

Jazzy-Belle of the Ball

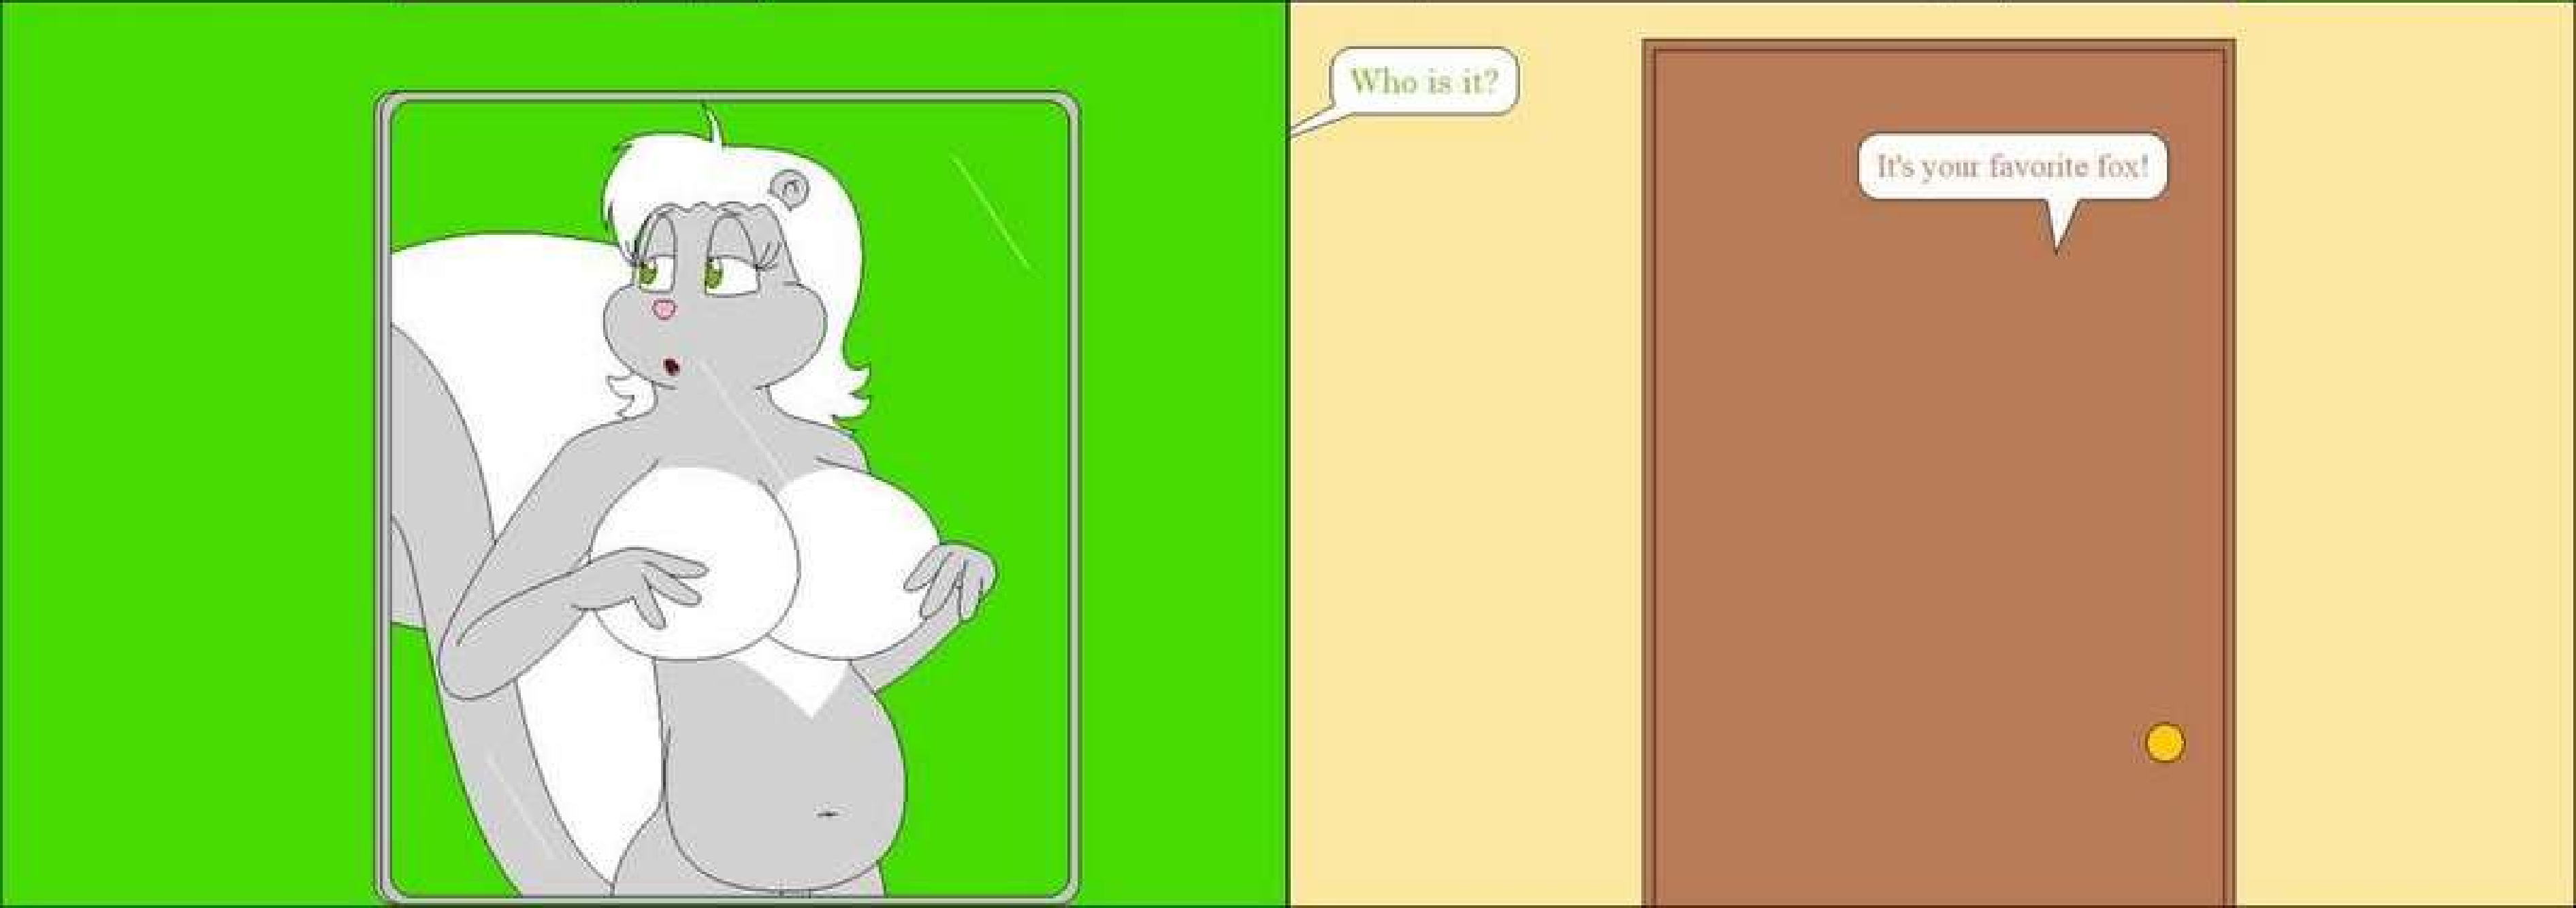

247 pounds? Oh, dear.

I mean, skunks are supposed to be fluffy, but I seem to be fluffier than most skunks.

Who is it?

It's your favorite fox!

Dustin, please. It's okay. You were really looking forward to coming here tonight, and I don't want you to miss out. If I have to because of a rule, it's okay. You can just go inside and I'll find something else to do.

This may have to be a date night where we're separated. We'll try again next week. I'll be okay, I promise.

