Murayama san suffered a heart attack after finding out what Gavin and I were doing in secret. The medical report stated that he had a strong emotion that led to his death.

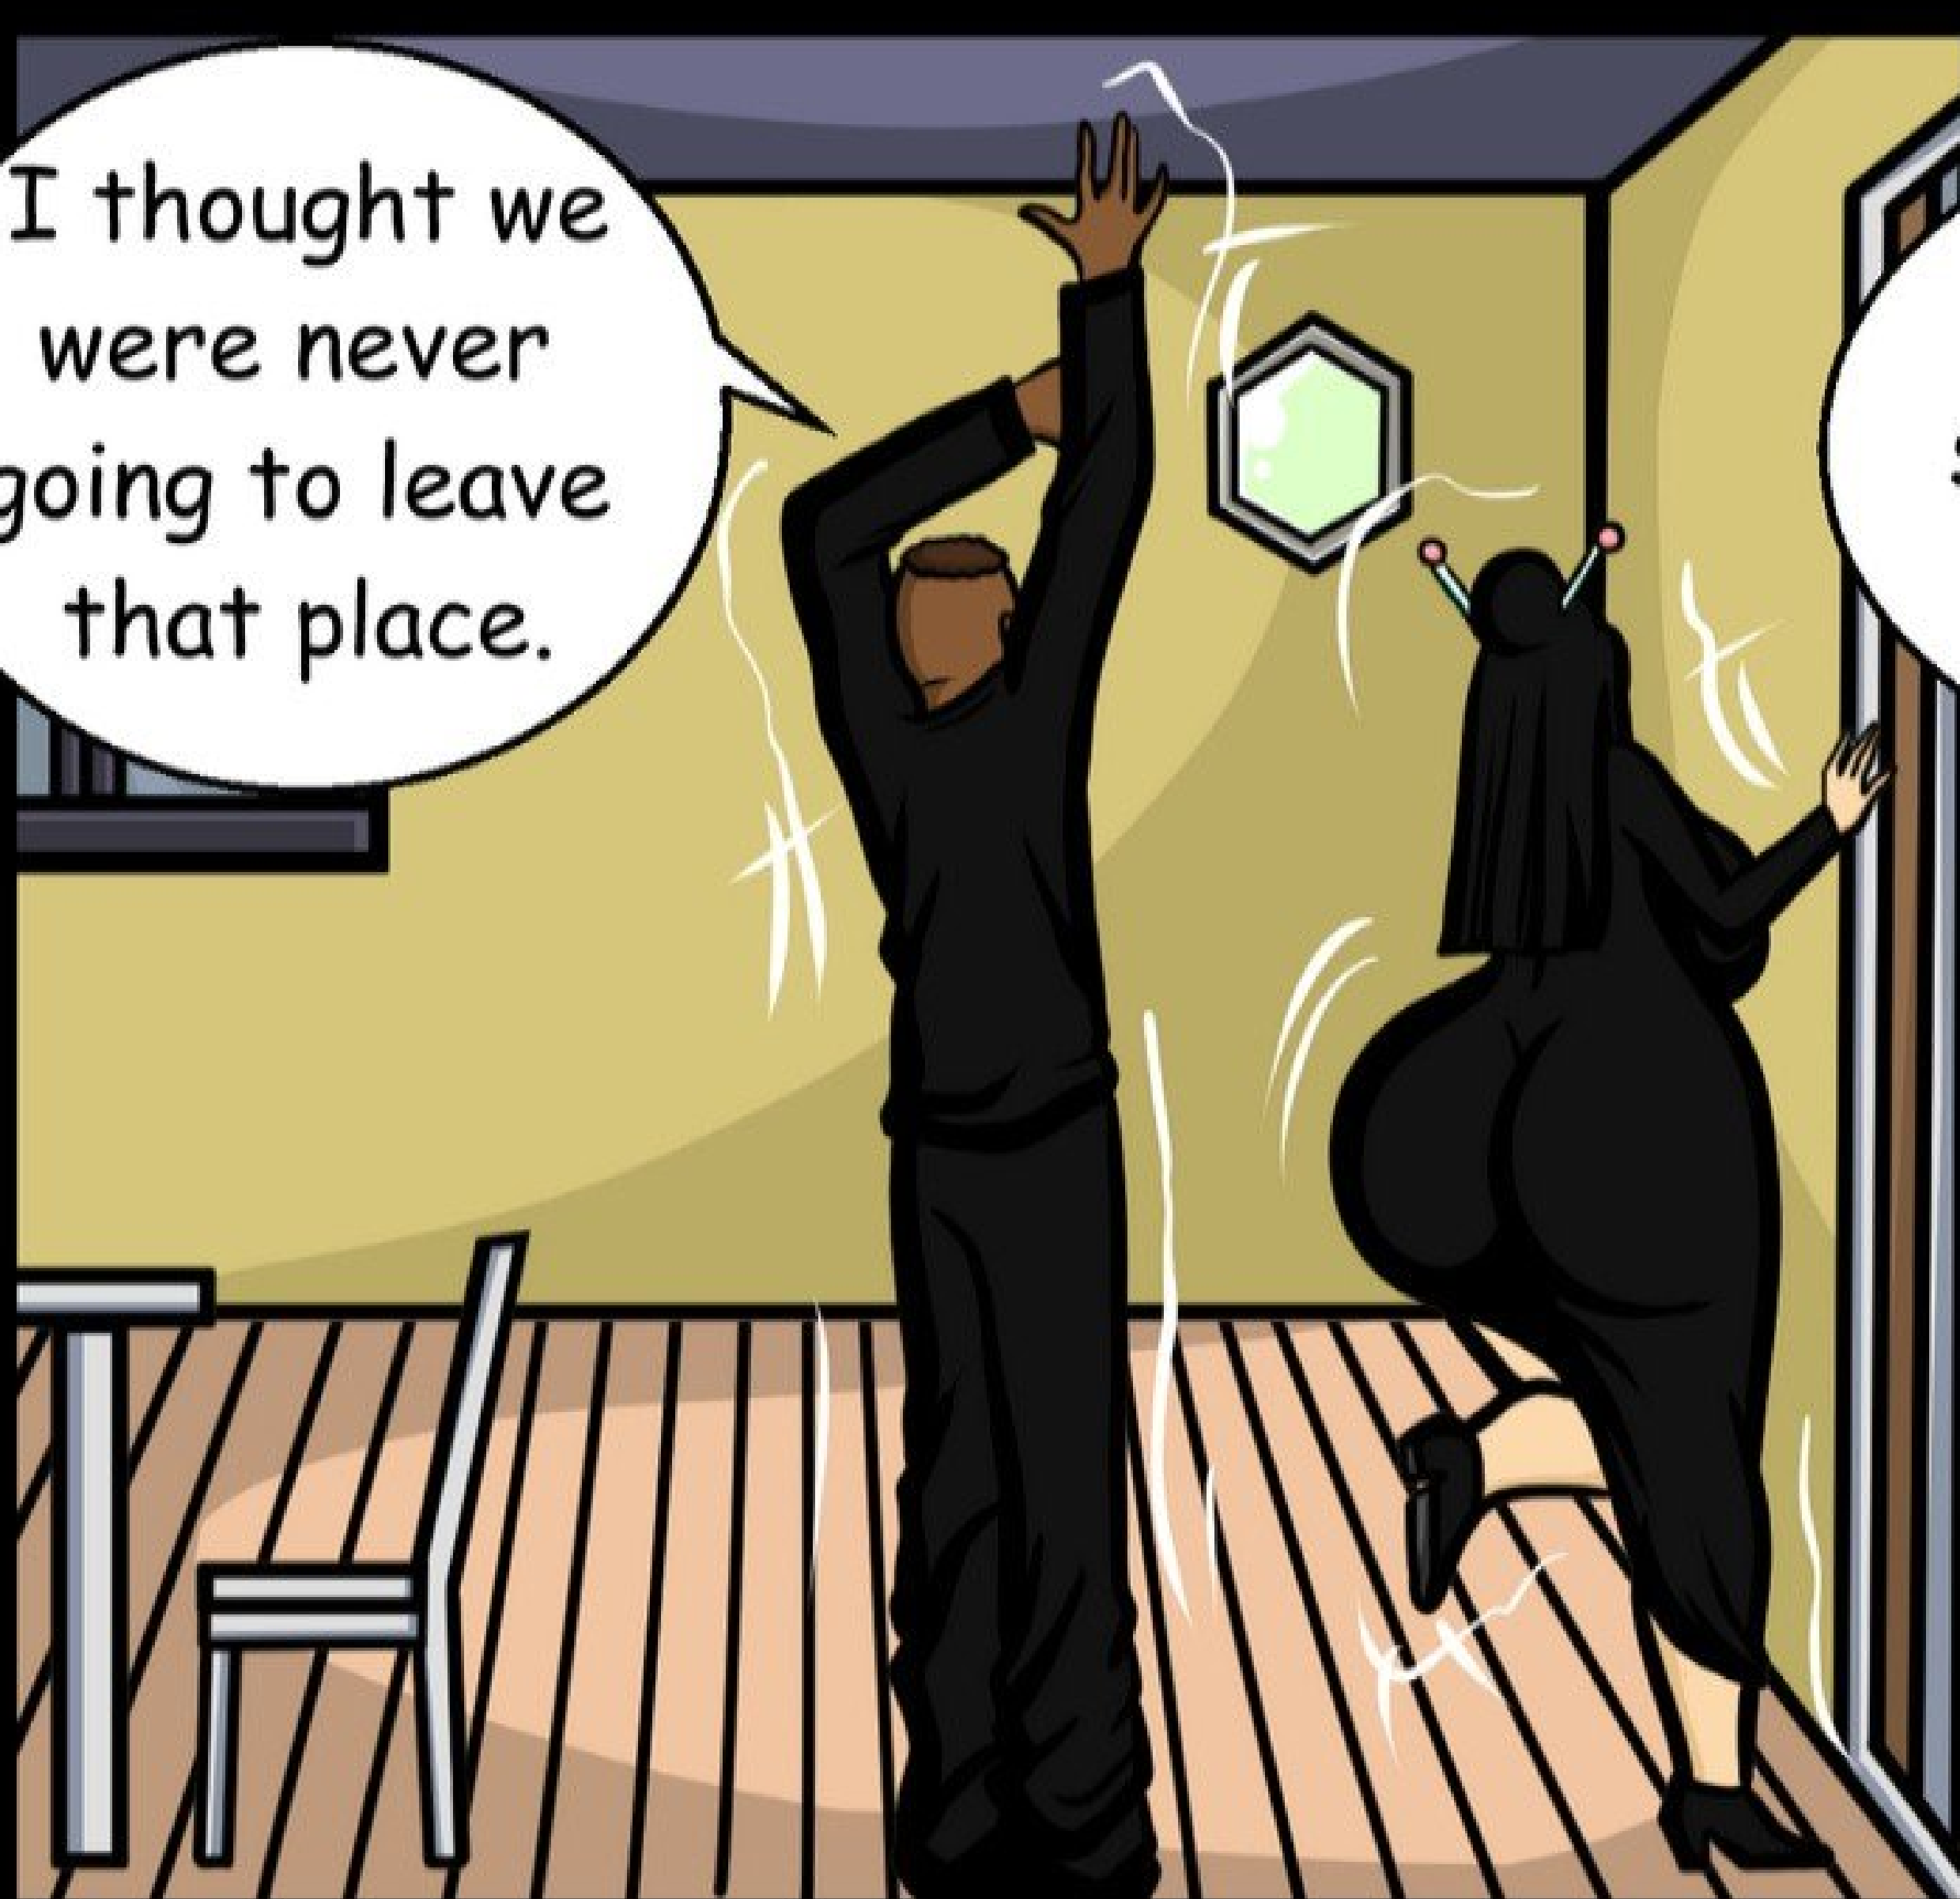

Hours later...

Finally we arrive...

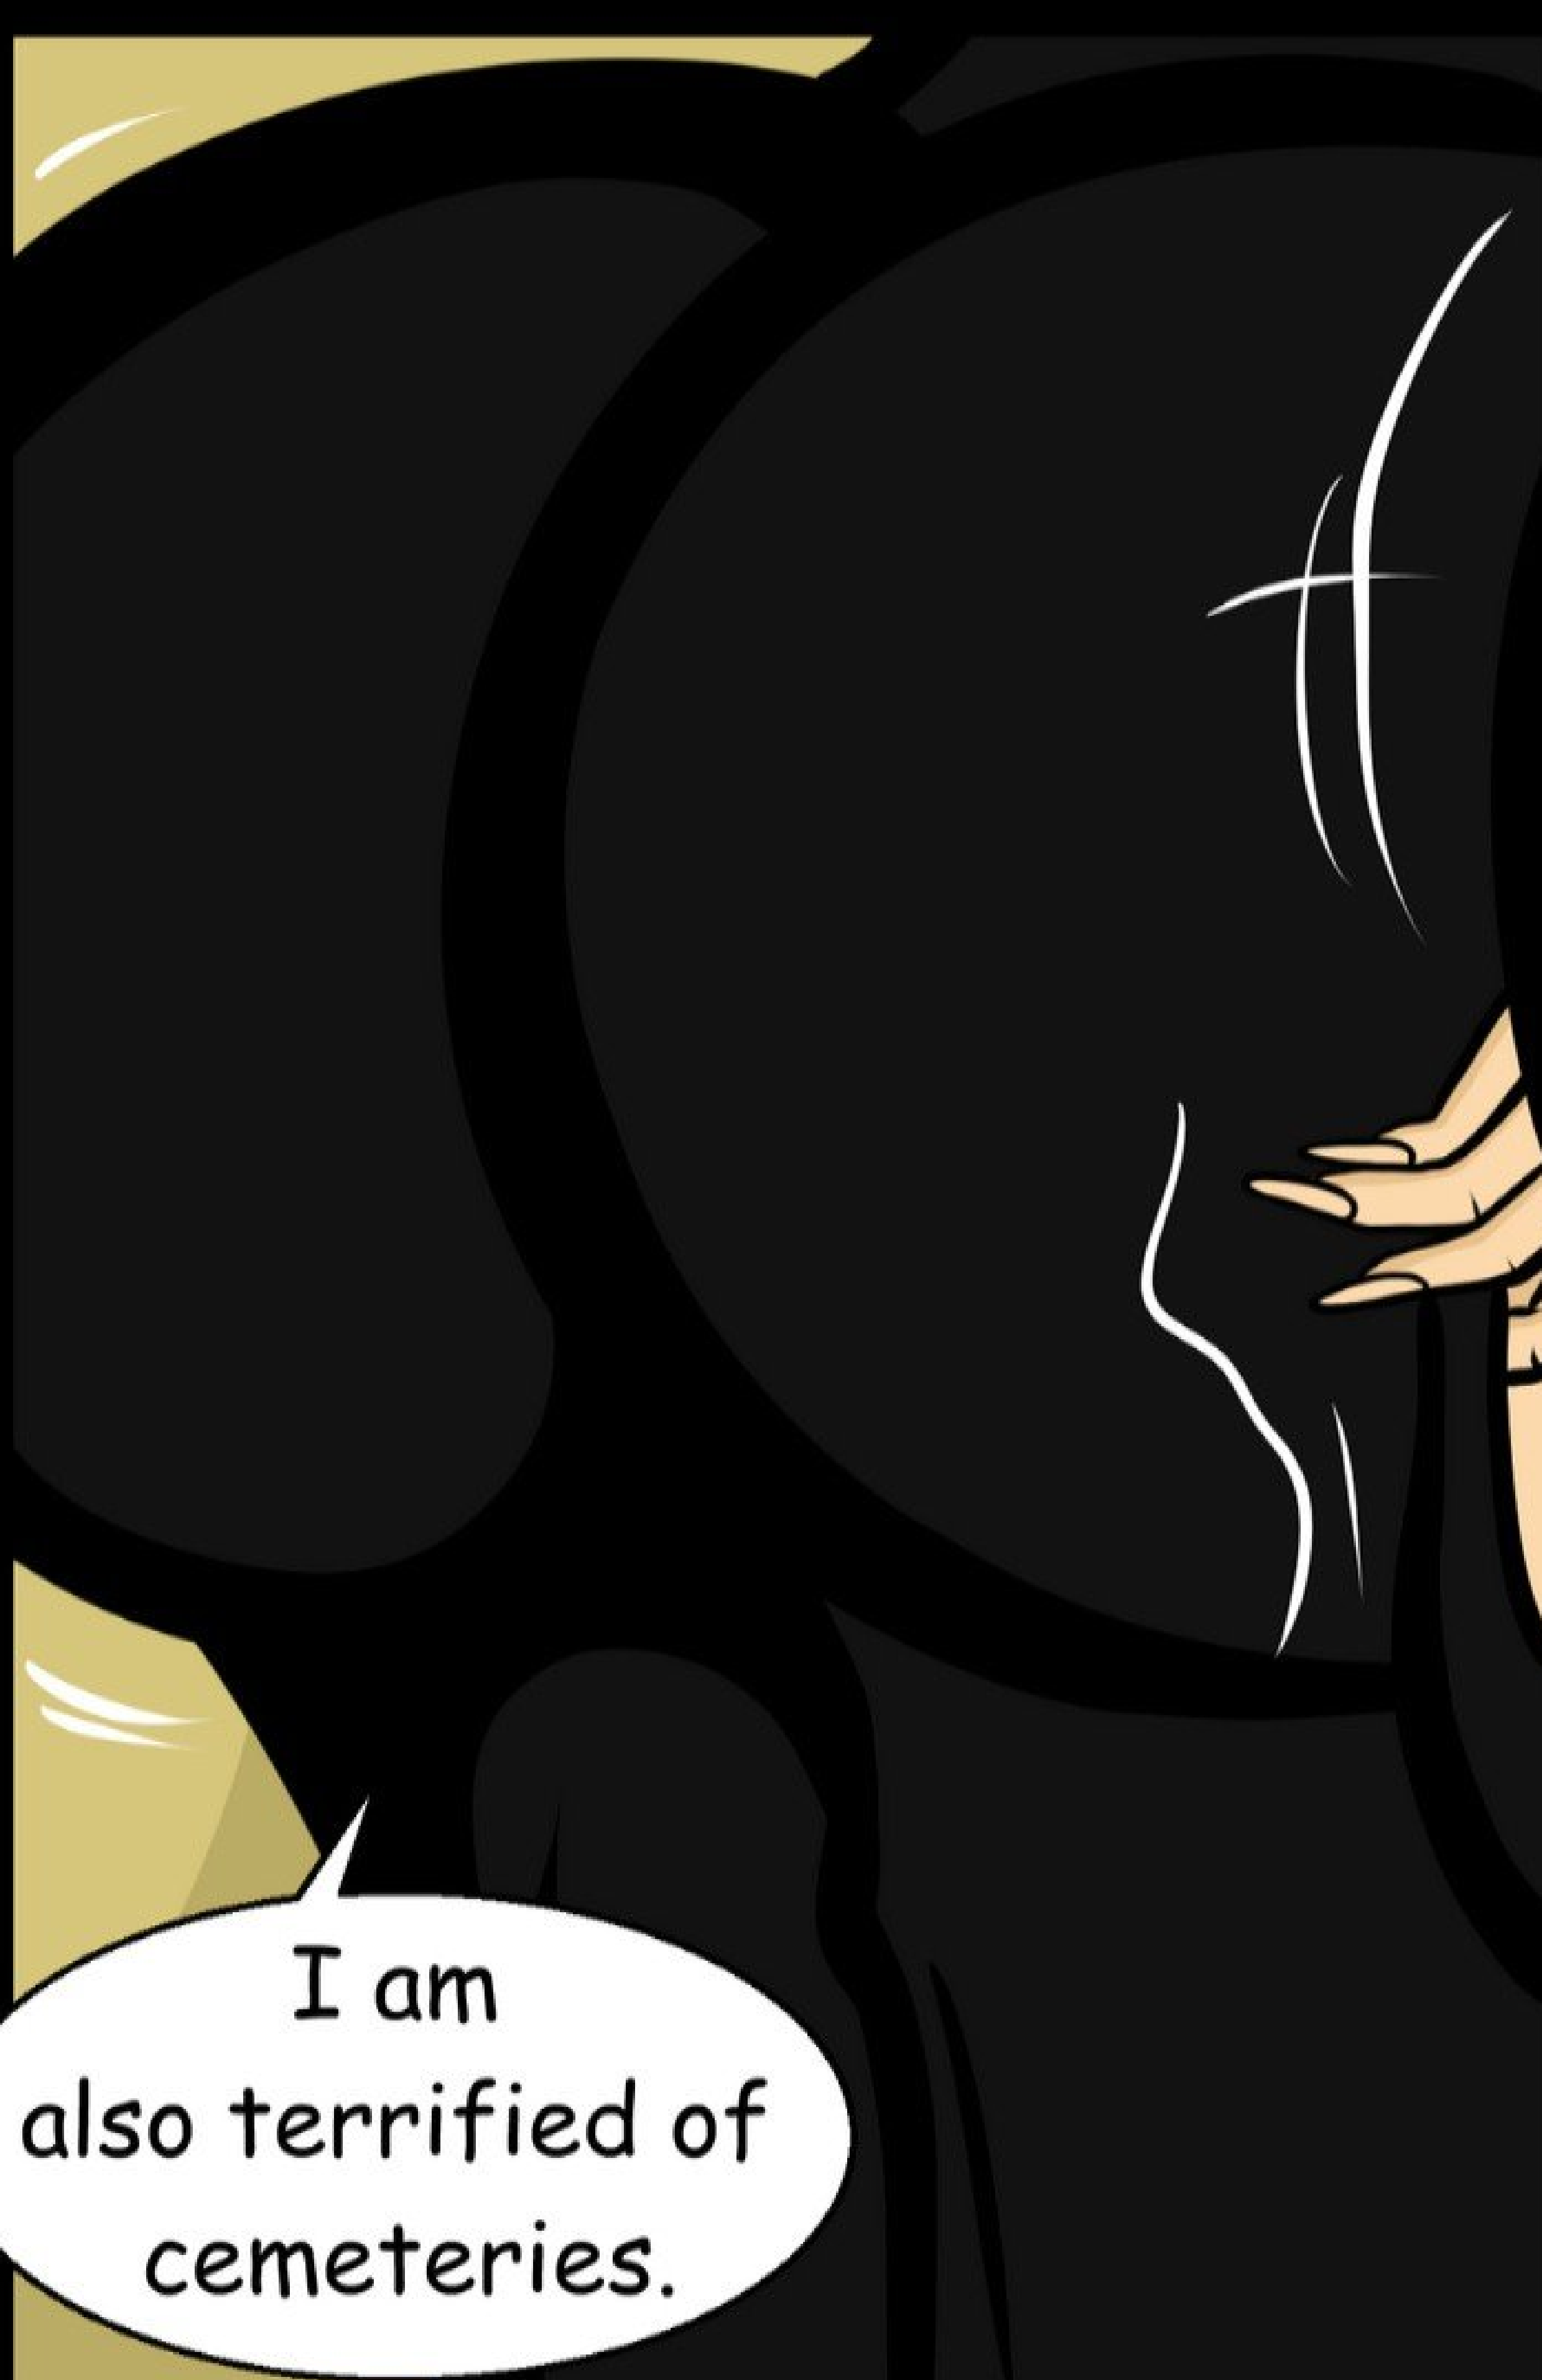

I thought we were never going to leave that place.

Yes, he went straight from the funeral.

I hope I don't go back to that place so soon...

Onii-chan went to work?

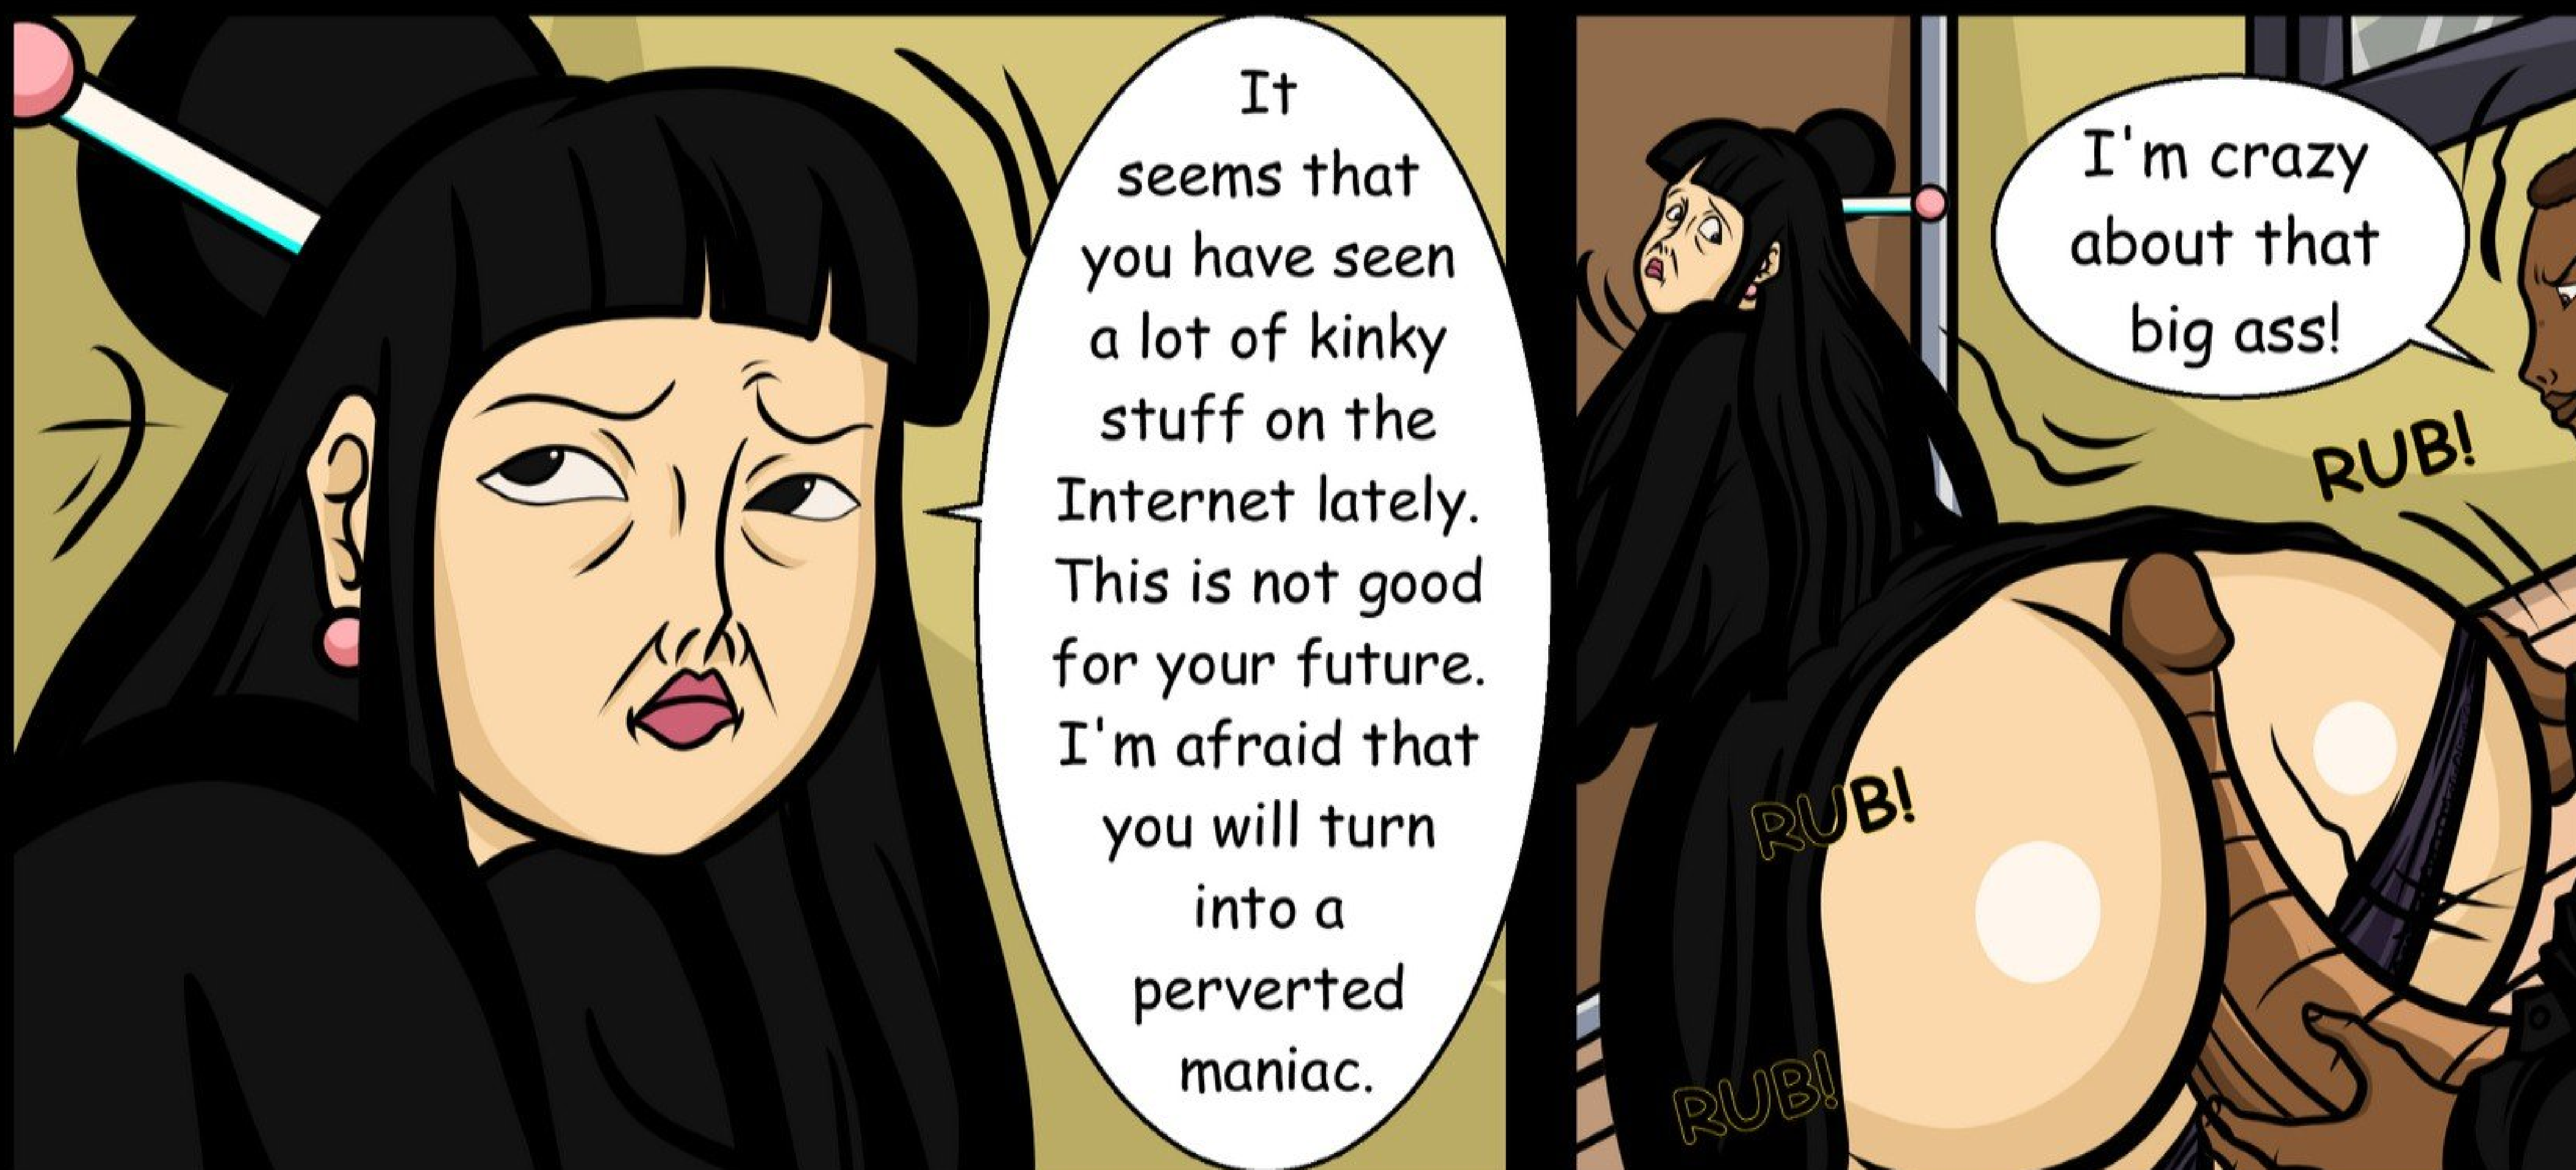

I am also terrified of cemeteries.

