

Man I'm starving.
I can't wait for mom's cooking.

Mom, I'm home!

Mom!!!

Oh, son! I'm glad you
could join us for dinner!

Are you ready for
your dinner, dear?

T-this is not what I
had in mind...

Aww don't be like that...
I know you are hungry.

Ooh, son...

AAAH

Take me...

Ooh, mom...

You feel so warm...

Oh yes!

Mommy loves you!

Aaah!

PLAP

I'm... Popping!

Aaah, dear!

W-well... Maybe a little
bit wouldn't hurt...

That's it,
my little one...

Let mommy
feed you.

Mom ...
I...

Son...

I love you
so much...
