IF HELL HAD A TASTE

VOL. 1

CHAPTER 1 - INVITATION

My name is Marci. I'm 16 and just about to finish class before summer break. But I have a huge problem...

There he is... sigh... his name is Skylar. He's a football player, even injured his eye once during a game and still made a touchdown. He's having a party on Saturday and is inviting people. I can name two reasons why that girl is getting an invite...

See you at the
party!

“See you at the party!” She
says... If I had boobs like that I’d
be going too! Don’t get me wrong
she doesn’t even know I exist,
but in case you couldn’t tell, I
have a crush on Skylar...

It's okay I guess... I'm out of his league anyway... It's times like this that I think I got screwed in life. Why are there always people more popular than yourself for practically no reason?

Sigh...

Hey, I have a spare, want it?

Holy Shit!!!

**Th-Thanks! I'll be
there!**

**Cool!
Catch ya later!**

**Oh my god! This is the
greatest moment in my
life! Skylar invited me to
his party!**

I could barely get to sleep that night!

The next morning I took a nice hot shower. I'm so excited that I get to go to the party, so I better get extra clean!

**Have to wear something
nice and eye catching.
This is my chance!**

Do my hair and I should be ready... Darn bangs...

A few hours later...

Mom! I'm going to the mall to hang with my friends!

Mother: Alright sweetie, make sure you have your phone!

I do! Love you, bye!

No way that I'd tell Mom that I'm going to a party, she'd never let me go...

I couldn't help but have a joyful walk to Skylar's. For the next several hours I would get to party with him at his place! Though, other people would be there, I won't let that discourage me!

La la la~

Oh wow, there it is! He has a nice place! I still can't believe I'm here!

Oh no... Oh no no no no no... I'm getting nervous... What if he doesn't like me?

KNOCK

KNOCK

I can't chicken out now, I have to go in... I have to try...

When Skylar answered the door, he was all sweaty, I think he was working out. I don't think he noticed, but you could see his... well...
ahem... his "manhood" could be seen through his sweats... And damn I'm glad he didn't notice...

Oh hey, Marci right?

I quickly looked back at him before he saw were I was looking and properly introduced... or re-introduced myself technically...

Oh! You remembered my name!
Umm, yeah! I'm Marci from English
class! You gave me a invitation to the
party!

?!

Thank you for letting me come!

Eh...?

Uhh... the
party is "next"
weekend not this
one...

The party is next weekend?! I must have read the invite wrong! Did I even read it?! Oh my god! I came all this way, got nicely dressed, and I'm the only one here?! I've never been so embarrassed in my life!

N-Next...

...weekend?

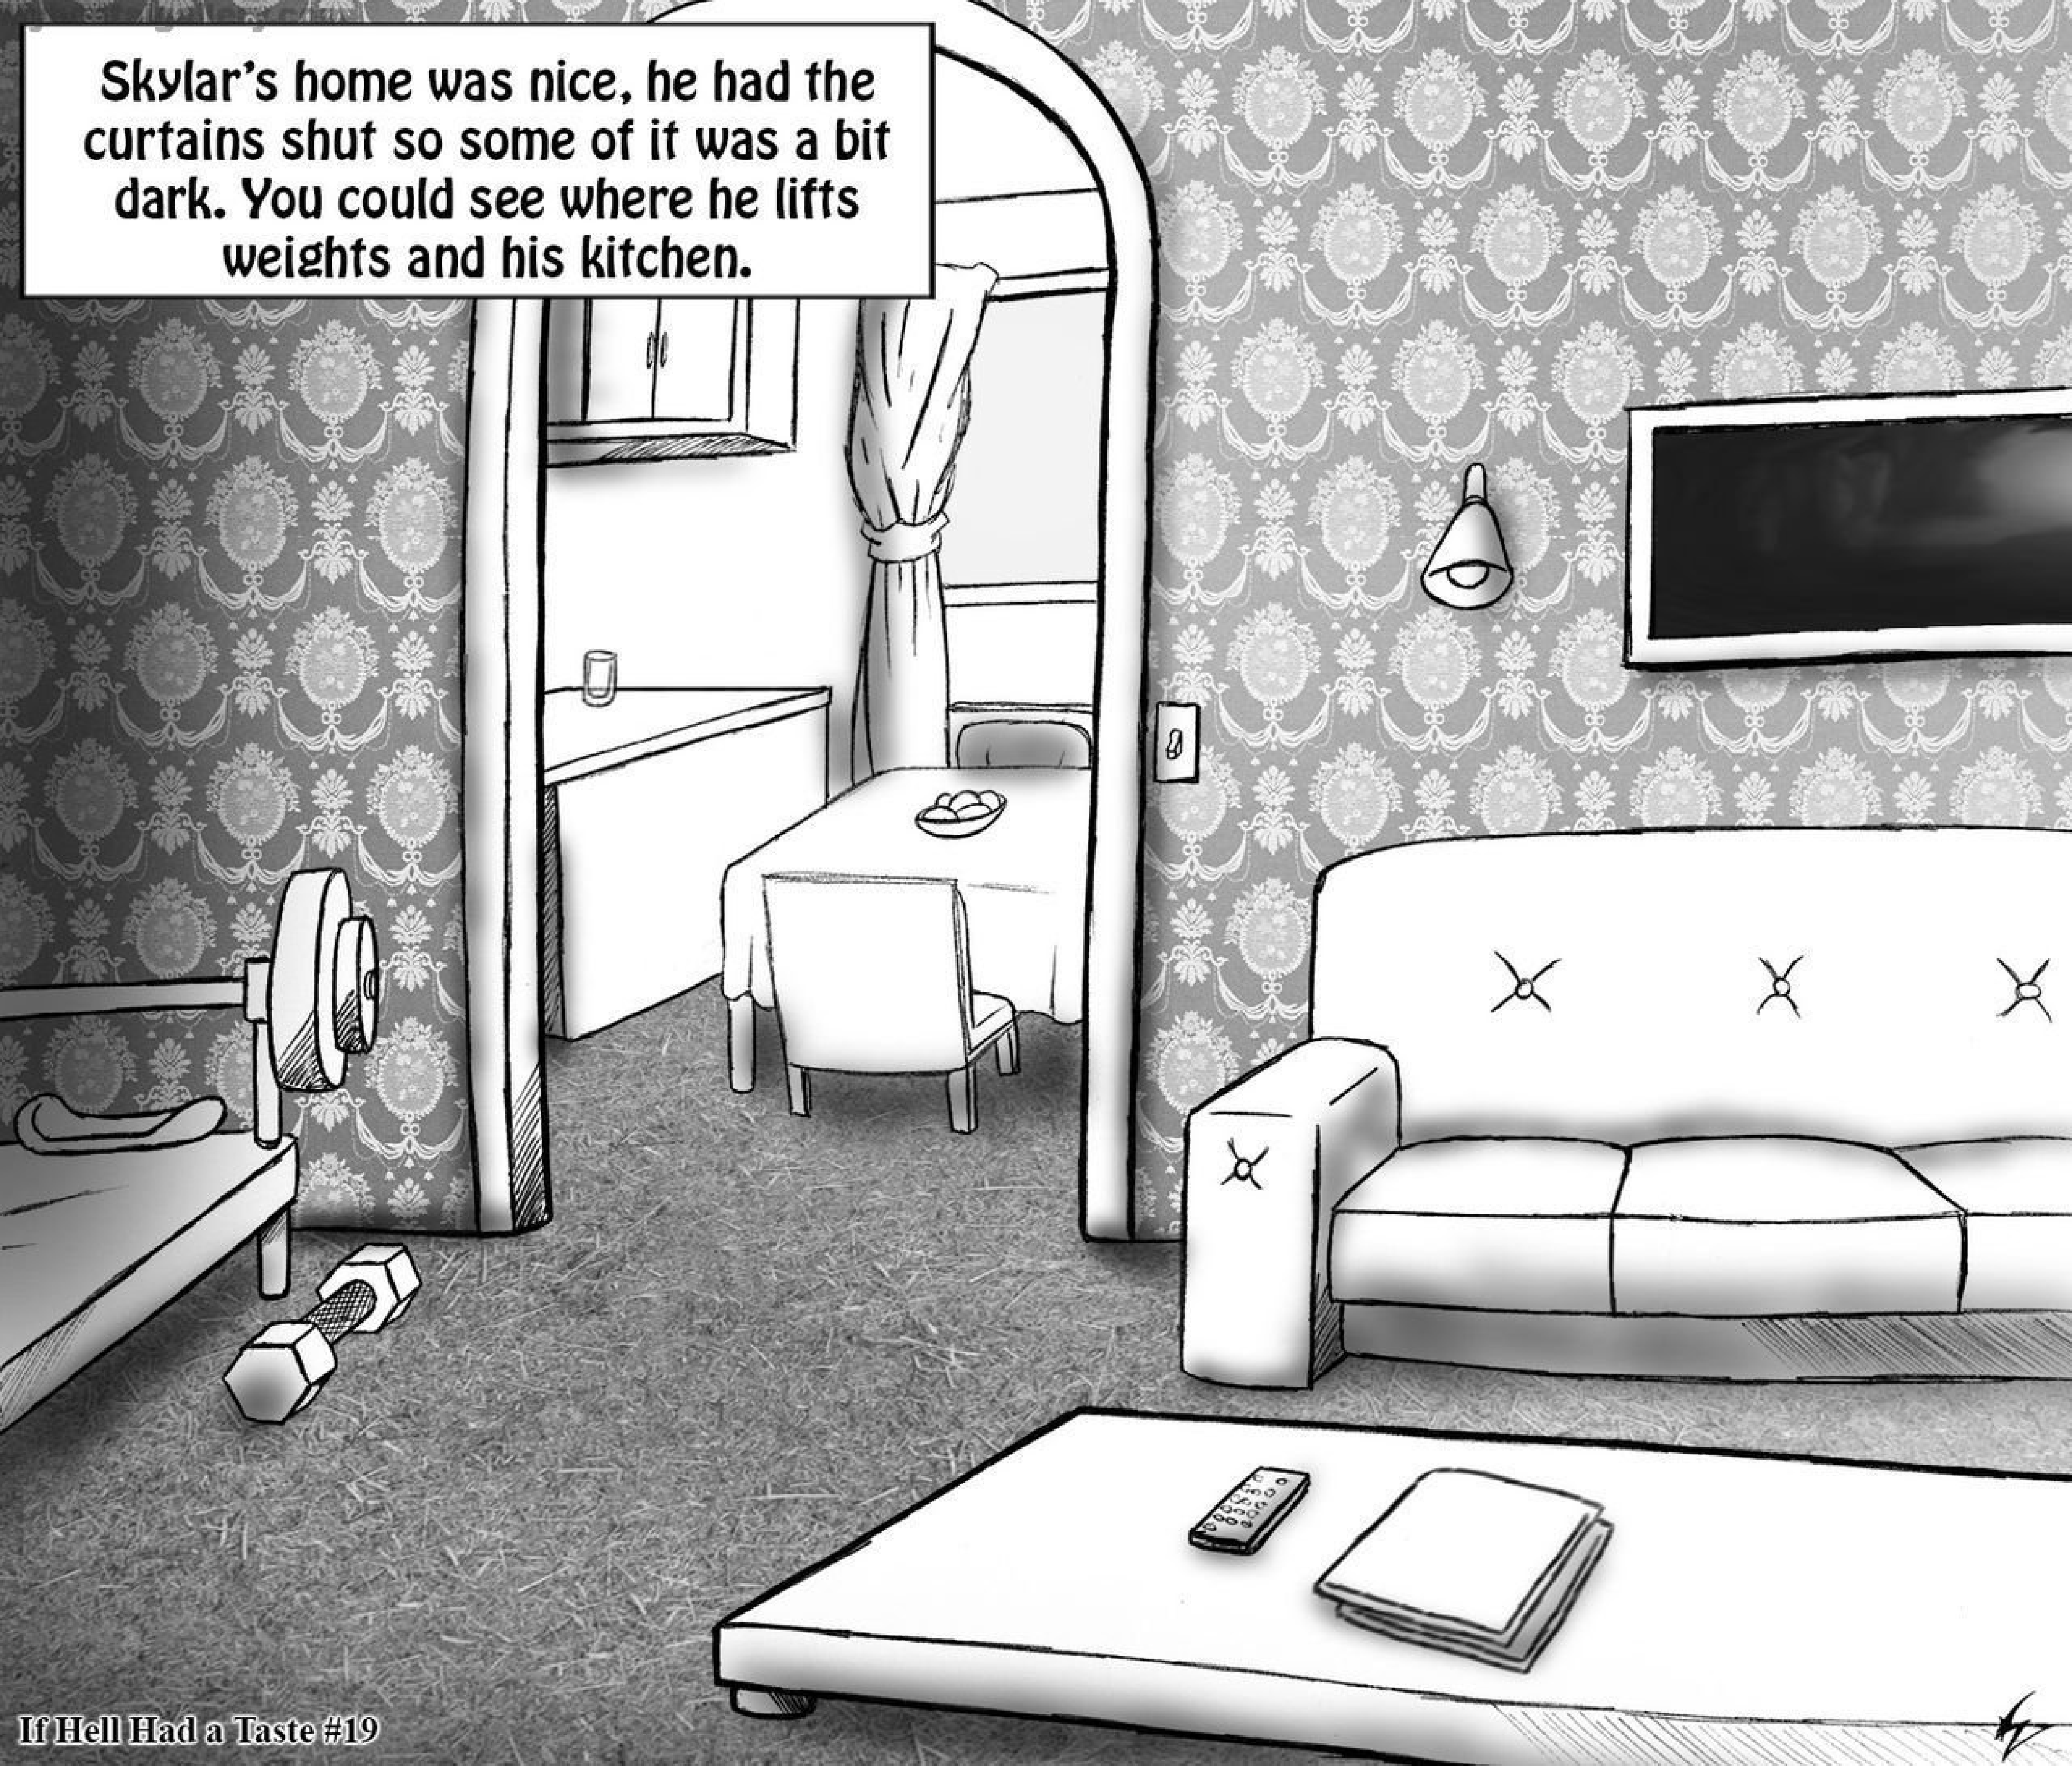

I think I'm gonna cry... I better get out of here before I embarrass myself even more...

I-I'm sorry! I'll just leave!

Well hey, you've already come all this way. Why not come chill inside?

R-Really?!

Skylar's home was nice, he had the curtains shut so some of it was a bit dark. You could see where he lifts weights and his kitchen.

Moments later, Skylar set me up a big spread of food! I had no idea he liked to cook and... well wow... this is a lot of food!

Let me know if you want anything else! I don't often get to try new recipes!

This looks great!

I almost didn't know where to begin, but these pancakes looked like a good start! They were so buttery they melted in my mouth...

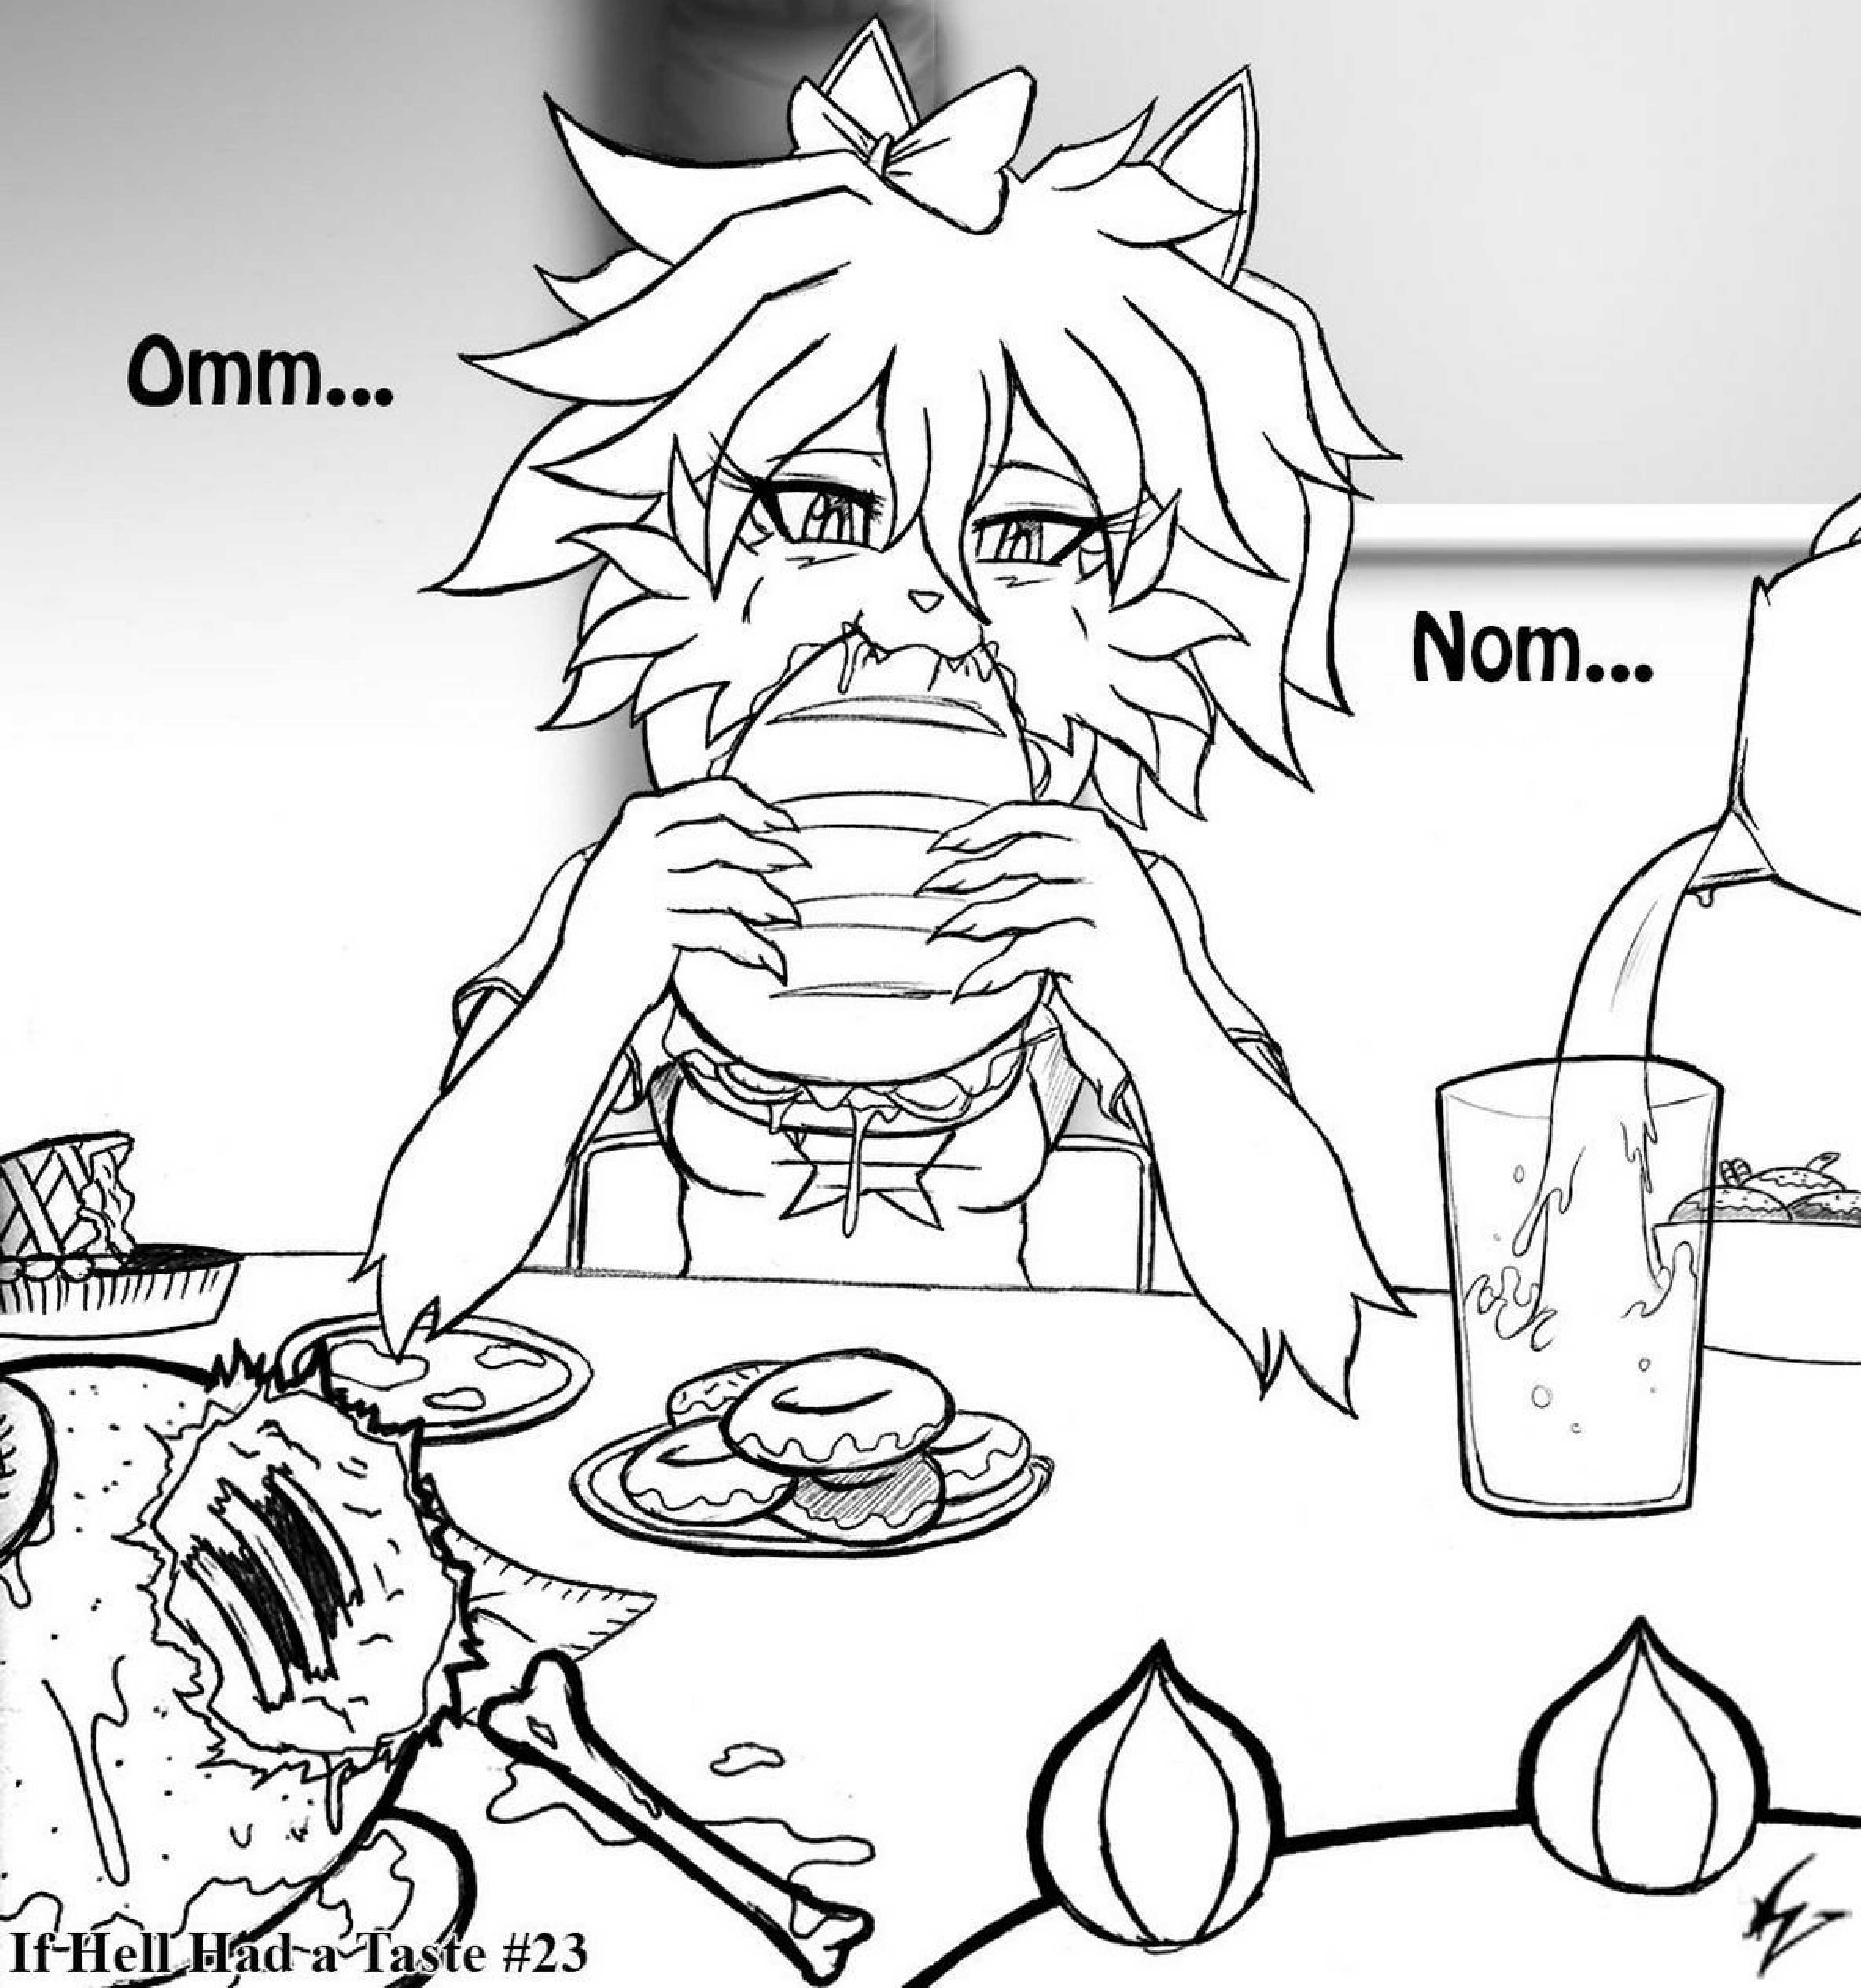

Mmm...

I had a little bit of everything before Skylar brought me sandwich and some milk. The sandwich was big and packed with meat, eggs, tomatoes and lettuce... so delicious!

Omm...

Nom...