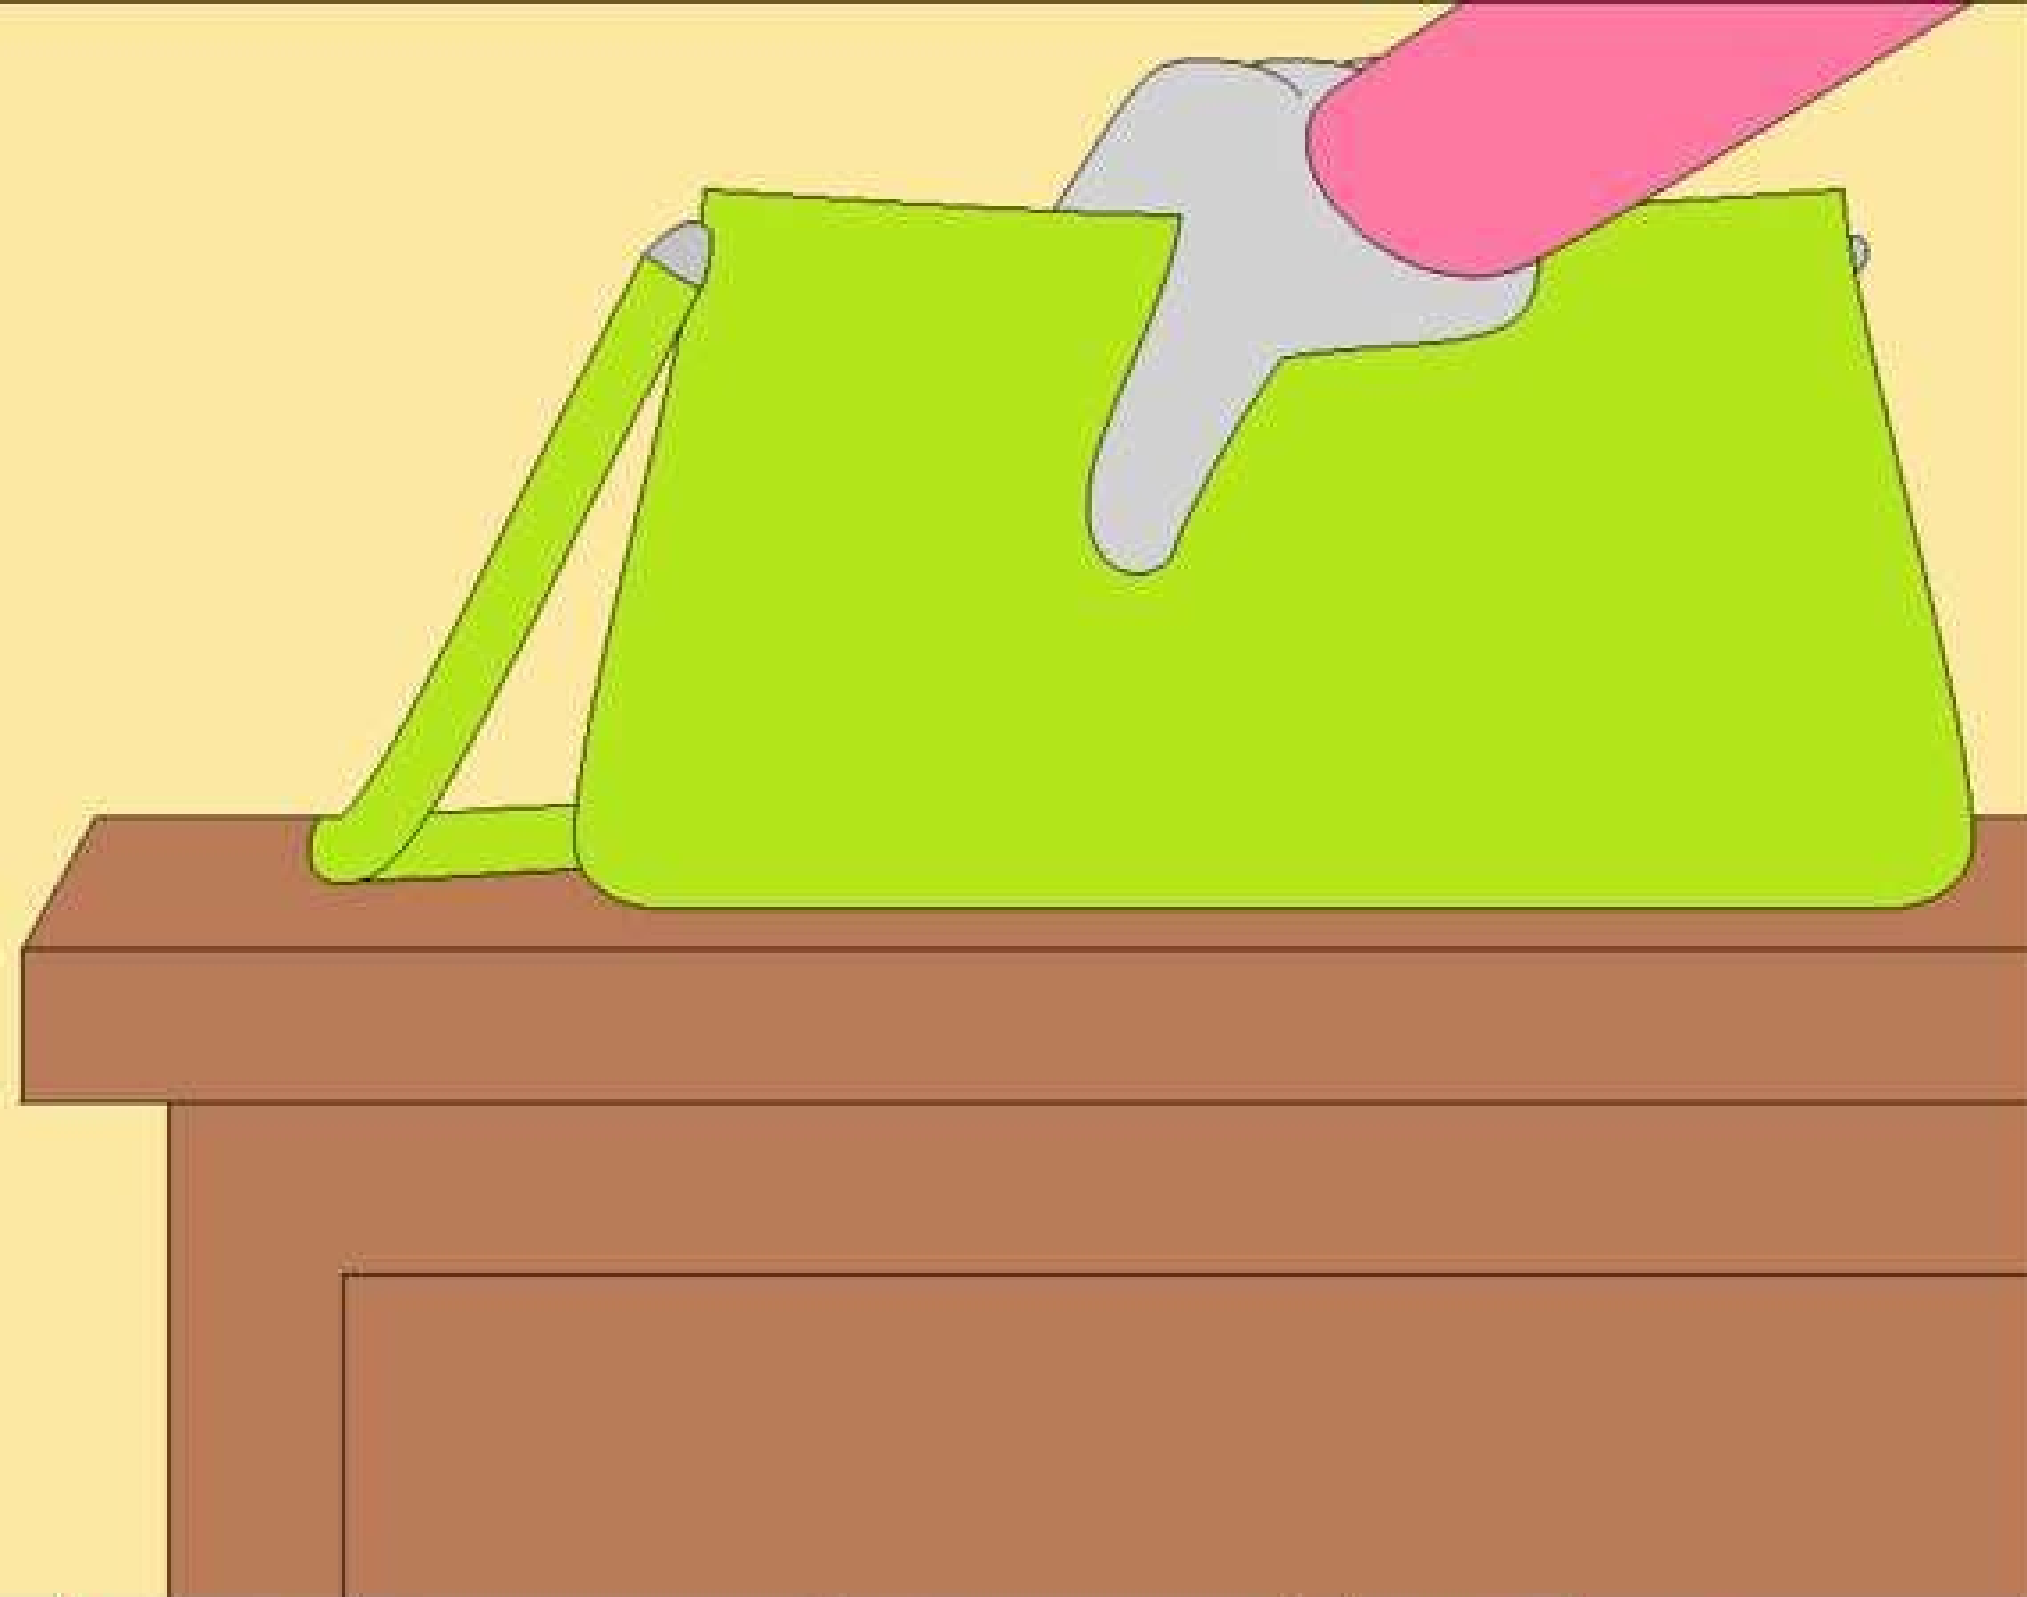

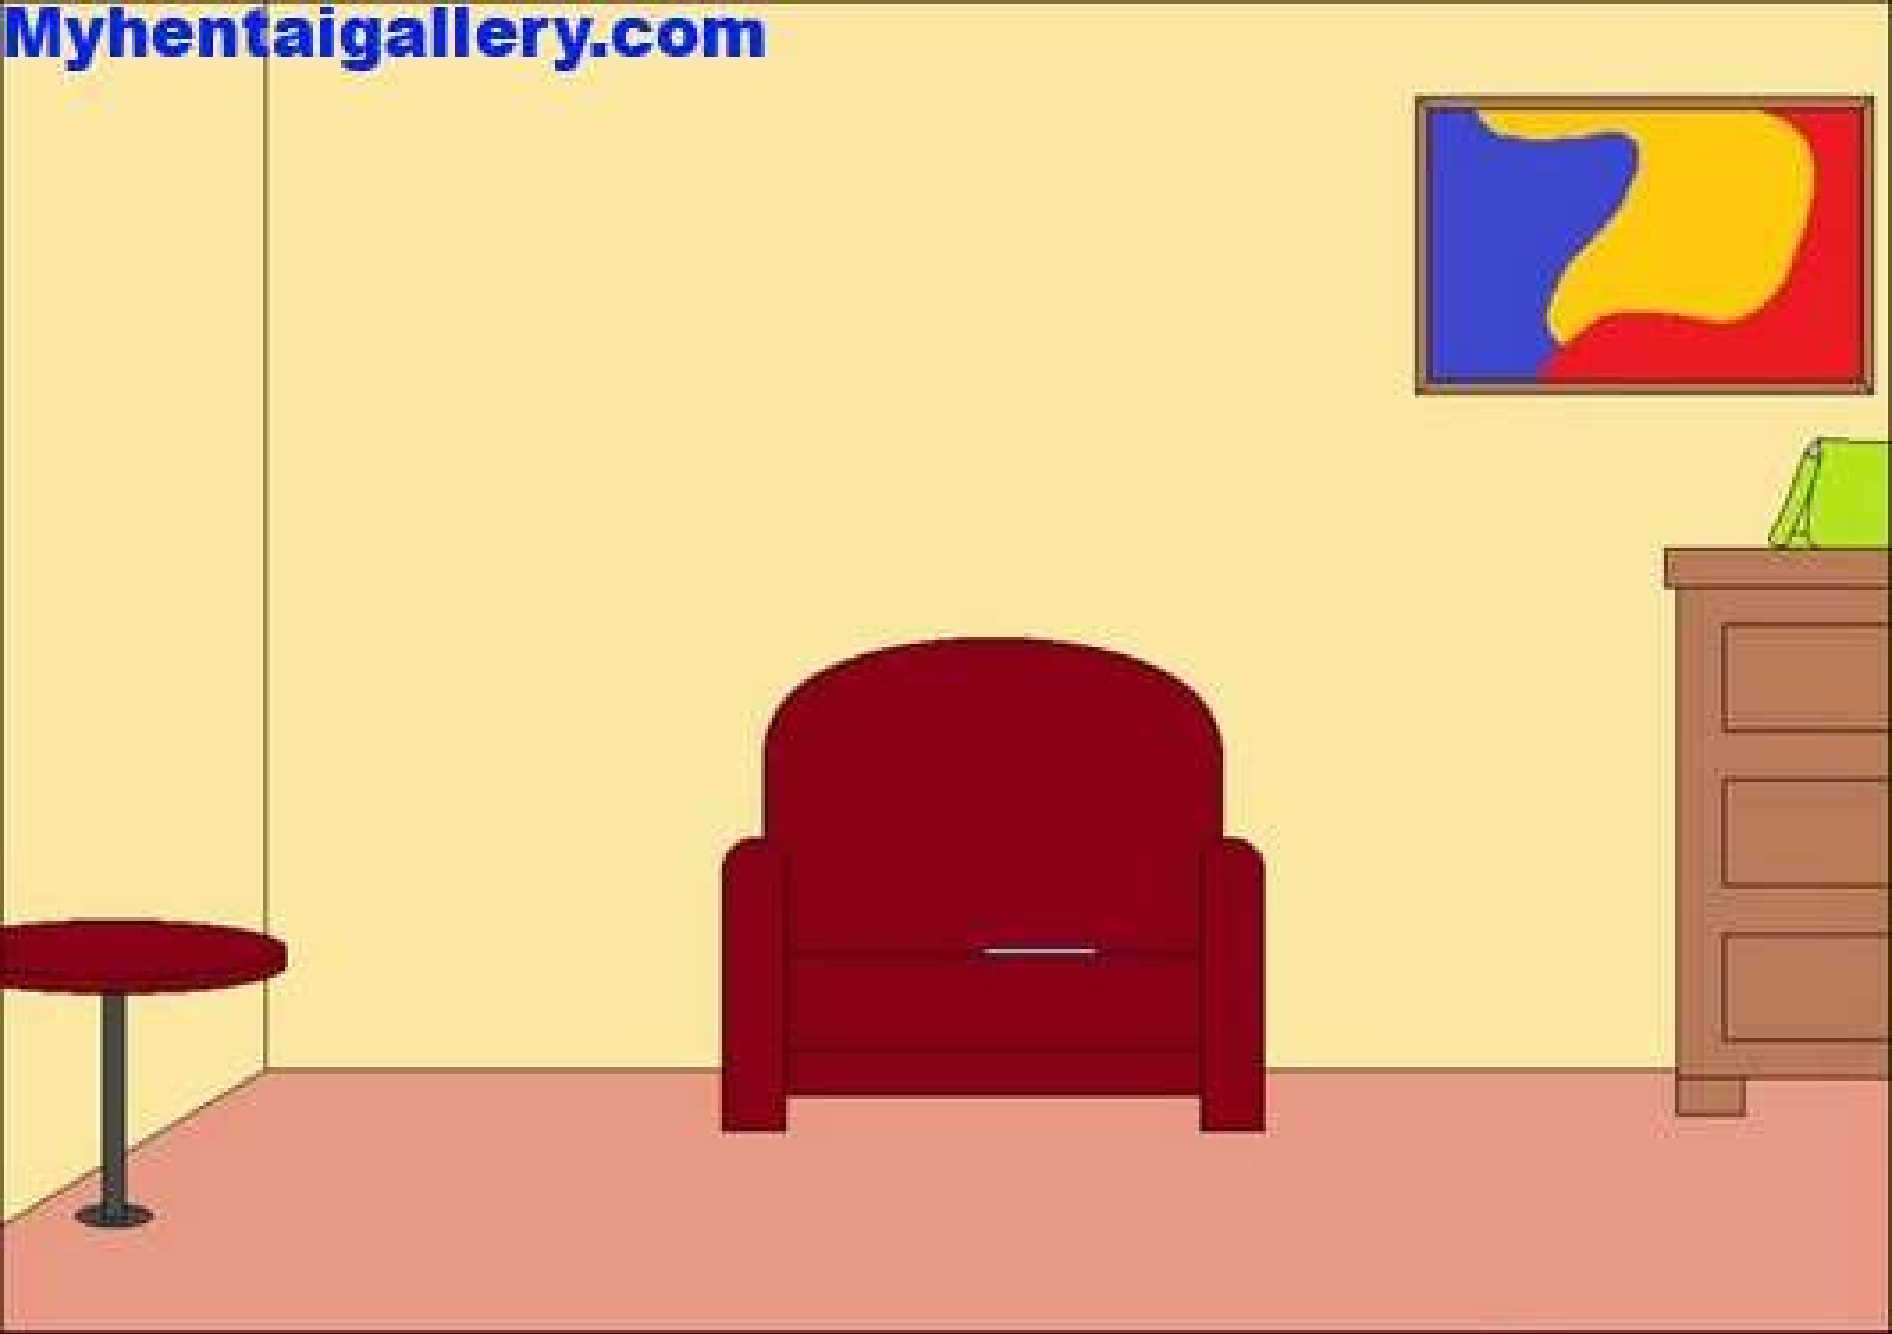

But it doesn't seem fair. I wanted to bring you here for our date night.

