

Date

This place is bigger than I thought.

I live with my... roommates.

Are they home?

No.

You want a drink? We've got wine.

No thanks. Where's your room?

Down the hall.

Ok, let's go.

Wuh??

So you can show me your stamp collection or whatchamacallit.

squeak

Here it is..

Do you mind if I rest my feet a bit?

No, go ahead.

What are you doing all the way over there?

Why don't you come over here so we can cuddle?

I...

Um...

I'm gonna put on some music!

You're not nervous, are you?

What?? Noooo..

Is this your first time?

Huh? No way, I've... had tons of sex...

What a shame. I like to be the first.

Well then I'm a virgin! Hahah!

No seriously though, no girl likes a guy with no experience...

Hmm.

Guess you've never been with a spotted hyena before.

When I saw you at the gym in those booty shorts-

Not booty shorts, totally normal, manly shorts.

They all look like booty shorts on an otter!

I could see you're really working with something..

Becca...

You might wanna stay away from
otter girls, huh?

Why?

I don't think they
can handle this.. at
least not the less
experienced ones!

Yeah..?

Did you google us?

Uhuh..

And?

It looks
interesting...

Really?

You know what turns
me on?

What?

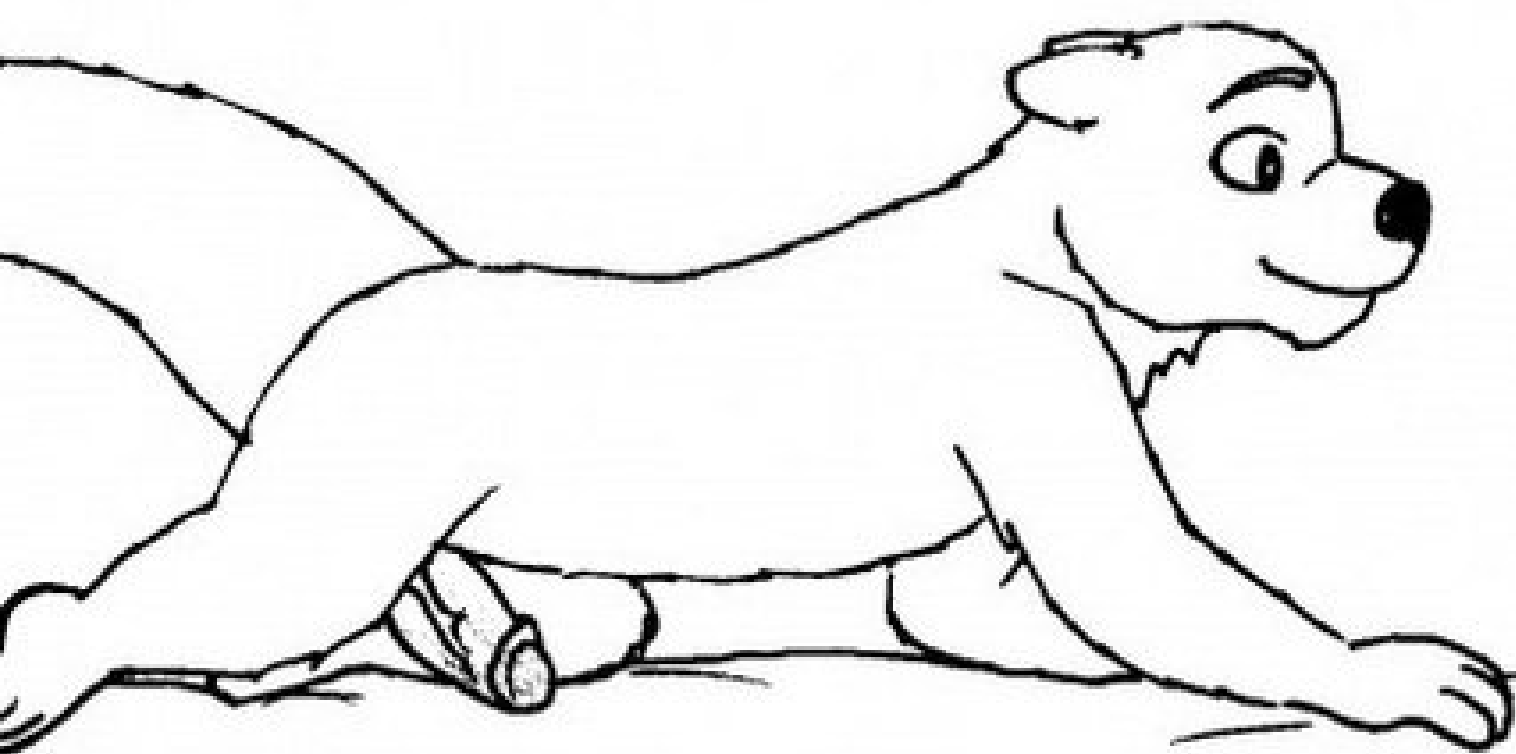

When a guy plays with himself
in front of me....

Boy, you are thick! I'm
gonna have fun with you...

Ha hah..
y-yeah?

C'mere.

chirp

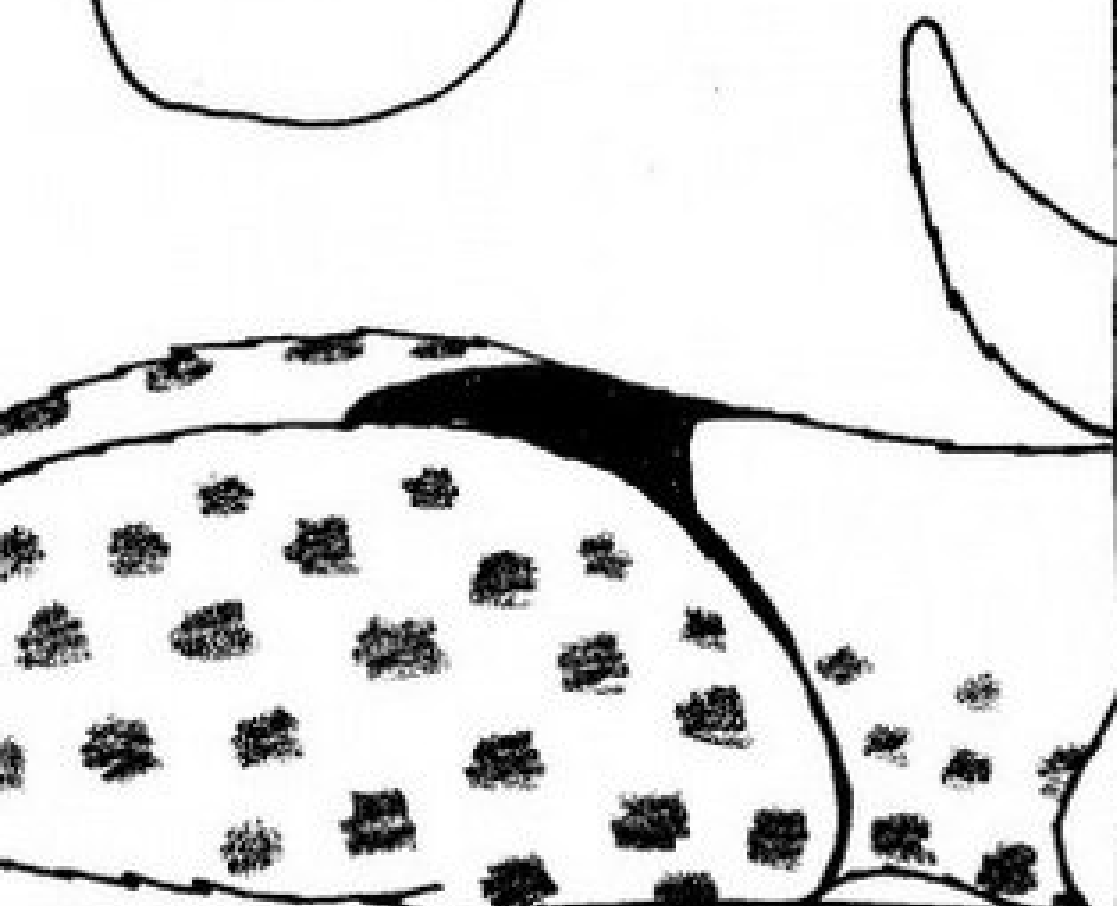

Look what you did,
you got me all excited!

My panties are tight, do you mind?

Haha.. I did?

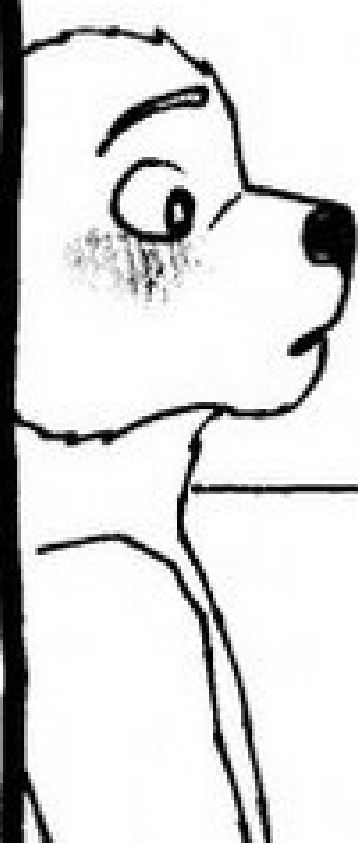

Ok..