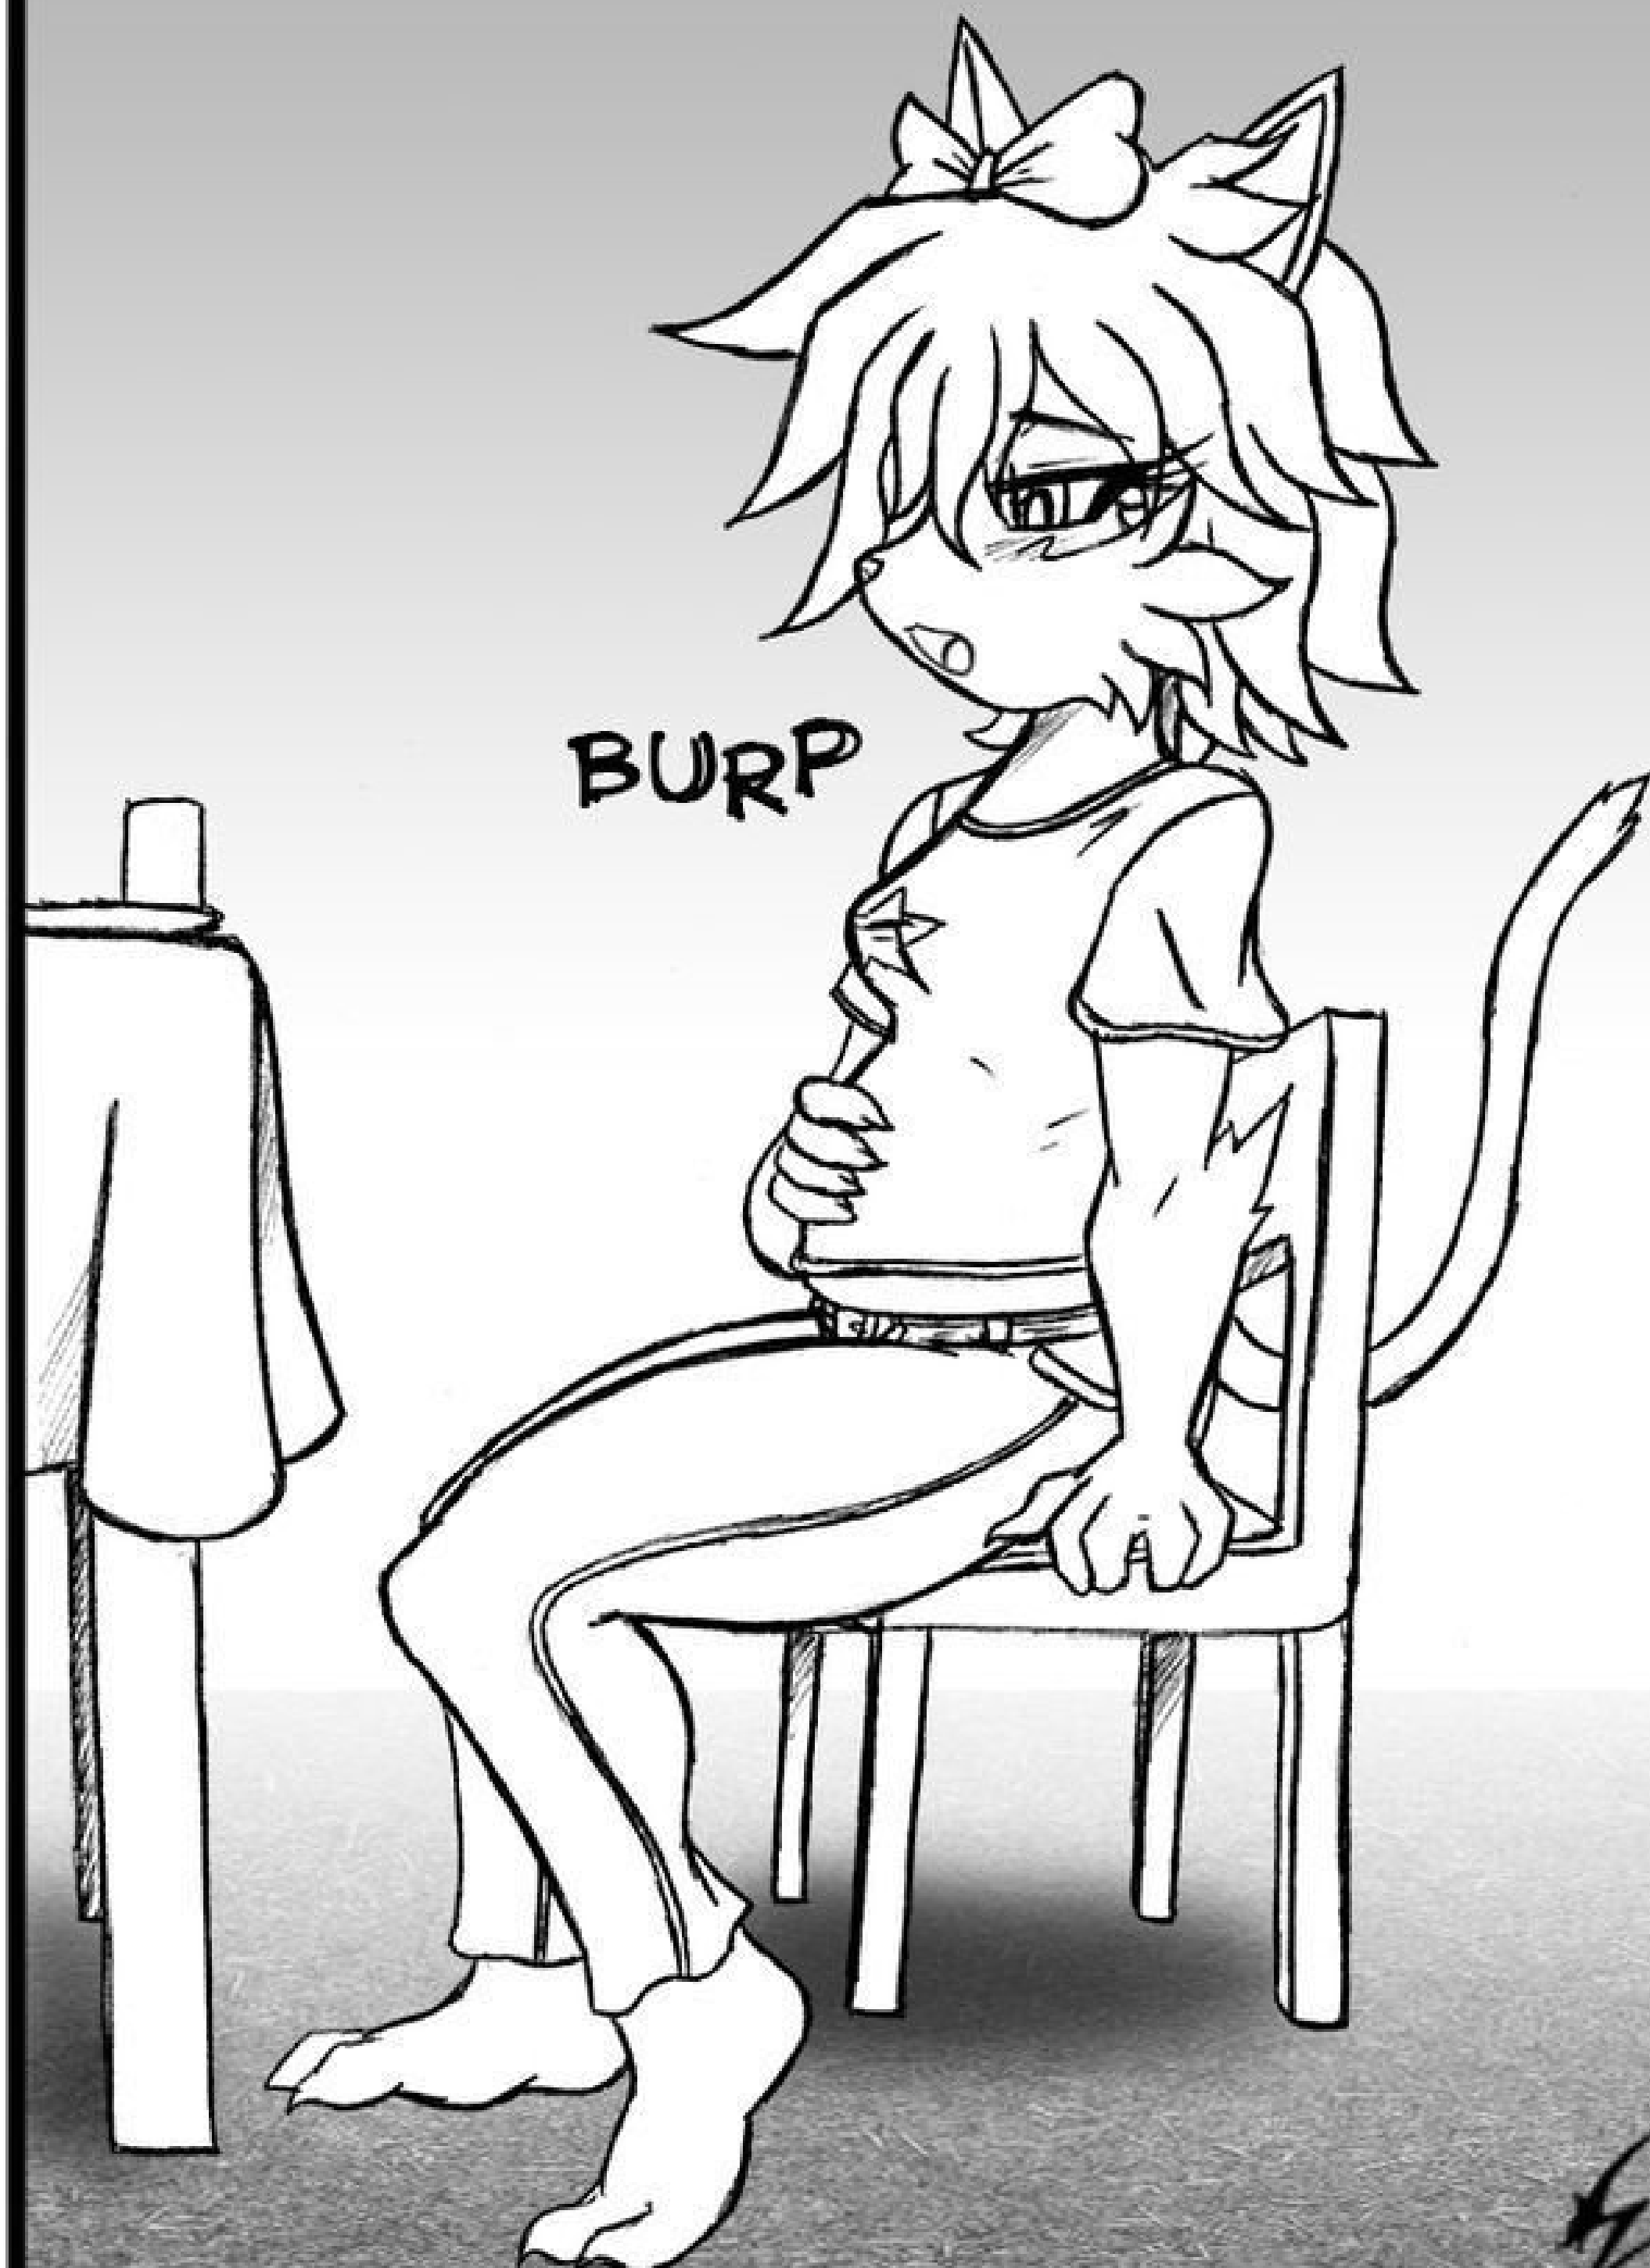

I feel so spoiled hehe...
Next I ate some donuts.

After that I had some ice
cream. Chocolate,
Strawberry, and Vanilla!

And to top it all off, Skylar
cut a big piece of cake for me!

After a while, I had my fill. My tummy was a bit stiff and pressed against my pants belt, a little annoying but it was fine. I don't normally eat a lot but since Skylar made it for me, I couldn't help but indulge myself...

Before I could say "Excuse me.", Skylar brings in a big tray of food. His excited face was cute as he was really into cooking for me. But I was pretty full now...

I hope you like Honey Glazed Ham! I added some fruit flavors to make it sweeter! My mom often cooked it this way!

Skylar looked so happy that I couldn't tell him I was full... I moved my chair closer to the table, hiding my belly bulge and unbuckled my jeans. My stomach felt relieved and settled comfortably, making room for more food...

When I was ready, I sank my teeth into the ham... I could taste the fruit and honey glaze all over... The meat was juicy and I could feel my taste buds explode with joy... Skylar's cooking was amazing!

Rmmph...

A while later

...I think I over did it... I manage to eat the ham... the whole thing... even had the pieces of chicken that came with it... I feel so full that I could burst... My stomach is making weird noises...

Ugh... I feel like I'm gonna be sick...

GURRG

GURGLE

Eep!

I don't know what came over him,
but Skylar started giving me a belly
rub... And damn did it feel good...

GURG

GLURP

Oooh~

With all that rubbing, I
couldn't help but let out a
nice content belch...

BURRRPPPP

I can't believe I just did that in front of Skylar, but that felt so good to do. Released some pressure in my stomach...

I-I'm sorry!
Excuse me!

chuckles No worries, that was pretty cute actually, bet that made you feel better!

I feel so tired now... Stomach digesting...
Heavy and bloated... But it was worth it to
spend time with Skylar...

Yeah... *yawn*
though some rest
would be nice...

You do look tired... I'll
take you to the guest
room for a nap!

URRGL

Skylar took me to the guest room. It was small but perfect for what I needed it for...

I had never been so happy to be in a bed... The moment I layed down, I passed out instantly... My belly made slight noises as I slept...

Skylar's Room

God damn that was thrilling...
Watching her eat my work was
such a... a... a experience...

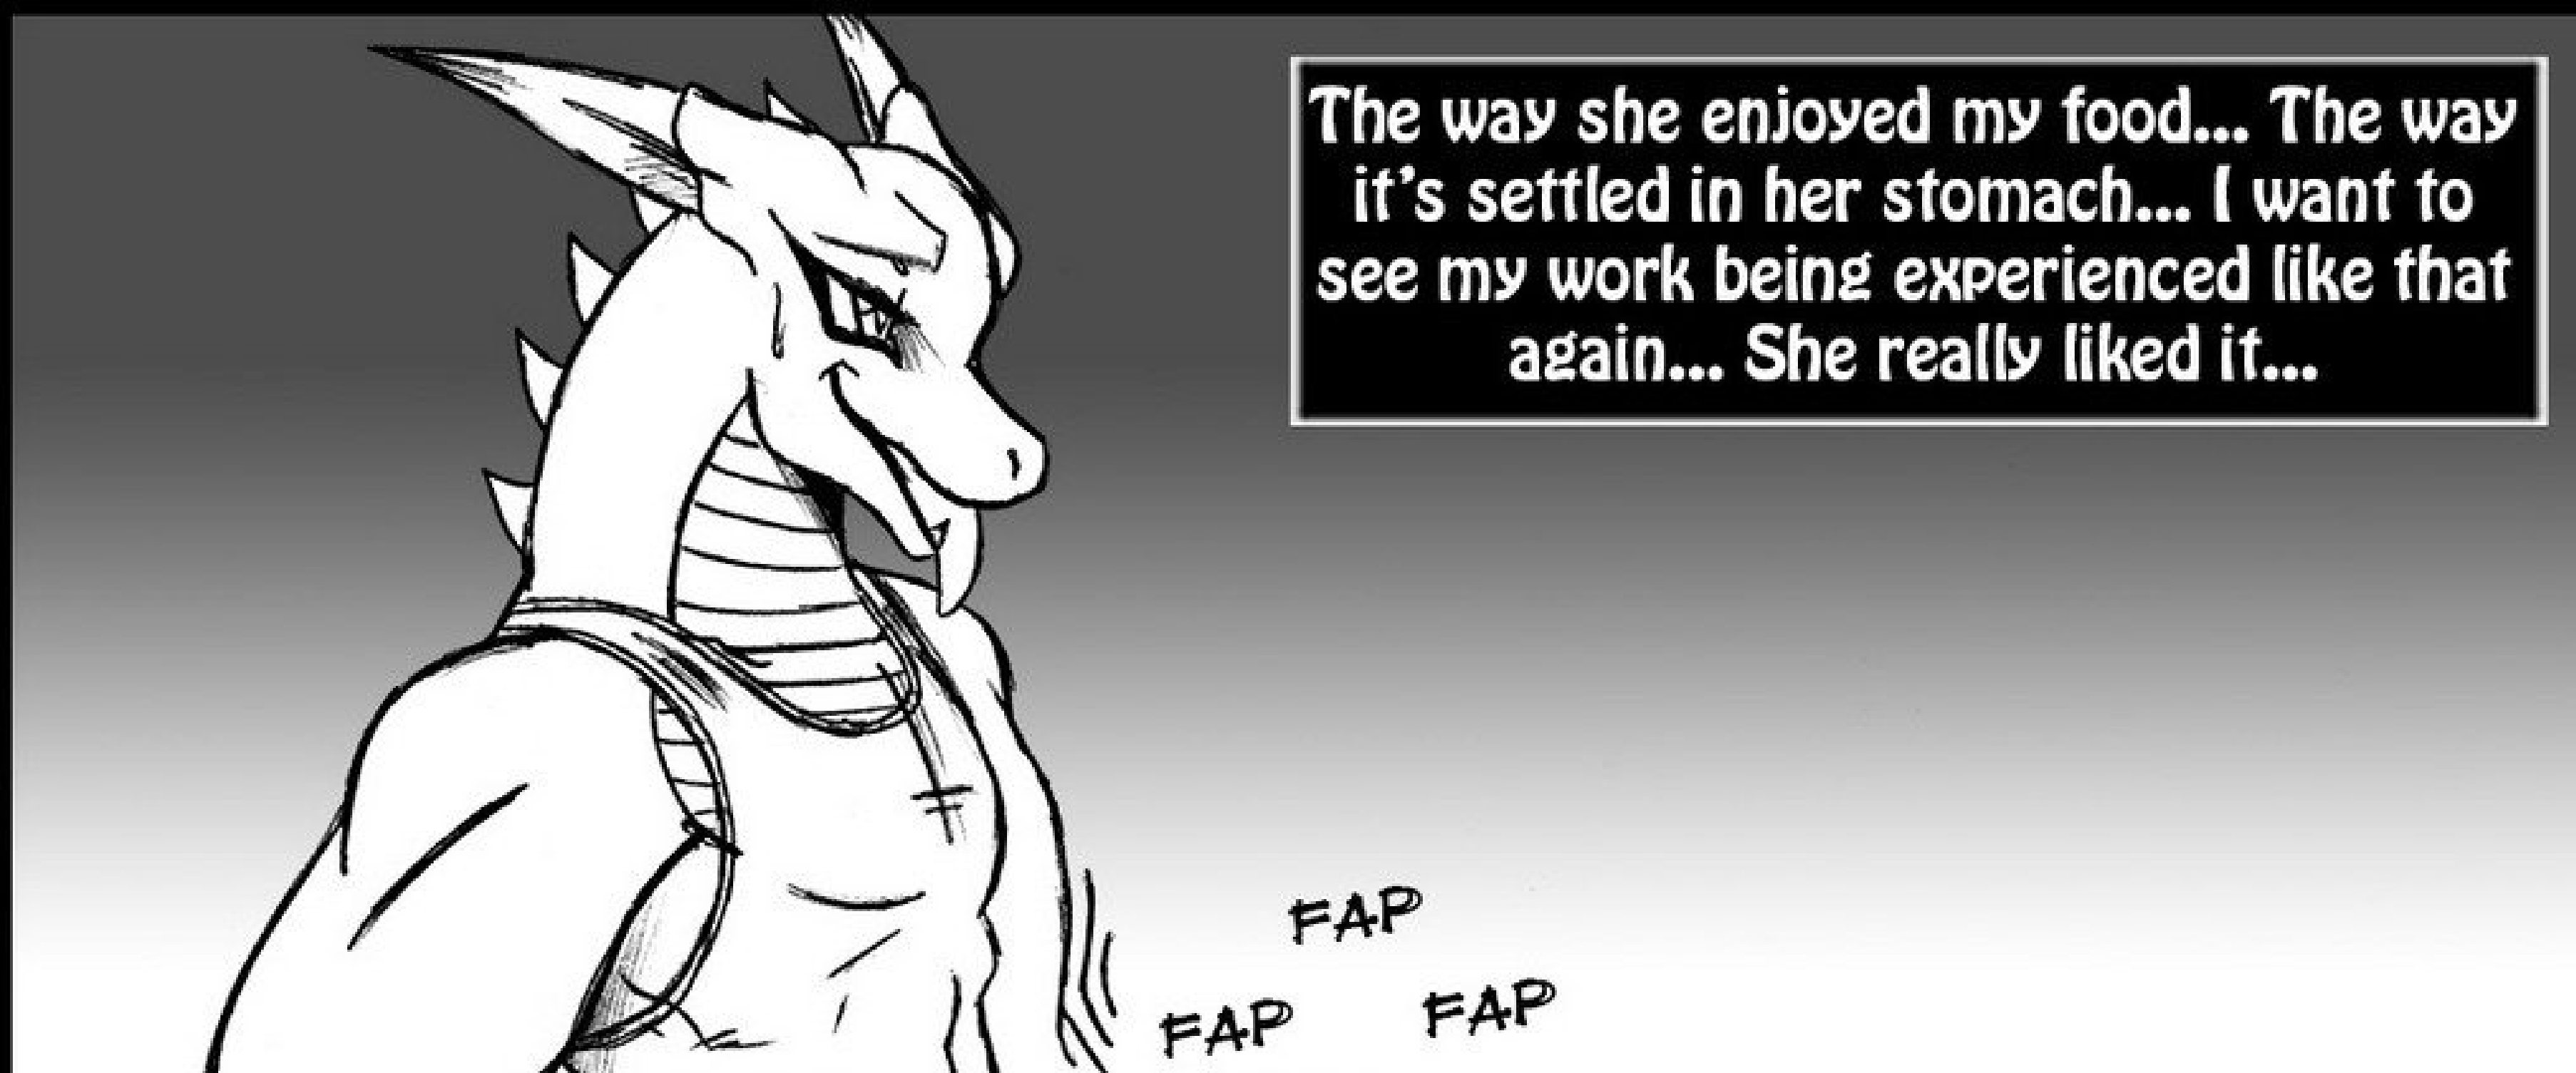

SLAM

THROB

The way she enjoyed my food... The way it's settled in her stomach... I want to see my work being experienced like that again... She really liked it...

Gah... I have to be patient... Don't want to scare her off like the others... I just want to see if my new creations will be enjoyed just as much...

SQUEEZE

Need to be patient but... to find someone so willing... and from my own class...

