Family Values #1

THE BEST
WEEKEND EVER

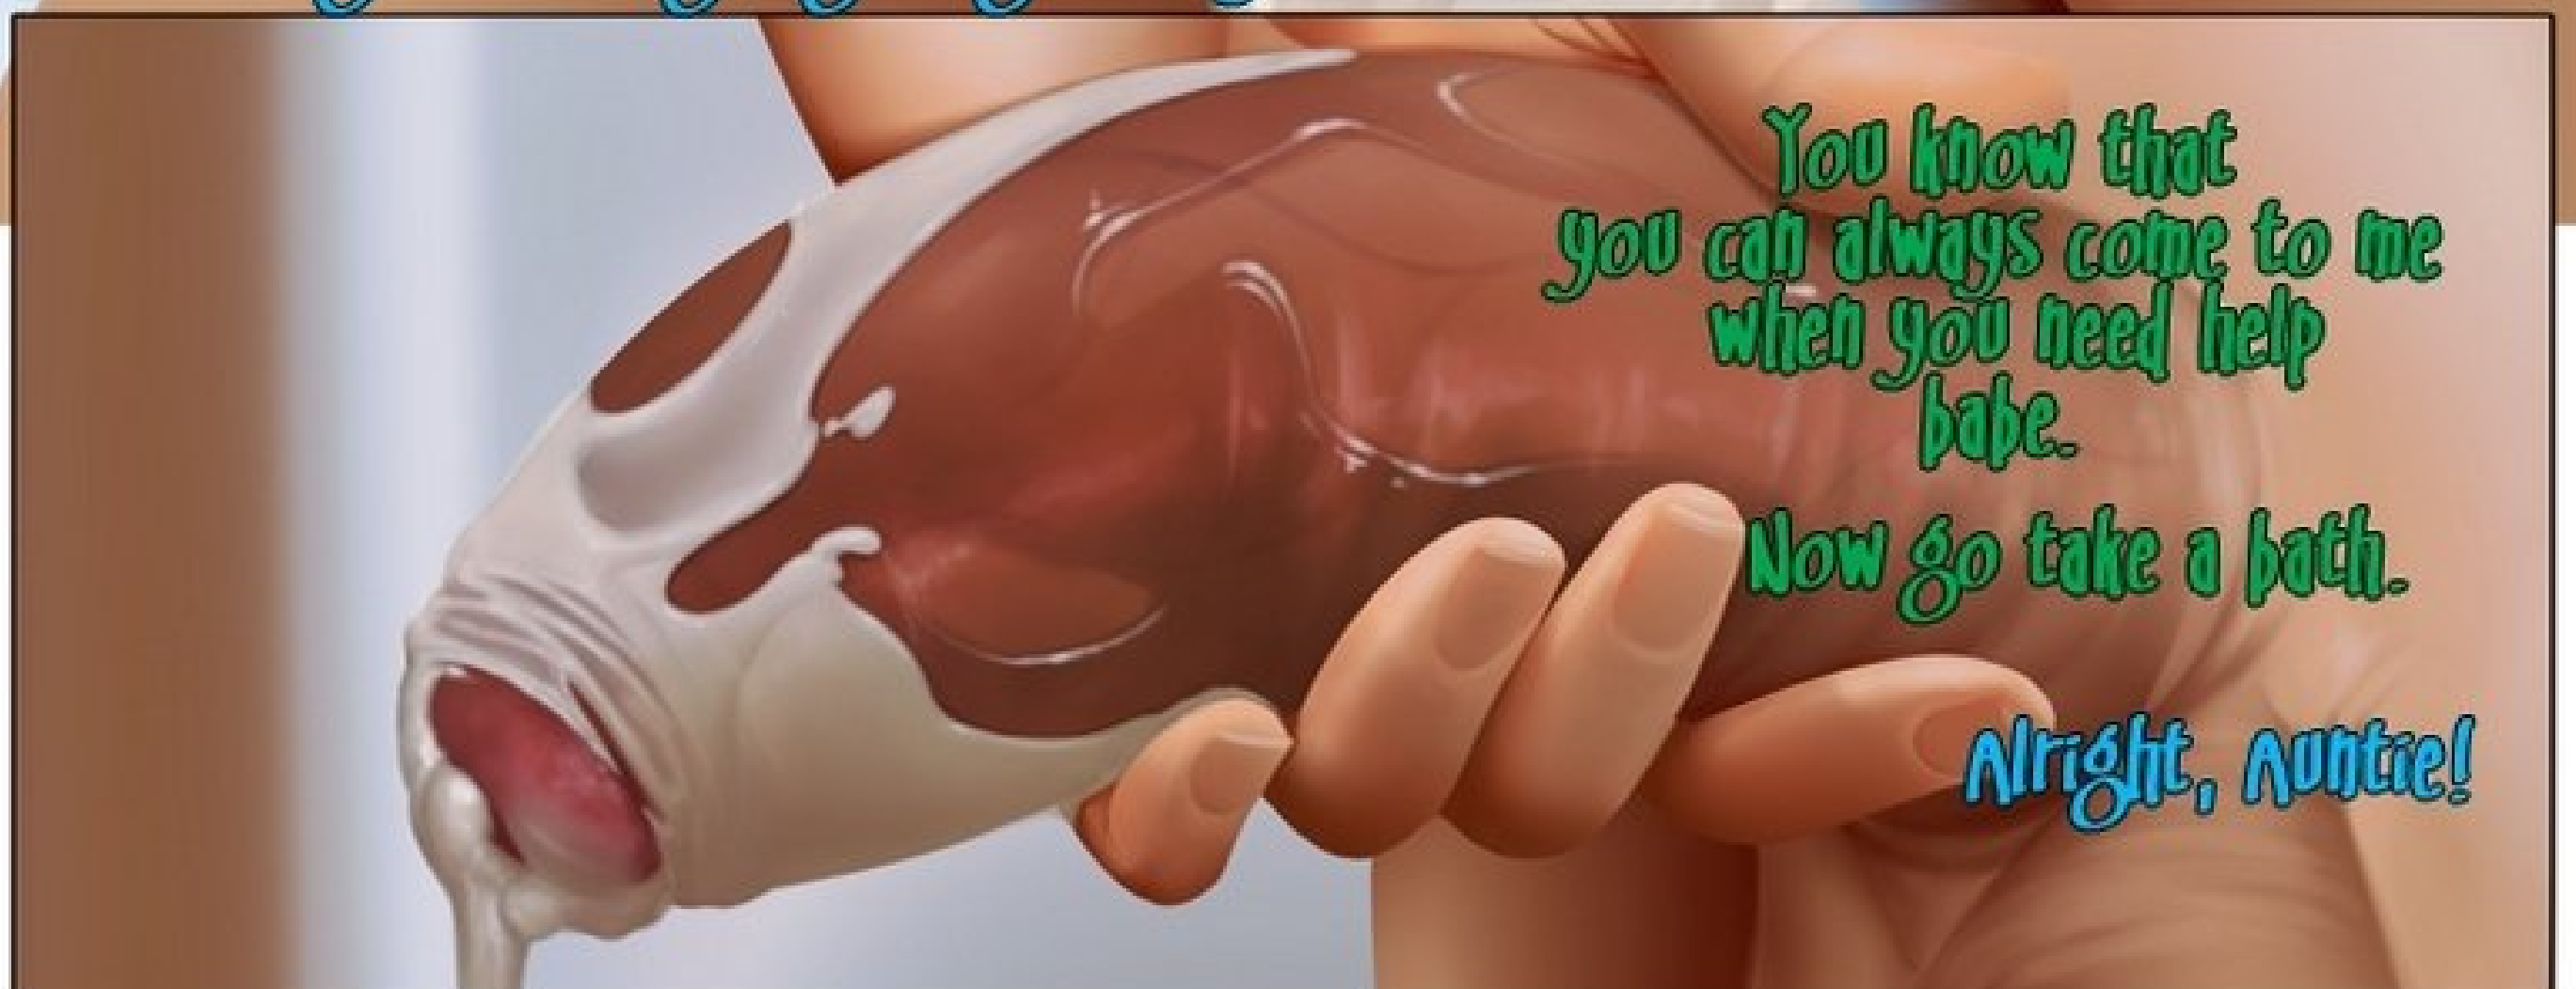

taboolicious.xxx

I've actually lived with Aunt Gina when I was a kid.

Even then, she was always there for me.

One day, Kevin Clark was picking on me after school when Aunt Gina came to pick me up.

She grabbed him by the ear and dragged him around the corner.

I don't know what she said to him, but Kevin never bothered me again.

I think that was the day that I realized that, with Aunt Gina, I never had to feel alone.

Bwuh? Auntie

Sorry, Auntie,
I didn't know
that you were waiting

And they say that GIRLS
take forever in the bathroom.
I thought you'd fallen in!

And look at this!
You missed a spot!

What? Where?!

Oh, it's alright, Andy.
I'll get it for you...
I was going to take a bath anyway.

If you want
something done right,
do it yourself.

For career day,
I had to interview Aunt Gina
in front of the class.
One of the things
I had to ask her
was the secret
to her success.

See, Andy?

It's important
to be
thorough!
Anything worth doing
is worth
doing
properly!

R-right
Auntie!

She didn't even need
to think about it.
As soon as I had asked ,
she looked me in the eye
and told me that
it was all about
attention
to
detail.

I try my best
to pay attention
to things,
but
I still have
a long way to go
before I'm as good
as Aunt Gina.

Squish! ♥
Squish!
Squish!
Scrub!

Like this?
Am I doing it right?

Oh, BABE,
you're doing it
perfectly!

Just a little more,
hon.
Make sure
you remember to
Got it, Auntie!

It's perfect, Andy.
I'm so proud of you.

You always know
just how much
to put in my hair
and just how much
to leave on my
TIITS!!!

Practice
makes perfect,
Auntie!

Now THIS
is how everyone should
start
their weekends,

Andy.
I think it's time
for a nice,
relaxing bath.

