B..but
I love you!

What ever!
Why would I
want to stay with
a loser like you!
I got a real man
now. Not some
lil' dick faggot
like you!!

Plus Javon
here got money
for me to keep up
my sexy looks. Not
broke like you and
has a much bigger
dick.

See you
around chump!
I'll be busy
fucking
my new bitch
tonight.
Ha ha ha!

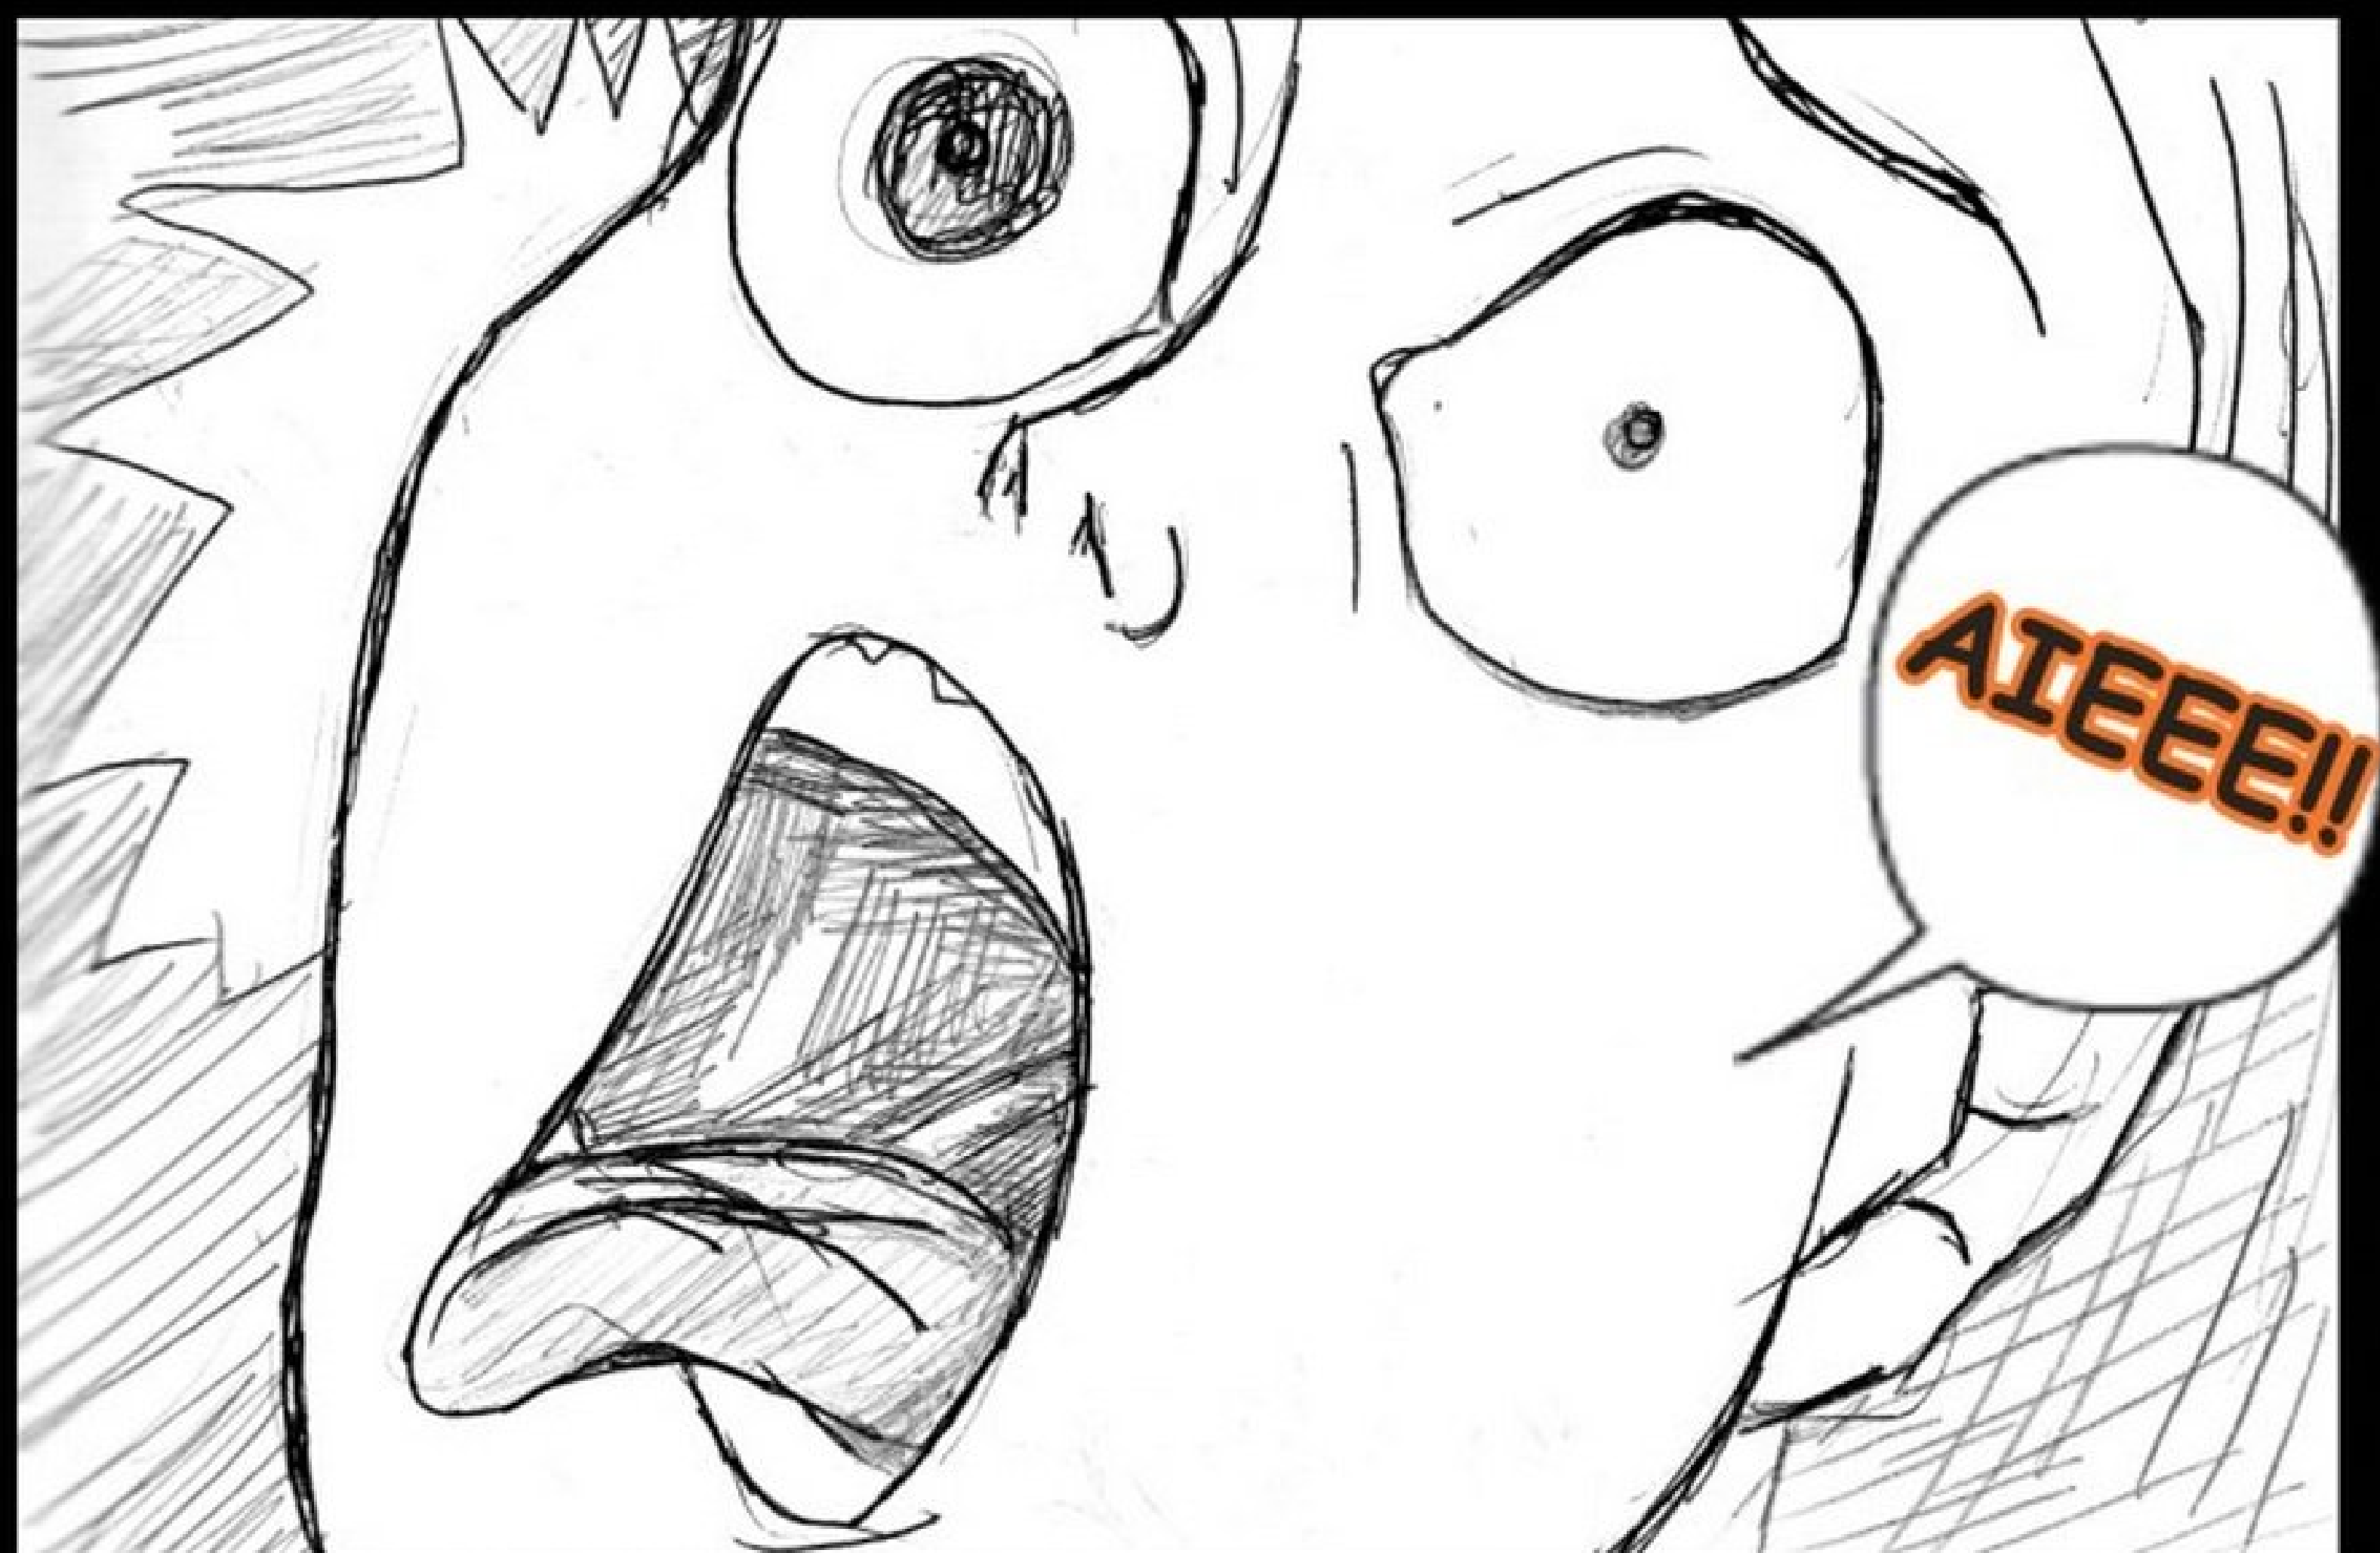

