

Sigh... So you're telling me
you want that one...
The Vaporeon.

Why not? She looks like
she'd make a great fighter!

Suuure, a "Fighter"
Whatever you say buddy,
I'm not here to judge.
She's yours.

What is that supposed to mean?

Nothing, nothing...

Everyday... Every goddamn day I have to deal with this crap.
Guys showing up to get these damn fish cats
thinking I don't know what's going on.
Back in my days Pokemon were about proving yourself to
the world! About making friends with your stuff!

That guy was looking at me weird...

Of course he was Master,
You did buy me after all
you sly dog you~

So? What's wrong with you?

You mean you haven't heard?
You see Master...

Did you know...

...And as you can see,
thanks to my high defense
and HP pool, I can take
cock all day and
STILL
come back
for more~

A-ah!
Ah... I...

I j-just
wanted to
c-catch
Pokemon!

Too bad.
Now paint me

WHITE

Master...

I'm putting
together
a team.

Well, more like you're
putting together
a team.

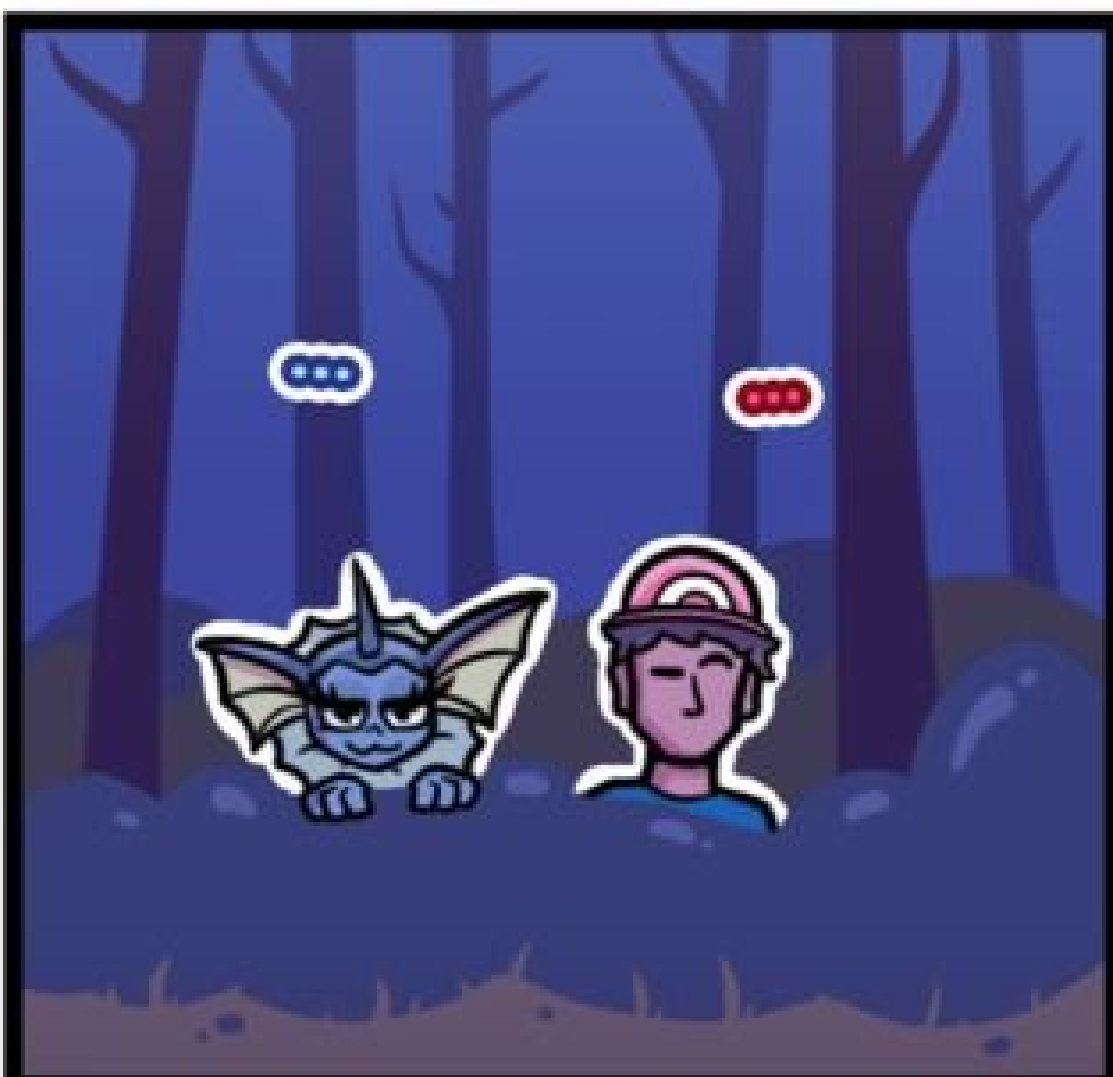

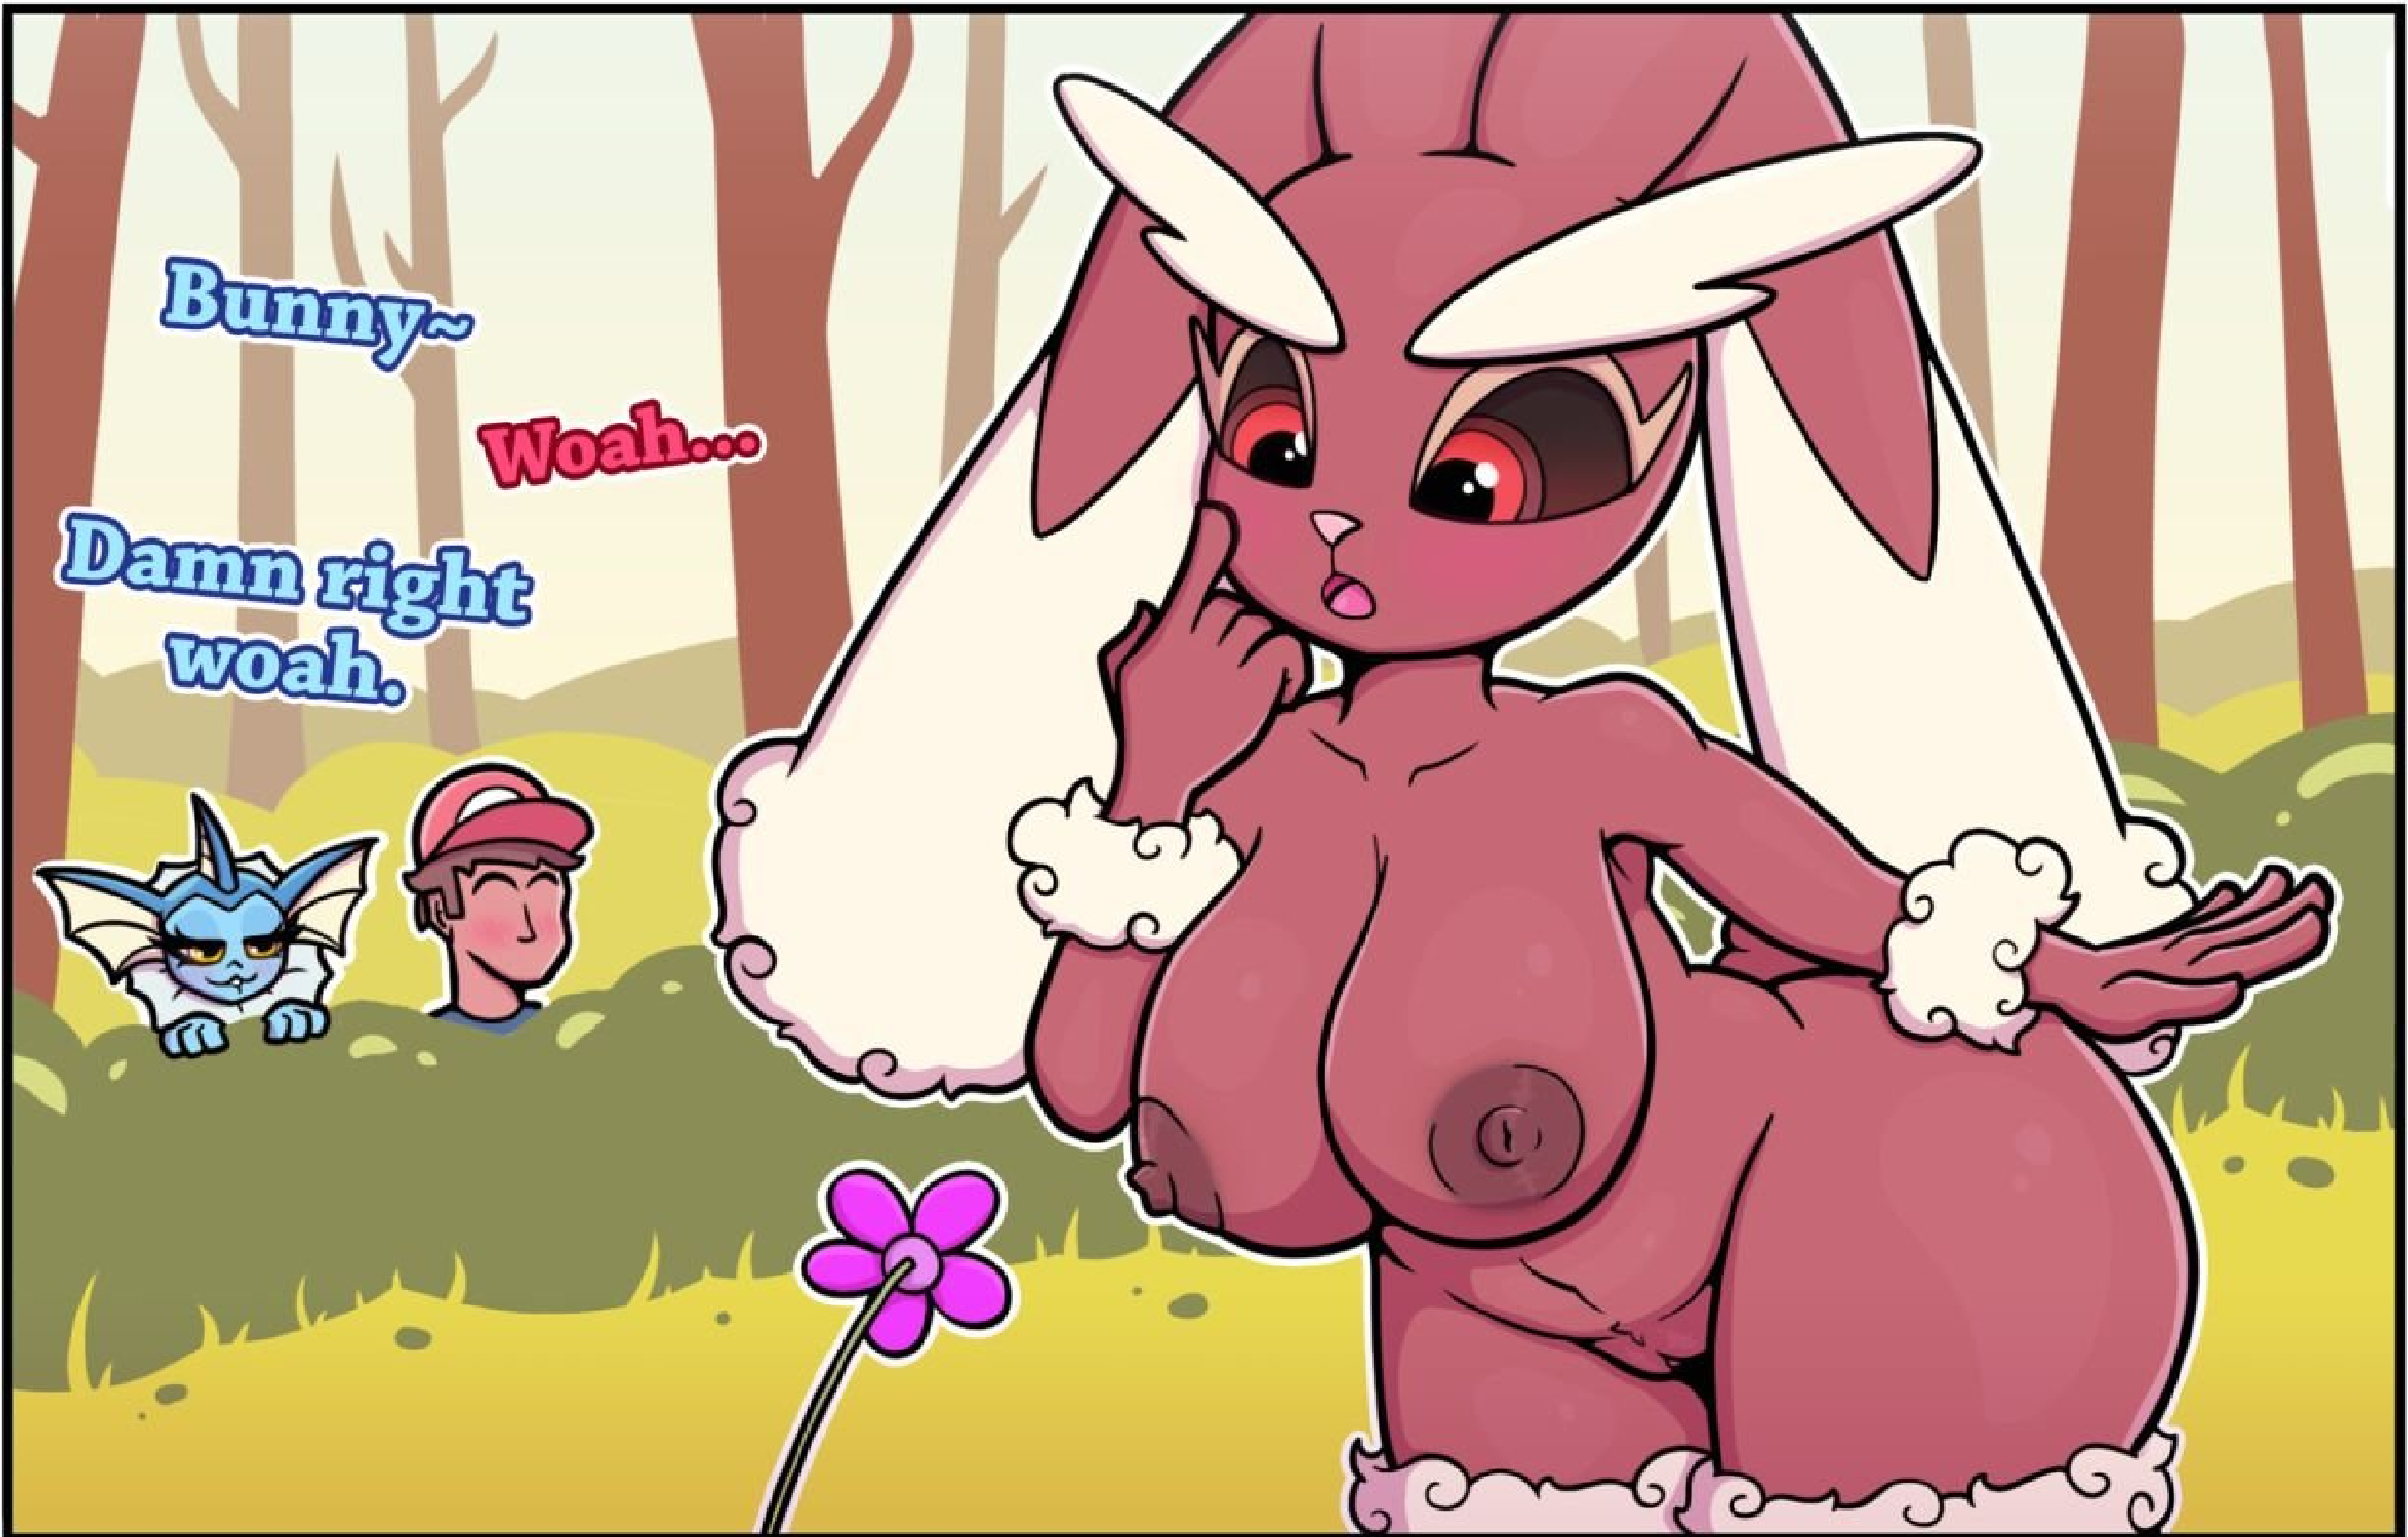

Can't be a real
Pokemon trainer
with only one
Pokemon, right?

