Gavin said he would wait for me in the bathroom in the morning as soon as Kazuhiro came out of the shower. This has been recurring lately. When we are not doing these things in his room, we are in the bathroom committing this kind of depravity.

(Lick)
(Lick)

I think he's
gone...

You love to
lick that
"big head"
don't you,
Nee-san?

Uhhh!!
You don't want
to waste a drop,
huh?

SLIISH!!

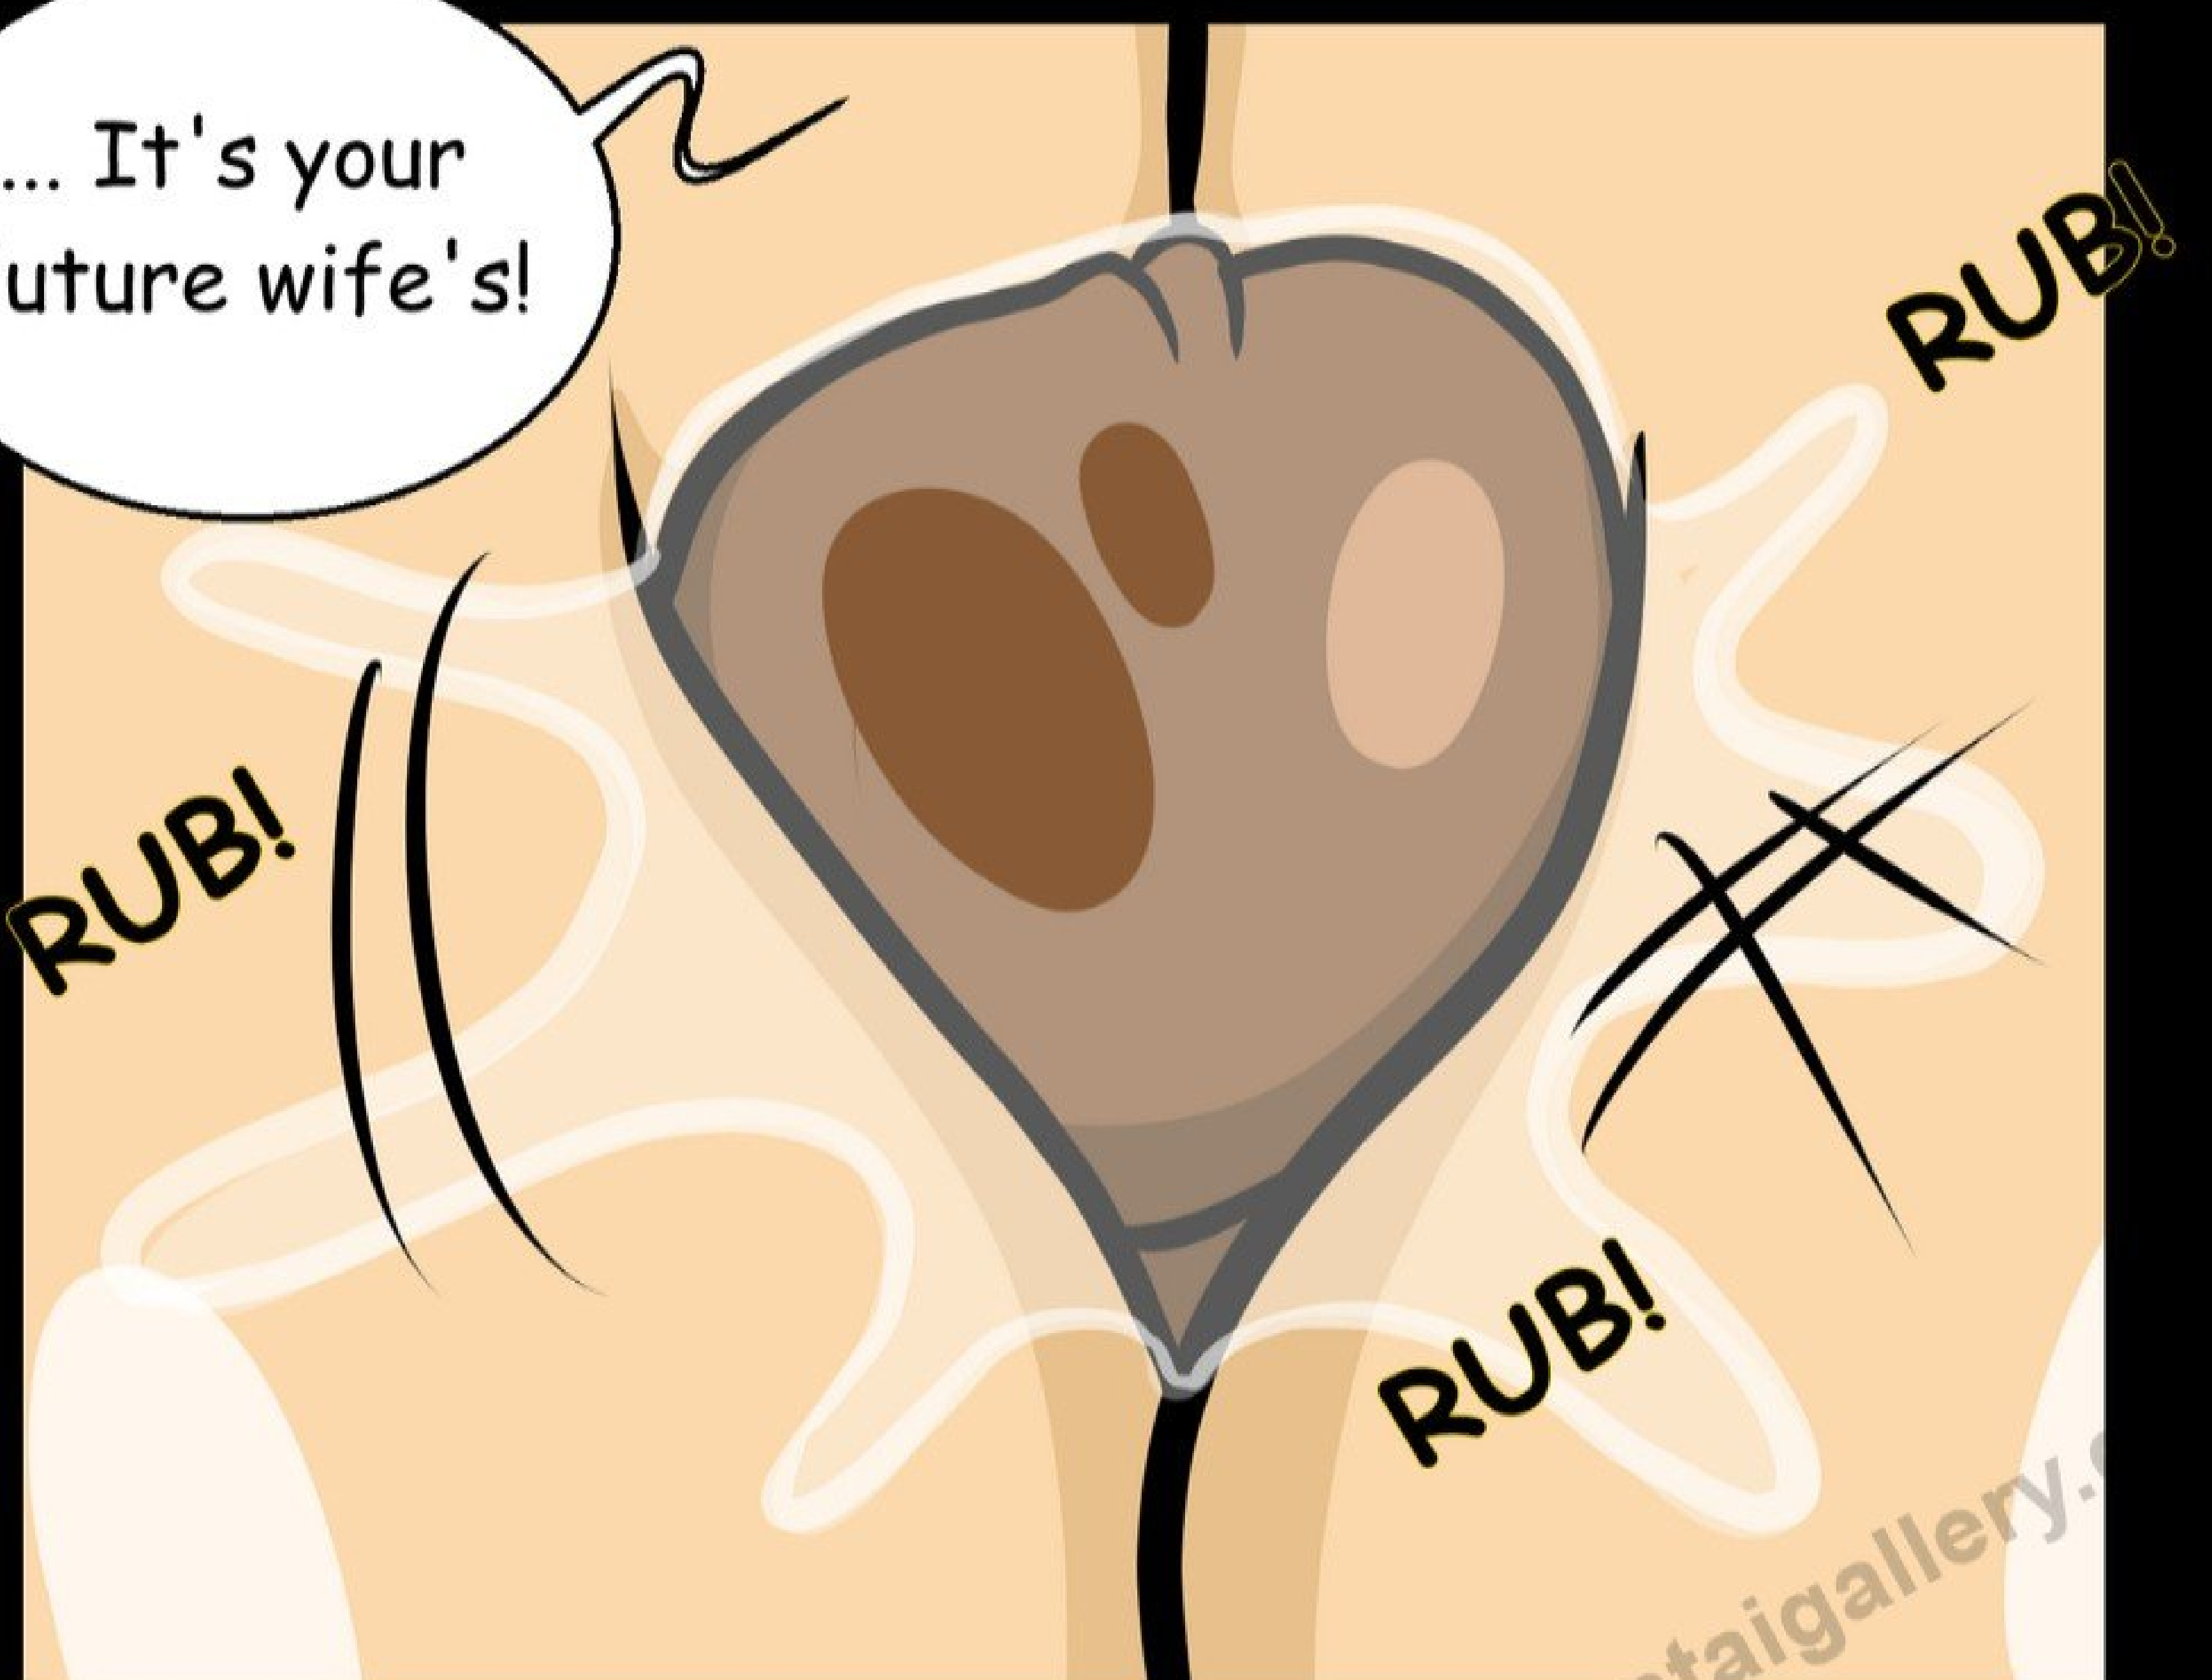

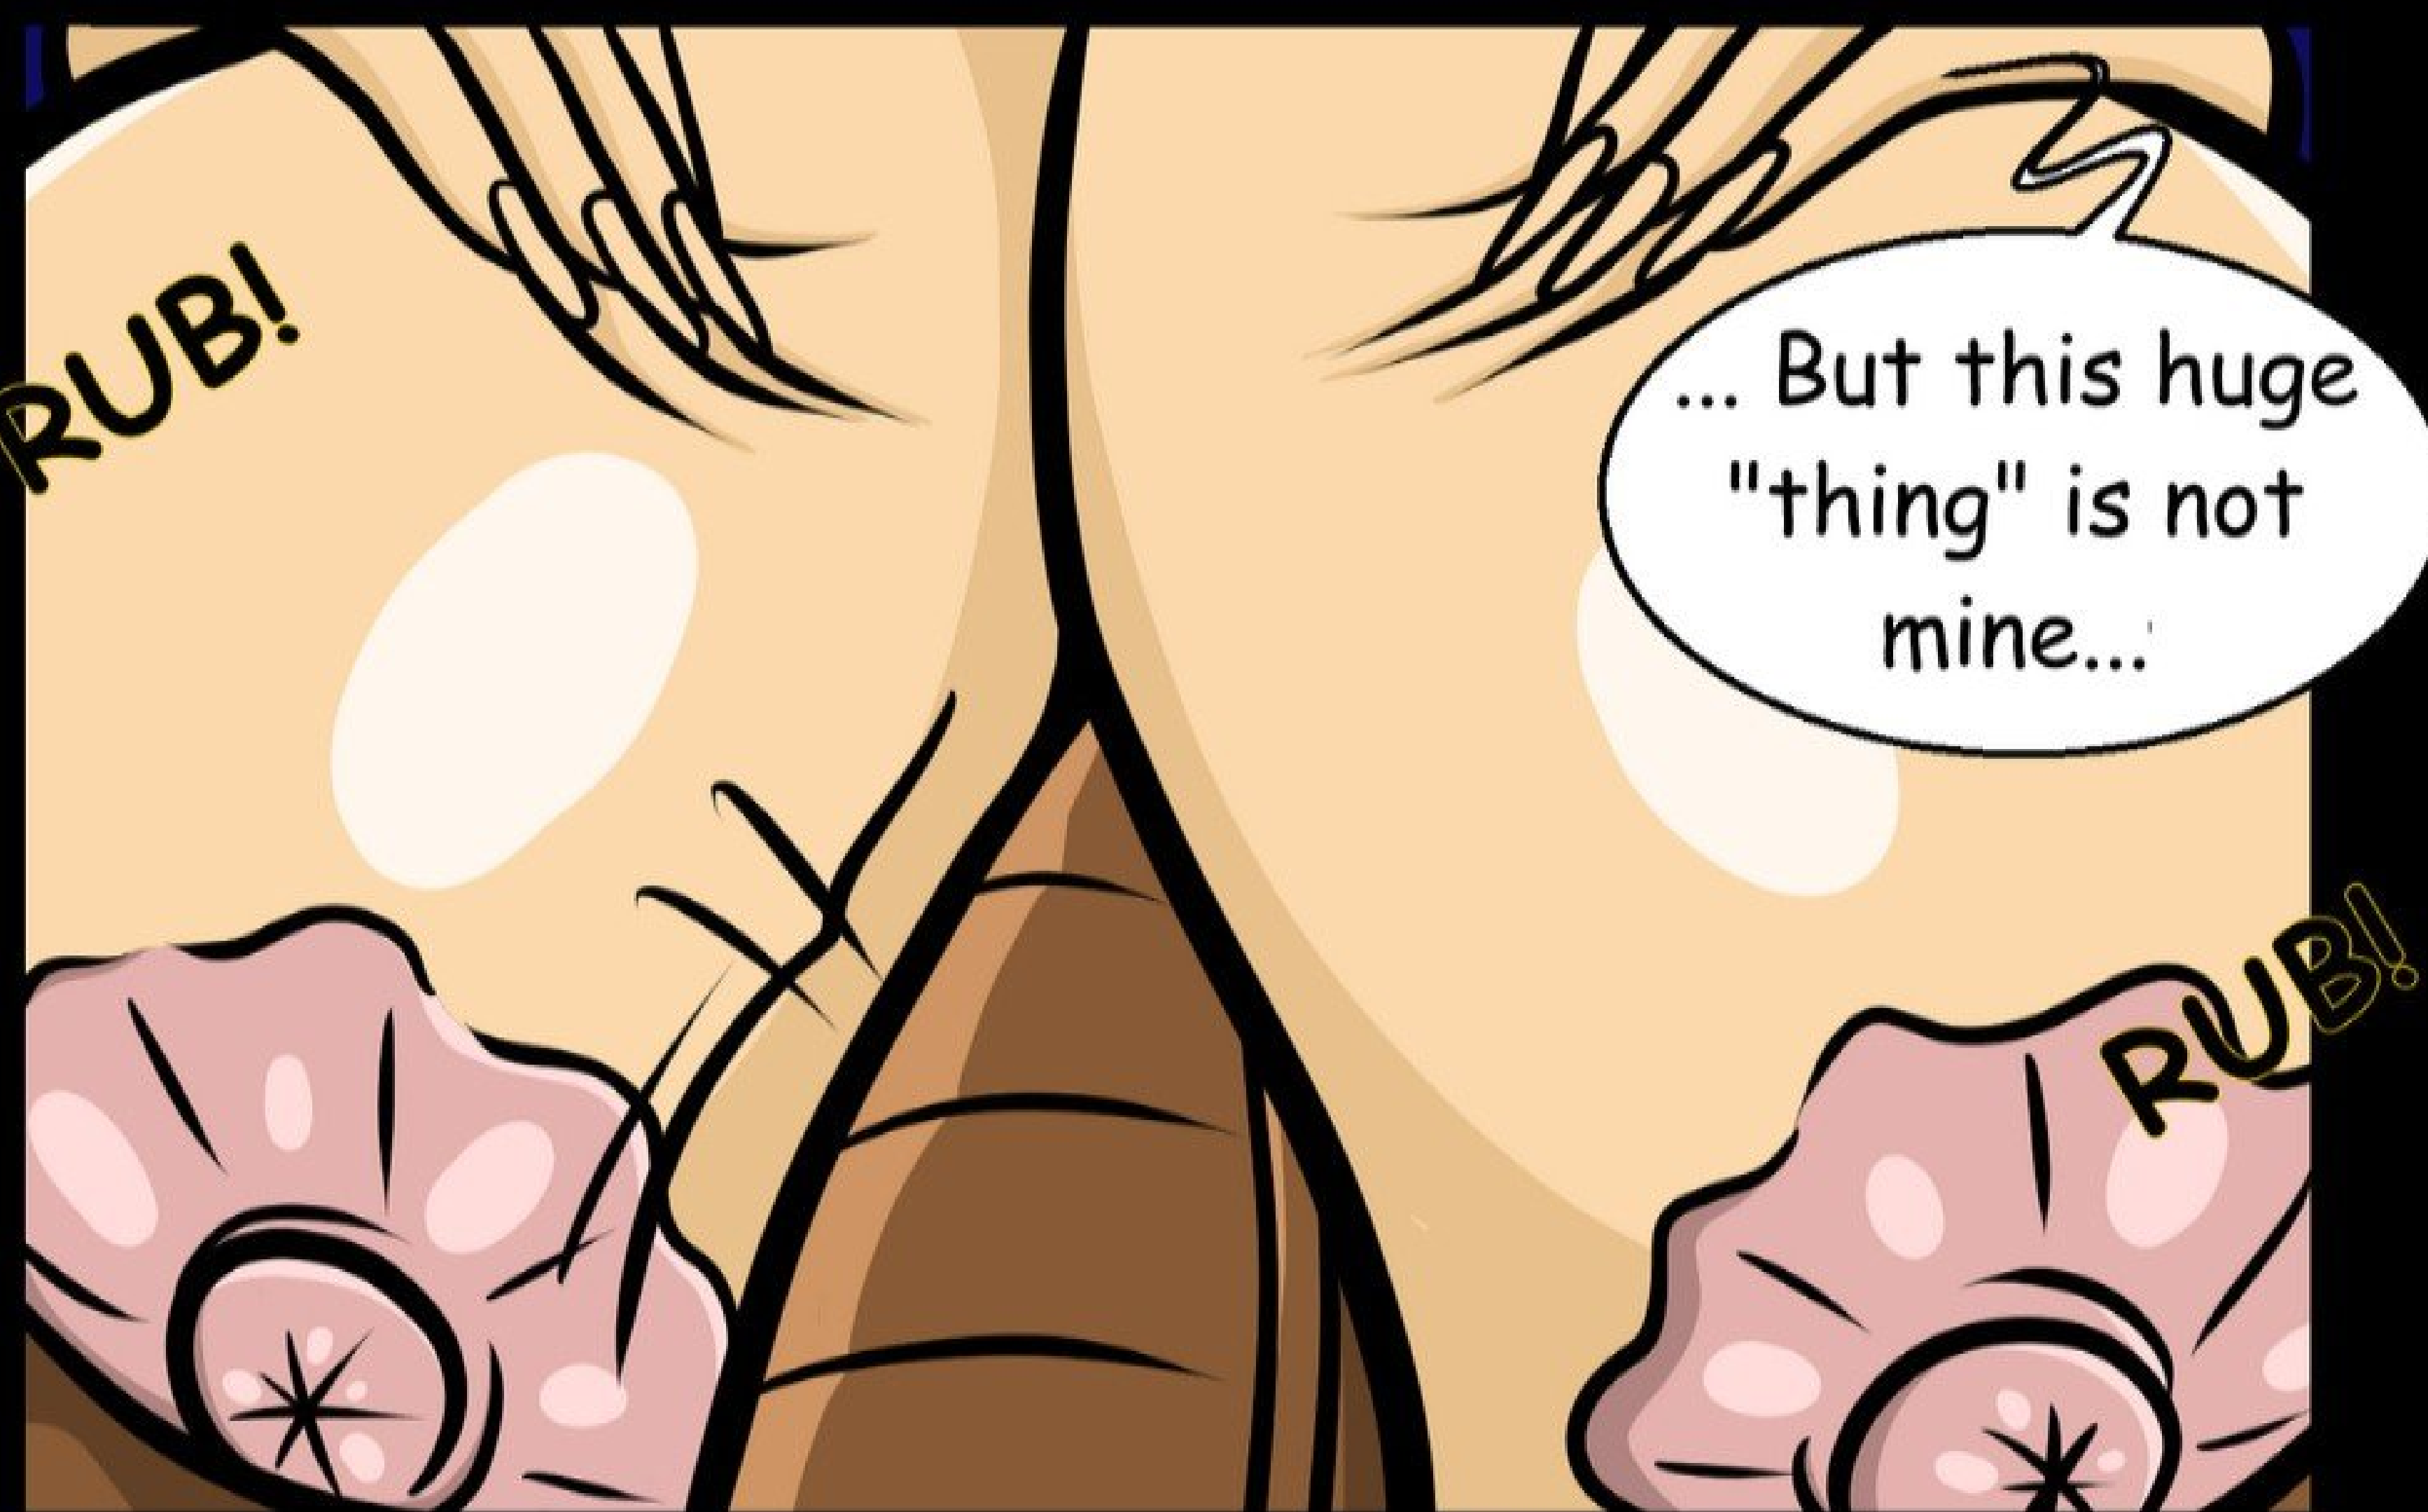

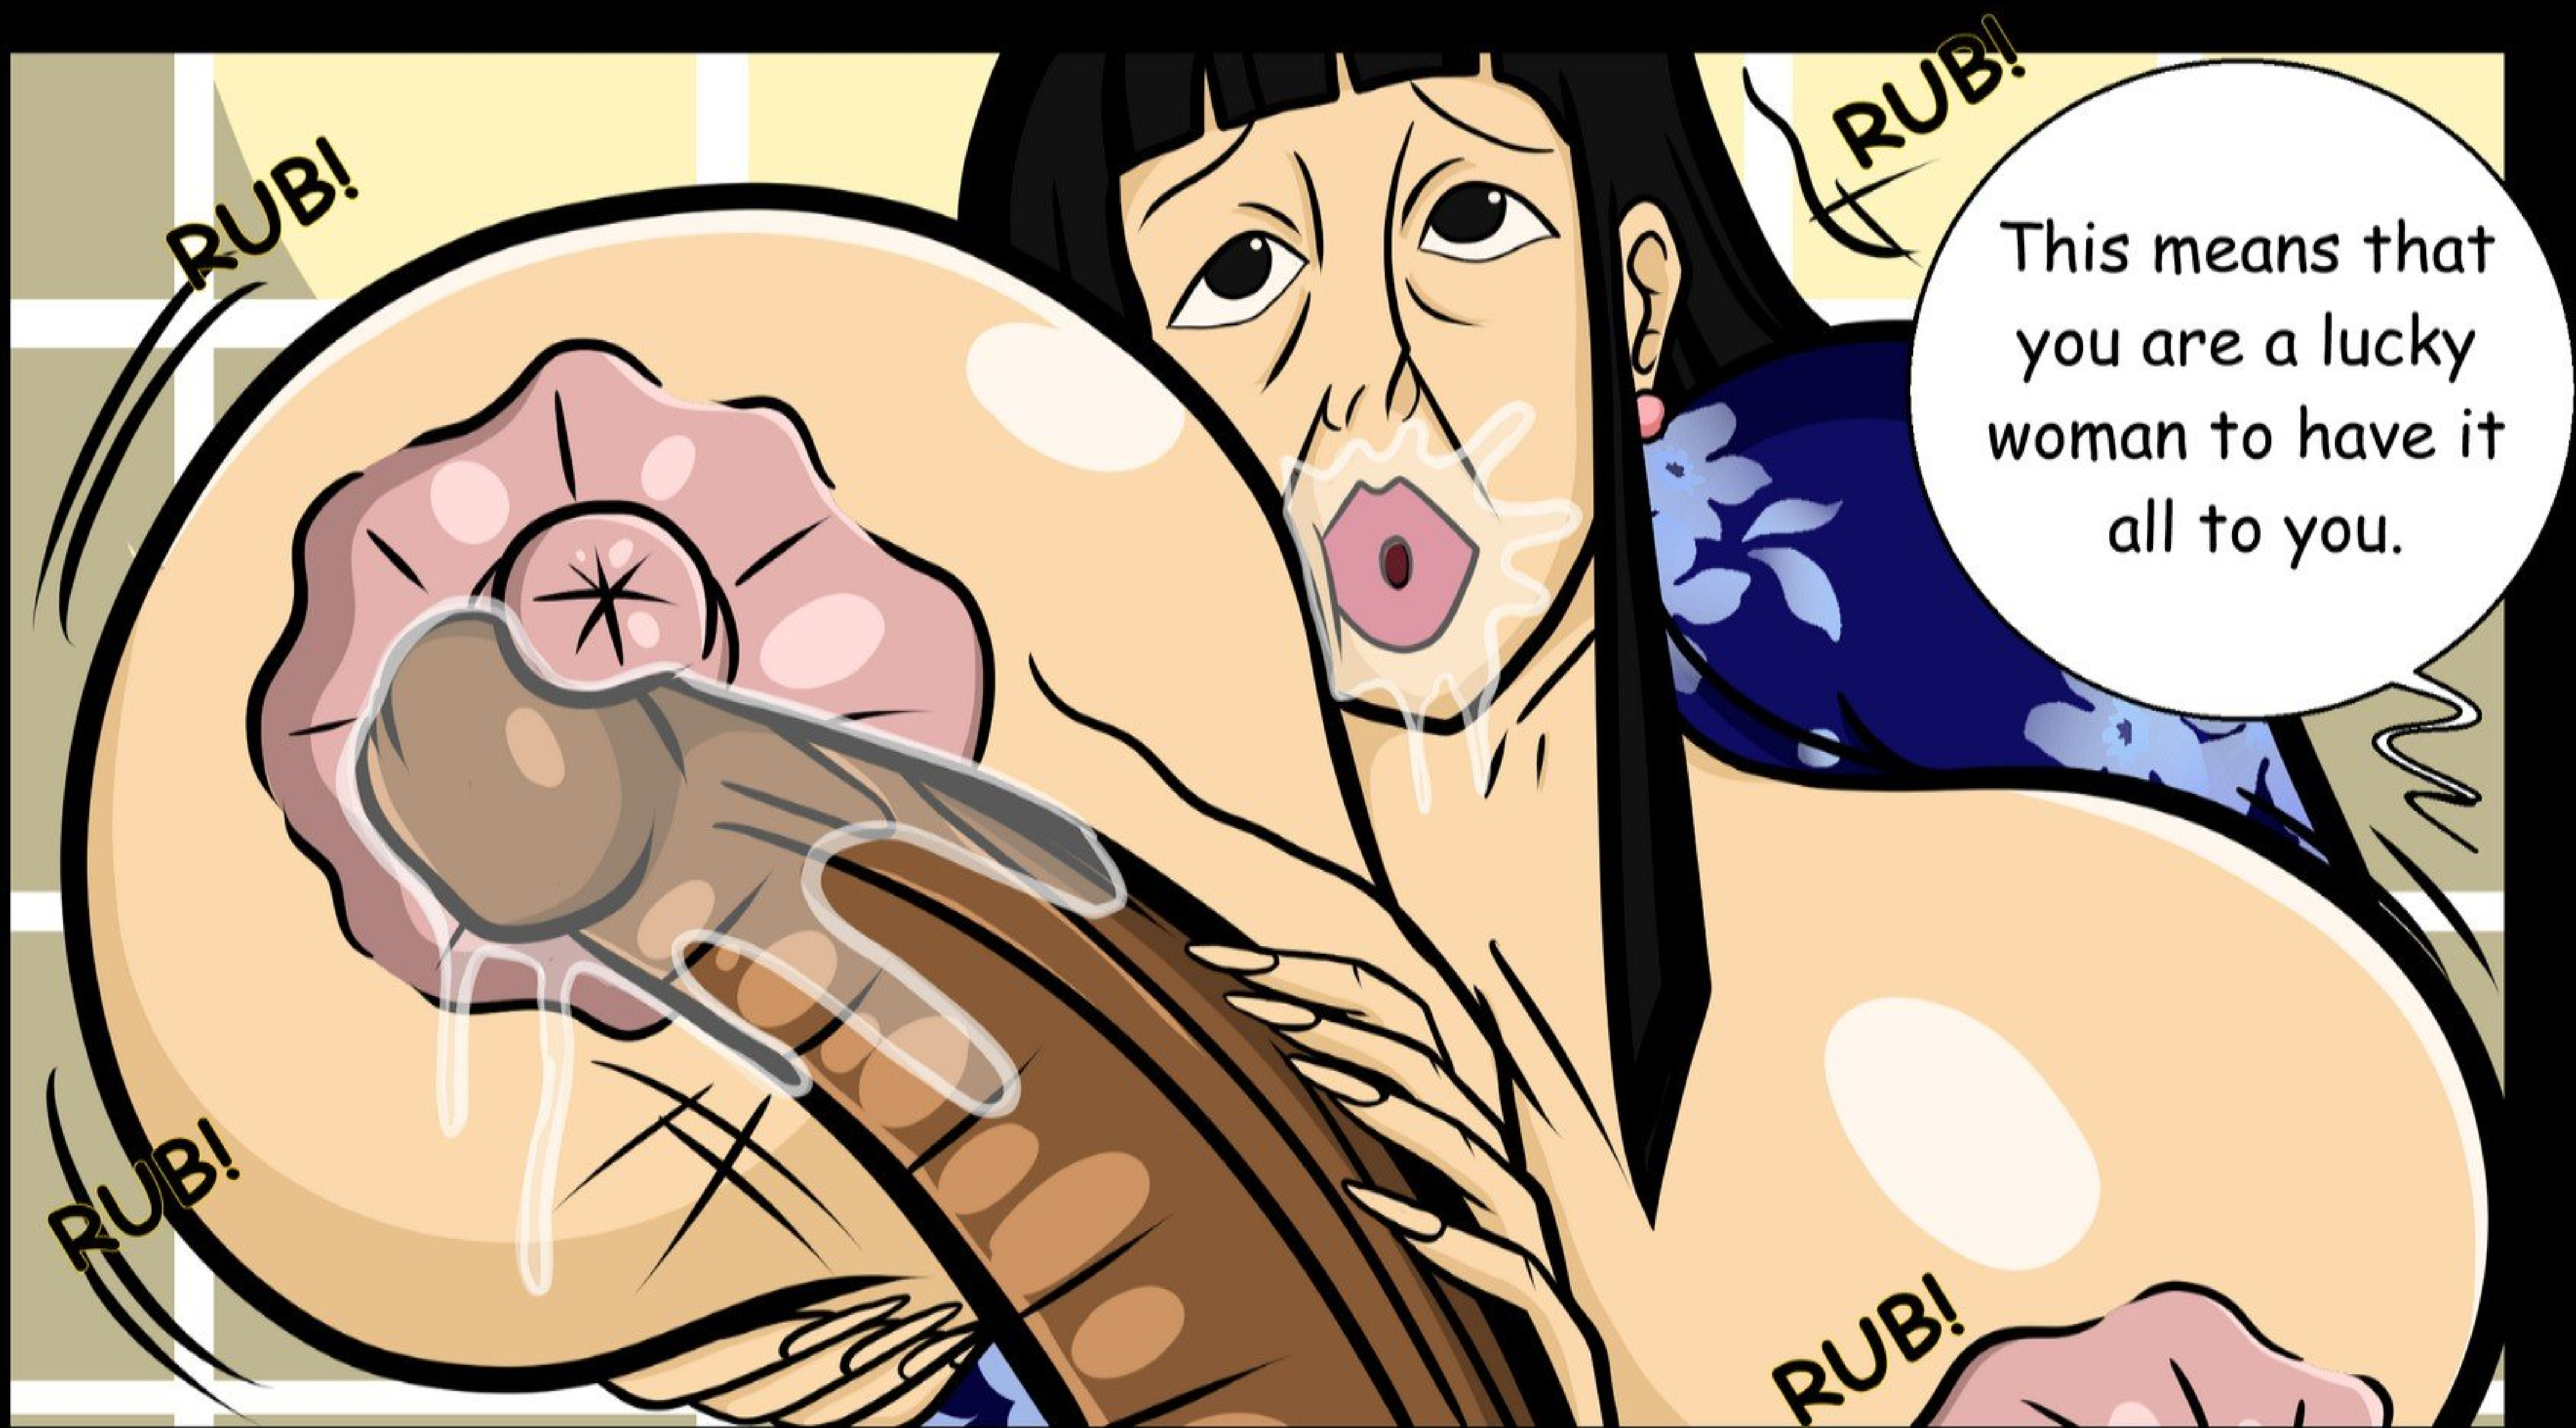

RUB!

