COMICS

*Eternal
Summer*

*I just love this time
of the day*

*Just sitting here with
my best friends*

*Nothing to worry
about*

*Suddenly, I just turn
my sight and notice*

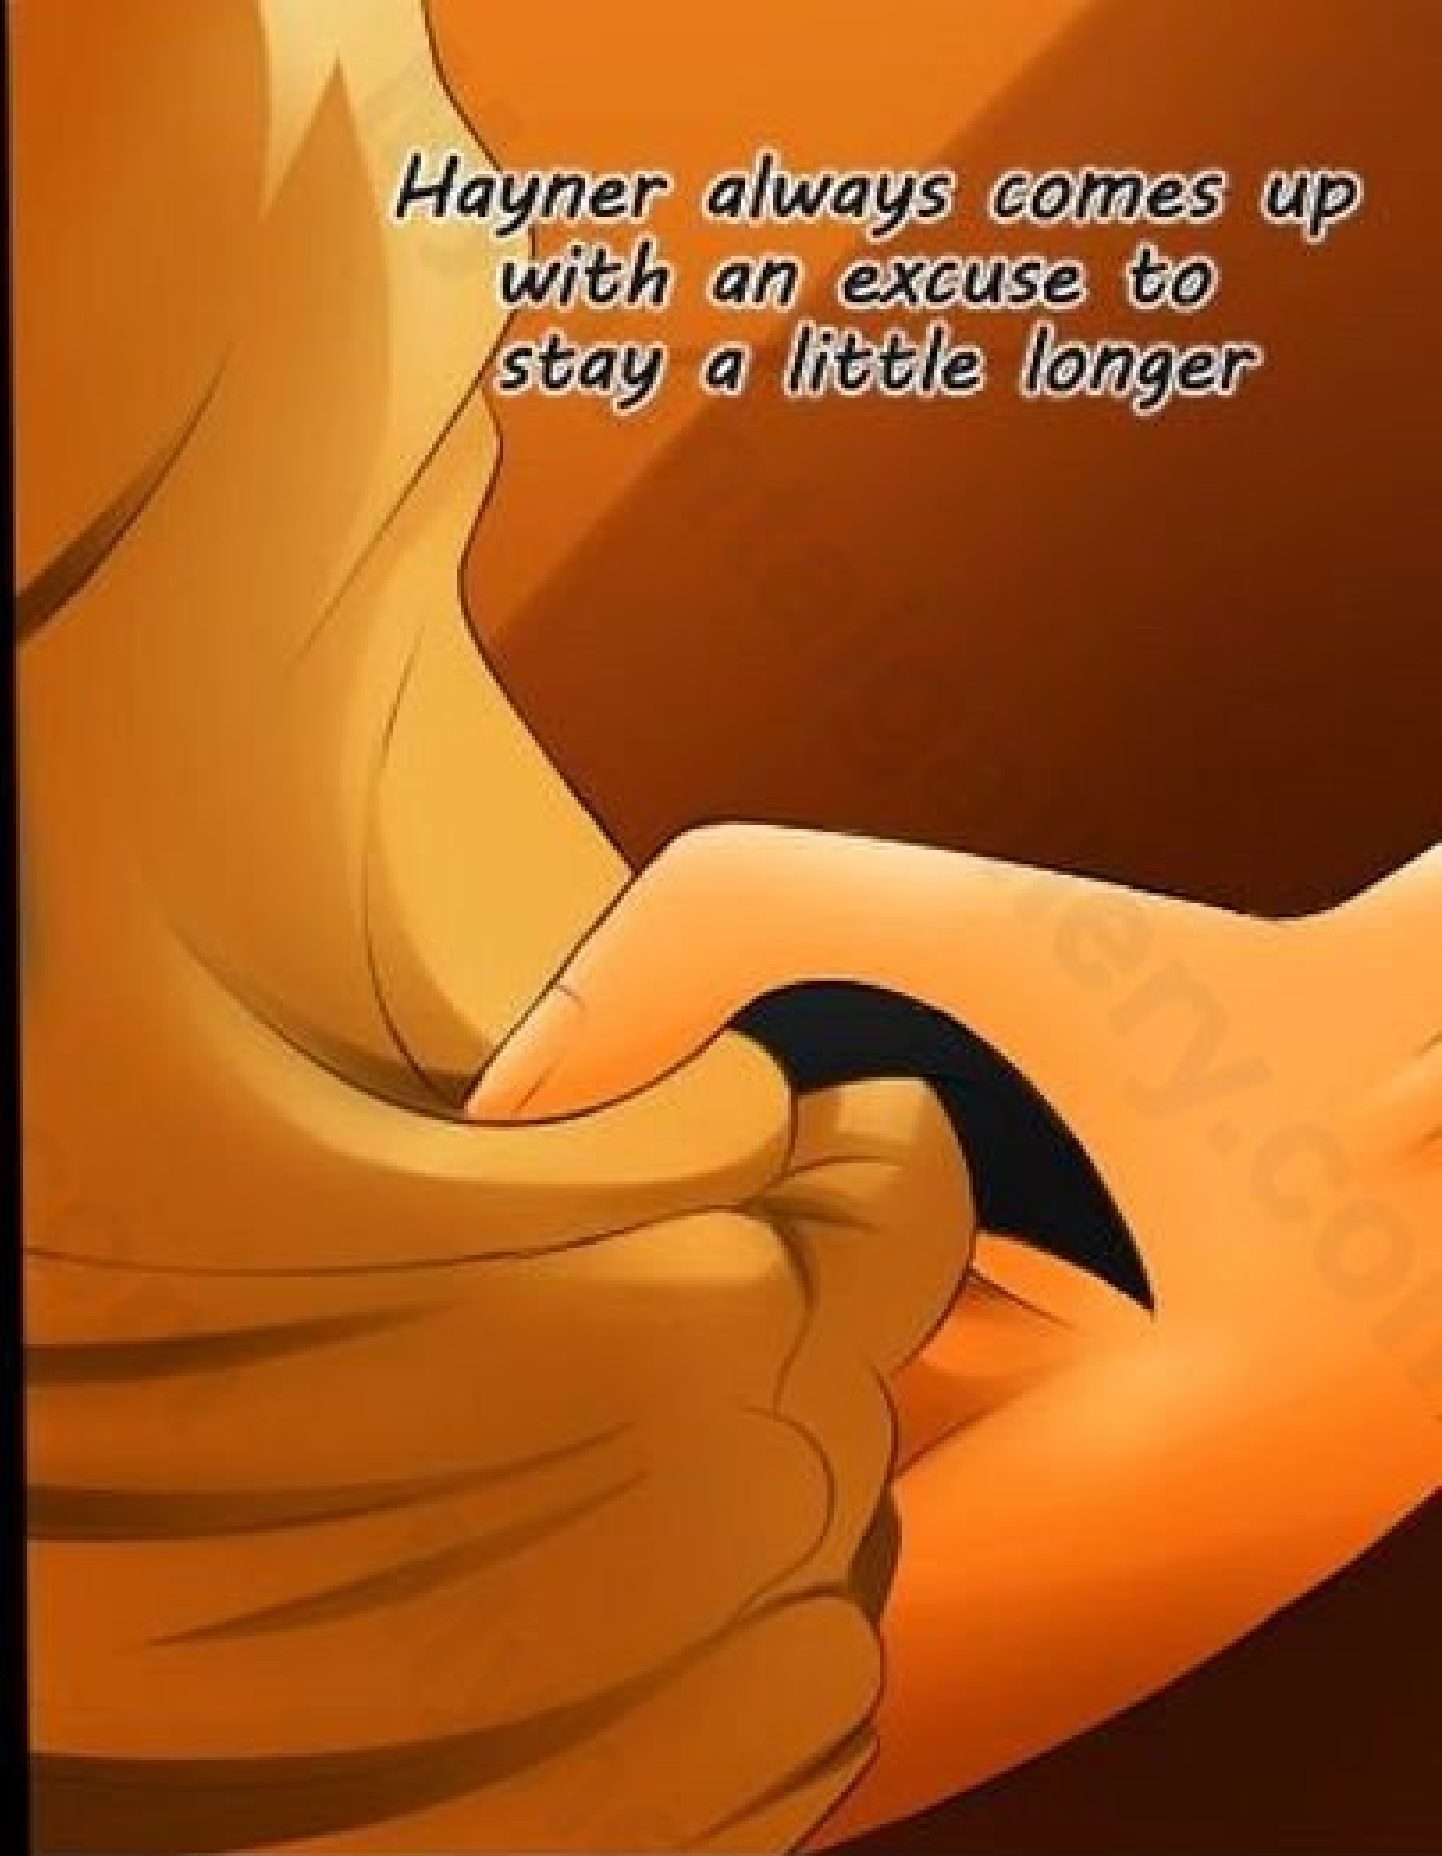

*That he's staring at
me with that look*

That embarrass me...

but lately... well, although I really love them, I can't wait for them to leave and be alone with him...

