Hey Nee-san,
let's change positions. I have
a bit of a headache still from this
bruise in my eye. My head feels
like it's going to explode with the
pressure of the weight of your
giant butt.

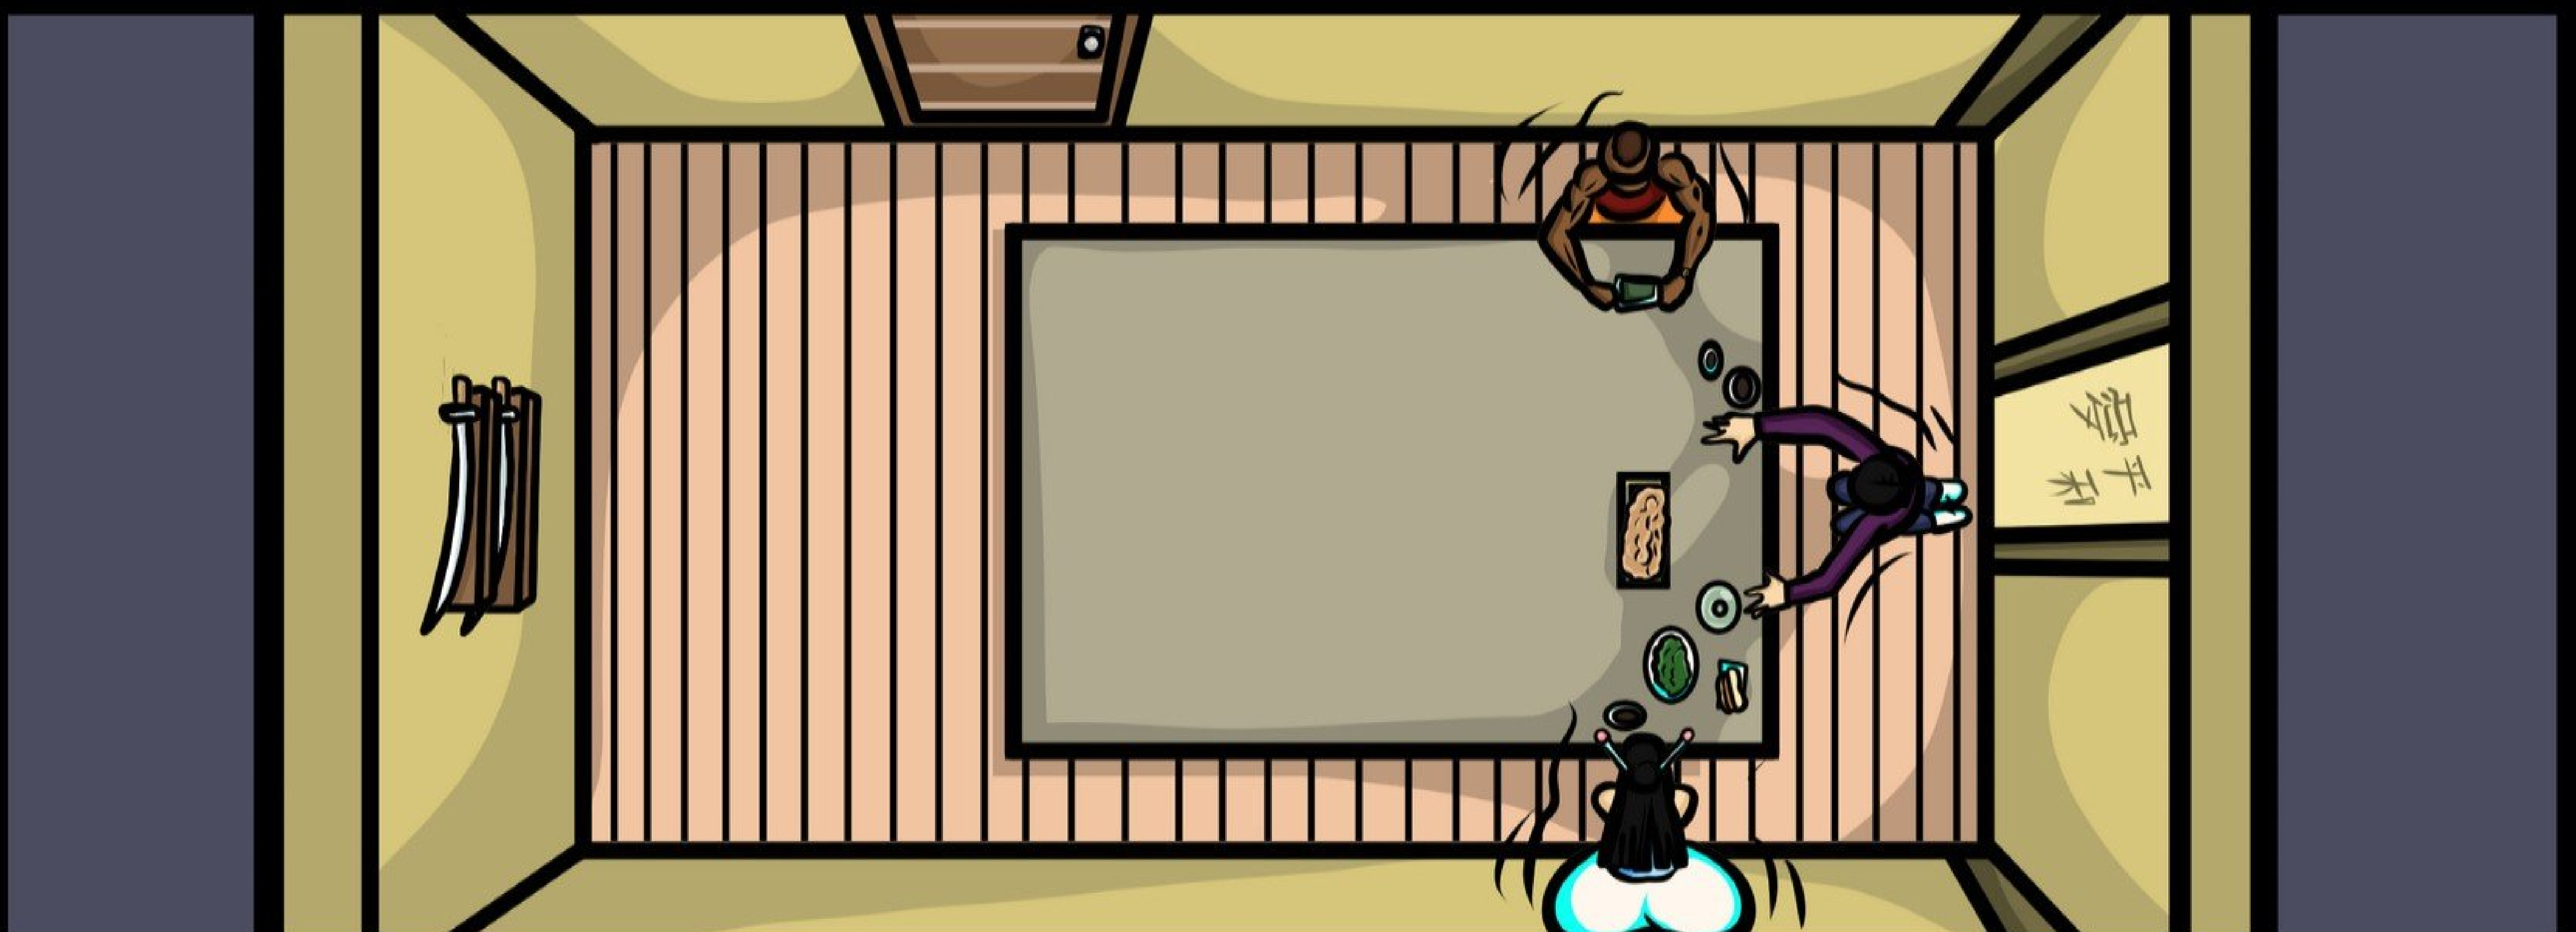

Next day...