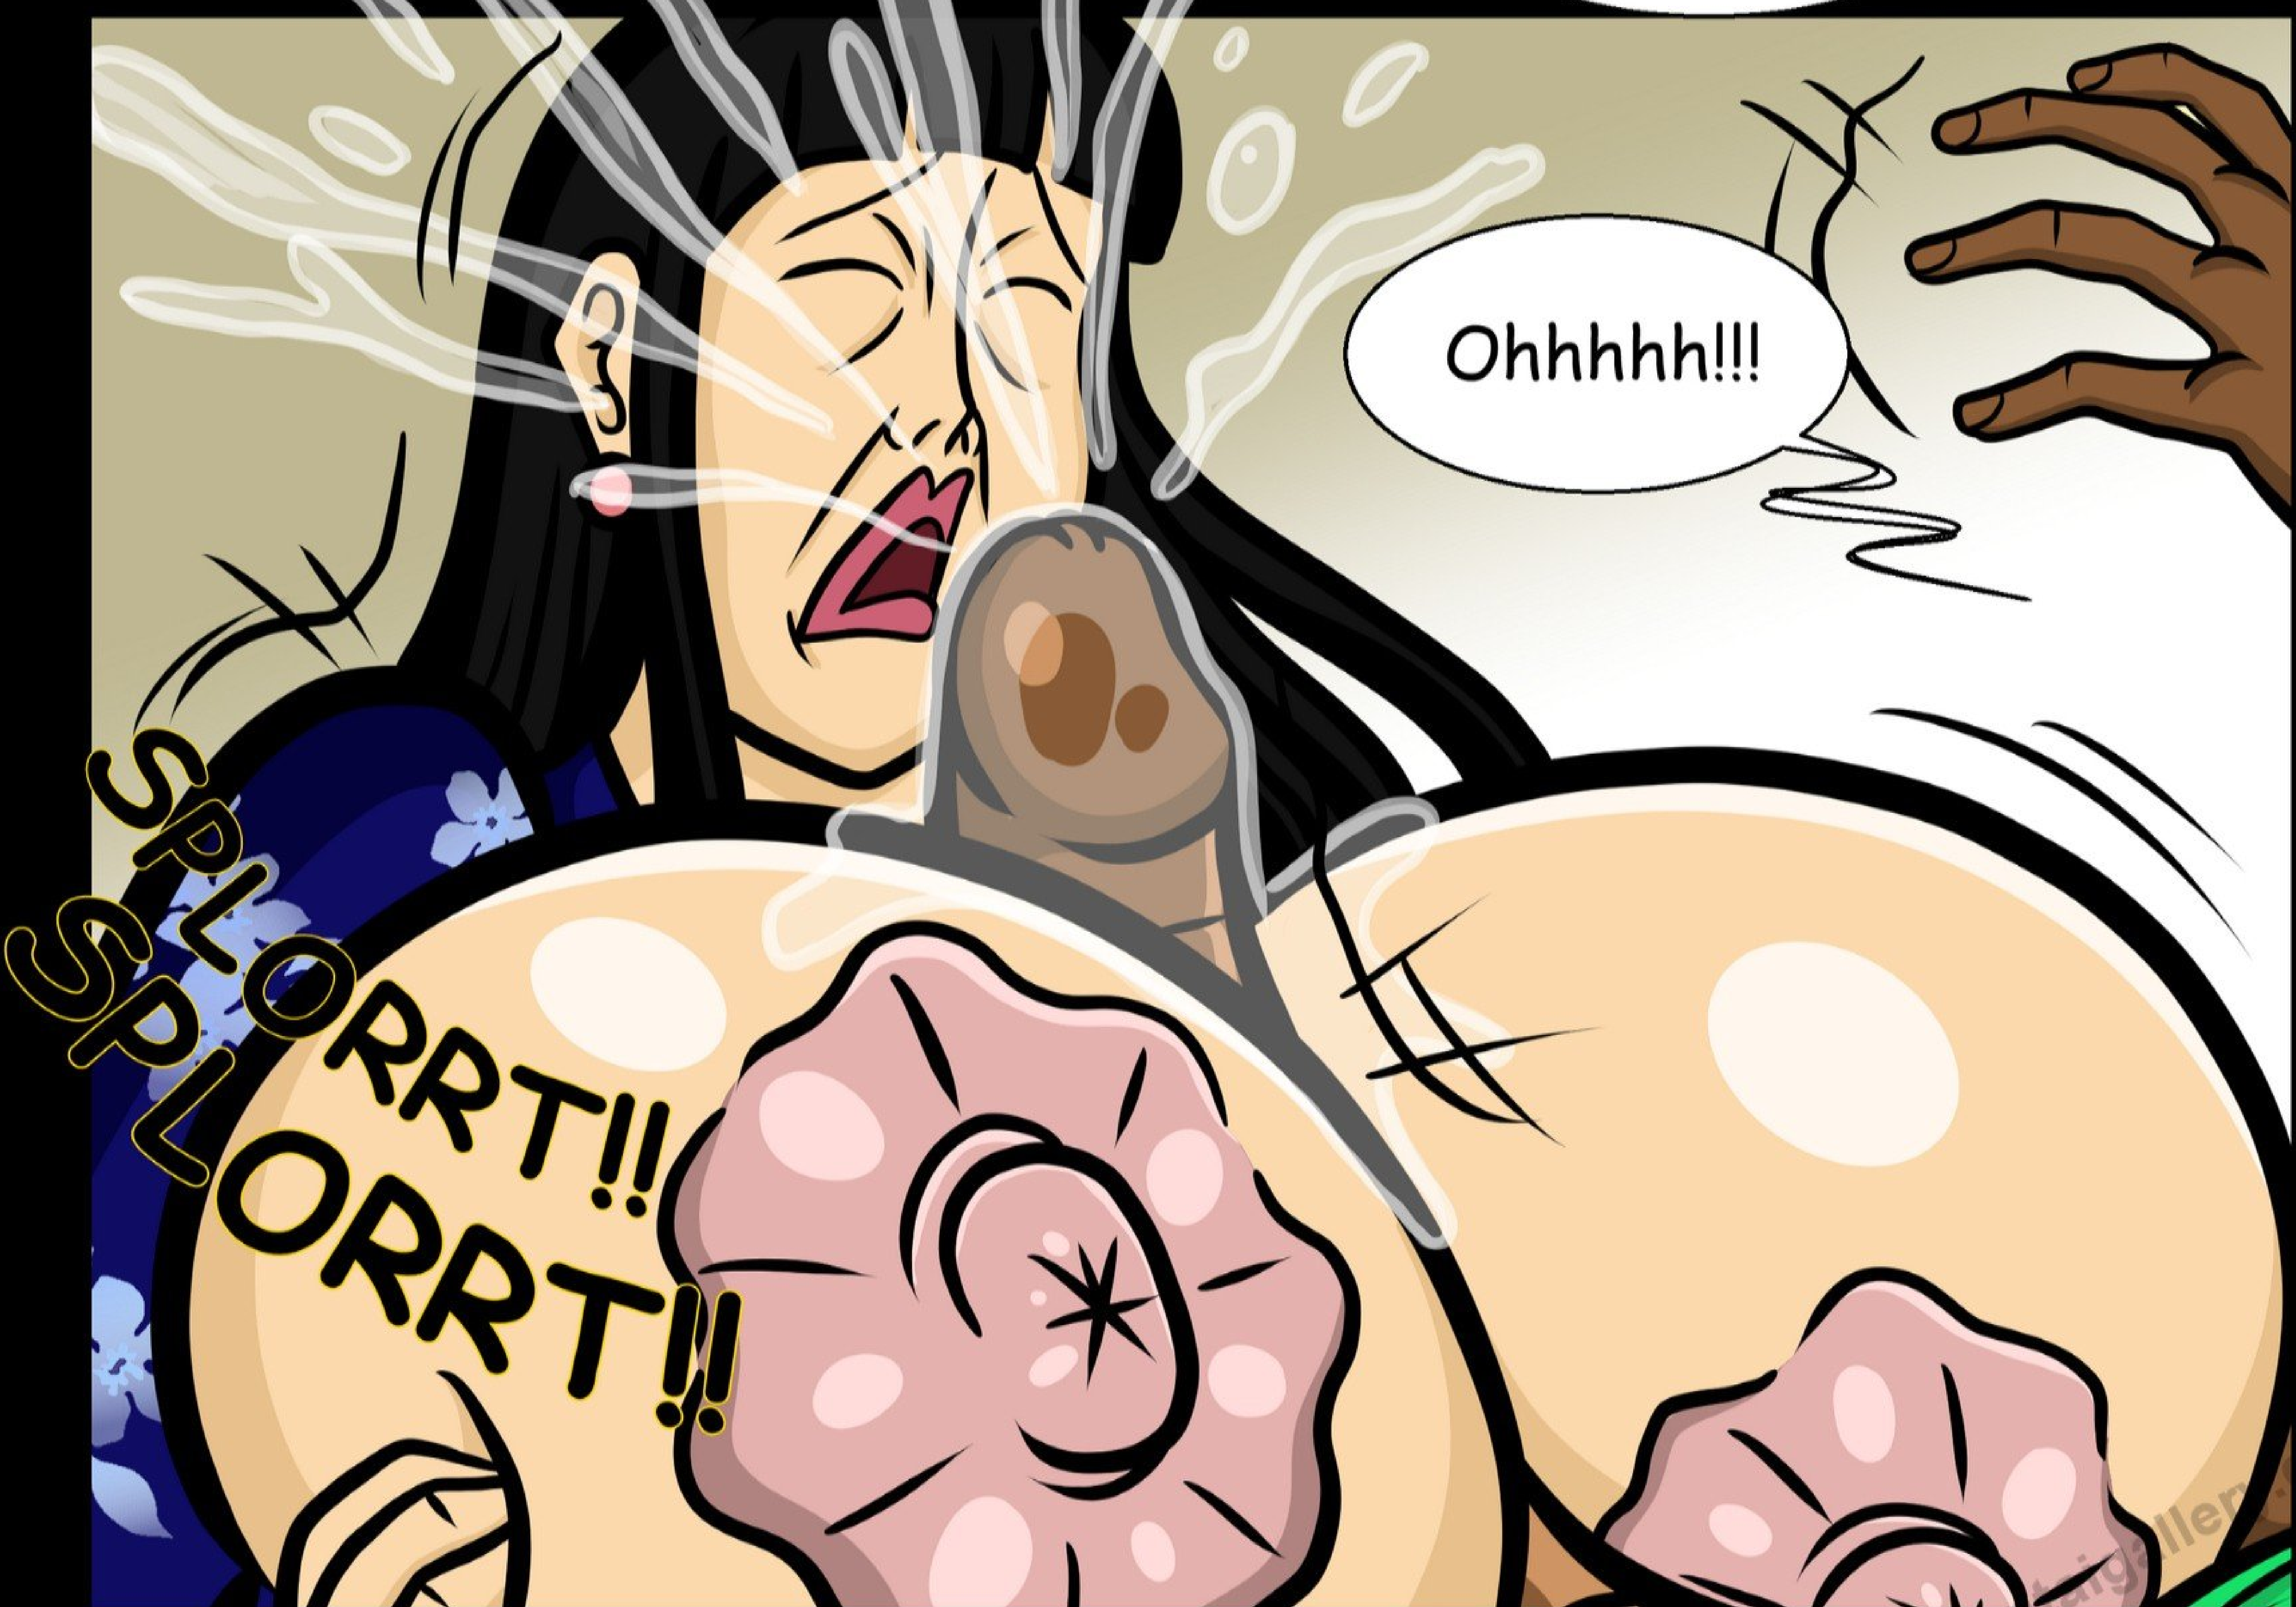

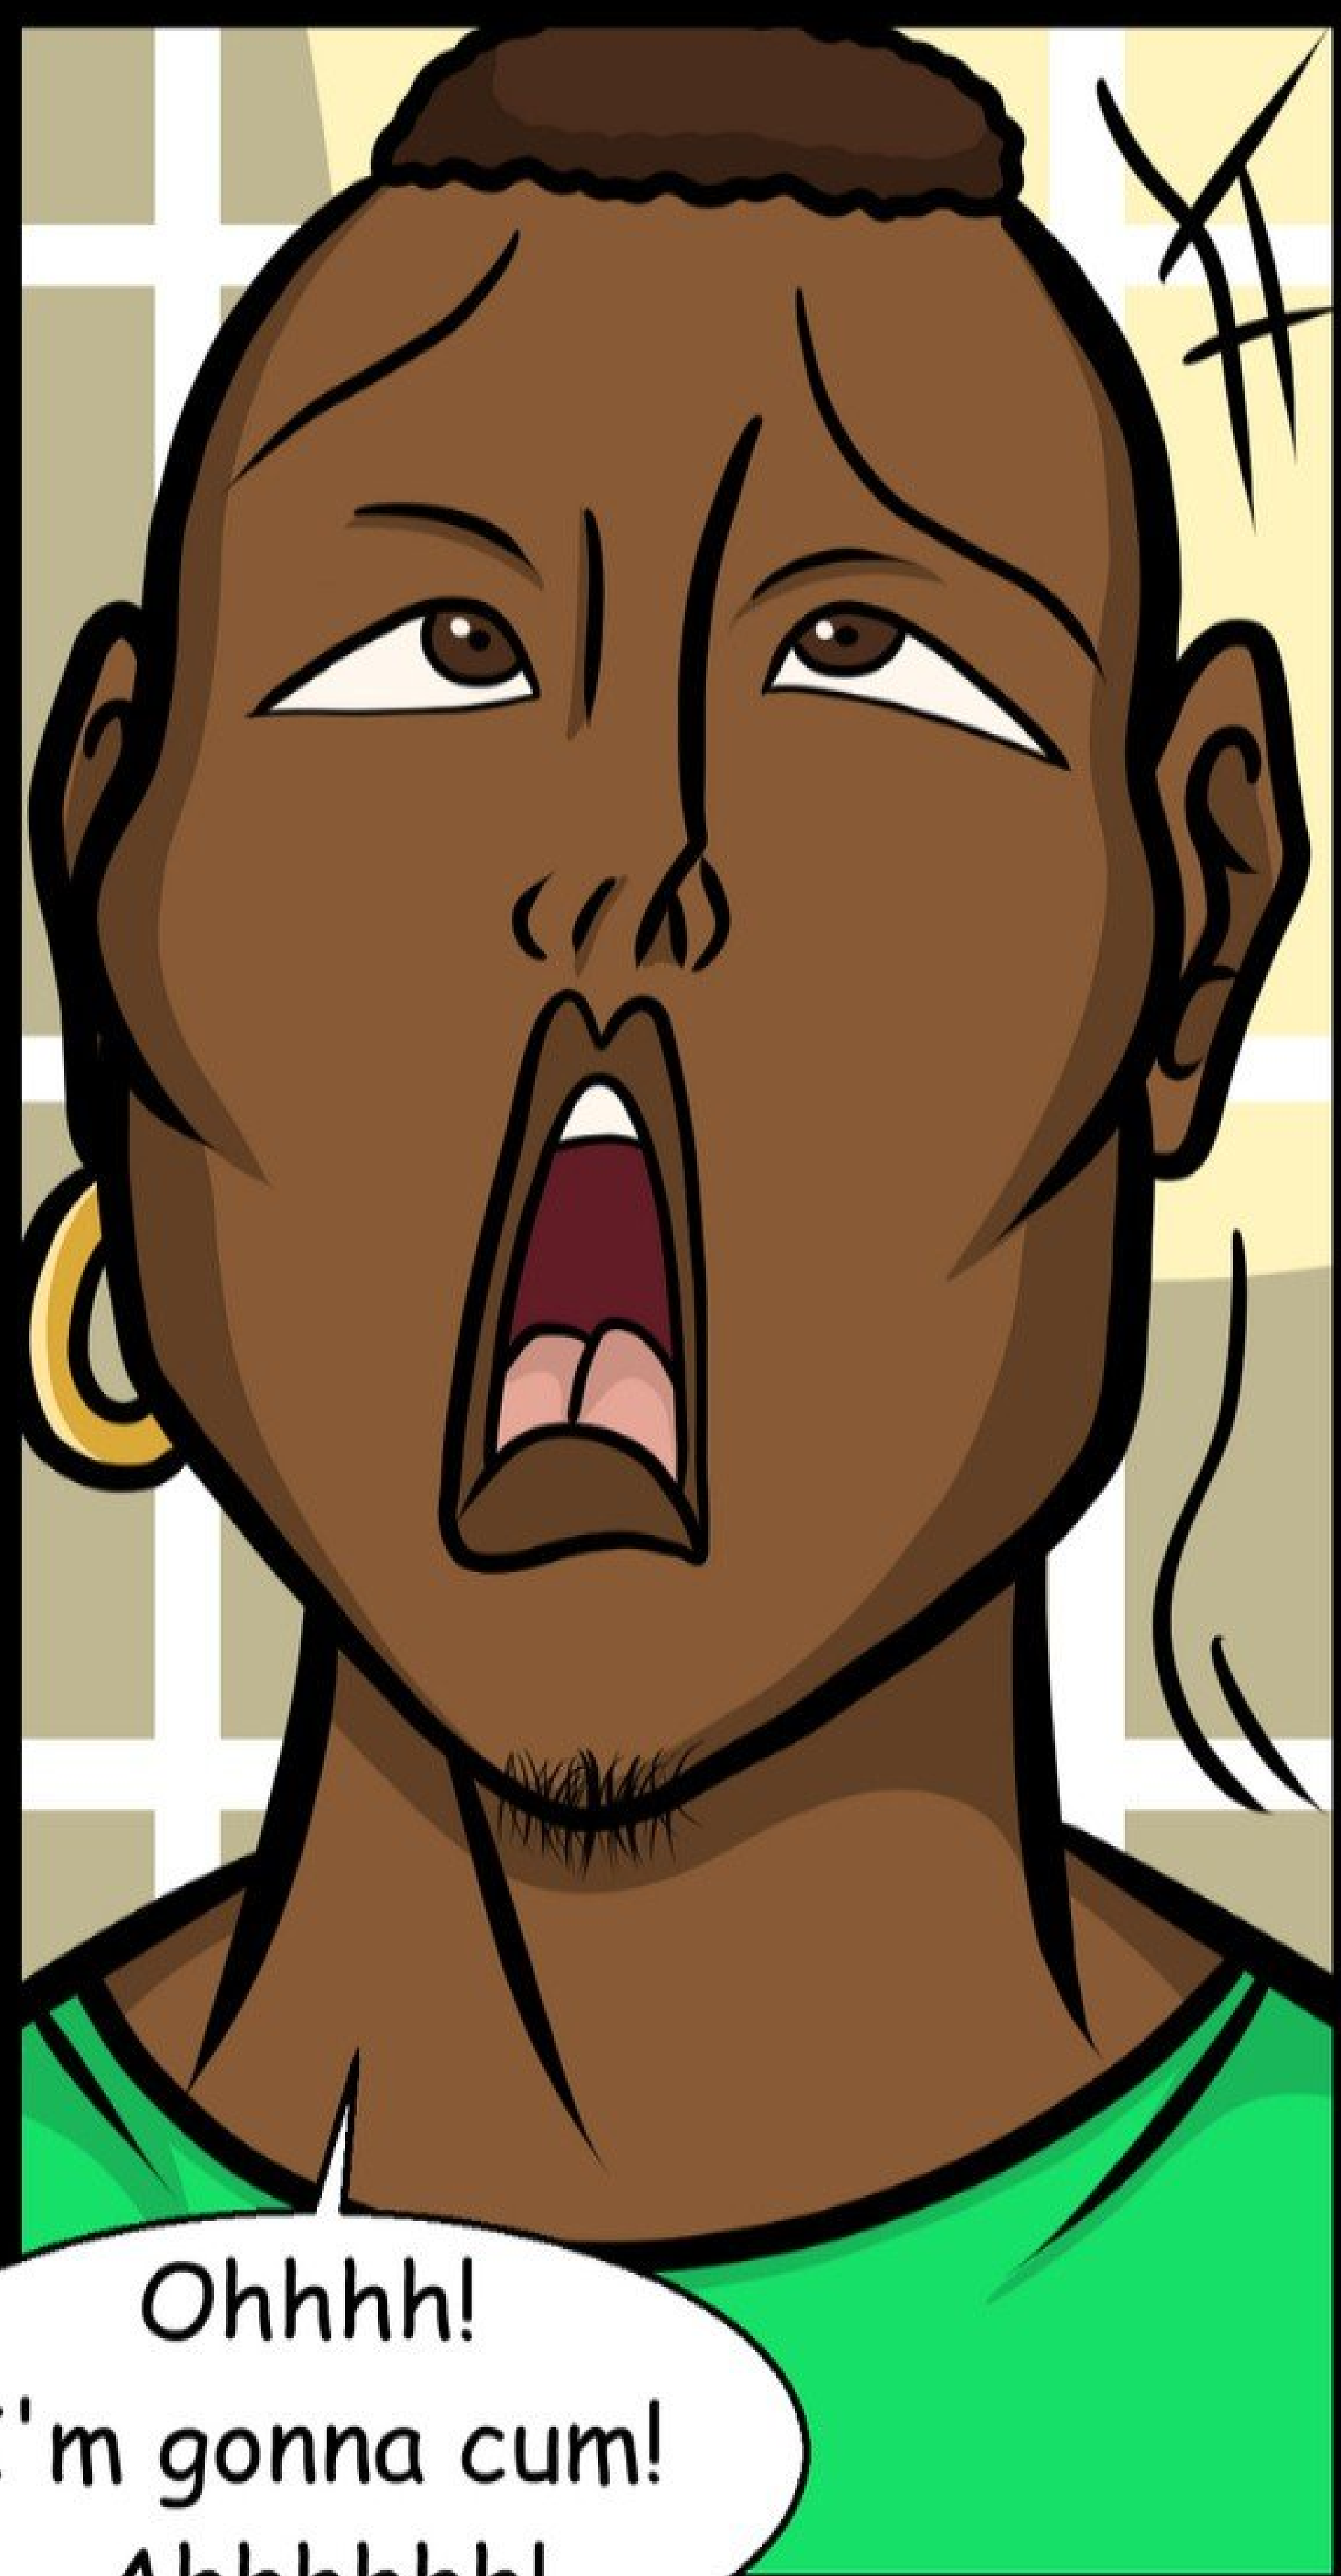

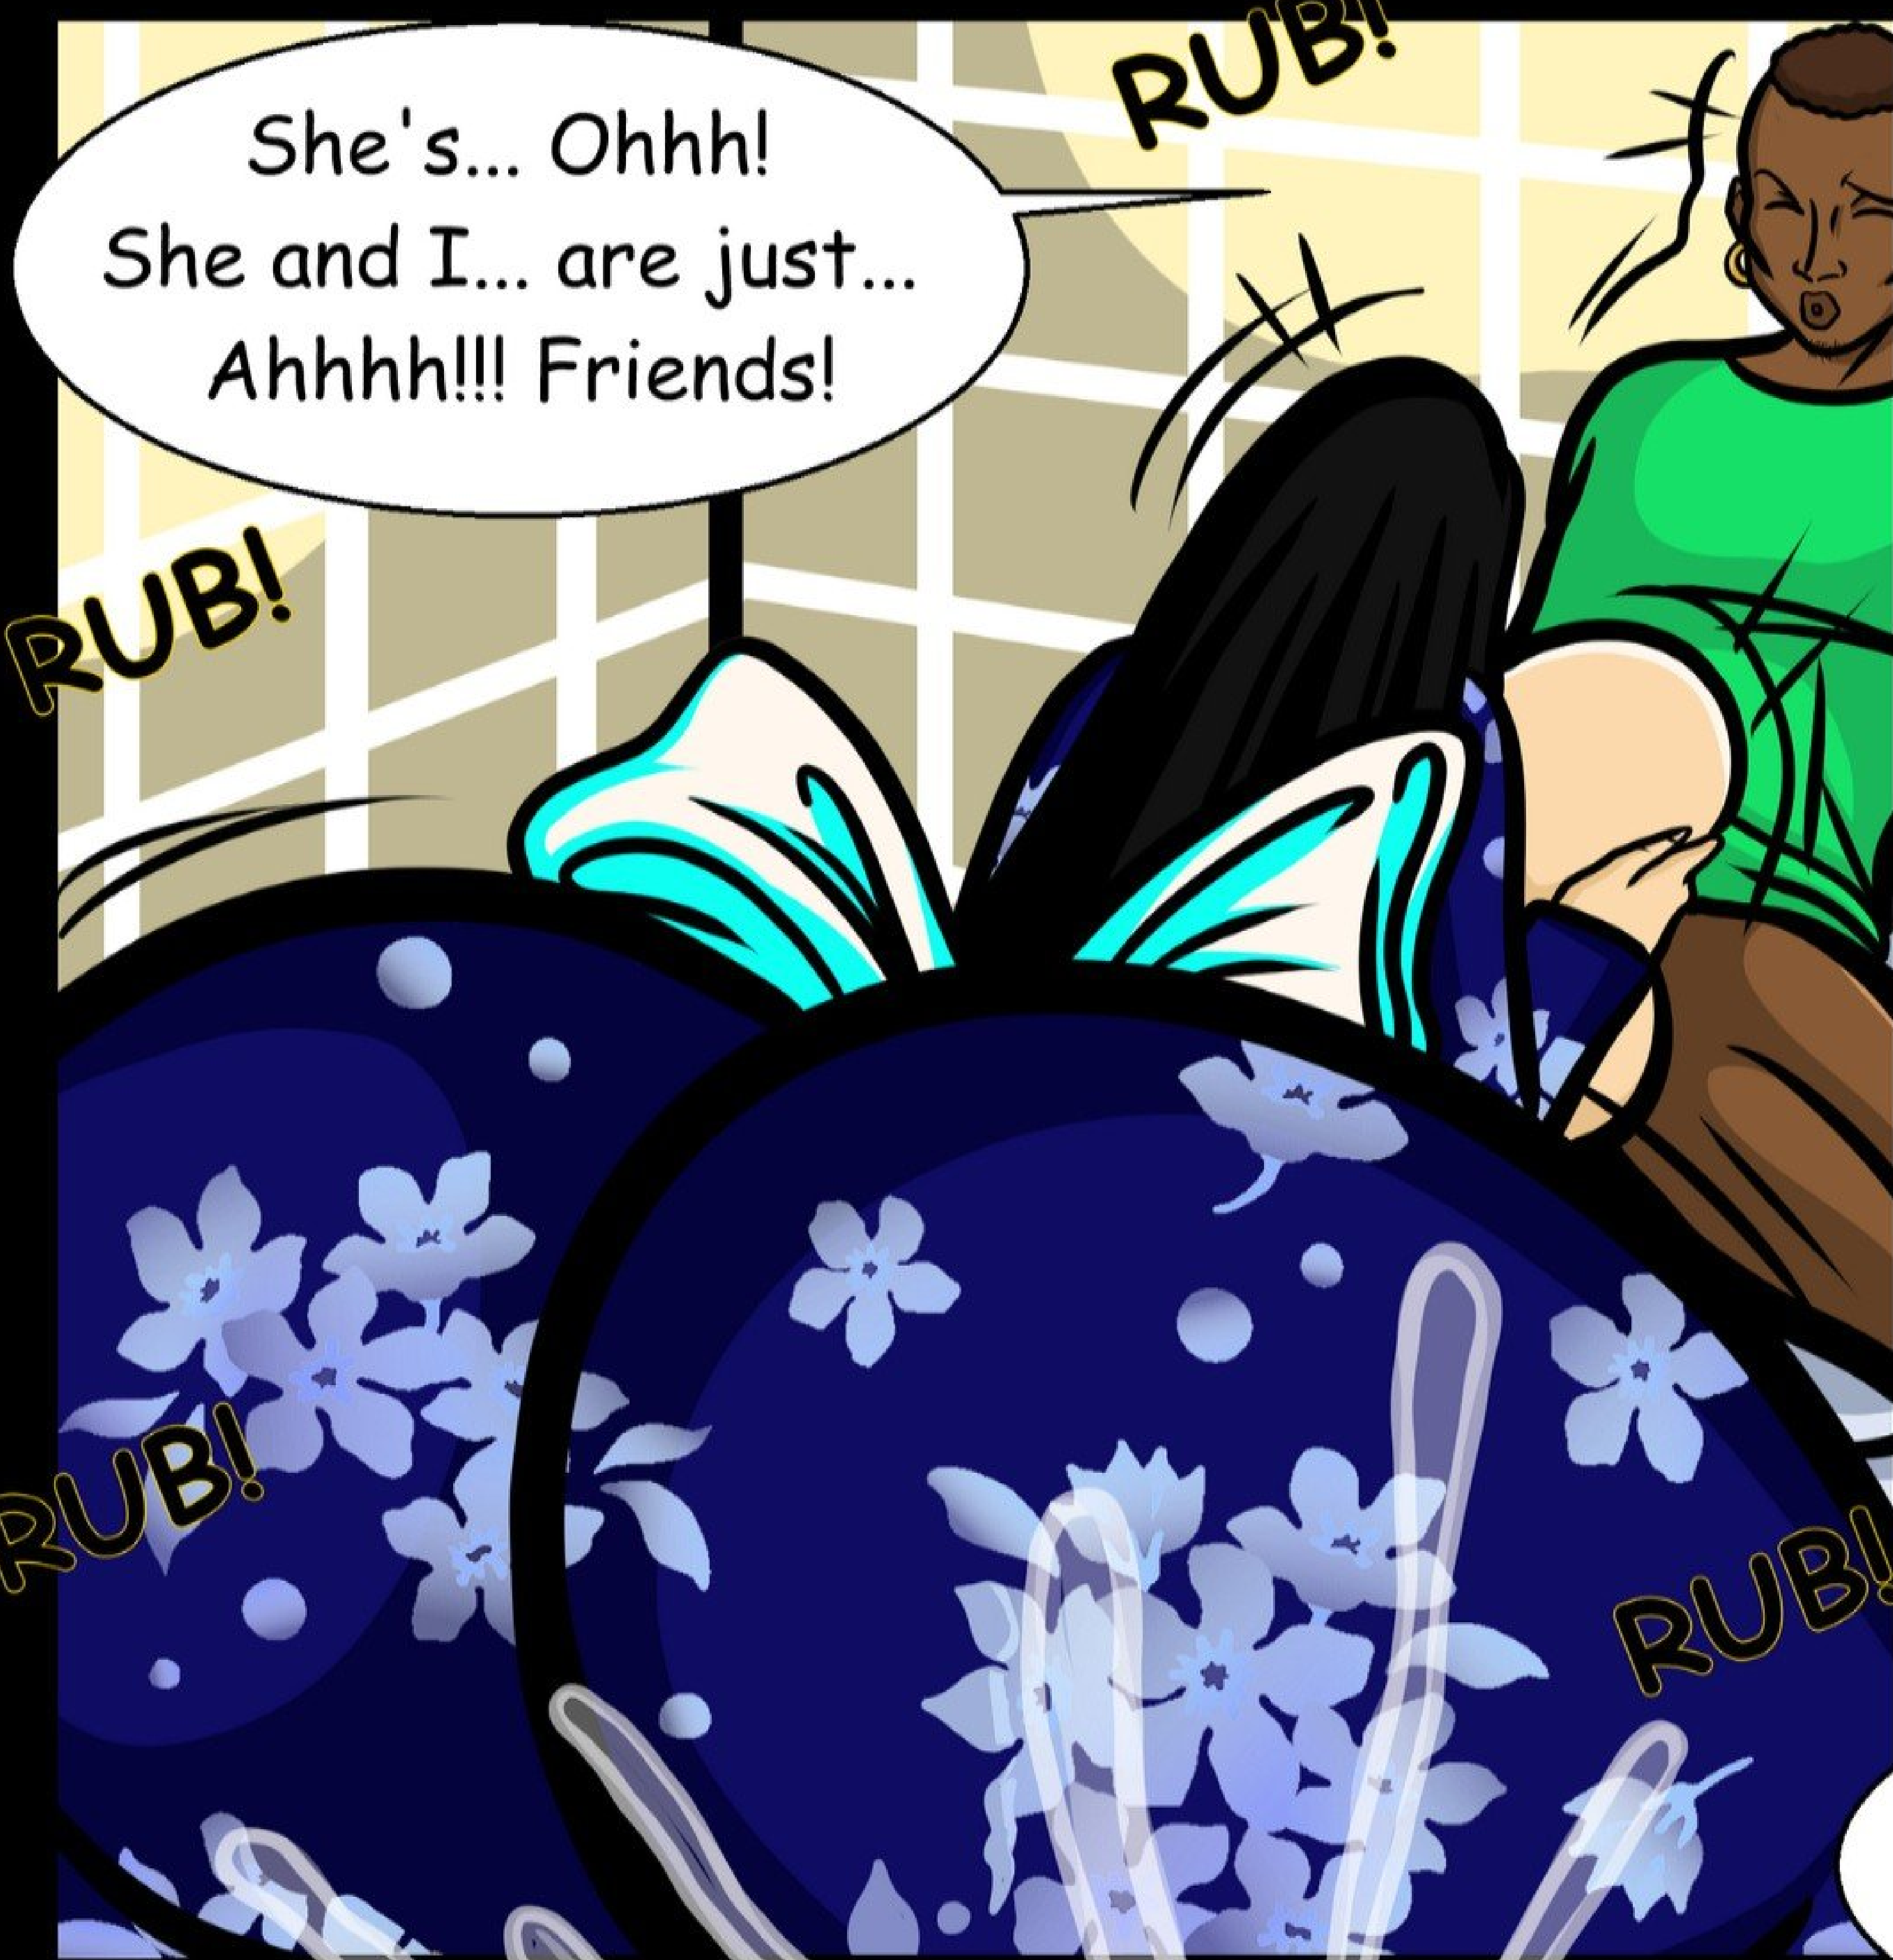

RUB!

RUB!

I never cease
to be amazed at
the size of this
"thing" Gavin.

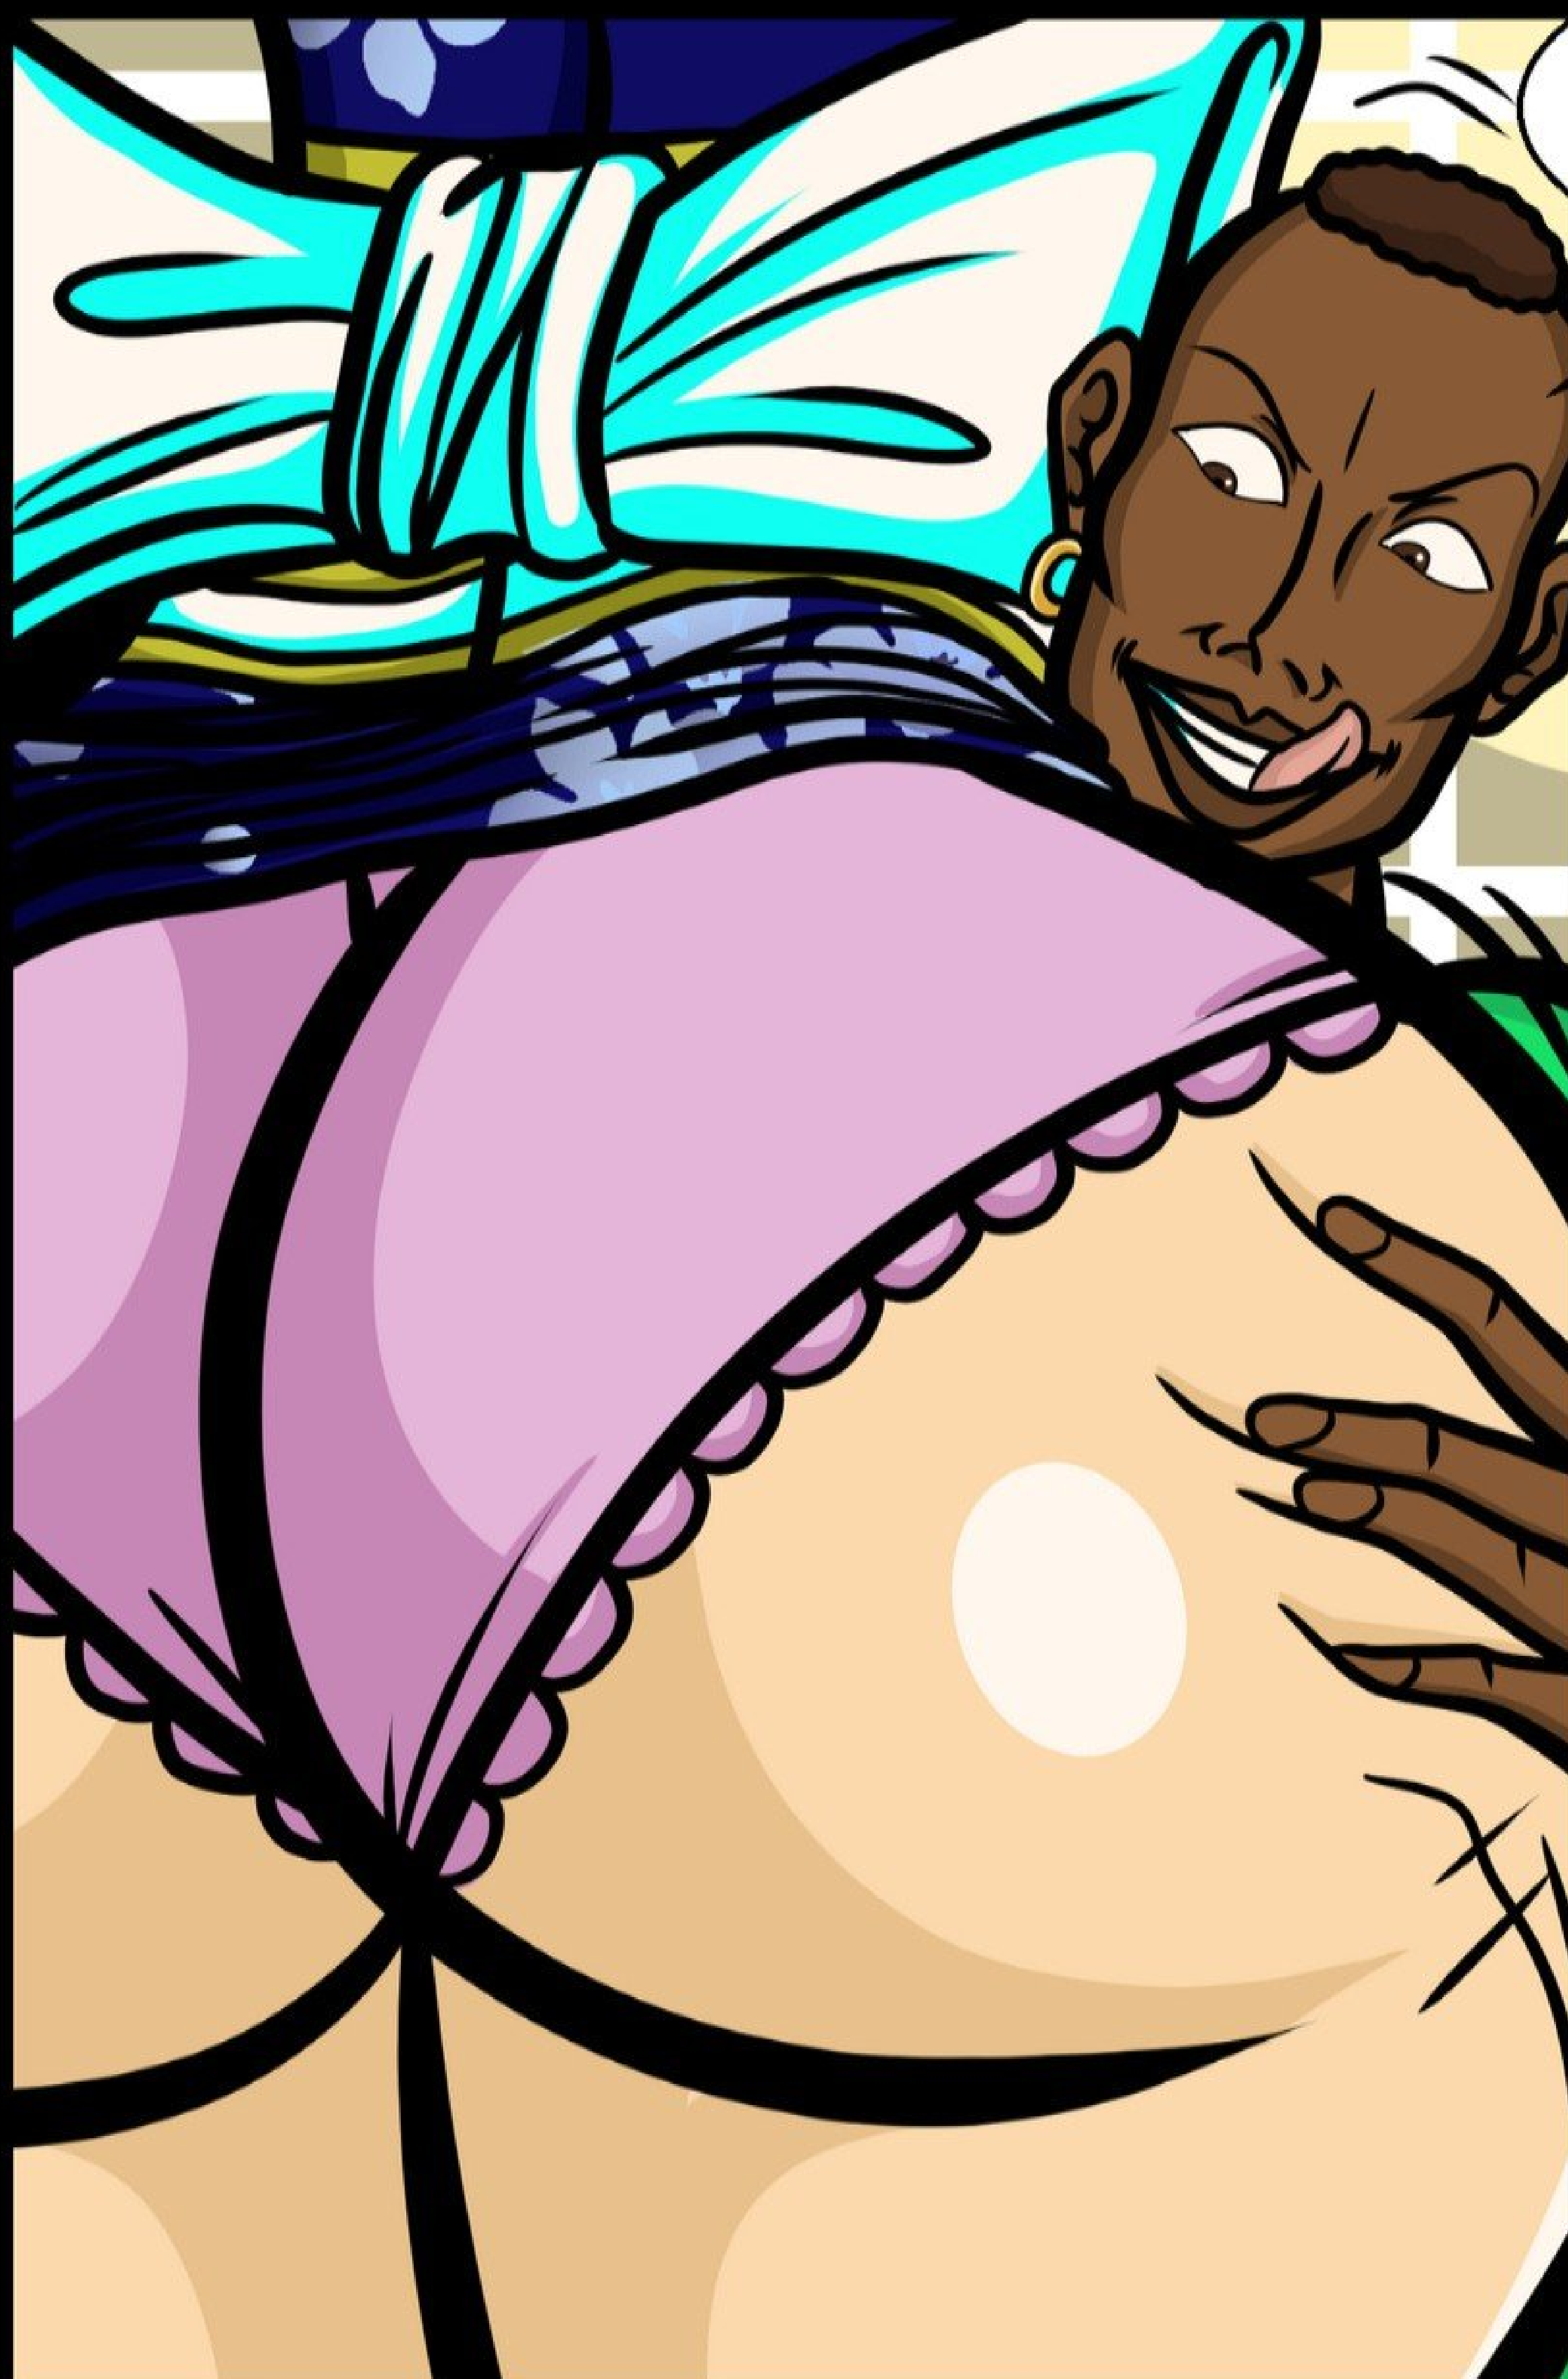

Come,
Nee-san.

I love
everything about
you, Nee-san!
Your skin is so
soft, and you
have huge
breasts...

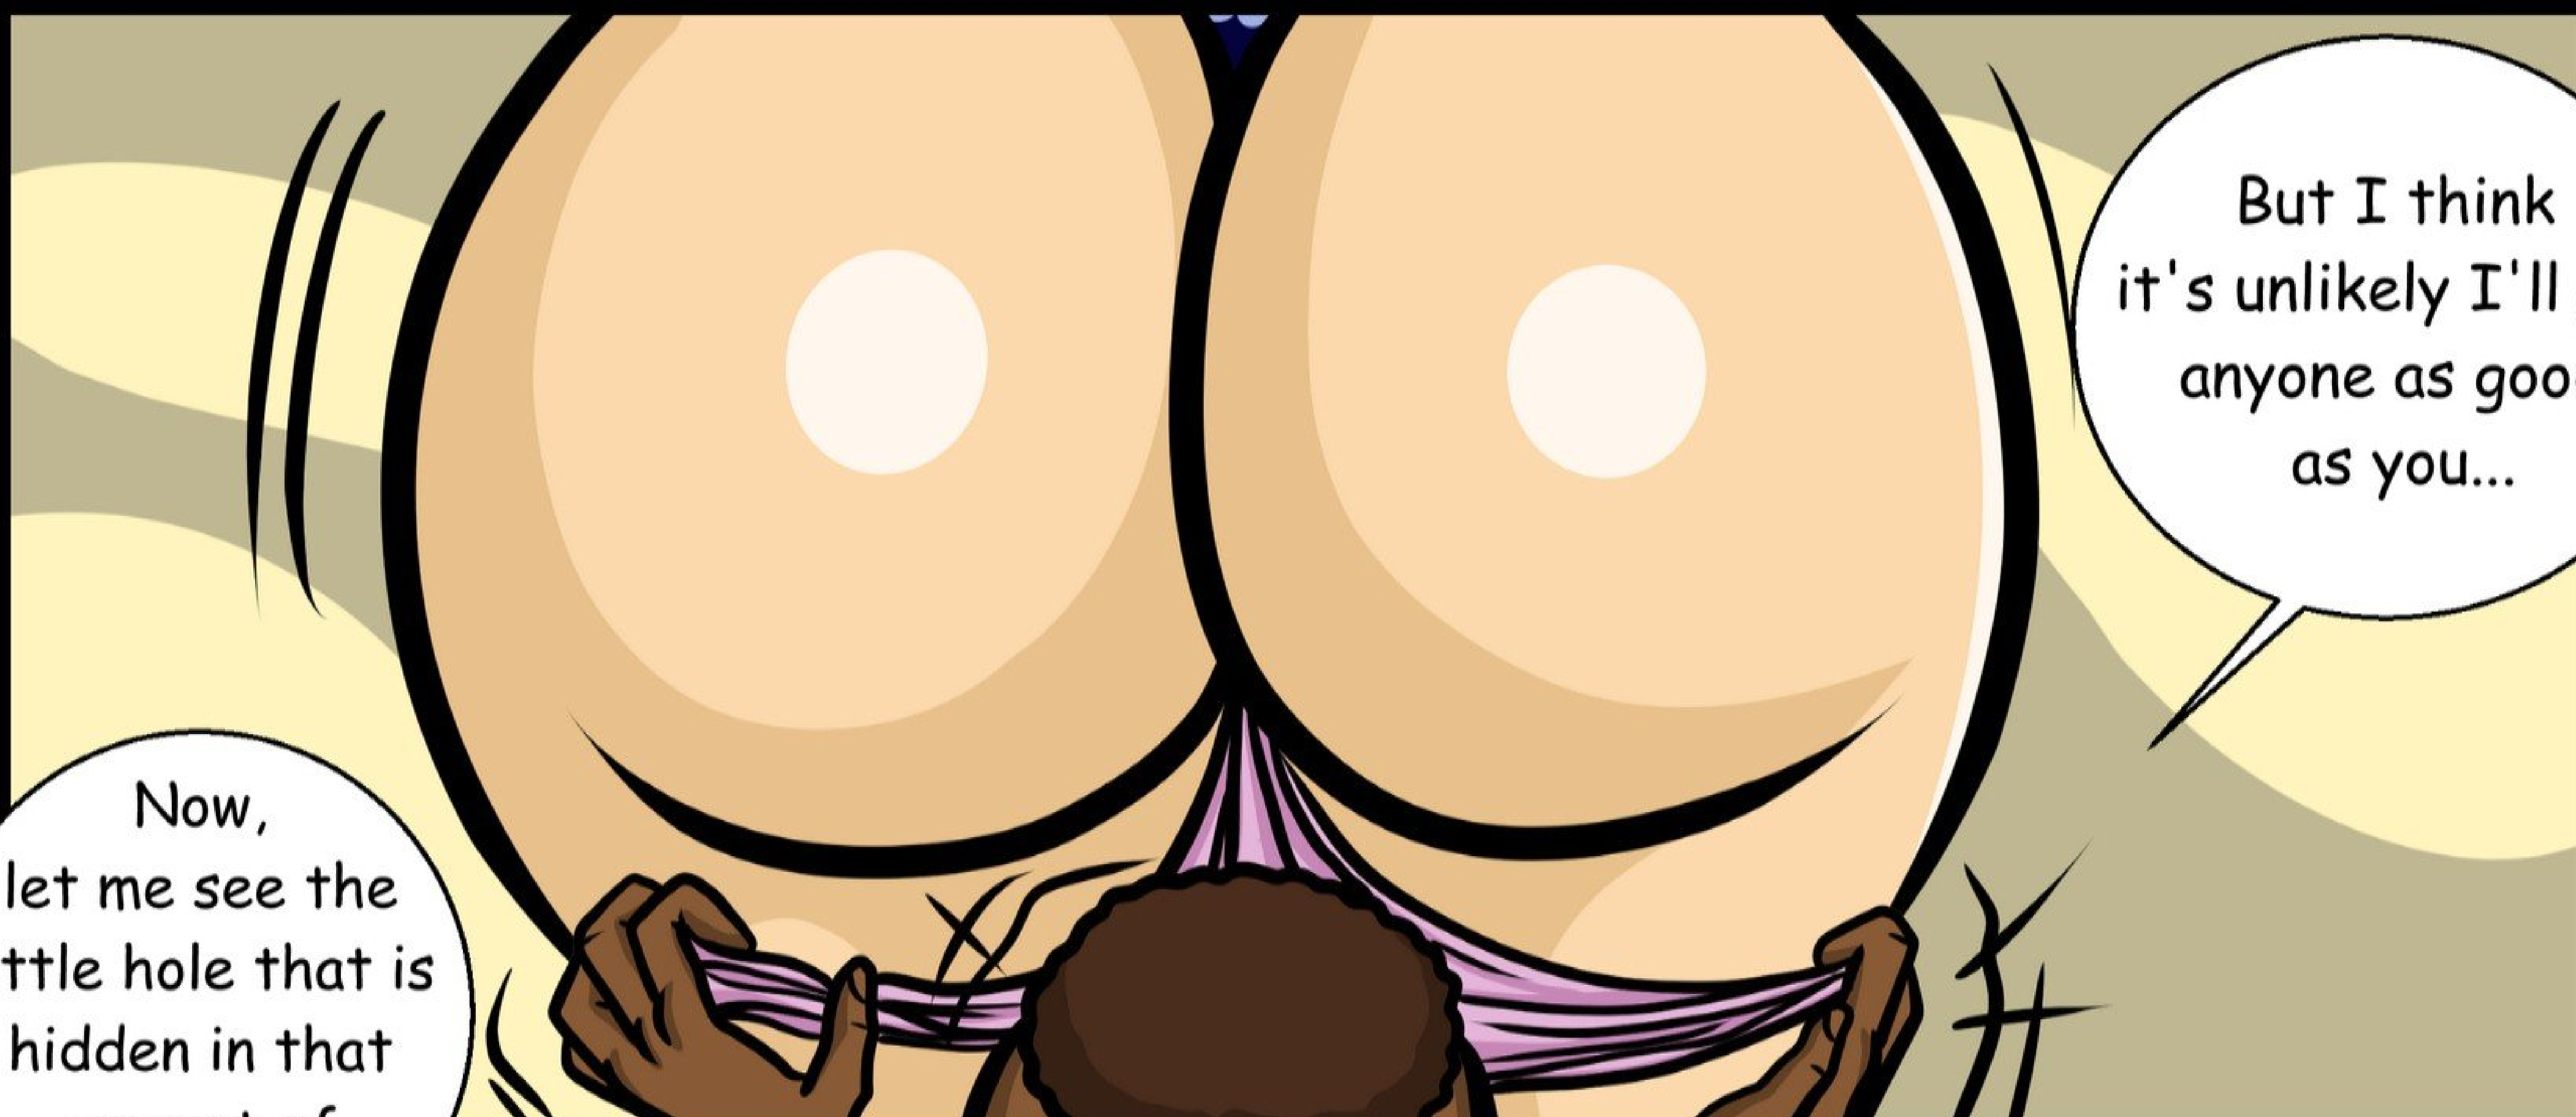

... and, your
big white ass is
incomparable.
There's nothing in the
world more tempting
than your ass, Nee-san.
I want my future wife
to be as good as
you.

I want her to also
let me penetrate her ass,
just like I do yours.

