

Here's to Opportunity

Pt. 2

TABOO

Story By

CLOWNS

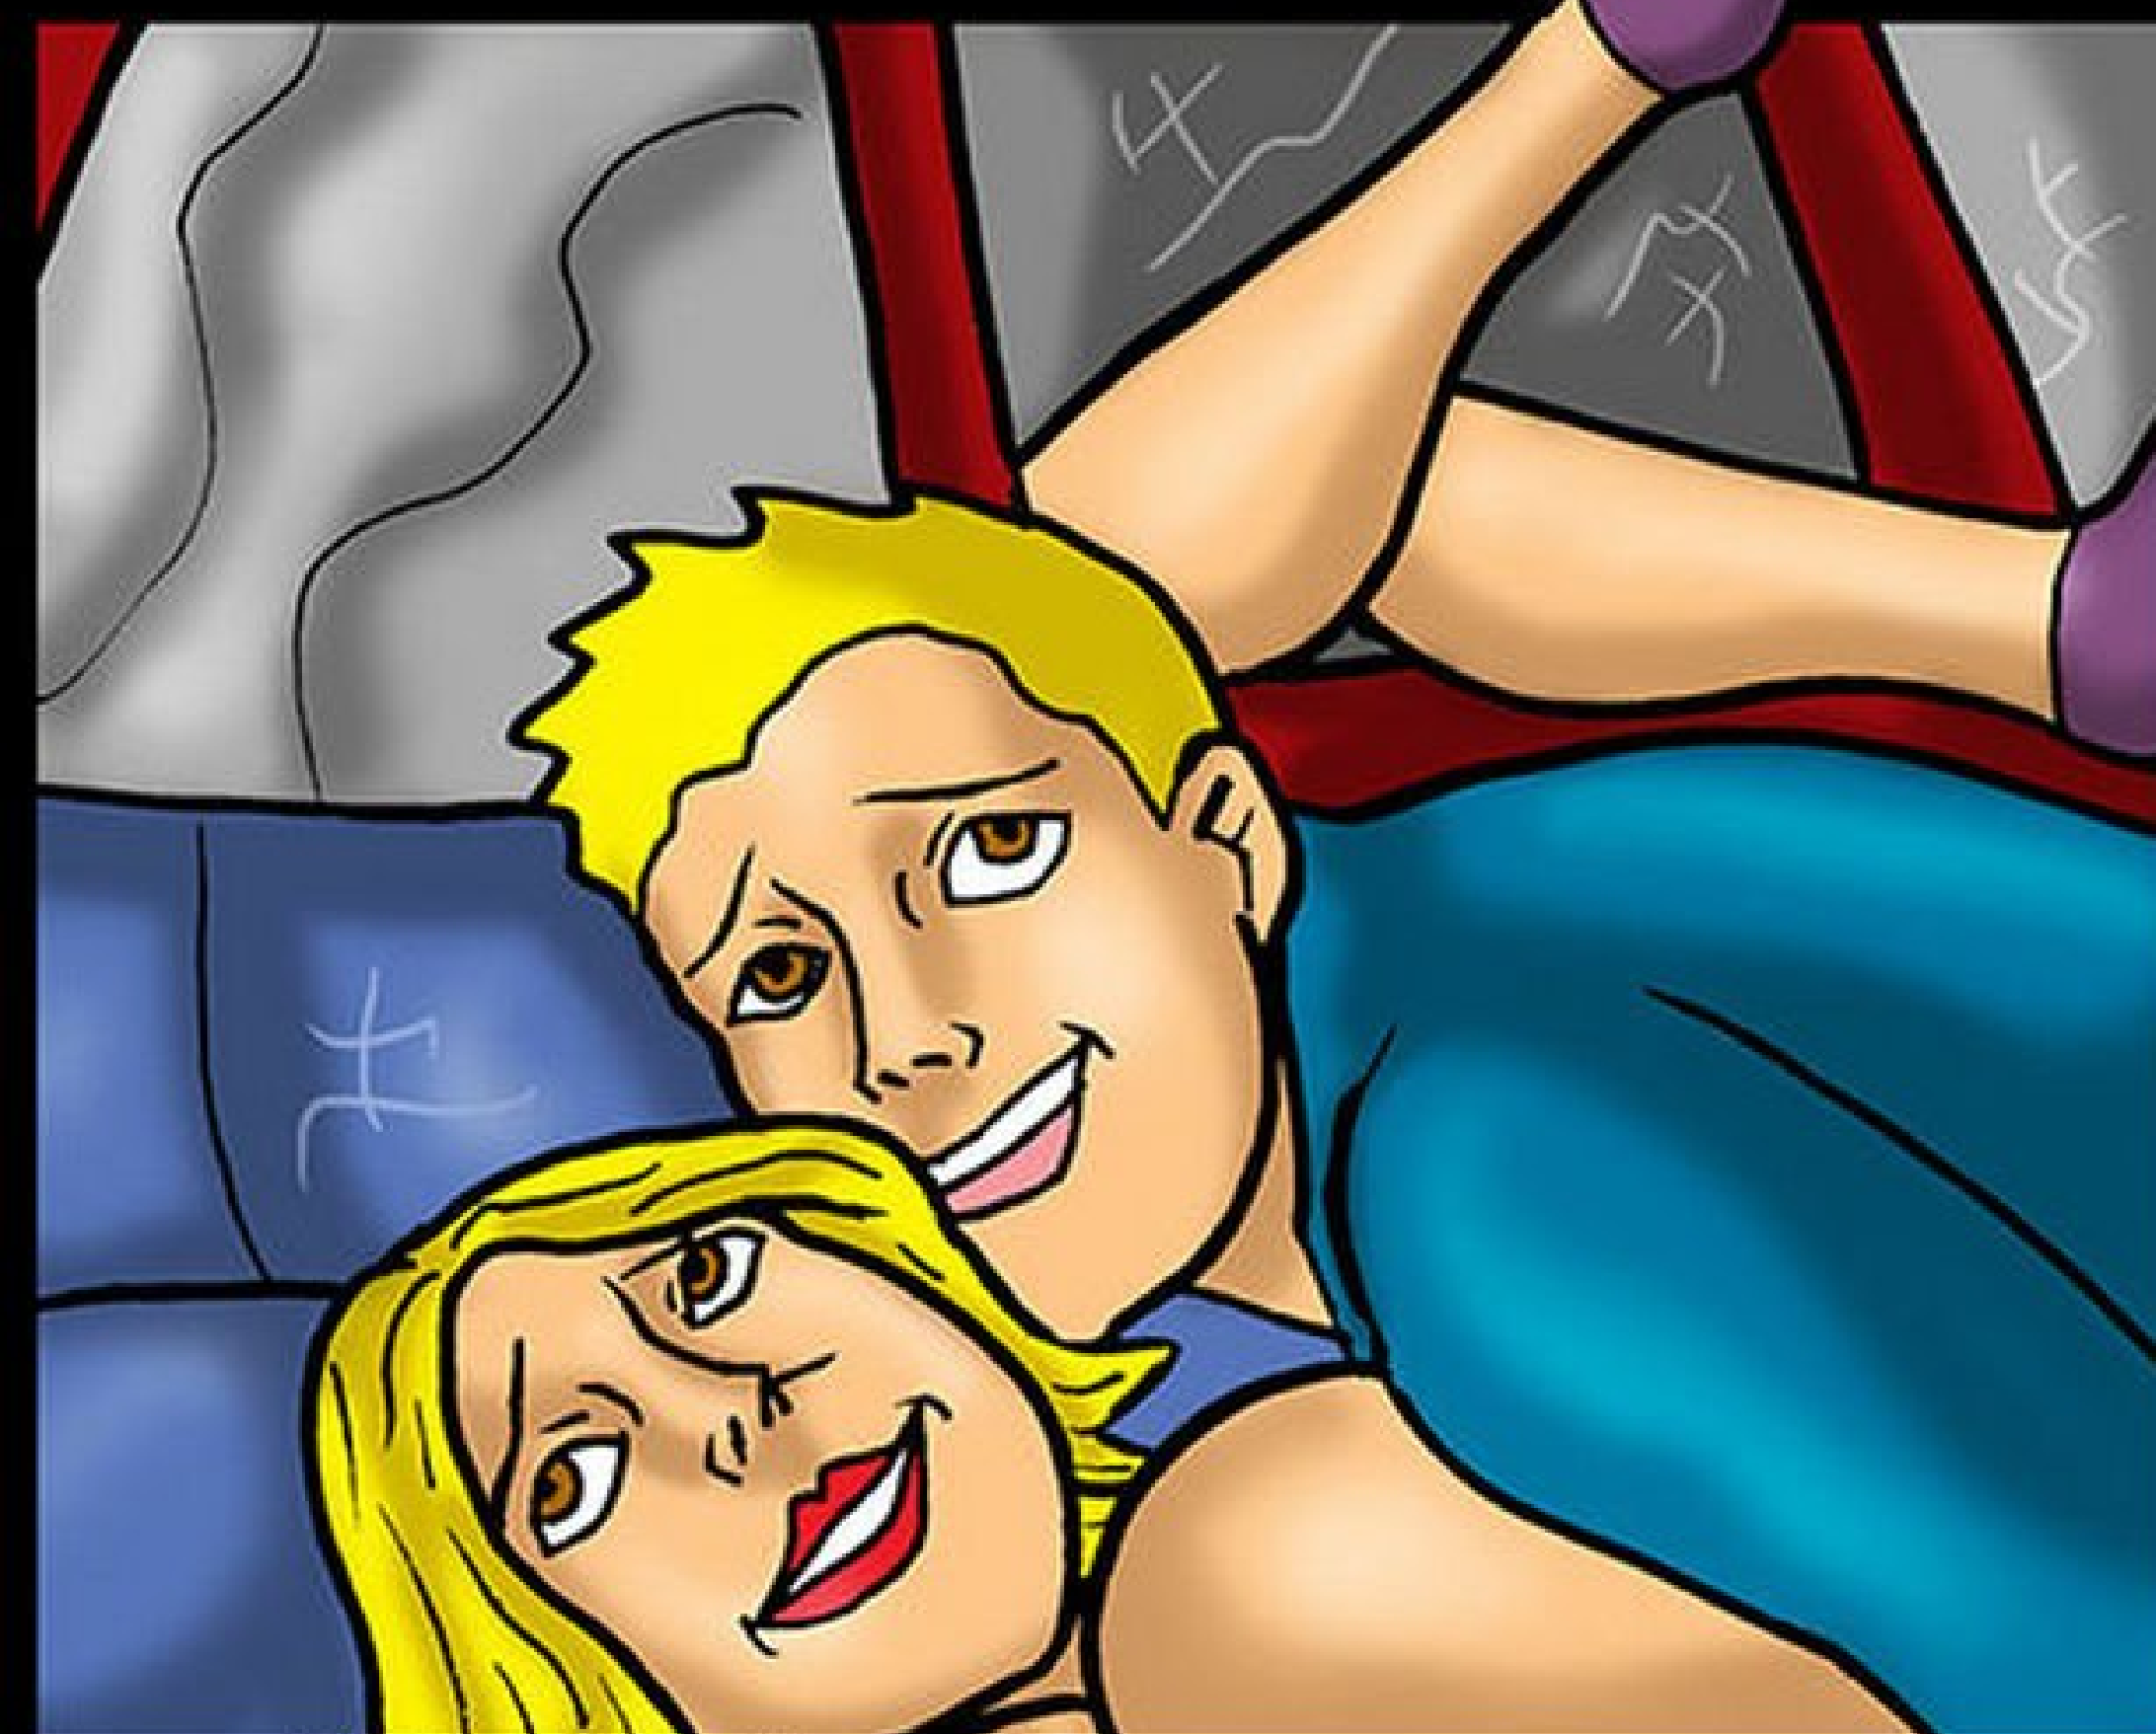

Both boys just laid back and enjoyed as Lisa worked both cocks. The wet smell of pussy filled the air, as the sounds of sex seemed to echo from every corner of the car. Jimmy knew from the suction his mom's lips had on his cock that every drop of his load would quickly make its way to her belly. He could tell from the sounds of skin slapping skin that she was taking Jamal's whole cock with each stroke – a feat no hottie from the club had ever managed.