Hayner always comes up with an excuse to stay a little longer

and that's when our little heaven starts...

at first I just followed his moves, giving my soul and body to him

pant

Aaaahhh...
Ro-Roxas!...

But now I have learned some moves that turn him on...

Couldn't wait anymore
to be alone with you,
I almost -

They surely suspect
something by now,
Hayner, we have to
be more cautious...

He always make my friend to wake up...

Why I have to hide
my love for you?
Why can't I tell everybody
that Roxas is my light
and my life?

Aaahhh... His hands are everywhere...

And then he has to talk too...

I knew you
were planning something
pervert when bringed
that old mattress...

I just wanted to
build another love
nest, just in case...

Let's
make love
here Roxas,
I wanna make
you mine
right here
and remember
it
forever

you know I won't
say no after such
words

aahh... you look so
cute when doing that...
you like to rub
your boyfriend's dick
over ur face?

You know Hayner,
I'd wish this could
last forever

Me too, luv

mmgghh... do
it slowly...

I know...

Ride me... just
how you like it

aaaaaahhh!!!!
It's all in...

Hayner, you
don't know how I
love to make this
with you!

Then let's do
this forever, baby!

No-Nothing would
be better!

Cu-Cummiiiiing!!!
Aaaahhhh!!!

You can't hold yourself yet, can you, Roxas?

