I hope you like it!

Would you like a sandwich Marci?

Ice Cream Sundae?

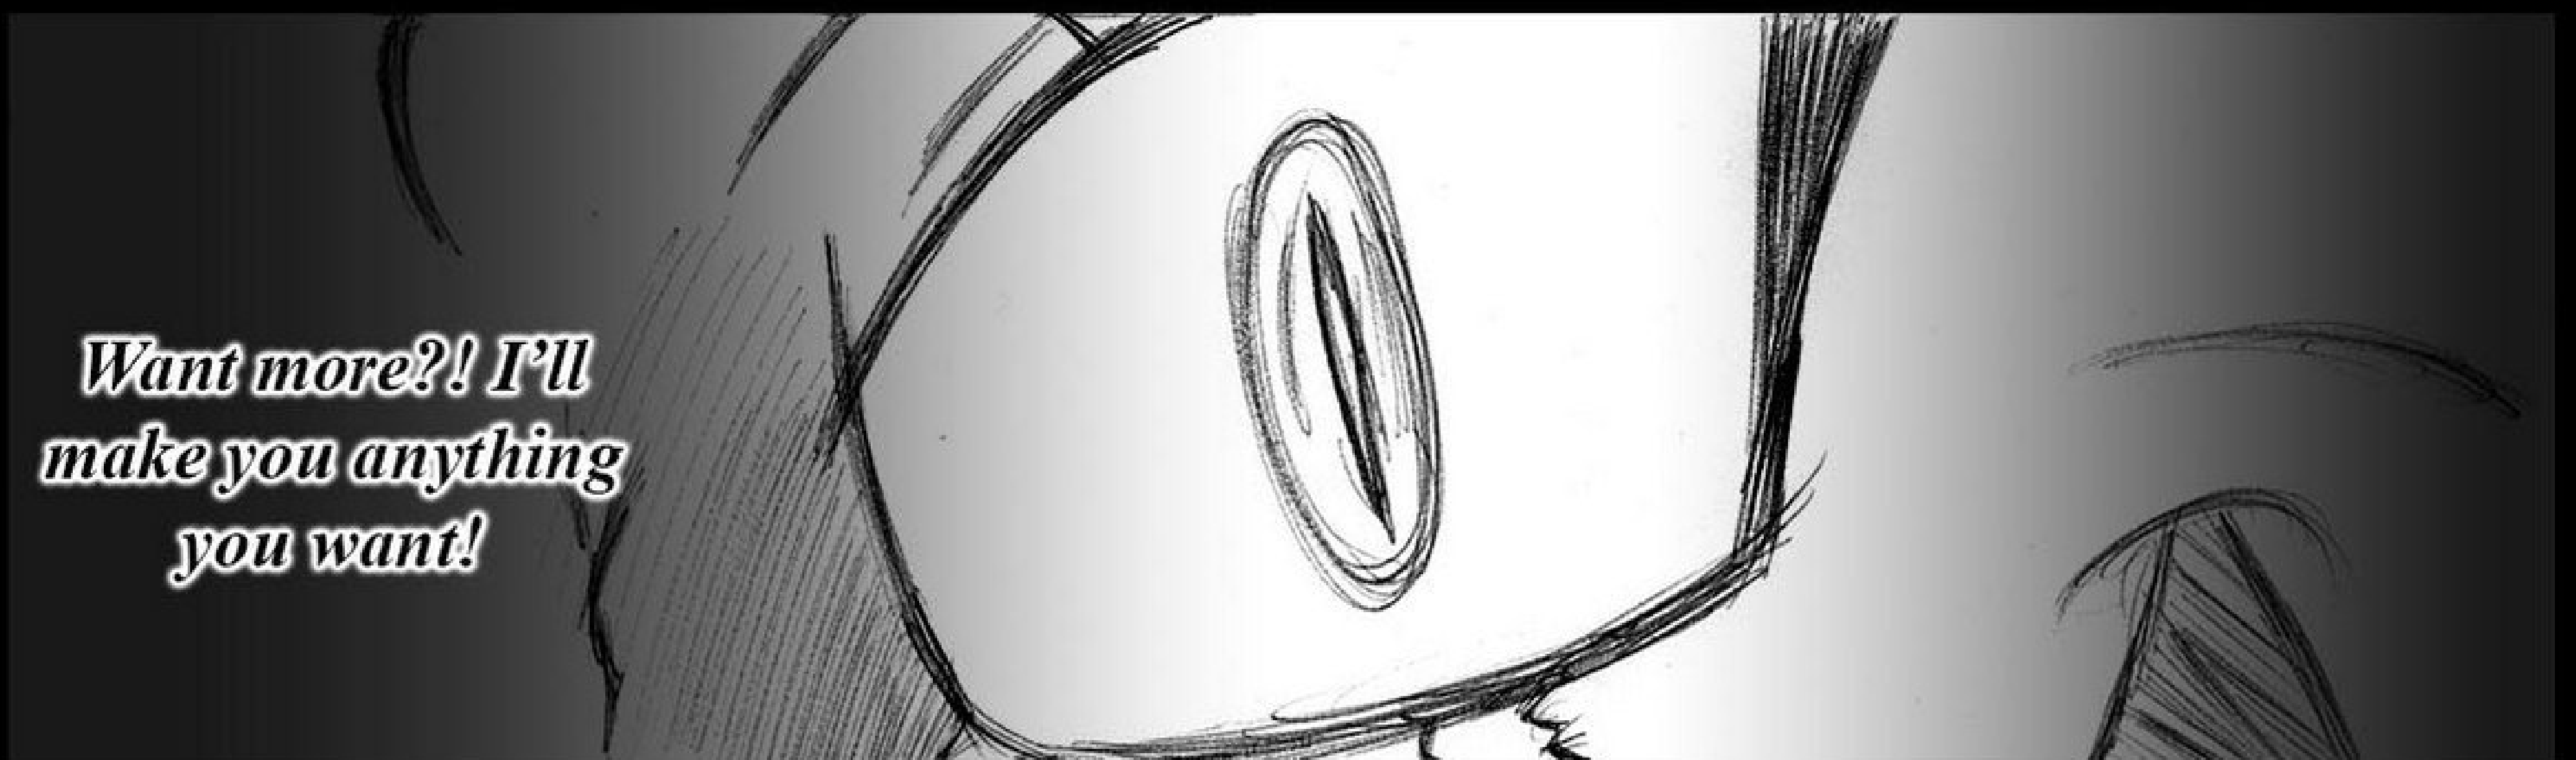

Try these waffles!

Here! Have some meatbuns!

Want more?! I'll make you anything you want!

*You're so sweet Marci!
I'm glad you like my
cooking!*

*You're the best girlfriend
a guy could have!*

MMPH!

SHOVE

Mmm...

*So cute and beautiful!
I love you Marci!*

GROAN

GRRGL

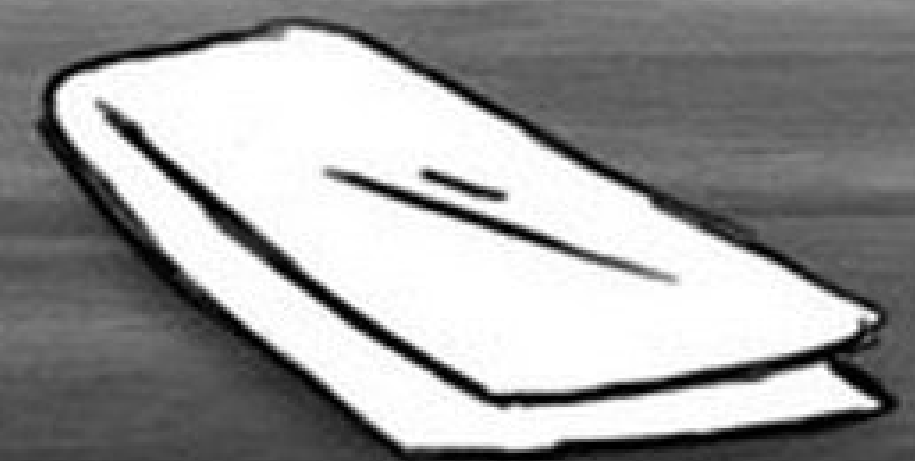

BLORP

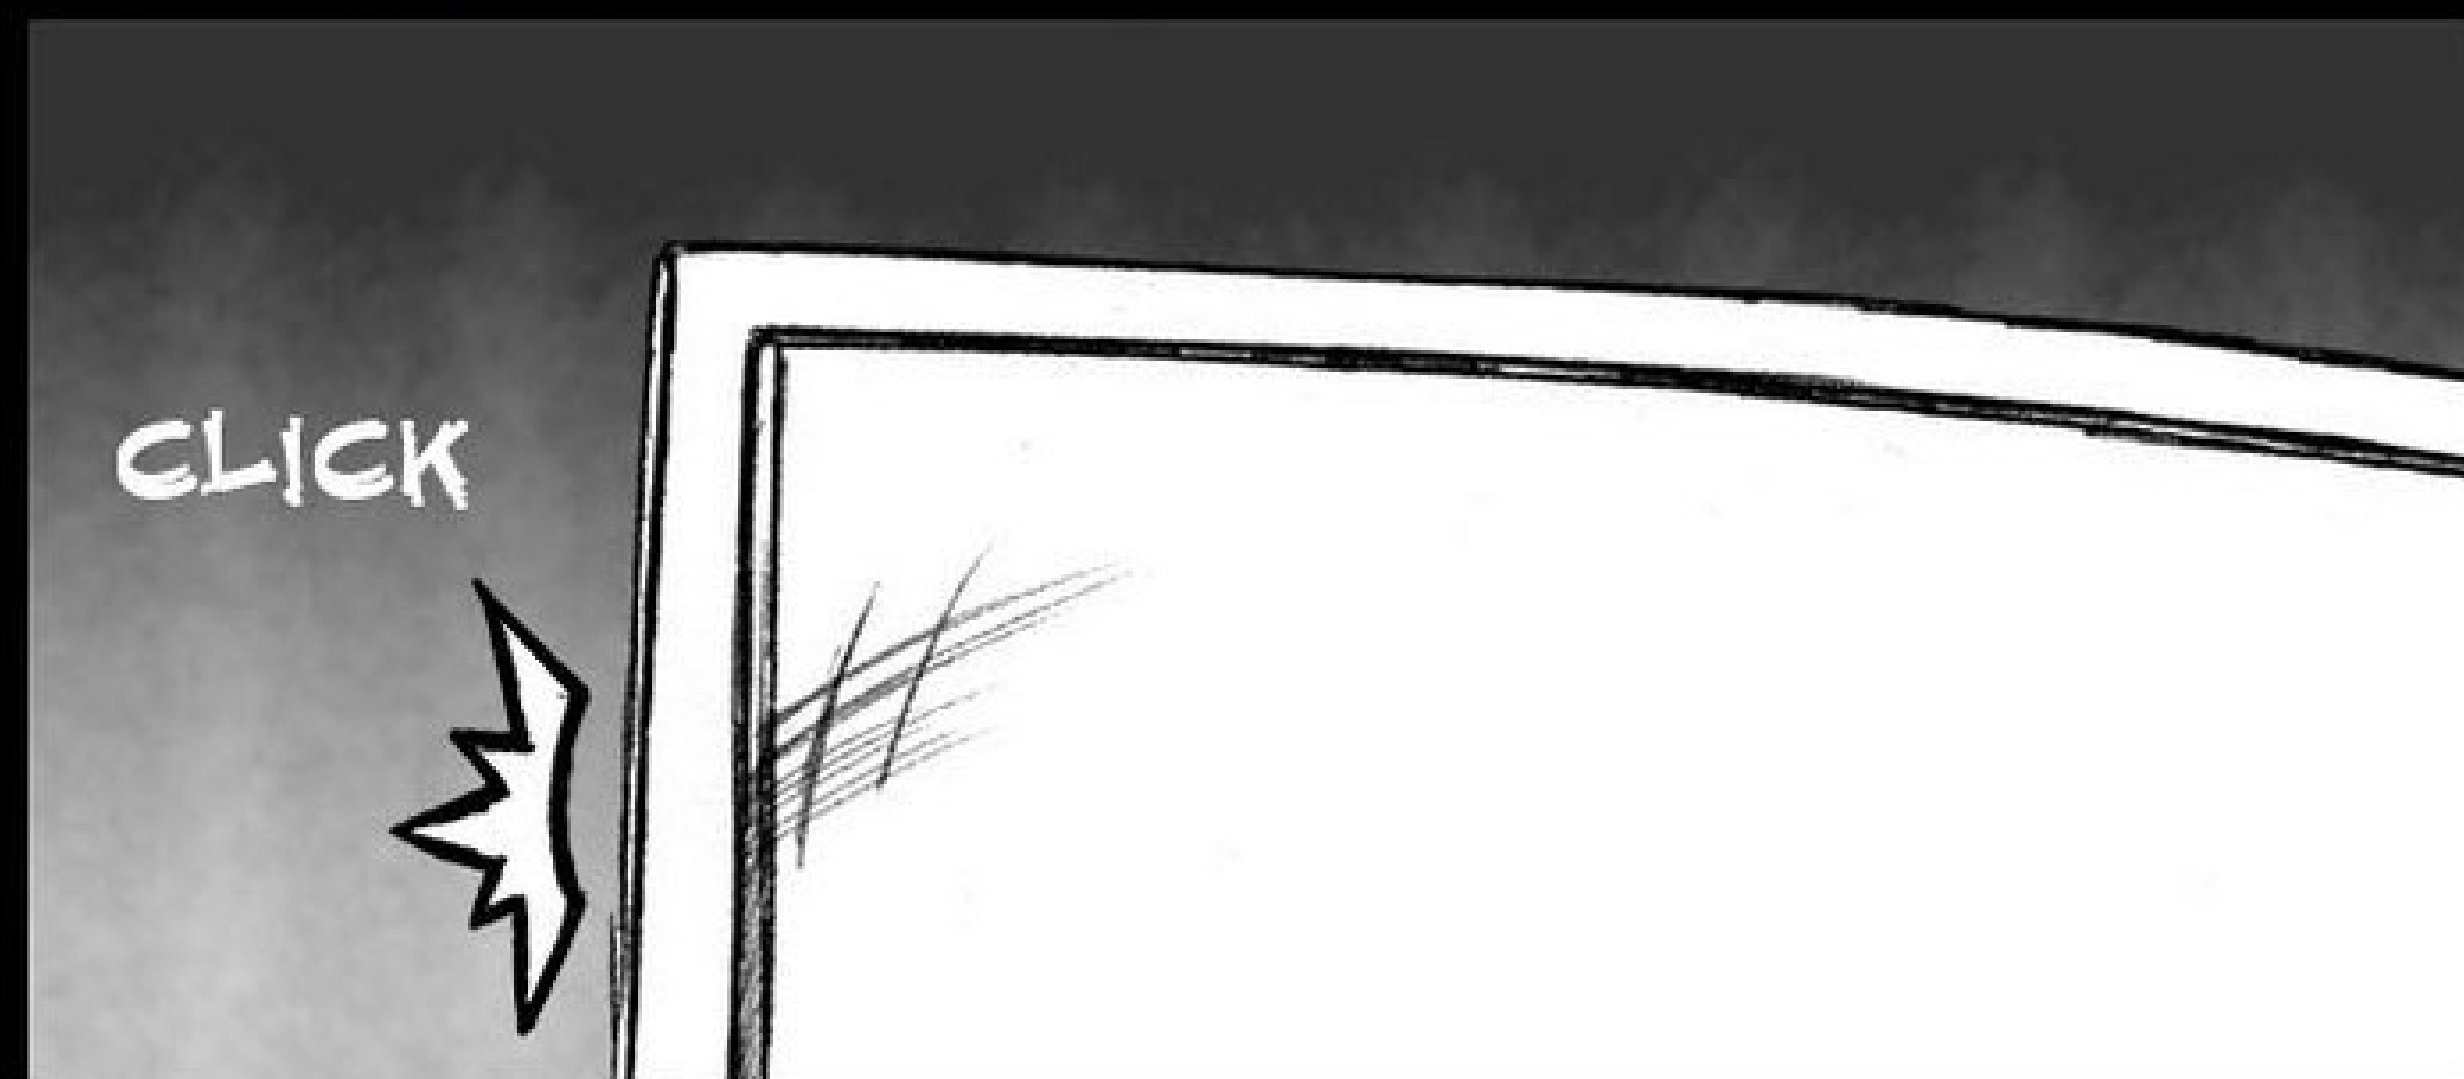

BURRRRRP!!!