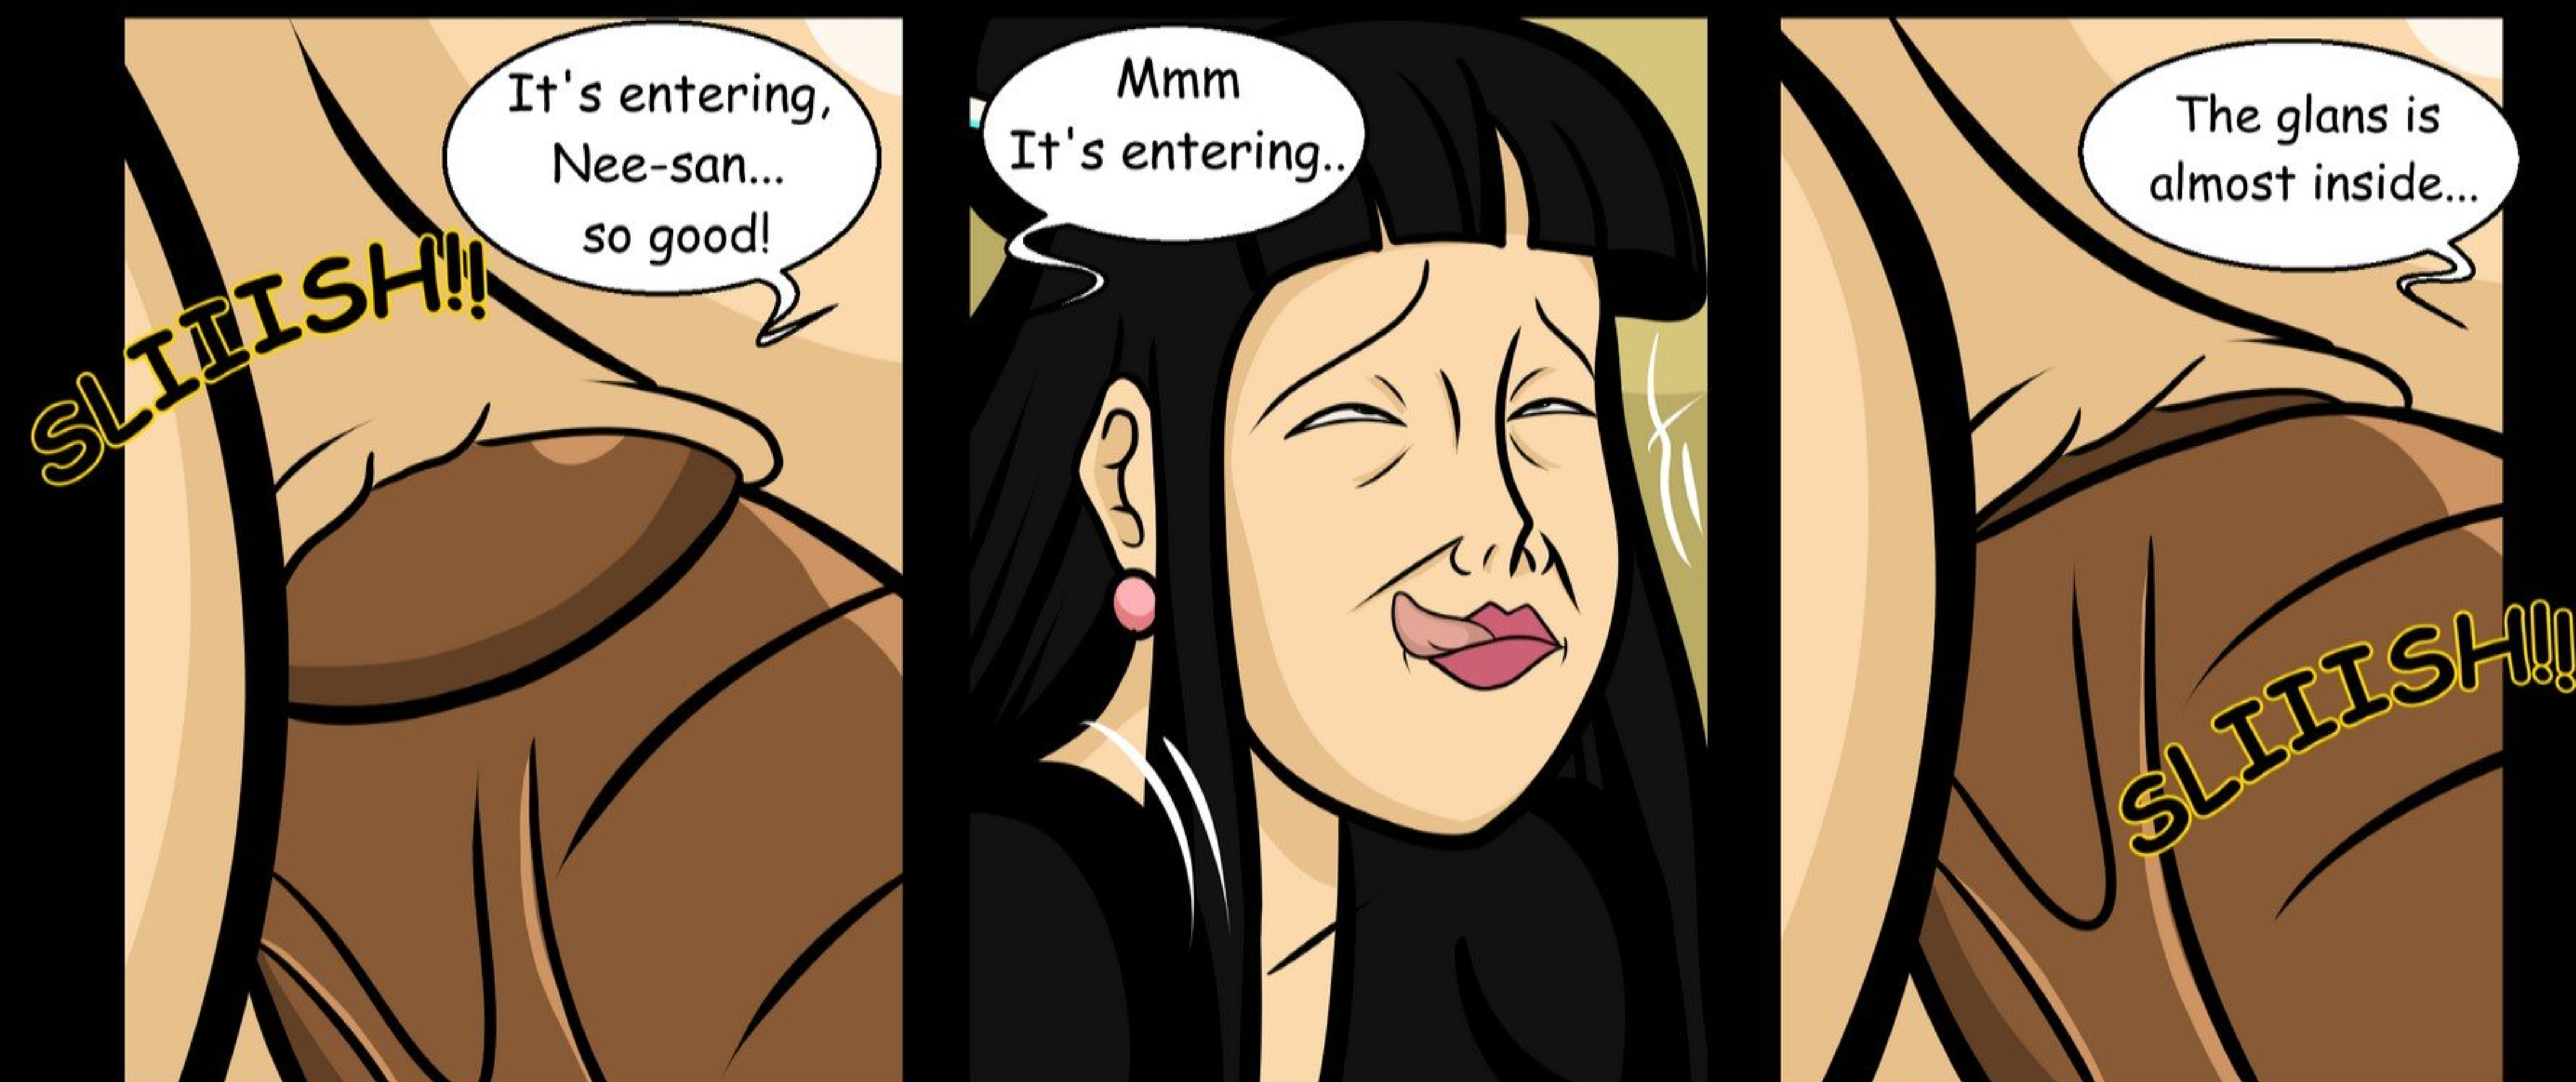

This young guy never missed a single opportunity. We barely got out of one hole and he wanted to get into another.

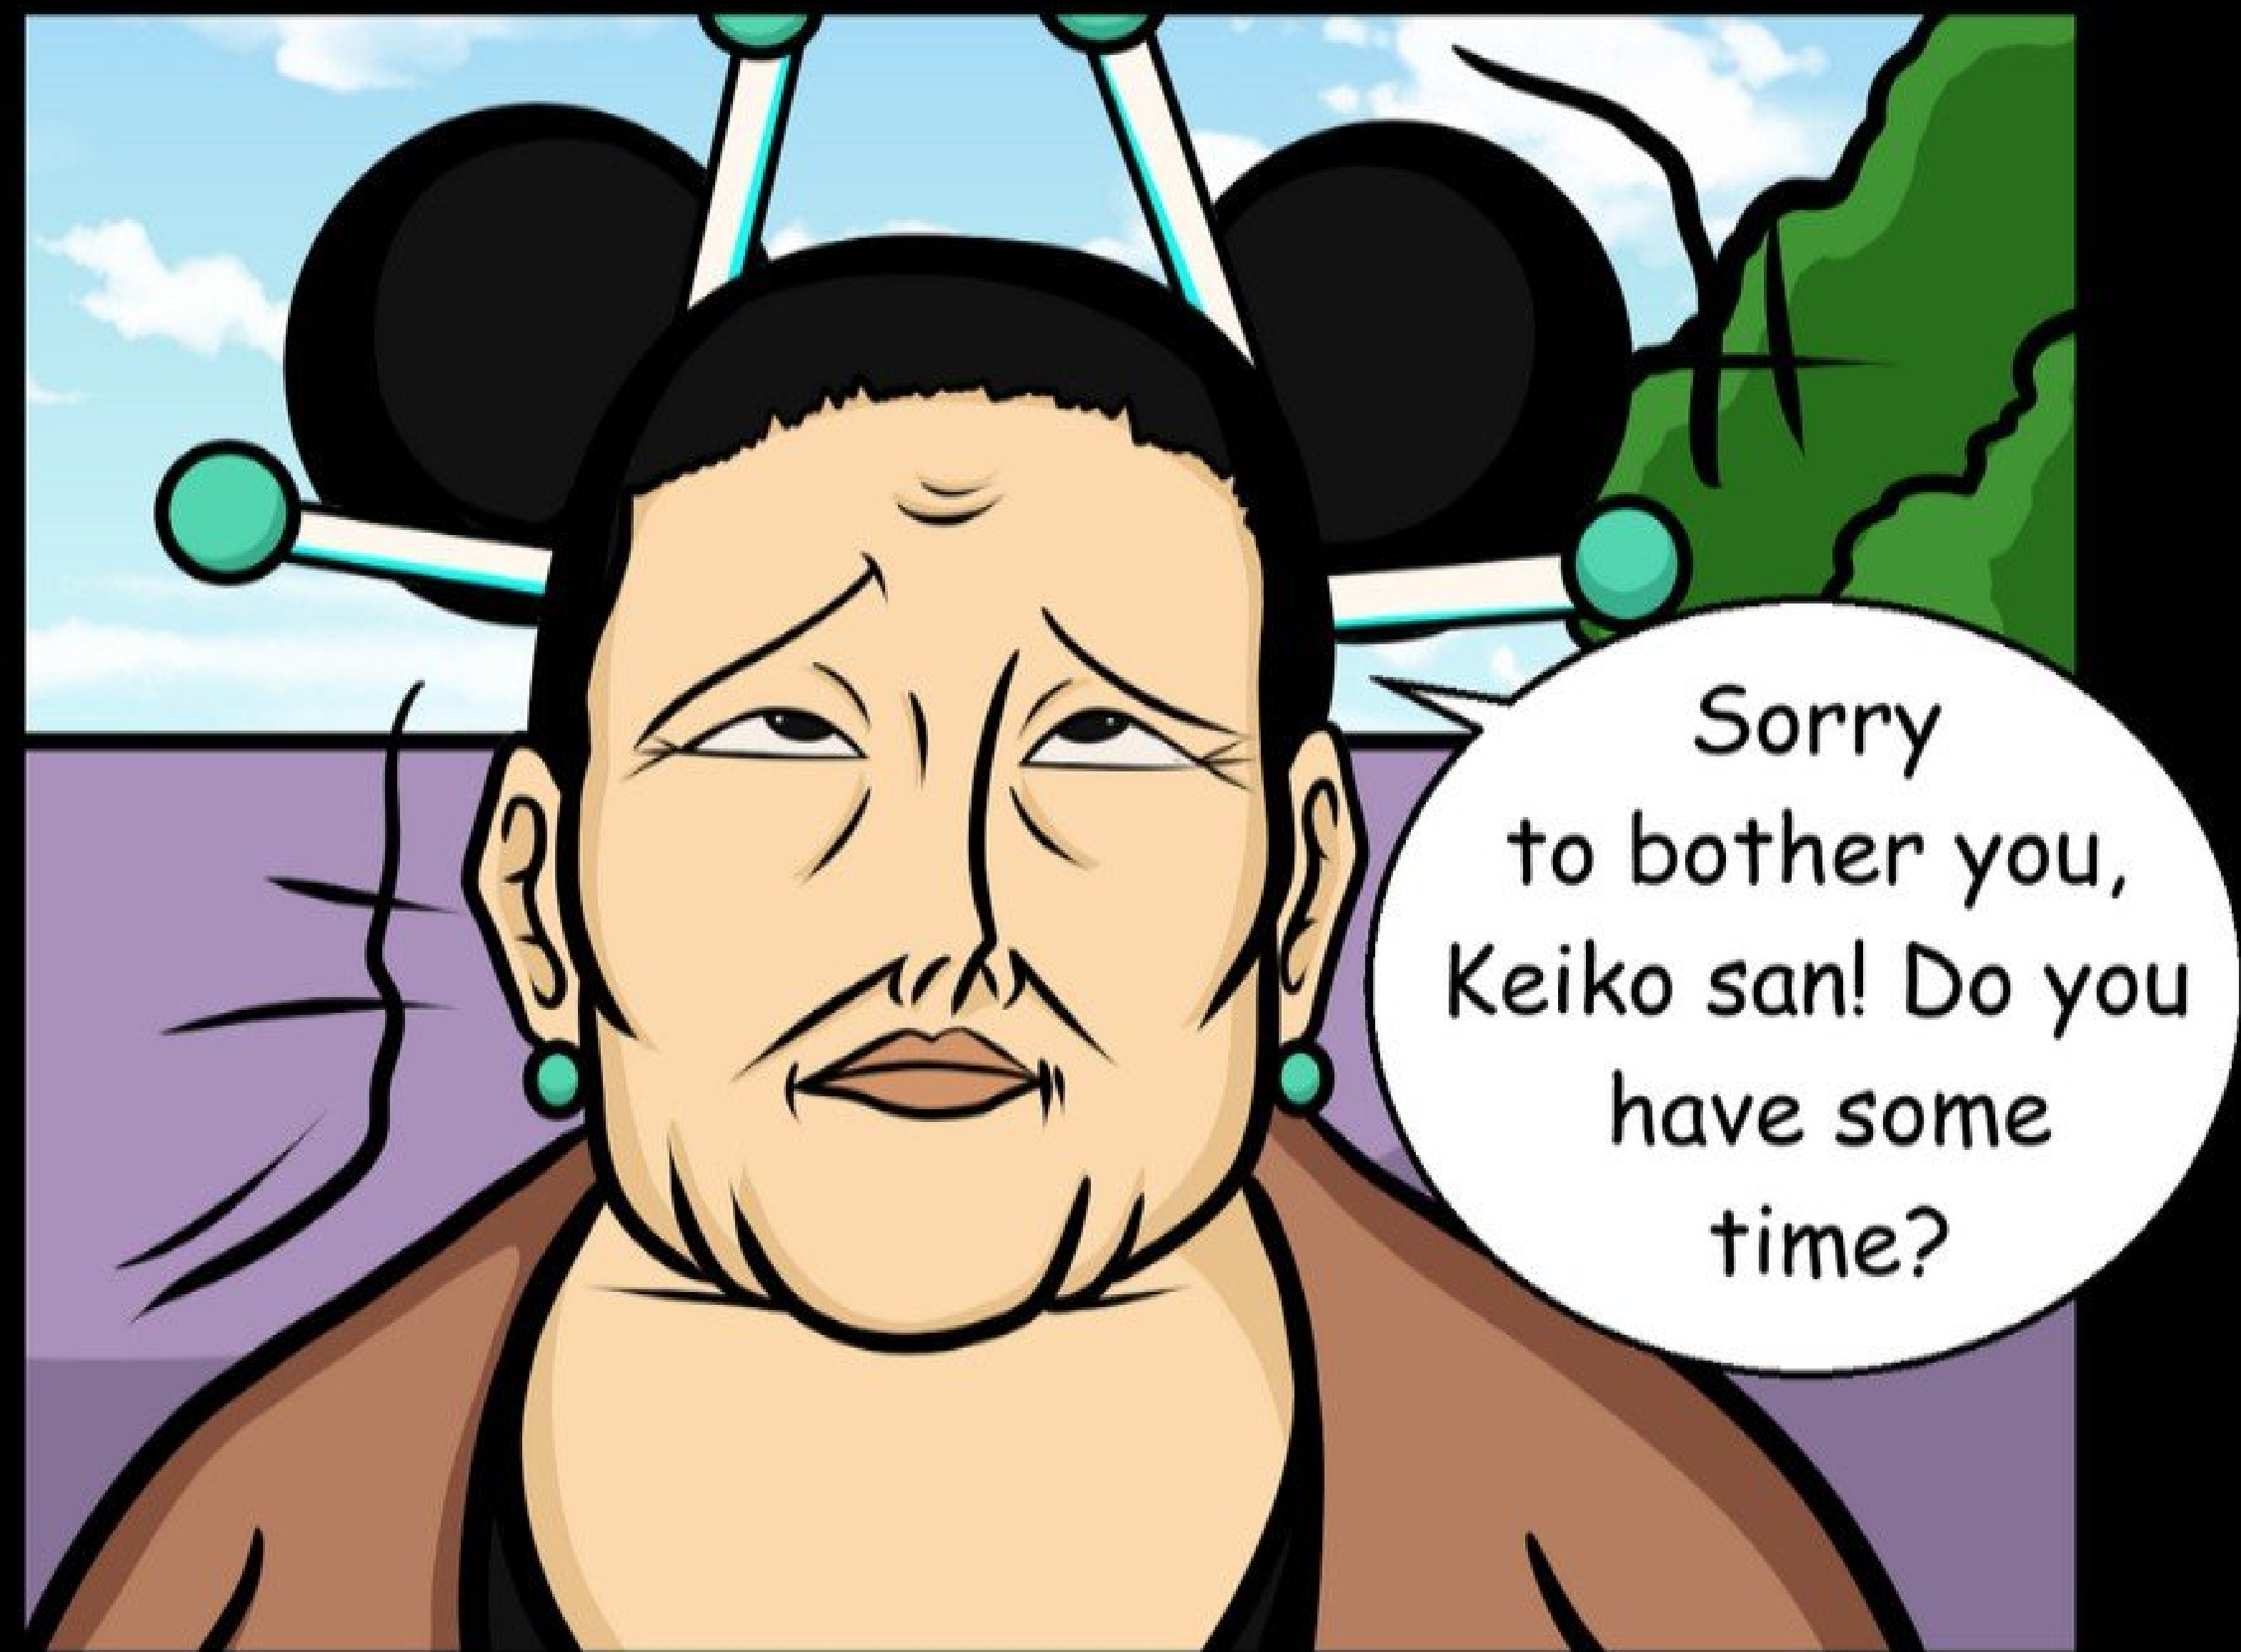

At first it was all so shameful to me, but now, I feel that our secret is well kept. Sometimes I think I just can't say "no" to Gavin.