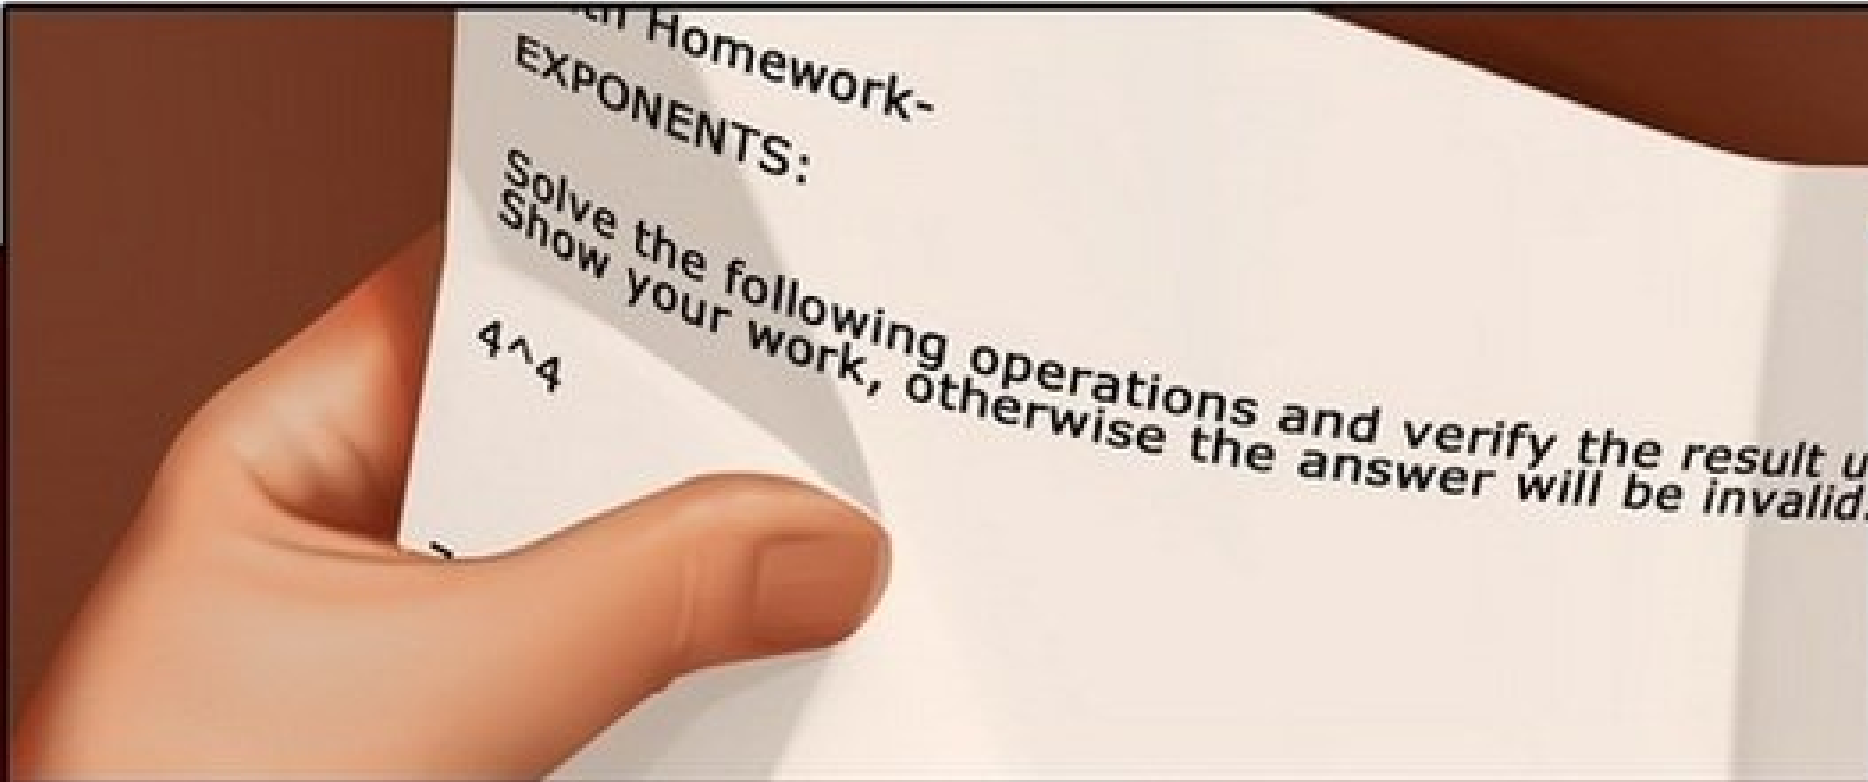

Do you have any
homework this weekend?
...a little.

Don't be like that!
Once I finish up in here,
I'll come help you with it, hon.

Alright, Auntie!
Don't forget!

...four
to the
fourth?
256!

Seven
cubed?
Uh... hah...
343!

Very good!
Twelve squared!
144!
Auntie,
I can't take
much more
of this...!

You're doing great, hon,
we're almost finished!
Two to the tenth!

312! No, wait,
1024!

Which is it, babe?

1024! 1024!

Aaaaaand...
we're finished!
Great job, Andy!

Oh, my.
Not a single missed question,
And you didn't BLOW yet!!

A performance like that
deserves an EXTRA special reward,
don't you think?

Y-yes, please,
Auntie...

Baby,
for the rest of the weekend,
I'm all yours.
Anytime...
...anyplace...
...and any way
you'd like.