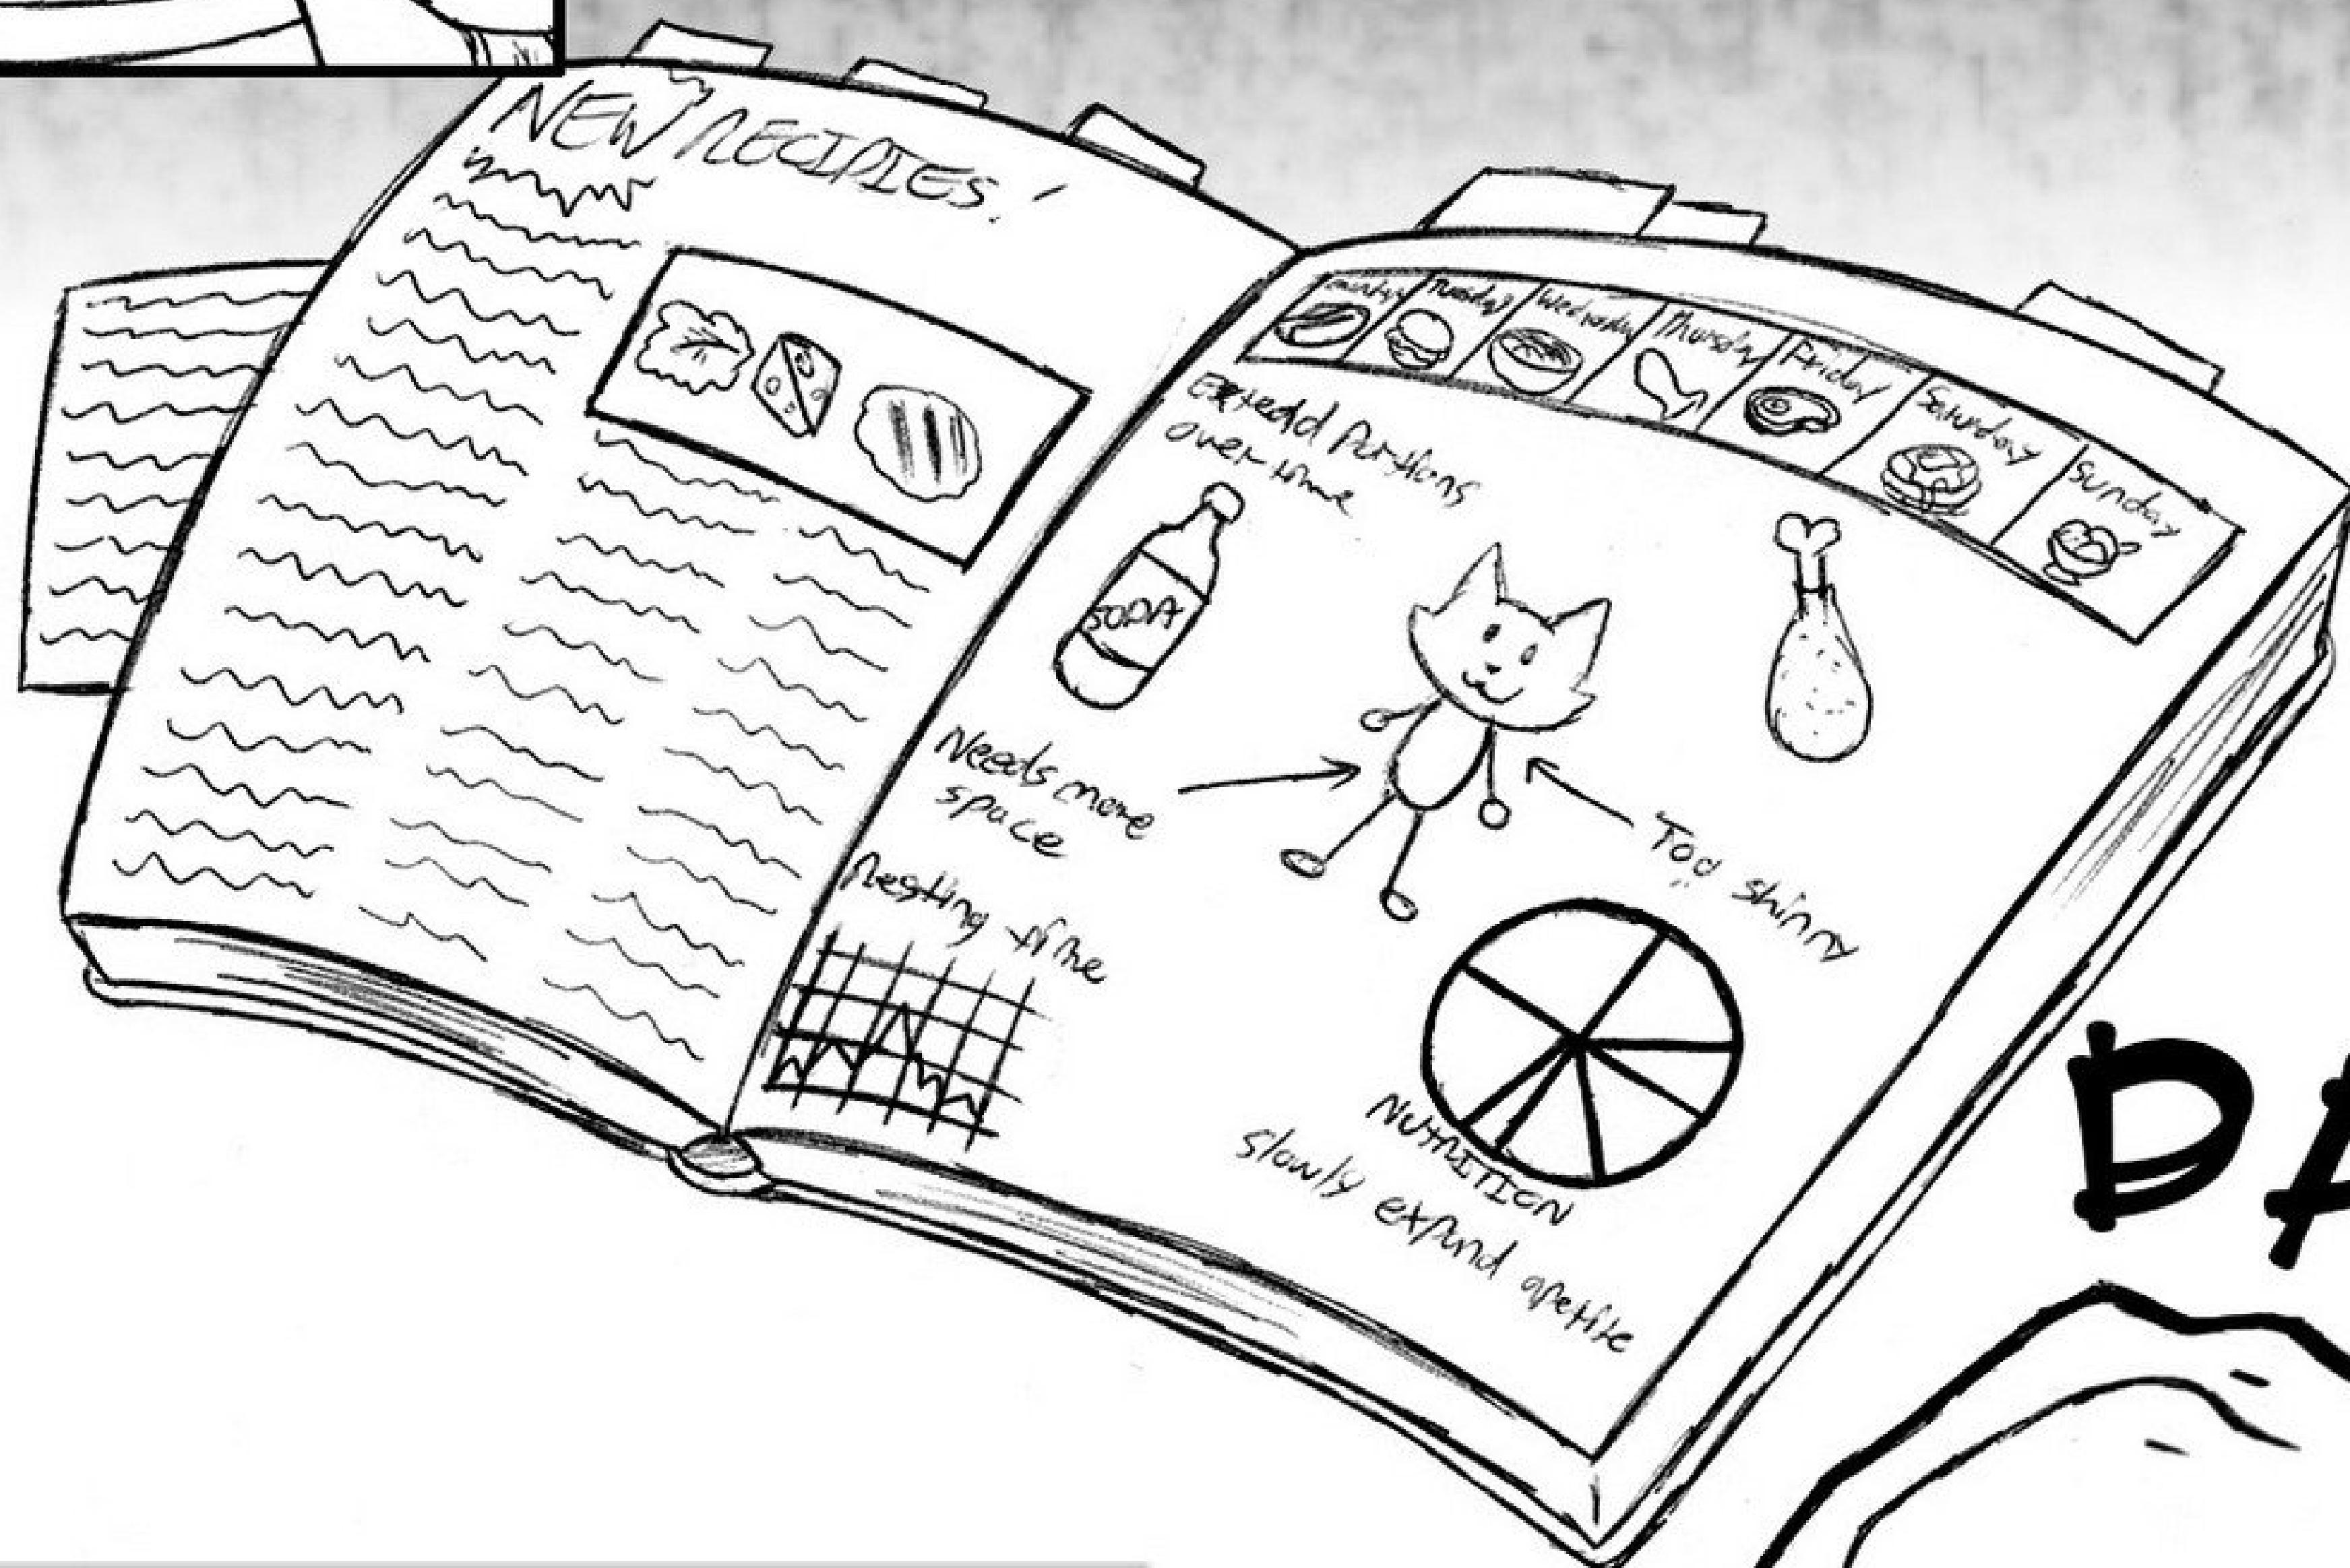

Mmm... I need to take special
care with her...

I'll put her on a
special diet!

And now I play the
waiting game...
patience really is a
virtue I suppose...

Should take a shower...
I got so excited that I
forgot I had worked
out...

Hehehe... I can't
wait to have some
fun with her...

*I got these flowers
for you Marci!*

*Oh Skylar, they're
beautiful!*

*Not as beautiful as
you...*

**giggle*... you're so
sweet...*

Mmm...

LICK

Mmm...

LICK

Huh wha?! I-I'm
awake!

BUZZ

BUZZ

BUZZ

Hey Mom! I know it's late, but me and my friends just started watching a movie at Stacy's!

Oh okay, just checking on you. Do you need me to pick you up afterwards?

No that's ok, it's not a long walk so I'll be fine!

Alright, call me if you need me. Love you sweetie!

Glad that worked... She'd kill me if she knew I was at a boys house alone...

Phew...

I wonder where
Skylar went...

yawn

God look at this gut... I can't believe
I ate that much food... I must have
looked like such a pig in front of
Skylar...

My jeans feel a little tight
despite having my belt
unbuckled... **sigh** I'm
really gonna have to work
this off...

Did he go to bed?

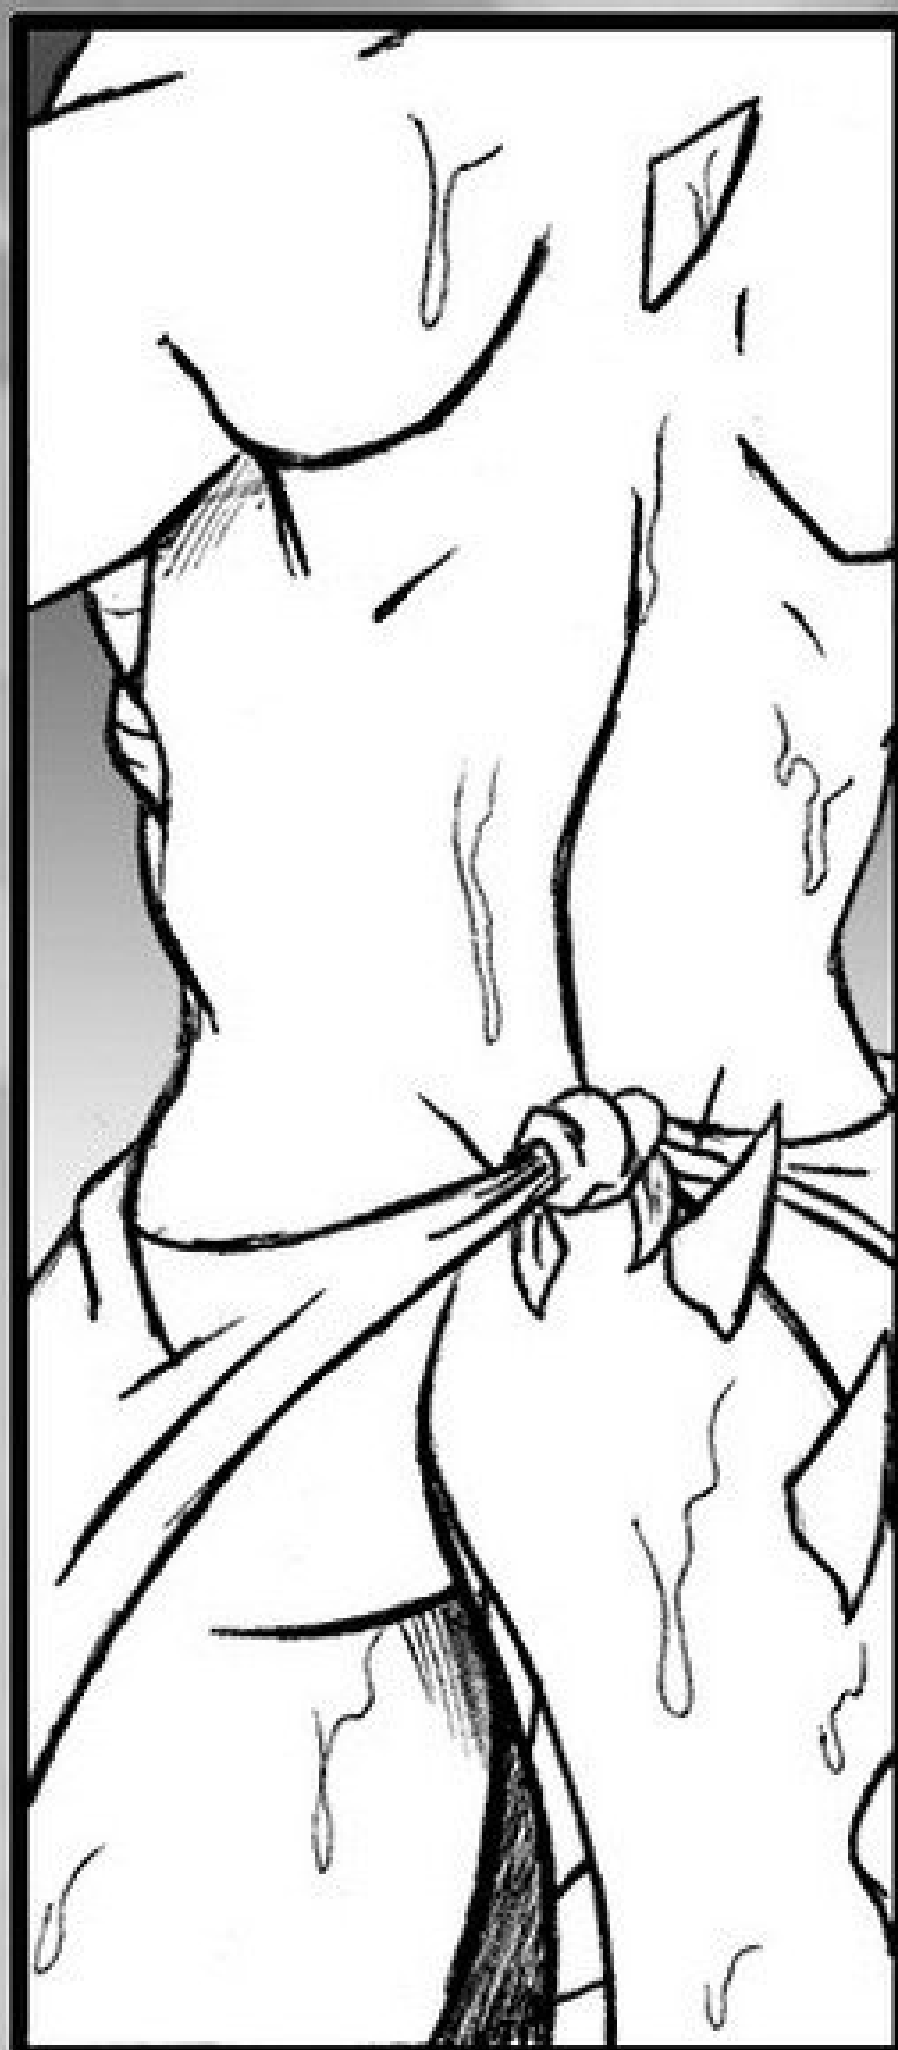

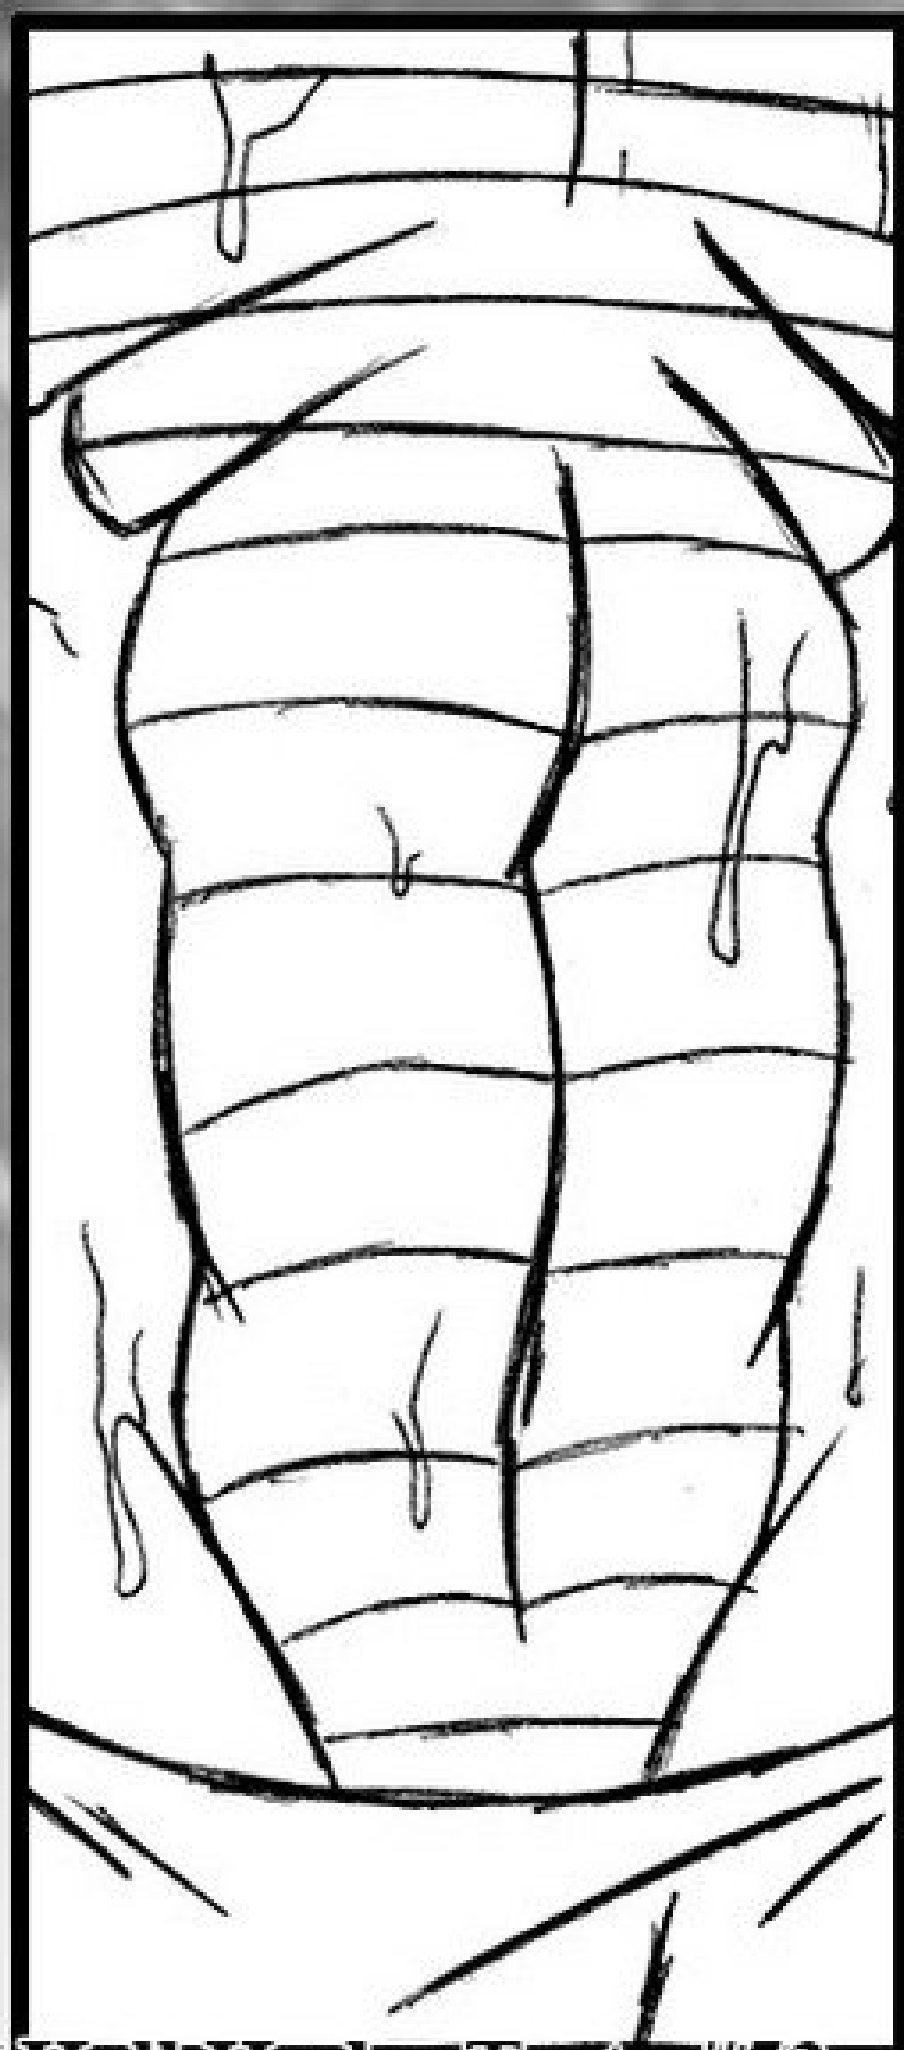

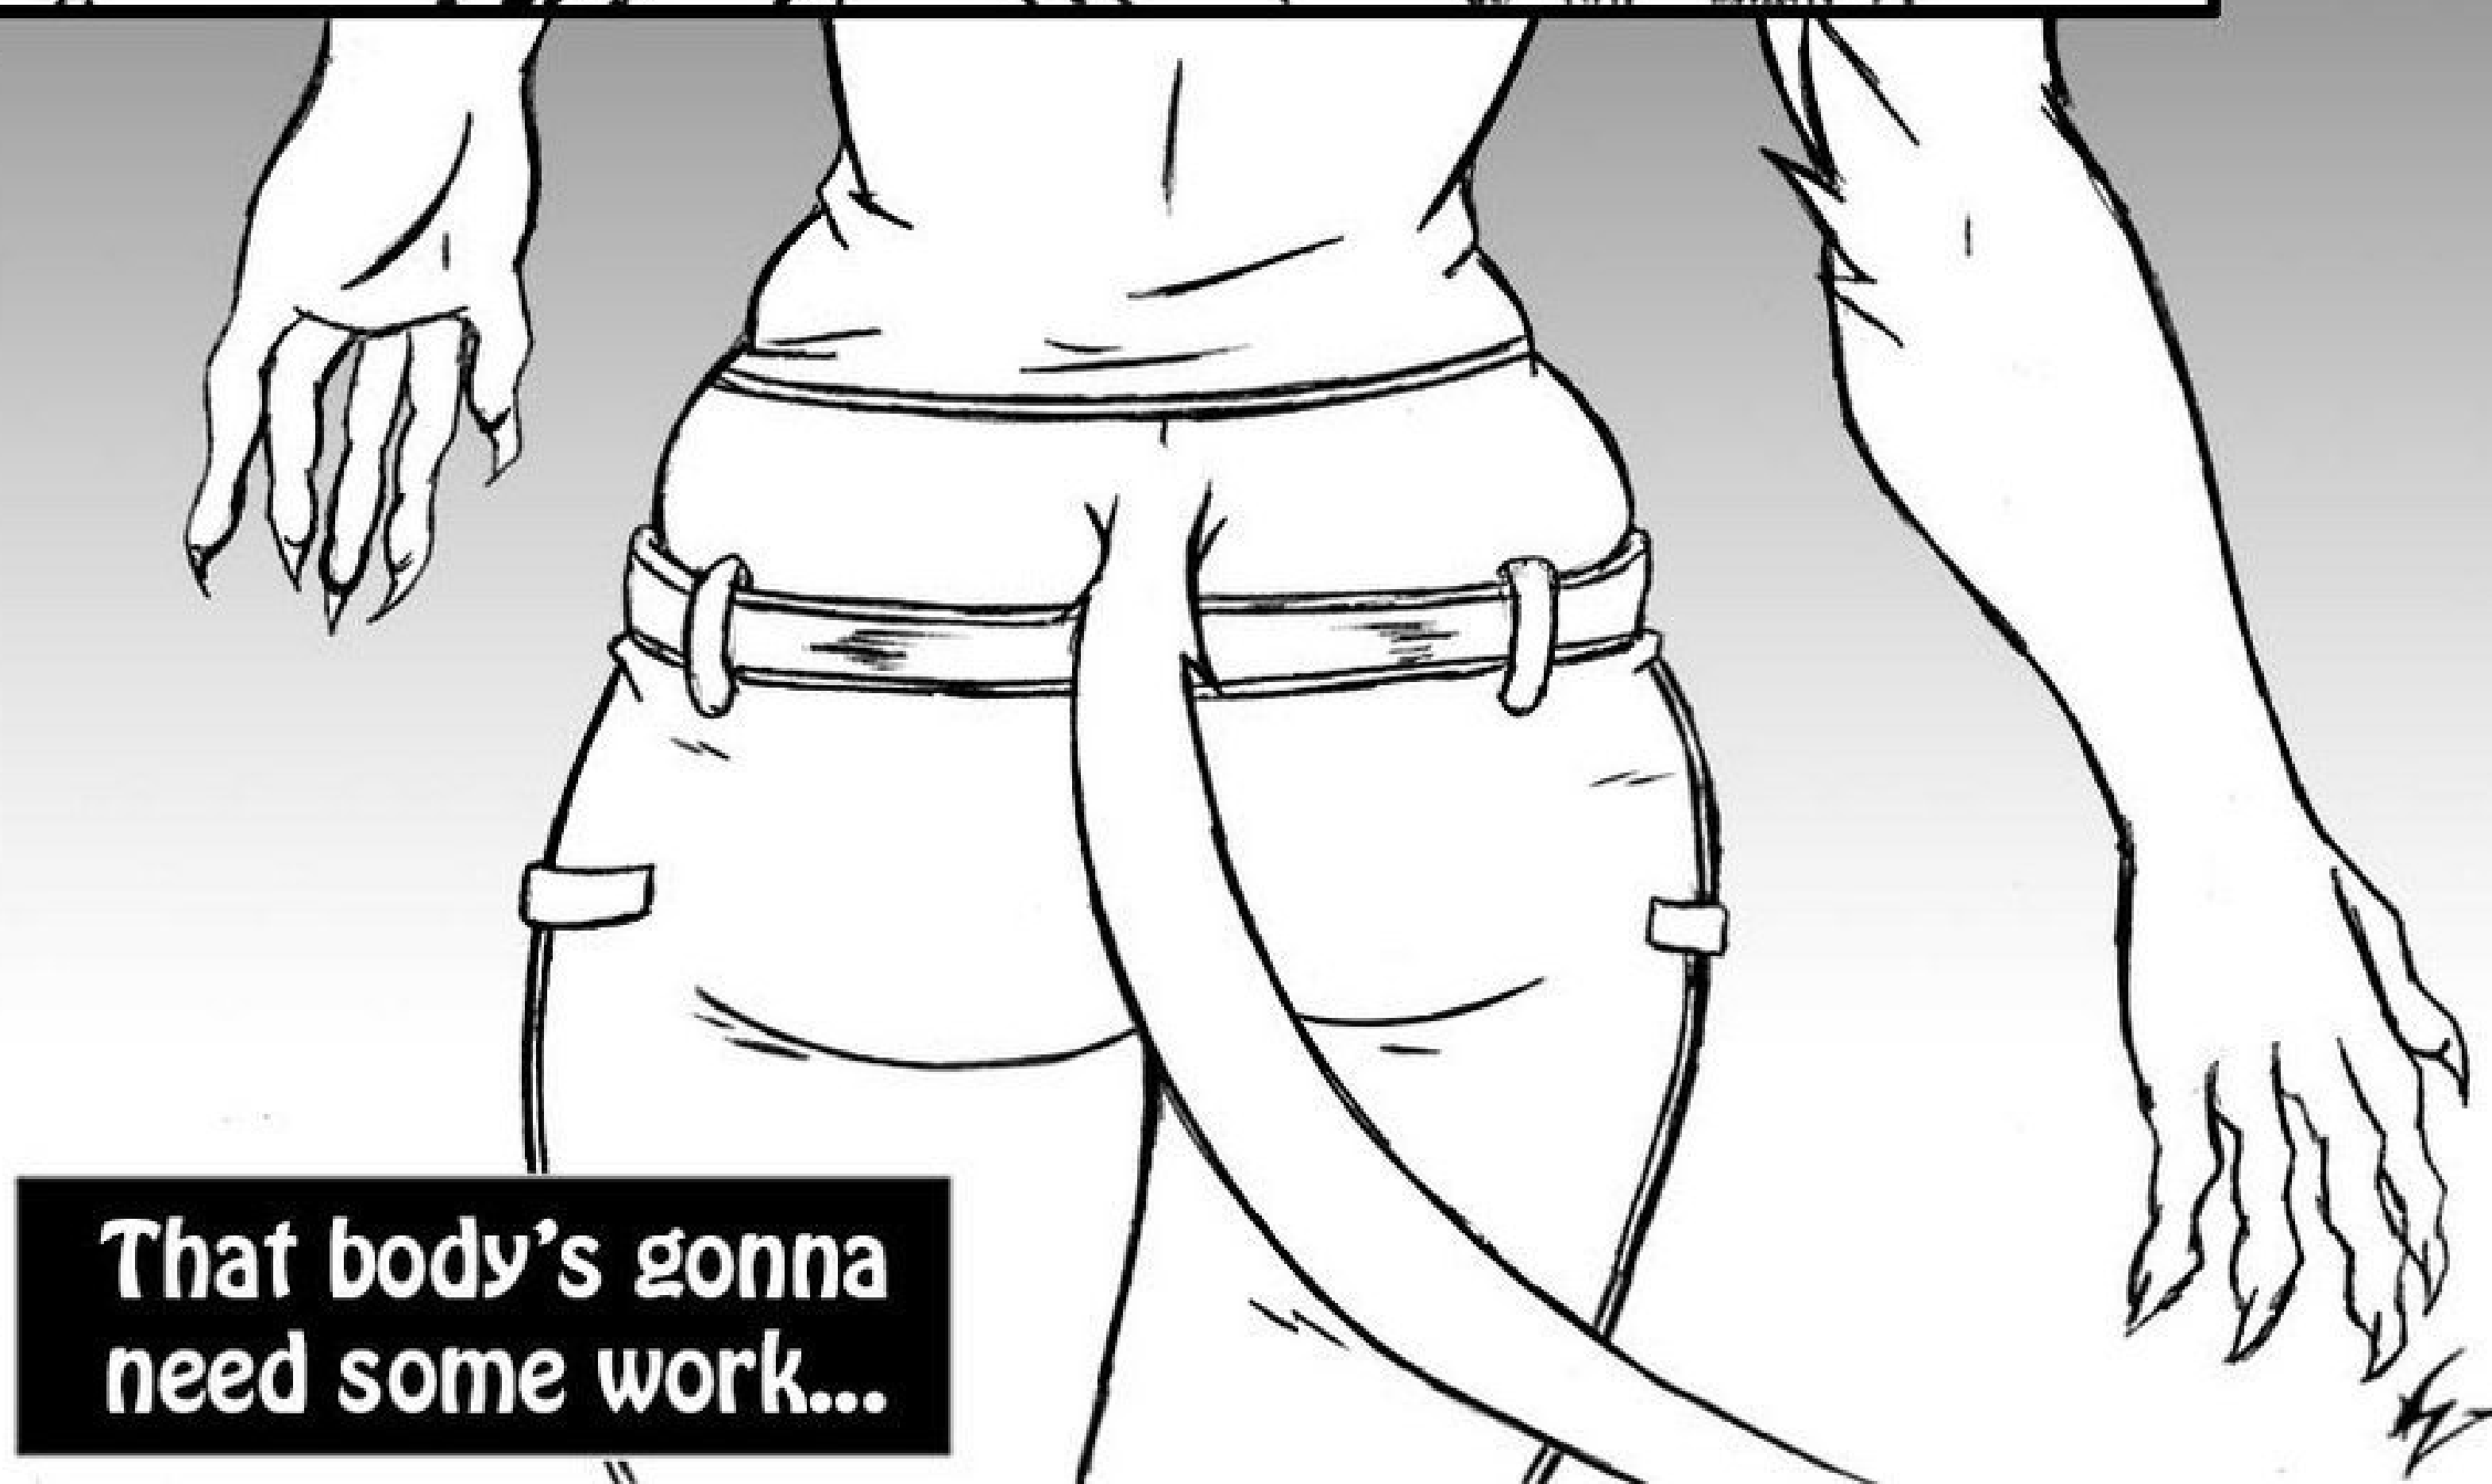

Oh...