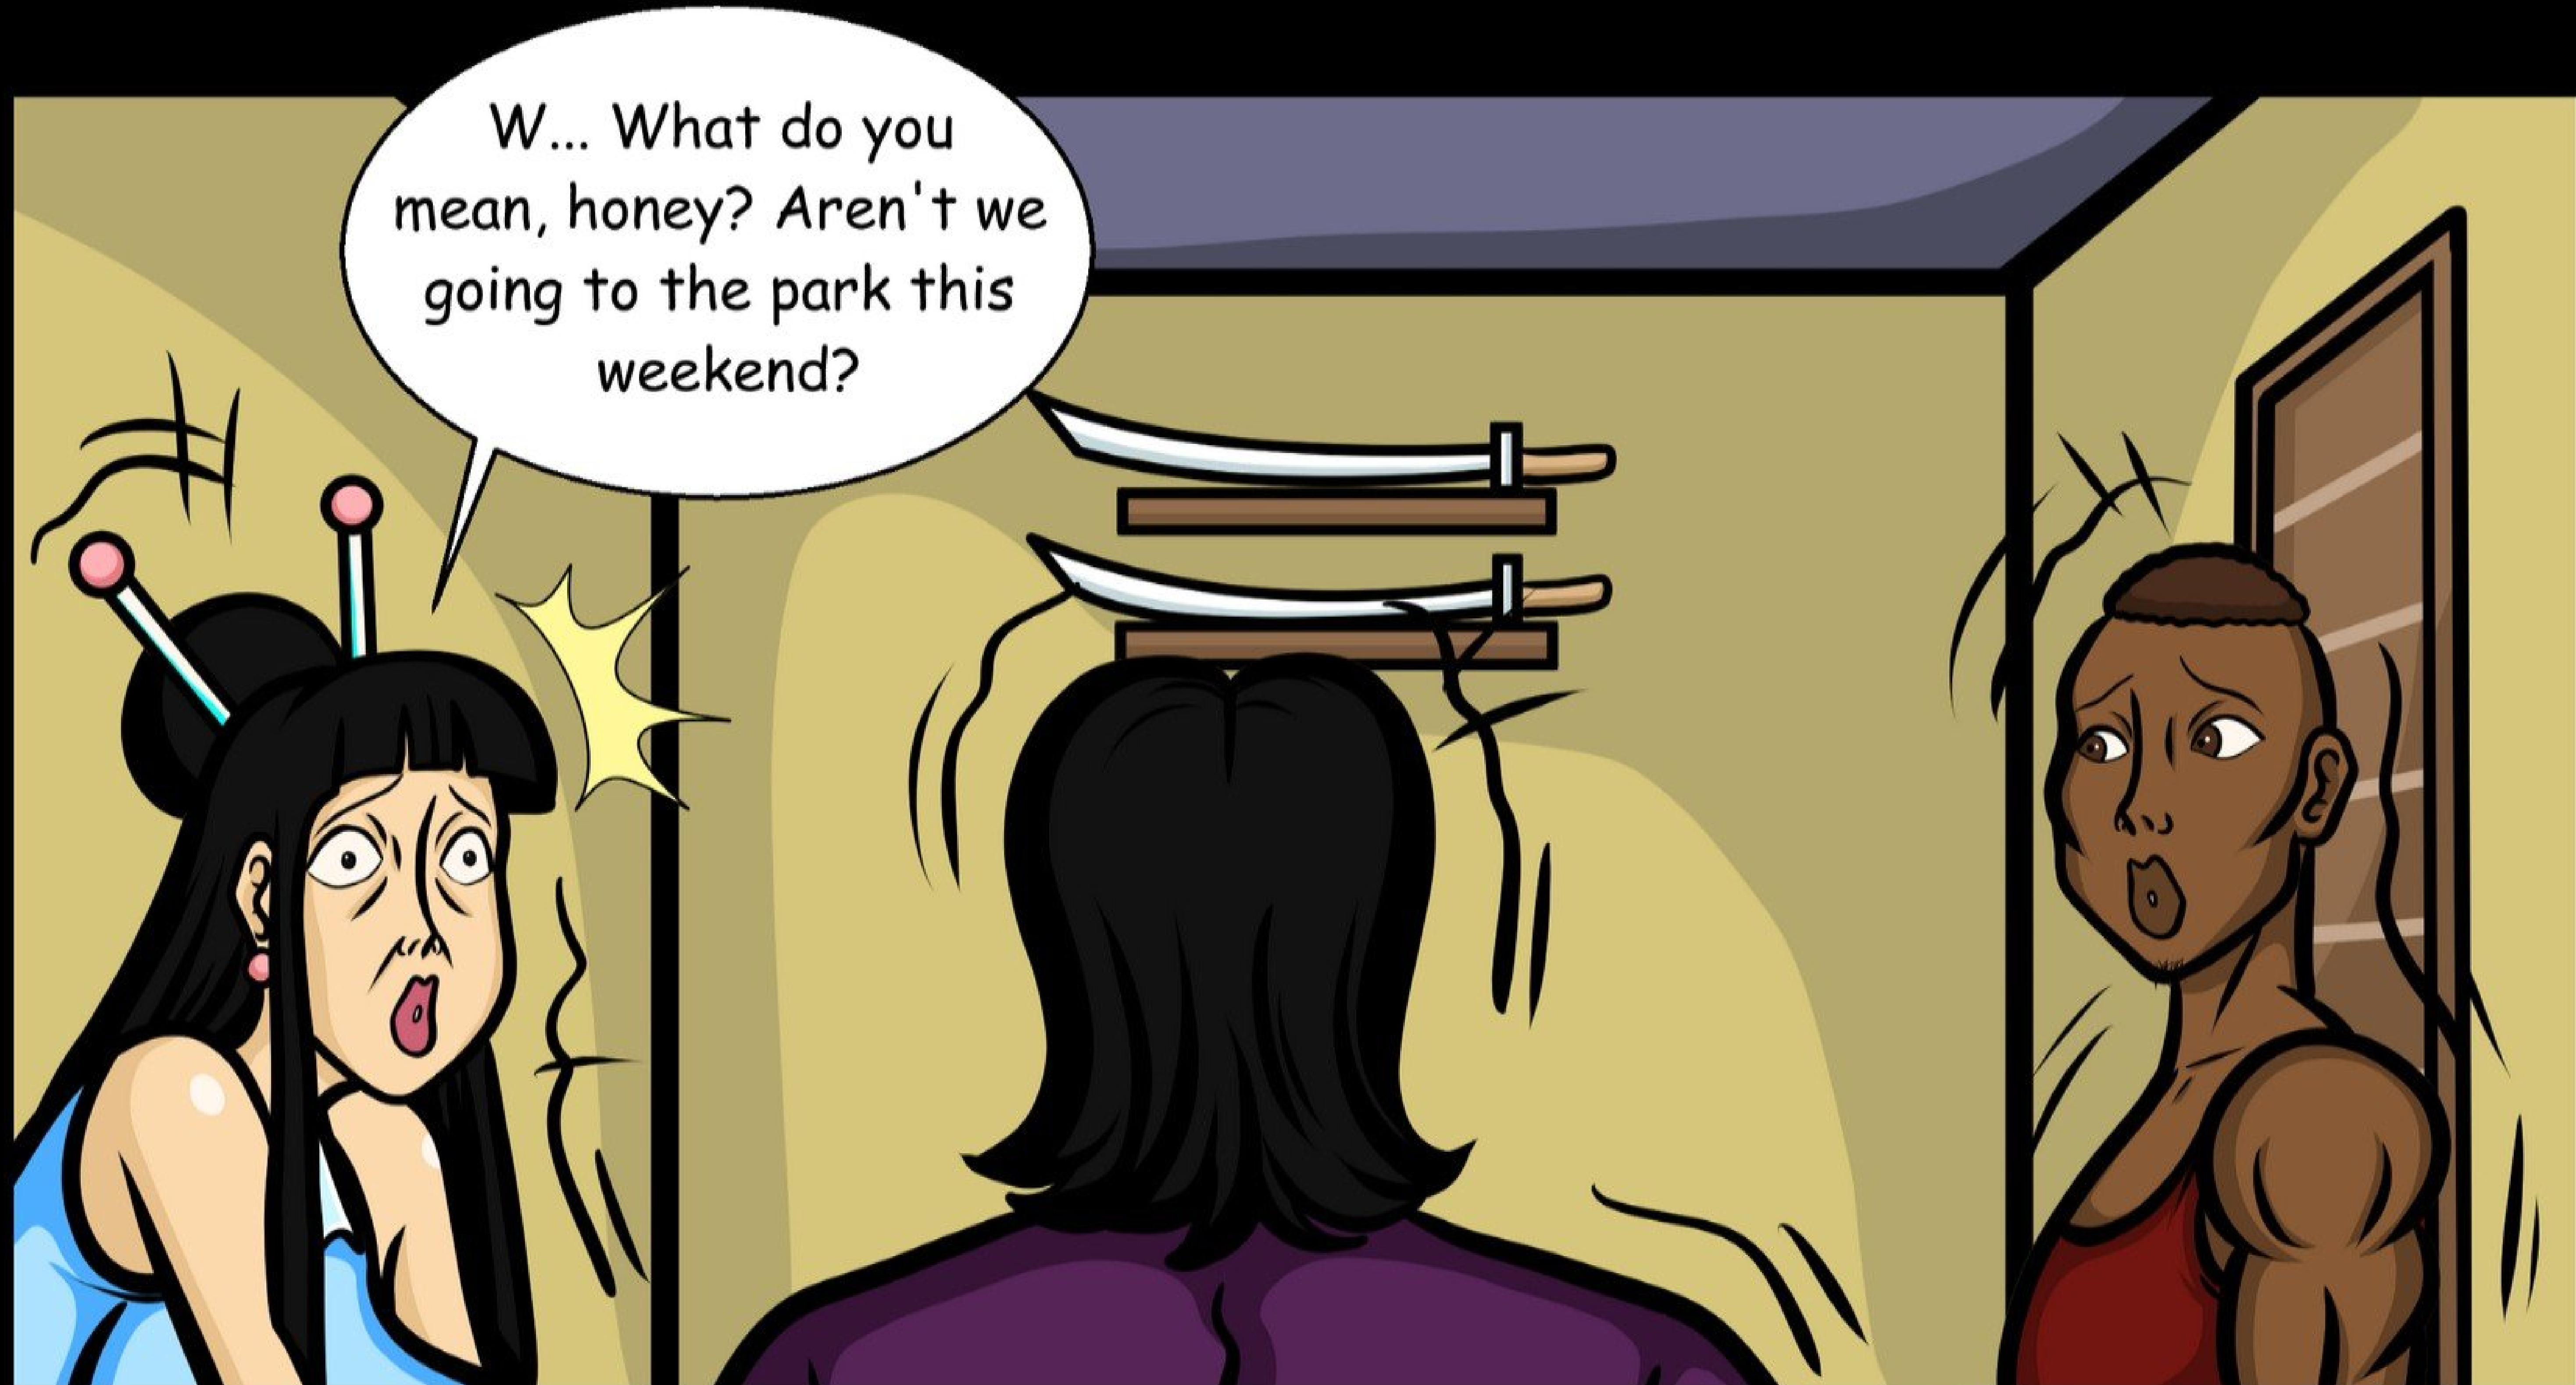

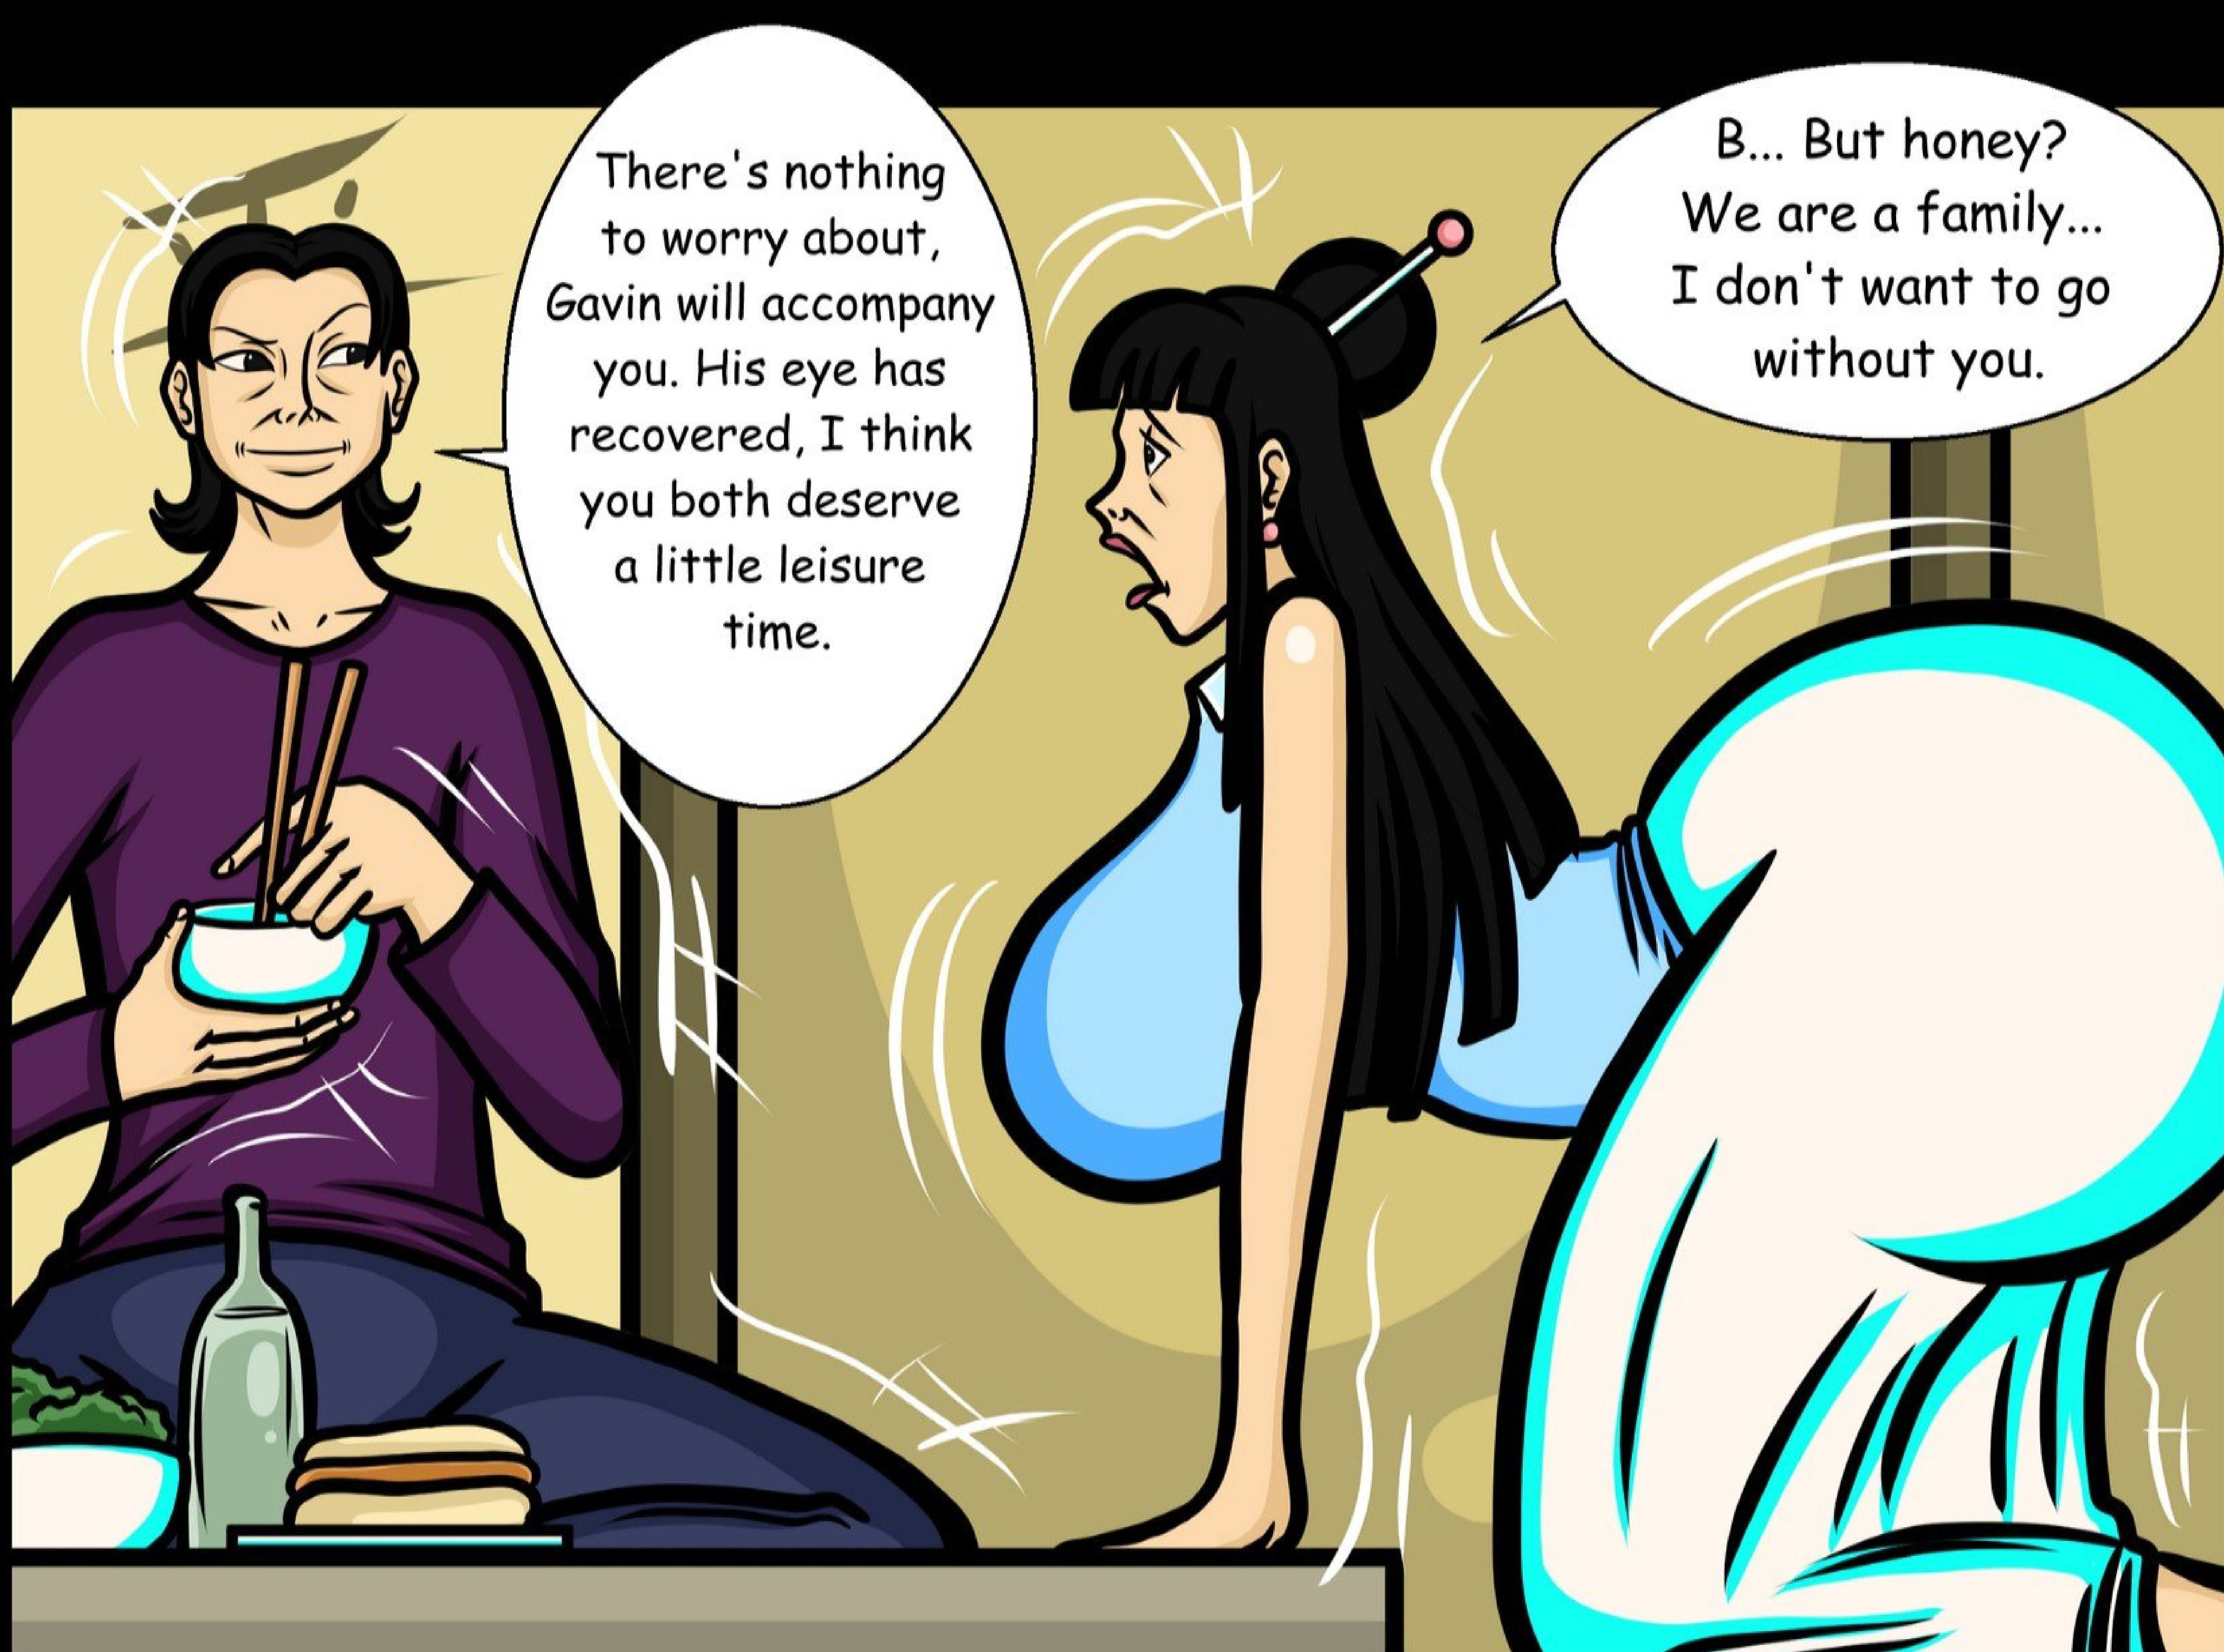

The weekend came and Gavin was home with my husband. I am always happy when my little family gets together on a Sunday, and Kazuhiro always takes us for a picnic.