You're not one of those guys who's
upset if he's not the biggest, right?

Good!

Huh? No,
I don't care!

Let's see what
otter tastes like..

Aaahh... a-are you gonna give
me a blowjob?

That's not a good idea,
I get bitey when I'm
excited.

Your butthole is so
precious!

Is not! It's rugged...

Guhhhhh...

Oh god, this is sooo dirtyy...
hnnhh...

Alright, big guy.

Your turn.

So what do you like?

Look at you being a gentleman!

scratch
scratch

Just treat it like a dick... for now.

There we go..

Are you sure you haven't done this before?

moan

I'm gonna turn around, it's easier.

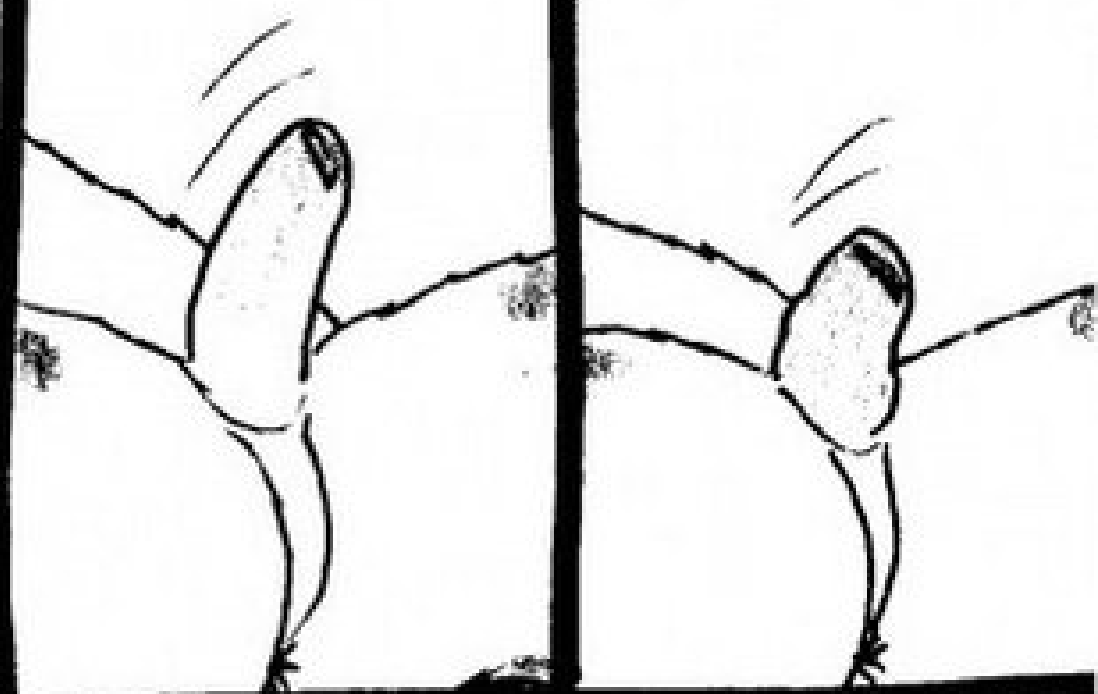

Ok.

moan

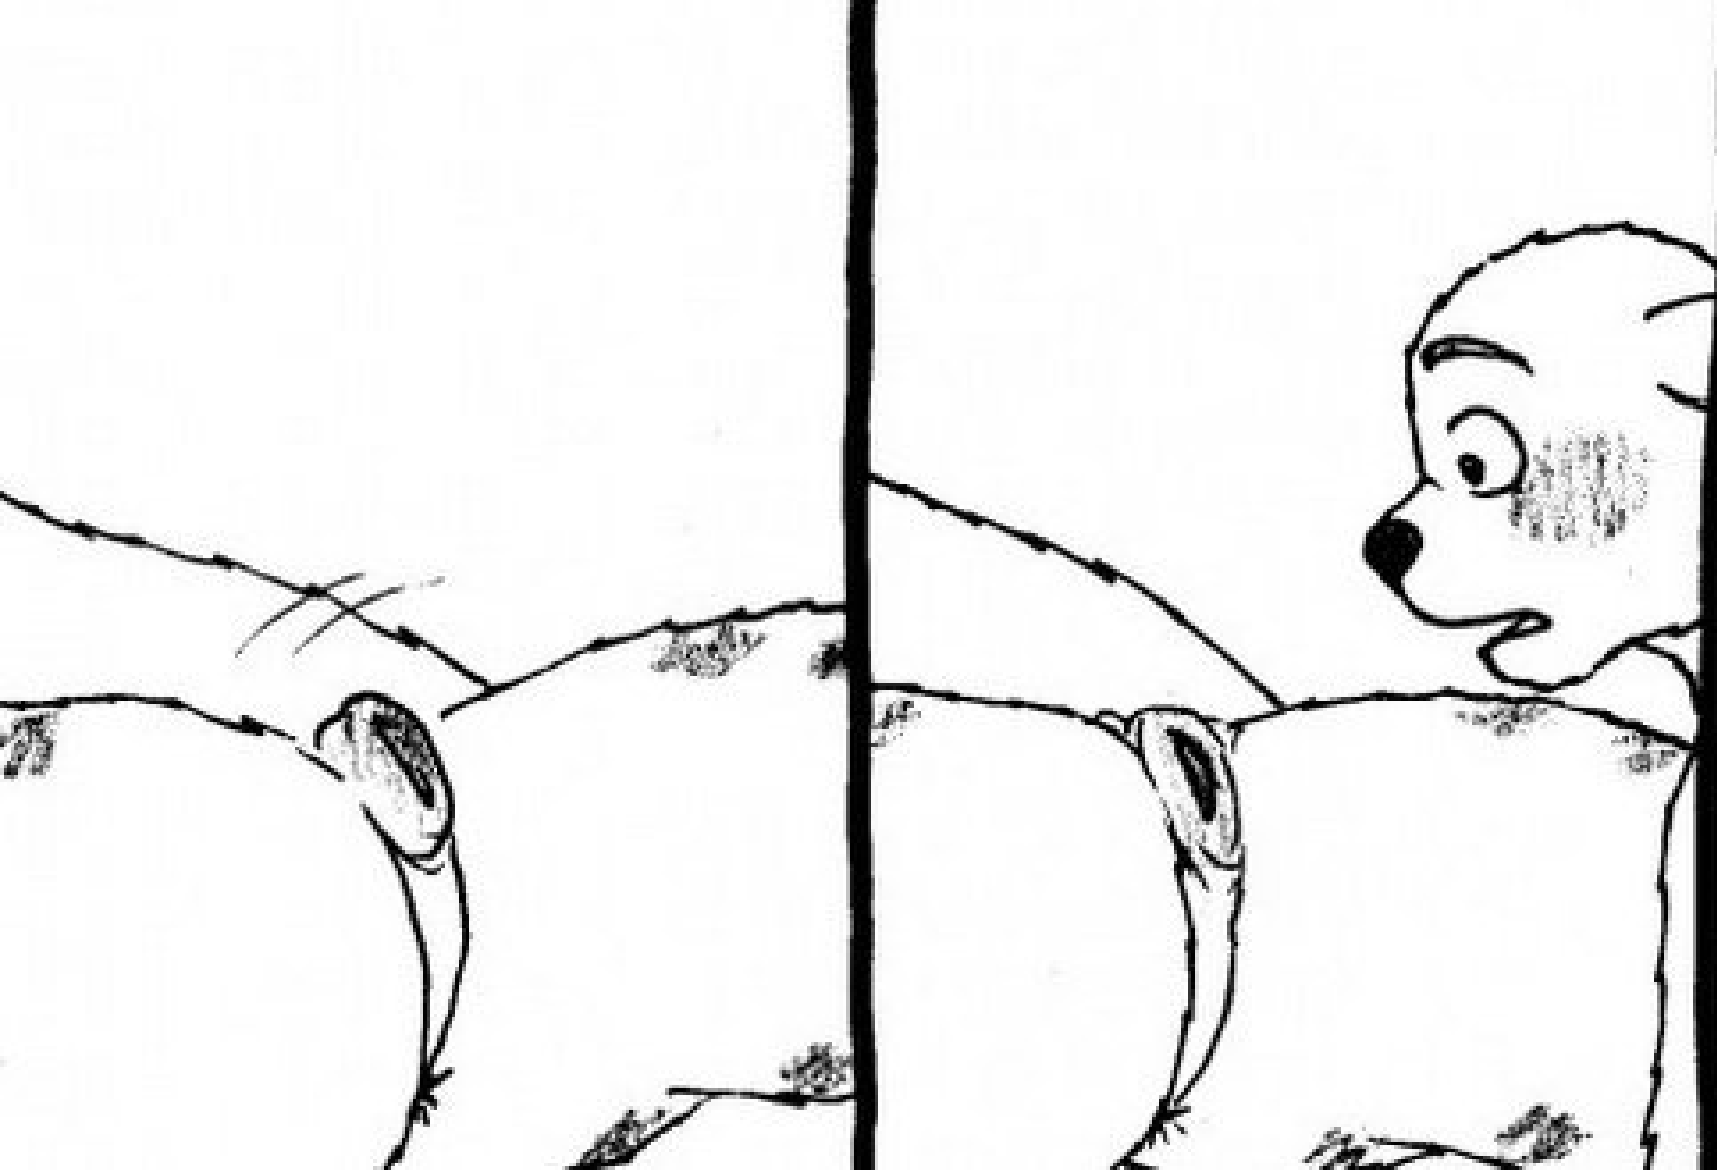

Wanna fuck me?