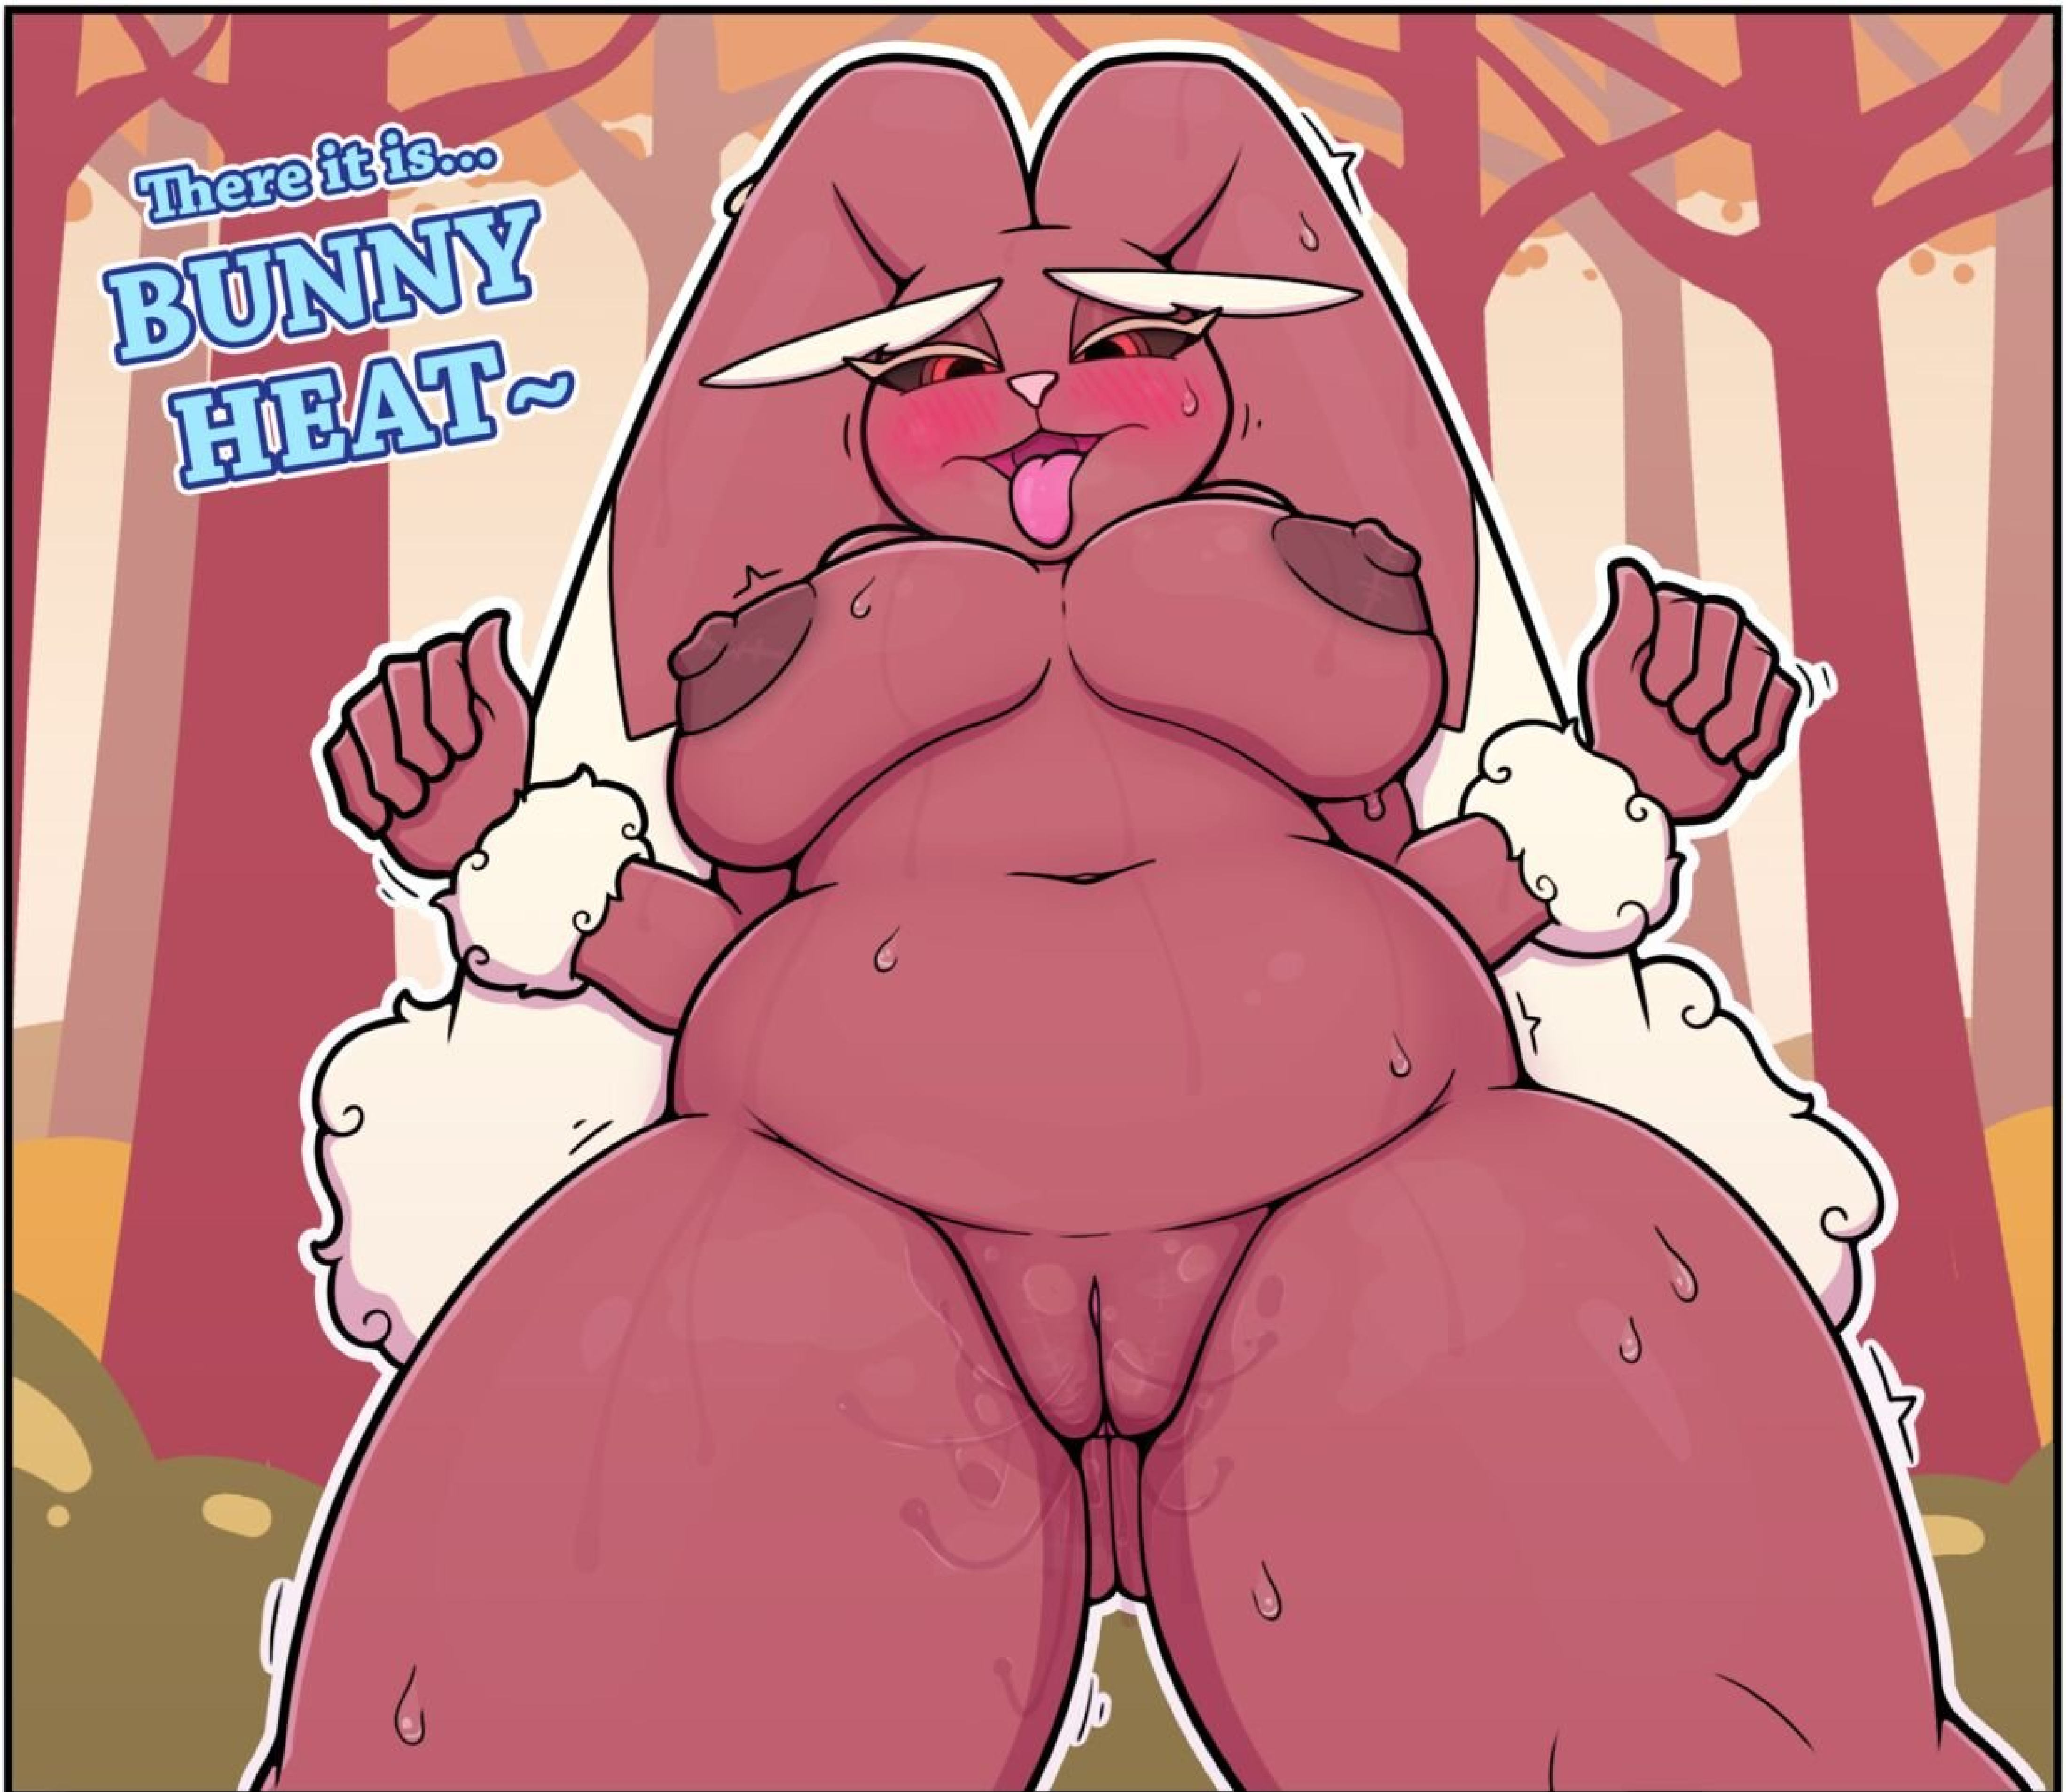

...

Lick Twice if
you agree.

...

Good Boy ~

Ahhh.. Ah!

Ahh! A-are you even listening to me!?

Ngggh... Cock!

Dammit jus-
Ah!

Mwaa!

Aaah!