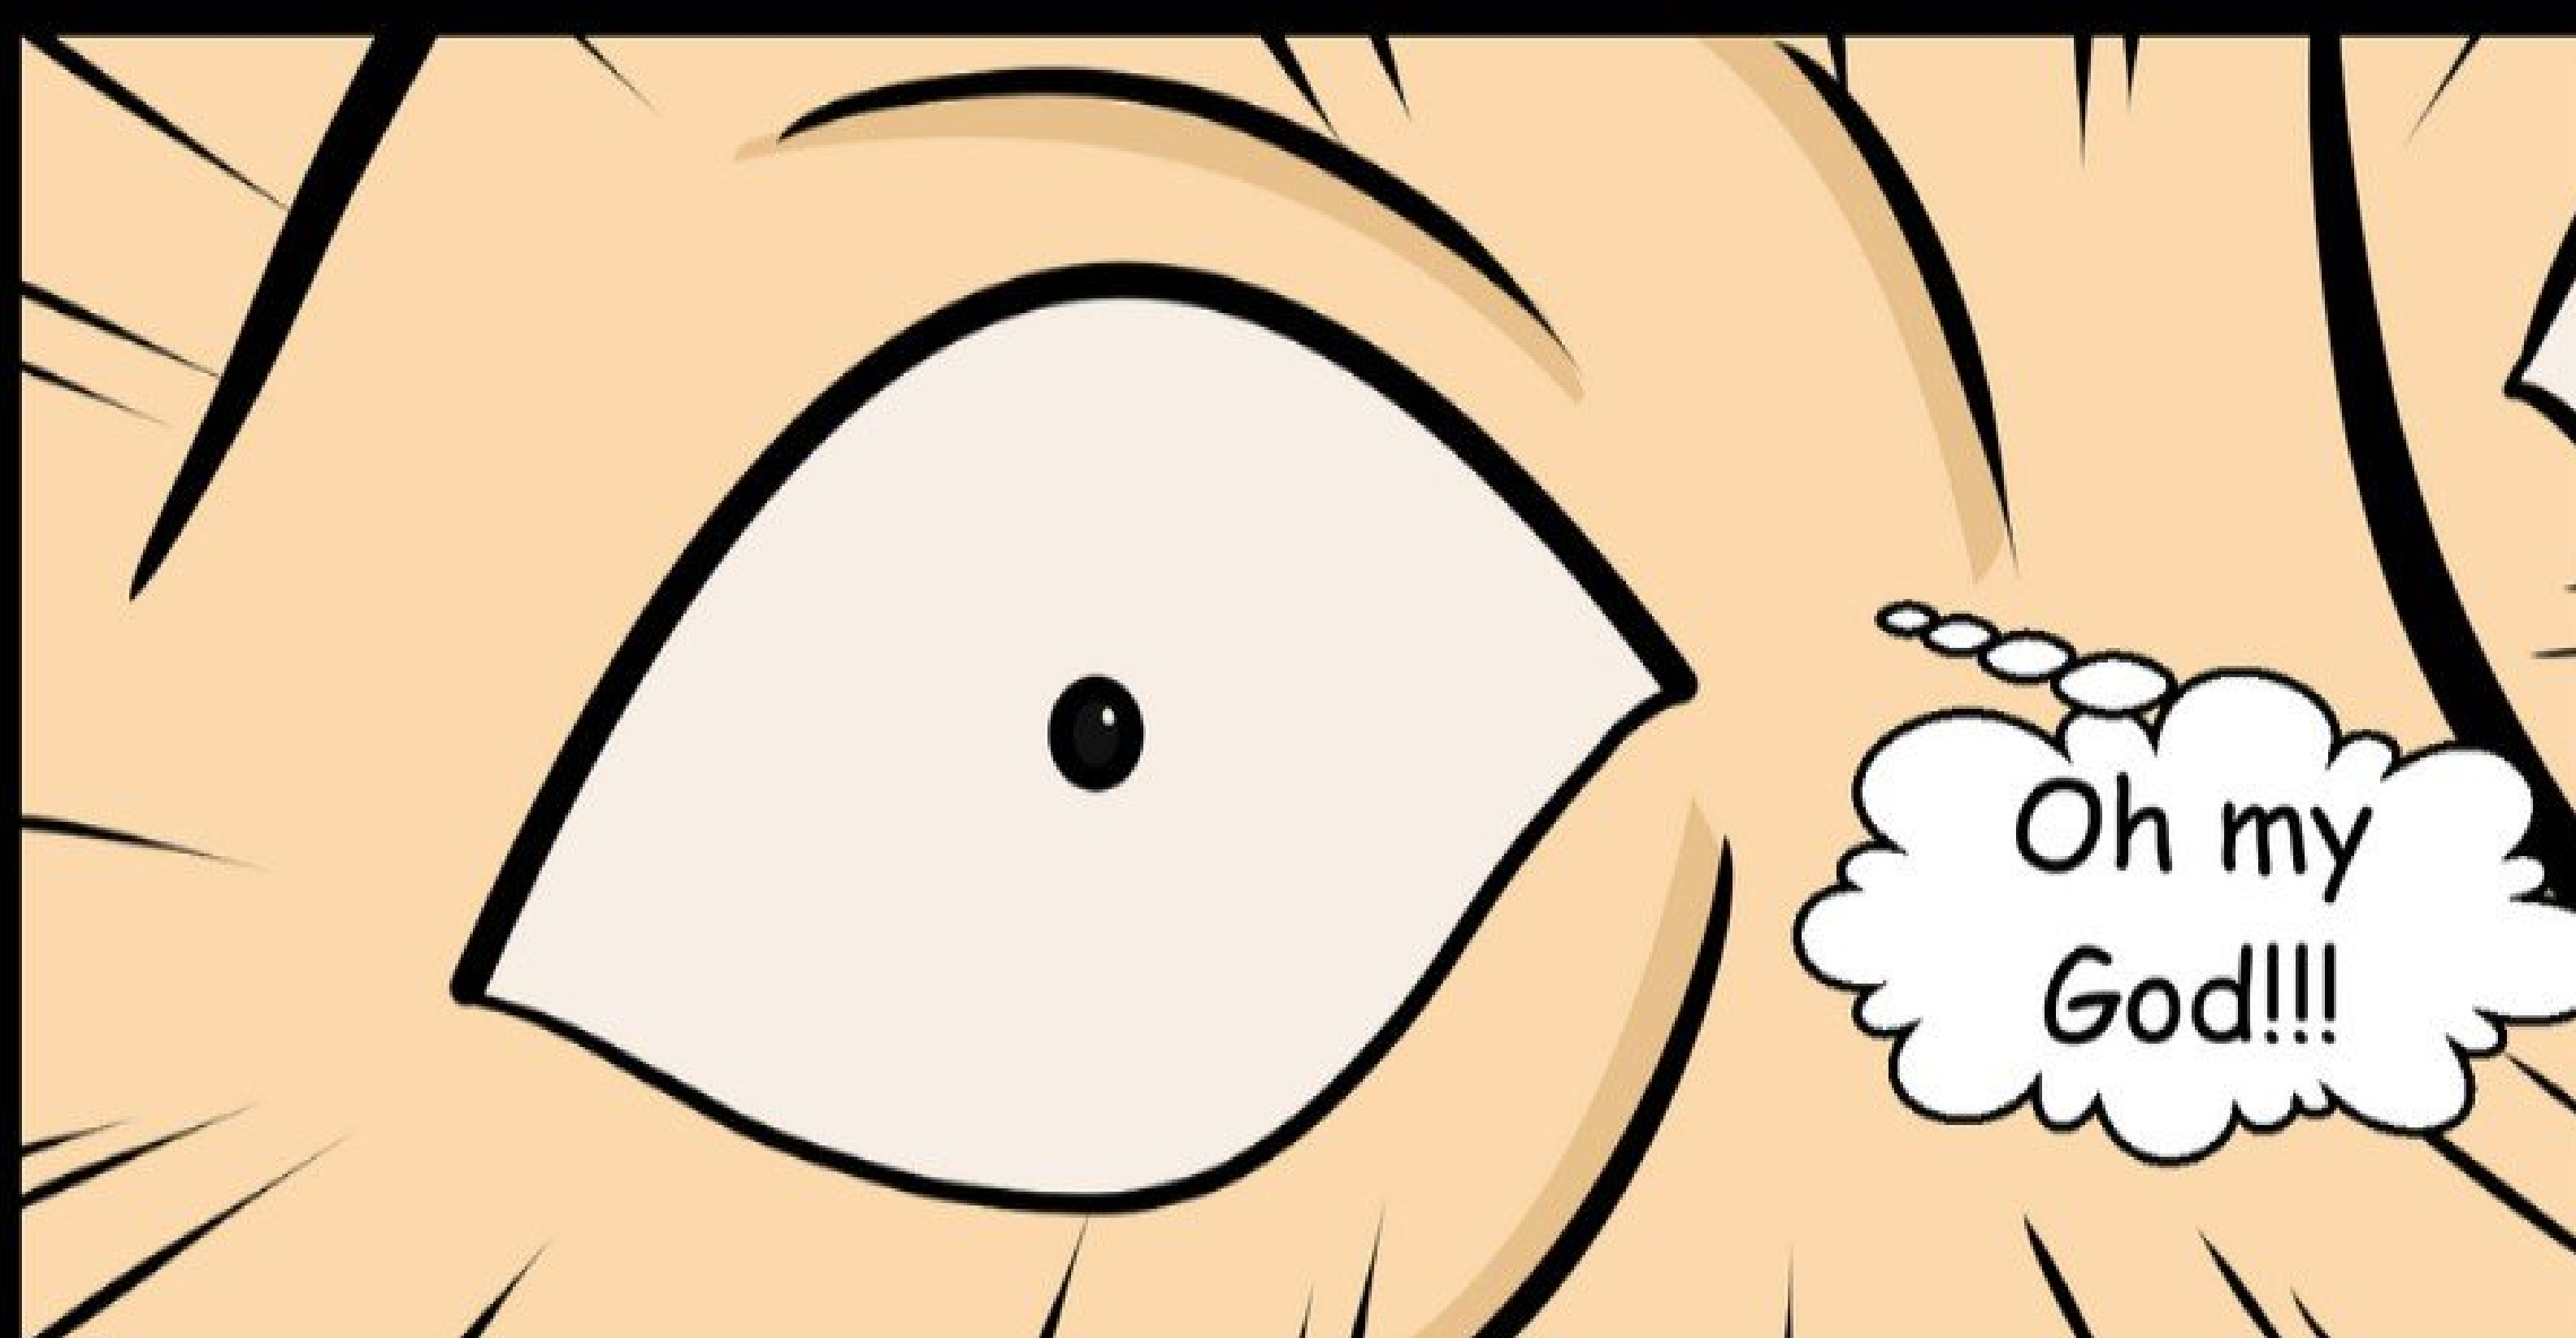

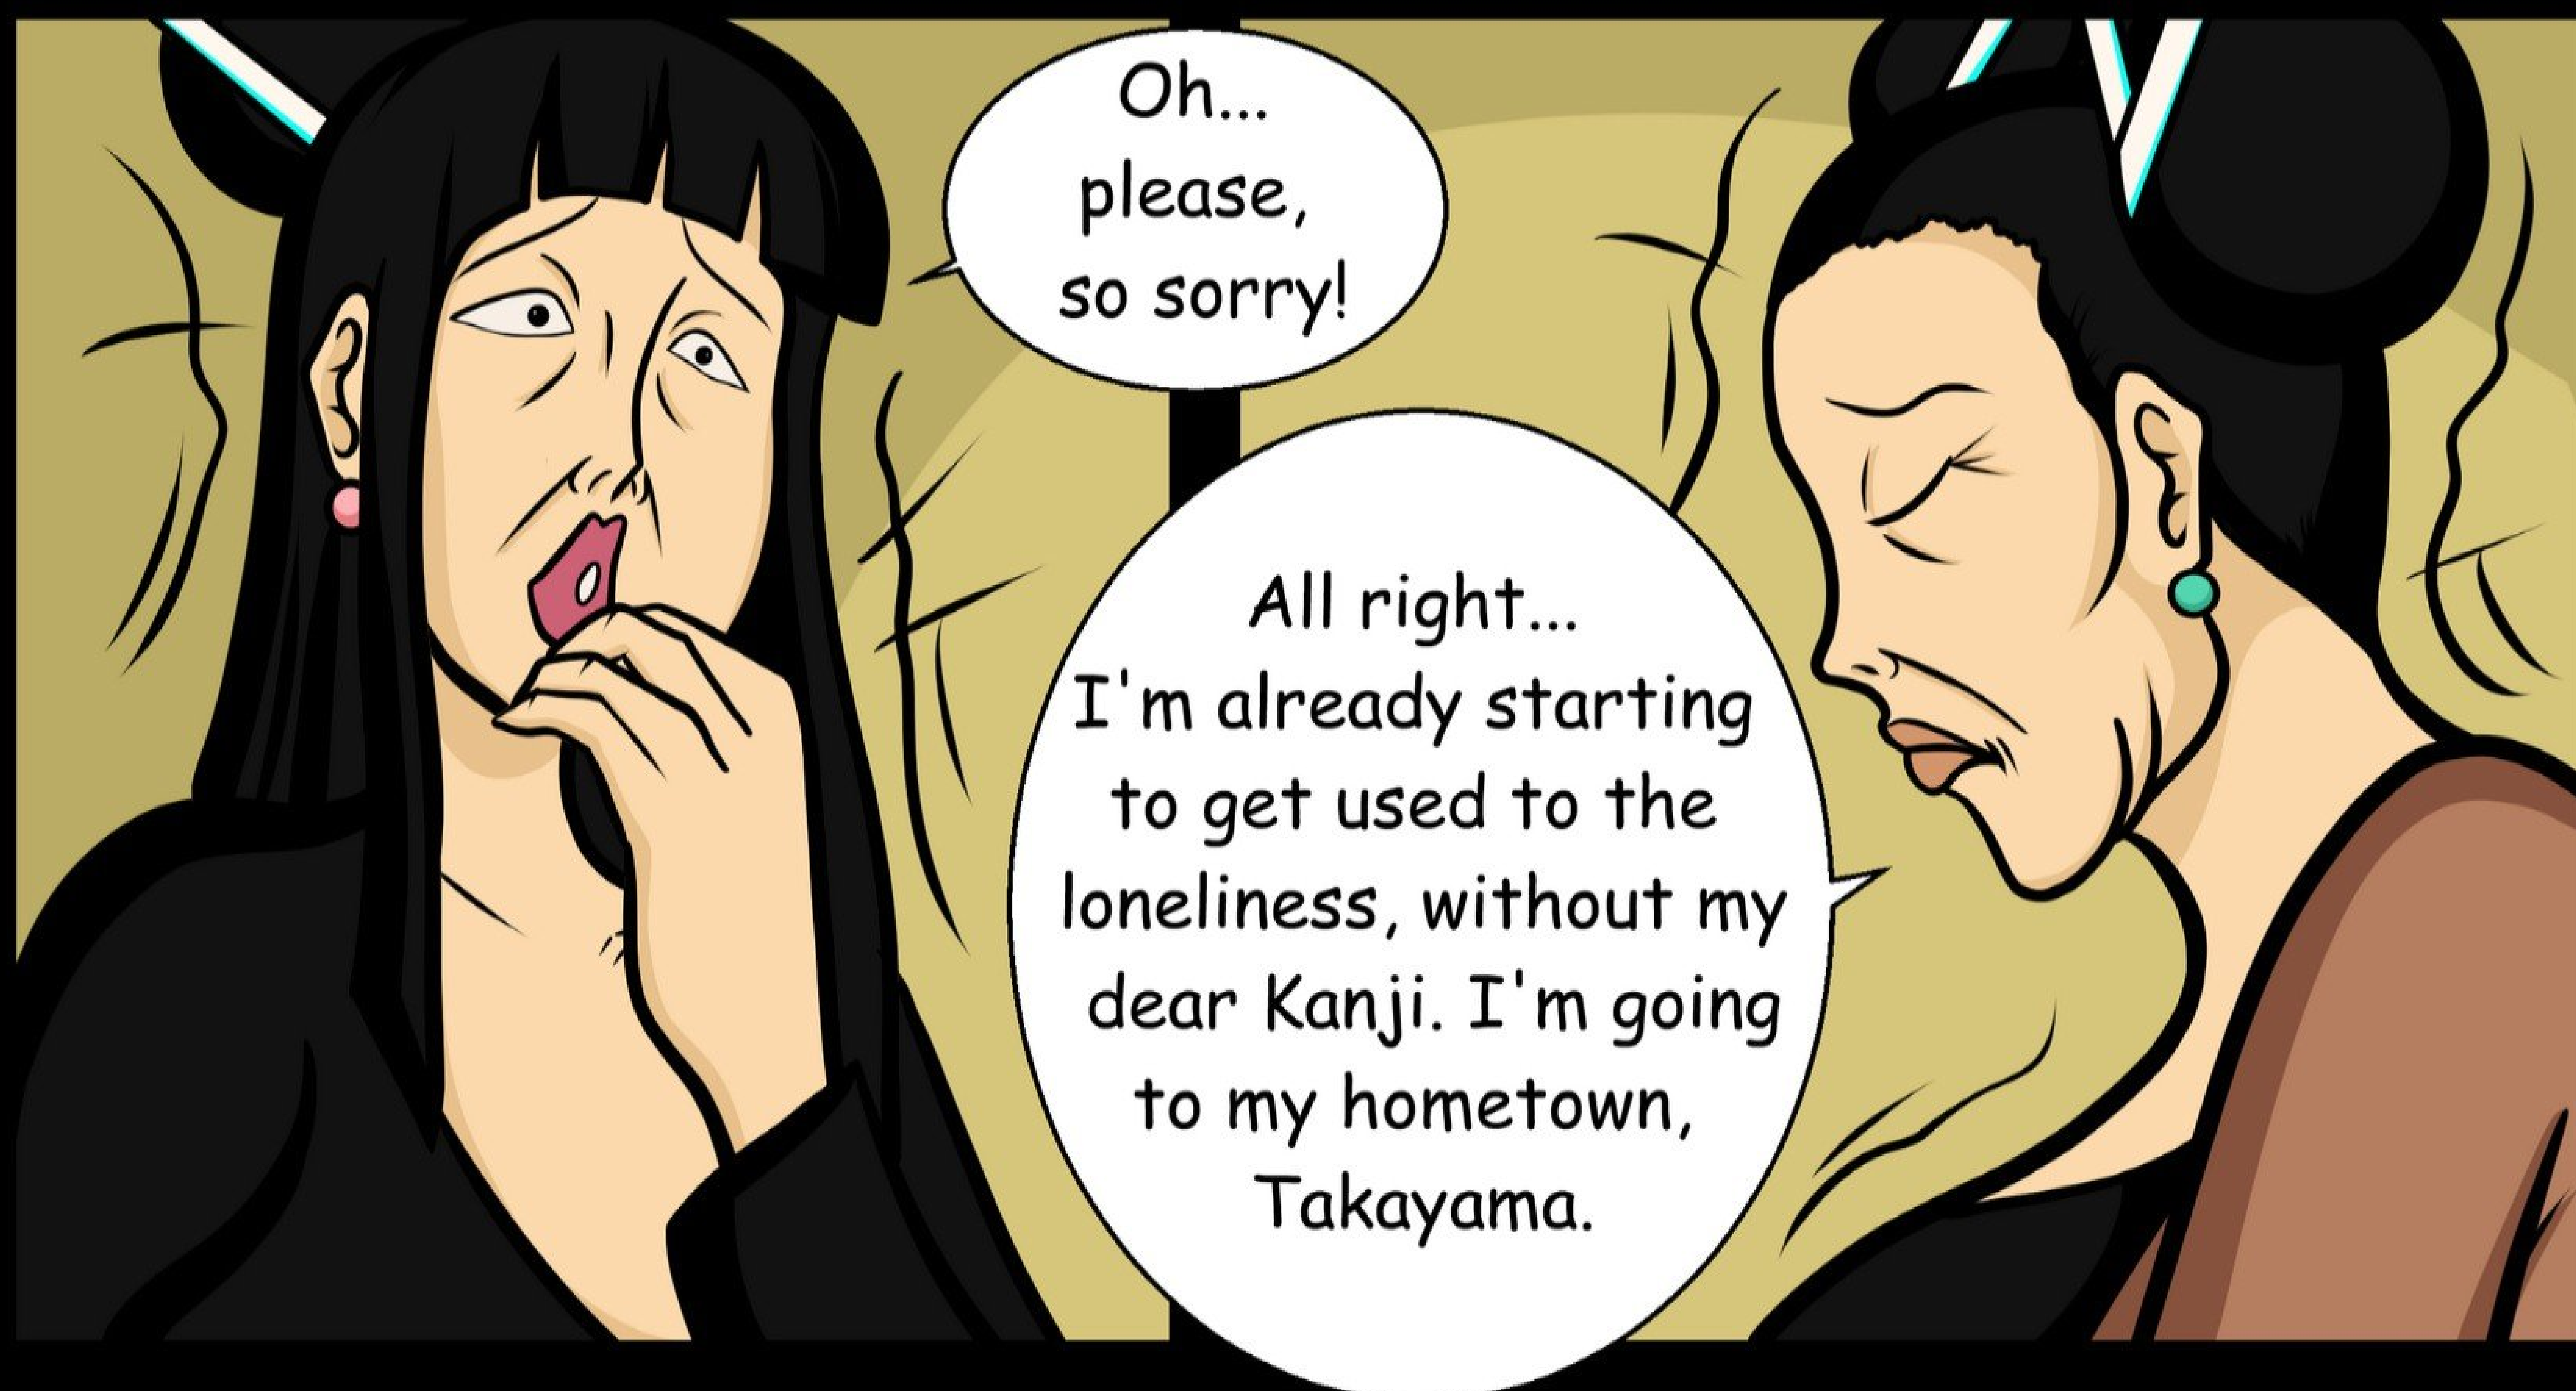

Someone was ringing the doorbell, and as much as it might hinder our moment, we could no longer take the risk of being caught again.