Y-yeah!

Whu....

Well? It ain't gonna fuck itself...

OH MY GOD IT'S
HAPPENING!!

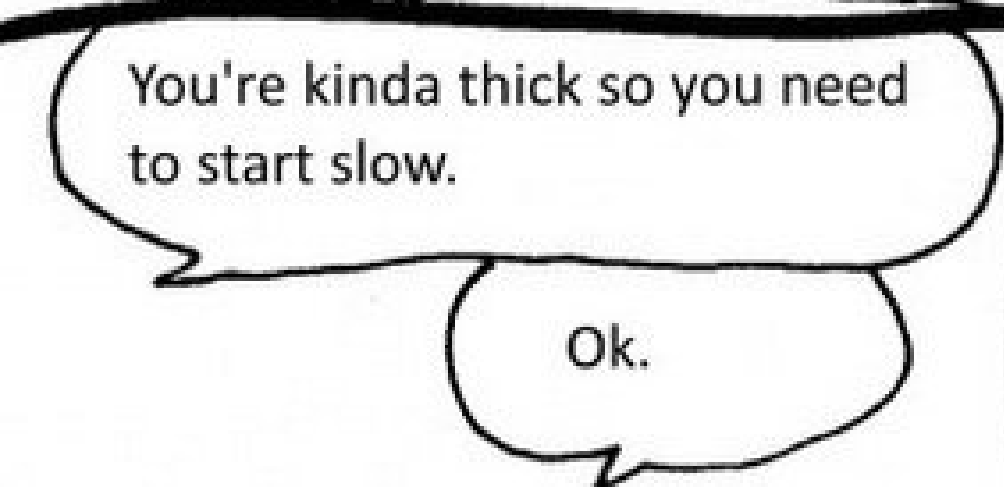

Hnnhh....

Are you ok?

(krhm) Y-yeah!

You're kinda thick so you need
to start slow.

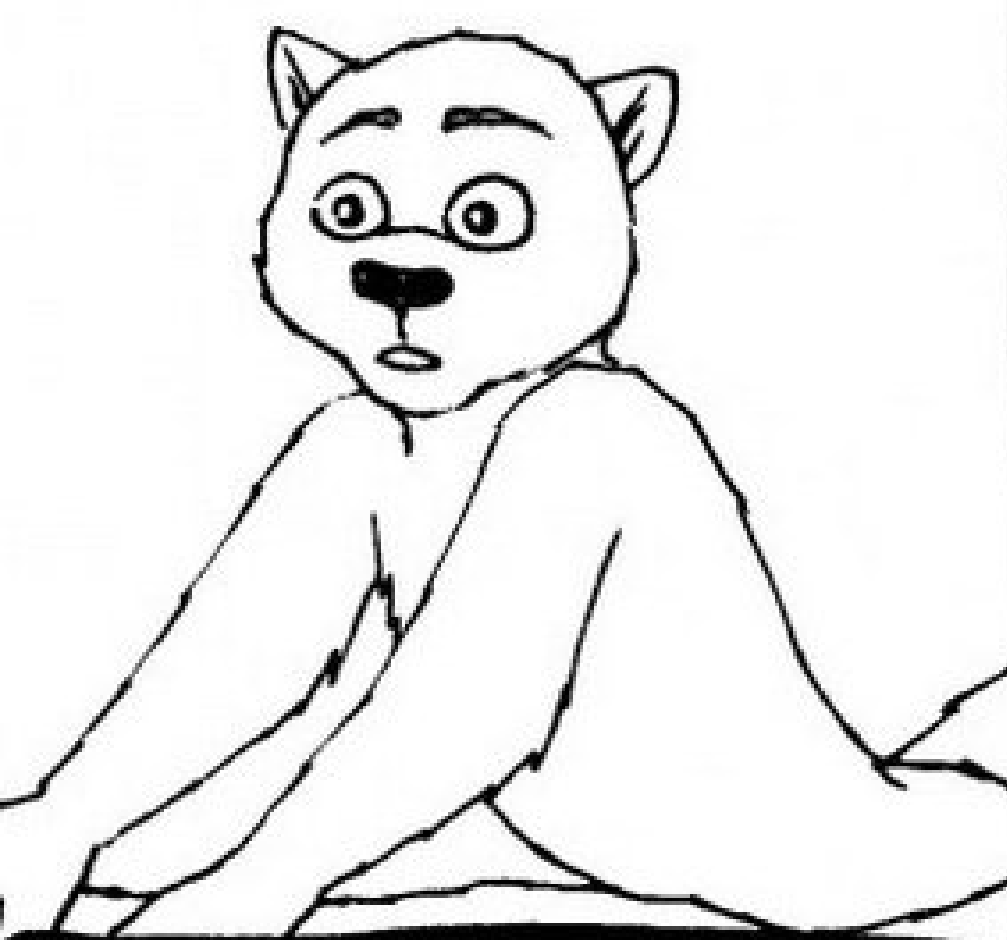

Ok.

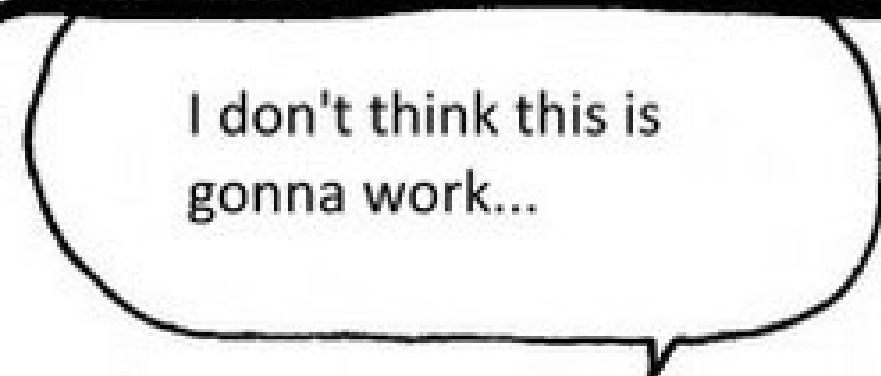

I said slow!

I am going slow.

SLAP
SLAP
SLAP
SLAP

I don't think this is
gonna work...

flip

moan

Ahhhhh!

You... you came..?

