

W-WOW!

T-This is h--
how they do
ANAL SEX in
AMERICA?!

F... Fuck...

Day 1

My trip to America began with a visit to the beach. There, I met some **lovely**, fit gentlemen, who showed me many **amazing** methods for keeping fit, which will surely help with my **stamina** at work.

Day 2

On my second day in America, I visited a food vendor who had set up in a lovely park. He treated me to his **delicious sausage**, complete with his **personalized sauce!**

Hmm...
This hotdog
could use
some...

SPECIAL
SAUCE~

Day 3

Mayor and I visited the beach for a free day. America can get **SO** hot sometimes! Luckily, I brought sun screen with me, and Mayor was **more than happy** to help me apply it.

Whoever
tips the
most...

Day 4
I went to an
exciting party
tonight. We don't
have a club in our
town - but it
seems like a
wonderful way to
earn a living. I
enjoyed it, atleast.

Gets to
FUCK me!
RAW!

Day 5

Most of my time today was spent just **relaxing** in the hotel room that Mayor booked for me. Luckily, I've made **many friends** since coming to America - so I had plenty of options for **company**! I got to know all of them a lot more **closely** than I did before. It was fun!

Ahnr
Being so
NAUGHTY...

...Even though
ANYONE could
be watching..!

Day 6

A vacation to America would not be complete without going to see a game of **American Football**. Unfortunately, I actually found the sport to be quite **boring**, and I ended up getting rather **distracted** throughout.

Hey hey,
Mayor-san!
Did you know?

I'm not
wearing
UNDIES!
Look!

W-

Wow.