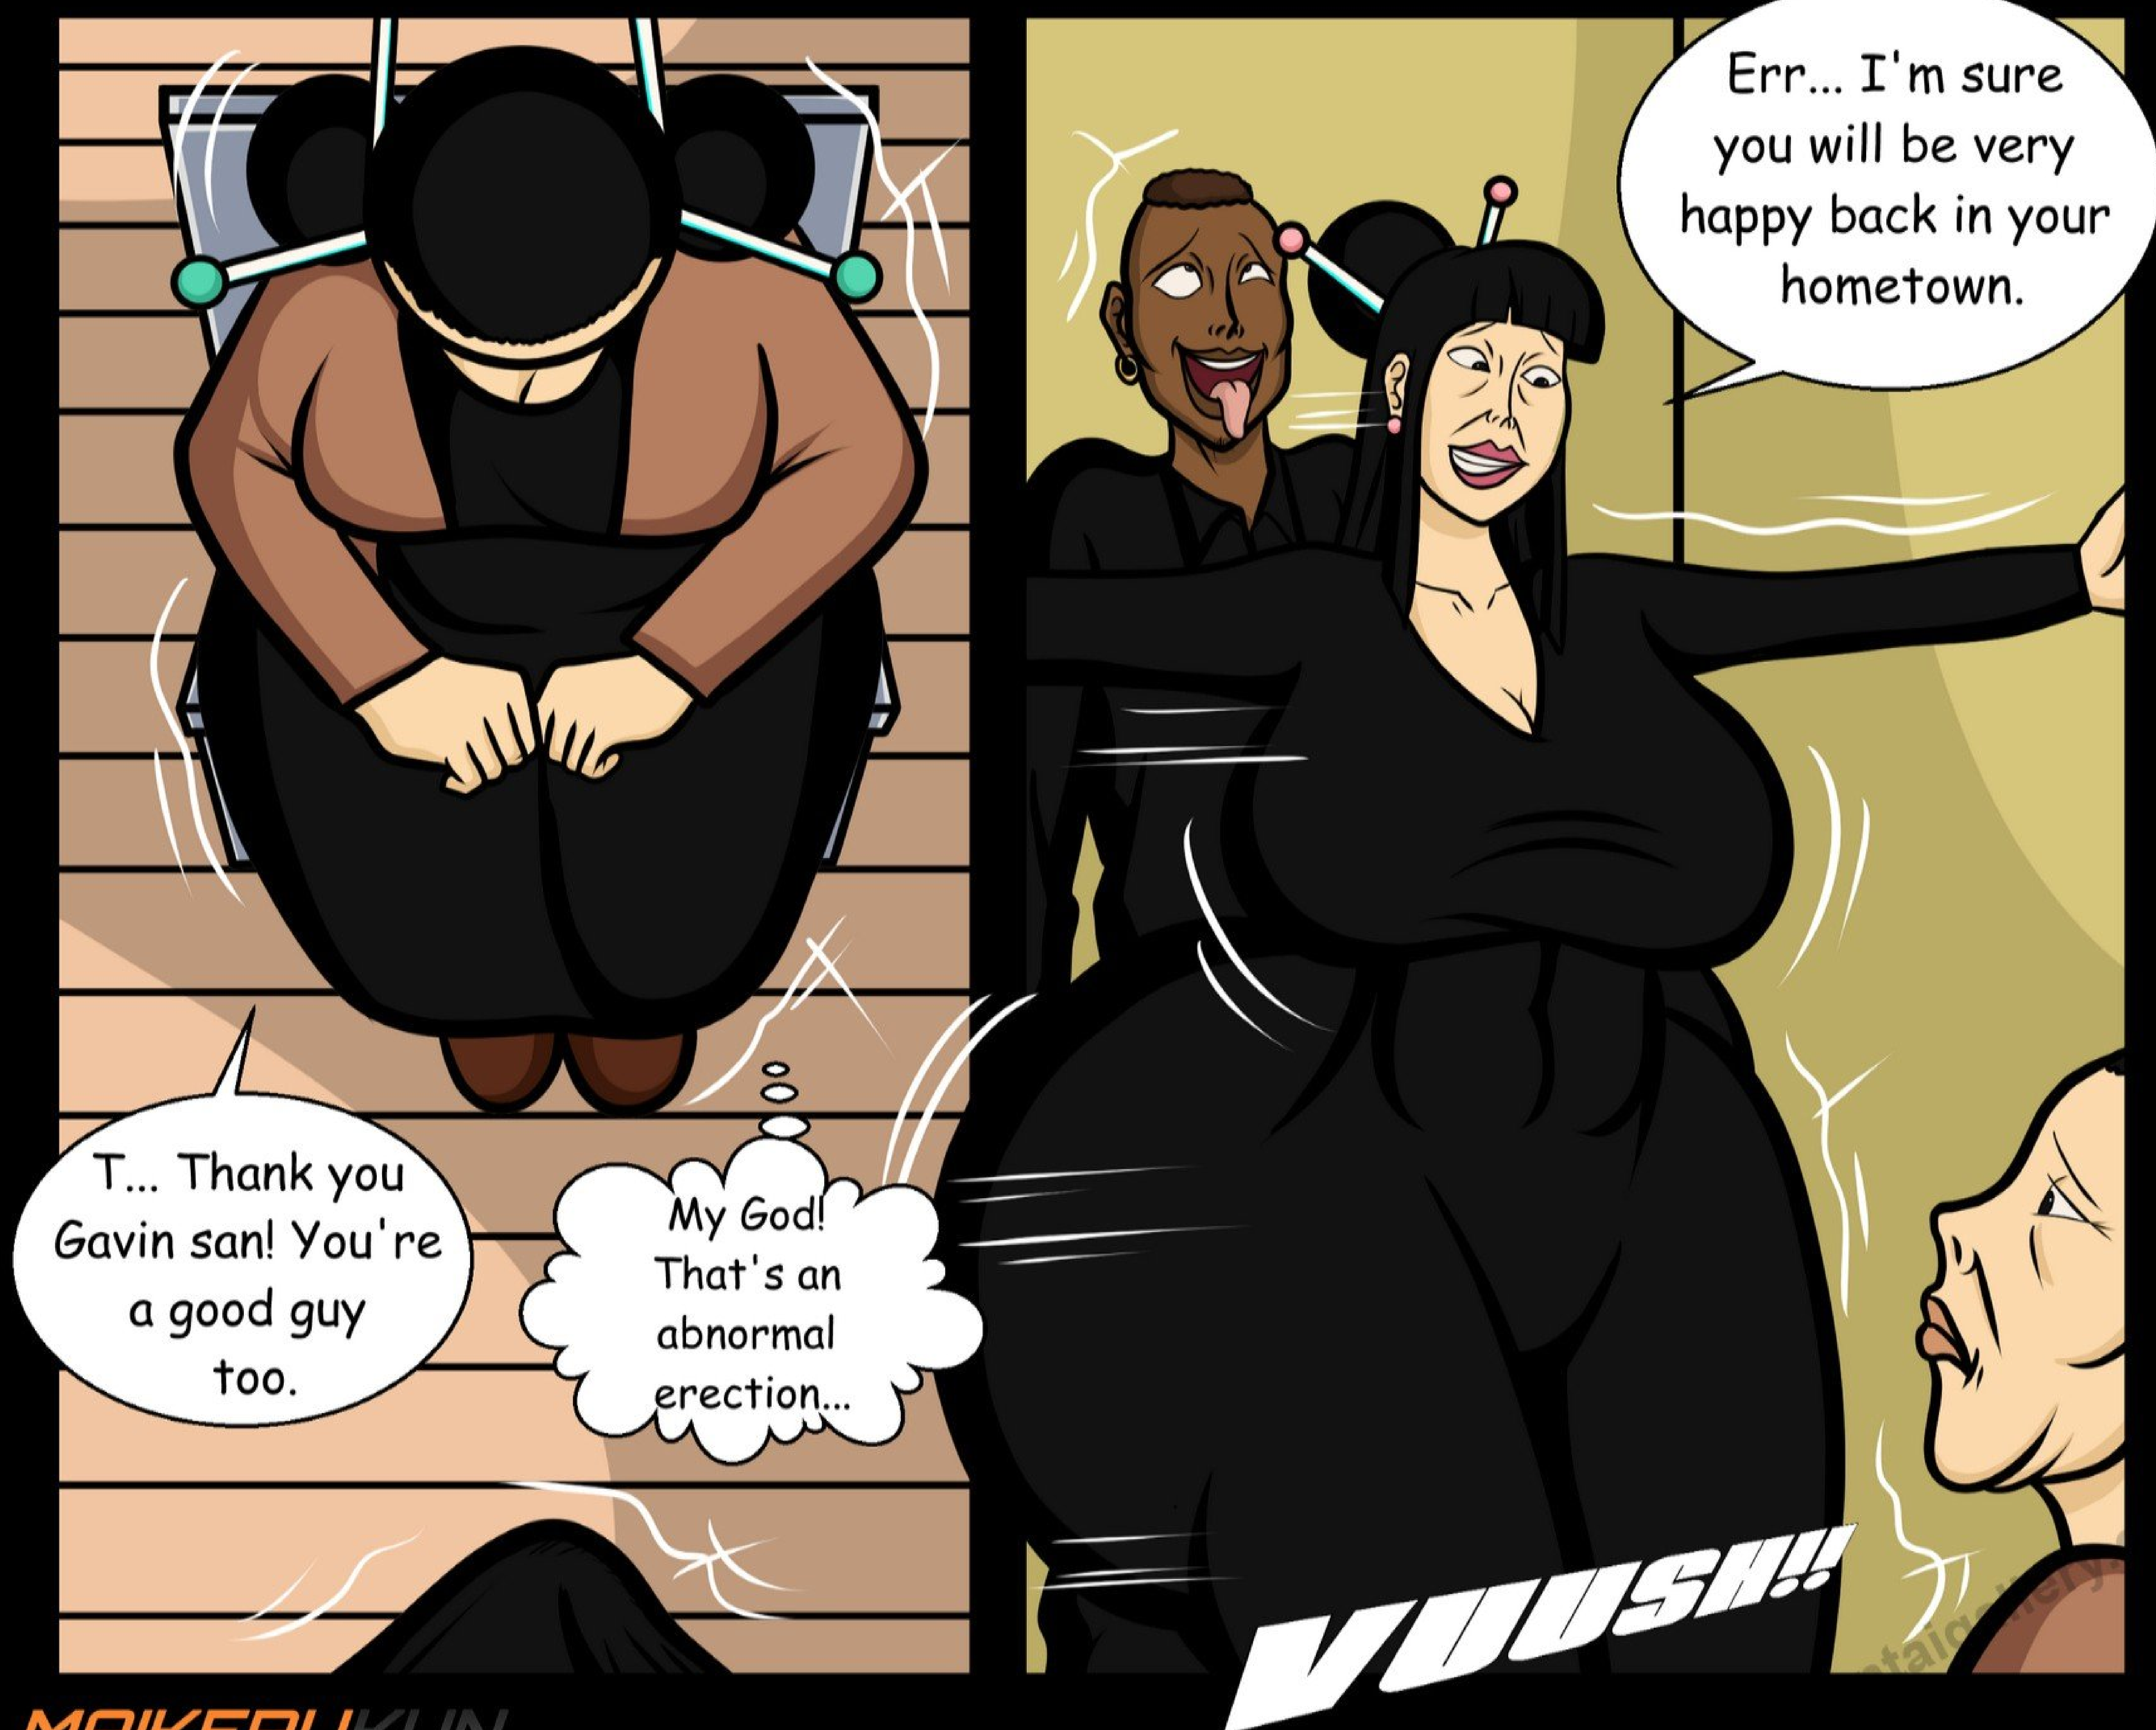

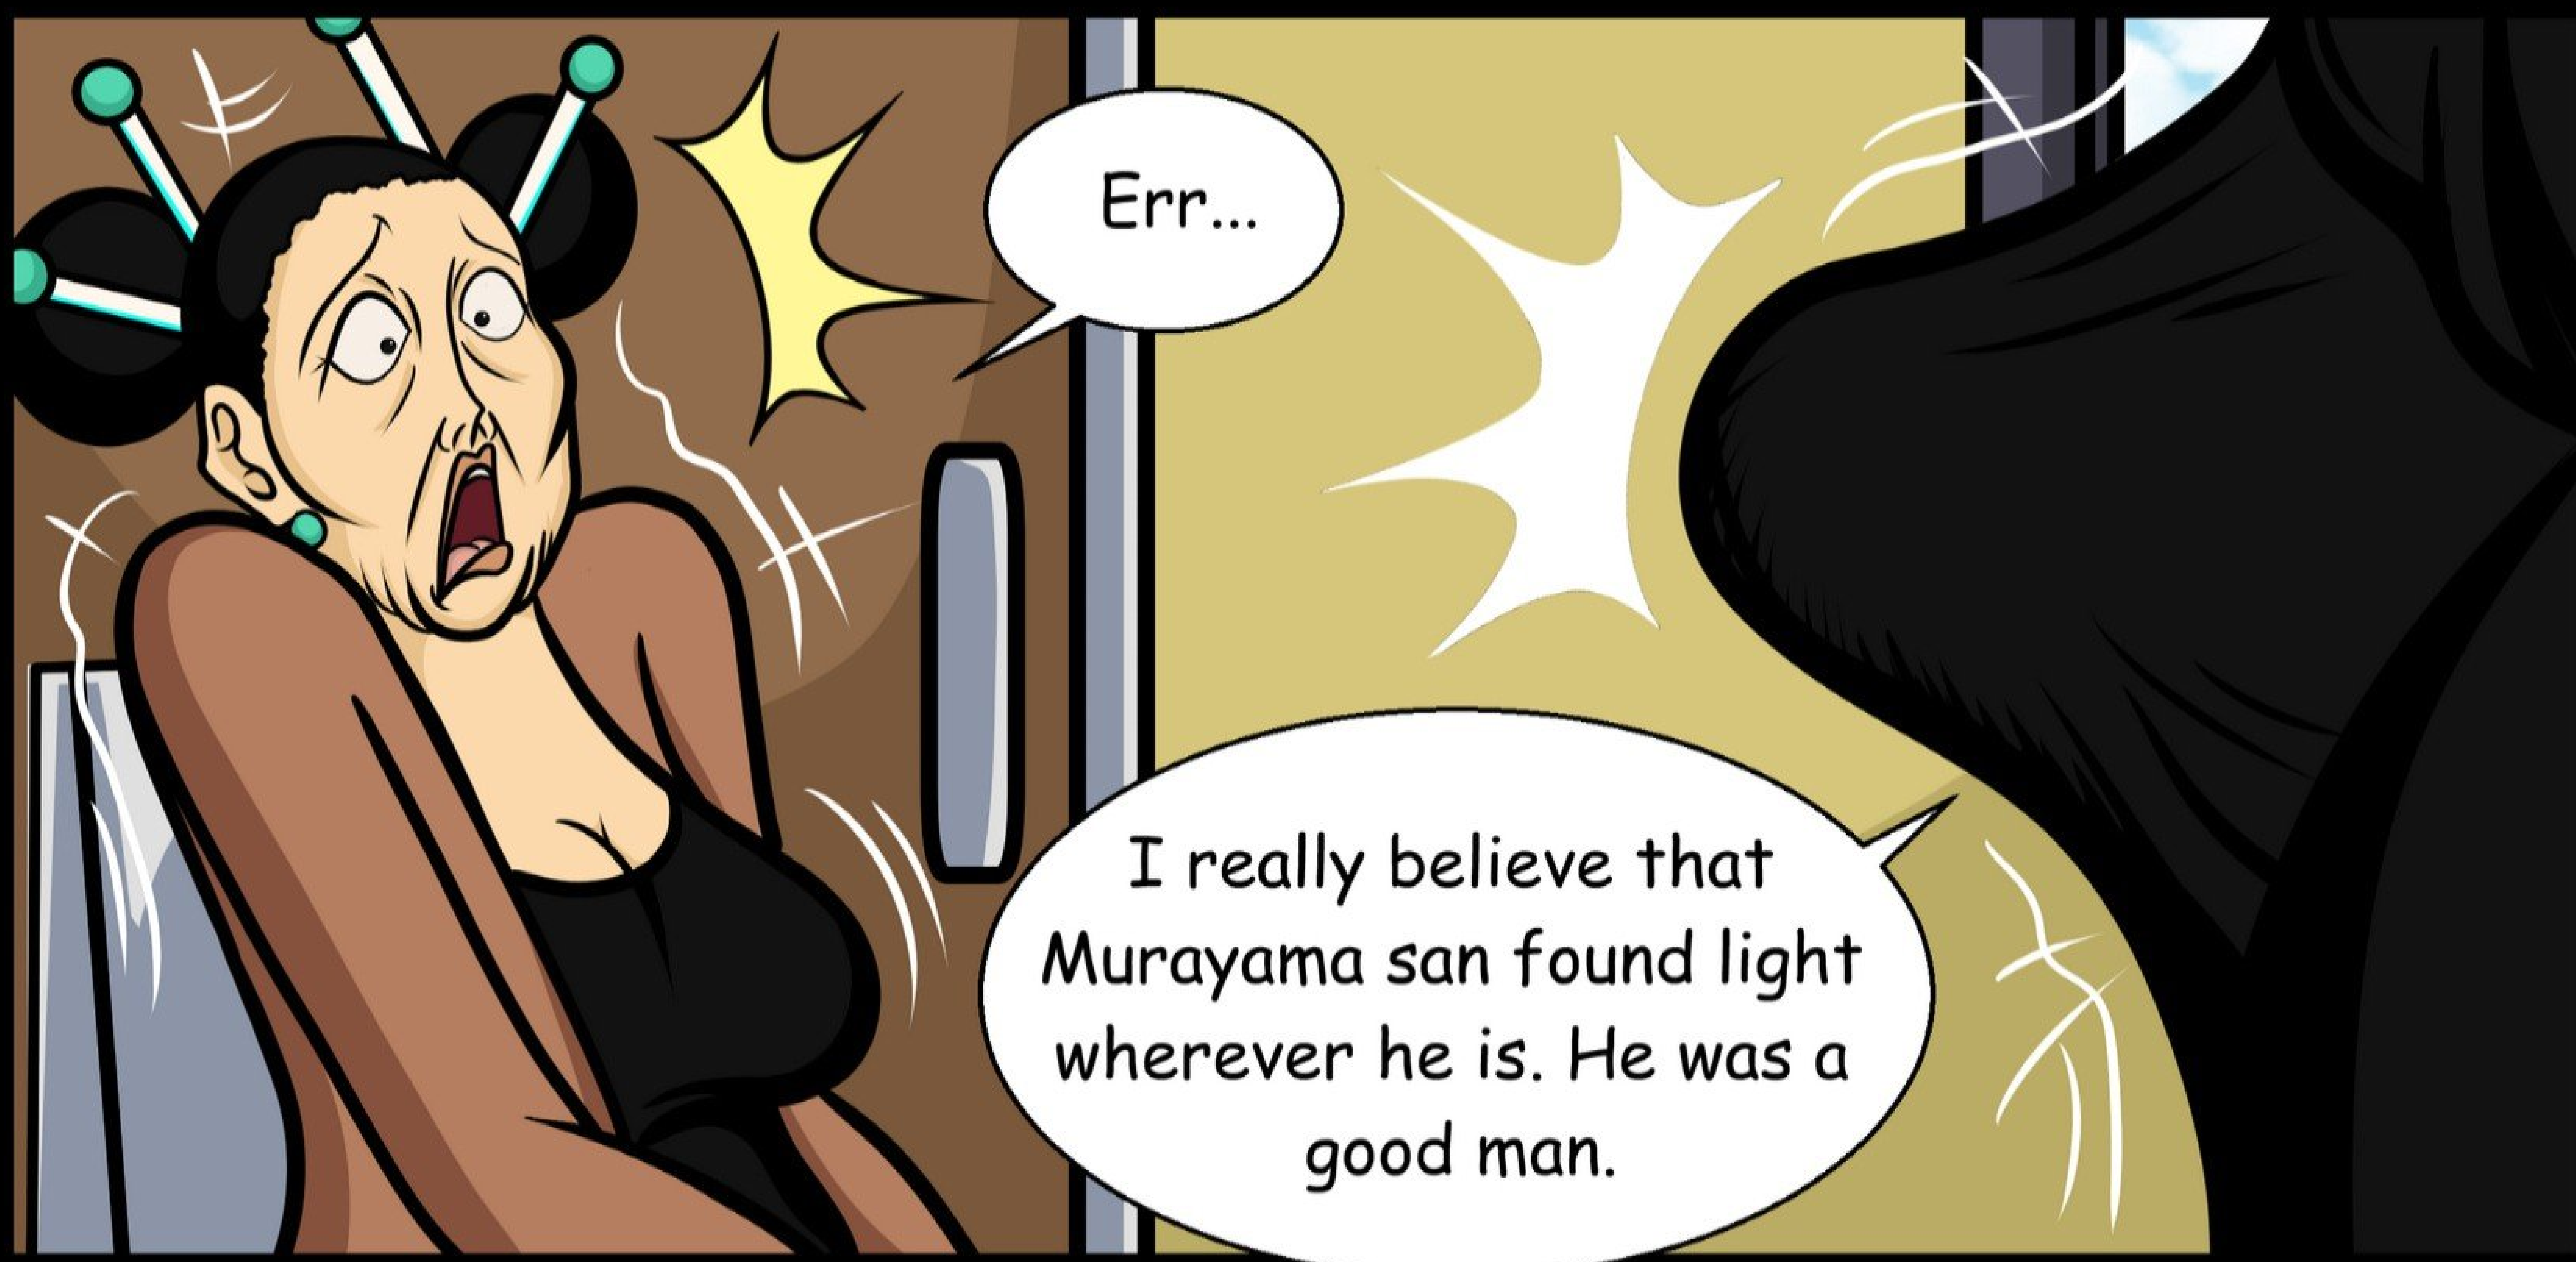

This was Mrs. Misato Murayama, Mr. Murayama's wife. She seemed very indecisive about her future and came to me for a little guidance.

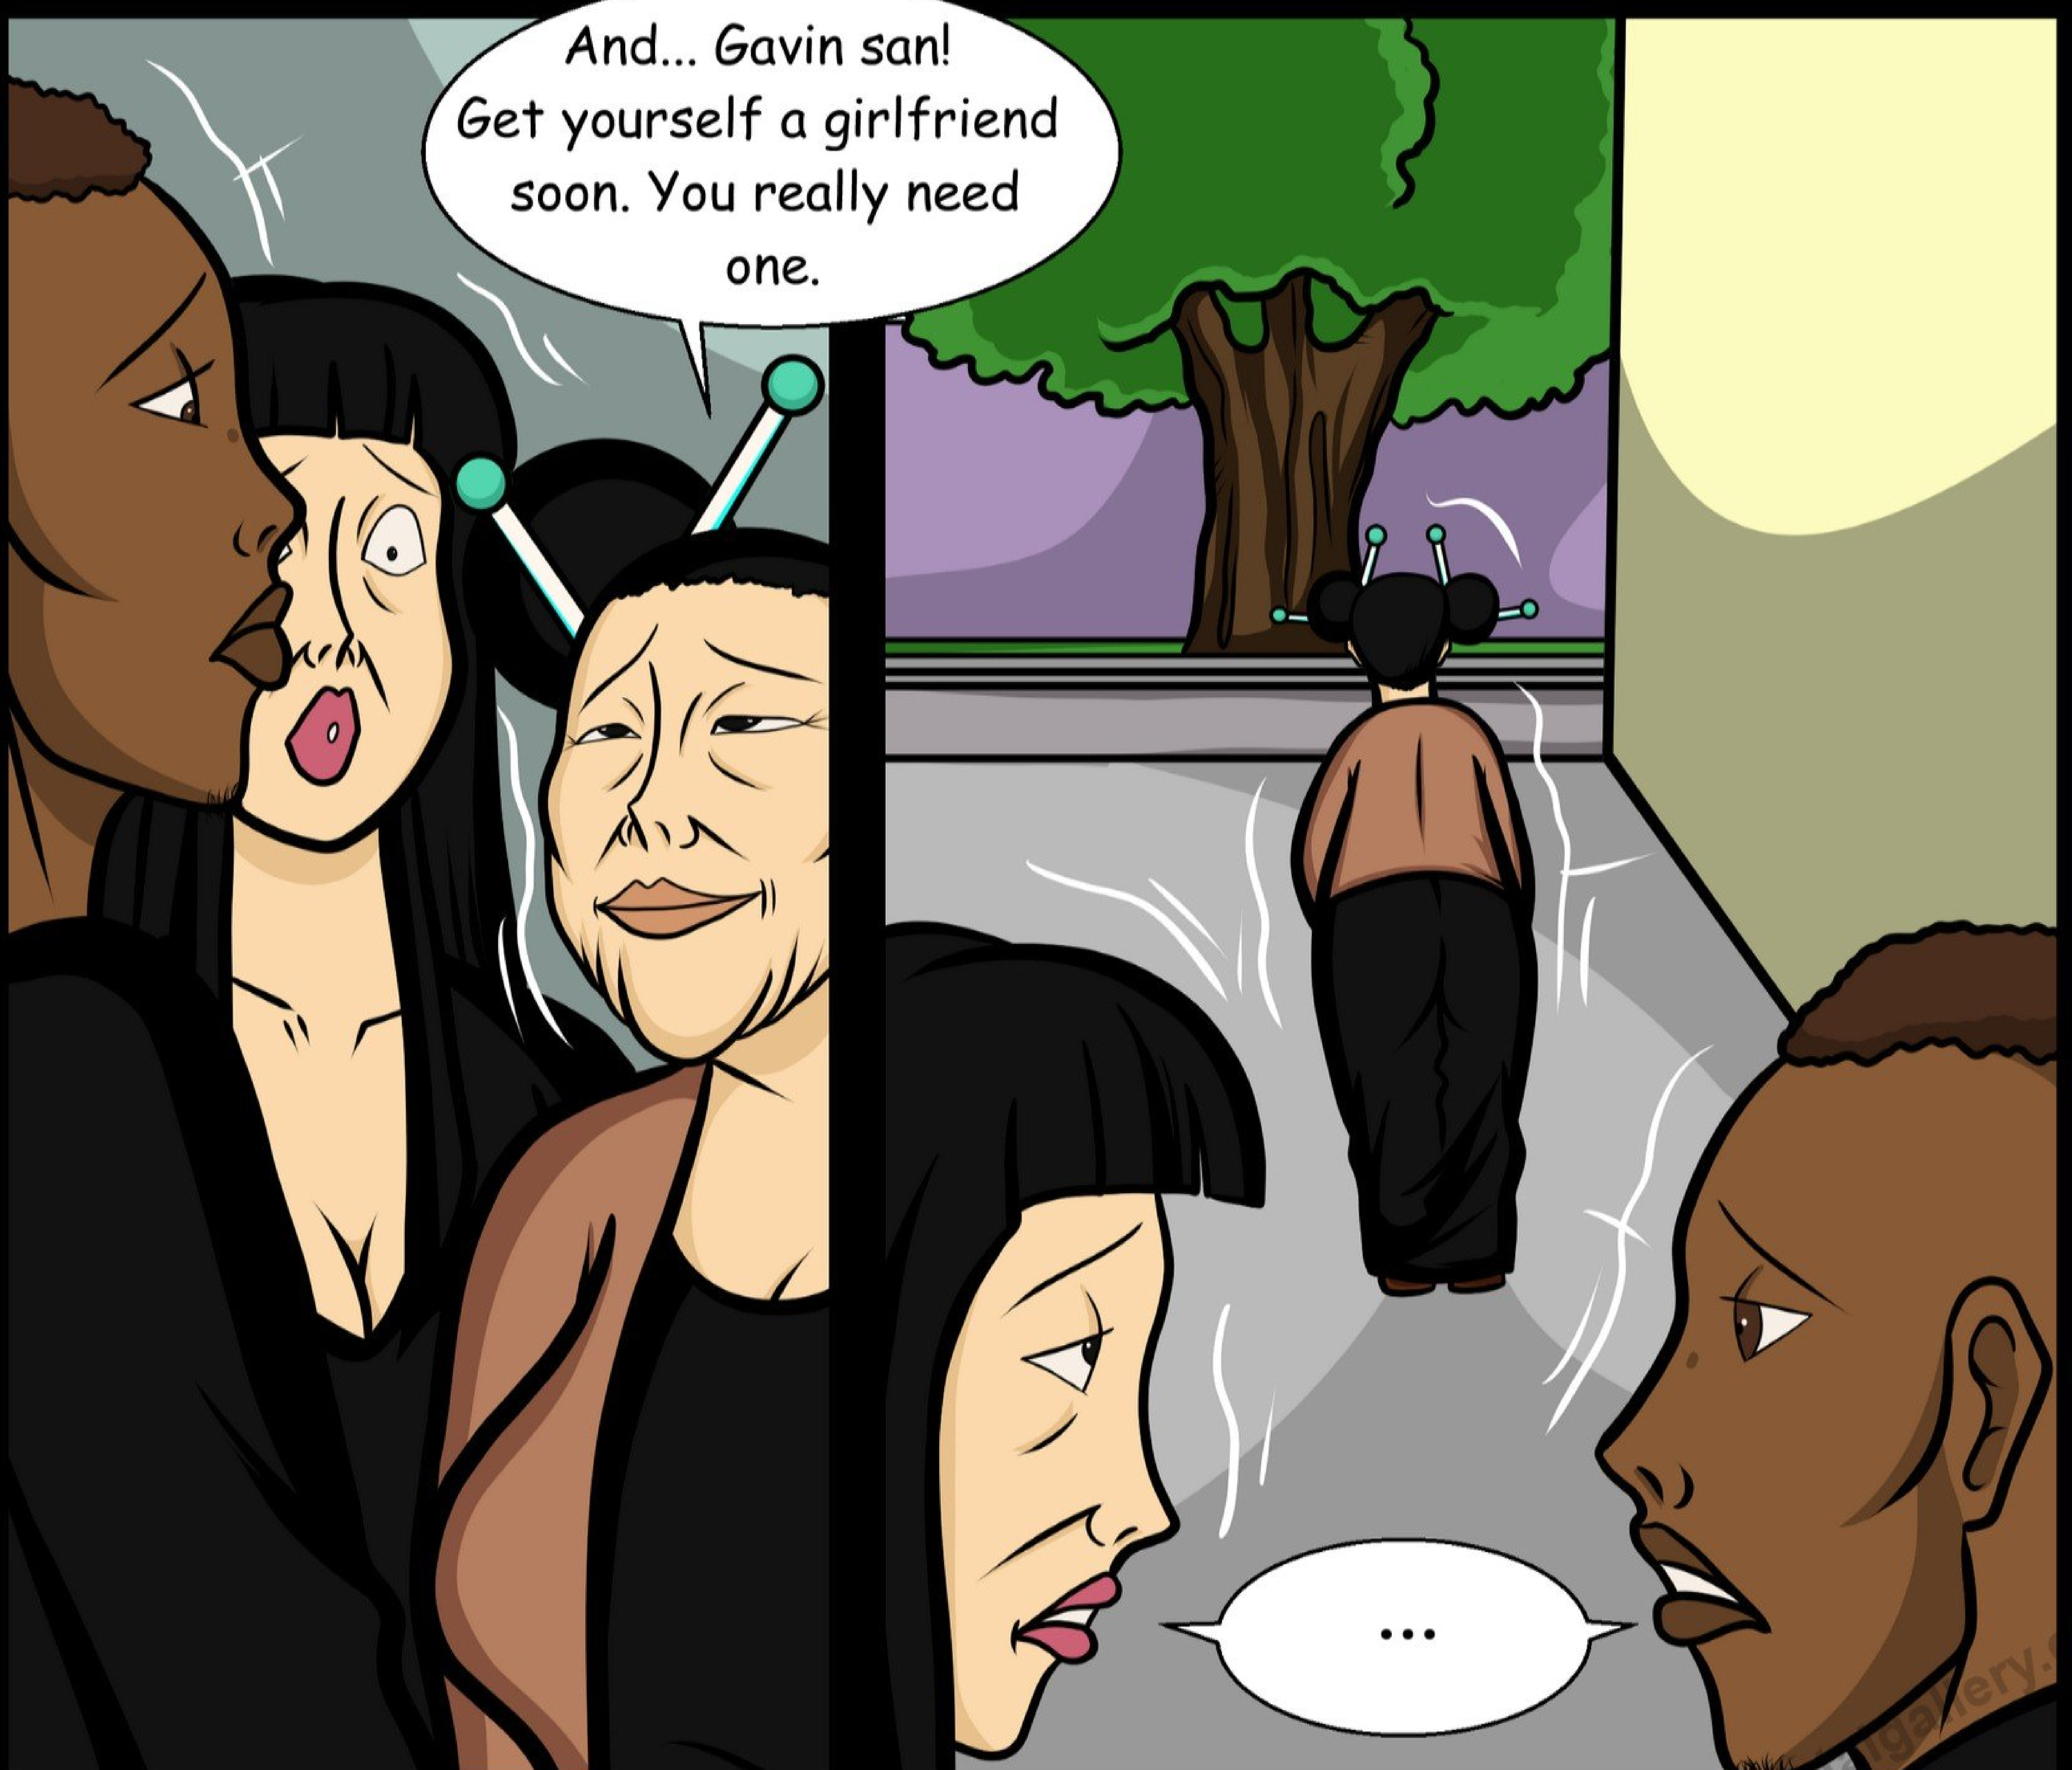

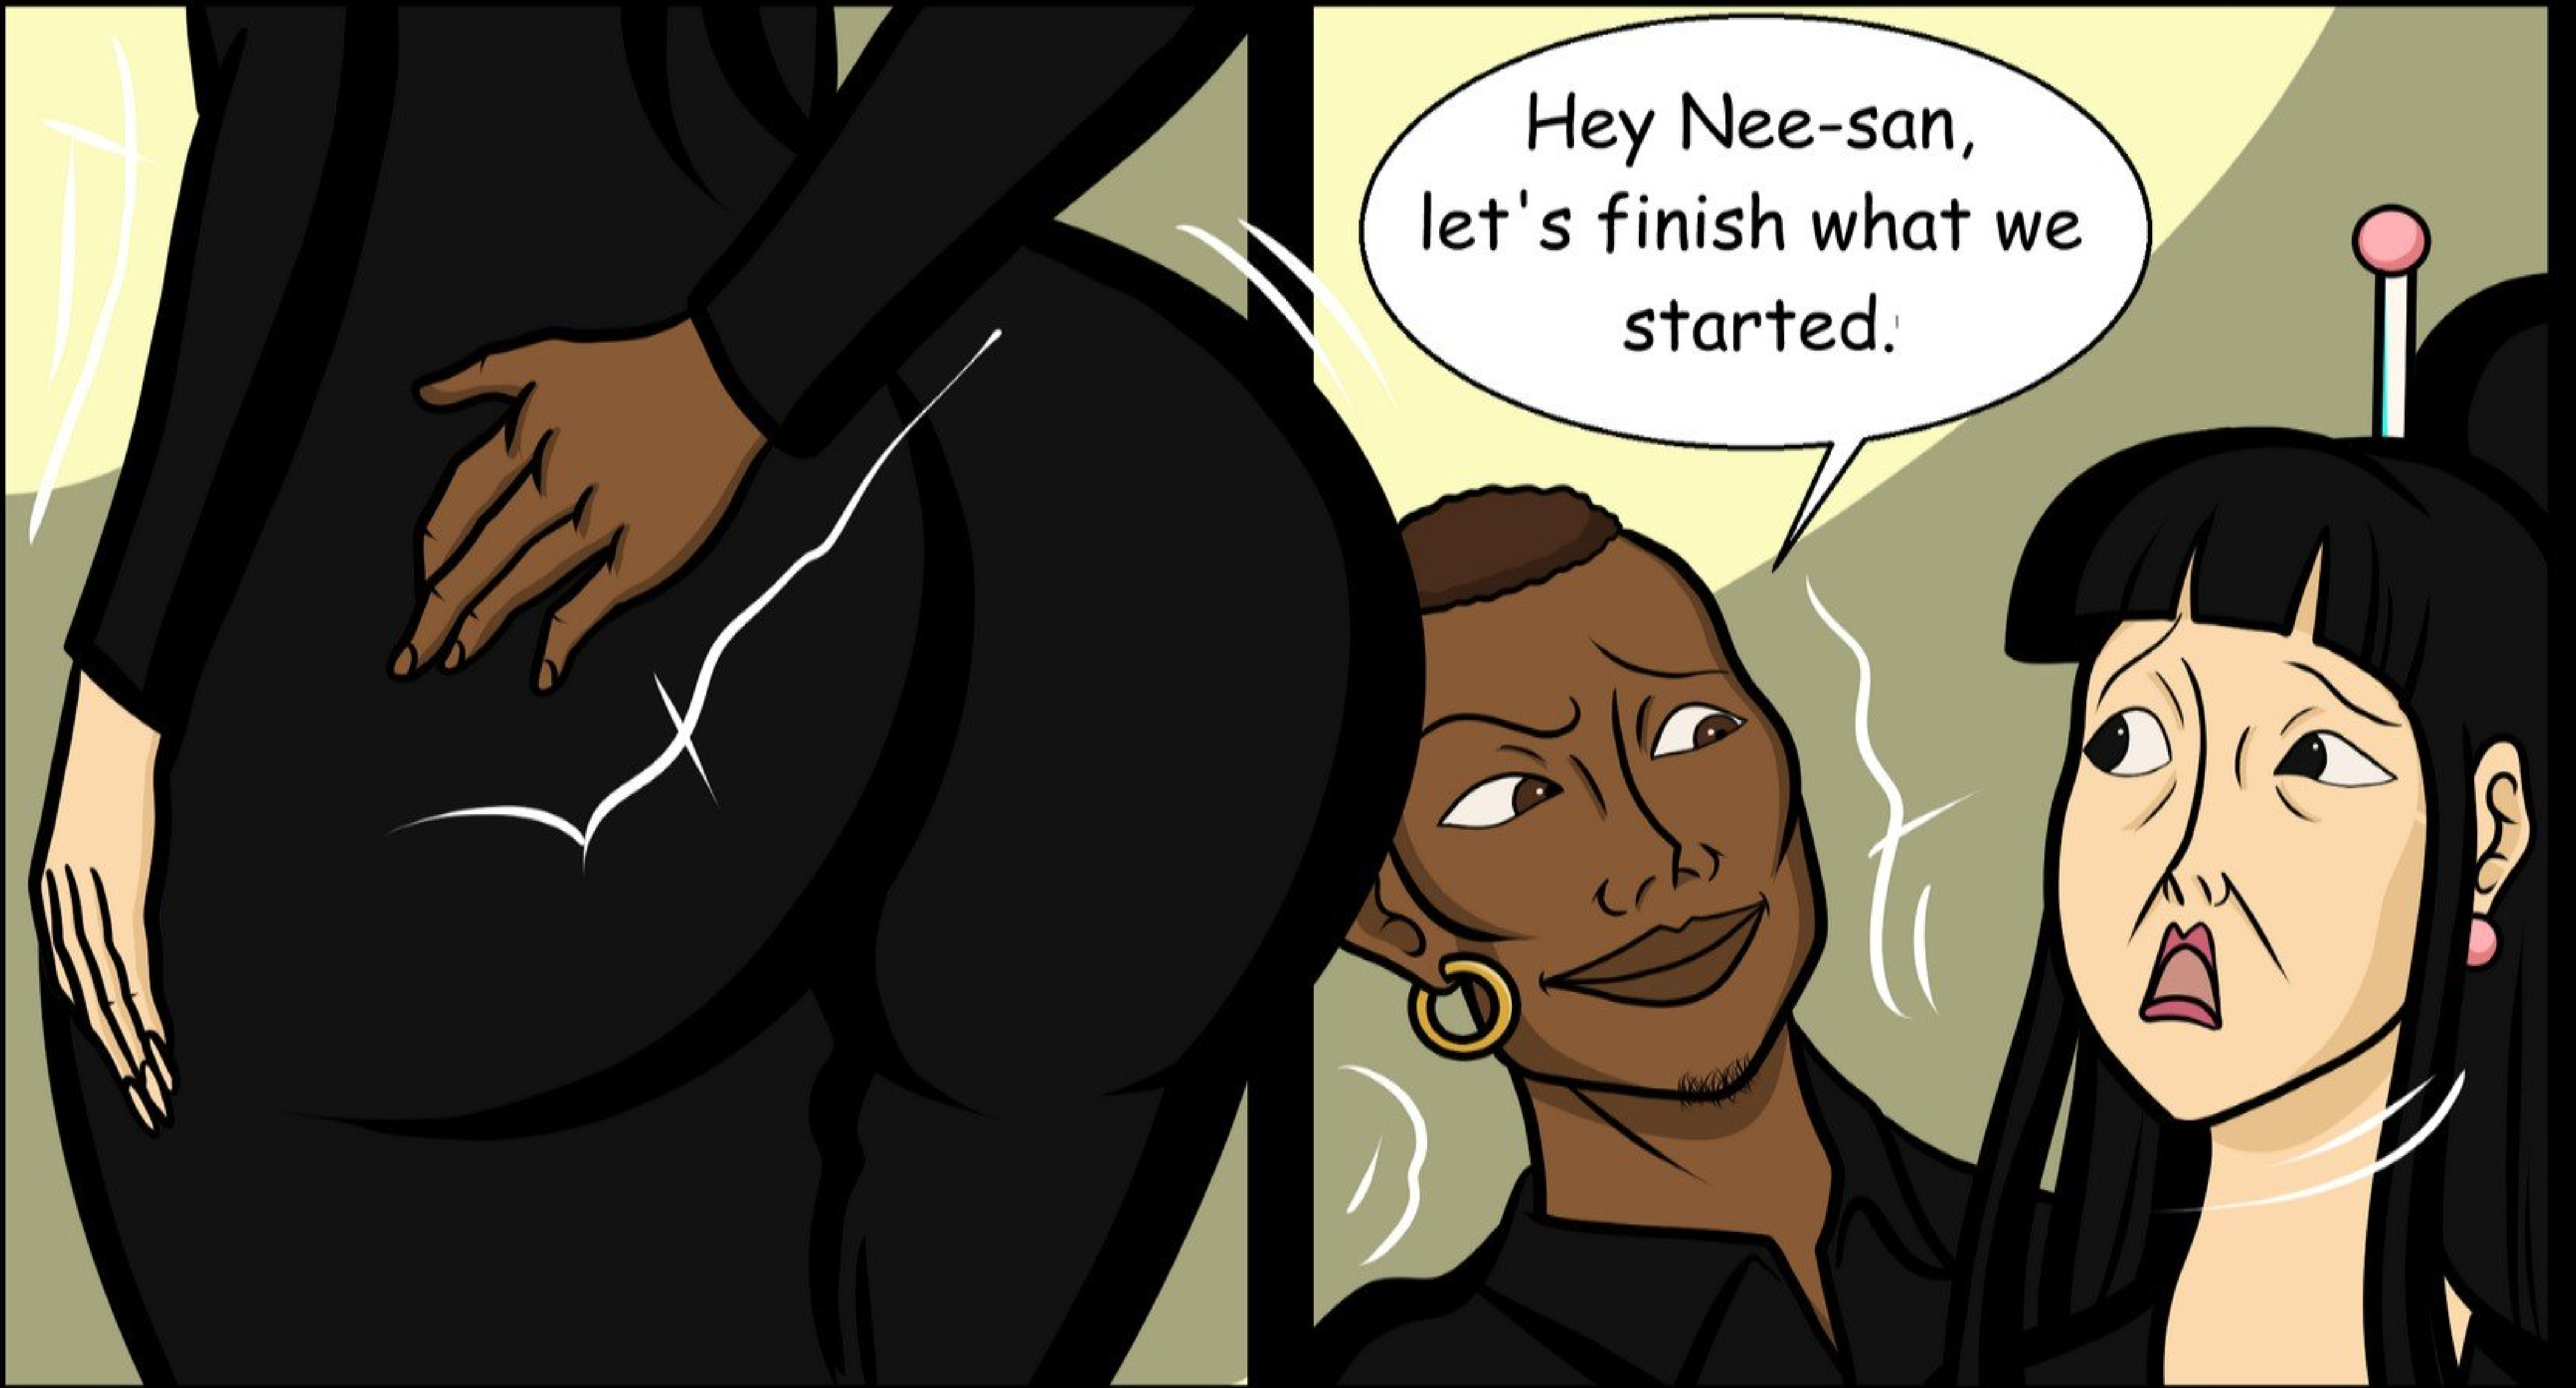

I didn't want to embarrass that woman. She was already suffering too much. But after looking at Gavin's condition, I was the one who was embarrassed.

How could that guy have an erection at that moment? Did he simply not care about our reputation? What must be going through his head?

