

JILL VALENTINE VS. NEMESIS

CAPITULO 2 - FINAL

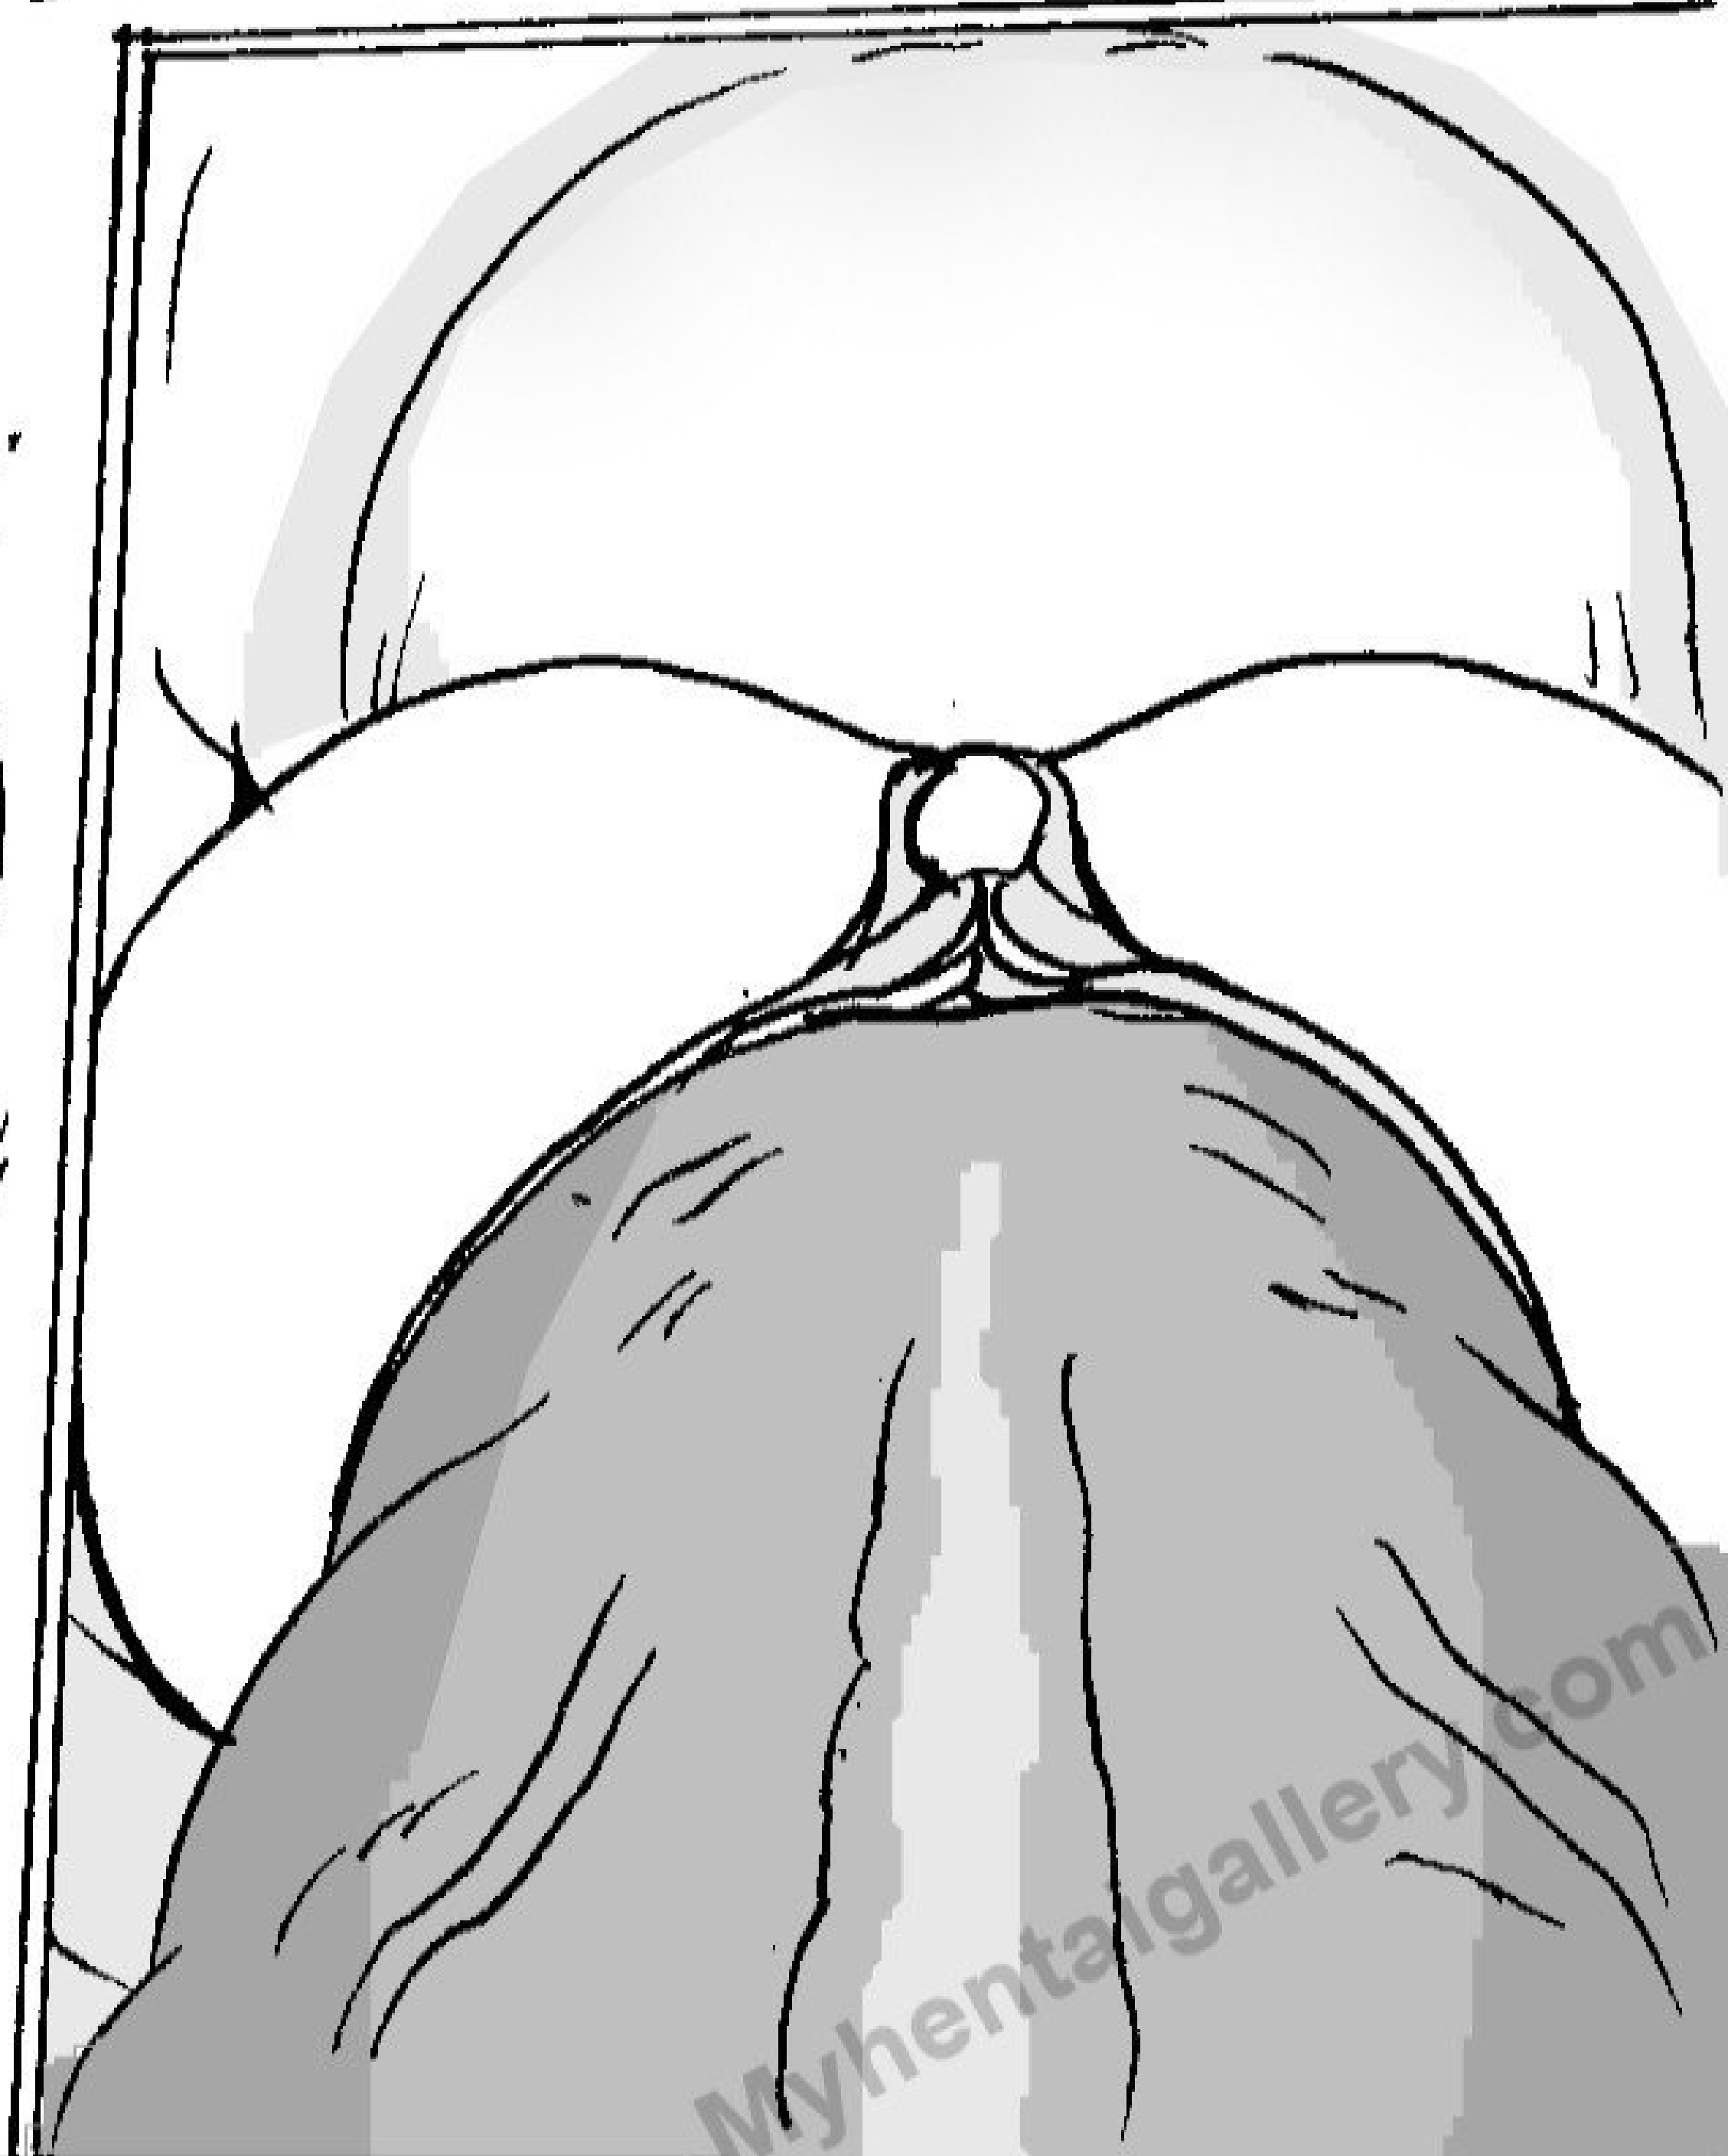

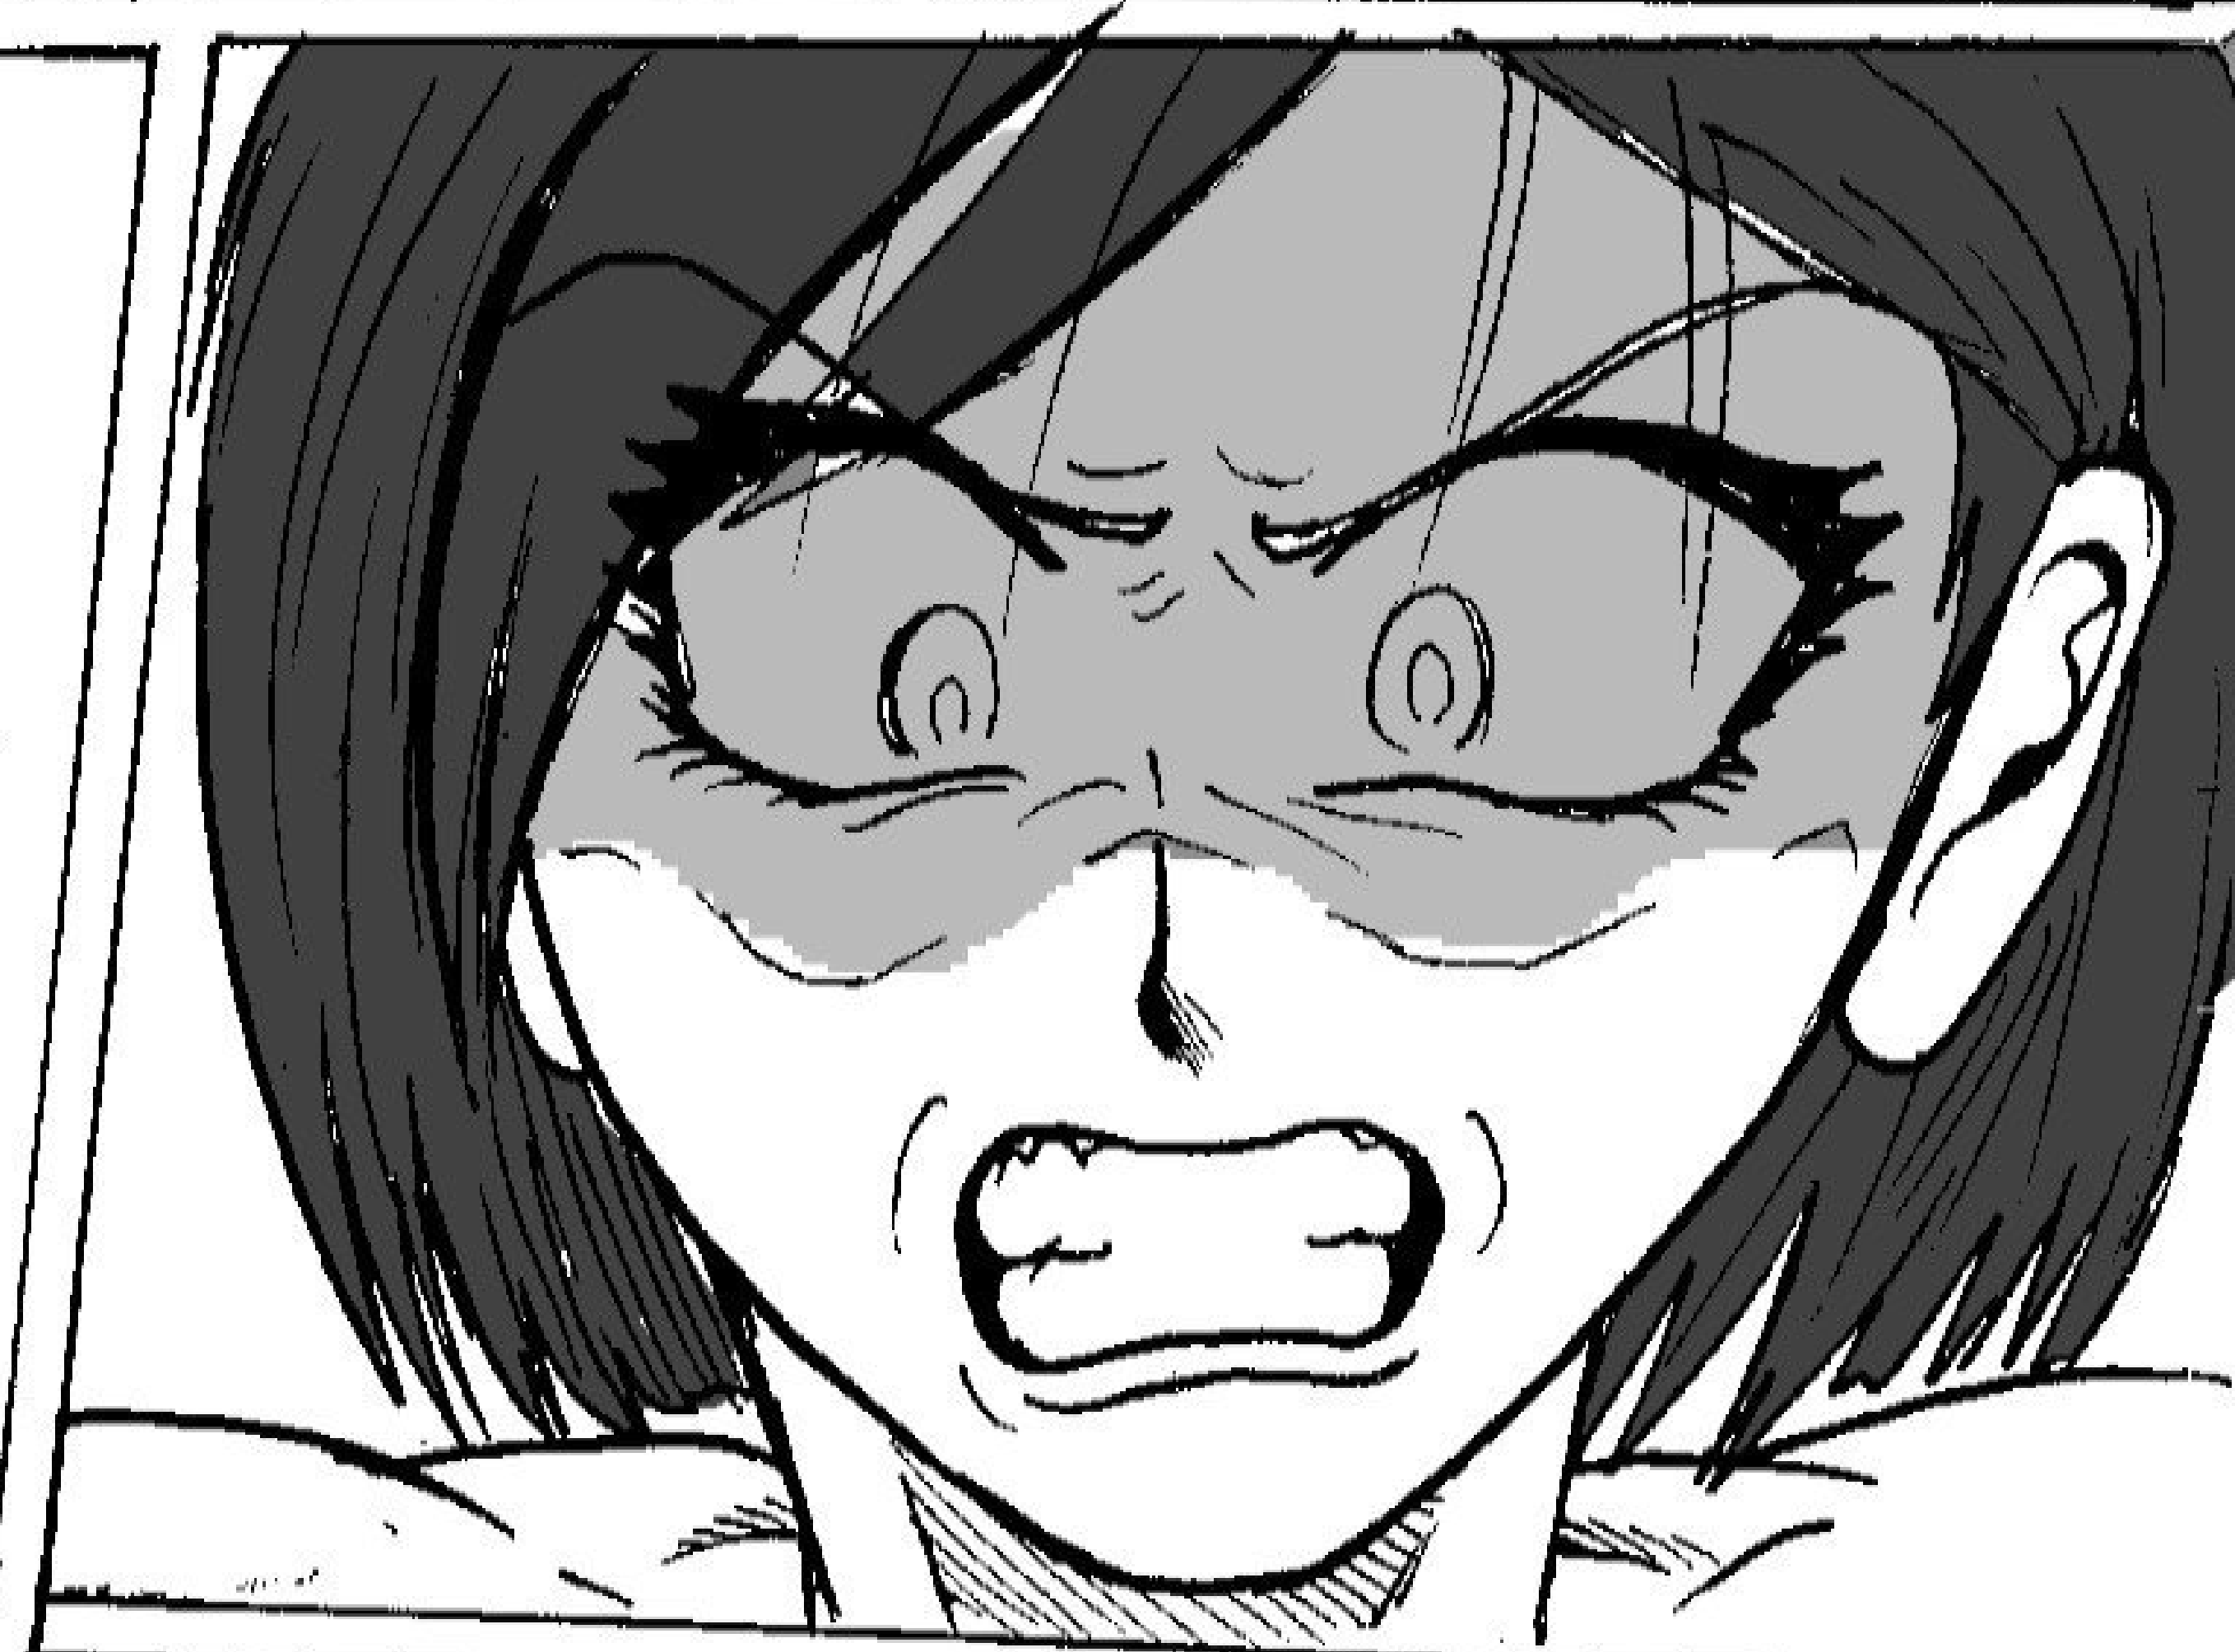

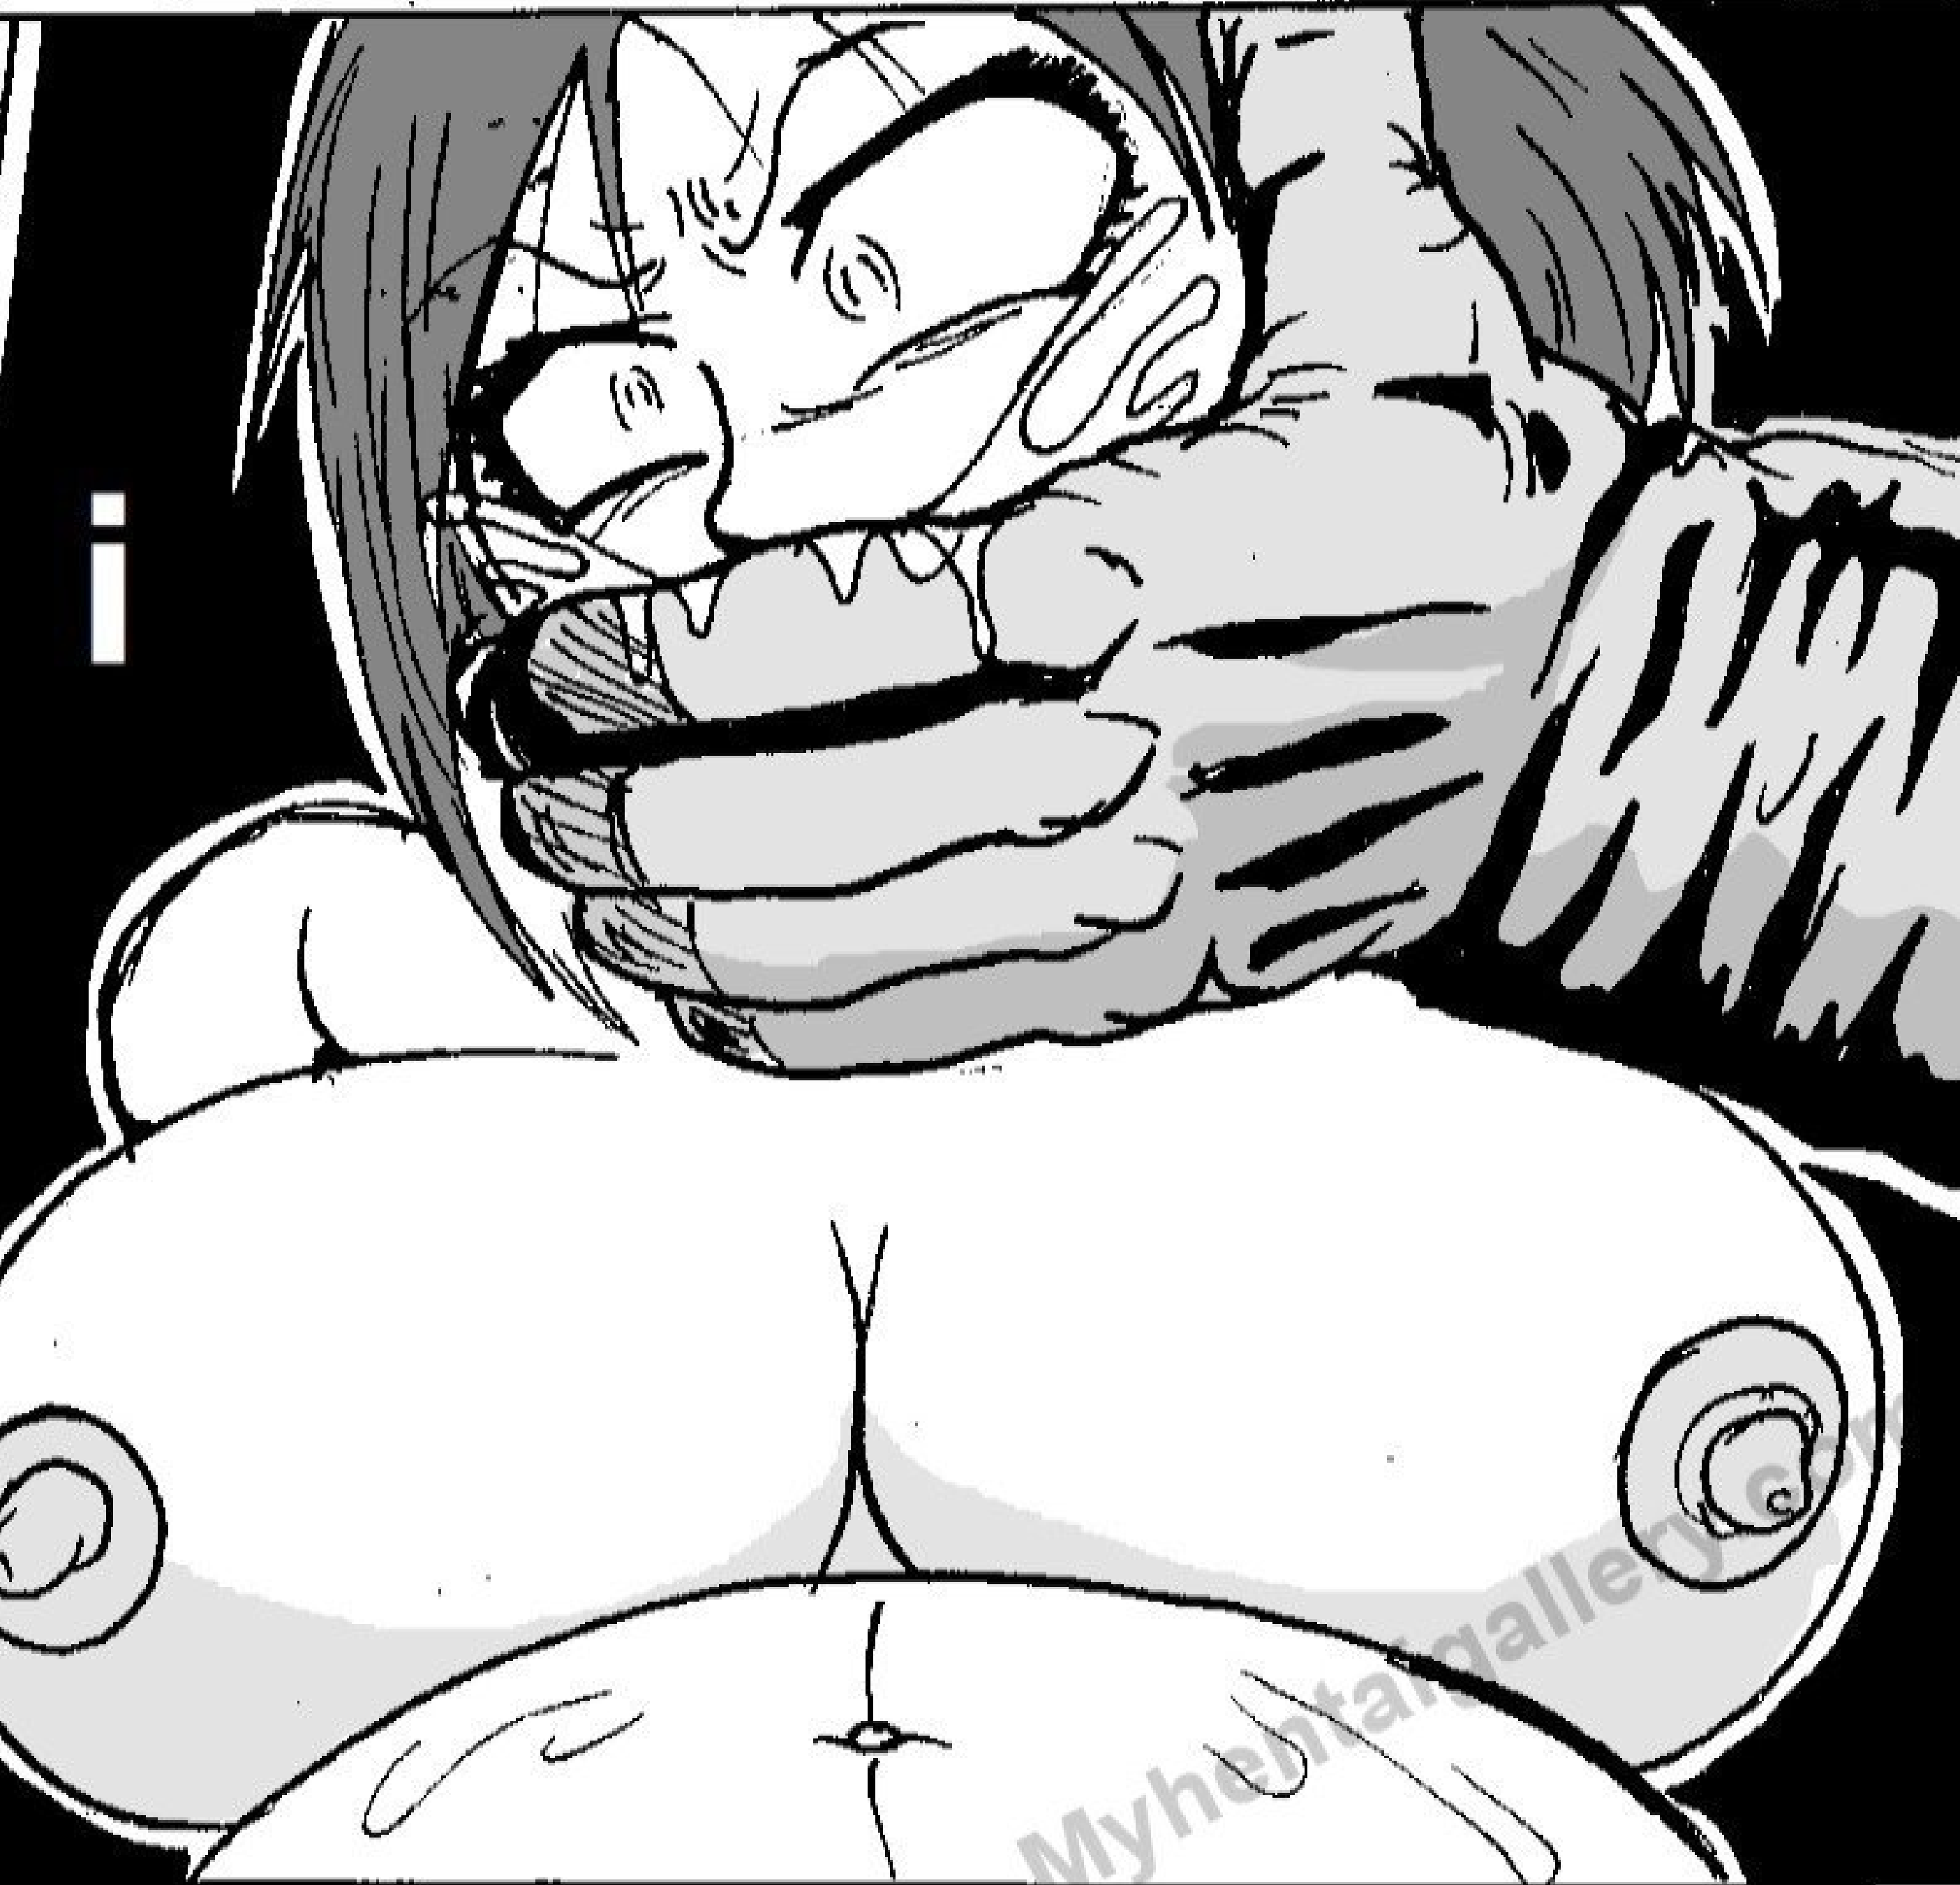

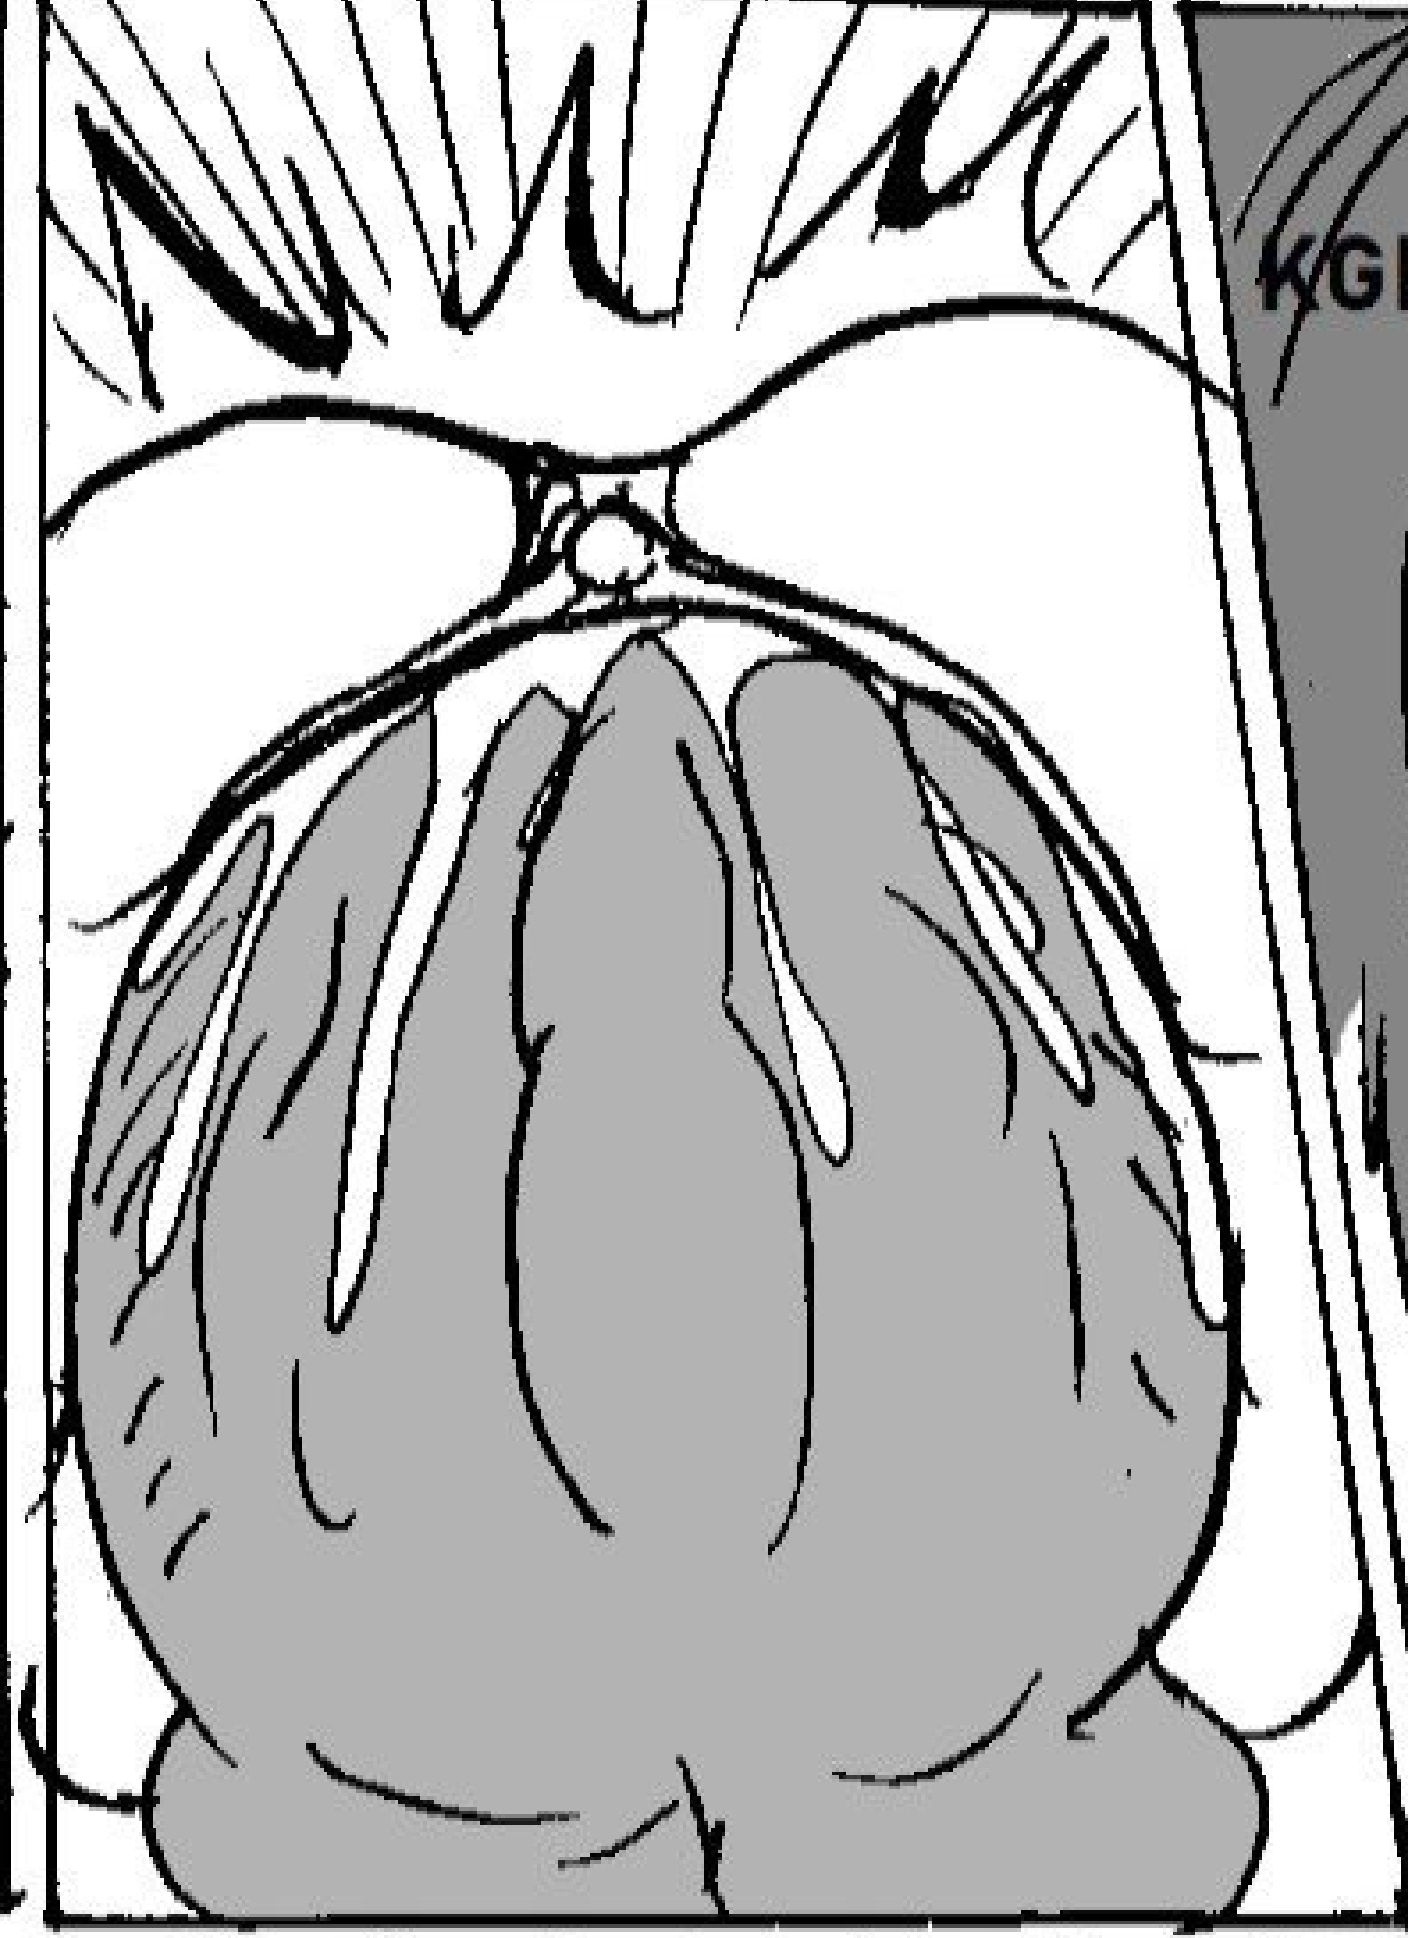

Hell, more
tentacles. But
where did they
come from?
I am at a clear
disadvantage.
Should I retire
or ...

Jill had lost her only weapon, was naked and unable to fight Nemesis. Her fear was not knowing if her body would resist the giant penis of the monster.

You are liquidated. Your body could not resist it. But this is just beginning.

Nemesis, 3 times he was penetrating and ejaculating inside Jill for 5 minutes. She seemed like a source of semen.

Well, you have improved. Now we will pass to your throat.