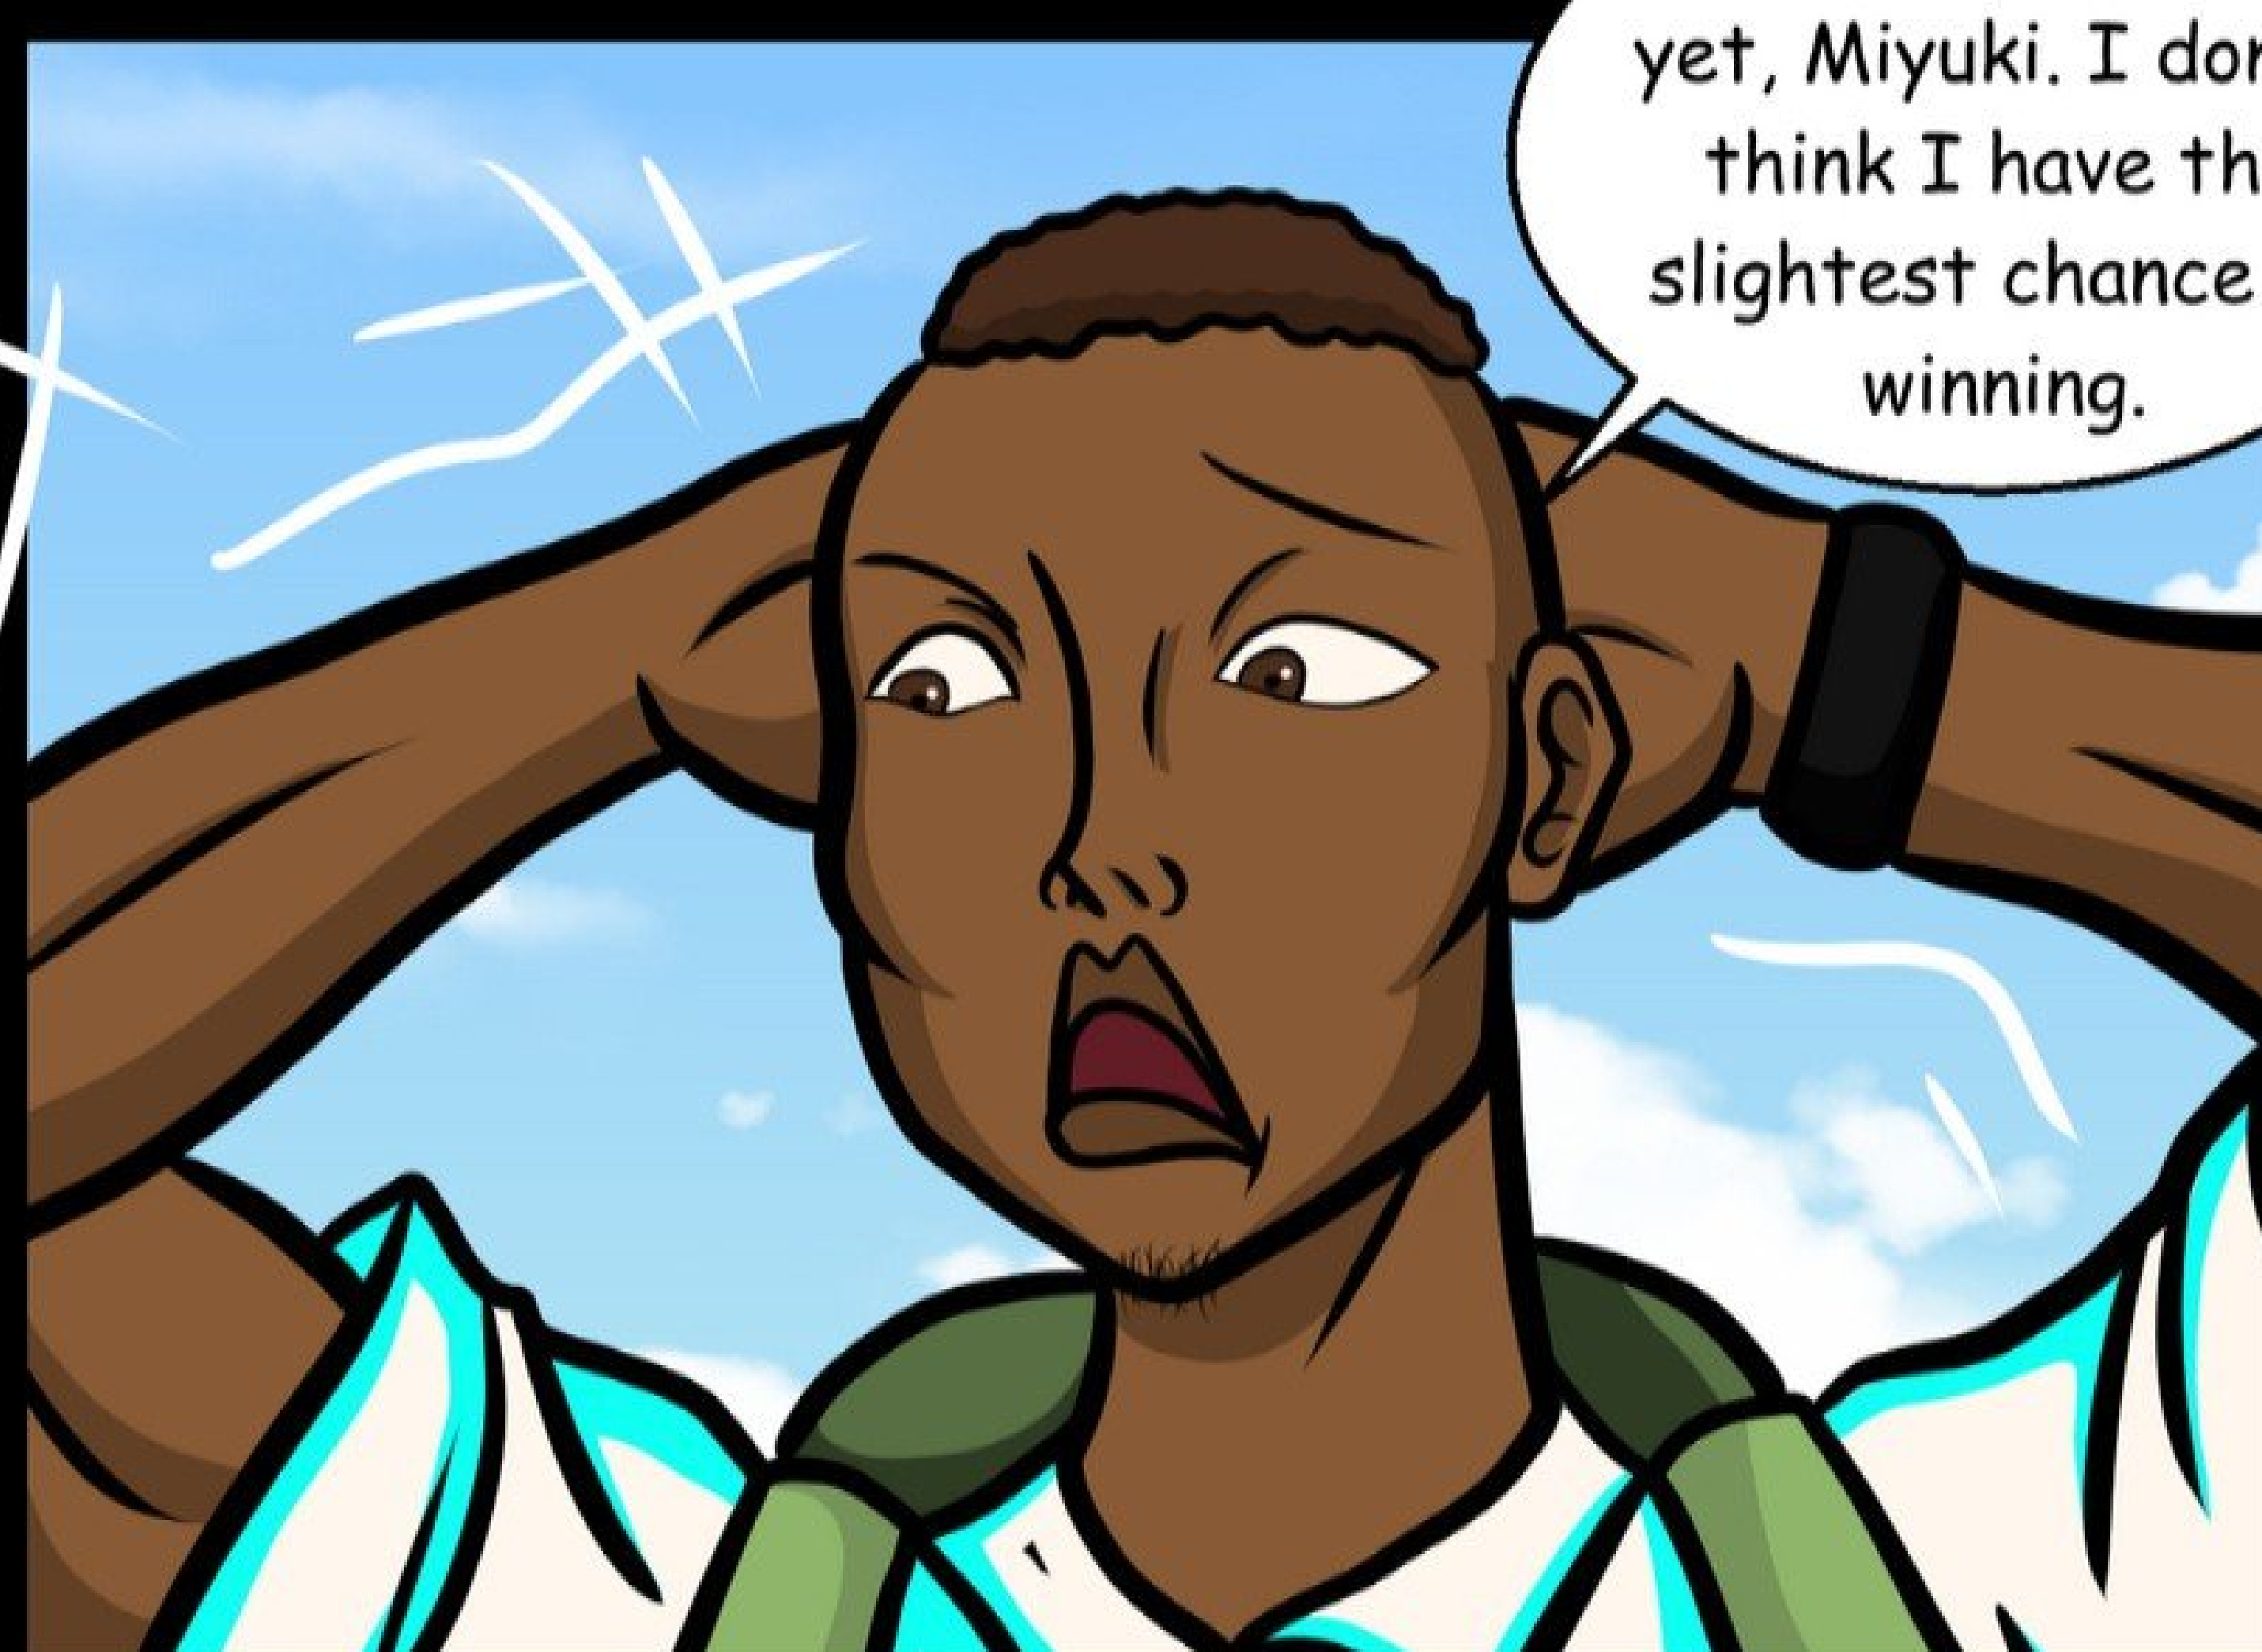

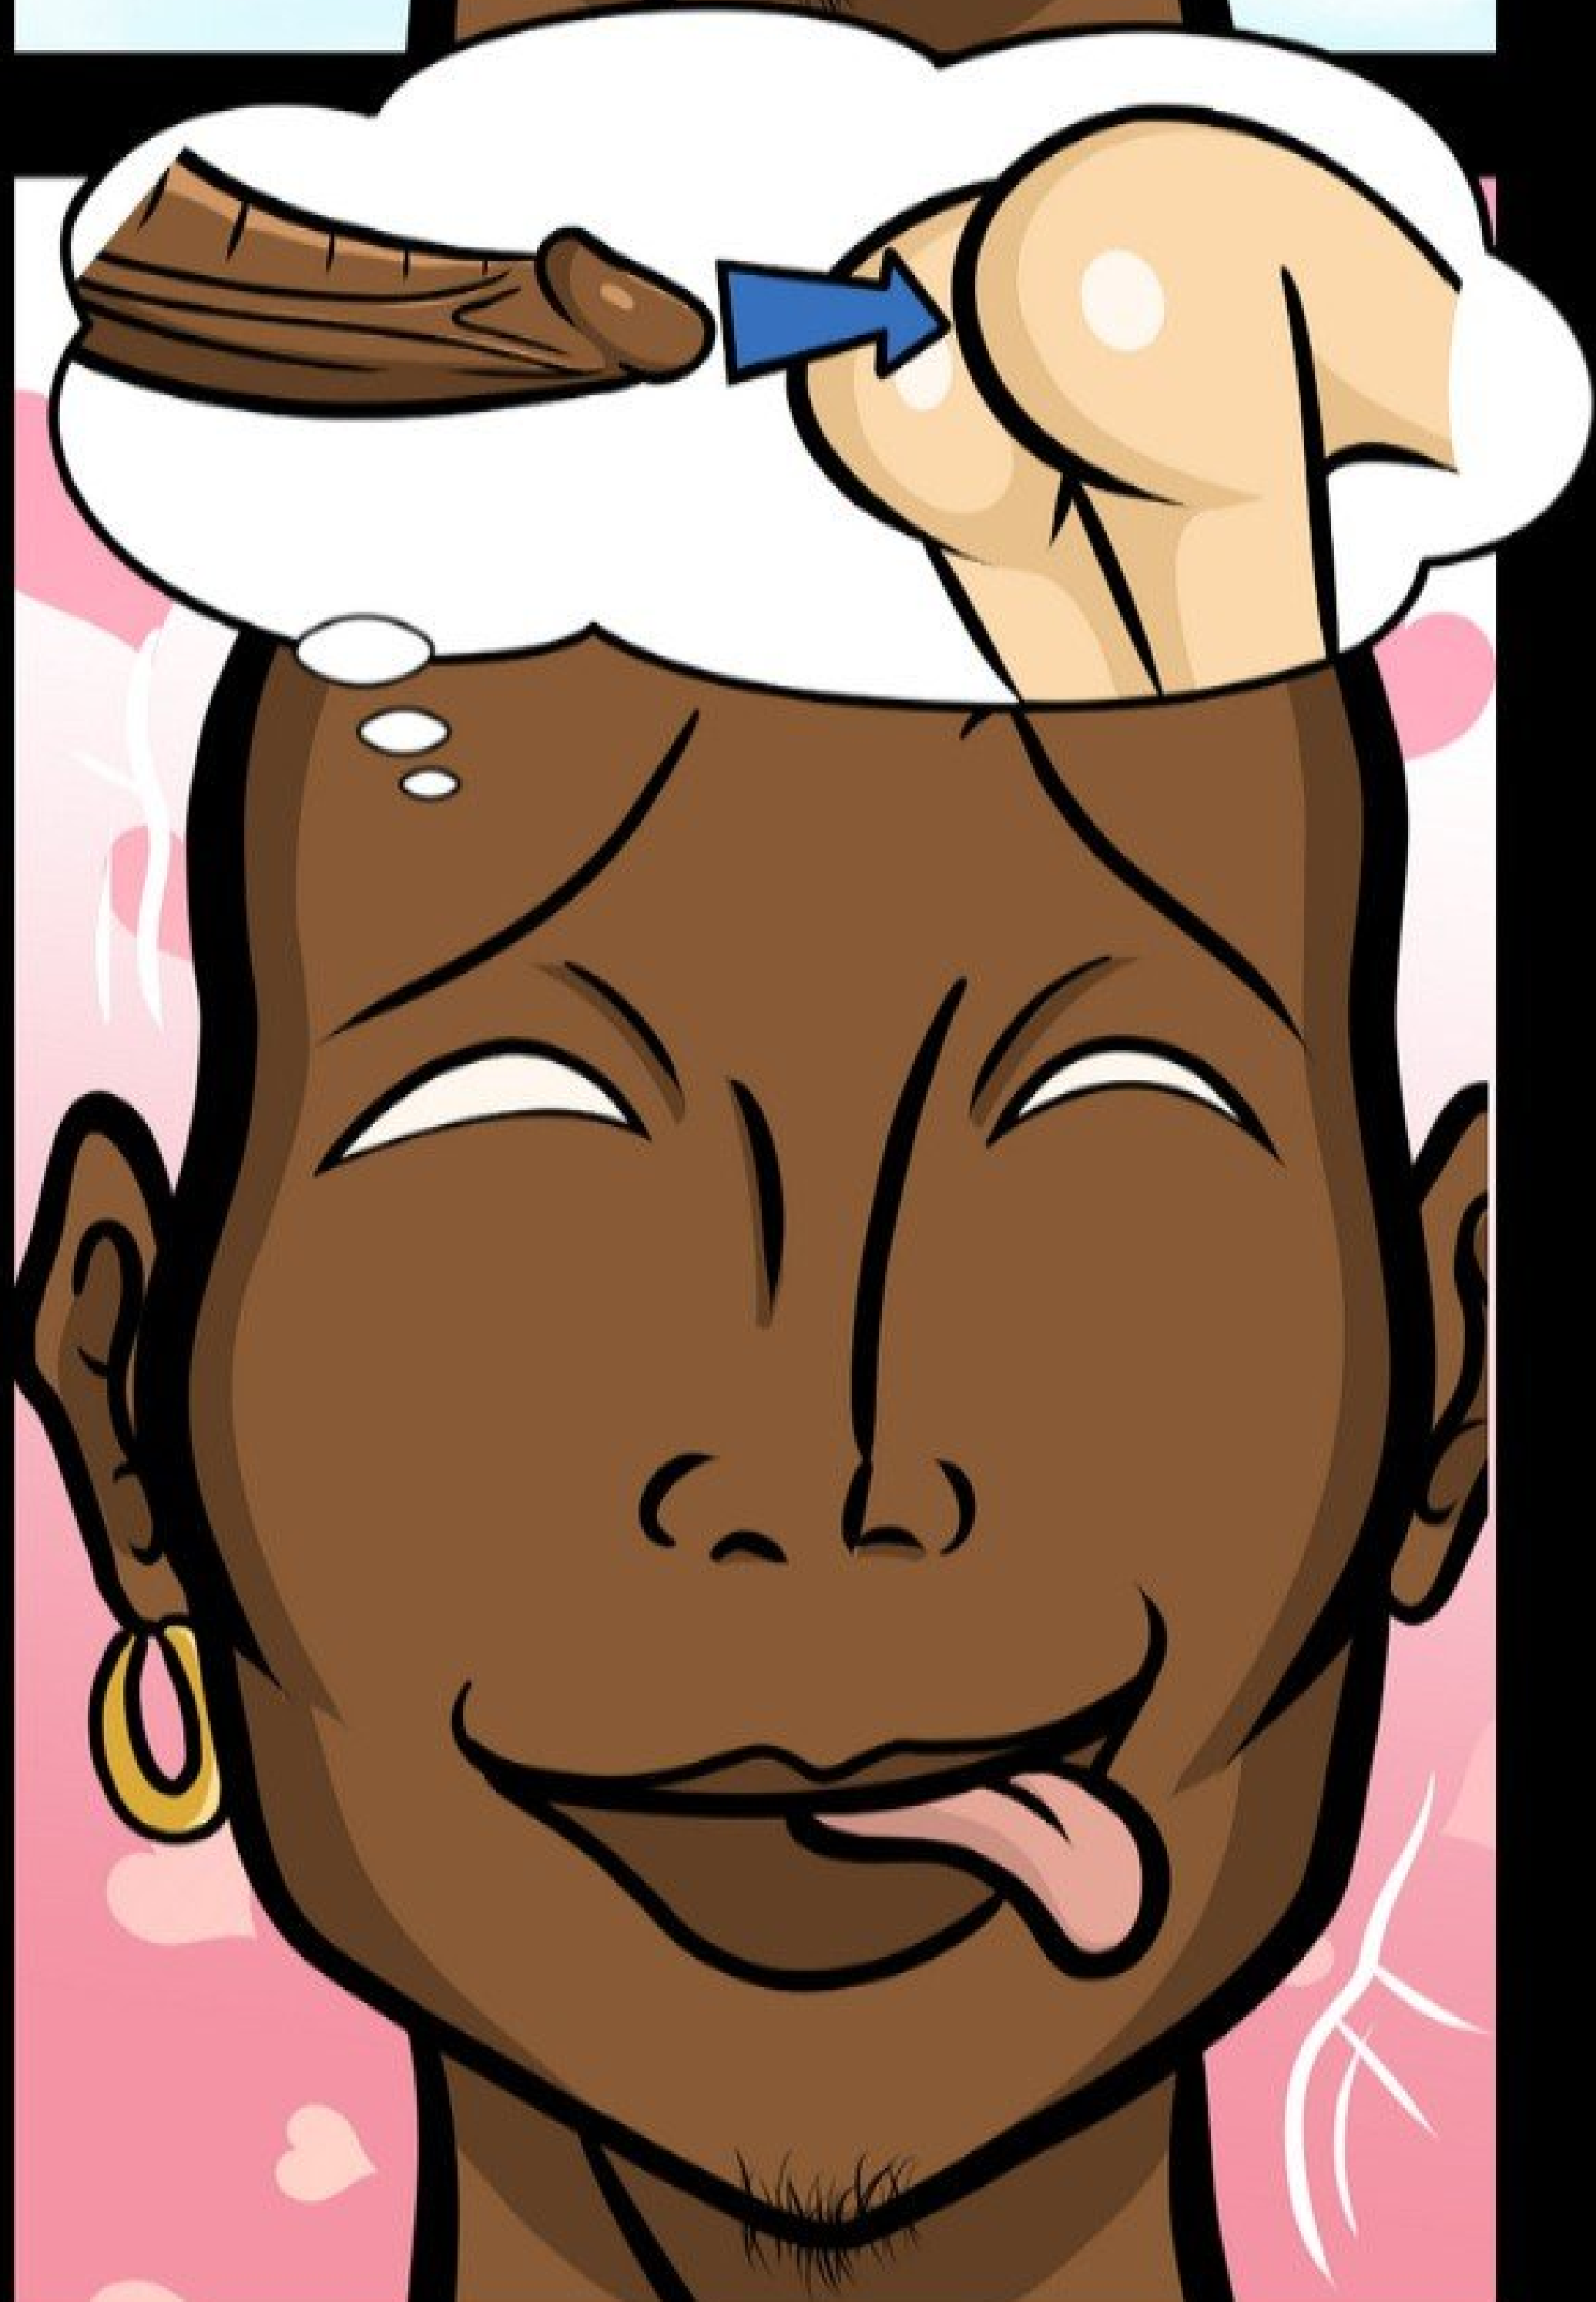

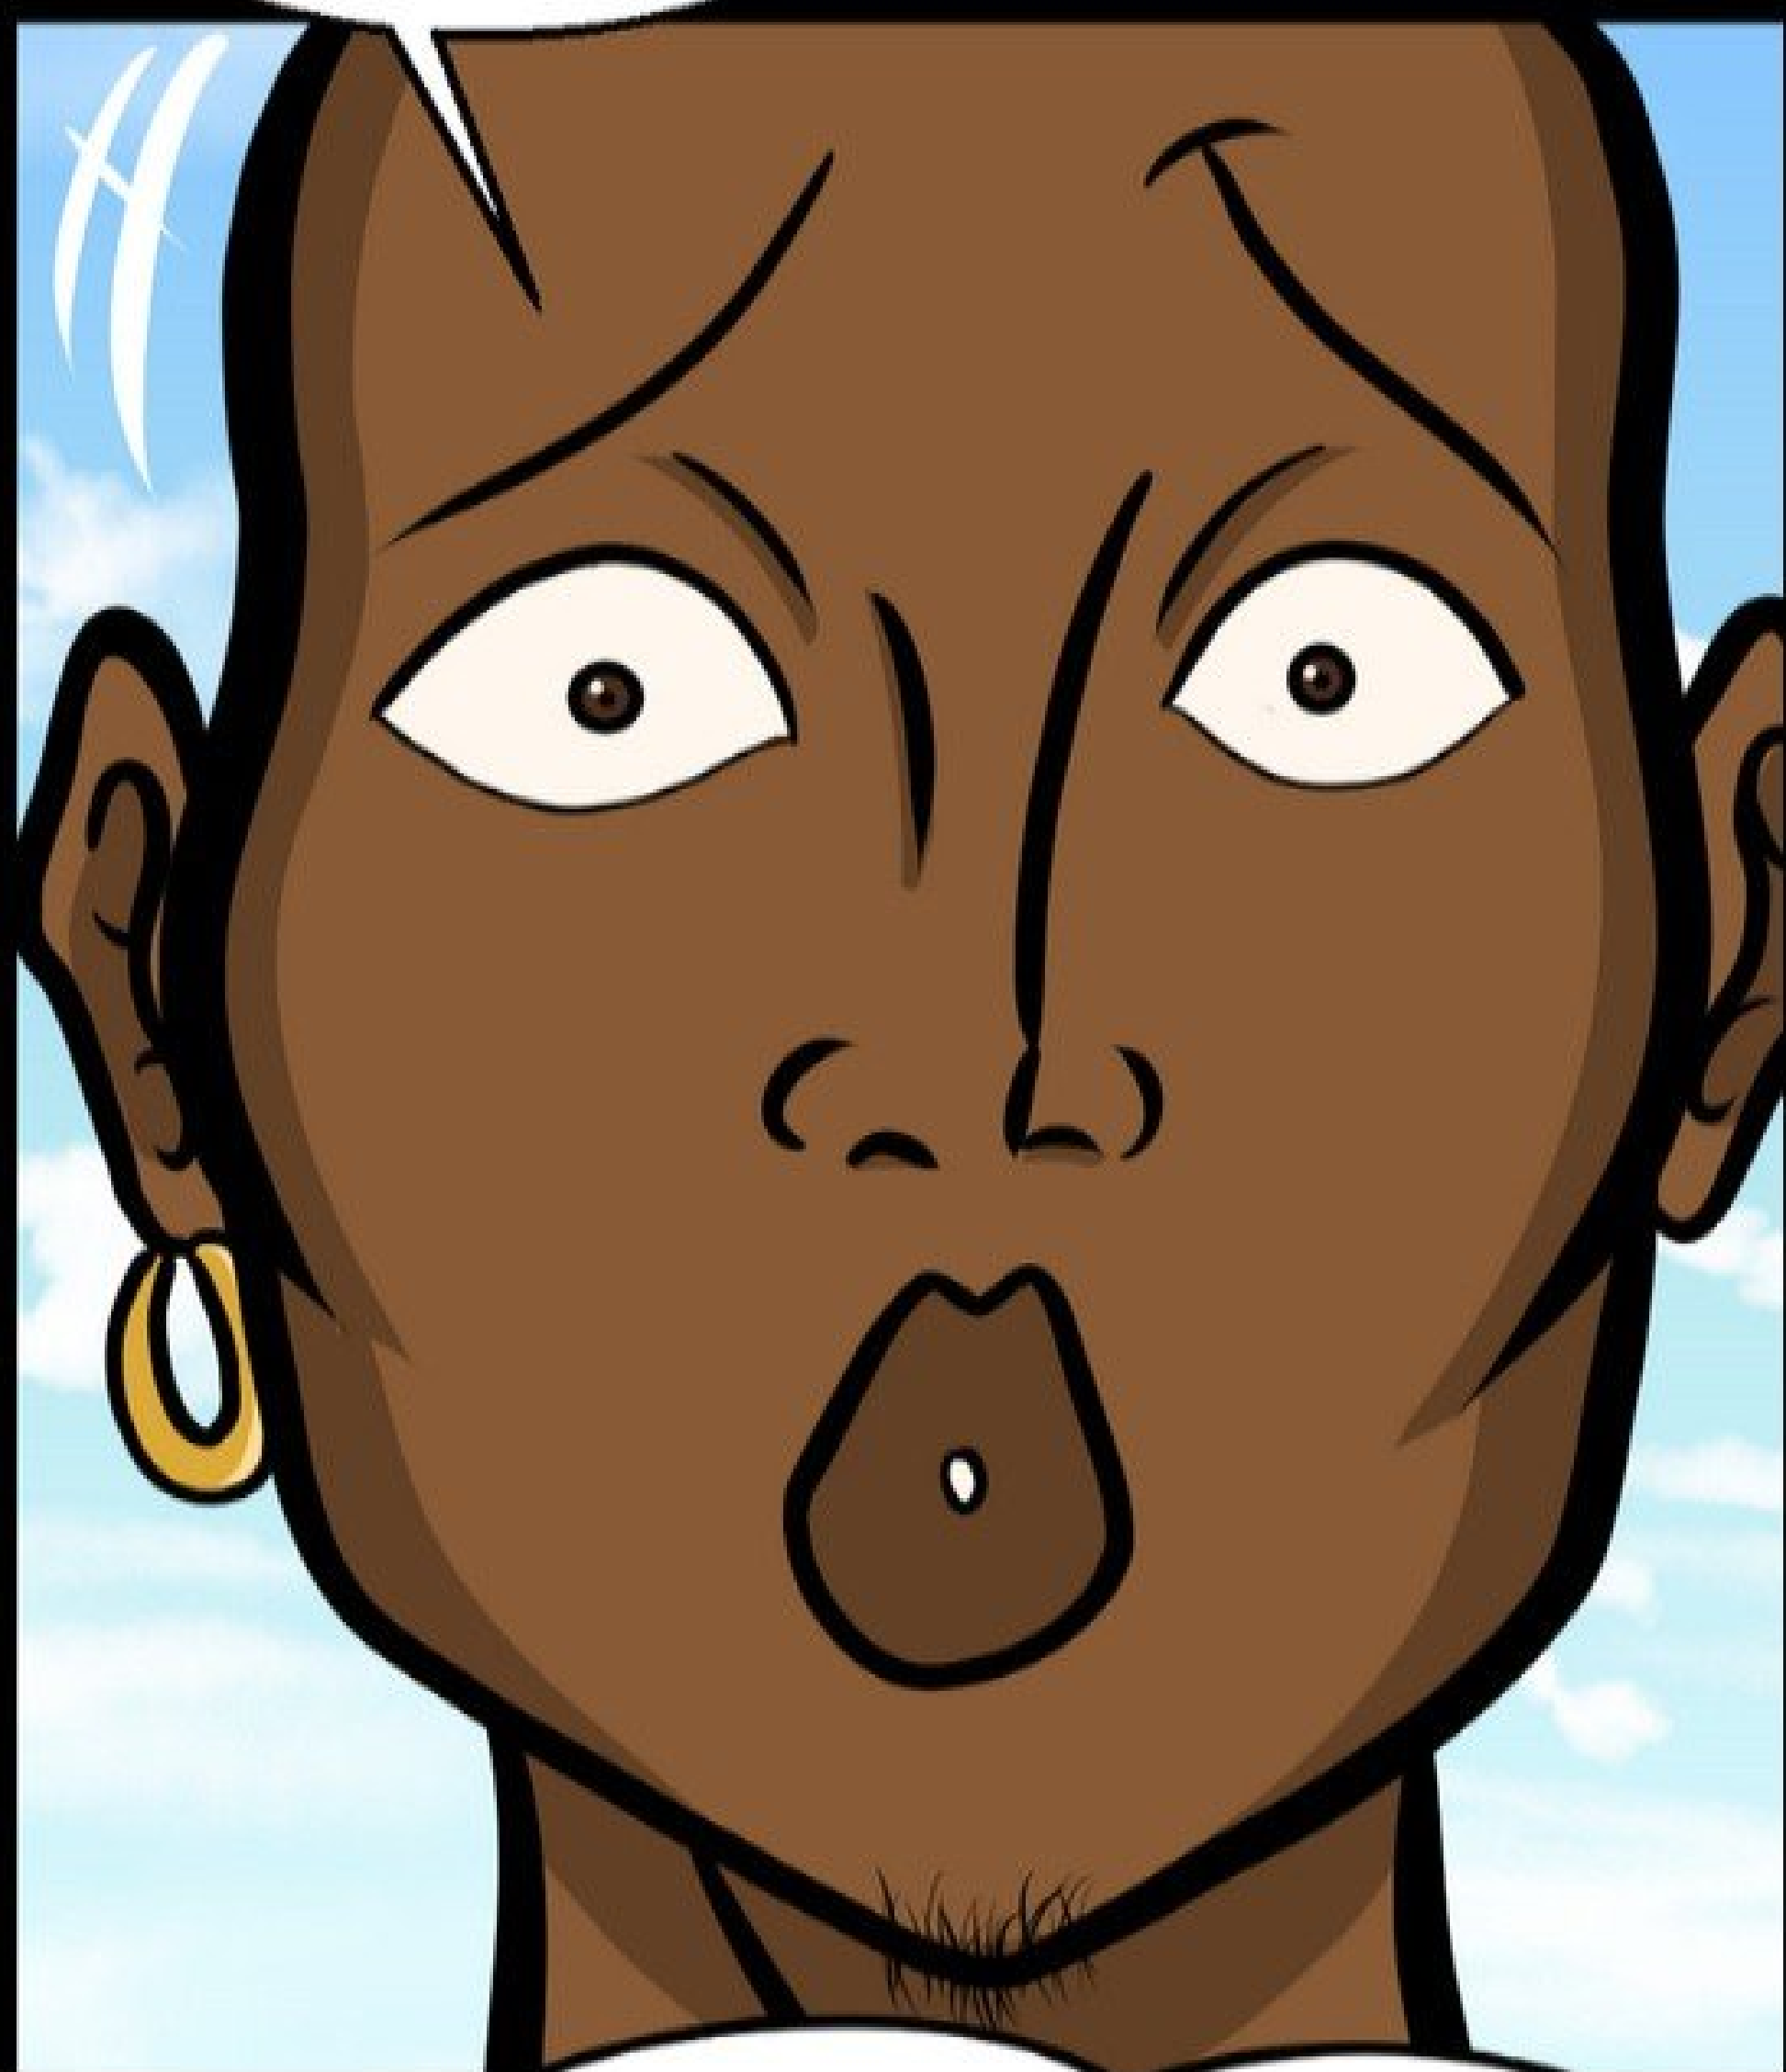

A woman just
like me?

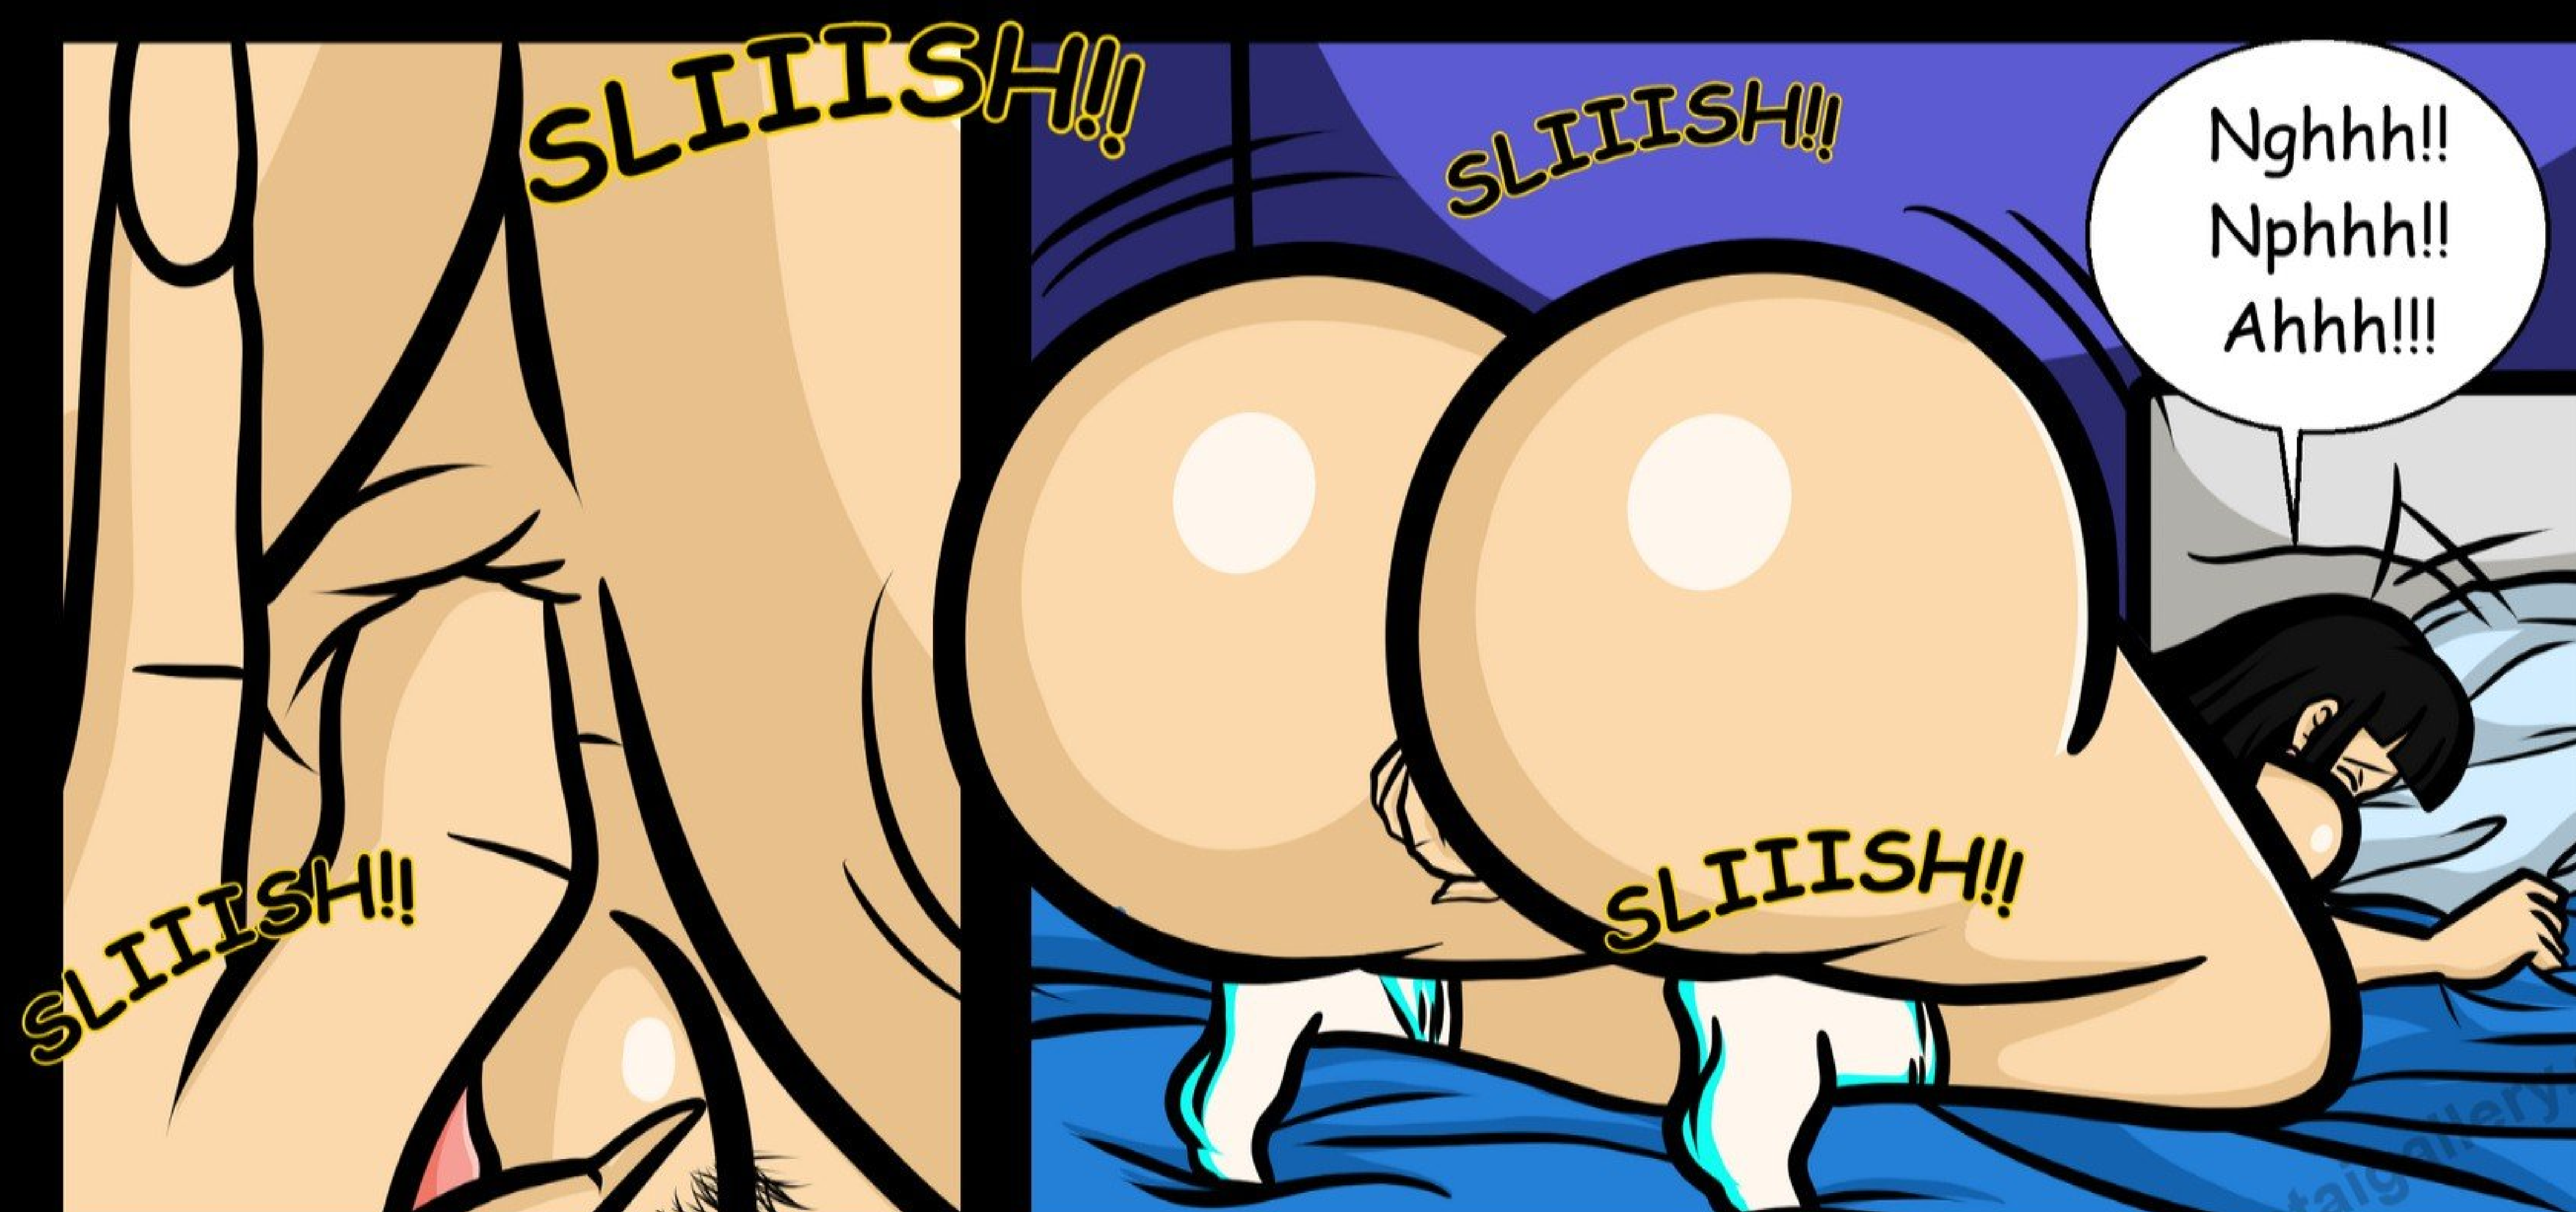

I felt rejected at that moment. It was the same feeling I felt when Kazuhiro shirked his duties as a husband in bed.

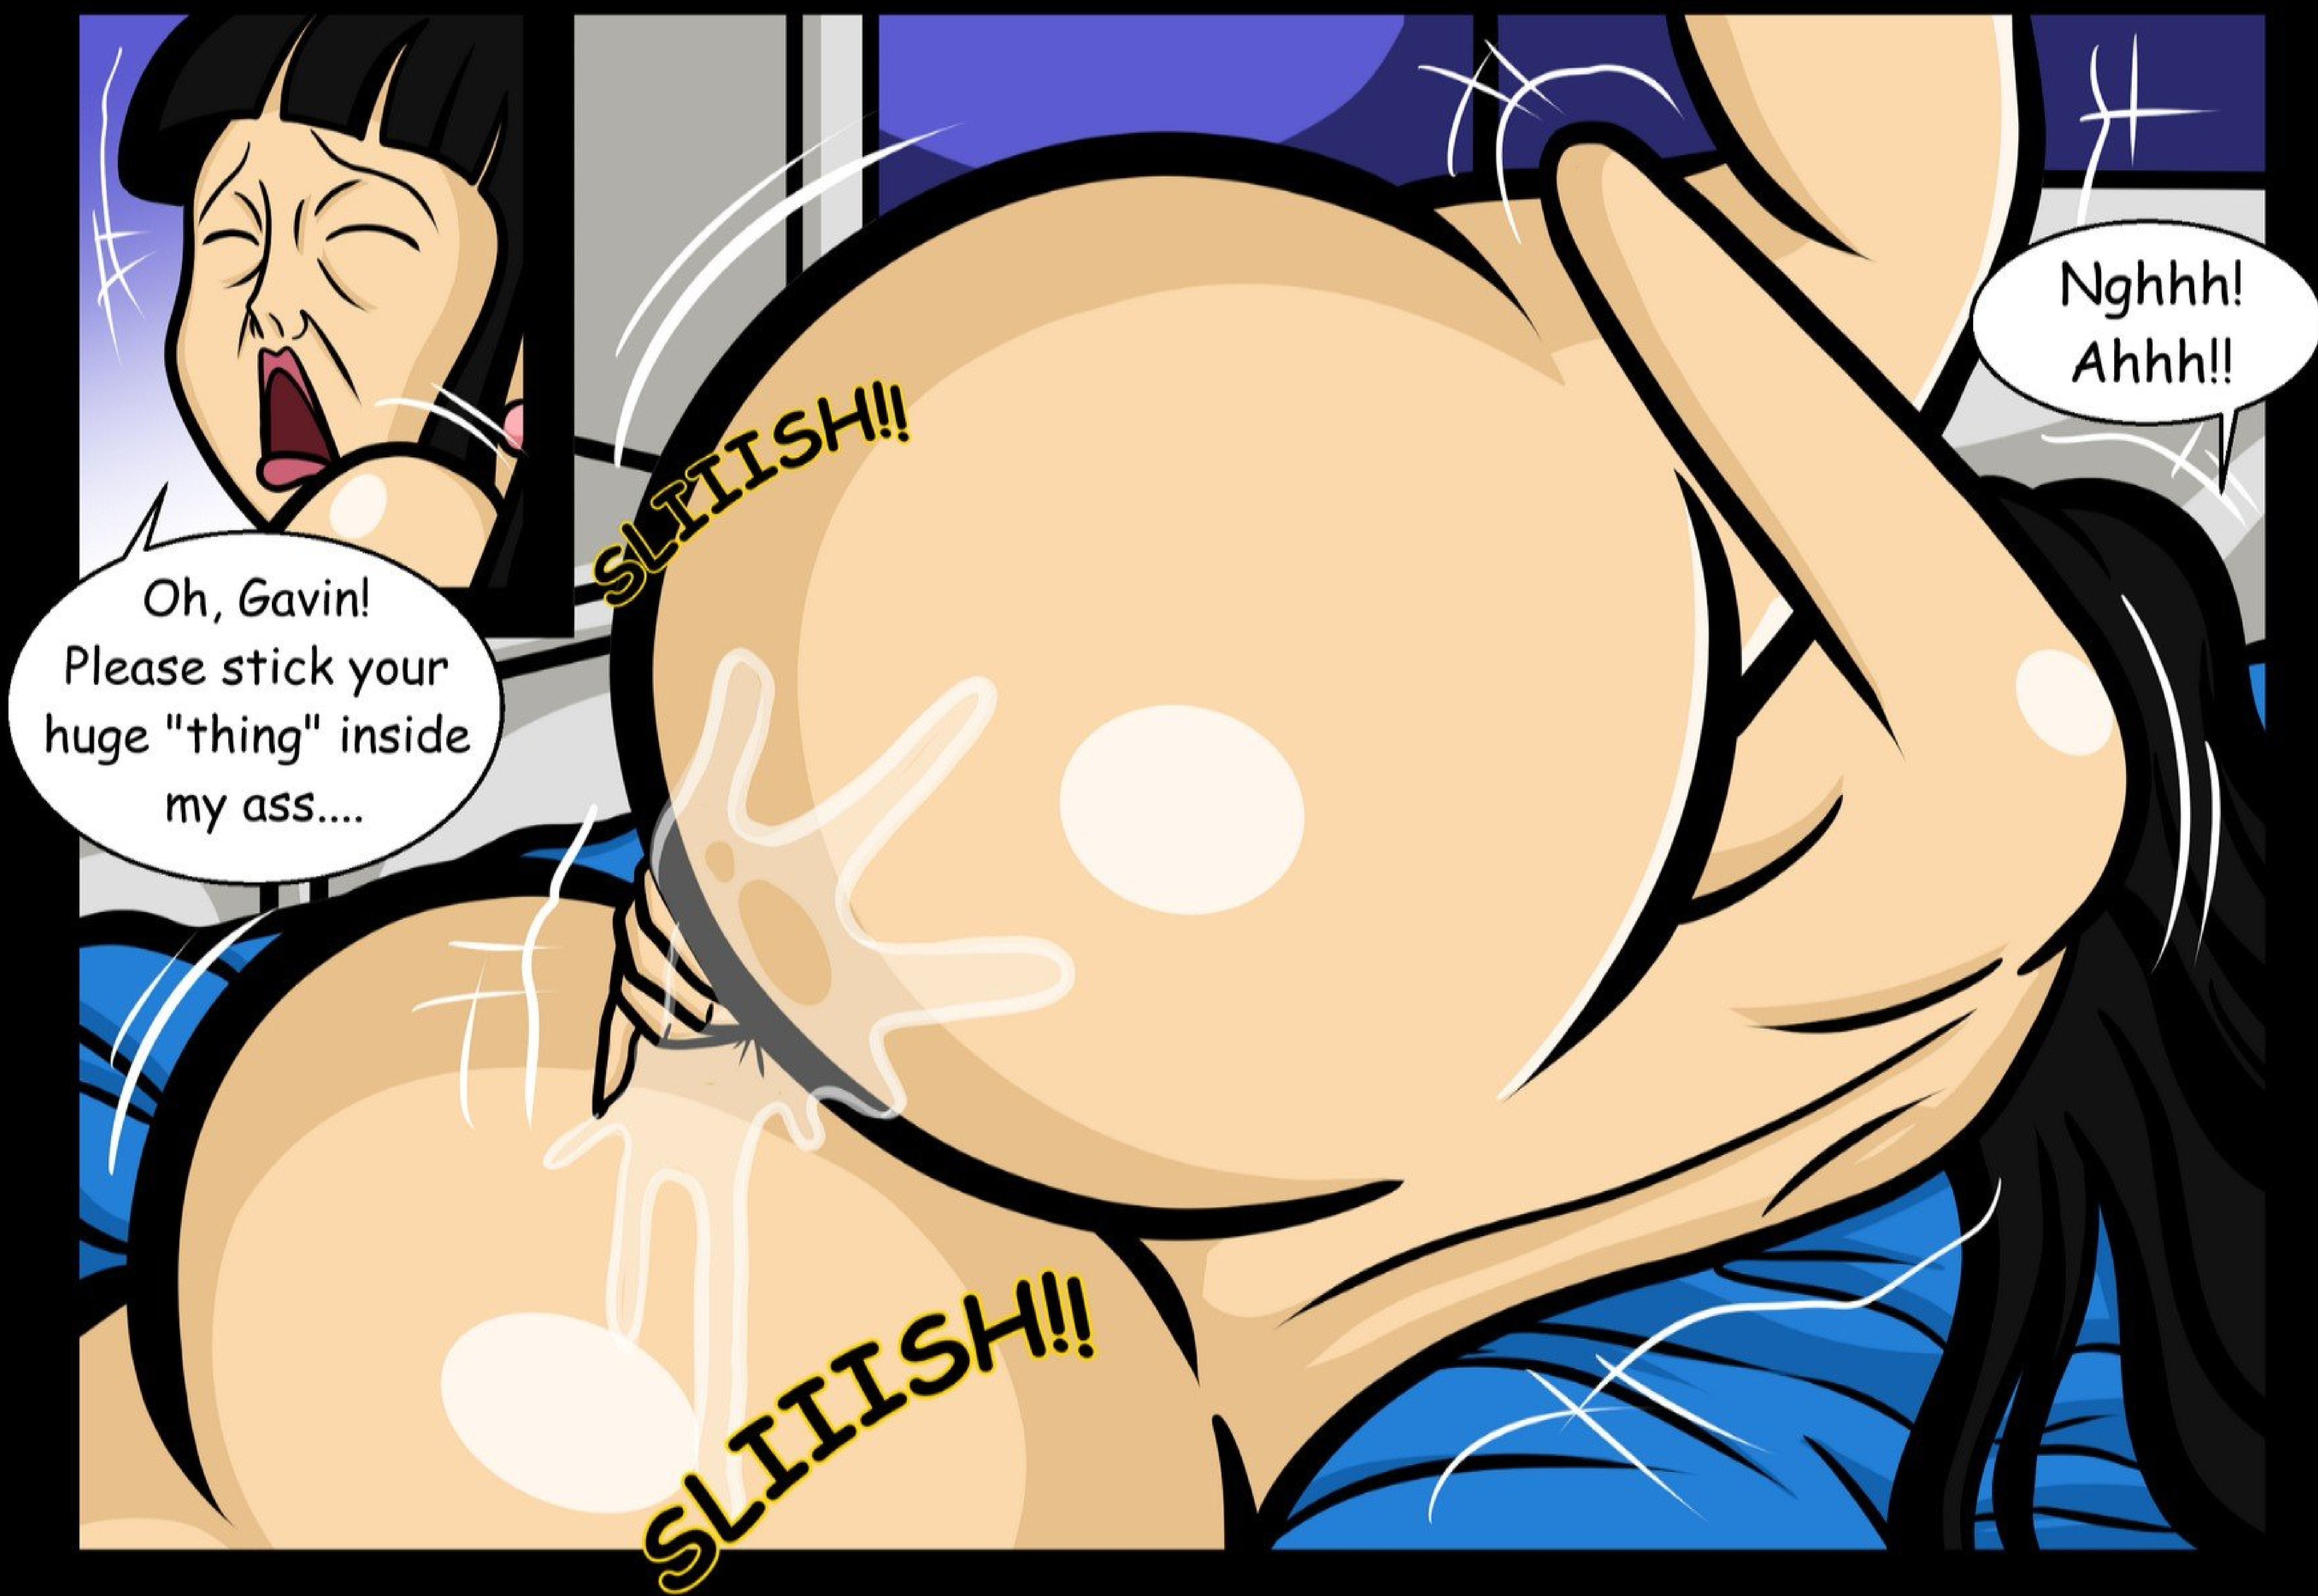

Young Takaki appeared soon after Miyuki had said goodbye to Gavin. Visibly annoyed, he confronted my brother-in-law, asking him why Gavin and Miyuki were so close.