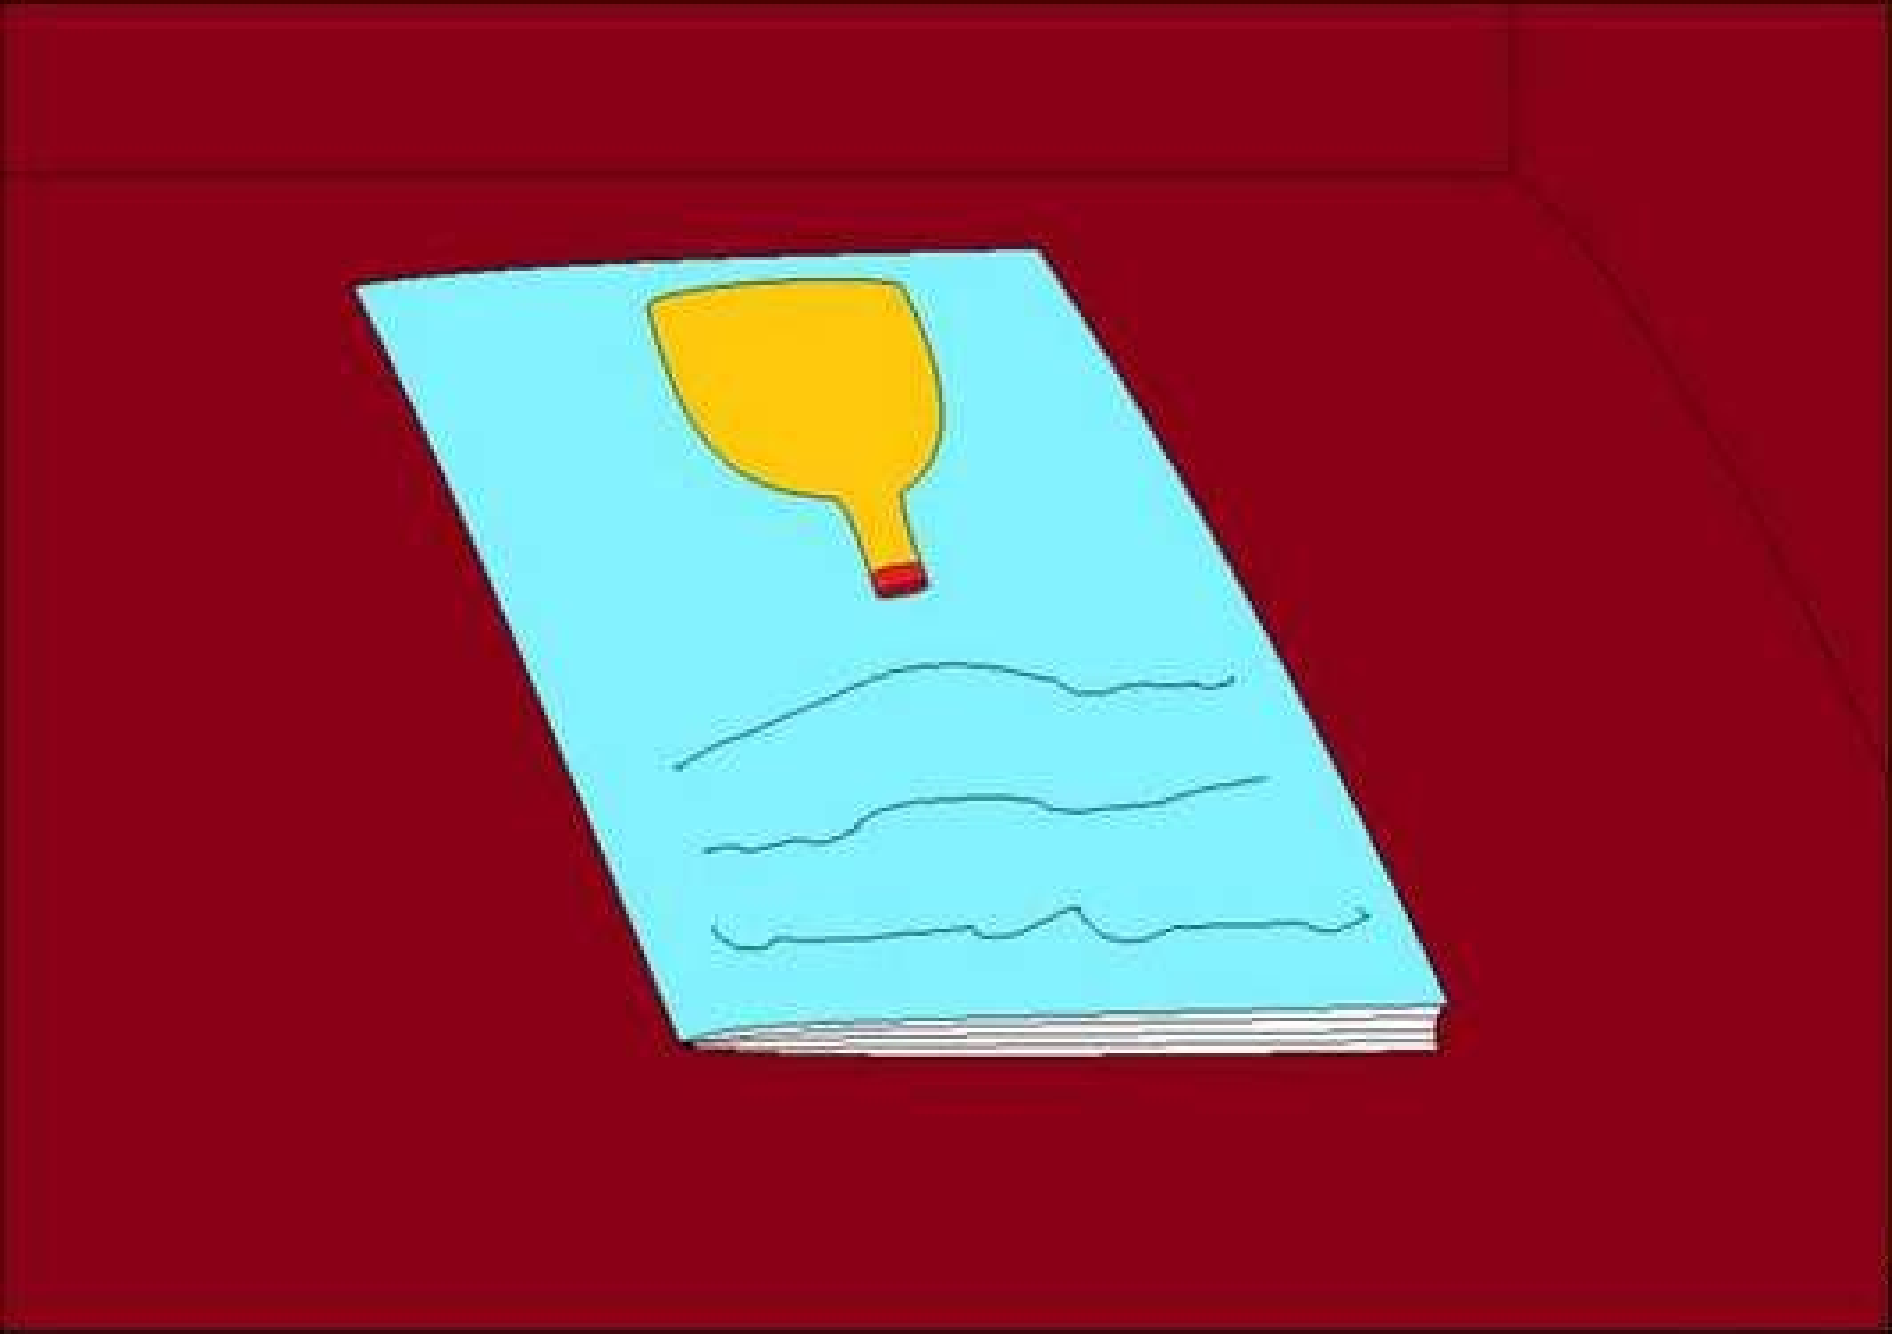

Okay then, babe...

Over here!

PLAYFOX

Hello.

Man. It's good to be outta there.

I...I can hardly believe my eyes.

Nice to meet you sweetheart. Name's Alexandra, but you can call me Alex.