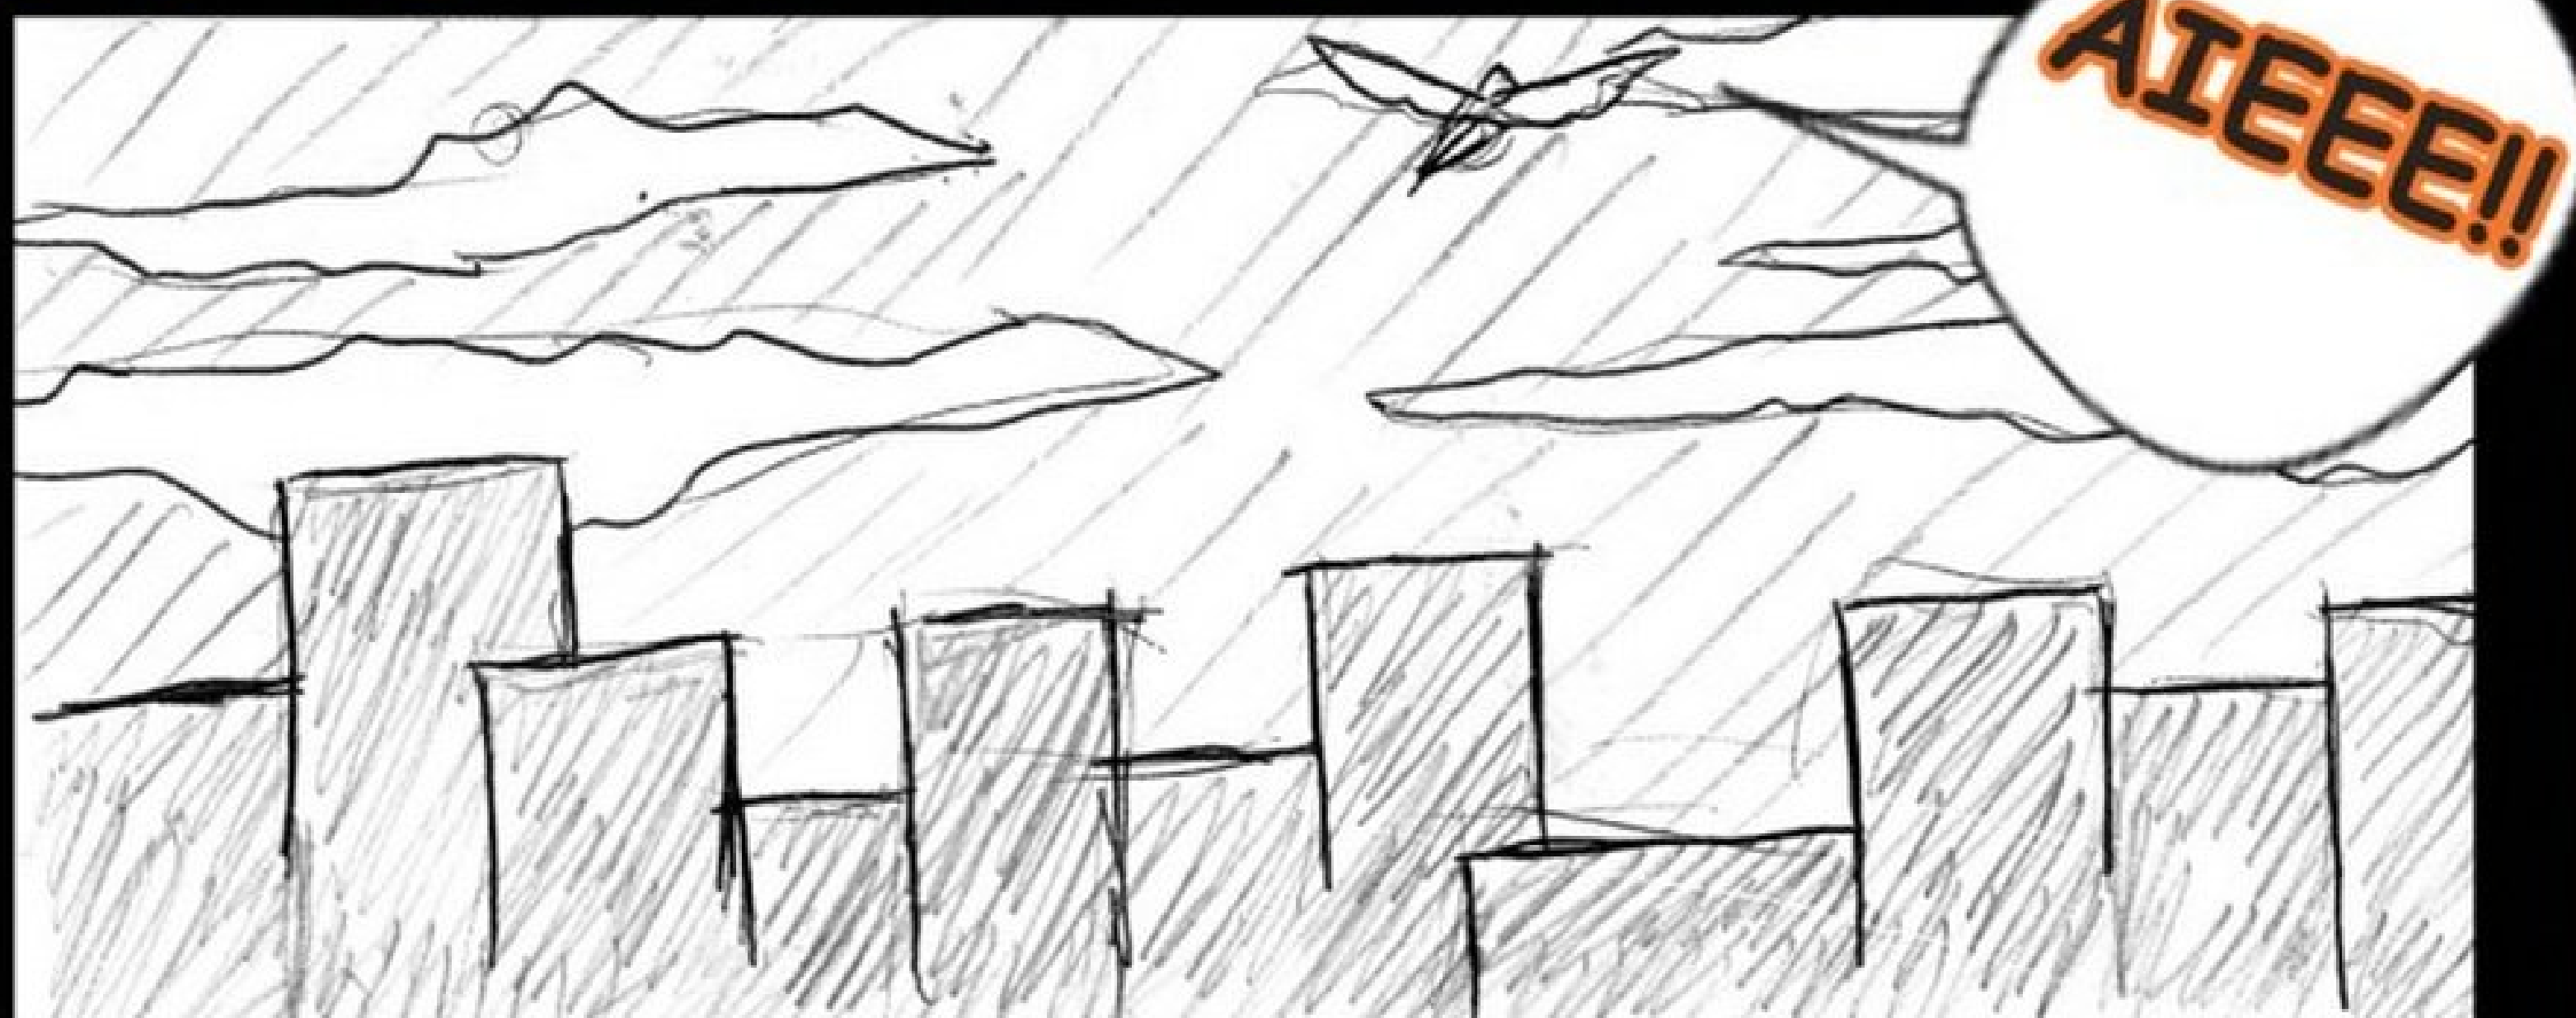

With my heart and my manhood ripped out of me, all that I could do was watch them walk away while laughing at me. Just a month ago, I was Kevin Shultz a happy man with a beautiful girlfriend now I'm an unemployed loser.