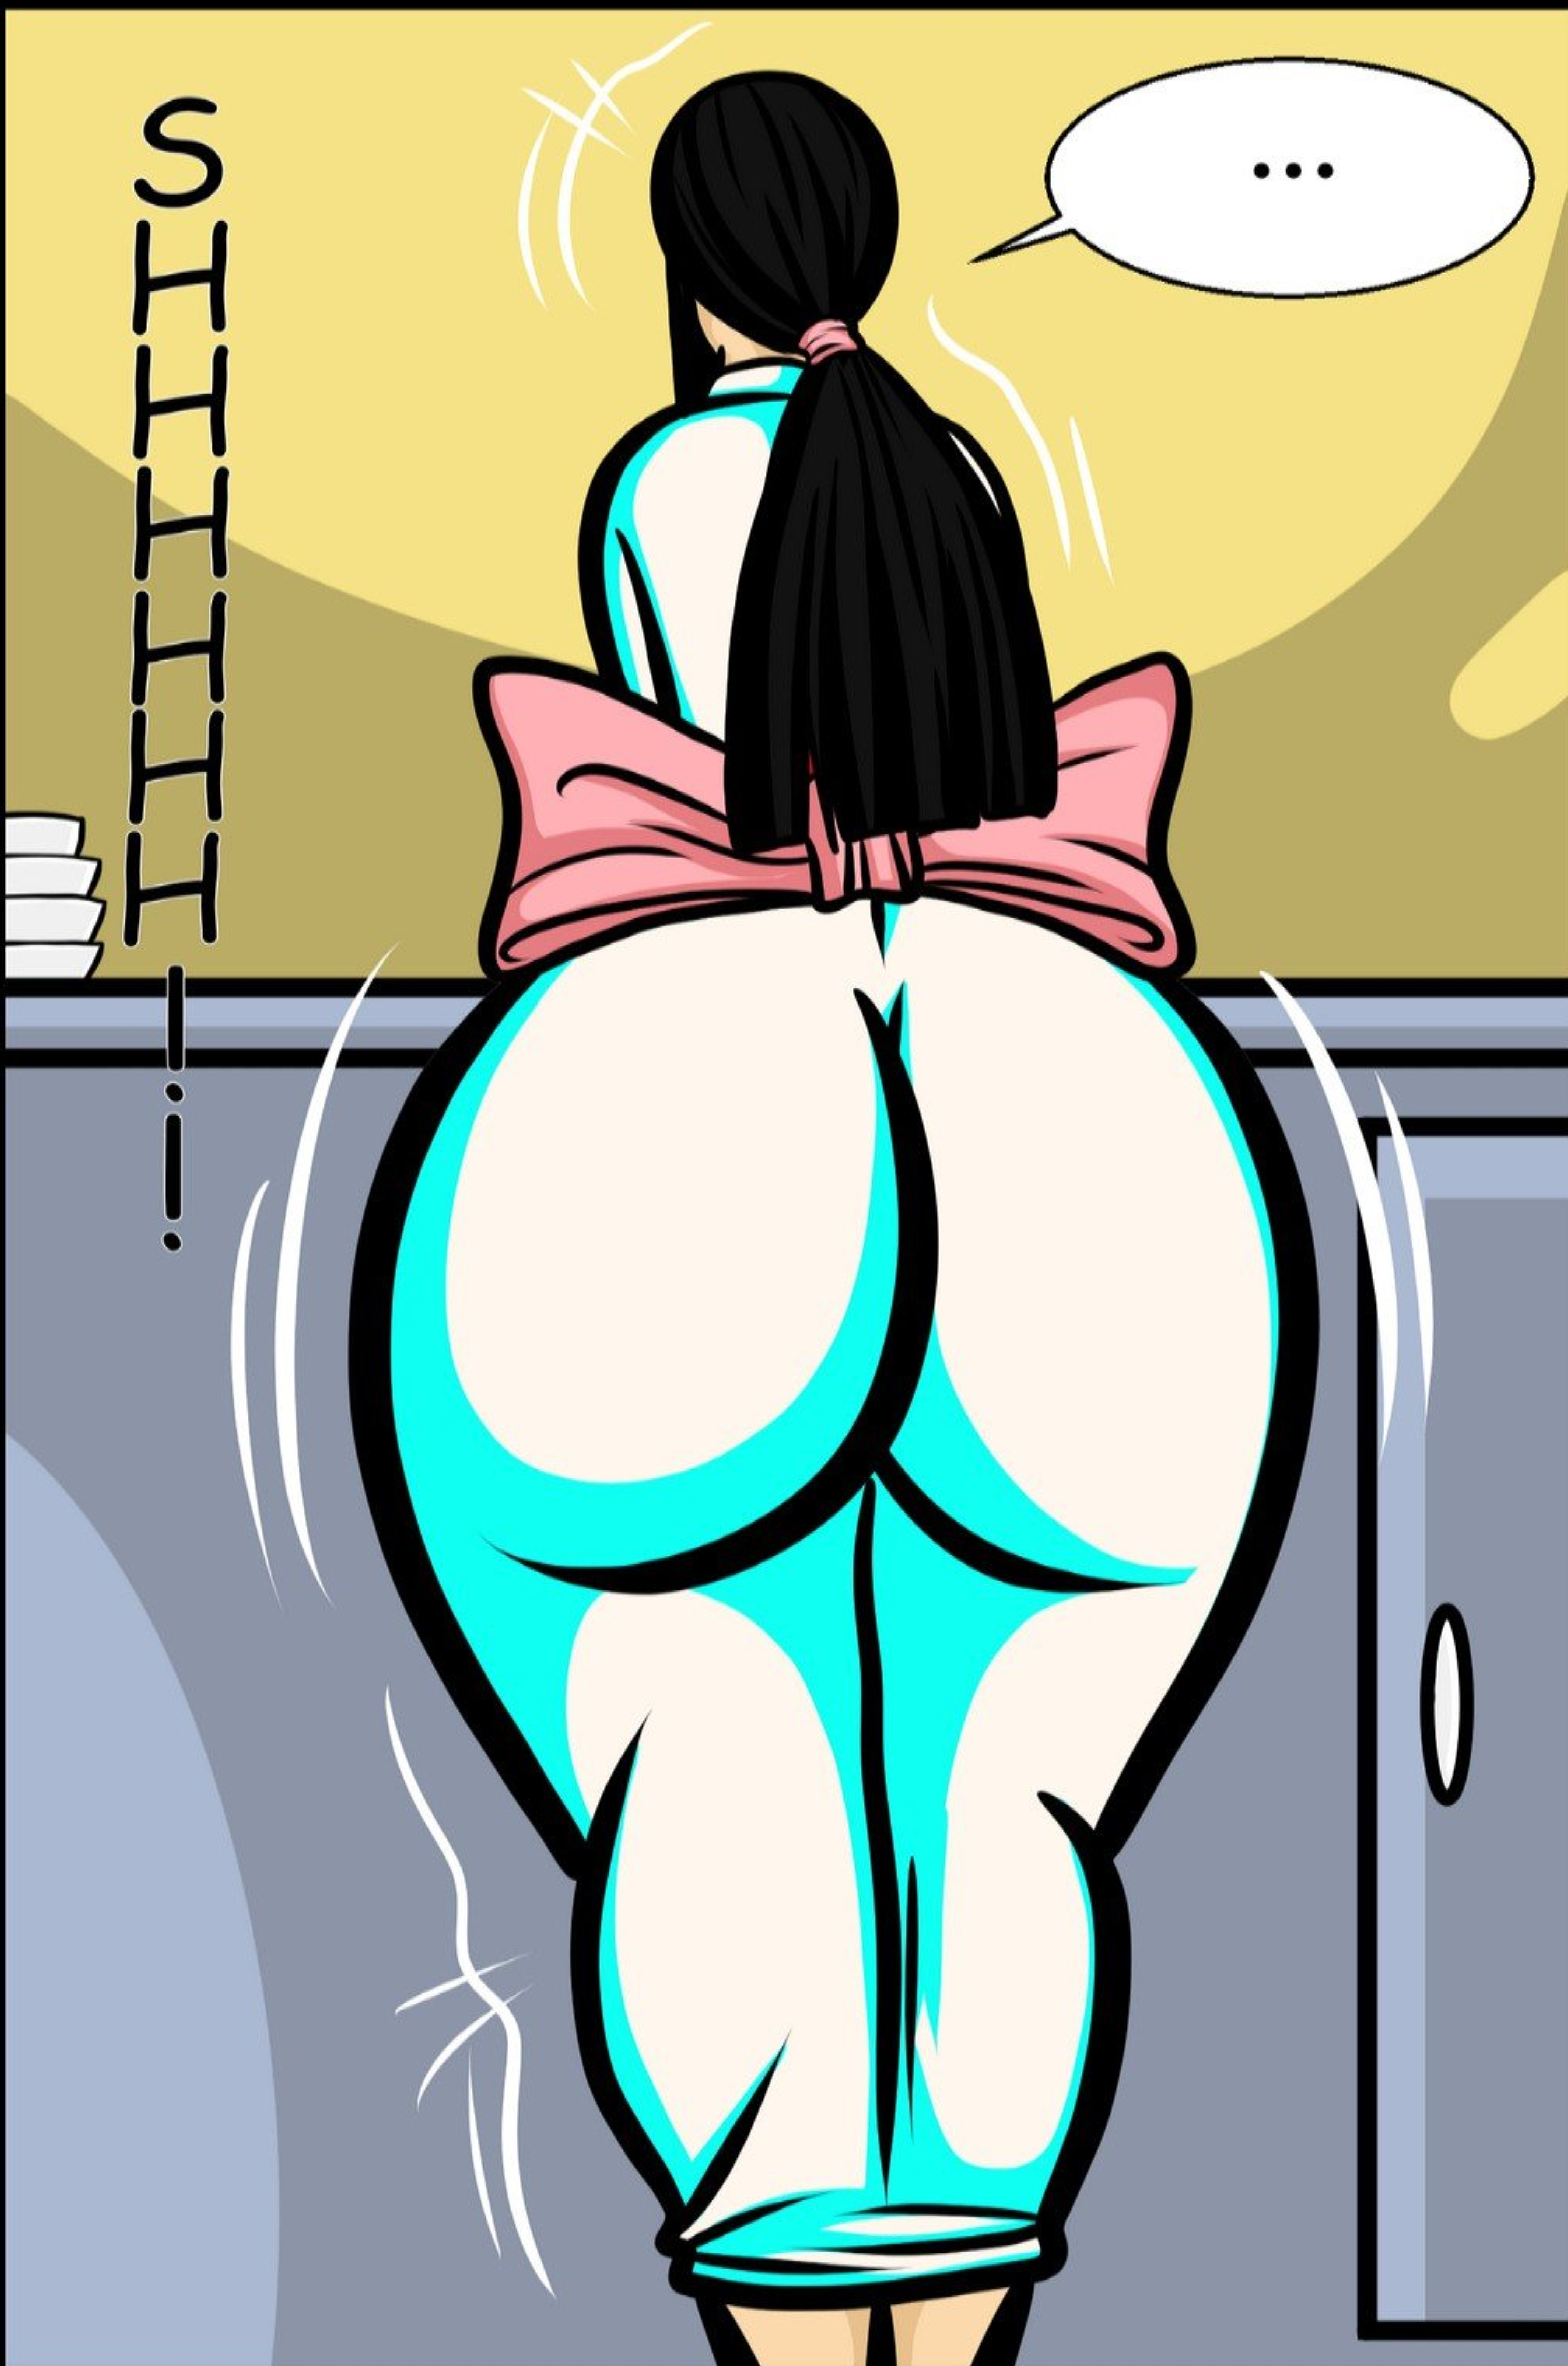

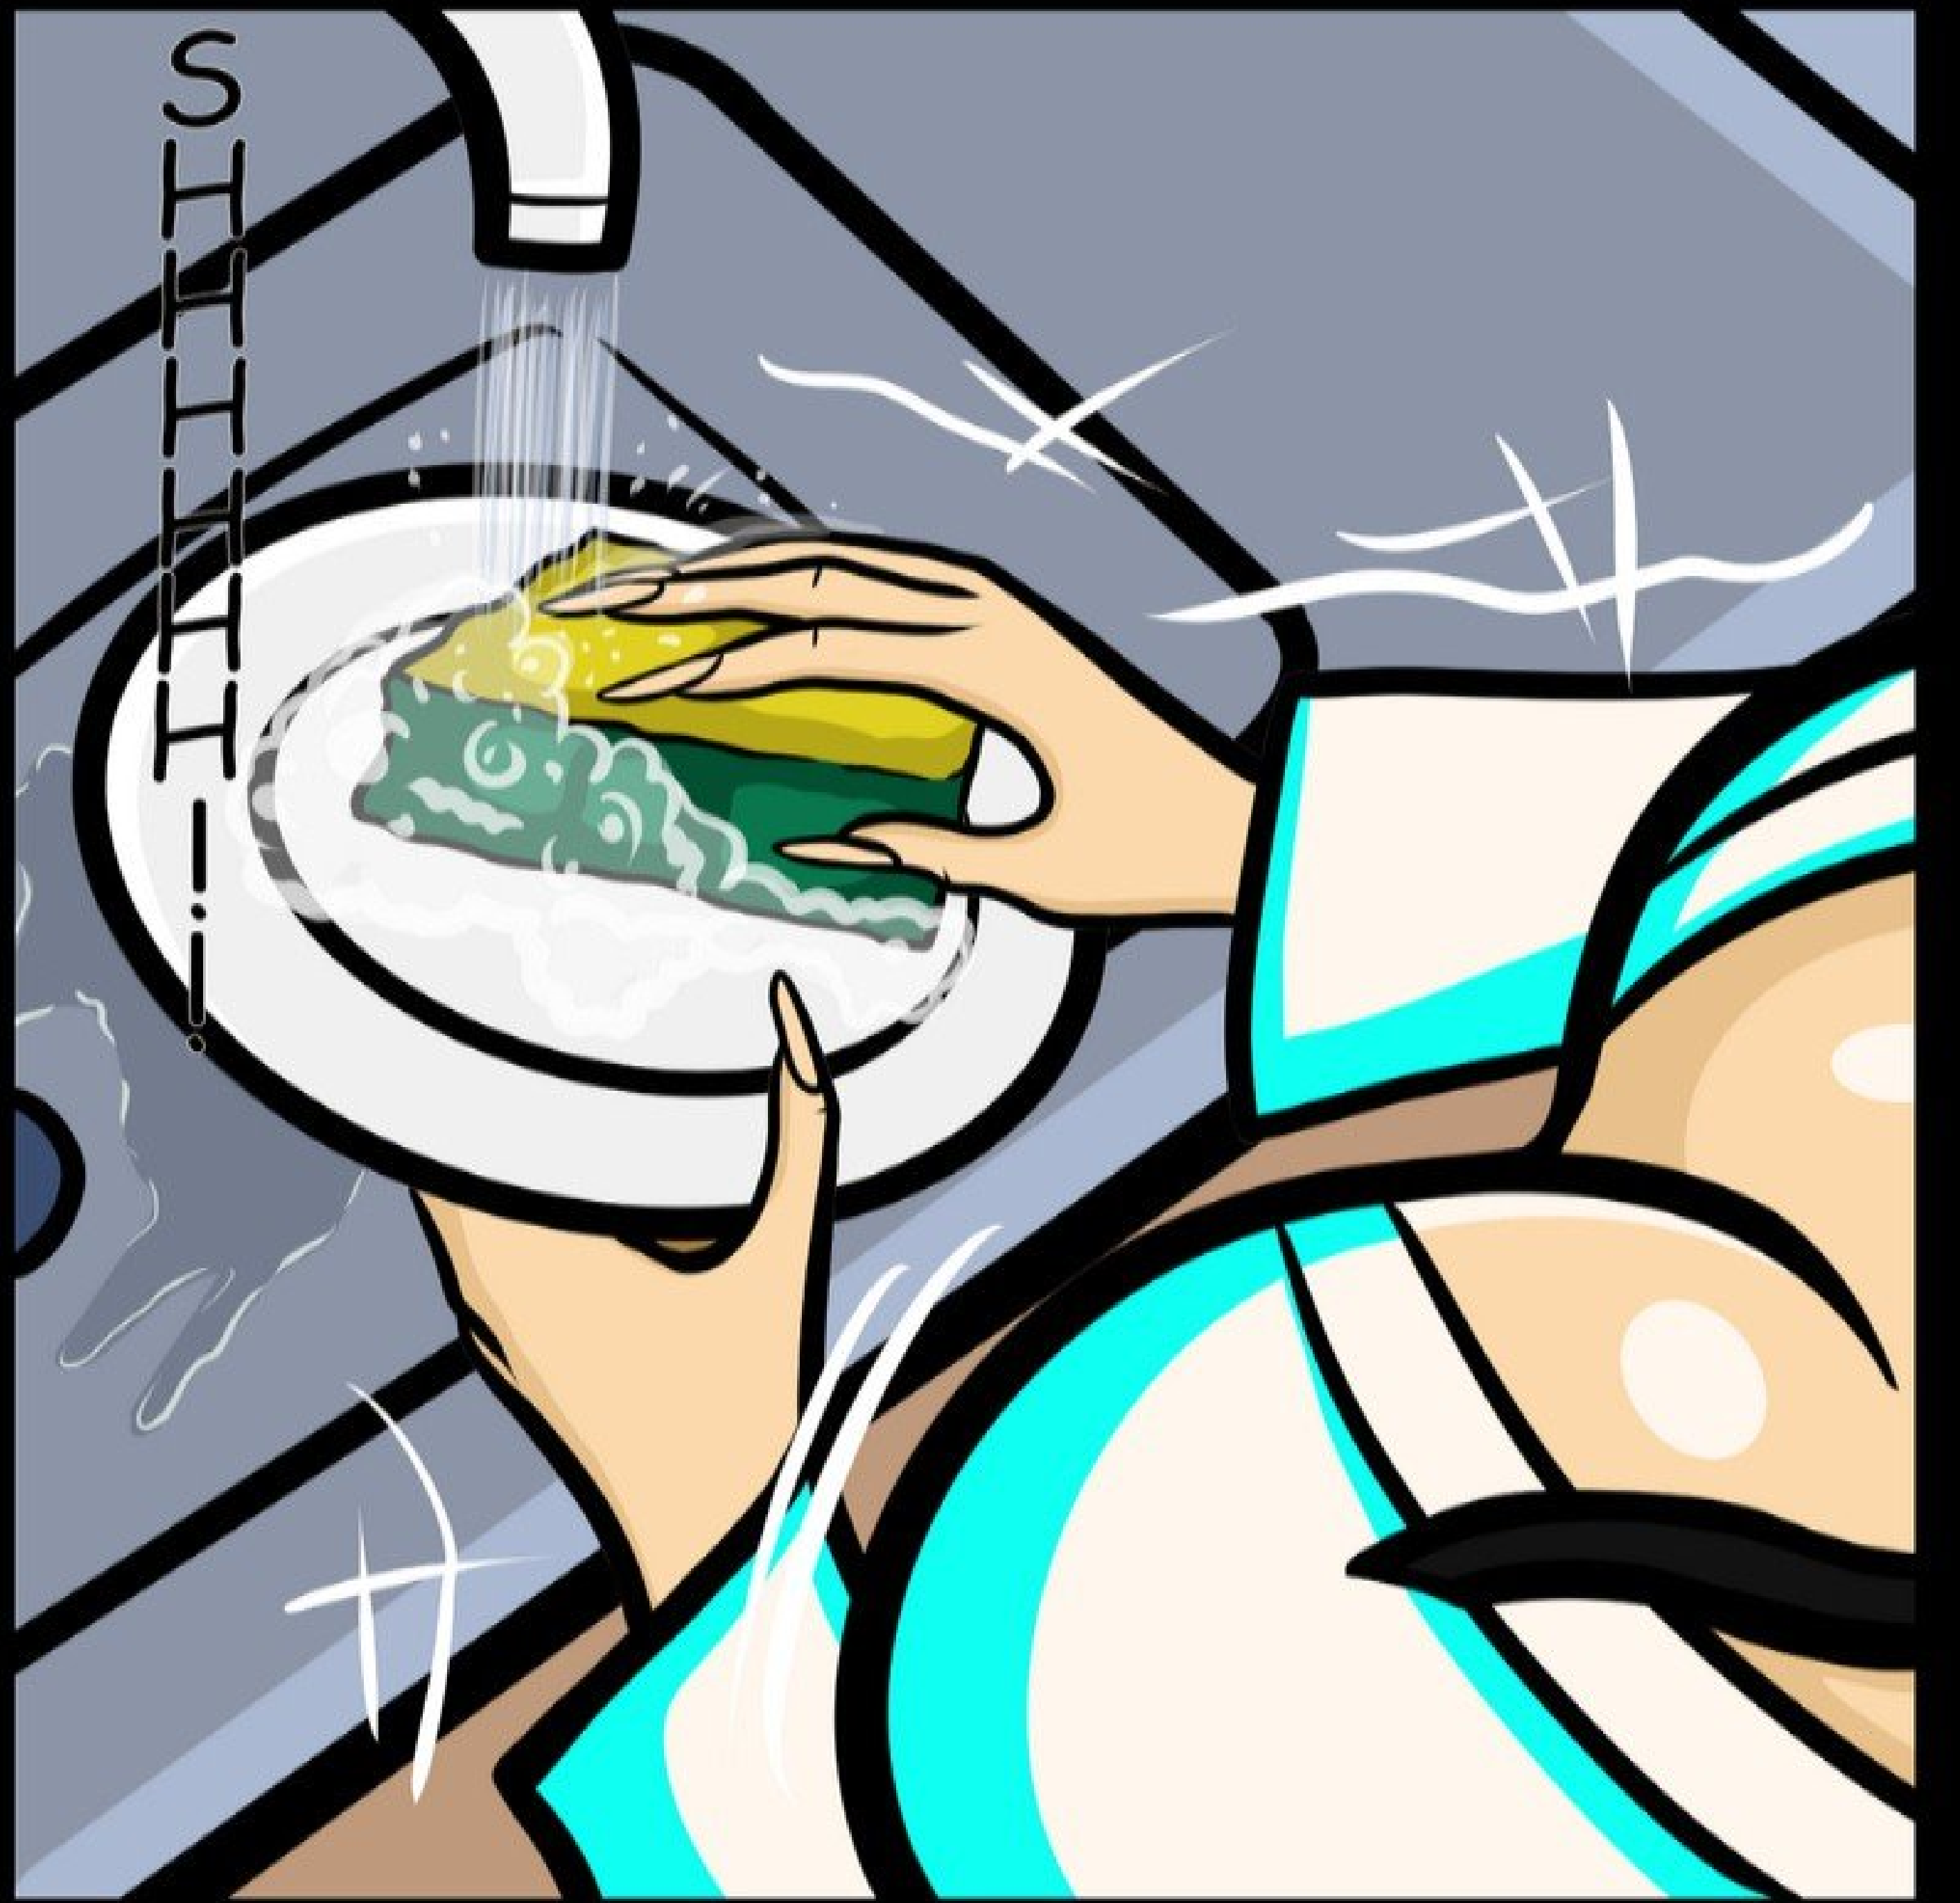

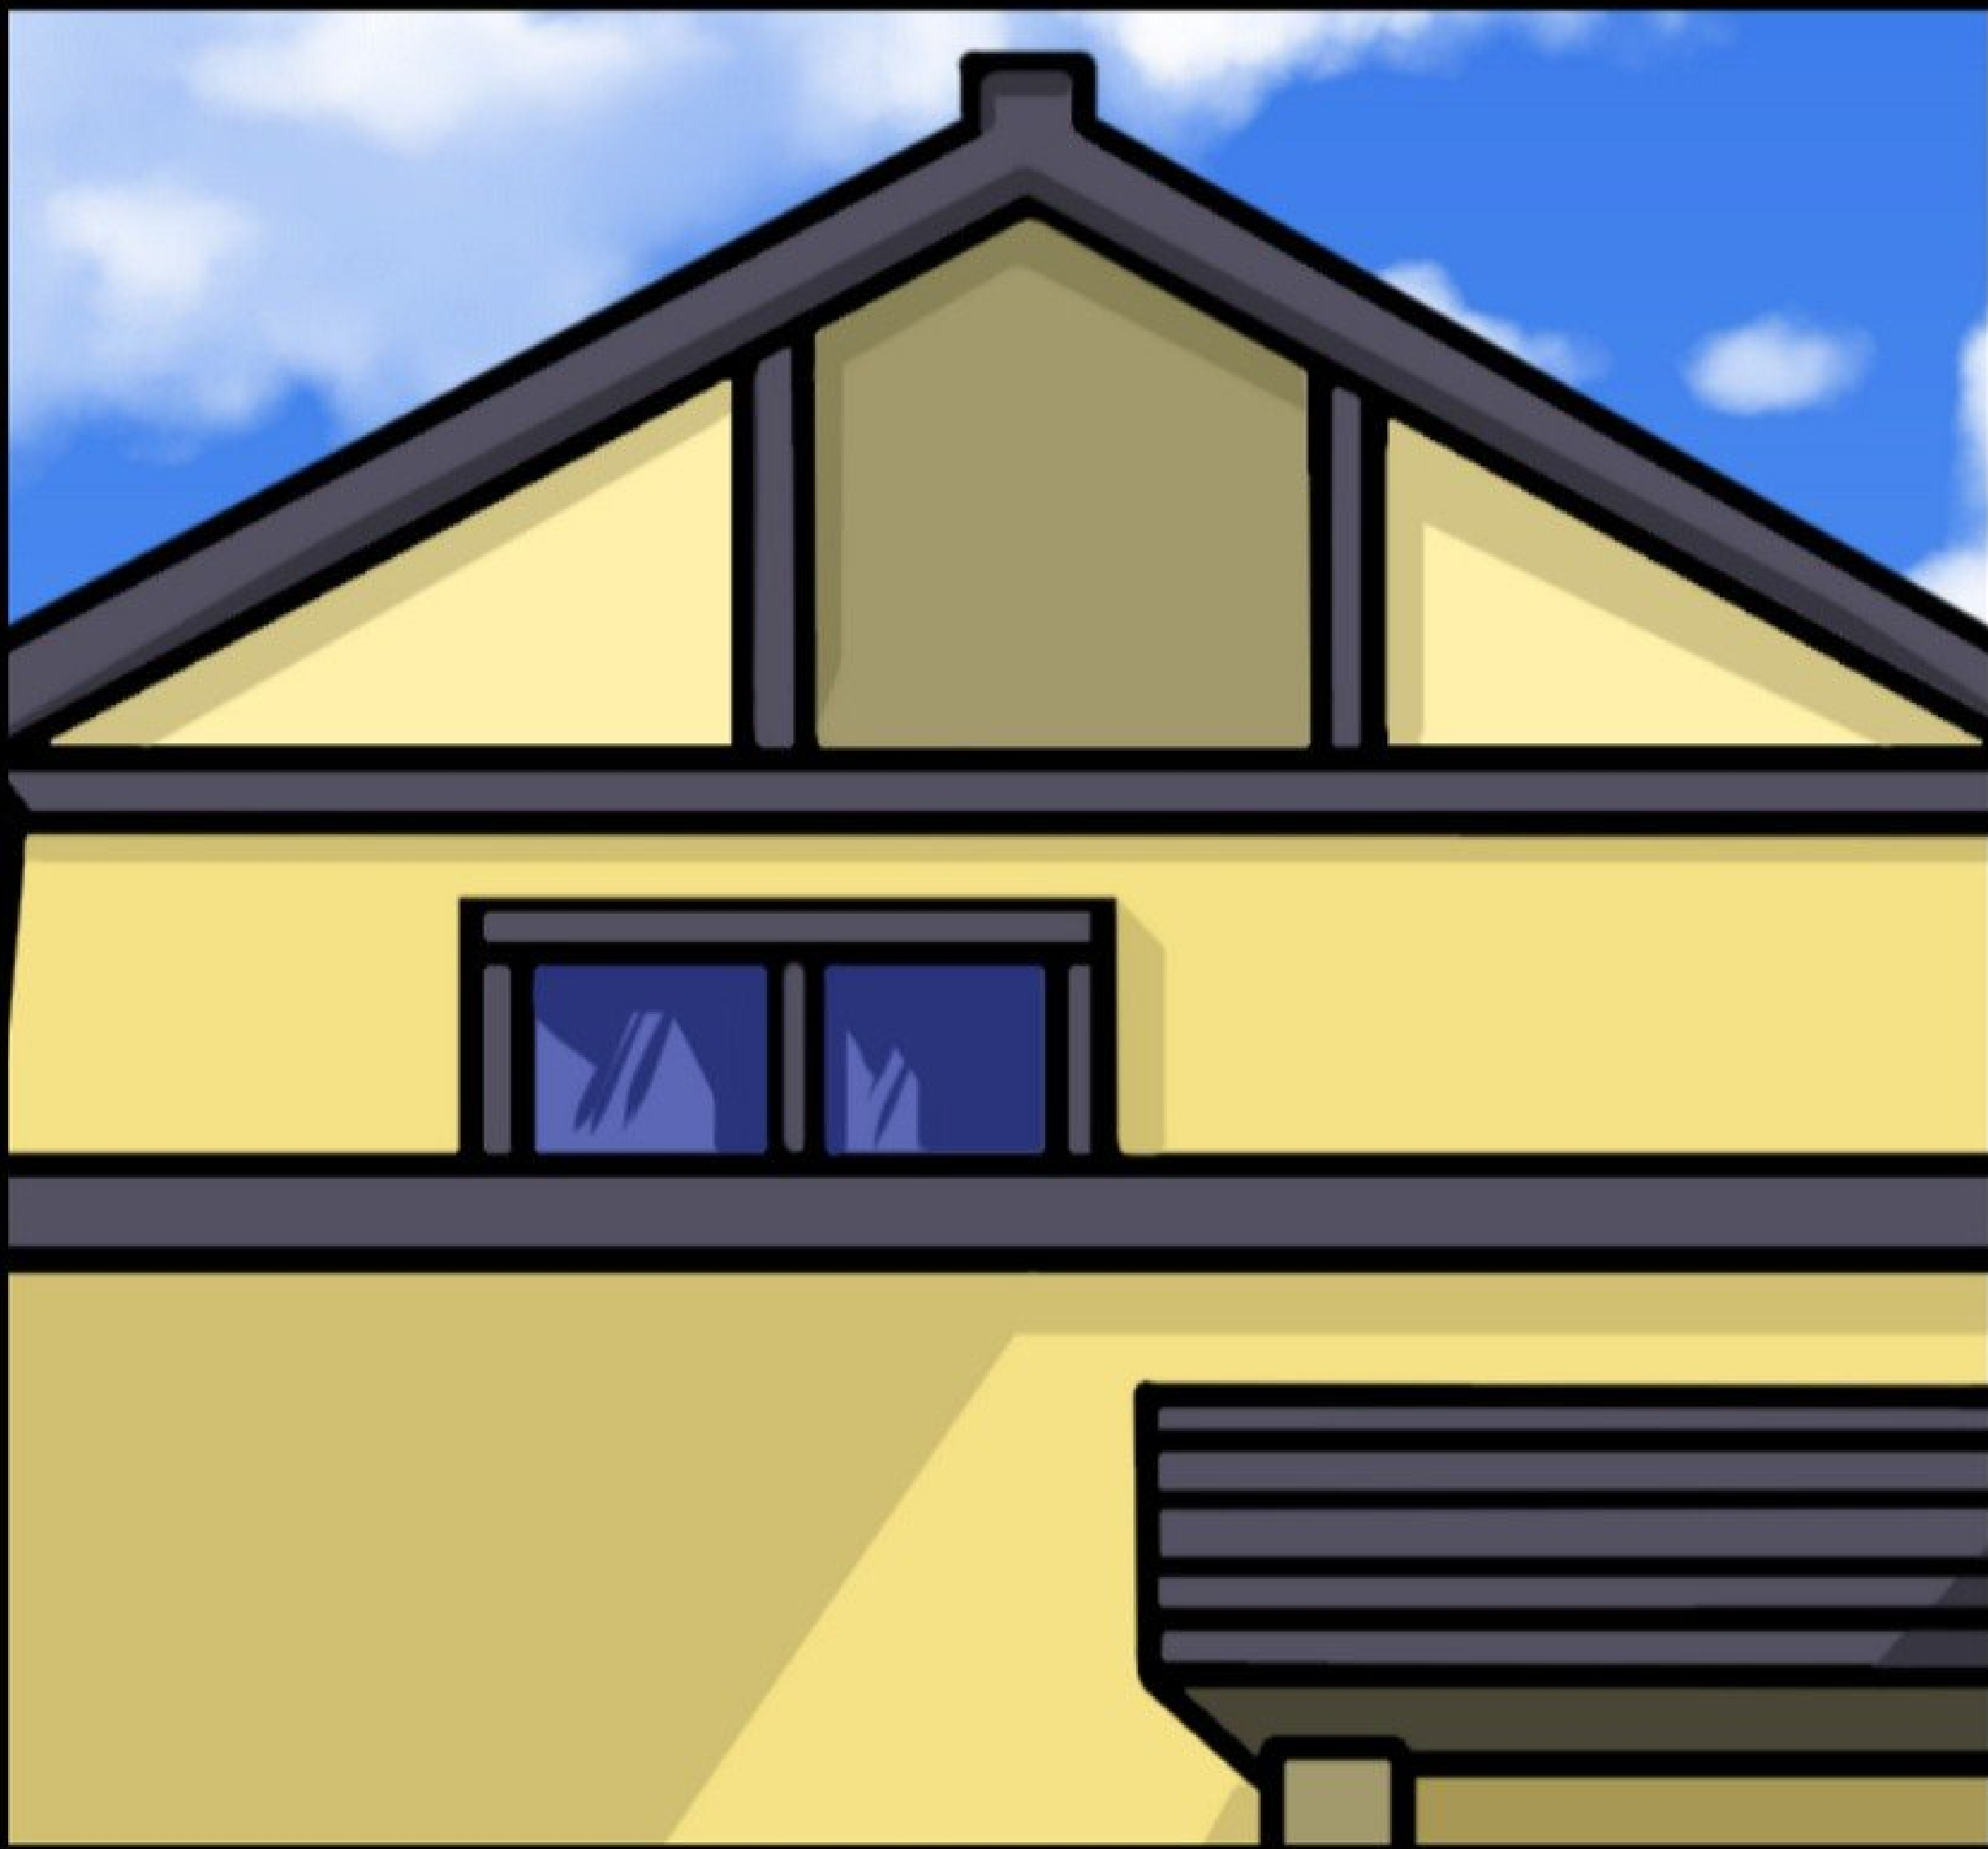

What do you think
you are doing?
Miyuki is **MY
GIRLFRIEND**

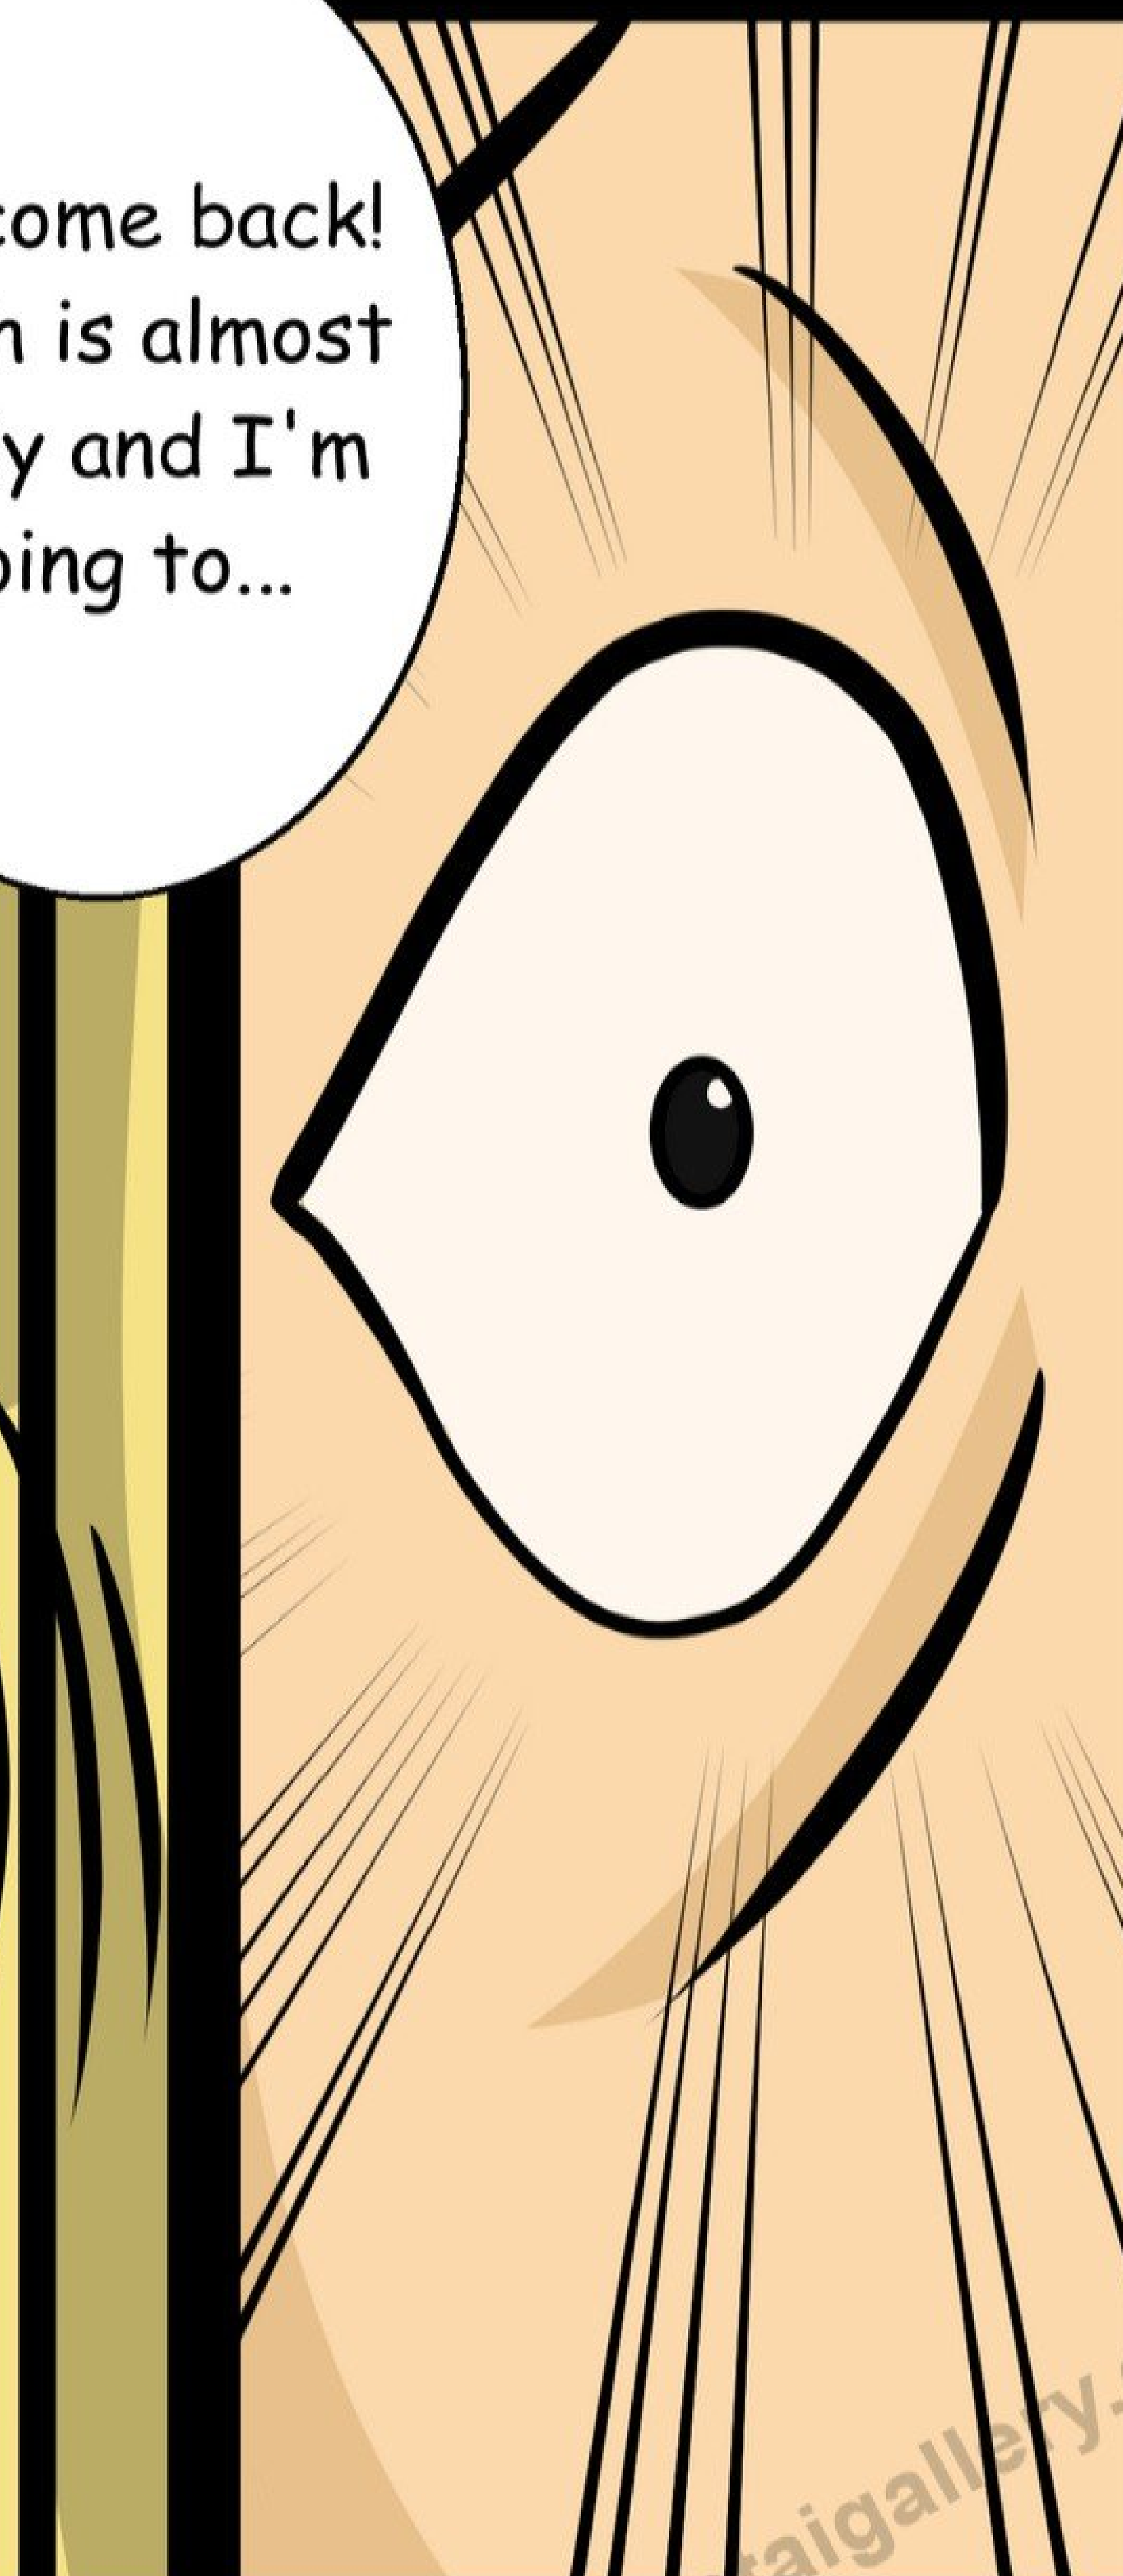

At that very moment, I was at home completely aroused. I was writhing with hard-on in Gavin's bed imagining and longing for his gigantic cock destroying all the "obstacles" preventing him from taking it deep into my anus.

It was getting close to the time when Gavin returned from his class, and realizing this made me even hornier. It was hard to have to admit my sexual addiction to every second that kept me away from that young man.

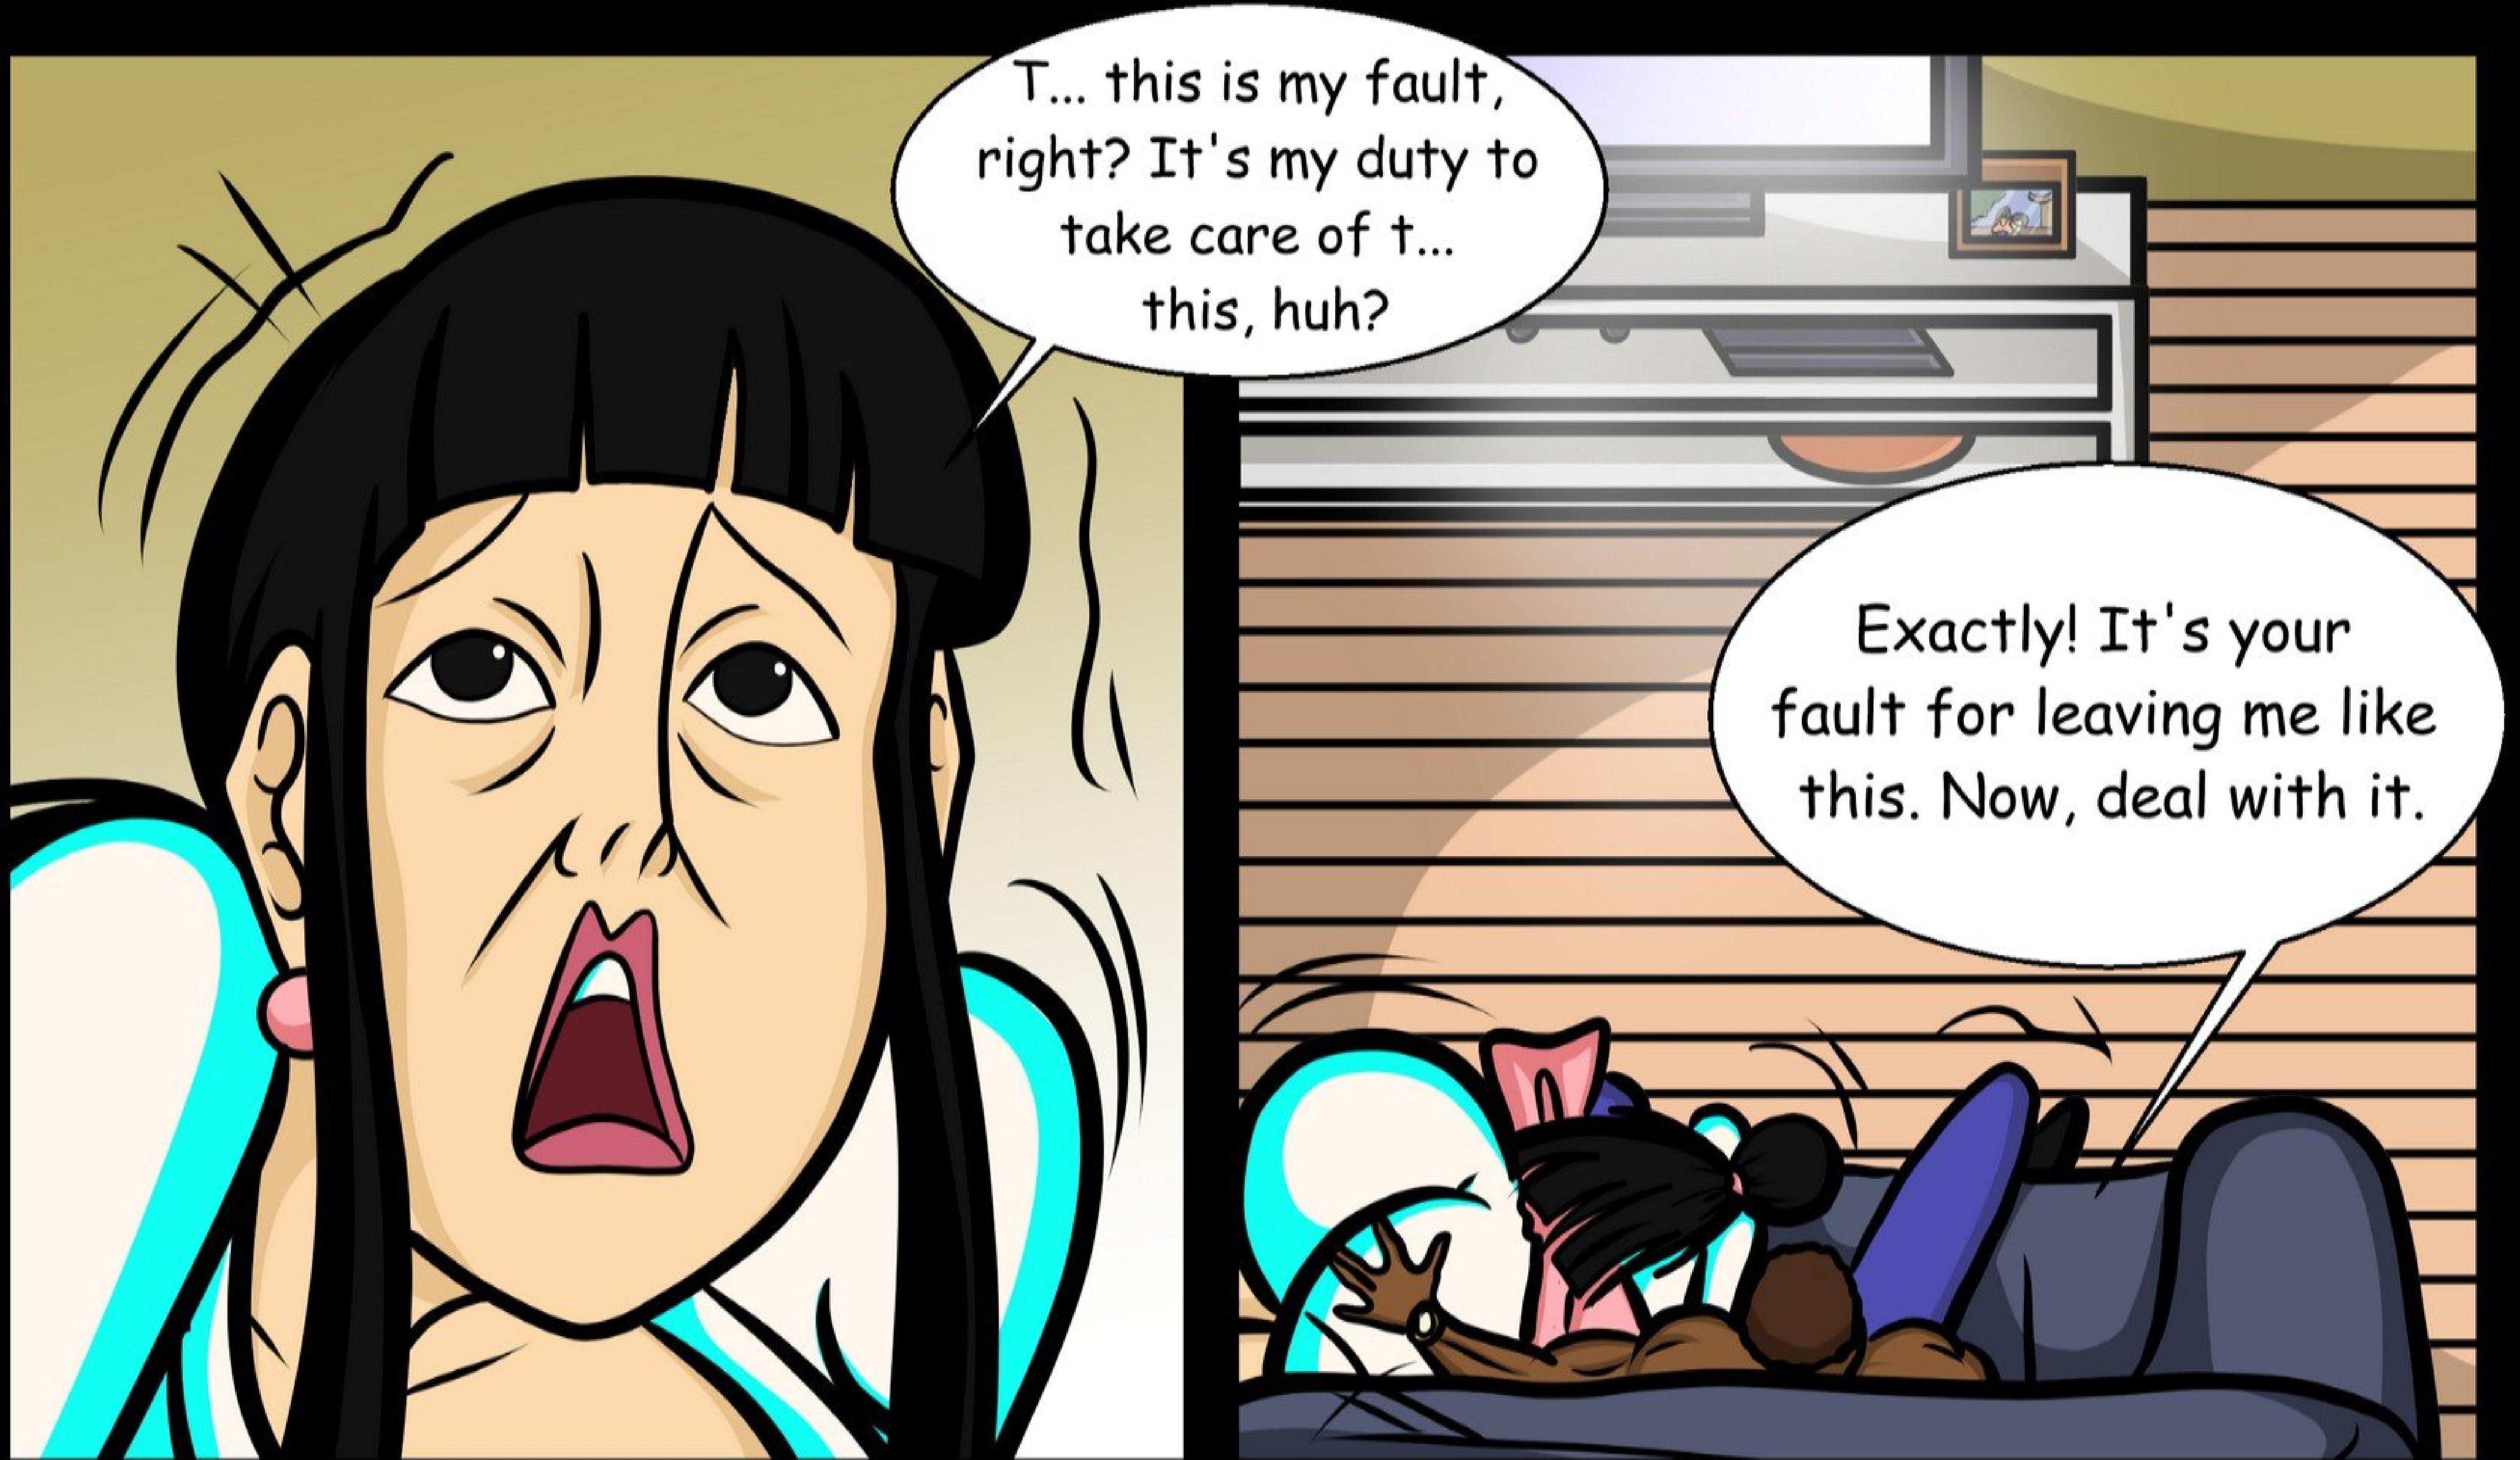

When I saw Gavin in that situation, I feared that something very serious had happened. After his version of the fact, I could feel a little more relieved, although I was still not 100% happy to see my beloved... err... brother-in-law again.

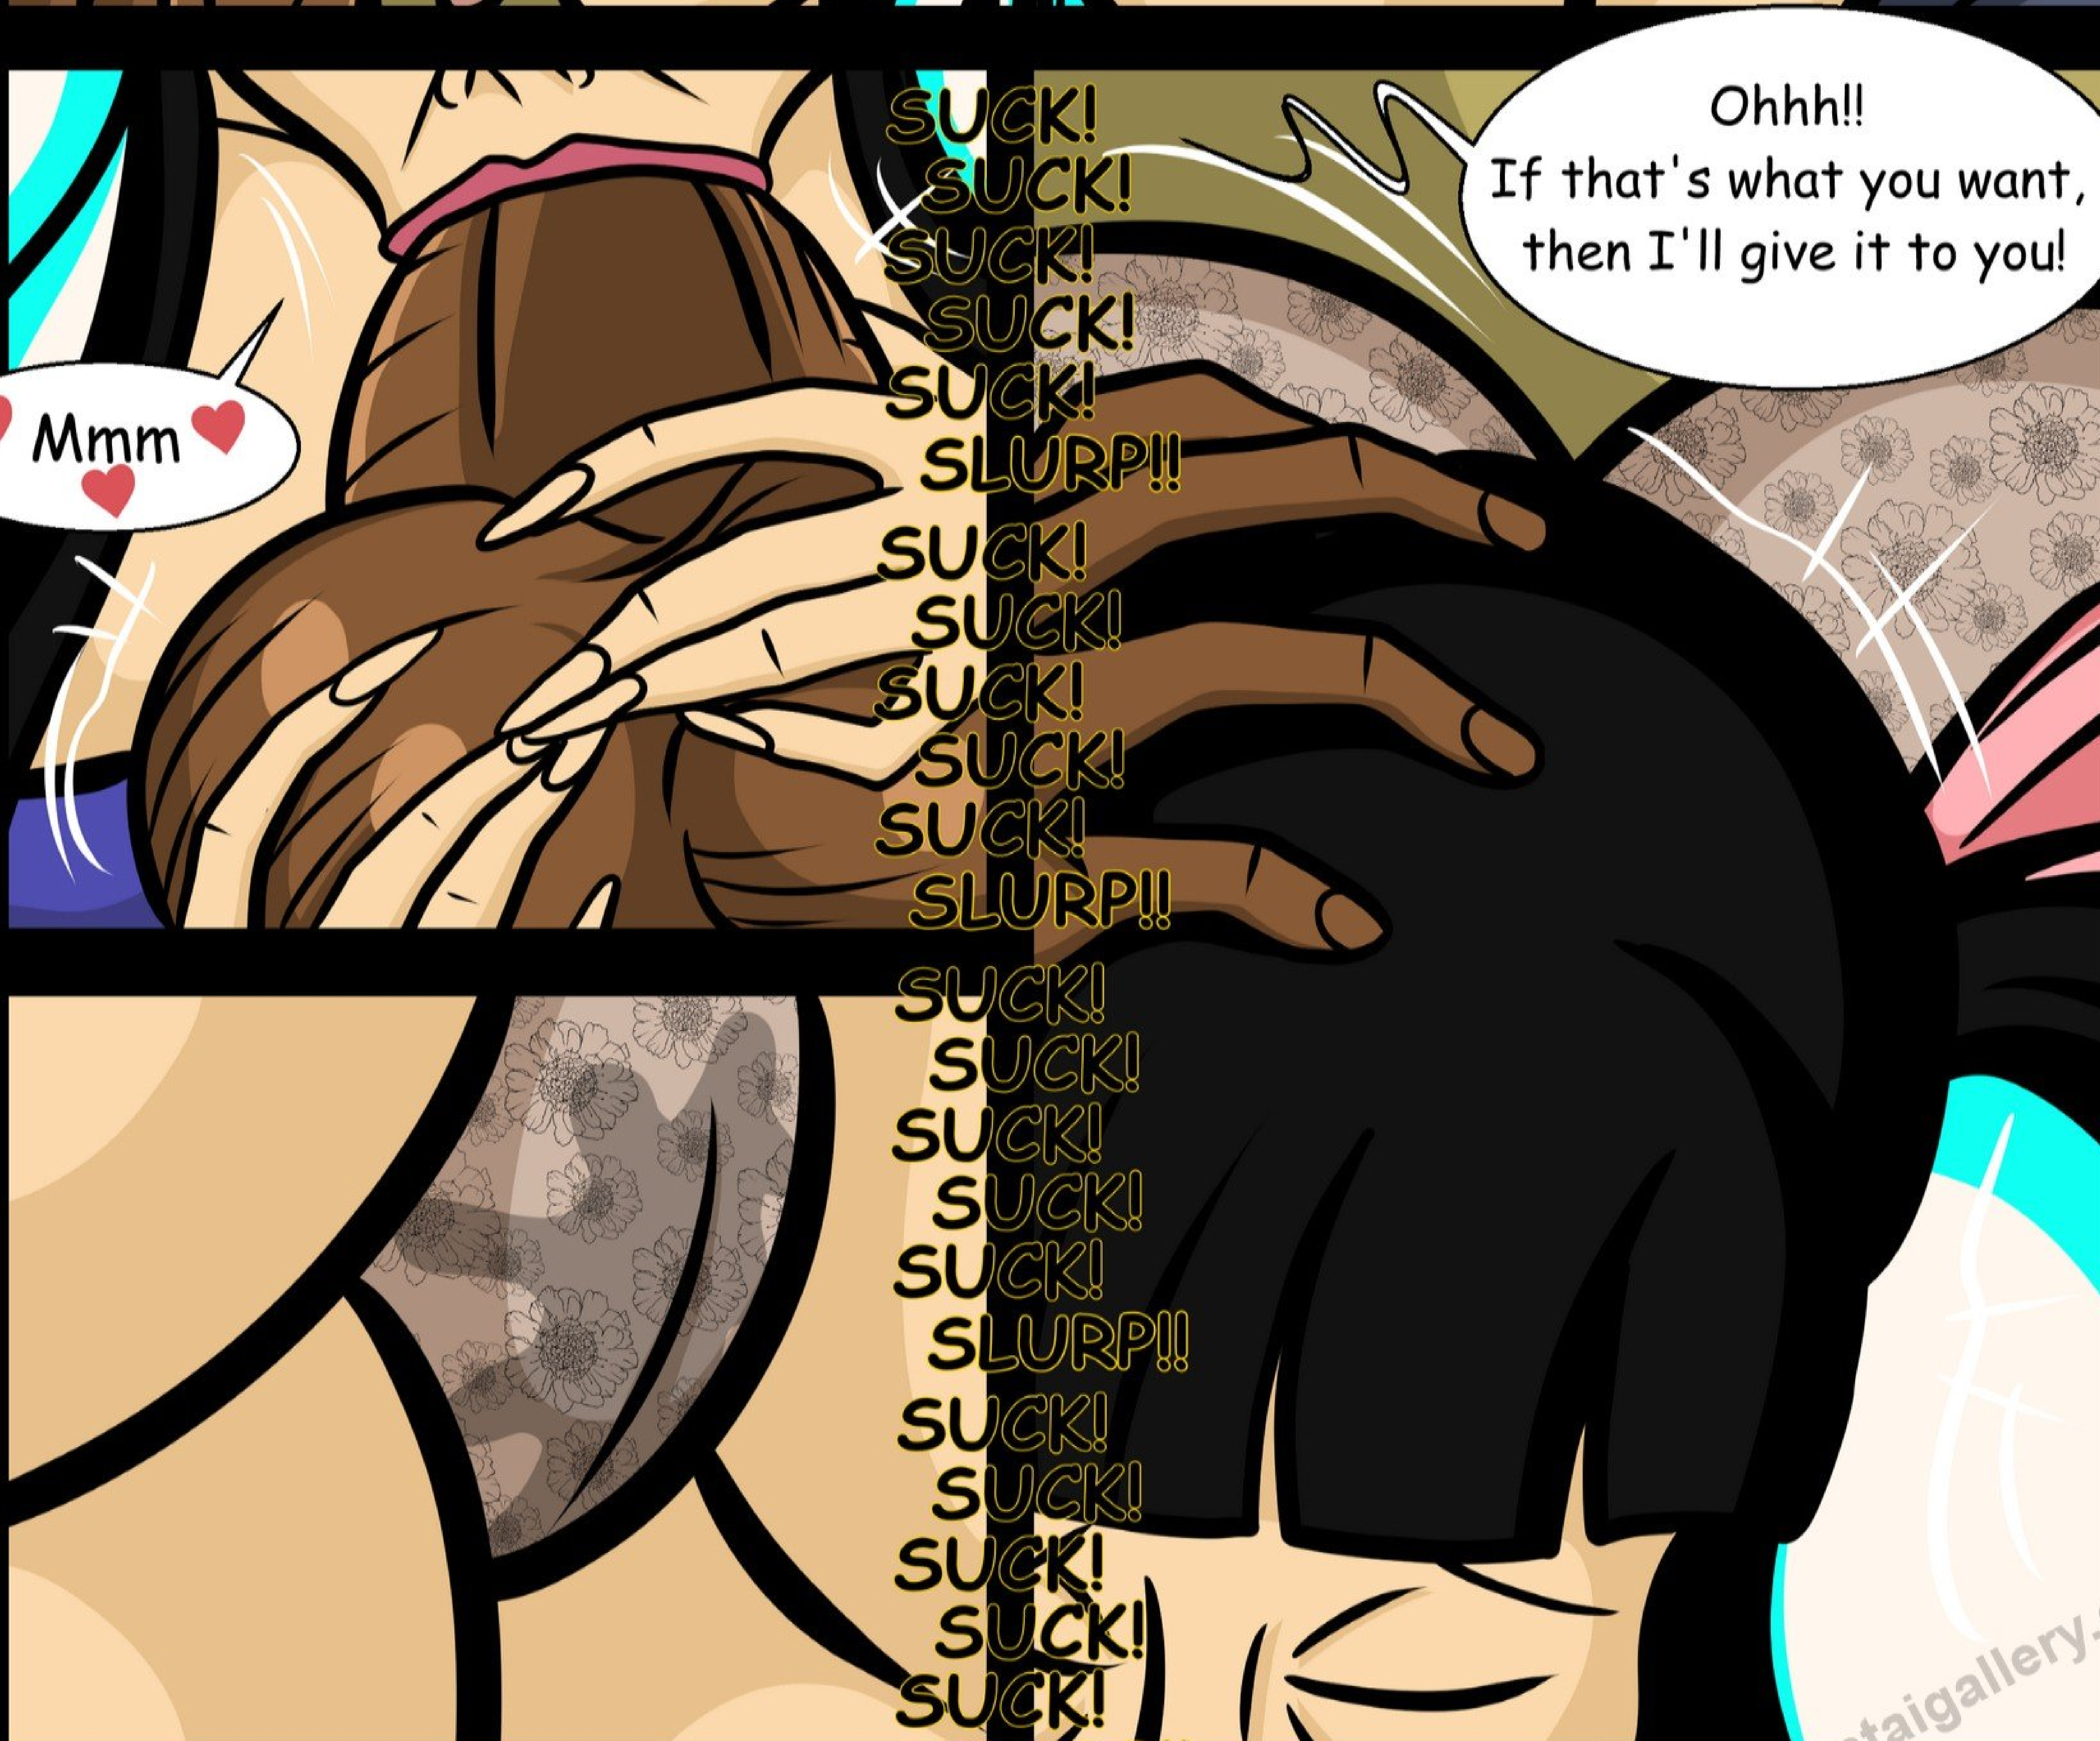

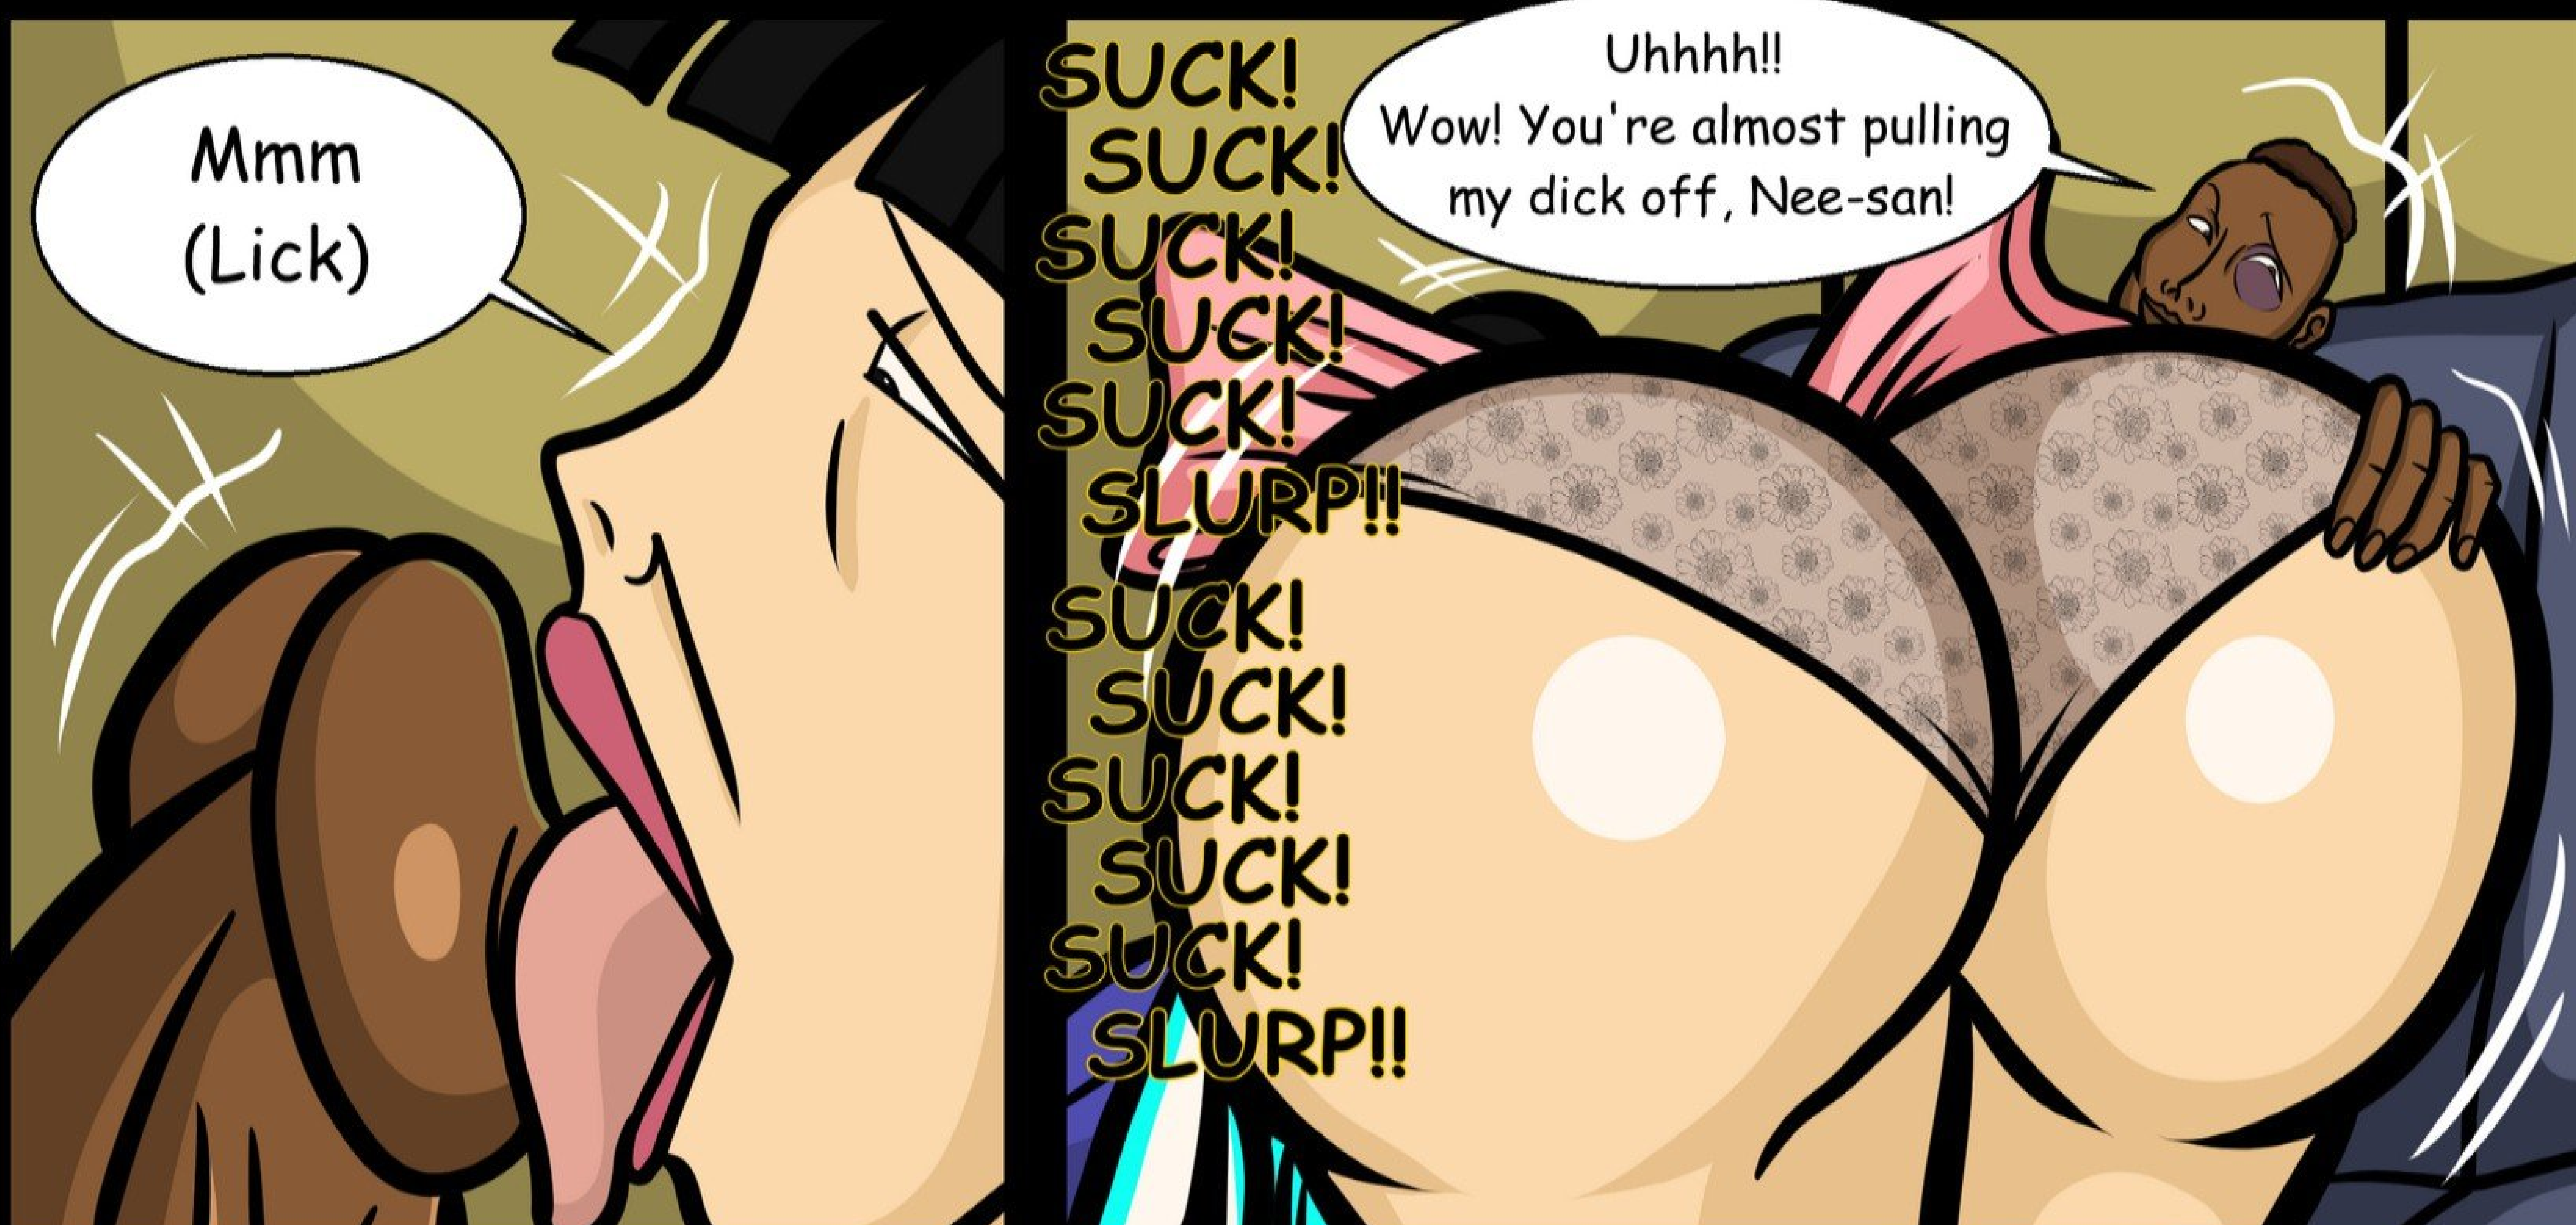

It was my duty to take care of him. He was now in my hands. I never imagined that one day I would have the power to dominate a man, even for a single day.