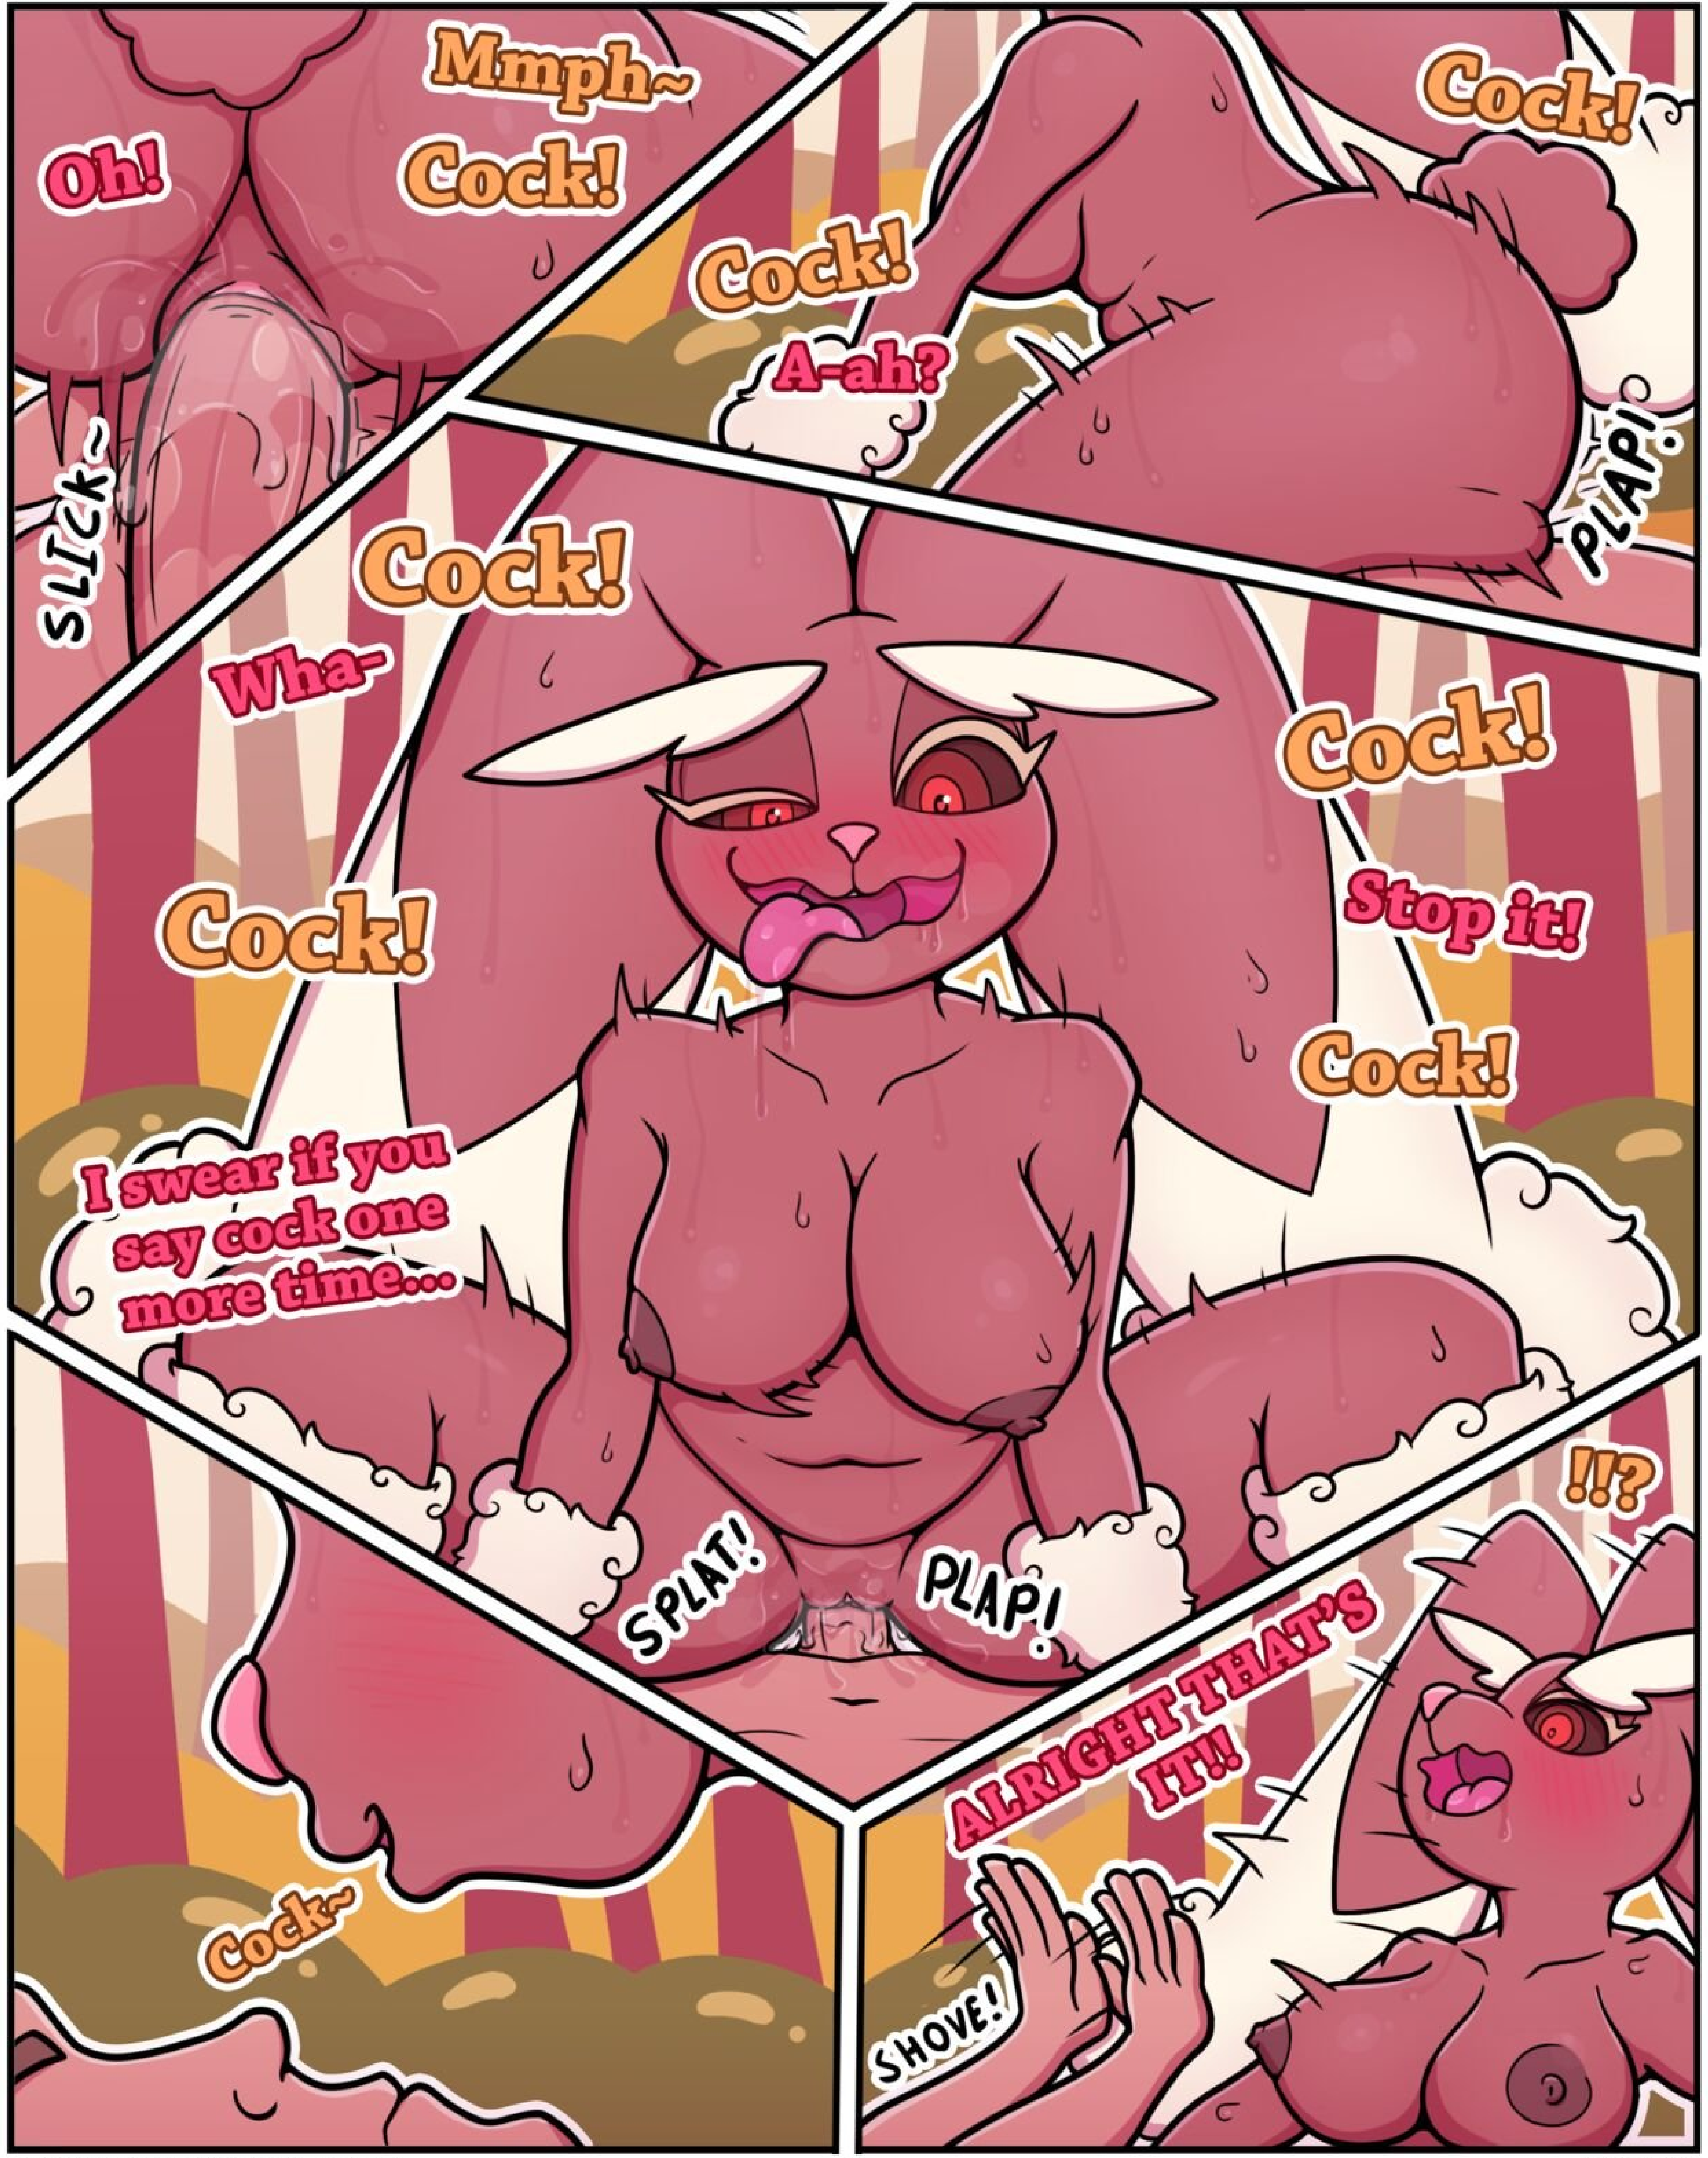

Oooh~

Plap!

Shlap!

Slap!

Splat!

Oh!

Mmph~
Cock!

Cock!

Cock!

A-ah?

Slick~

Cock!

Wha-

Cock!

Cock!

Stop it!

Cock!

I swear if you
say cock one
more time...

SPLAT!