But... this time for some reason, he didn't seem very interested in it.

I could not convince Kazuhiro otherwise. In fact... there were very few times when that happened. I decided not to contradict him that morning and just accept his choice. I went with Gavin to the forest park in our town.

Hours later...

What, Nee-san?
Are you tired already?
Come, we are not
there yet.

What?
Is this serious? But
we're still halfway
there.

Gavin please let's
take a break. I'm very
tired.

I think here
already a good place
to stay.

I'm sorry
if I seemed selfish
earlier. It's not like
I didn't want to come
with you, it's just
that I really wanted
Kazuhiro to focus
more on his family
and not only on
his work.

Relax Nee-san...
it's okay.

We should enjoy it
while we are here.

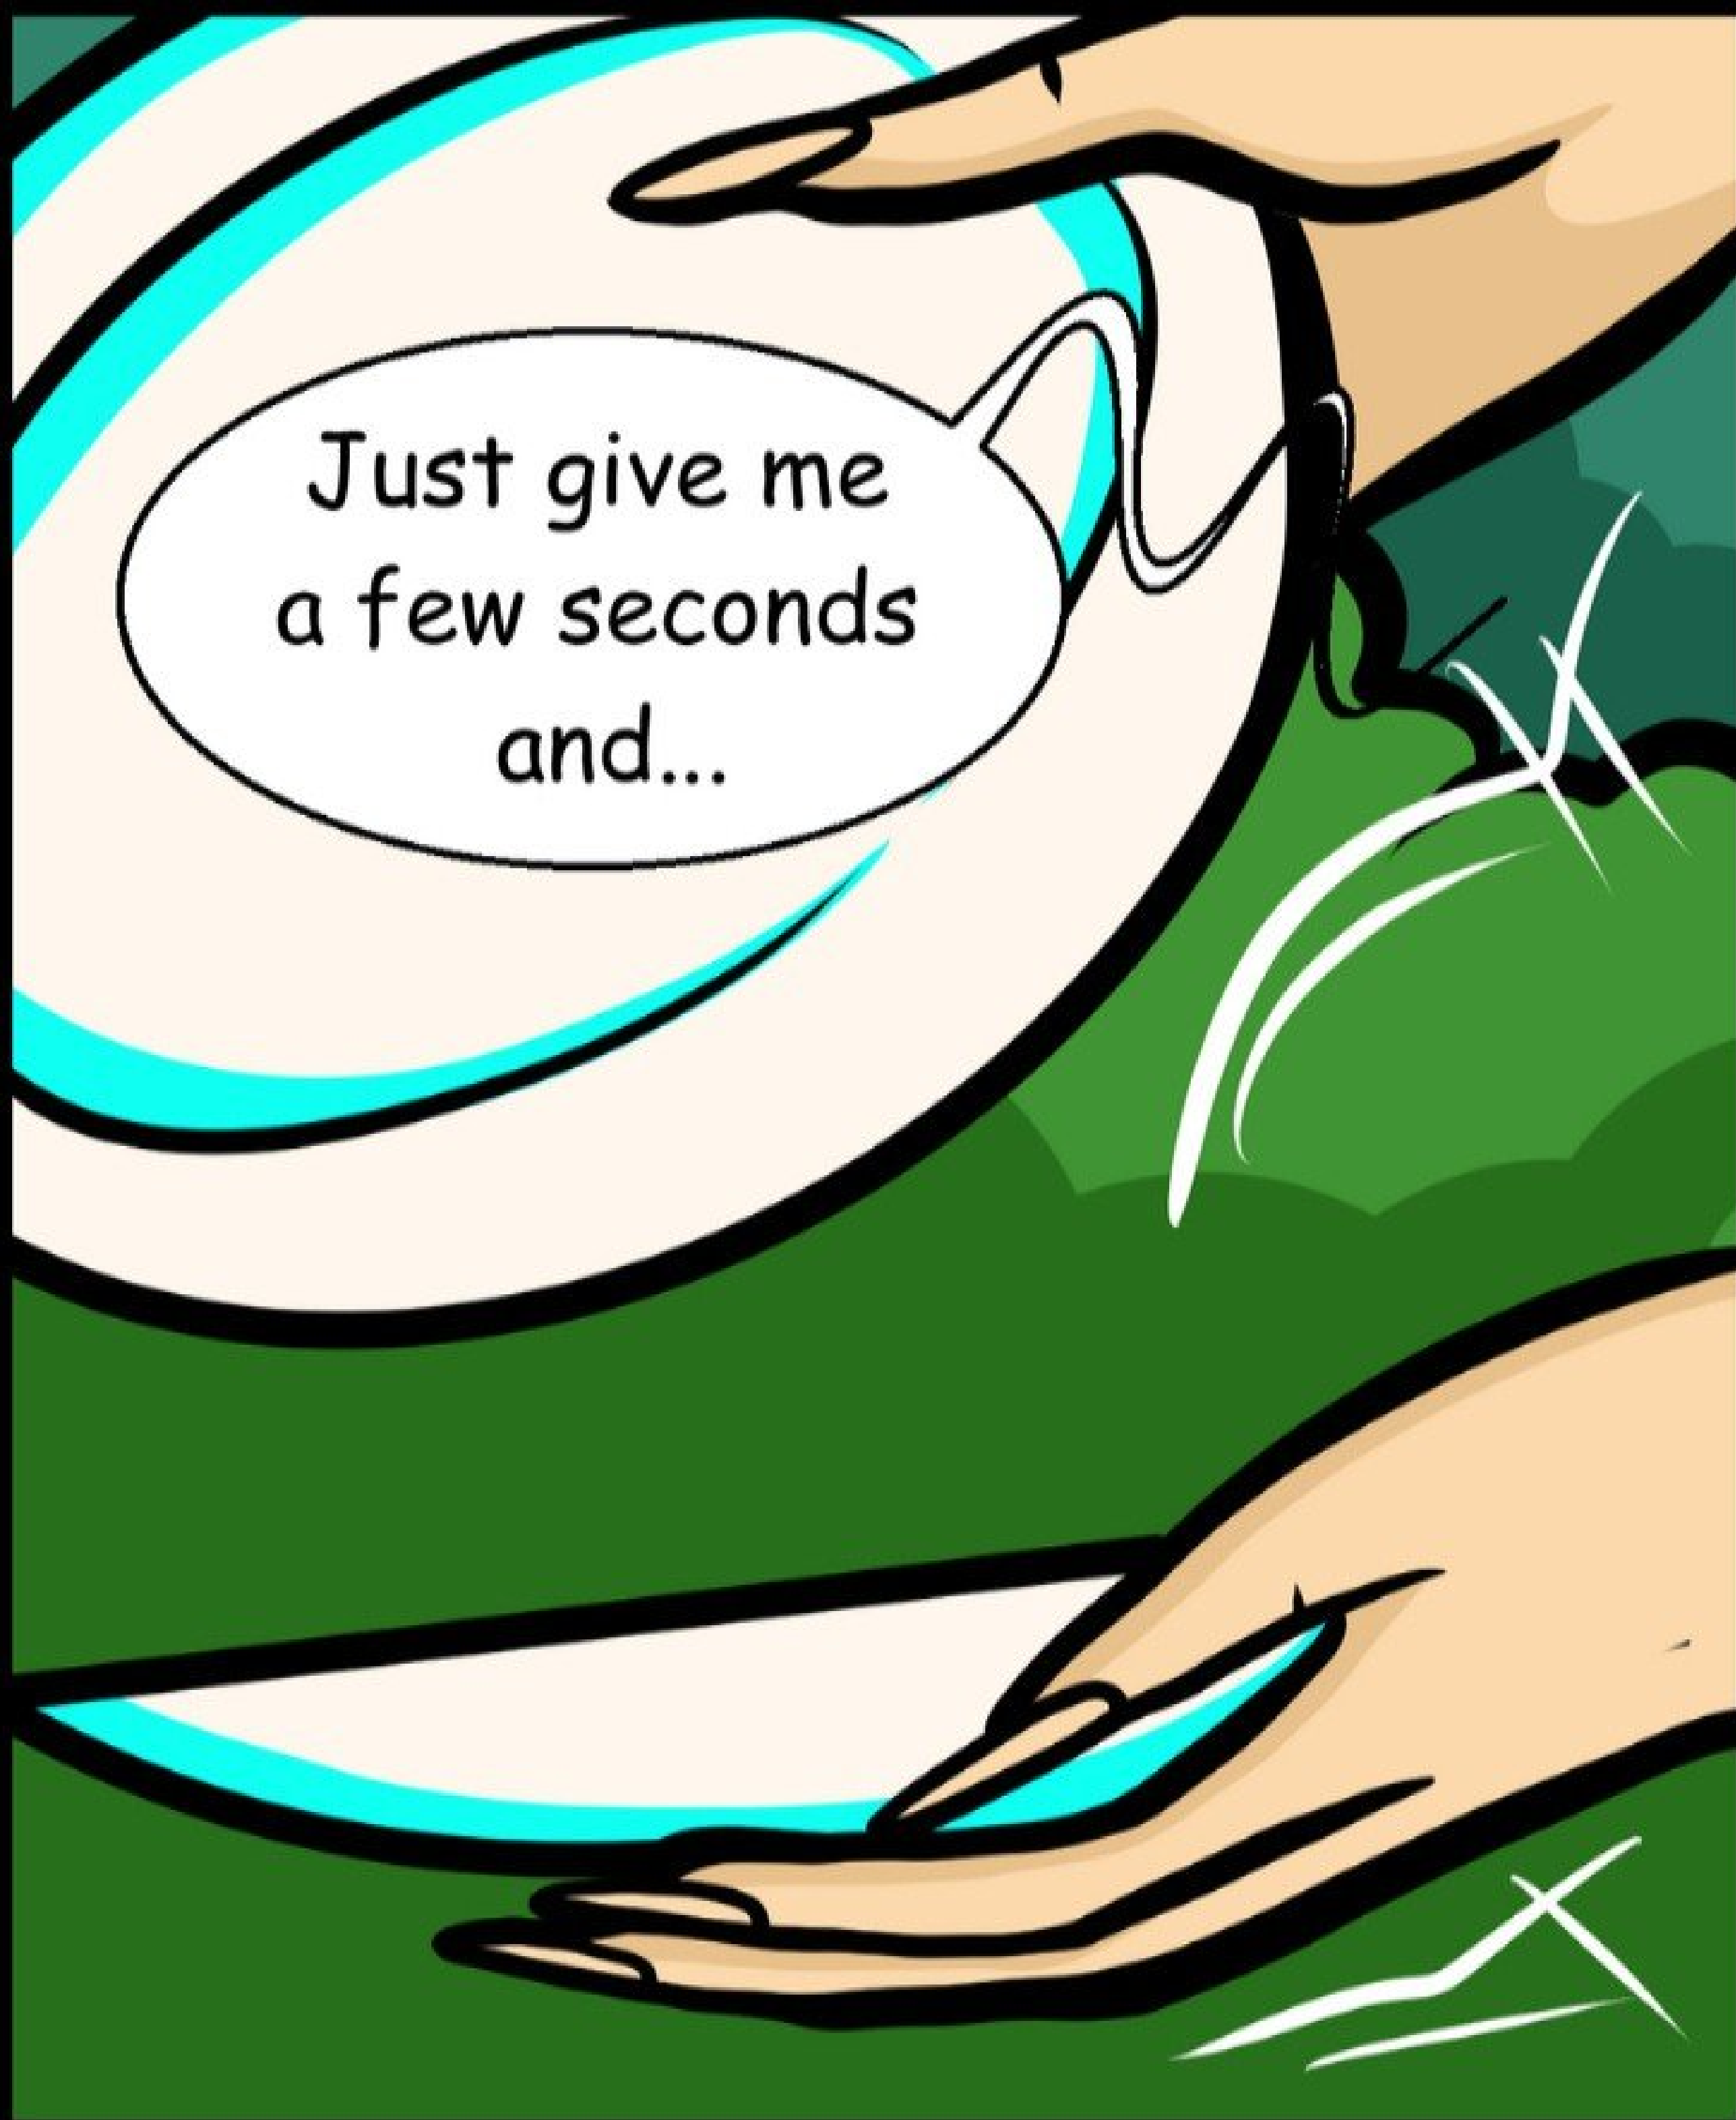

All right then...
Since we're here,
et's enjoy it.

