

DEEP-DOWN

As you might know
Azula is a ruthless
evil person.

She's not only
strong physically

Her bending
skills are superb.

And she's a master
of deception.

Even the Avatar will have
a difficult time defeating her.

She has no mercy for anyone.

Not even her own family.

Her "friends" are nothing
but pawns for her.

Though for some
reason they didn't seem
to mind that.

She's a sadist.

She's crazy.

And she's
totally power drunk.

The worst
part is that
she's been
always
like that.

A sad little girl
with no real friends.

Aaaah!

It's like she was born evil.

My new dress!

Why did you do that?

What did I
ever do to you?

Nothing.

Then why did
you do such a thing?

The question is:
why shouldn't I?

I am the princess
of the Fire Nation.

It is my duty to keep
the right order in our
glorious nation.

Imagine what
would be of
our society
if people don't
know their
place.

Everything would
be a chaos.

Is that what
you want?

People like you
are the reason why
we can't have
nice things.

I-I'm sorry.

I don't want to
destroy our society but...

Why do you
have to be so meanie?

I thought I was your friend.

Freinds are not
supposed to do that!

Nobody's sure
when their twisted
relationship began or
how it turned
that way.

Some people say
it's been always like that.

Others think
it's a recent thing.

Se-see?

It wasn't so
hard, was it?

Don't stare at
me like that.

You didn't do
anything wrong.

I-I'm your
princess
and I gave
you an order.

You just followed
it through like
the obedient
underling you are.

S-so could you
please f-forgive me?

I swear I won't
do that again.

Don't give
me that
look.

Aaaaaah!

In any case,
it's sickening
and unhealthy.

One thing is for sure.

Open up!

It kept escalating since then.

Come on!

They went from childish pranks

You're almost done.

Isn't it delicious?

To more cruel stuff.

Ugh...no, it sucks.

Oh! why do you say those awful things?

I made this specially for you!

In public Azula was the cruel one.

uuungh!

You're not gonna reject the delicious friendship soup I made for my best friend, right?

N-no, it's just that I'm full...

But in private, things were the other way around.

What's that?

I can't
hear you
with your
mouth
full.

Mmmm.
tastes great.
doesn't it?

Gaaaagh!

I-I'm sorry, for slapping
you in front of everyone.

And ...calling
you a lowlife dog.

And then pushing
you into the mud.

Awww! it's ok.
I know you didn't
mean all those
awful things.

Not long after
that they took
their separate ways.

She left to join the circus,
most probably in a moment of
lucidity, to stay away from that
toxic relationship.

Then he returned.

After the constant failures in capturing him...

It was necessary to take more extreme measures.

And so she was called to take care of things.

She knew an elite team was needed for this task.

She summoned her childhood friends, now lethal warriors, to aid her in this mission.

Eventually she succeeded and defeated her foes.

With some unexpected help.

The heroes of the Fire Nation went back home with high honors.

But old habits returned as well.

Or perhaps they never faded away.

I hope you like my gift.

I chose it specially for you.

Now we're ready for some beach fun.

You look great in it.

Y-yes ...it's quite something.

But, um, don't you think it's a bit...

Expensive? You know money is not a concern for me.

N-no... I mean... skimpy?

Skimpy? Nonsense!

My, my, I can't believe how much you've developed since the last time we were together.

It suits you just perfect.

U-um...

I don't think we should...

So soft and tender.

Seriously...I-I gotta go!

Just like old times, but better.

Stop it!

Mmmm!

We...we can't be doing this again.

Don't be silly.

We never stopped doing "this".

N-No!

What are you doing?

Come on. Let me bathe on your purity.

Let me cleanse myself from all the dirt that soils me.

We can't!

Slurp

Oh yes.

Not th-this again!

I've been such a bad girl.

Like you have no idea.

Without you nearby, I've done so many bad things.

That's why I deserve to be humbled for all the evil I have caused.

I'm begging you!

