

A FEW MOSTLY
ATTENTIVE
ORC GUARDSMEN...

MINIMAL WINDOWS
COVERED IN SOME
RATHER TASTEFUL
IRON GRATING...

AND WHAT I CAN ONLY
ASSUME ARE SOME
VERY IMPRESSIVE
PROTECTIVE
ENCHANTMENTS...

HMPH!
LIKE THAT'LL EVEN MATTER.
THIS'LL BE THE EASIEST
JOB I'VE EVER DONE!

GURK!

GACK!

GURG!

GACK!

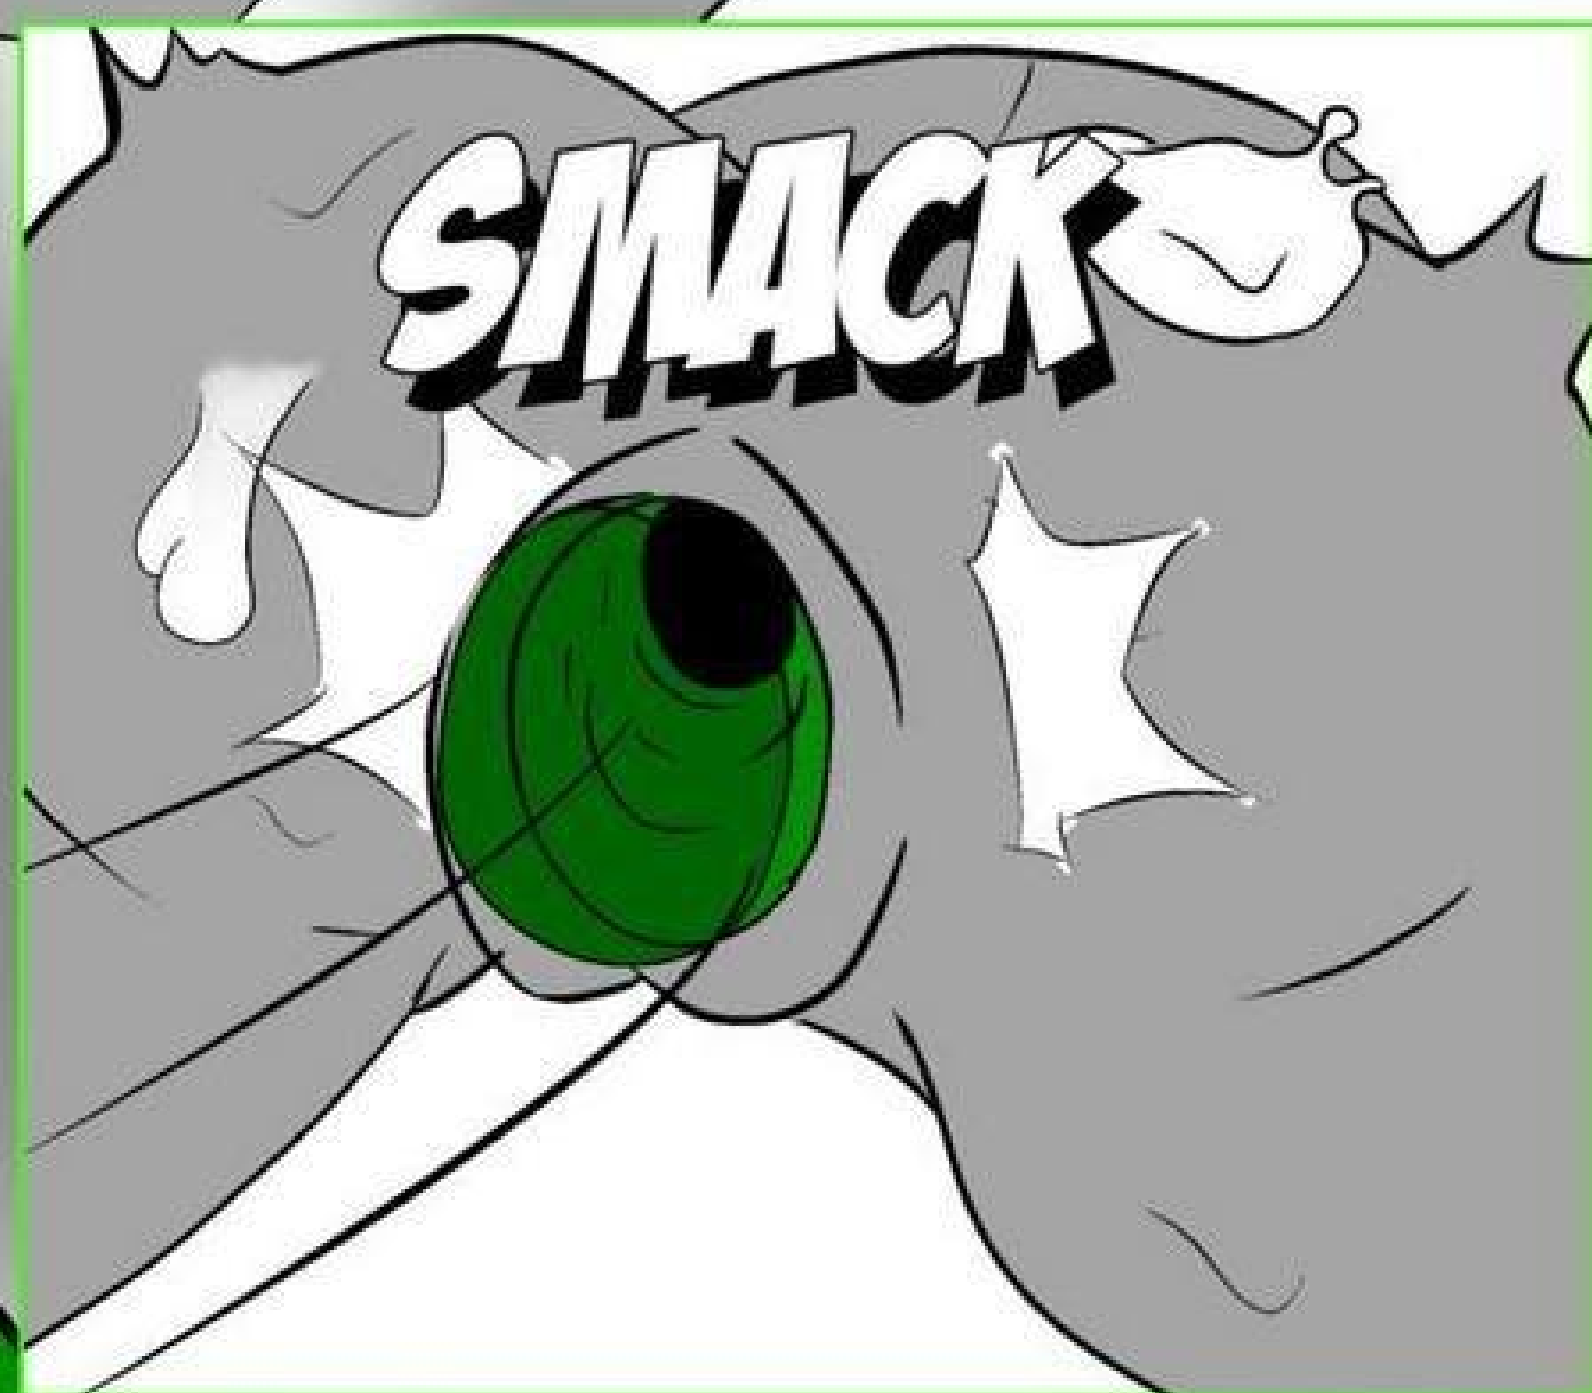

NOW THEN,