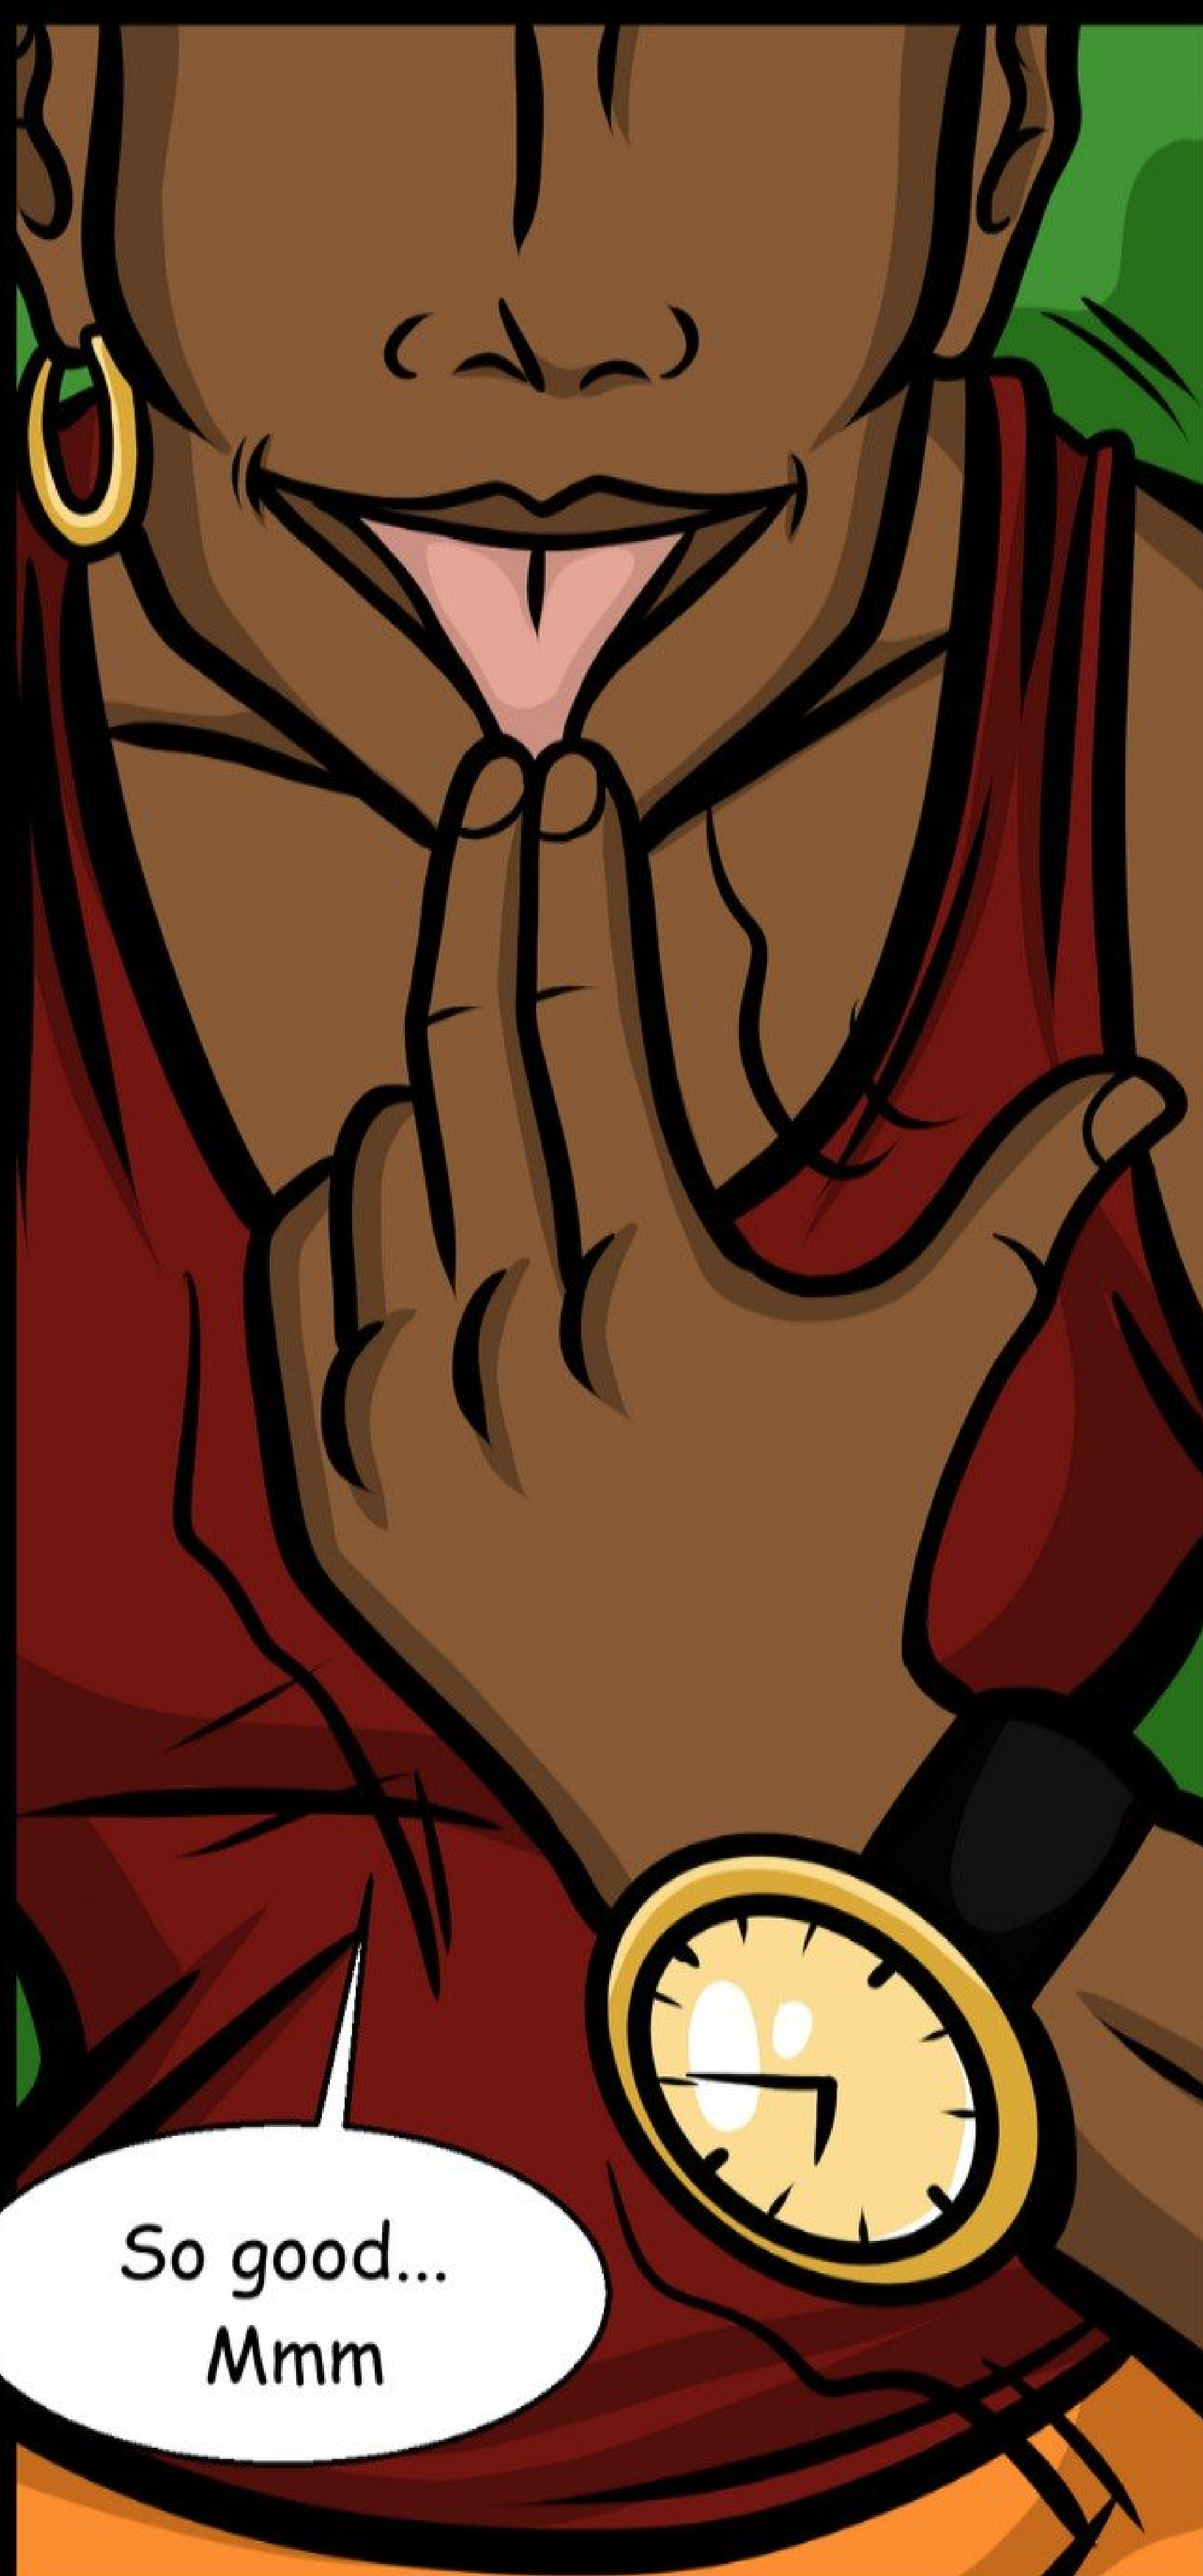

I made
special snacks
for us, Gavin.
You'll like it.

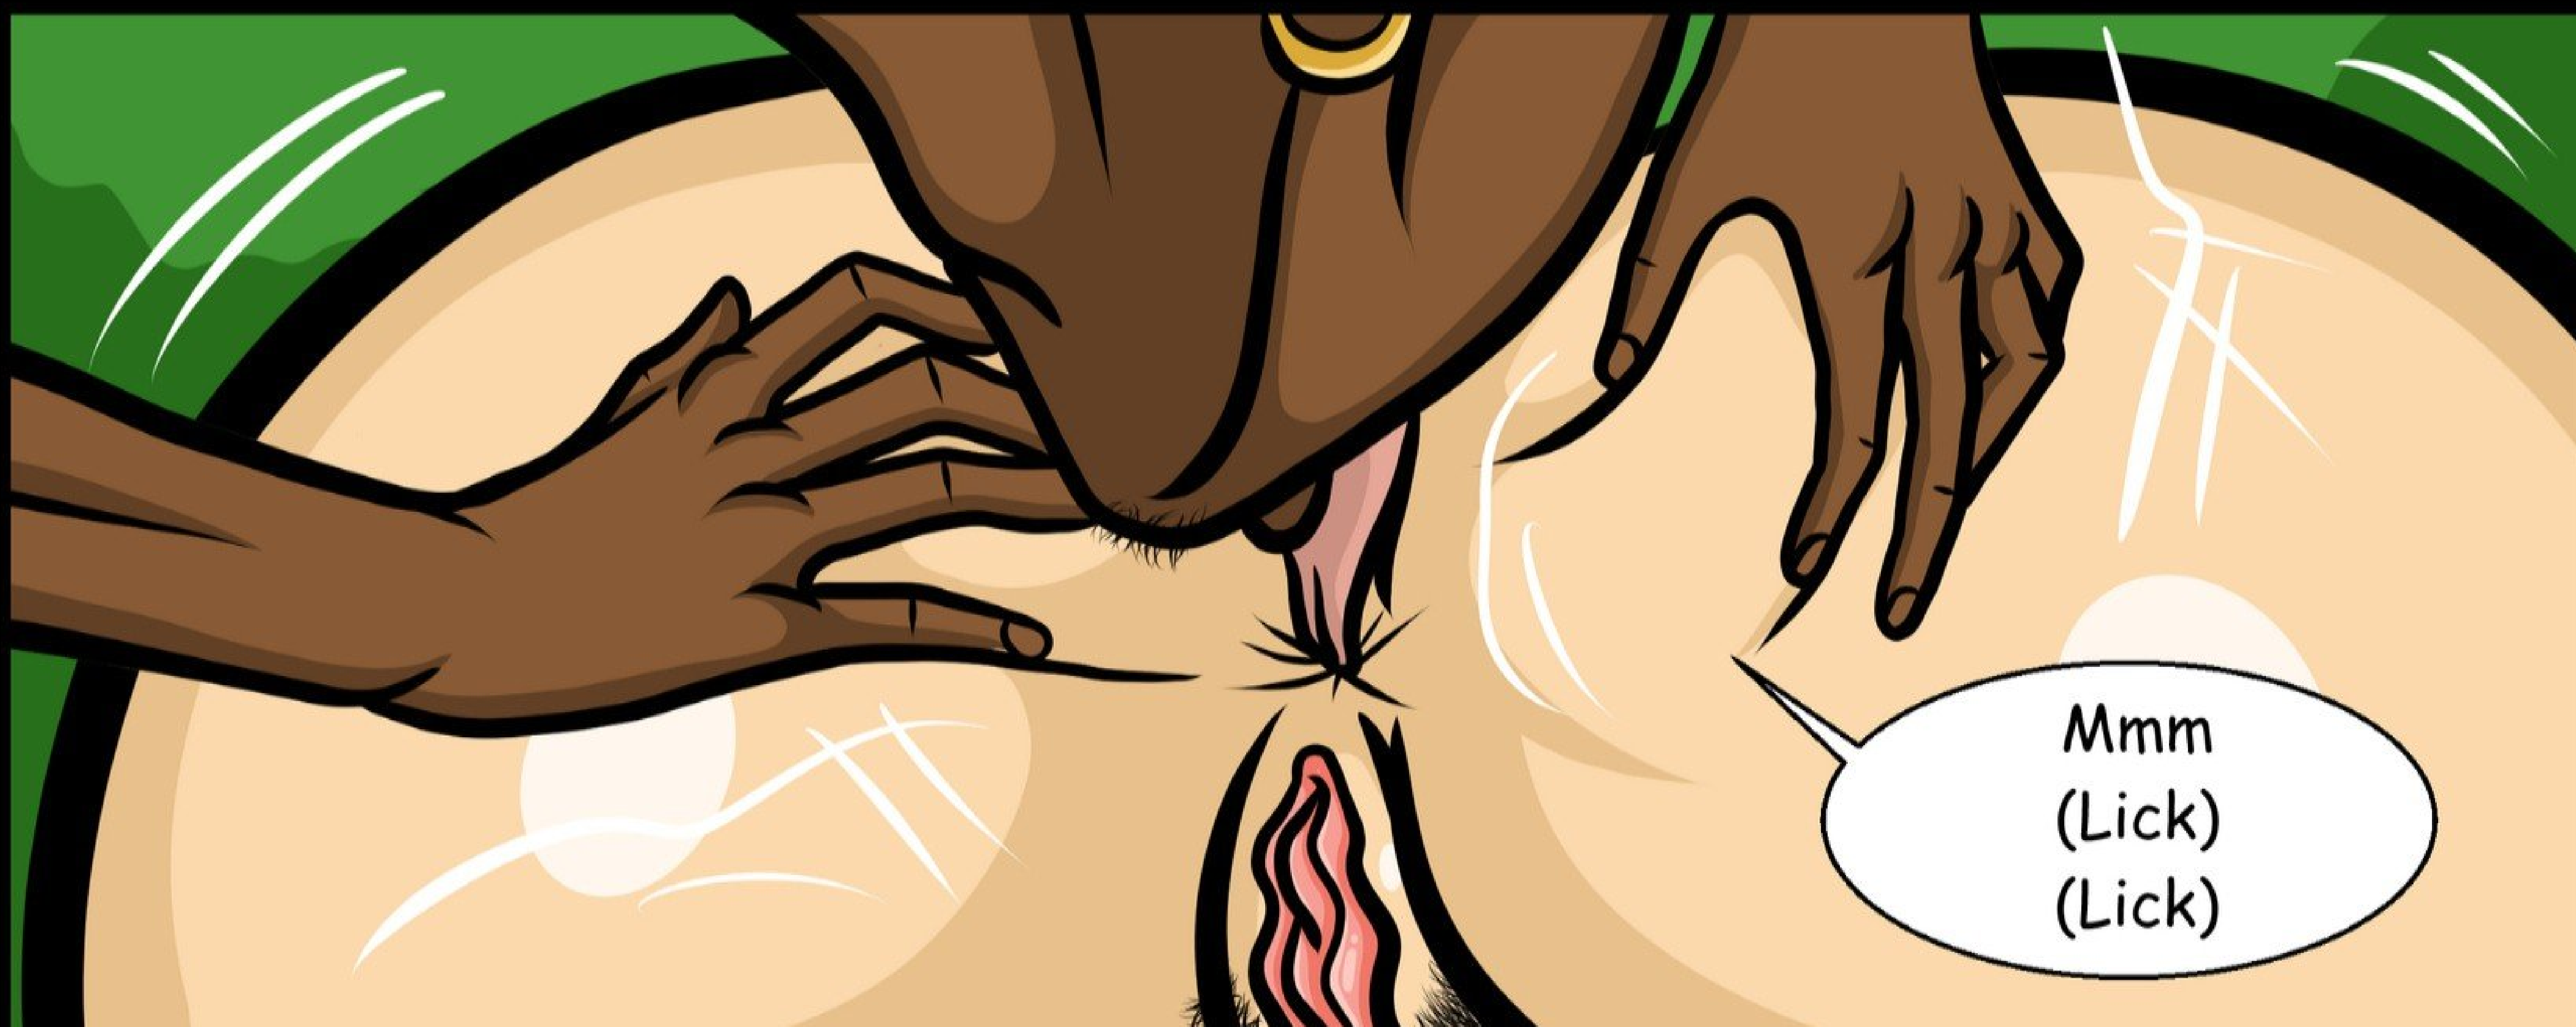

Wow!!