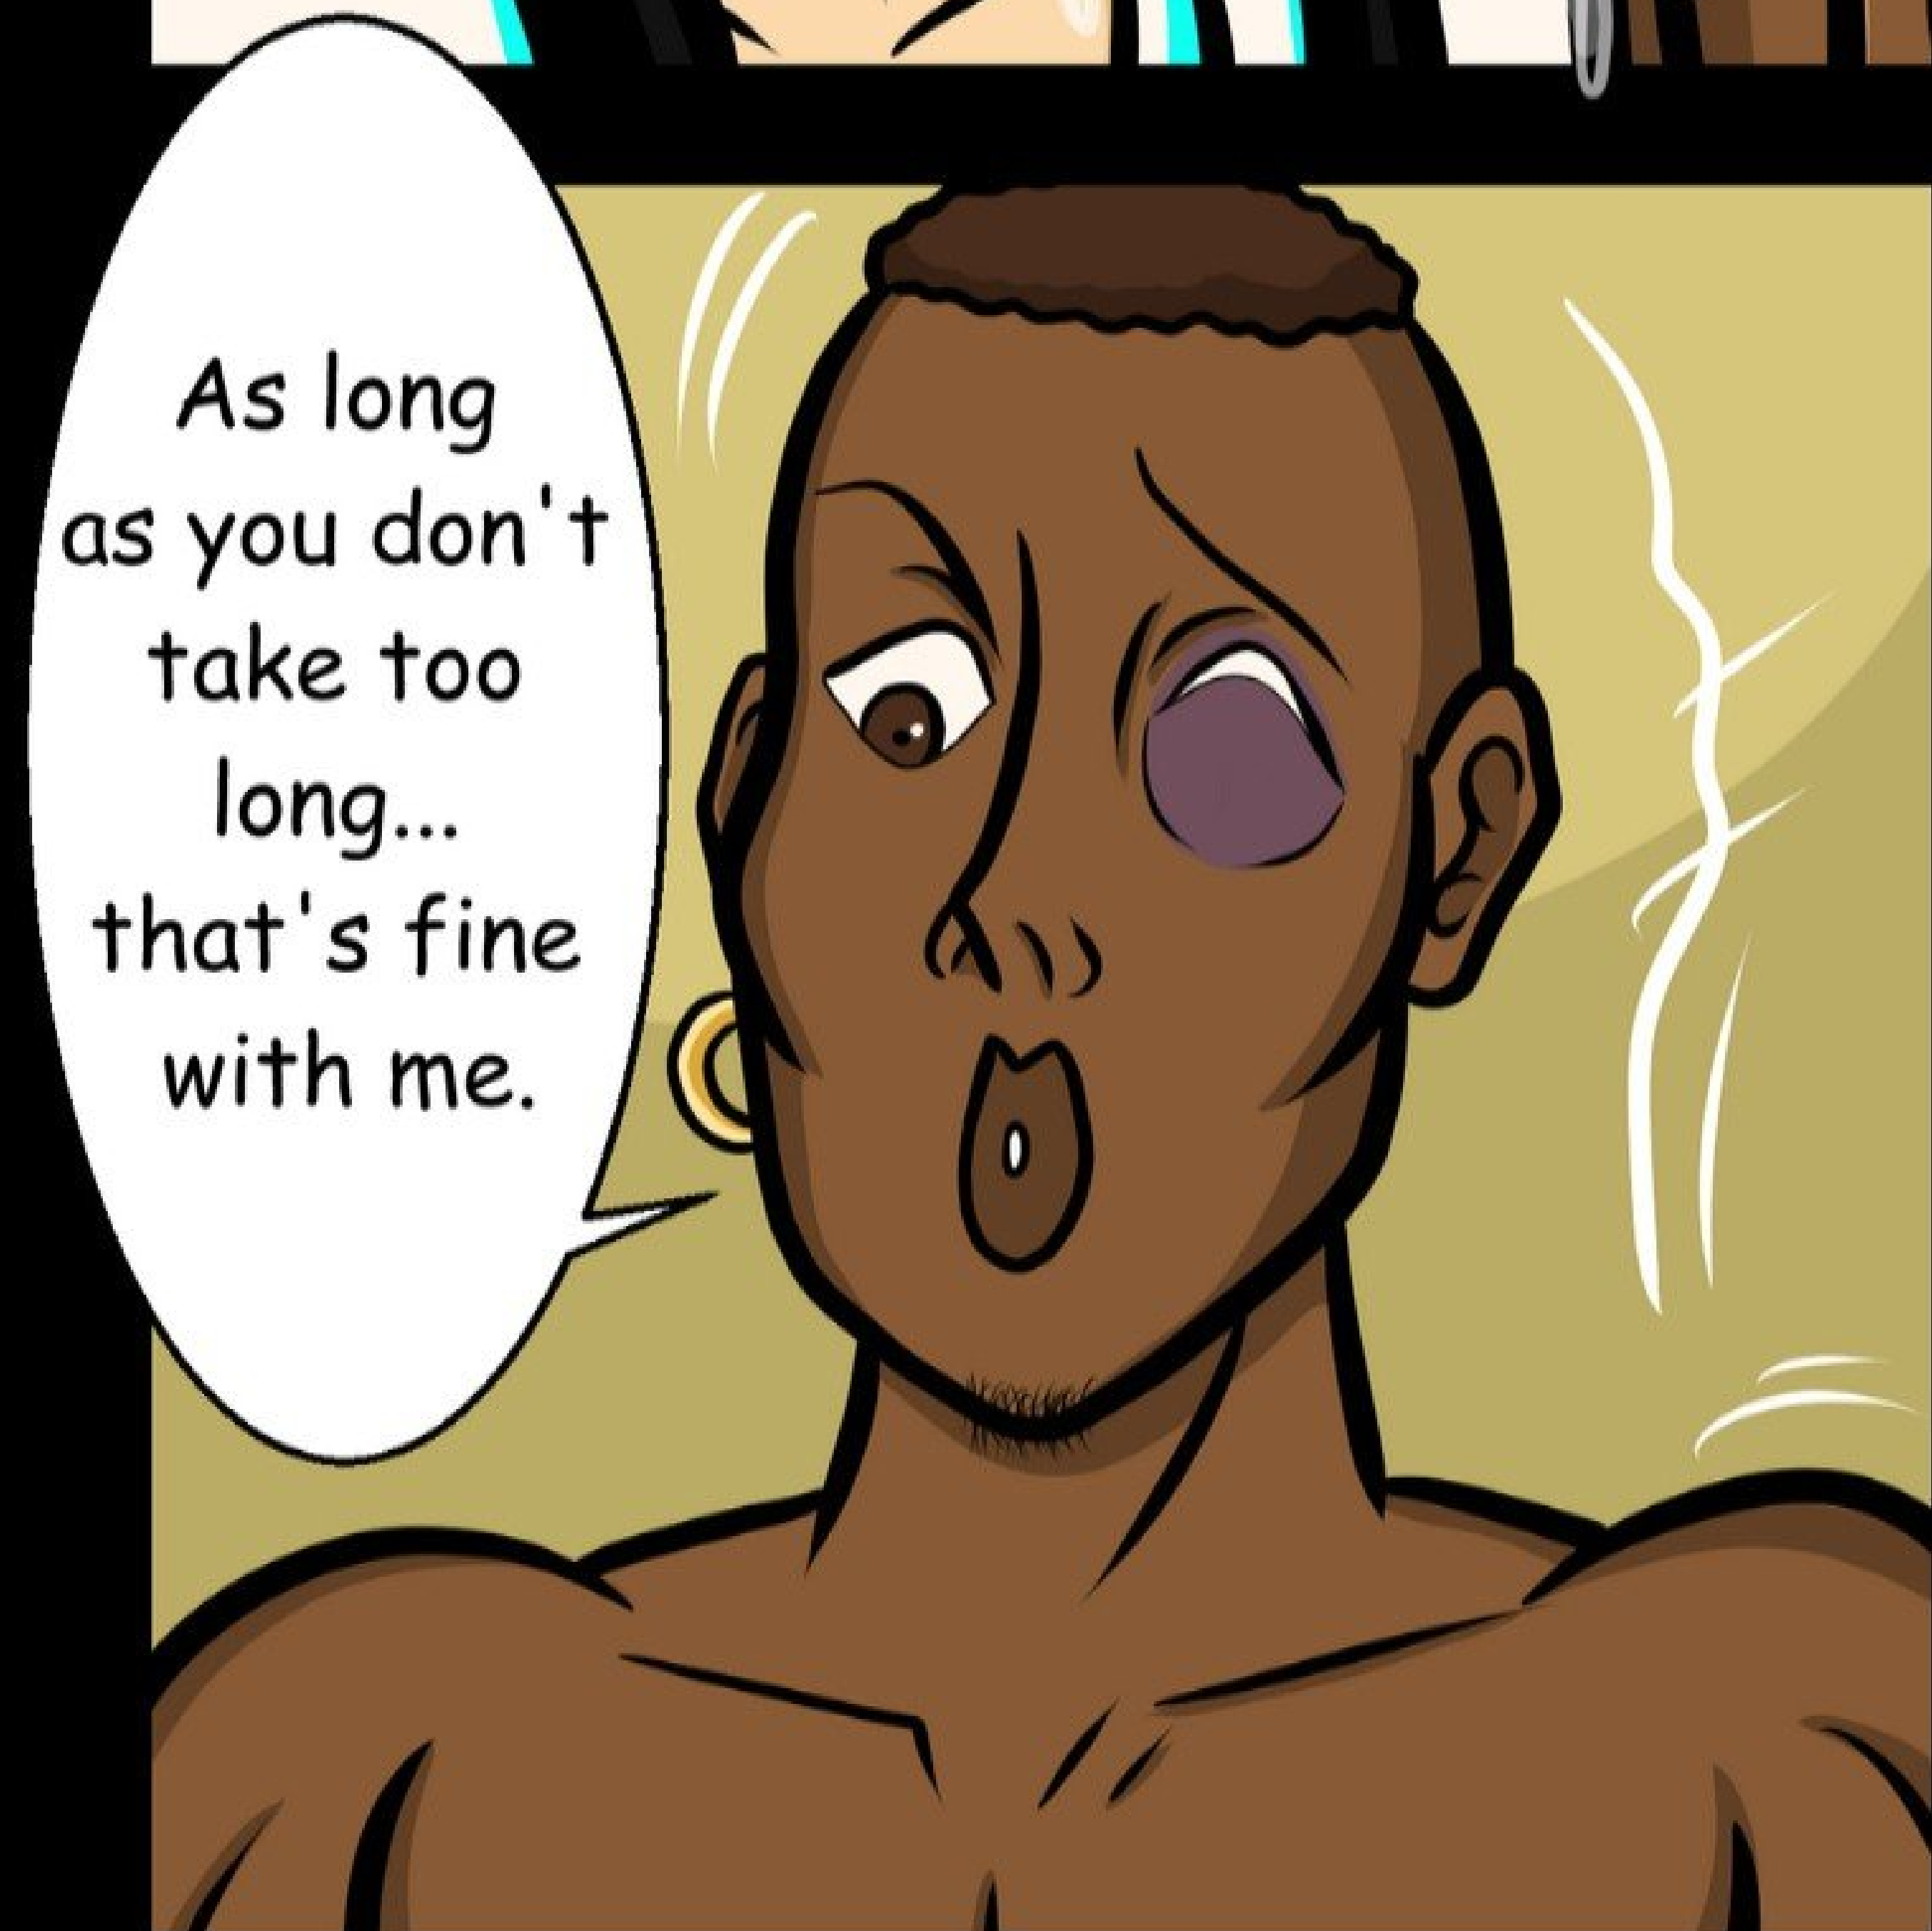

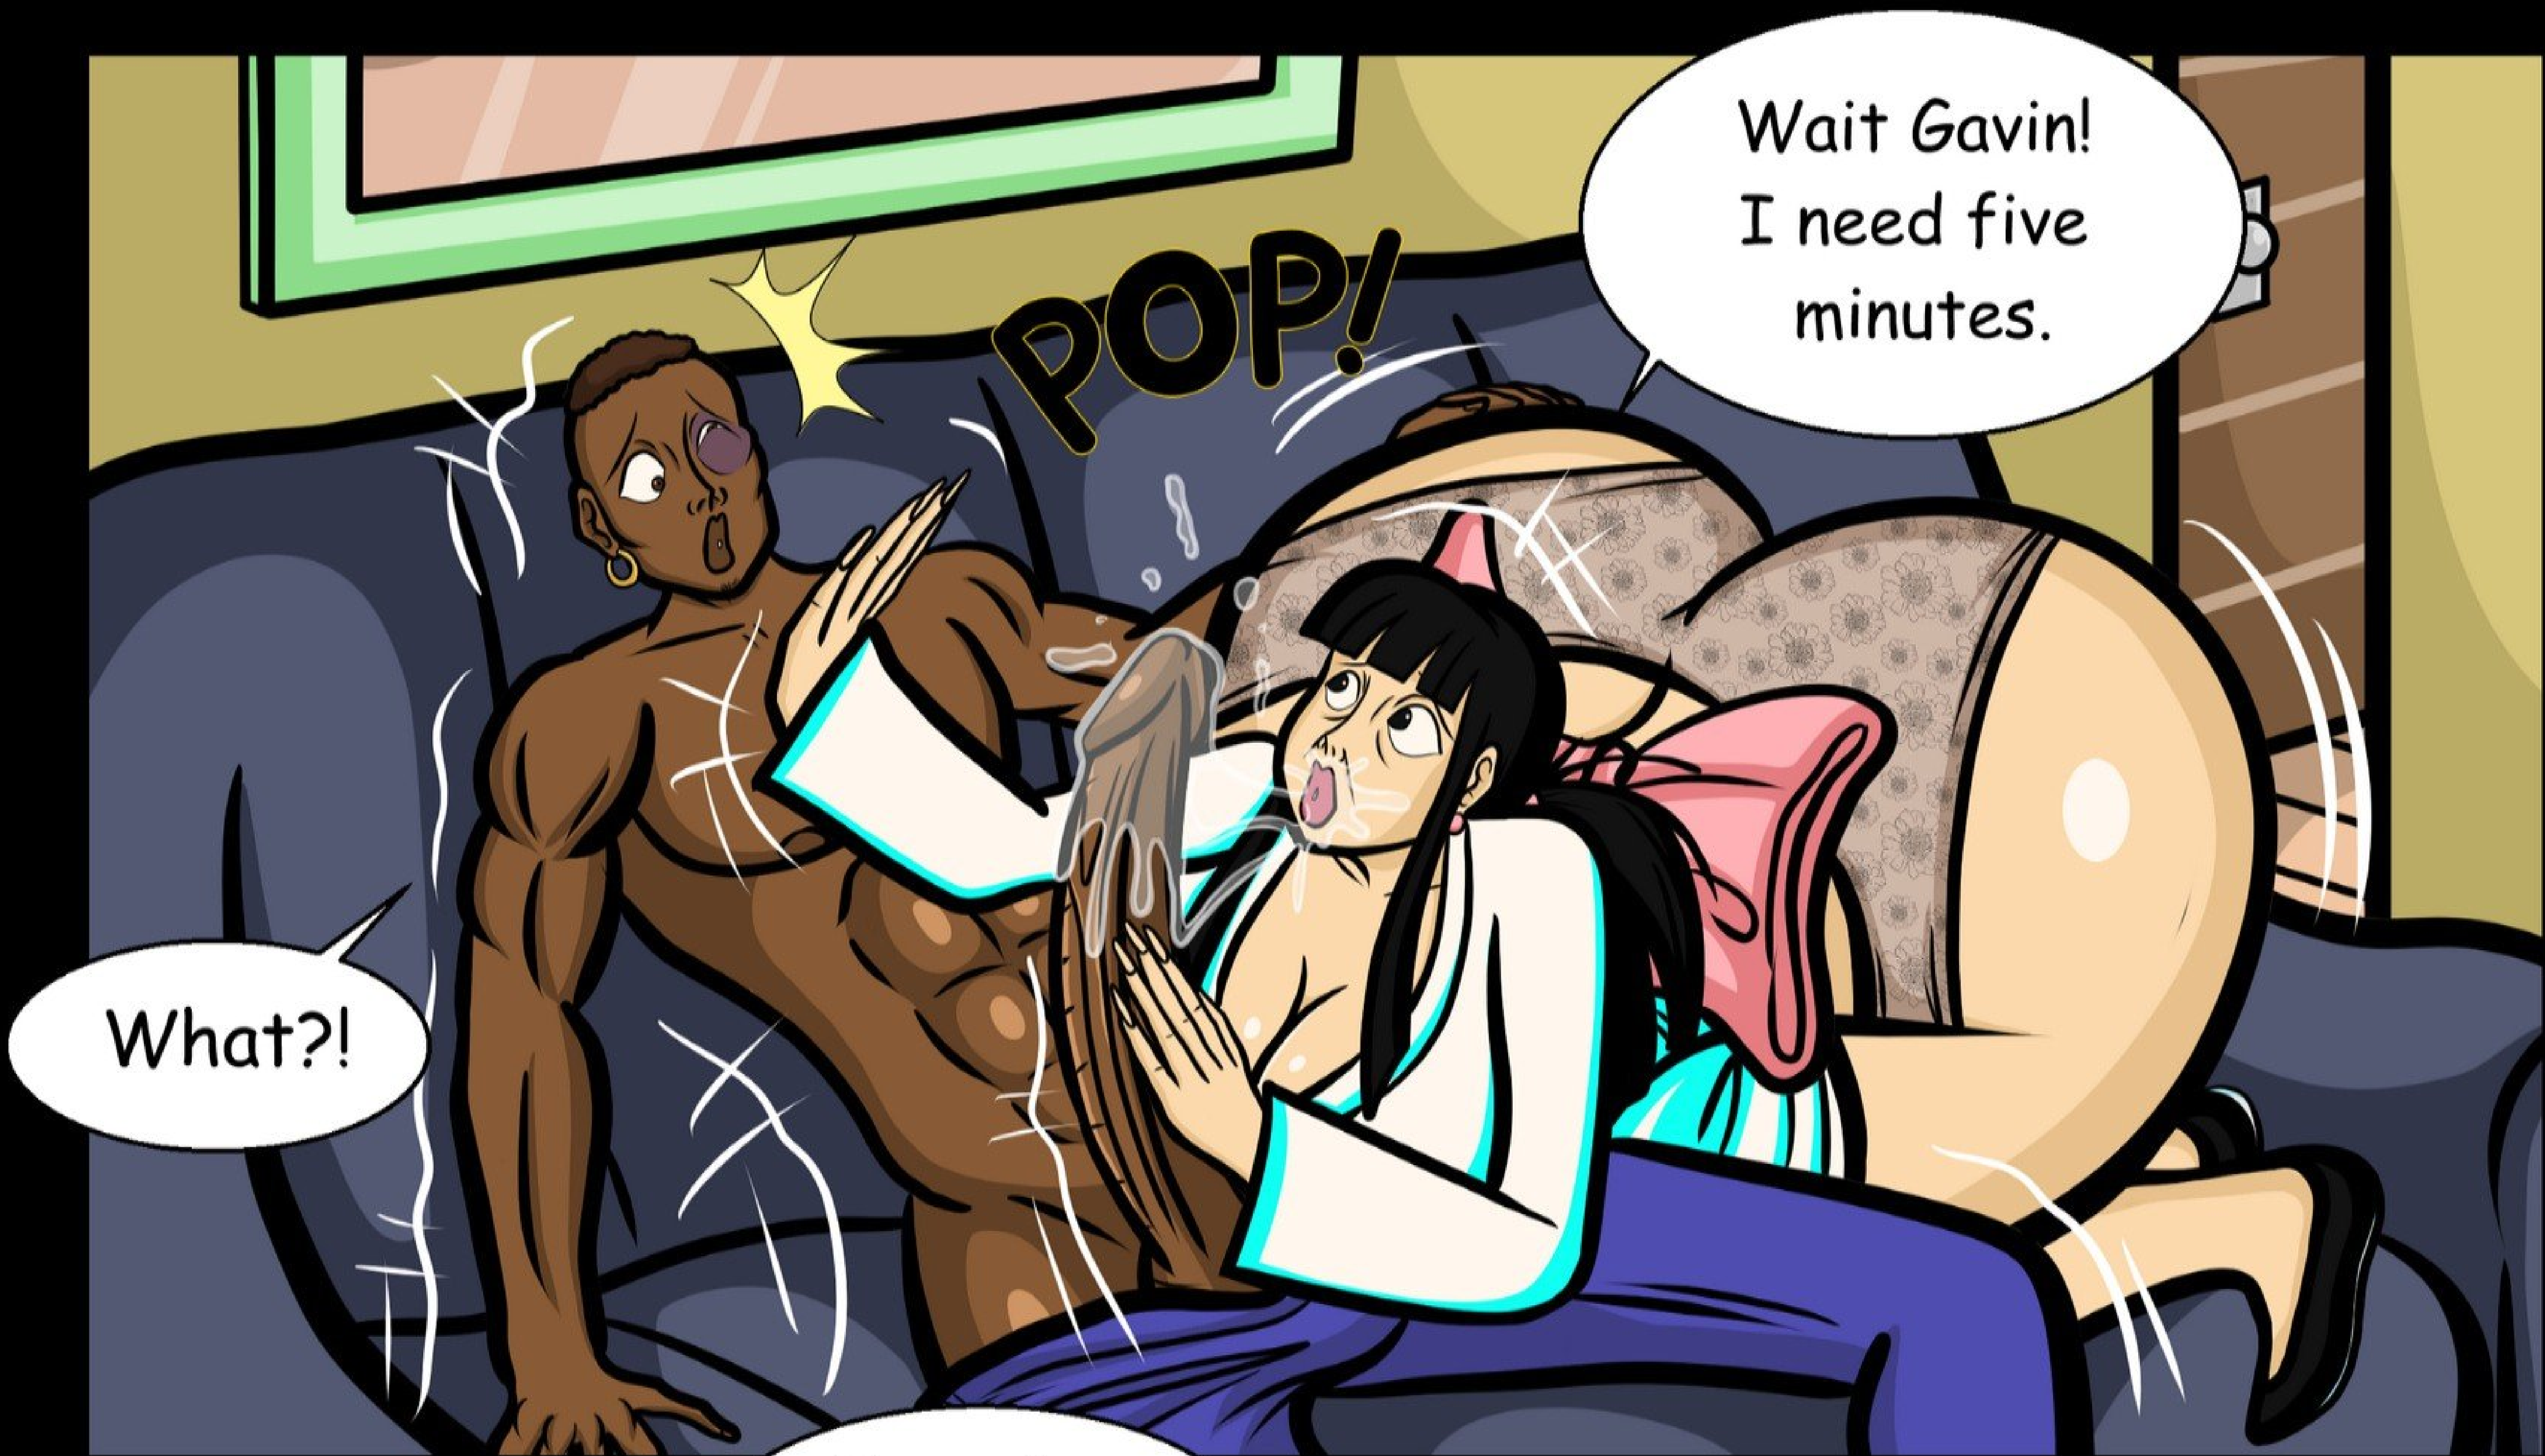

Minutes later...

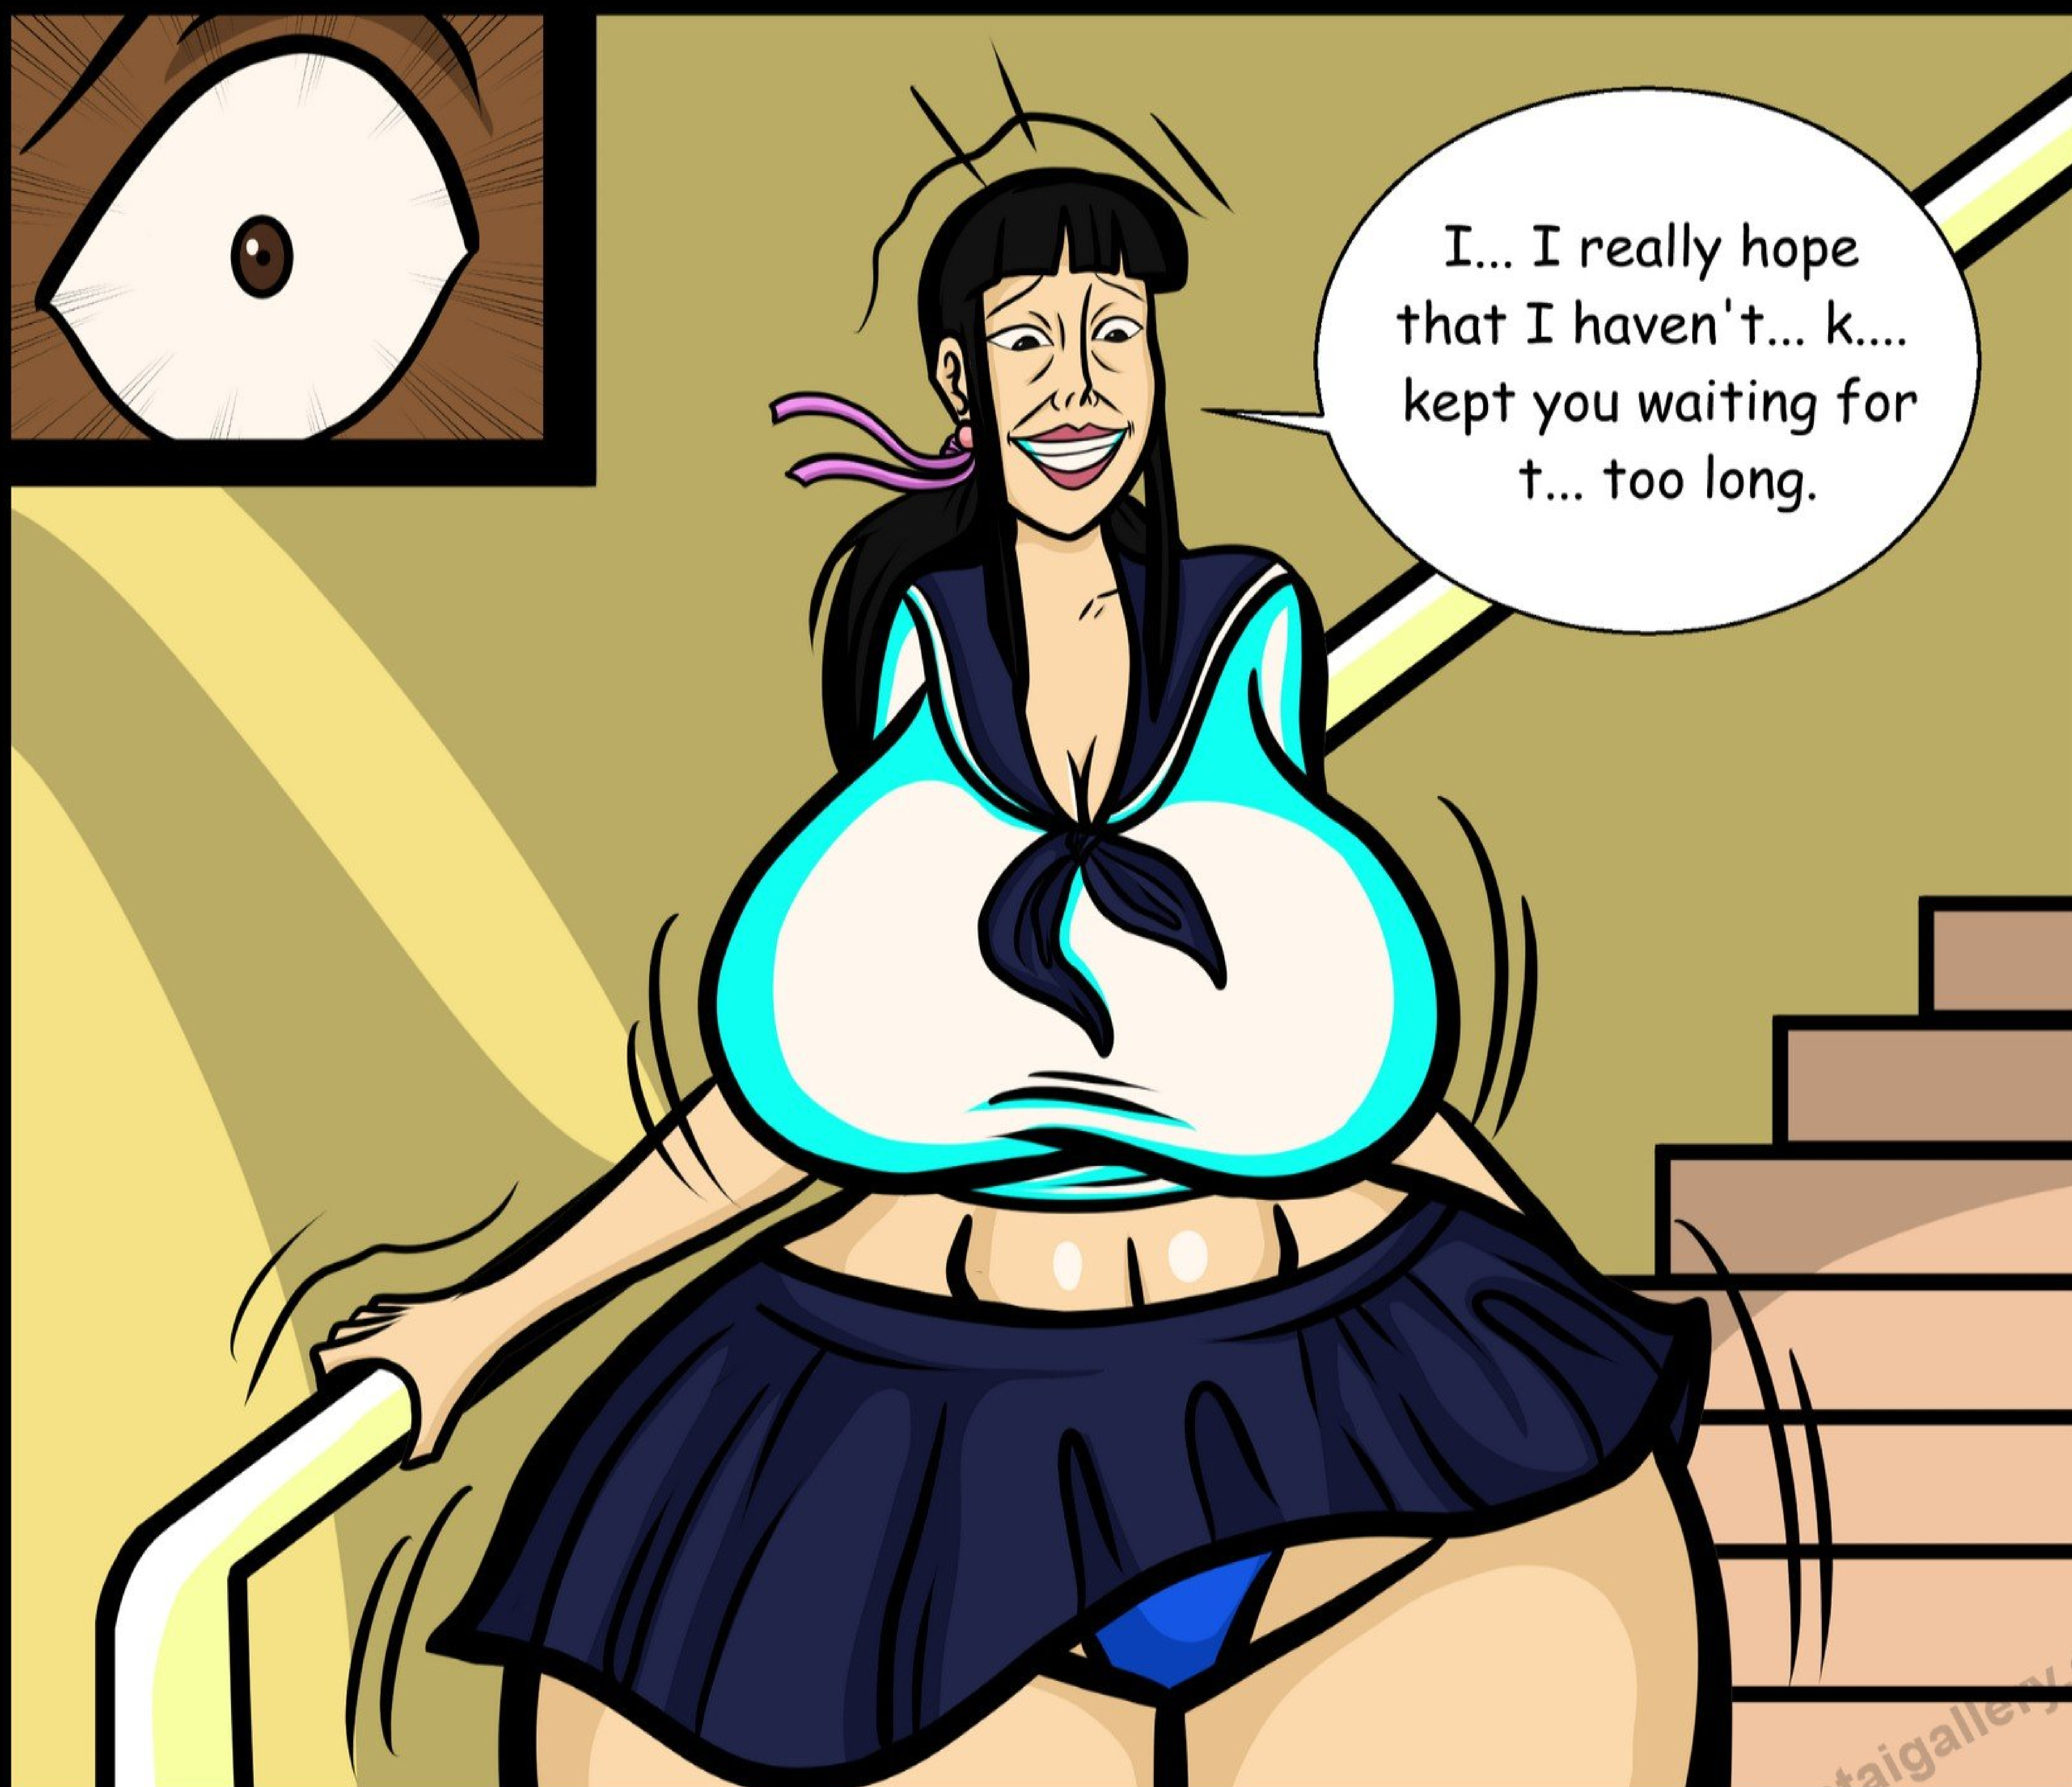

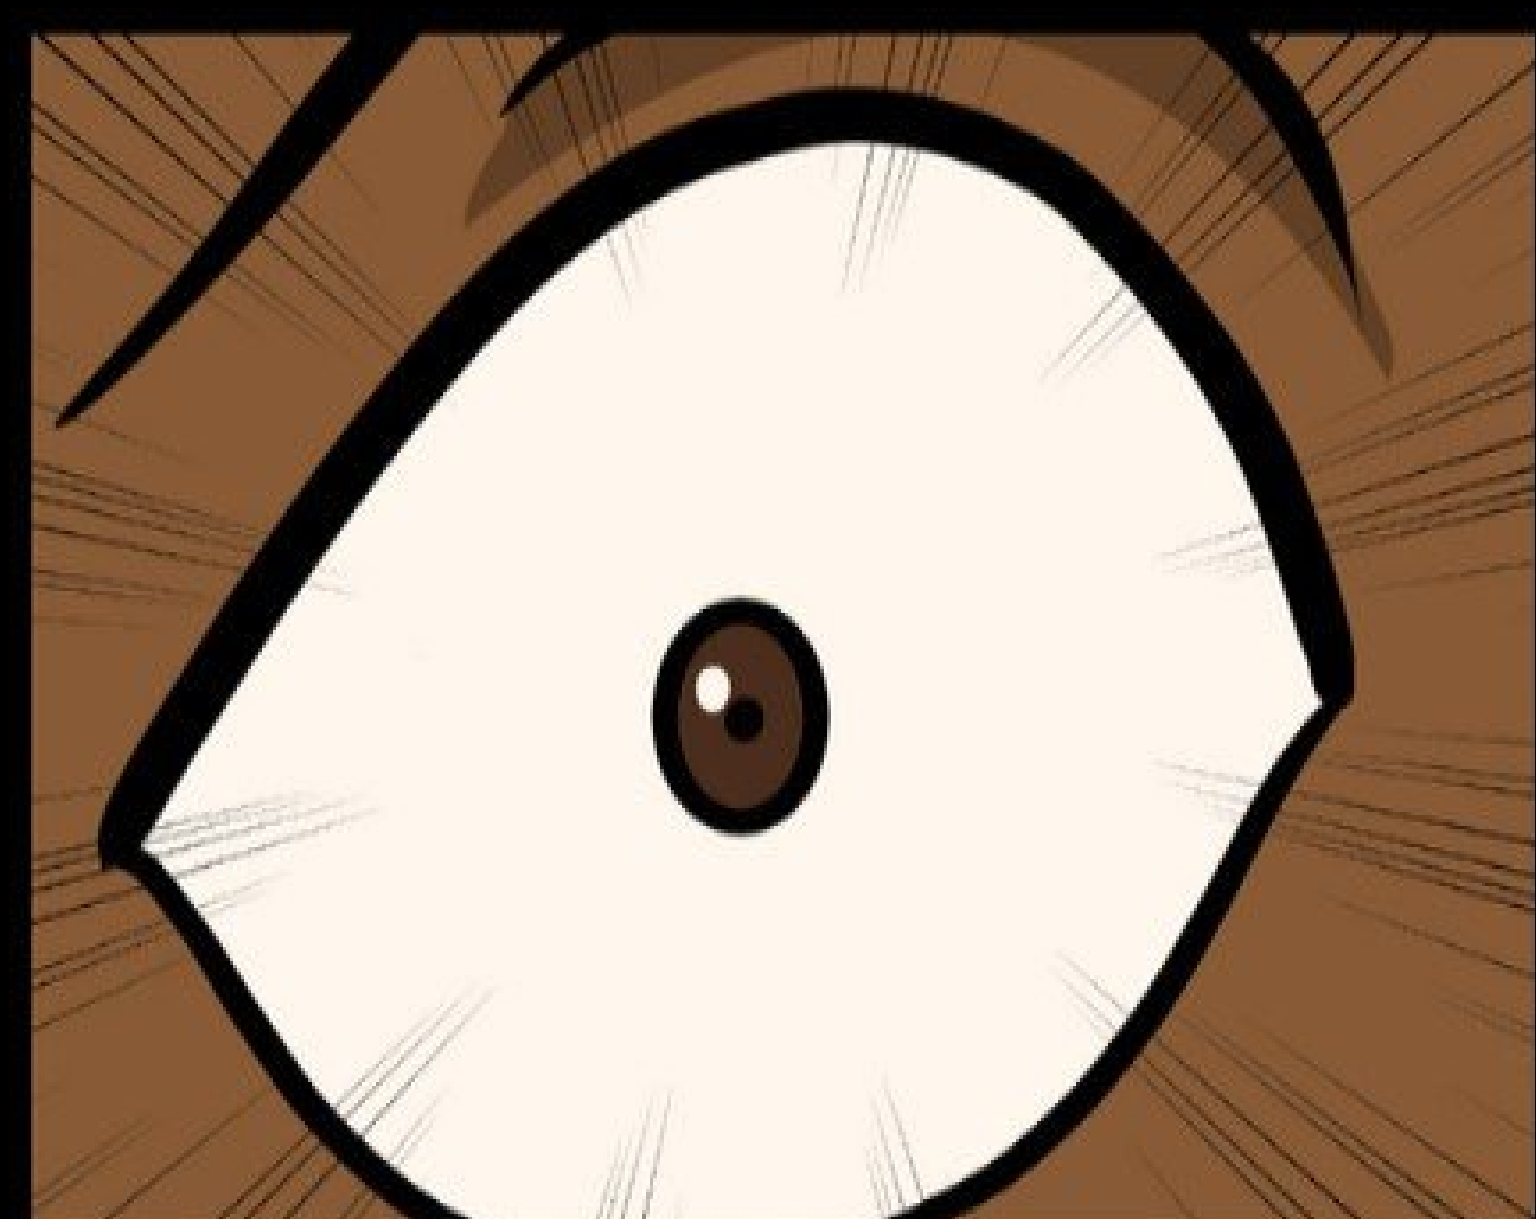

My vulgar vagina was getting wet at that moment. But for some reason, I no longer felt guilty about it. The only thing I wanted at that moment, was for Gavin's cock to reach deep inside me.

My posture of being a faithful and dedicated wife was slowly crumbling, and at that moment the image of a woman completely addicted to anal sex appeared, and I could no longer hide this in front of that young man.

20 minutes later...

Nee-san,
these clothes
are...

So,
do I look good
in this old
uniform?

Are you
serious? Oh,
I feel so
young...

