then to one of Paldea's Elite four, Rika

I even took my shot at a widow

which she replied with-

life fucking suck, man

is it bad to love someone?

well, if you want someone..

what do you say?

um..Champion Geeta?

yes?

I'm sorry

I didn't mean to bother you

I knew you're gonna say that

perhaps this

LING

will make you reconsider?

I love you!!

then I'm all yours