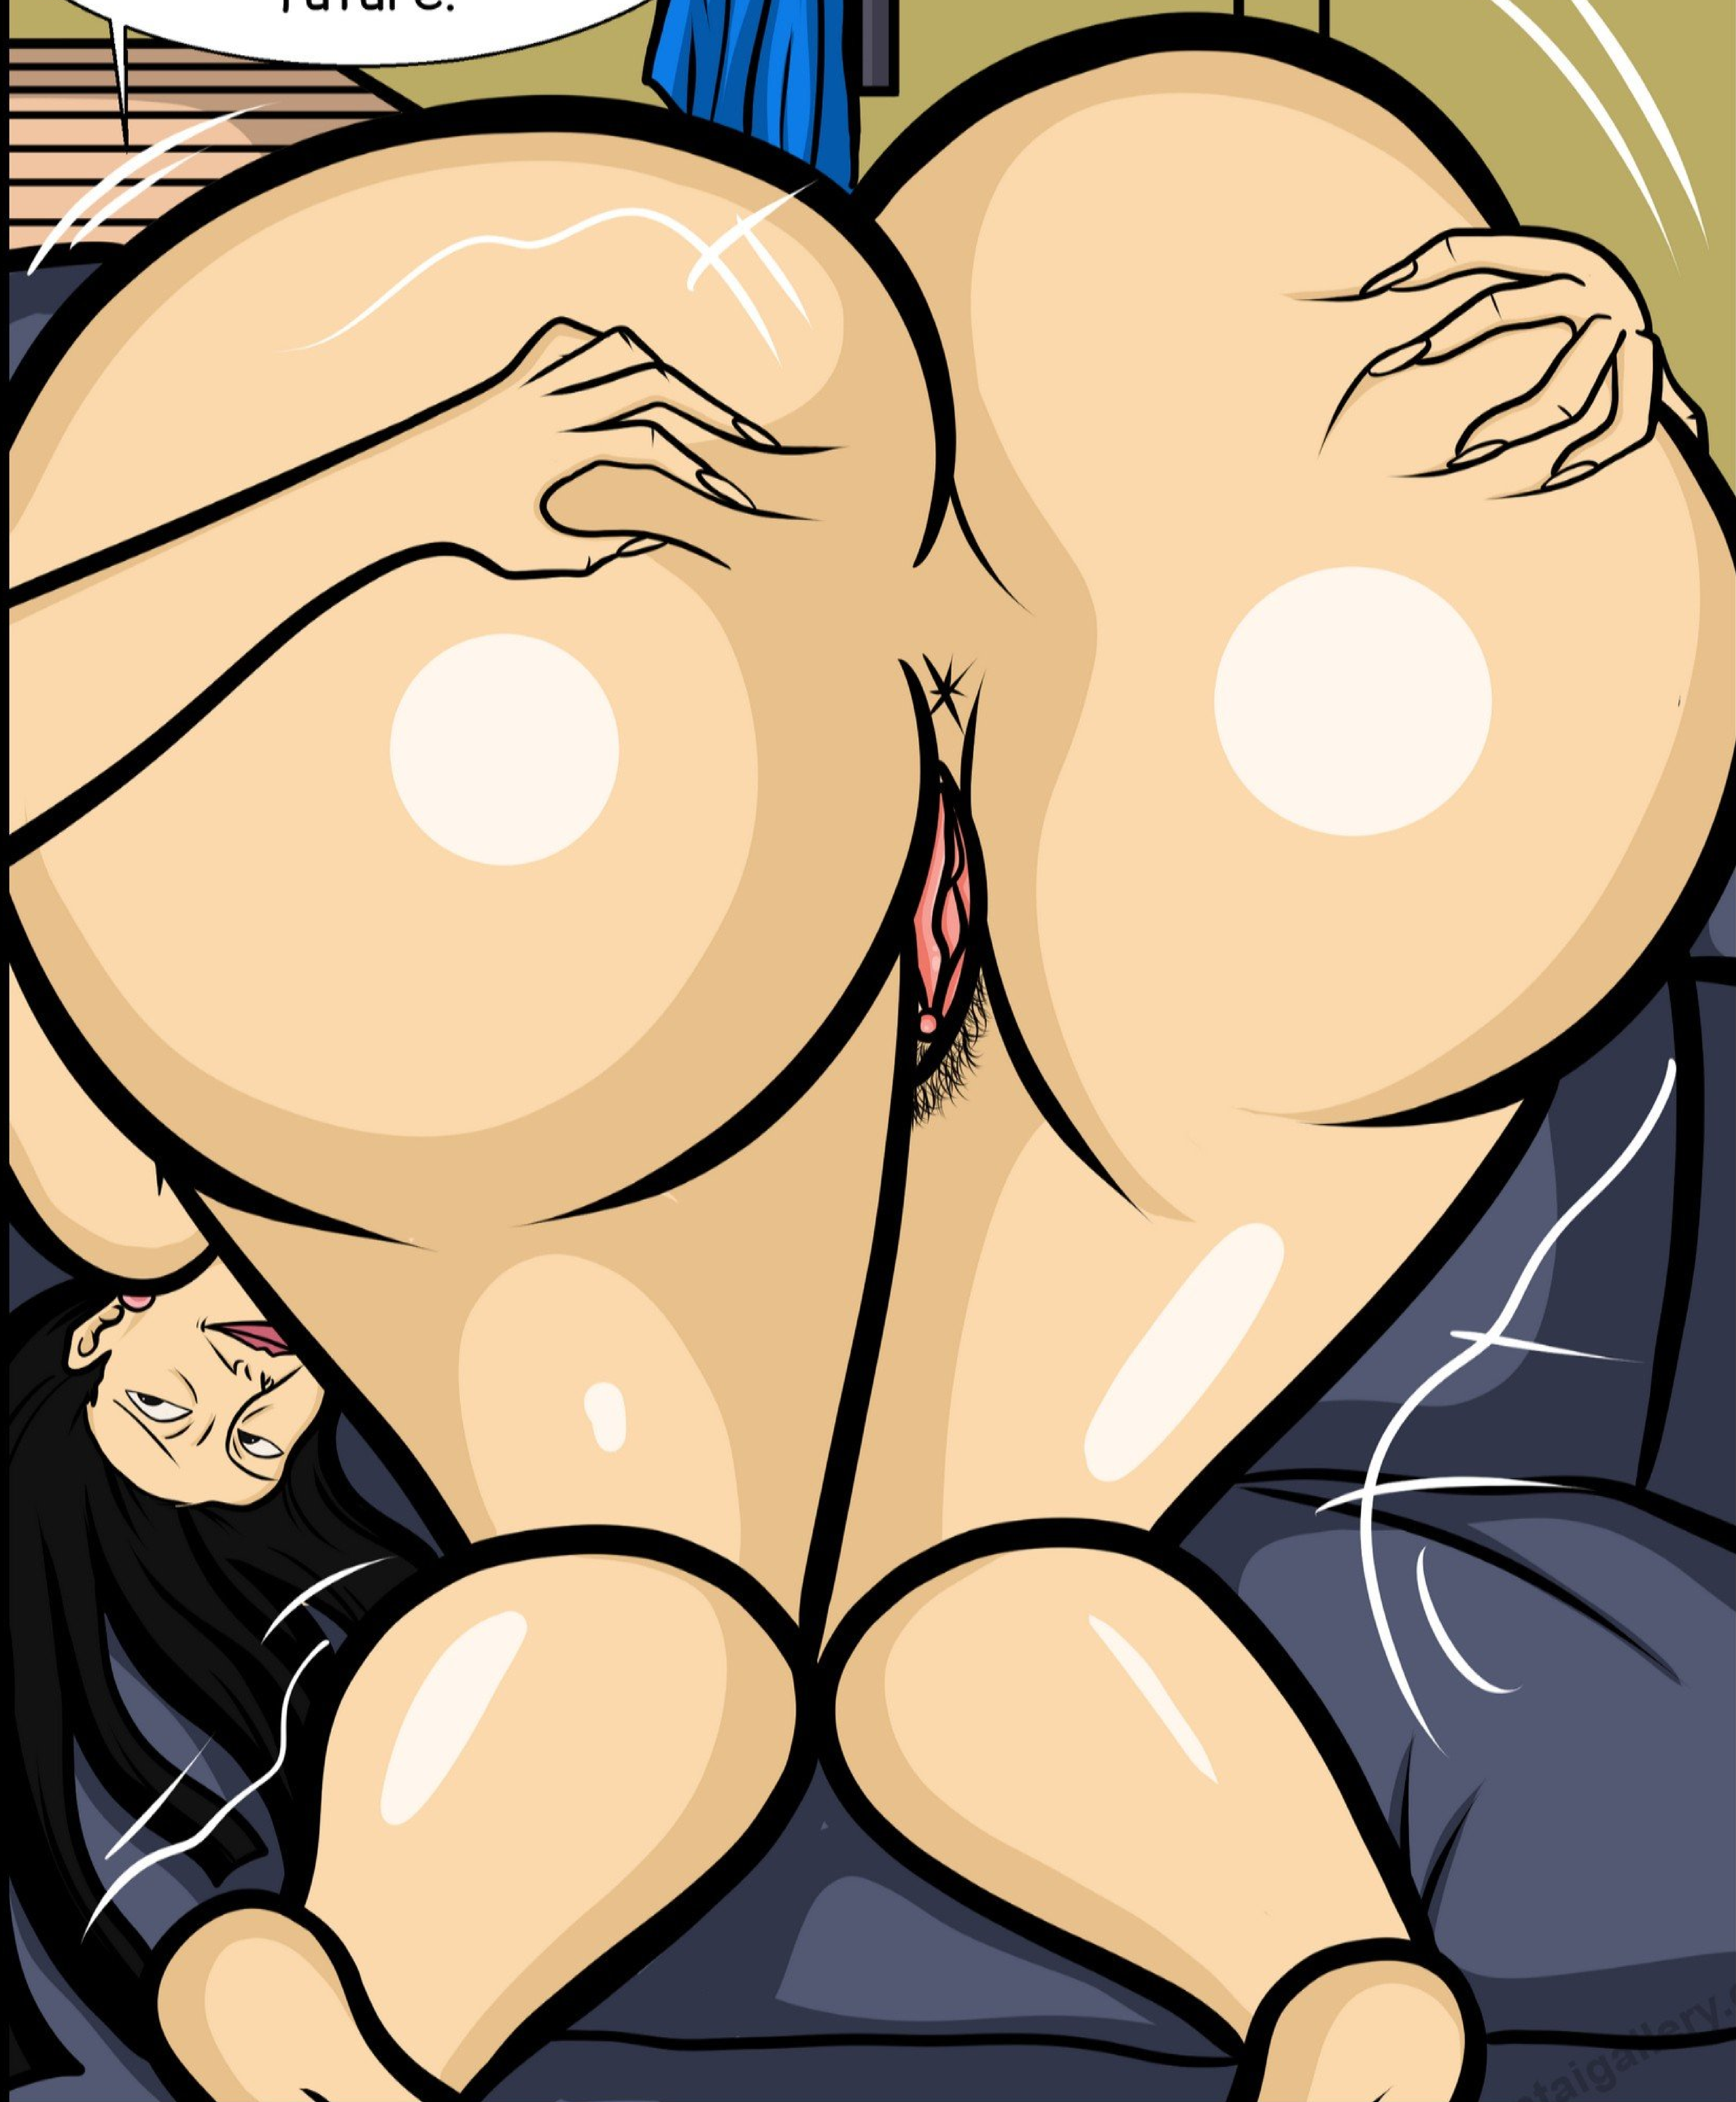

Before we began our secret depravity once again, I made sure that all the doors and windows were "ok". I didn't want to be caught in adultery again.

Do your best,
after all, you need to be a
great husband in the
future.

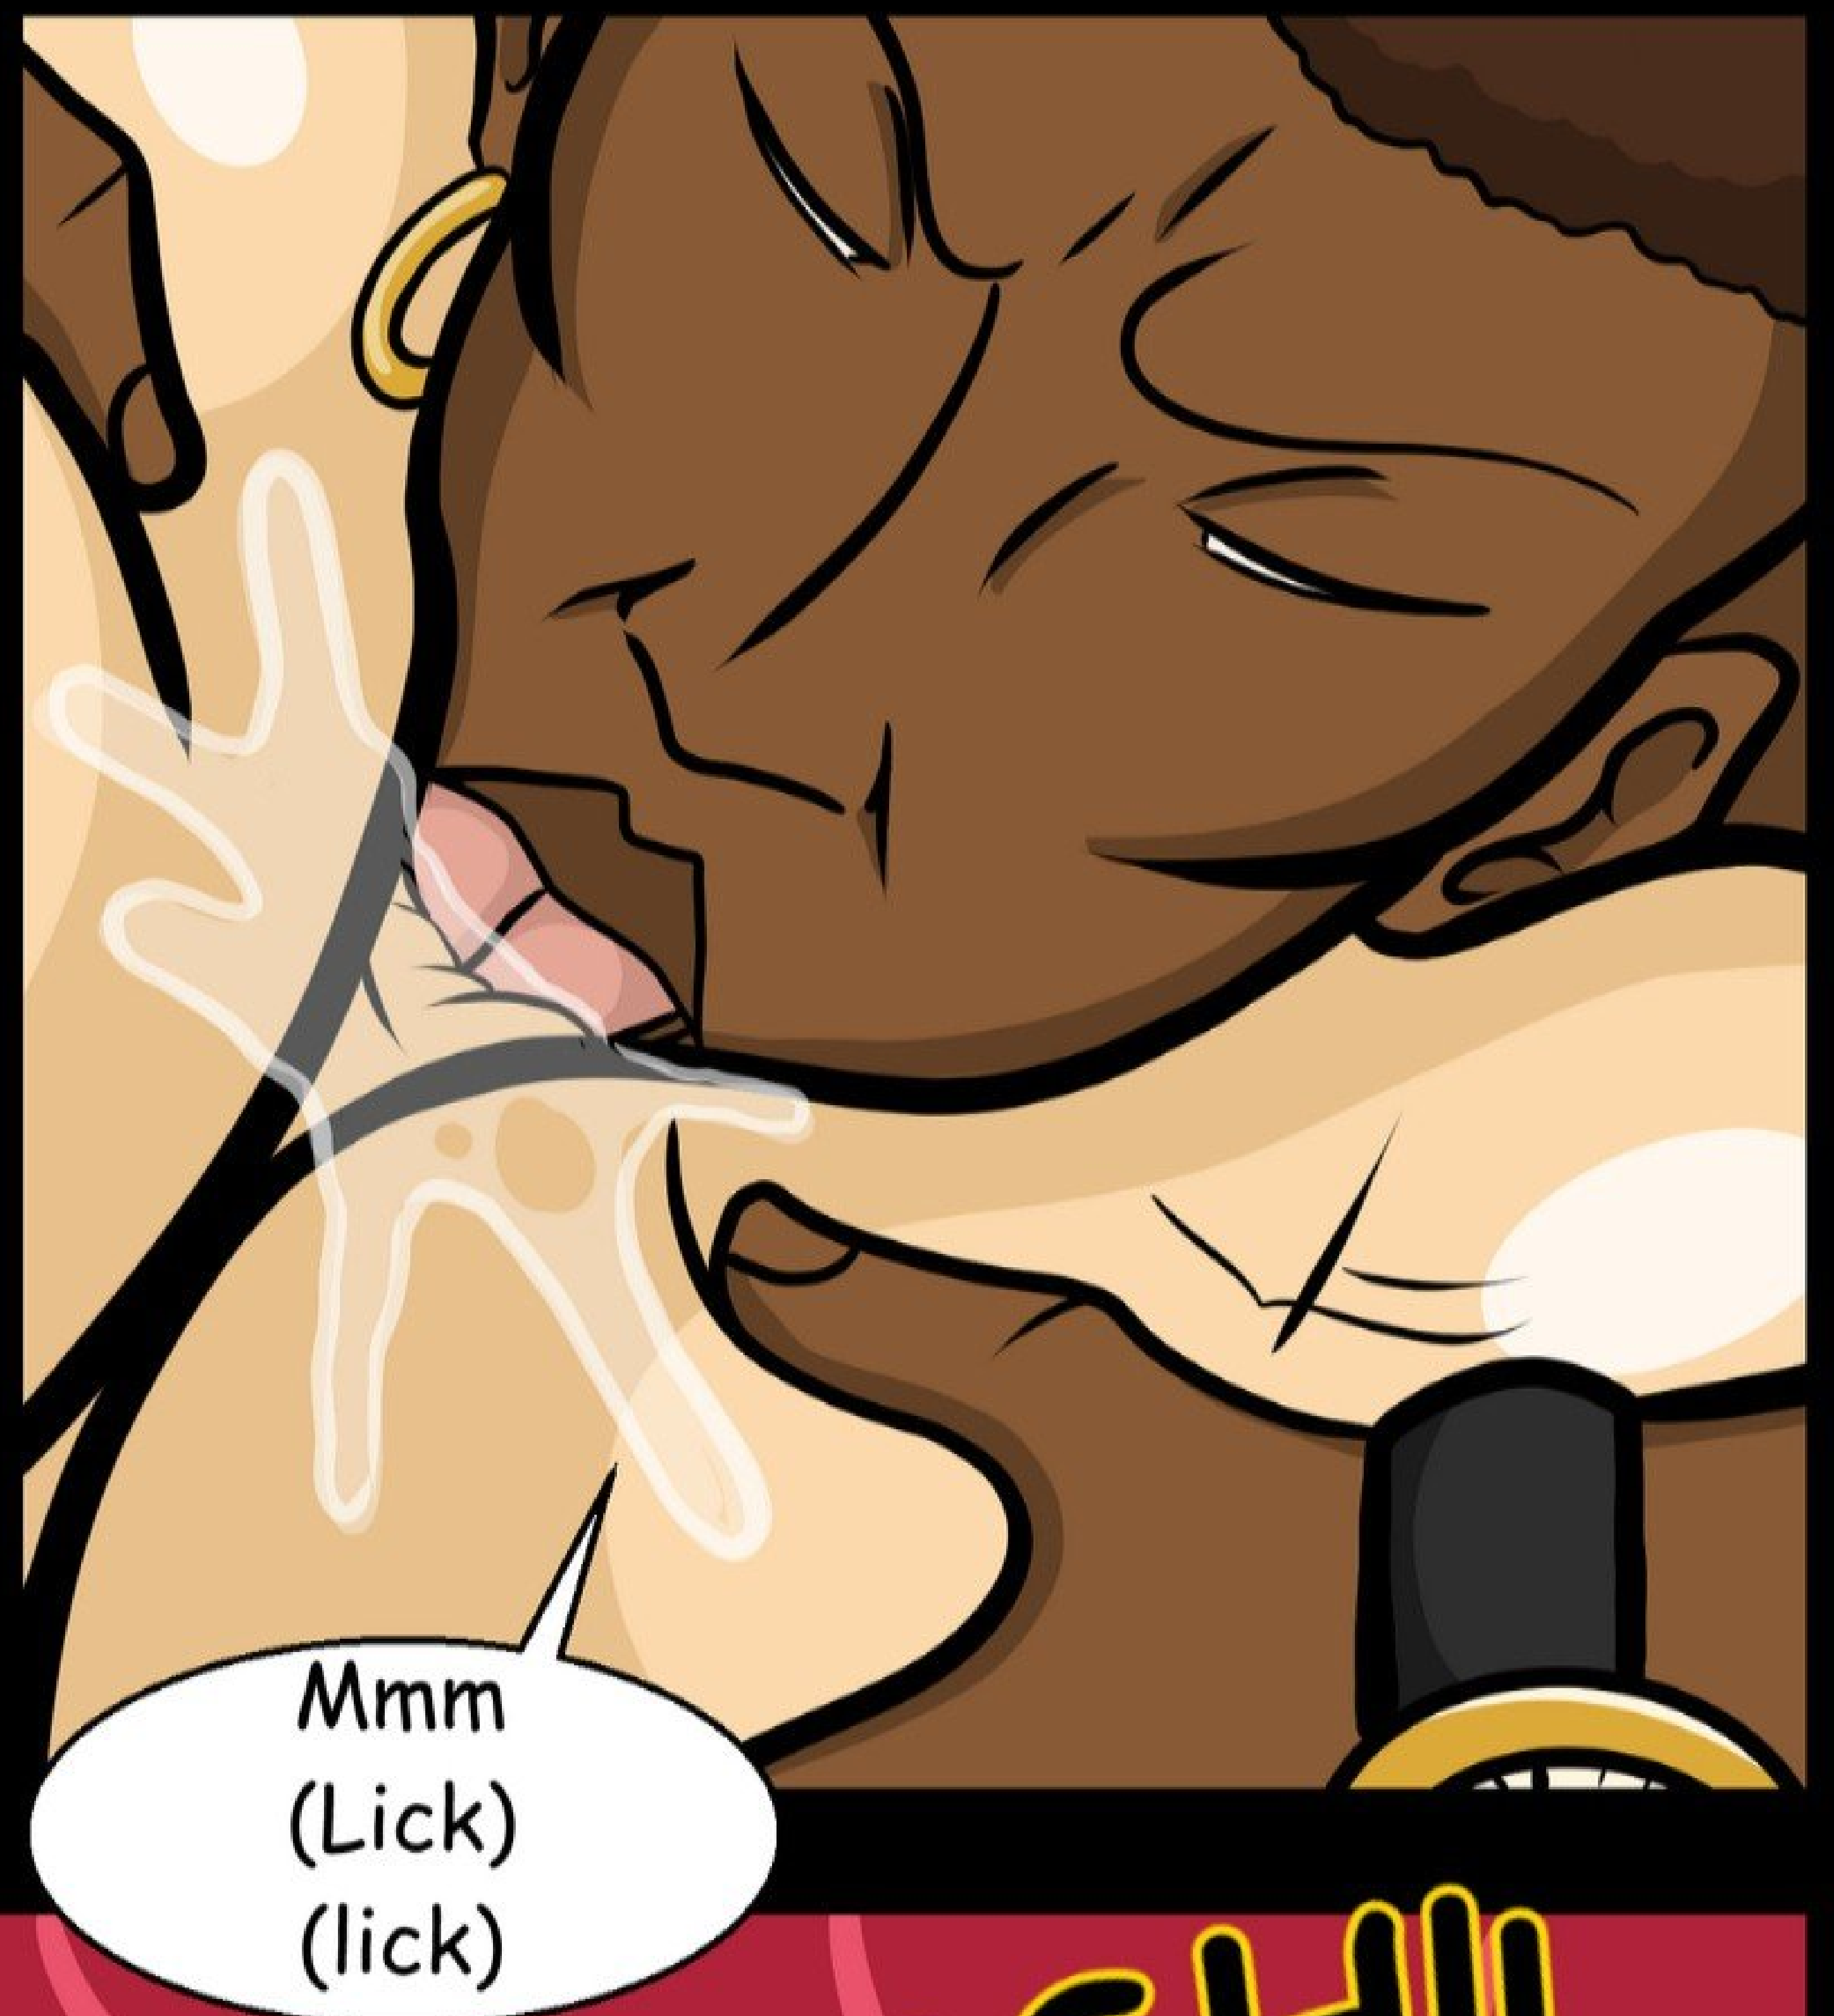

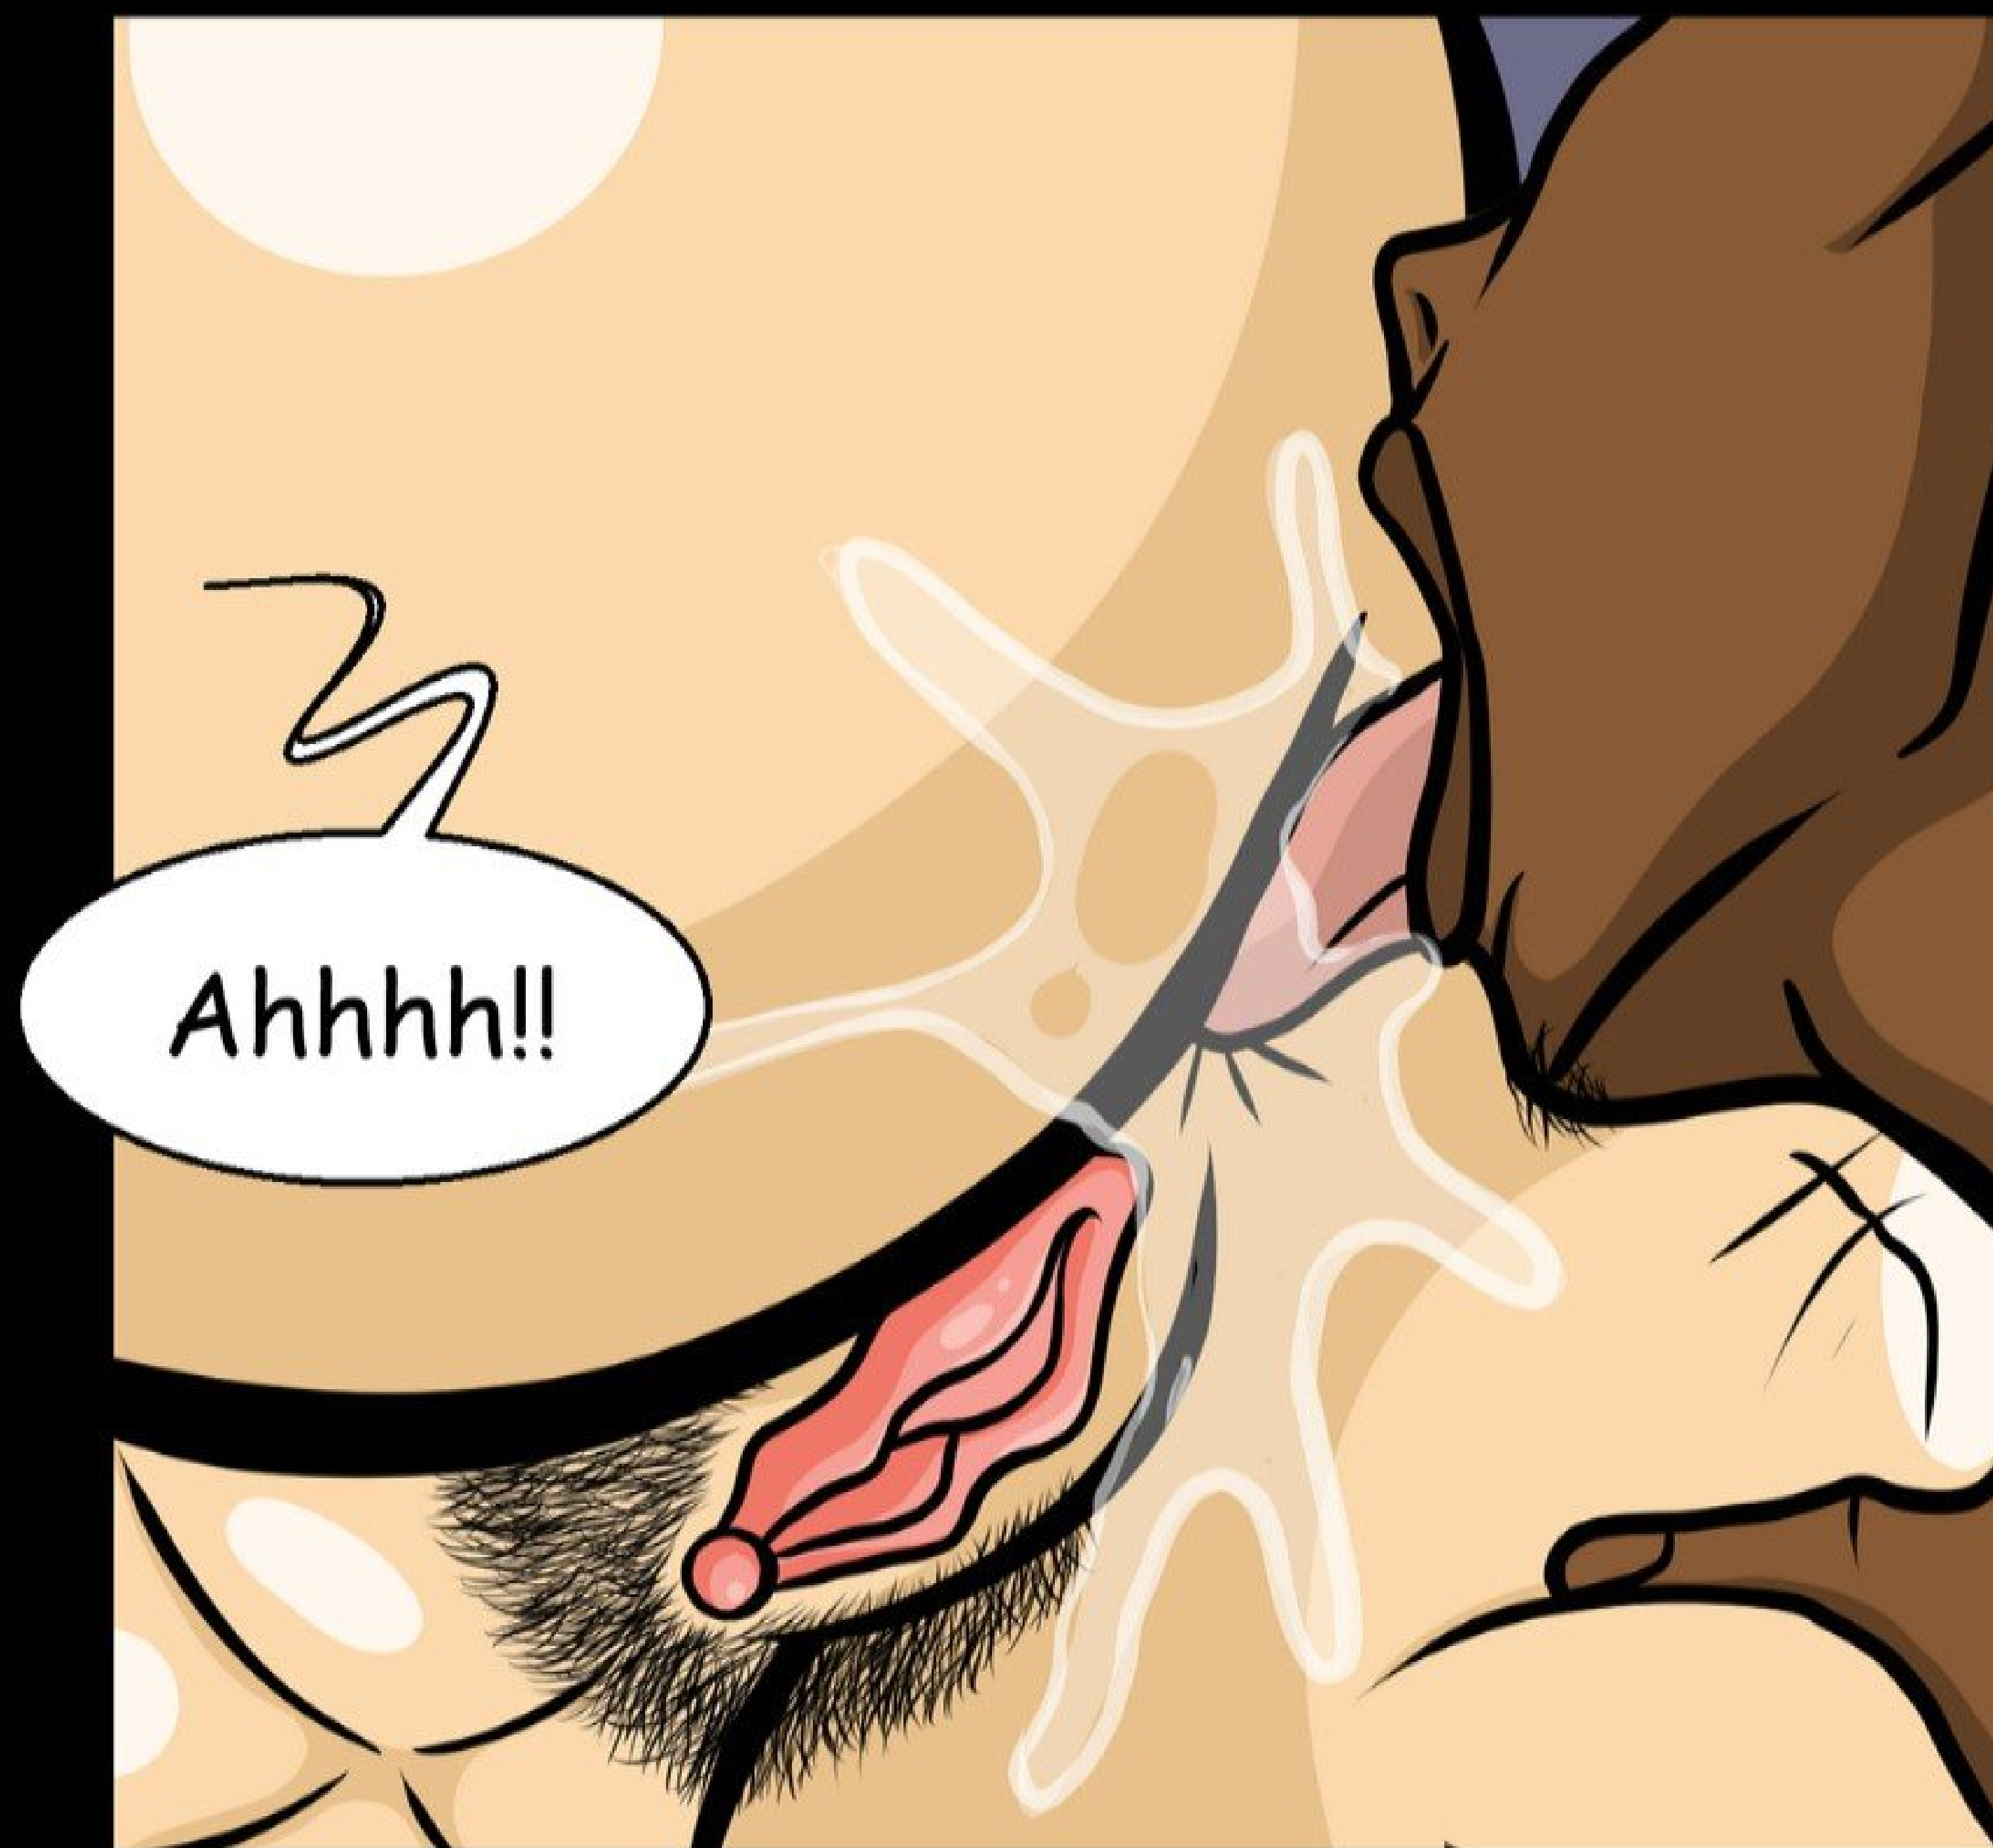

He had crossed the "forbidden line" so many times before... it seems that his charms for me flow naturally. There is no one in the world who has known my back hole. Only he knows this place.