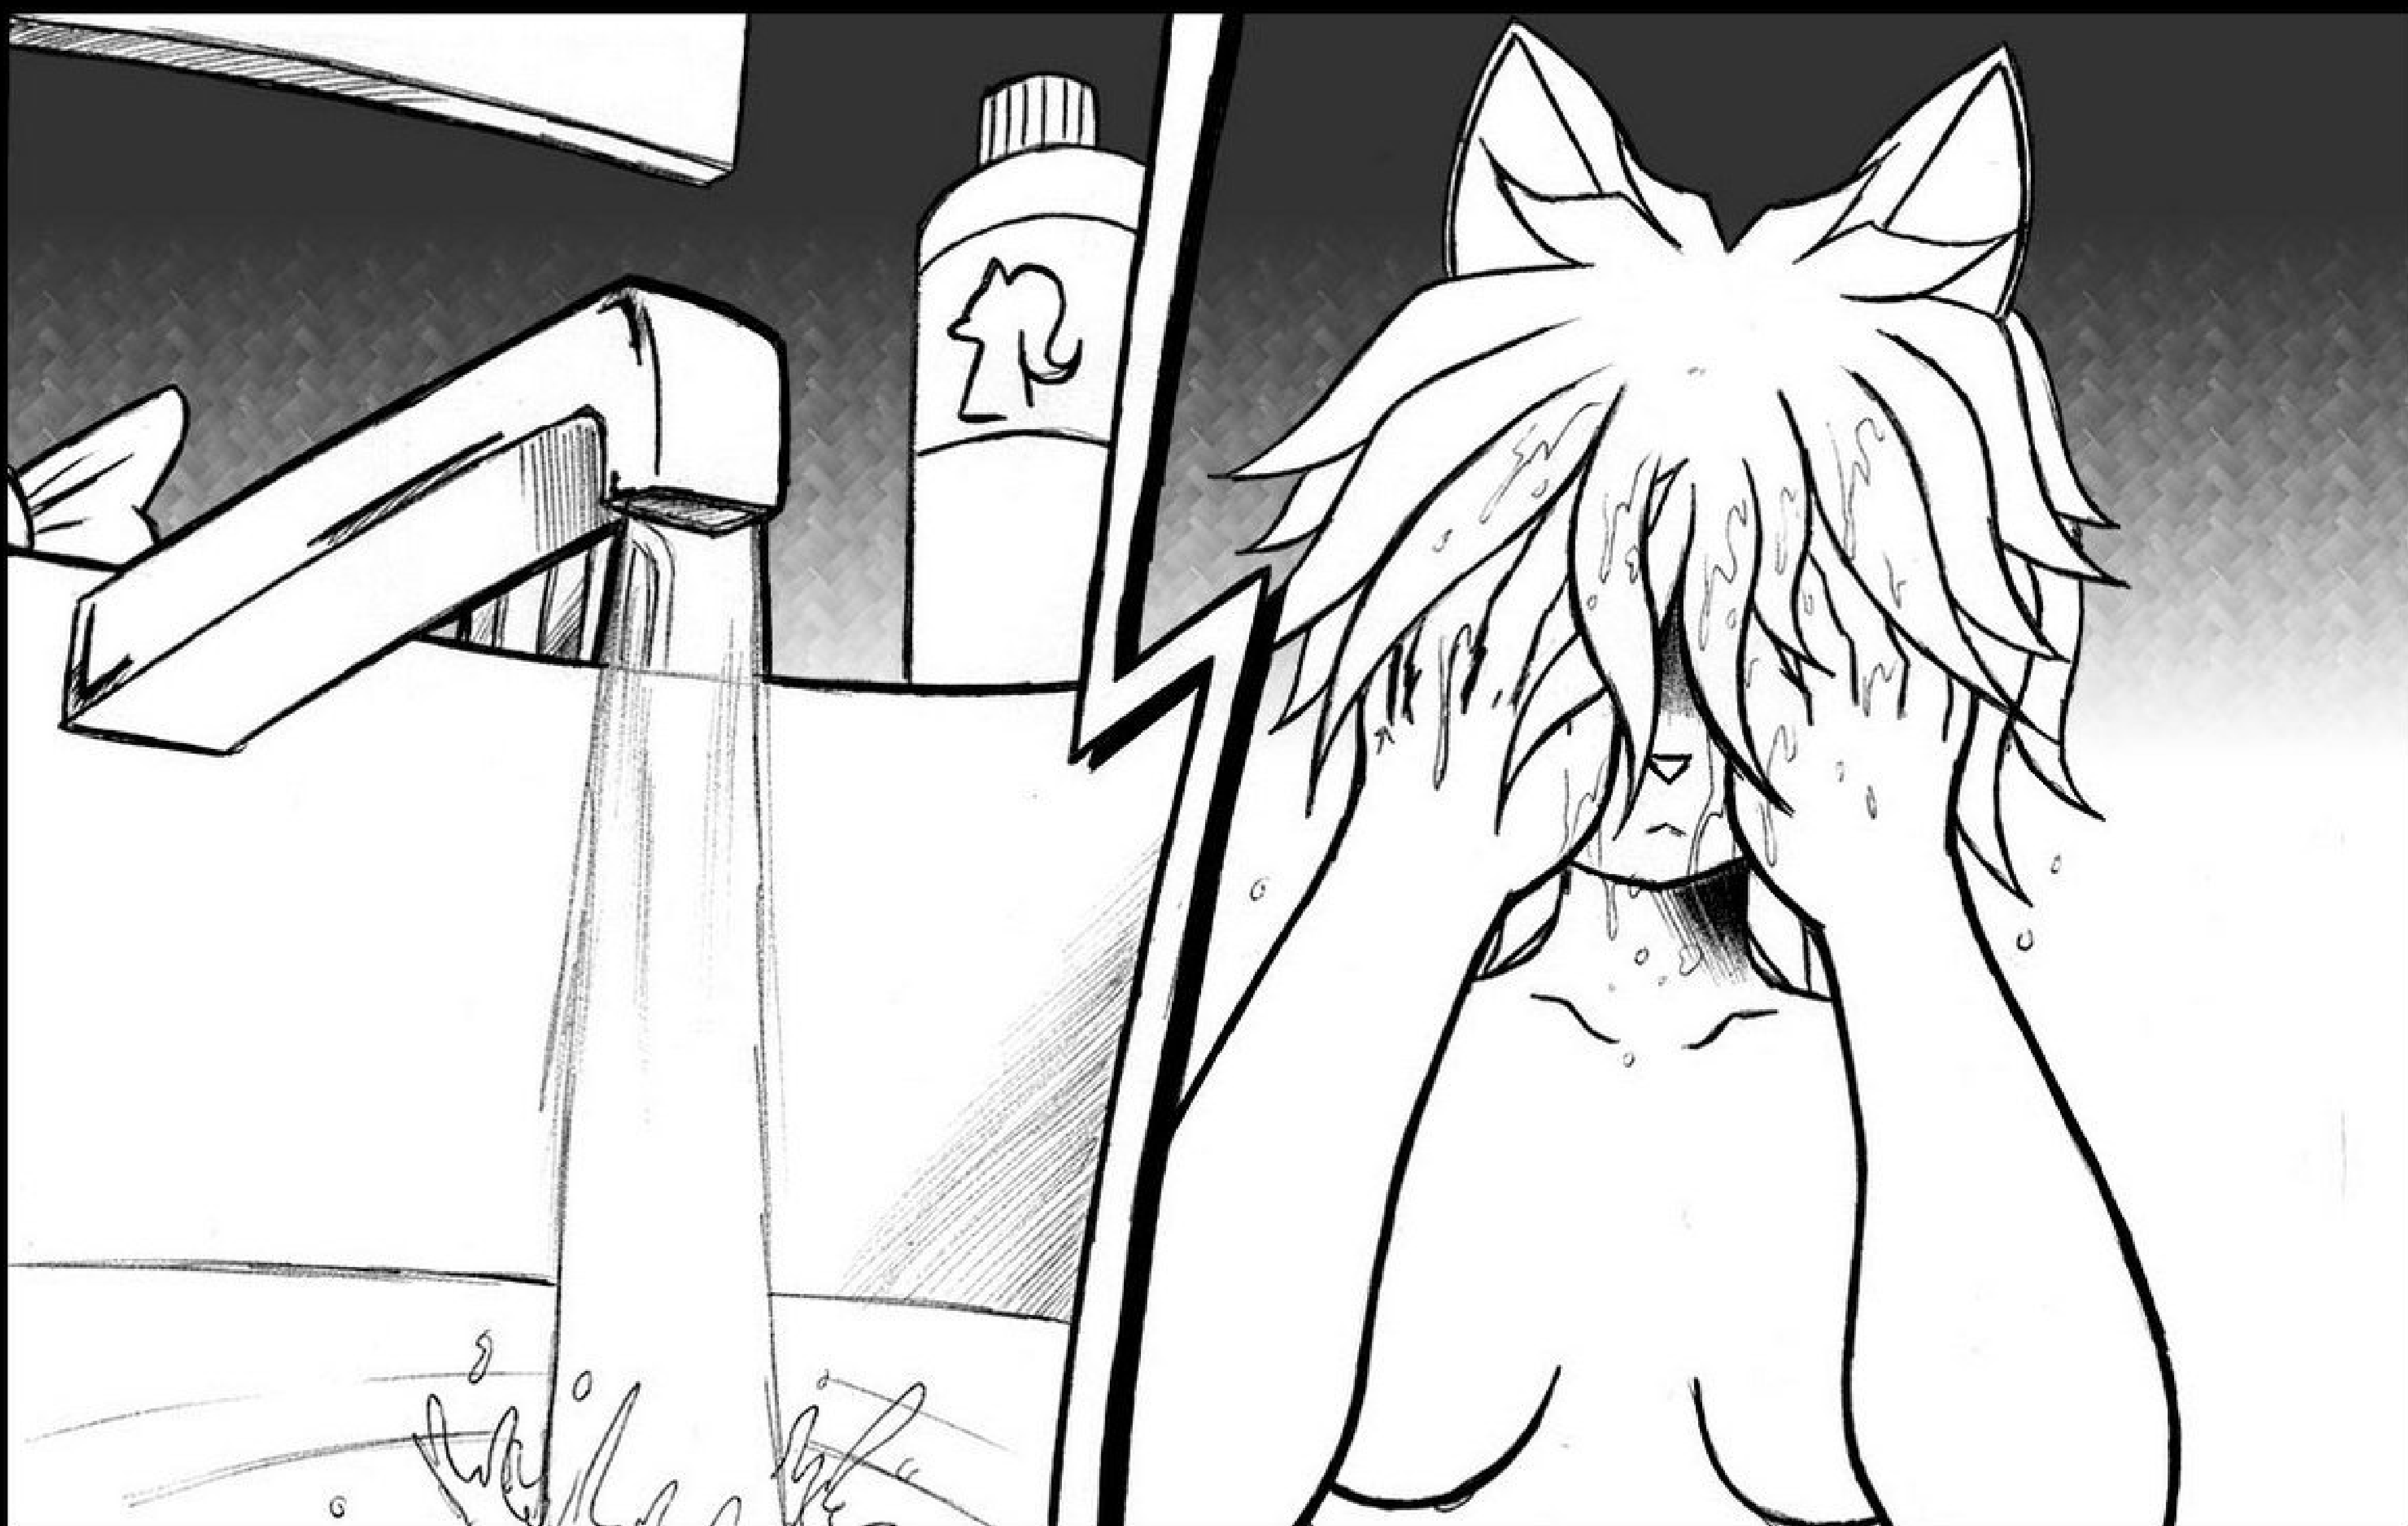

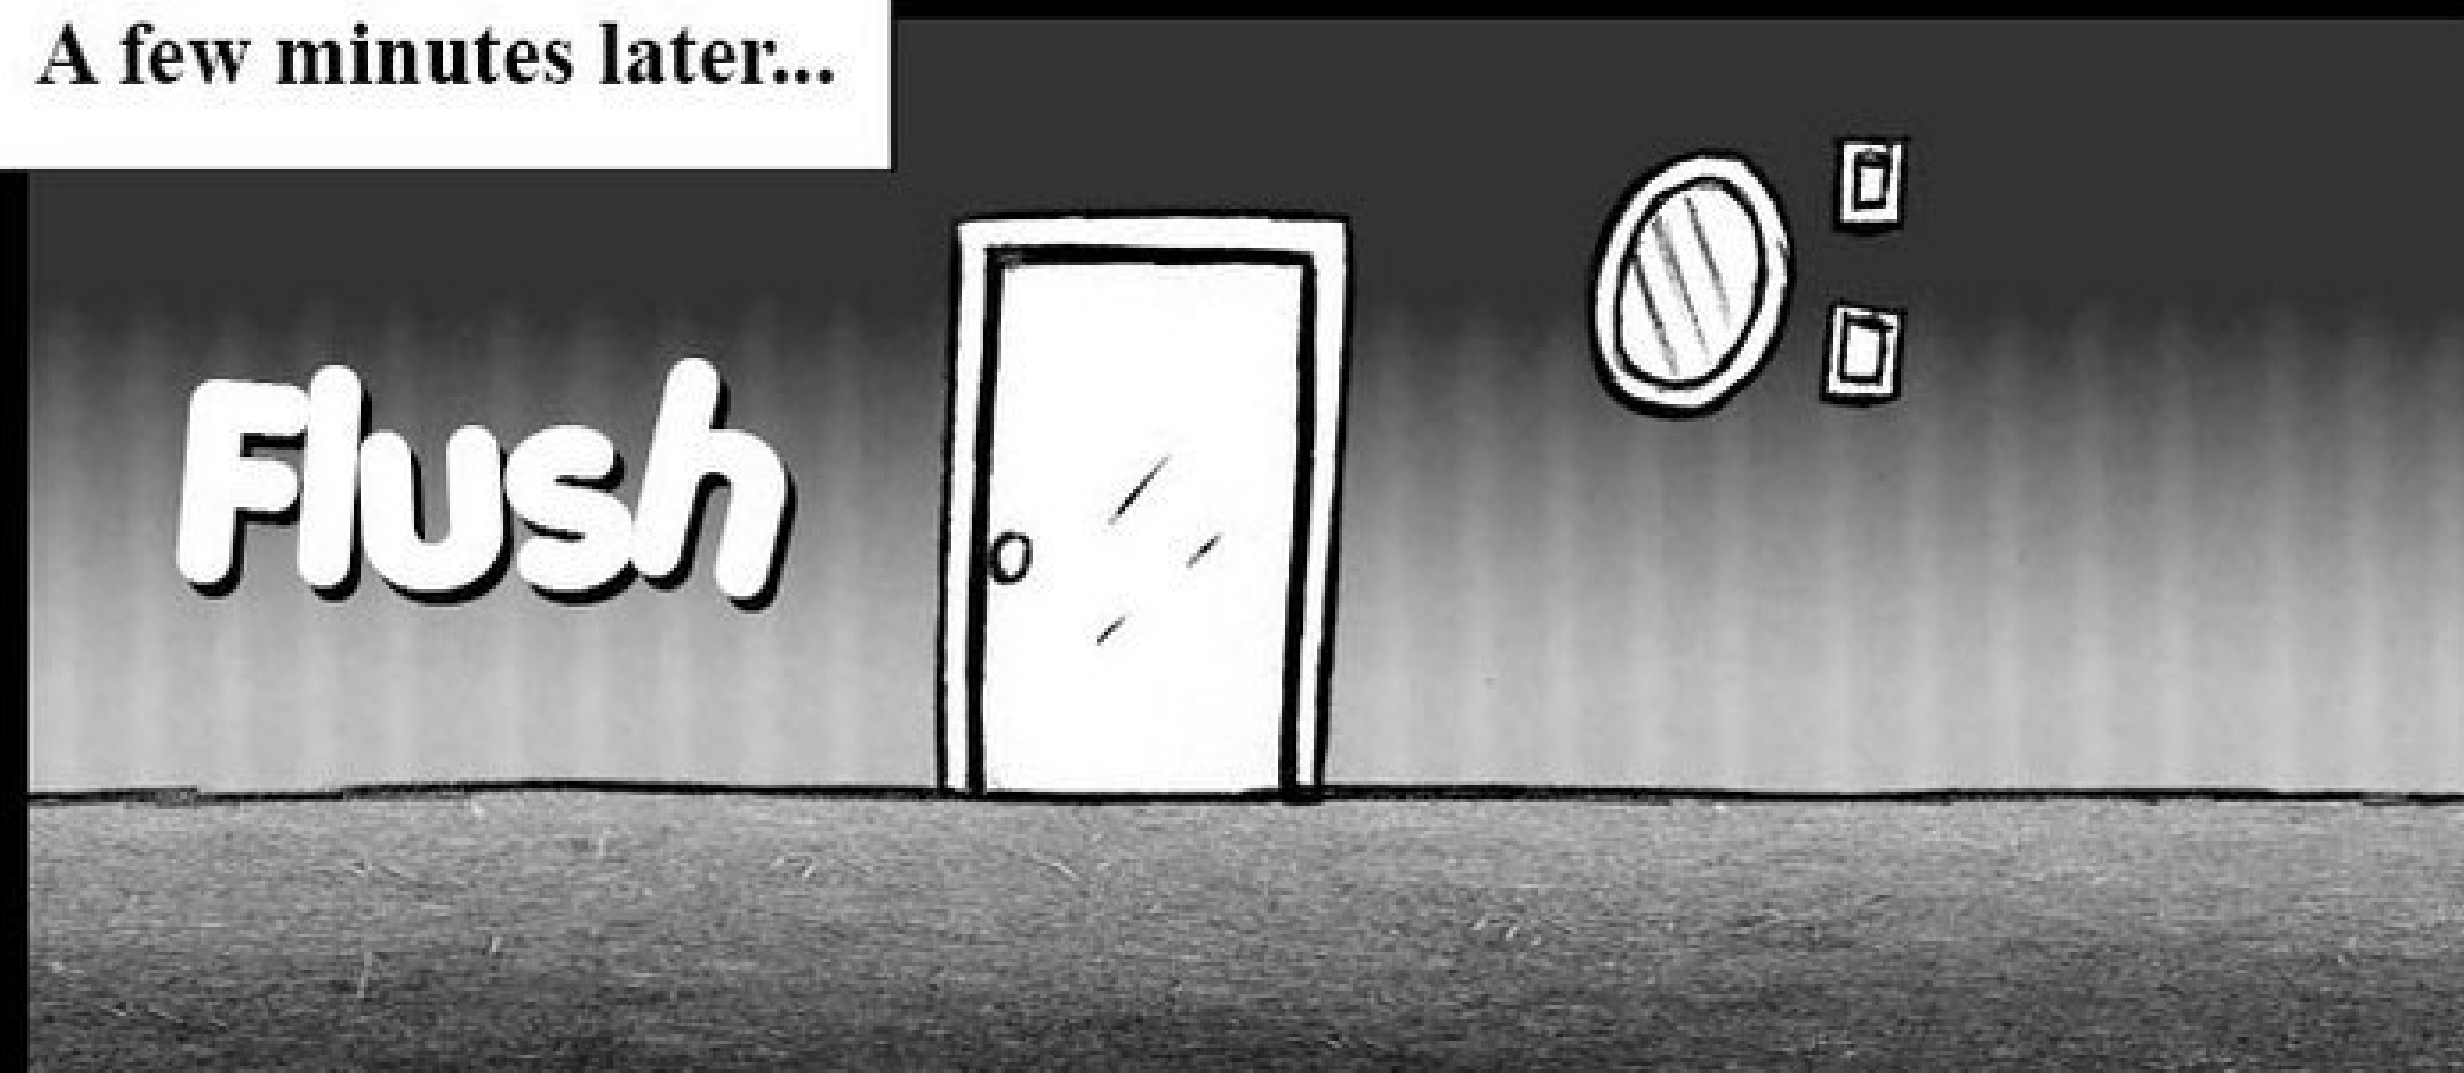

Stupid clock... forgot to turn the alarm off after using it to go to Skylar's on time... I guess it's okay... that was a weird dream anyway...

A few minutes later...

What the hell?! Th-This can't be right! My belly is bigger than the first time I had Skylar's cooking!

Oh no...

BA

DUM

Scale... I'll just
check the scale... It
couldn't be as bad
as I think...

BEEP
142 lbs

142?! Th-That
means... that
means I gained
almost 30 pounds
last night!

SHOCK

I'm still dreaming
right? This flabby gut
isn't real right?! Oh
no... Oh no no no no
no!

JIGGLE
JIGGLE

Mom: Marci? You alright in there?

Mom: I just got off the phone with Grandma, she's not feeling well so I'm going to go take care of her for a while.

Y-Yeah! I'm fine!
Just about to take a shower!

Mom: I might be gone for a few weeks, so I'm leaving you some money for food okay?

Oh okay, tell her I said "Get well soon"!

Mom: Will you be okay here on your own? I'd bring you, but I don't want you to get sick too...

Mom: Okay, I'll call when I get there. Have a good day and don't get into any trouble!

I'll be fine! Just you don't get sick as well!

Phew...

Least I'll have the house to myself now...

Mom: If something does happen, you can call your Father, but only if you absolutly need to. He is very busy in the city with the business he works in.

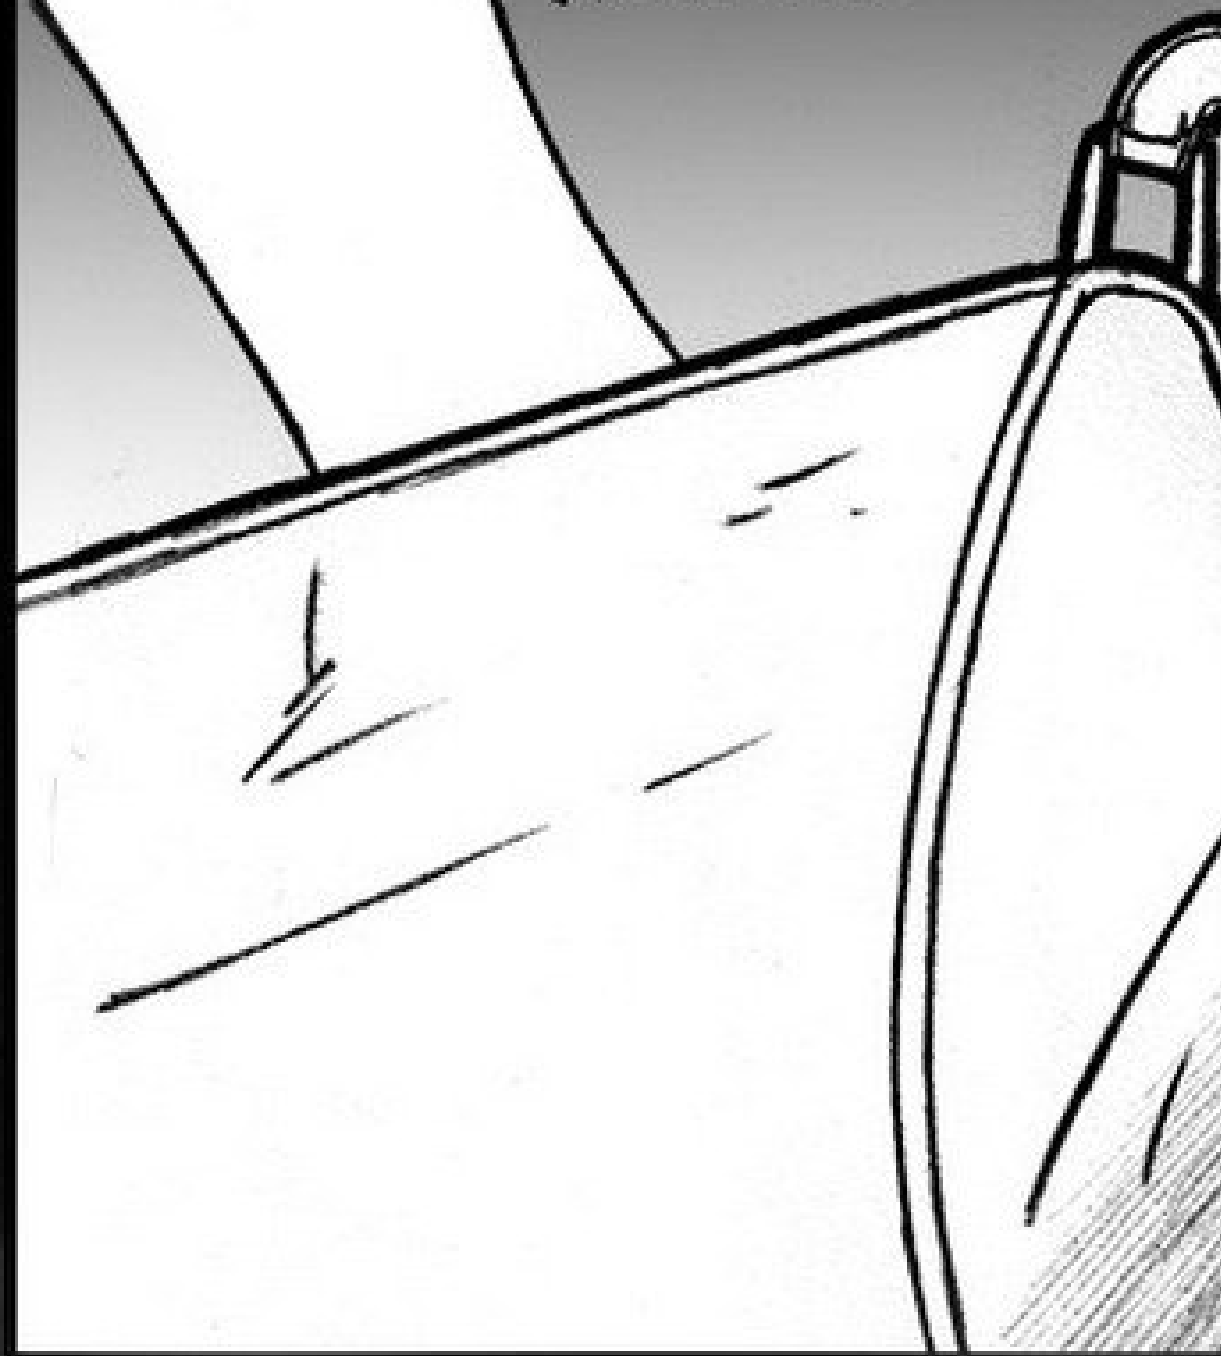

Mom! I'm not a kid anymore! I'll be fine!

I took a quick shower so that it'd
give Mom enough time to finally
leave...

