Hag's Witch!

By Axxx

Oohhh... EvveE...!

You called mis...EH!?

What are you-LEAVE!

Patreon.com/Axxx

A bit before the "incident".

This can't be it--

My Hag's not cruel, any other Witch would be jumping for joy. But not me, the others did say im a little too ambitious or was it delusional?

For weeks now... cleaning, organizing the ingeridents, making breakfast lunch and Dinner!

Shows who they are, this Witch is gonna get her full magic out of her Hag, they can coast if they want and do chores for 5 years only to be thrown away empty handed!

...Sure not dying from my magic going unstable isn't nothing... Uggh-- but she's my Hag she should do more for me then just this ceremonial treatment, I deserve more!

I'm not asking for much, just what's right (for me).

It's her job isn't it to keep my magic stable and "HELP" me become the Witch i'm meant to be!

If only I could--

Mhh-nnN!!

NhgG-GhH!!

Umm Mistress... she can't hear me but--

NhhGhh OhhHH... EVVVEEE!