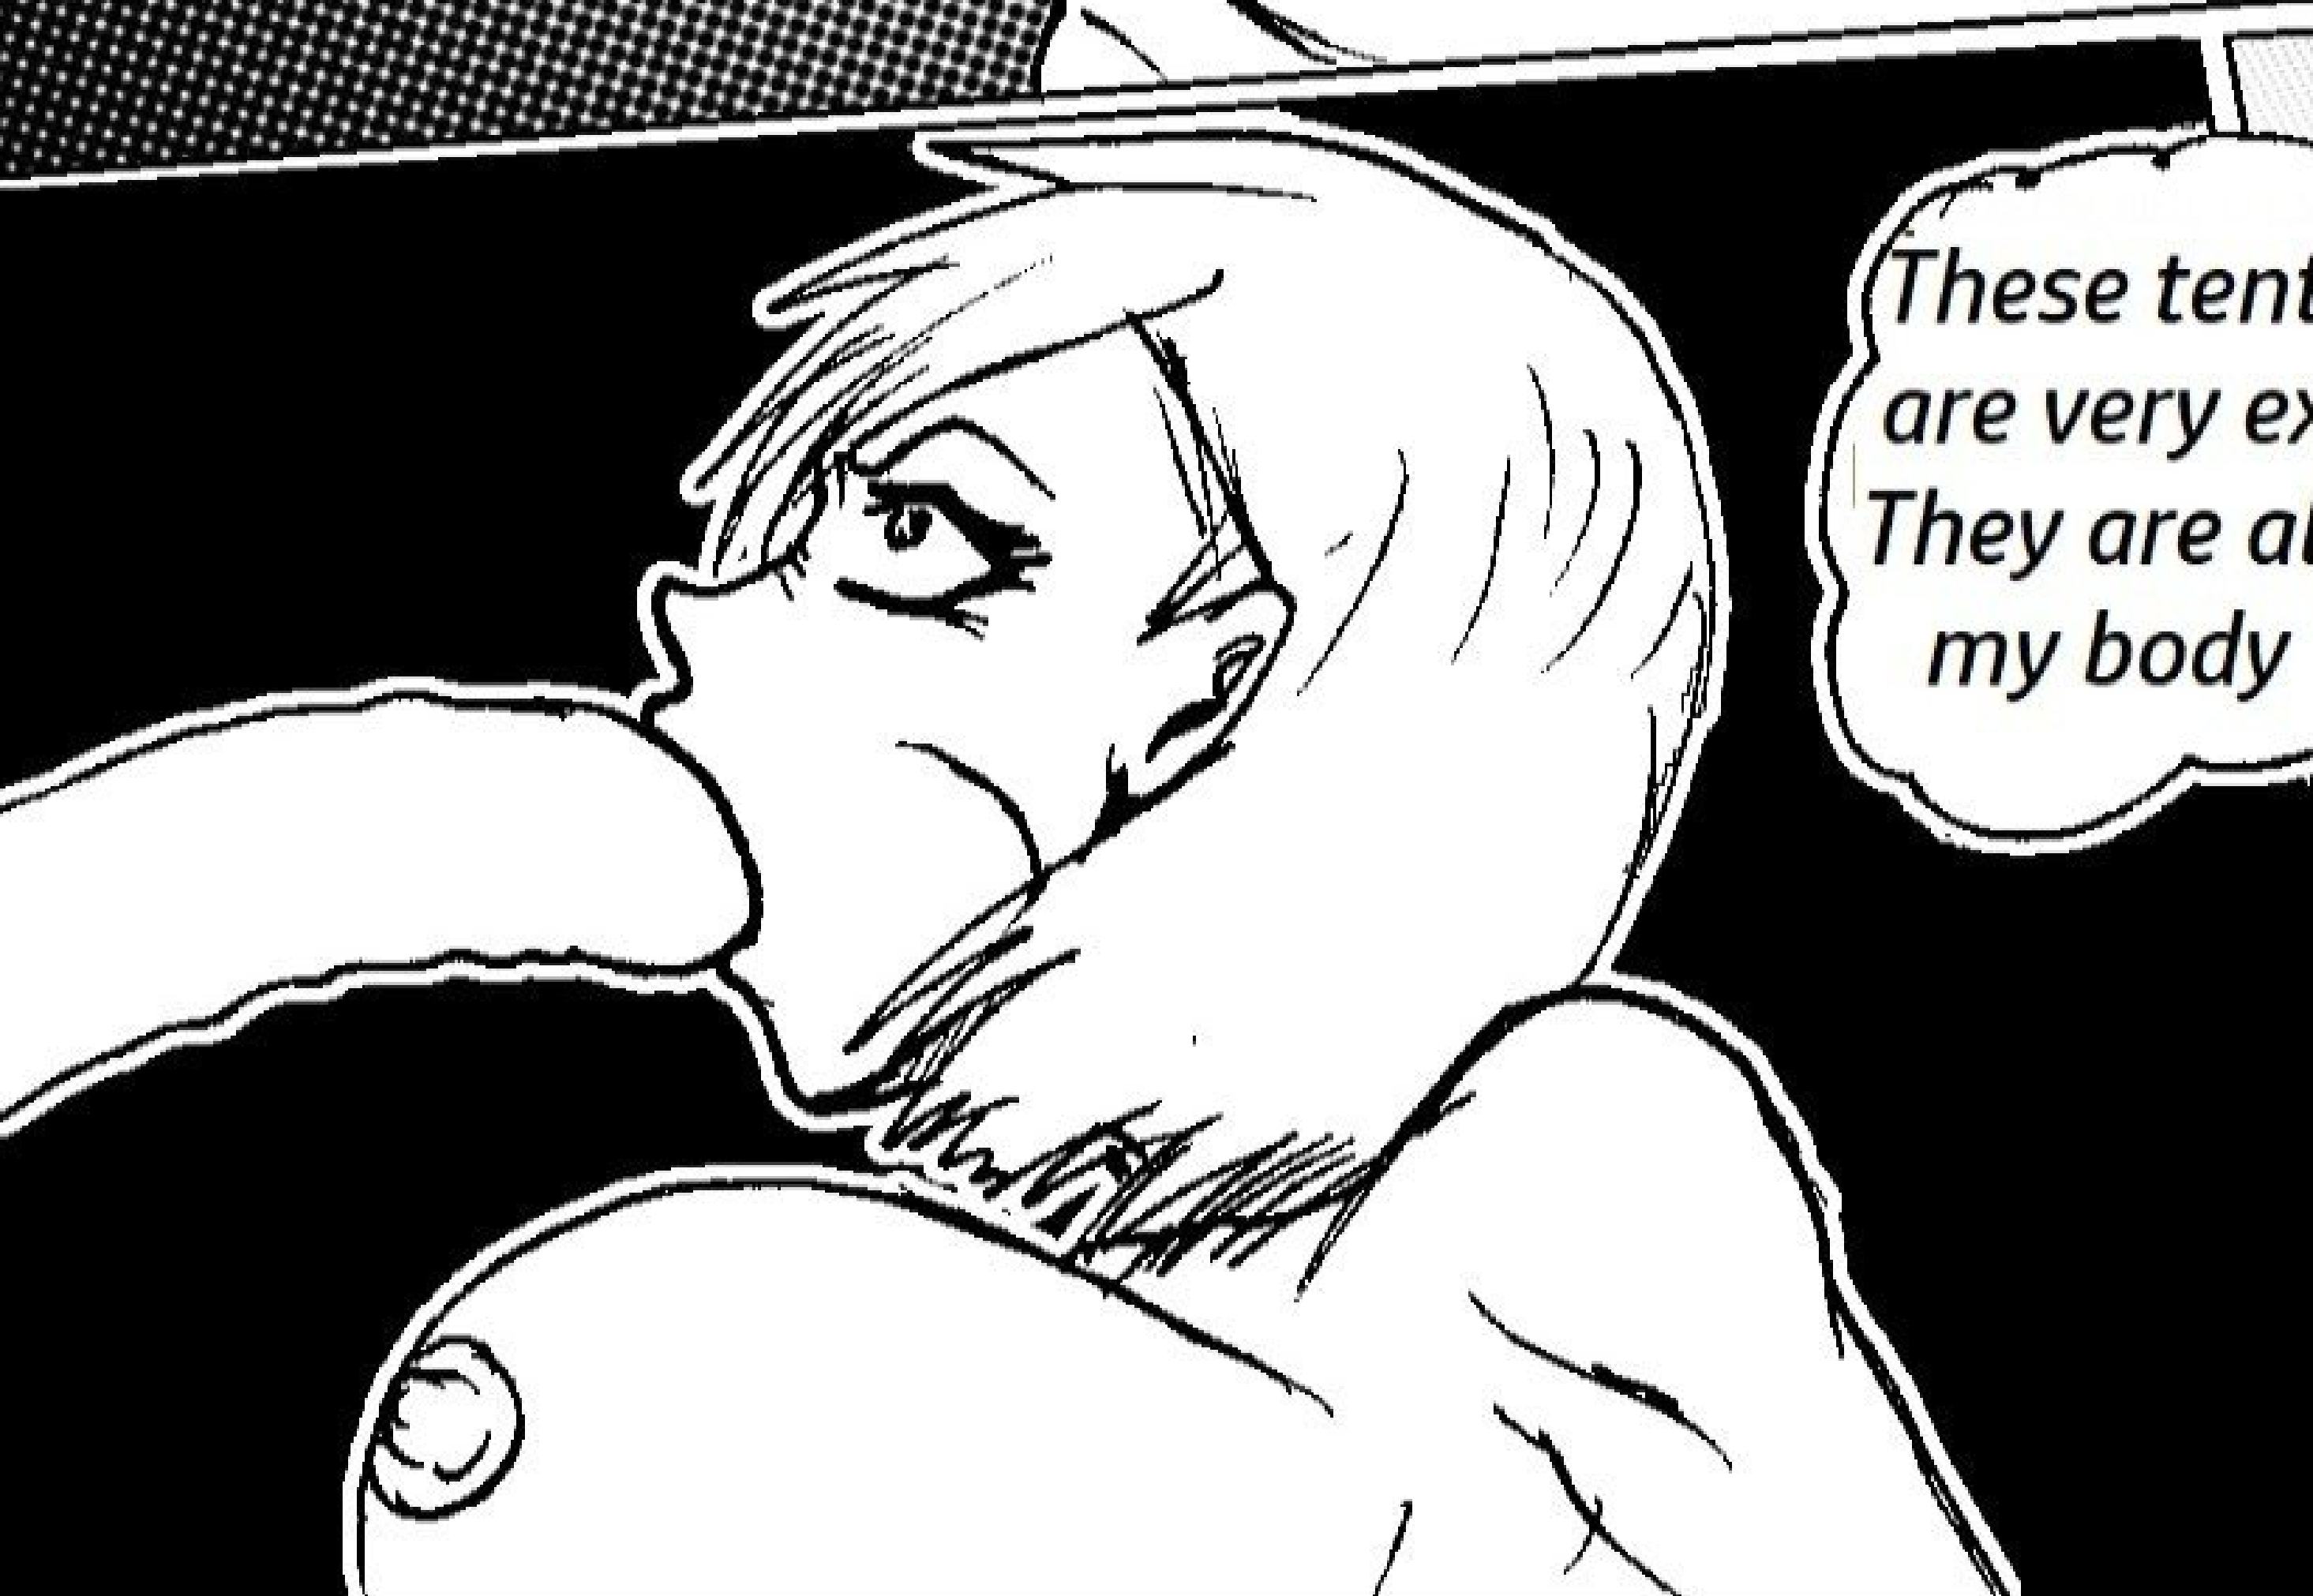

Meanwhile, at the base Chris was about to go on a mission.

Jill will come soon. Although he didn't tell me what time.

We must be on our way to the mission as soon as possible. We will give Jill one more hour.

These tentacles are very extensive. They are all over my body

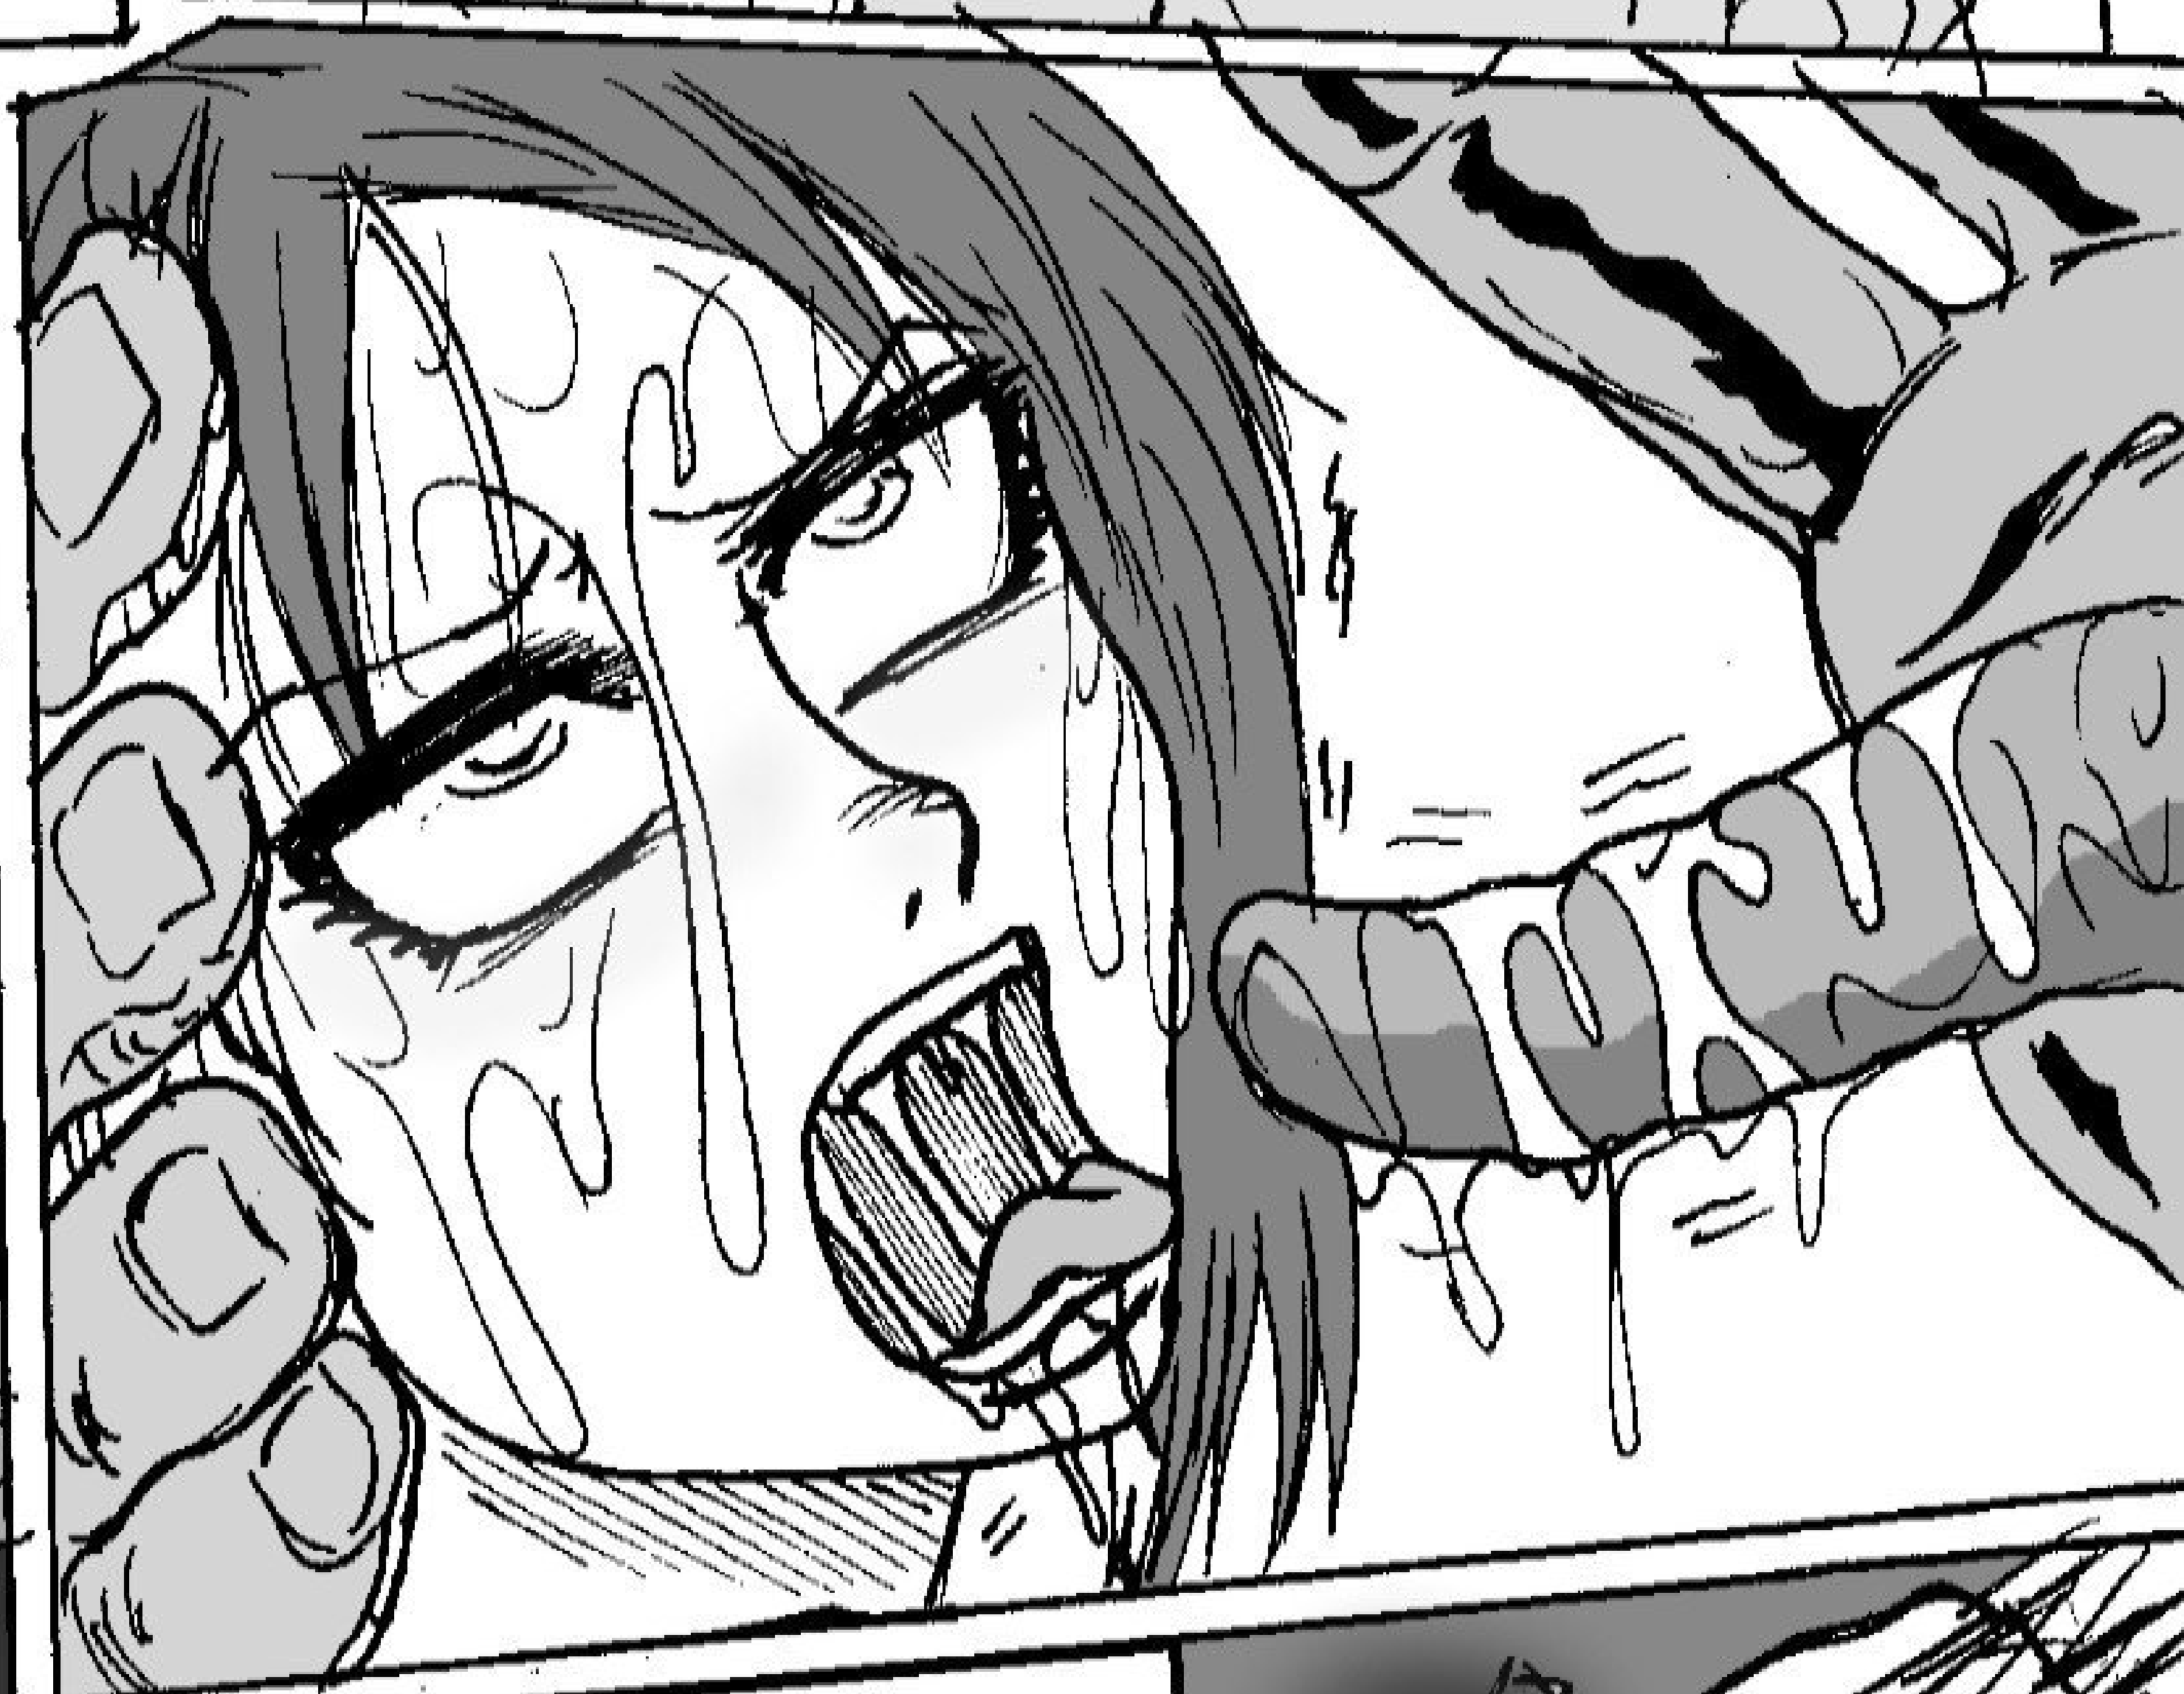

Jill stopped
being that
zombie
annihilator.

It was
now a
Nemesis
dam

Your throat
could give way
to my tentacle.
You really don't
work as a
prostitute?

The support
helicopter arrived in Raccoon
City to make sure there were
no zombies left.