RUSTLE
RUSTLE

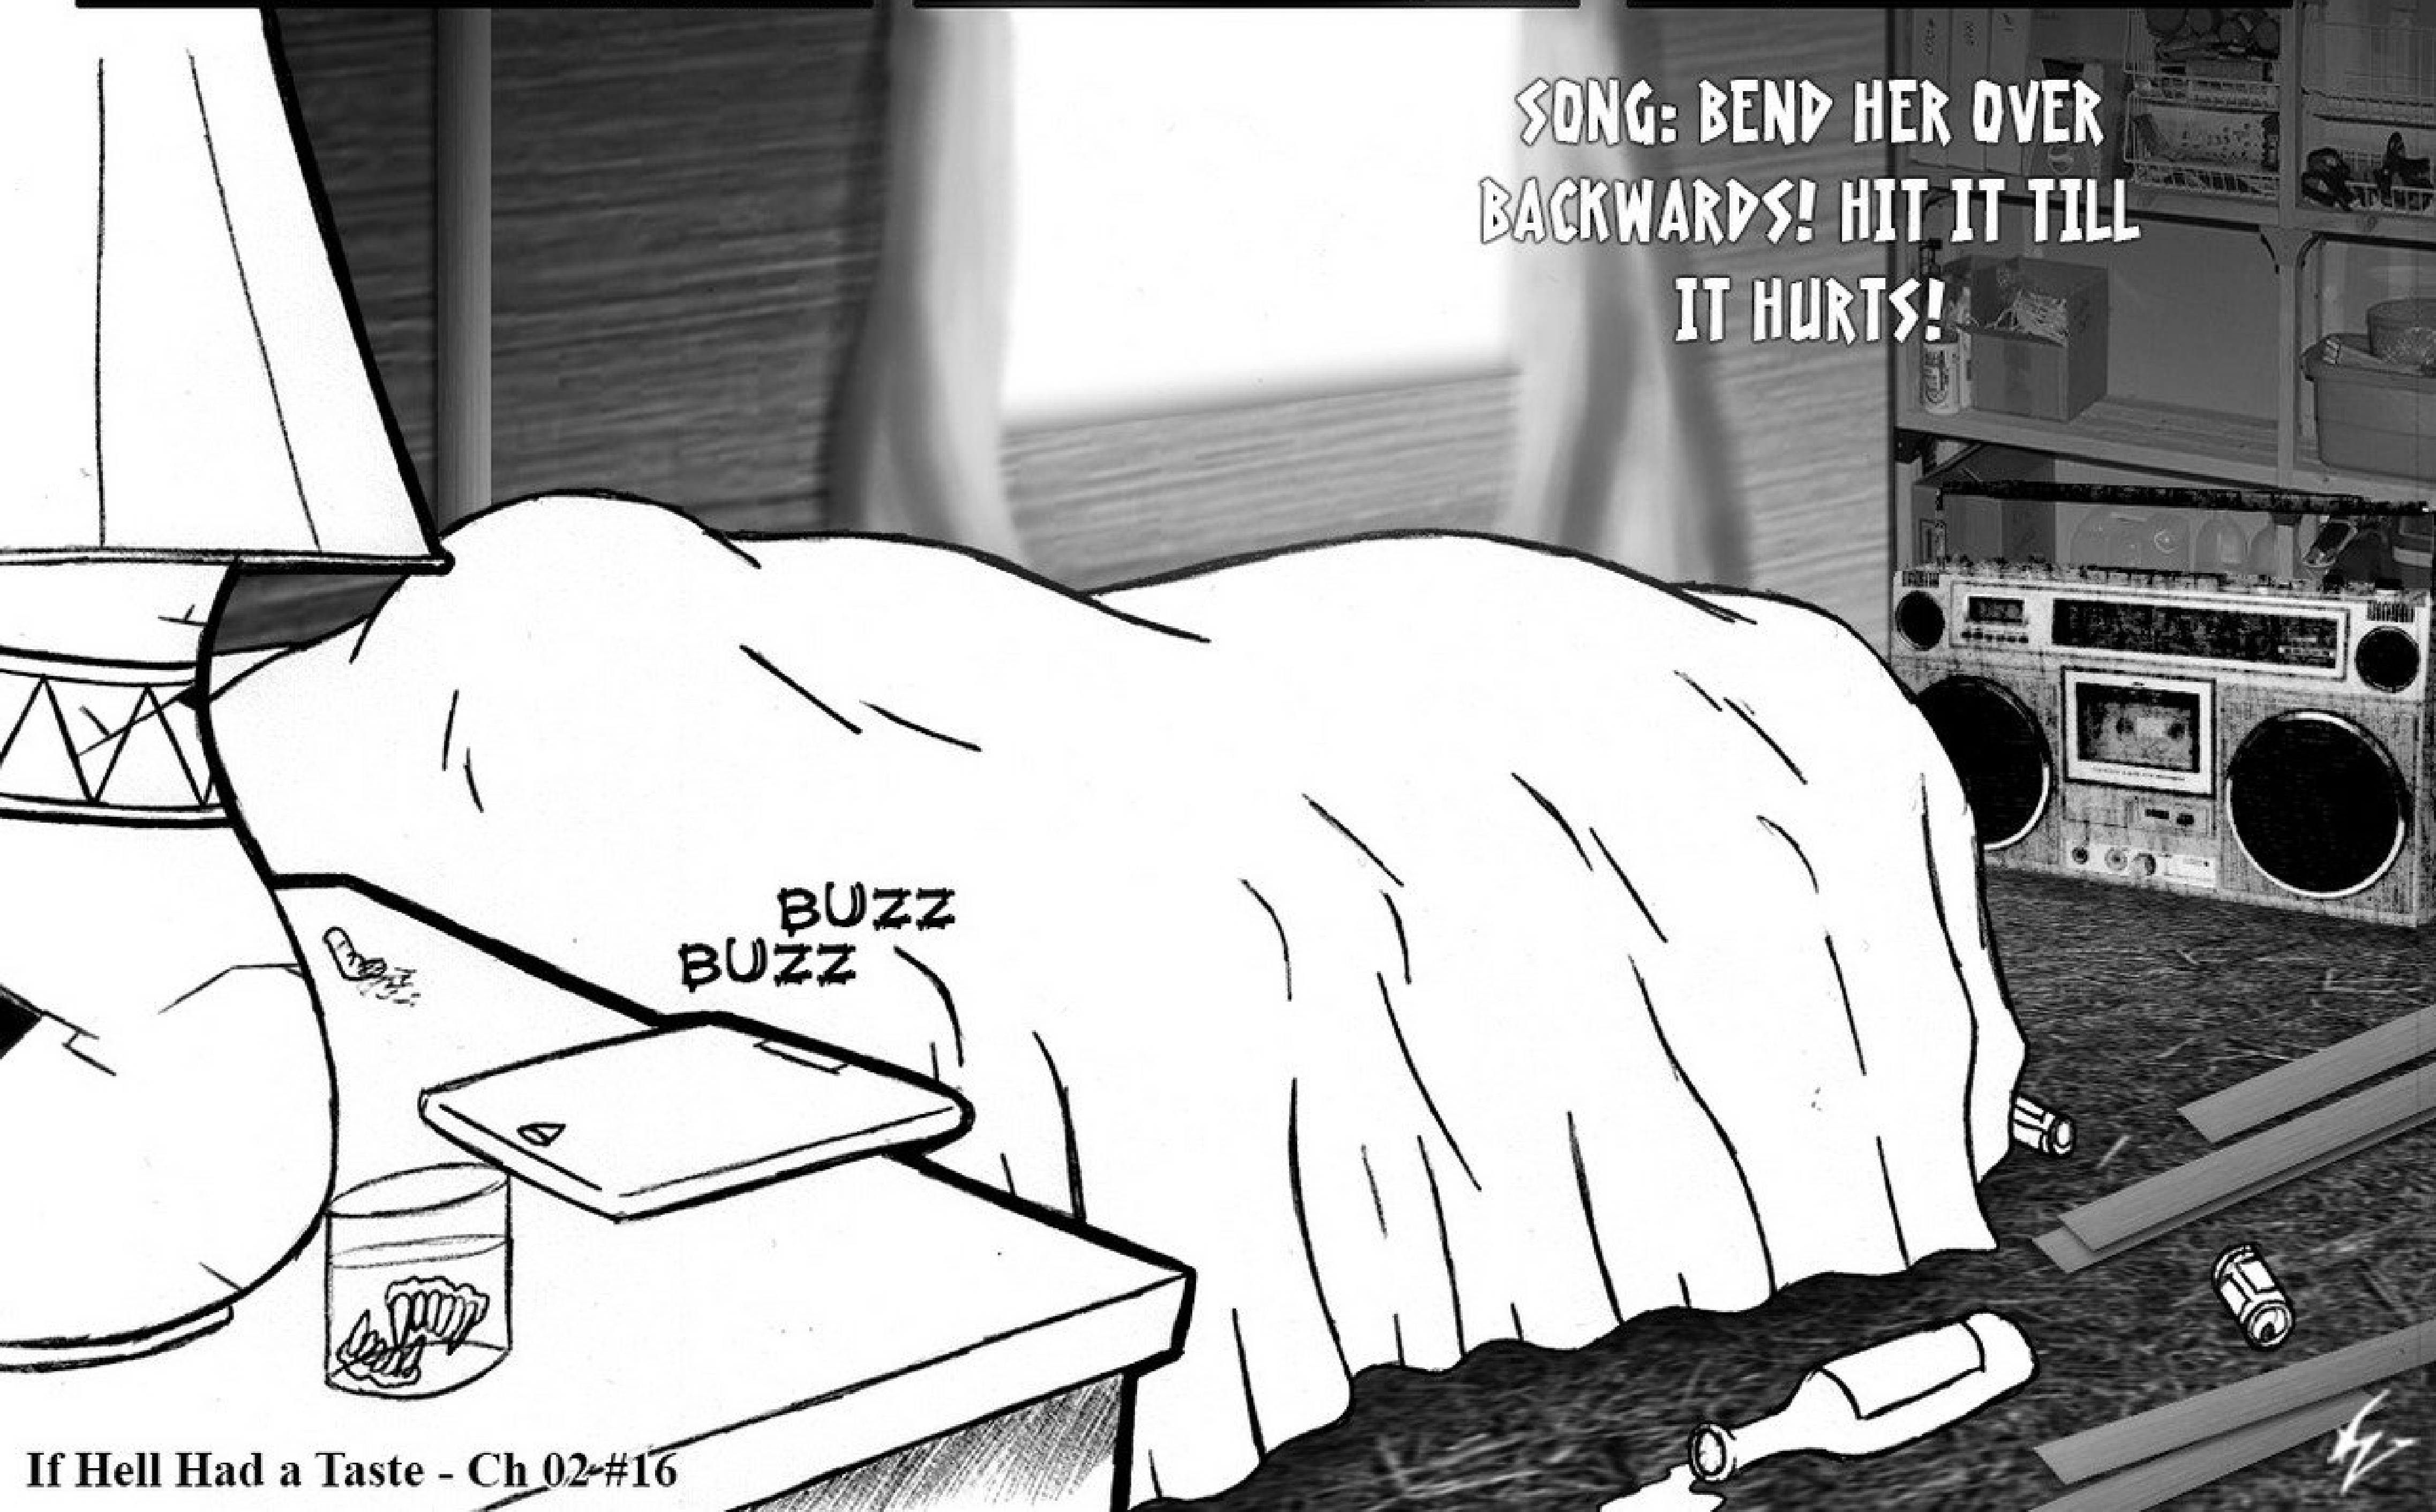

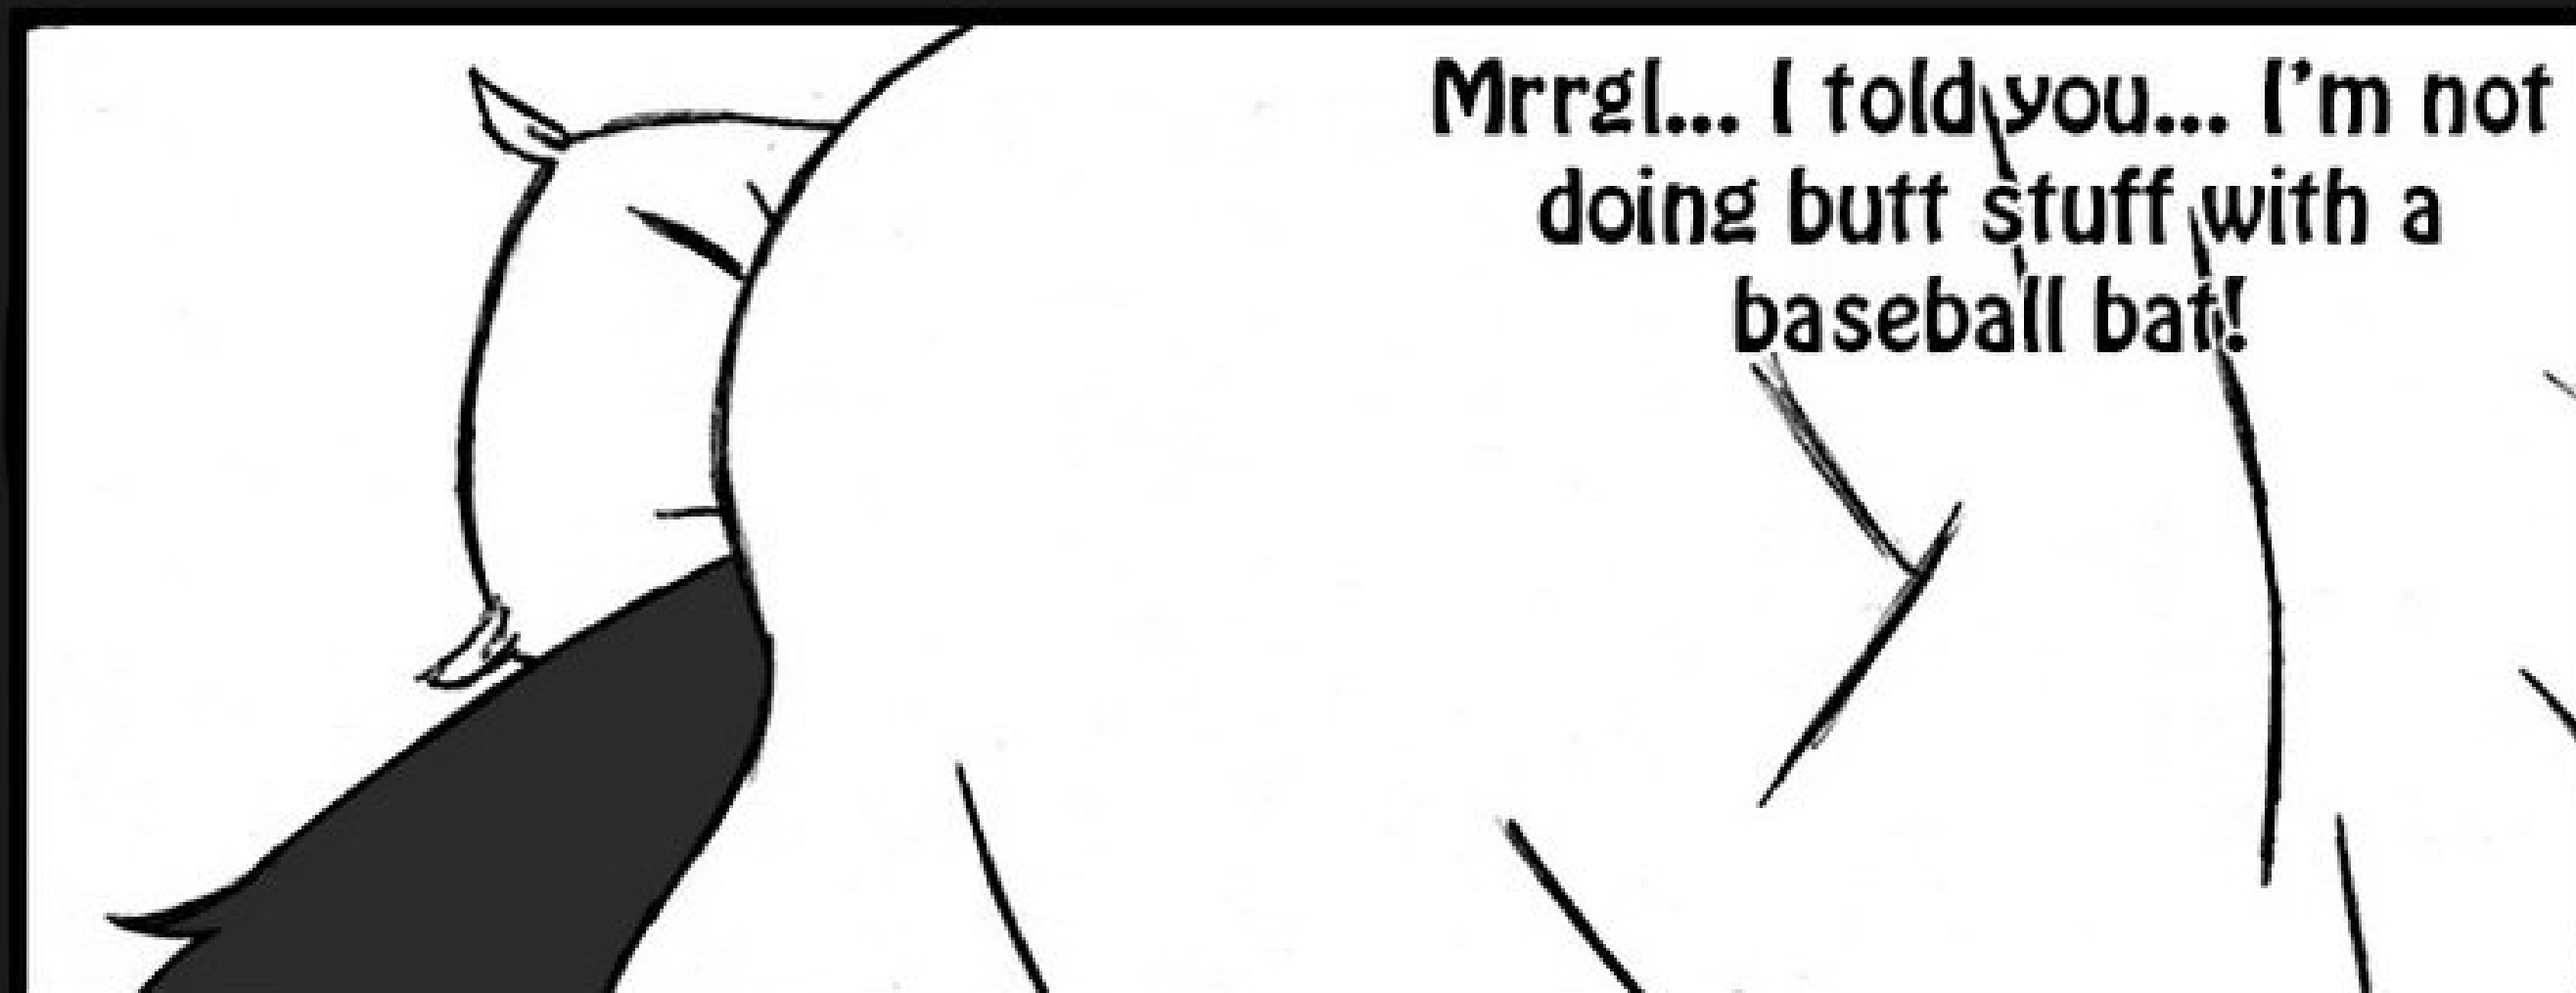

Hope she's awake...

SONG: BEND HER OVER
BACKWARDS! HIT IT TILL
IT HURTS!

BUZZ
BUZZ

Mrrgl... I told you... I'm not
doing butt stuff with a
baseball bat!

Oh hey Marci,
what's up?

Hold the fuck
up!

You went over
to Skylar's!

BA

DUM

Decided to call my friend Blake. She.. gets around... Gets in trouble a lot at school, bit of a sociopath, smokes, drinks, you name it. I think she tried to burn down her house once when she was little which is why she has scars on her body. Either that or she likes to cut herself...

Long story on how I became friends with her. She is usually at school skipping classes and... well... having sex with guys behind classrooms... I like talking to her about stuff cause she often puts things into perspective and is pretty blunt.

It's a long story, think you can
come over? I have the place to
myself!

Fuck yeah! Just let me have my
morning cig first and I'll be over
in a bit!

Okay good, Blake's
coming over...

Now to do something about
this belly...

Hope I have a big
enough shirt...

RUB

First, underwear!
Kinda tore my last
pair yesterday heh...

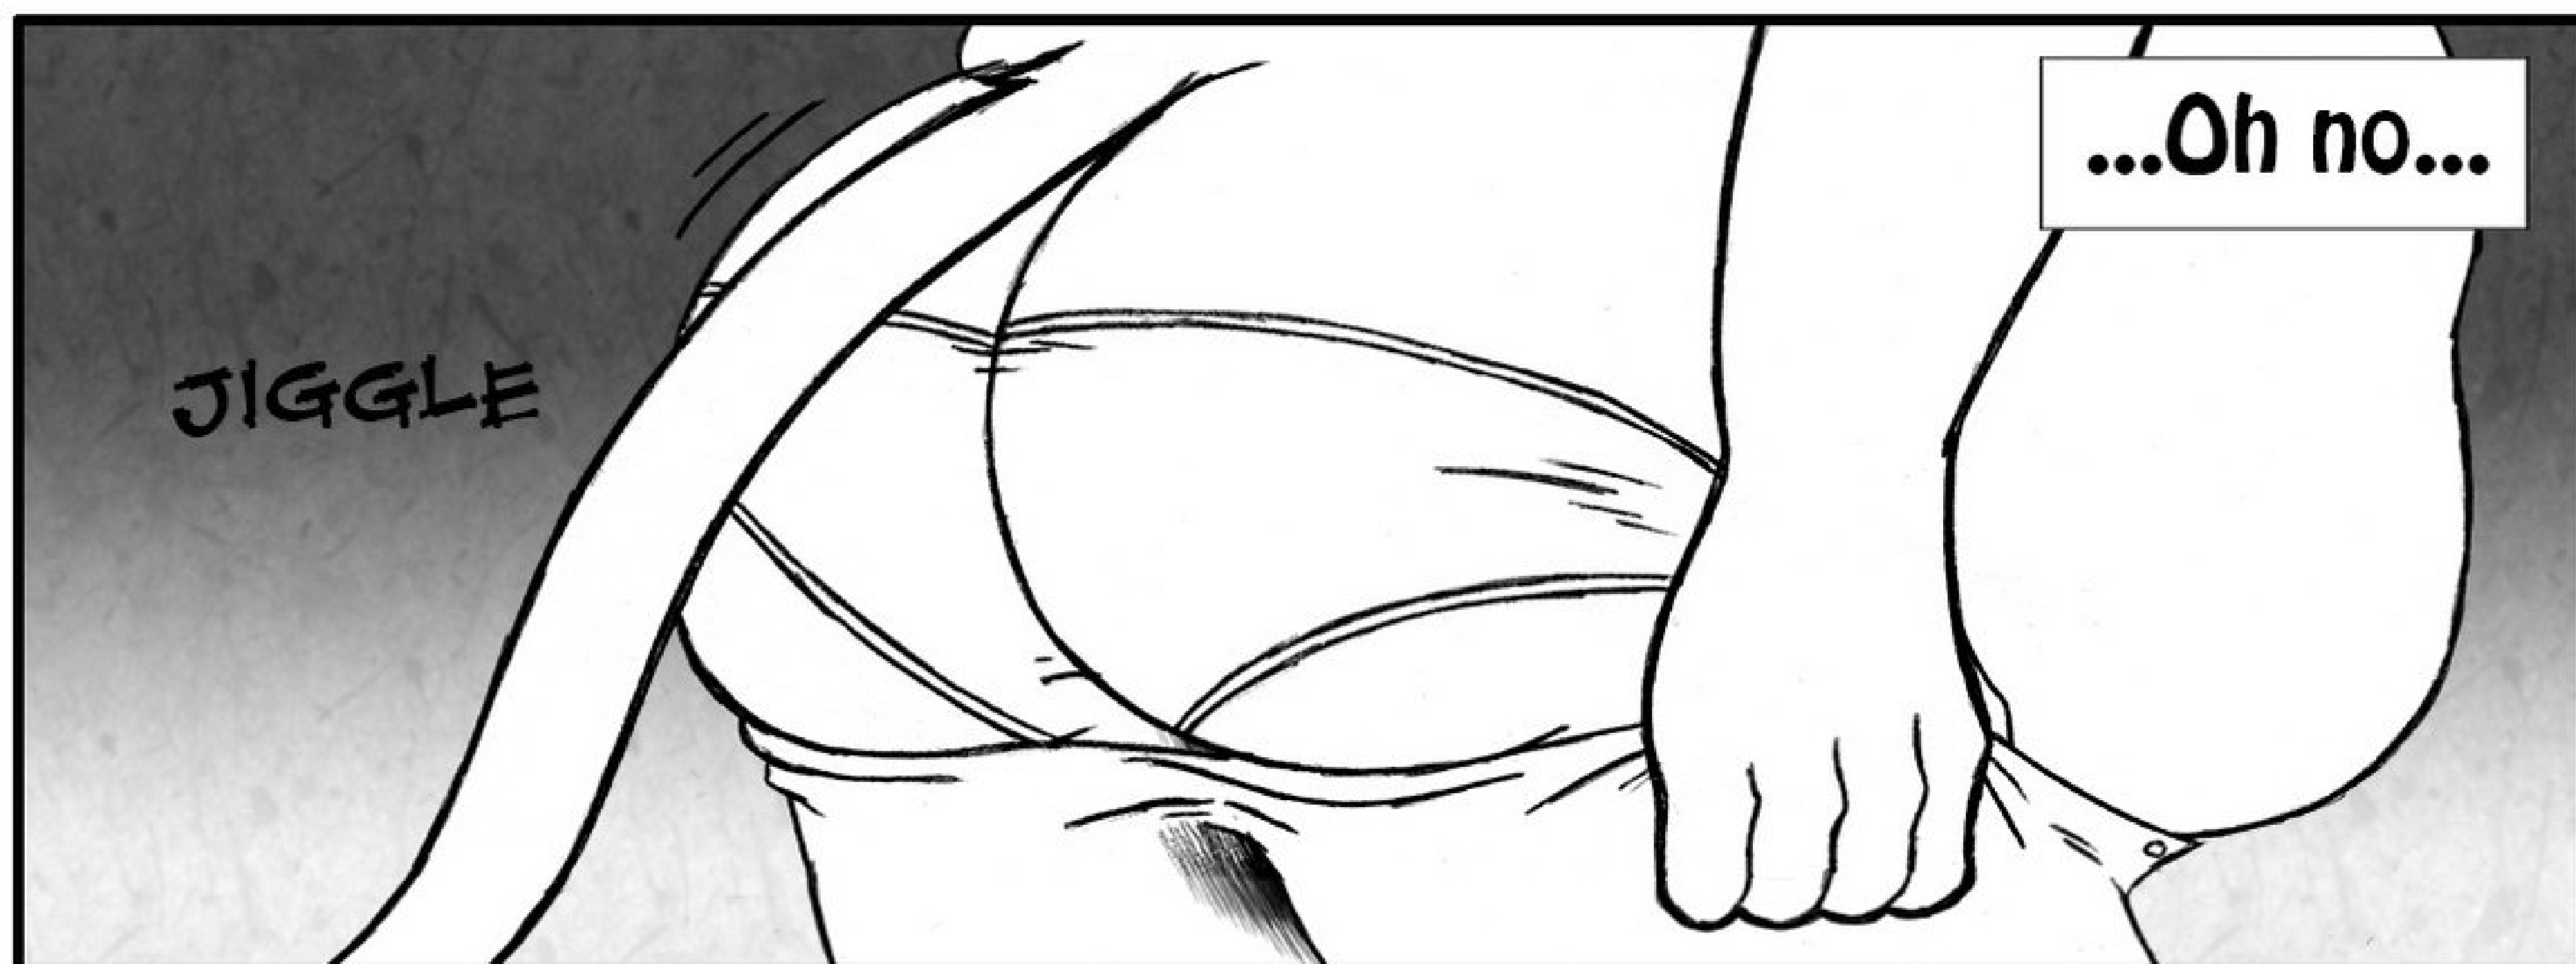

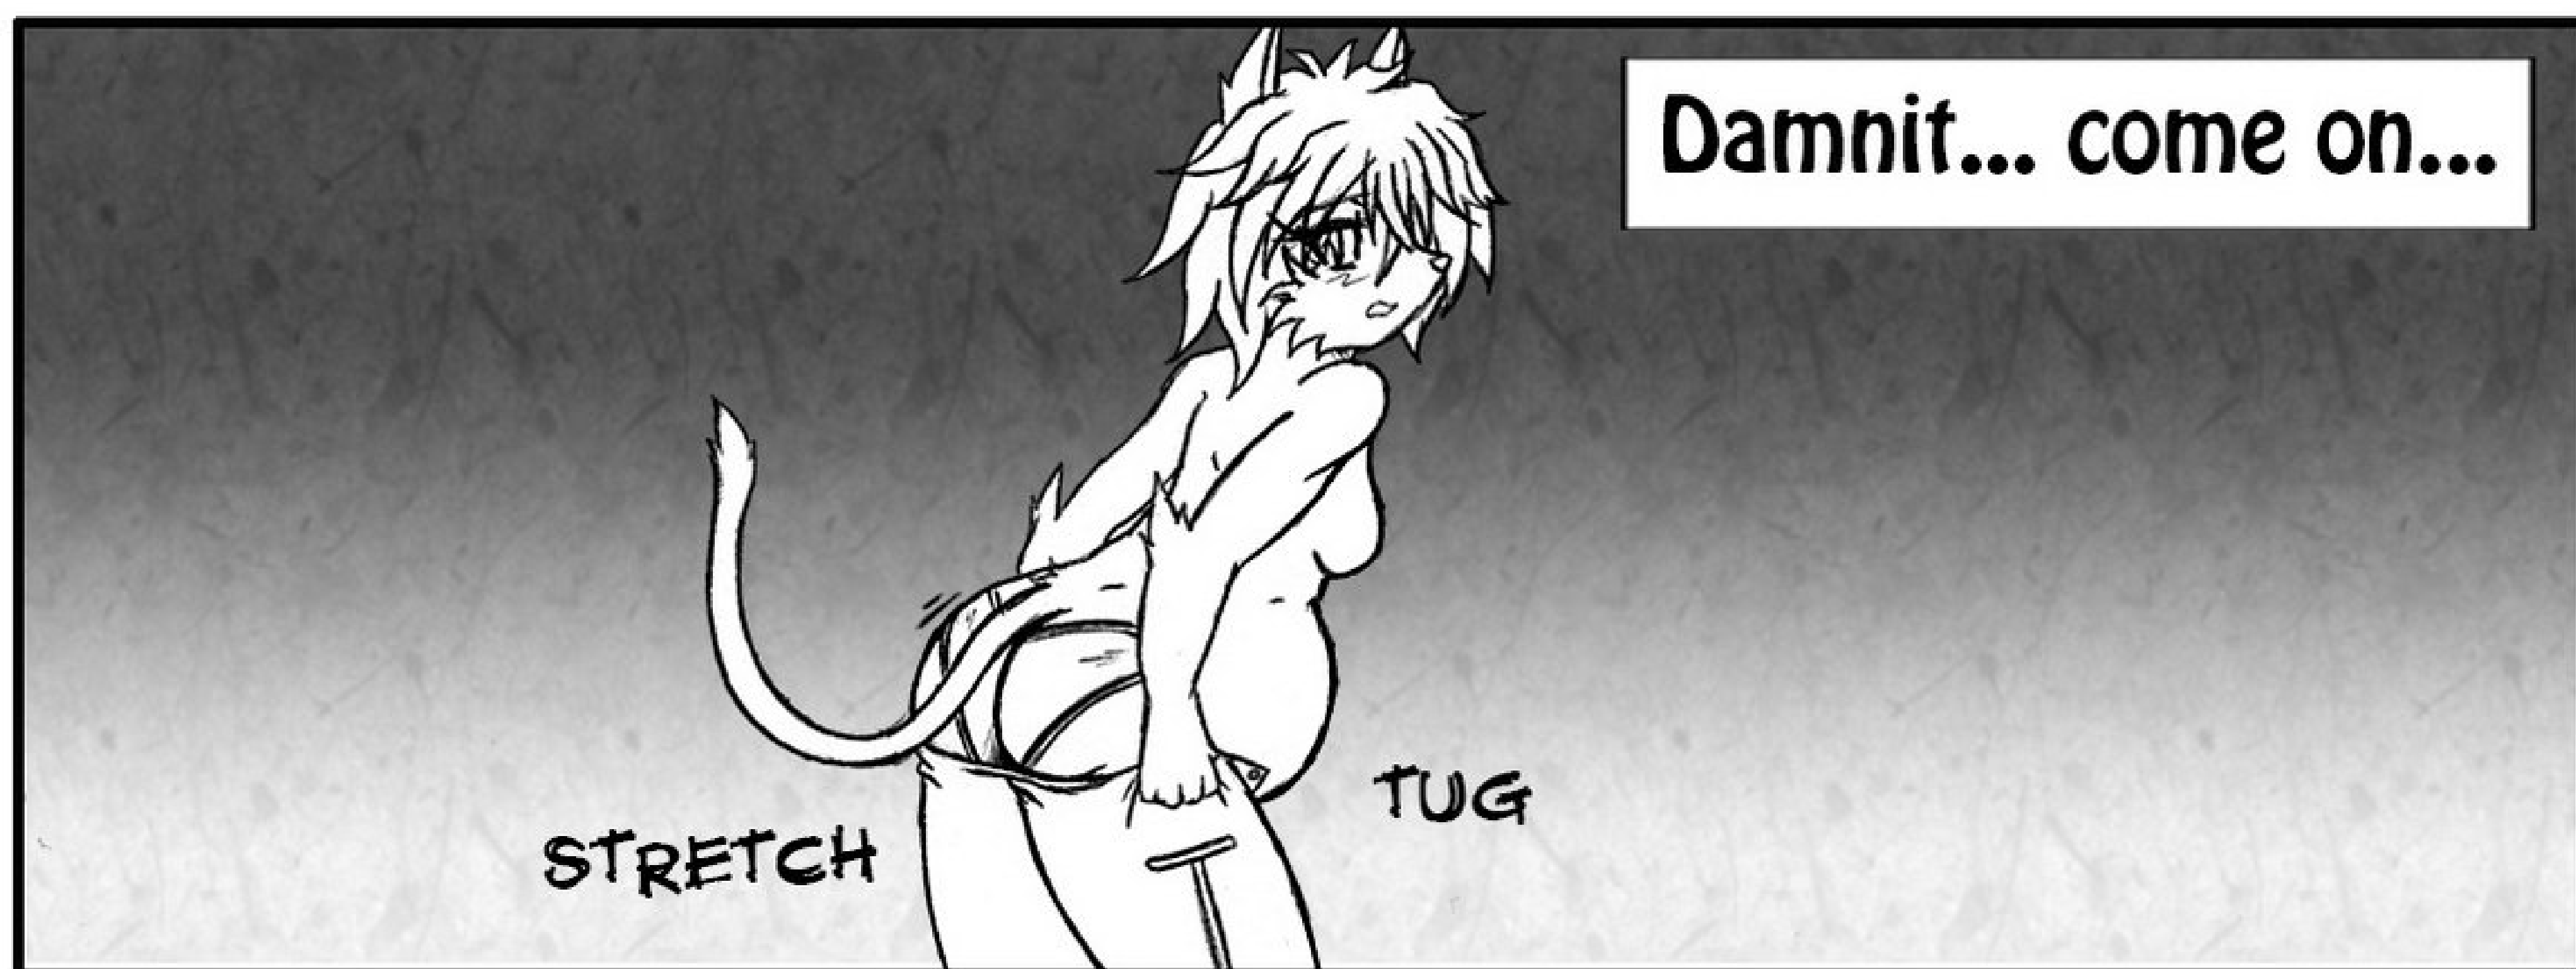

Panties feel a
little tight...

Sweet, still have a
clean pair of jeans!

I'll fix up my hair and see if I
have a large shirt to wear
before Blake gets here.
There might be one in - -

Oh no no no no no! Did my thighs and butt get bigger too?! I couldn't have put on weight just like that!

DD

QM

I did eat a lot of
buns...

hiccup

BURRRP!

And I ate the left-
overs before that...

GRGL

Oh god, did I really
look like a fatass in
front of Skylar?!

Why...? Why did I do that? Why did I eat so much?! ...Why couldn't I just be born with a sexy curvy cheerleader figure? But no, I had to stuff my face!