My...

Skylar came out of the bathroom nearby and thank you God for this sight... His muscles were shiny, still wet from the shower... and what a nice ass...

Skylar was taking a while... I hope he didn't see my gut and get disgusted of me... but he did seem to like me eating his cooking...

And I couldn't help but notice that the food he made for me was still set out on the table...

Maybe just a little snack
before he comes... The
food was still warm and
smelled great!

It tasted just as delicious as when it was first made! The turkey was sweet but juicy as I took it's leftover leg...

Mmm...

Mmm... The turkey was so good that I couldn't help but eat the rest of it... Then I had more of the cake... Skylar made these for me... and I loved it...

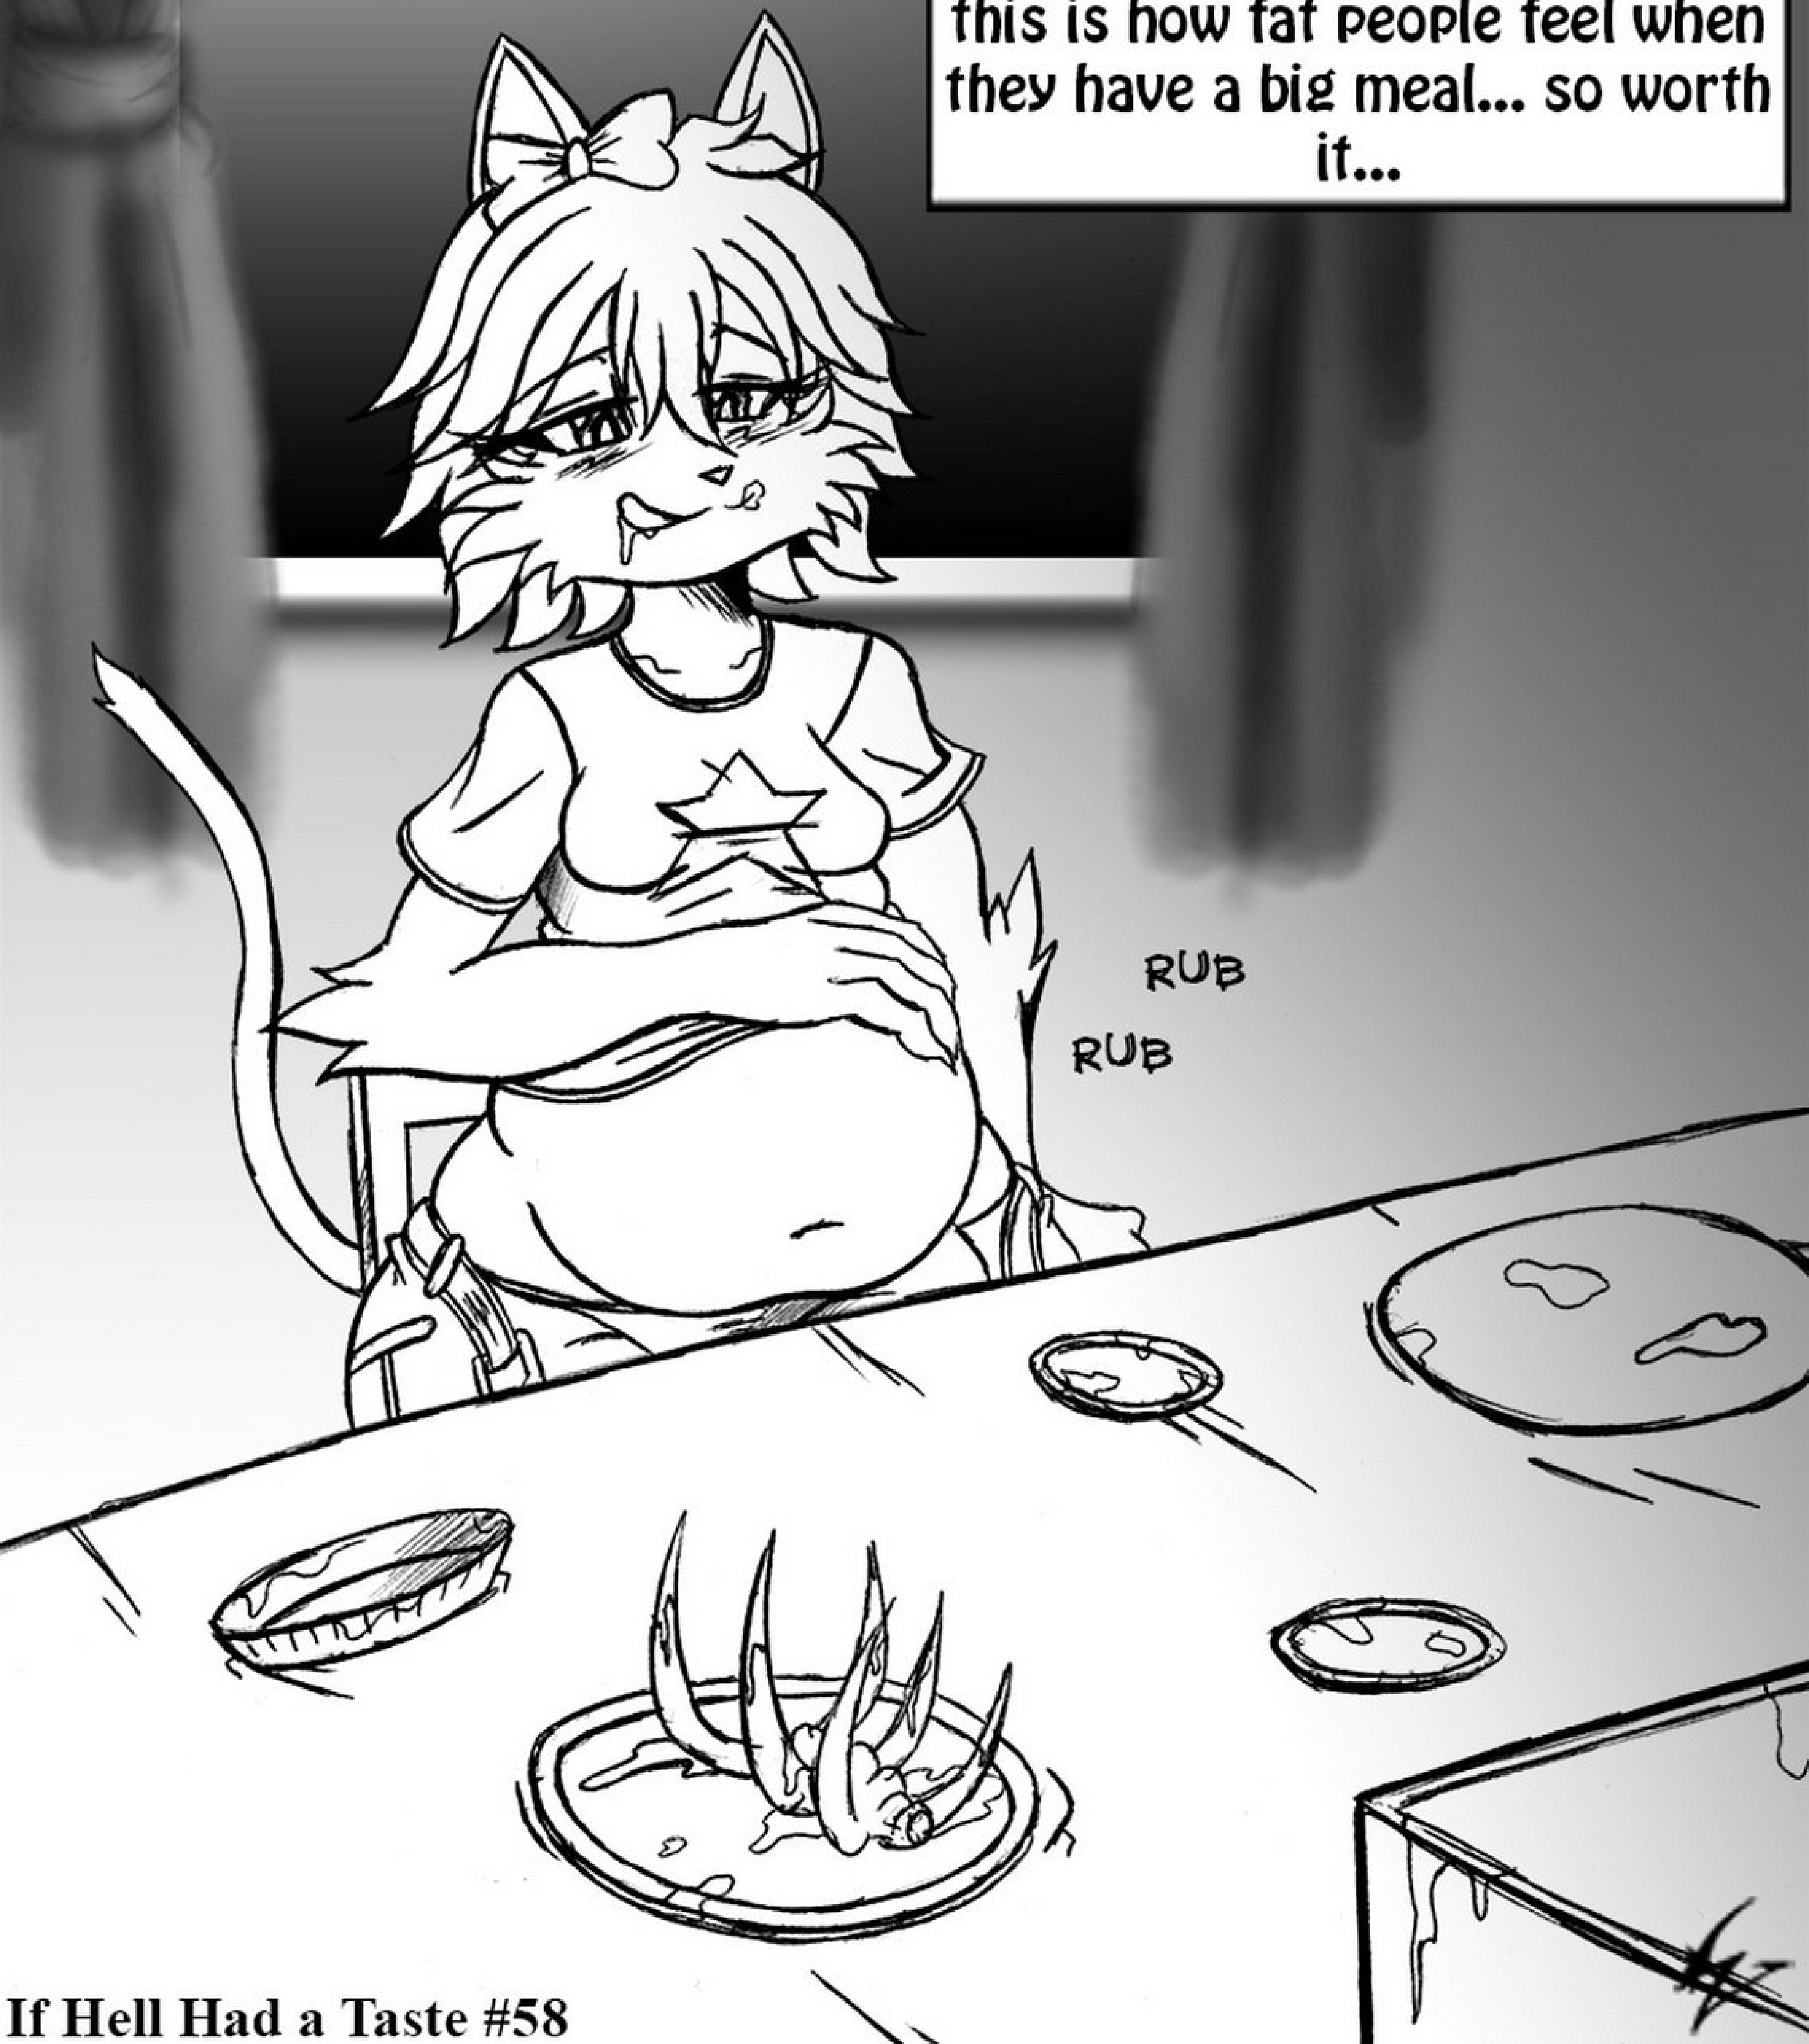

Nom...

Nom...

Like I said... I'll work it off...

That was good... I ended up
eating the rest of the cake...
even had the other half of pie
that was still out... I wonder if
this is how fat people feel when
they have a big meal... so worth
it...

On my way Marci!

Oh shit...

I need to get back to the living room before Skylar sees all the food missing!

...Oof... I feel a little slow... probably shouldn't have had that pie...

Sorry for the
wait. Do you still
want to...

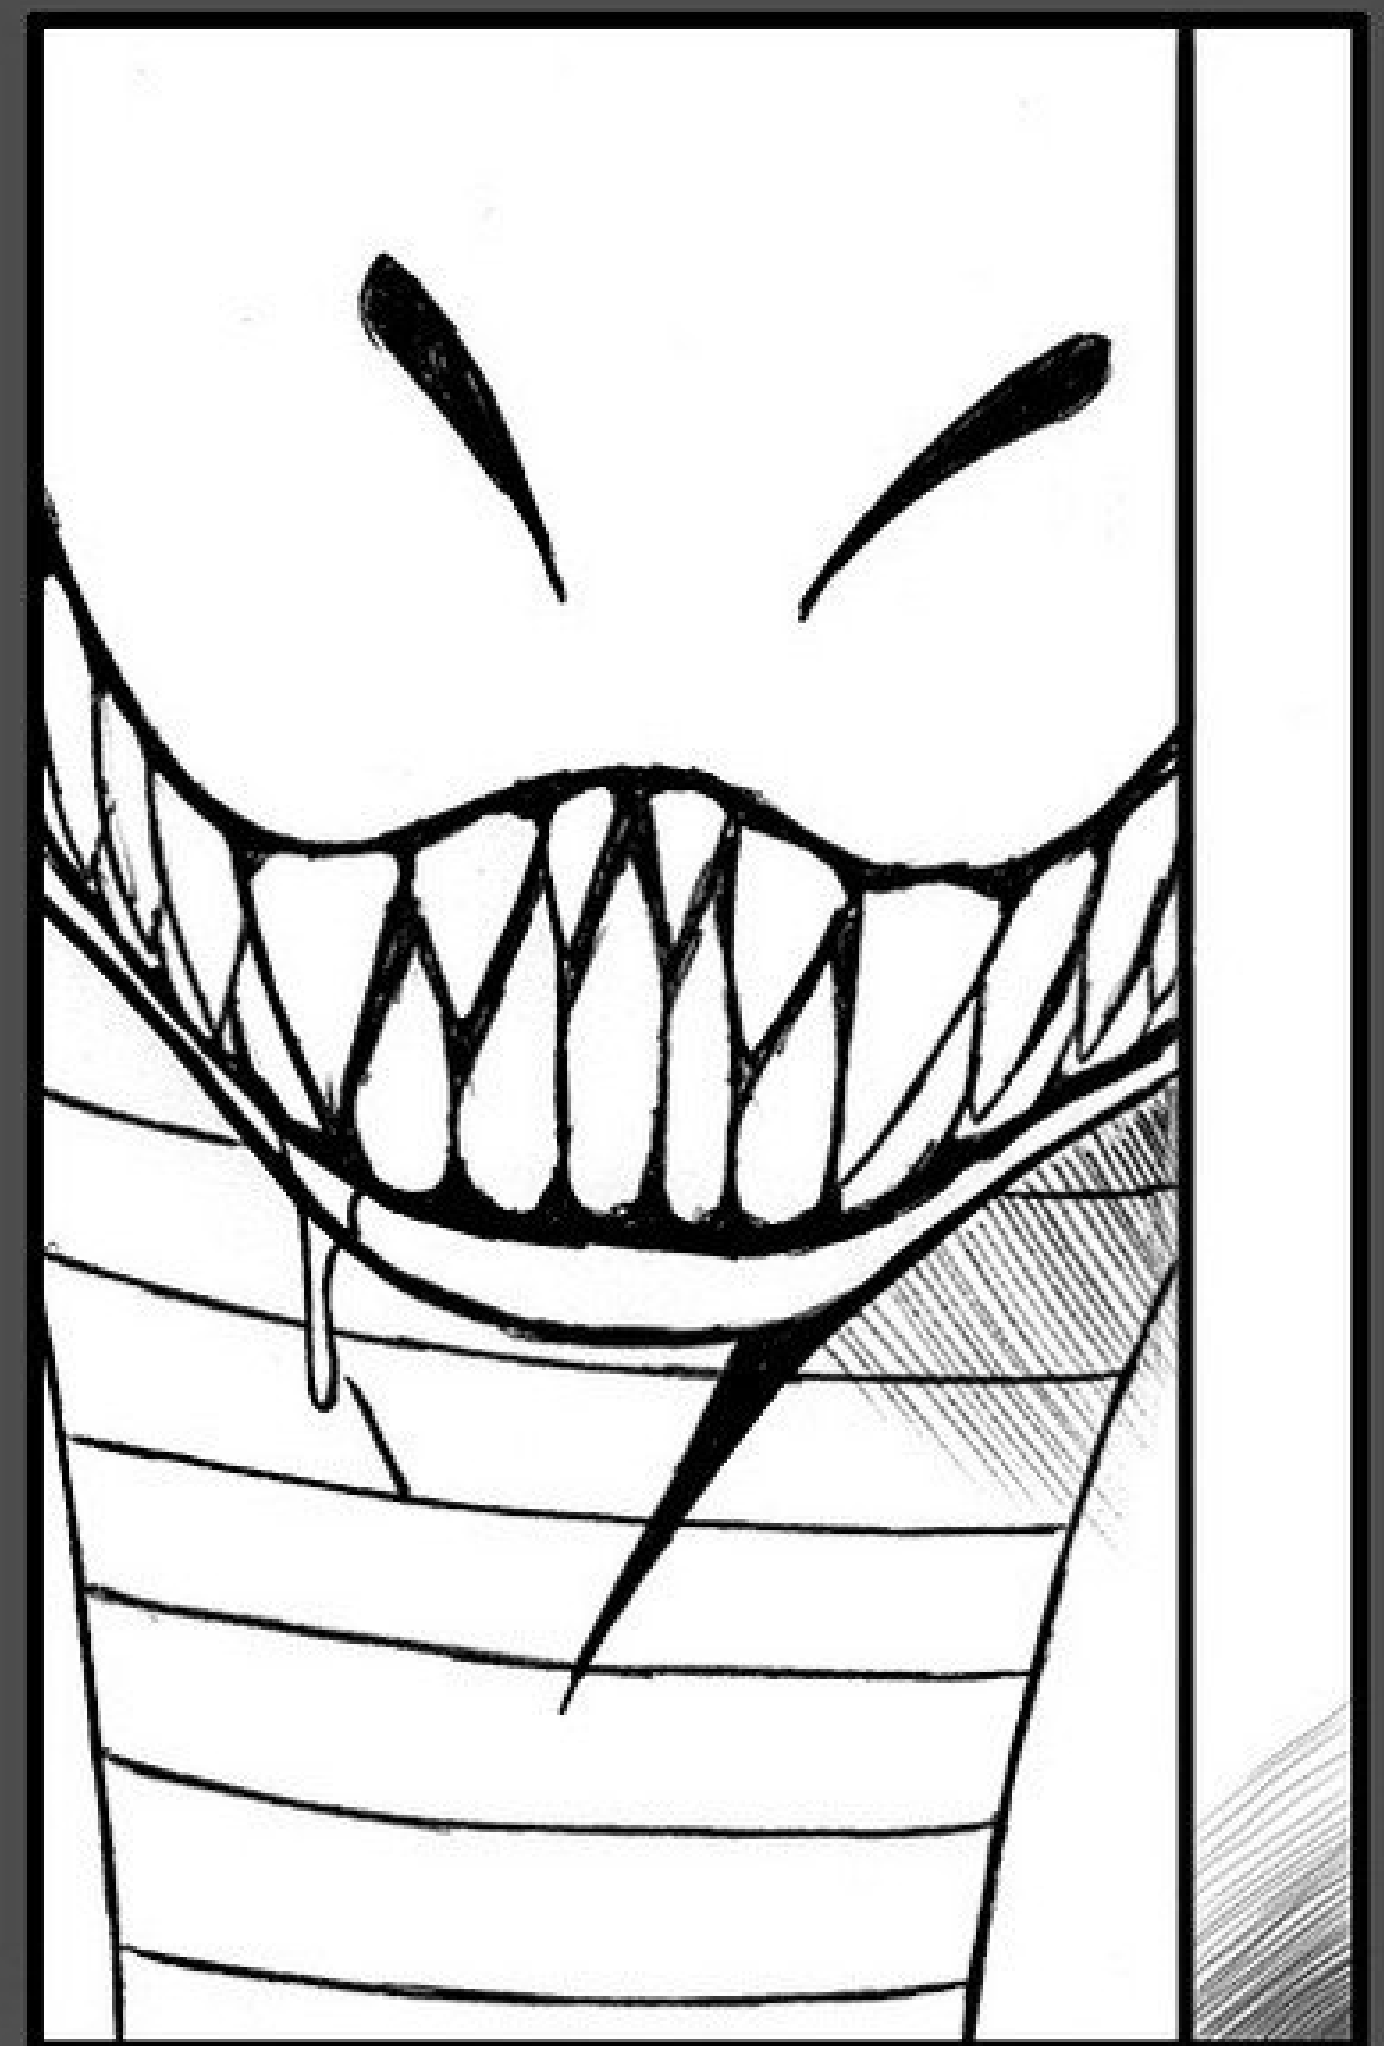

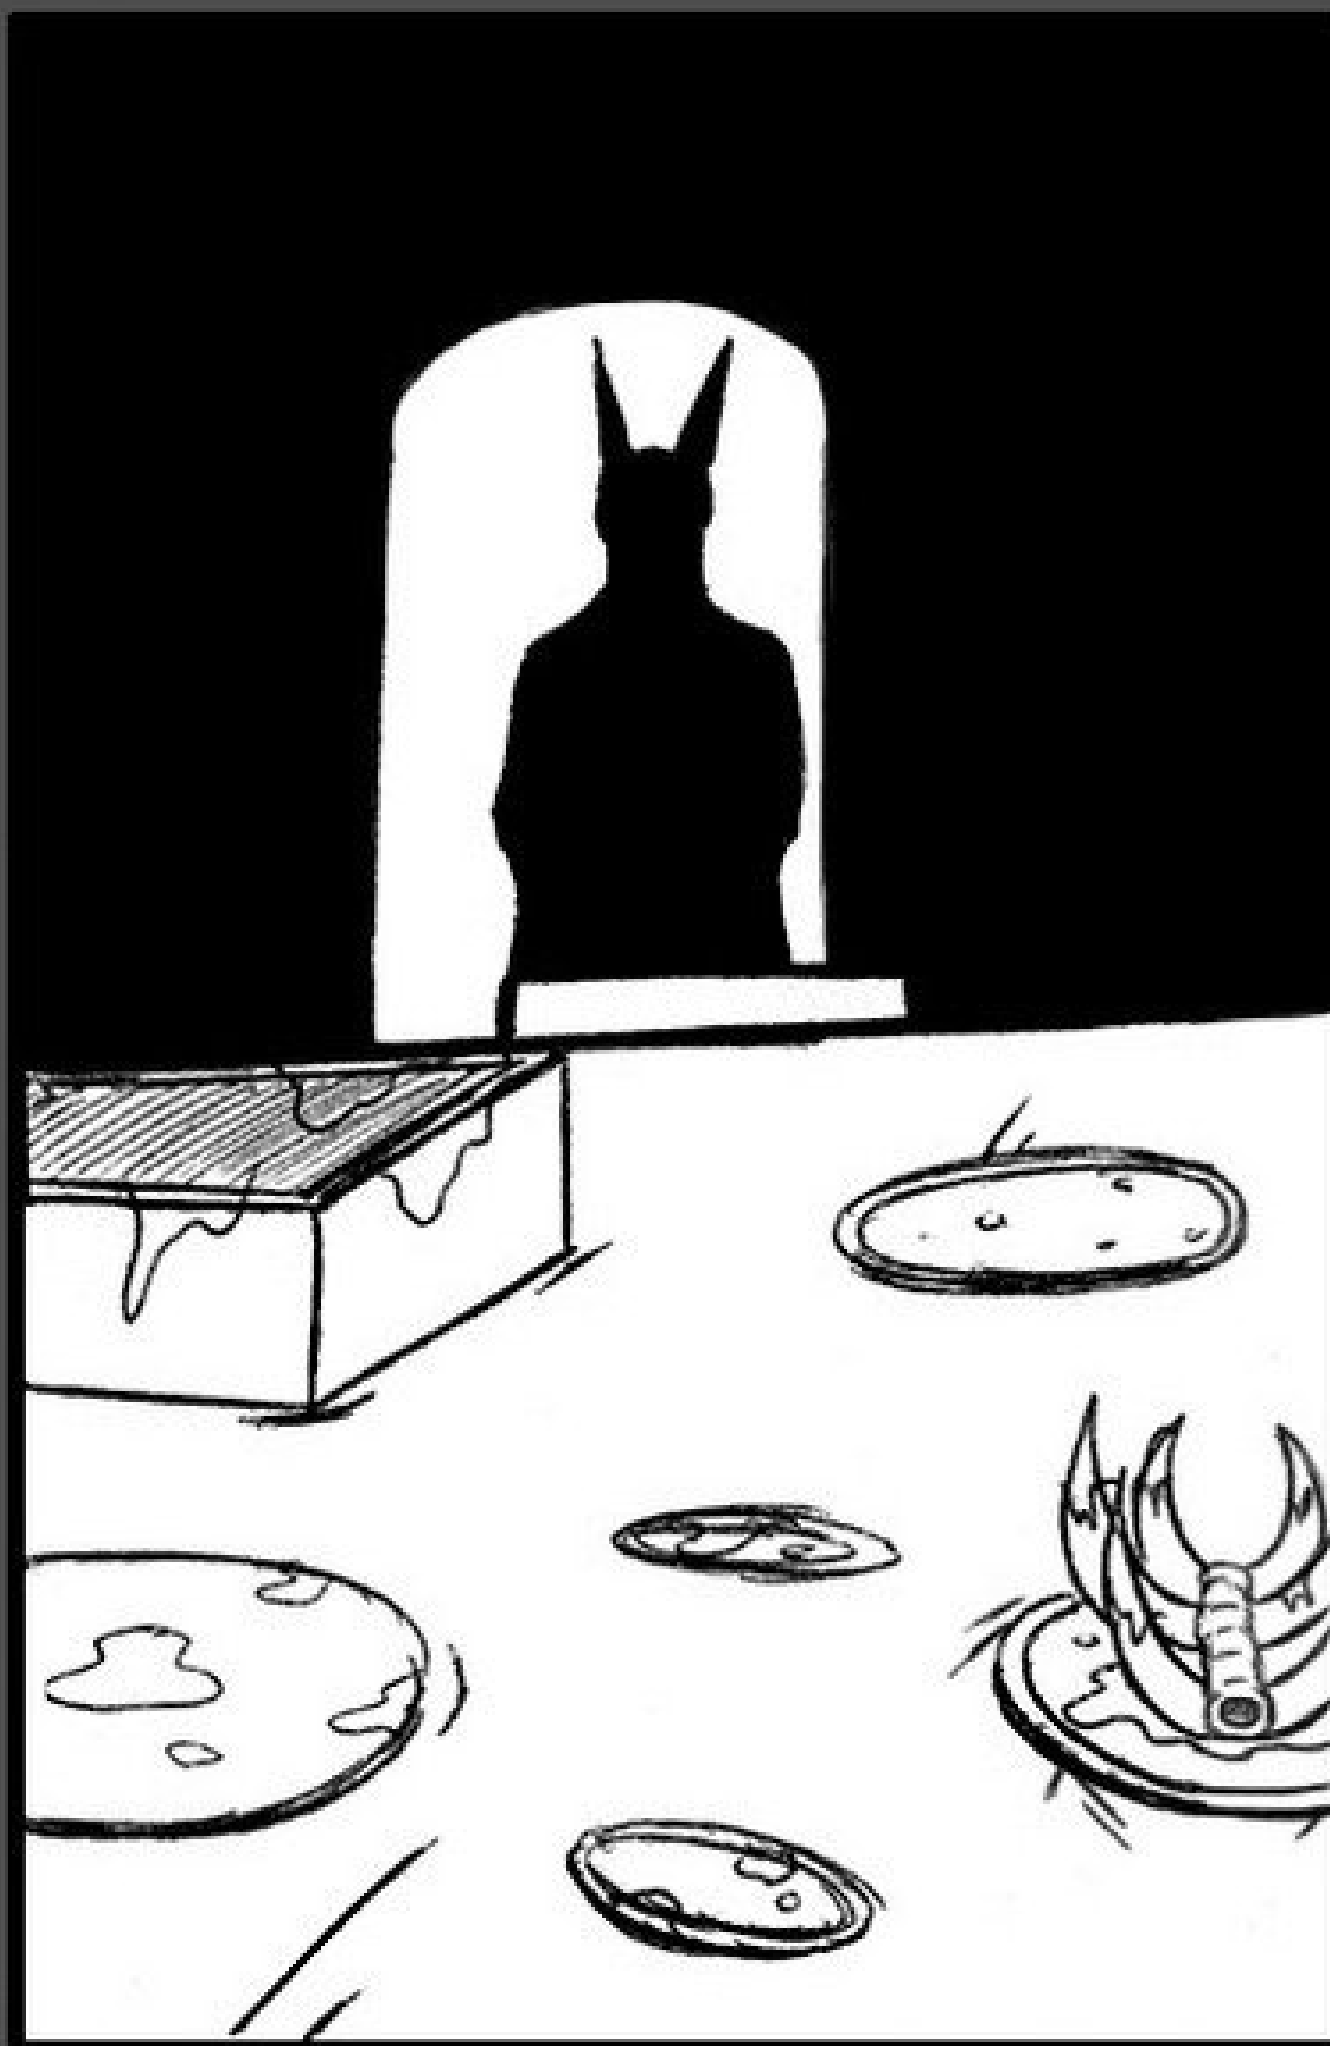

...watch a
movie?