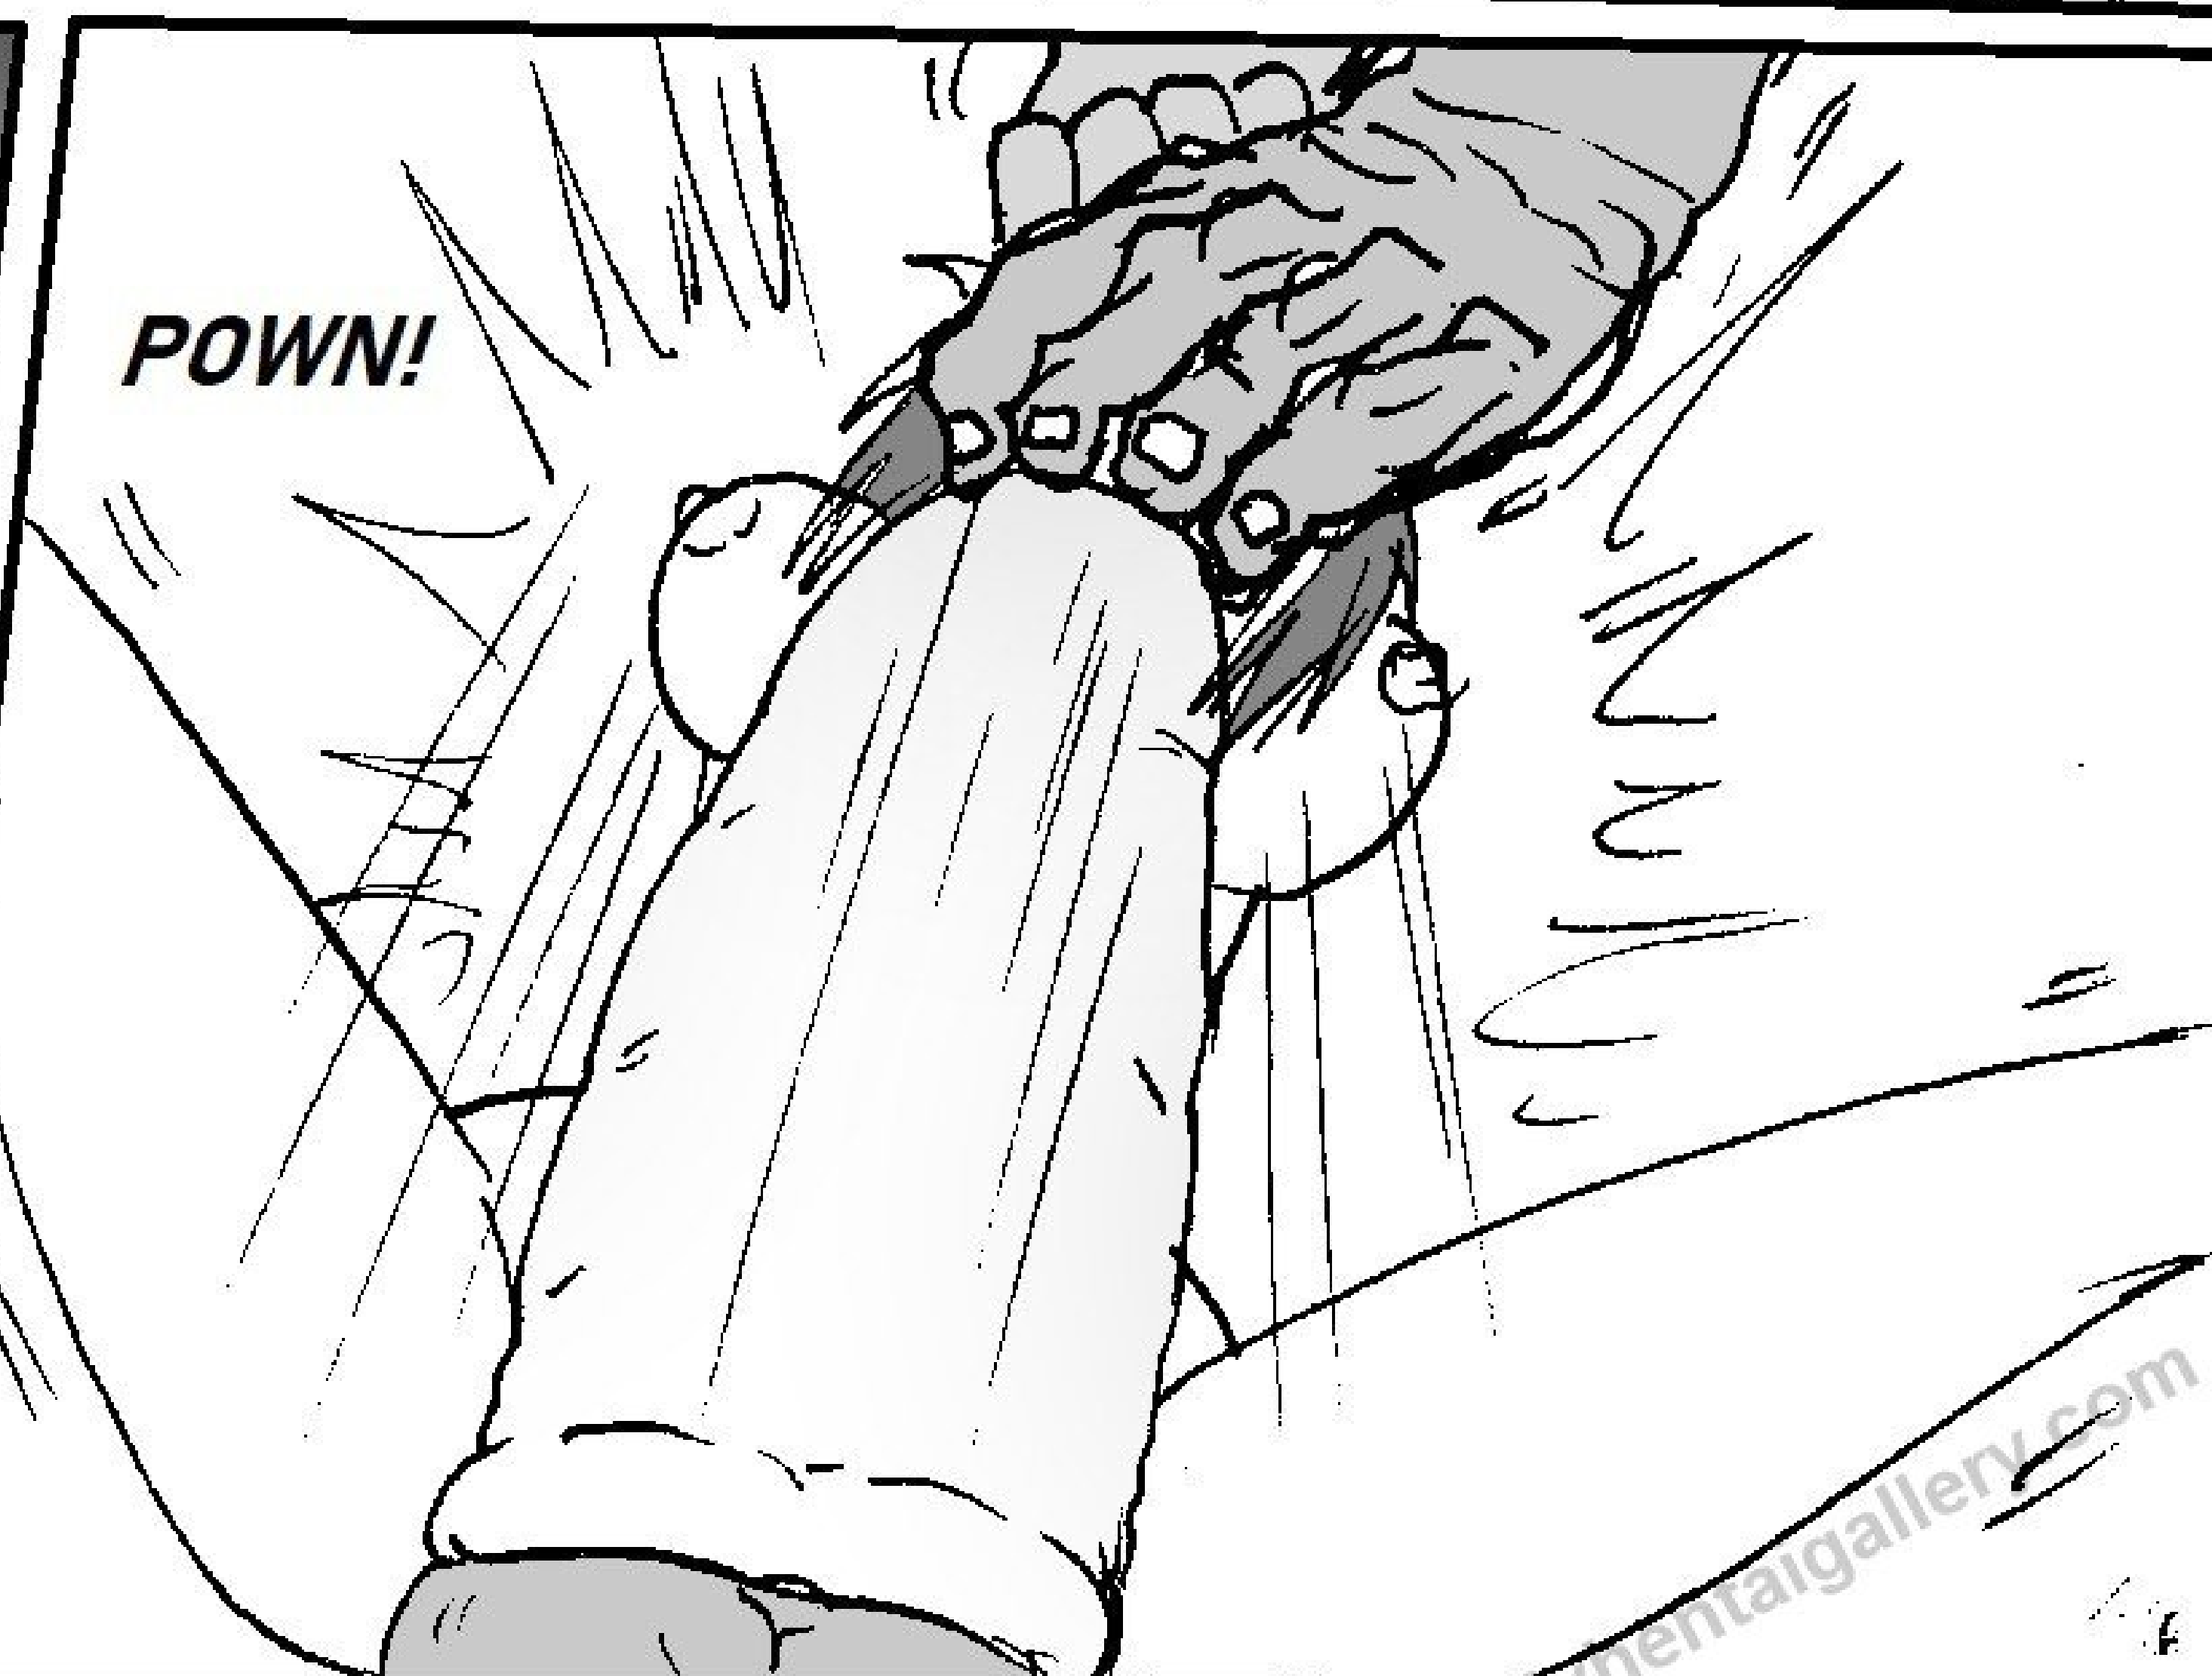

Enough
Nemesis. Your
penis grows too
much, you will end
up killing me. It is
impossible that, I can
continue to retain
that. Let me go and
I promise not to
kill you.

It is triple the size;
but my body got
used a little. So

I go with
everything,
Jill.

POWN!