**Skylar isn't gonna fall for a fat,
pudgy, disgusting, ugly girl like me!**

DREAD

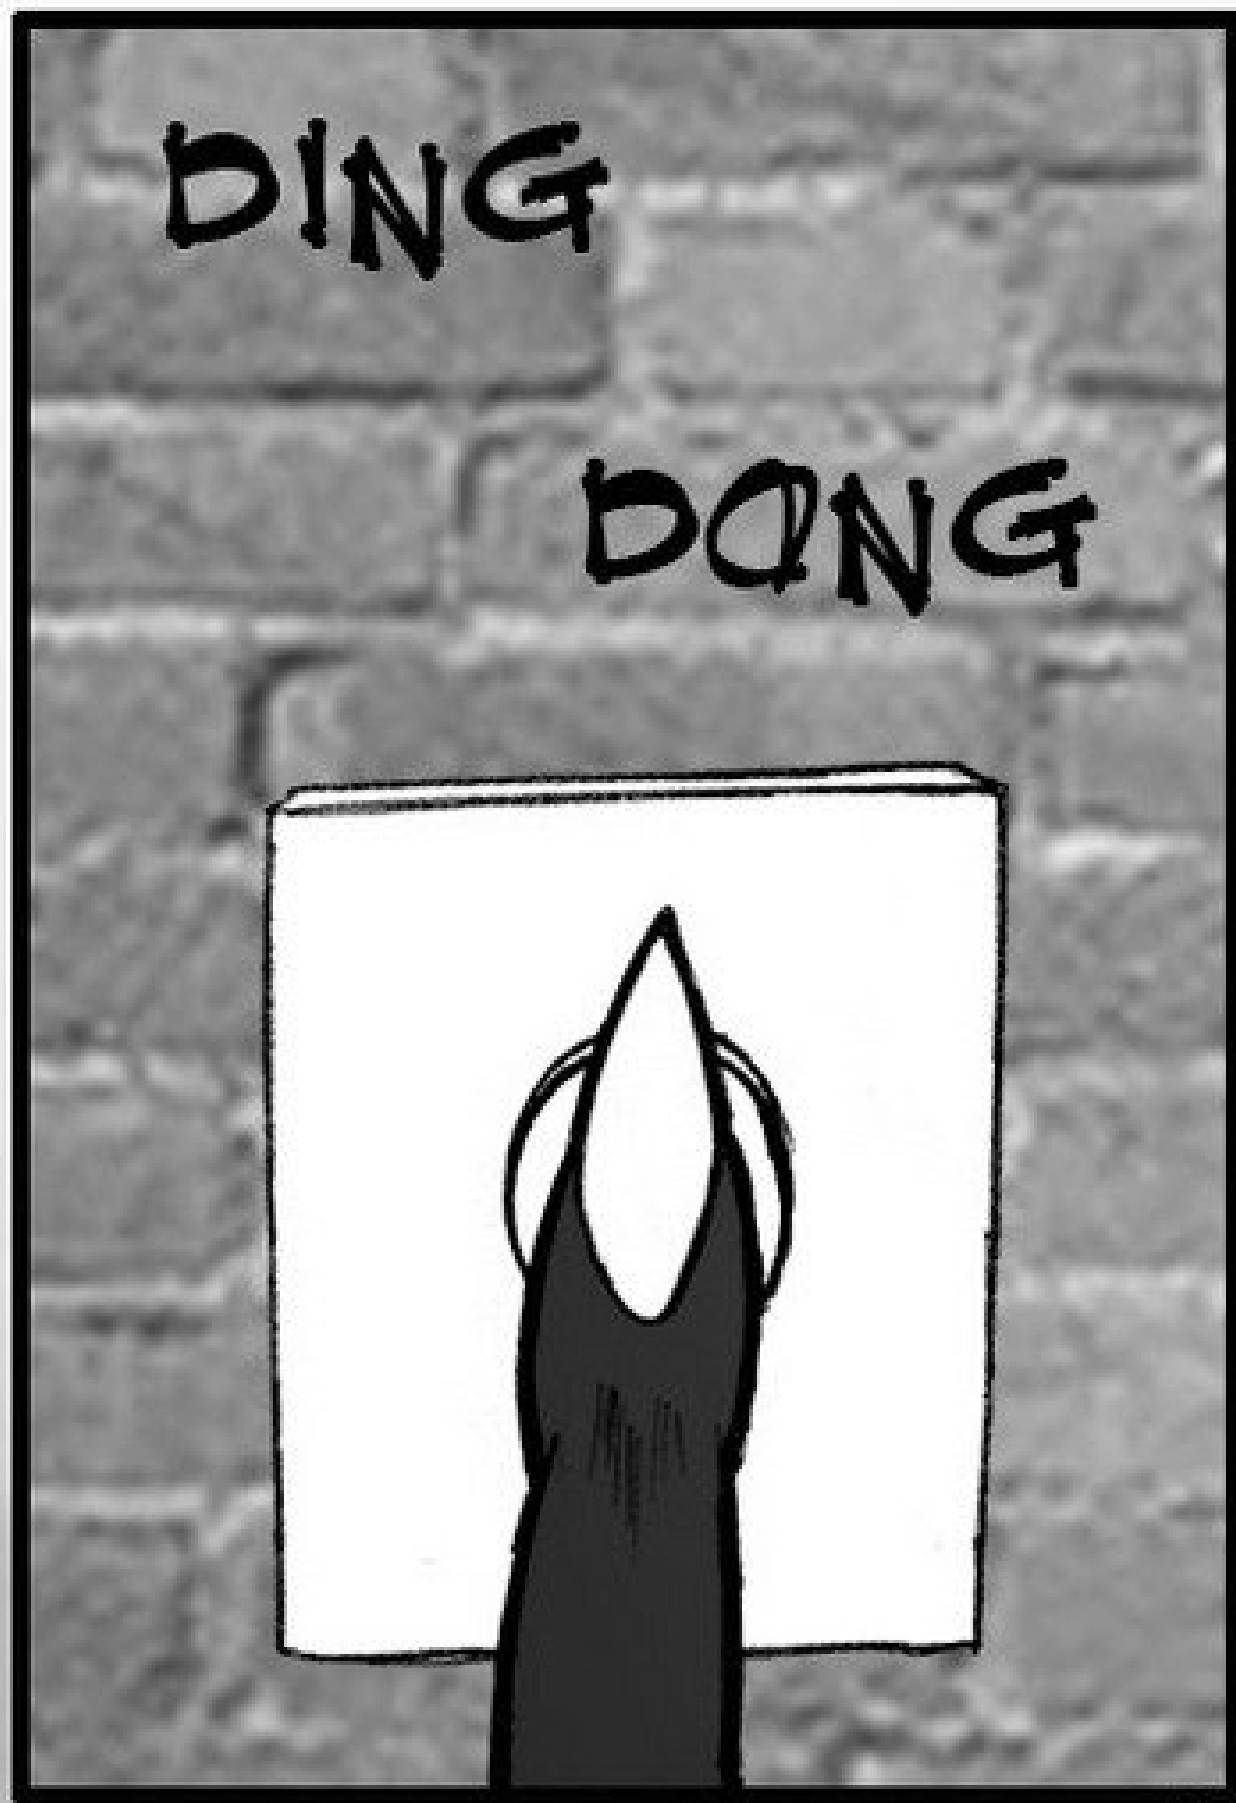

I have to go to a party by next weekend, I can't lose this in time!

SQB

CRY

Yo Marci, open up! I
brought drinks!

Hey girl! What's
with the water
works?

Hey Blake... Come on in...

I'll tell you about it
in my room...

Hm?

JIGGLE

SWISH

Mmm...

Heeey! What's with the
jiggly butt? Plumpin up for
me?

WHAT?! It
jiggles too?!

BIG BOYS

A half hour passed, I told Blake about yesterday. I told her how things went and my... binging...

I think you're overreacting... So you put on a little weight, what's the big deal?

How do you know Skylar isn't into fat chicks?

A “little” weight?! Look at this
gut! There’s no way Skylar’s
into something so... so...
pudgy...

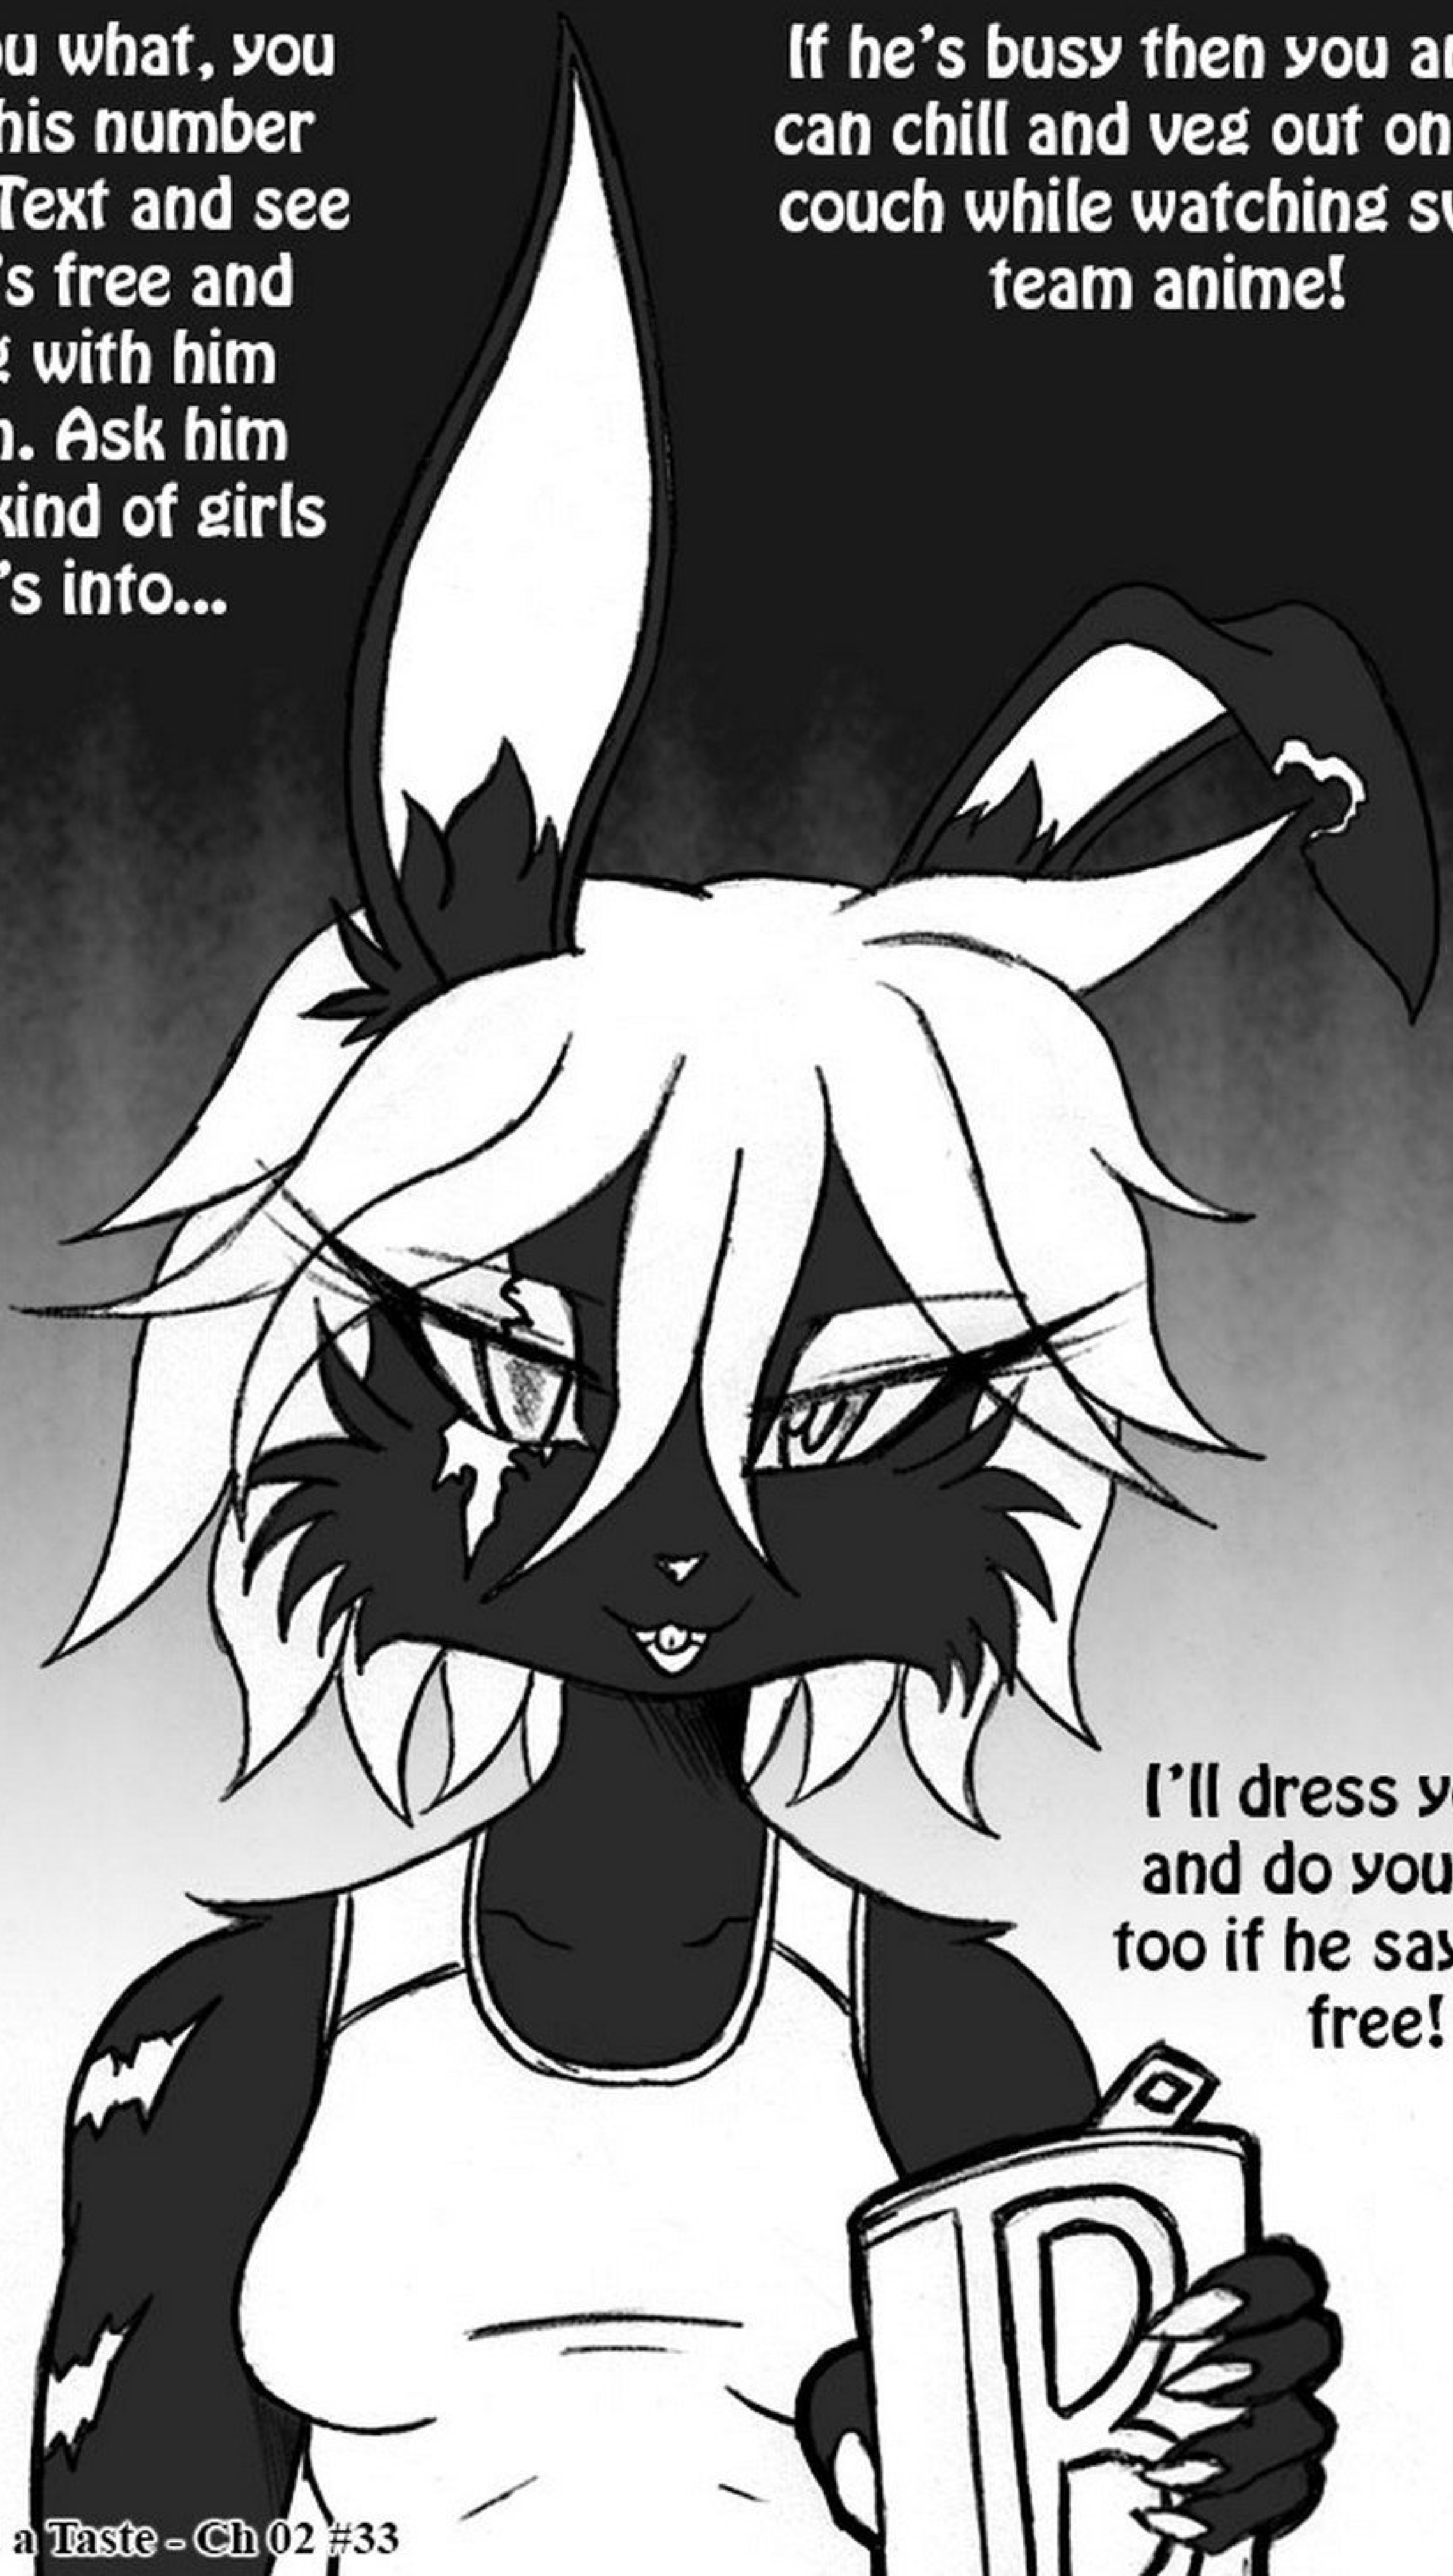

JIG

GLE

If it's any
consolation,
I'd hit that...

Tell you what, you have his number right? Text and see if he's free and hang with him again. Ask him what kind of girls he's into...

If he's busy then you and I can chill and veg out on the couch while watching swim team anime!

I'll dress you up and do your hair too if he says he's free!

...I guess I can do
that... I'd be okay
hanging with him
again...

Could maybe
watch another
movie...

SNORE

Grrr...

YAWN

Hmm?

Hmph... cute...

A message from
Marci?

Can tell she's nervous
about talking to me...
maybe she has a crush
on me or something...

Of course I remember lol. What's up?

Oh! Umm... I was wondering... if you're not busy... Maybe we could... hang out again? Could watch another movie. If you want to I mean... >.>

Sure, I'm gonna work out for a bit but I'll be free this afternoon if that's ok.

Of course! Have fun and I'll be there around 2pm!

See you soon ;)

...He put a smiley
face...

Oh my god! He put
a smiley face! Eee!

Bet that got you
wet huh?

CREEK

Now then! Let's
get you looking
"Available"!

Okay...? But I don't
think you'll find
much in my
clothes...

Blake: No... No... Ugh! These suck so much ass! I've got to take you shopping some time!

Marci: Hey these are good clothes! When I'm thin again I'm totally gonna wear them! Plus you bought me the last one...

Blake: Ta-dah! Here you go! It's casual, not too frilly and not over the top!

**Umm... you sure?
It kinda looks
small...**

**What if people
see me while I'm
on my way to
Skylar's?**

Oh hush, it's cute! Plus
you want to see if
Skylar likes chubby
girls right?

SHAKE

SHAKE

Now let's get your hair
done! Maybe something
sexy!

Now, just a warning, I've never cut
someone else's hair before...

I kinda messed up halfway through
on one side so I had to use some
hair extensions

Cause ya know... blind in my right
eye...

So... be gentle
with me okay...?

Marci: **Why** are you
talking like that?!

**Wow... This looks
great!**

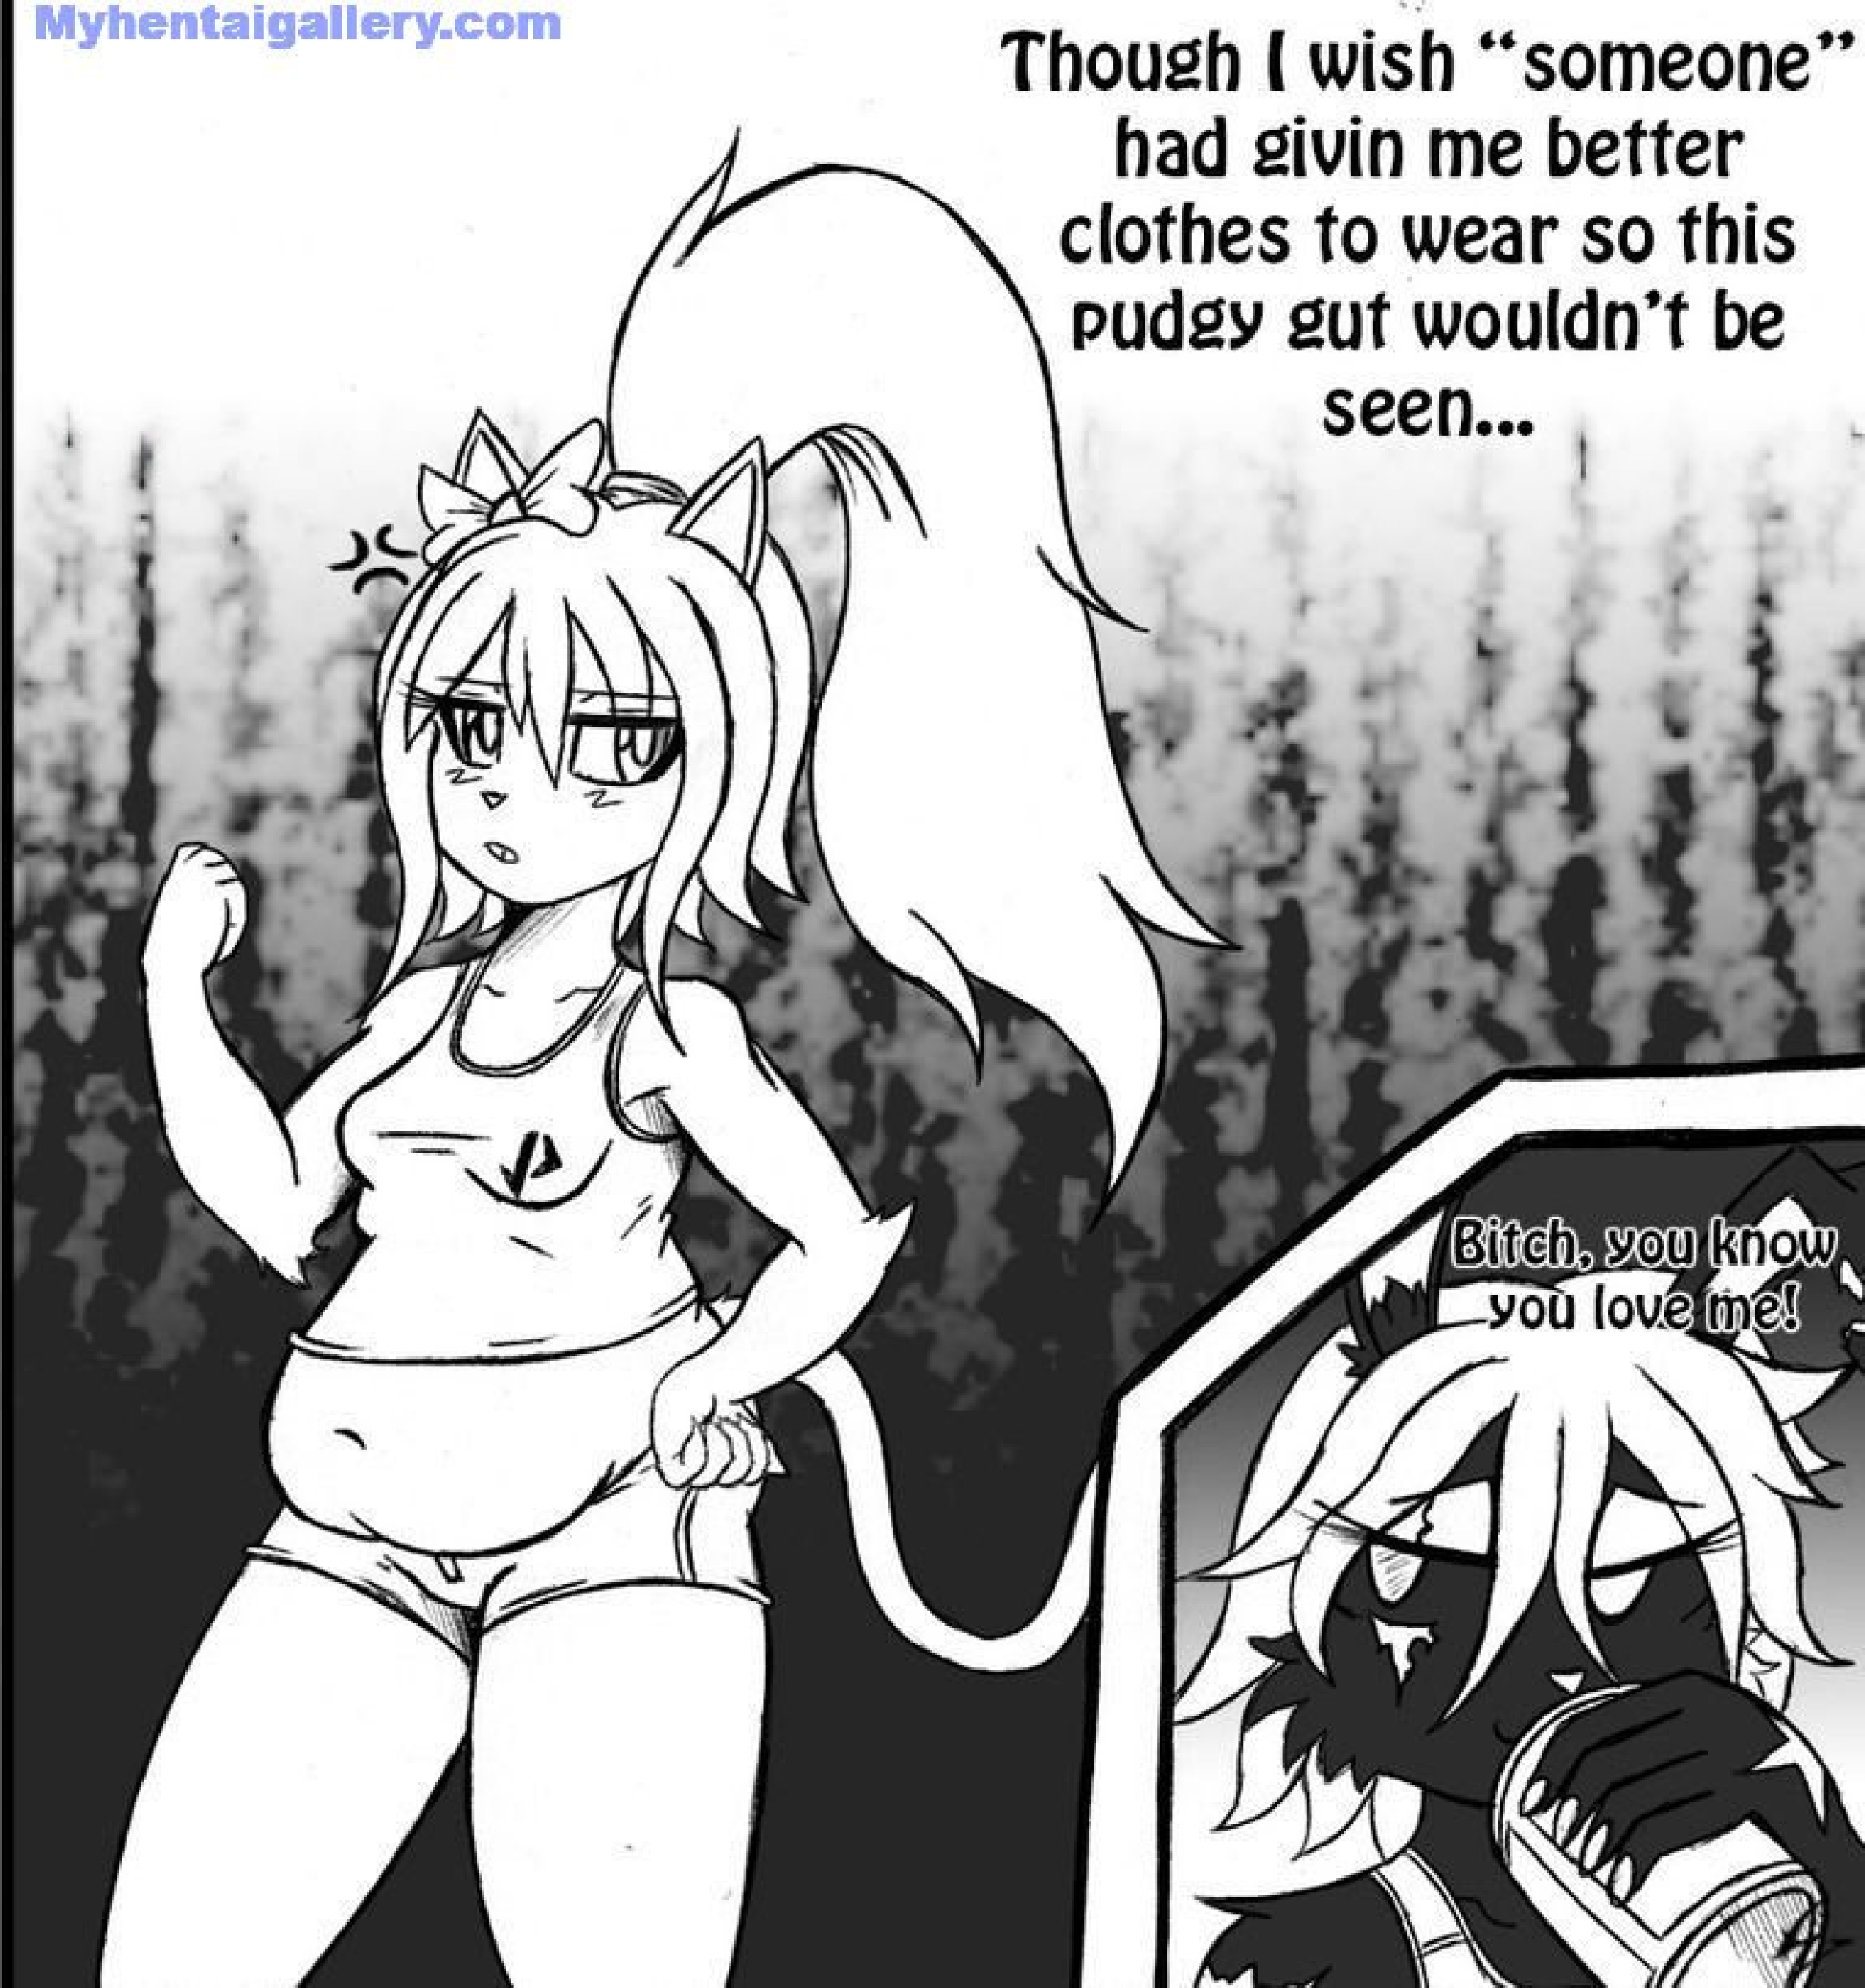

**I like what
you did
here Blake!**

Now I
should have
a way
better
chance to
impress
Skylar!