Just act natural...
cover as much as you
can with your shirt...

Umm... yeah... do you
have anything with
some action and a little
romance?

I'm kinda full... but maybe a little more won't hurt... he's been so sweet to me...

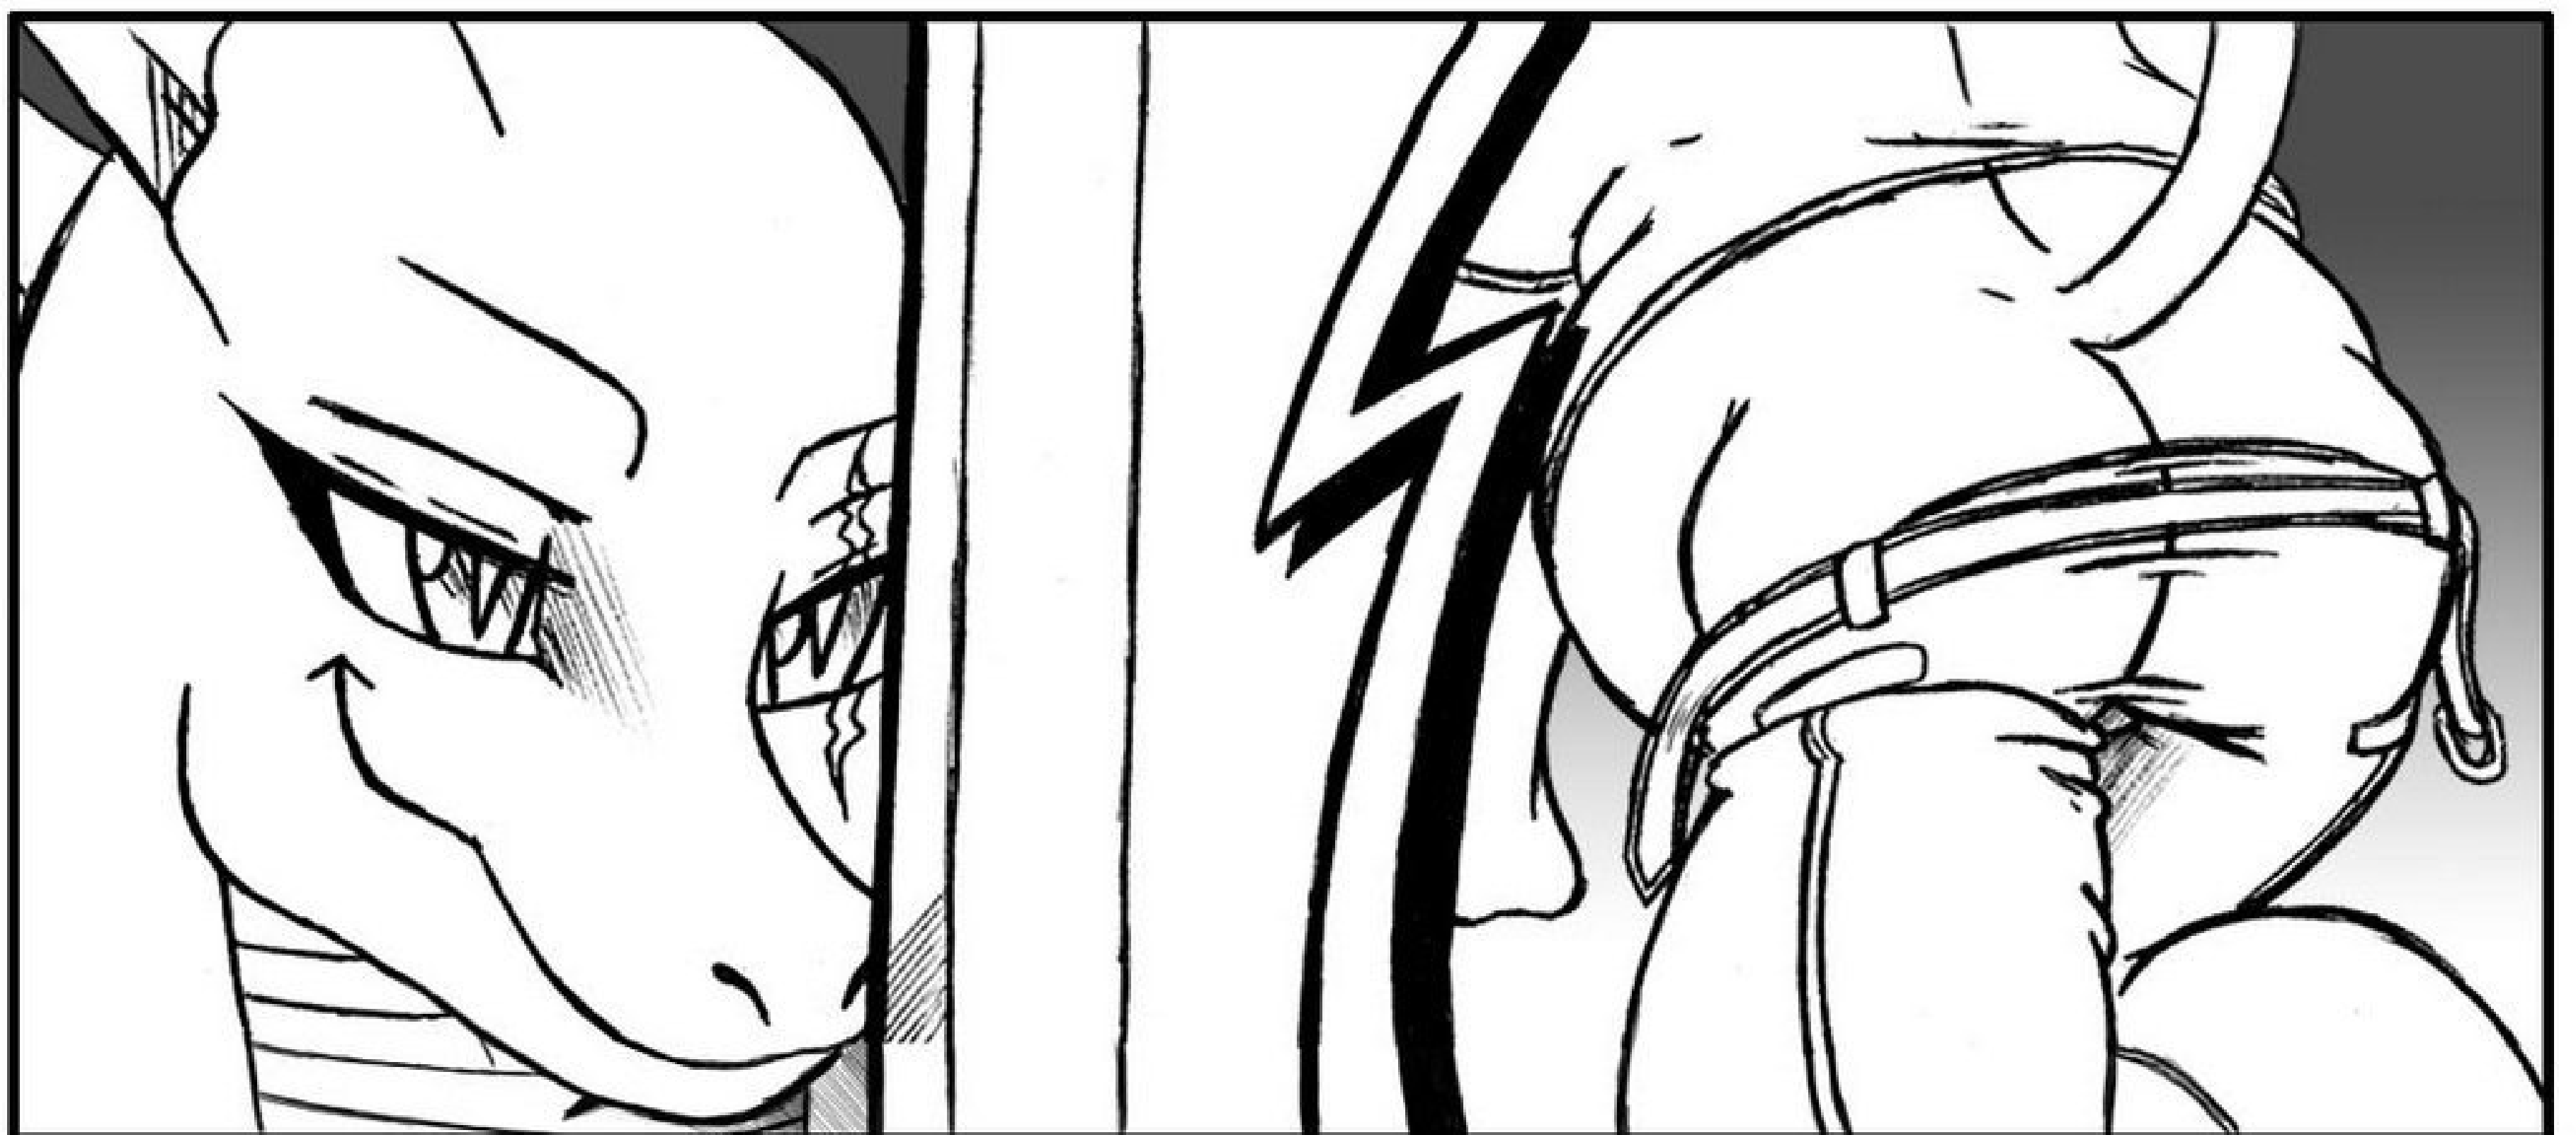

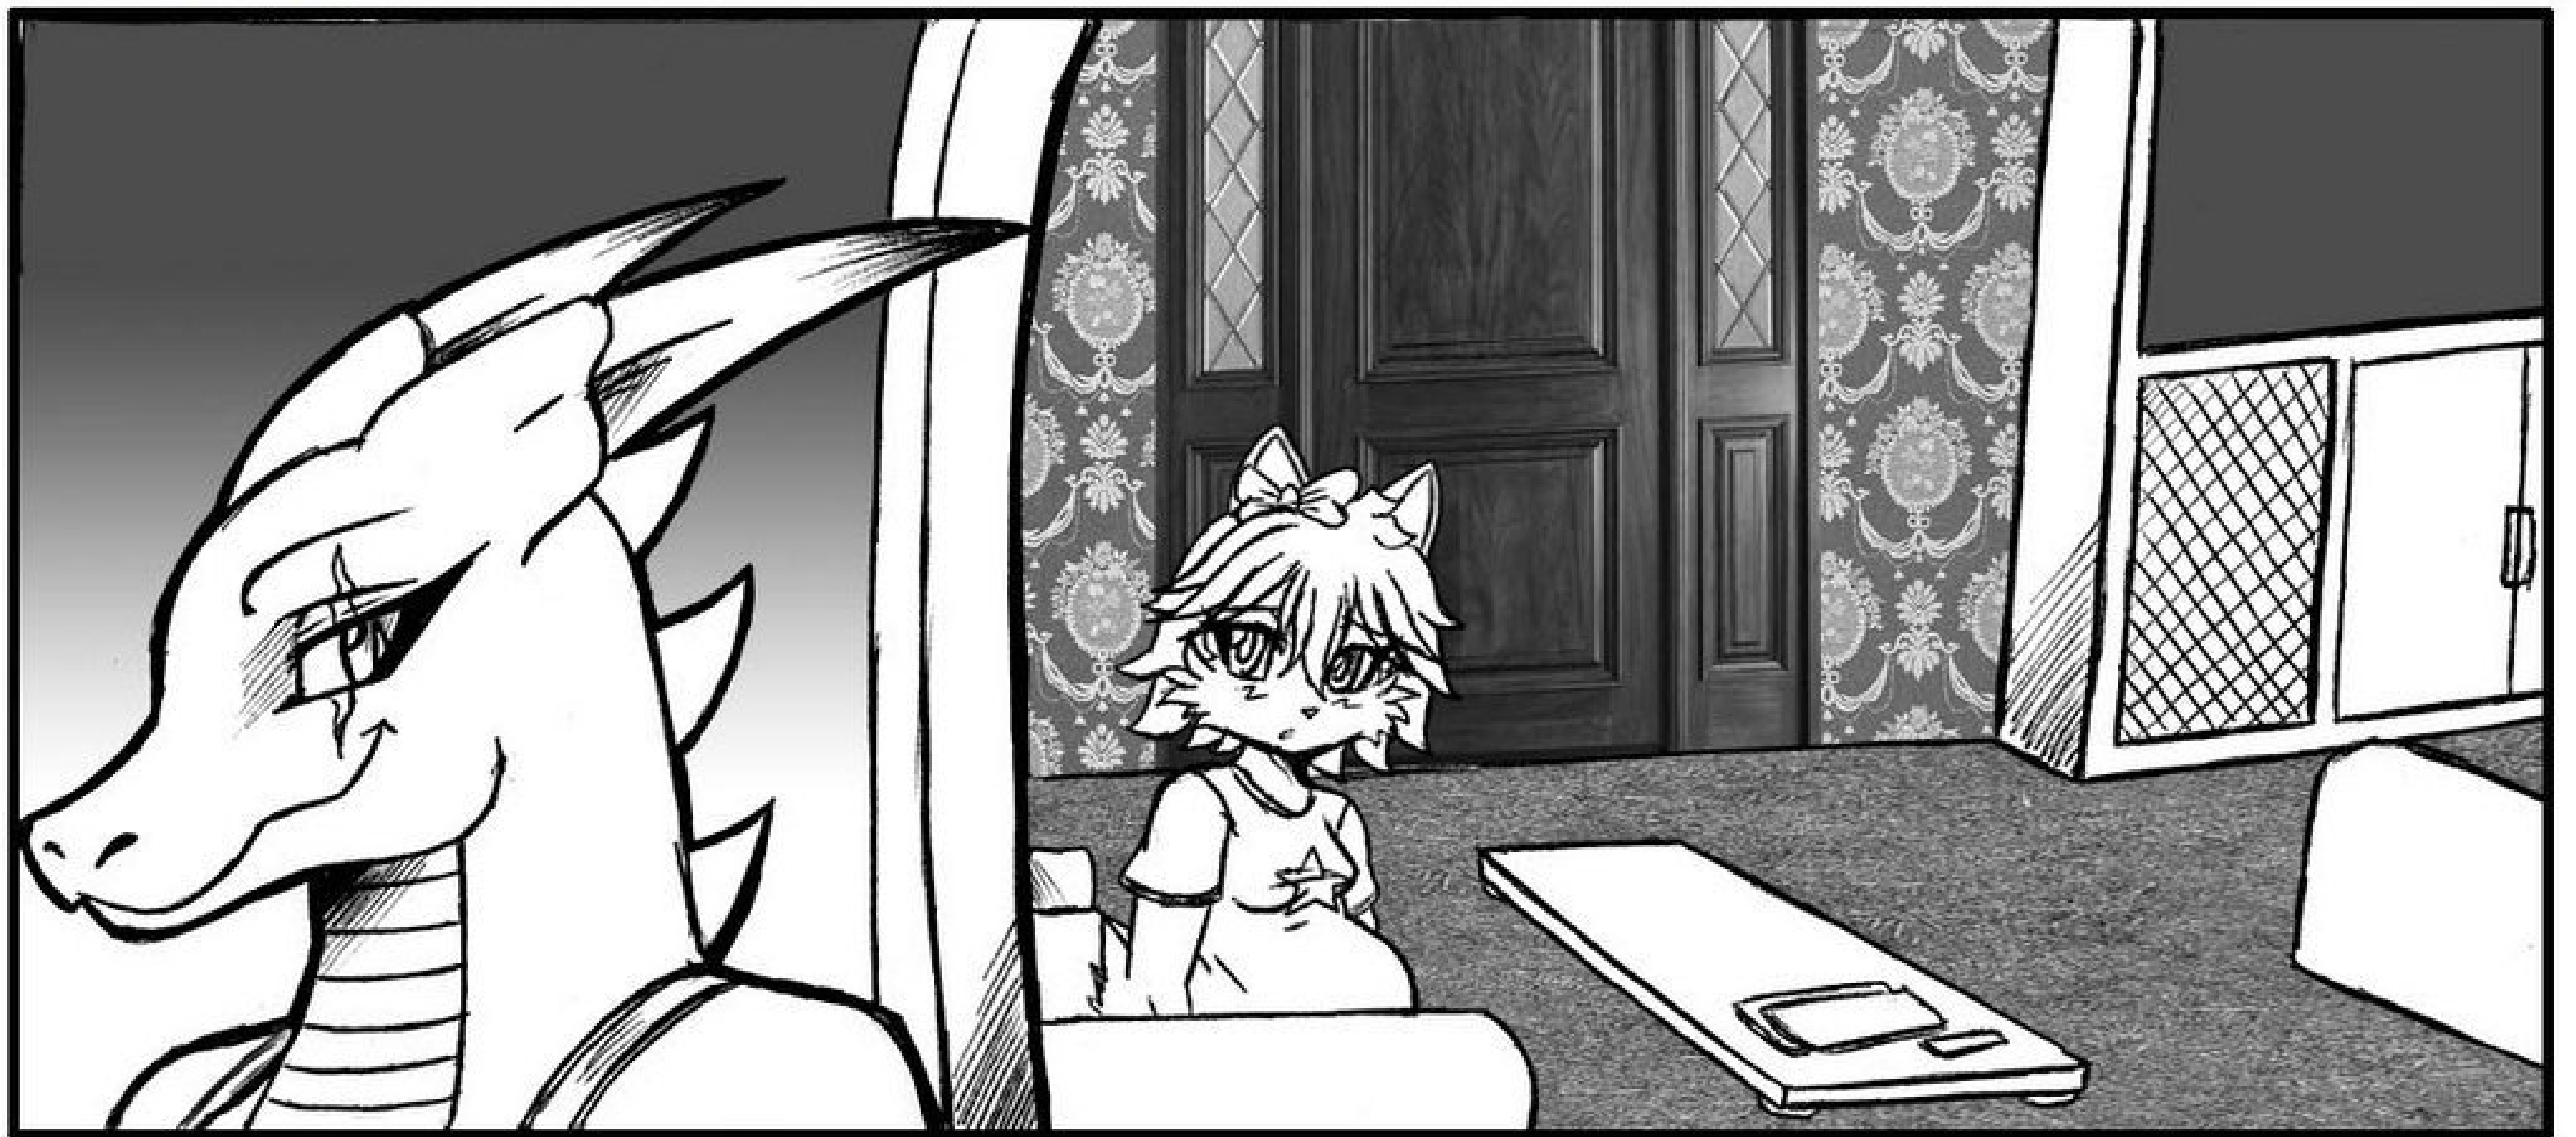

Sure! There's a few movies below the TV, pick one out and I'll make us some snacks!

Okay!

She's doing some of the work for me...

Let's see... she just ate the turkey,
the rest of the cake, and half a pie...
Gonna need to focus on places that
aren't getting much attention... My
schedule said to do pancakes but she
ate those earlier...