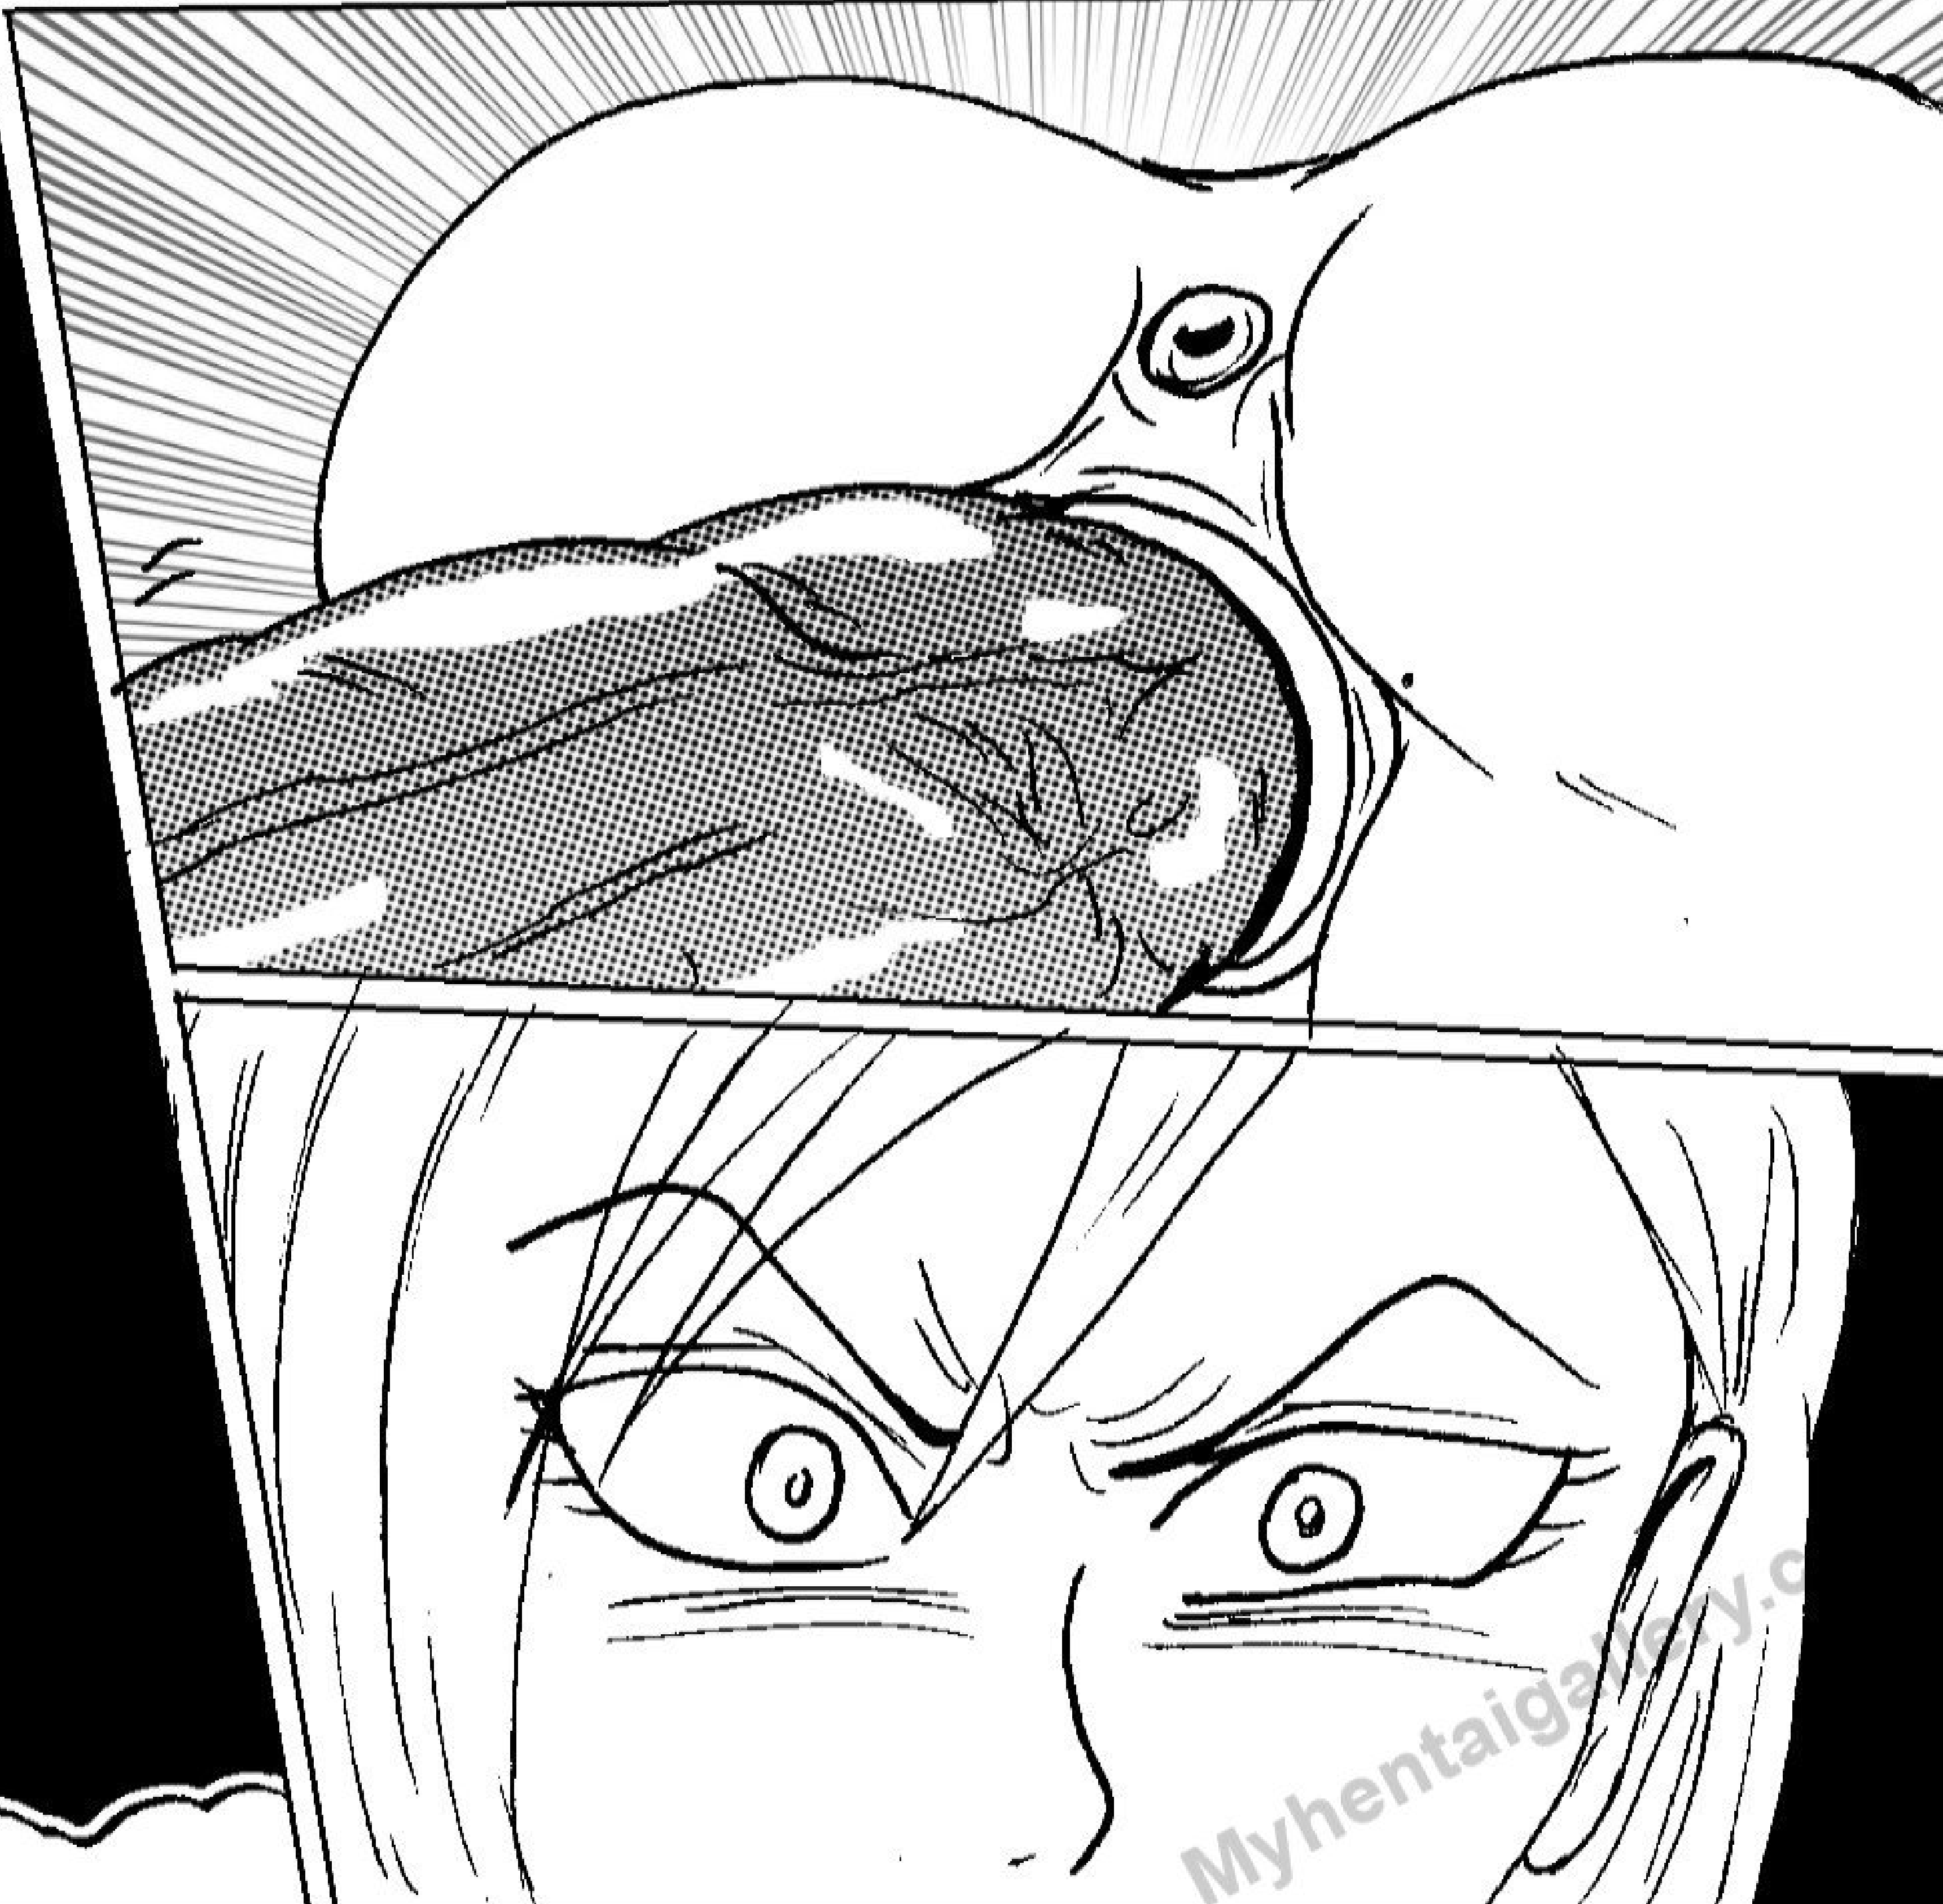

3 orgasms
at the same
time!

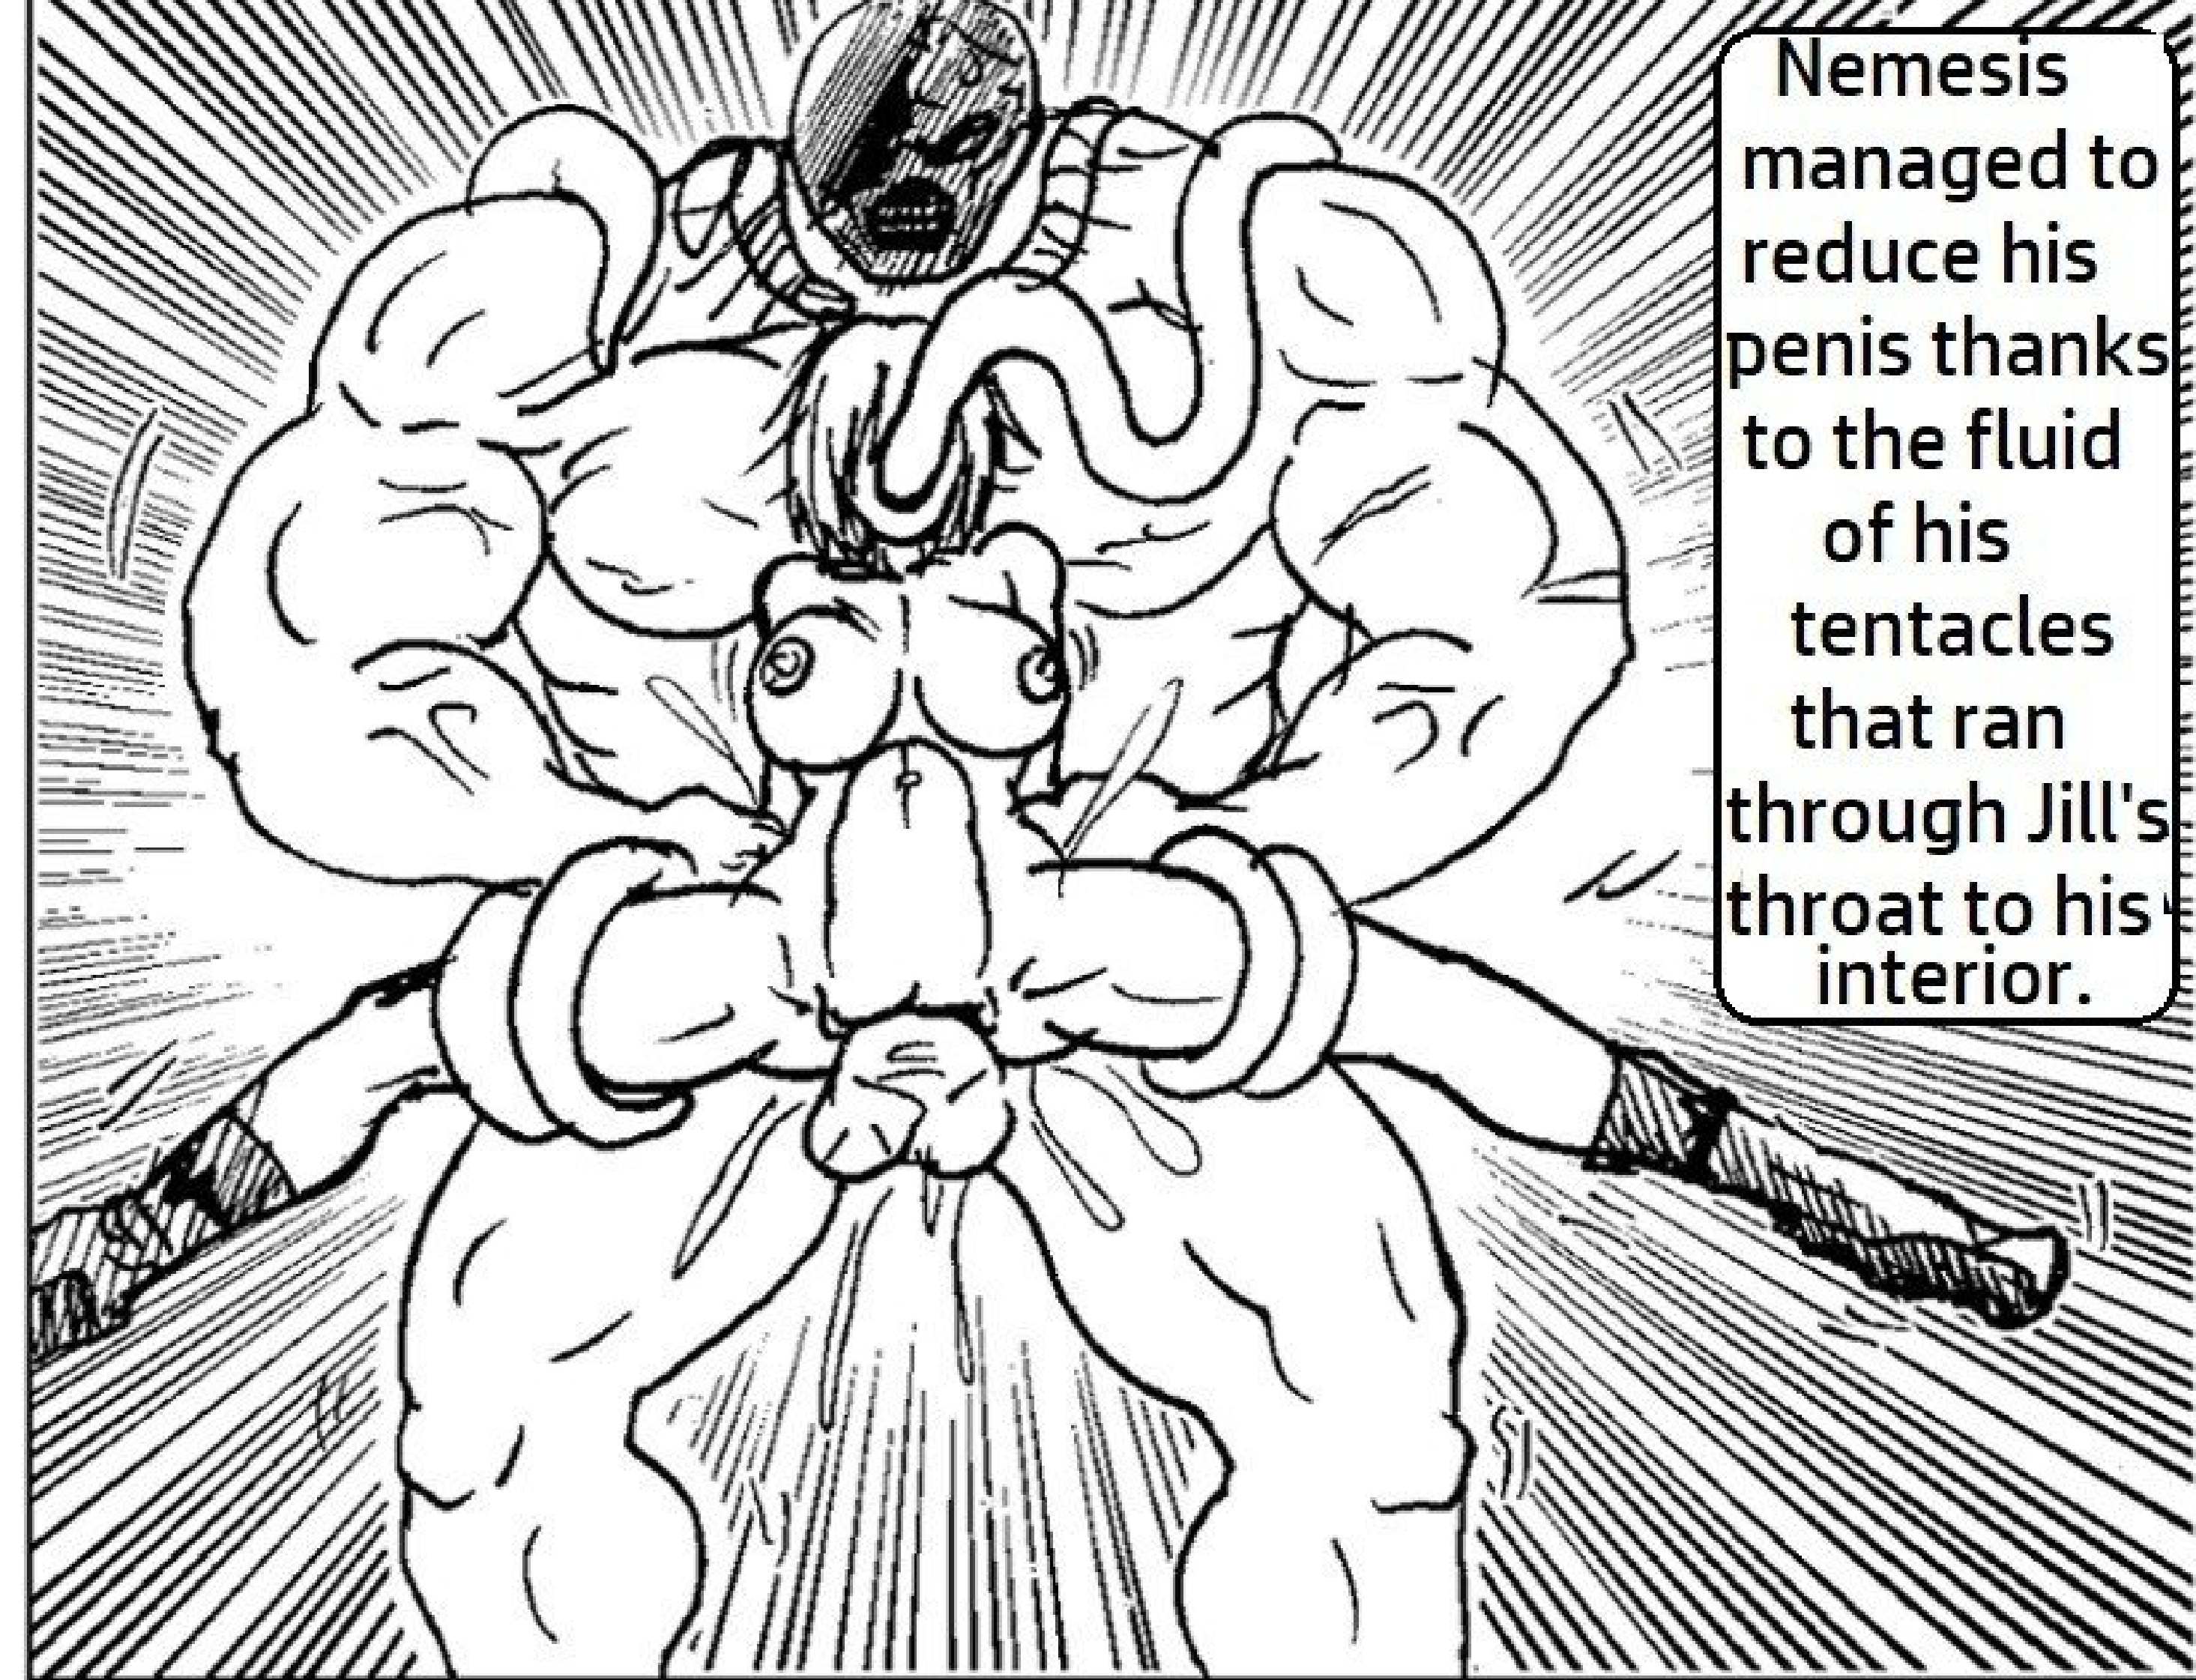

Your body is not
only very flexible but,
on the inside, it is
already very enlarged,
but your orgasms
are stronger

But if
you want me
to say more
time, your
penis should
be minimized.
Otherwise,
I, ...