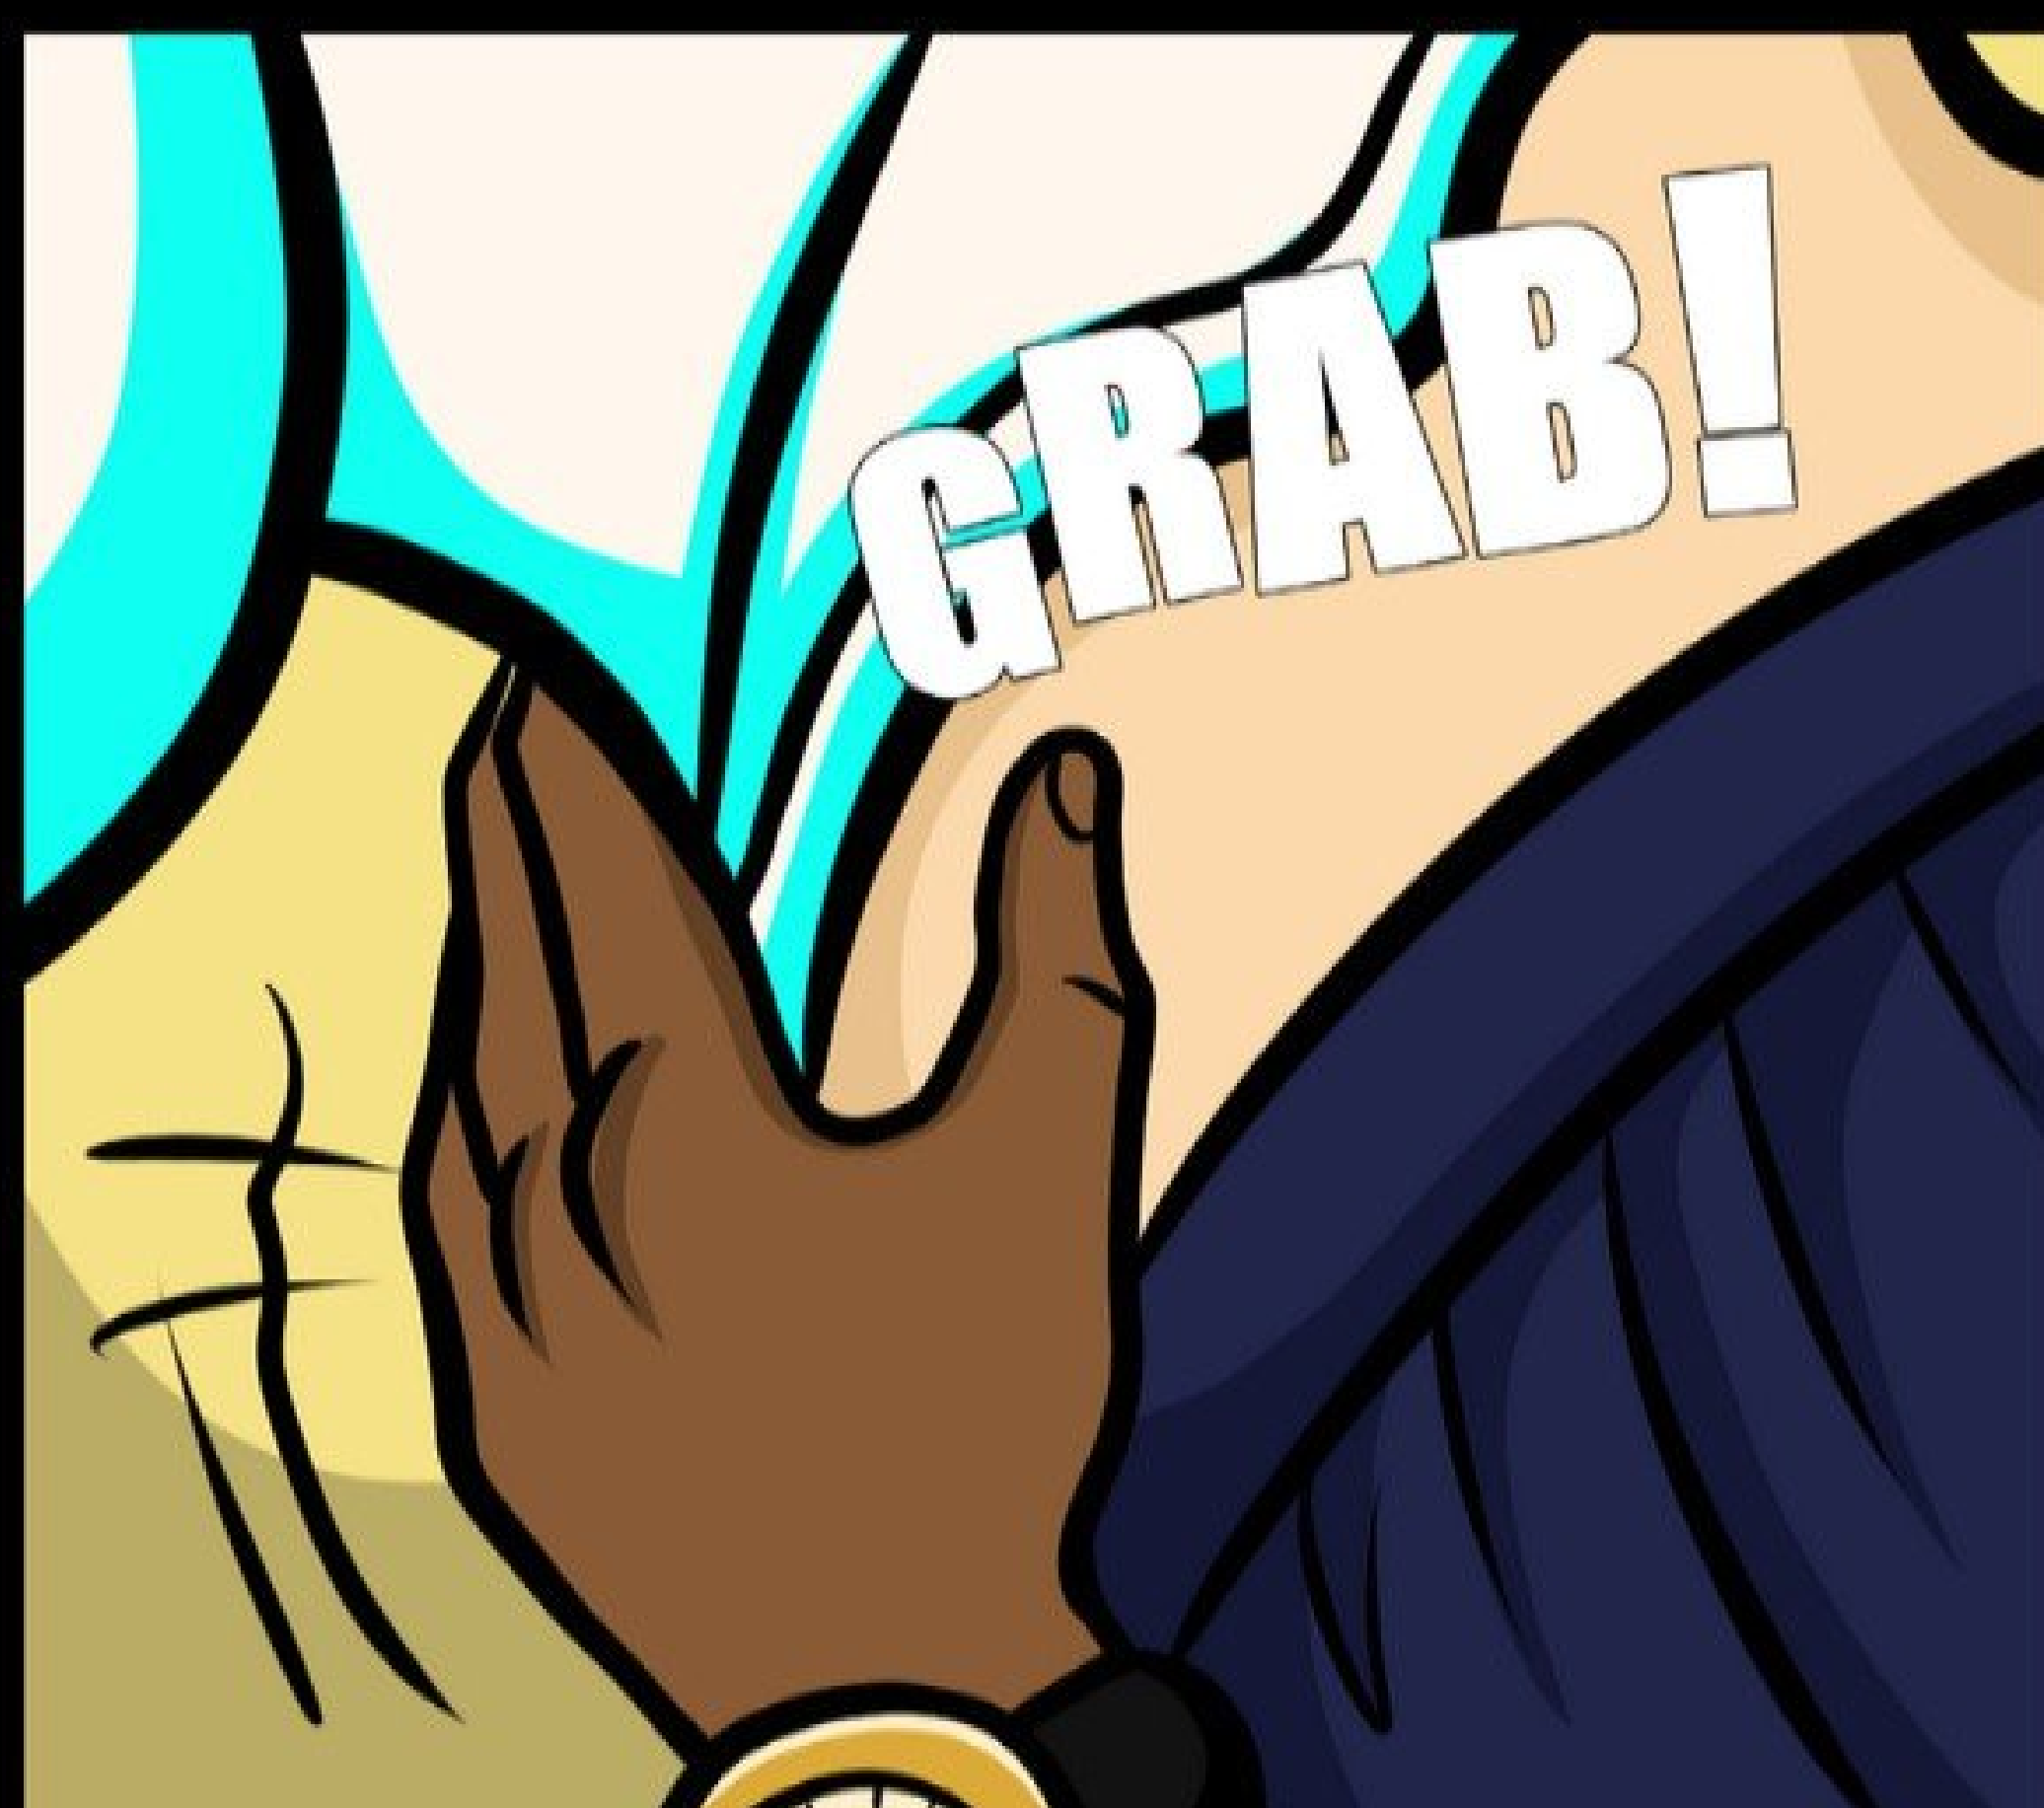

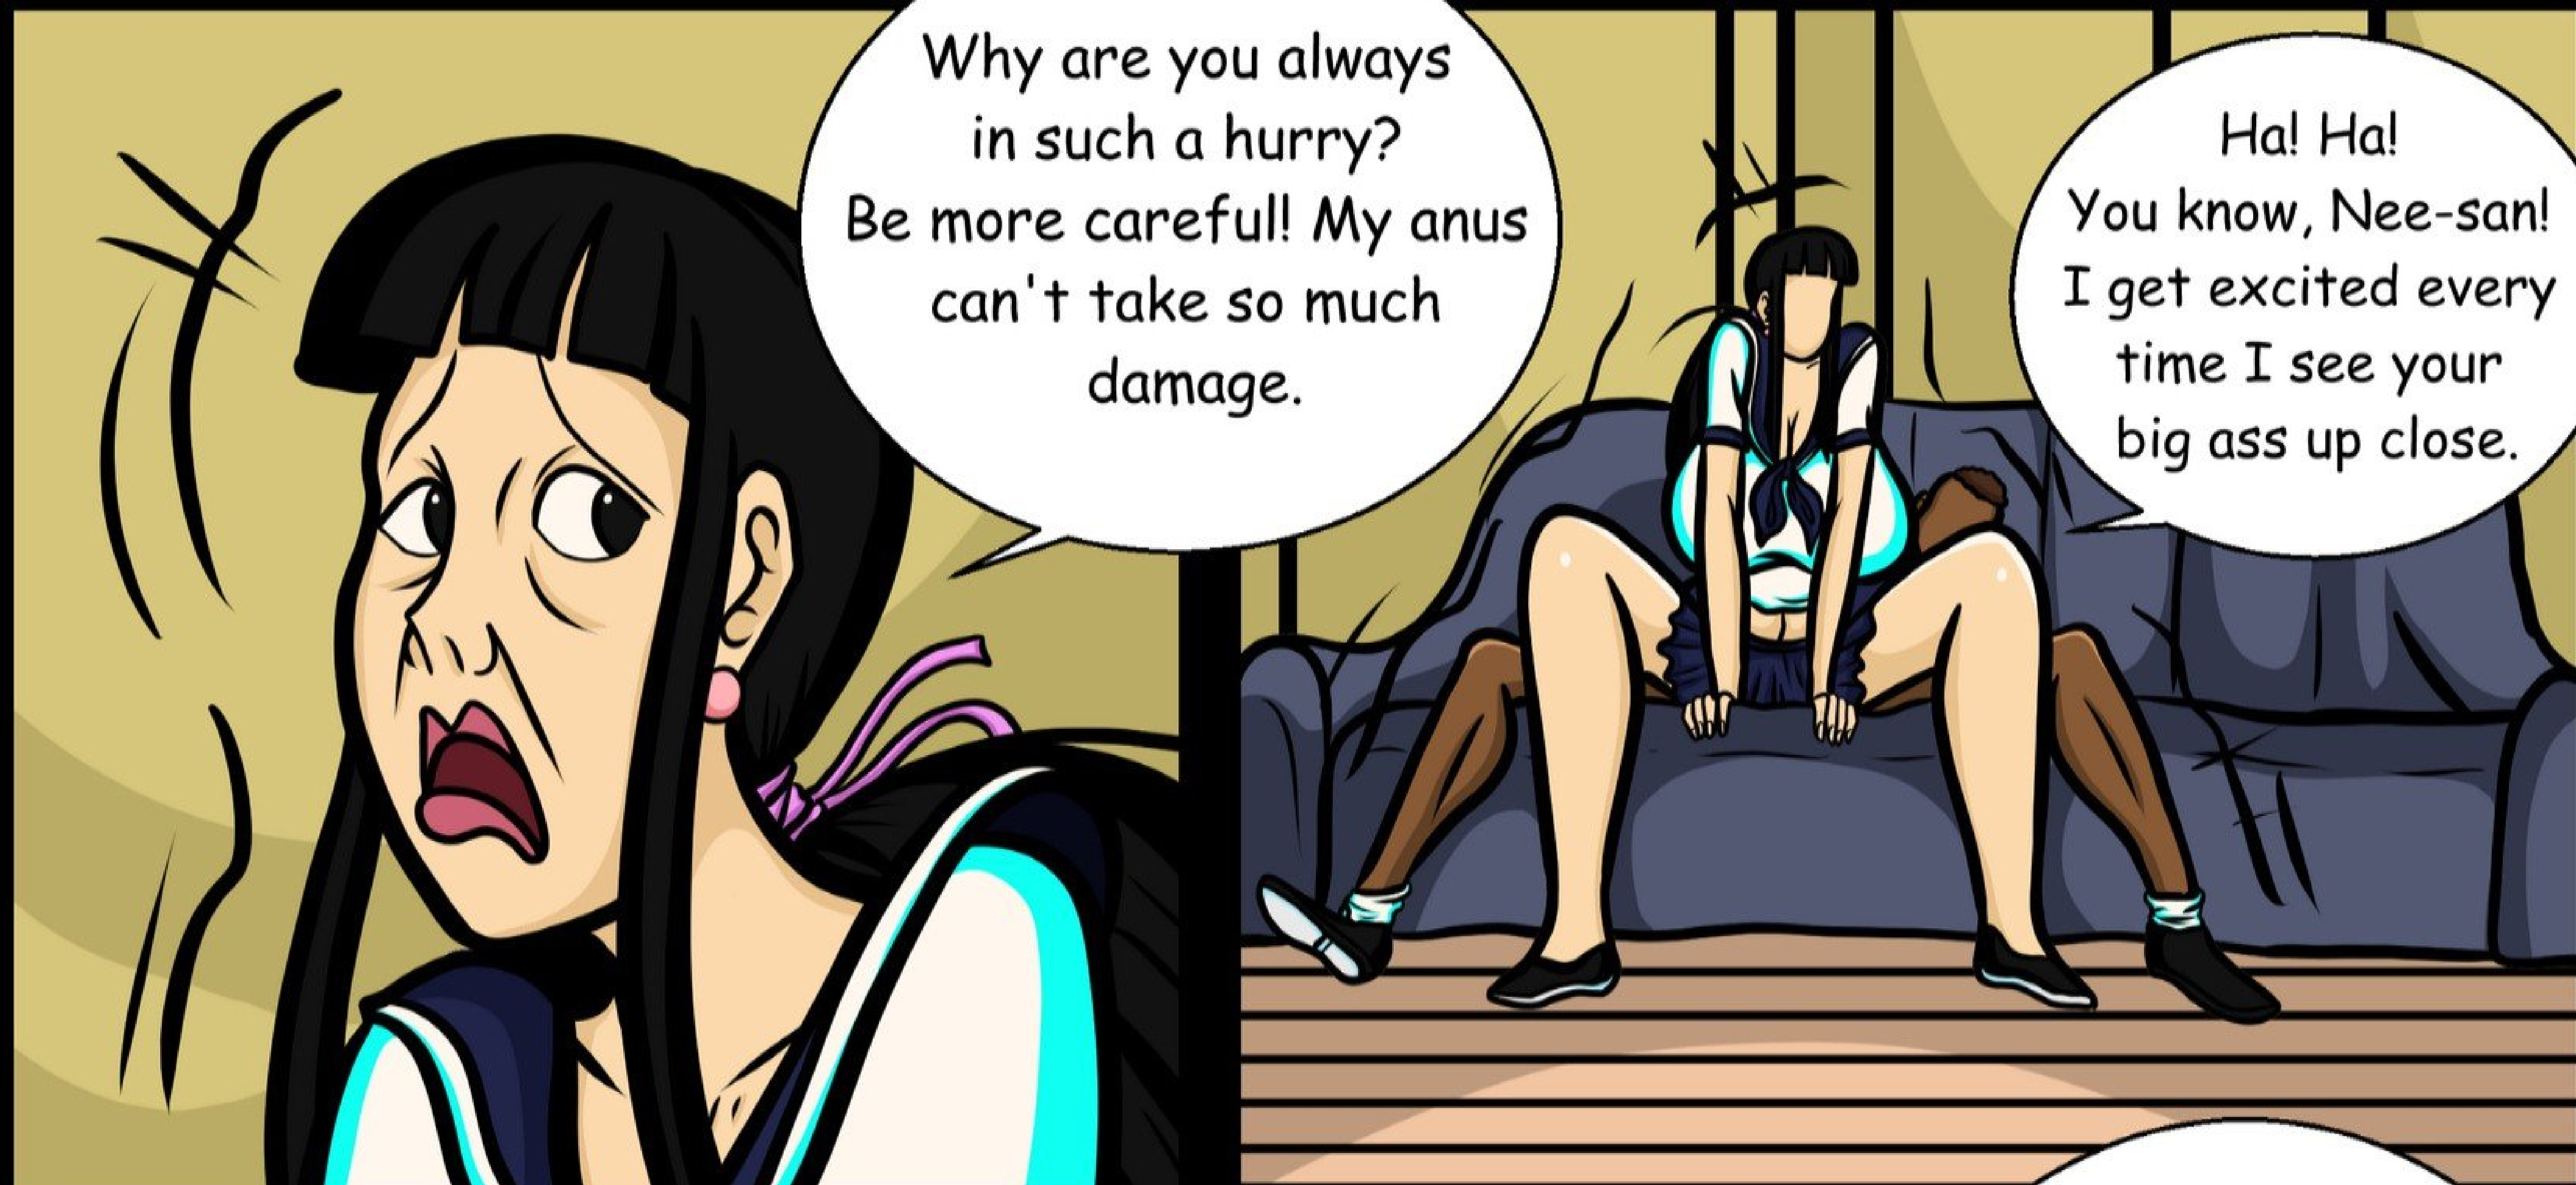

What about my
butt? ...does it look
good in this school
skirt?

BOUNCE!!

Well...
I can tell you're
in great physical
shape!

I just couldn't forget all the times we did those things together. Wearing that old school uniform of mine raised my self-esteem. Gavin (as most of the time), wanted to rush things.

Why are you always
in such a hurry?
Be more careful! My anus
can't take so much
damage.

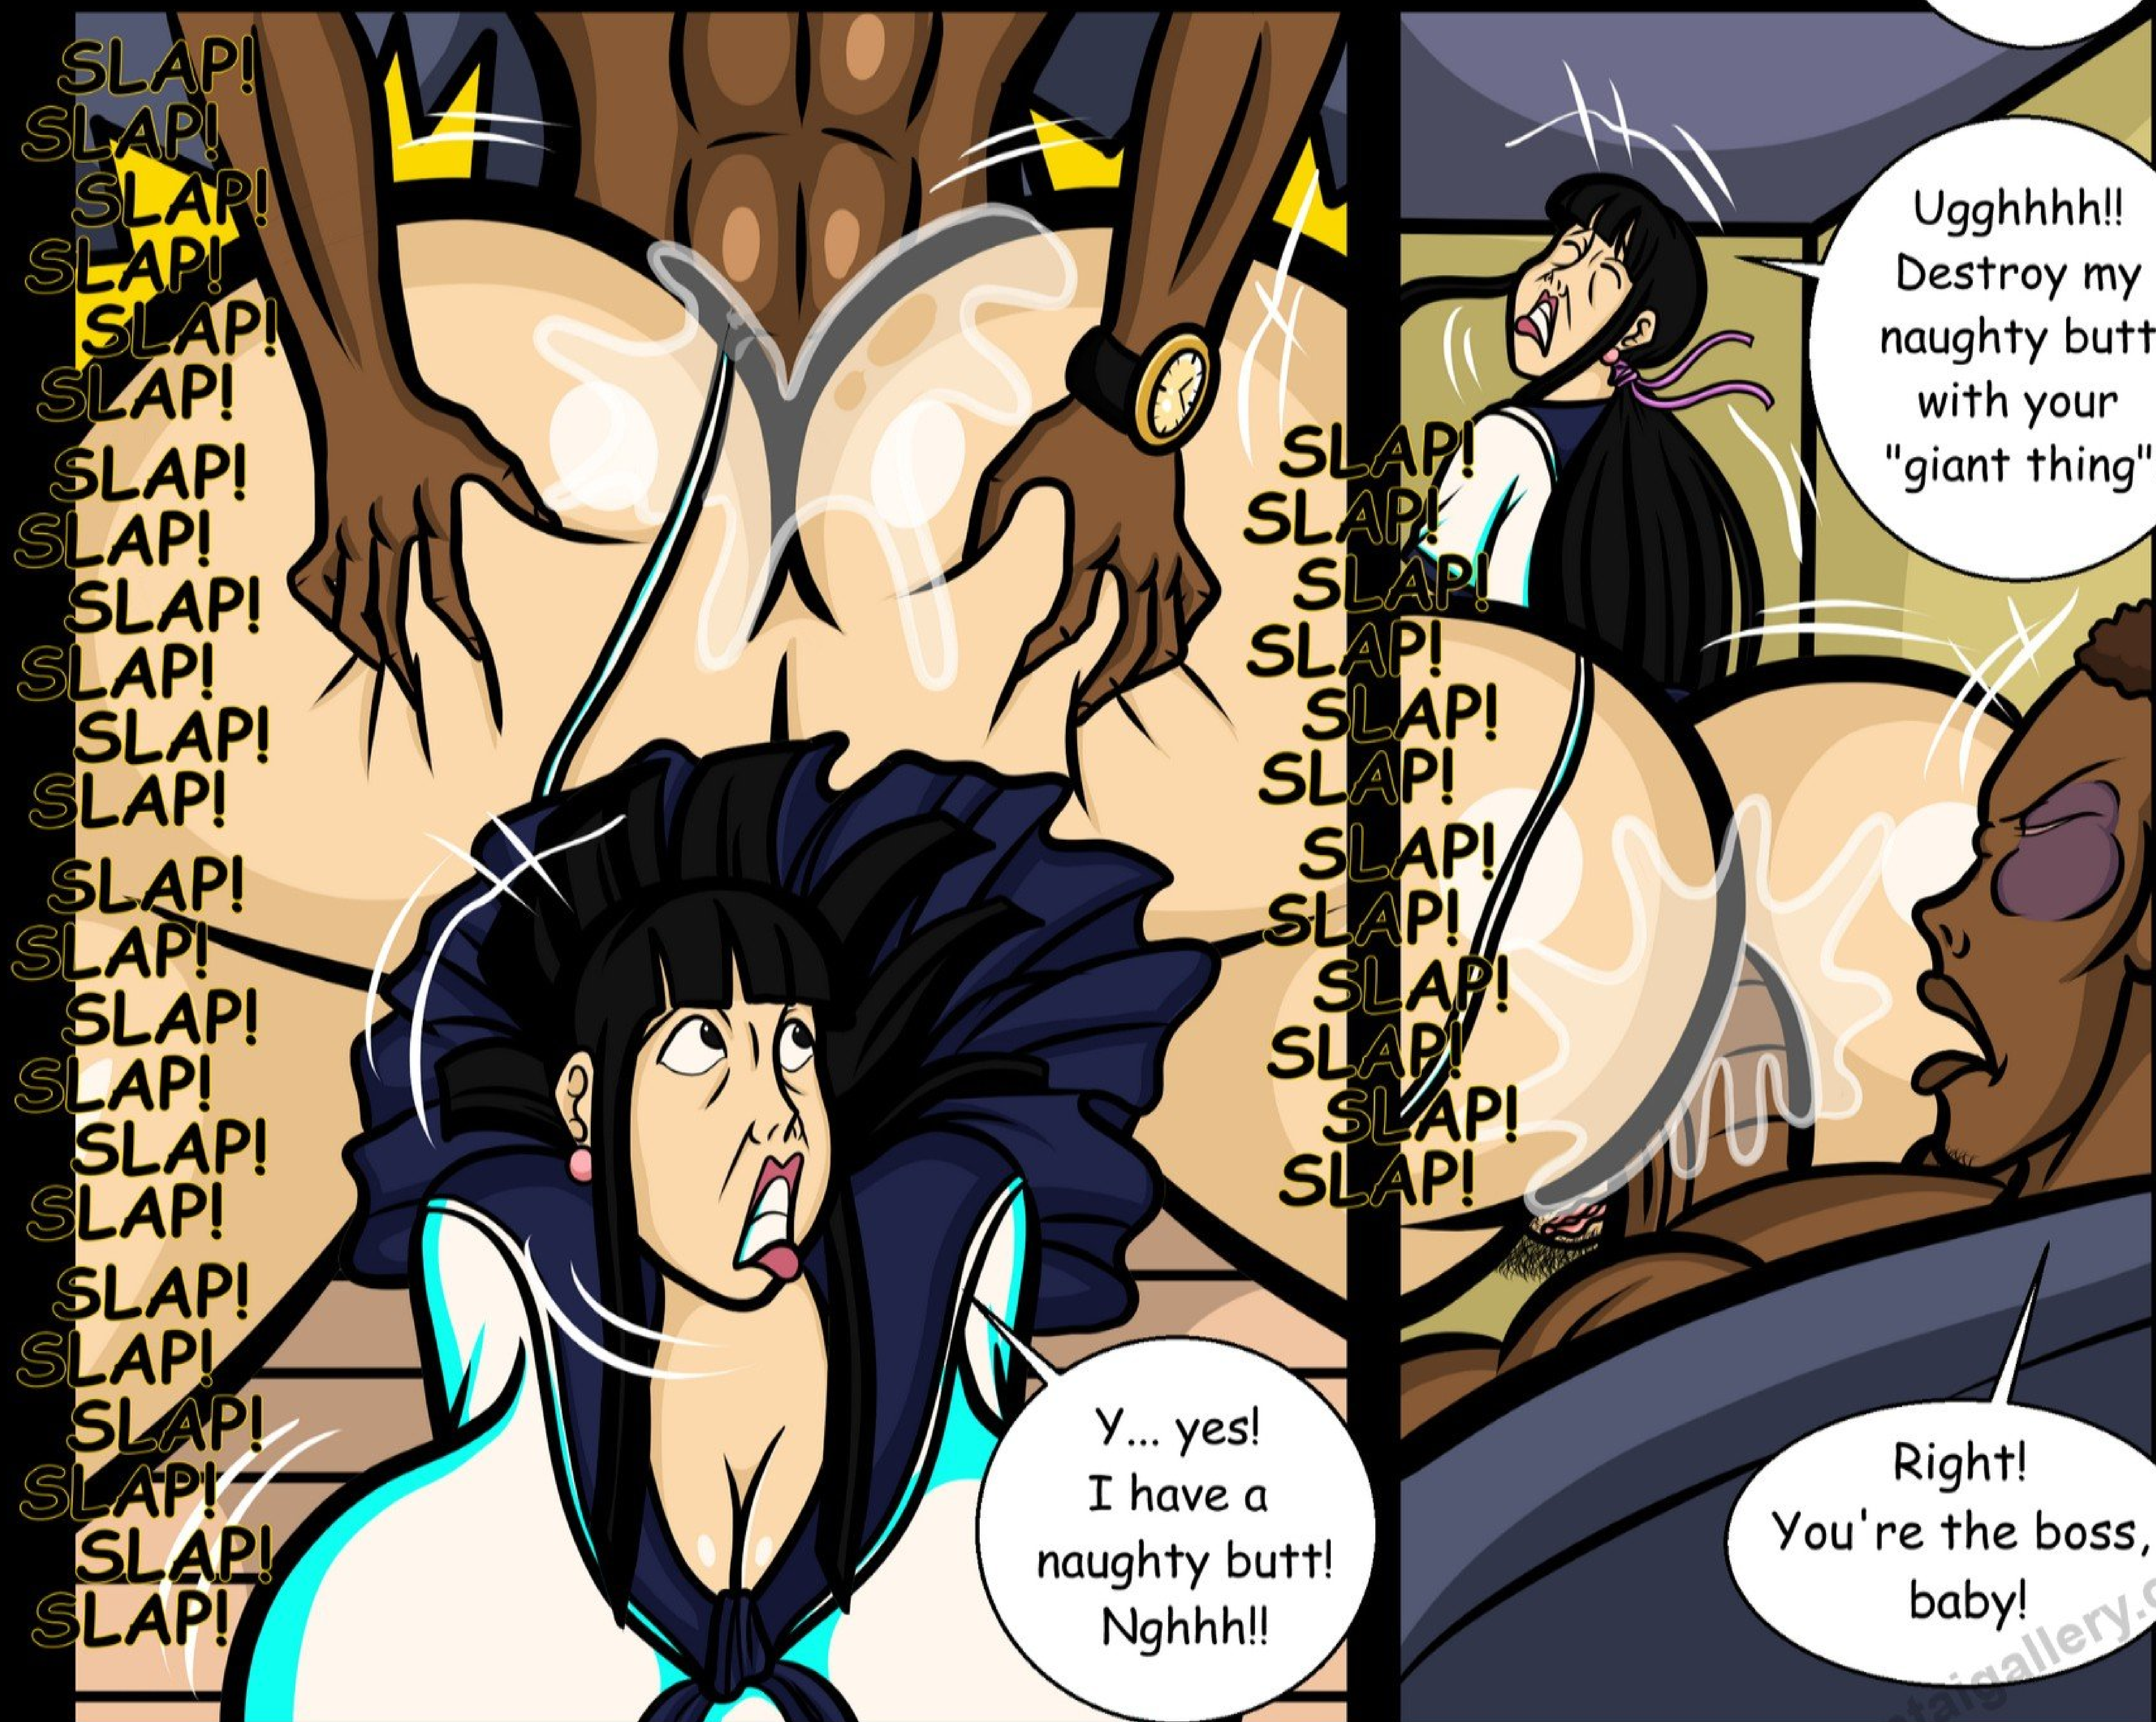

Ha! Ha!
You know, Nee-san!
I get excited every
time I see your
big ass up close.

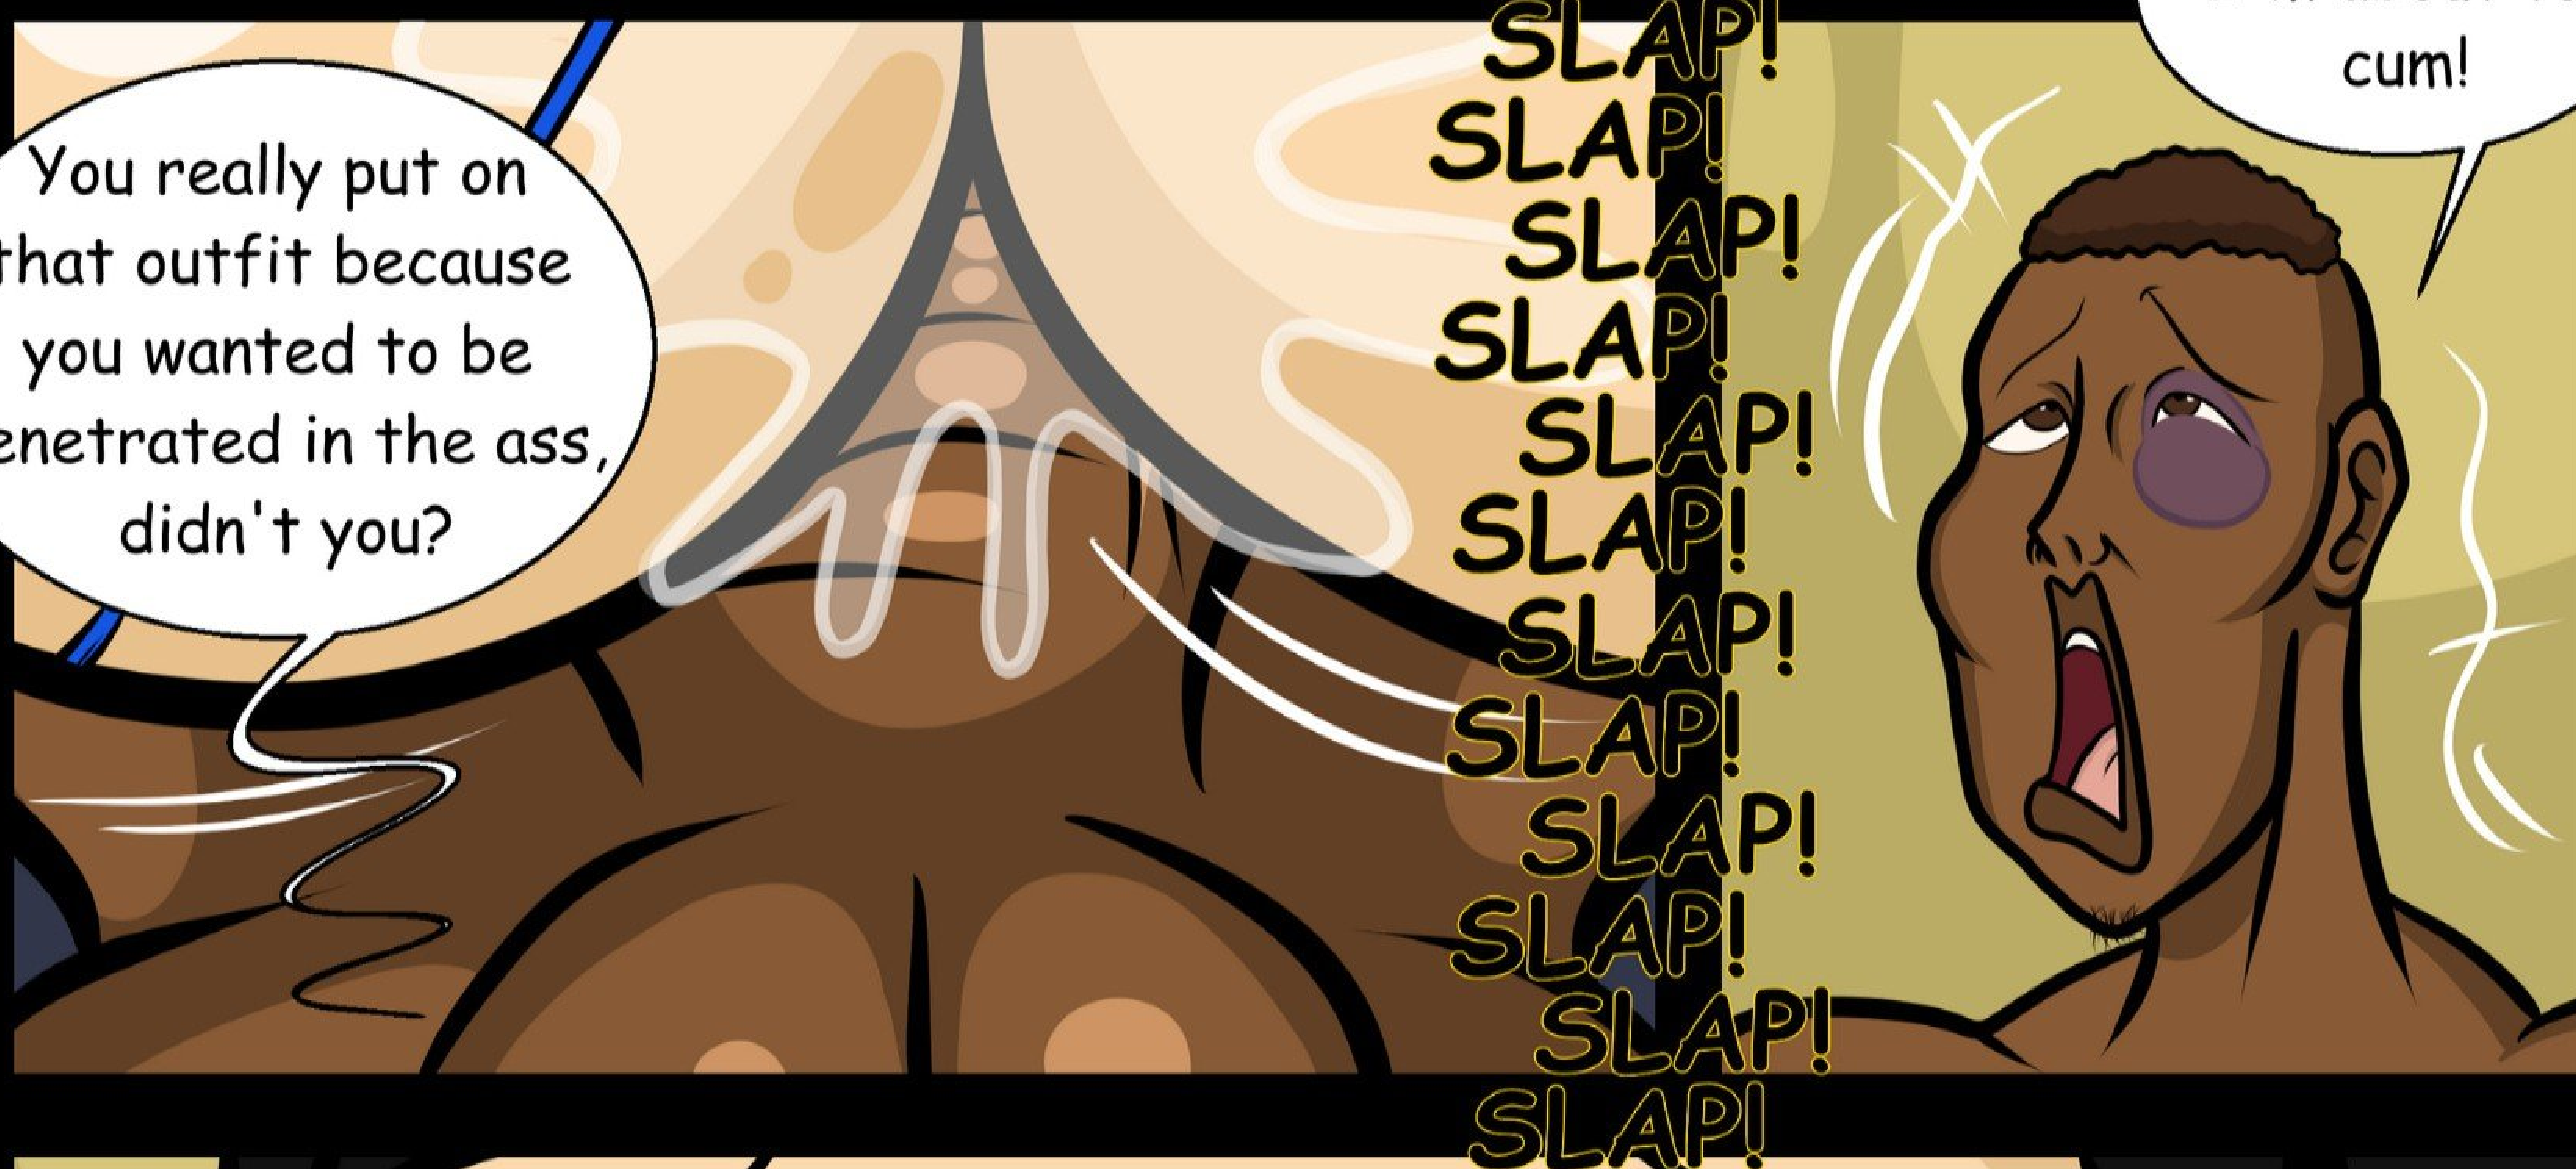

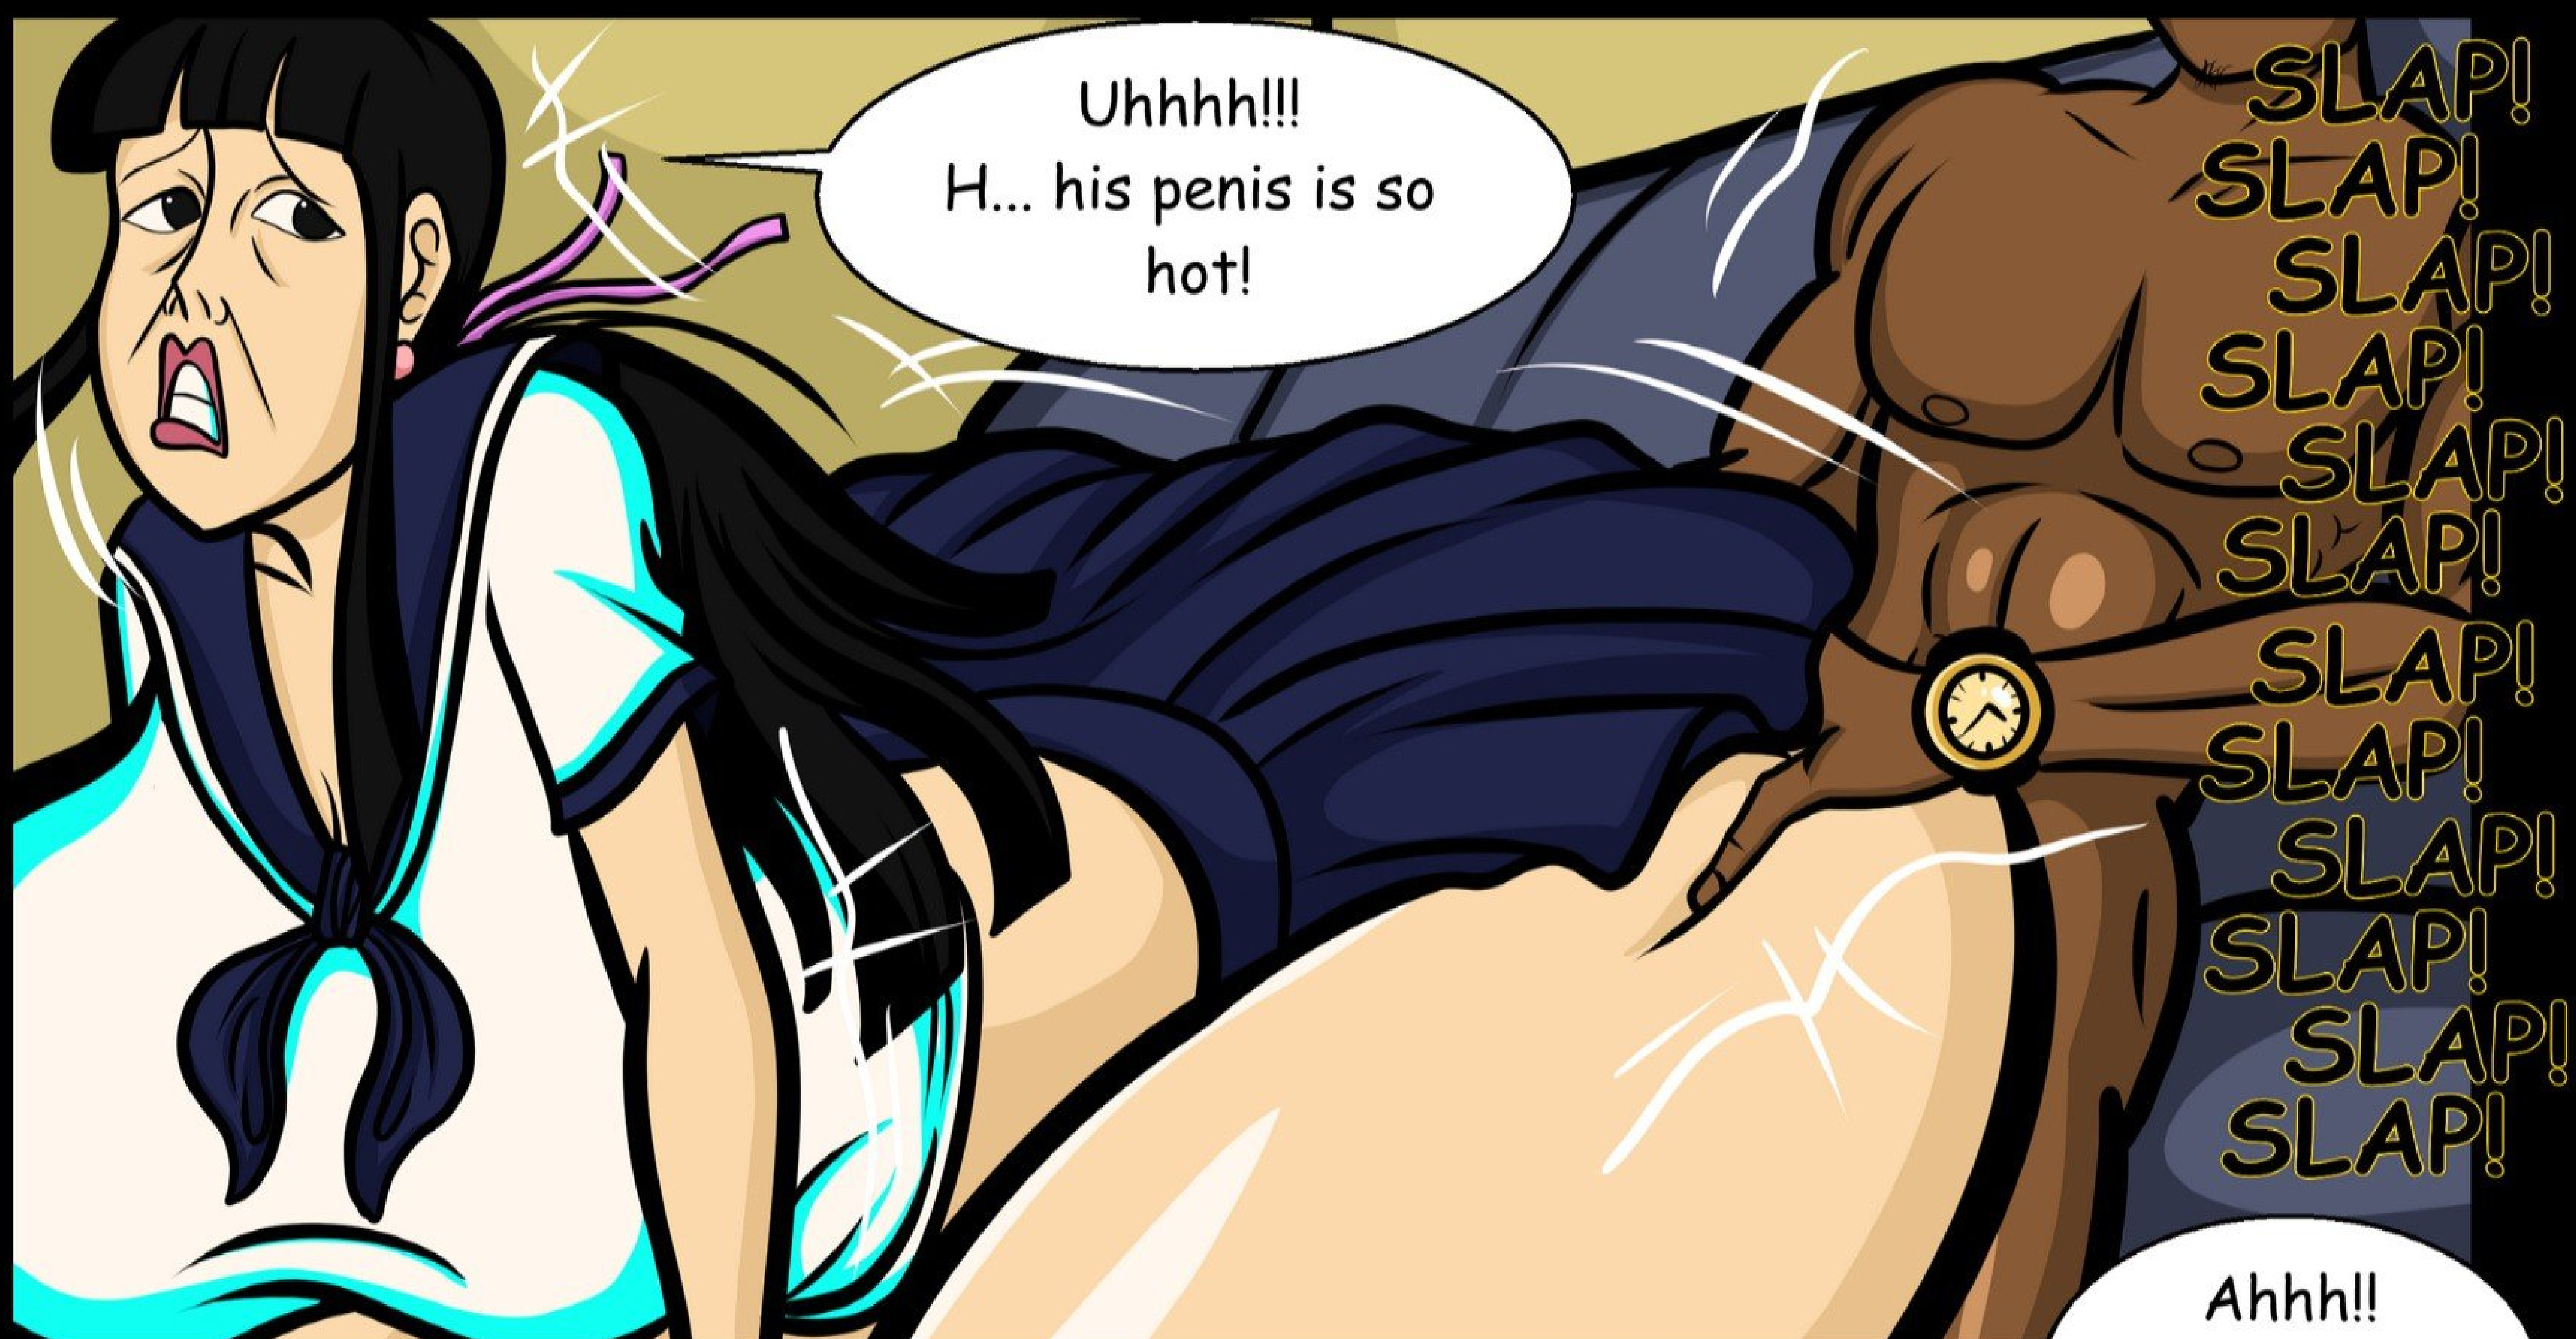

Eh?!
So I should allow you
to penetrate my butt
just because you can't
resist seeing it up close?
Tsc... Tsc...

...You can do
better than that to
convince my big ass
to accept your huge...
err... big dick!

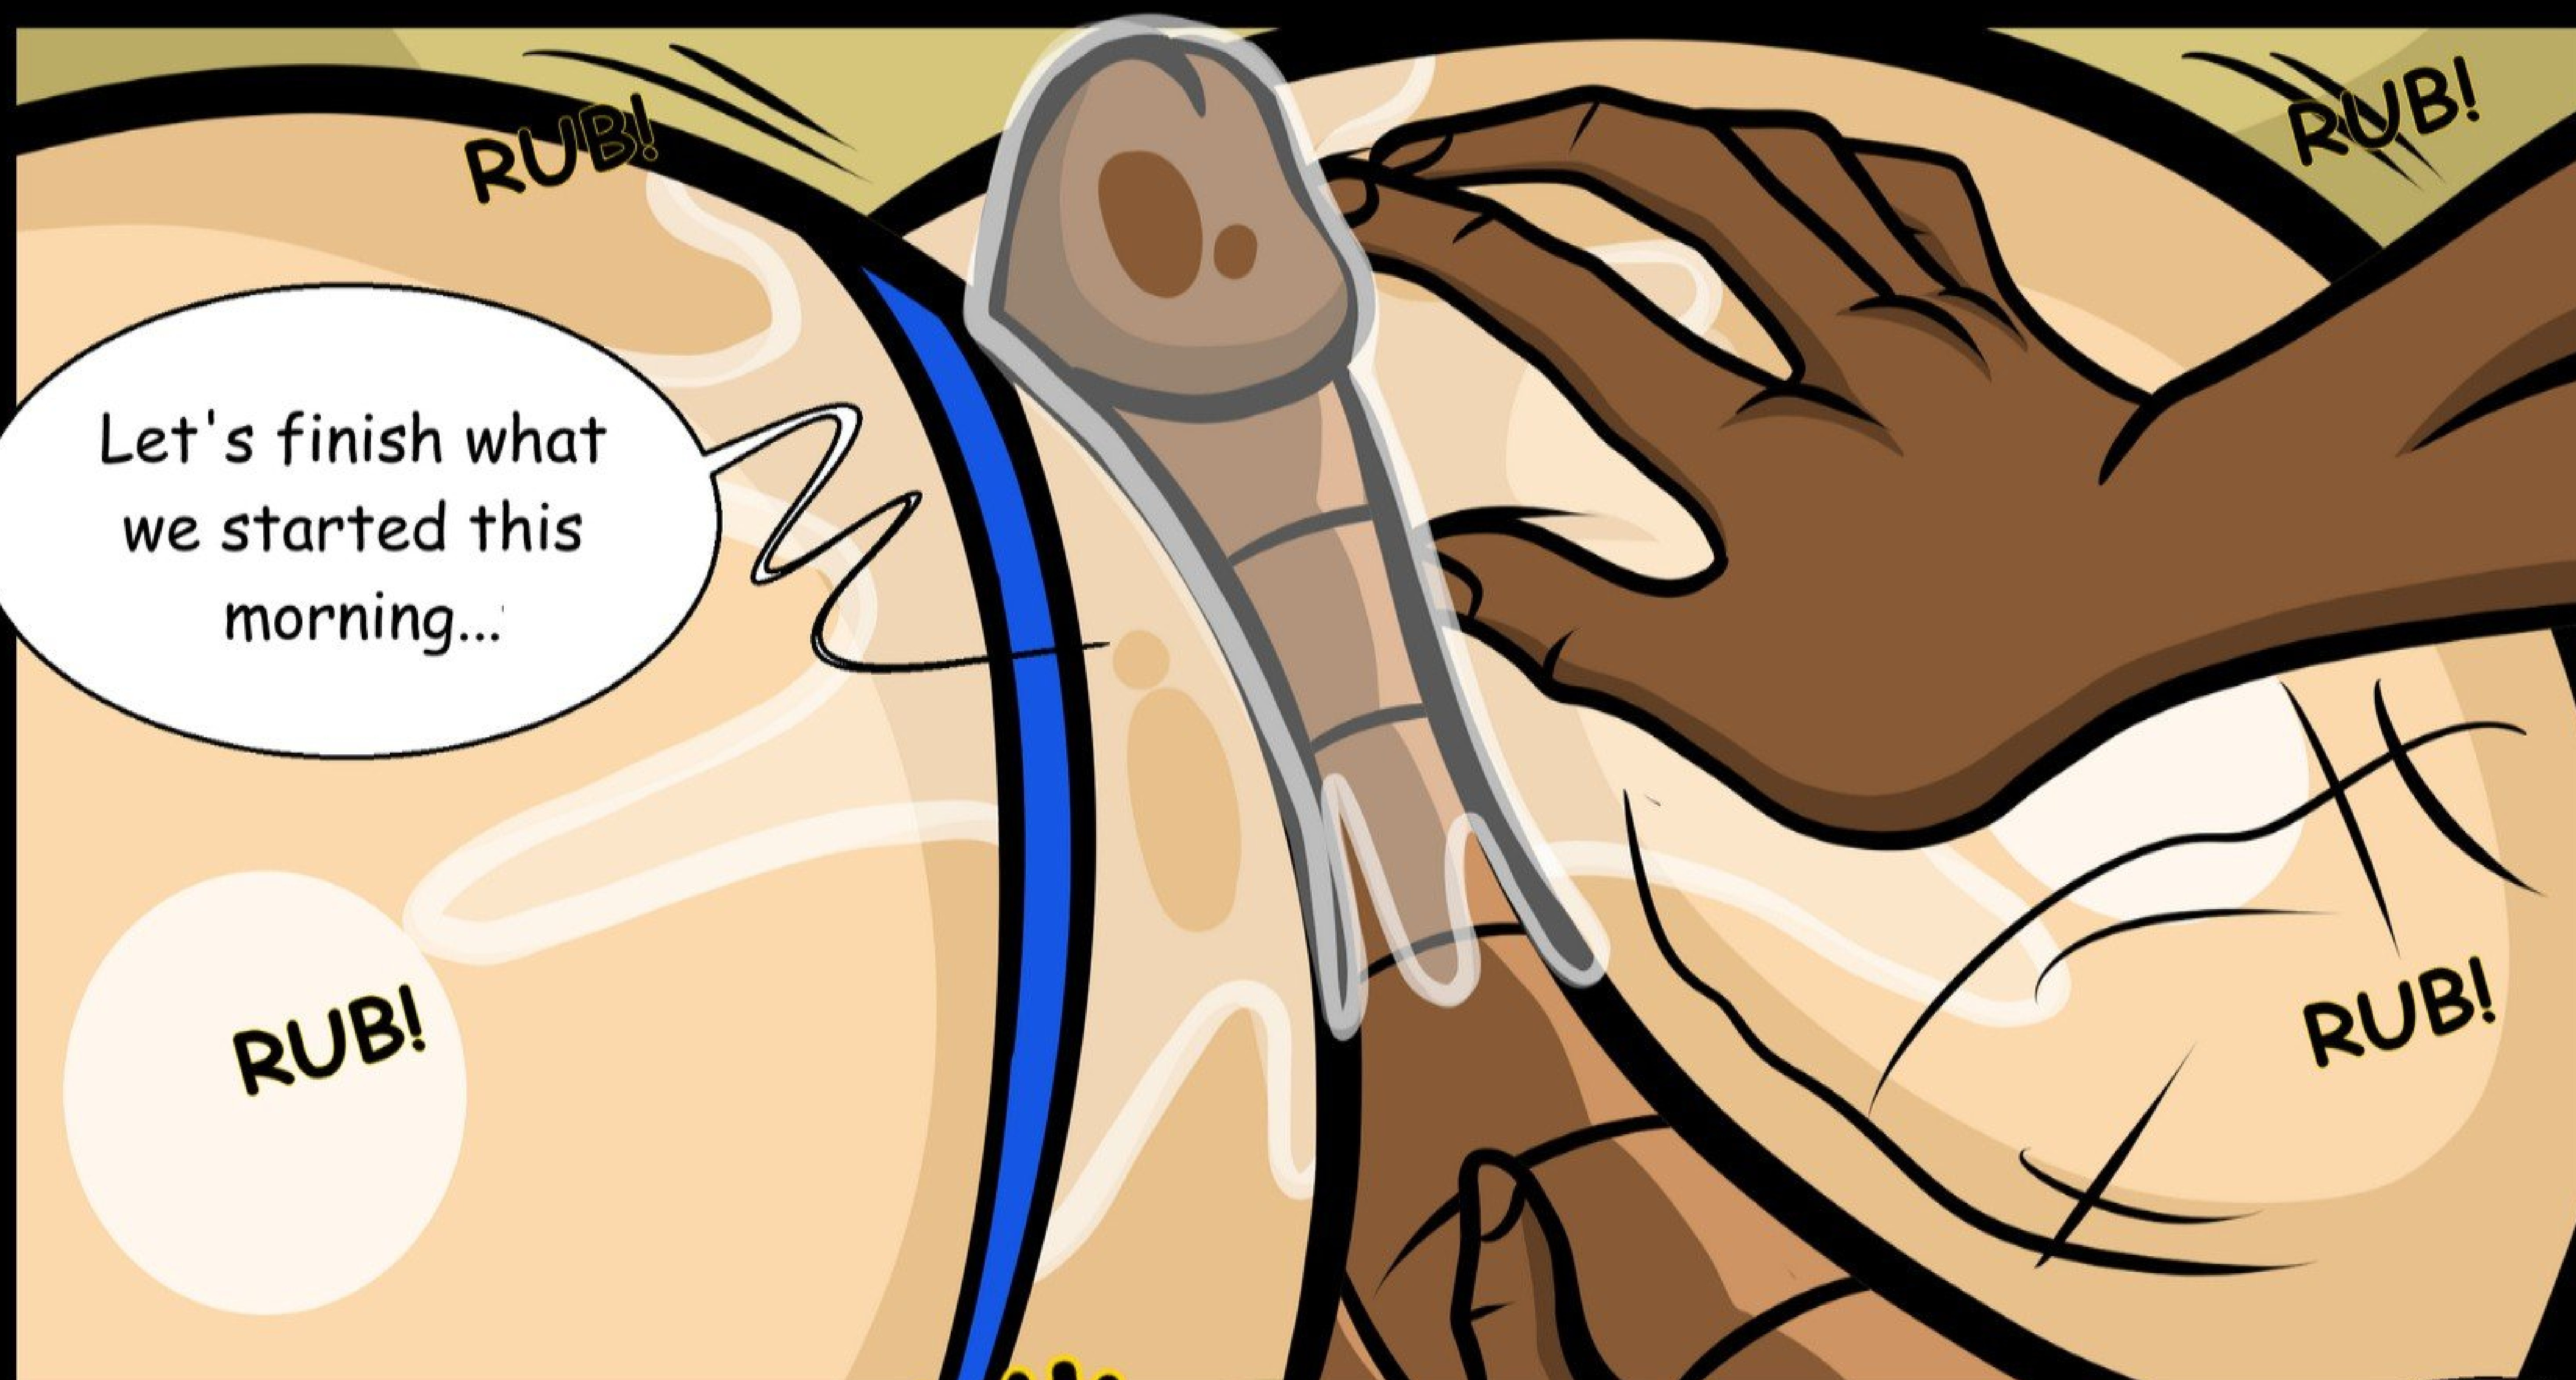

Apparently I was right. Dressed in that school uniform, it made Gavin even more horny too. His huge penis seemed even more erect than all the times he had broken through my anal ring.