TRY TO BE
A GOOD GIRL
AND SWALL-

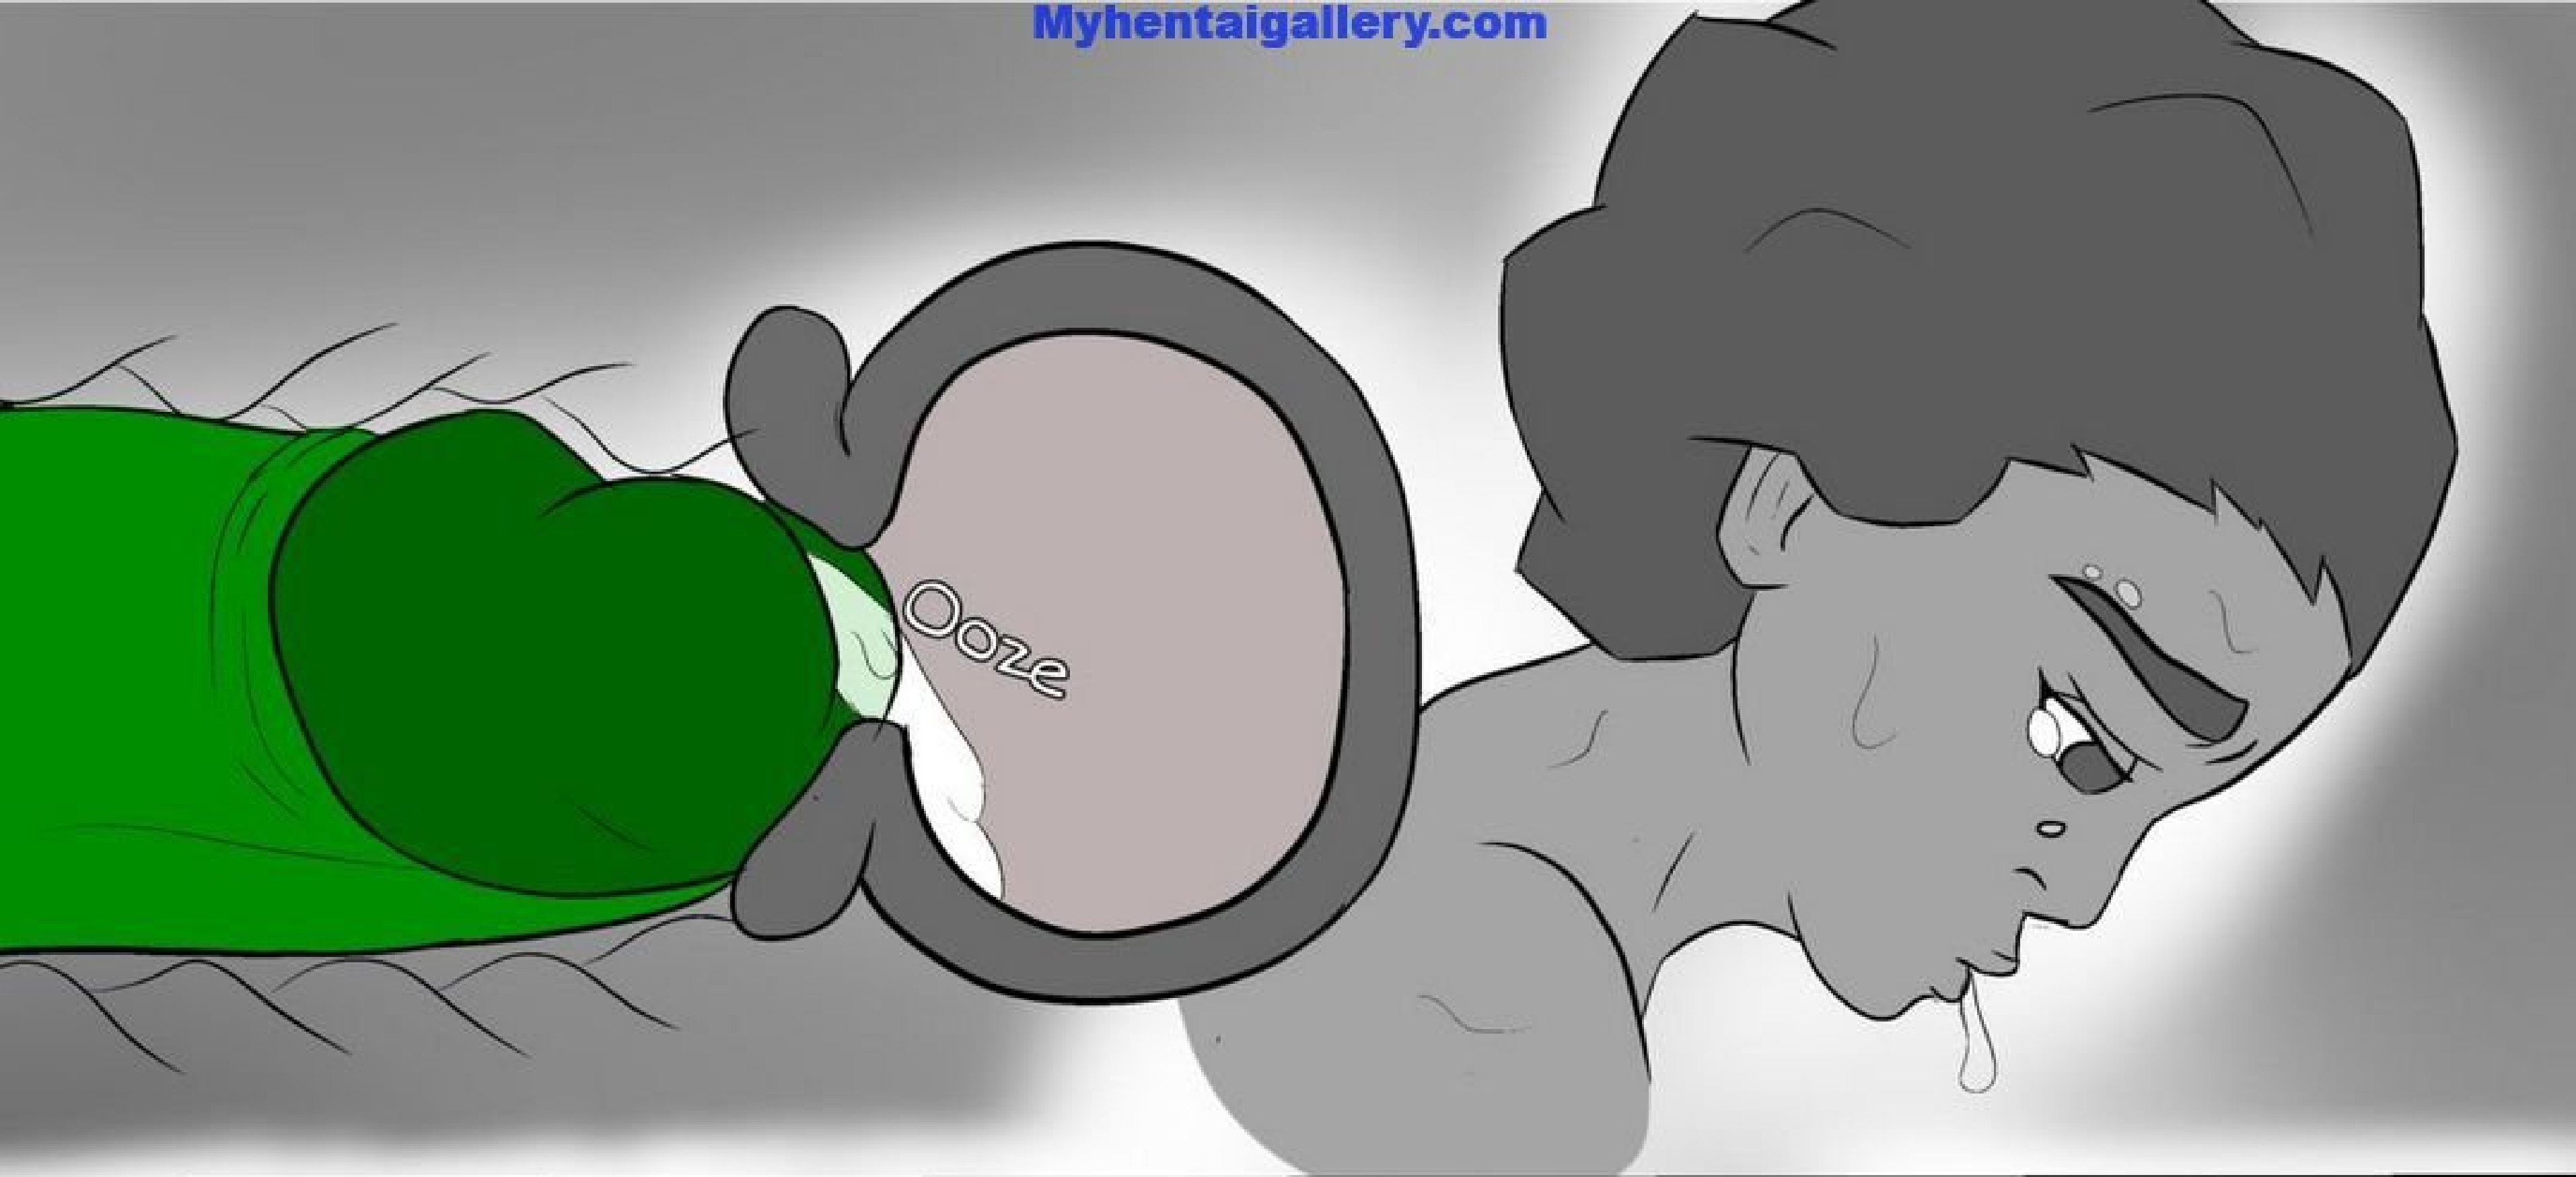

HURK!