Though I wish “someone”
had givin me better
clothes to wear so this
pudgy gut wouldn’t be
seen...

Bitch, you know
you love me!

I'll be gone for a few
hours... Don't burn
anything okay?

Don't worry, I'll be
good... somewhat...

**This feels like déjà vu...
It was only yesterday
that I hung out with
Skylar...**

**...And weighed
less...**

Unfortunately, this
time people were
around...

whisper

Looking at me...

Oh my god! That stomach!

Mocking me...

Someone needs a date
with the gym ha ha!

Look at that ass jiggle...

I wanted to turn back but I
was already halfway to
Skylar's and I didn't want
to be late...

But their words did
ring in my head...

Soon as I got to his house, I was nervous again. I tried to hide my stomach as best as I could, but it was too noticable...

KNOCK
KNOCK

Here goes nothing... Hope Skylar doesn't freak out and slam the door on me...

God he looked as hot as
he was yesterday...

Hey, welcome
back!

I picked out something with more action in it so that I didn't get all romancy all the time around Skylar. He came with a bowl of popcorn and some soda. The bowl... was kinda small...

We can watch this!

After about 20 minutes into the movie, I had already finished the bowl of popcorn... This was so... light... like it was missing something...

It actually made me hungry...

GRRRR

Something wrong
Marci?

Oh no!
Just kinda
hungry is
all!

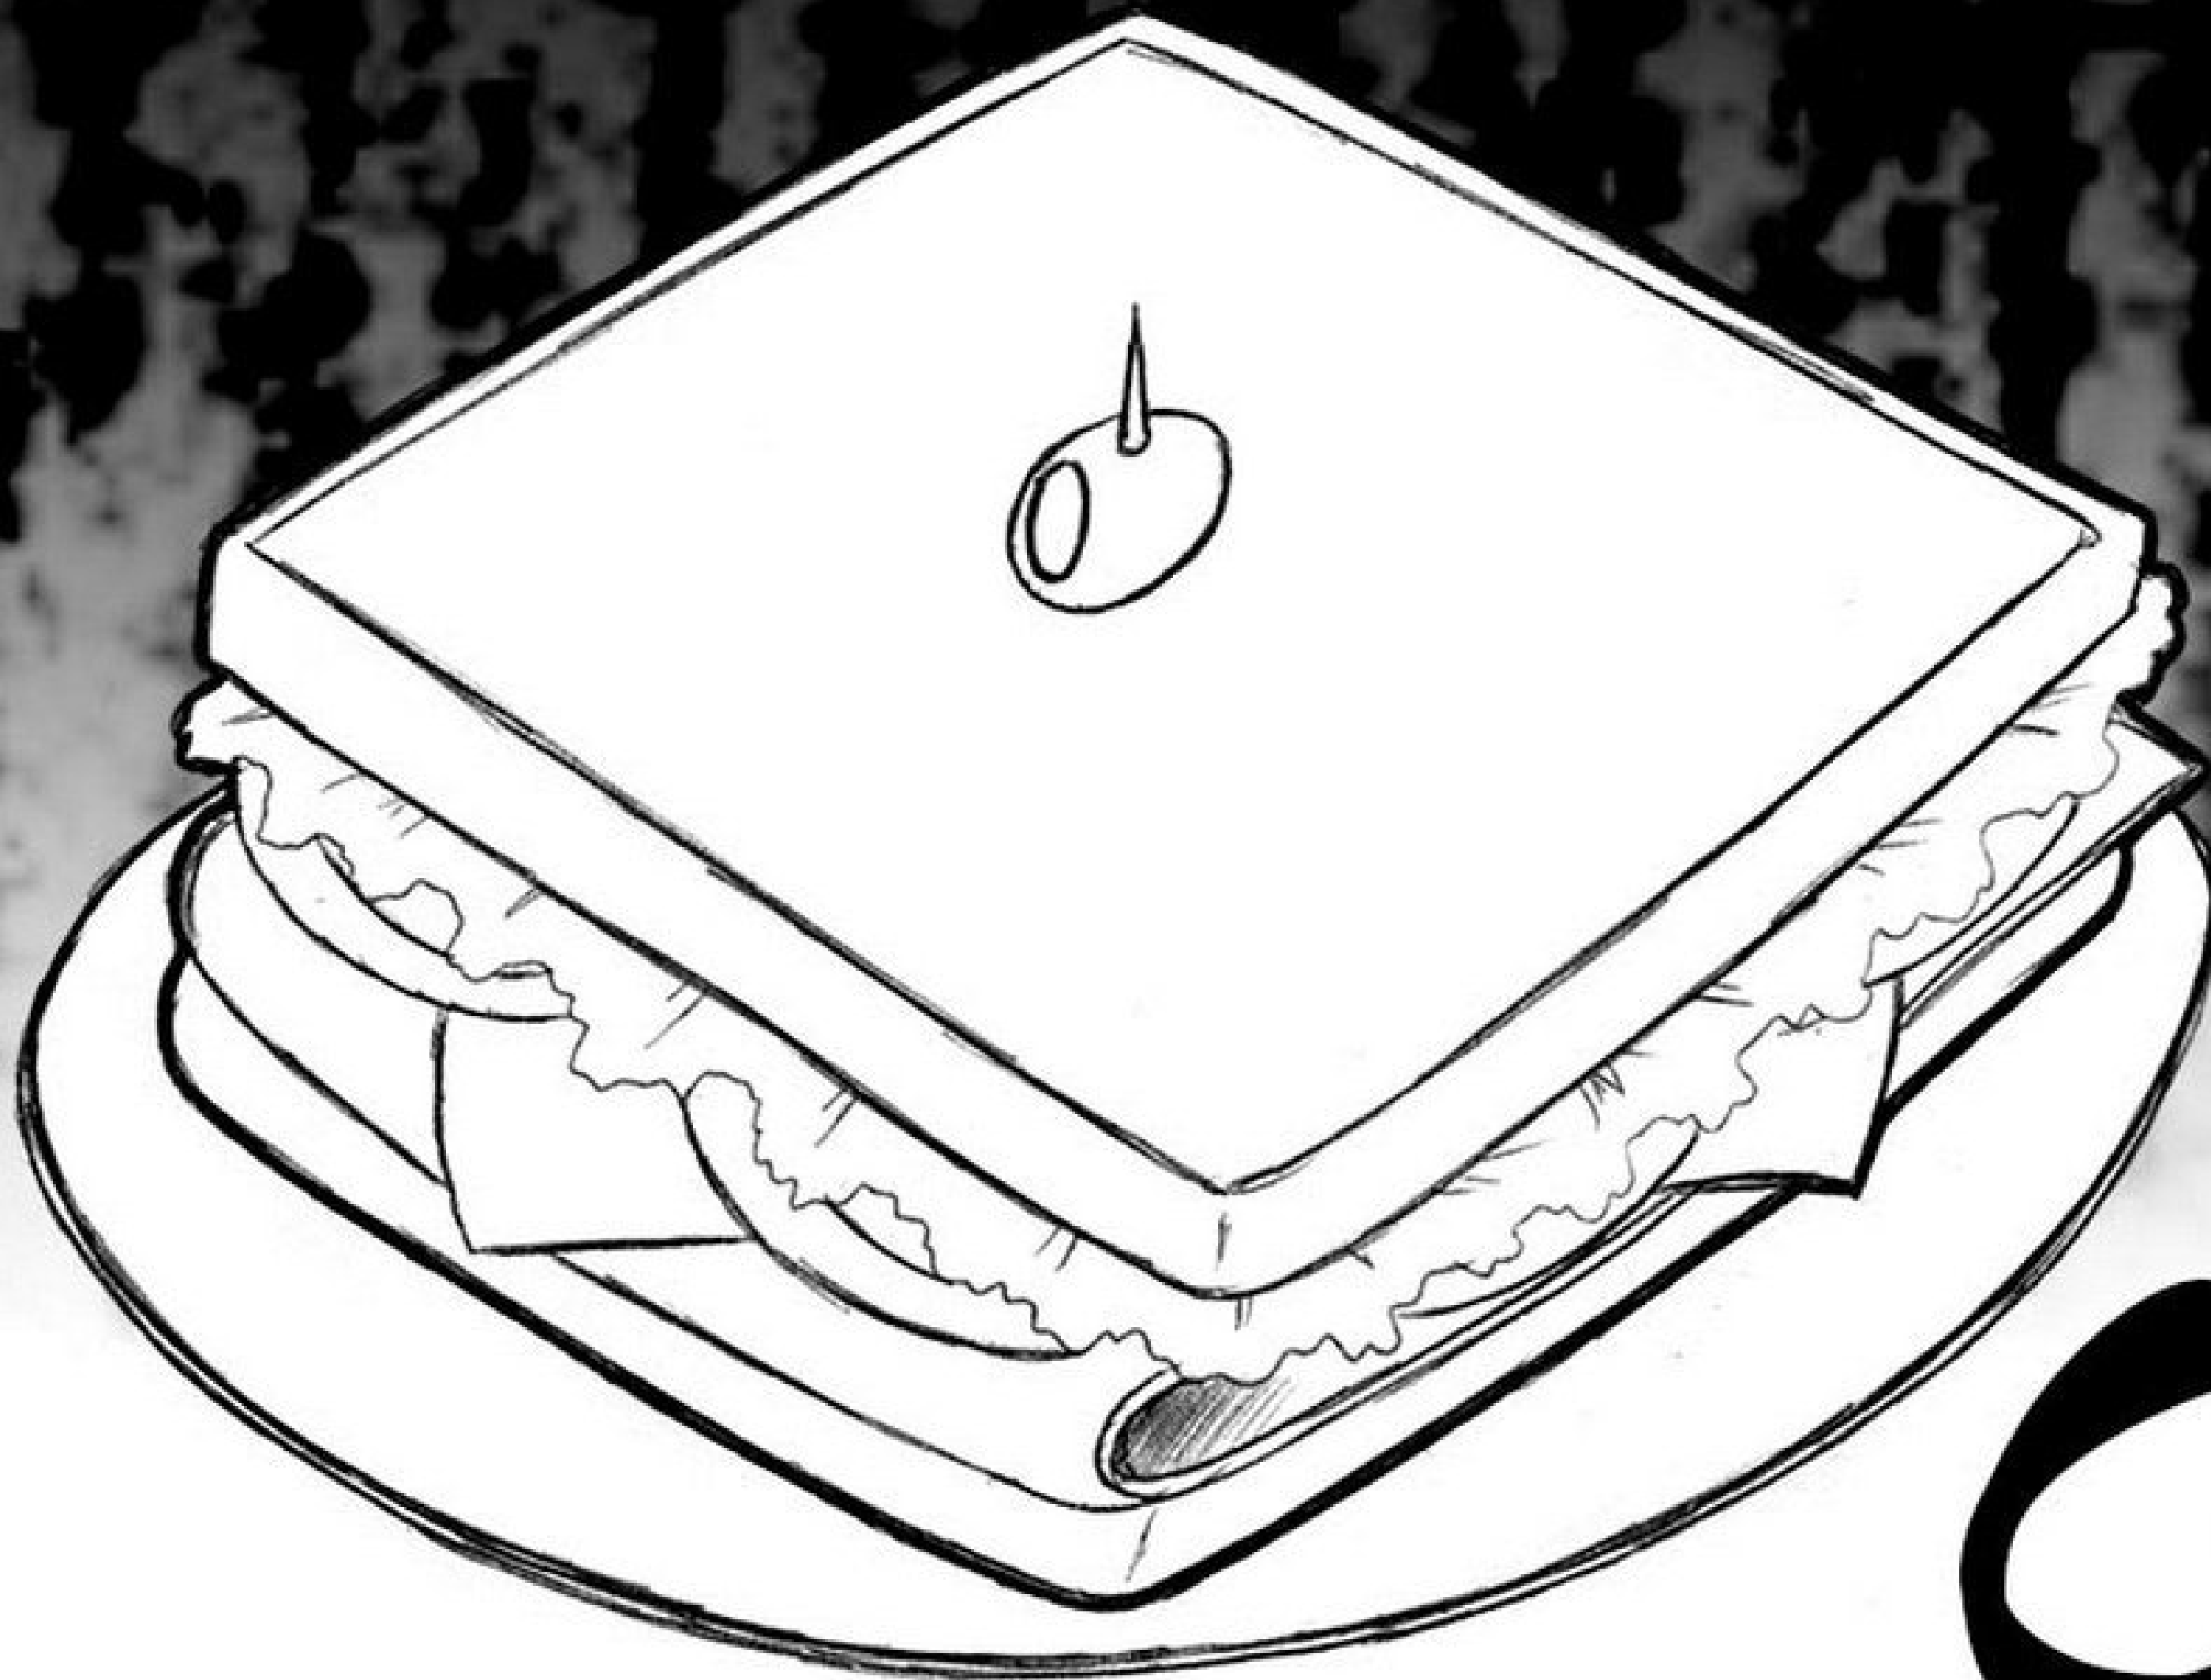

SMILE

Oh! I'll make
you something!

This is...