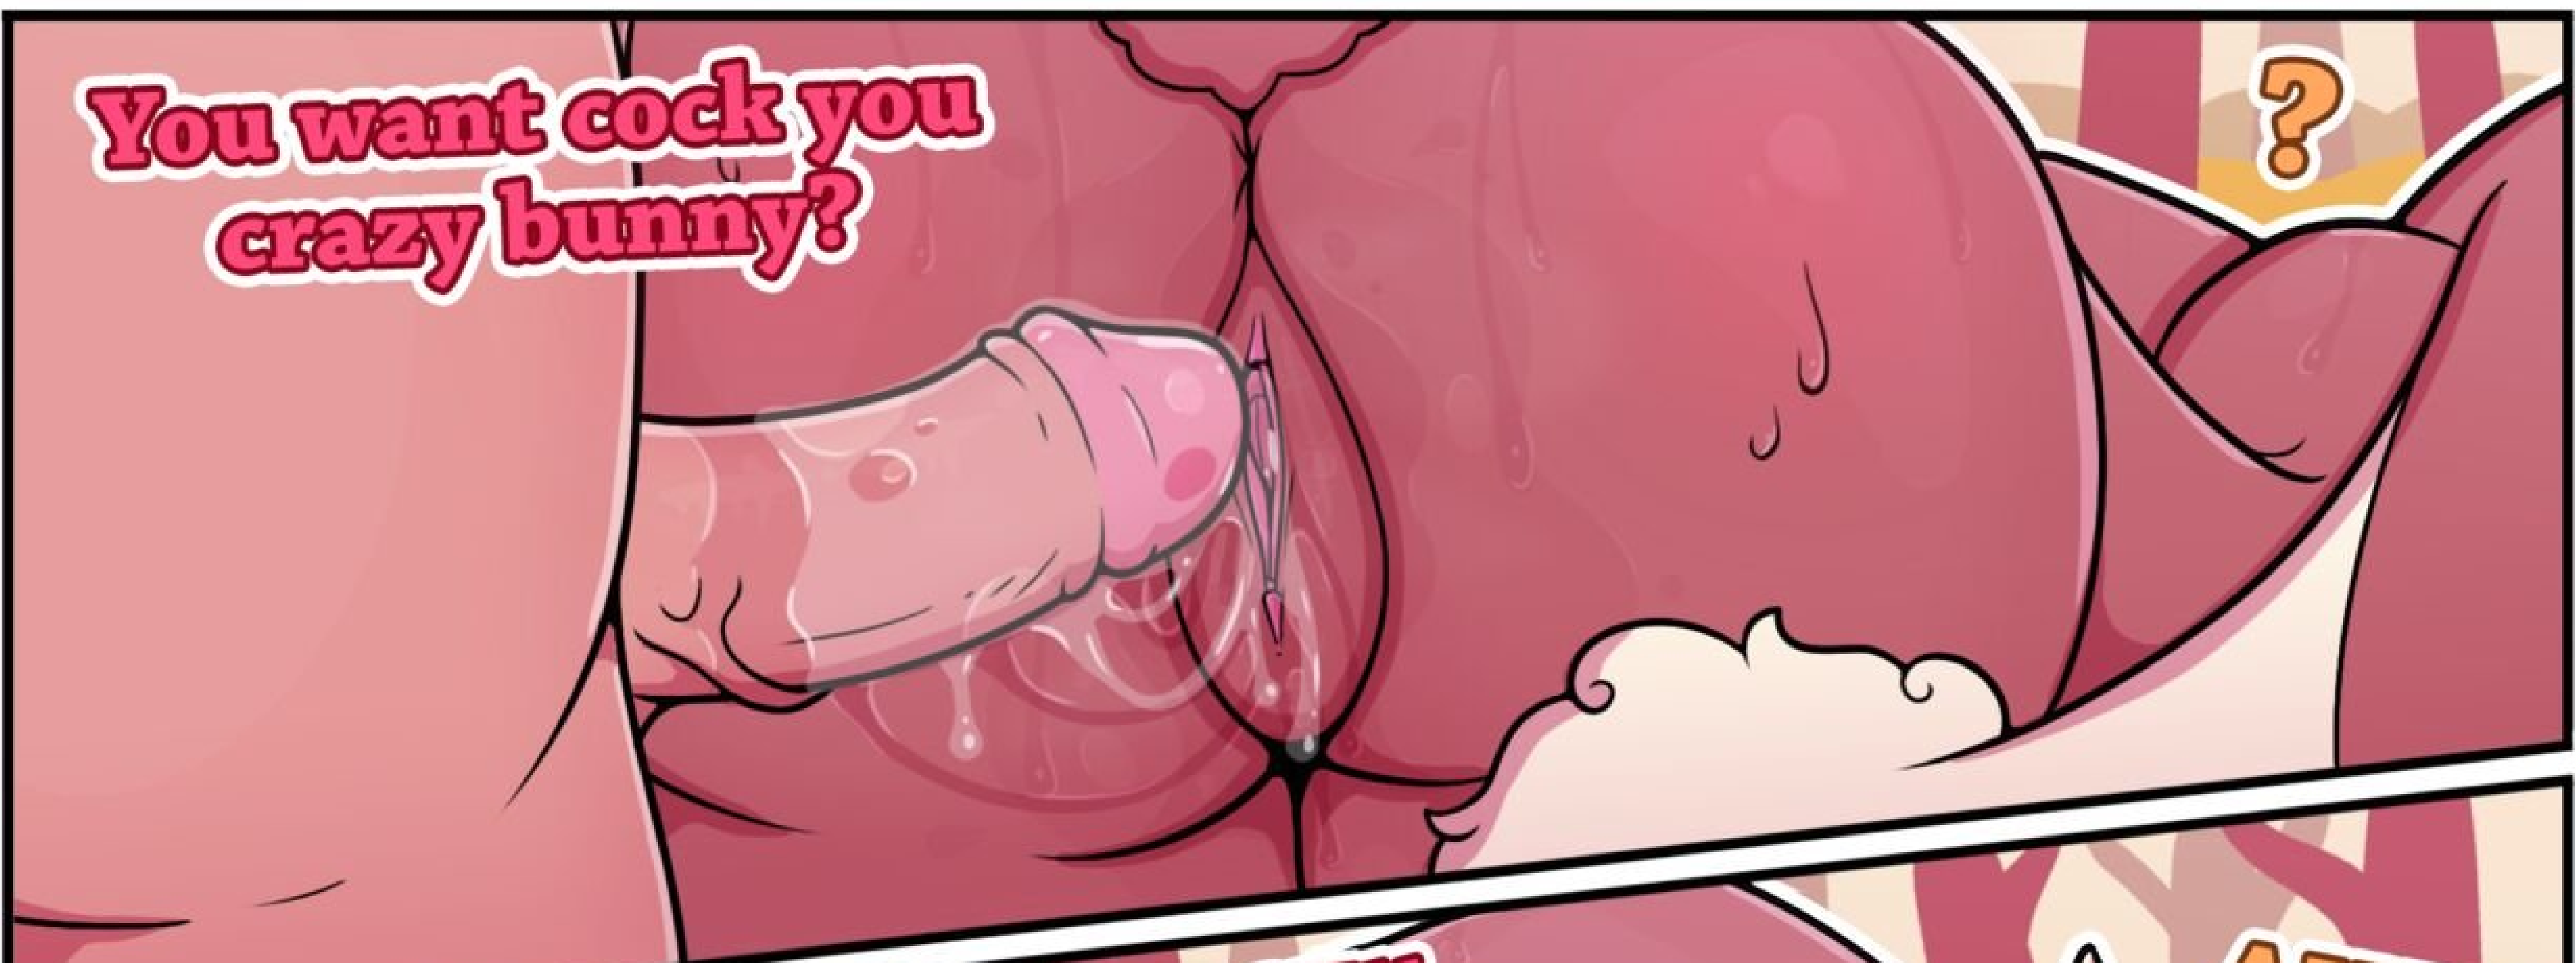

PLAP!

ALRIGHT THAT'S
IT!!

SHOVE!

Cock~

Well, I'd say that
went pretty well~

Now...

Who's next?

Mmh~

SPLURT!

Ok I admit, she's pretty sweet.

Yep. Great ass too~

A-also that...

So... She's gonna need a name.

Oh? What do you have in mind? Slut? Bunny hole? Locummies?

W-what!? No!

Look Master! Berries!

How about... Bibi?

Bibi? Huh. Little vanilla for my taste but you're the boss.

What about you? Do you have a name?

A n-name? Me?

Pfff! N-no. I've always just been "That Vaporeon" I never cared or thought about it that much r-really.

Well that just won't do!

How about...