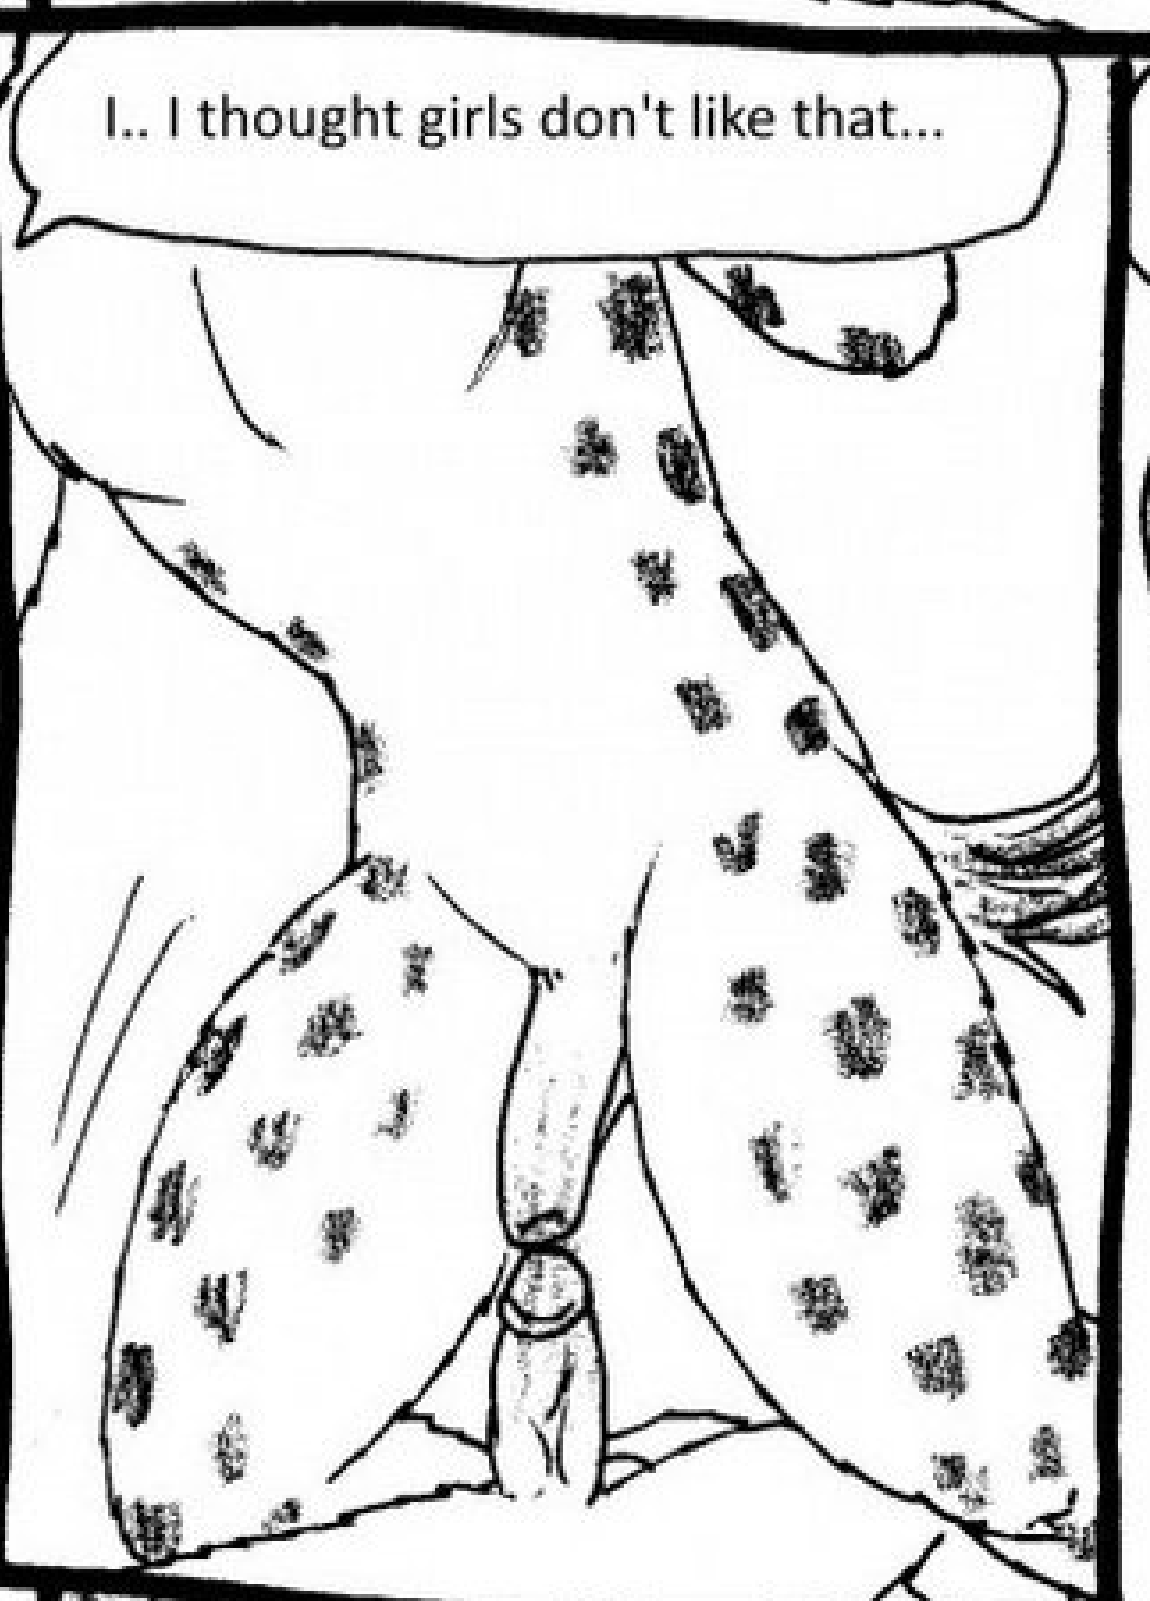

(pant) Don't worry, we're not done here..

You like anal?

Huh!?

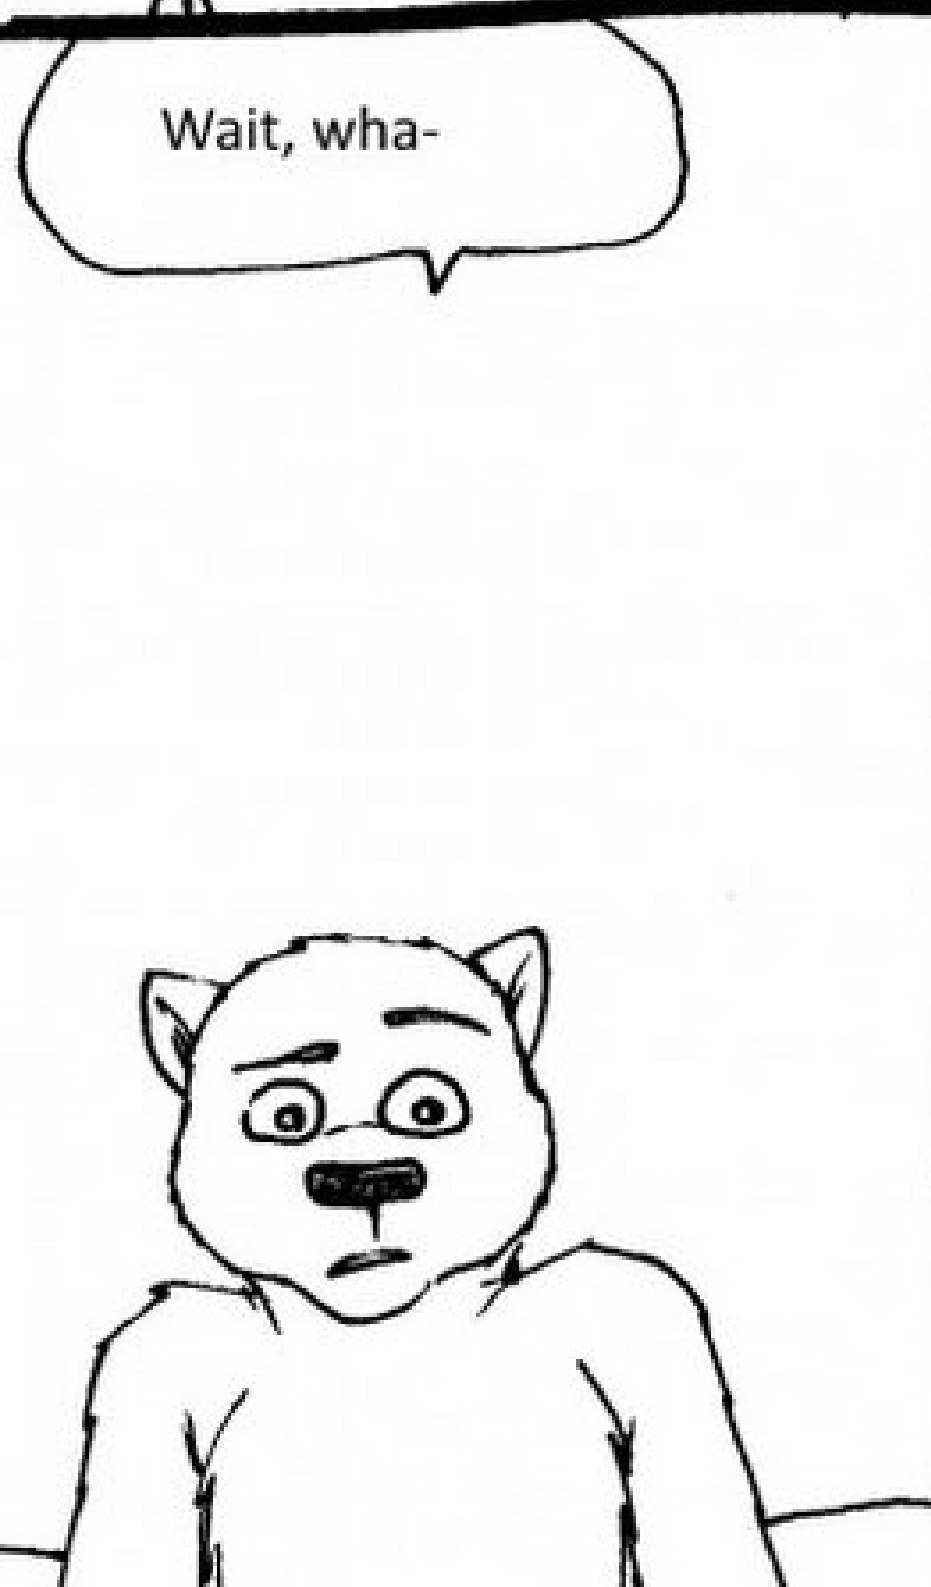

You wanna do me up the butt?

