SLAP!

Oh my
God!

Without any show of shame, Gavin grabbed me tightly and began to penetrate my anus once again. And this time, with the unseemly young man who had caught us minutes before all this as an onlooker.

This was even more embarrassing than everything we had been doing up to this point. I could never imagine myself in such a situation. At that moment, there was no possibility of free will between us.

That's the spirit!

She loves to take my big dick in her ass! Do you know why? Because women want to feel desired yet... and also, because they love a big, thick cock like mine!

That is really magnificent!

SLAP!

SLAP!

He seemed very excited and ended up ejaculating his bit sperm quickly. Maybe I was too hasty in judging Gavin's unexpected attitude... But in the end, this was without a doubt a very good strategy for us to escape from the situation.

I can't say that I am happy to hear that you have finally found someone who is interested in buying your house, Mrs. Murayama.

That's the best thing to do now, Shimizu-san.

I still deeply regret what happened to your husband. I hope you will get over it as soon as possible.

I'm already much better about that.

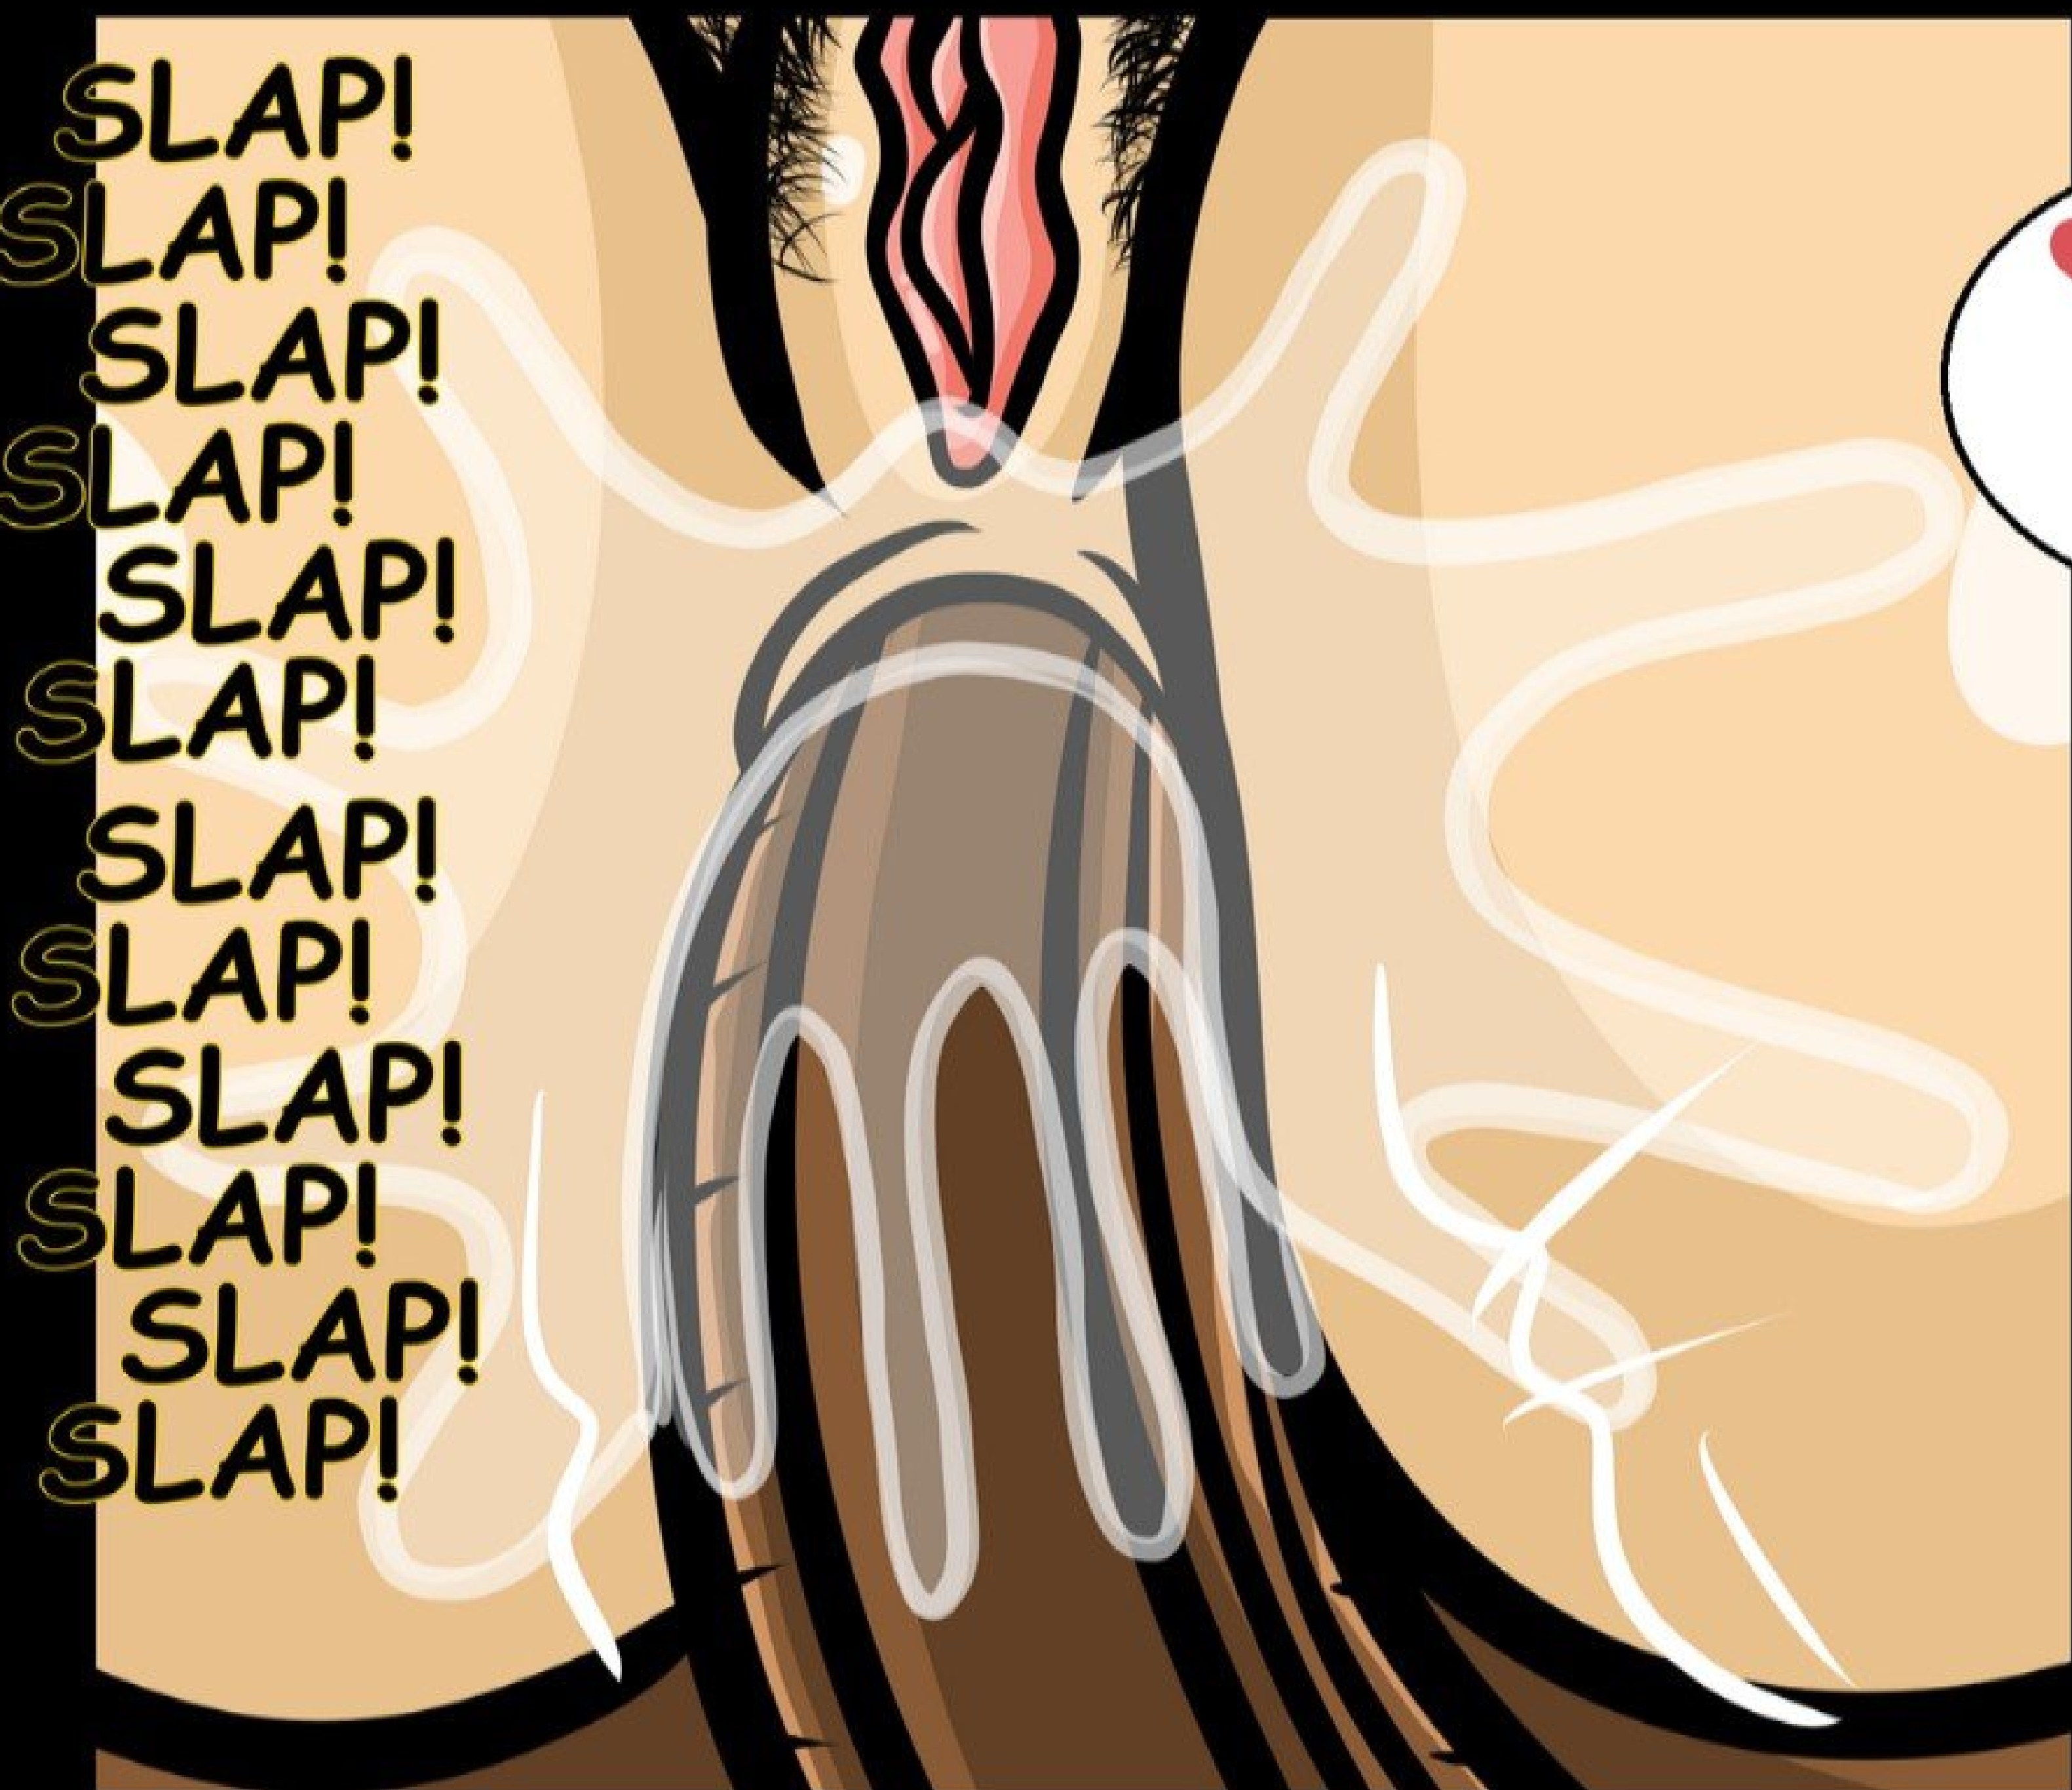

By the way...

Where are Keiko and Gavin?

I once again warned him about the dangers of doing this in public. He made me a promise that this would be the last time, but judging that soon after we were already in "action" again, it was eminent that it would not be the last time.

But even though I was aware of all the dangers we were running in that exposed place, it was already too late for me to stop him from continuing. The main reason for this? It was already too pleasurable for me to feel his huge member destroy my back door.

Ohhhhh!! Yeah!
Please! Keep going! I'm
cumming! Ahhhhhh!!

Ahhhhhhh!!!

Don't be selfish,

We are a duo here,
Nee-san! We have to enjoy
it together.

This young guy loves to play with my butt. He does whatever he wants in this place where no other man has ever been before. He does it because he knows that as long as he's burying his colossus there, I can't say no.

Mmm
I loves it
when I bury my
balls in that
asshole!

SLAP!

POP!

Don't hide your
feelings, Nee-san...

And you know
what's nice about
it all? I seeing
that you're horny
about giving me
asshole!

I was already somehow exposing my feelings.... I hate to think that this has come about because of some help I gave him. I really just wanted to help him not to feel excluded and now he is widening my butt even more every day.