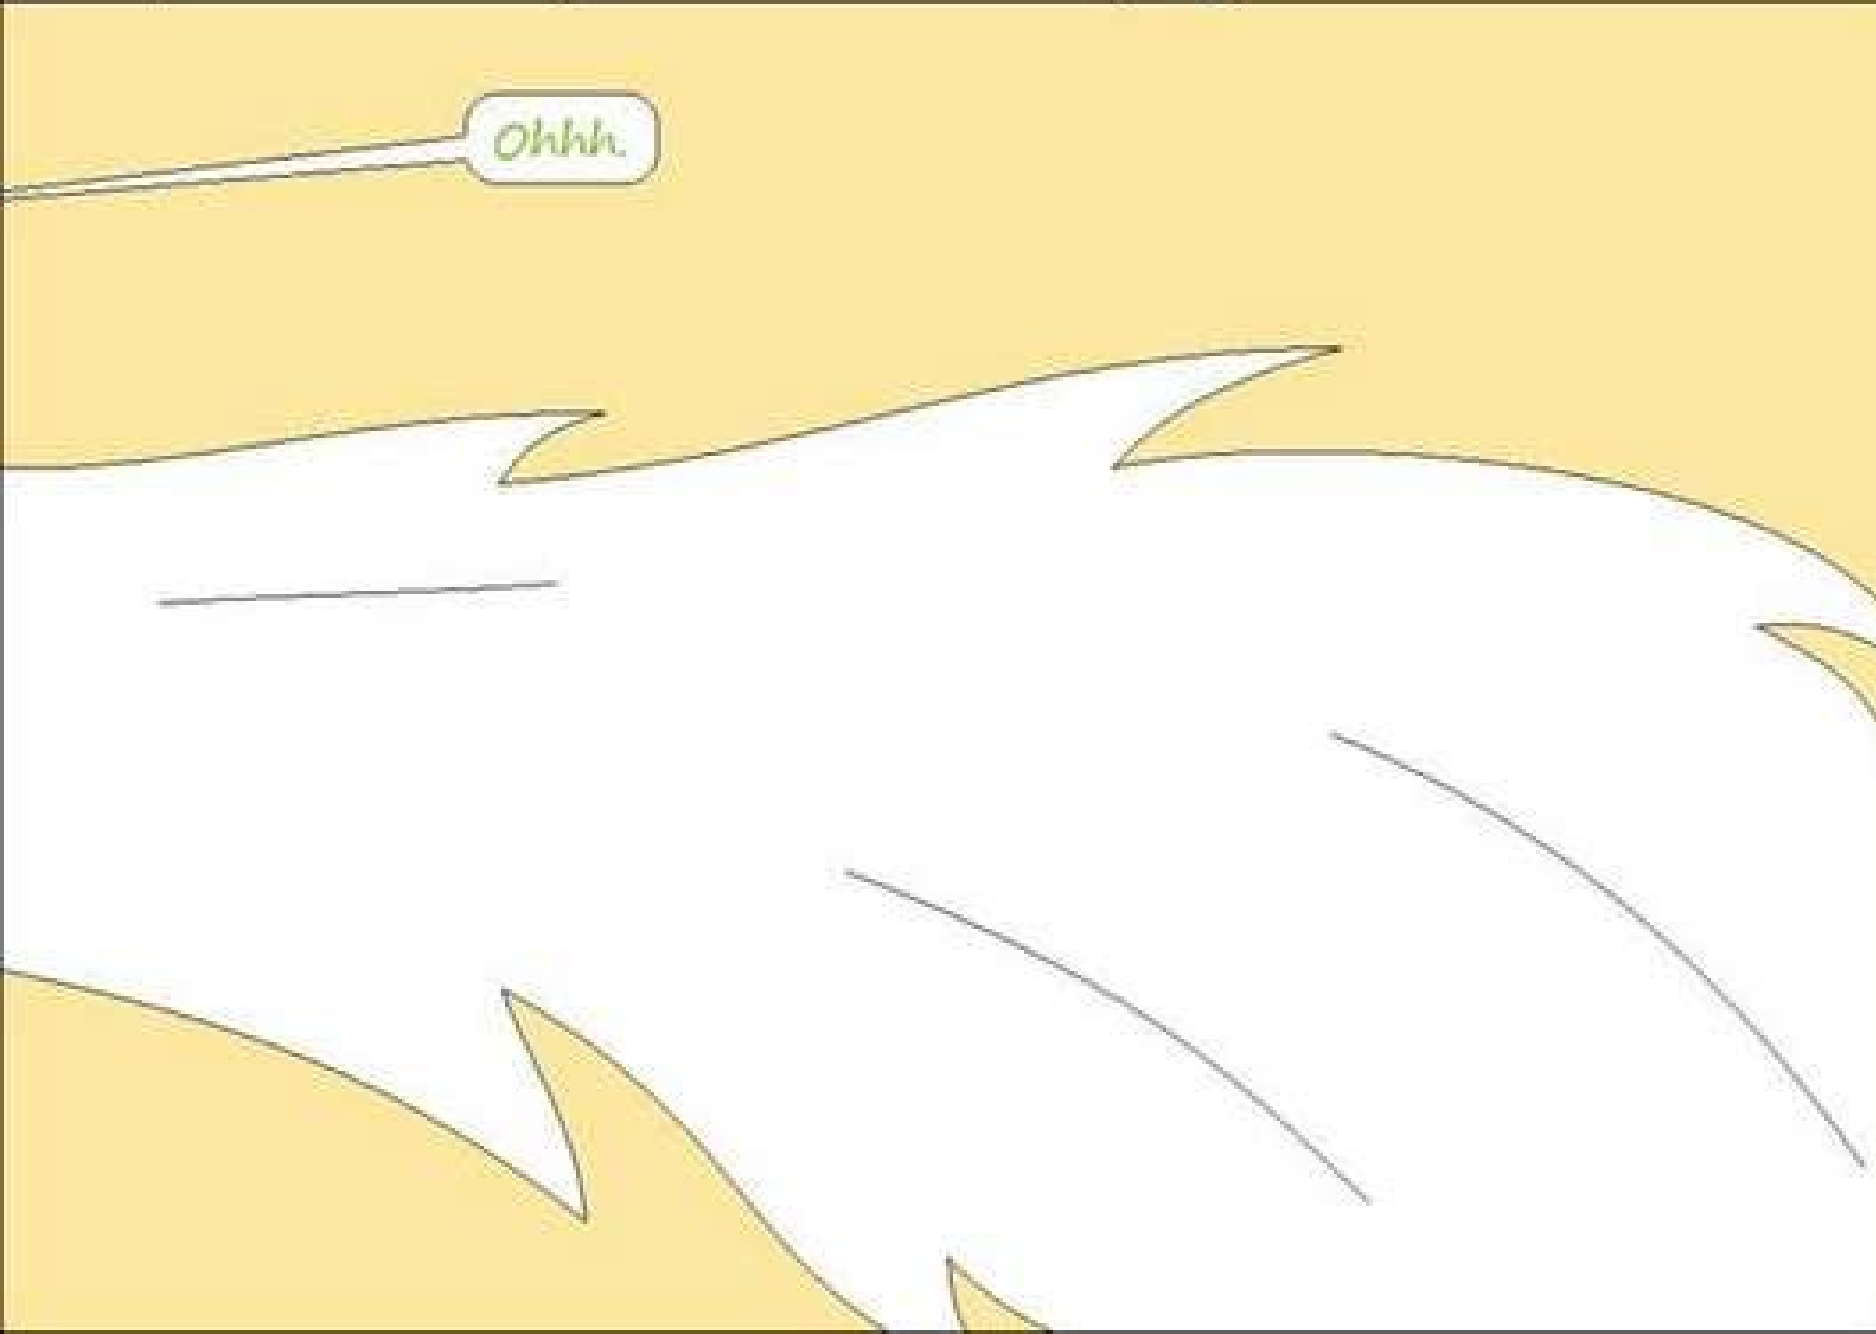

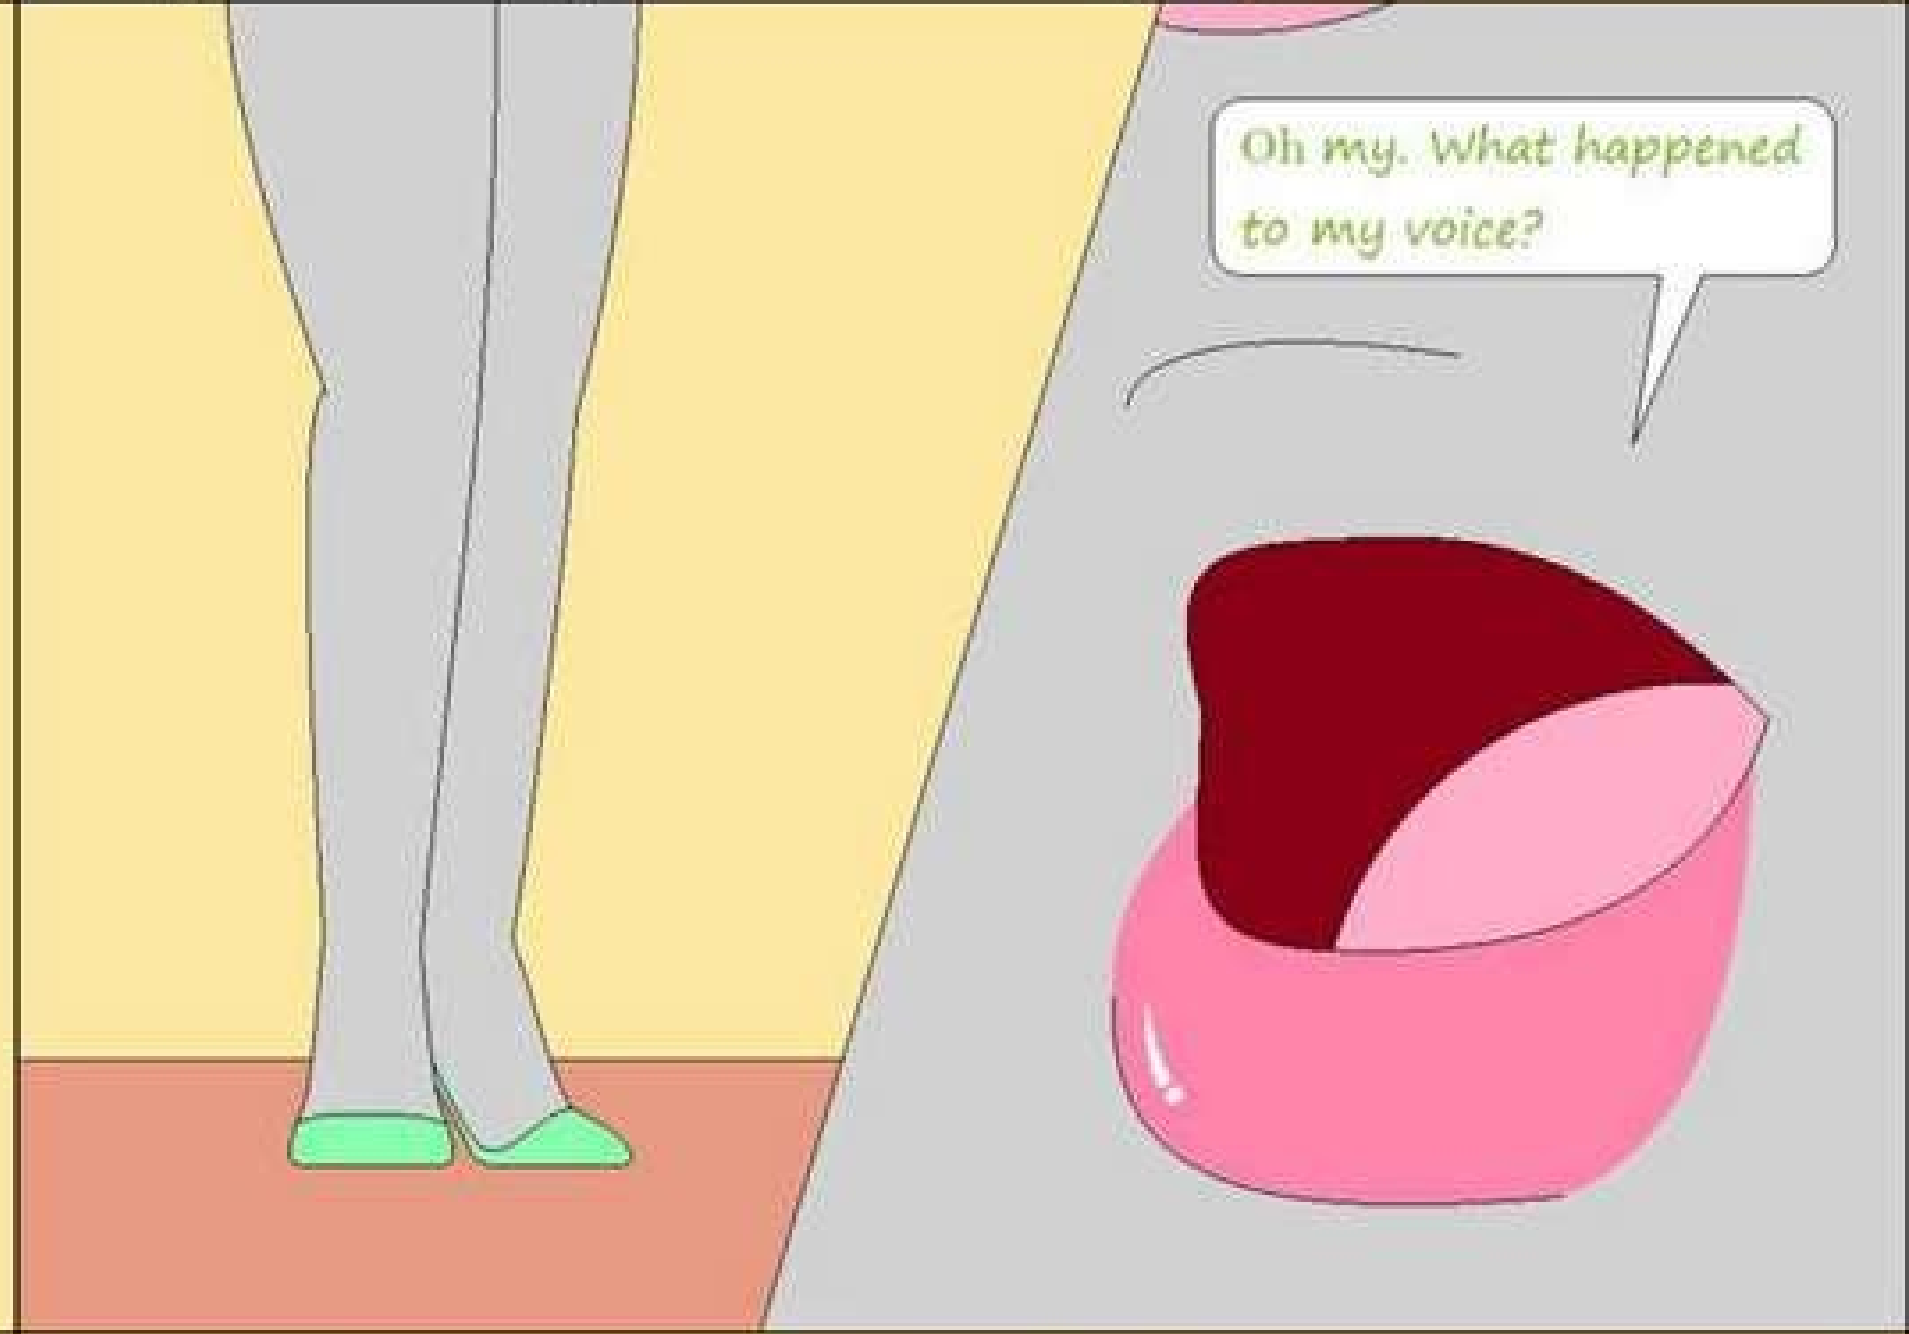

And I am your Sexy Godwoman.