Once Jamal was finished, he raised his hand, "Tag out!" Jimmy quickly slapped the raised hand and the two swapped places. They had big plans on being professional wrestlers back in the day. Lisa would help them drag Jimmy's mattress into the family room and then she would act as referee. Lisa's boobs seemed even bigger now that they were unrestrained. As Jimmy watched those all natural beauties jiggle about, he remembered punching Freddy Evans back in 7th grade for asking if they were real or not. As he positioned himself above her, Lisa spread even wider to allow him better access. Seeing the look of lust in his mom's face, Jimmy knew she wanted this as much as he did. A huge orgasm erupted in her as his cock was soon buried balls deep in her hot damp pussy.

Before tonight, Jimmy had never thought of fucking his own mom, but now, the thought of not being able to fuck her seemed almost painful. She was easily the best fuck he had ever had. He could feel her pussy squeezing his cock. Jimmy continued to pound away as Lisa's feet bounced up and down both in and outside the window. By the time they pulled up into the driveway, Jimmy gave Lisa one more orgasm before he too shot his load. With Jimmy still buried deep in her pussy, Lisa reminded them of Jamal's promise. "So, we're going to dance now? You said we would dance." Jimmy smiled at her: "Sure Ma. You're going to dance on our dicks all night."

It seemed only fair that the boys hit it one more time in the car before heading into the house. Lisa was more than willing to accommodate them both.

Making it all the way back home, Lisa was quite adept at working two cocks at once.

When Jimmy asked her about it, she was turned on even more to tell her son how she has never been able to say no to hard cock; how she especially likes big black cock.