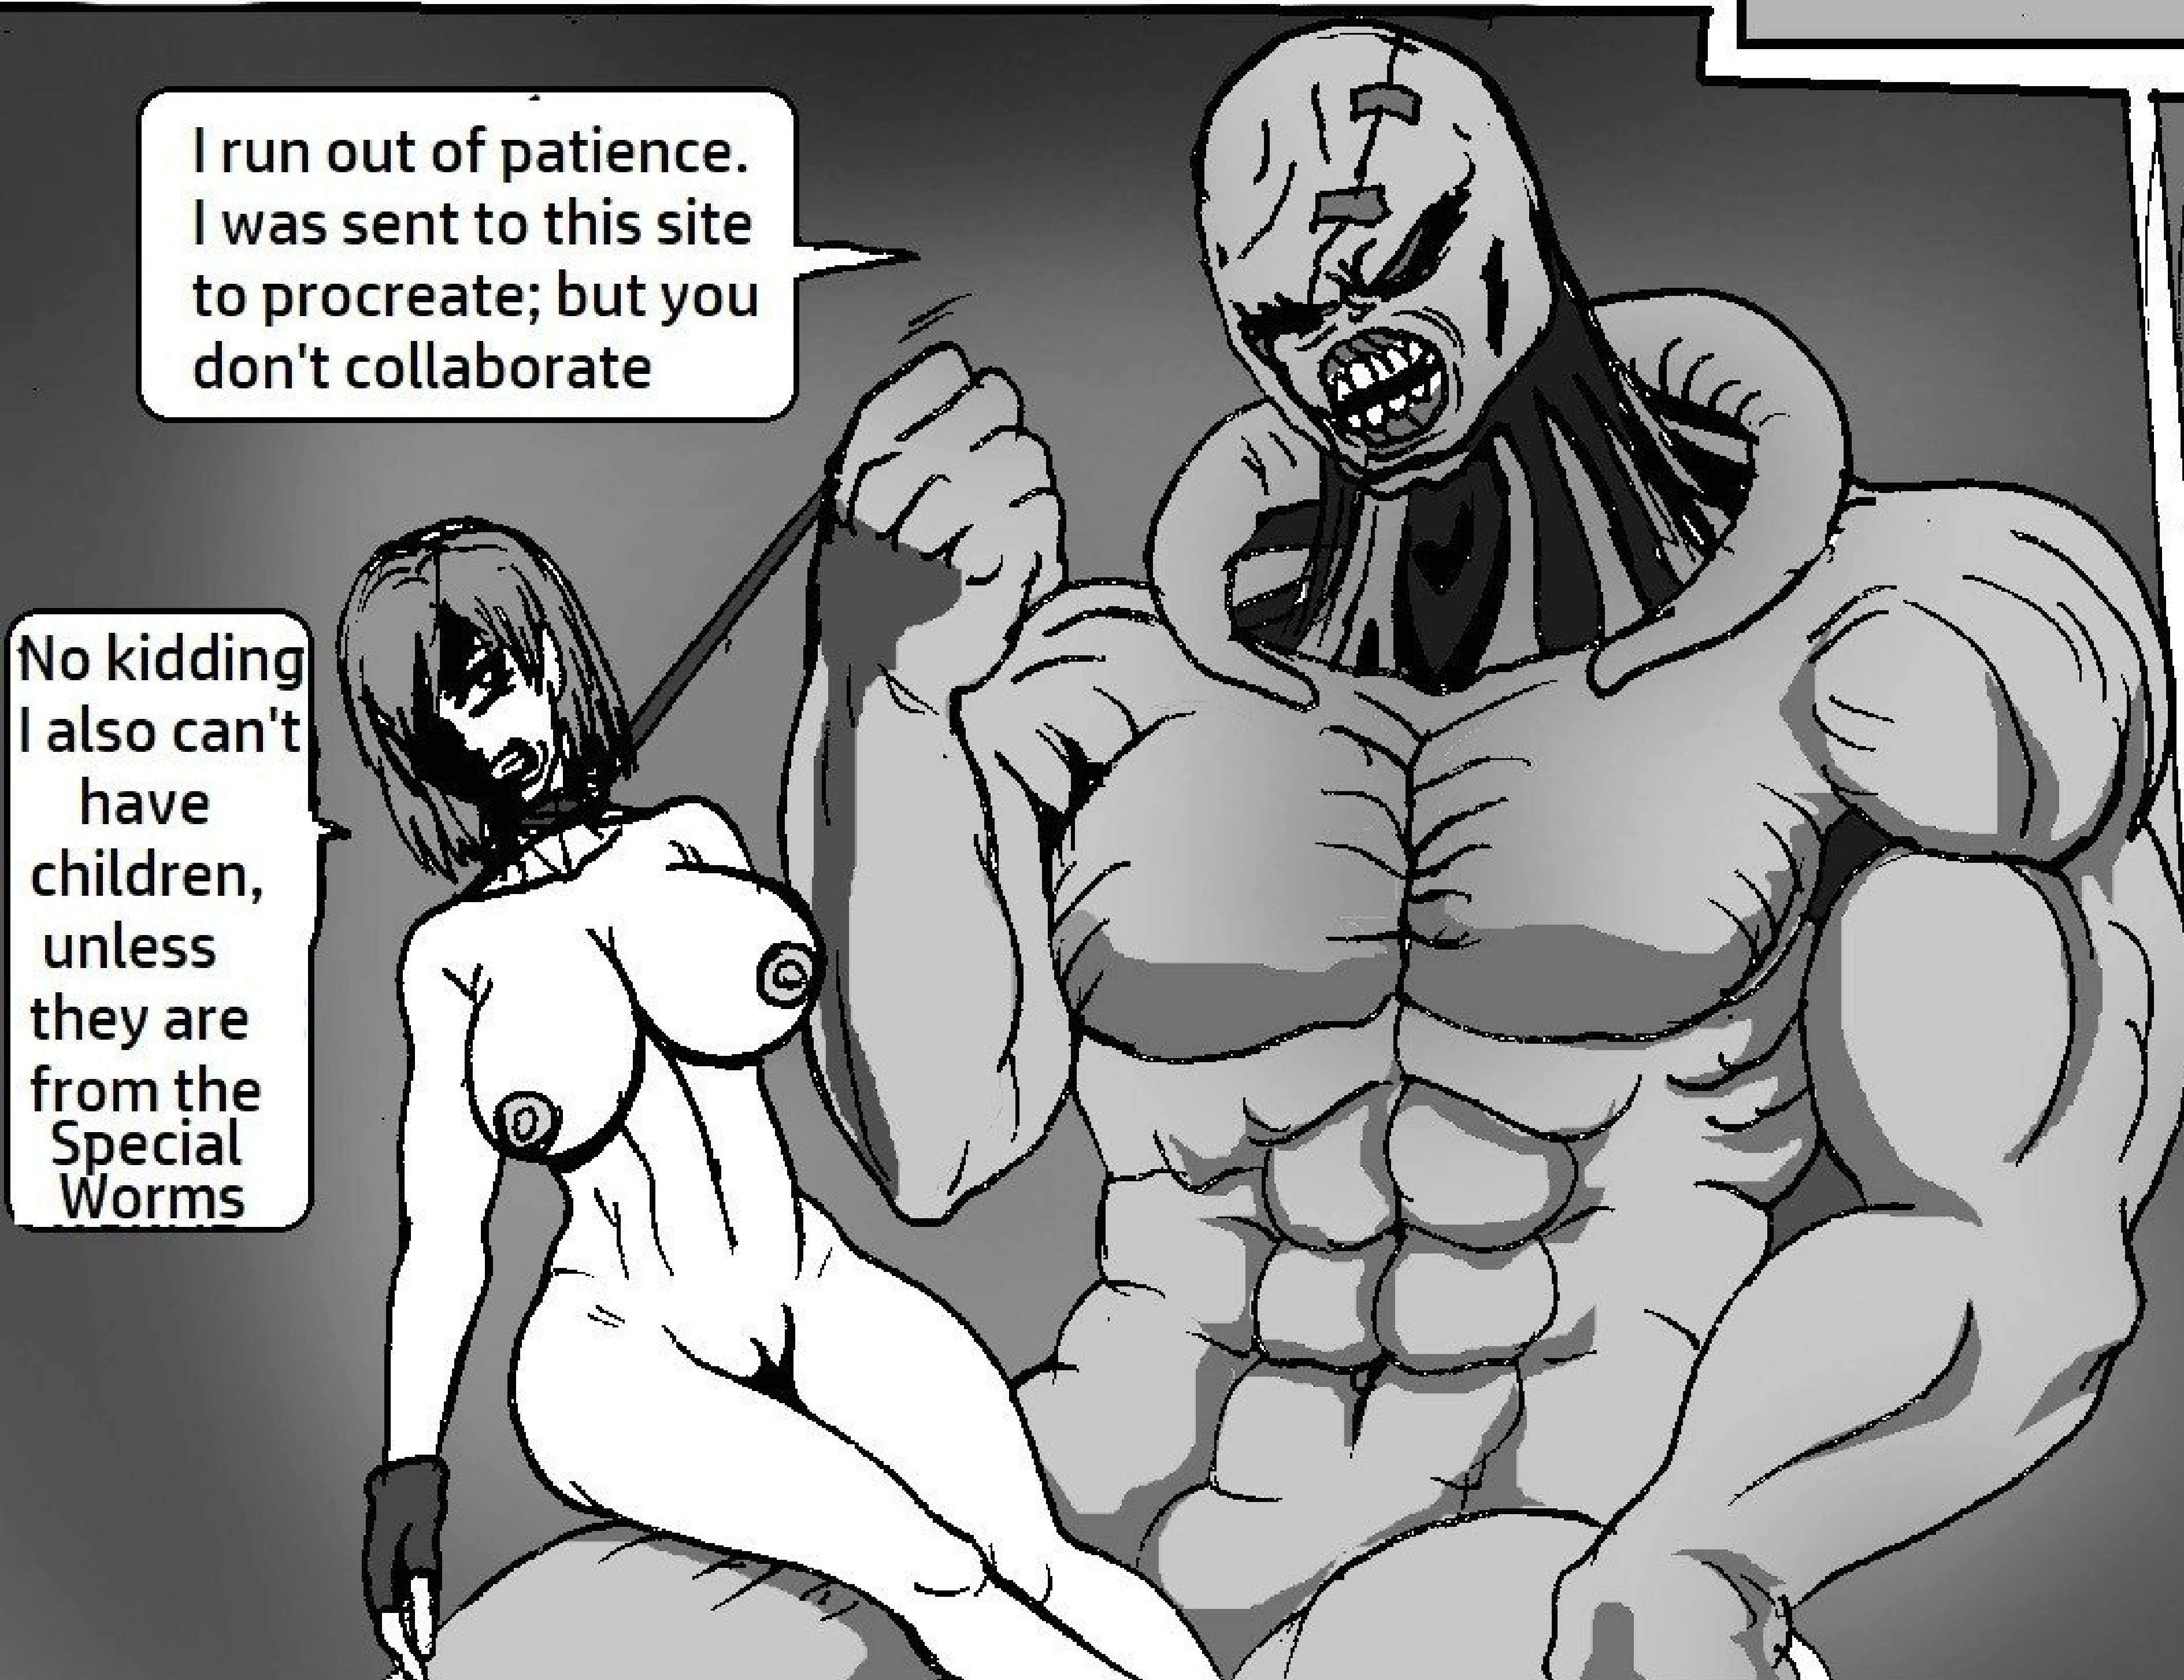

Nemesis managed to reduce his penis thanks to the fluid of his tentacles that ran through Jill's throat to his interior.

One hour later

I want it to be clear to you that I accept you to penetrate me; But I will not be your wife.

I run out of patience. I was sent to this site to procreate; but you don't collaborate