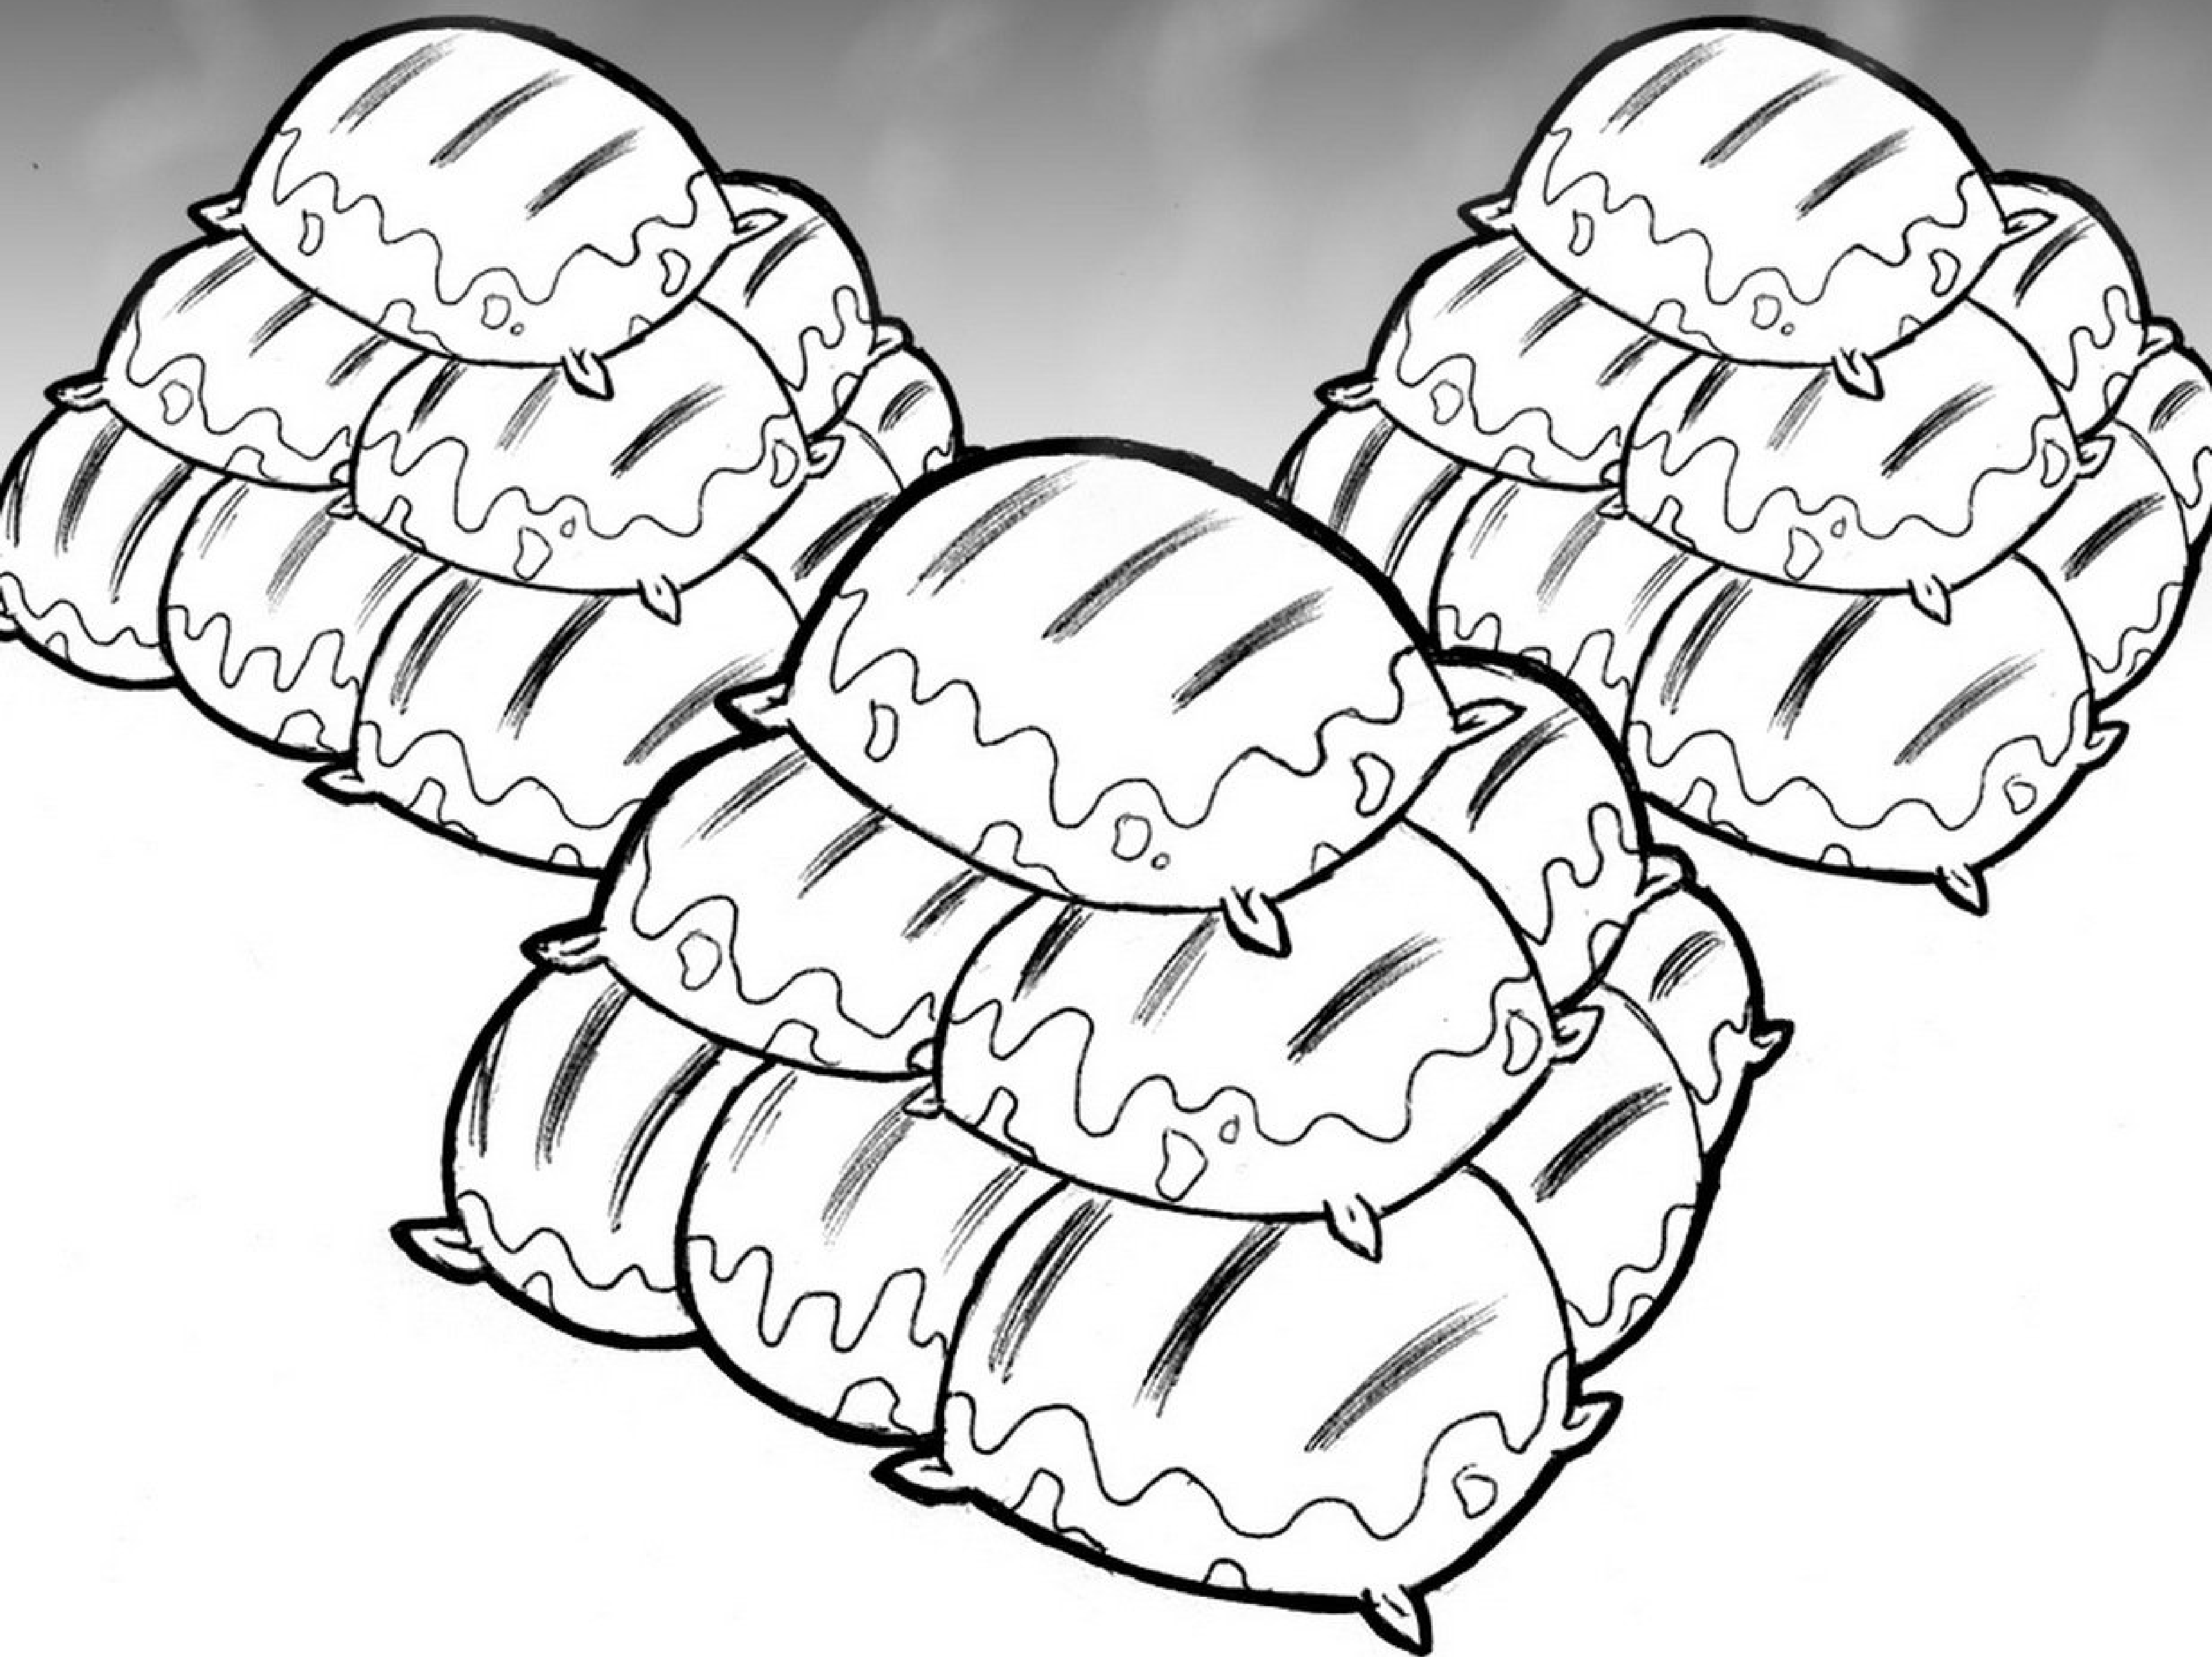

Hmm... maybe some
meat and pastries to
fill her out...

Oh yes, some nice meat buns...
that'll do just fine... Sweet and
stuffed with meat... I think she'll
like that... maybe some more ice
cream to top it off and something
to drink of course!

I made about 42 buns. I put some maple sauce and bits of powdered sugar on them to mix with the meat that's inside. Should be enough I think...

Marci picked out some chick-flick that my Mom owned. Something about vampires or whatever... It was cute seeing her try to hide her enlarged gut from me...

Here are some snacks!

Oh good! I put in the movie already!

Skylar made a lot for me...
guess he thought I was still
hungry from earlier... I feel so
embarrassed hiding this bloated
belly... I hope he didn't see it...

I shouldn't have had the
leftovers... I hope I don't get
sick from this and make him
think I don't like his cooking...
How'd I get myself into this...?

BA

DUM

Mmm... it tastes so damn good...

* giggle *

Mmm~

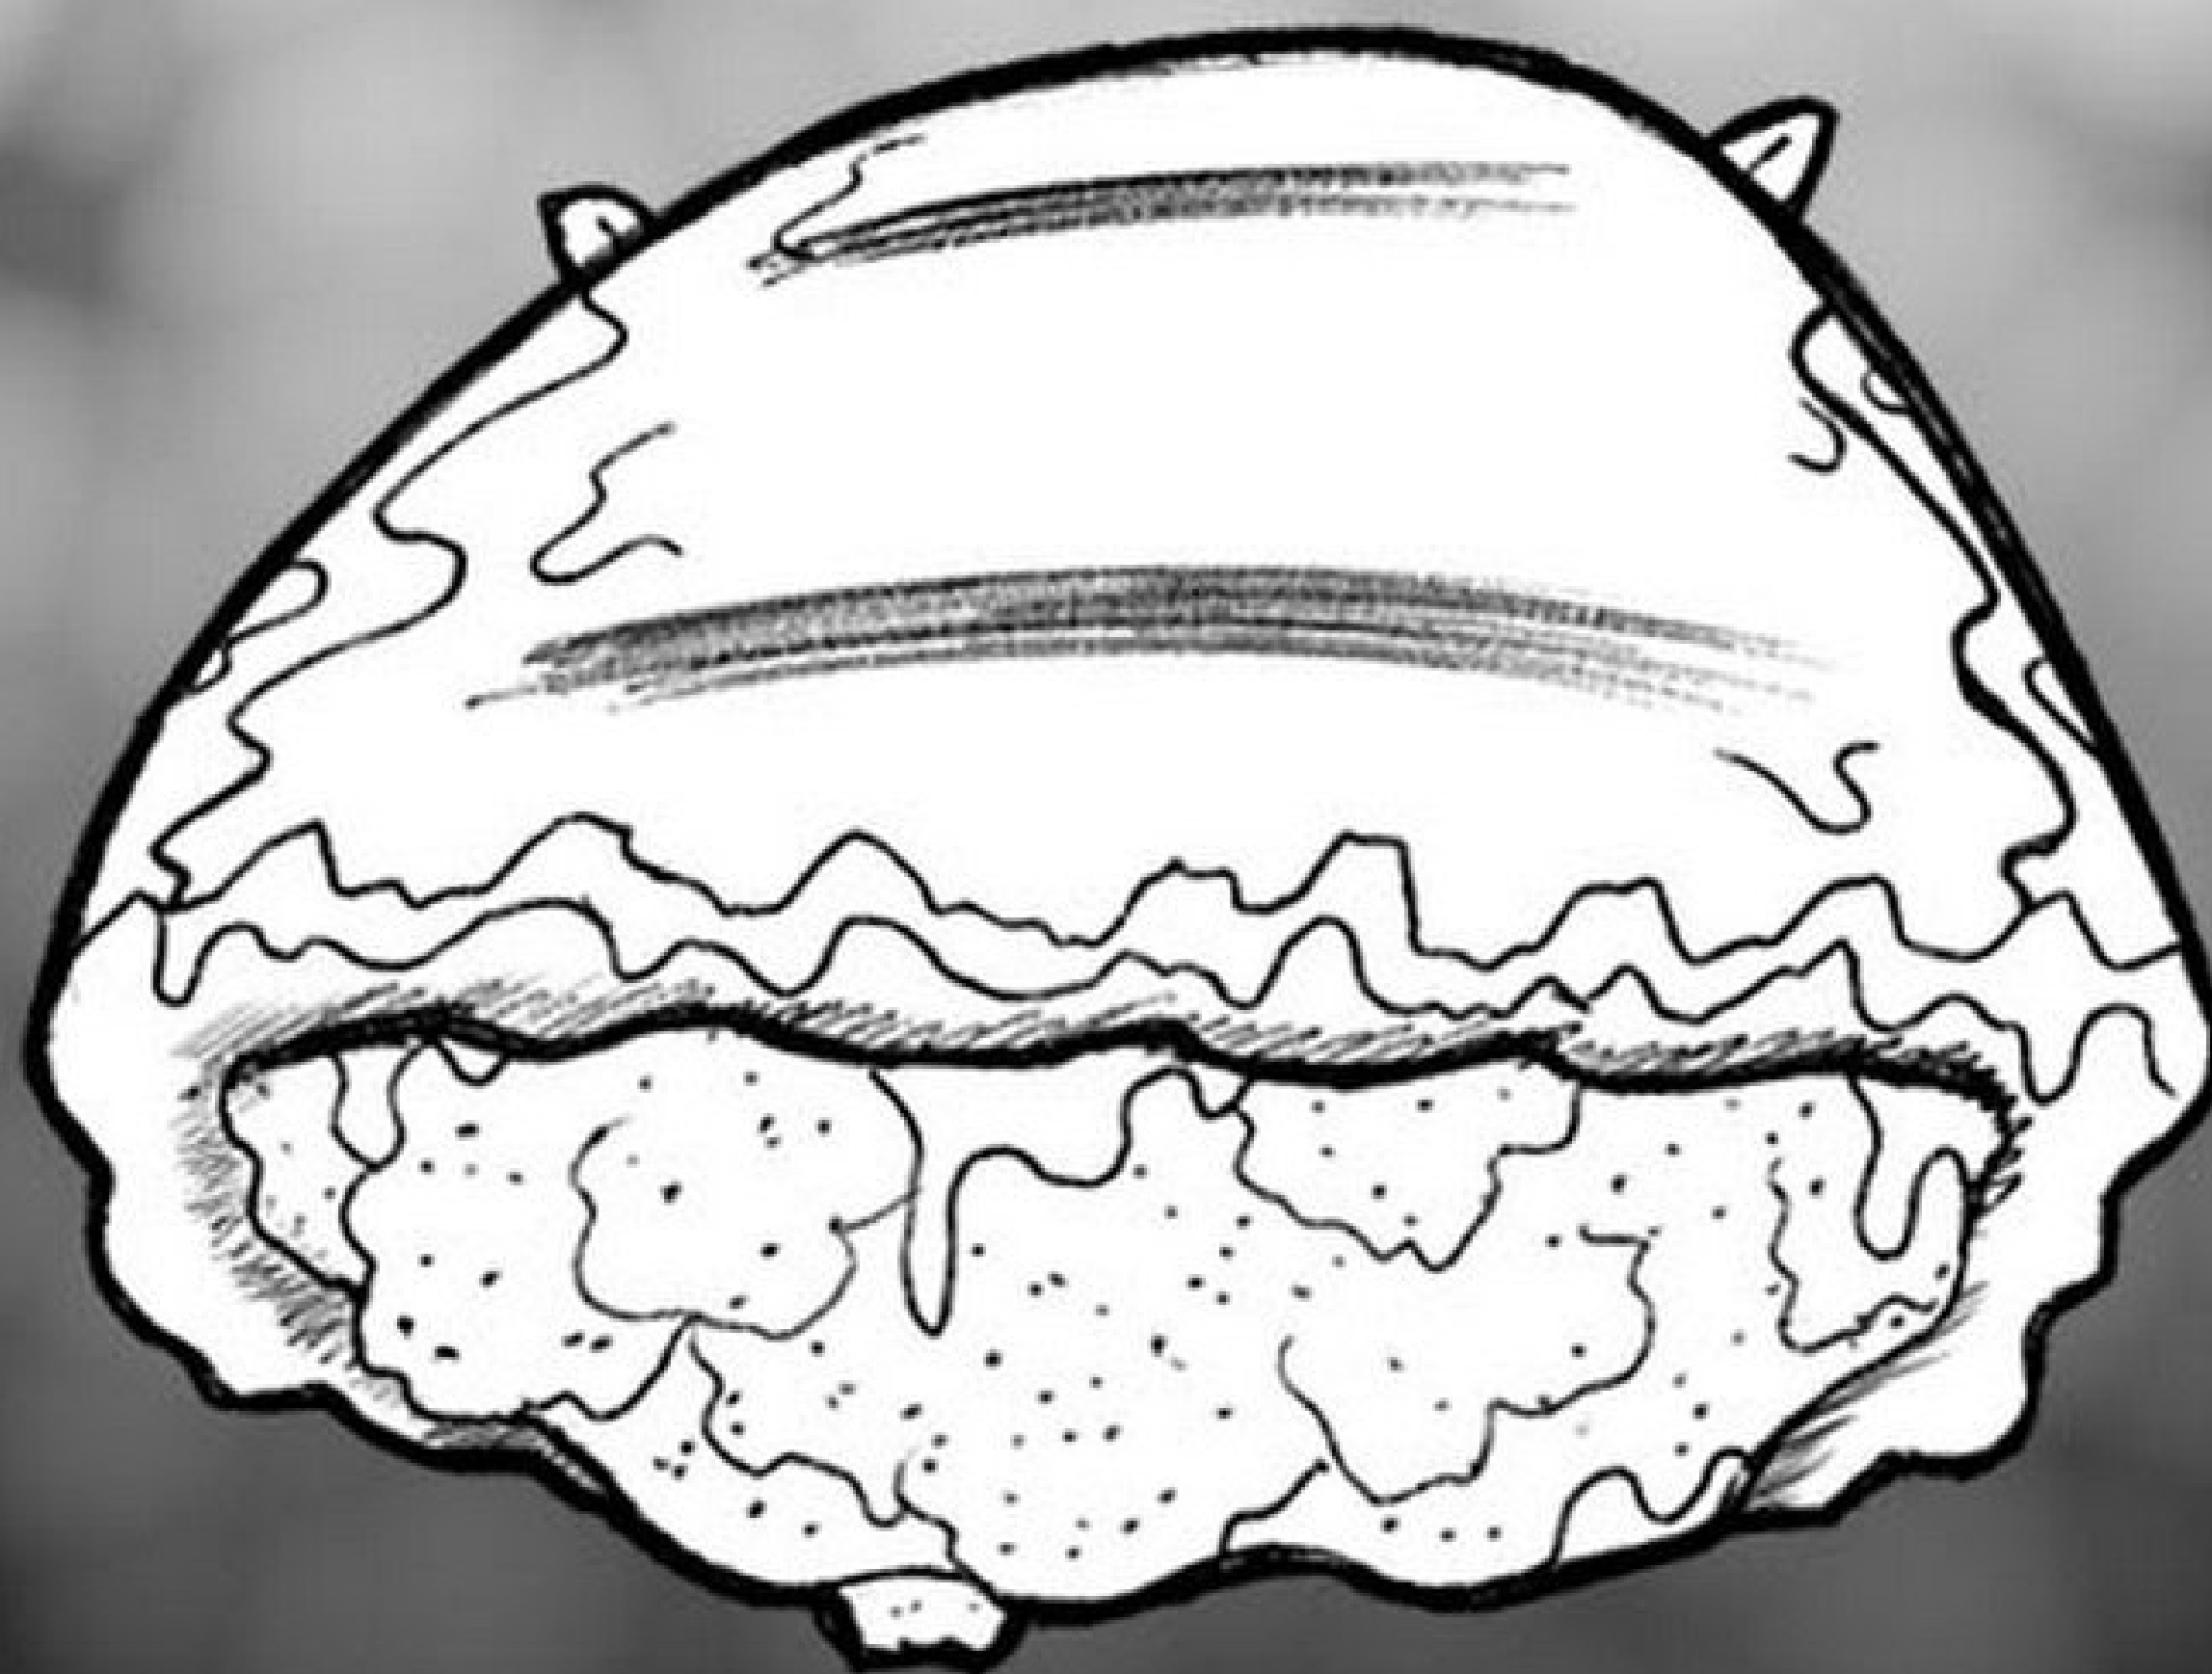

It had beef and chicken inside! It was like a sweet doughy donut but the mixed spices of the meat gave it such a good taste!

I hope you like them! I tried something a little different than ordinary meat buns!

They're great! Thank you so much!

I stuffed the buns with some beef, chicken, and bits of fish and bacon. Mainly, I focused on making it like a donut since she seemed more into sweets...

Hehehe... best part about it is that I left some of the dough a little raw and added butter... Dough expands after a while so that'll stretch her out a little if only slightly.....

6 Buns

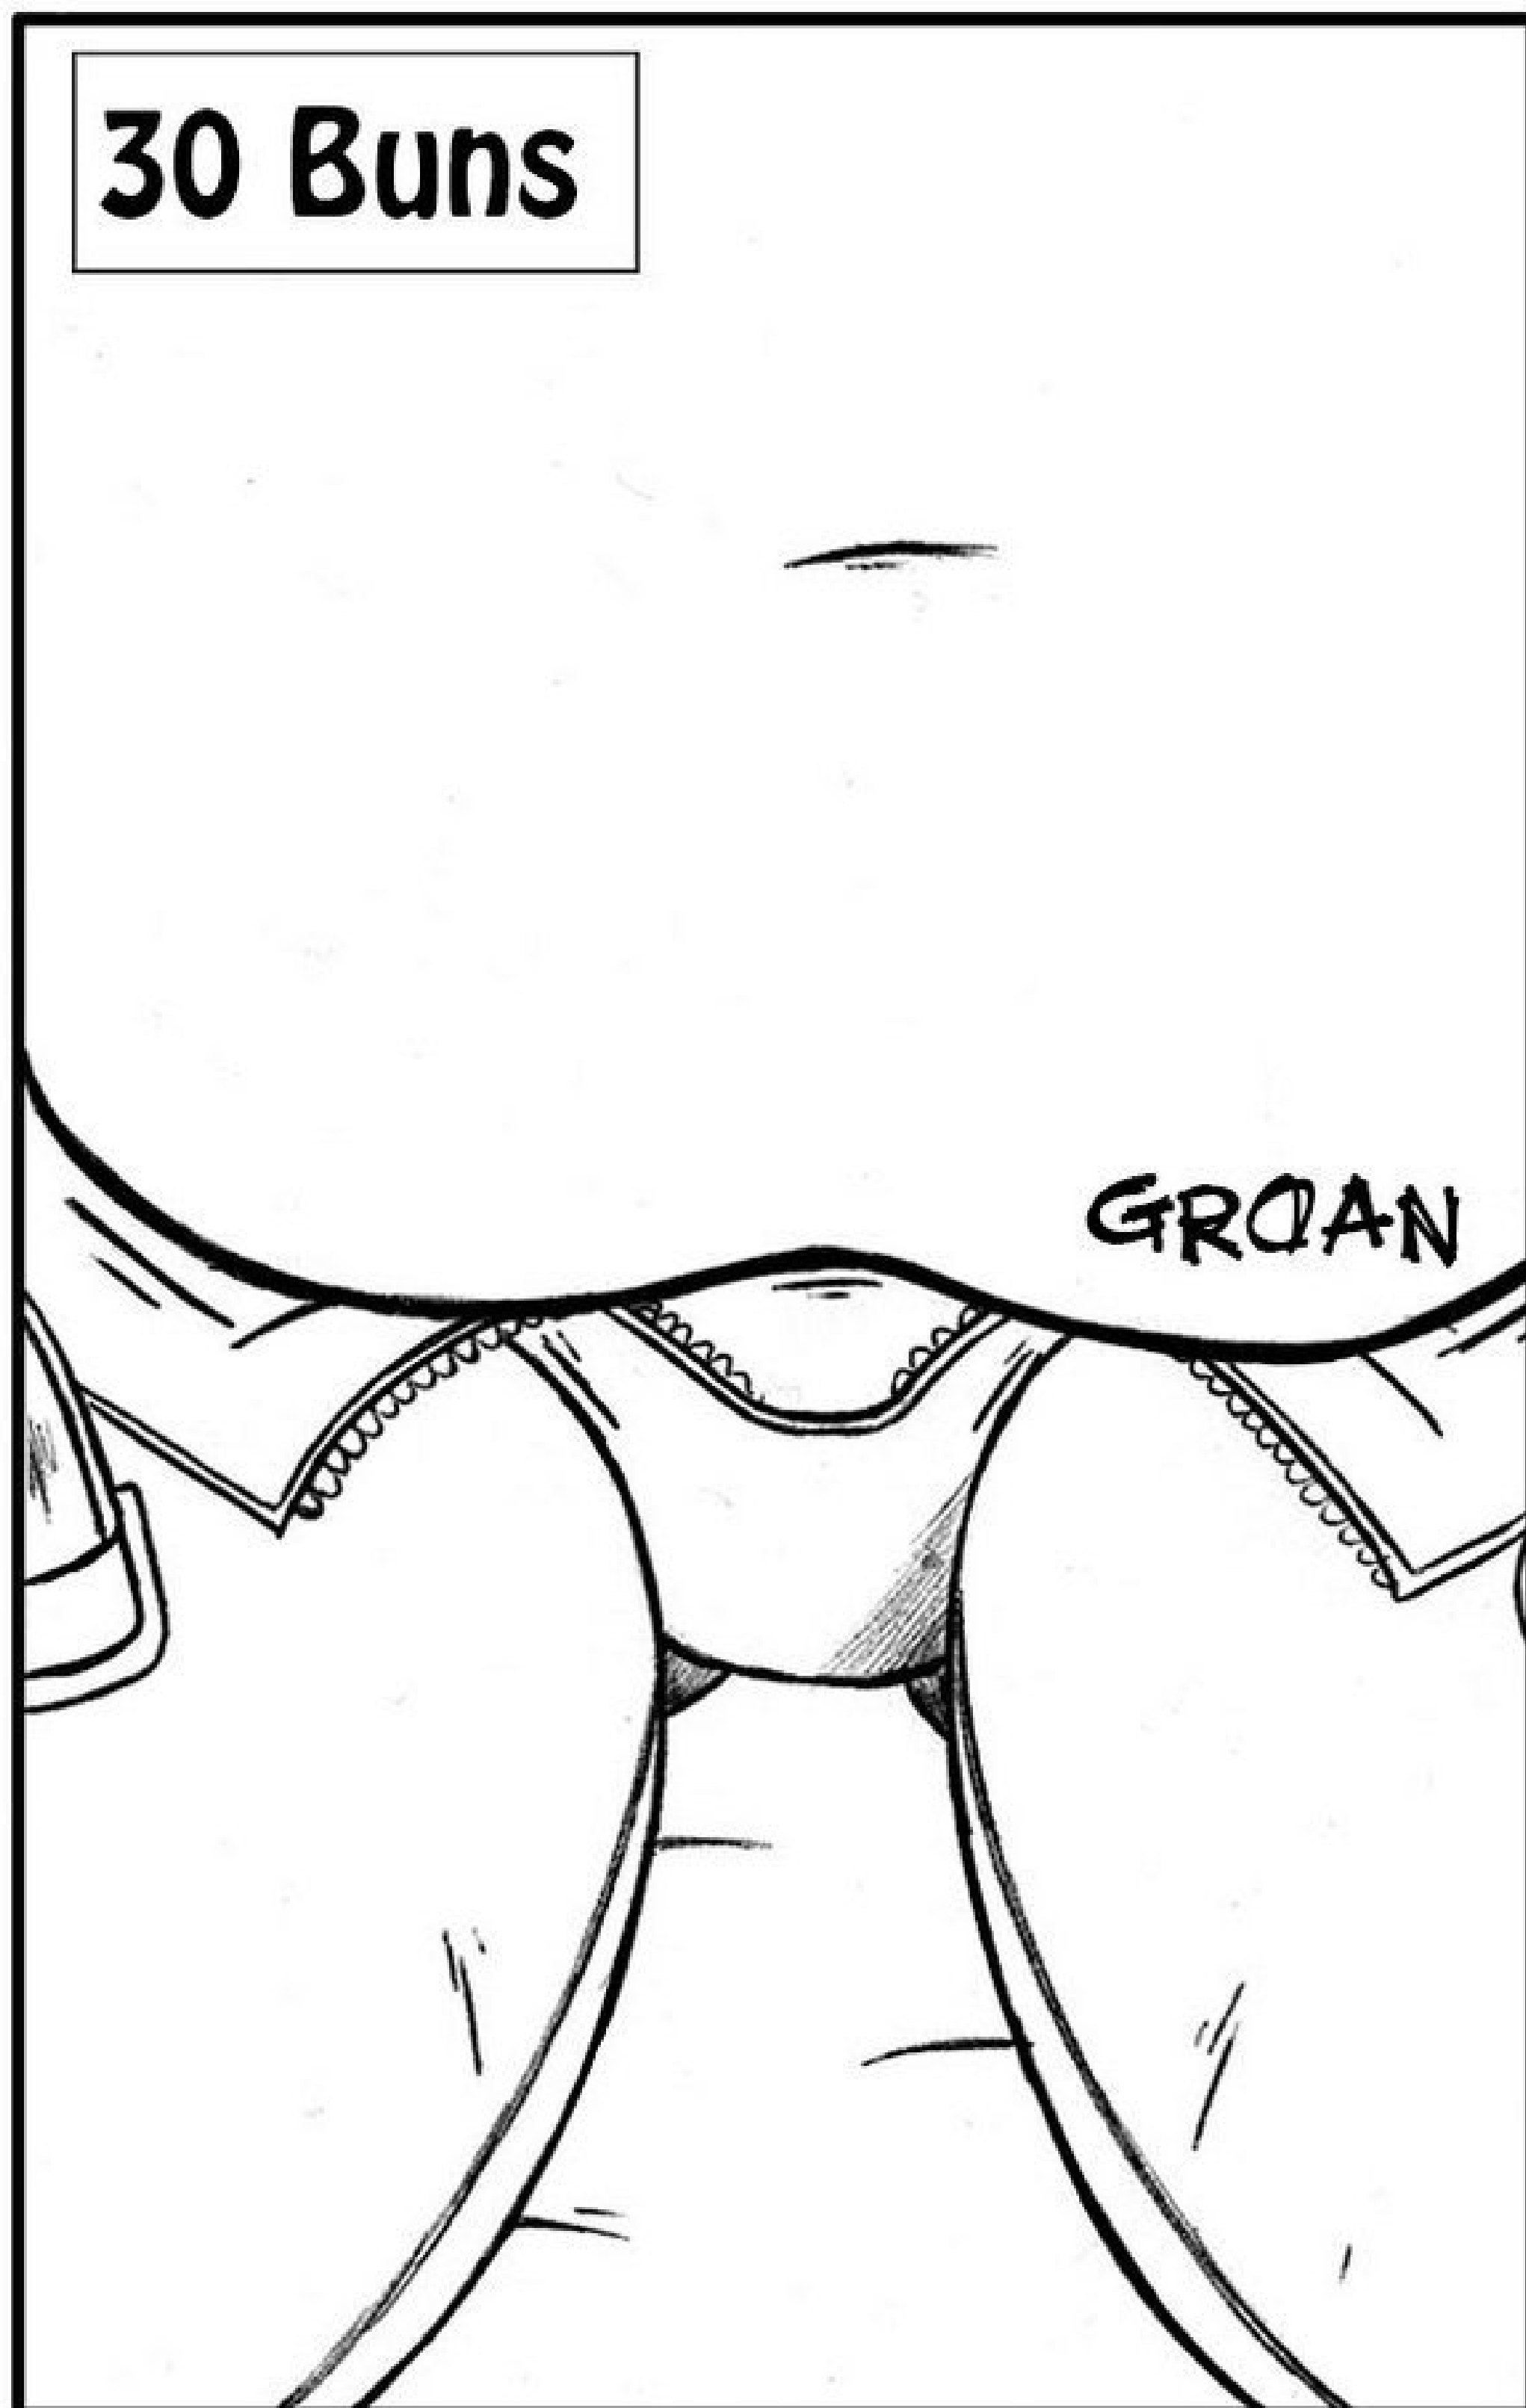

Mmm...