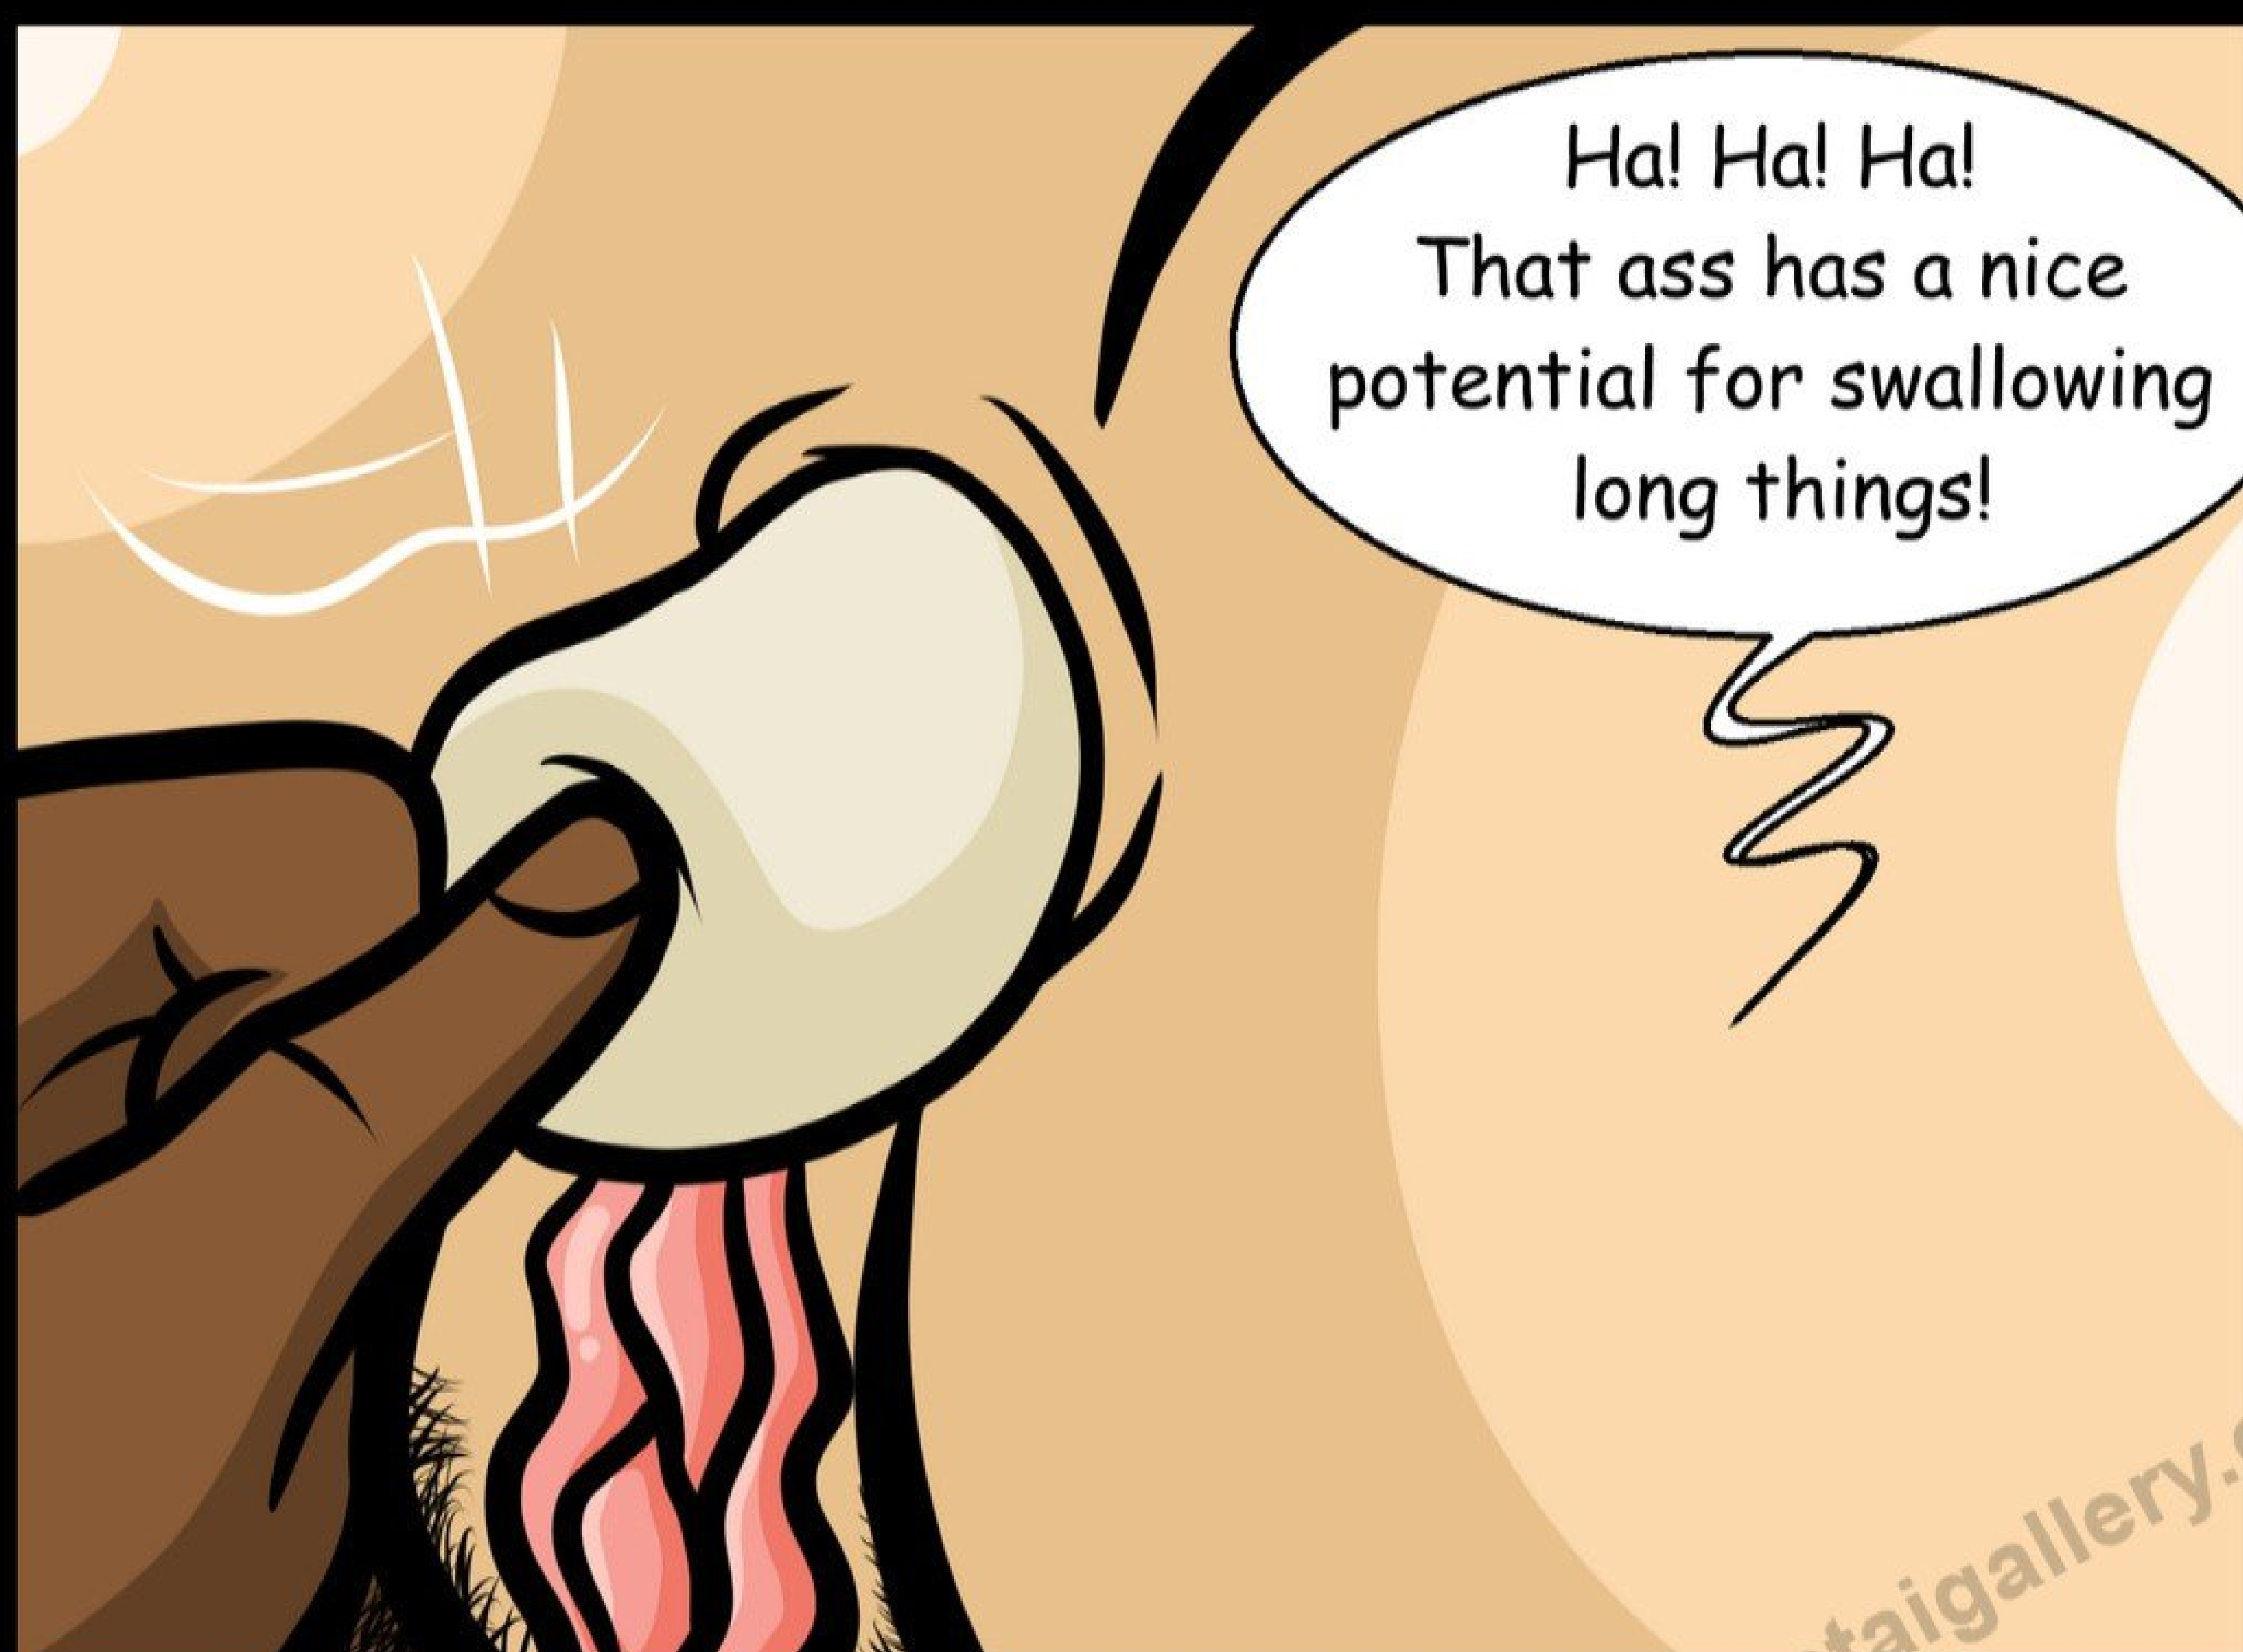

I had to suspect that Gavin would try to take advantage of the situation. It was unlikely to me that he would want to do that to my big butt in a public place.

But nothing matters to my young brother-in-law when he is in front of the thing he likes best...my anus. Soon, he began to taste that place as if he were starving.

Gavin and his strange ways of enjoying himself using my poor anus. This time, he made sure to insert a fruit inside me. I could never imagine that one day I would submit to this.