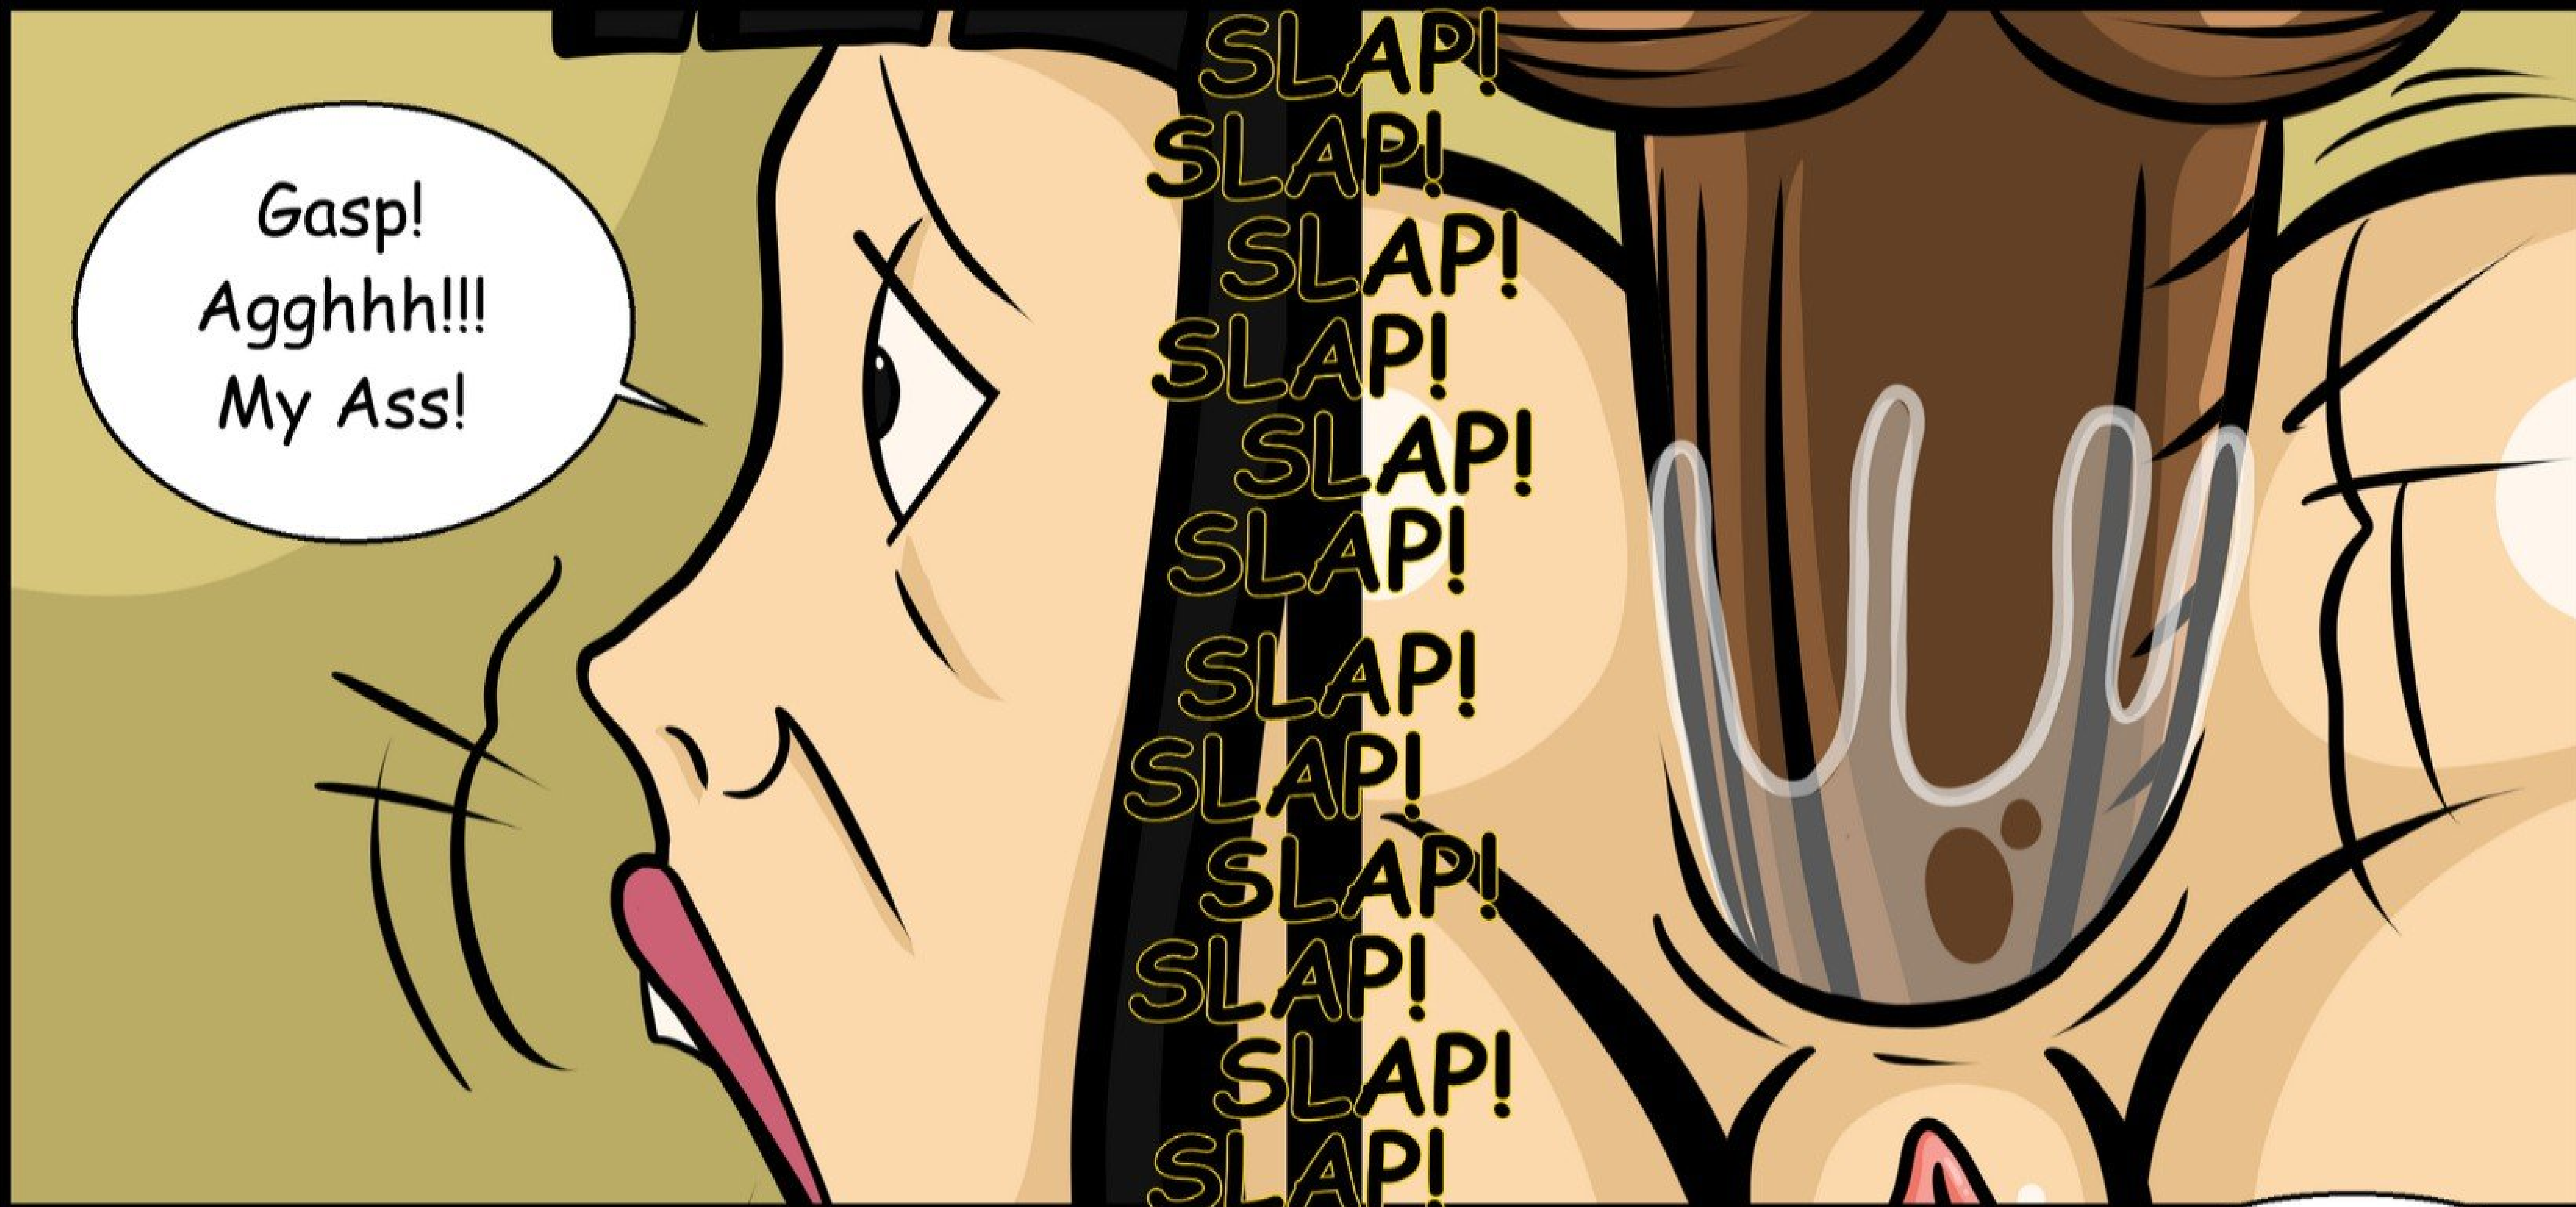

My horny moans have caused Gavin to intensify his penetrations of me. Apparently, he loves to hear my shy moans in the act of sex, judging by how pulsating his giant penis gets.

My ass was already completely lubricated, making things easier for my young brother-in-law's abnormal penis. He asked me to change positions, and I readily complied with his wish.

Gasp!
Agghhh!!!
My Ass!

SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!

So?
Am I giving you
what you wanted
so much?

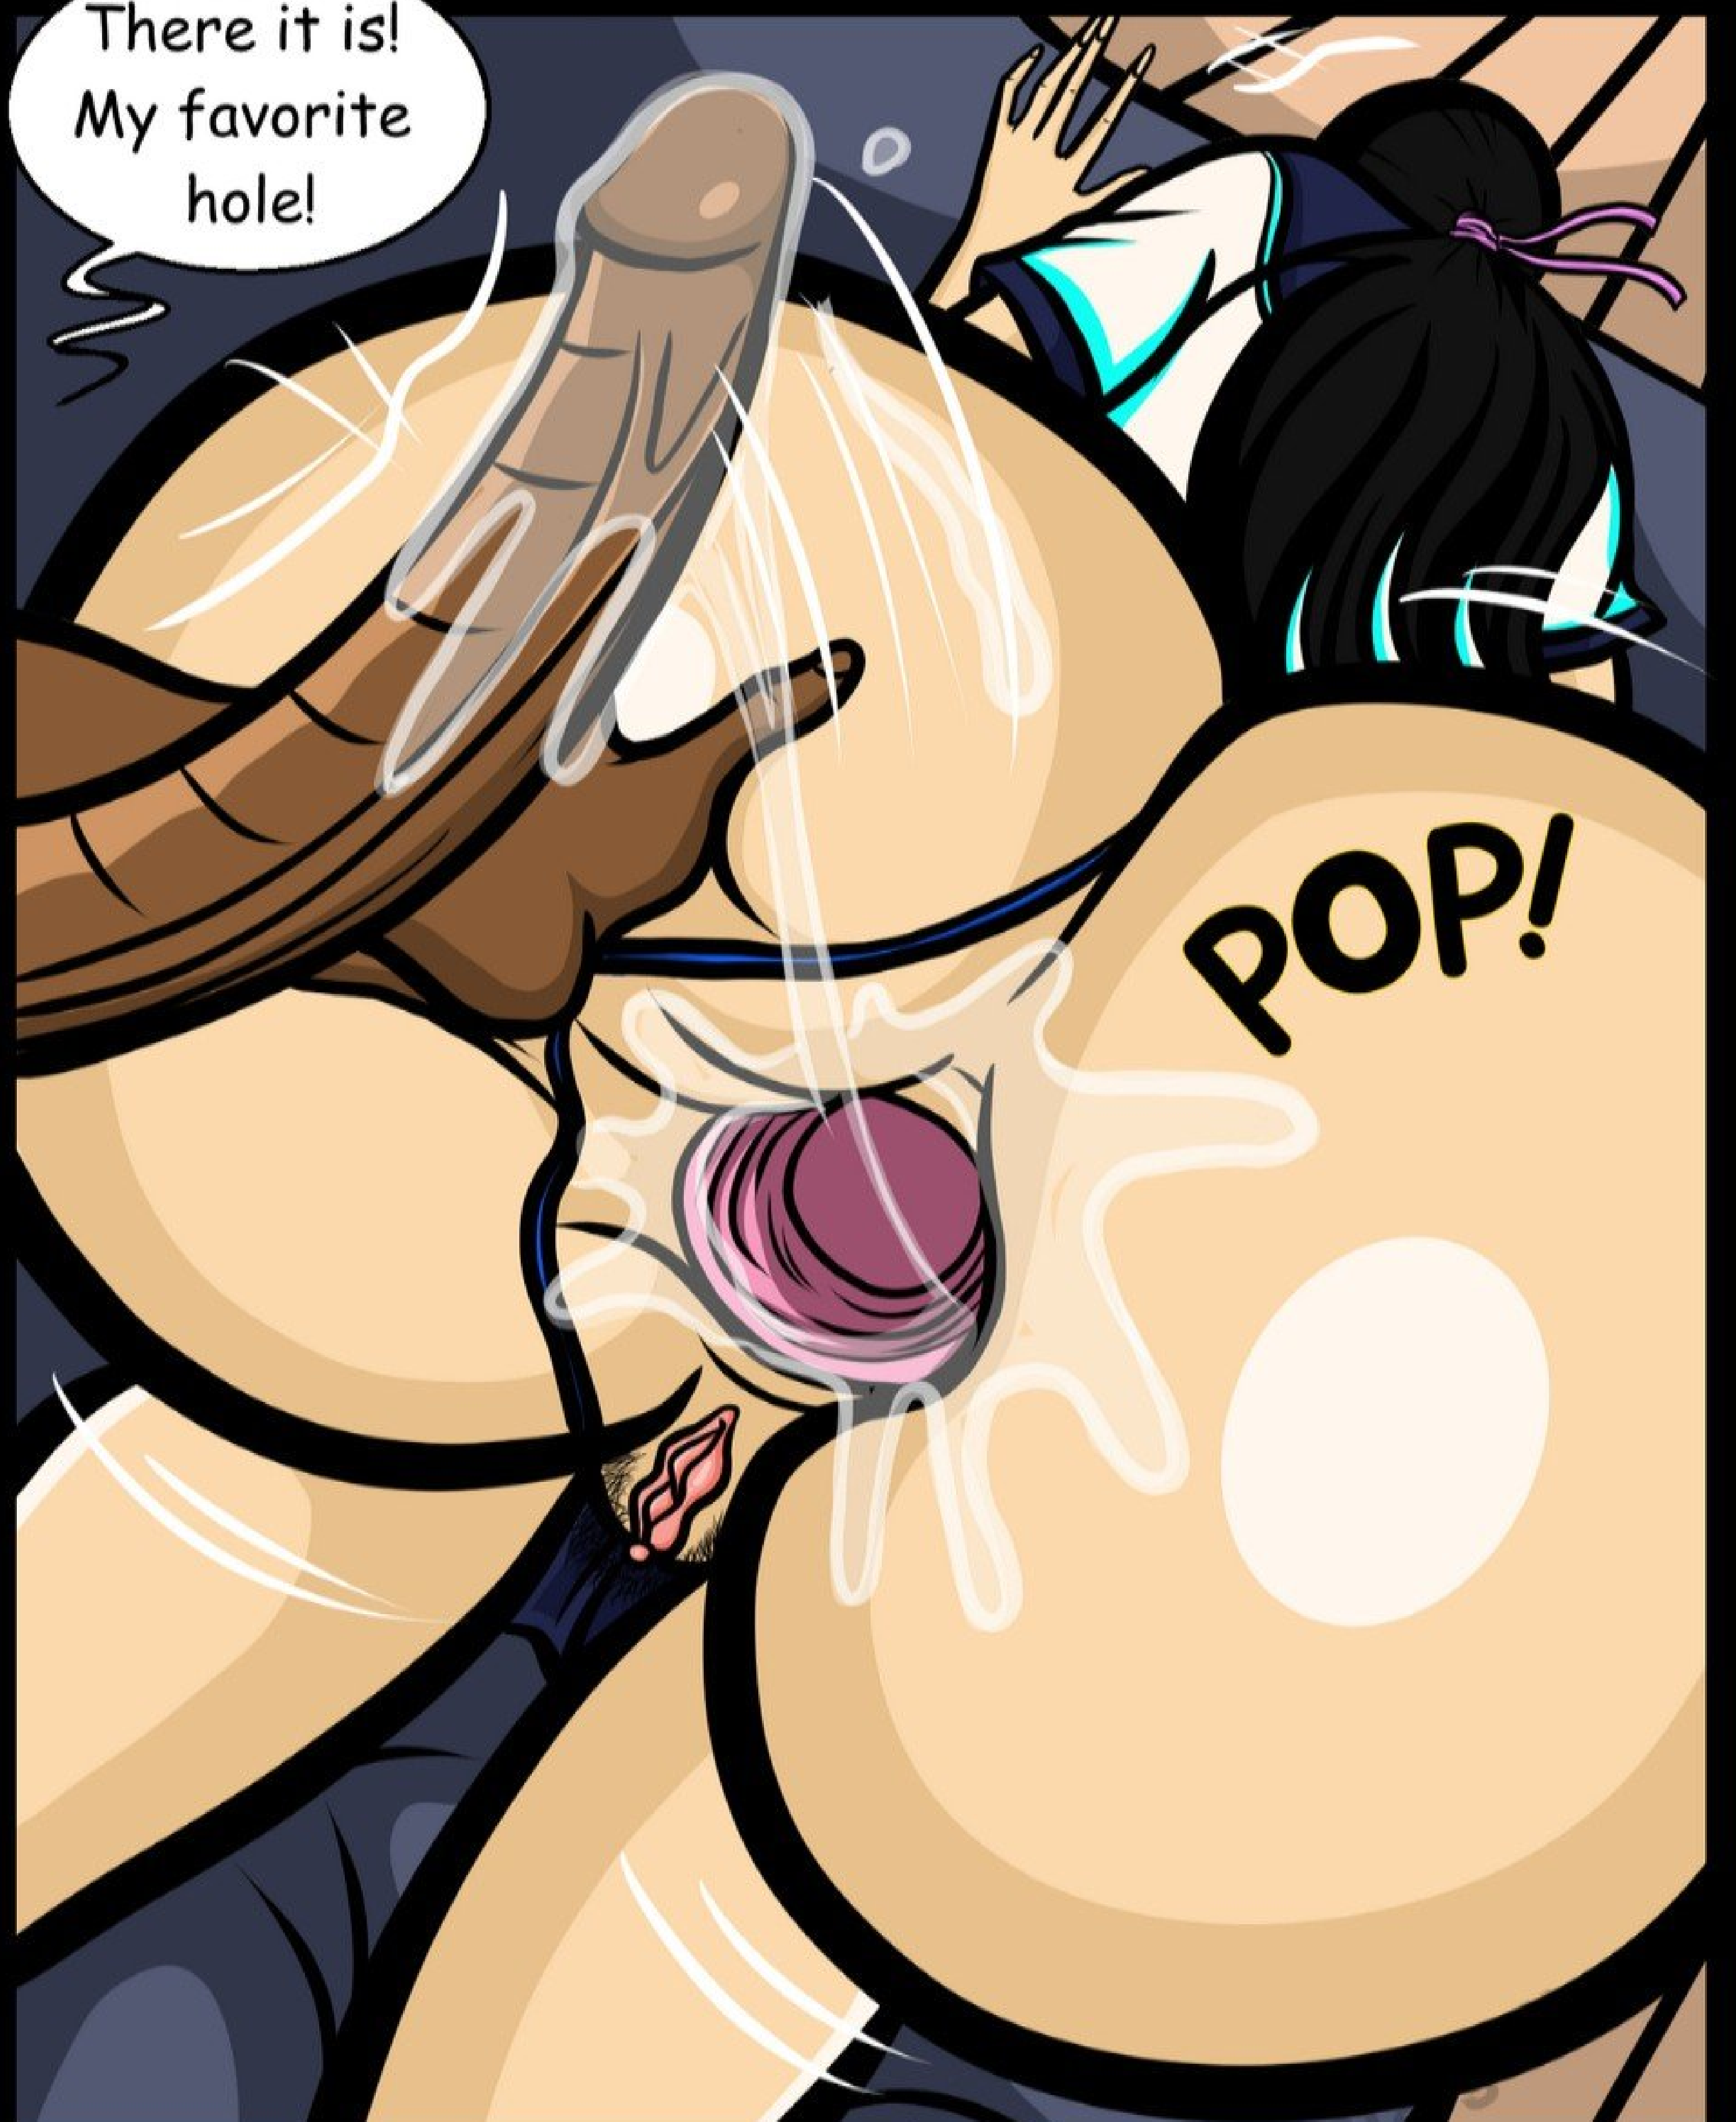

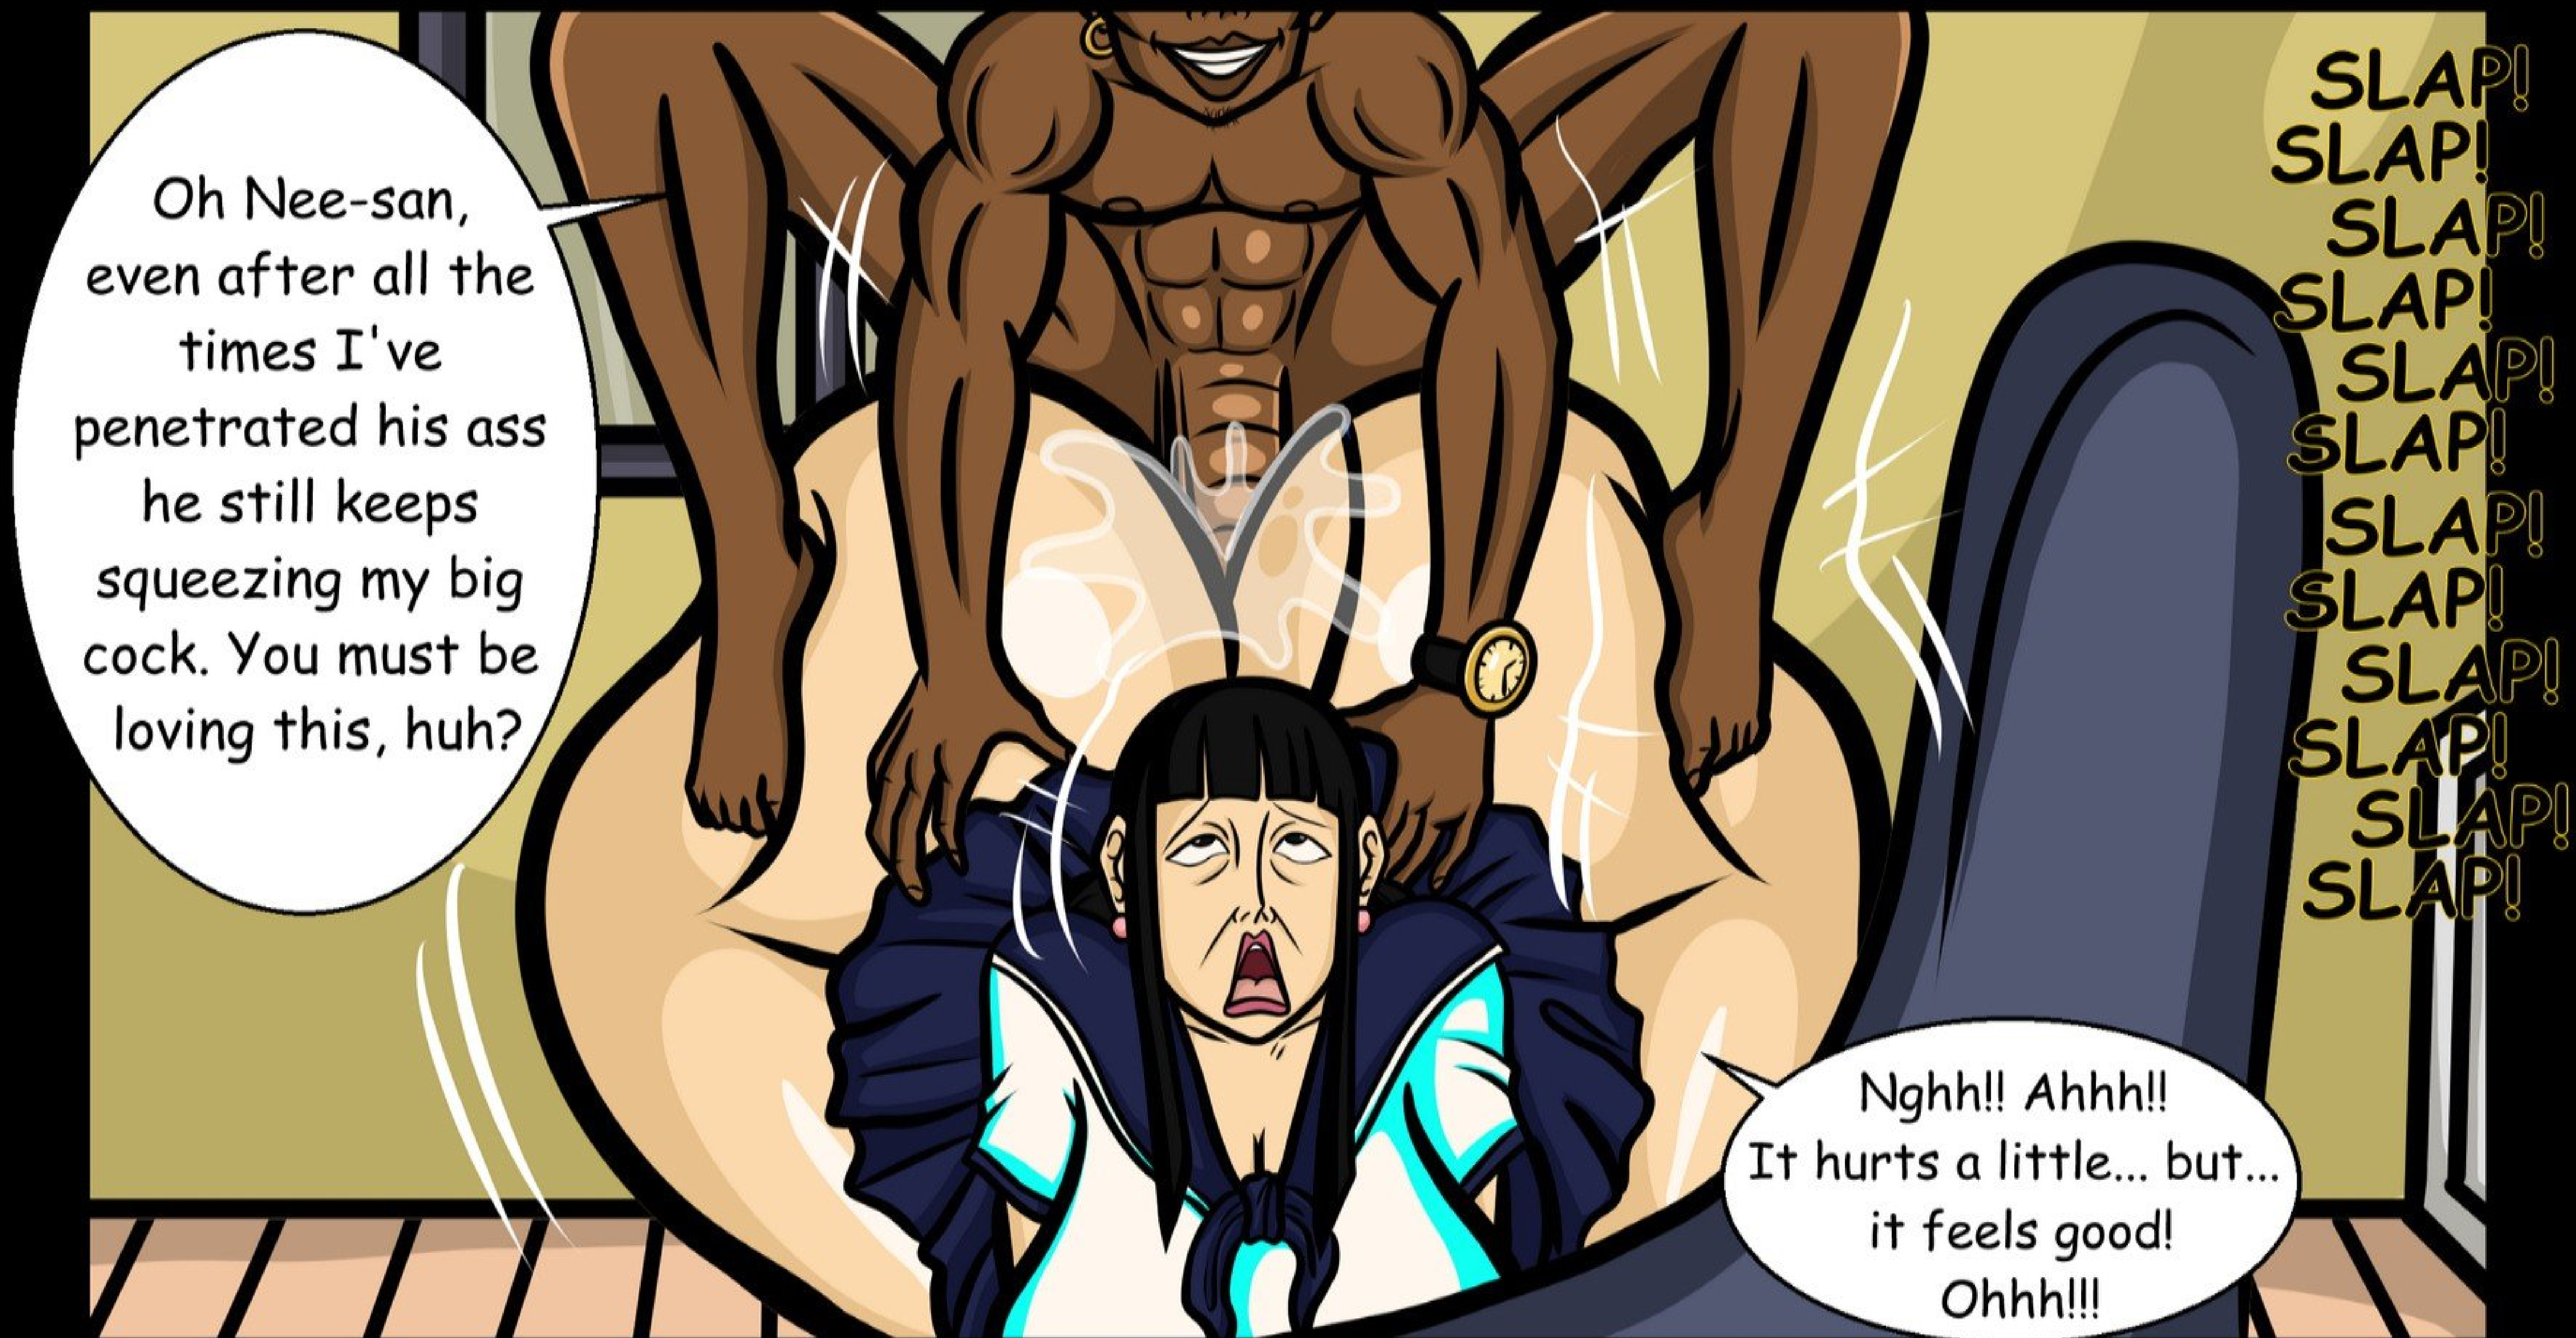

SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!

Nghhh!!
You're going so deep!
You're gonna break me
in half!

Gavin made sure to put all his weight on my giant ass so that his huge cock could reach as deep as possible. As he penetrated me at the "back door", I was losing all my sanity, delirious with the sensation of being pierced in the anus.

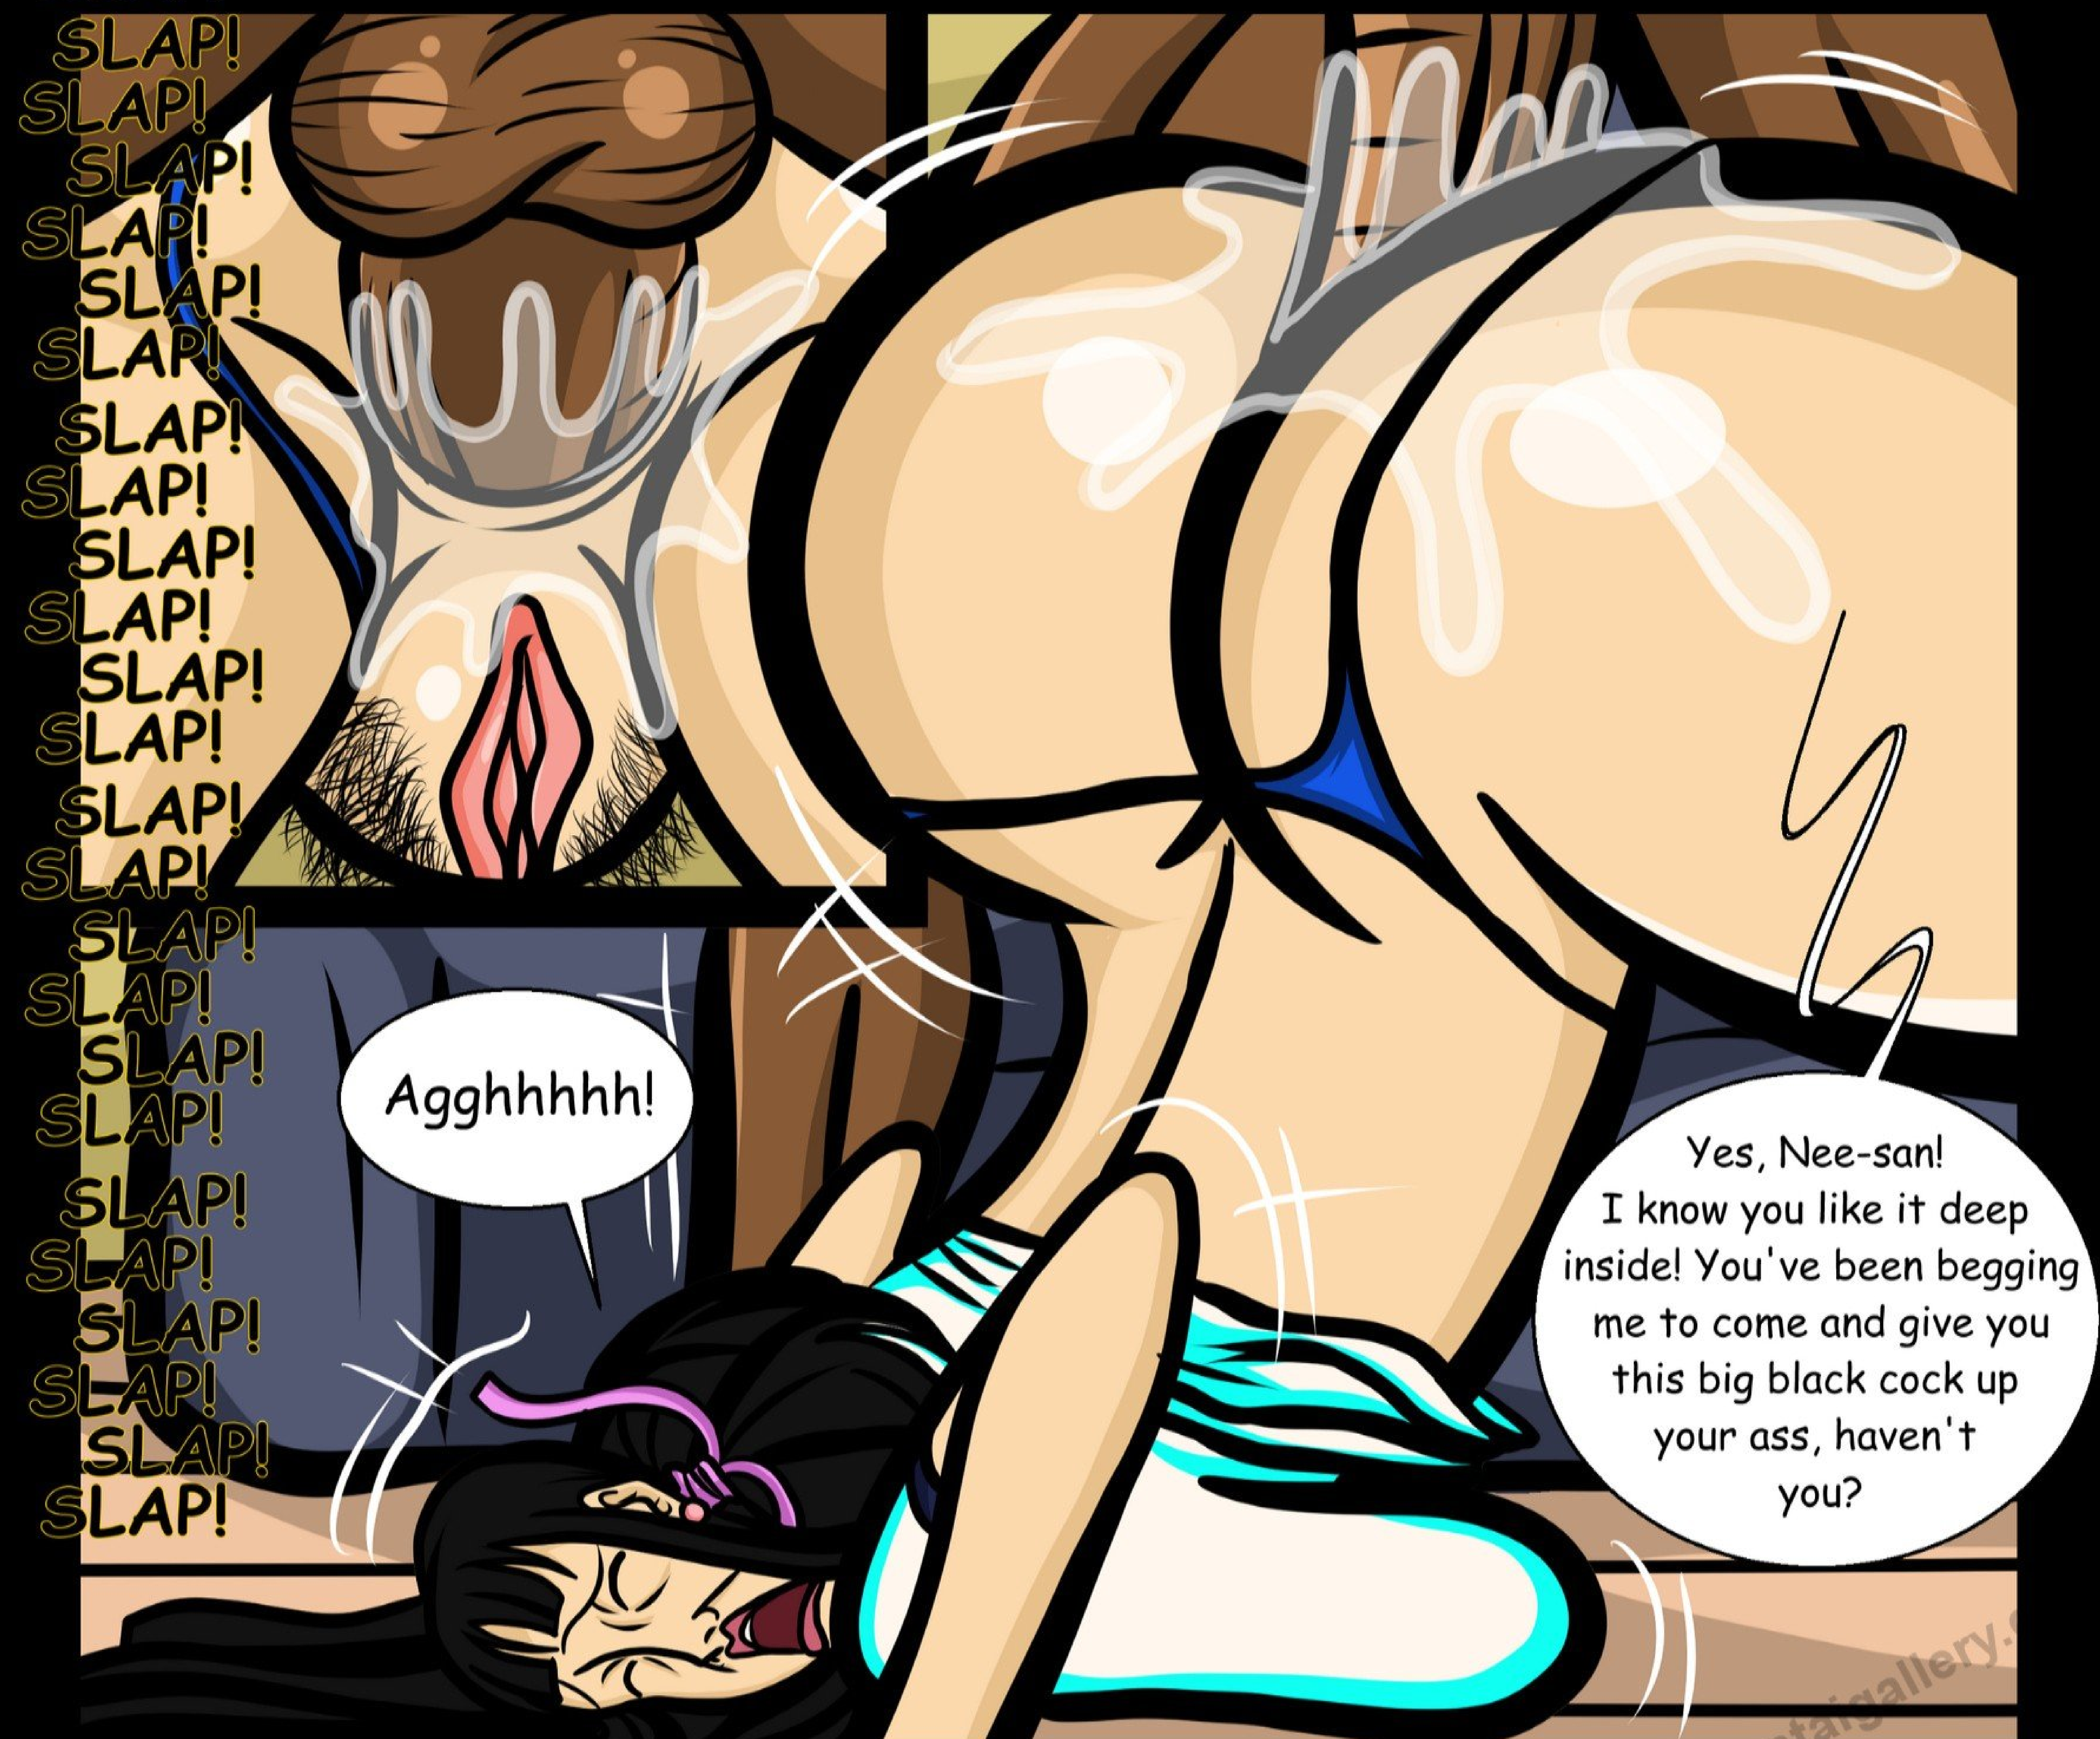

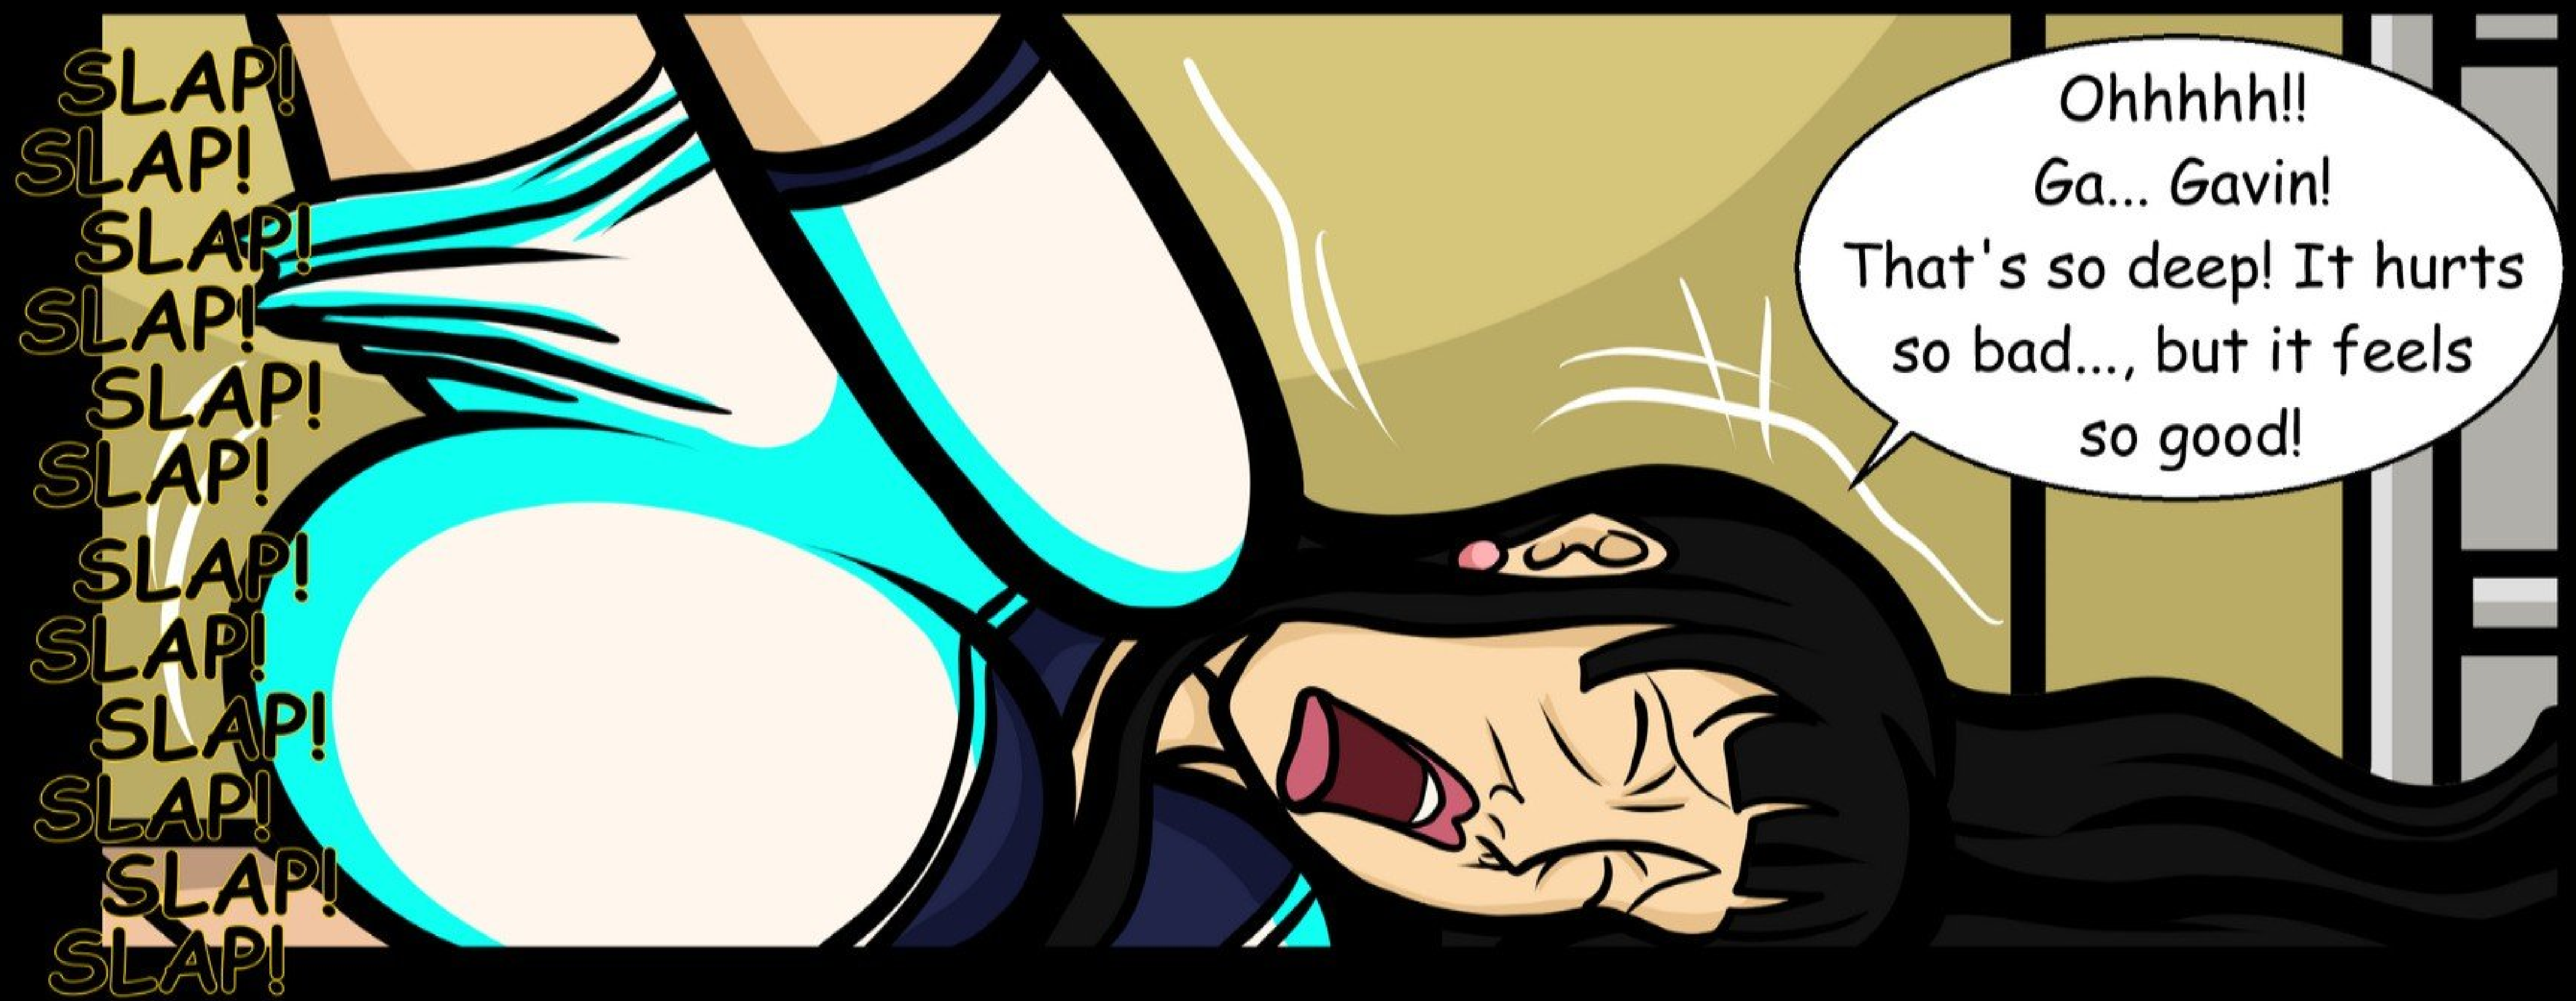

As I have mentioned so many times before, I had already become an anal slave to Gavin. He had tamed me in such a way that it was difficult from now on for me not to fulfill all his immoral requests.