His tongue techniques are impossible to resist. His future wife will certainly be a sexually fulfilled woman. I wonder how he can be so good at it. Am I jealous of his future wife?

Those naughty noises that were being made as Gavin buried his rough tongue in my anus...I could feel his whole tongue moving inside me.

Here comes a big load, Nee-san! Ohhhhhh!!!

SPLORRRT!!
SPLORRRT!!
SPLORRRT!!

Ohhhh!! Drink it all!

Gavin began to penetrate me deeply with his monstrous, powerful member. I was so horny that I almost didn't feel his violent slaps on my meaty ass.

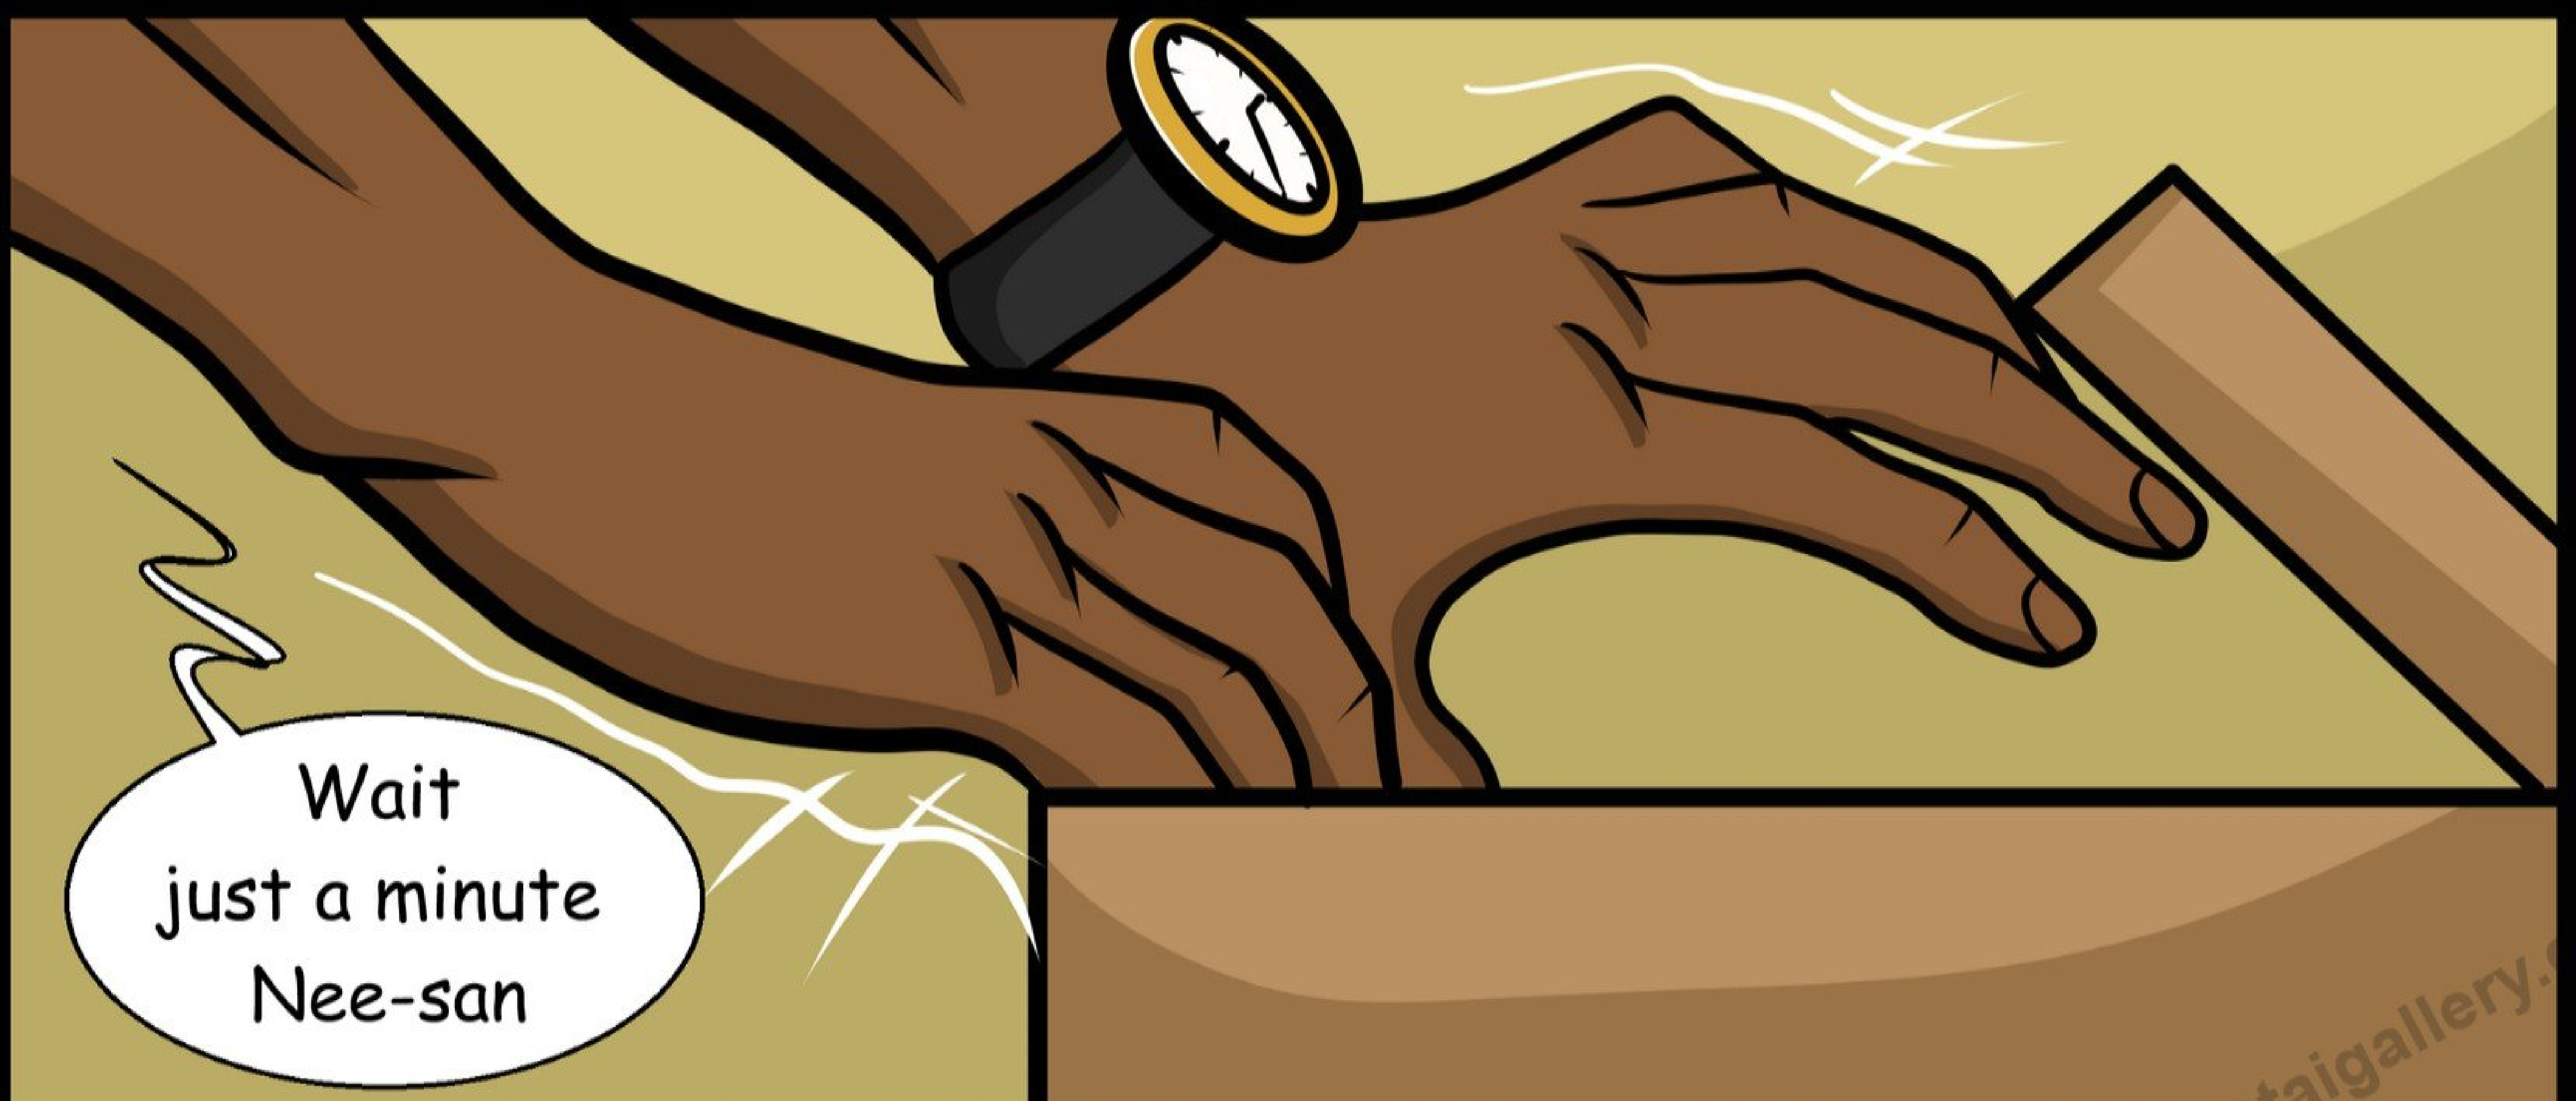

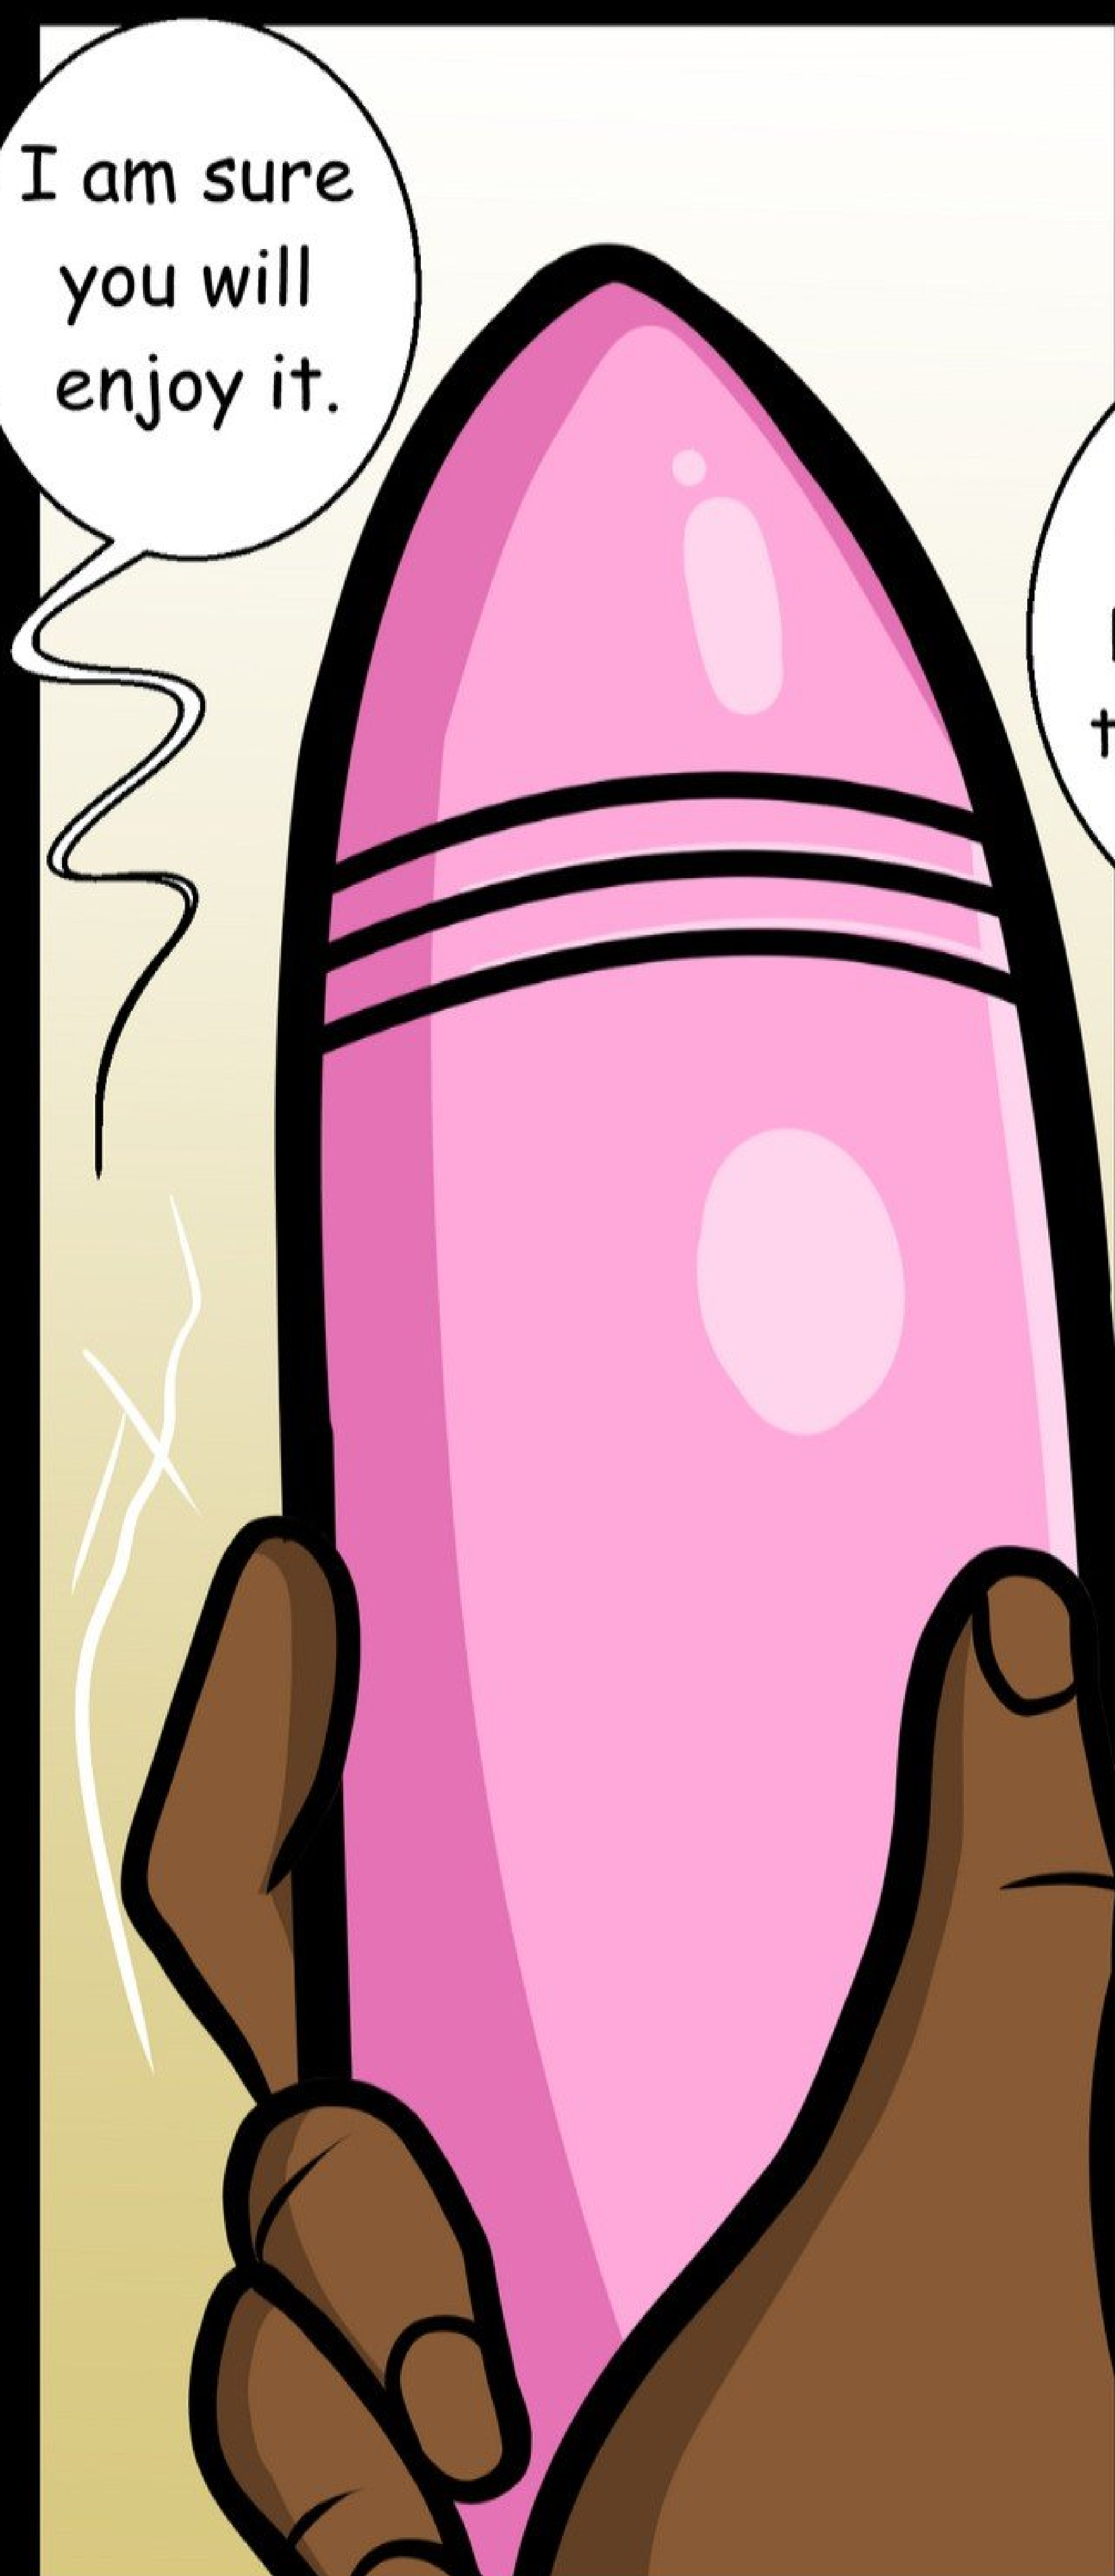

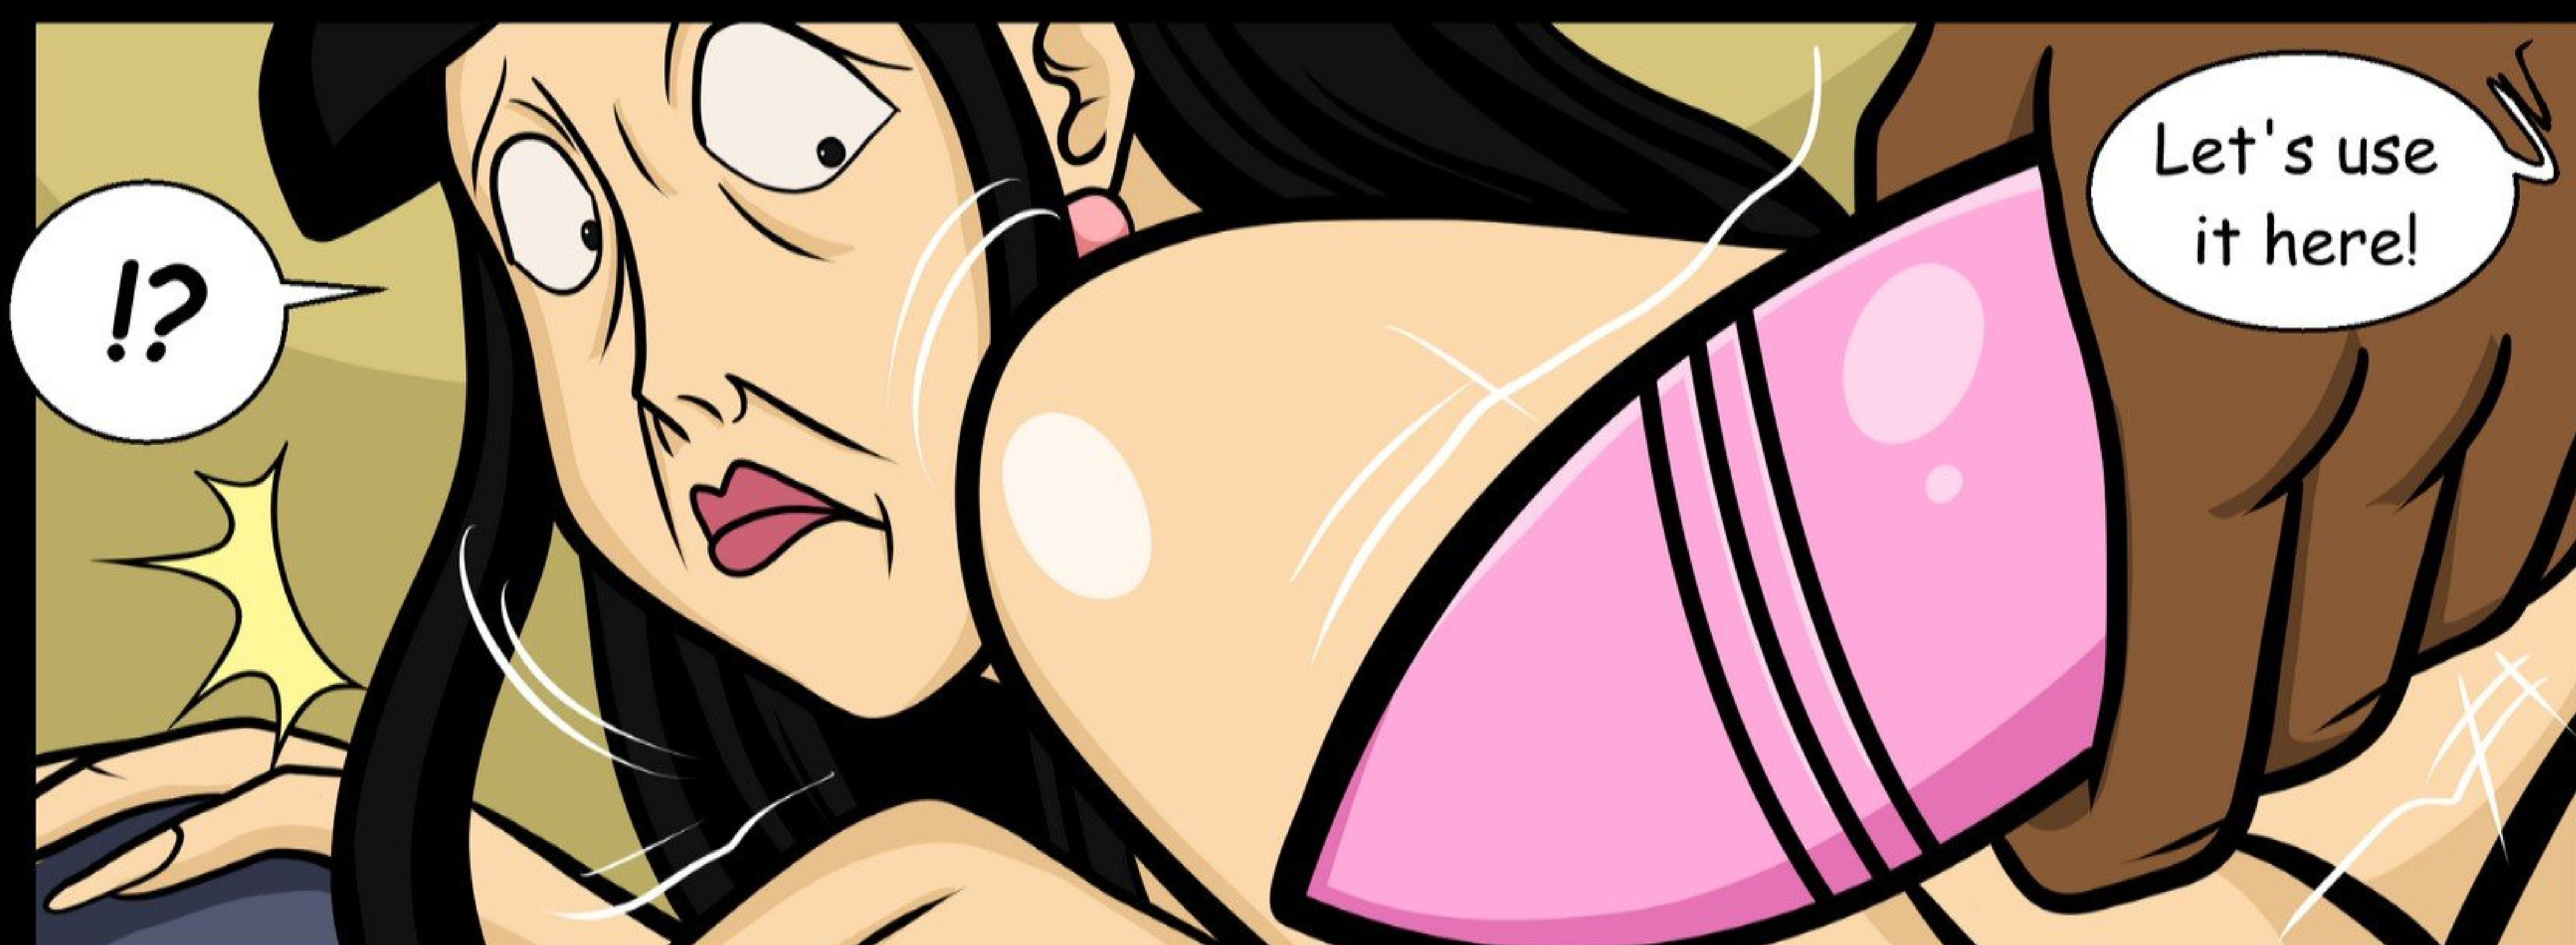

That delicious feeling was taking over my whole body. I cum so many times at that moment that I briefly lost my senses.

