A cinematic scene from a video game showing two women in black dresses embracing on a rooftop at night. The woman with dark hair is hugging the woman with red hair from behind. They are both looking down, and the woman with red hair has her hand near her face. The background shows a city skyline under a dark sky.

Samantha: Mmmmmnnmm....
(THIS....This feels...Incredible...?!)

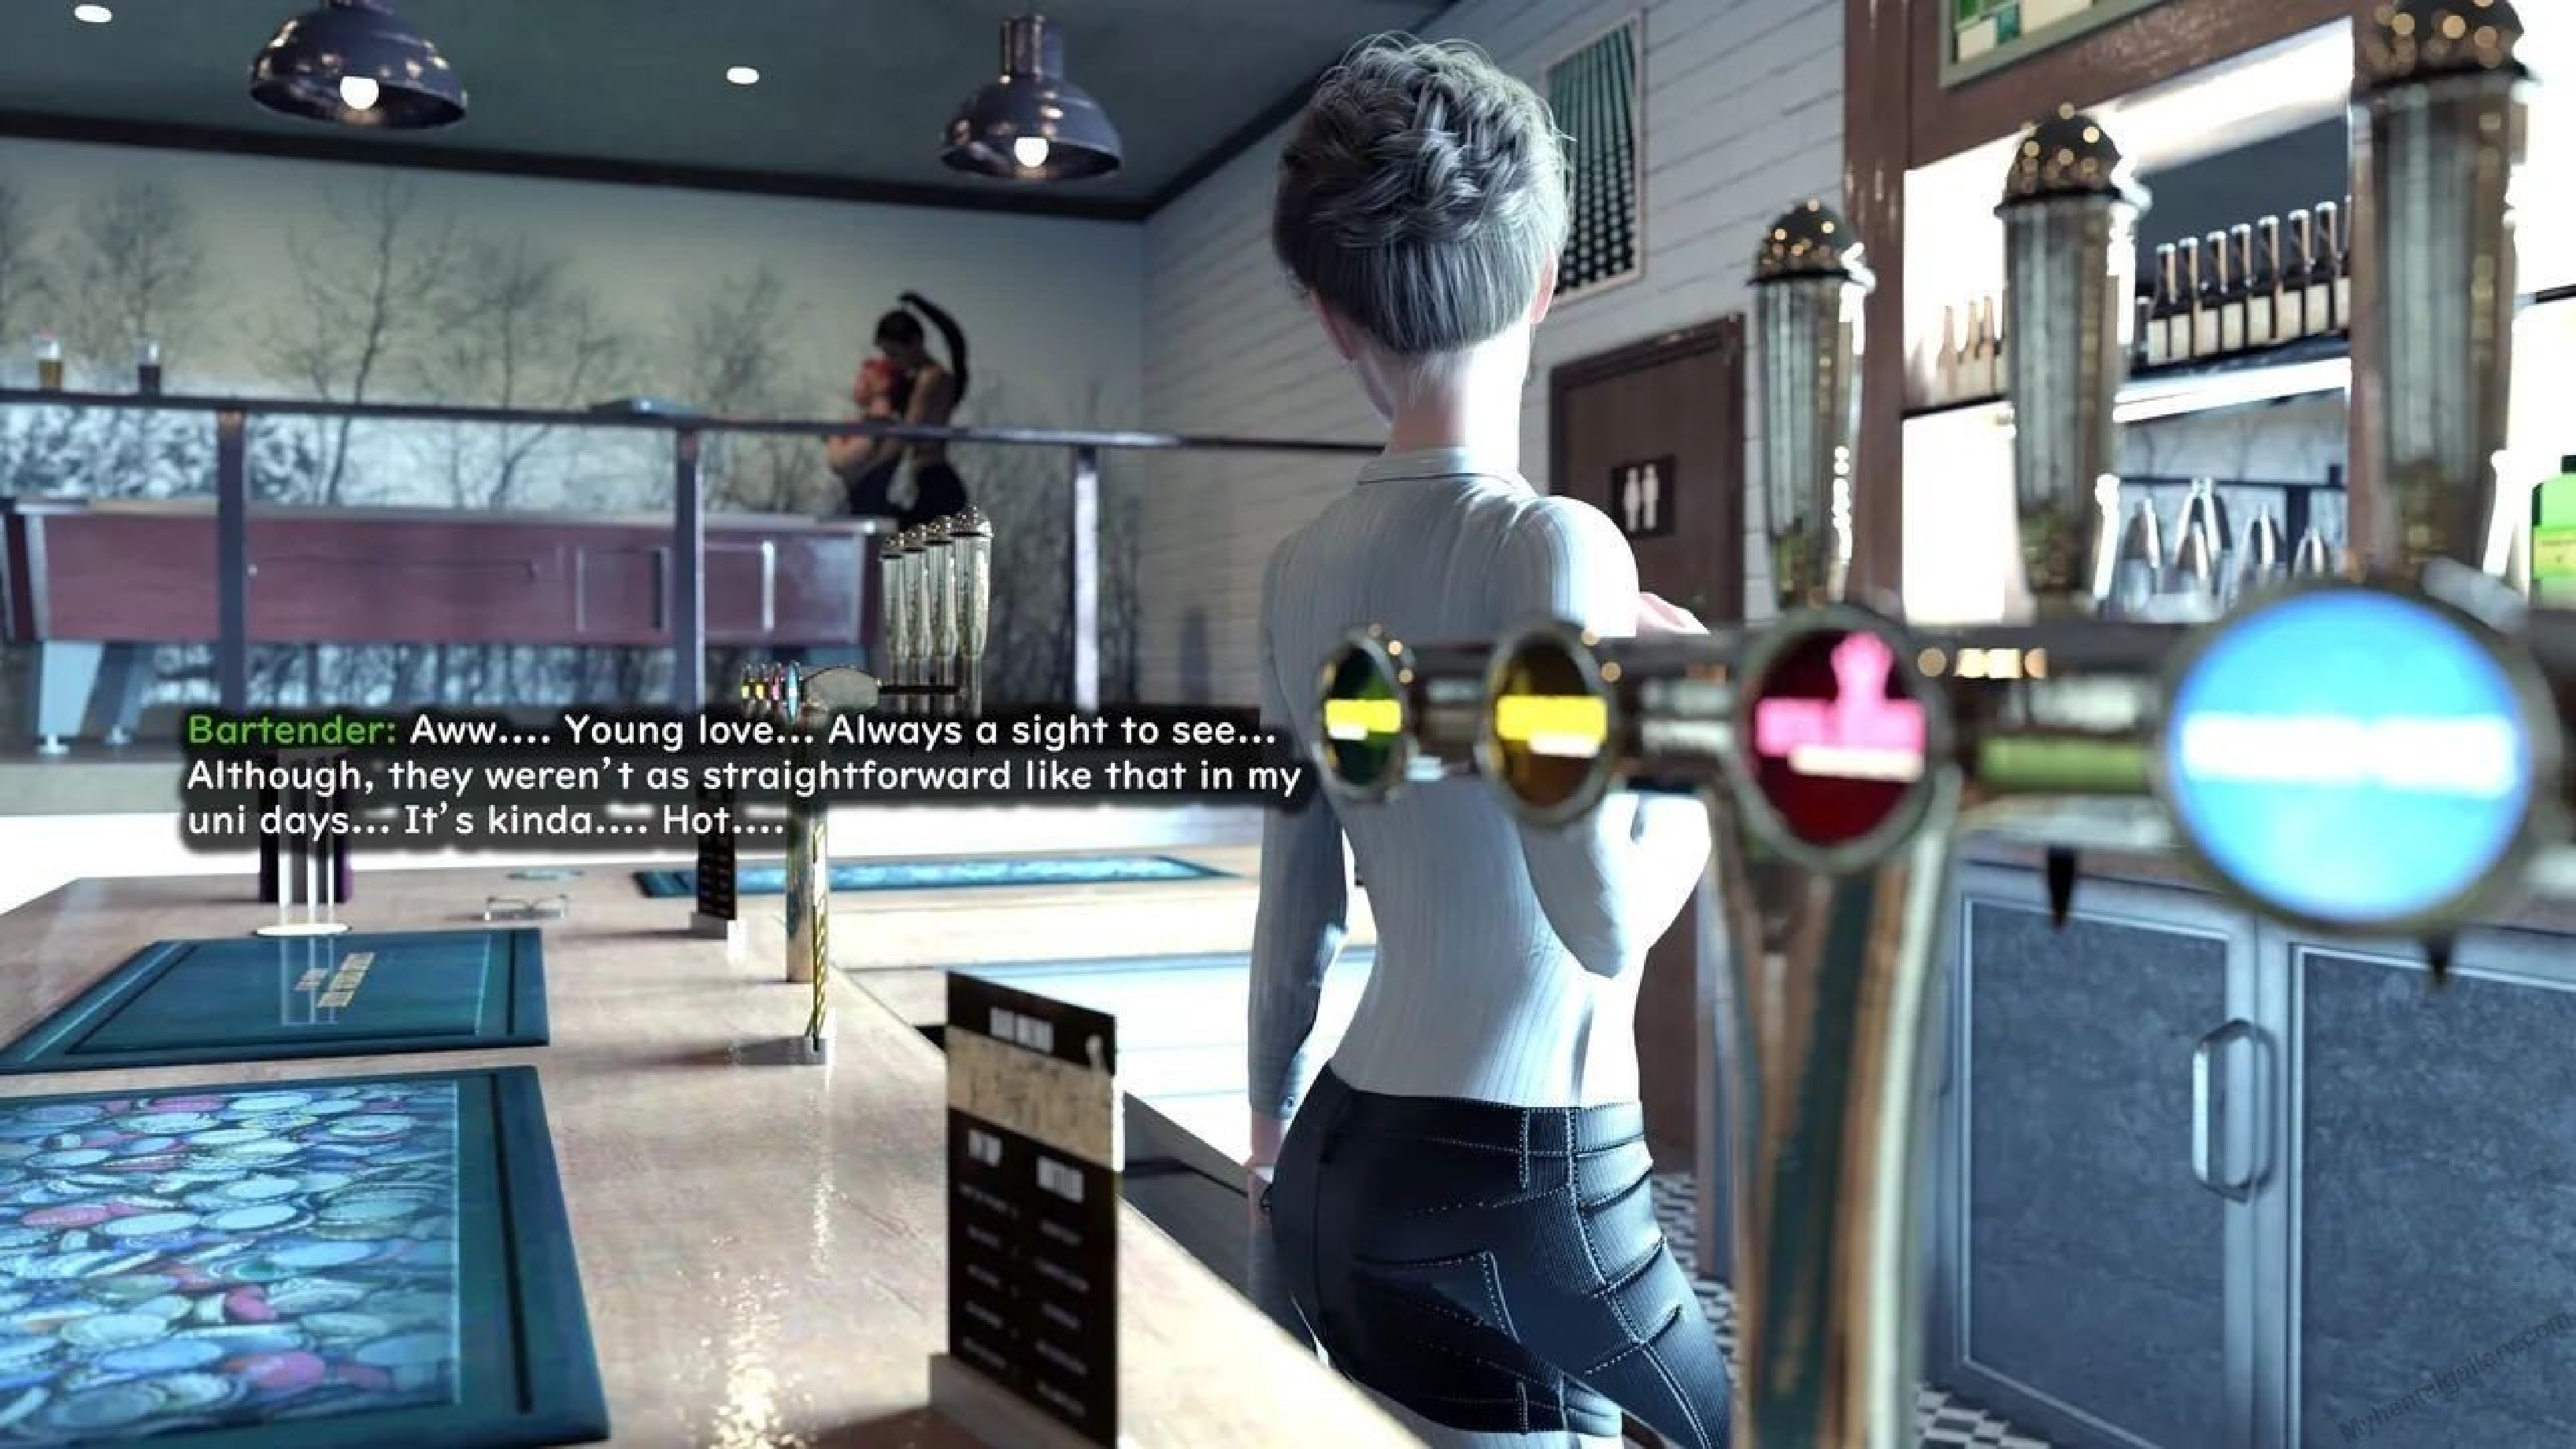

Jacqueline: Mmmhmmnn...

W-Wait... No, not here....

Jacqueline: As much as I want to bend you over and raw dog you right here and now, I guess you're right... So then... Your place...?

A low-angle shot of a woman's legs as she walks in a modern, dimly lit interior. She is wearing a black, form-fitting dress and black high-heeled shoes. The floor is made of light-colored wood. In the background, there are green armchairs and a bar area with stools. The lighting is moody, with some purple and blue tones.

Jacqueline: Oh baby... After tonight...
You'll forget he even existed once I'm done with
you... I can guarantee that...

Samantha: T-This feels wrong though...
I-I have a boyfriend...