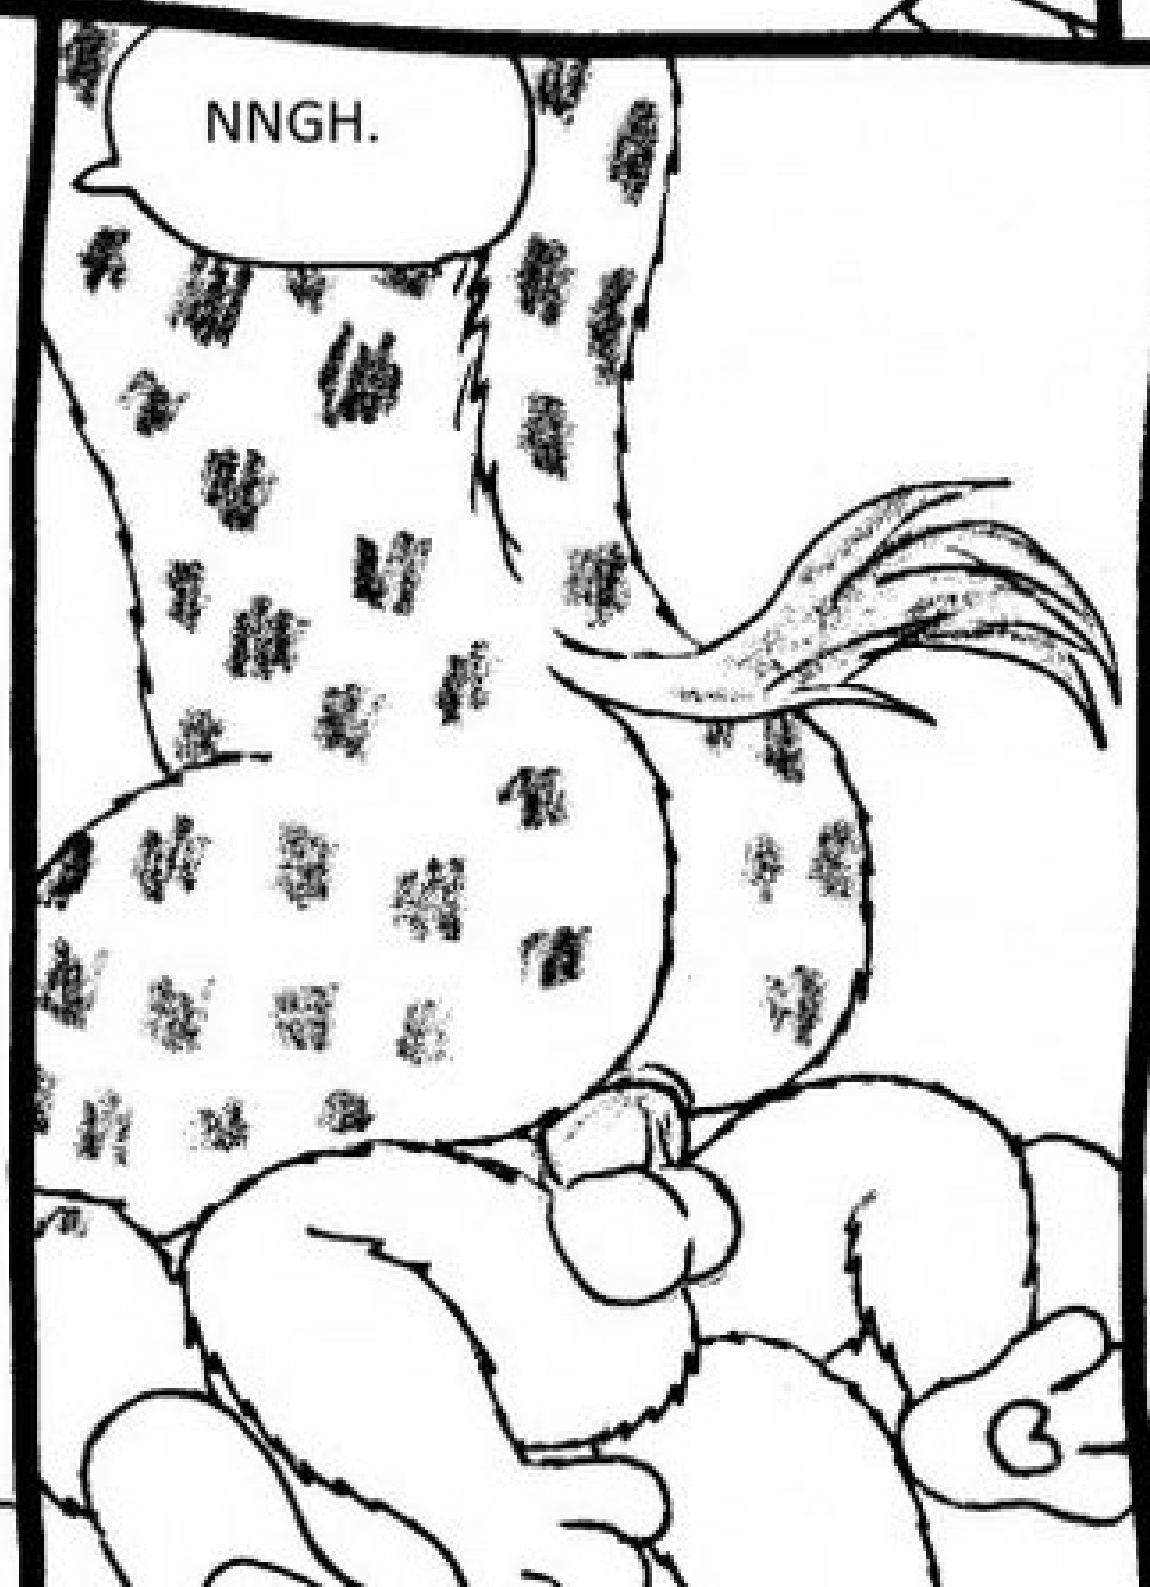

I.. I thought girls don't like that...

In my experience they like it just fine.