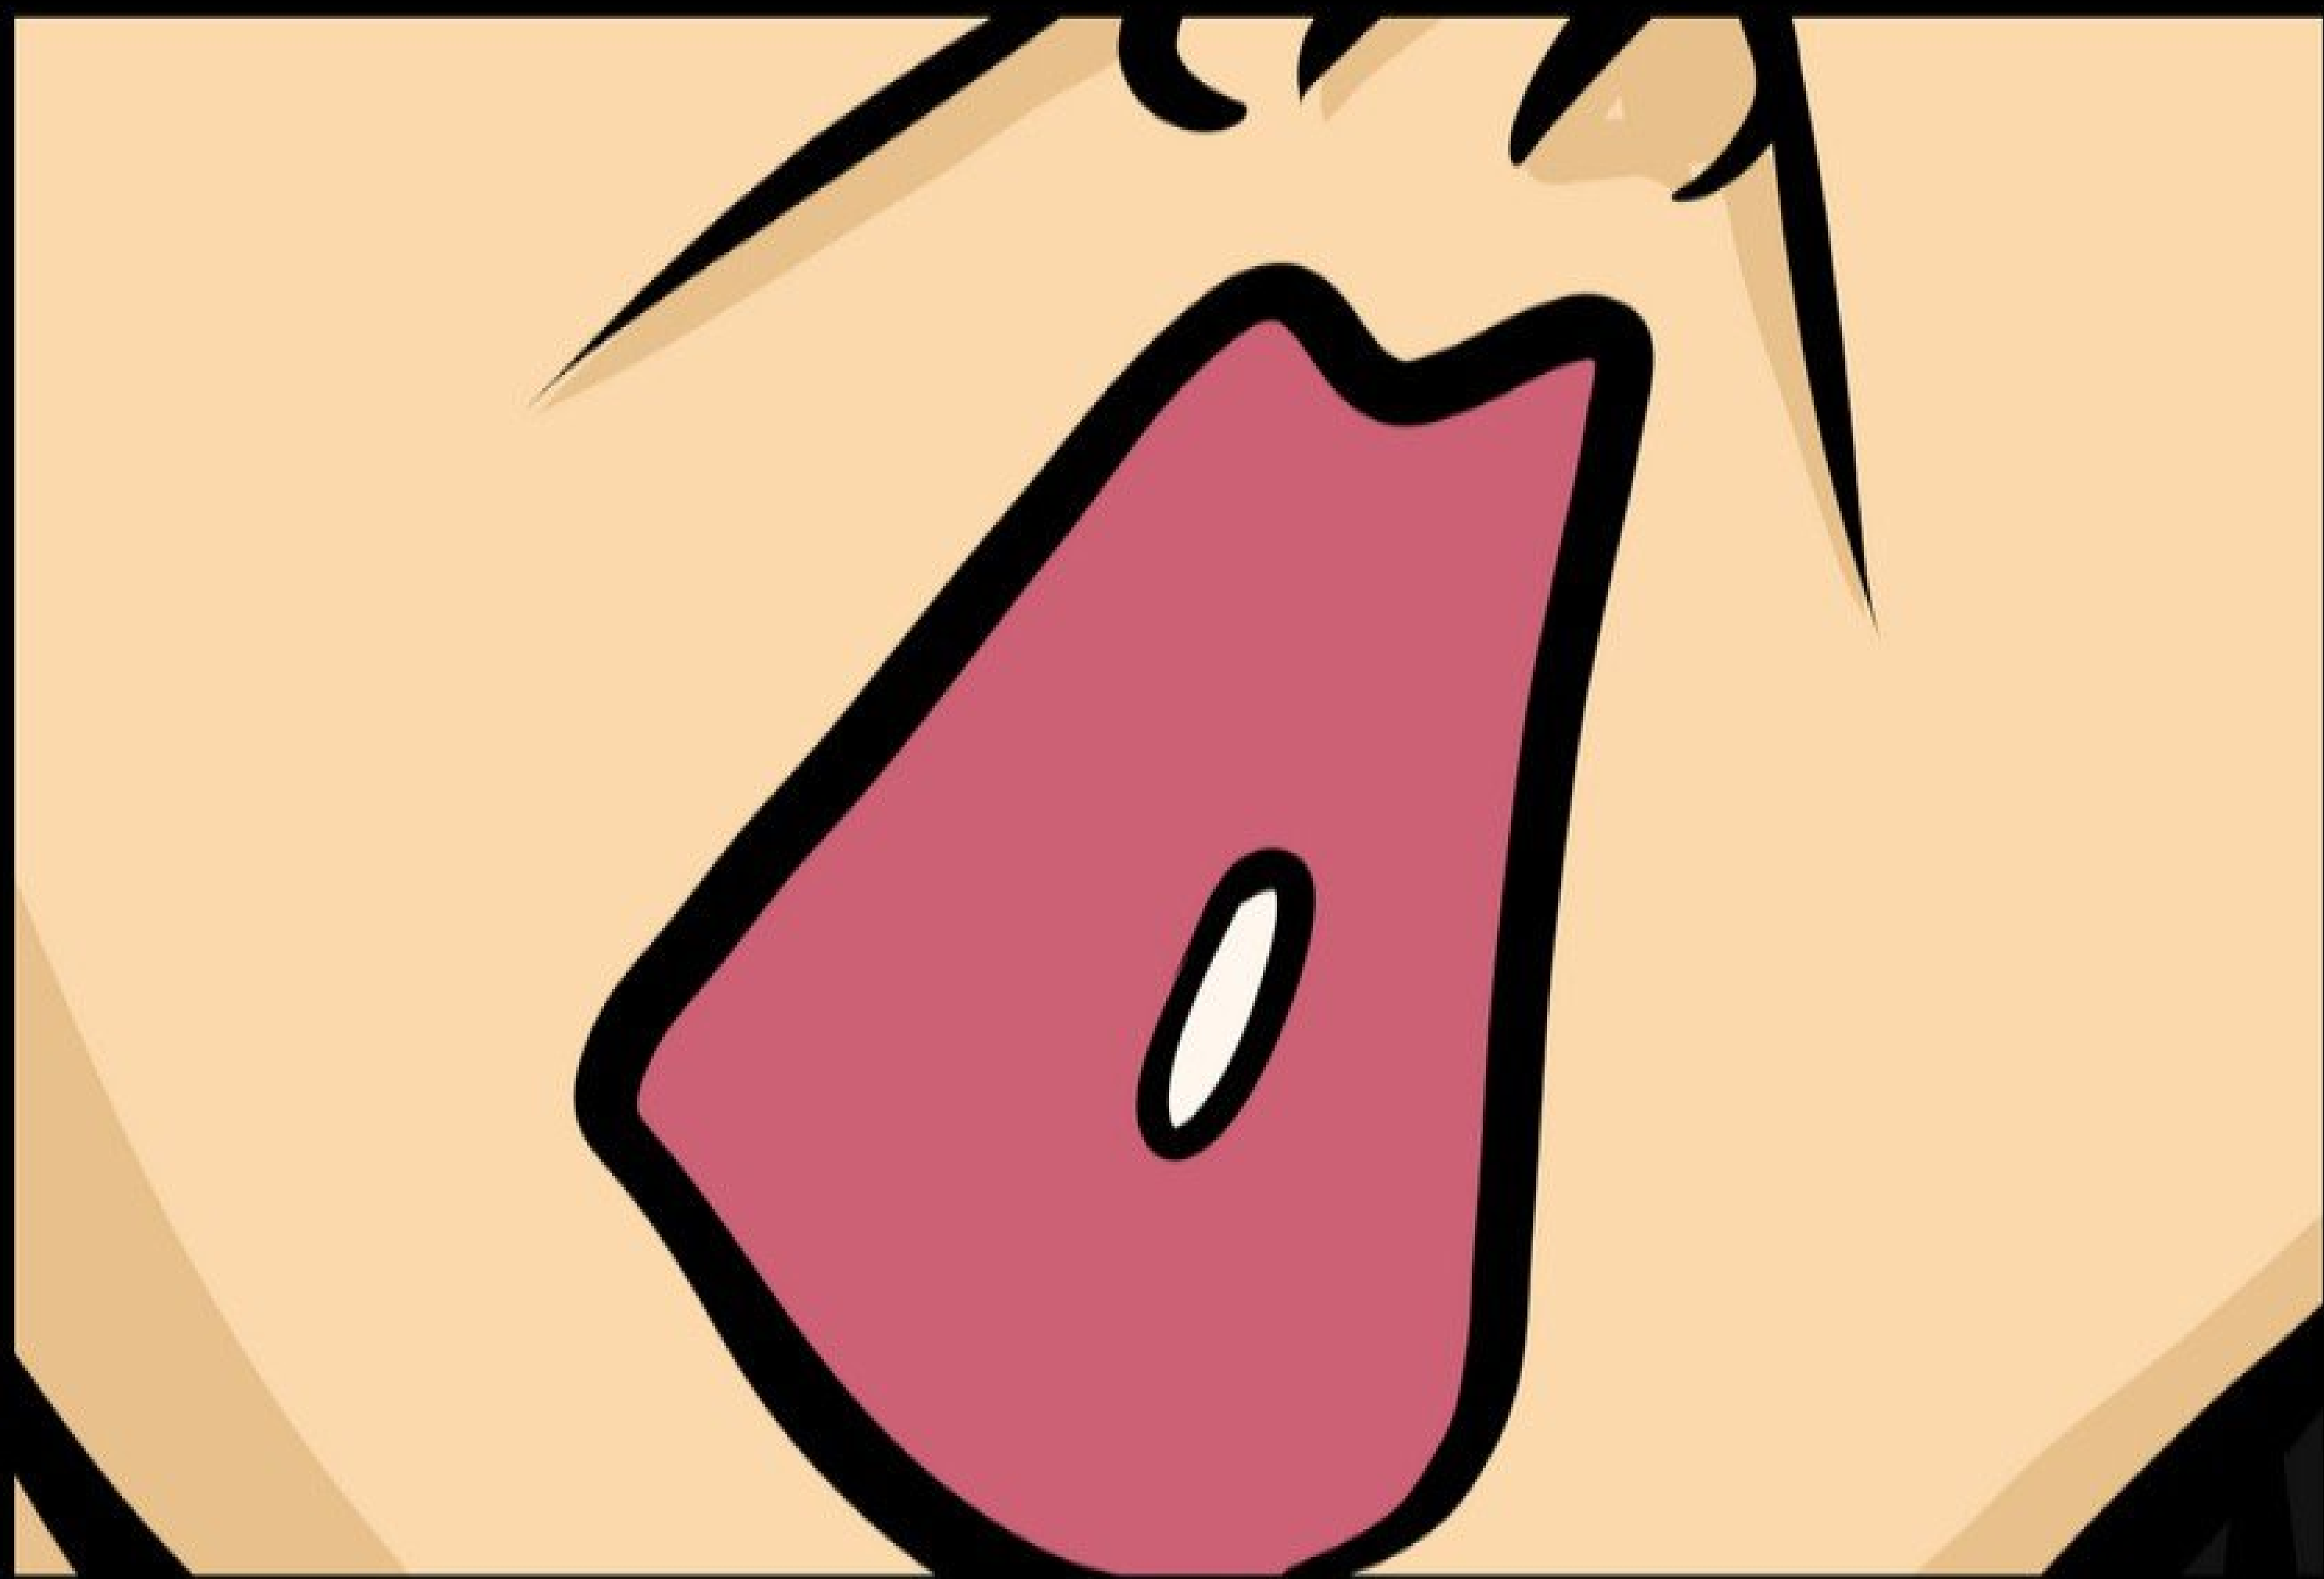

Really good!

Gavin, I'm really worried about your current tastes. What you have just done is not at all normal for a young man of your age.

This is delicious, Nee-san! Taste it.

And then?

Nham!

It's true! I admit it.
It's really good.

But Gavin...
Doing this kind of thing here
is very risky. We could be
caught at any moment.

Right!
I think I know where
we can do this!

Minutes later...

I think we won't
be seen here.

Can I penetrate
your ass here
Nee-san?

Yeah...
I... think the...
here we are
safe...