DO

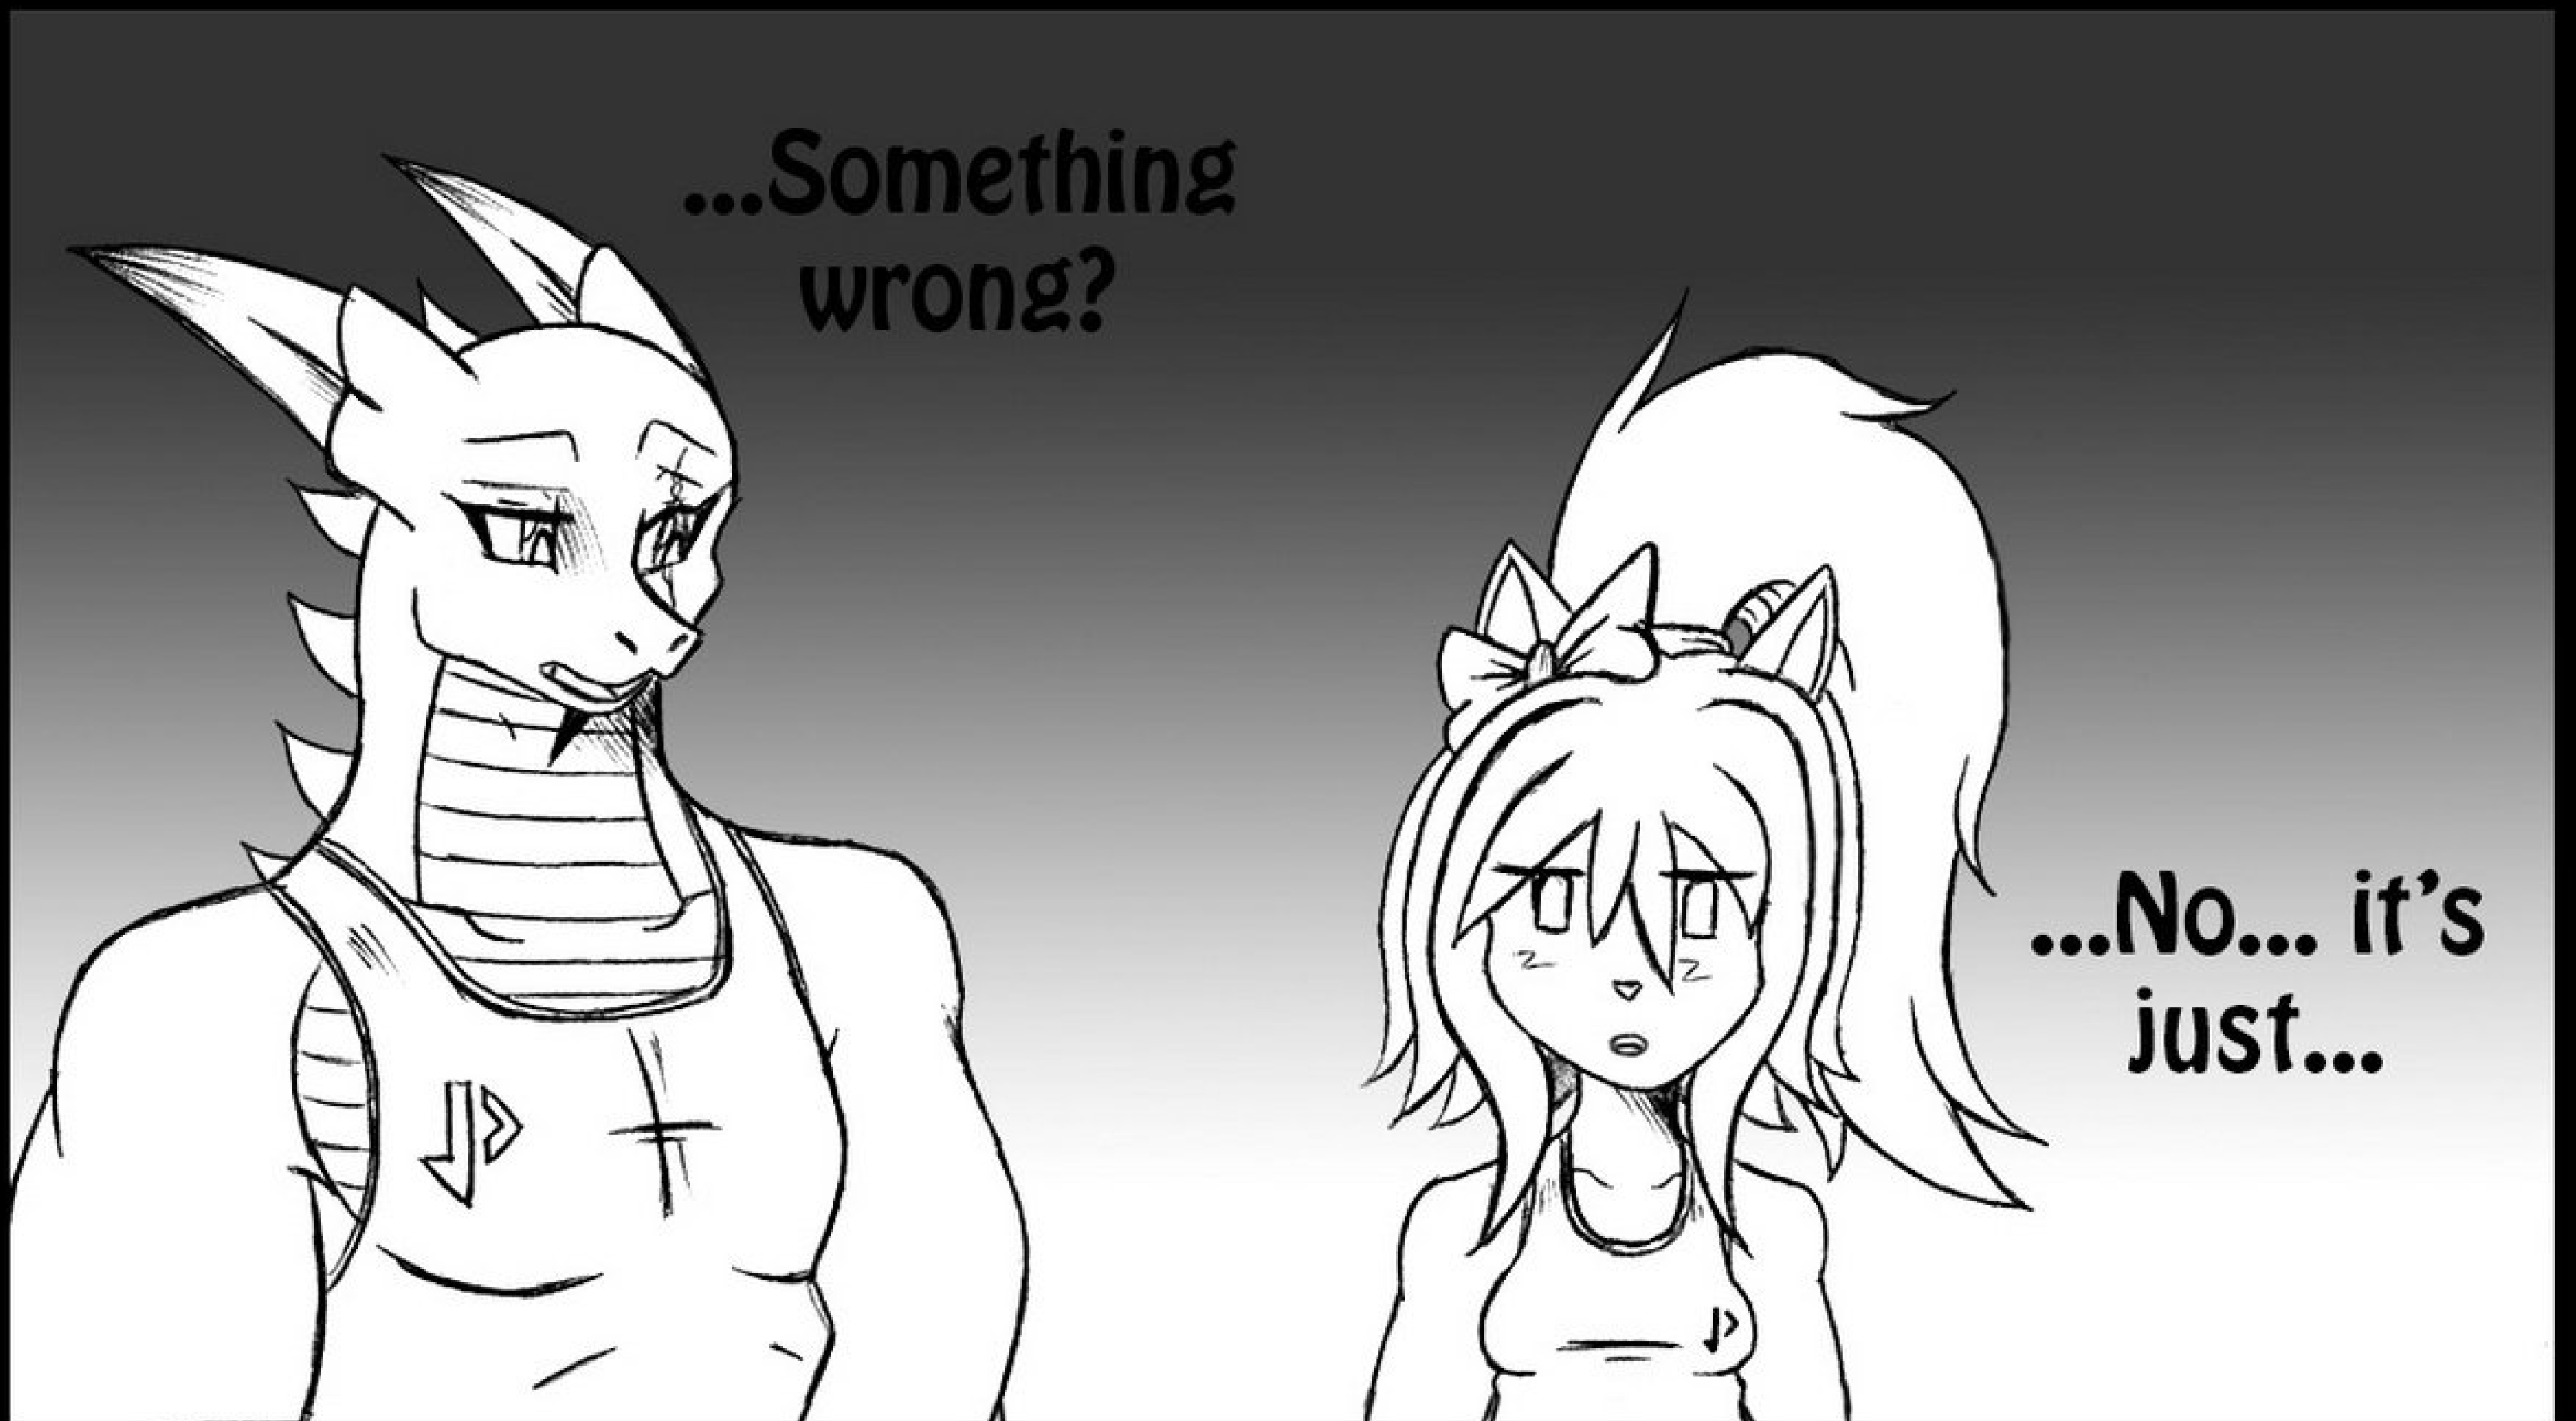

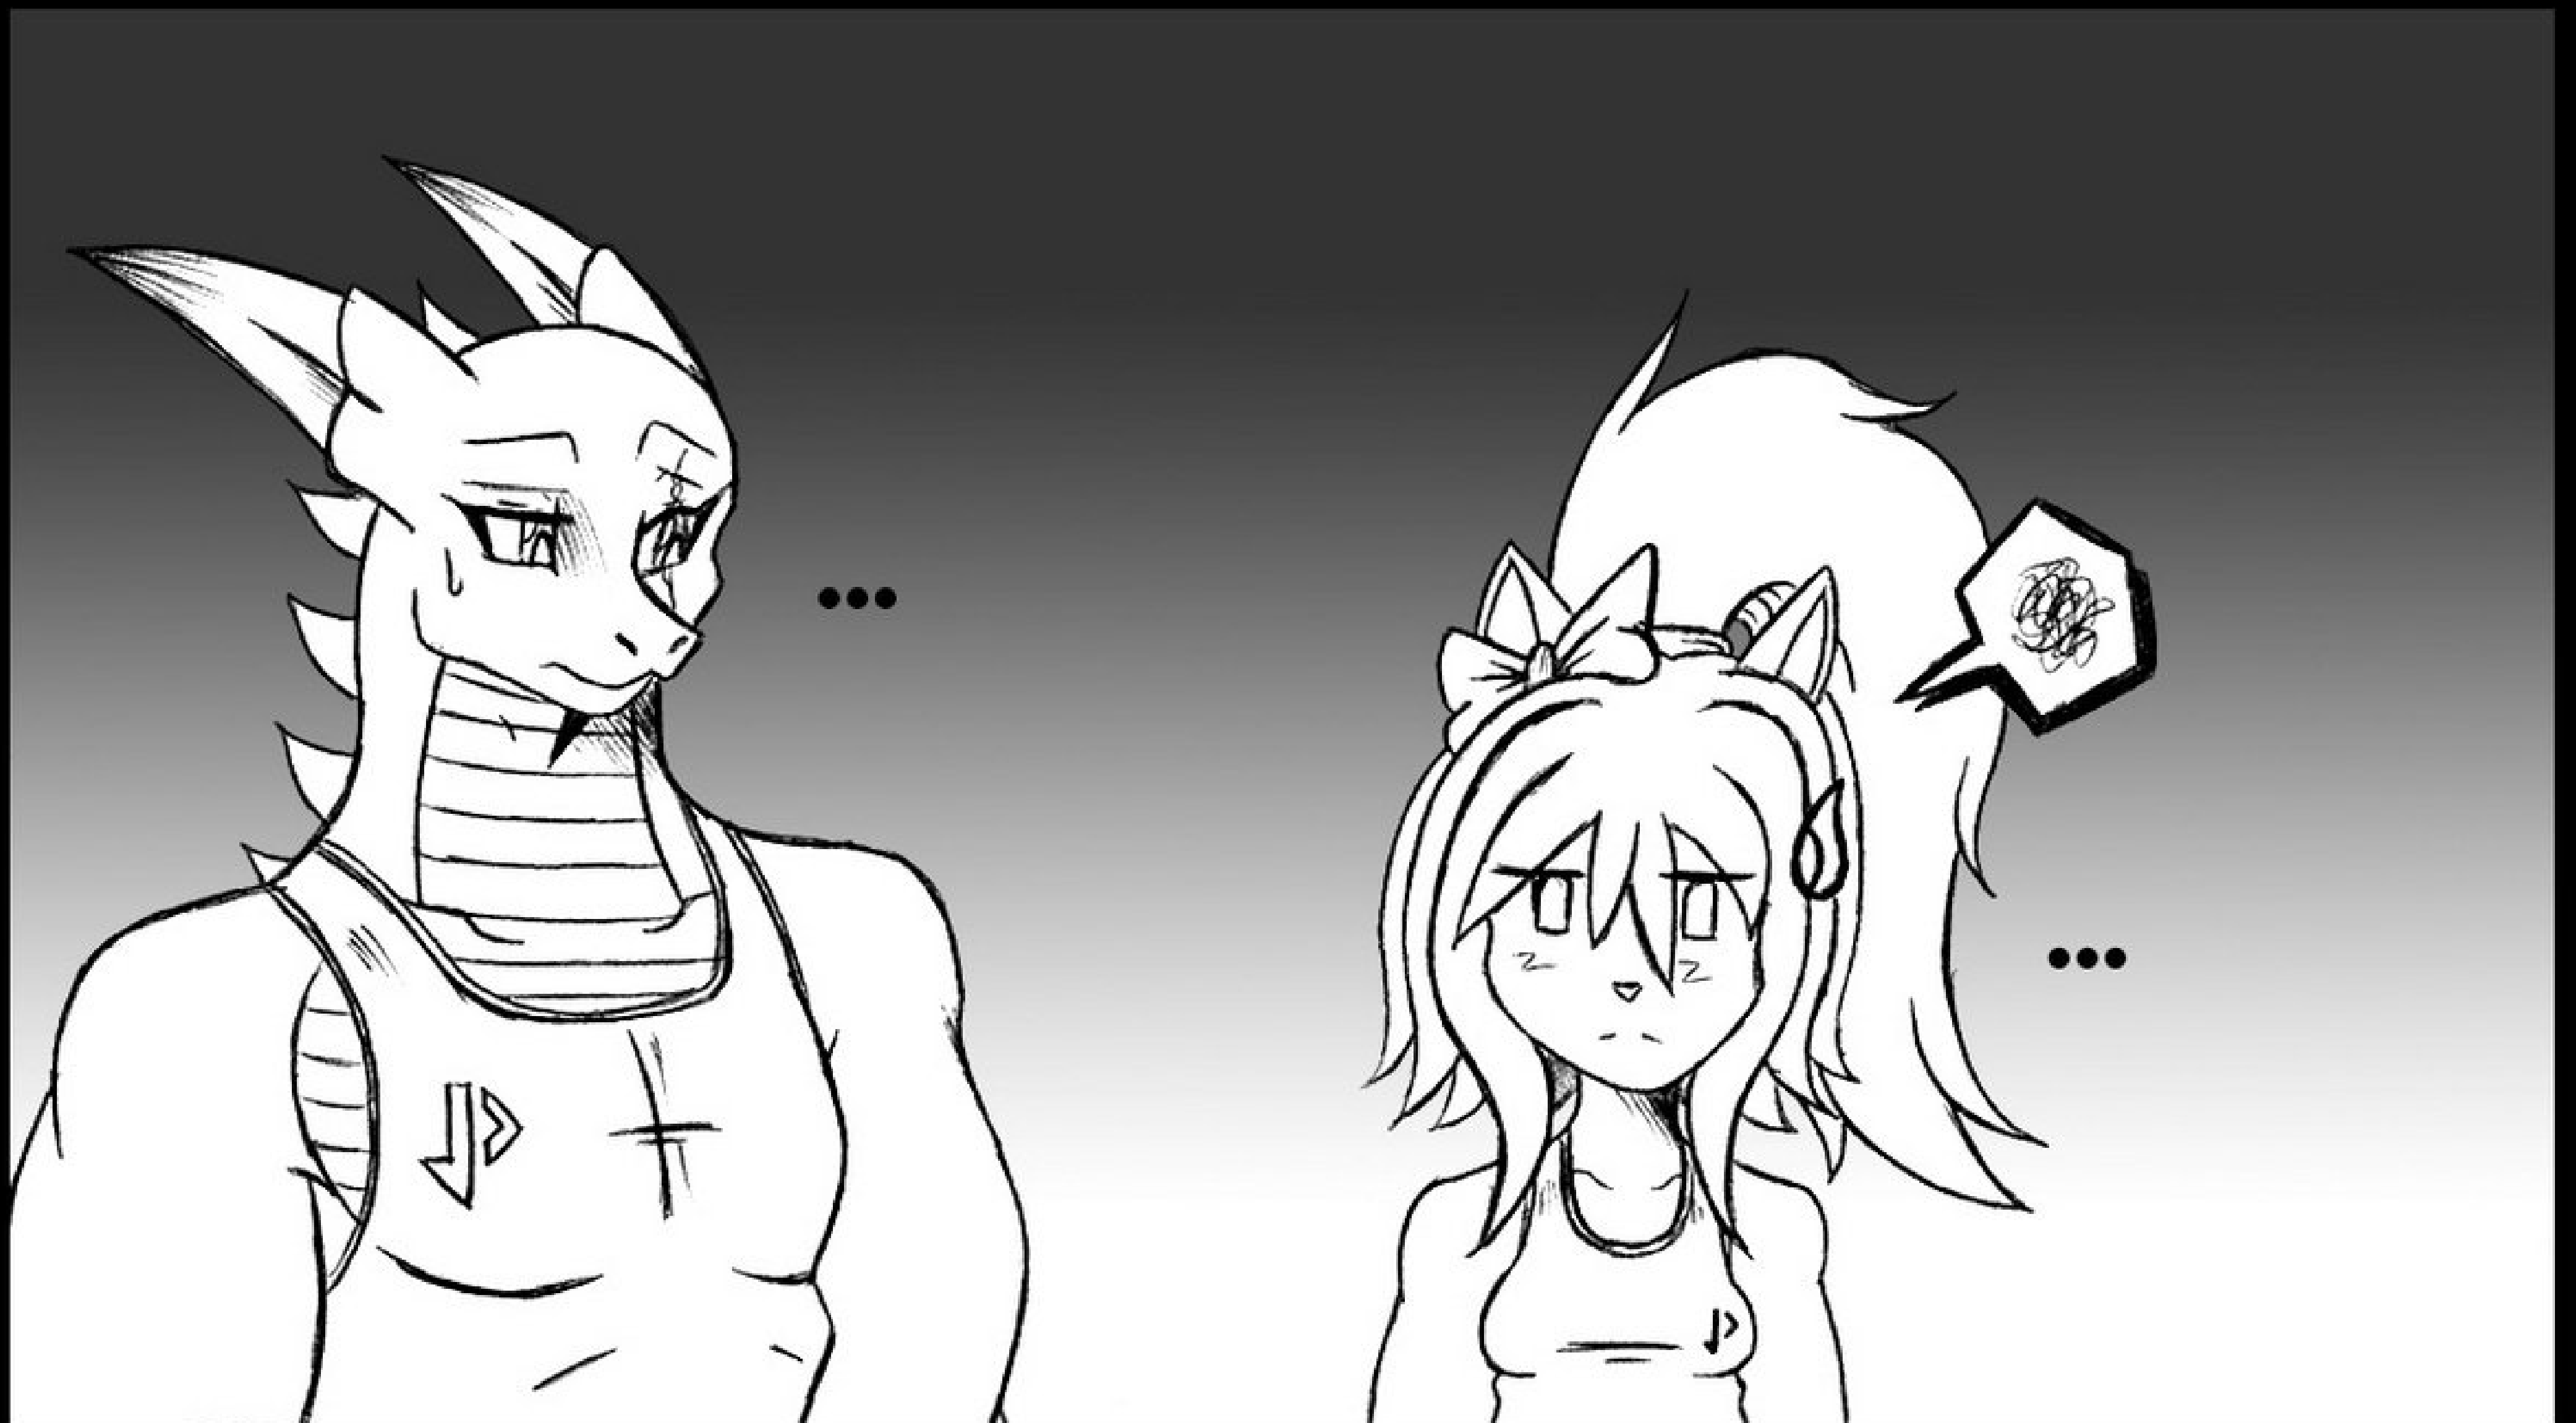

QM

...not what I was
expecting...

POKE

POKE

I-I don't mean to
sound ungrateful!
But... after yester-
day I was kinda ex-
pecting something
more...filling...

Please don't be
mad!

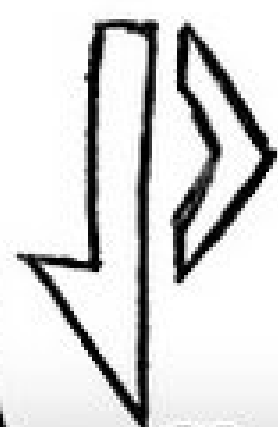

Ha ha! I'm not
mad! I just didn't
think you'd be up
for something
like that! I do
have one dish in
mind, give me a
few minutes!

This is good... let her
make the decisions... I'll
make her something
really good to snack on!

GRIN

Few minutes later...

Whoa!

TA DAH

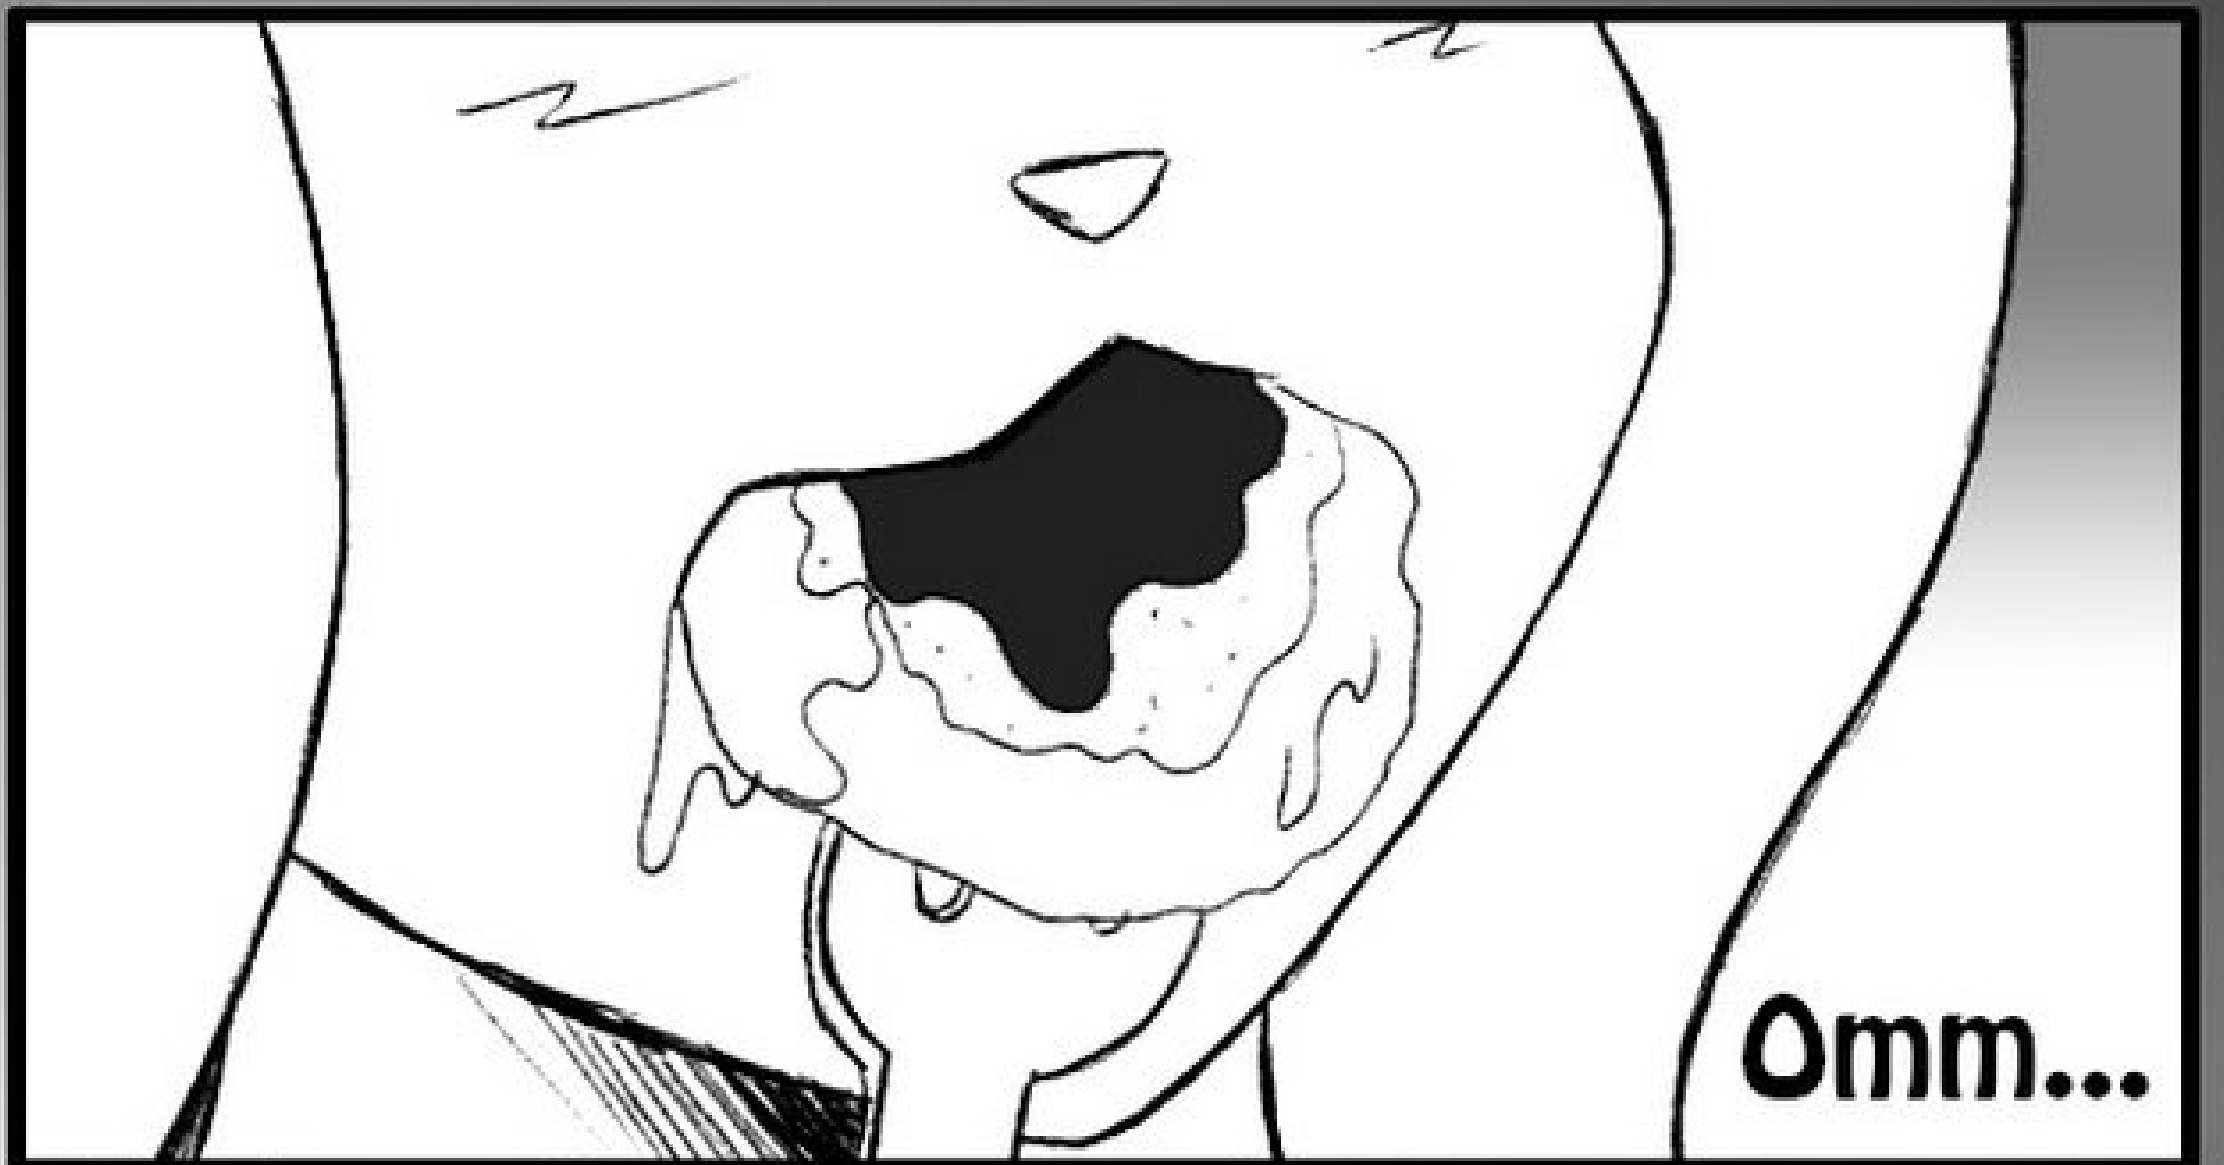

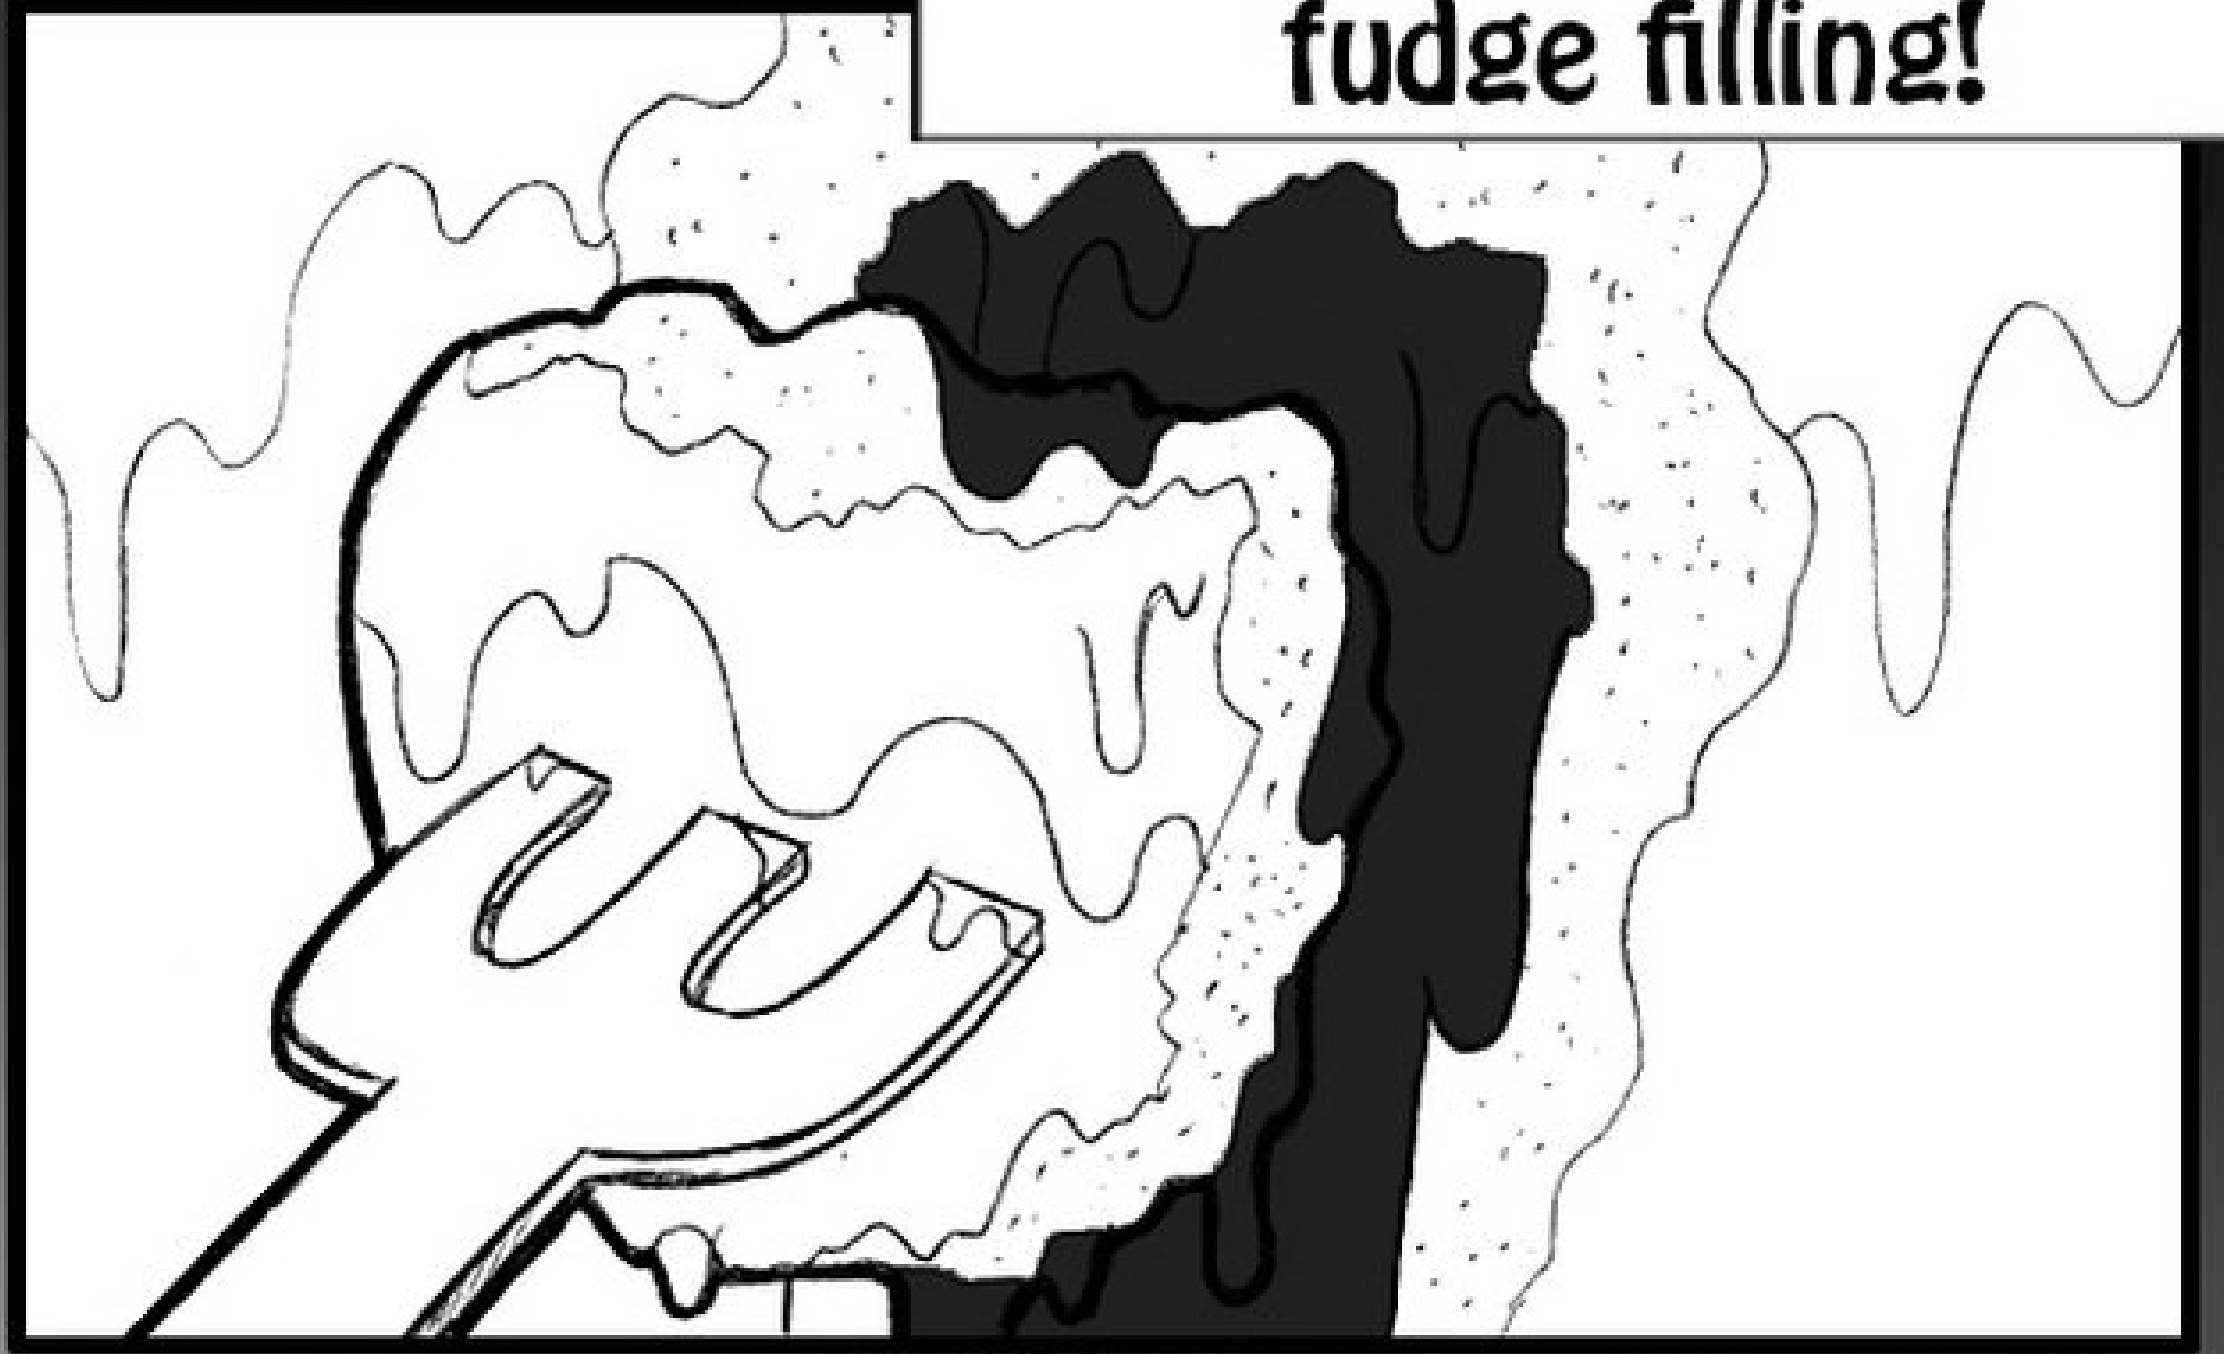

I hope you like it!
Figured you'd like
something sweet
after having that
POPCORN!