Wait, wha-

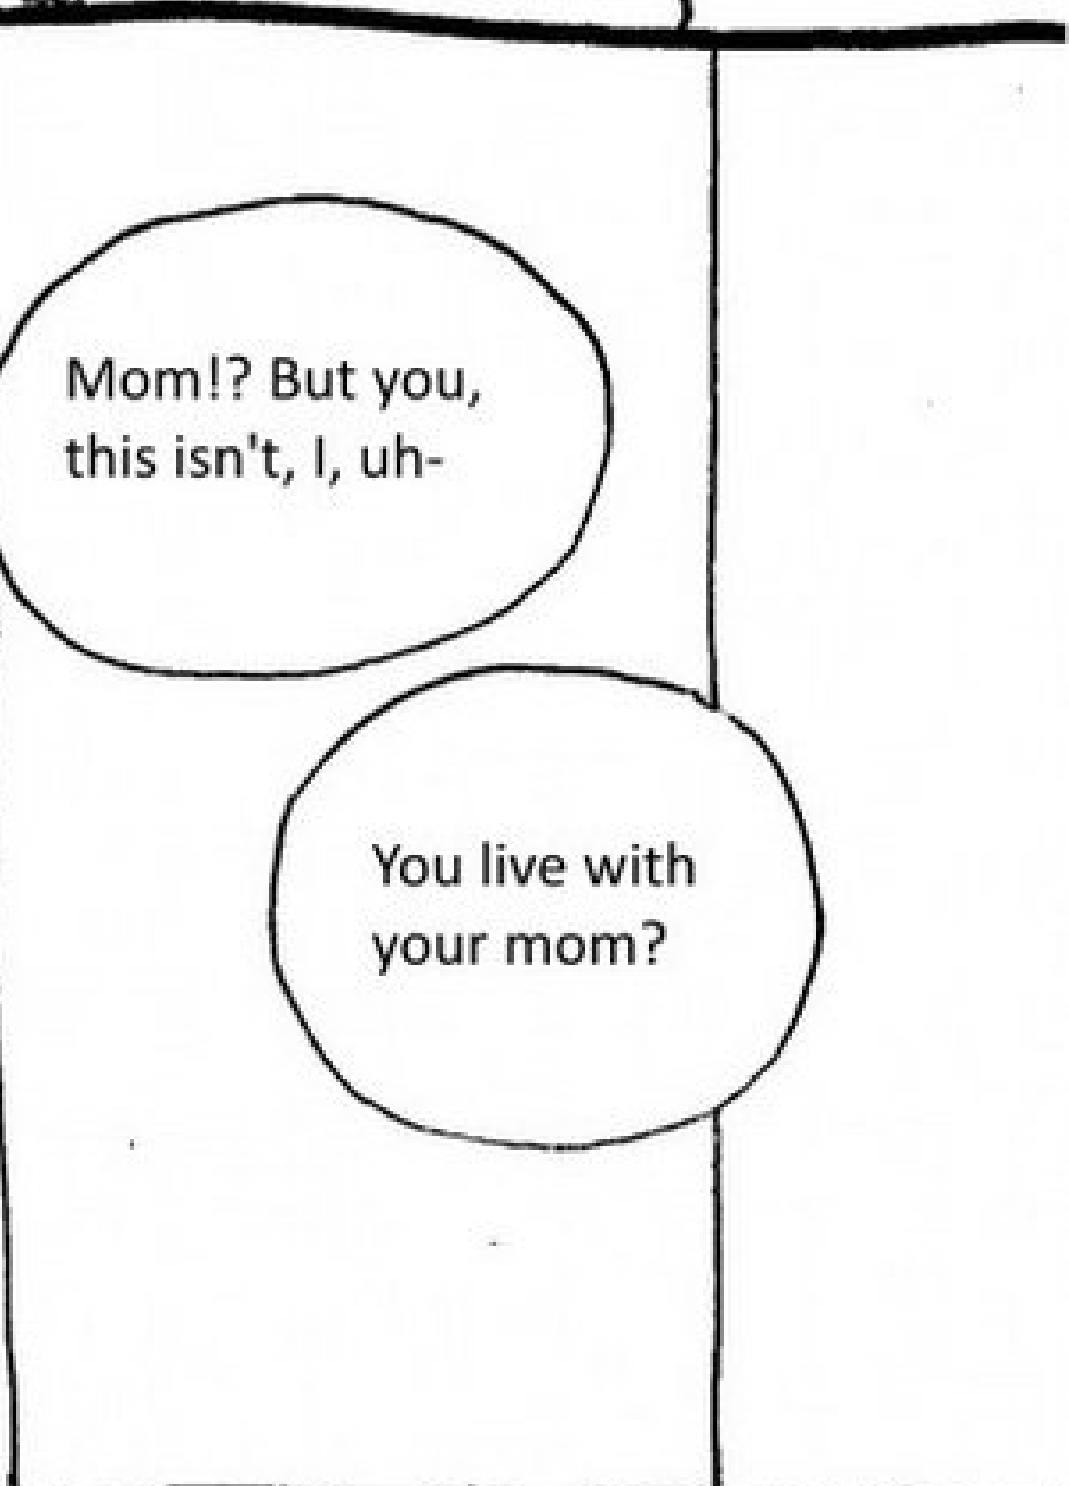

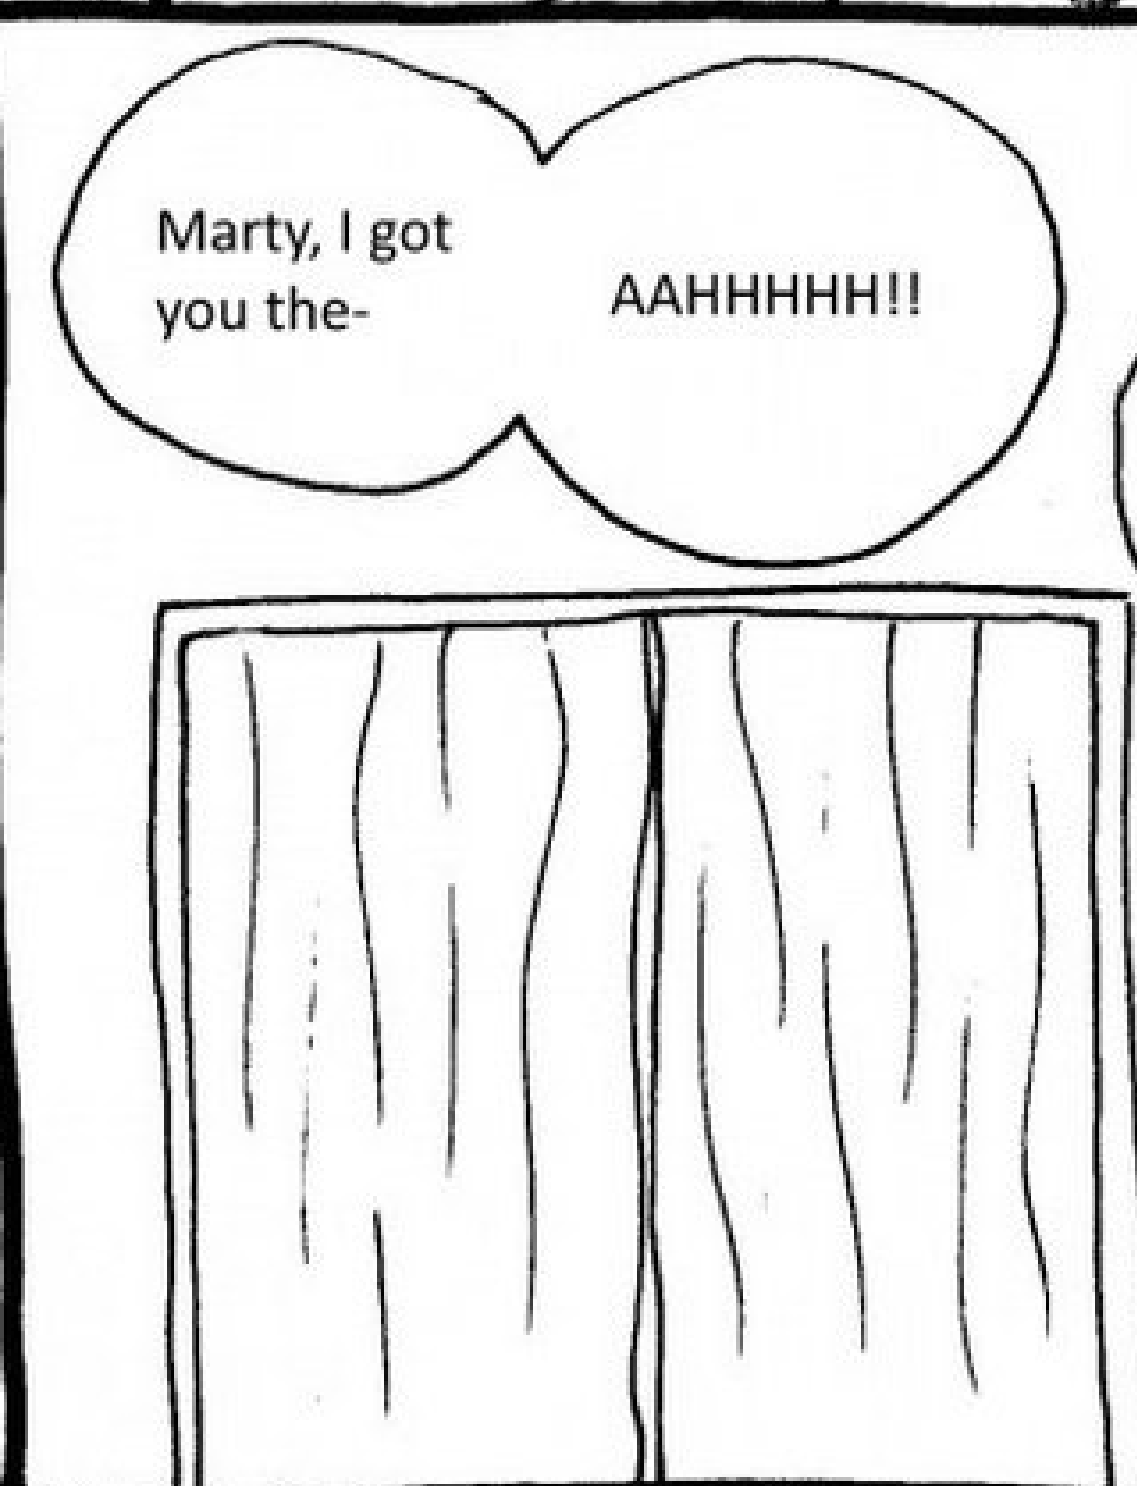

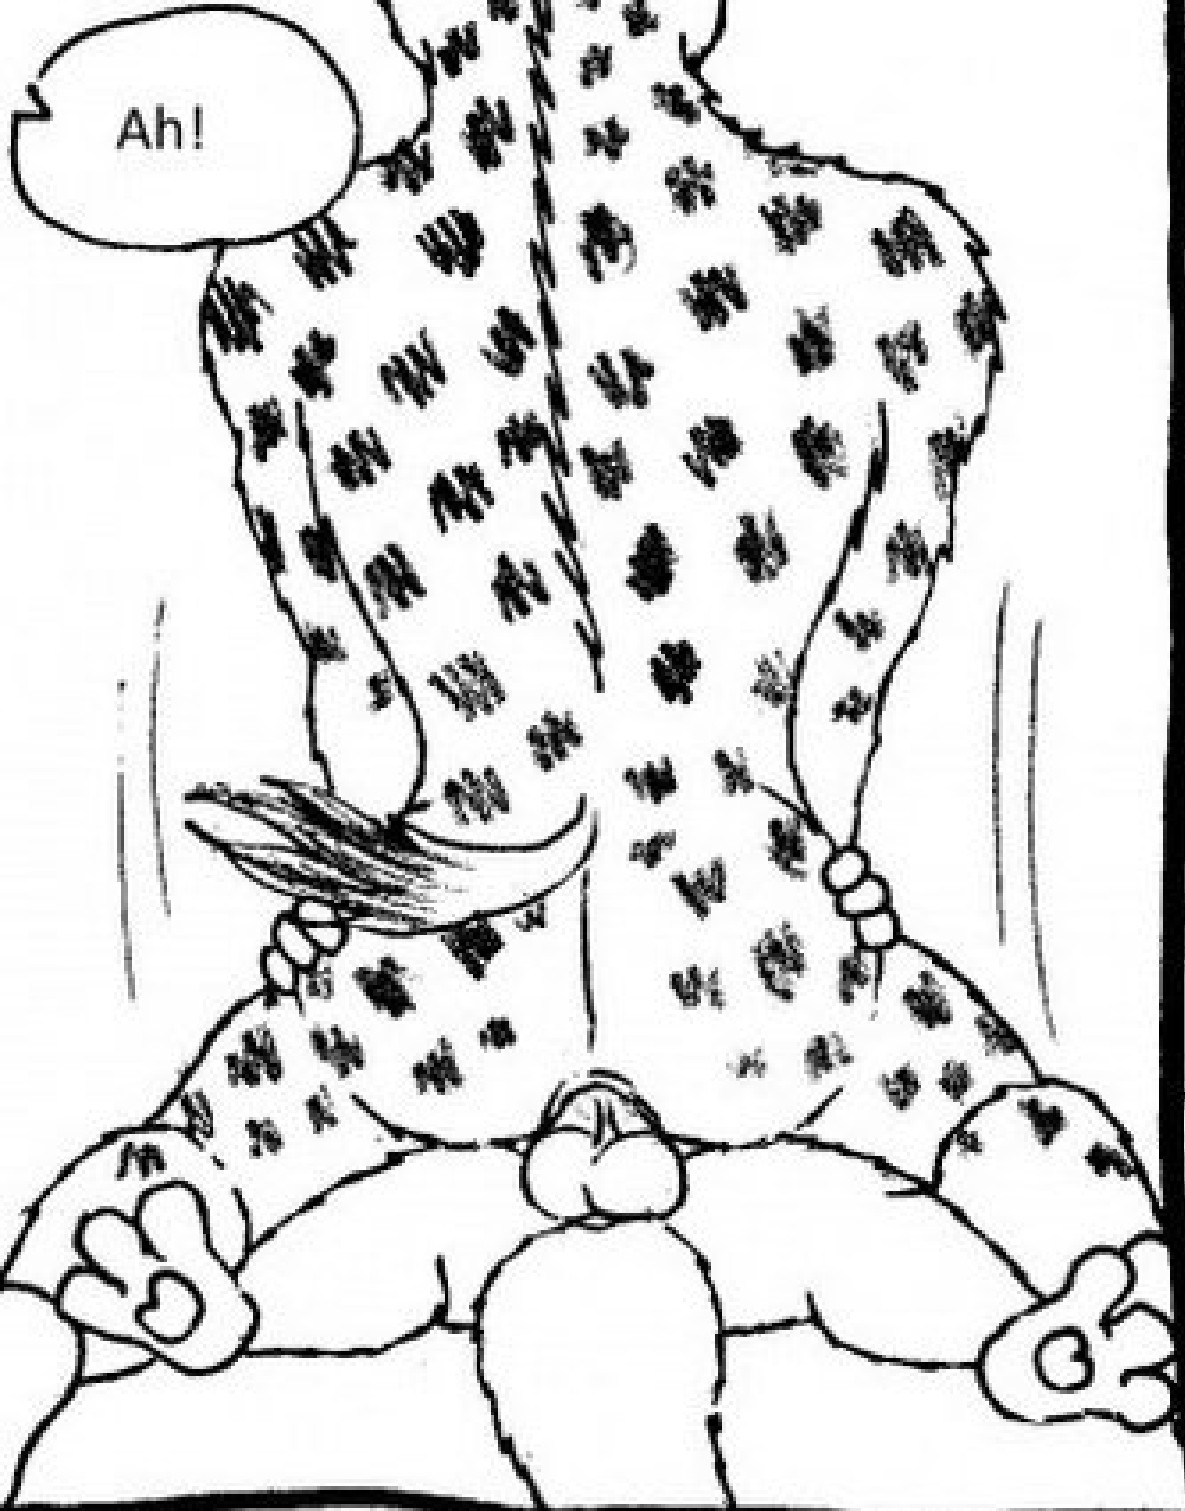

NNGH.

So t-iiight...

Remember to breathe..

I'm gonna get the repellant!
The baseball bat! The, the..

Crap.

MOM! Get
out of my
room!!

And you! I
haven't even
started with
you!!

Becca, wait!!

Mom, you're
embarrassing me!!

EXCUSE ME!!?

BECCA WAIT! I LOVE YOU!!

Shut your mouth!
Or do you want a
spanking!?

That's what I'm talkin' bout.

Did you see that?? That guy had no balls! I wonder what happened.

Dude, that ain't a dude, that's a dudette.

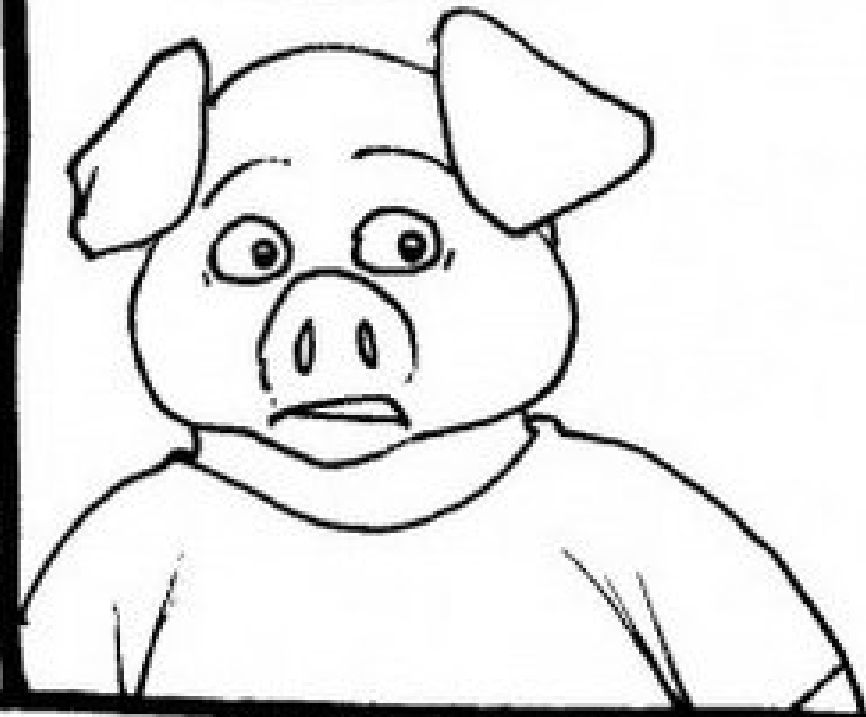

I'm pretty sure I saw a wiener, man.

Spotted hyena chicks have a pseudo-penis, it looks like a wiener.

Whaaat? Are you sure?

And she's way too tall and big to be a dude. Most of the chicks are bigger than the dudes. And I think she was wearing Maybelline 03 Nightshade. Or maybe she's born with it, I dunno.

And she was carrying a dress, looked like the red one from Marc Jacobs spring 2012. Takes a lotta confidence to wear a halter-neck with shoulders like that. Good for her, man.

But how do they do it?

She pulls it inside and it's just like a regular muff, dude.

Bro... I gotta check that out when I get home...

Phew.

AHEM.

What?

Ooops! Sorry about that!

You know there are places for your kind.

Oh! Oh, no, I'm not enjoying this!

Da-a-a-a-ad! I wanna see!

It was a run-for-your-life type of situation.

Let's go.

And cross-dressing, too. Ugh.

I wanna see!!

Crap, I forgot my gaffe...