No kidding I also can't have children, unless they are from the Special Worms

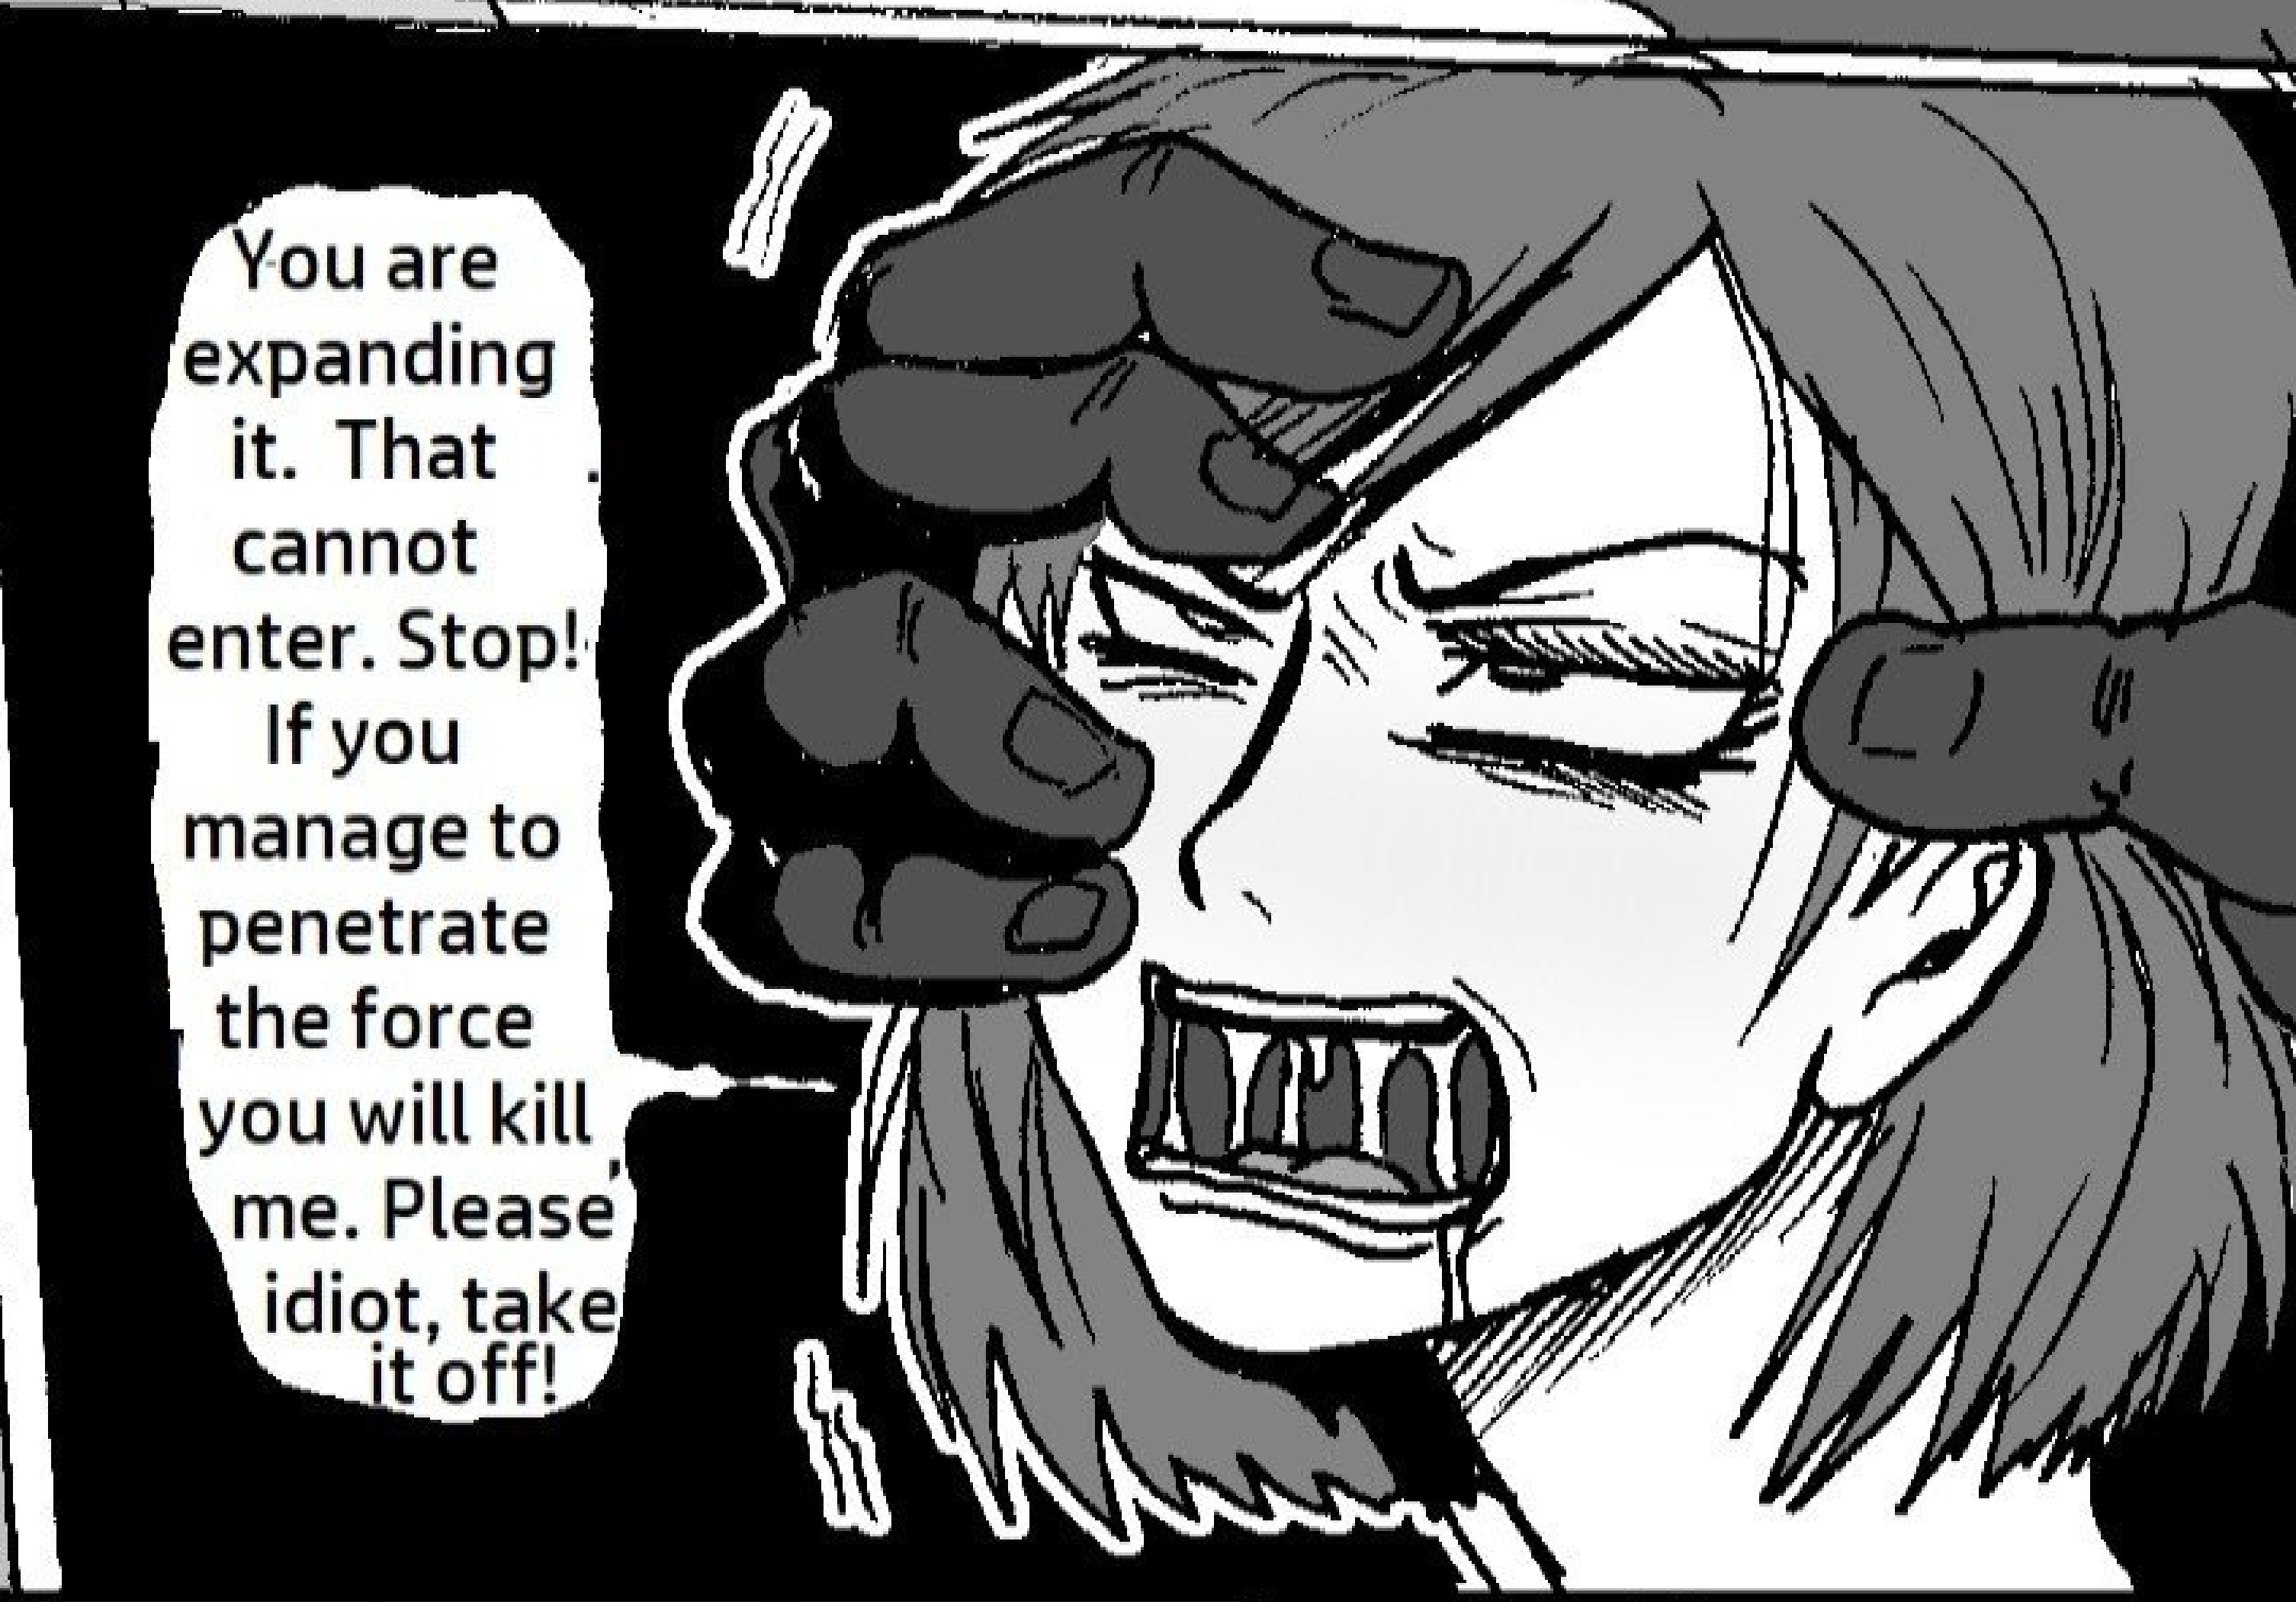

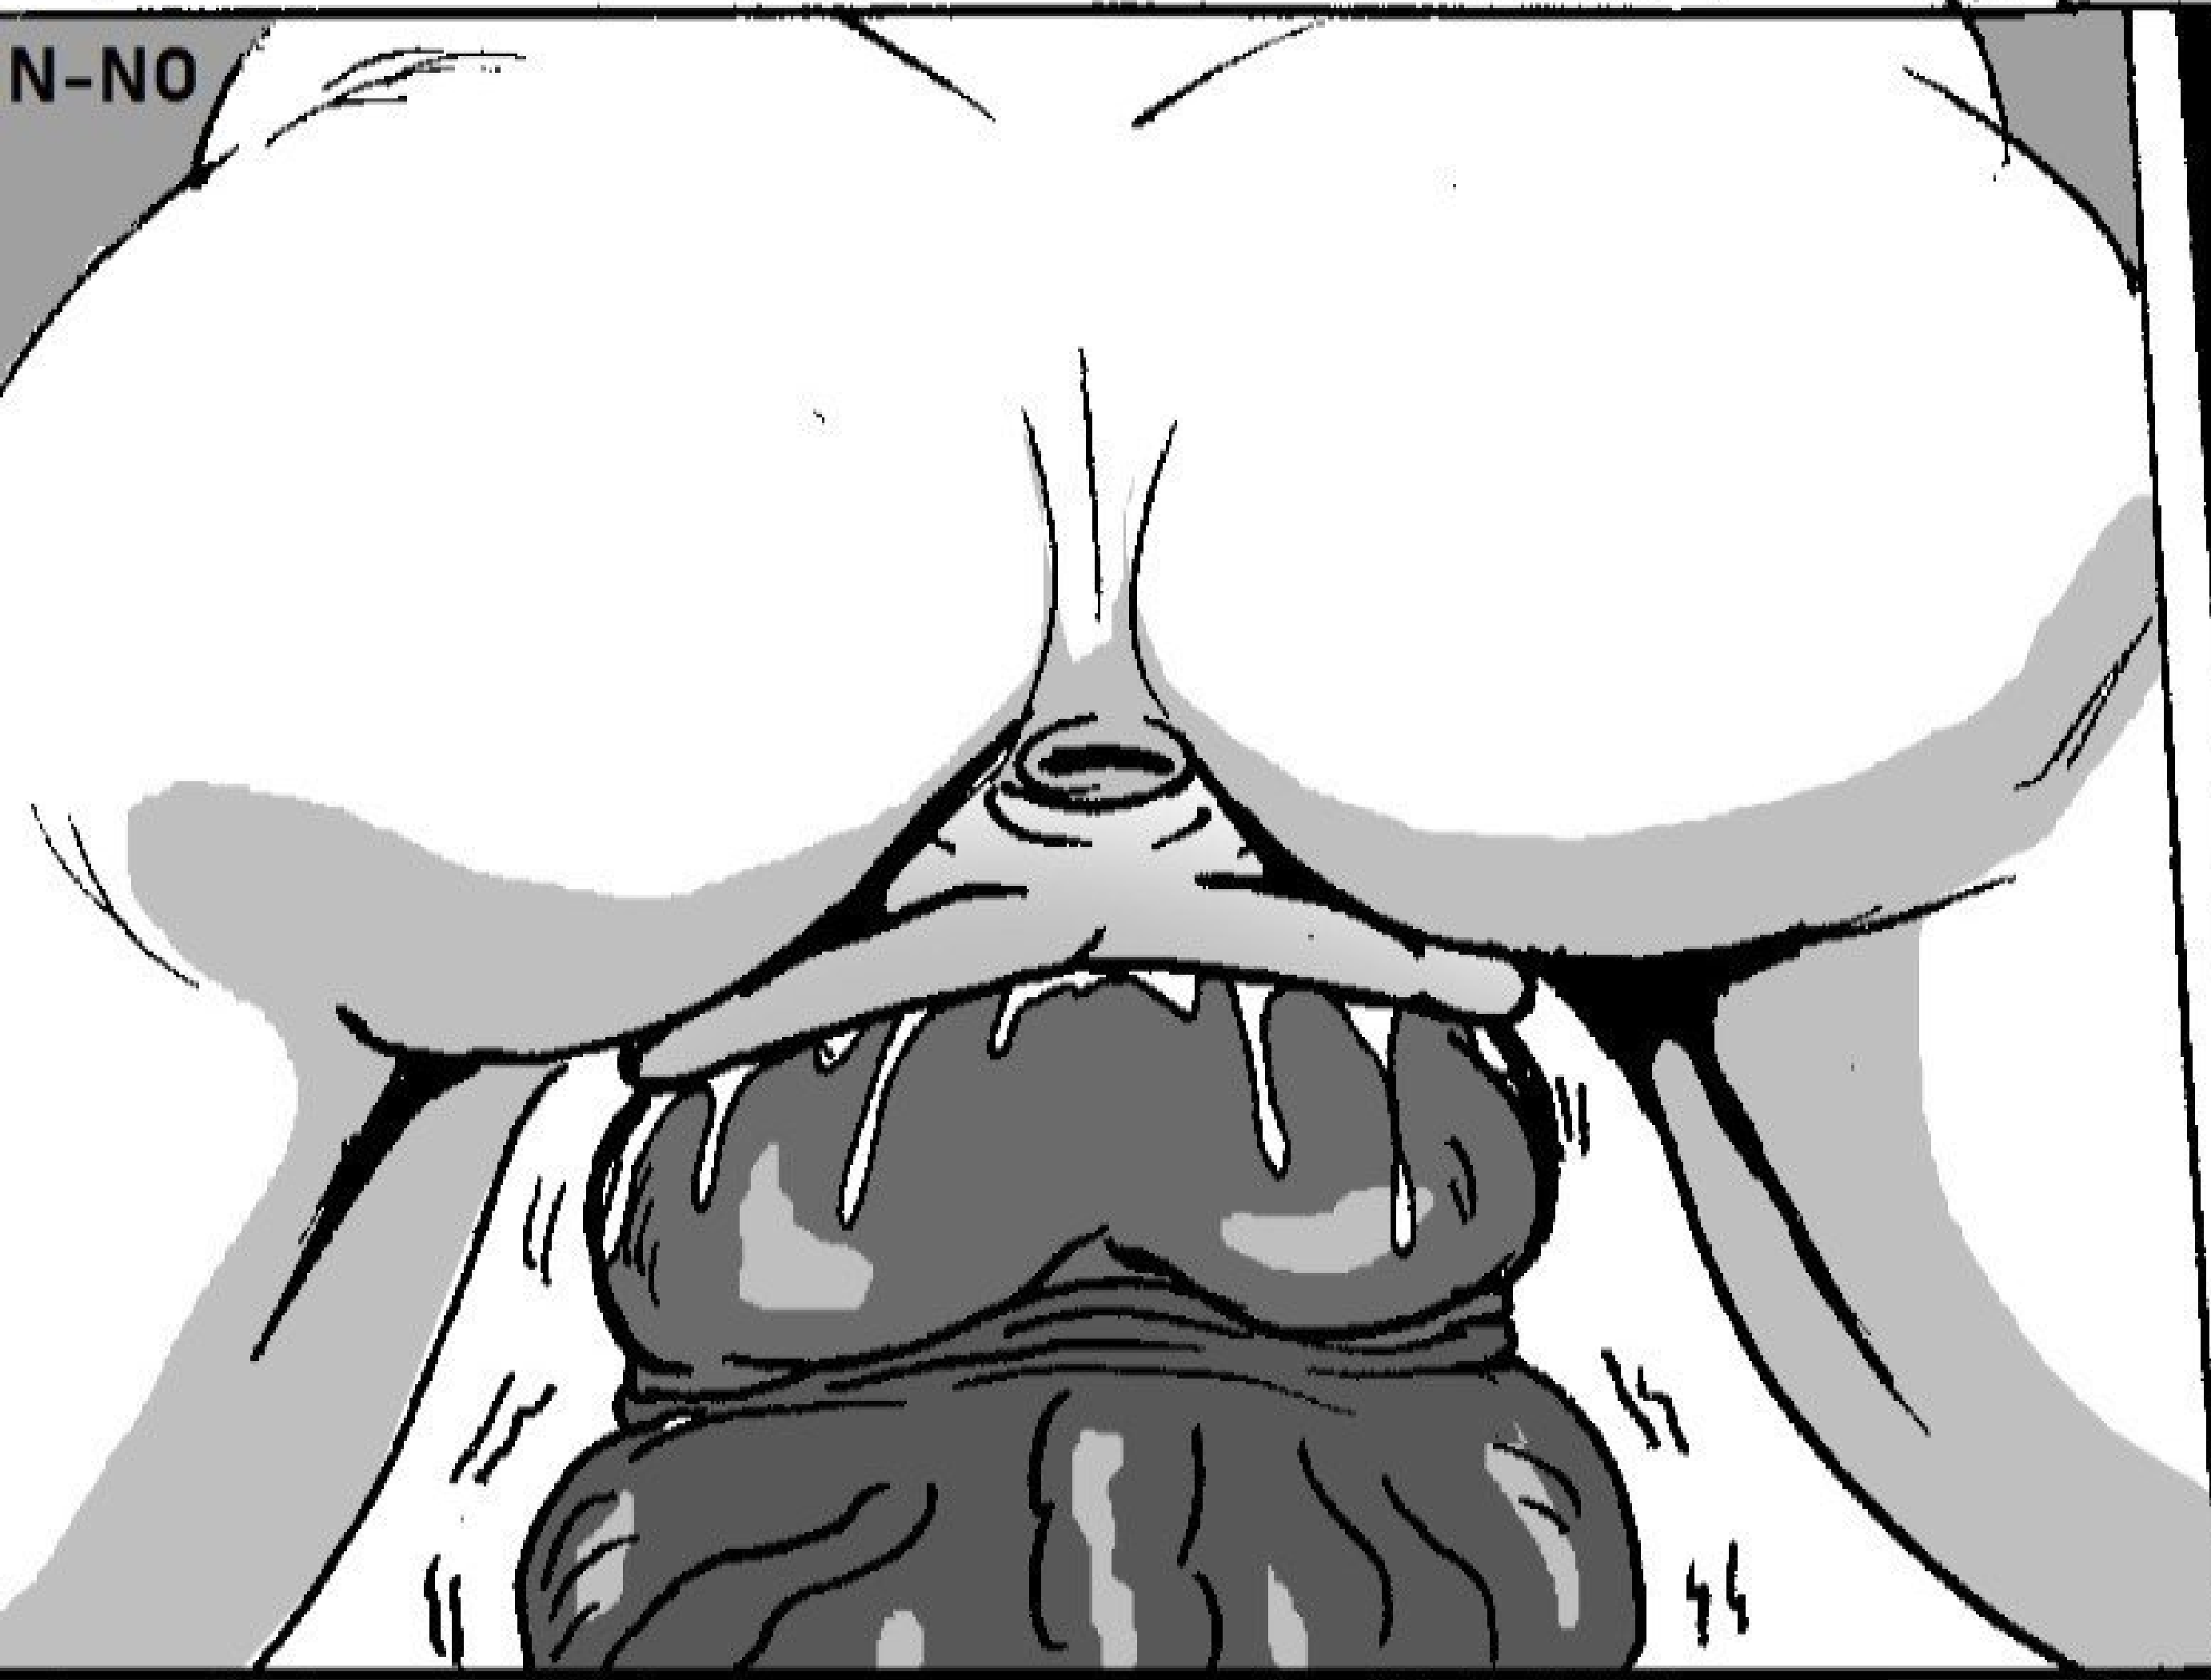

Wait. Why did he suddenly grow up? It is 4 times bigger.

My partner Jill, has many facets that make her unique to me. An adventurer with great enthusiasm, a well-prepared zombie destroyer and a seducer.

However, it is his company in the missions where his talks are the most pleasant. I appreciate her a lot; but I begin to believe that what I feel for her could be more than a friendship.

Hell, that thing
that is 5 times bigger
is entering me. This
will be my end ...

Ok, Jill. I'm
going there. I'm
sorry for Chriss; but
it will be me who takes
care of you. Although I
don't think you
survive after this!
AAARGH..!
