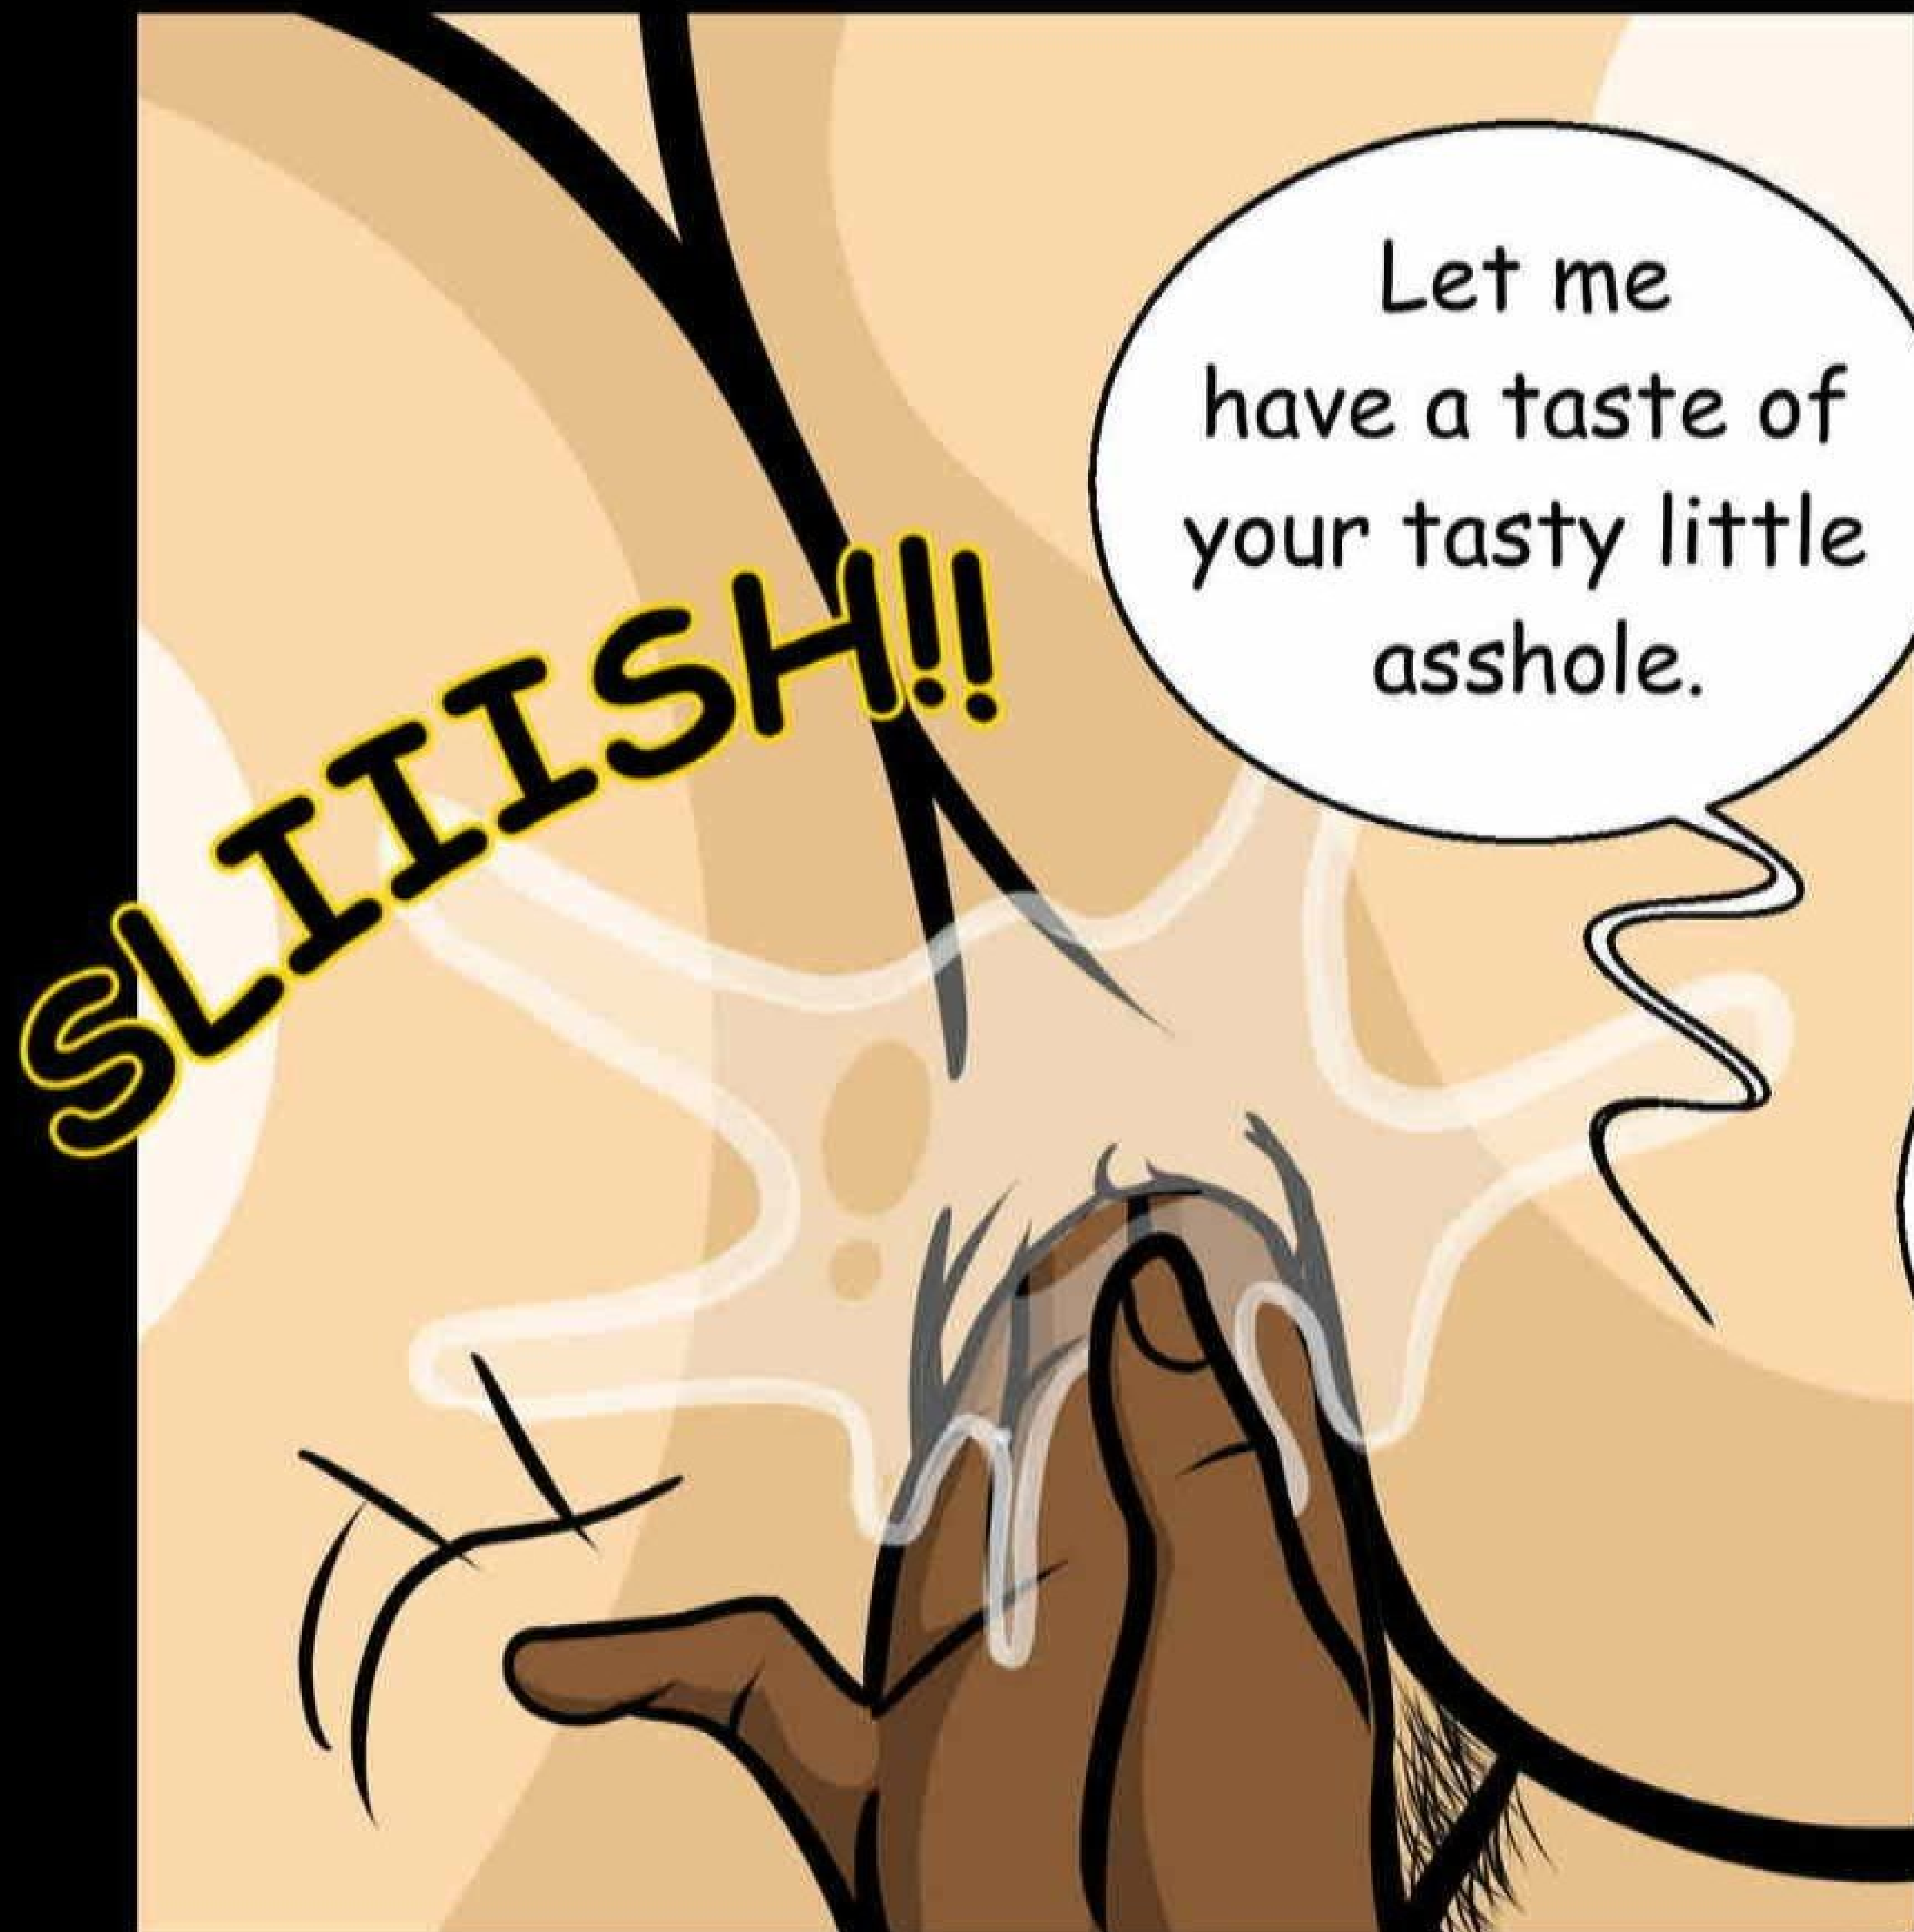

Gack!!

Gavin seemed to be very happy that early morning. He was sure that his older brother had given up on selling his late parents' house.

It was as if Gavin was a master at coaxing me into sex. He loves to sink his face in the middle of my giant ass so that he can touch his tongue to my anus.

All that day, Gavin had been violently penetrating my ass with his large penis. His tongue brought some momentary comfort to my poor ass.