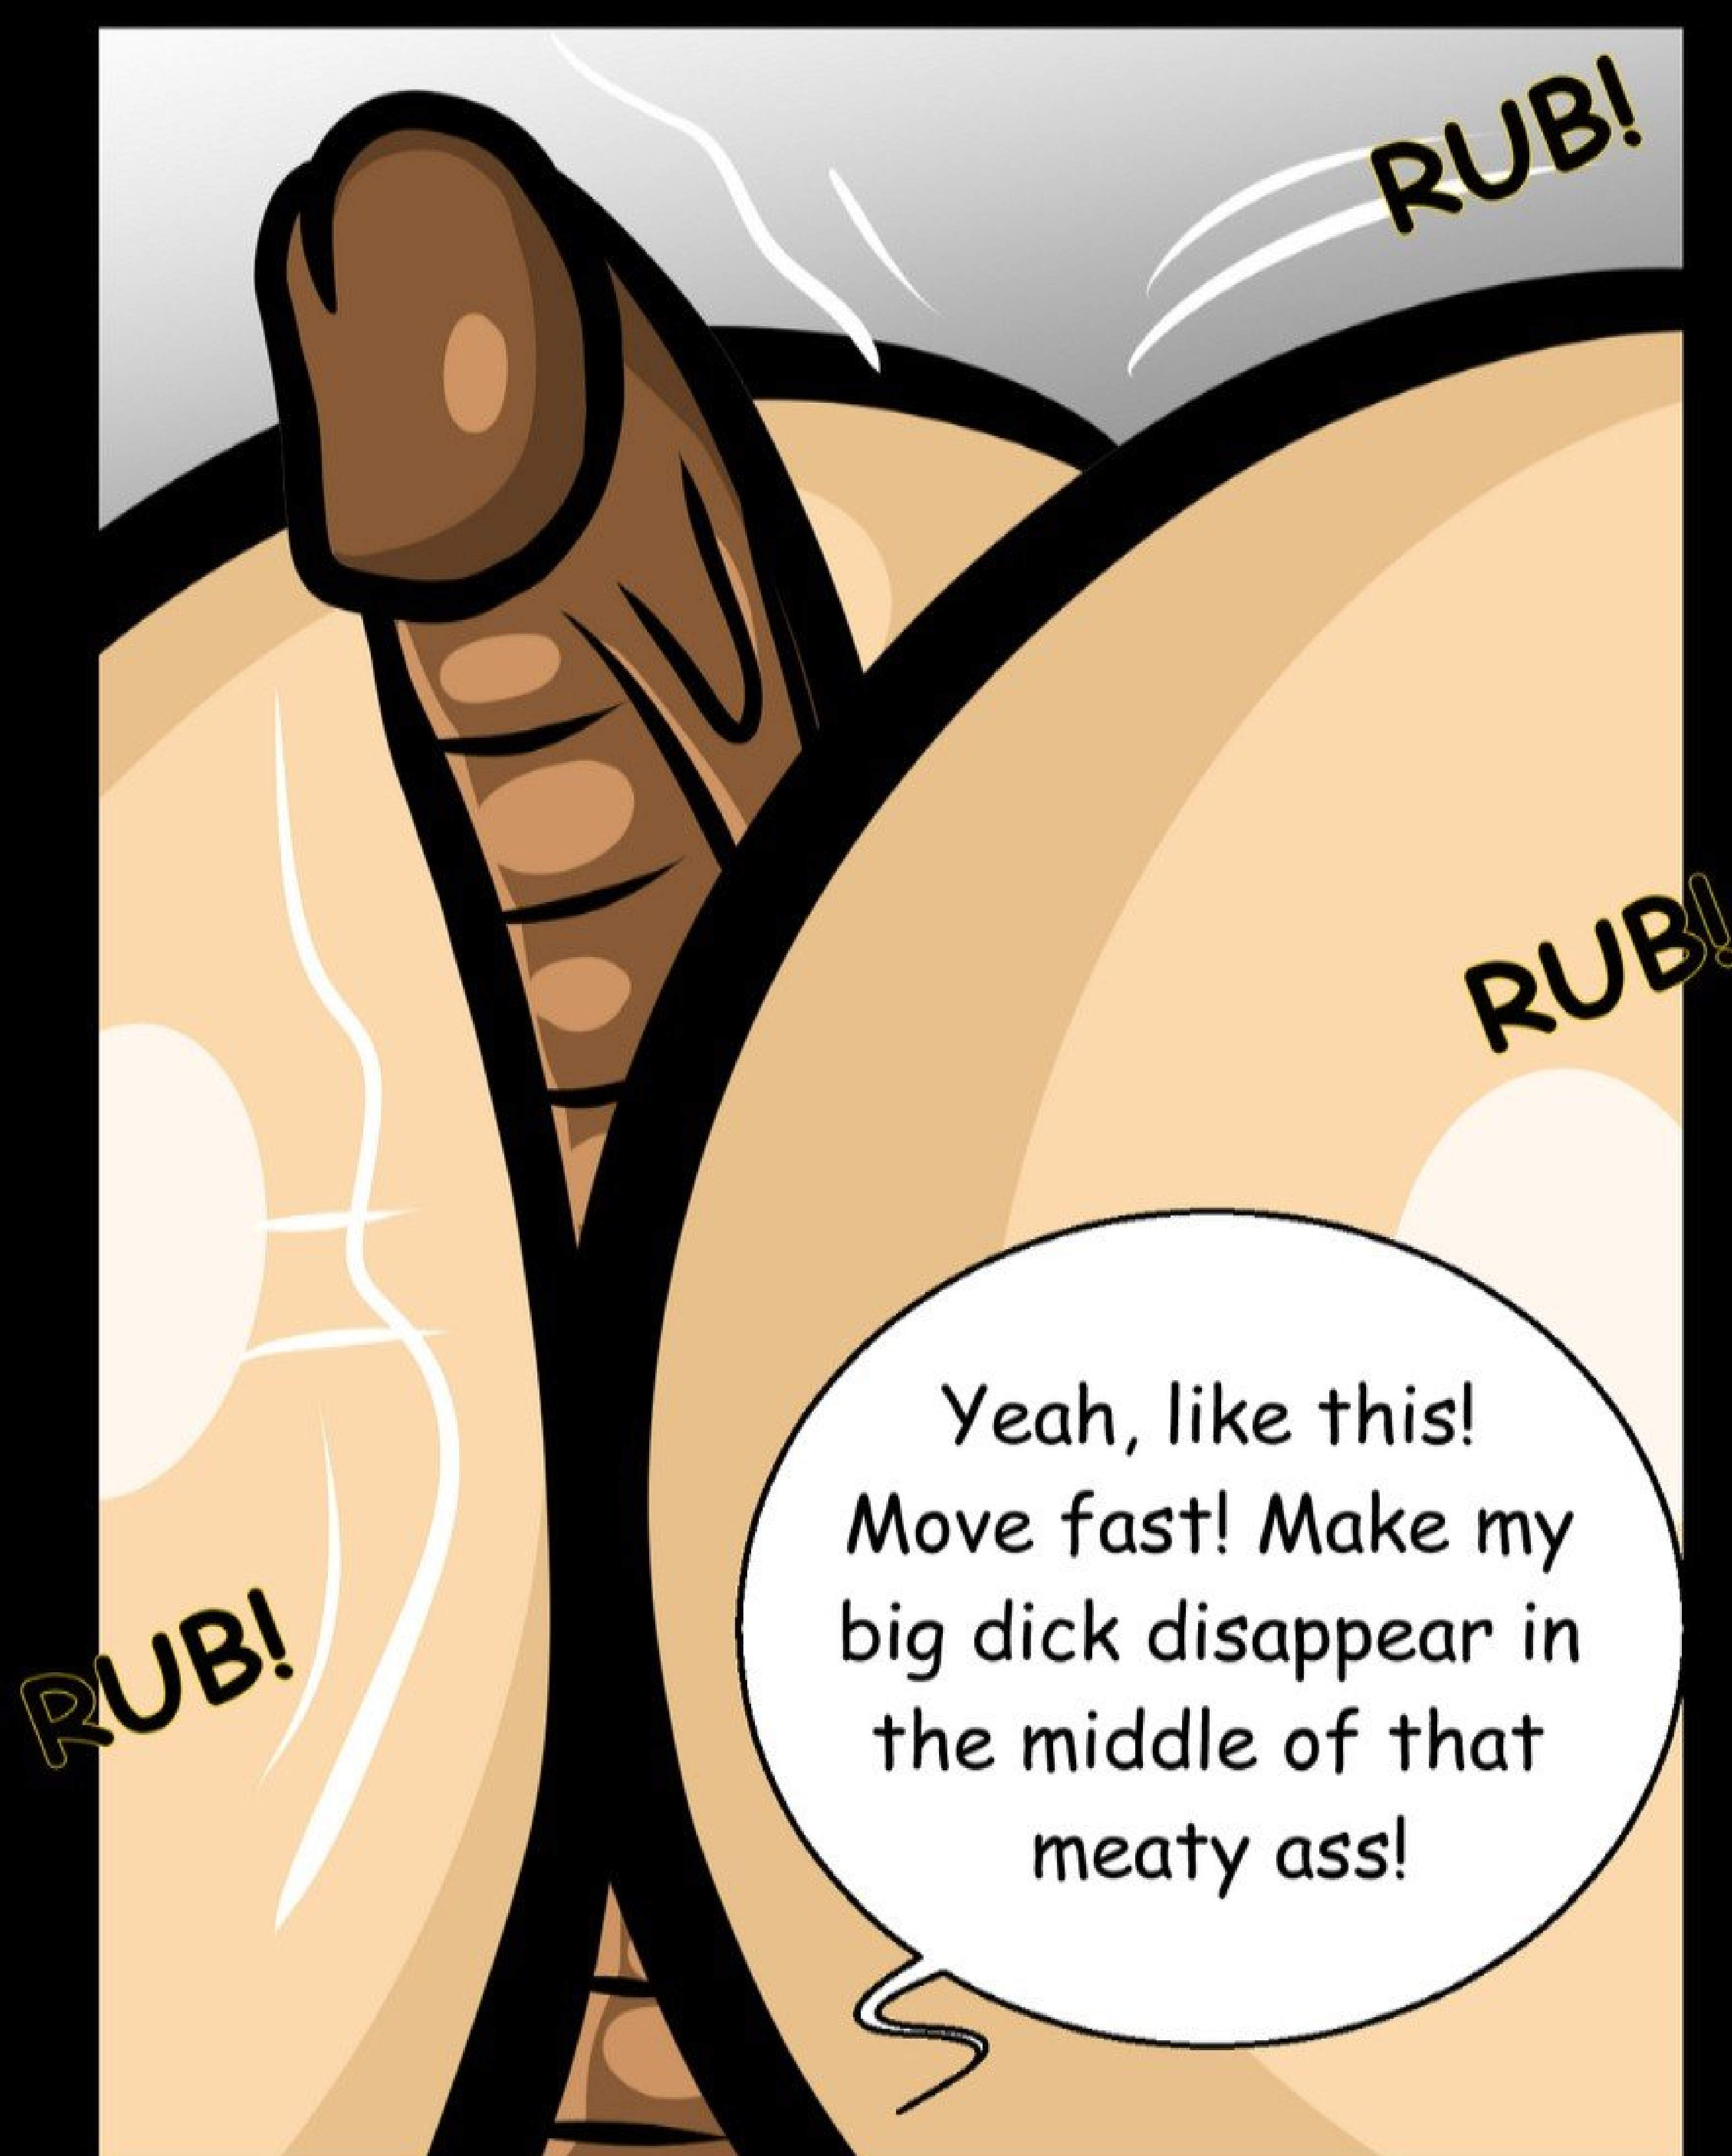

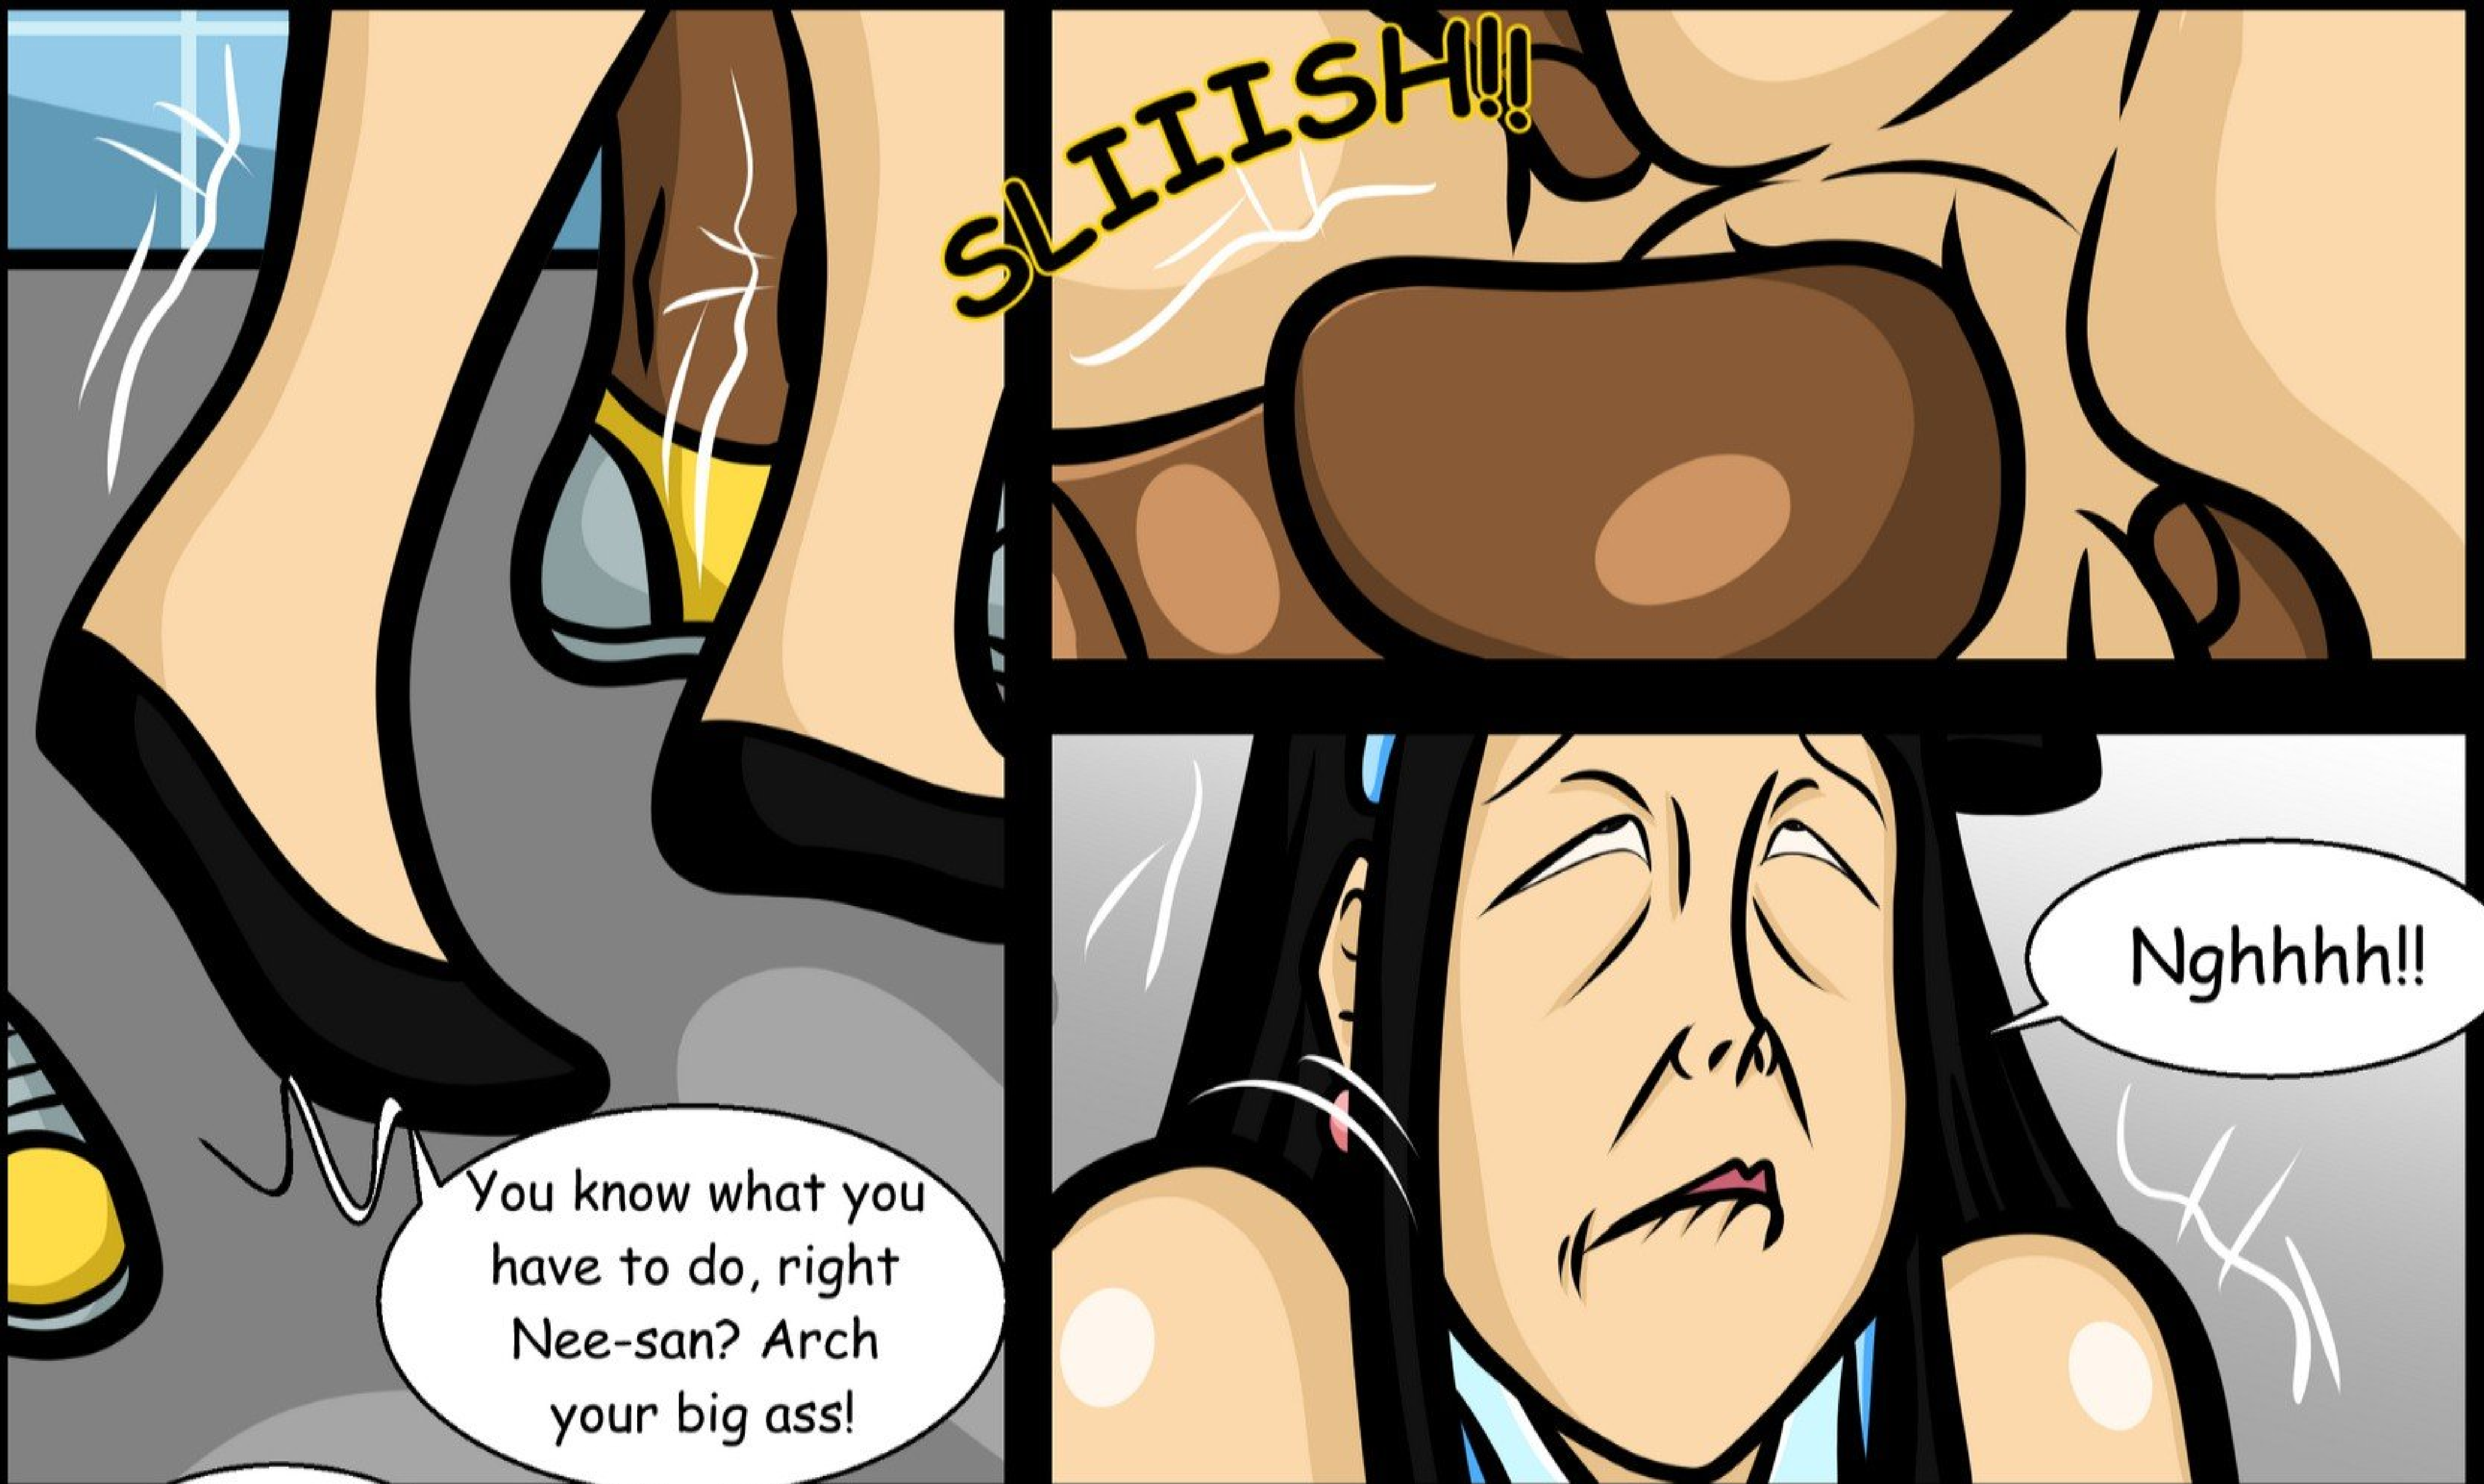

Err... I...
I think so!

♥ Mmm ♥

As he played around shoving his face into my huge tits, I felt him rubbing against me and with that, my huge buttocks made his big thick cock disappear between them.

I had to admit, that "butterflies in my stomach" with the fear of being caught by someone at any moment was making me very horny.

Your asshole is so sensitive, Nee-san... You're squeezing my cock too hard. The strong odor of sex is impregnated there.

SLAP!

SLAP!

Ahhhhhhh!!
Ugghhhh!!!

POP!

Oops...
It slid out!

P... Put it back in,
Gavin...

About 20 minutes in, Gavin intensified his penetrations in my anus. Somehow, even though I enjoyed that dangerous intercourse, I felt the sensation of being watched by someone in the bushes.