charming☆

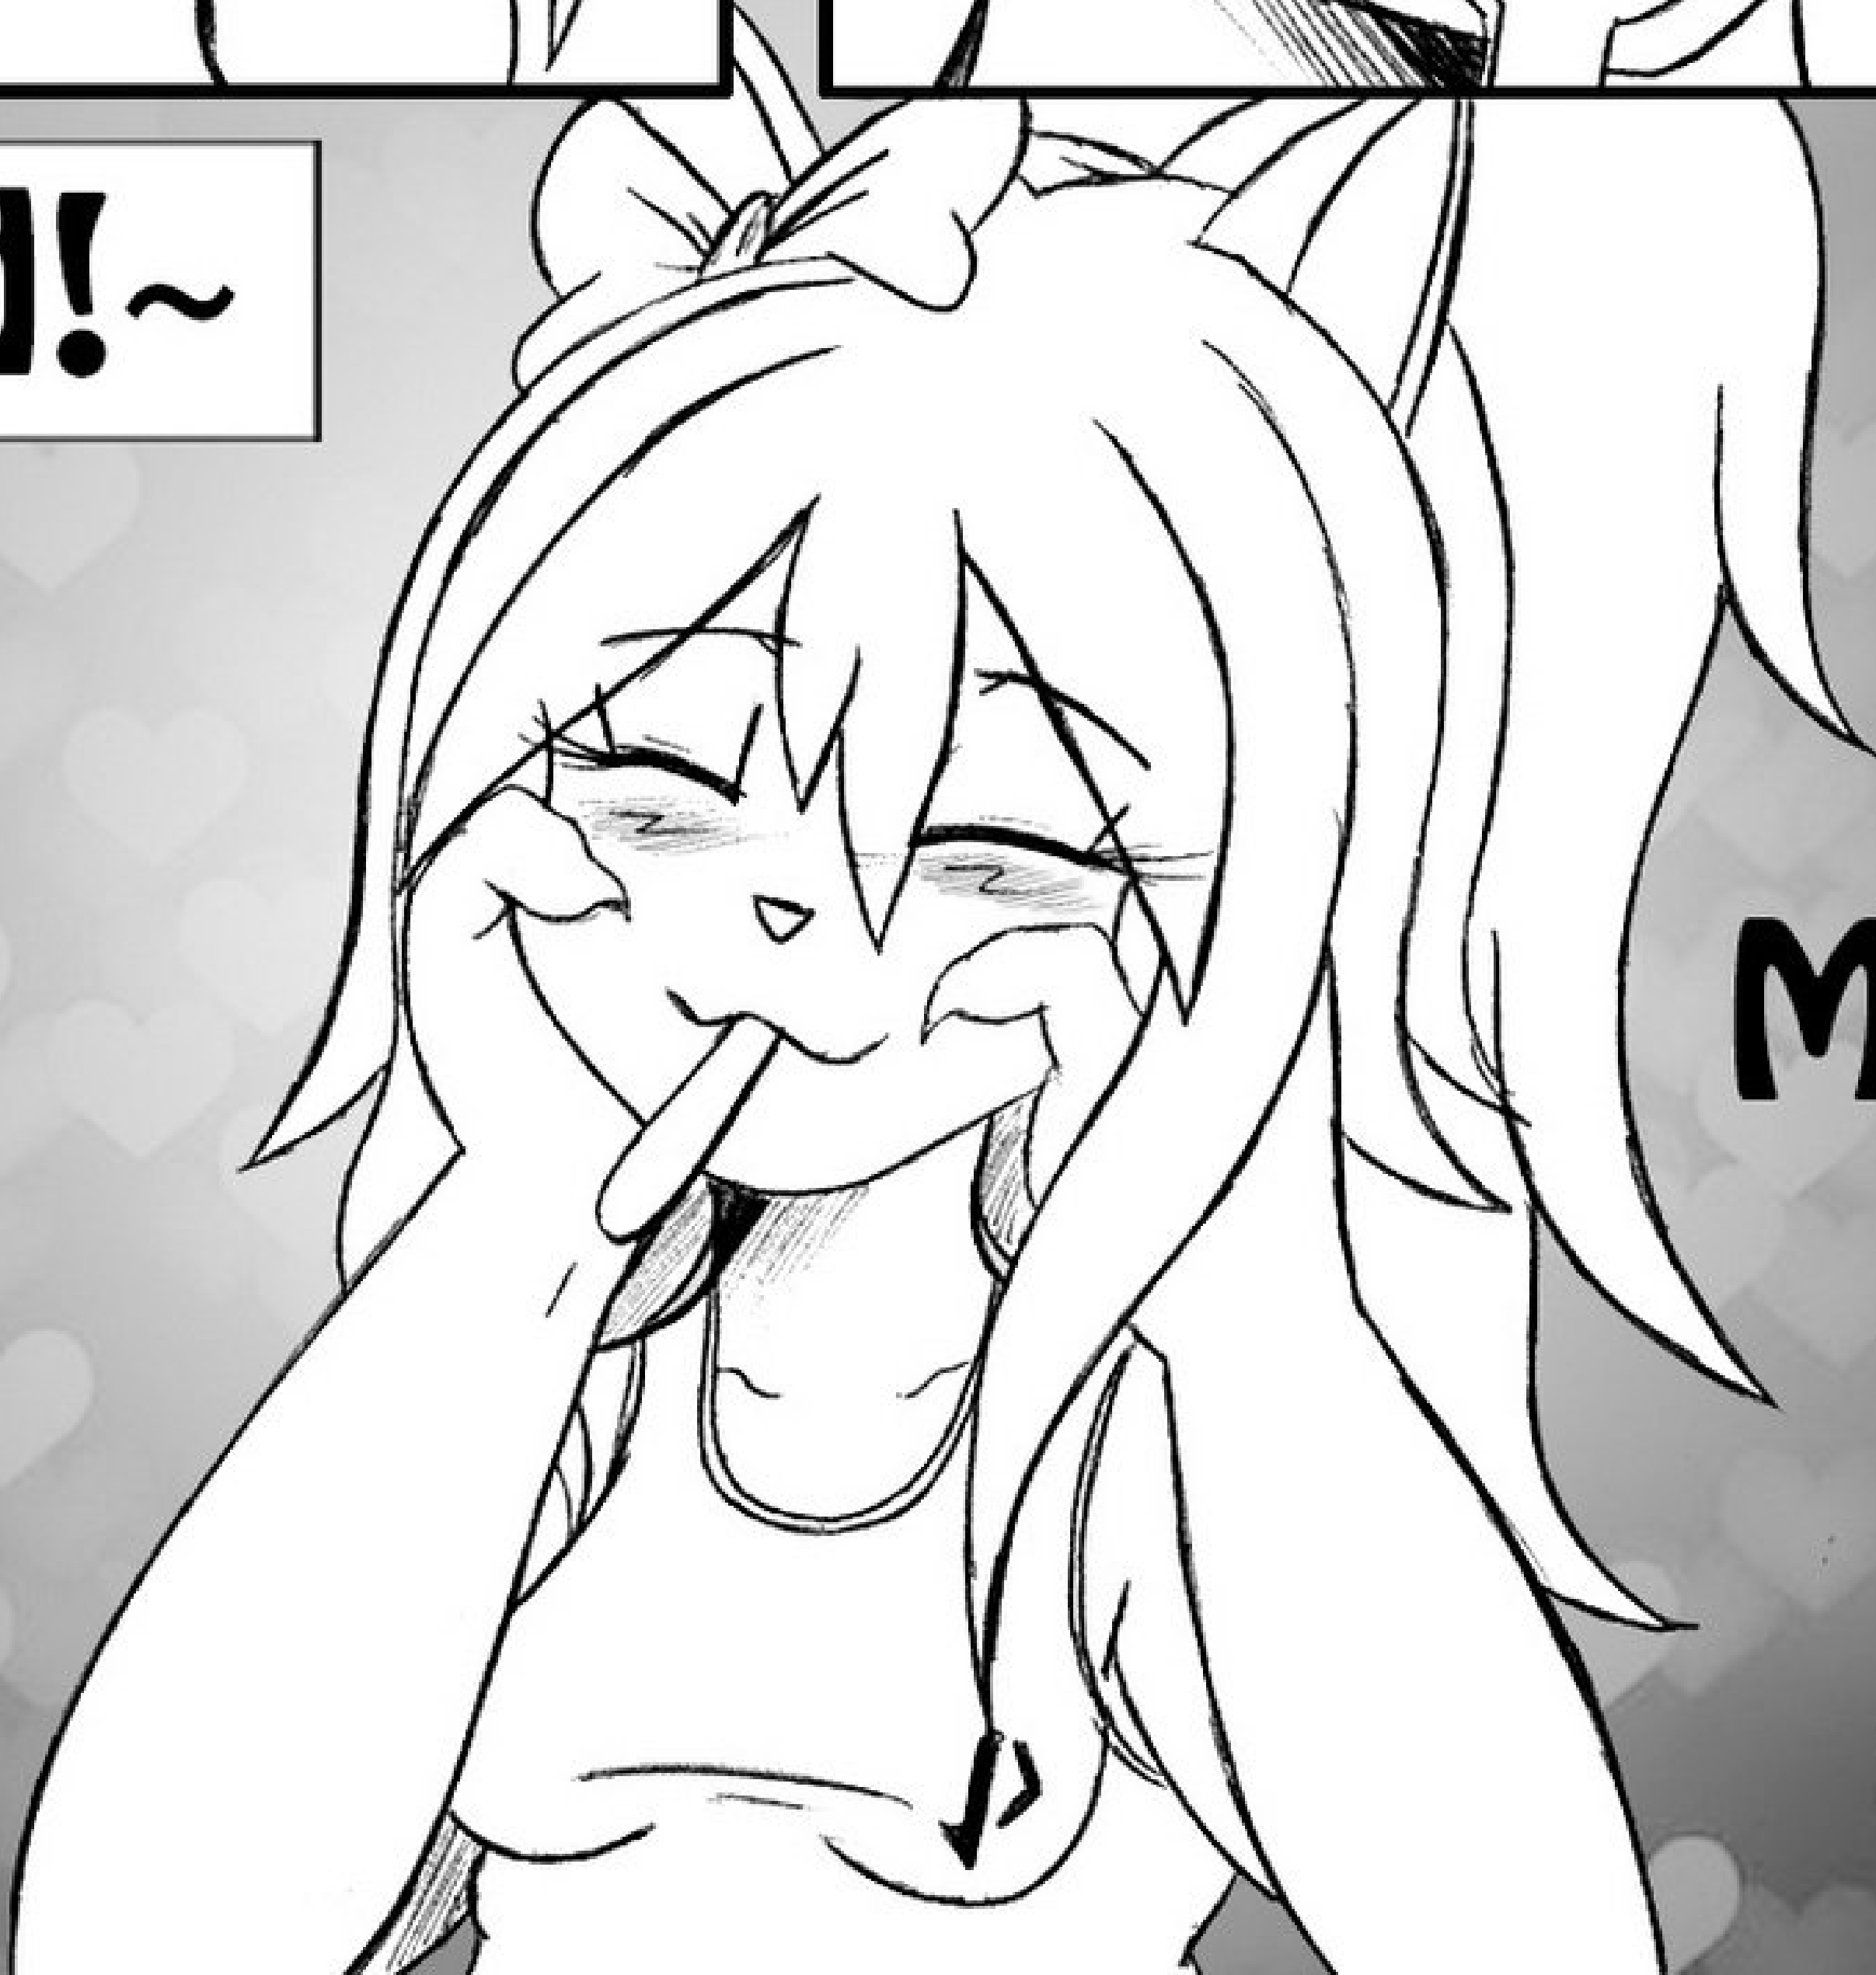

Oh! Looks like chocolate
fudge filling!

He's so nice to
me~

Omm...

So good!~

Mmm!~

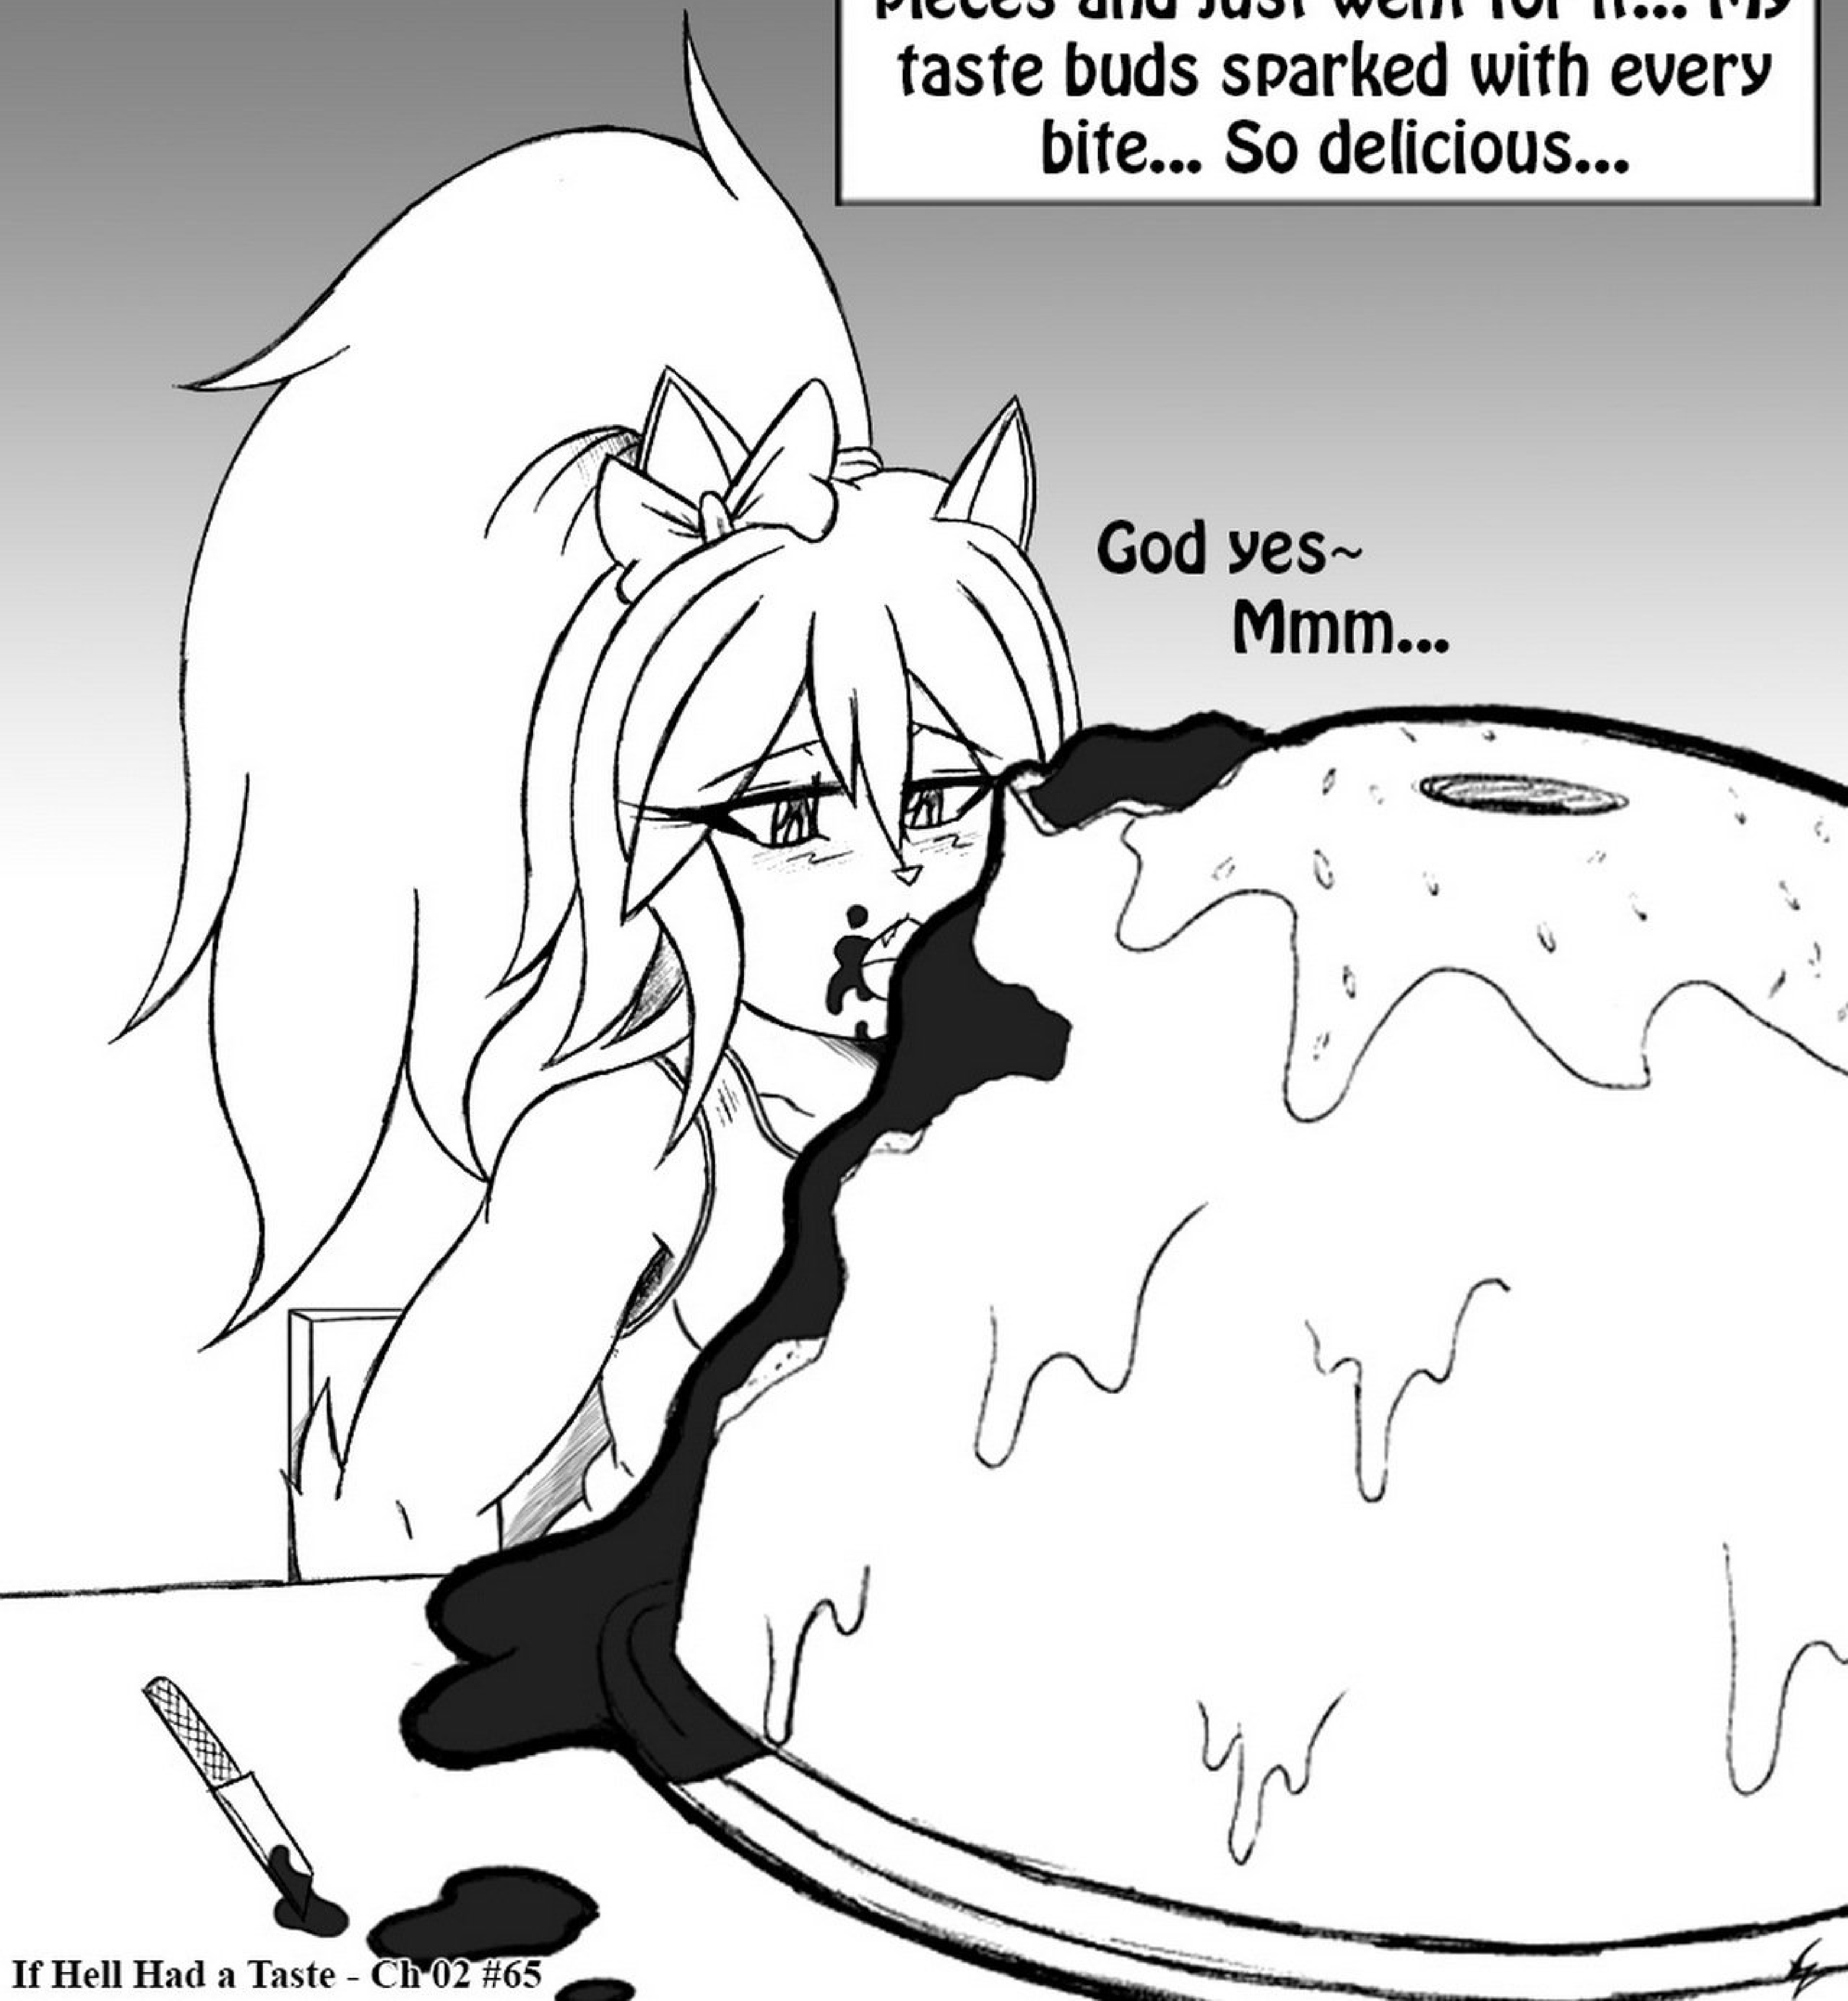

I could barely wait for the cake to cool as I dug into it! It was a Volcano Cake with lemon frosting, vanilla batter and fudge filling! The taste was excellent!