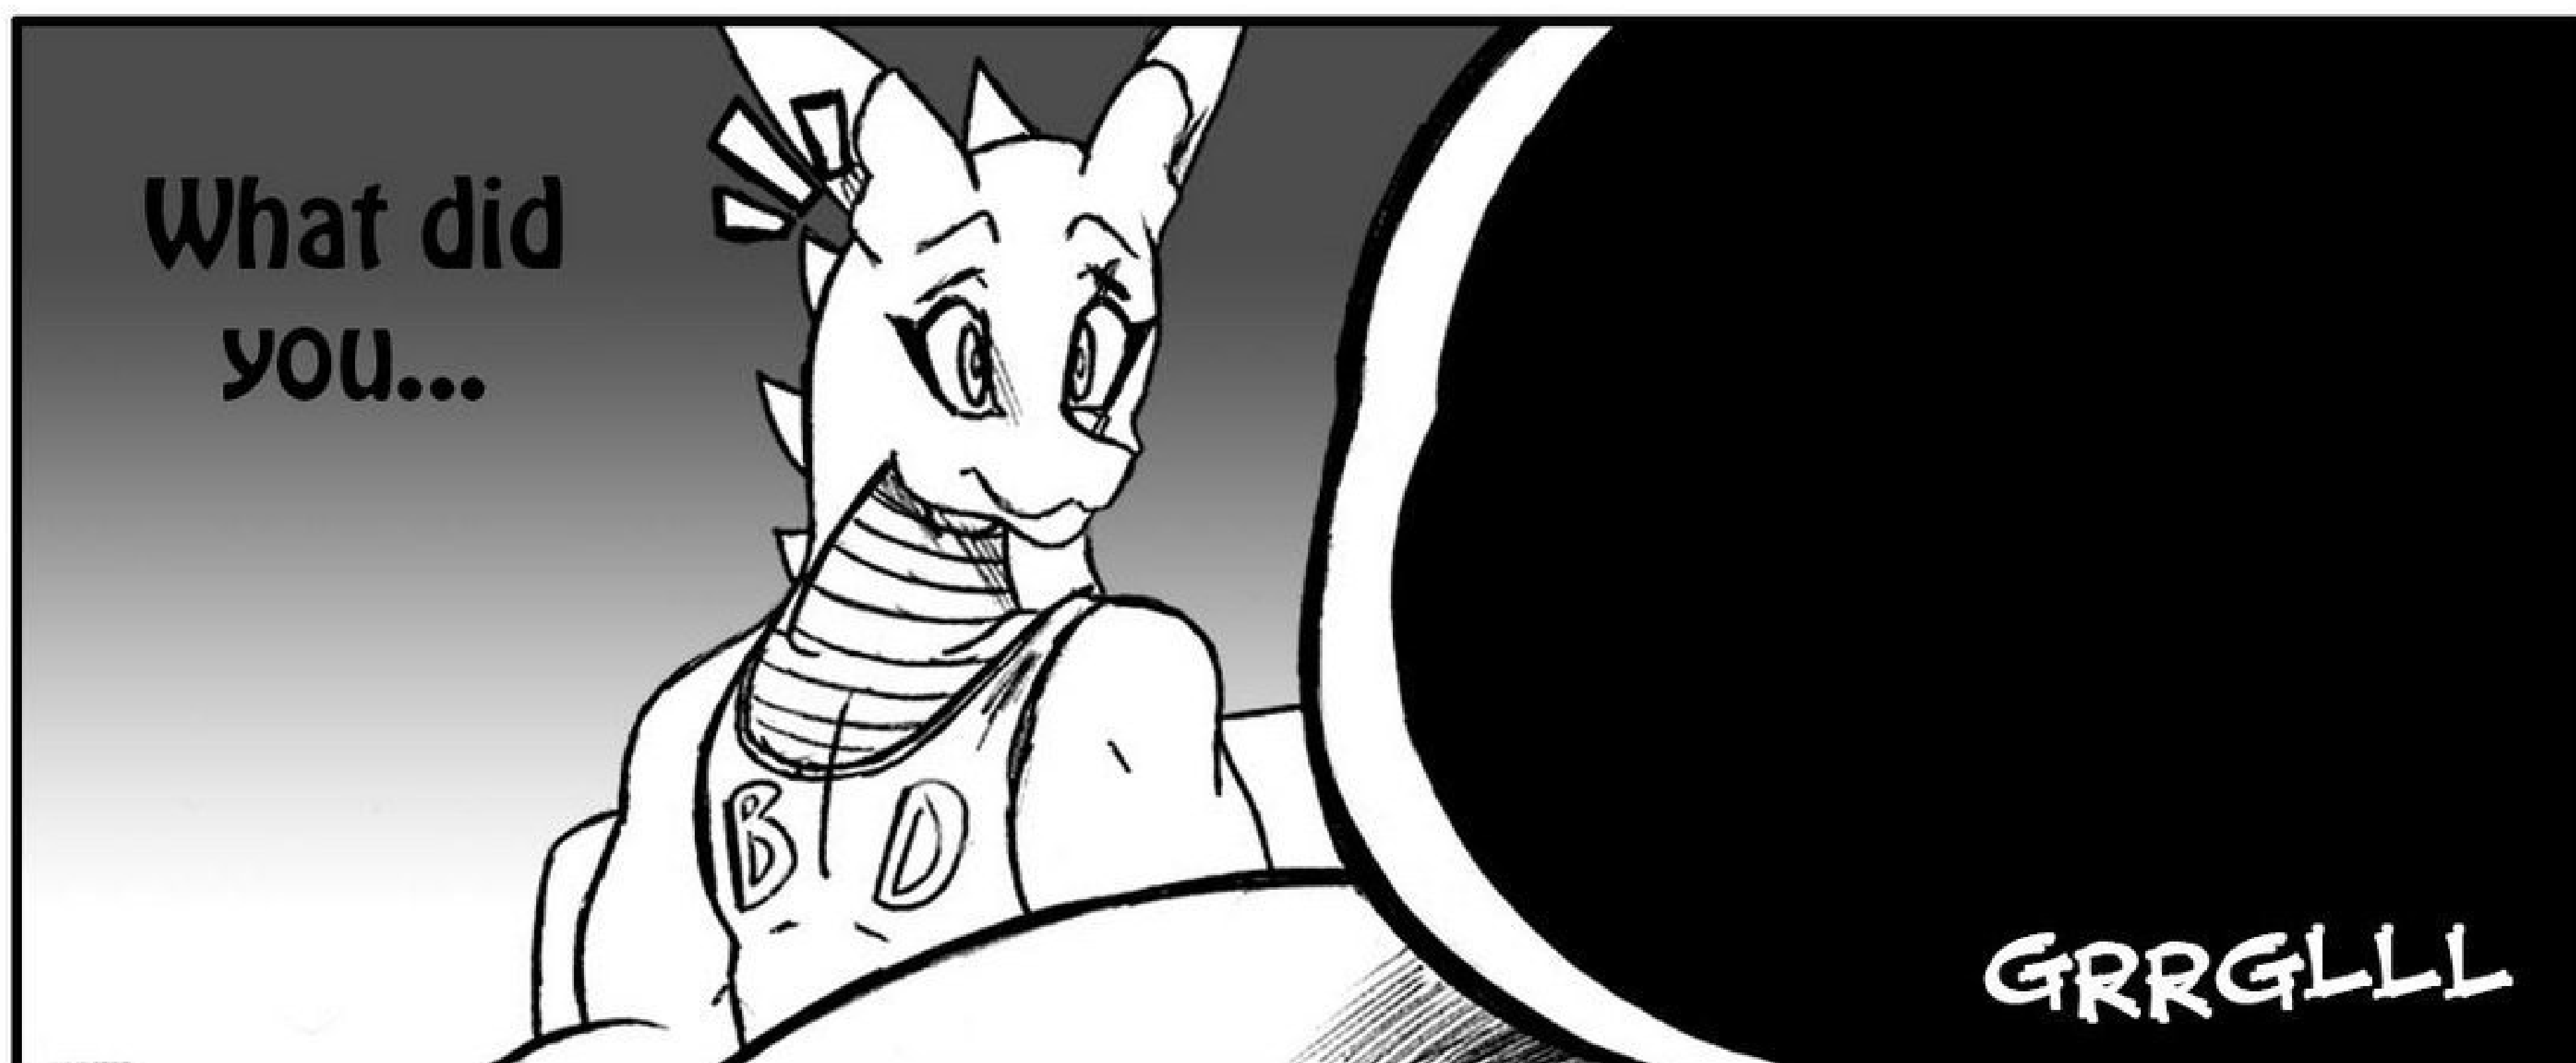

30 Buns

GROAN

21 Buns

Skylar: ...think?

...Now I really overdid it... I didn't even realize that I had eaten all the buns until there was nothing to grab... I feel a little dizzy...

hiccup

BURRRP!

URGG

GRGL

There was no hiding this belly now... My social life around Skylar now is screwed...

And just like that, my newfound excitement was put on hold...

hic I already told my Mom I'd be home soon... guh...

I shouldn't be surprised. She was, and I emphasize "was", a small girl. I'm amazed she willingly ate so much on her own. I don't often meet someone that likes my cooking...

Oh well... it can't be helped... she has her limits and I should be subtle if I want her to come back to try more food...

Sigh...

It's really late,
I'll walk you
home!

Hic
...R-Really?!

Will you be okay from here?
Need me to help you inside?

I walked her home which was closer
than I thought... Took a while as she
had to waddle down the street, often
getting tired and dizzy. She burped a
few times which amused me
somewhat...

Hiccup Oh no... urp...
I-I'll be fine... Thank you
for such a fun day and
for walking me home
Skylar...

Now to try to get her to
come again...

Today was fun, I hope you
enjoyed hanging out!

I still feel dizzy...

Oh yeah, it was the best!
Thank you for having me
over!

I'll keep practicing my cooking so
that it doesn't suck too much ha ha!

Skylar: Oh uh... here...

What is it?

Good good... act a little
shy... young girls like
that...

Ahem... It's my phone
number... If you'd like to
hang again can call me if
you want... I'm usually
free...

Ha ha ha! Nice one!

I'm sorry!

chuckle You worry a lot.
Have a good night and hope to
see you again!

Good night!

He hopes to see me
again~ *sigh*

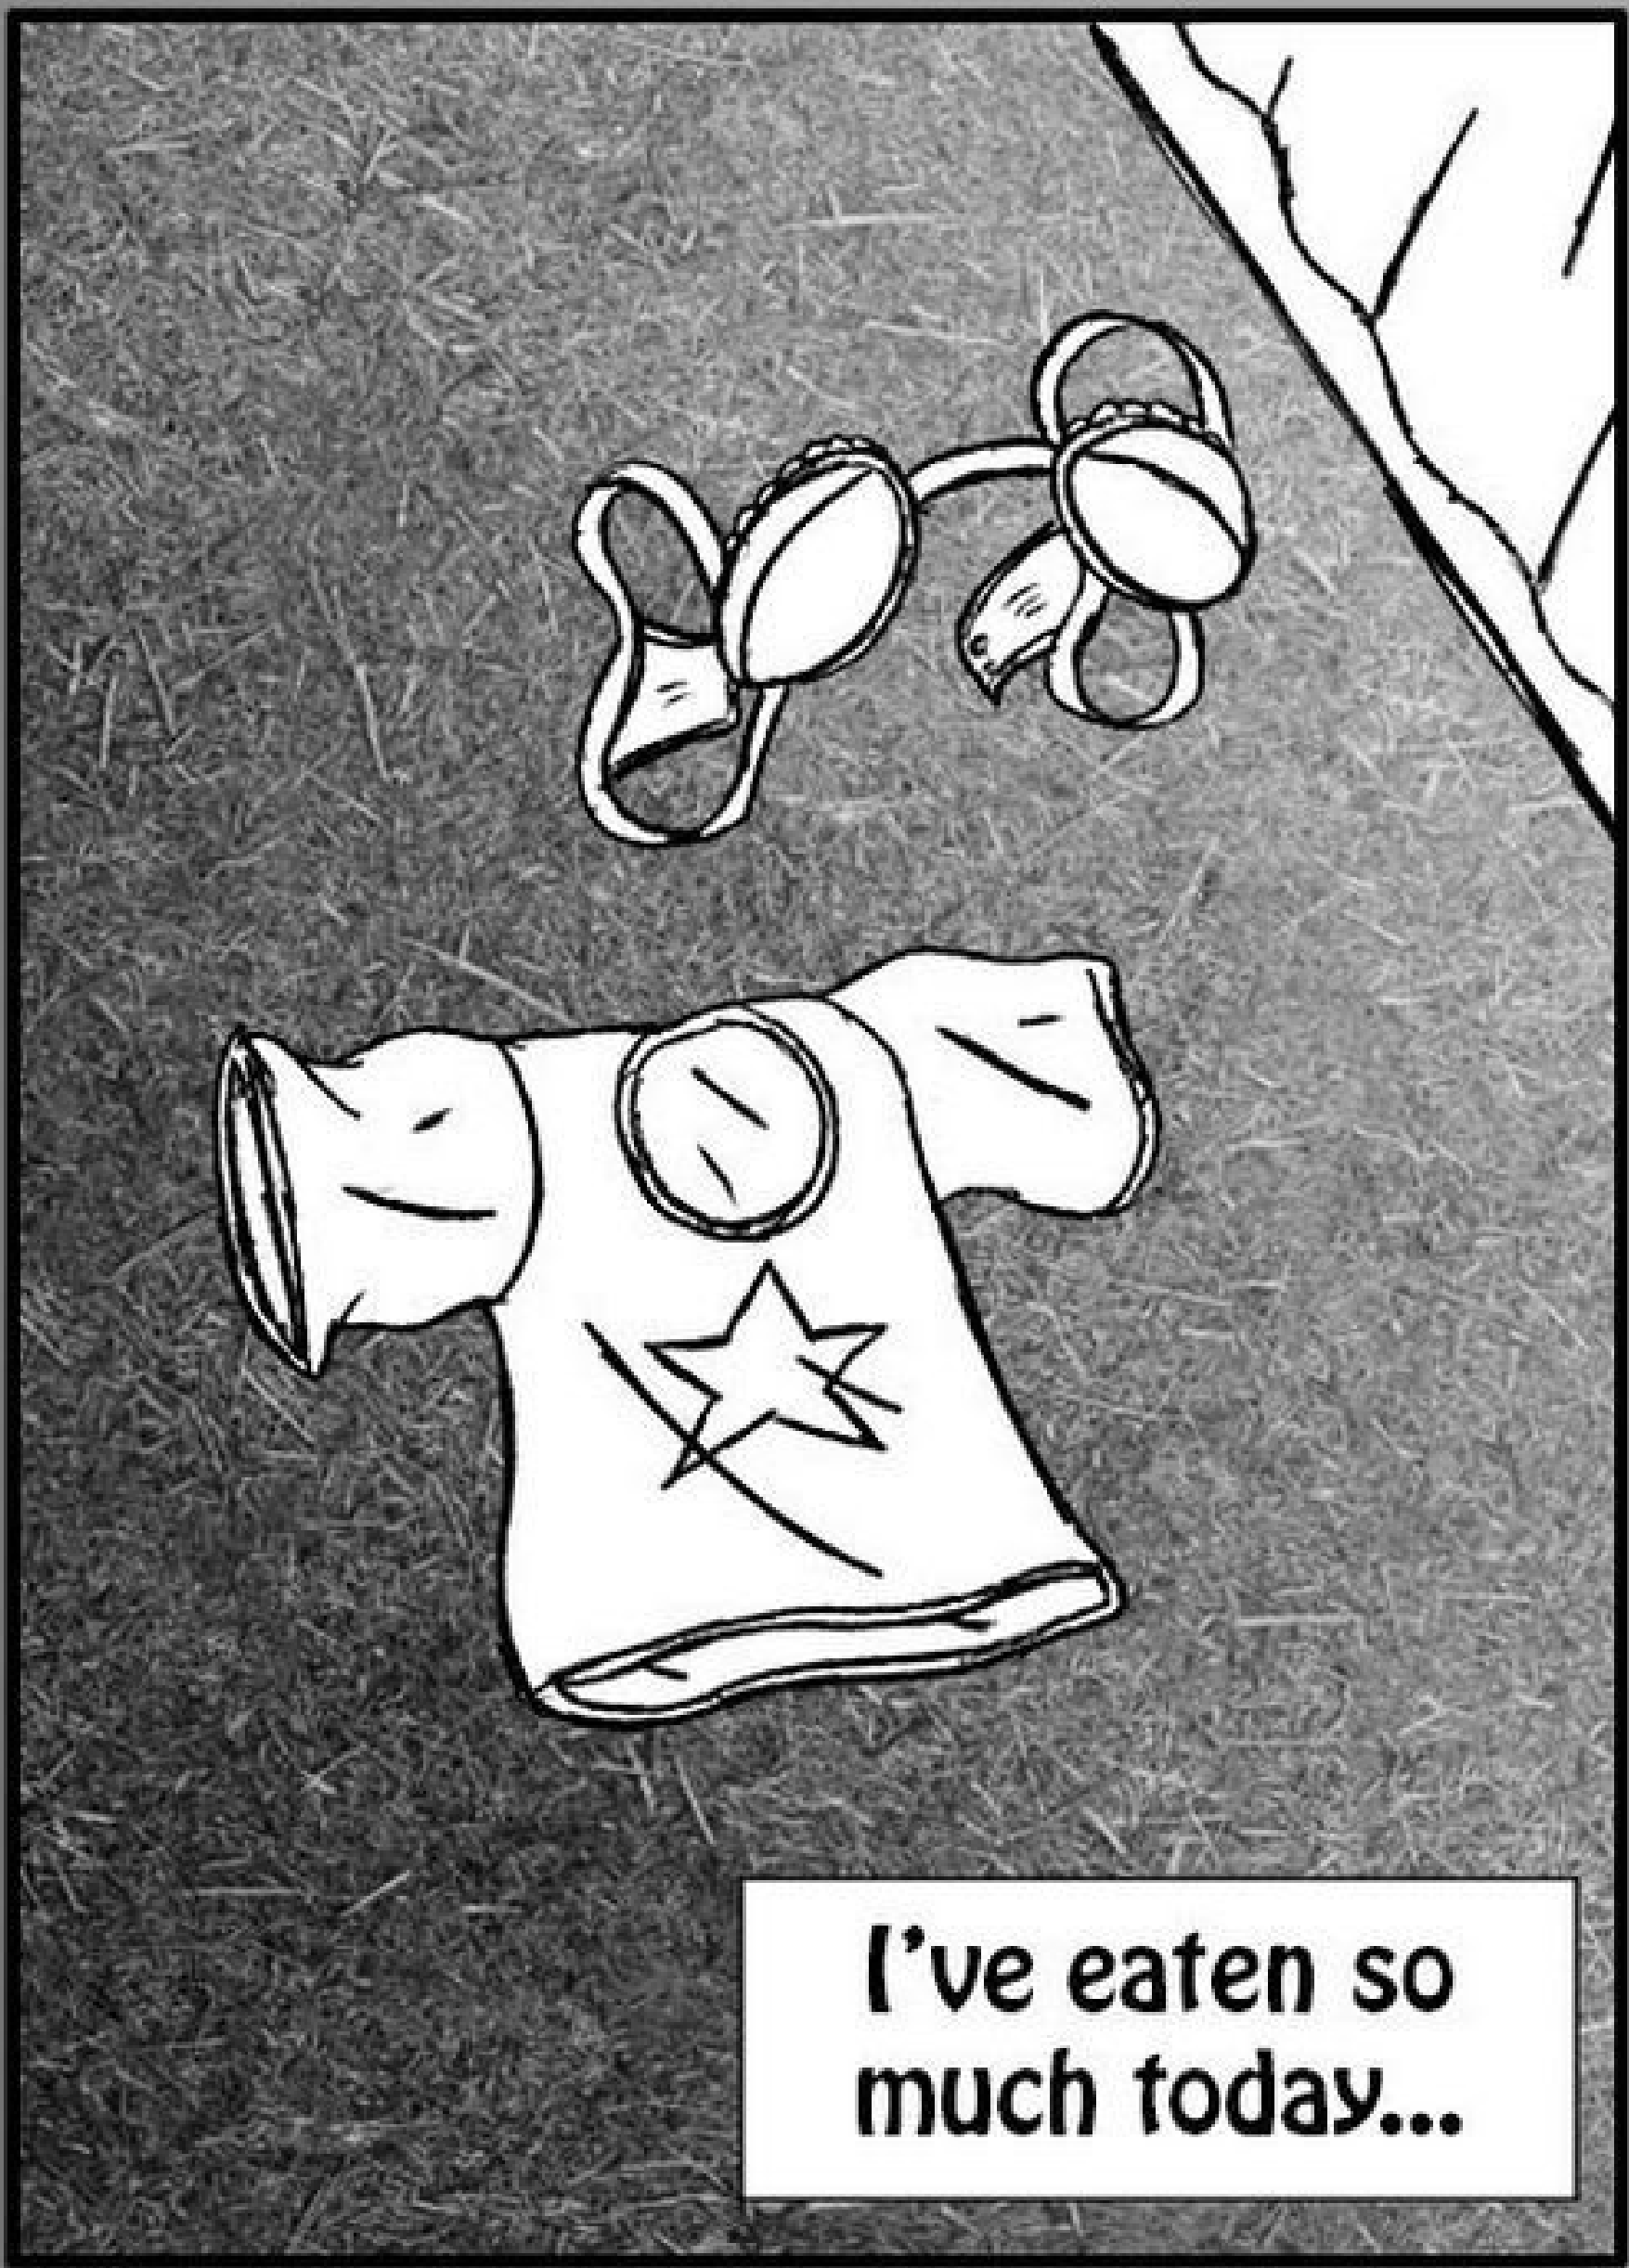

CLICK

Finally... glad to be in bed now...

I've eaten so much today...

Least all this burping has made me less dizzy...

BURP!