This is the reaction
I was looking for. Little by
little, I was preparing that
asshole...

SLAP!
SLAP!

SLAP!

Ohhh!
Just keep going!
That feels so
good!

... And I have to
admit, you endured it
all! You're really
tough, Nee-san!

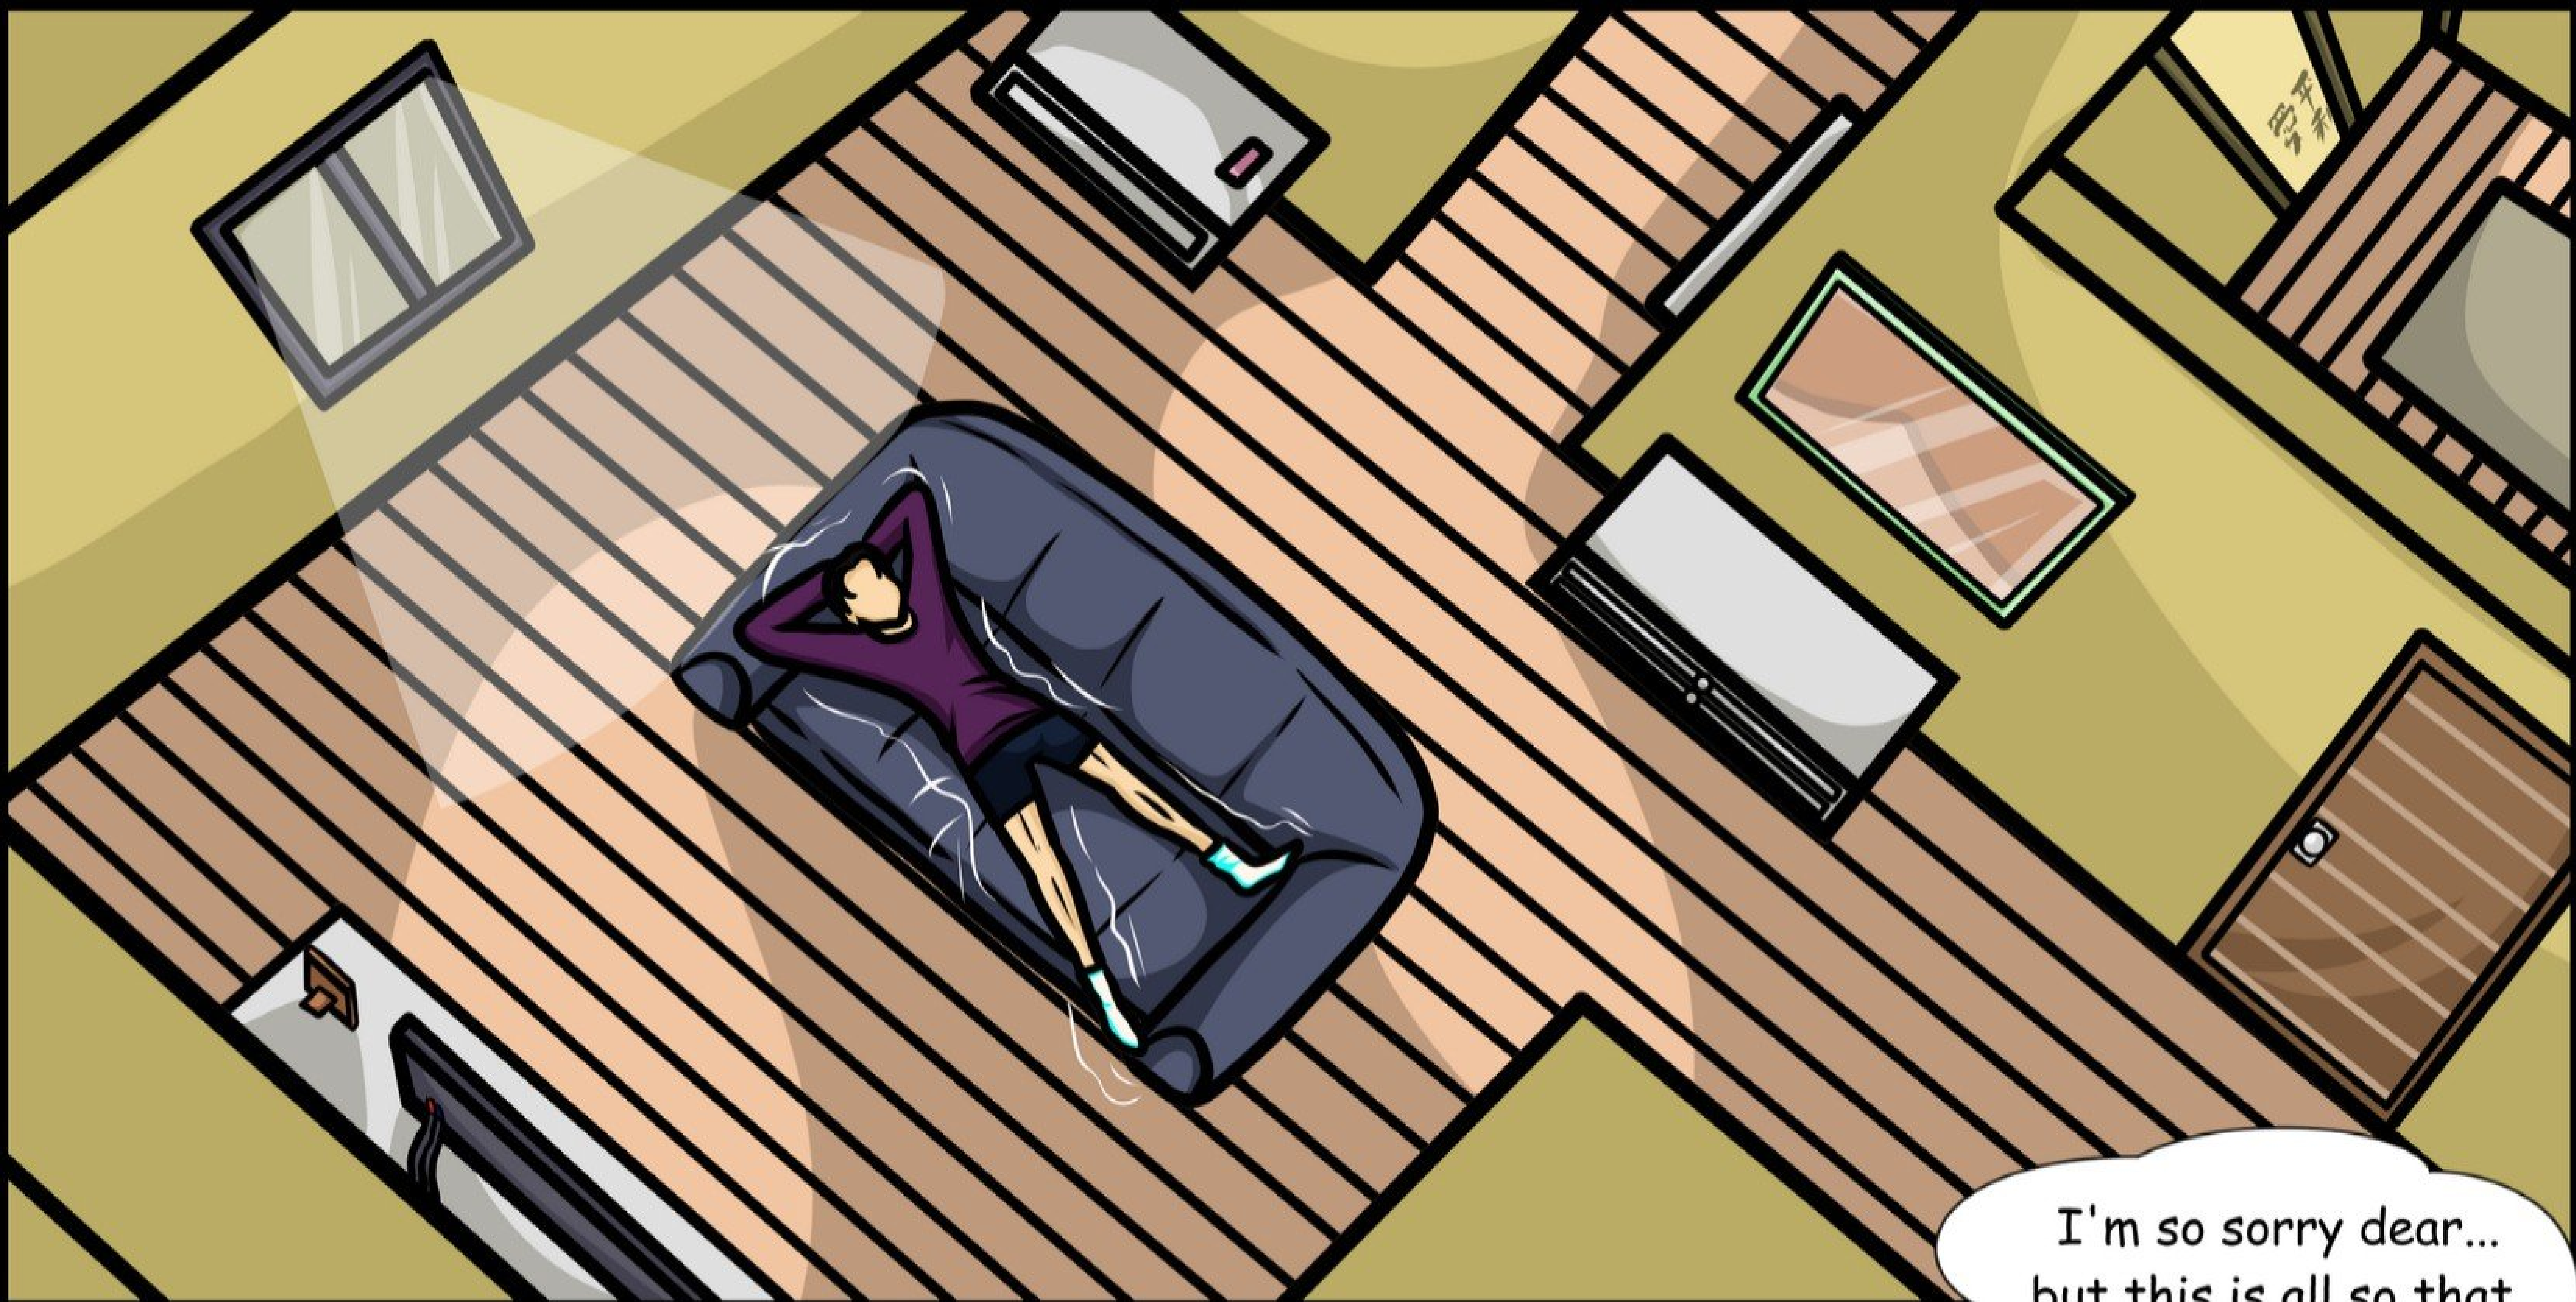

THRUST!!

SLIISH!!

Uhhh!
All the way!

The intensity of his hallucinatory rhythm made me cum hard. My horny expressions made his big cock even harder inside my anus. Unfortunately, that mood was broken by an unknown presence.

I'm so sorry dear...
but this is all so that
you and Gavin have
the best comfort...

...

I'm sorry I'm not the
perfect husband..., but,
I love you very much!

**DING!
DONG!**

Someone is ringing the doorbell. Who can it be?

Could it be that Keiko must have missed me a lot and decided to come back early?

!

Mrs. Murayama?!