Not knowing what else to do next, I went to the peer to cry my eyes out not knowing that my life will be changed forever after today.

Minutes later at an abandoned building.

Kevin Shultz.
you are in grave
danger. We must
find a secure
place to hide.

Who..
What the
hell are
you?

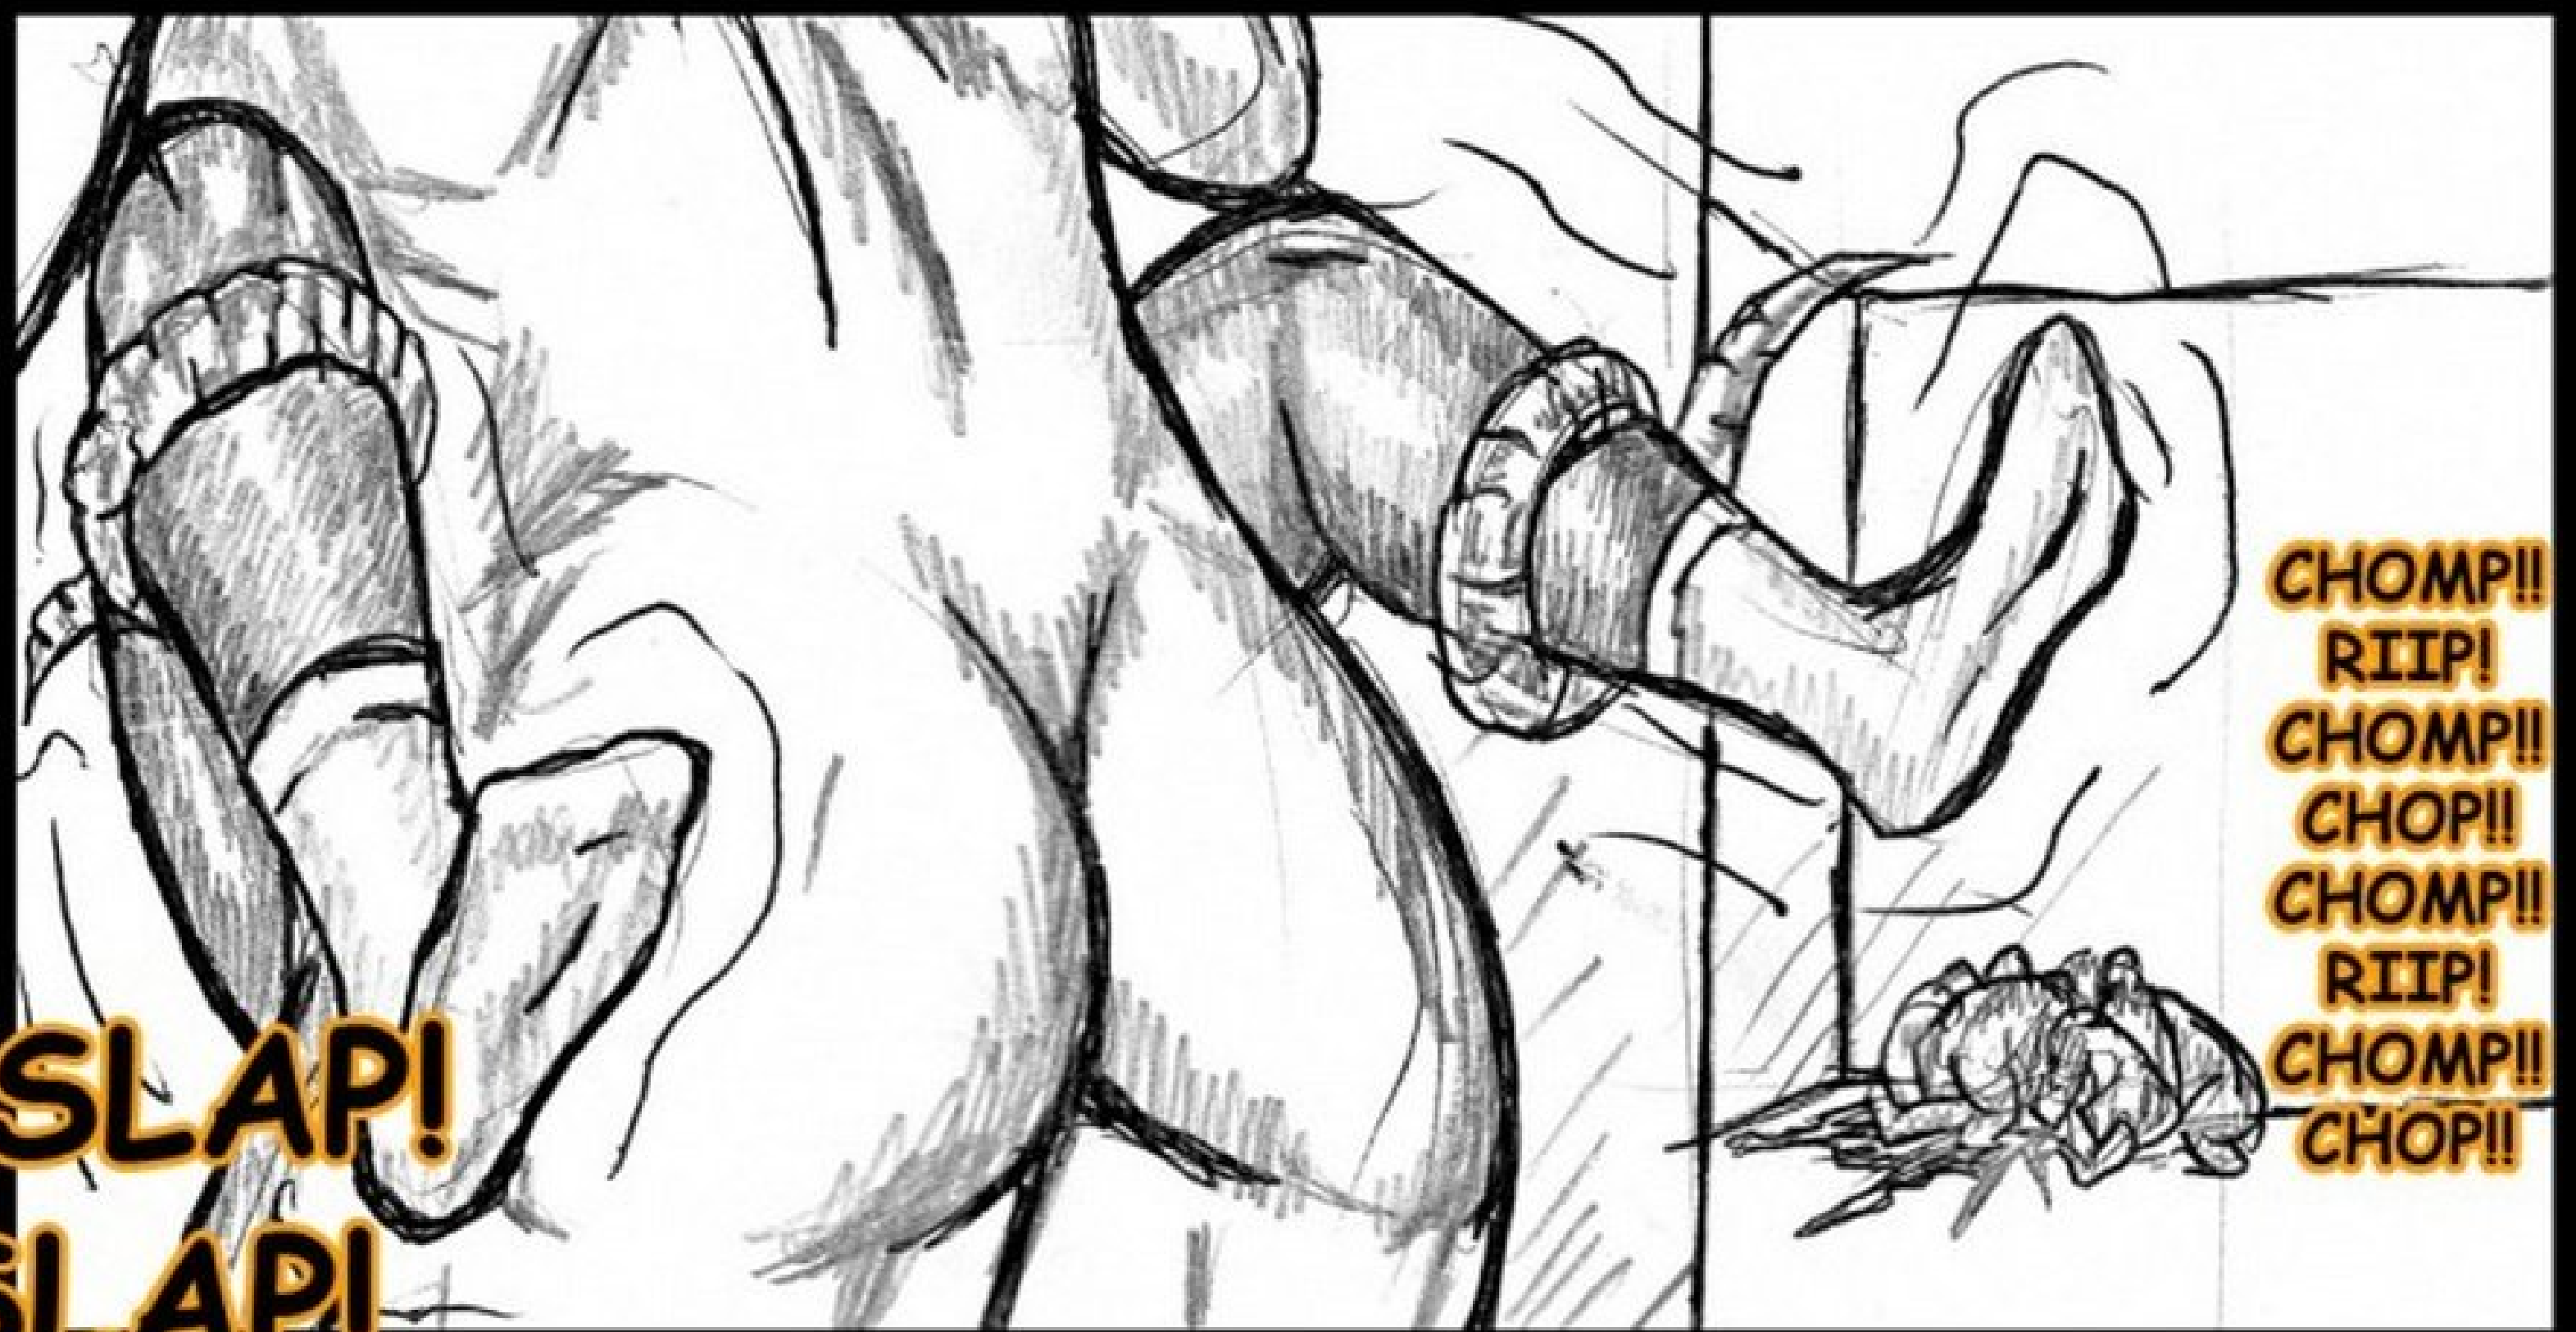

I am Ilyphril.
A class 3 warrior of
the heavenly father. I
am given the assignment of
protecting the human Kevin
Shultz from the rogue horde
of demons. Reasons for their
interests are unknown
but they will go after
anyone close to
you

Well
that's not a
problem. I have no
family. I was an
orphan. And my
girlfriend just
dumped me.

AAAAAIIIEE!!!

After what seemed like an eternity of abuse, the demons then inject the often sassy Ronisha full of hot, thick demon cum!

Pumped full of demon cum from both ends, The worn out ebony beauty musters enough energy to sit up and hurls the excess cum as it spews out of her mouth then slowly leaks out of each stretched out orifice

COUGH!!
COUGH!!
COUGH!!

Before getting her wits together, poor Ronisha is taken once again. This time from behind like a bitch in heat as the rest of the creatures wait for their turn.