Stop that!

Under your sweet, delicate feet...

That's where I belong.

THERE!

ARE YOU
HAPPY NOW?

DO YOU WISH FOR
ANYTHING ELSE
YOUR MAJESTY?

Aaagh!

It's always been the same between those two.

How about my
foot on your stomach?

Oooof!

She teases her until
she breaks and then goes psycho.

Or right
in your face?

Because you
love to lick them, right?

Then knock
yourself out!

You stupid spoiled bitch!

You can't even do this right.

Everything you do has to be wrong, huh?

Aaaack!

S-sorry...I'll do better ...next time.

You bet your ass there's gonna be a next time!

And a next one after that.

You know why?

Because you're hopeless!

No matter how hard I try to make a good person out of you

You always have to ruin it.

She never was the sharpest knife in the drawer.

I'm starting to think that you actually like this.

In truth, she enjoyed that too.

That's why it took only one night alone to go back to their old ways.

So much for joining the circus to run away from her.

And that was just the first of many encounters.

Oh, you're here already!

I've been waiting for you.

Well, you called me, didn't you?

That's right.

We got a mission to do, no?

I'm pleased to see that you keep training yourself.

Of course I have to practice my moves.

Indeed, that's why I summoned you.

I've prepared a secret training room to hone our skills for the long task ahead of us.

Aaa...um...I don't know what to say.

Then don't say anything.

Let's just get down to business.

It doesn't take much to figure out the true purpose of that "training room"

It was more like a fancy dungeon of perversion.

It's not his fault if he was born with a rare disease

You wanted to laugh.

I'll give you a reason to laugh.

When the princess gets an idea in her head, she takes it to the far extreme, and this was no exception.

This will teach you a valuable lesson!

ACKACKAAACK!

The feet are always a classic spot.

And you got such nice feet.

It's such a shame that you use them to step on other people.

GAAAAHK-AAAAACK!

AAAAHM SOWWWY!