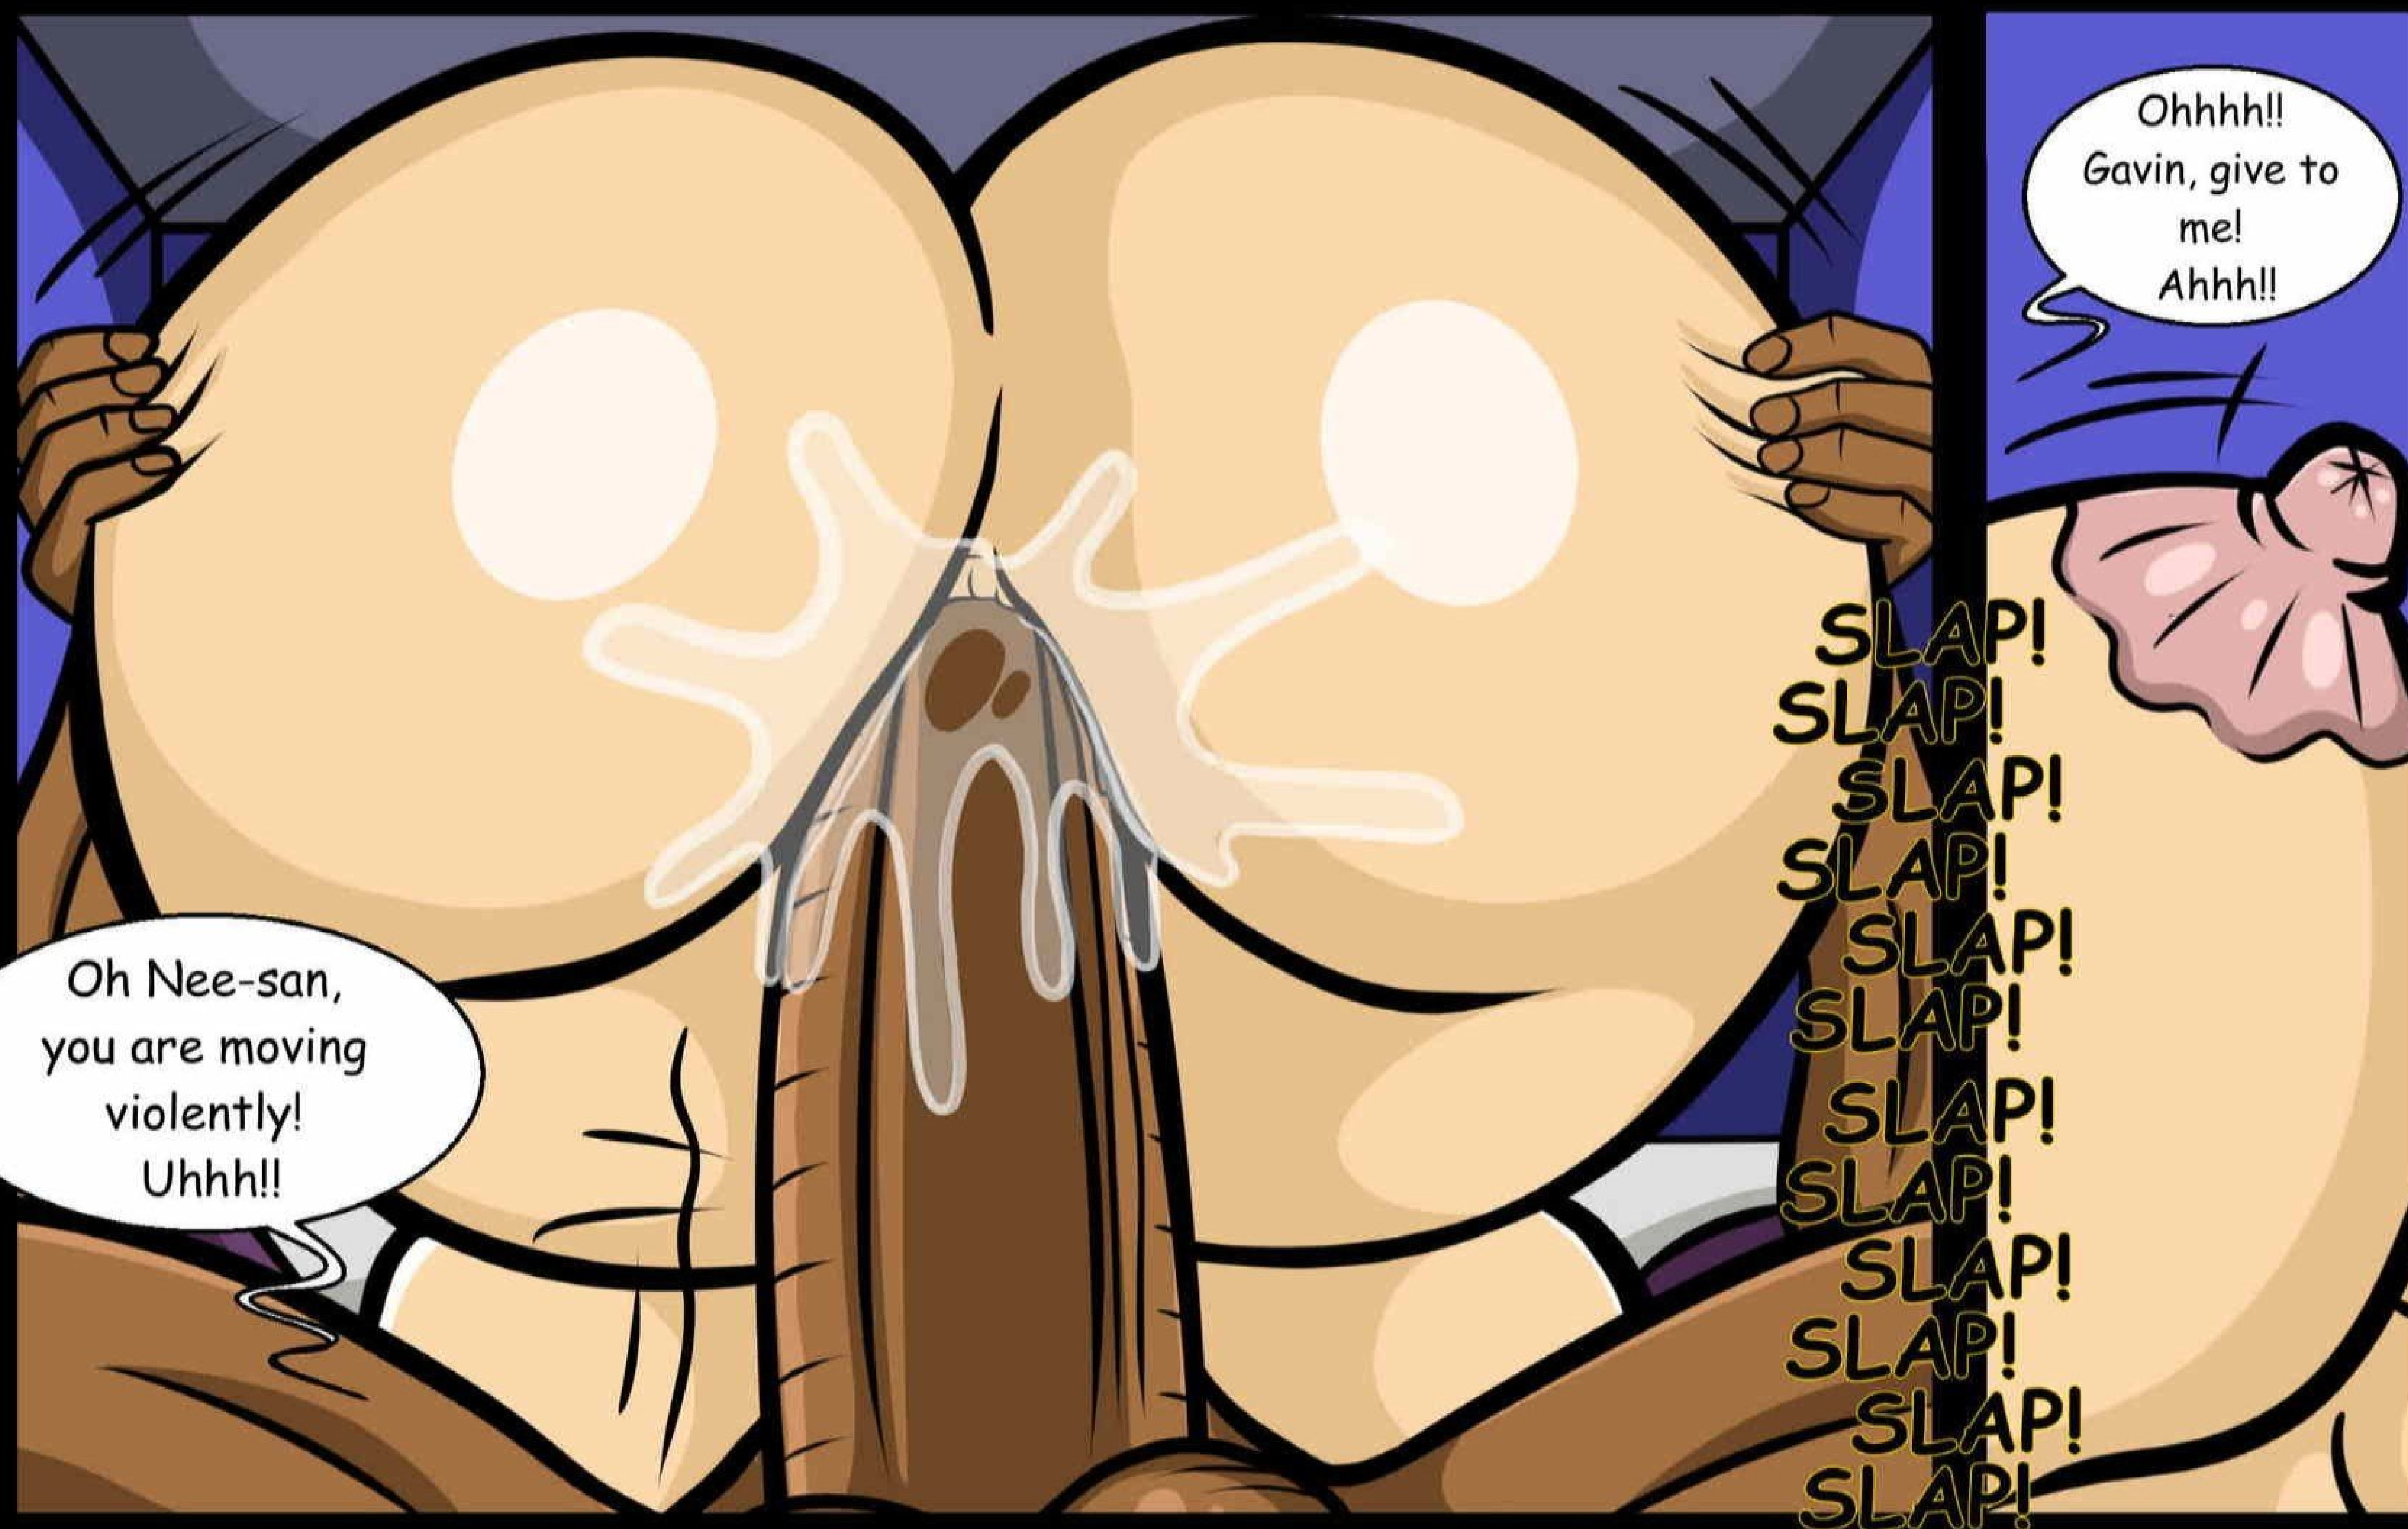

My poor anus was already completely torn apart by Gavin's monstrous penis. That was one of the most intense days in terms of sex between Gavin and me. No doubt he was elated after learning that his brother had given up the sale of the old house.

My round, big, tight ass was swallowing Gavin's penis like it was starving. Yes, I could no longer hide it from him, my anus has only one owner and his name is Gavin Shimizu.

Yummy!
Yeah, sit on that
big dick!

Ohhhh!!

His brother was a few meters past the wall to his left, and yet he kept opening my anus with his huge member.

We had crossed the line so many times before... I was getting used to being dominated by this horny boy. I wondered if Kazuhiro would forgive me for "helping" to please his younger brother.

Are you going to cum? So you want to be penetrated in the pussy?

Ohhhh!!
I'm cumming!!
Uhhhhh!!!

Ahhhhhh!!
So hot!!

In the morning...