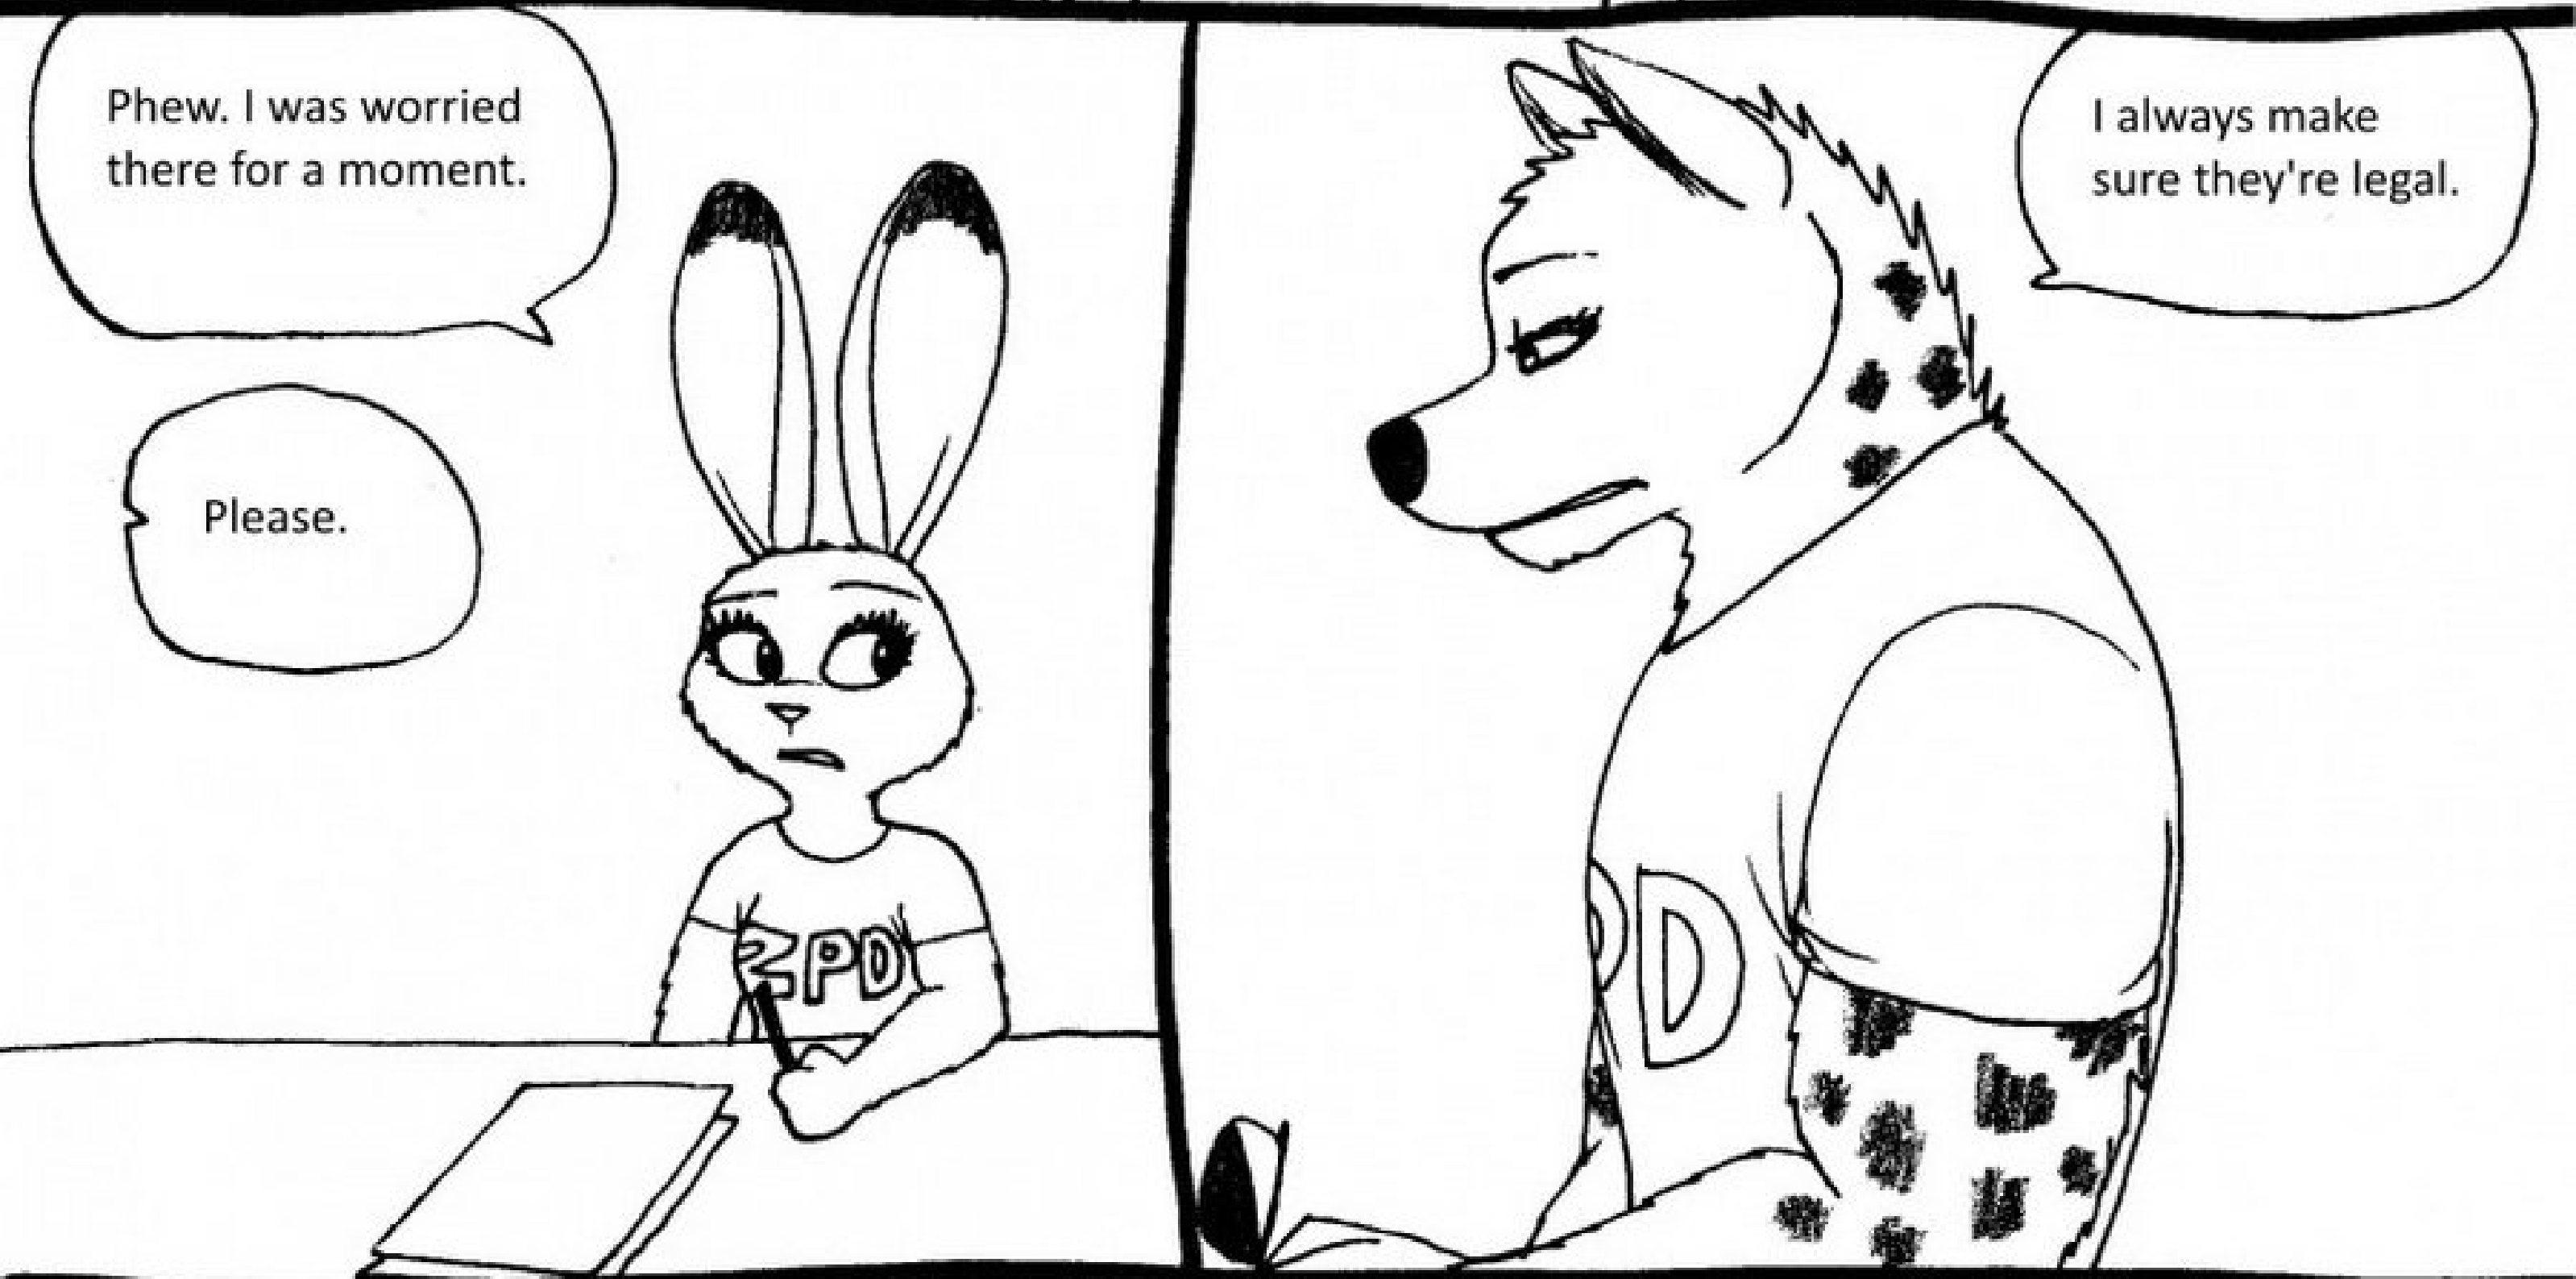

Hey, how did the date go?

It was going great... until his mom walked in on us.

Whaaat? How old is this guy again?

18!

Phew. I was worried there for a moment.

Please.

I always make sure they're legal.

That... does not sound nearly as comforting as you think it does.
