I'm his GIRLFRIEND?!

My bestfriend couldn't find a girl, so I got transformed into one.

TGedNathan

Come on man, it's not that bad.

It's not that bad? Yeah right...

Huh?

I am 25 years old, and I still don't have a girlfriend.

I haven't even kissed a girl yet!

Just be patient.

I'm sure there is a girl out there who loves you for the way you are.

Yeah, like a girl would be attracted to a nerdy loser like me. I'm gonna be single forever.

Sigh...

Aw...

Poor lil brother... I should help him.

myhentaigallery.com

Hey sis!

Hey there guys!

I heard you guys talking about your dating life. Maybe I could help?

Oh hey...

Seriously? Do you know some single friends of yours?

!!

No, but I have something better.

You could date IAN!

Uhm...

HAHAHA!!!

I didn't know you could be so funny, Jessica!

We aren't gay for each other! haha!

PLOPF!

Oh, I'm not talking about you guys being gay.

Krrr...

Myhentaigallery.com

What-

the-

FUCK?!

!!

I'm a ghost?!

What did you do to him, sis?

Nothing serious.

I only pulled his spirit from his corporeal form.

GUYS! HELP ME!

I'm a witch in training, surprise!

CAN YOU EVEN HEAR ME?!

So... let's get rid of his-

Crisss...

clothes.

And while at it...

Push...

Let's also get rid of his-

Blorp...

Manhood!

sloopk!

You've removed his dick?

MY DICK?!

Of course! I'm creating your dream girl, silly.

www.hentaigallery.com

What? But why change my friend? Isn't this super fucked up?

You guys get pretty well along. Perfect for him to be your girl!

And I'll ensure he'll be happy- as your sexy girlfriend!

Blep...

Sloo!

You're sure he would want this?

Okay...

Yes!

Hmm...

Alright sis, let's go through with it. Make him my girlfriend!

WHAT?!

What the actual fuck? They're rebuilding my entire body into a girl!

Great! Let's start with making your dream girl!

How big should the hips be?

Squeezy...

Oh, I would love a big junk in the trunk. Yes, like that!

CRACK!

And what size should the tits be?

Massage...

Oh, I like them big, haha.

Something like this?

I'm not going bigger than this, bro. She has to carry them all the time, you know?

Could they be larger?

Oh, sorry.

Boing!

And the hair?

I like her to have long, curly hair. All the way to her waist.

Krrrr...

Mythentaigallery.com

Damn... she's becoming a hotty! Now let's work on her mind.

Zap...

First, we change her sexual attraction towards my lil brother.

And shall I also change her libido to that of a girl?

Uhm...

I don't think we should change Ian too much.

Not changing her libido?

You know that guys are generally more horny than women? Ian's lust with this bimbo body would basically make her addicted to sex.

Are you really sure about this?

Yes, don't change that.

Haha, okay. she's your girl after all.

Woosh...

Now for the final touches, lets give her some cute clothes-

I can't be put into this body...

Gasp!

Jiggly...

and put Ian's soul back!

WOAH!!!

hentaiarmy.com

No! Please, I don't want to be this bimbo!

AAAH!

Zap...

Oh fuck I feel everything!

I feel those weights...

Boing...

I feel the lack of my dick...

I even feel my hair touching my back...

Shake...

Shake...

So "Ianna" How is it like being in a girl's body?

Woah...

Poke

Squish!

Alright let's make a deal, ianna.

You'll be Francis girlfriend for a week. After that you get the option to change back or stay as a girl. Does that sound good?

Really? So after a week you'll change me back?

Only if you want it. Who knows maybe you'll like being my lil bro's girlfriend.

Woah!

Gasp!

GREAT!

I'll leave you love birds alone-

And see you later. bye...

WTF DID YOU DO TO MY ROOM?!?!

I changed more than just your body, Ian. Everyone only remembers you as "ianna," my brother's beautiful girlfriend— except you, me, and Francis.

Why?

It makes it easier for you to adjust. I even made you a model! XD

A model?

WTF!

Please change me BACK!!!

No, sweetie, you'll have to wait for a week. Don't worry. I'll m sure you don't get bored :p

WTF!

Please change me BACK!!!

No, sweetie, you'll have to wait for a week. Don't worry, I'll make sure you don't get bored :p

I've planned multiple ROMANTIC DATES for you two!

YOU WHAT?!

The next day...

It's pretty crazy that Jessica planned so many dates for us! I didn't expect you to come.

It's not like I have a choice. Your sis threatened not to change me back if I didn't go.

Yeah, about that. I'm sorry for what happened to you. I owe you this, at least.

A gift? Uhm... thanks?

Slide...

Let's get through this week!

Seriously?

Try at least one.

I know I have a girl's body, but that doesn't mean I love chocolate now.

Sure, why not? It's not like any of this is going to make me-

Krr...

Ha ha!

Gasp!

It tastes so good!

I told ya!

Ribbit!

The colors I see are now more detailed. The sounds I hear are more pleasing.

It's not just my taste buds that have changed. All my senses are different.

Everything is somehow more- BEAUTIFUL?!

You're perceiving things as a woman now.

You think so?

Woah...

I guess women perceive the world more differently than men.

Ian, I have to ask. How does it feel to be a girl actually? Are thoe boobs the most challenging thing to get used to?

Yeah, they're practically "big balls of fat" attached to my chest!

Jiggle... Jiggle... Jiggle...

But the body part that is the most different is actually my bottom.

My pelvis has a drastically different shape now. I don't have to wear a belt now.

My wide hips hold my pants now. See?

Not to mention, the bra is something to get used to. They're digging into my skin...

Stretch...

Myhentaigallery.com

Why are you looking dumbfounded?

Woah...

I just- uhm...

I can't go around this. You're the most beautiful girl I've ever laid my eyes on.

Eh?

Uhm.. T-thanks, I guess?

Poke...

Giggle...

Tomorrow is my last date before you change me back into a guy. But I really wanna have sex with him. How do I do that?

Nope...

Wow! My brother completely doesn't know how to make a move!