All this time without my husband's attention made me find the best sex partner a woman can have...and he was near me all the time. His black, thick, gigantic penis made him the perfect man for a sex-starved wife.

His movements became more intense as we changed positions. It was so frantic that I could do nothing but endure that huge monster penetrating me deeply.

And that is how the day ends for my poor anus. At first, I didn't think he would give my big ass the attention he always gives it in the morning, but, I should always be aware that Gavin will never give my back hole a rest.

Hours later...

Ahhhhhh!!
I'm cumming inside
your ass, Nee-san!!!
Ahhhhh!!!

SPLORRRT!!
SPLORRRT!!

Ohhhhhh!!

Uhhh!!
Oh man... I can't feel
my legs...

POP!

Why does she insist on that?
Is she trying to tell me something?
I don't understand...

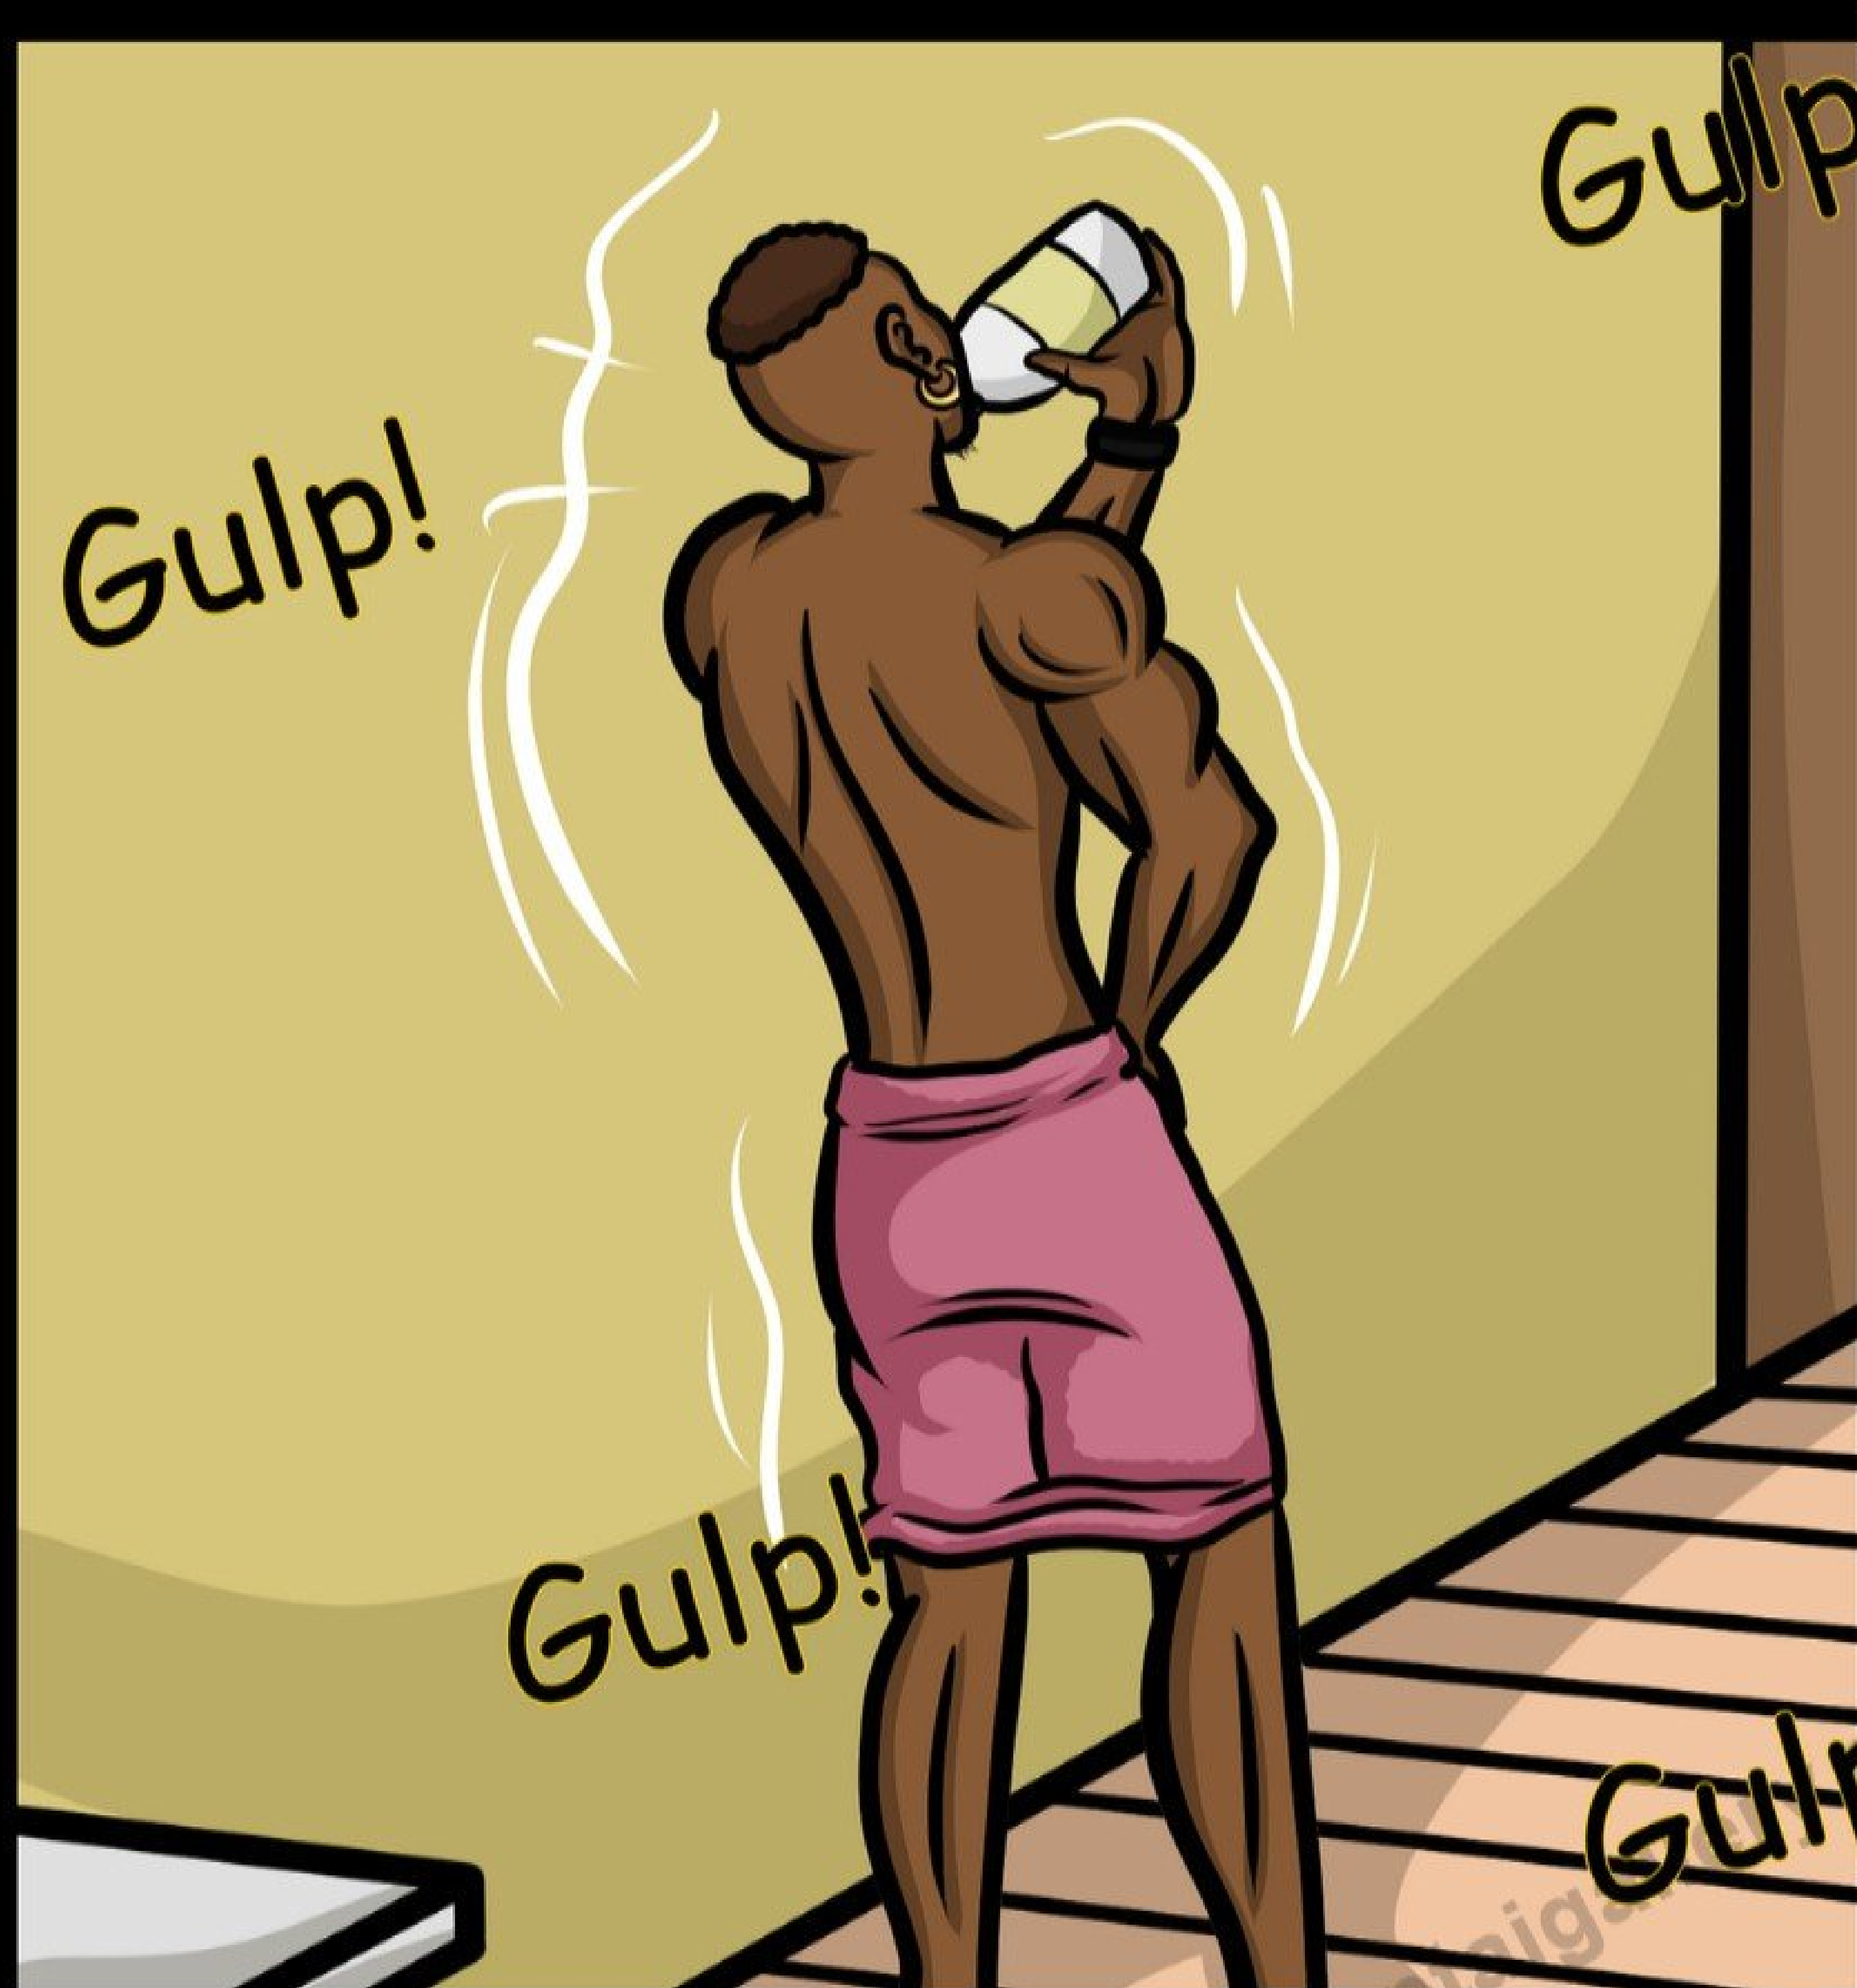

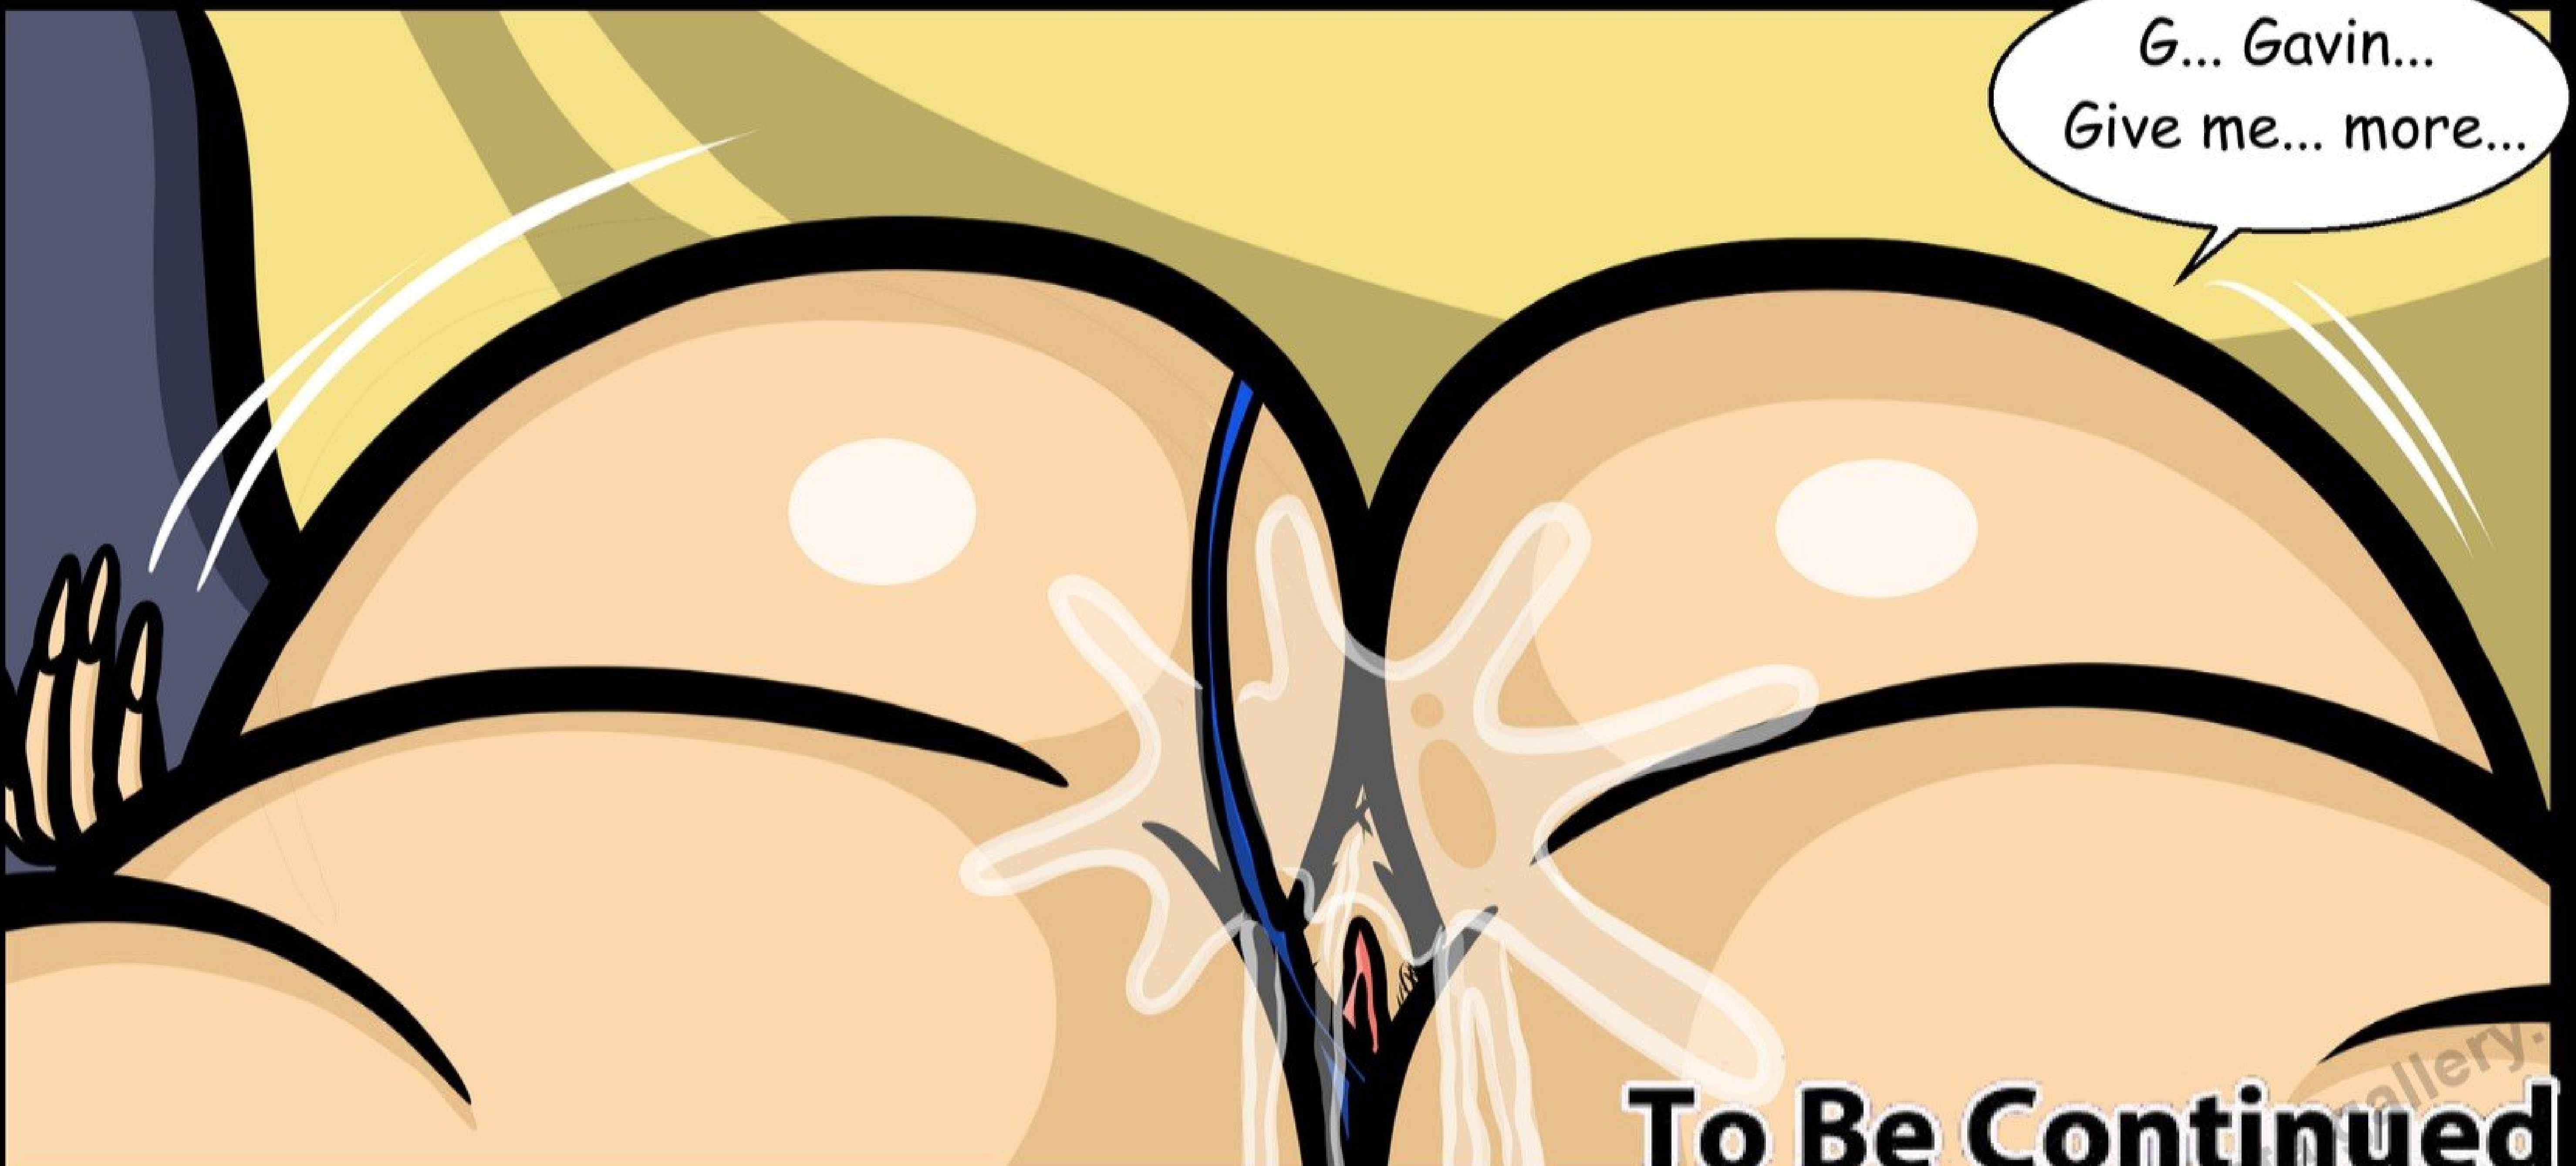

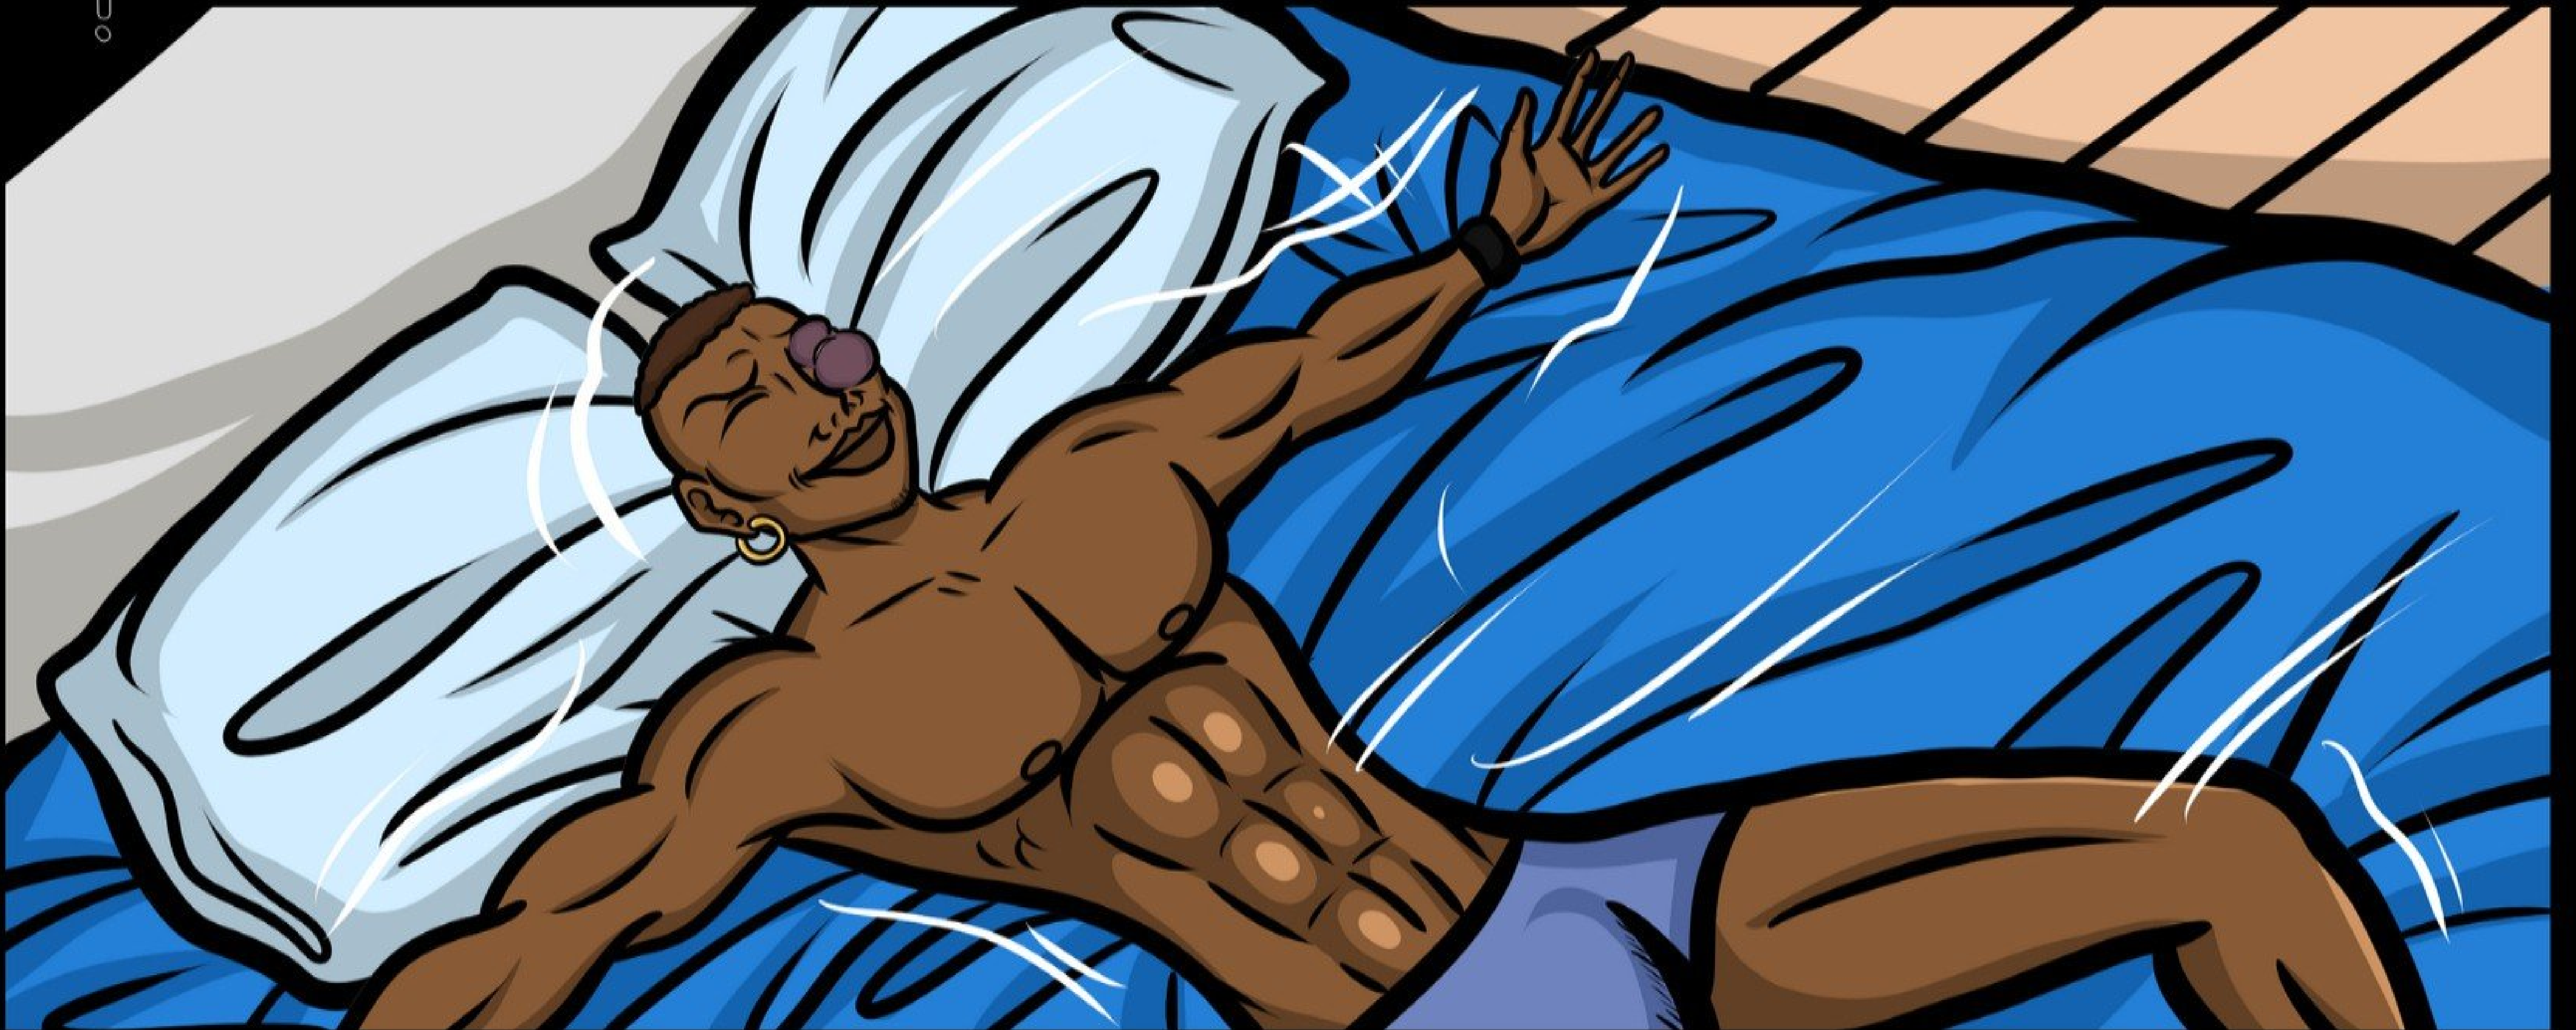

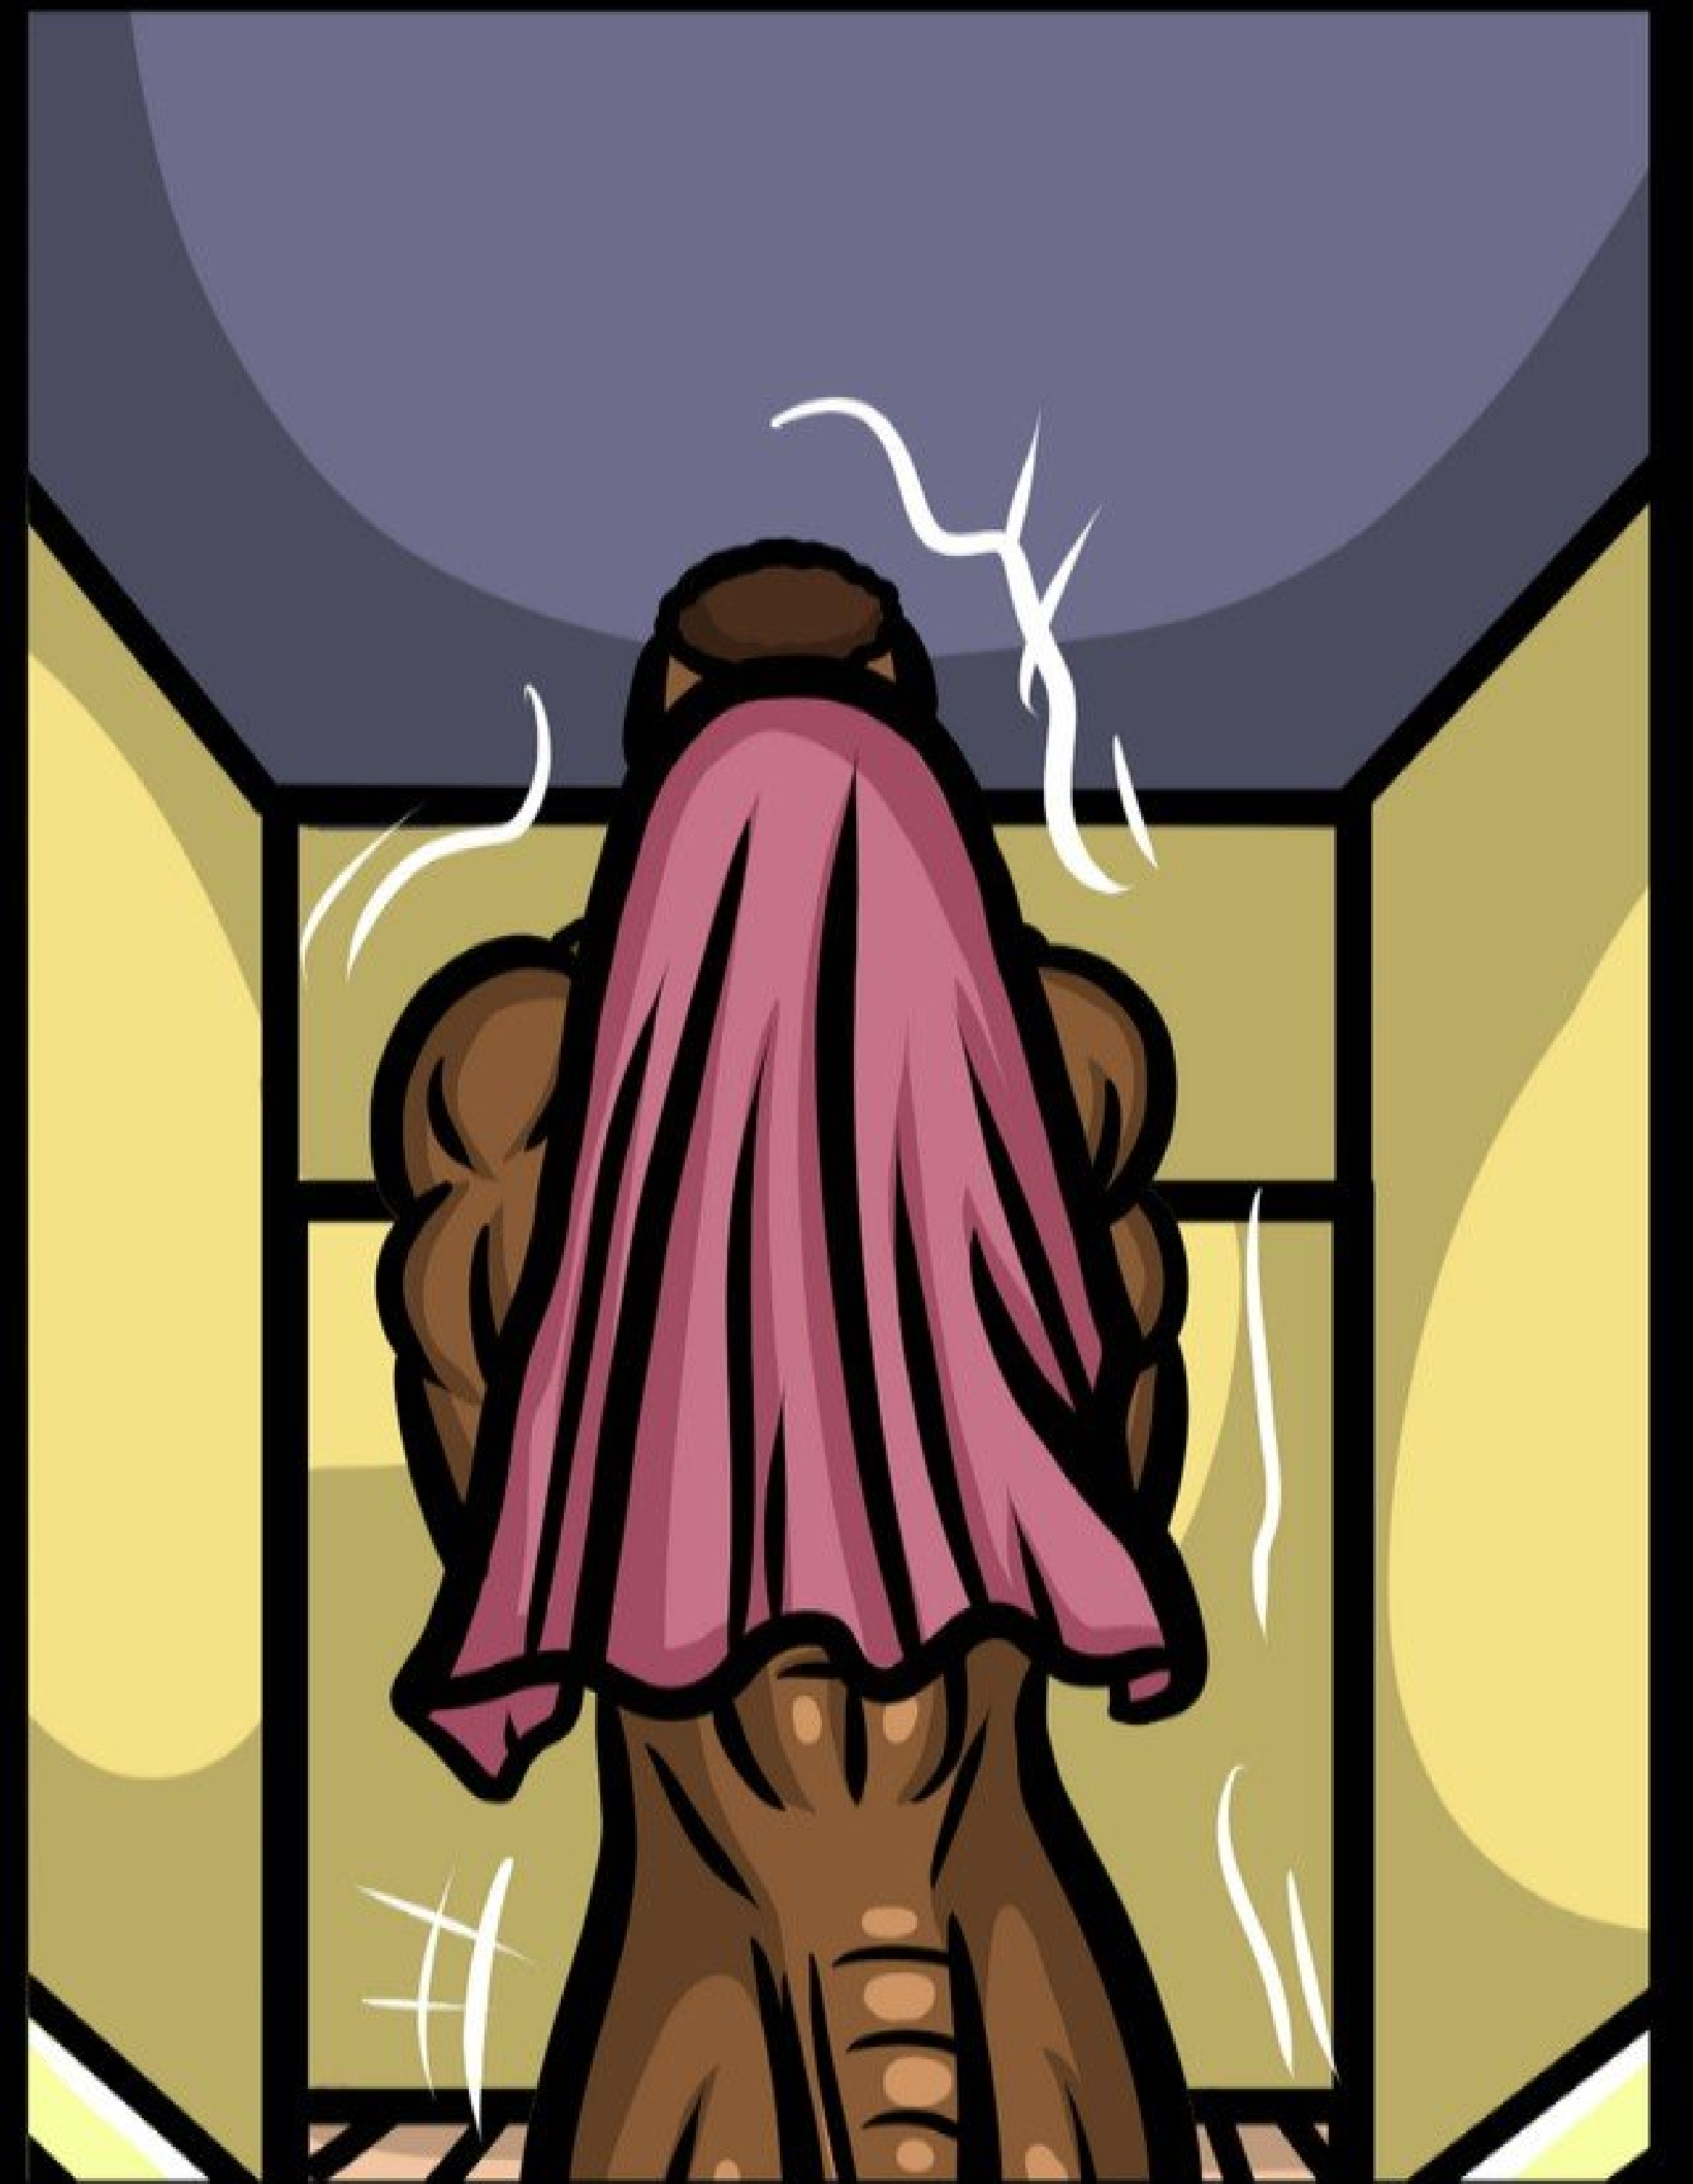

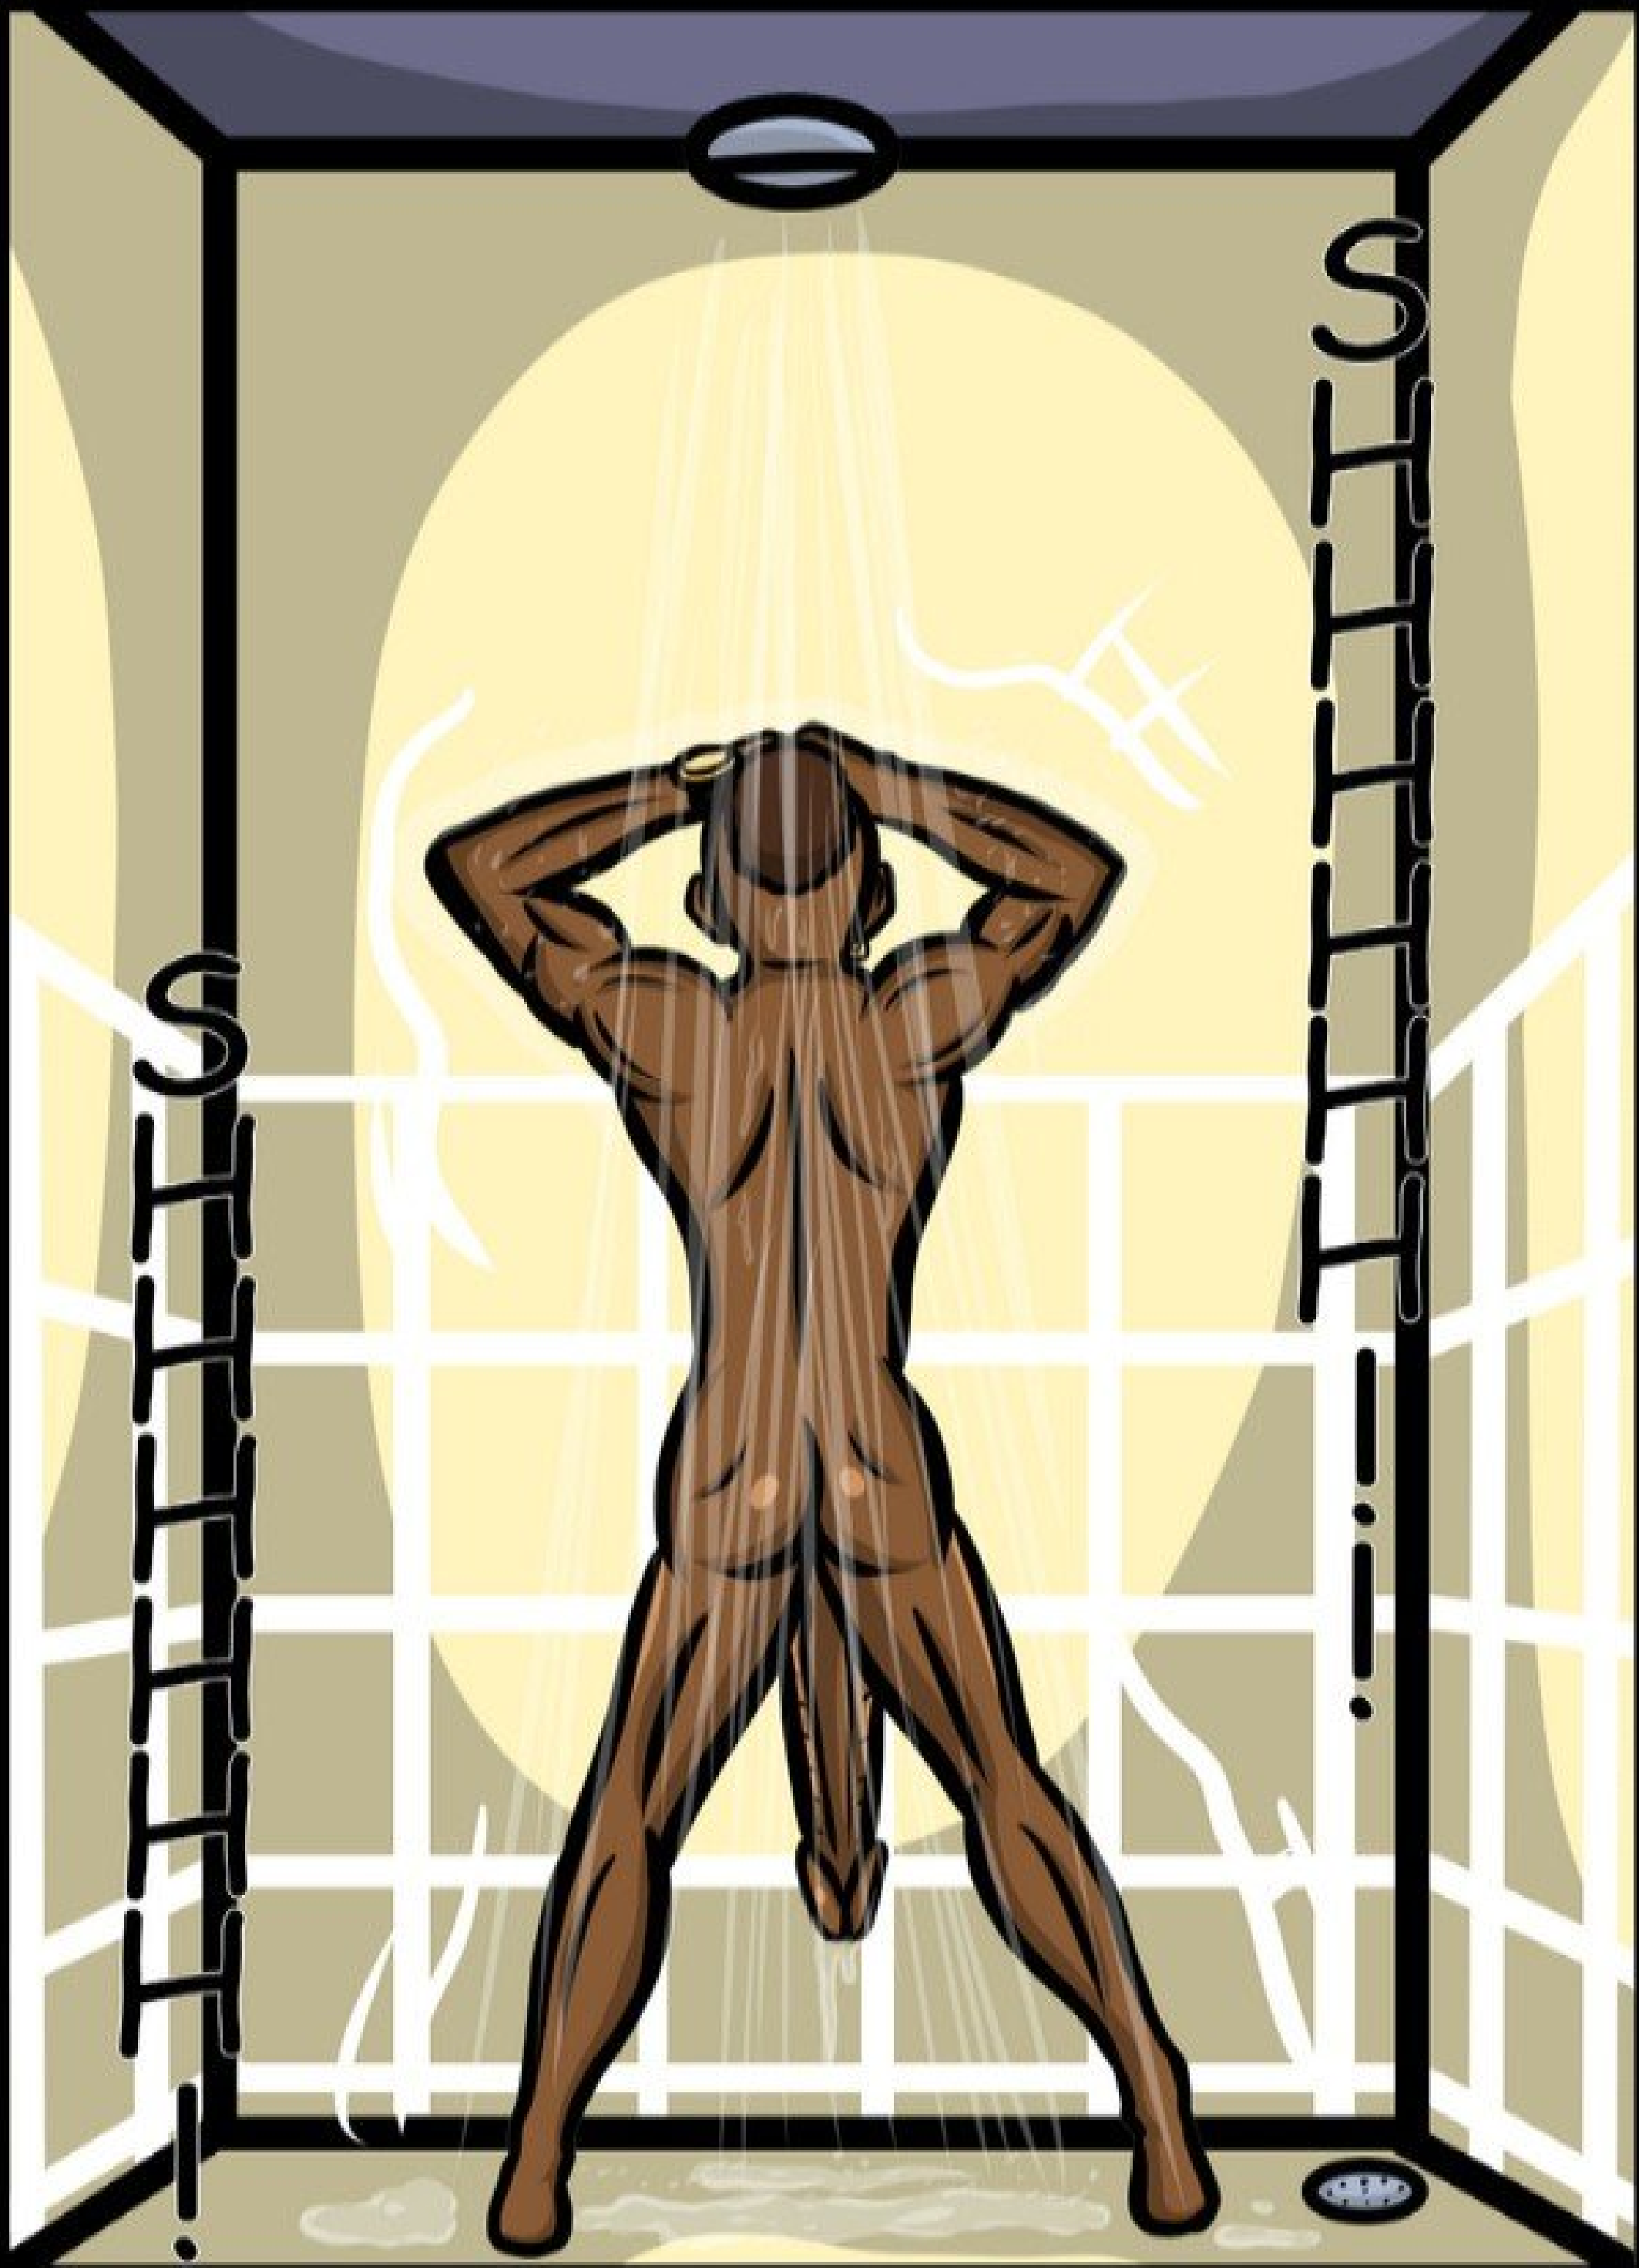

G... Gavin...
Where are you...
going?

Get some rest,
Nee-san. You deserve it.

...

G... Gavin...
Give me... more...