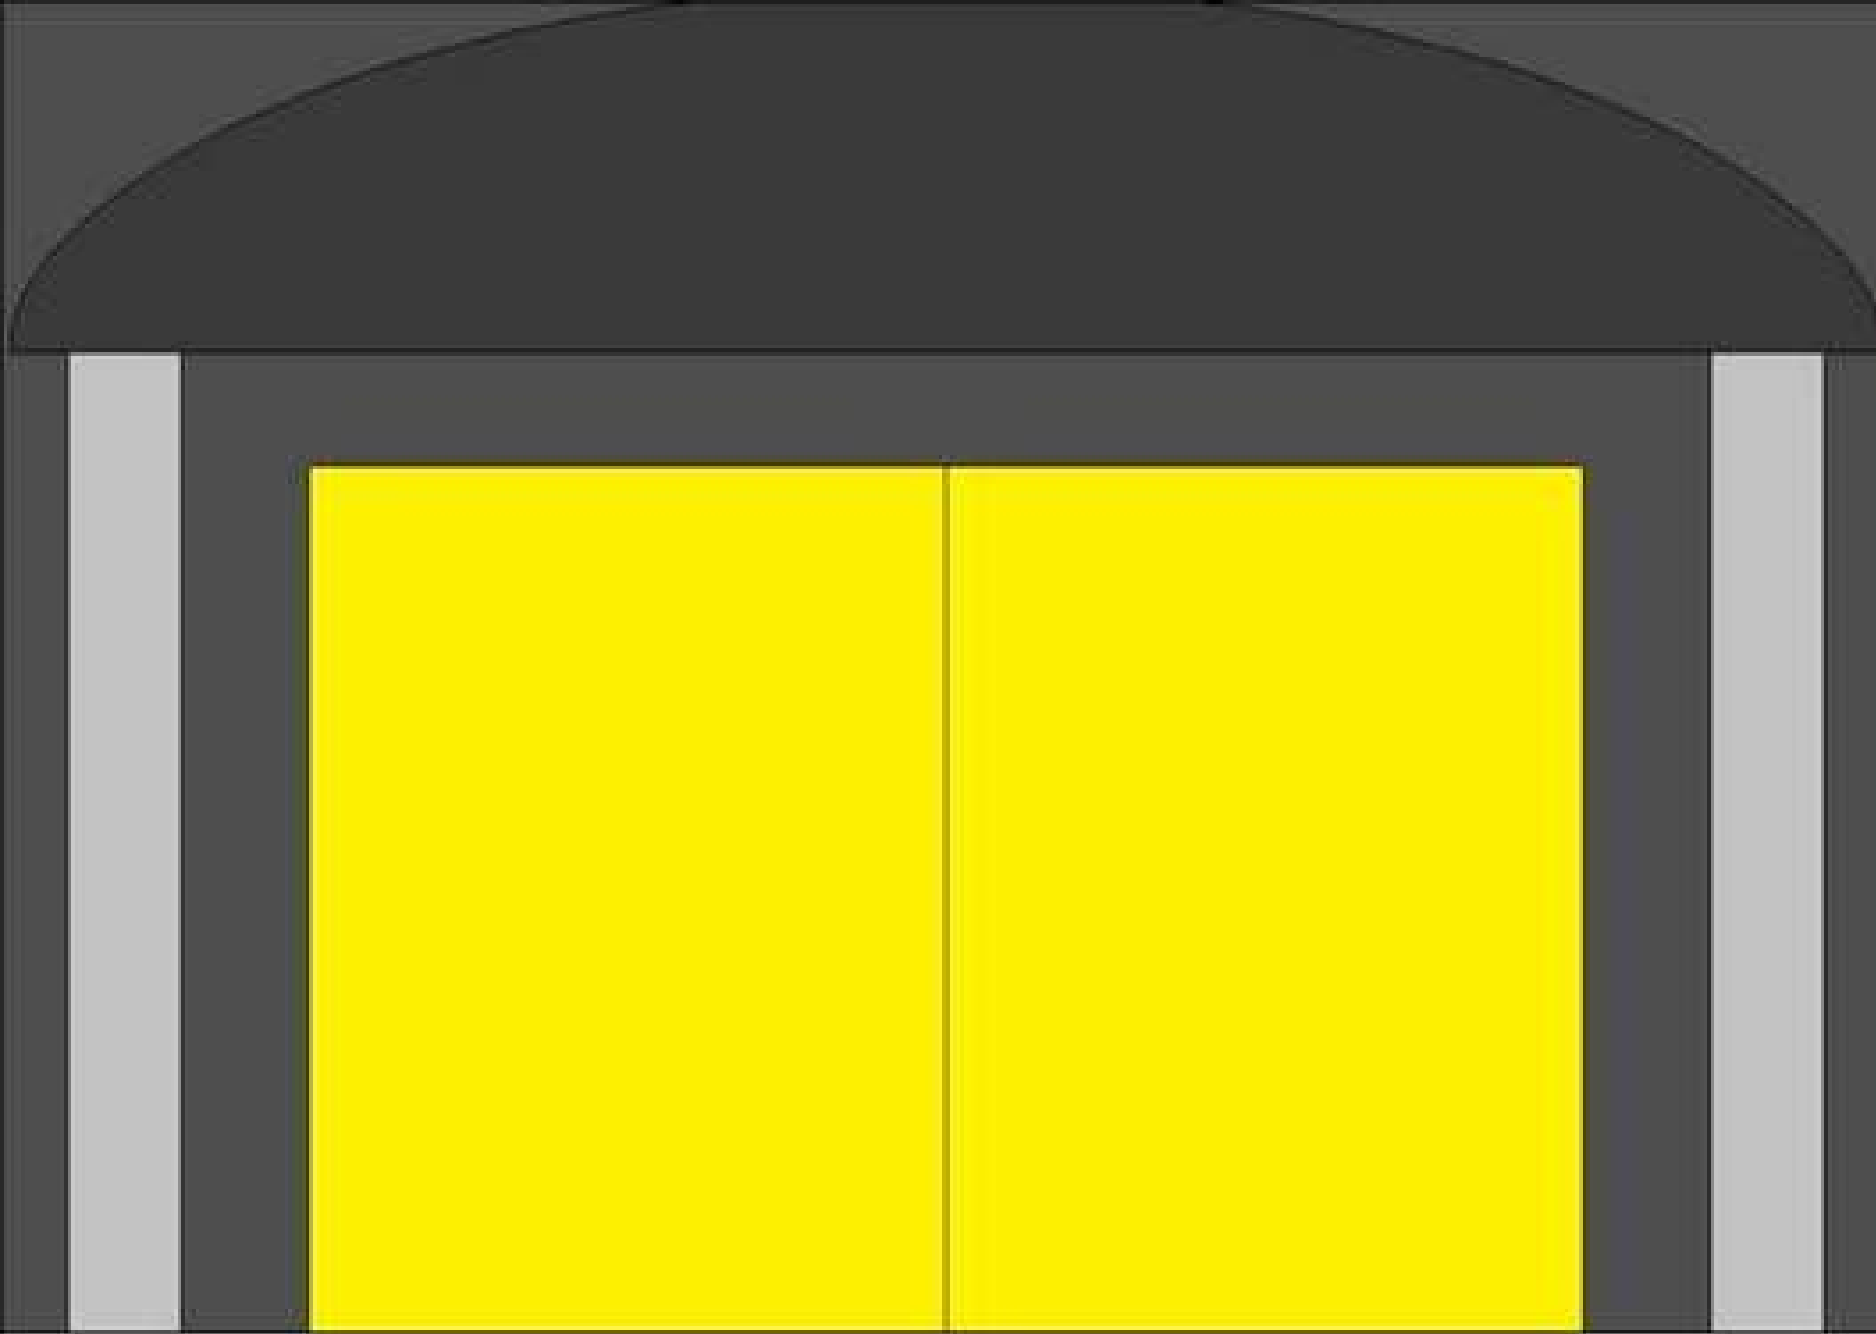

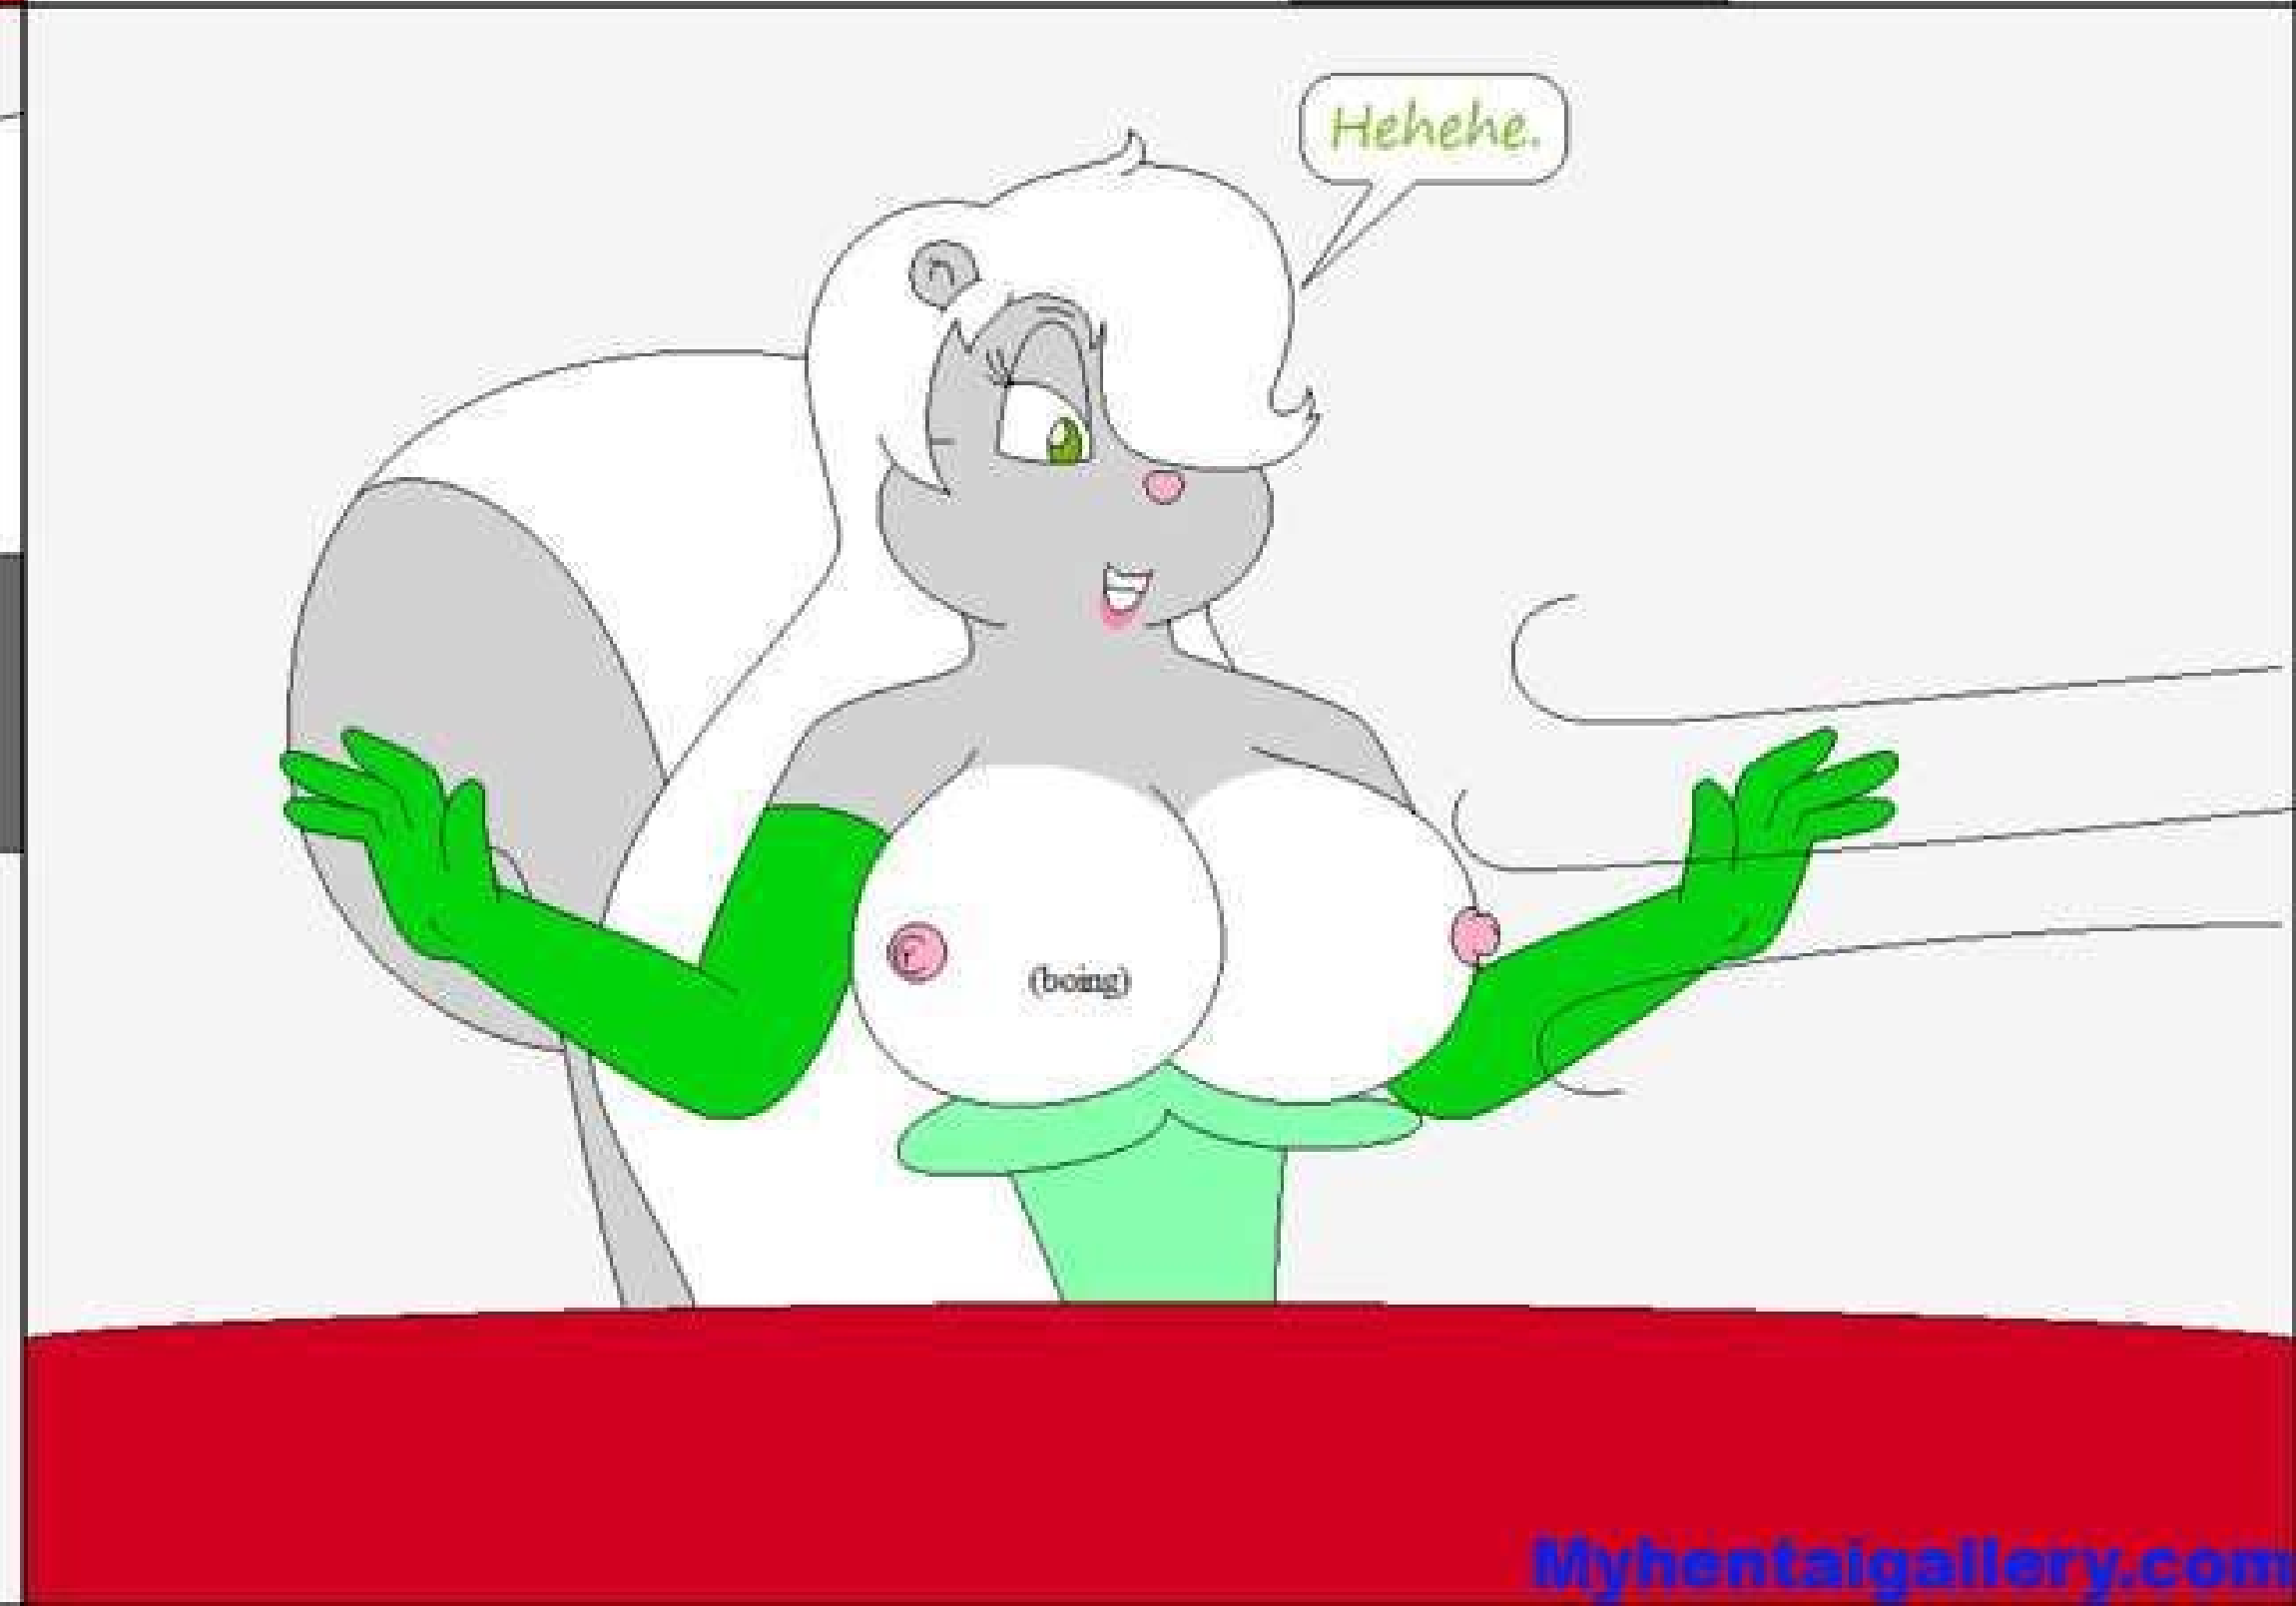

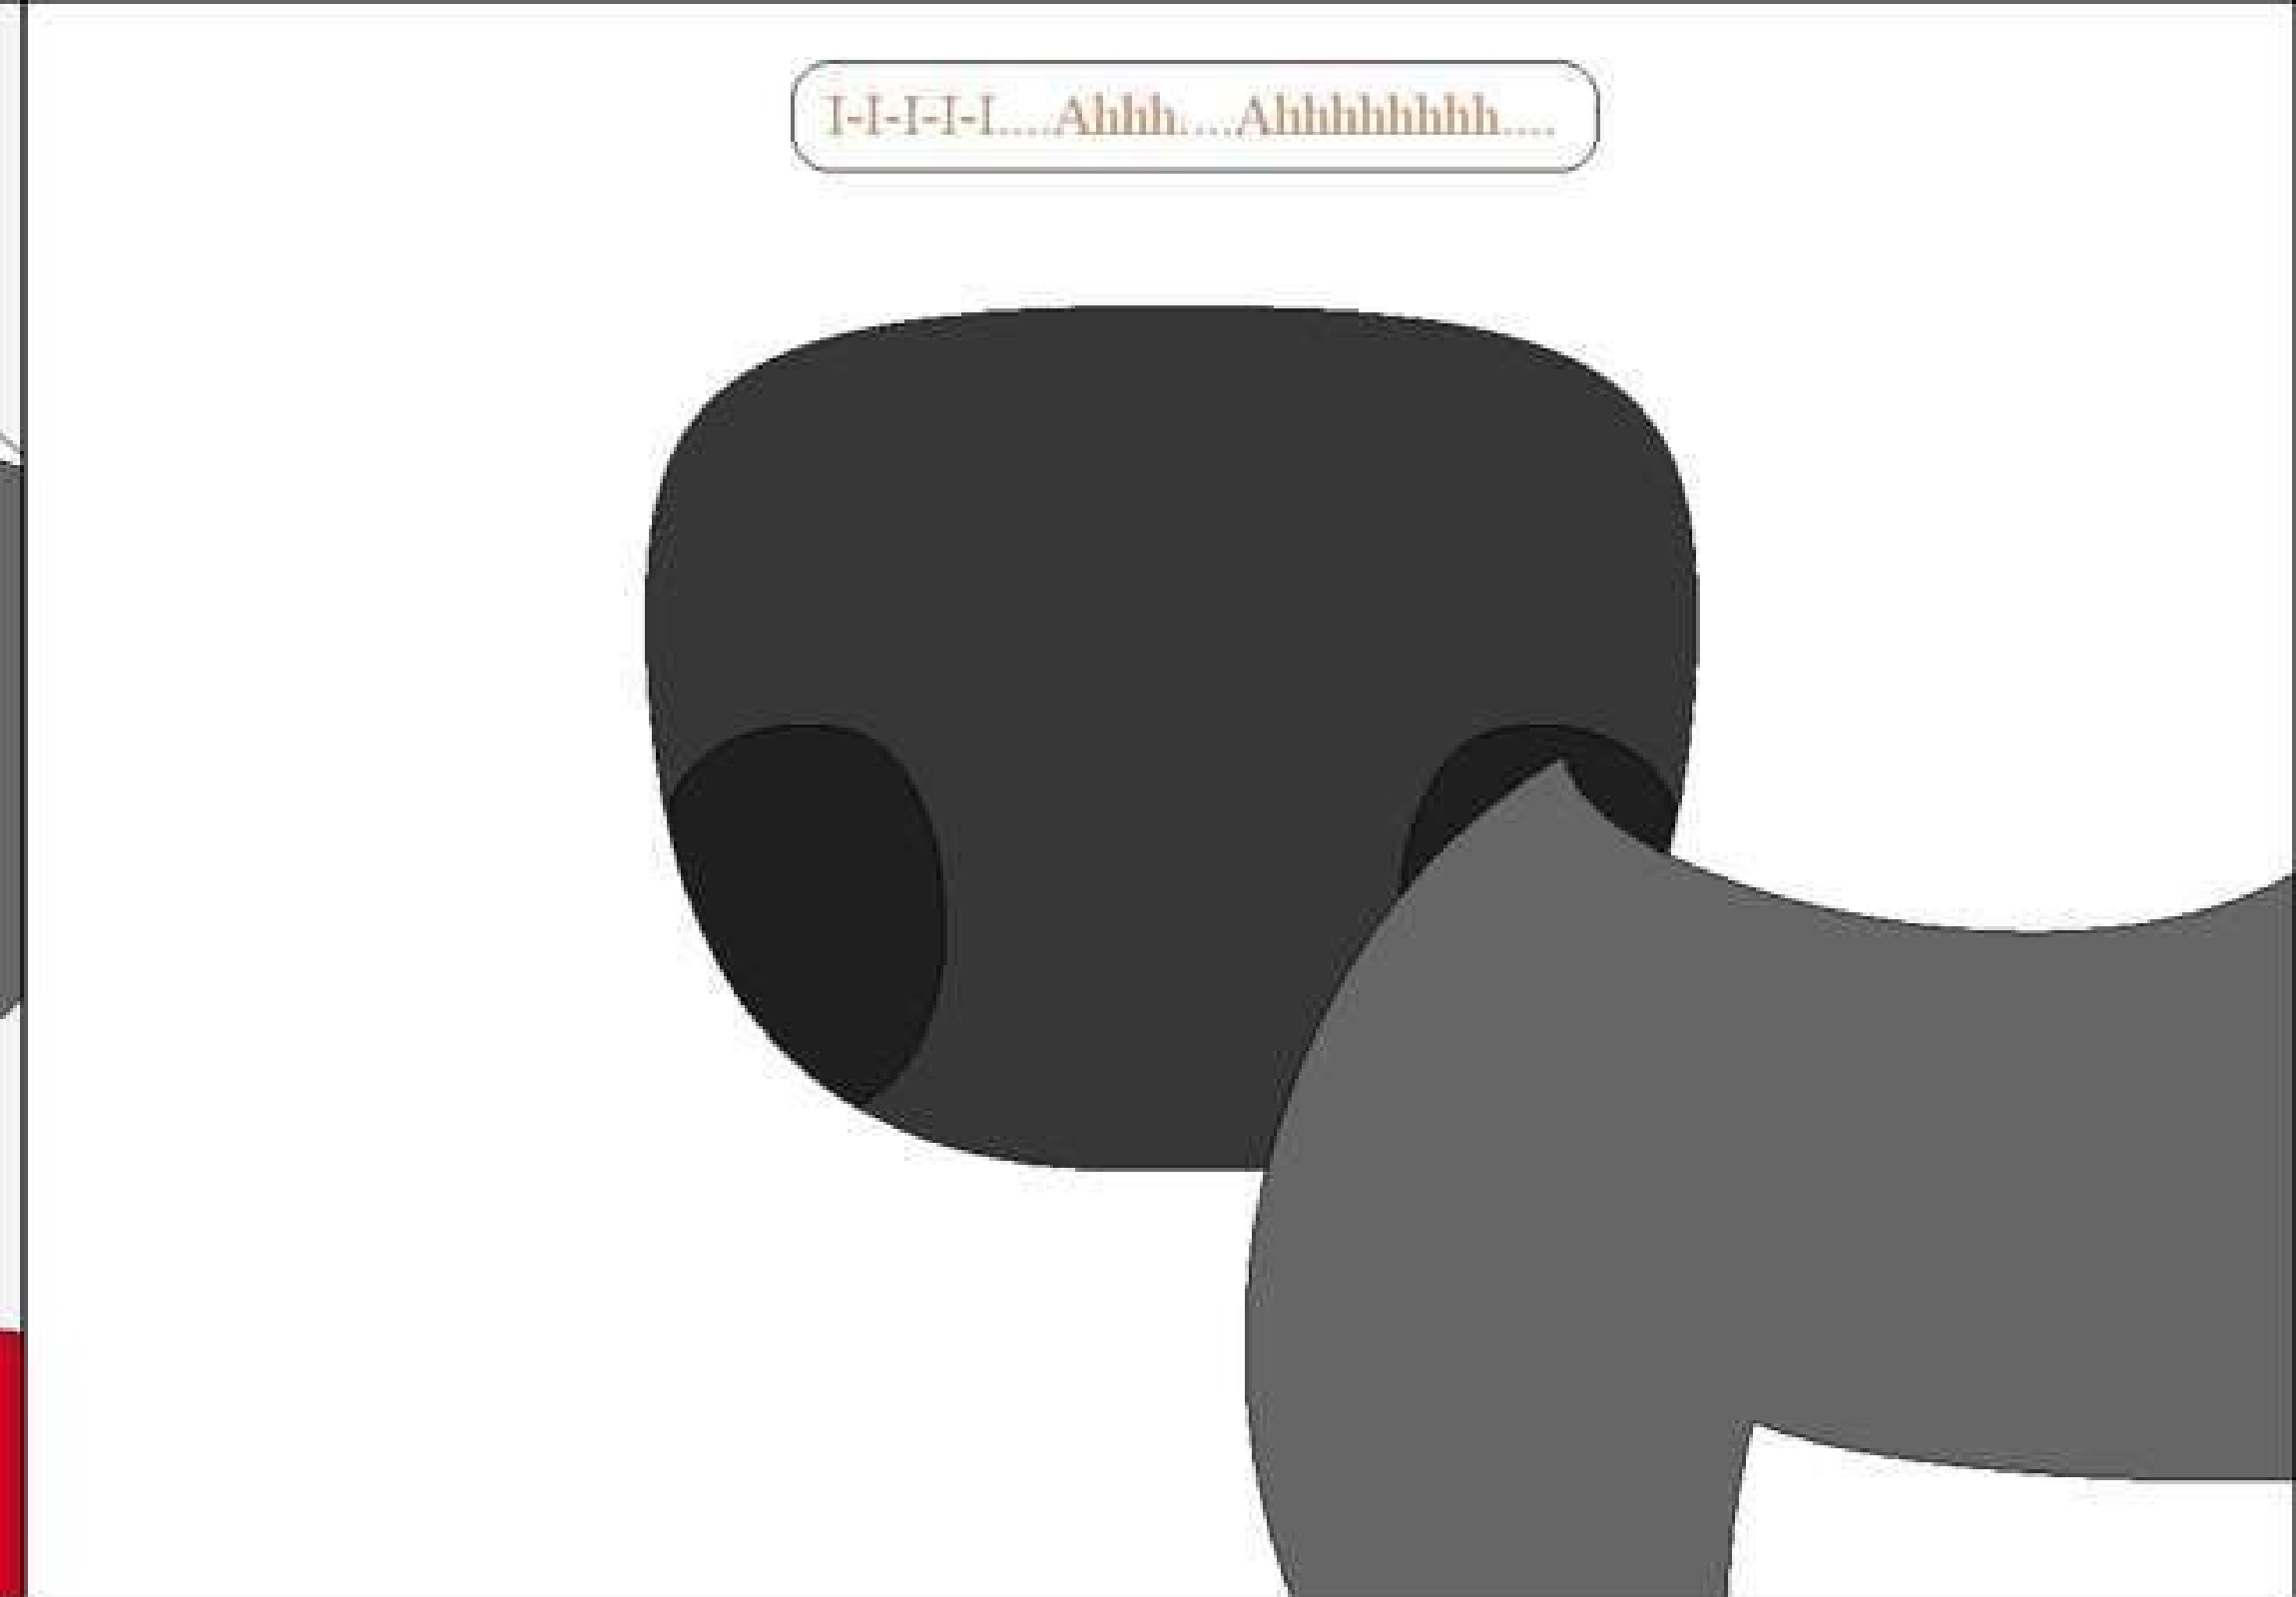