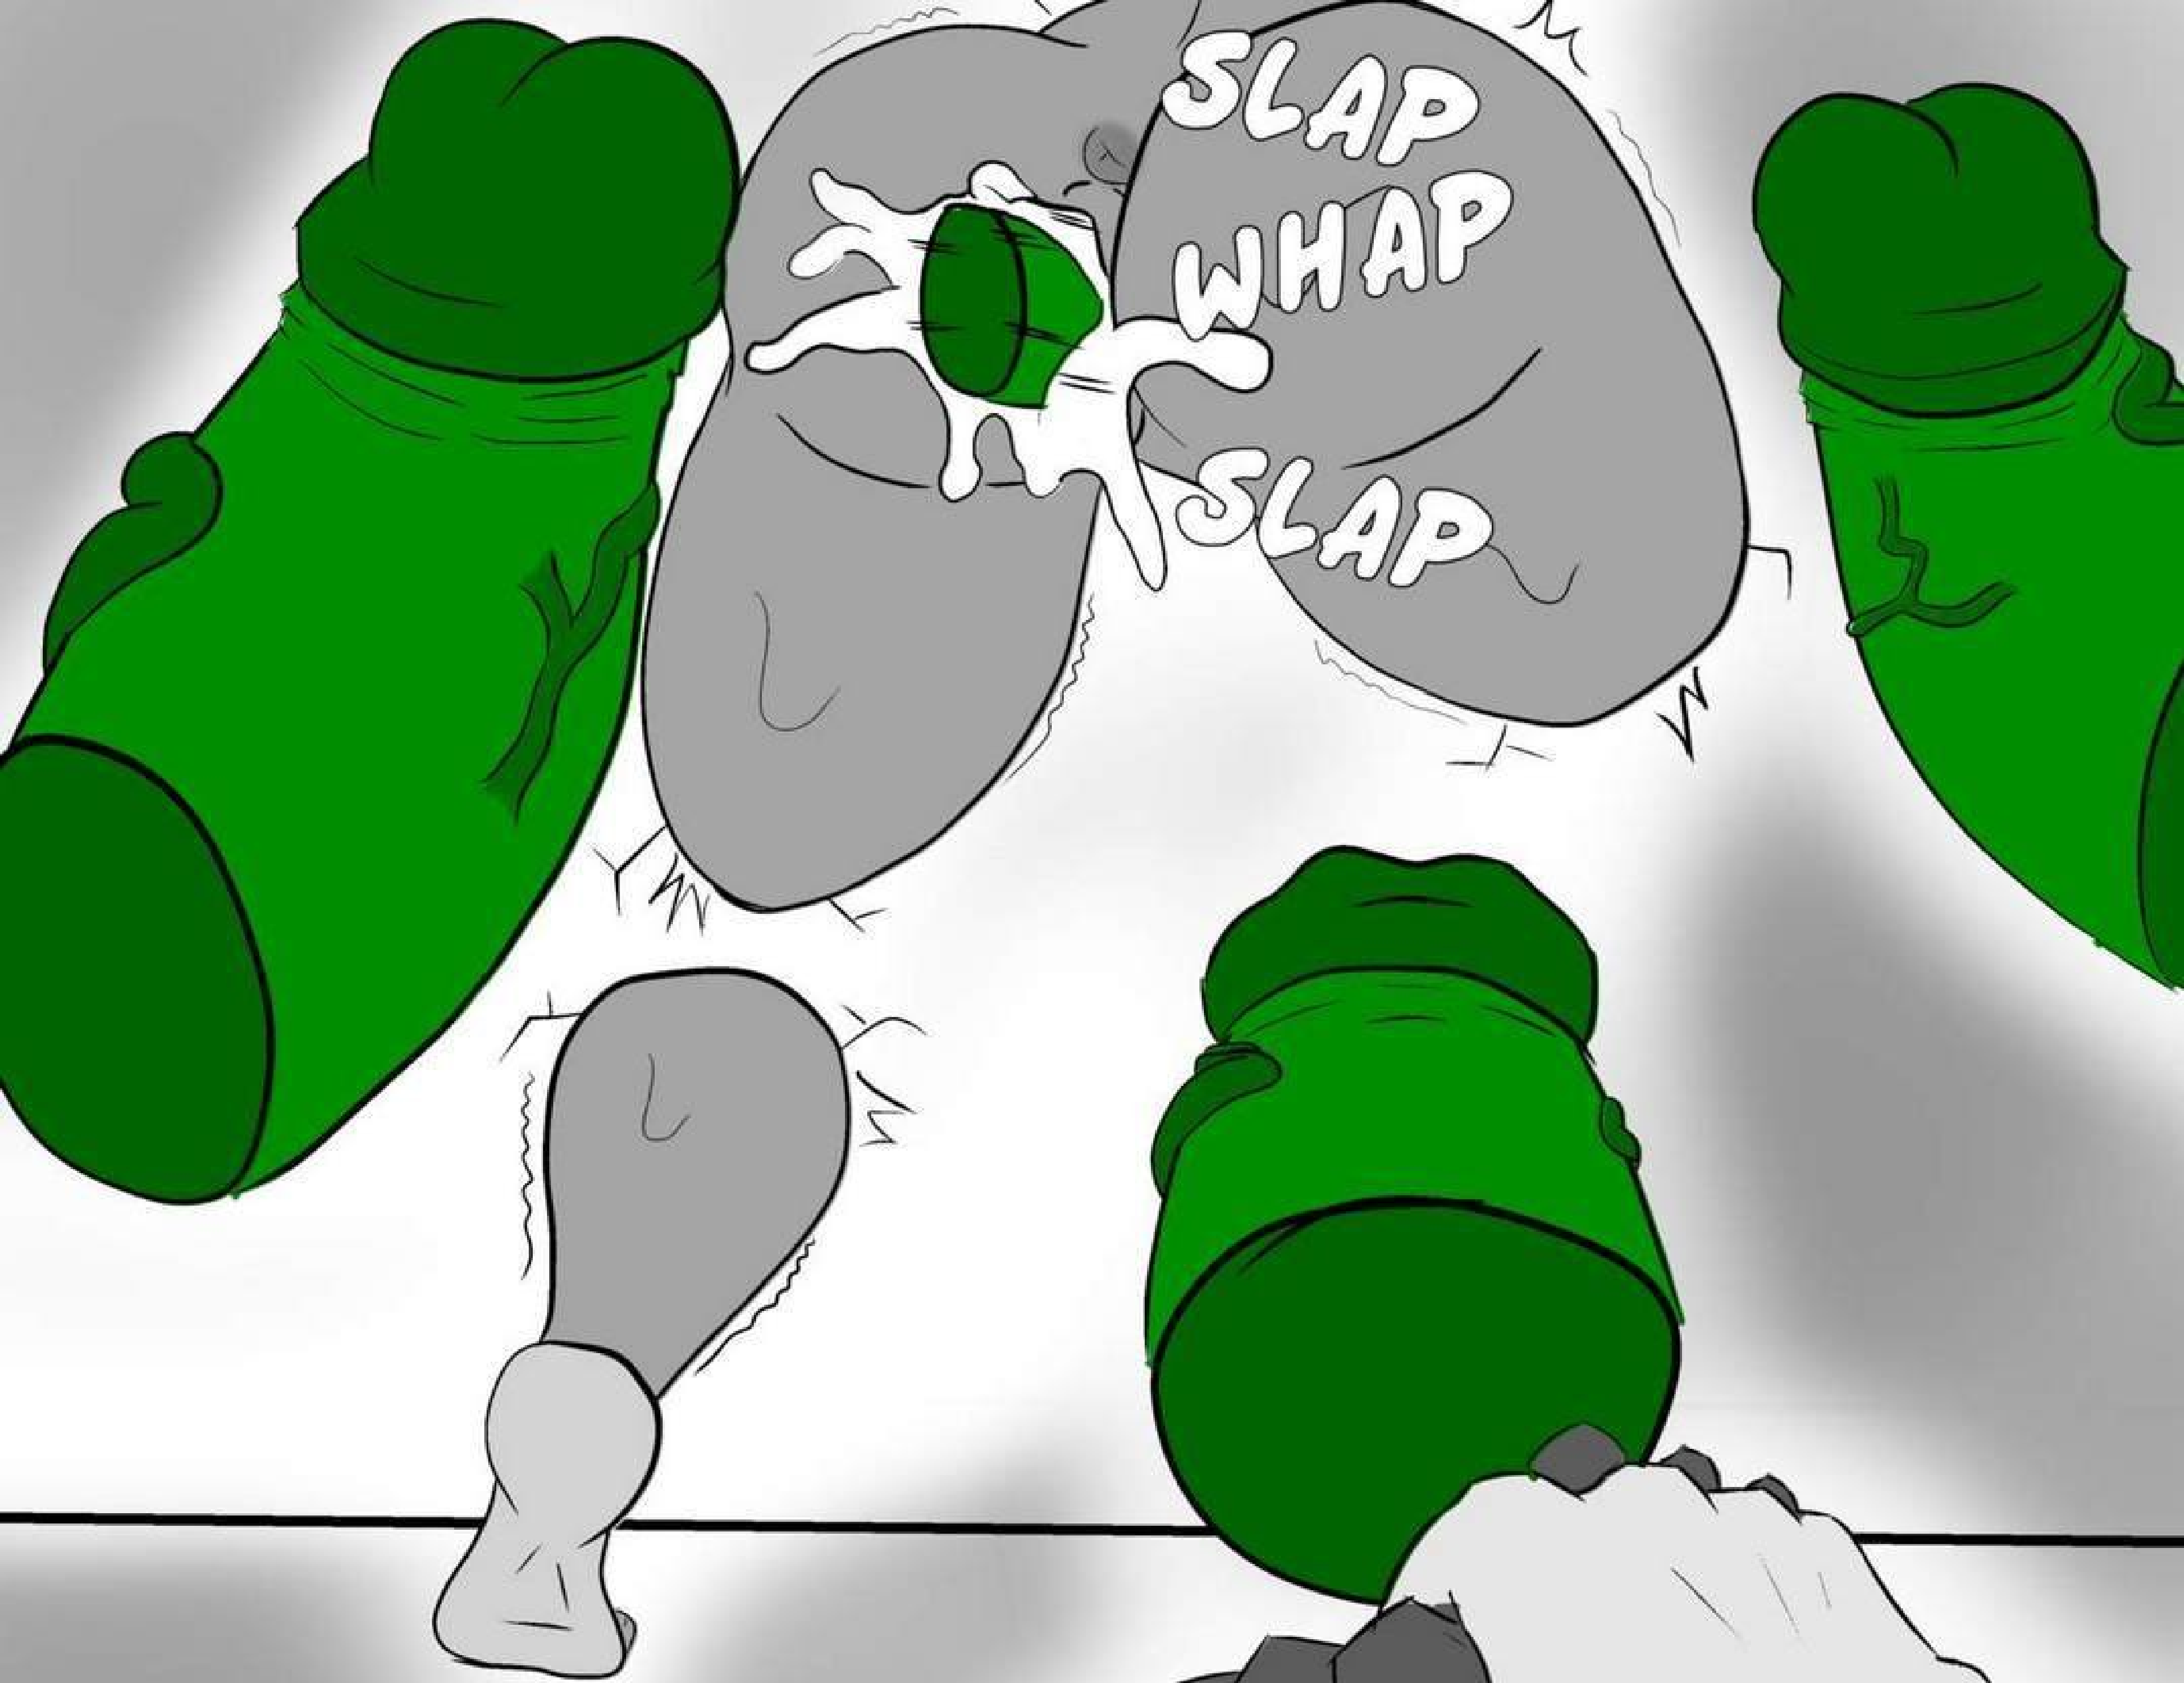

D-PLEASE!
I NEED TO
REST!

DON'T GO
PASSING OUT
YET, HEH

YOU'VE BARELY
EVEN GOTTEN
THROUGH THE
FIRST GUARD SHIFT

GUUH...

QUITE THE INTERESTING
DECORATION YOU HAVE THERE.
I MUST SAY I'M SOMEWHAT
ENVIOUS

WOULD YOU BE INTERESTED IN
TAKING IT OFF MY HANDS?
I'M AFRAID BOTH MY MEN AND I
HAVE GROWN QUITE WEARY OF IT

REALLY?
HMM, MAYBE...
MY HORSES COULD USE
SOMETHING TO WORK OUT
THEIR PENT-UP ENERGY.

THOUGH IT WOULD DEPEND
ON THE PRICE...
AND IS IT EVEN SAFE TO
REMOVE IT FROM YOUR WALL?

OH DON'T WORRY ABOUT THAT,
SHE'S BEEN TRAINED TO MOVE
POSITIONS ON COMMAND.
JUST COVER THE COST OF TRANSPORT,
THROW IN ONE OF YOUR 1024
VINTAGES AND WE'LL CALL IT
EVEN.

OH HO! A 1024 YOU SAY?
IMPECCABLE TASTE AS ALWAYS.
VERY WELL, I'LL HAVE MY
MEN REMOVE IT IN THE MORNING.

HAAH...
COCKSH...
PLEASH...
NEED... COCKSH...
HAAH...

EXCELLENT,
I'LL EVEN THROW IN
A VERY NICE LOOKING TARP.
YOU WOULD NOT BELIEVE
HOW MESSY THIS THING CAN BE.