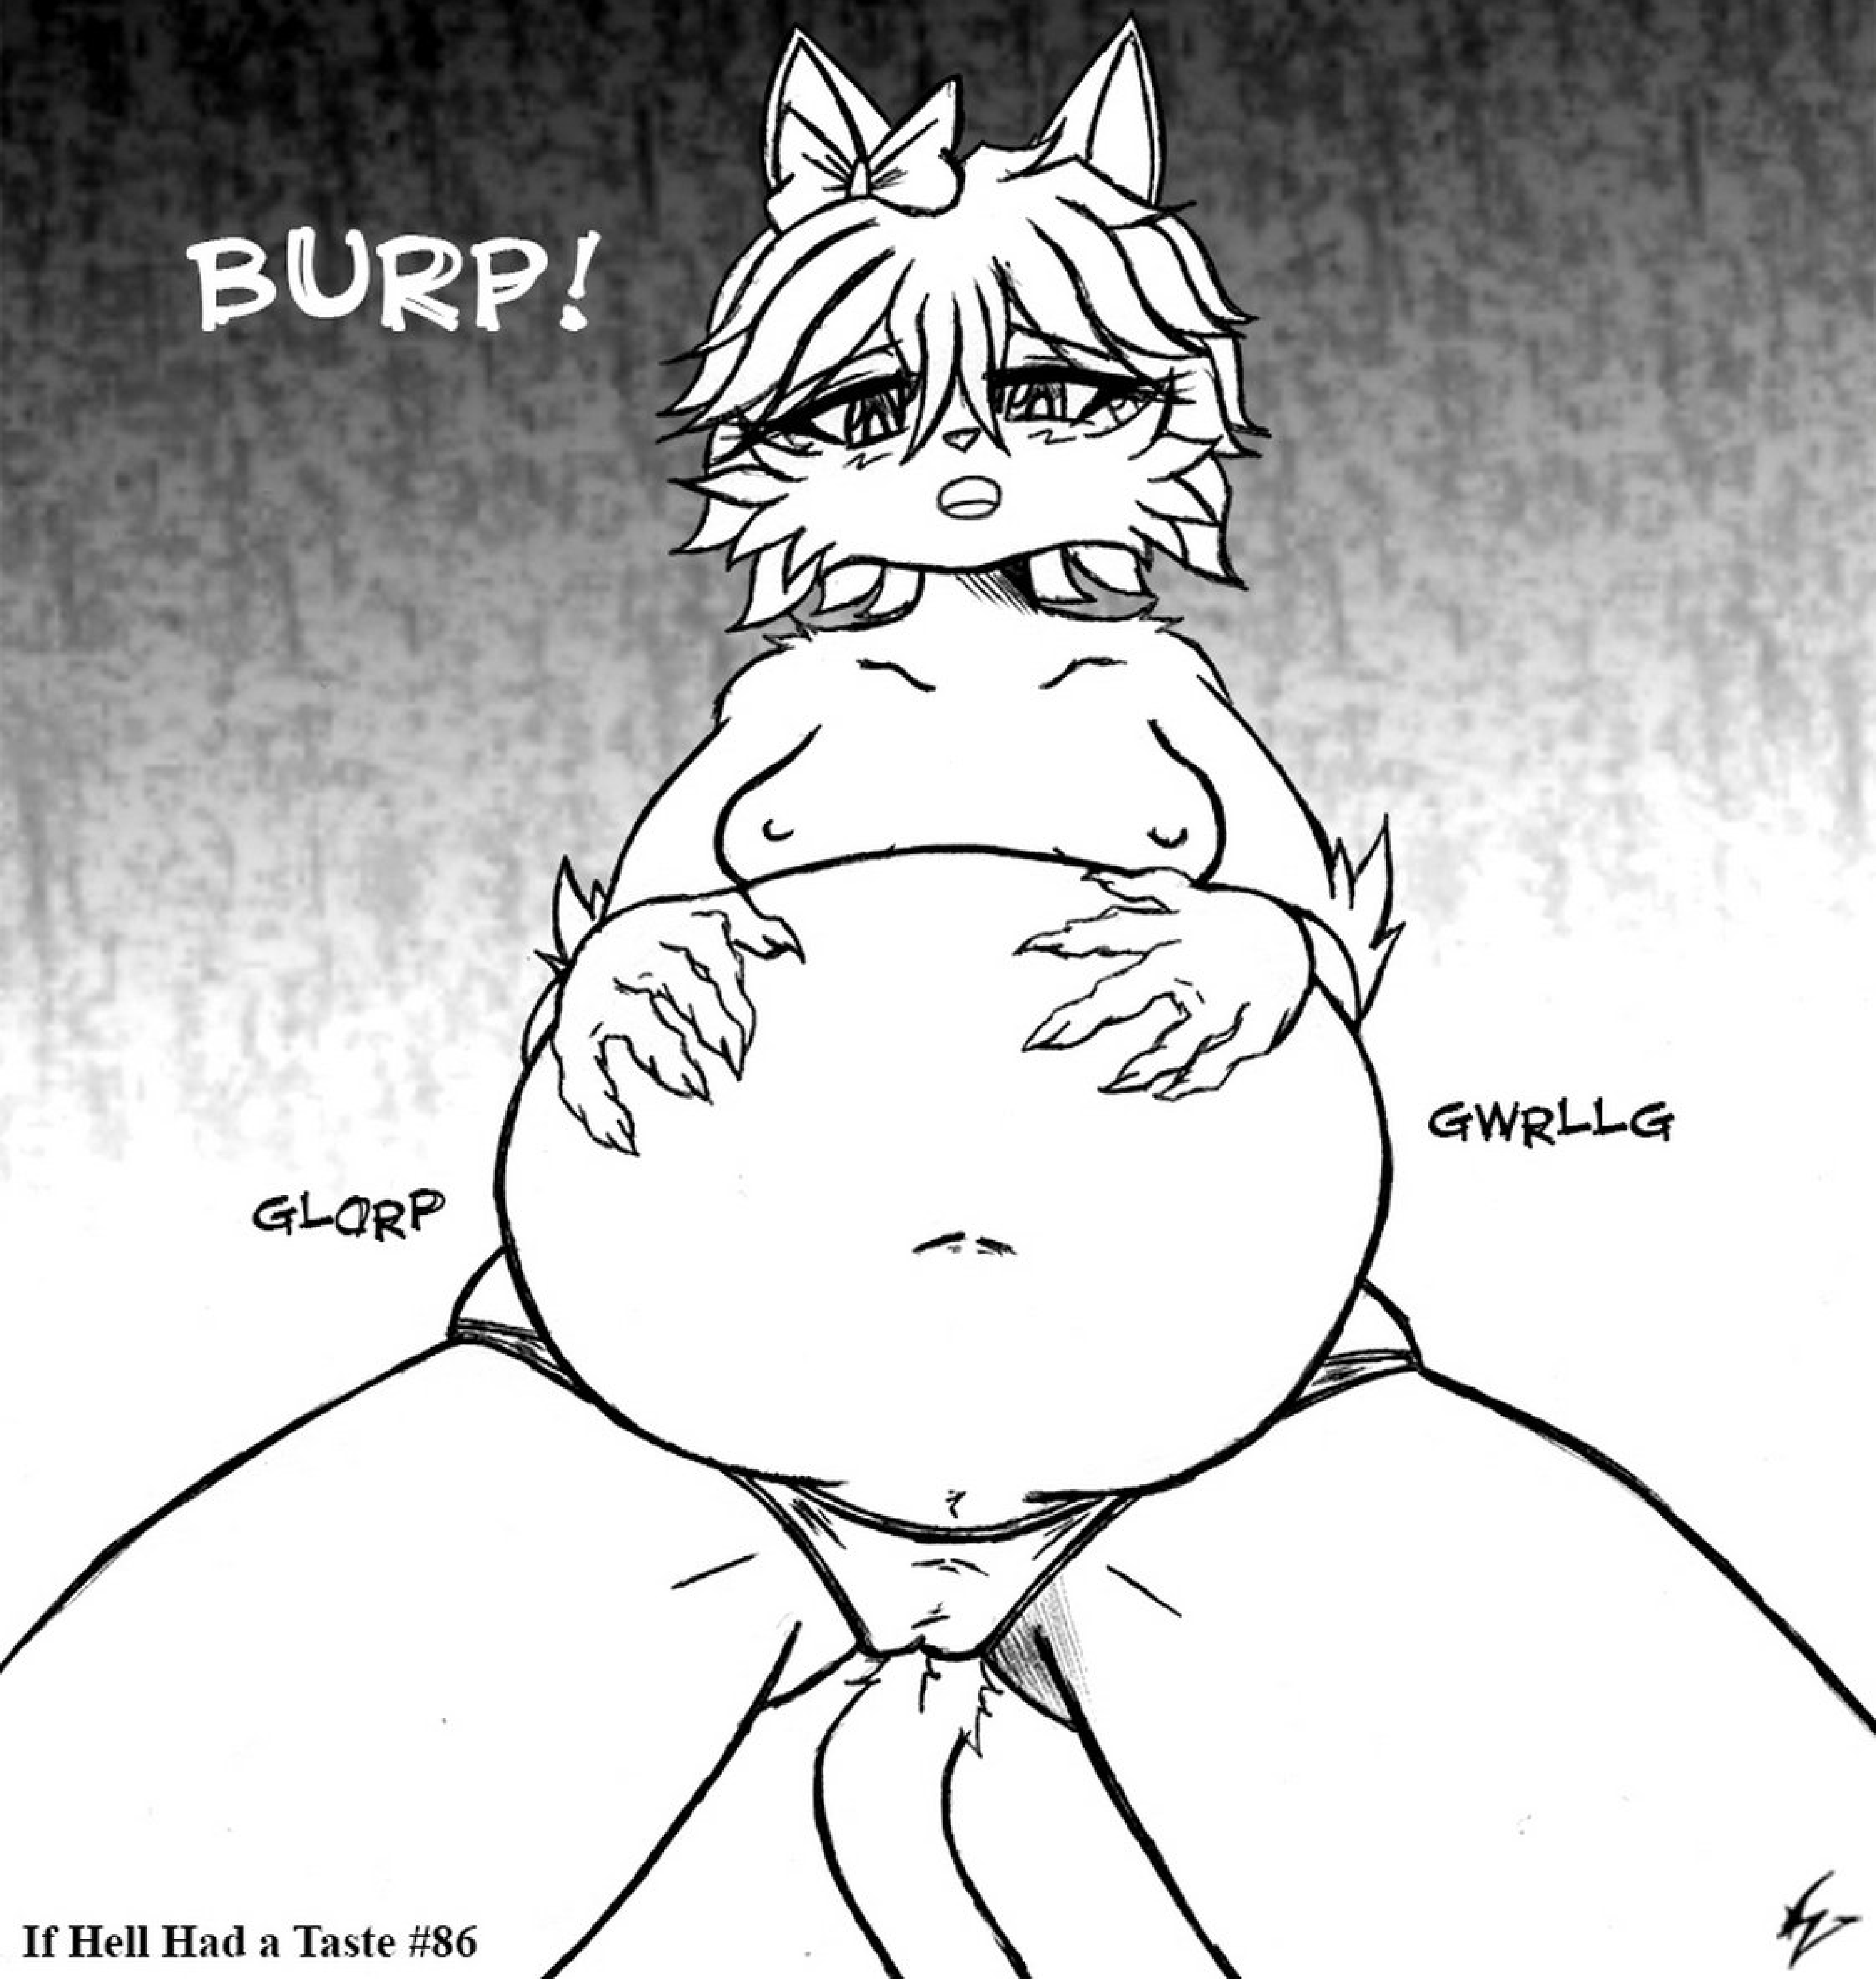

20 Minutes later...

...Can't sleep... Stomach
is keeping me up...

I feel so bloated... and I keeping burping... it's disgusting... Boys couldn't possibly find this attractive...

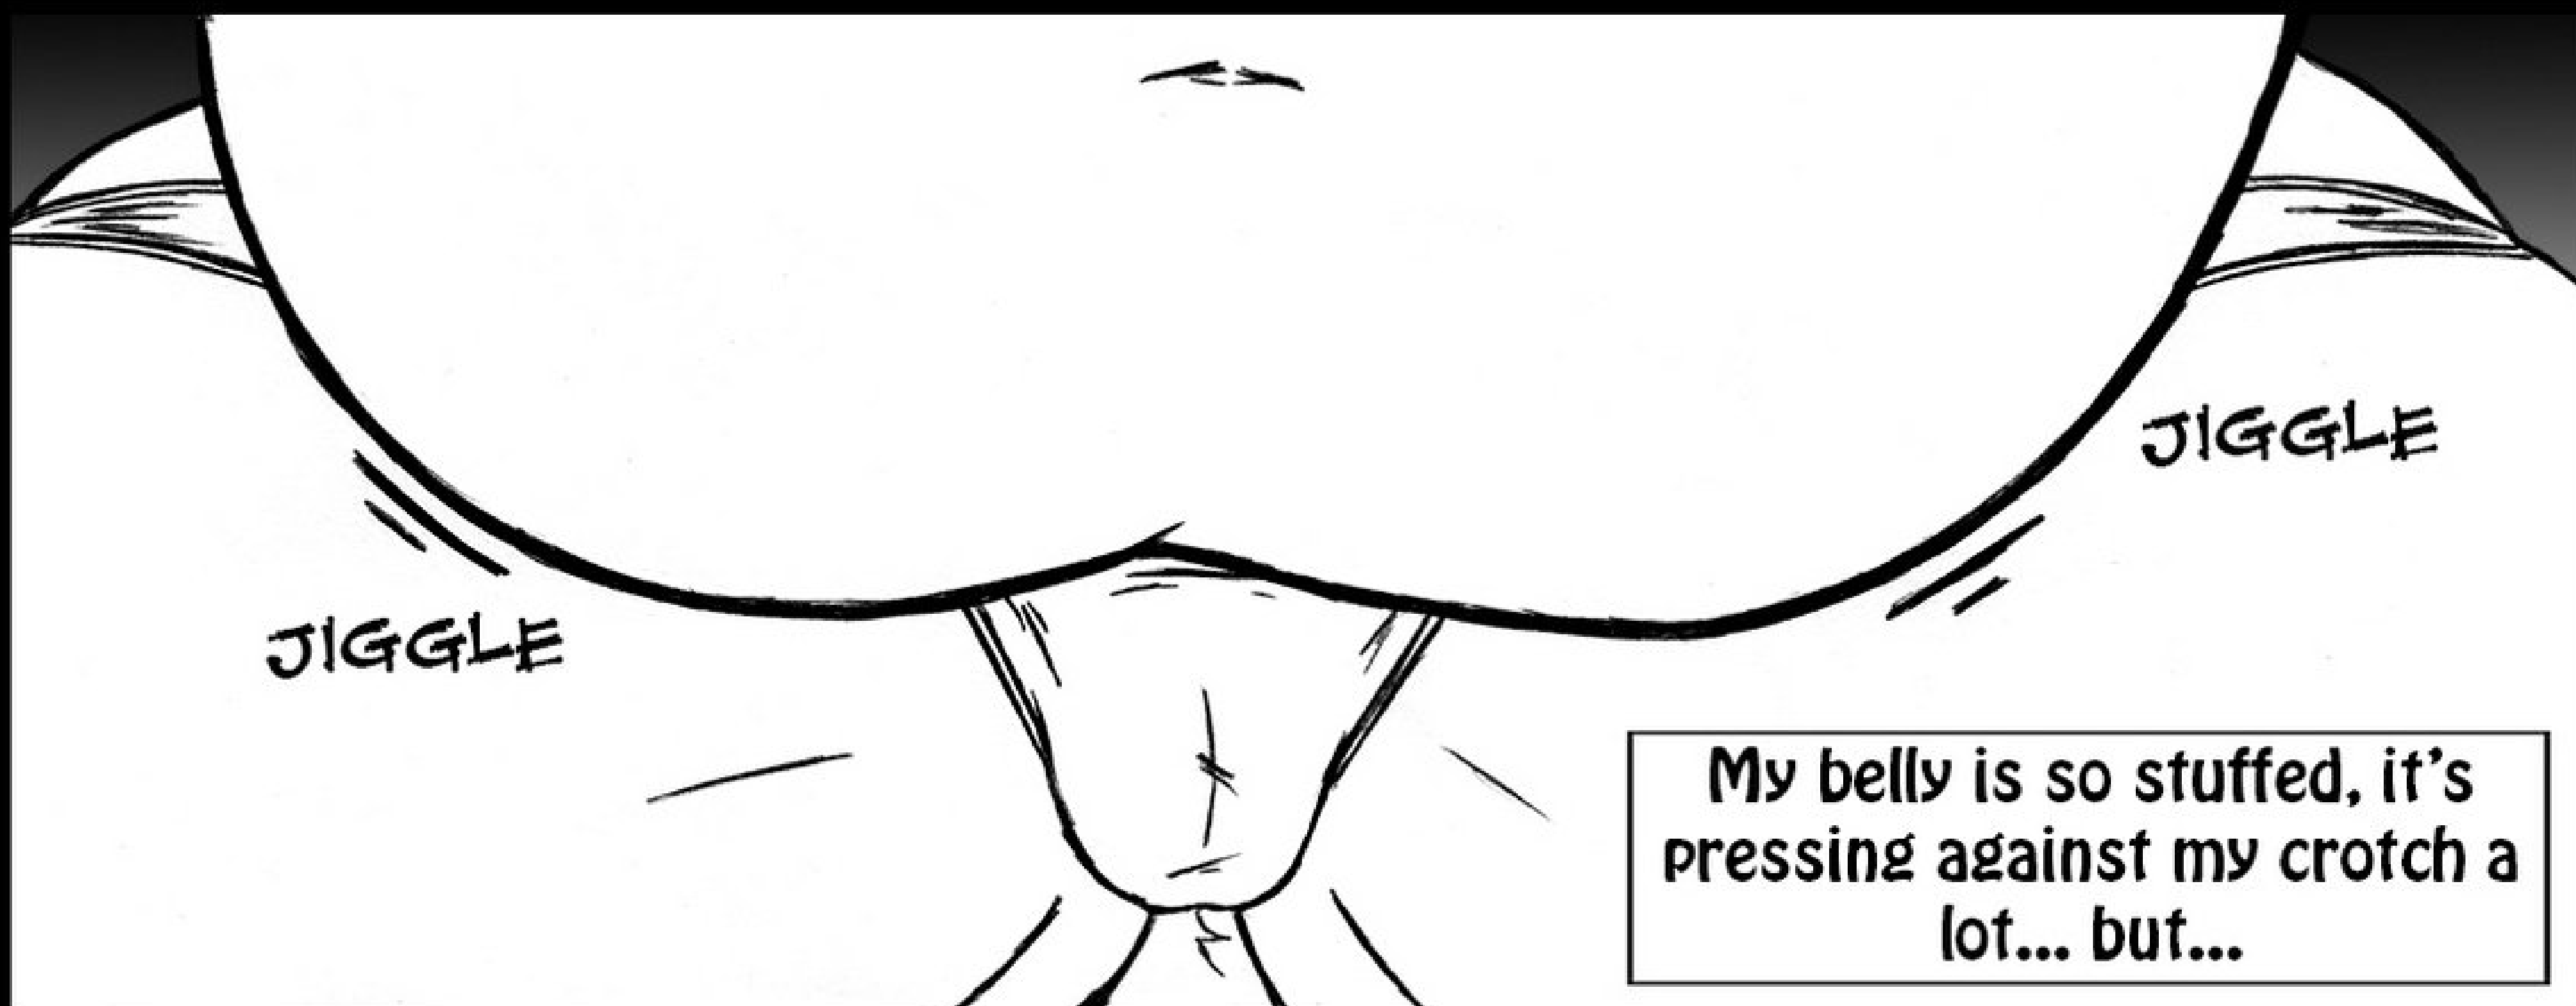

BURP!

GLORP

GWRLLG

Did I really eat that much food? I
just wanted to make Skylar like
me...

My belly is so stuffed, it's
pressing against my crotch a
lot... but...

It feels... kinda... good...

Is this... Is this okay? I mean... I've never eaten so much that it'd turn me on before...

Maybe cause it made Skylar happy that I kept going? I feel... hot... and wet...

Really wet...

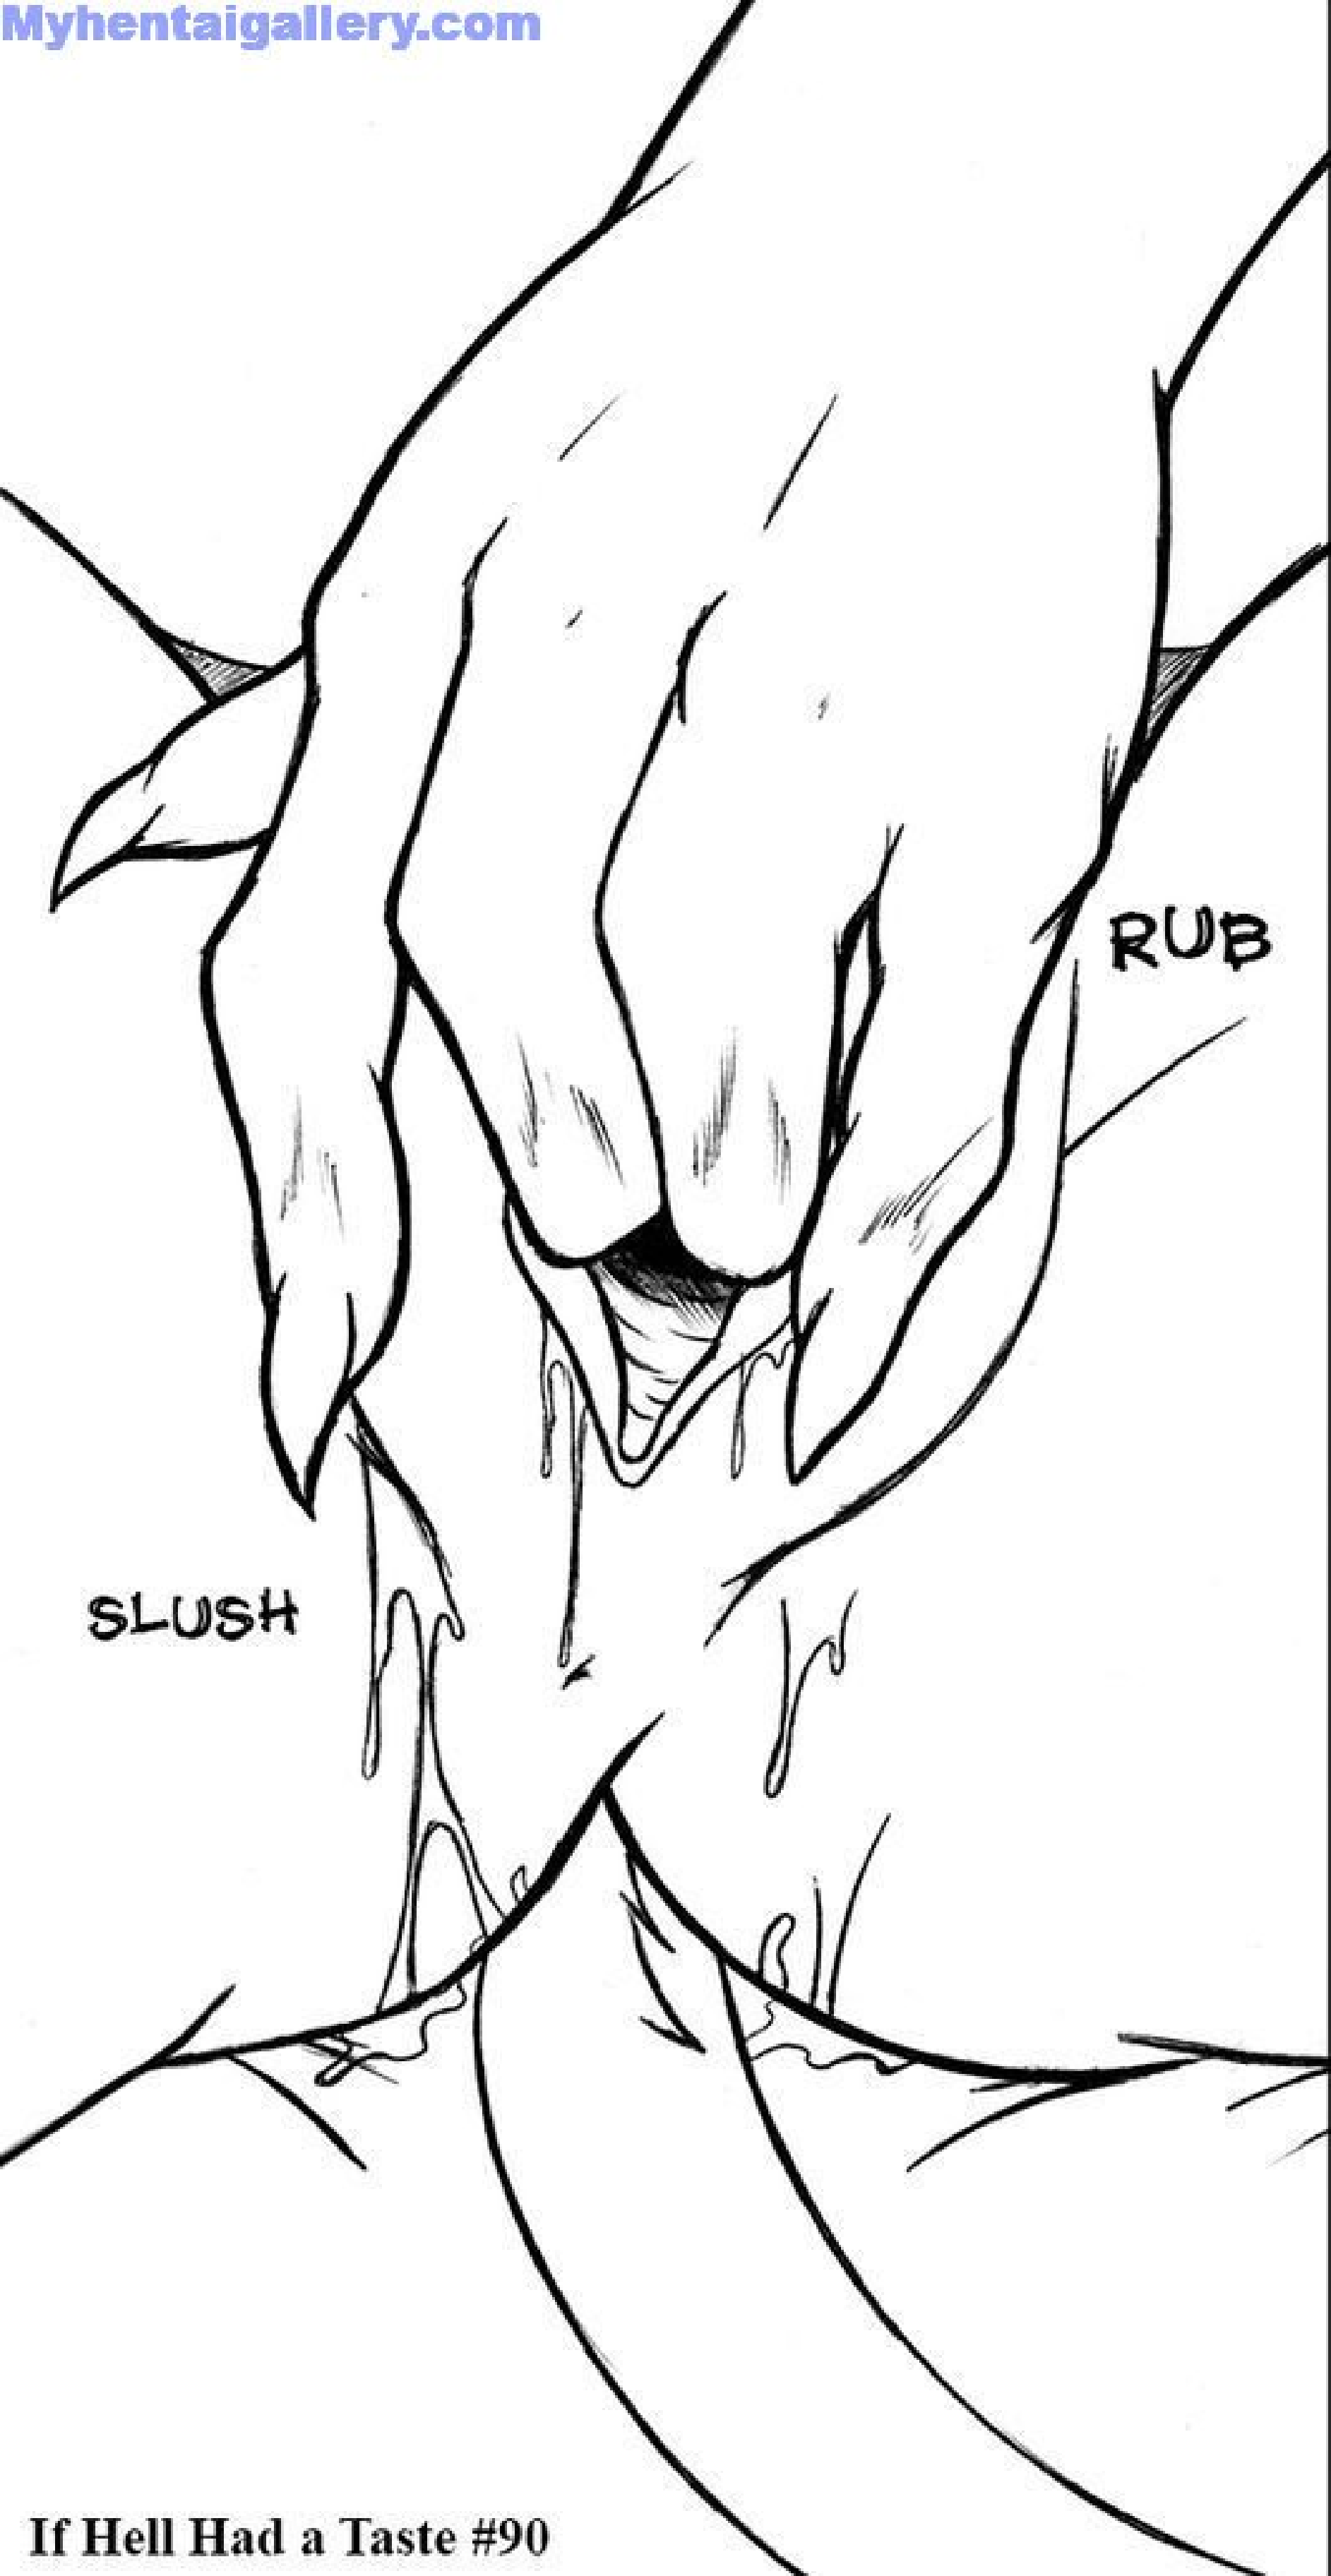

I was having trouble reaching past my belly that I tried to shift as much of it as I could... I spread my legs more and ended up ripping my panties...

OOPS...
Damn it...

Mmph...

GRRGL

SLOSH

I was so into thinking about Skylar that I forgotten about keeping my belly up as I played with myself... All the food I had consumed slosh against my private making me give in and release myself...

Nyahh...

BLOP

SQUIRT

I slept well after that...

Mmm...