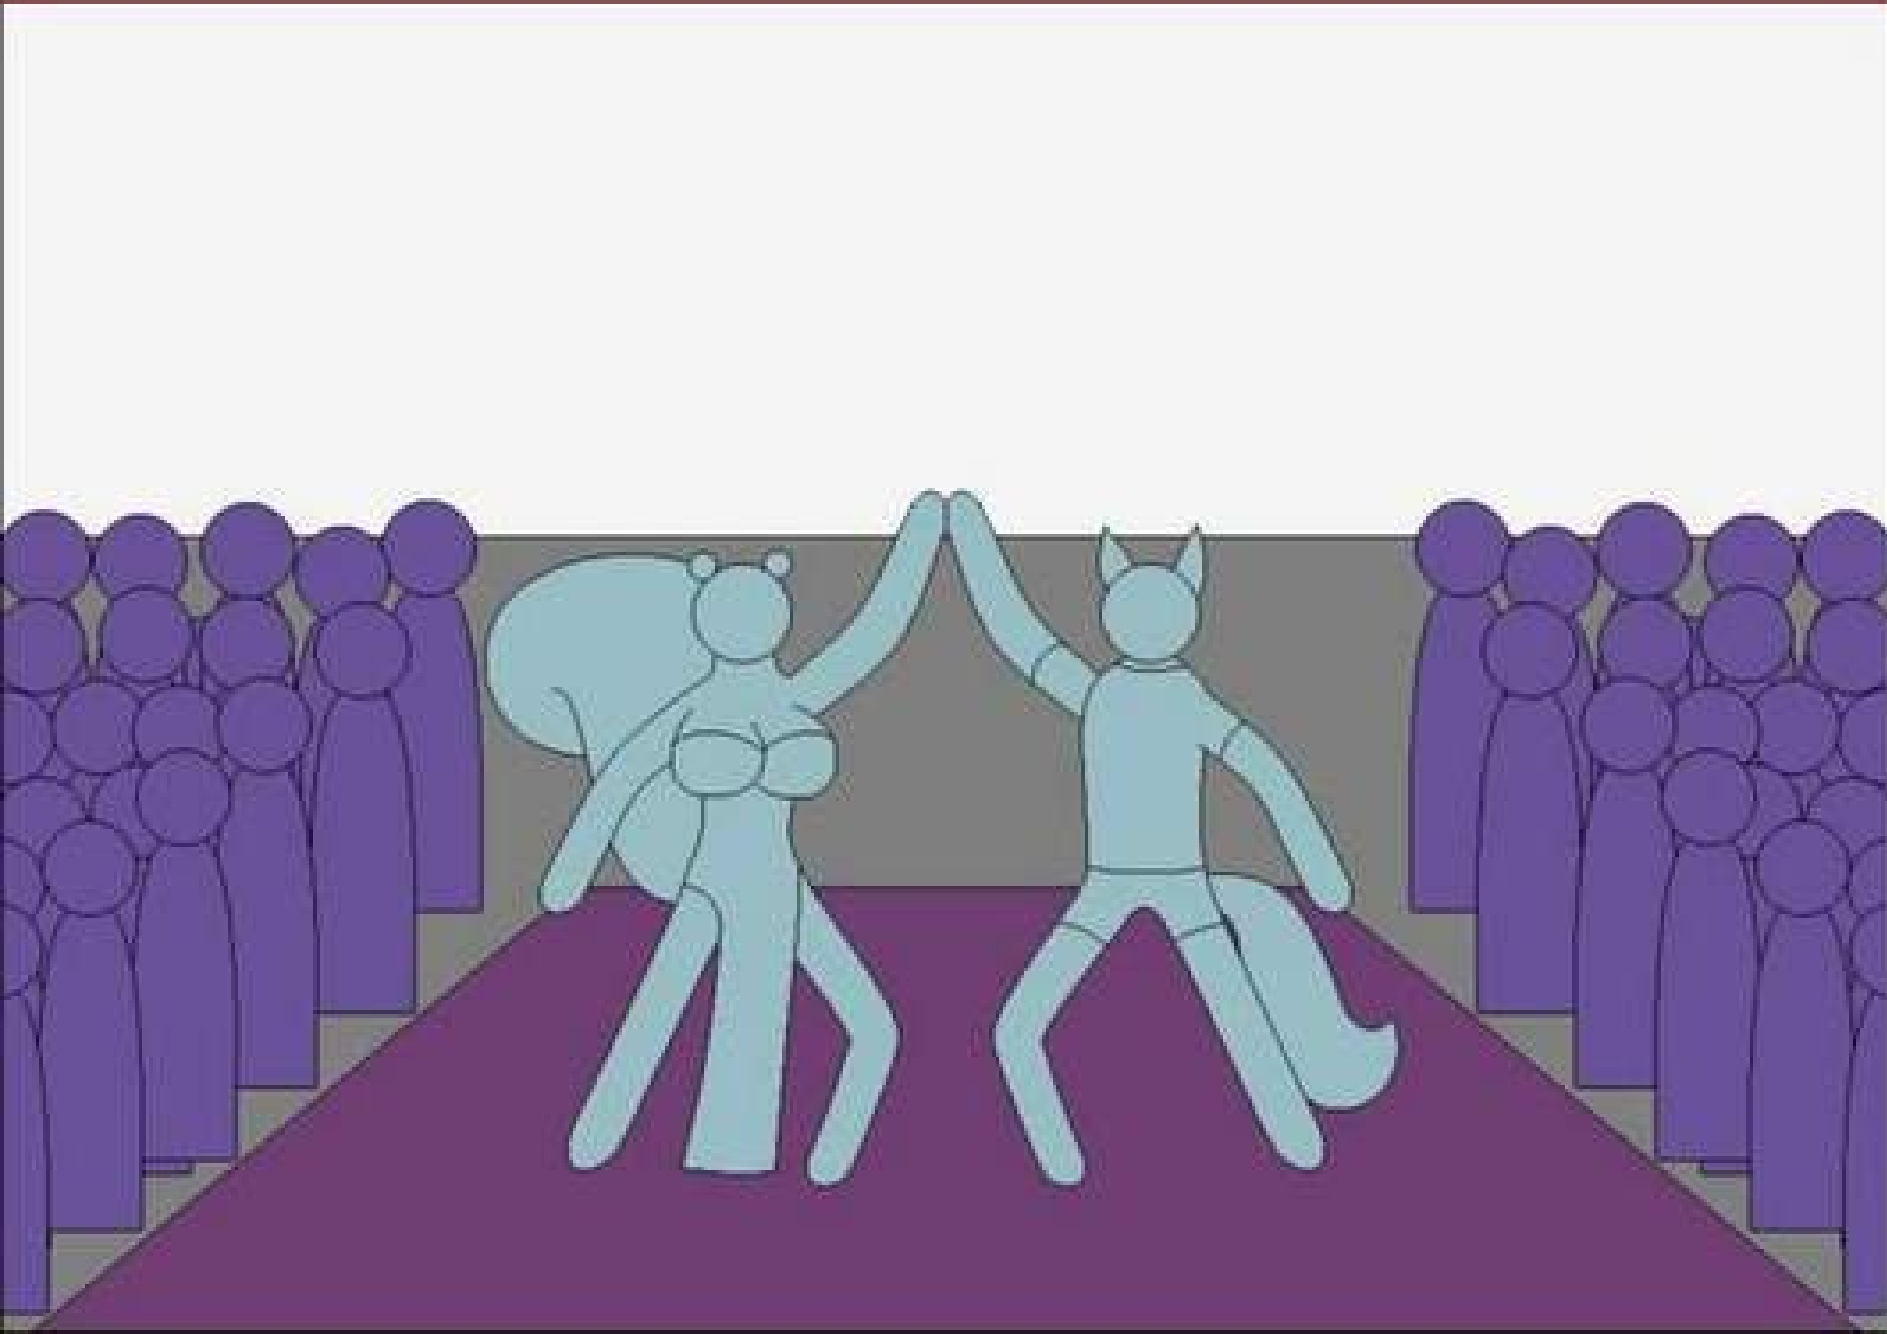

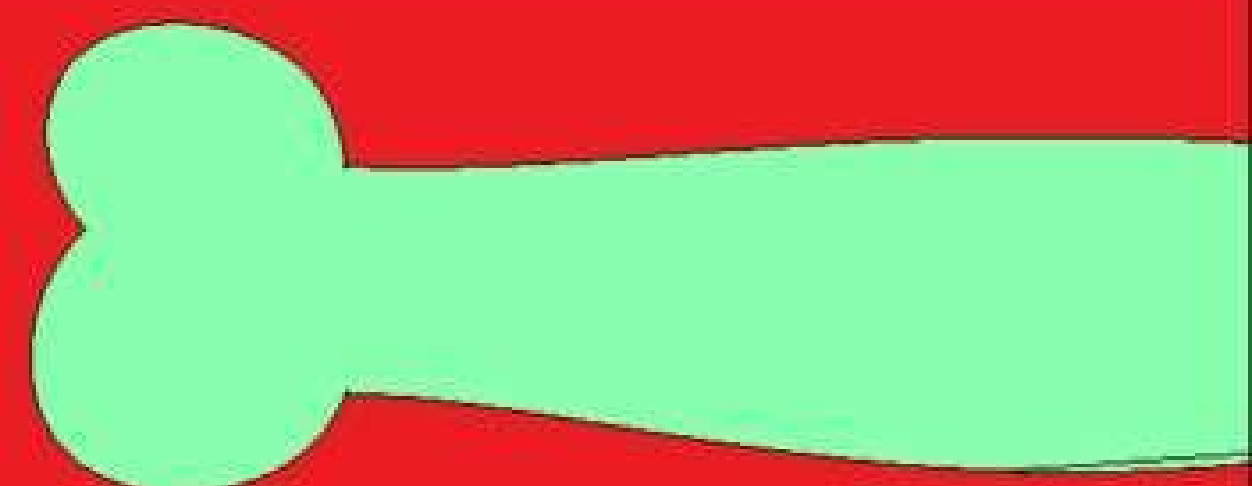