I... I think I want to shoot now

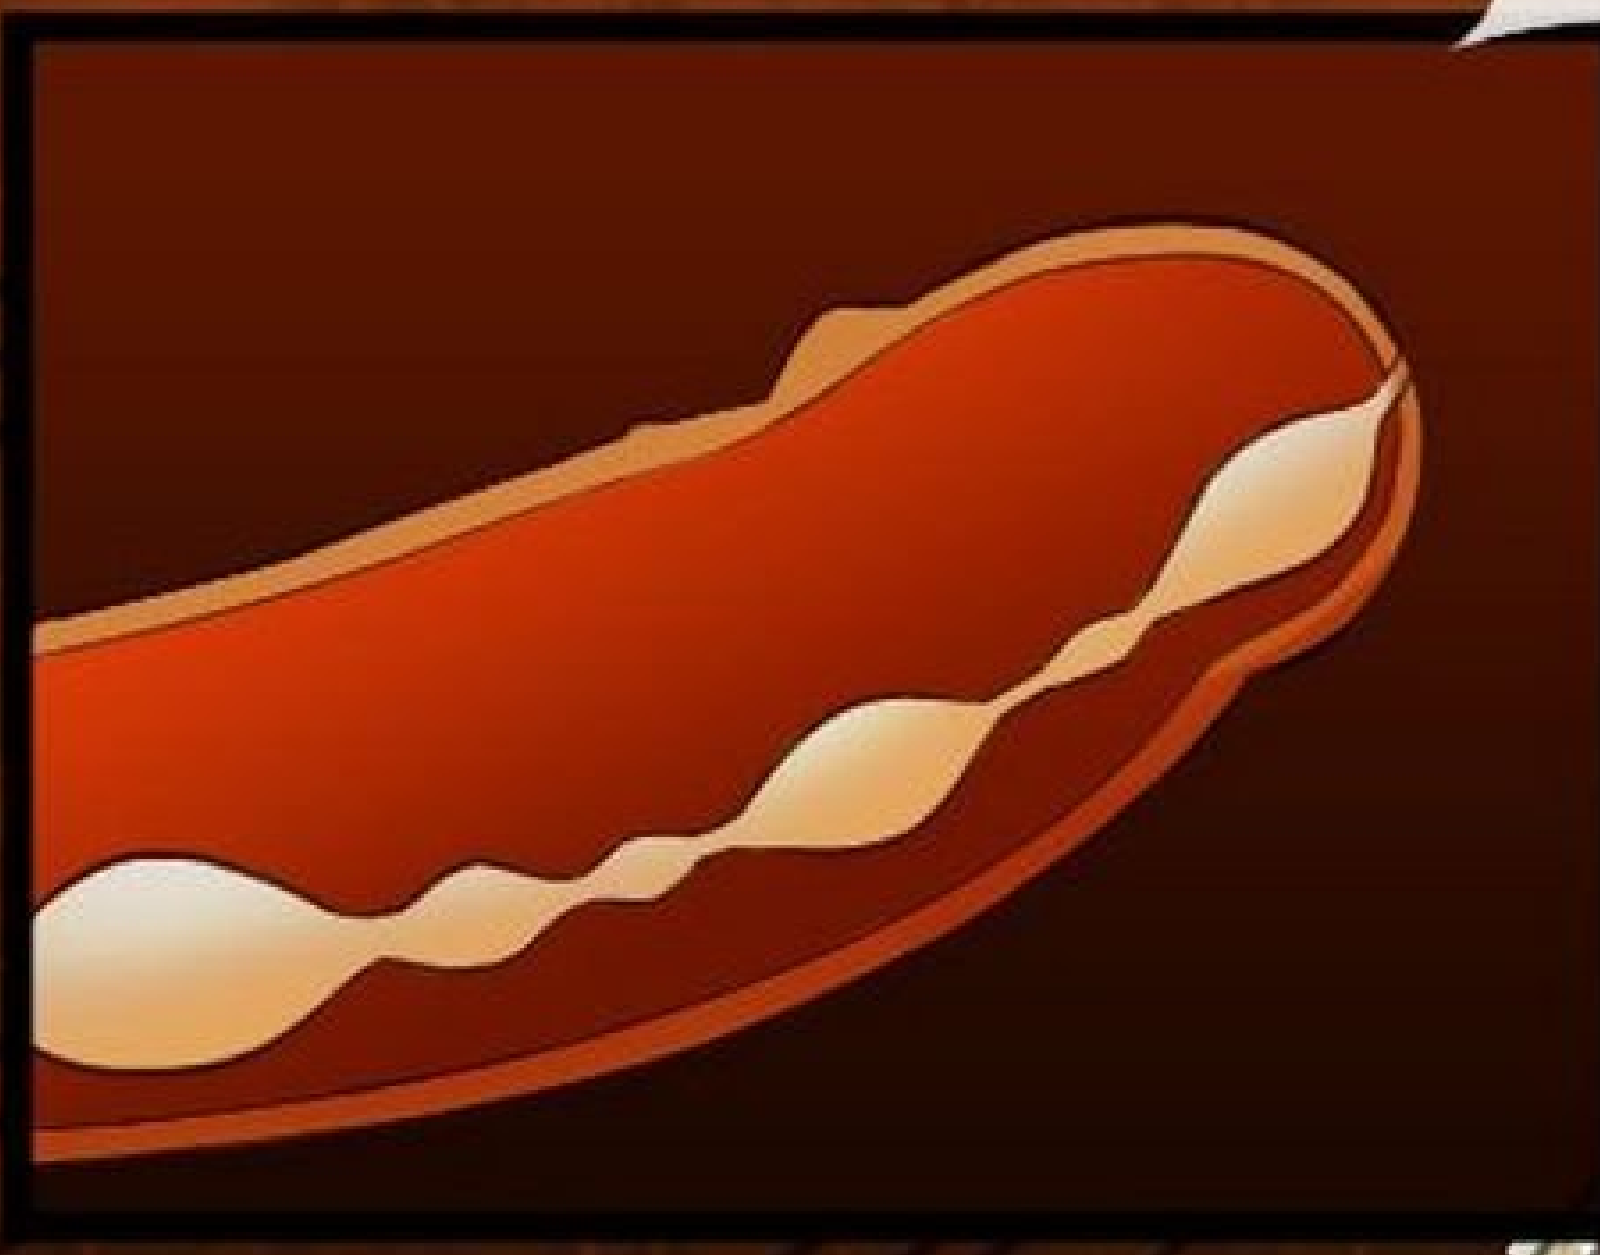

So-Sorry...

Like usual, right?
Lay down

I love this part...
And your aim improves every day...

Come on, jerk
that hunky dick off!!

HE-HERE IT
COMES!!!
AAHH
AAAAAAHHH!!!

Gwaahh!!! Cum...
Cum all over me!

aaaahhh... yeahh...
next time let me
do it inside...

Sorry my love, the deal
was free access to my butt,
cum rain every time.
Besides, you taste
delicious!

Never imagined ending obeying you in everything, Am I really the same here?

Of course you are, but you are the tsundere type, that's why I love you Hayner

Stop saying such embarrassing things. My bad boy image would be ruined if I get caught all lovey dovey, that's all

You're not bad at all, you're sweet...

... Hayner... Do you think we could be together forever?

Of course, silly, I'll be yours every day of my life
