Kali and Miko

Myhentaigallery.com

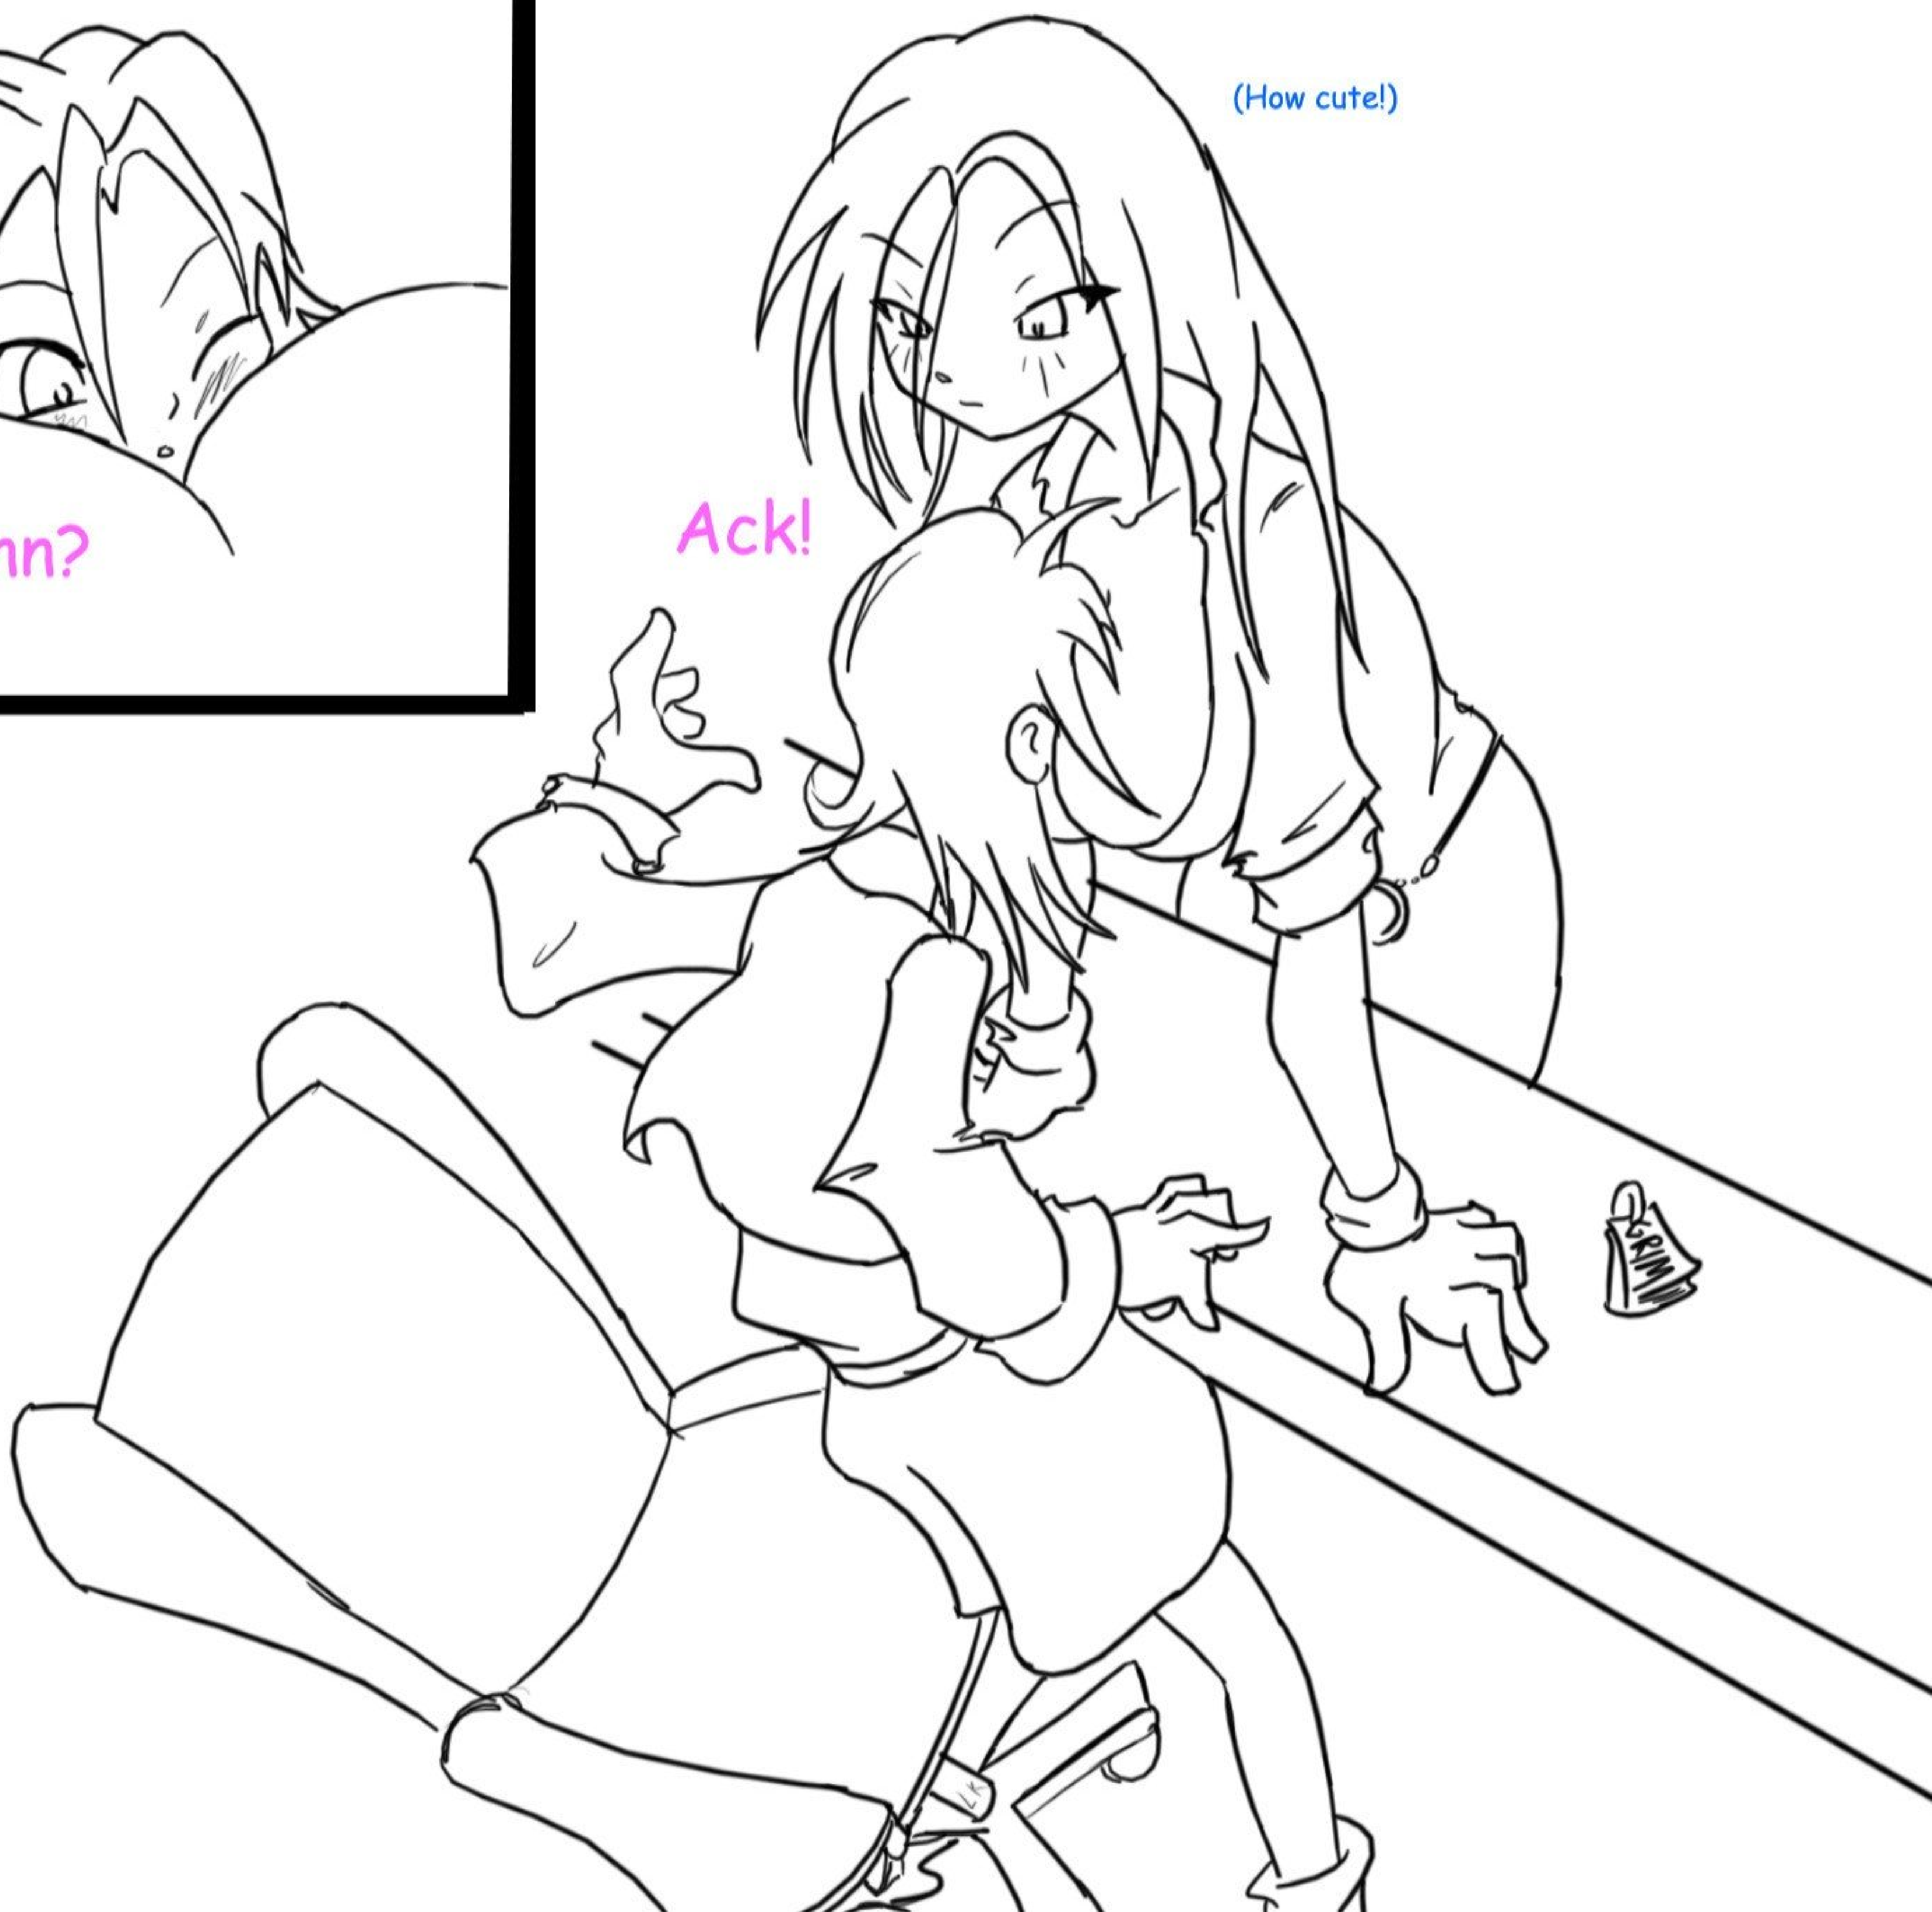

Kali works at one of the most popular shoe stores in Japan. She loves her work for more reasons than one, but sometimes the days get slow and she tends to doze off. Until, that is, the day Kali had a very special guest!

Excuse me...

Hnnn?

(How cute!)

Ack!

I'm so sorry!

That's OK Kali.
I'd like some... uh...
Eyes up here!