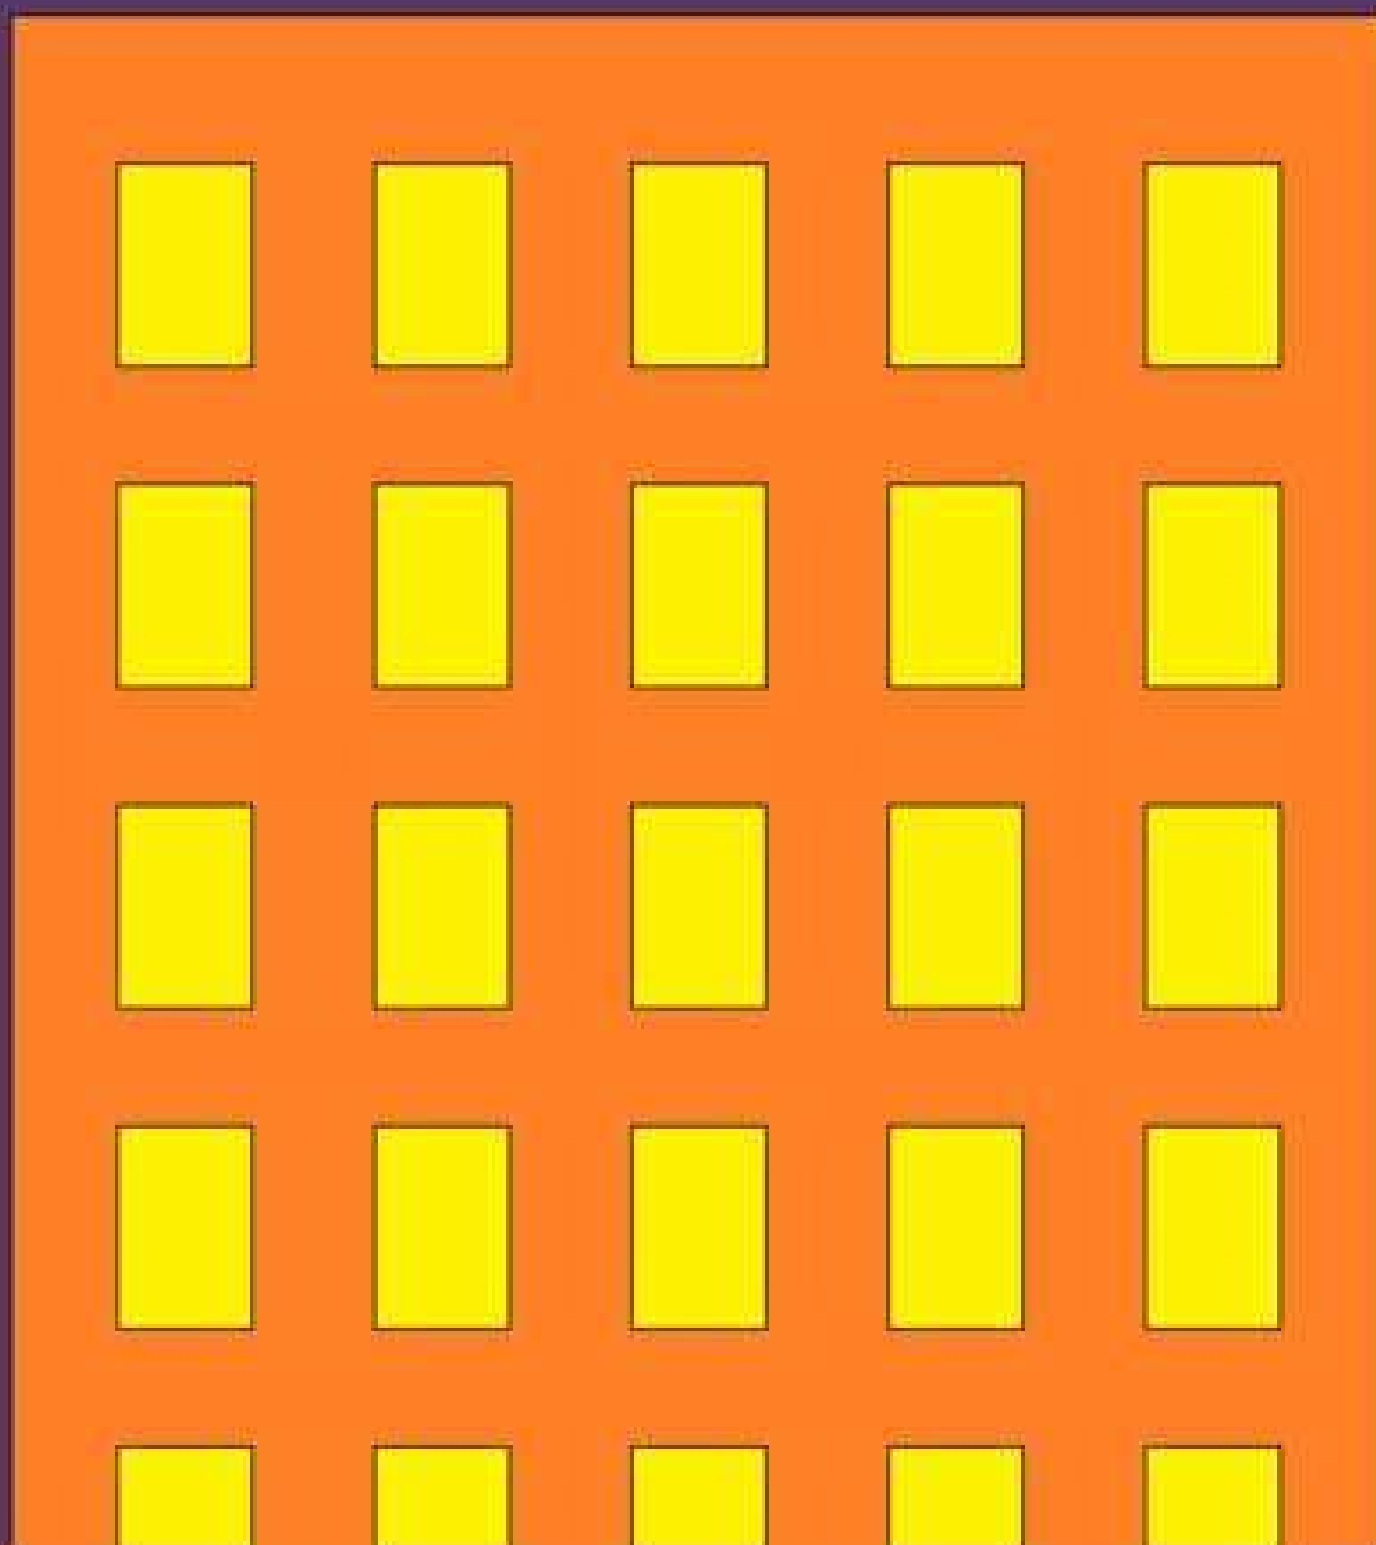

Mmm. Your mouth is so smooth.

Thank you. You're not so bad yourself.

You remind me of one of my girlfriends. Only she was big and lovable. You're so.... slim and hot.

Well, I'd say she is a lucky woman.