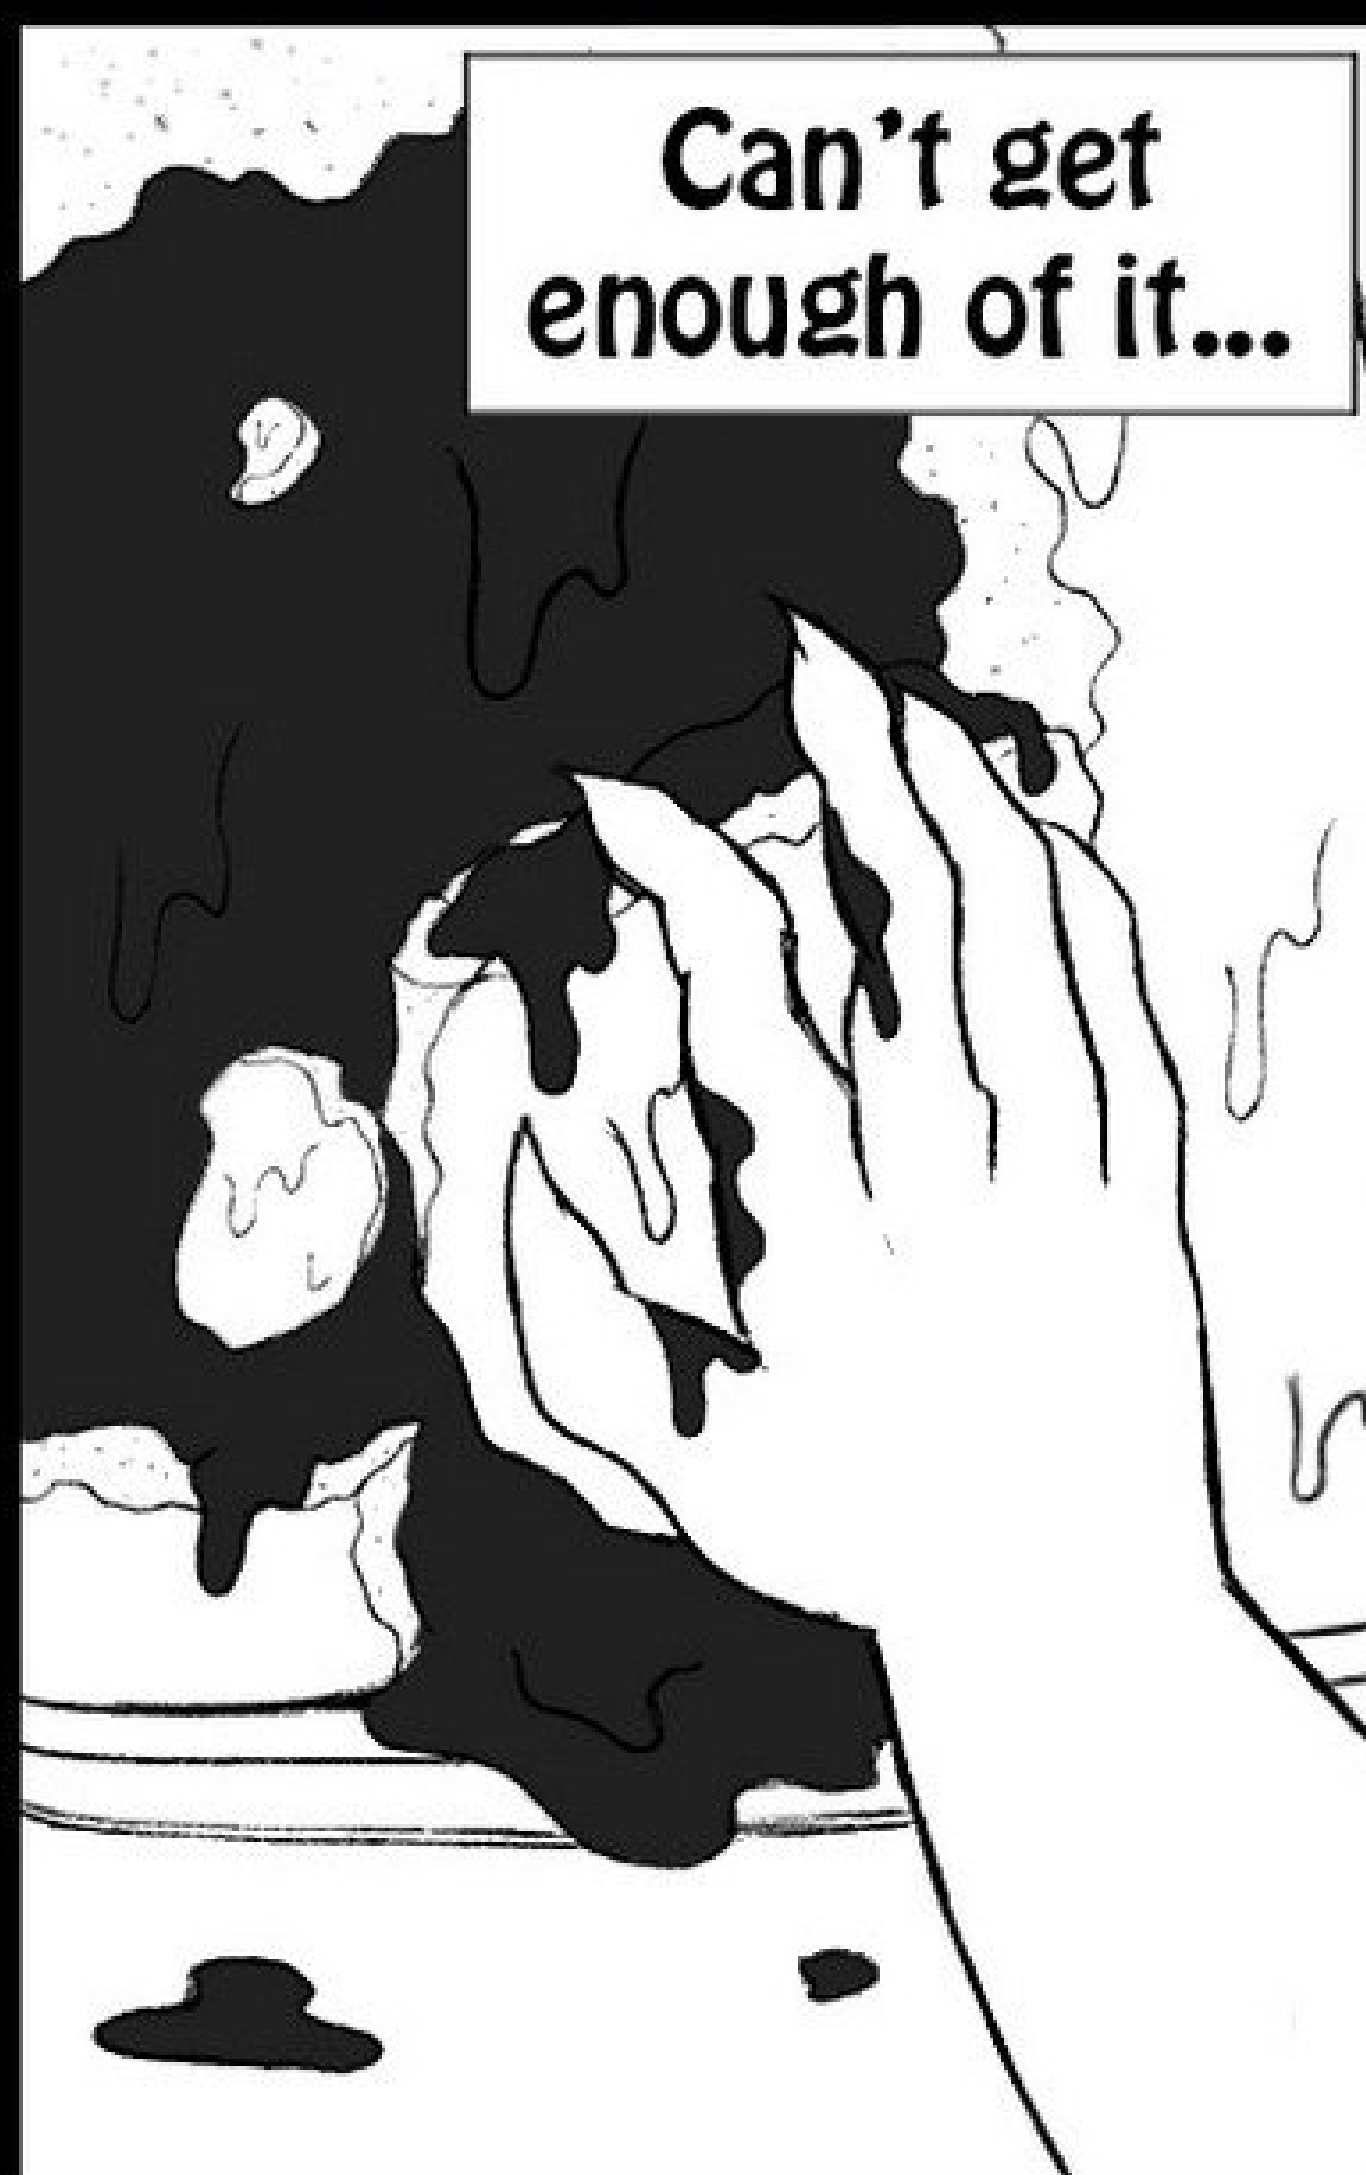

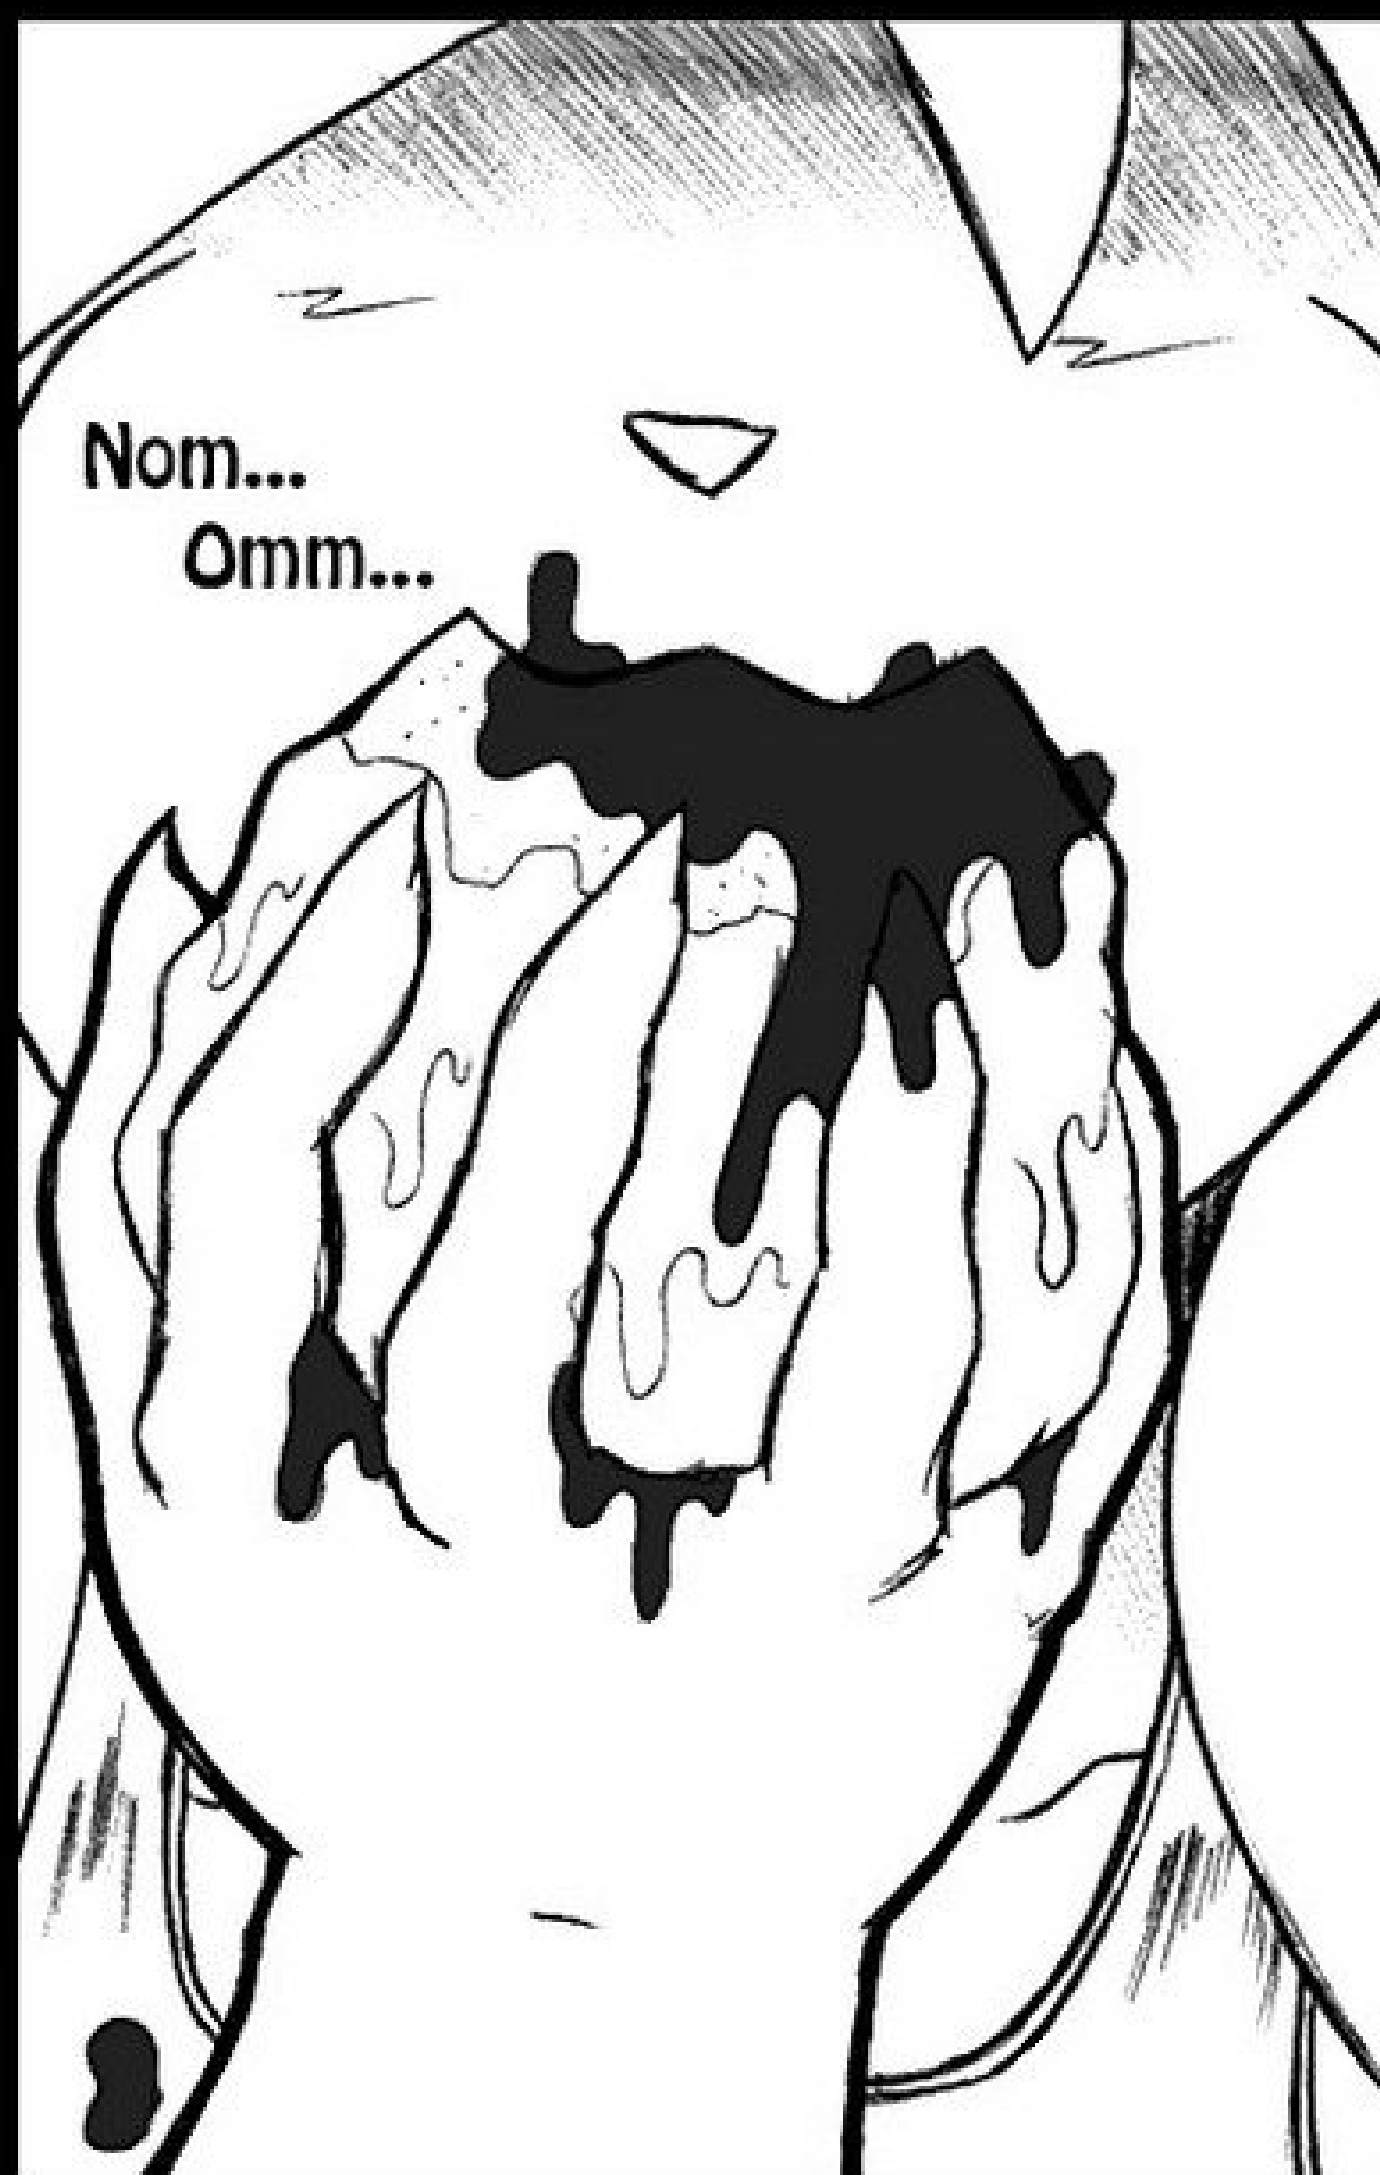

Mmph~

After a while, I stopped cutting pieces and just went for it... My taste buds sparked with every bite... So delicious...

God yes~
Mmm...

I quickly finished my Milk and continued eating... Part of me was trying to say "Stop! You'll get fatter!" but the rest of me said "It's just so damn good!"

Mmm...

GRAB

BURP!

GRGL

STRETCH

After a while, I
started getting
more and more
sticky so I found
myself licking my
hands clean
often...

LICK
SUCK

Mmph...

GRGL
URRG

God... that chocolate was
so damn good! Wish I
had just a little more!

Mmm...
SUCK
SUCK

That's right fatty...
might as well sit there
and think about that
huge cake you just ate...
Skylar probably thinks
you're just a pig school-
girl anyway...

BURRRP!
Uhhh...

GLORP

Skylar:
Cupcake?

Huh?

Marci: Damn he's so hot!
I'm here eating like a pig
and he's still so nice to
me!

I had some batter
left and made a
cupcake for you!
It's a little big
though, hope you
don't mind!

Thank you! It looks
delicious!

DRQL

DD

“looks delicious”?!
You just had a whole
cake and you’re gonna
eat that?!

QM

**...She's not
eating it?**

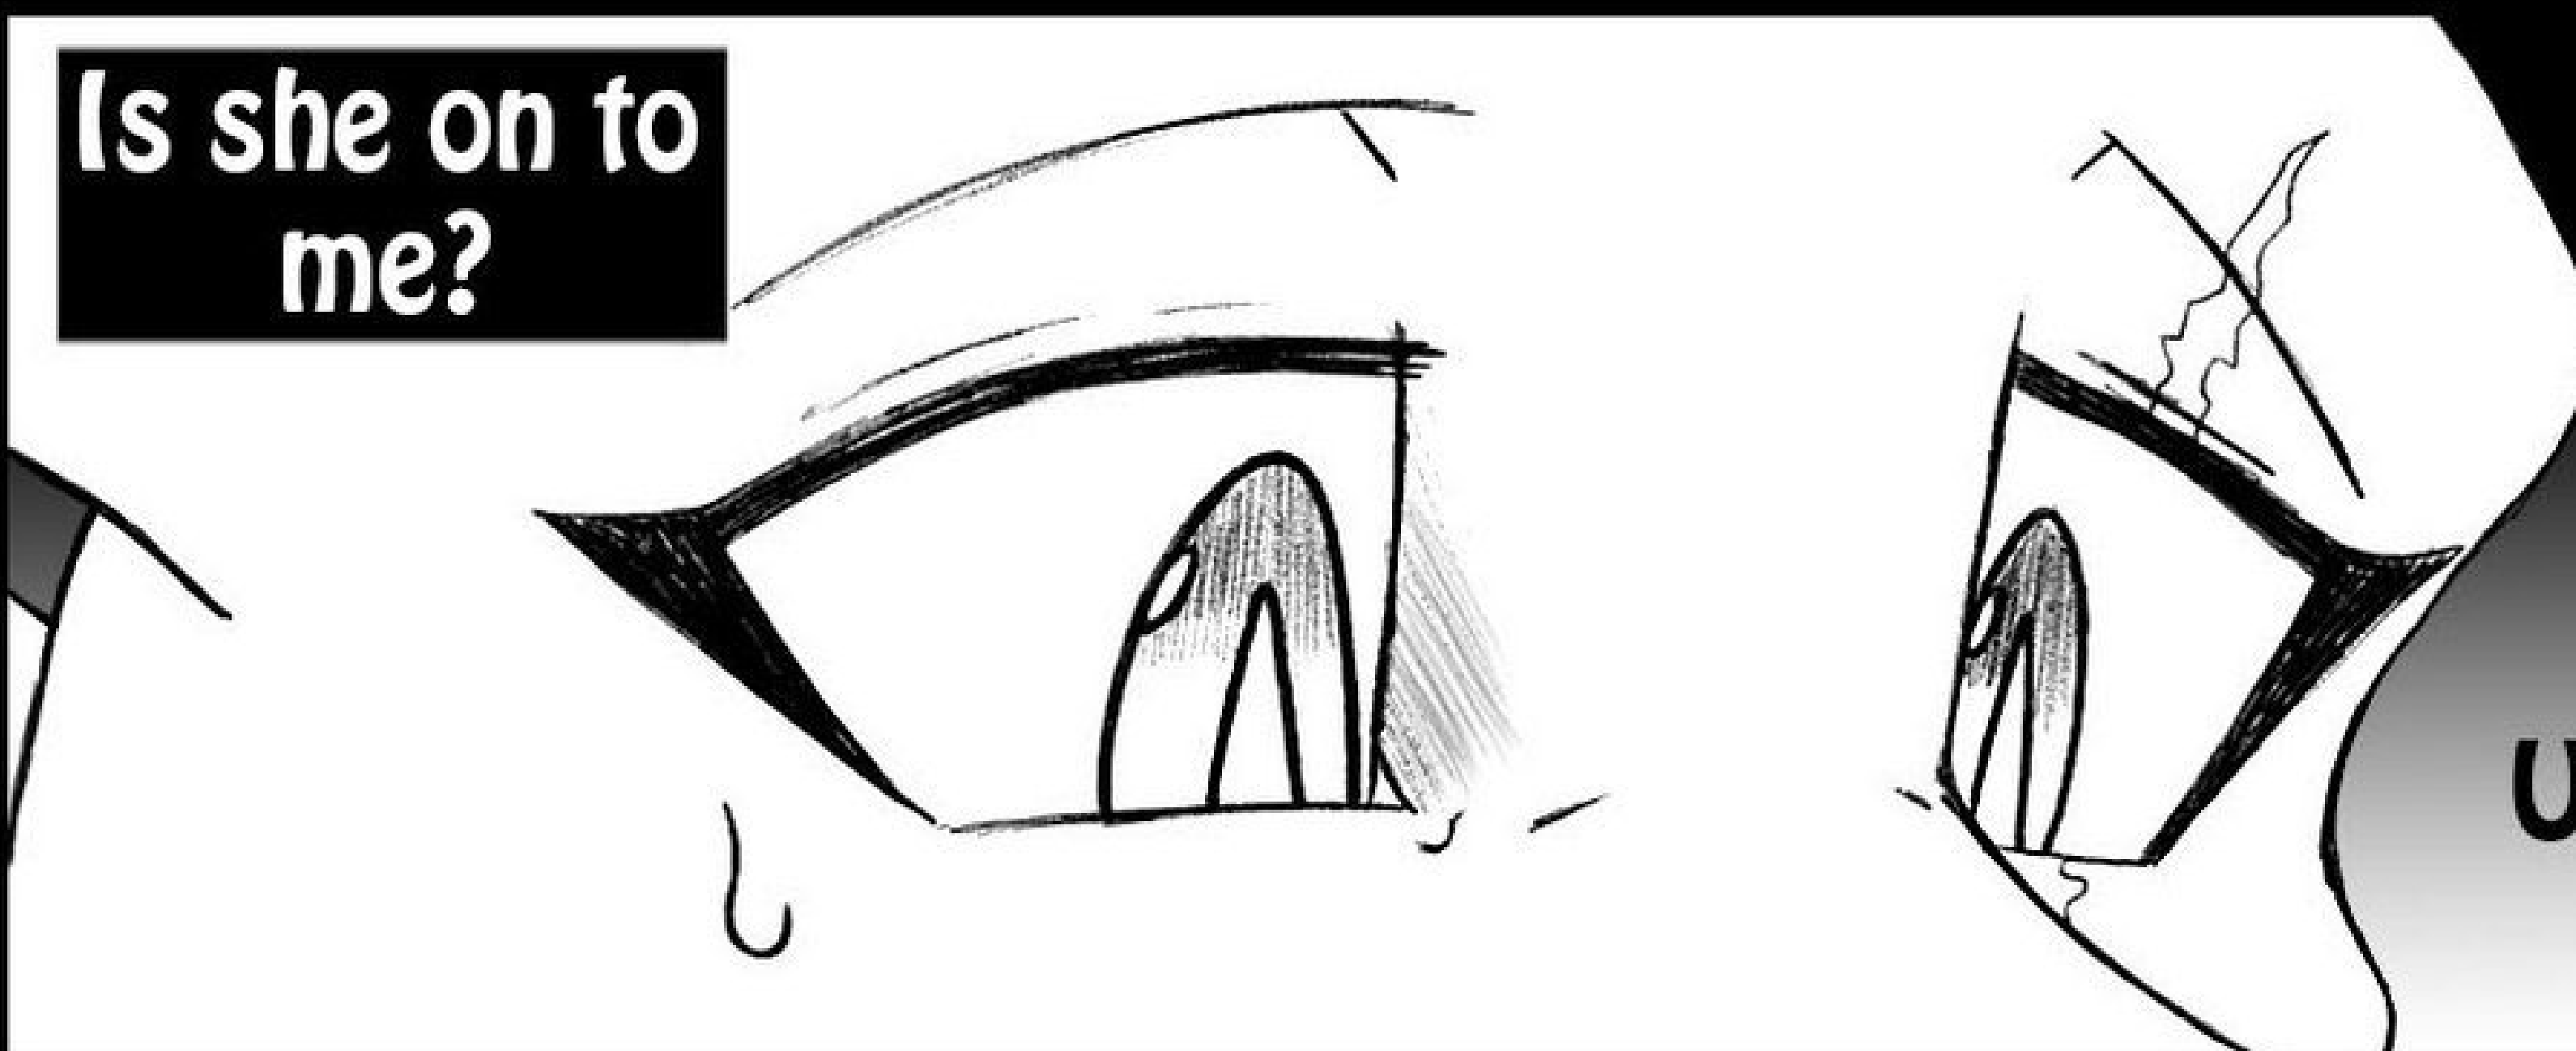

**I-Is there something
wrong? I can make you
something else if you
want...**

**No... it's just...
Can I ask you
something...?**

**Is she on to
me?**

**Umm... sure...
what is it?**

Just take Blake's
advice and ask
him...

Umm...
w-what do
you look for
in a girl...?