My legs were shaking a lot... I was panting. Since I married Kazuhiro, we have never done anything like this. Gavin always leads me to the most pleasurable place, and it's all so surprising to me.

Gavin's kinky little games had begun. Soon I would find out why he bought those sexual accessories. As always, it was up to my poor anus to entertain that perverted young man.

But don't worry,
I'll put some lubricant
on to make it easier to get
in. easier.

I believe
that with this here,
it won't be so sore
after we're done...
I think that's
enough.

Here we
go...

SLIIISH!!

SLIIISH!!

Oh my God!
That is so stiff!

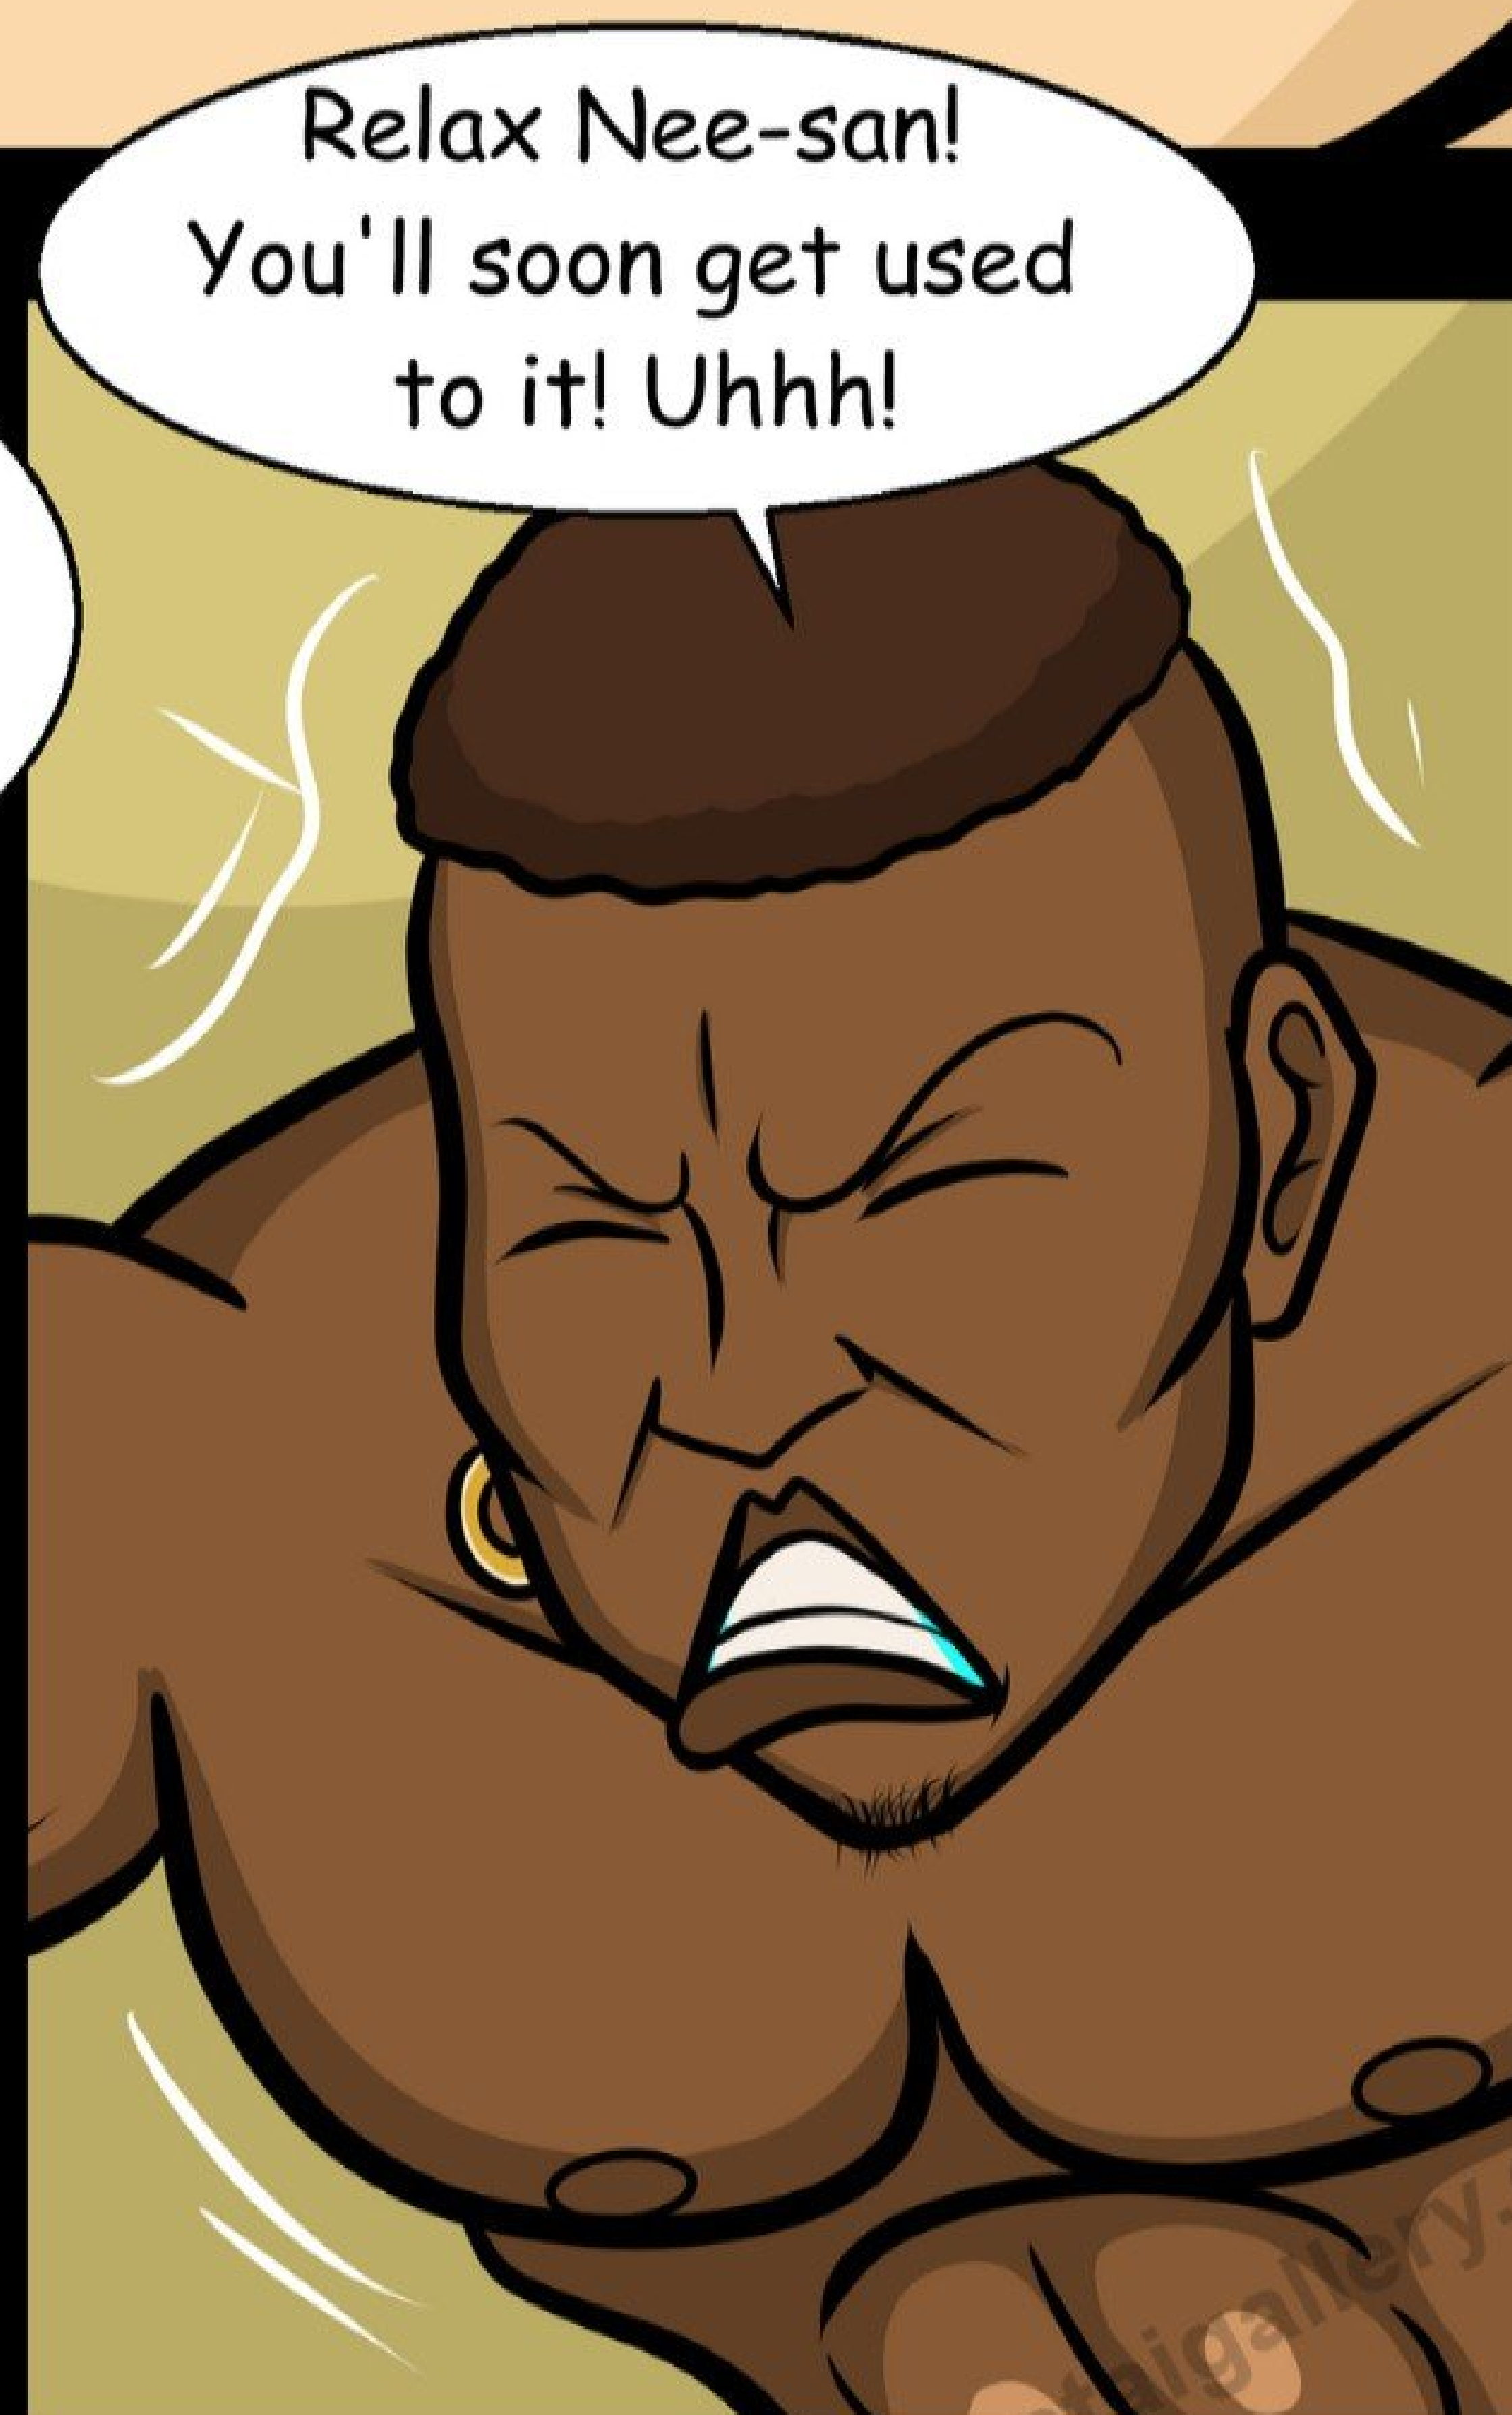

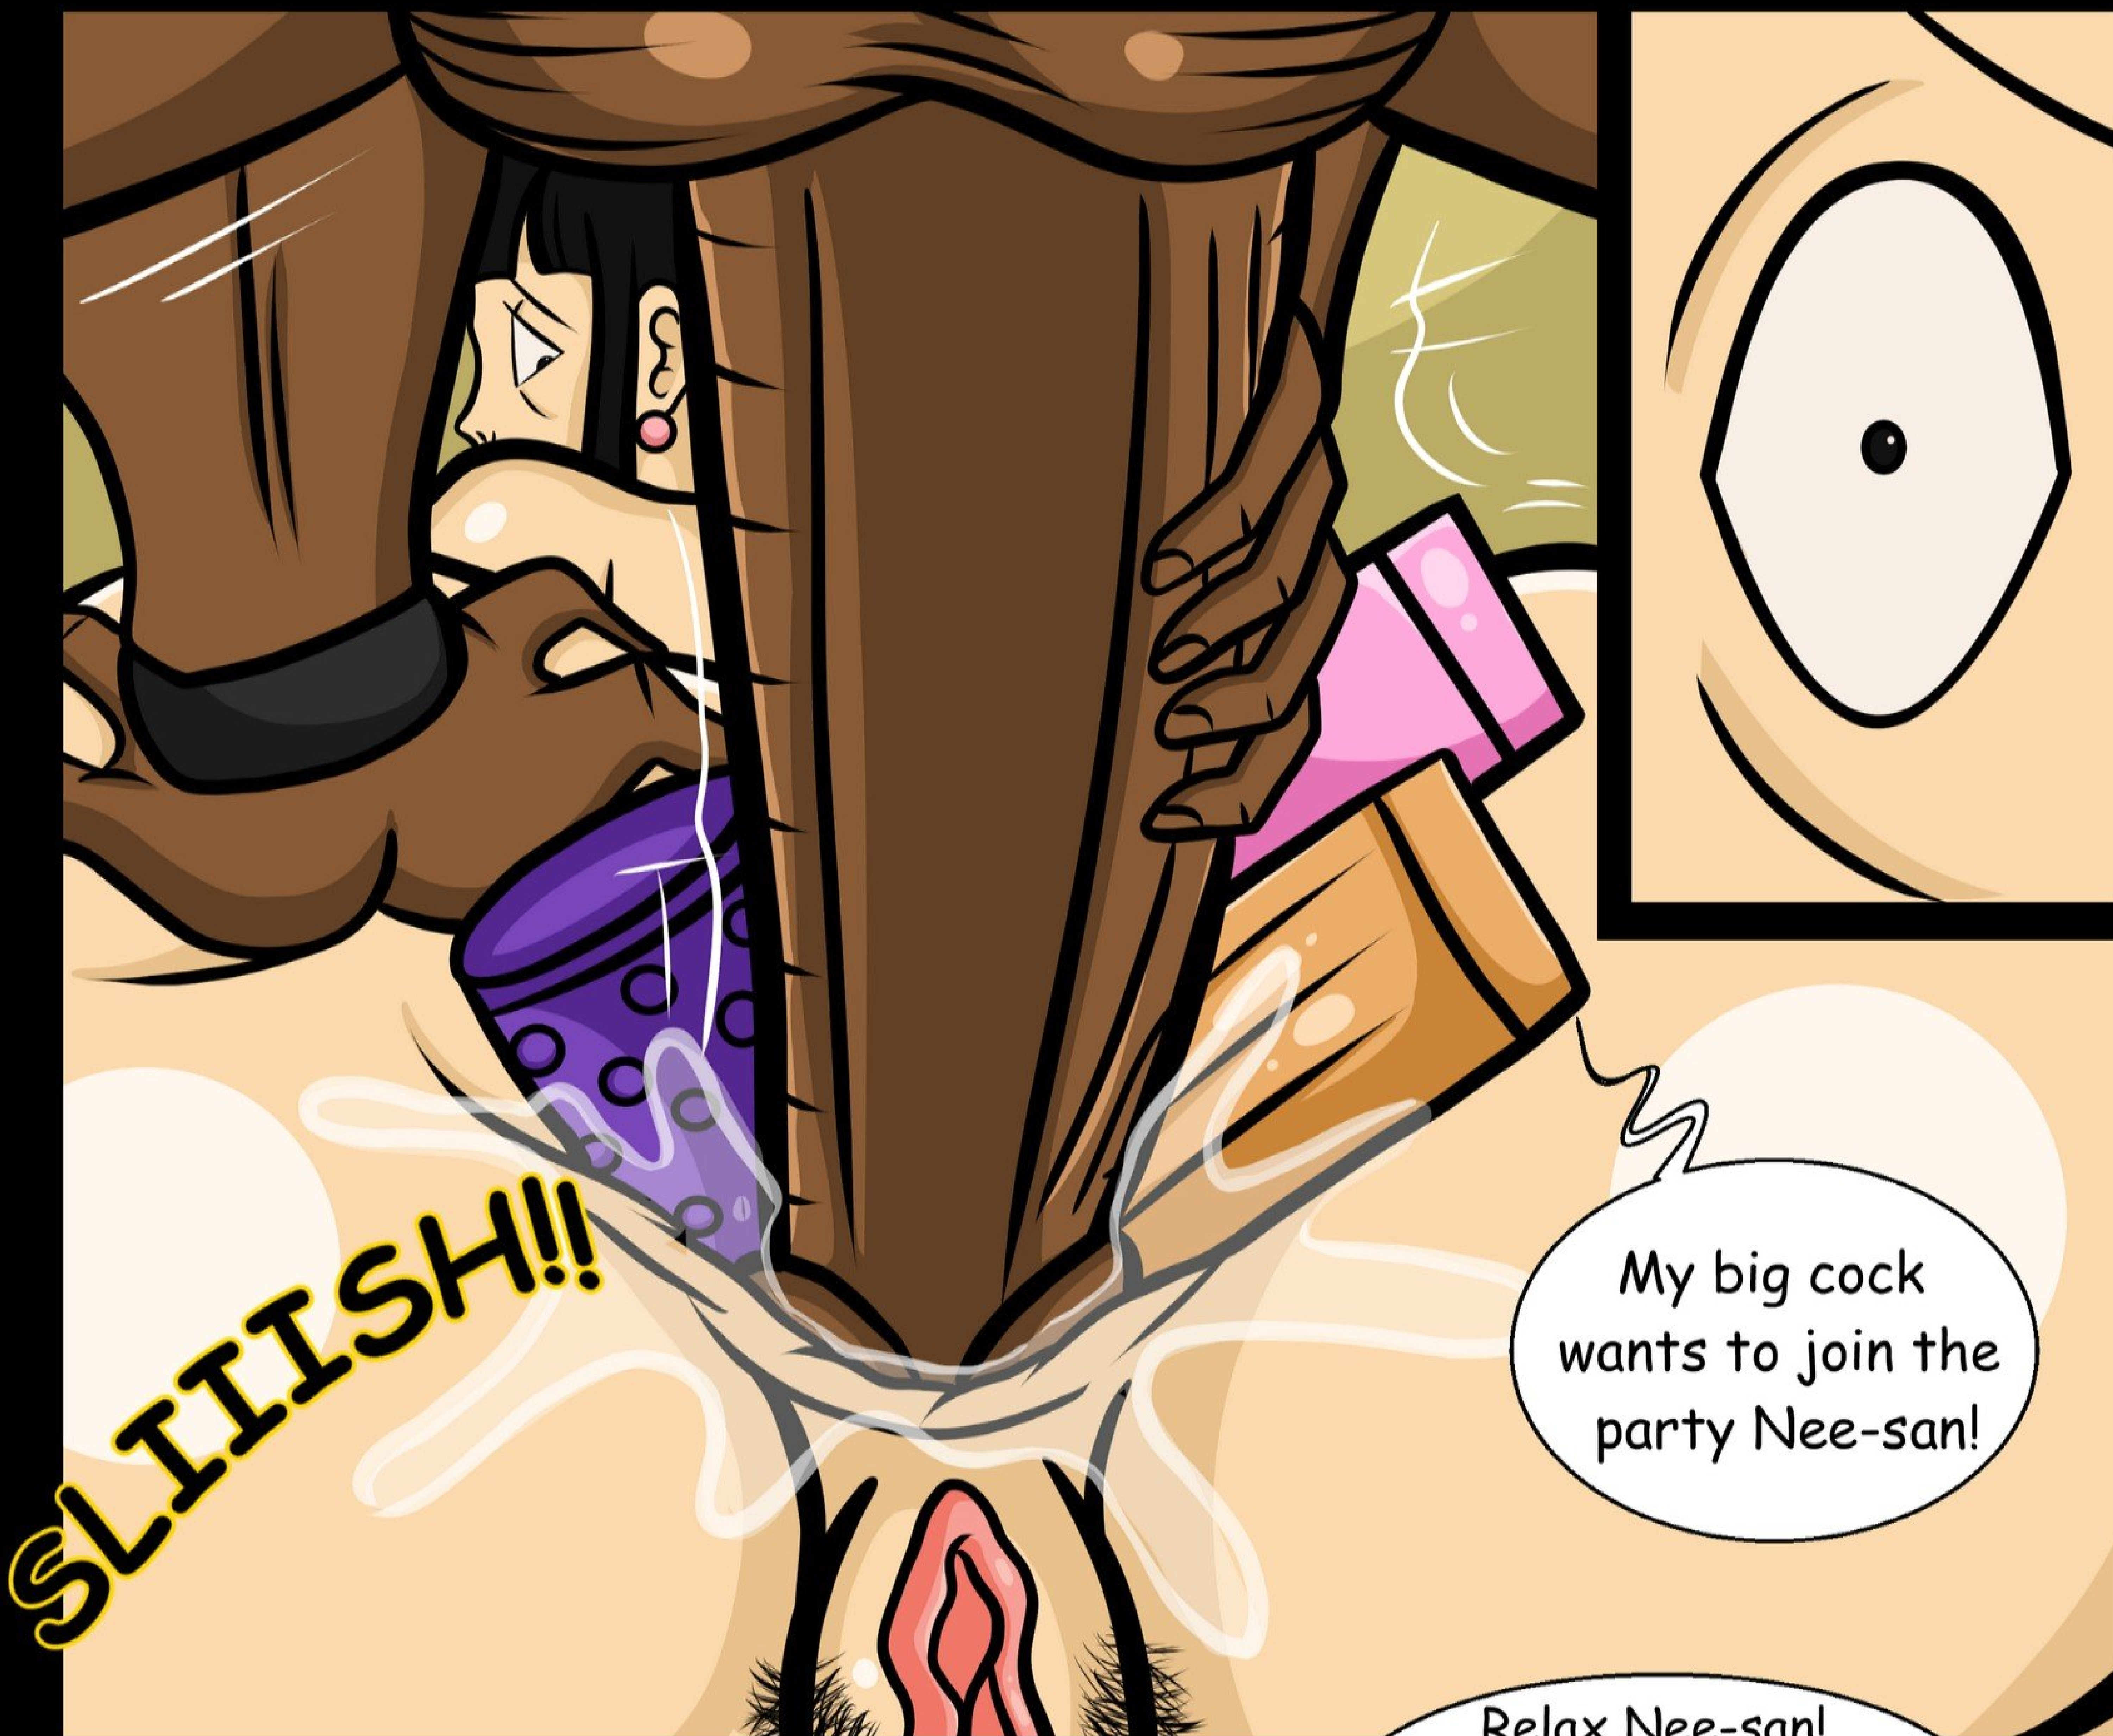

I could say that about a month ago, I could never have imagined myself doing such dirty things. But then... why have I become so obedient to his wishes?
I am giving in easily to all of this boy's requests.

Wow Nee-san, you endured all these accessories. Your asshole is very flexible!

Uhhh!!
T... thanks!