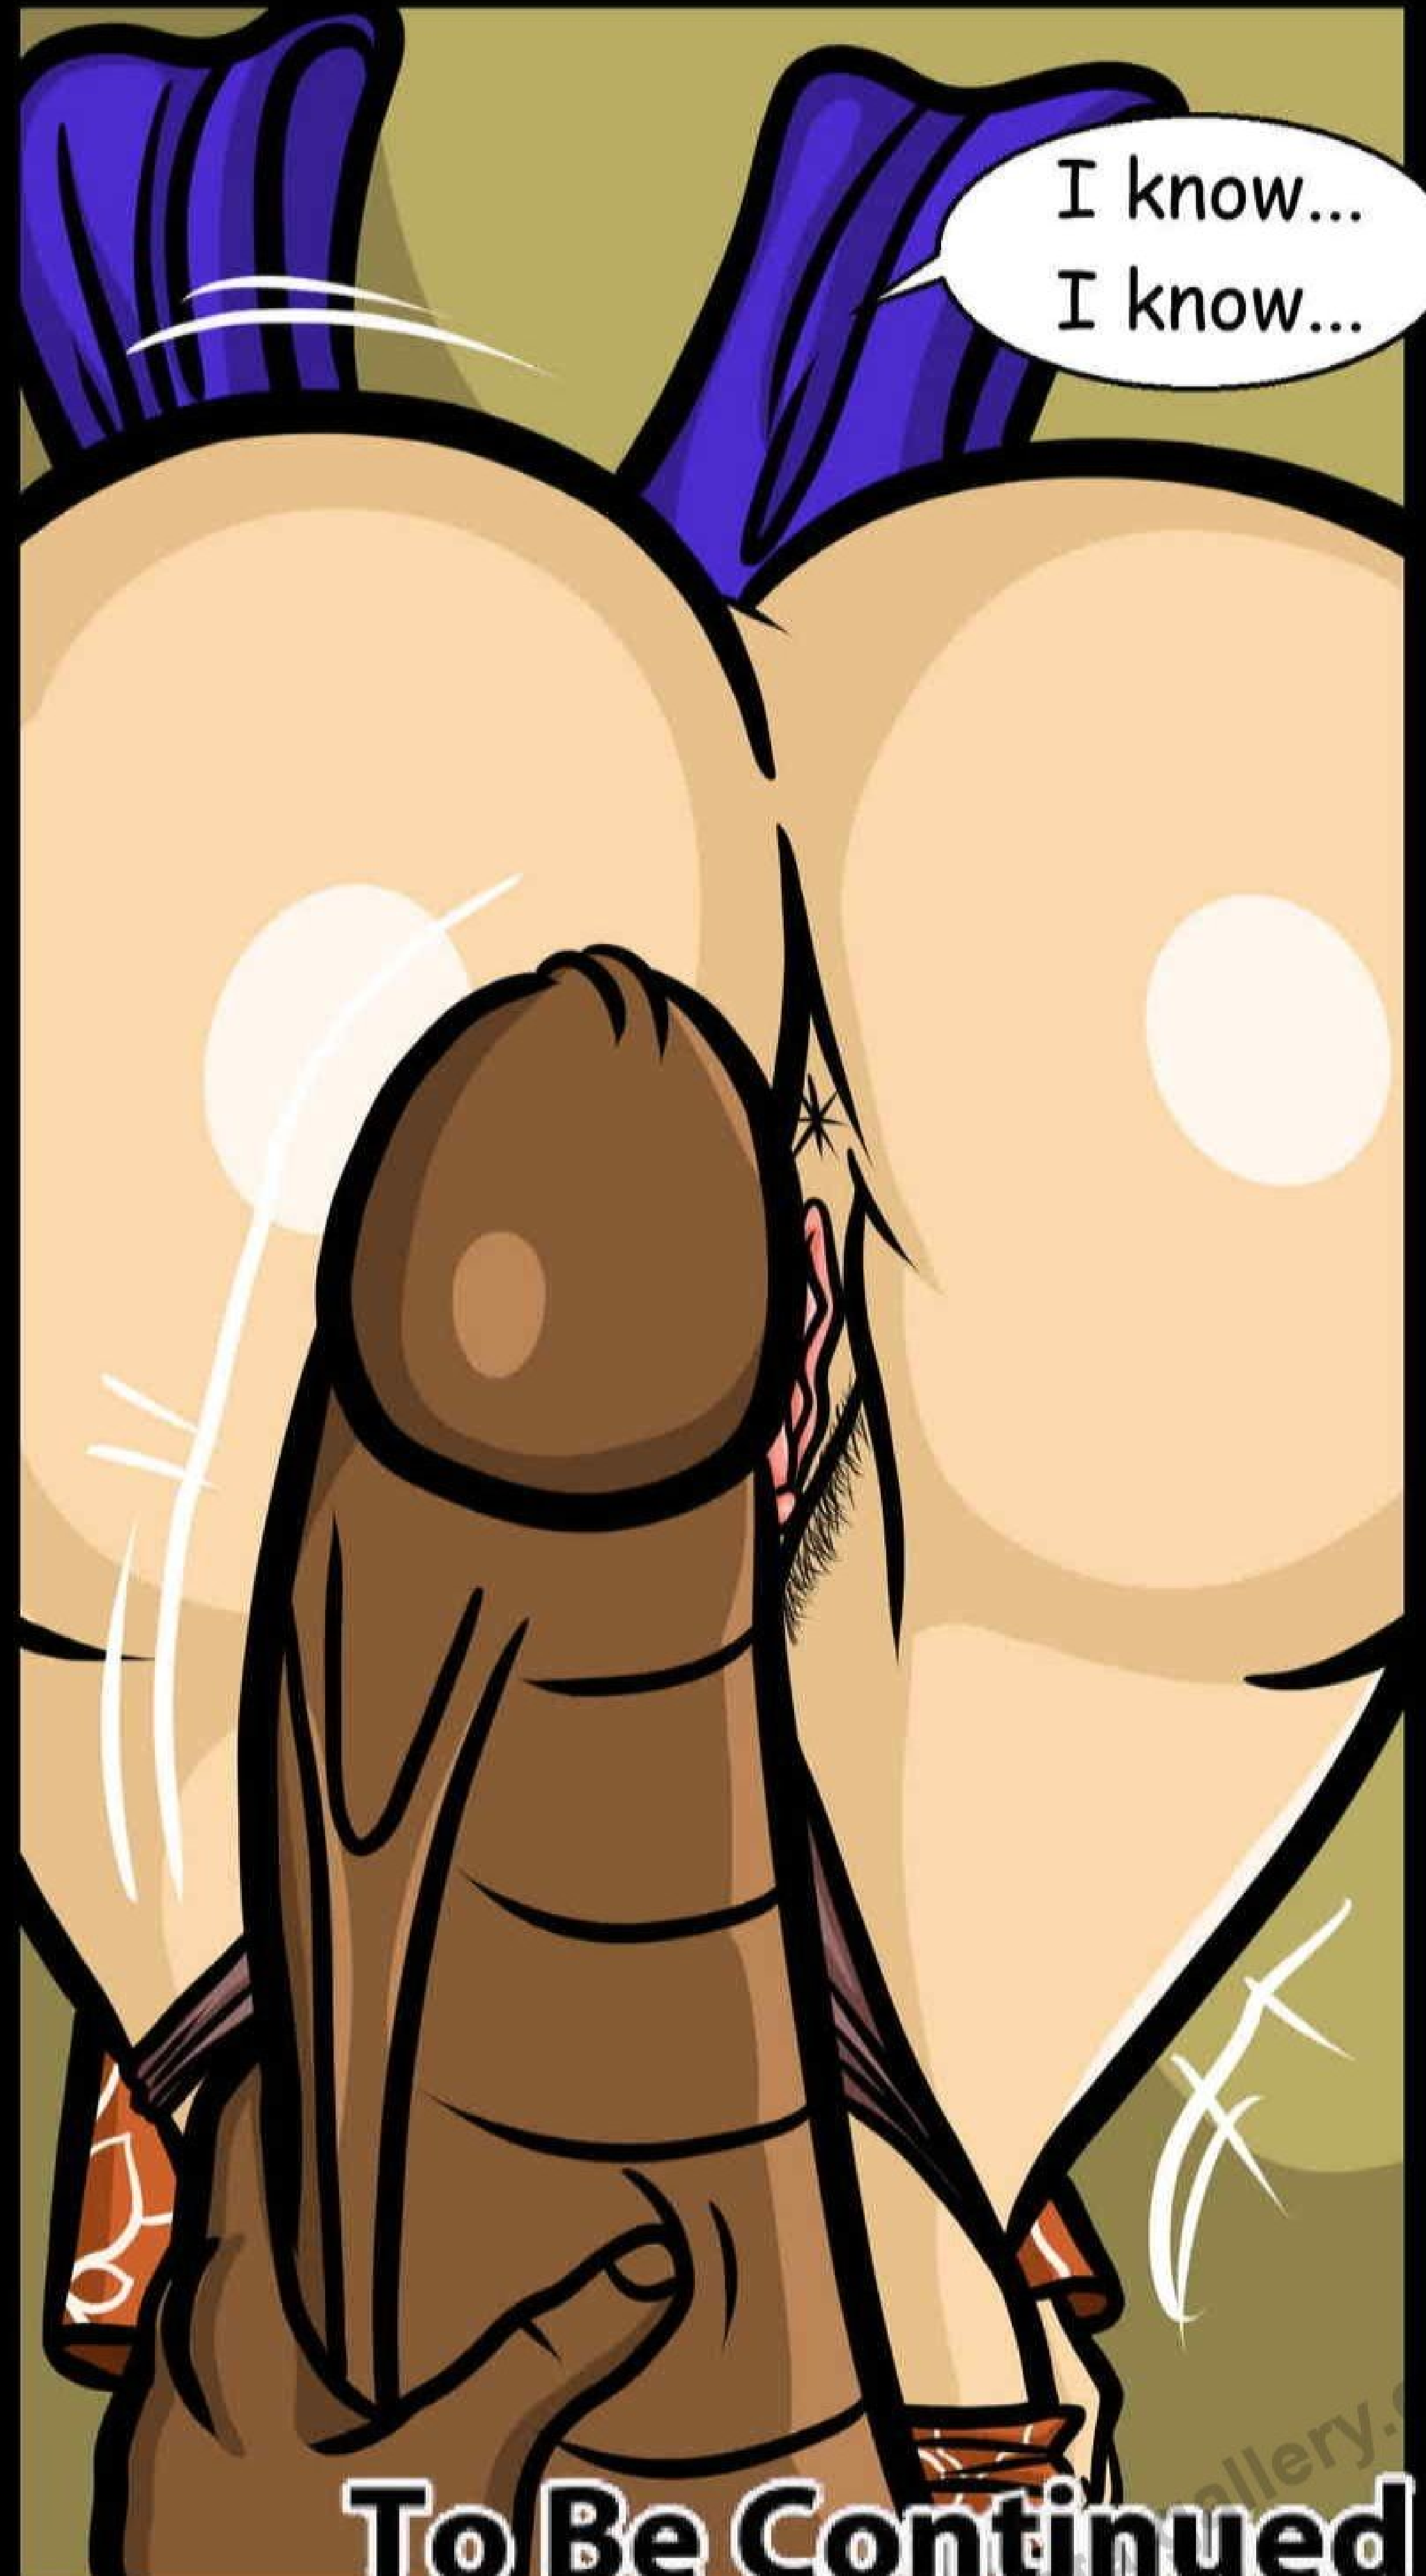

Have a great day
at work, honey. Don't
forget to take your
medicine on time.

Nee-san!!