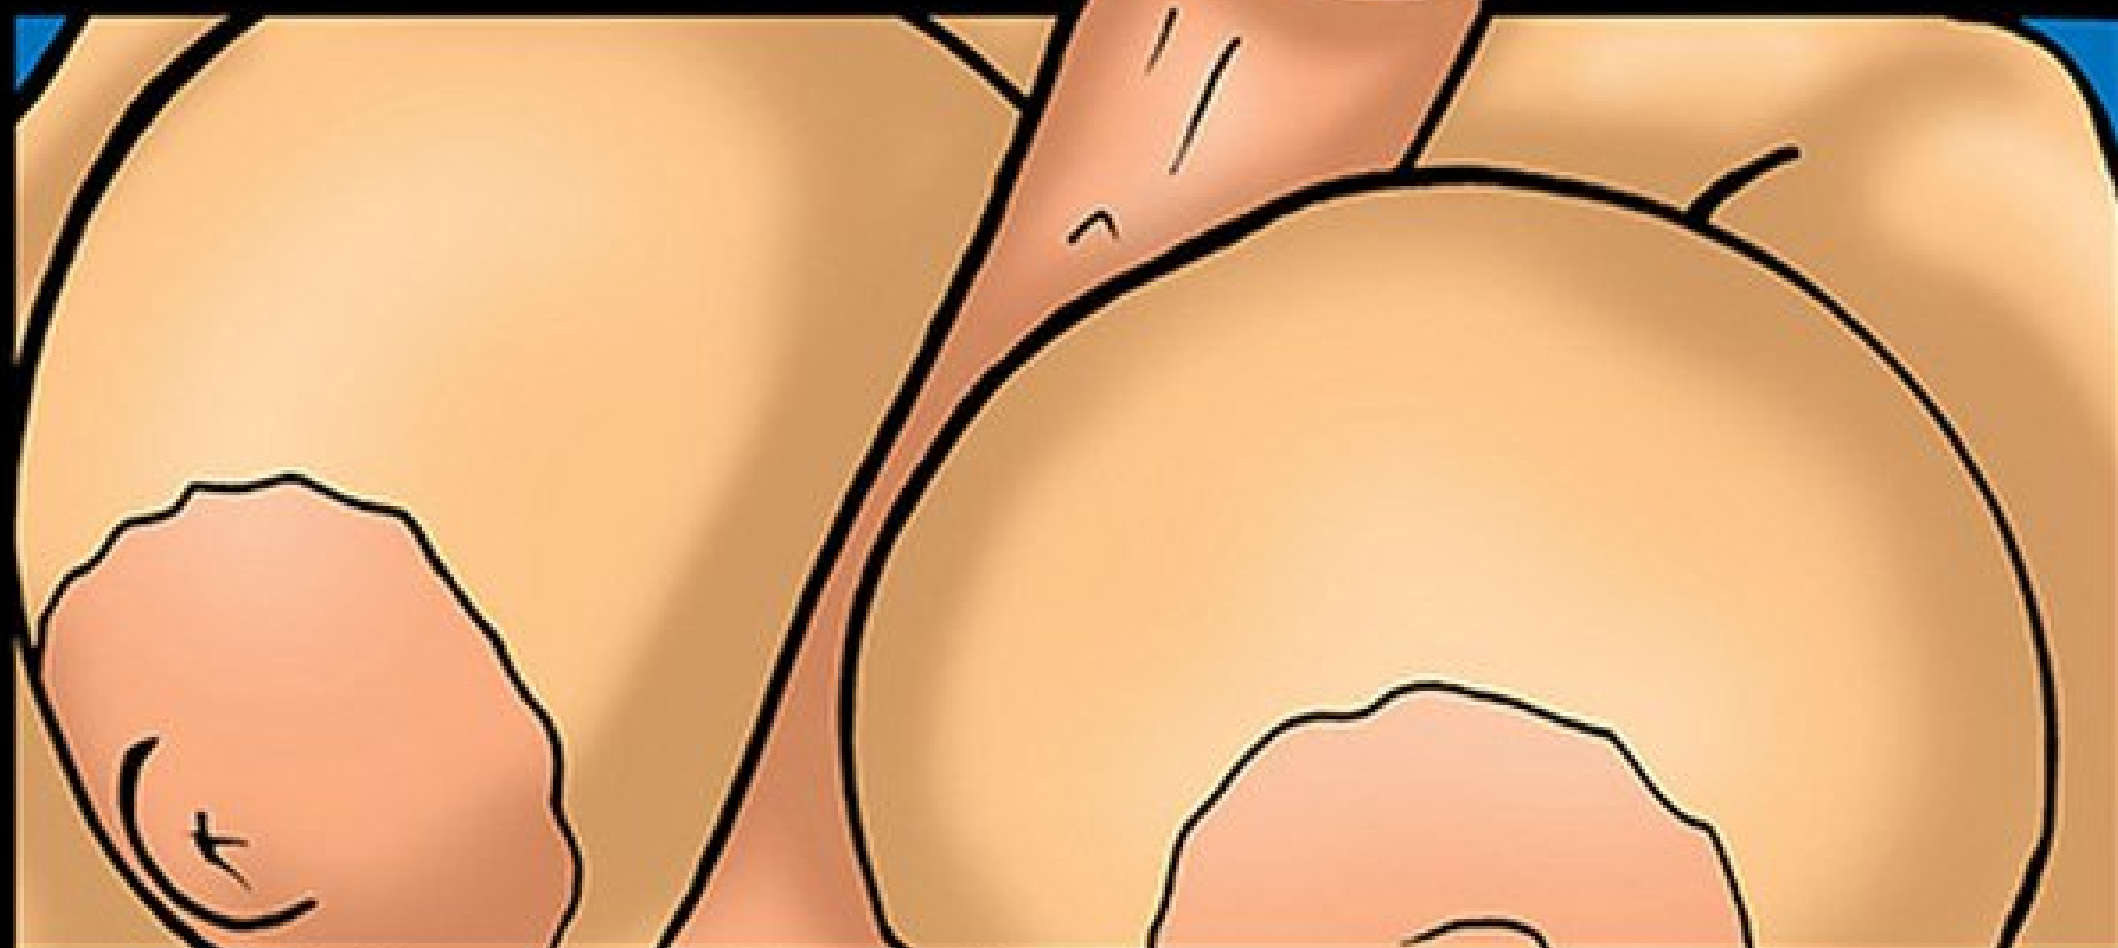

As if reading Jimmy's mind, she added how his dad has always been pretty clueless about her affairs.

They fucked almost nonstop for over three hours.

Lisa kept them going and worked them for every drop they had.

Clearly a good time was had by all.

As they finally lay there exhausted, Jimmy had Lisa list off all the guys that he knew who she had sex with. As she lay there with her eyes closed, covered in cum, she listed off over twenty guys and three girls. She admitted there were more but she honestly couldn't think of them at that moment. Jimmy wondered how he would react the next time he ran into one of those listed, knowing now that they had fucked his mom. They lay there in silence for several more minutes. Lisa was asleep. A big smile was on her face. Jamal looked to Jimmy.

"Here's to opportunity!."