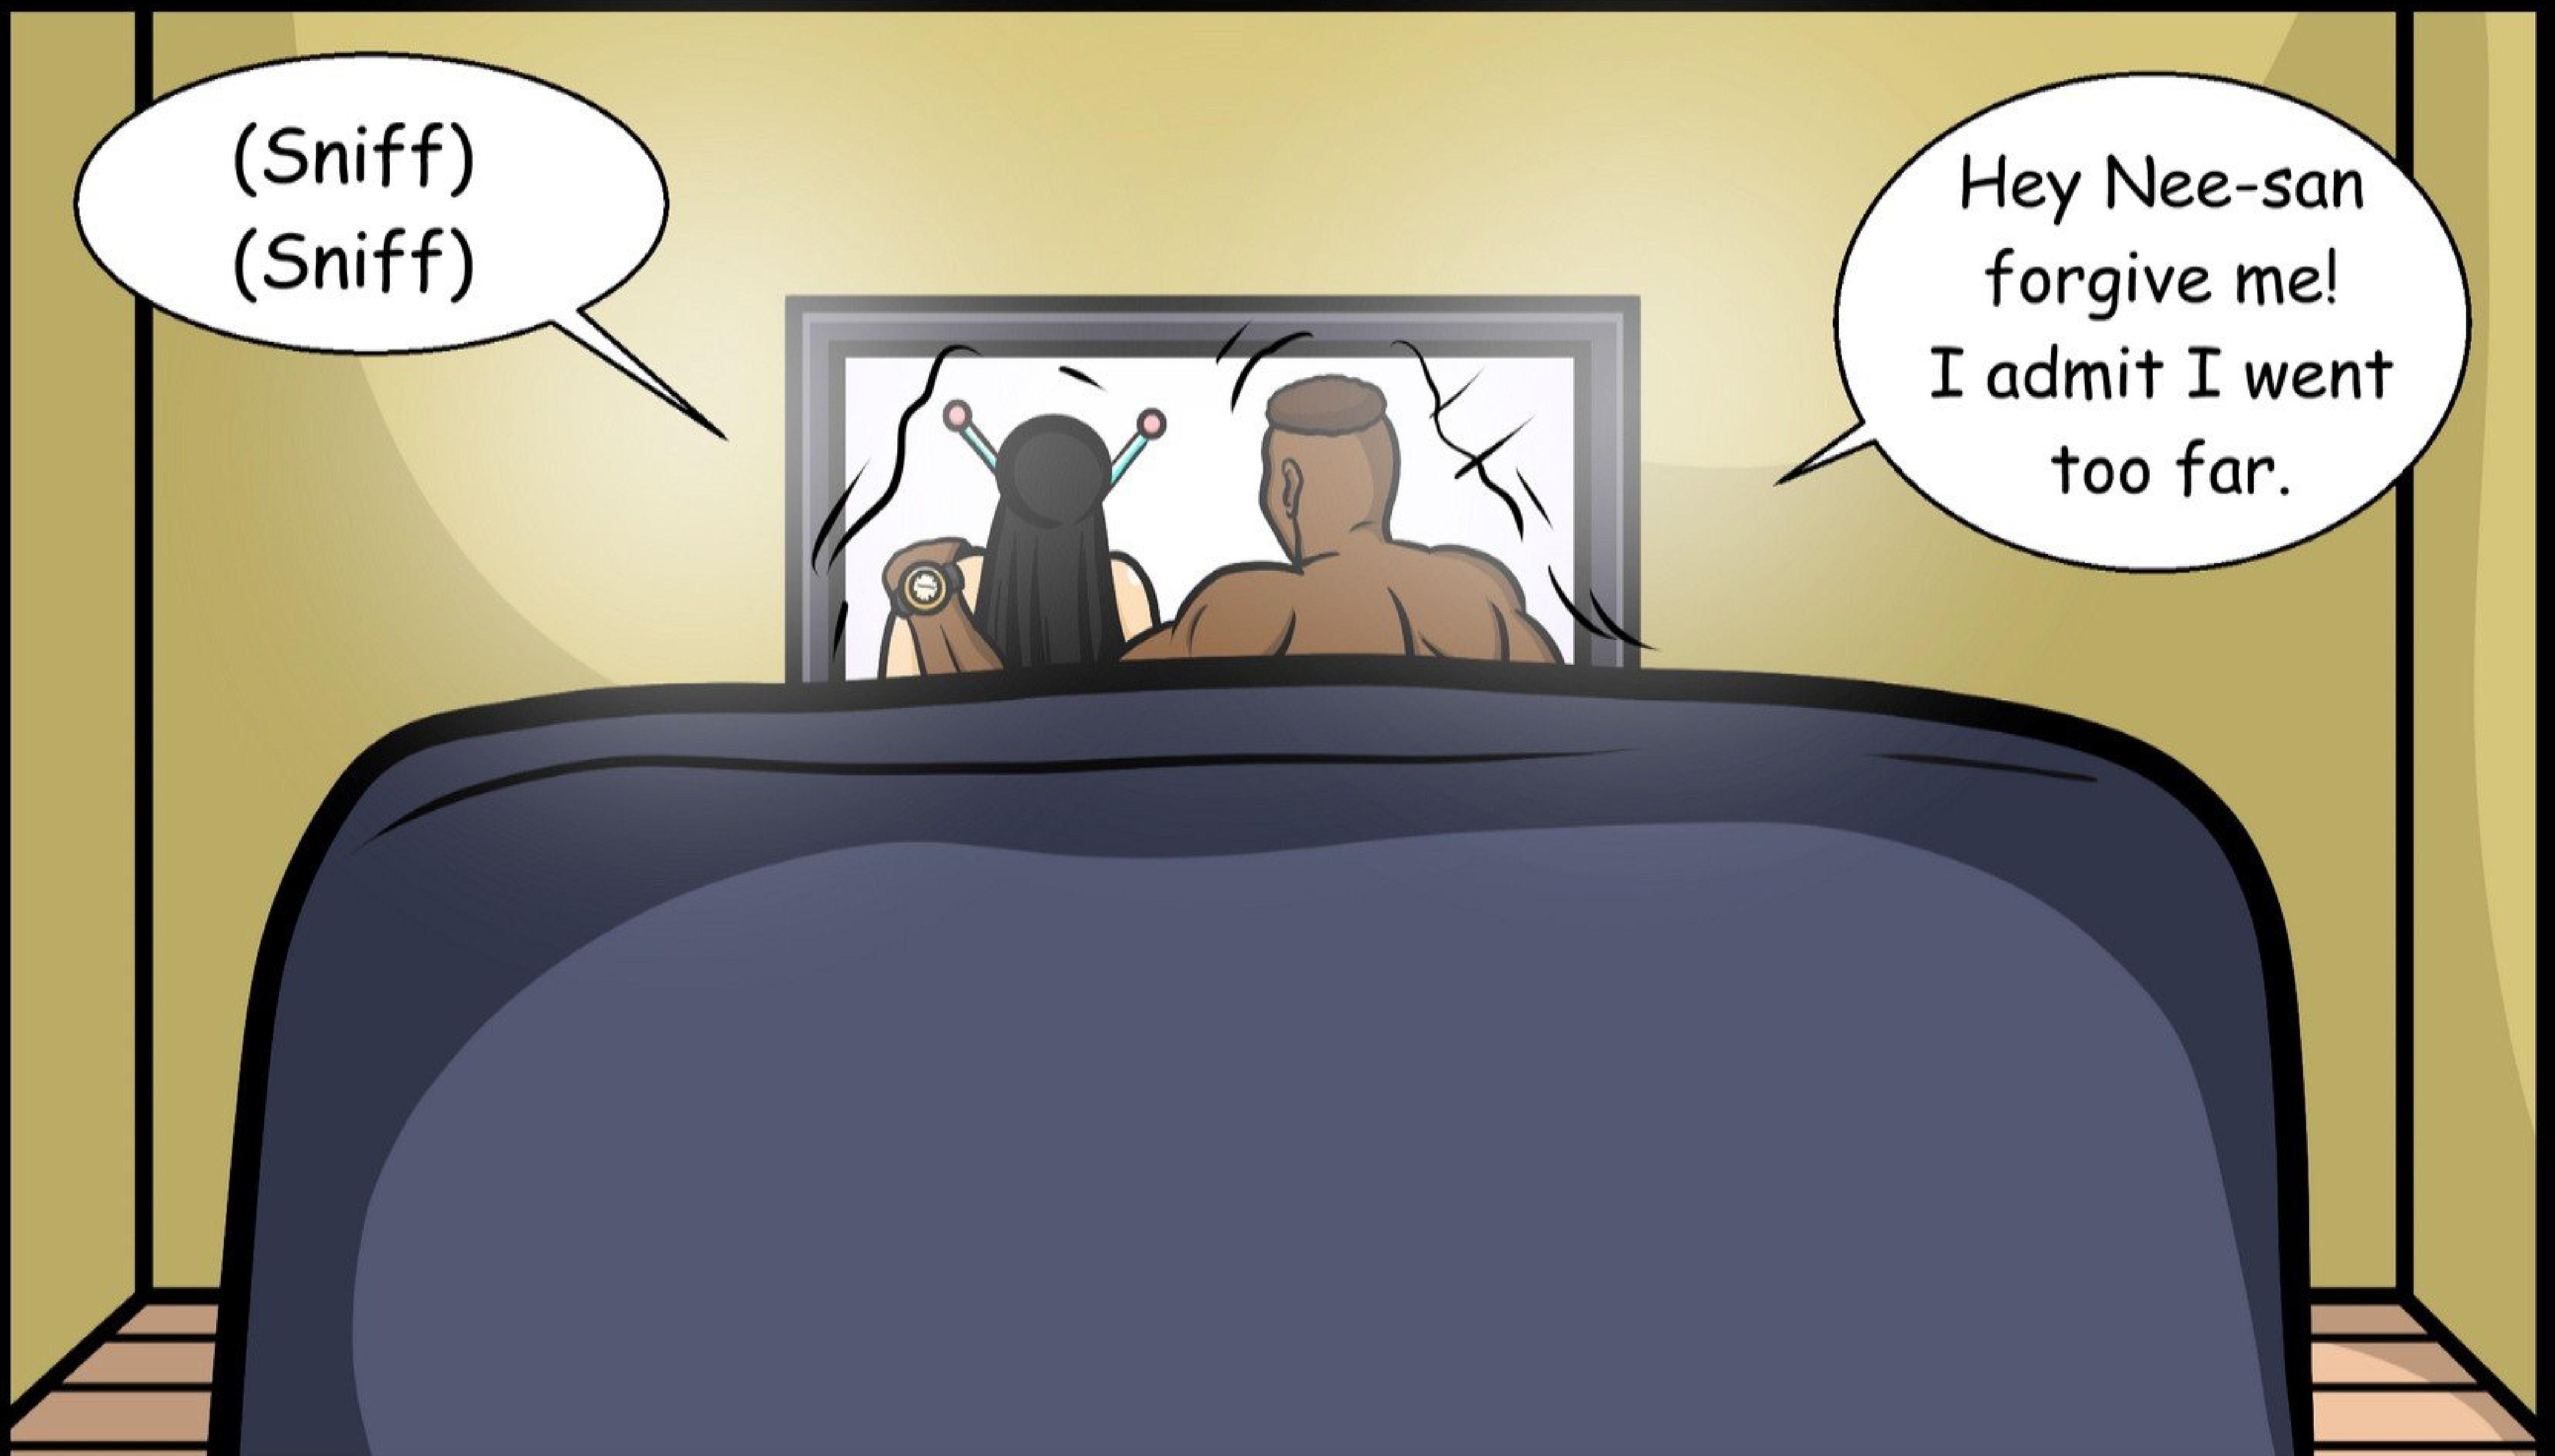

The pain was intense... so intense that for a second, I thought it was the end of me. I couldn't stand it for long, and immediately, I pushed Gavin away from me, before I passed out right there.

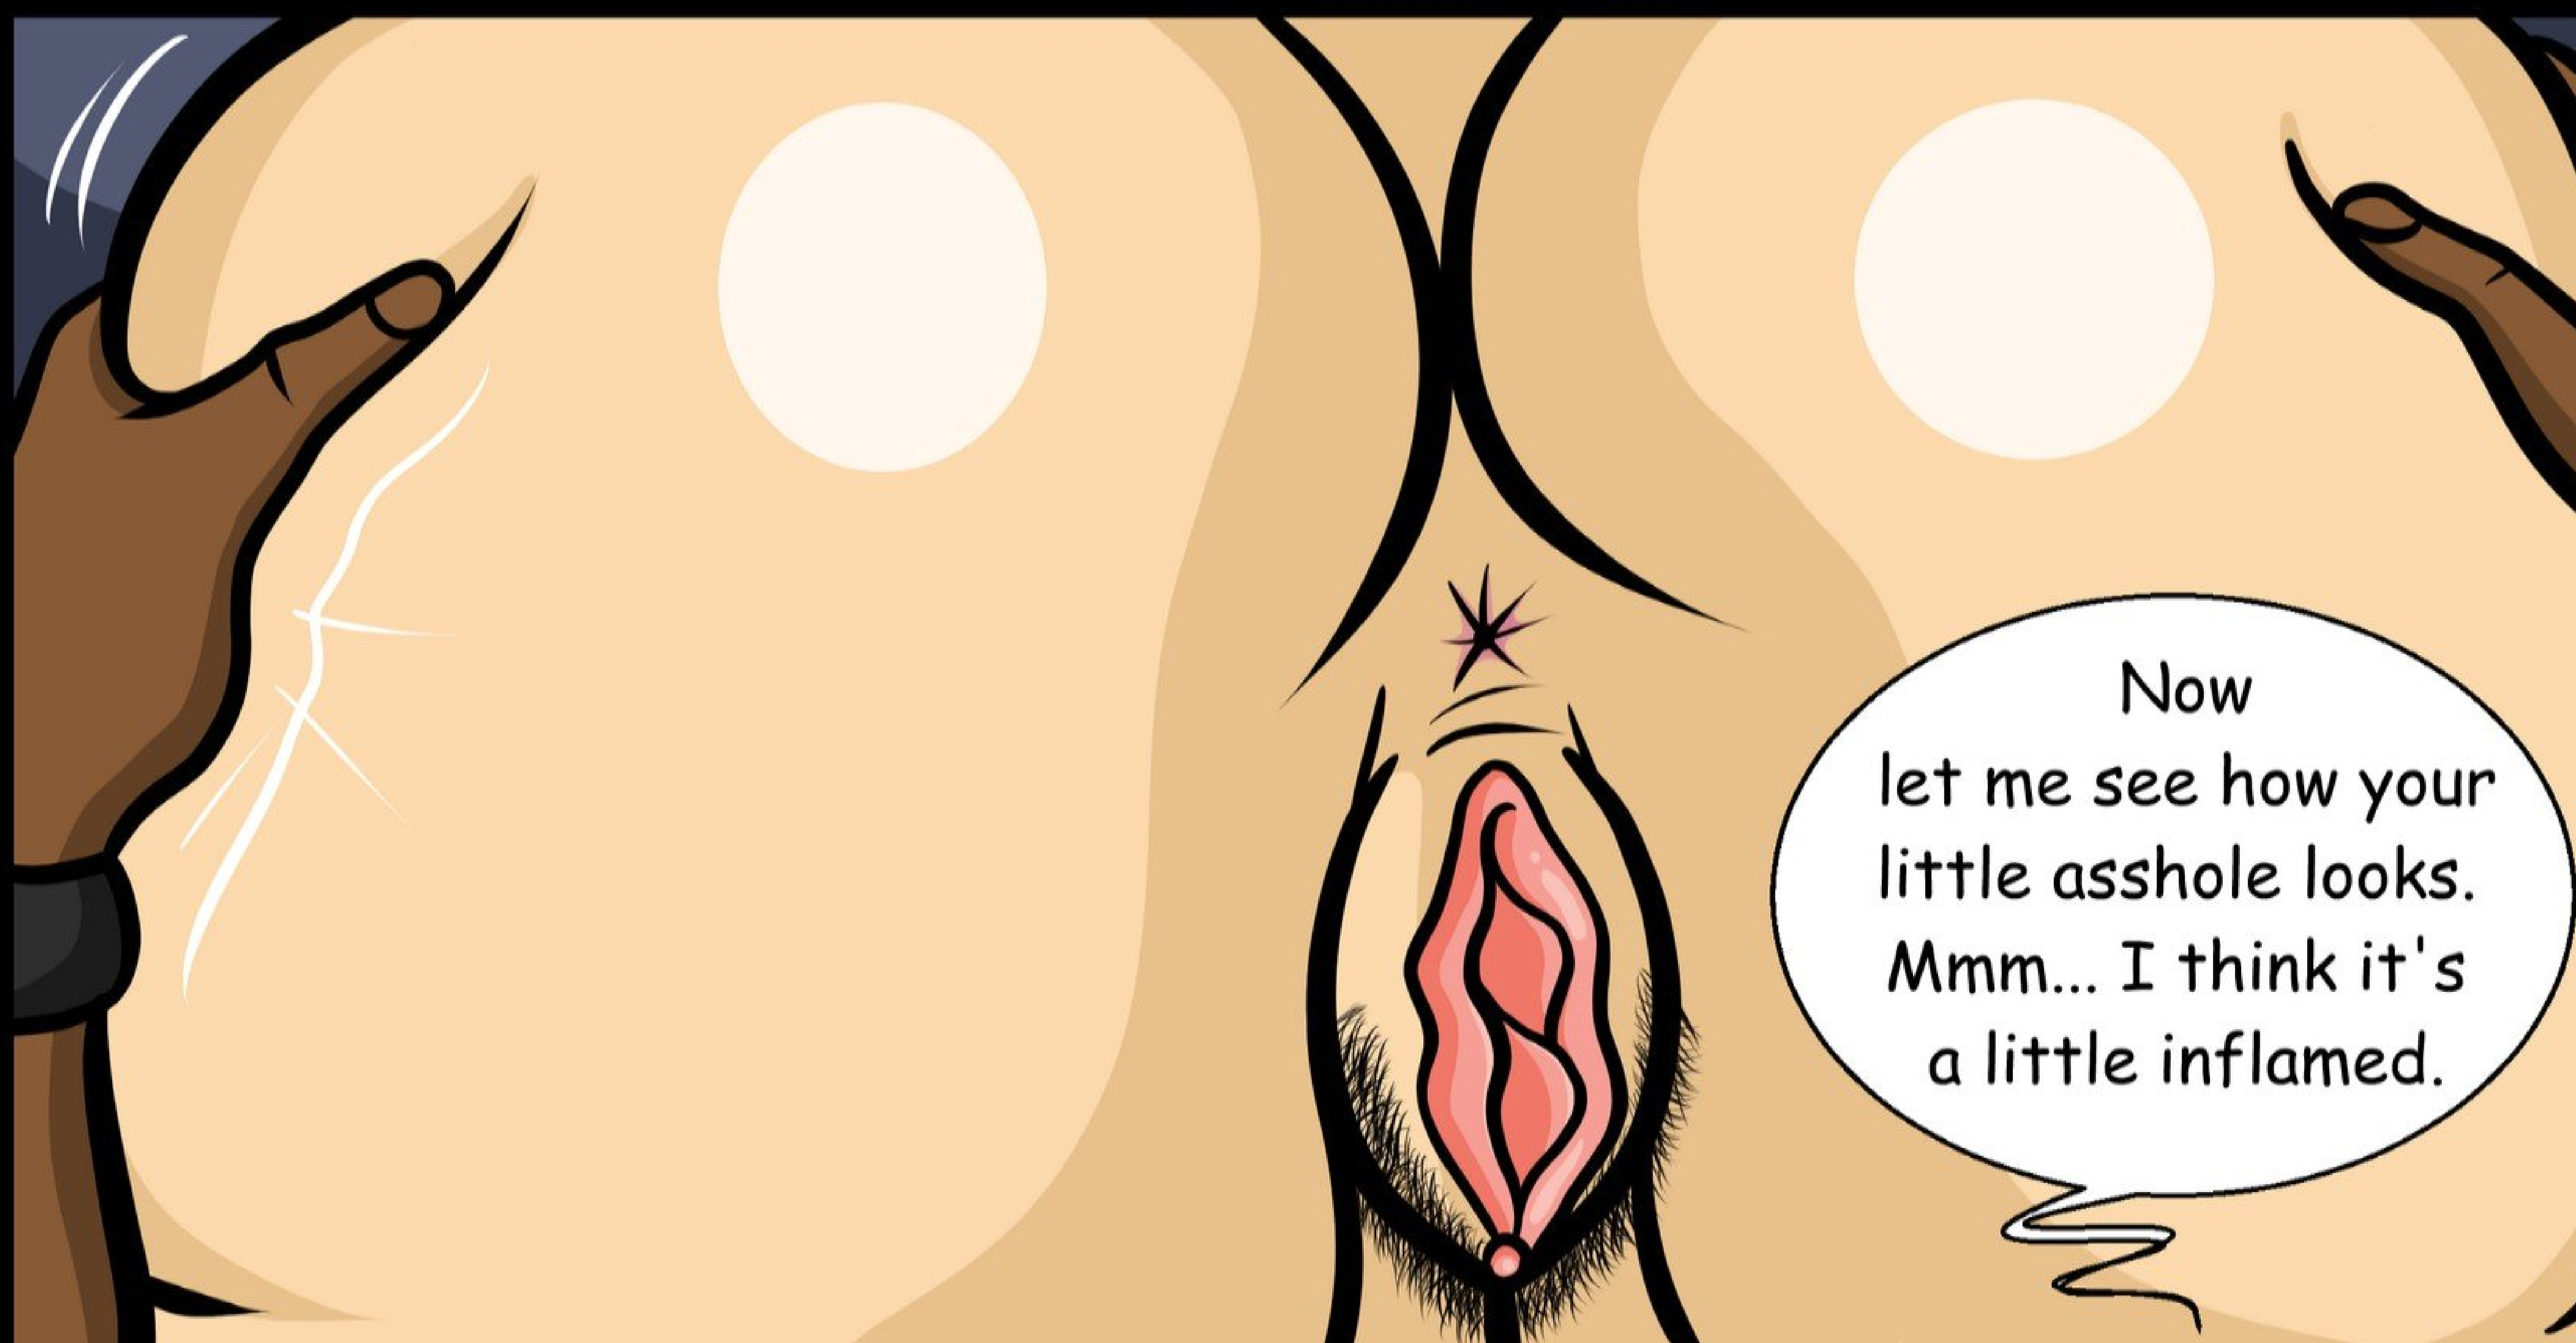

I was very frightened by Gavin's behavior. What was he thinking? He should know by now that there are certain limits to certain things, and my ass was no exception.

I know... I know...
I will never try that
again, right?

I thought I was
going to die. It hurt so
much! No one had ever
hurt me like that before.
I don't want to imagine
that you are evil,
Gavin.
(Sniff)

My anus had severe damage, and Gavin wanted to redeem himself for his rudeness. His tongue served very well to relieve the pain in that area.

We were ready to try again. I could tell that Gavin was very horny, so I couldn't leave him in that situation, I had to allow him to empty his balls.

SUCK!
SUCK!
SUCK!
SUCK!
SUCK!
SLURP!!

Amazing
Nee-san!

Ohhhh!!

SUCK!
SUCK!
SUCK!

SLURP!!

My appetite at
the moment is for your
huge beckdoor
Nee-san!

You have to finish
this soon, Gavin. I still
need to prepare
dinner.

Stay put
Nee-san!

I think your
ass also wants a
good dose of
nutrition.

SLIIISH!!

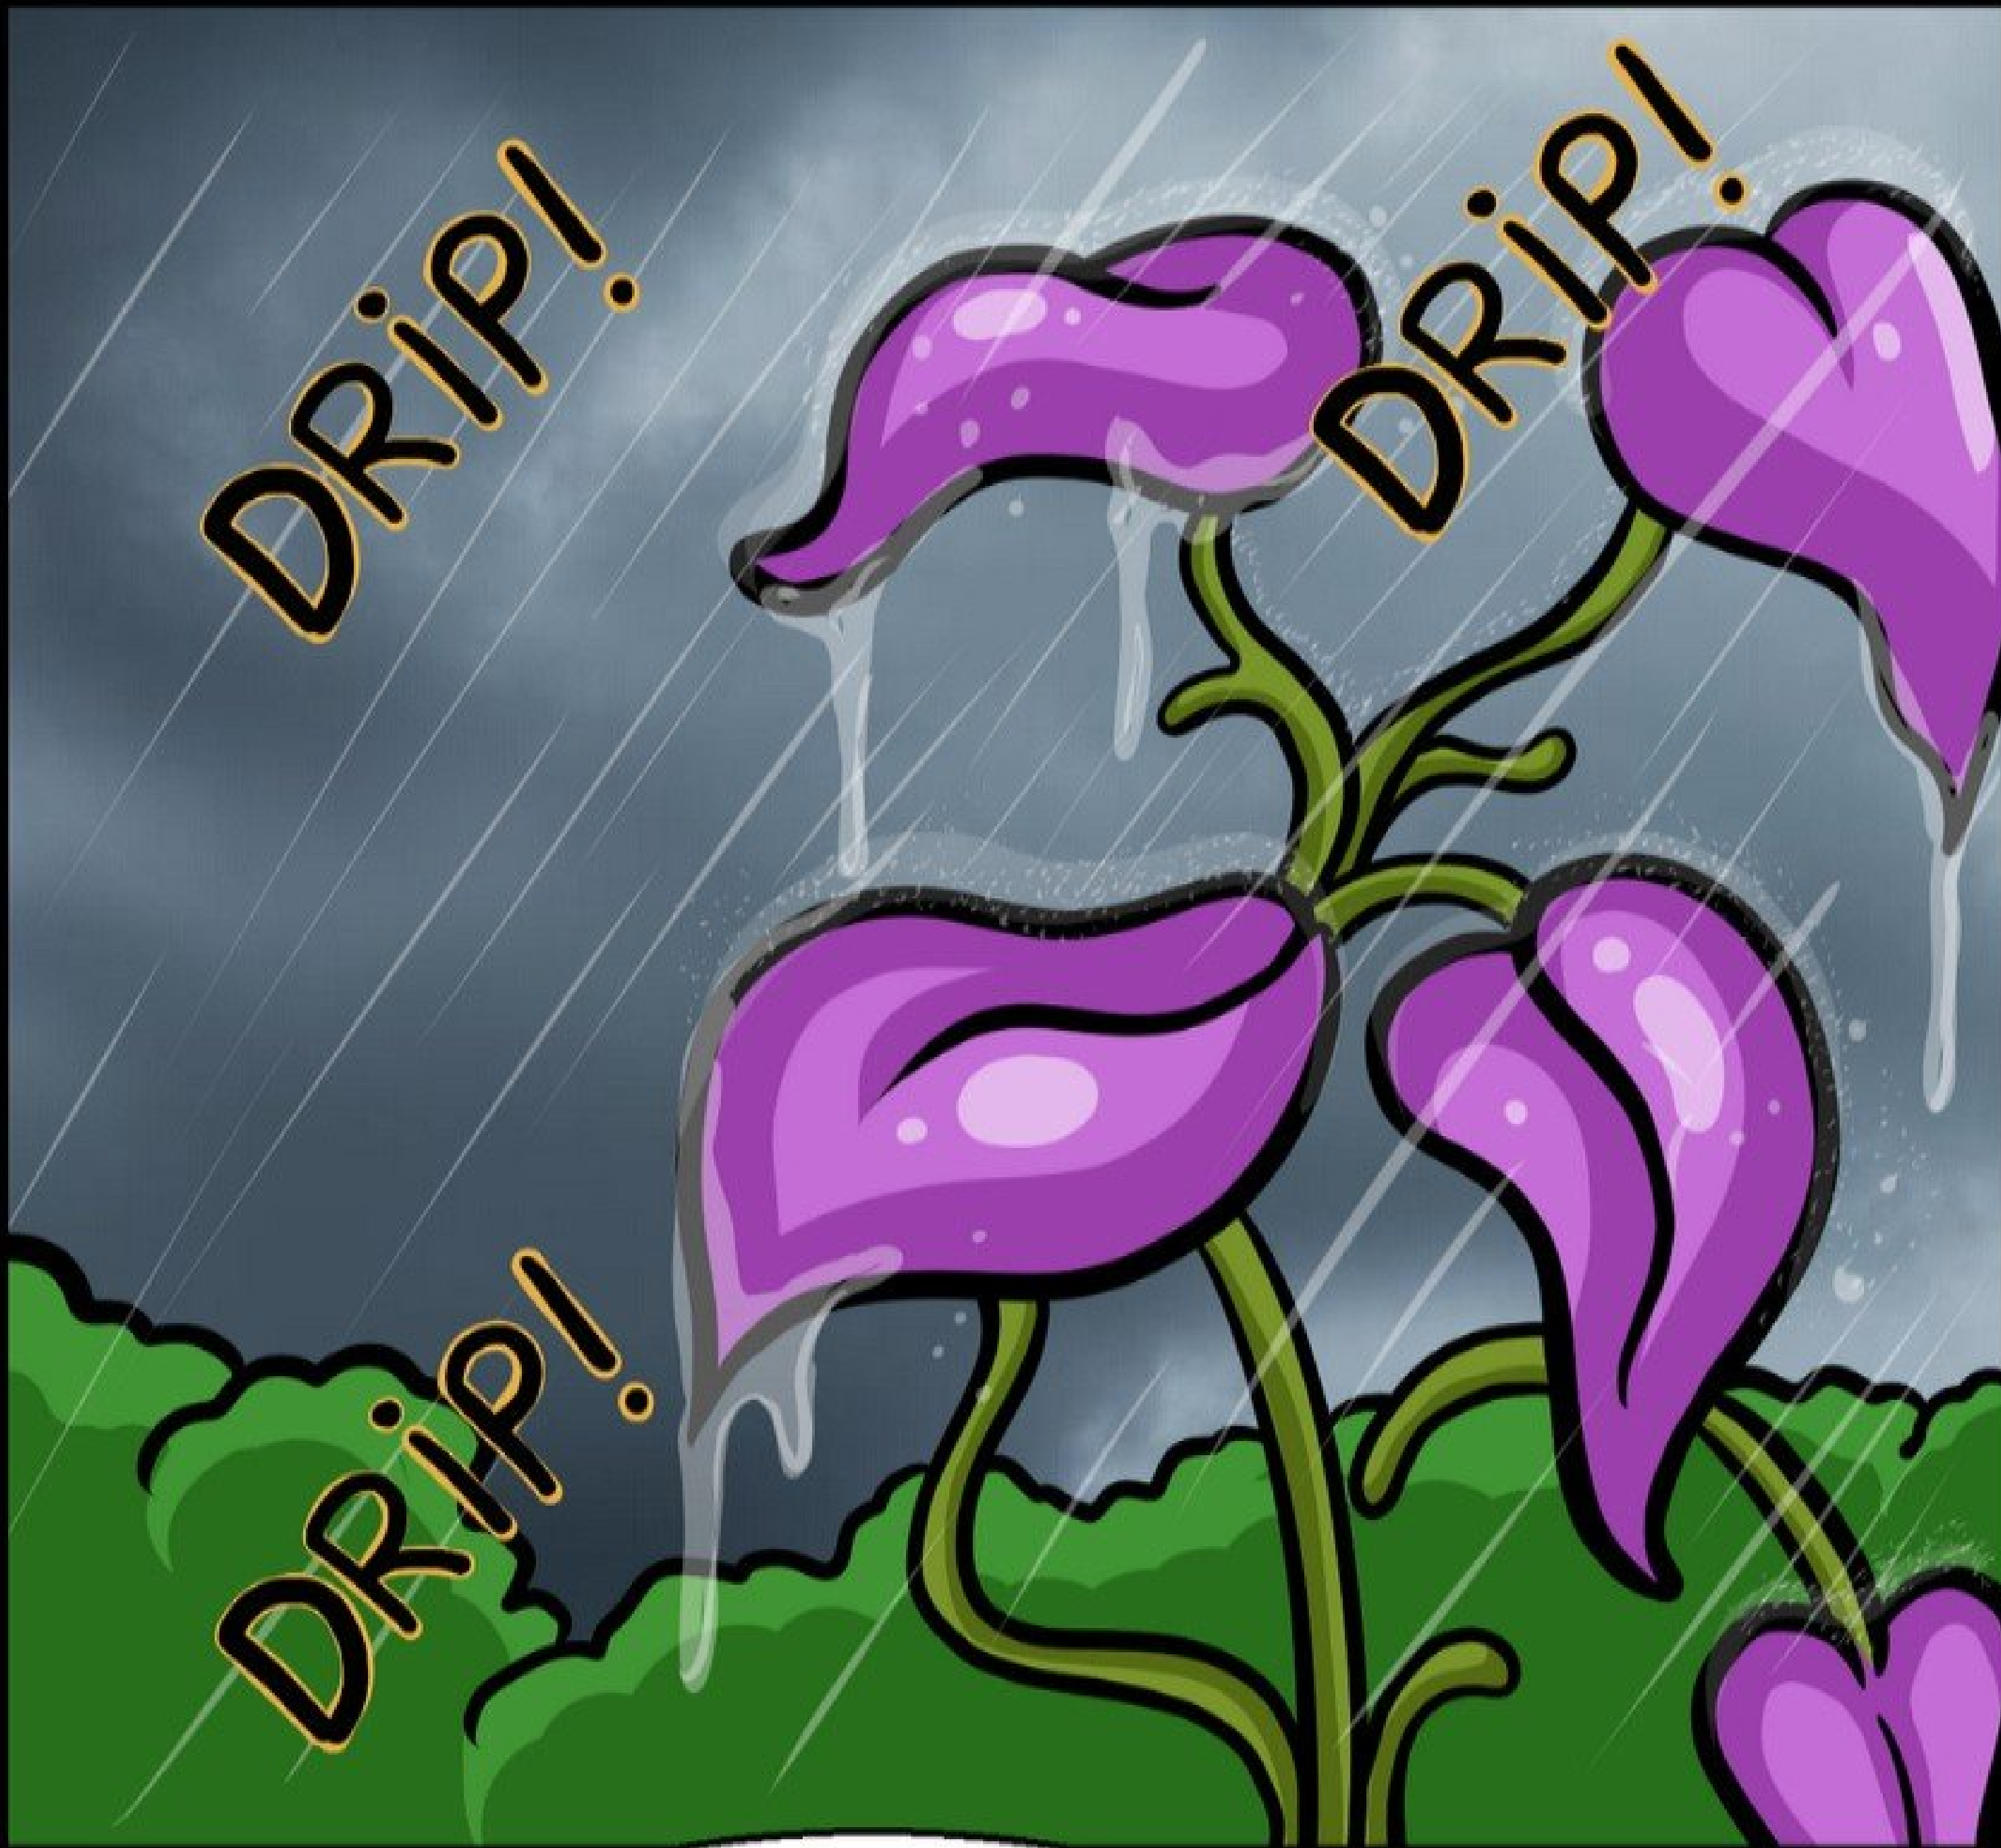

And I know very
well what is the favorite
dish of your ass!
Mmm slid in easily!

Ahhhh!!
Don't push it
all!

SLAP!

SLAP!
SLAP!
SLAP!

As a devoted sister-in-law to her household, I should have tried to prevent this from snowballing into what it had become. But the truth is that I no longer had the strength to fight the desire to be penetrated in my butt.

Uhhh!

I love to see you excited like this Nee-san! It's something unusual to see you lose your shyness!

Ohhh!!

Yeah Gavin! Fuck me in my ass! Ahhhhhh!!!

SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!

He was right... I had always been-as every good traditional Japanese wife has to be-shy. His colossal penis was breaking down these conservative barriers in me.

What a delicious ass,
Nee-san! Your soft
buttocks are an invitation
for my big cock! Uhhhh!
You're so horny!

Ahhhhh!!
That hurts too much
Gavin!

SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!
SLAP!

... but the pleasure in
being penetrated by his
giant "thing" is
wonderful!

Oops!
It slipped...

POP!

Gavin's huge penis had already lacerated my anus so much in the last month, that with the passage of time, my rectum was already fully adapted to that colossal member.

I'll... I'll help
you with that,
dear.
Ohhhh!

Thank you Nee-san!
Uhhhh!!! Now it's easier
to get in. Your hole is
already fully enlarged!

It was one of the biggest cumshots that Gavin had ever released. I also had one of the best anal orgasms and with that, exhaustion was visible in our bodies. Gavin seemed satisfied, and so did I.