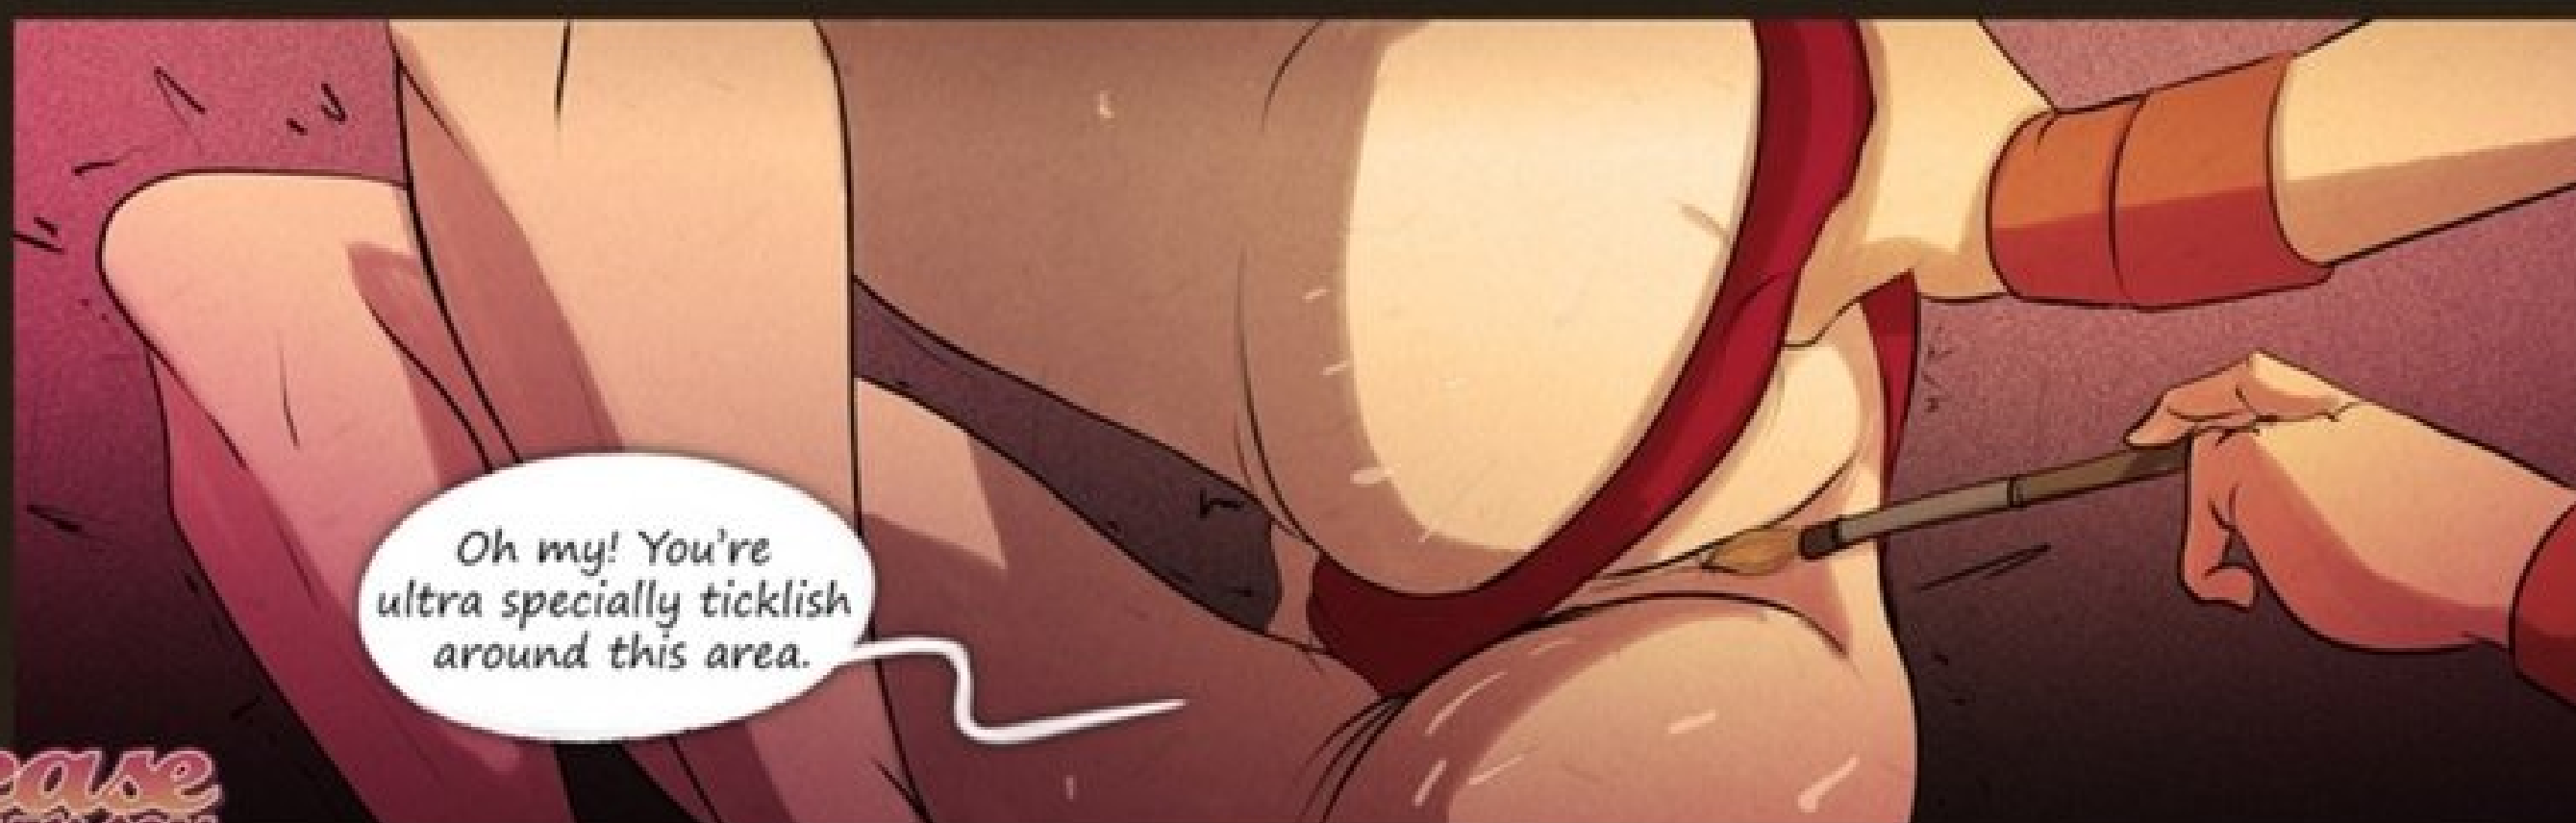

What's that? You want some more?

AAAAGHK-AAACK AAACK!!!

Alrighty then, let's move on to more "private" areas.

The fun's just begun.

Oh my! You're ultra specially ticklish around this area.

tee-hee-hee

How does it feel now?
to suffer and laugh at
the same time.

It's not so fun
now, is it?

GHAAAAK-AAAHK
-AAAHK!

PWEEFH!

GAAAH
MAAAGH!

Yeah, squirm
like the worm
you are

You're the
worm princess!
Hee-hee!

STAAAAHP!

I'm not hearing
your apologies.

AAAH SOWEEH!

GAAAHK- GAAHK!

AAAAGH! AAAH
GOGGAH PEEE!

I can't
hear yooooou!

AAAAHK- AAAHK
AAAAHK!

AAAH CAAAHNT!

Oh my! You're such a pig!

You're peeing
on yourself!

Looks like someone
wasn't potty trained.

Bad girl!

If everyone knew
that you just soiled
yourself.

Uggh, gotta get rid
of these right away.

GAAAH!

Of course I'm not
telling anyone

Because I'm not
a two faced bitch
like you.

But you're still getting
your punishment for this.

Everything
that comes
from your mouth
is acid.

AAAAGH!

Let's see how you
take it in your own
face now.

I bet you like it.

That'll teach you
to have a cleaner mouth.

And stop saying
such bad things
about everyone!

GUUUUGH!

You can thank me
later for all the good
stuff I do for you.

AAAAAGH!

Because I want
you to become a
better person.

The choice is up to you.

MMMMFGH!

If you promise to behave well then I might consider forgiving you.

What do you say?

Are you gonna be a good girl?

Or a bad girl?

They both enjoyed that "game" and brought them an immense satisfaction

No no, don't yell.

GAAAAAH WOWEEEE!

GULEEESE ME GOW!

Good girls speak at a proper volume and don't boss other people around all the time.

It was sort of like switching roles but in a wicked depraved way.

They always did the same.

Sssssh!

Calm down.

Everything's fine.

Aaa-ah- ahm so-sorry!

Aaah didn' me-mean tooo!

It's ok, I know you didn't mean to do all those things.

She did something evil and she'd get punished by her friend.

Believe me, it hurt me more than it did to you.

But I do it becuae I love you and I want the best for you.

She always felt this urge to reveal her misdeeds.

I'm not mad at you.

But I'm very disappointed in you.

It's like you just keep getting worse and worse.

She actually wanted to be punished for it.

Mmmf!

I still don't understand why.

When are you gonna stop this madness?

If you keep going like this...

You might do something you'll regret.

Could it be that she really feels sorry for what she's done?

By consequence, you'll make me do something I'll regret.

But I'll do everything it takes to fix you.

Everything!

Or maybe we're yet to see her worst...