(What a chest!)

Er..sorry! How can I help
you?

I'm looking for
some new shoes.
Show me your
best platforms!

Wow! I thought you were
wearing heels already!

(She's huge!)

I get that a lot. Cute sneakers!
They make you look...
less small.

(Oooo...)
(She better not rub it in...)

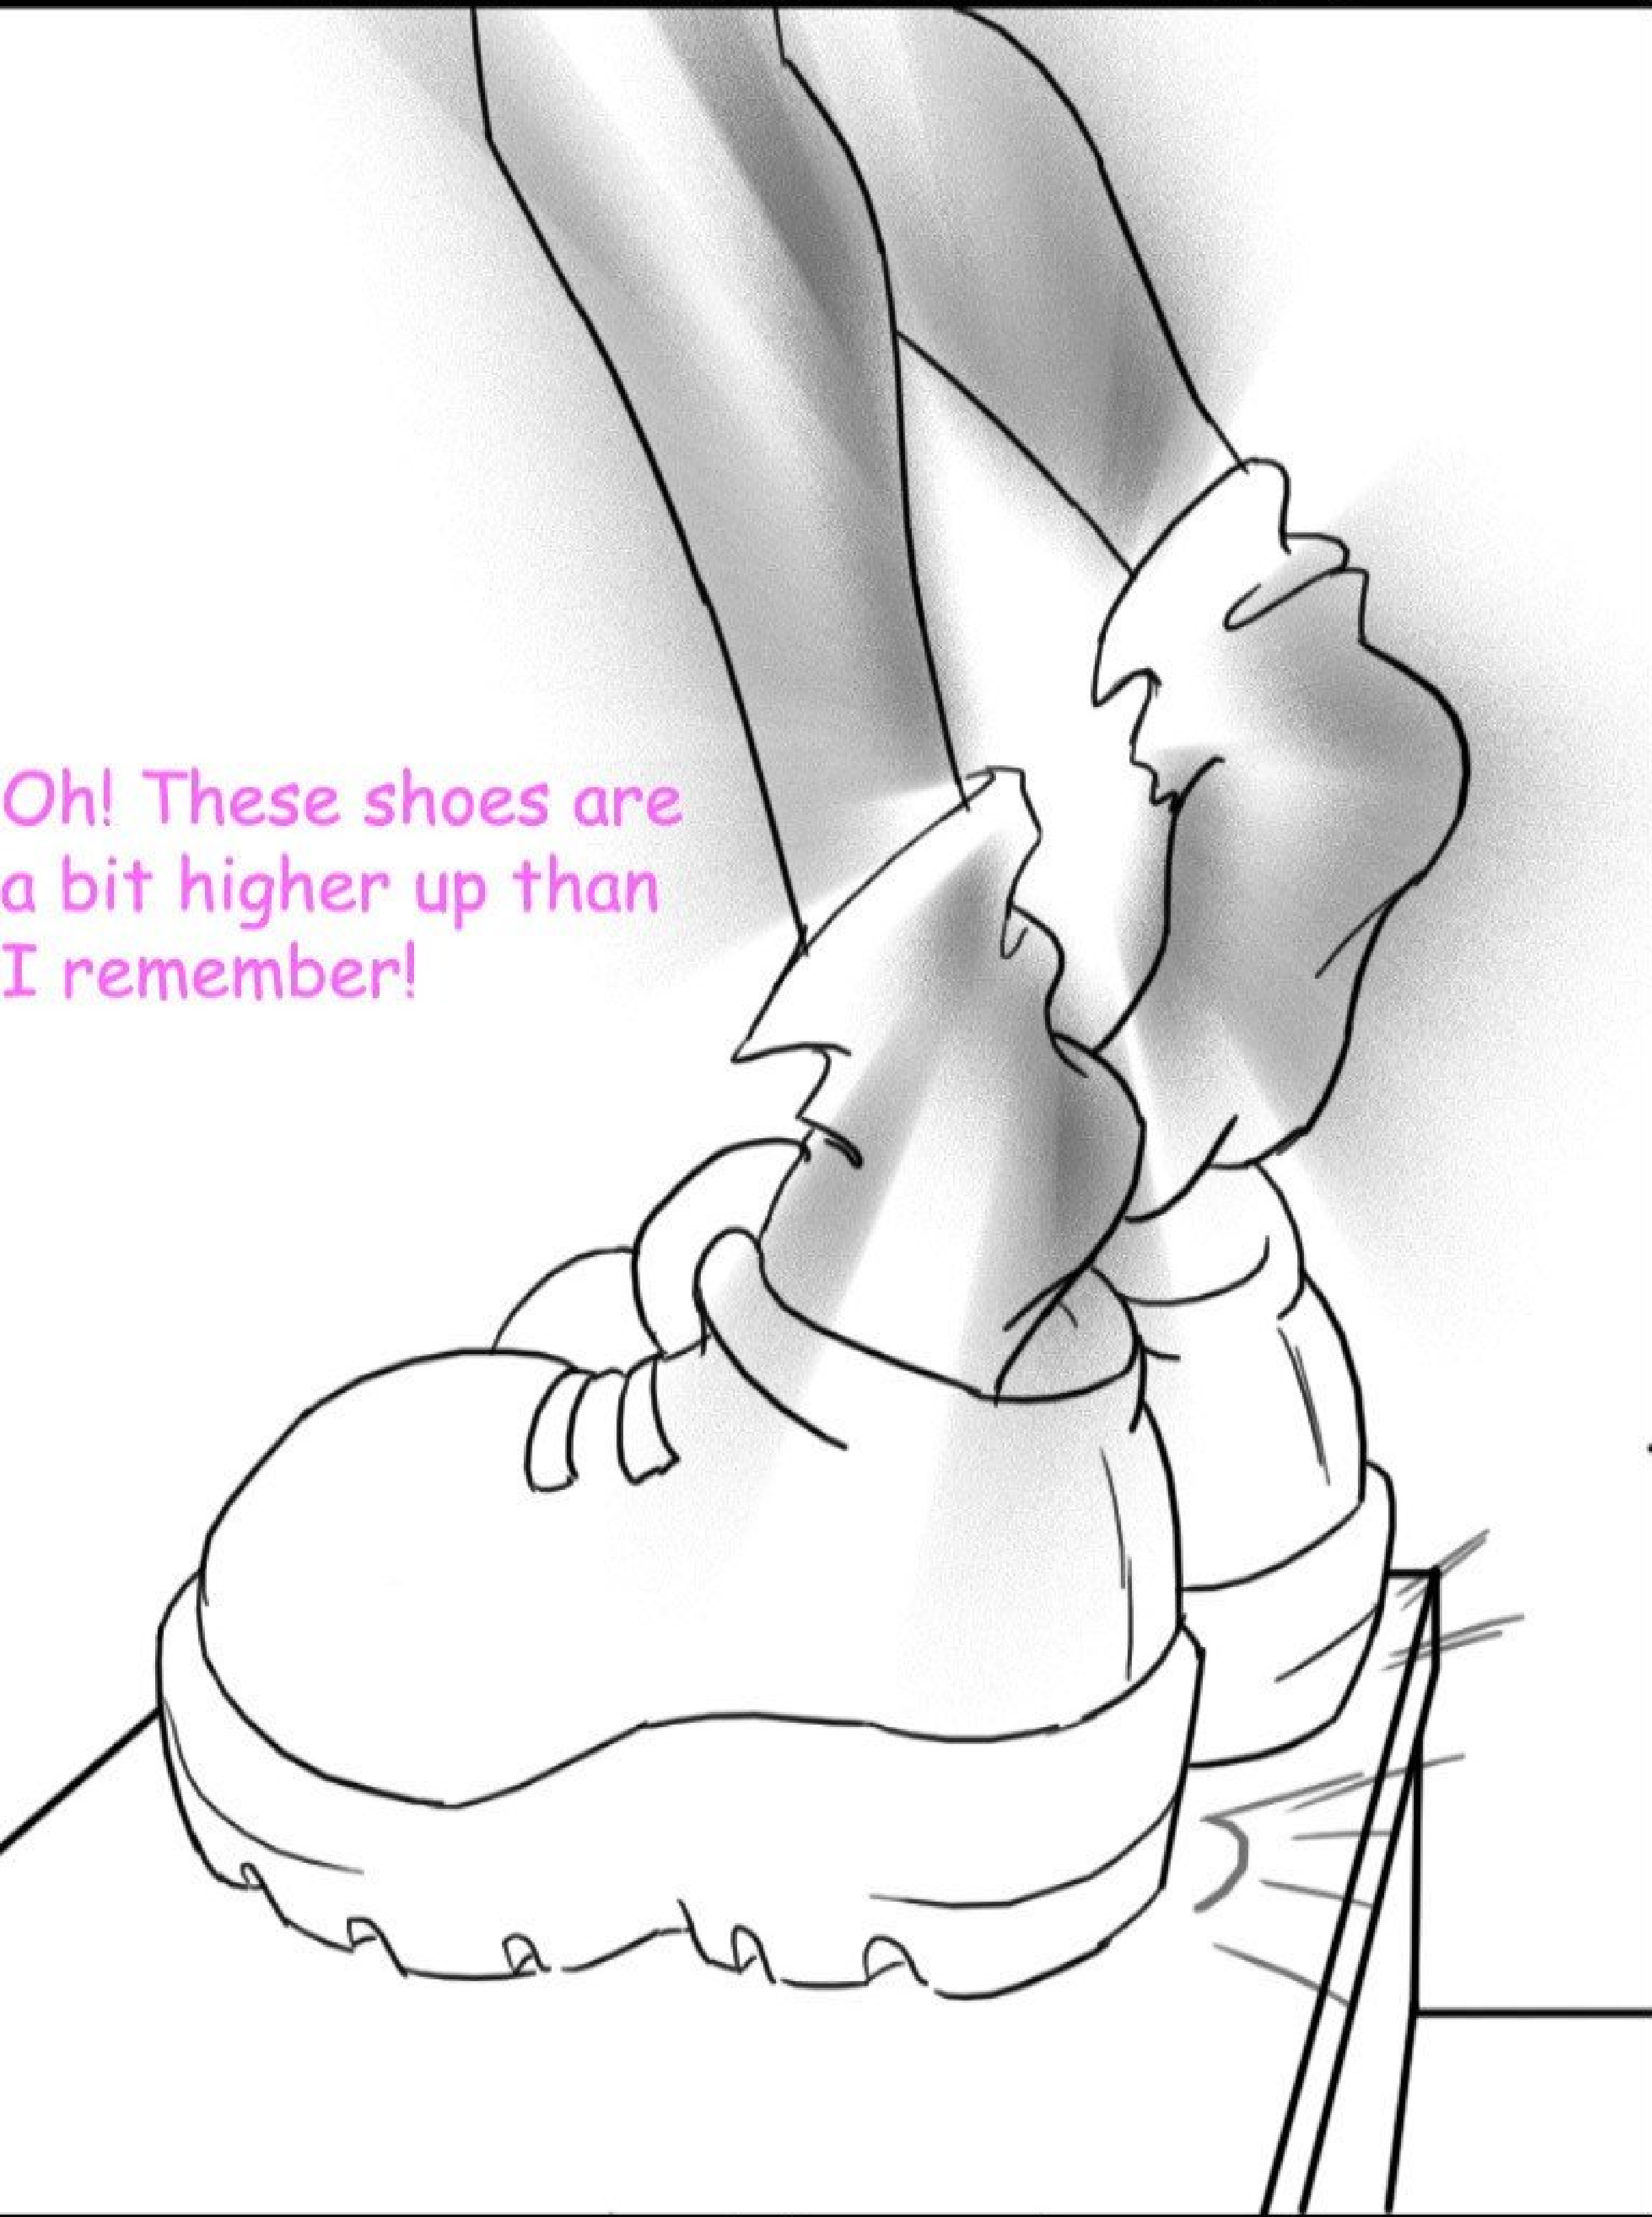

I'll be right back with
a pair of boots.

Alright, I'll just have
a seat then...chibi.

I feel strange!
It feels kinda nice
though...

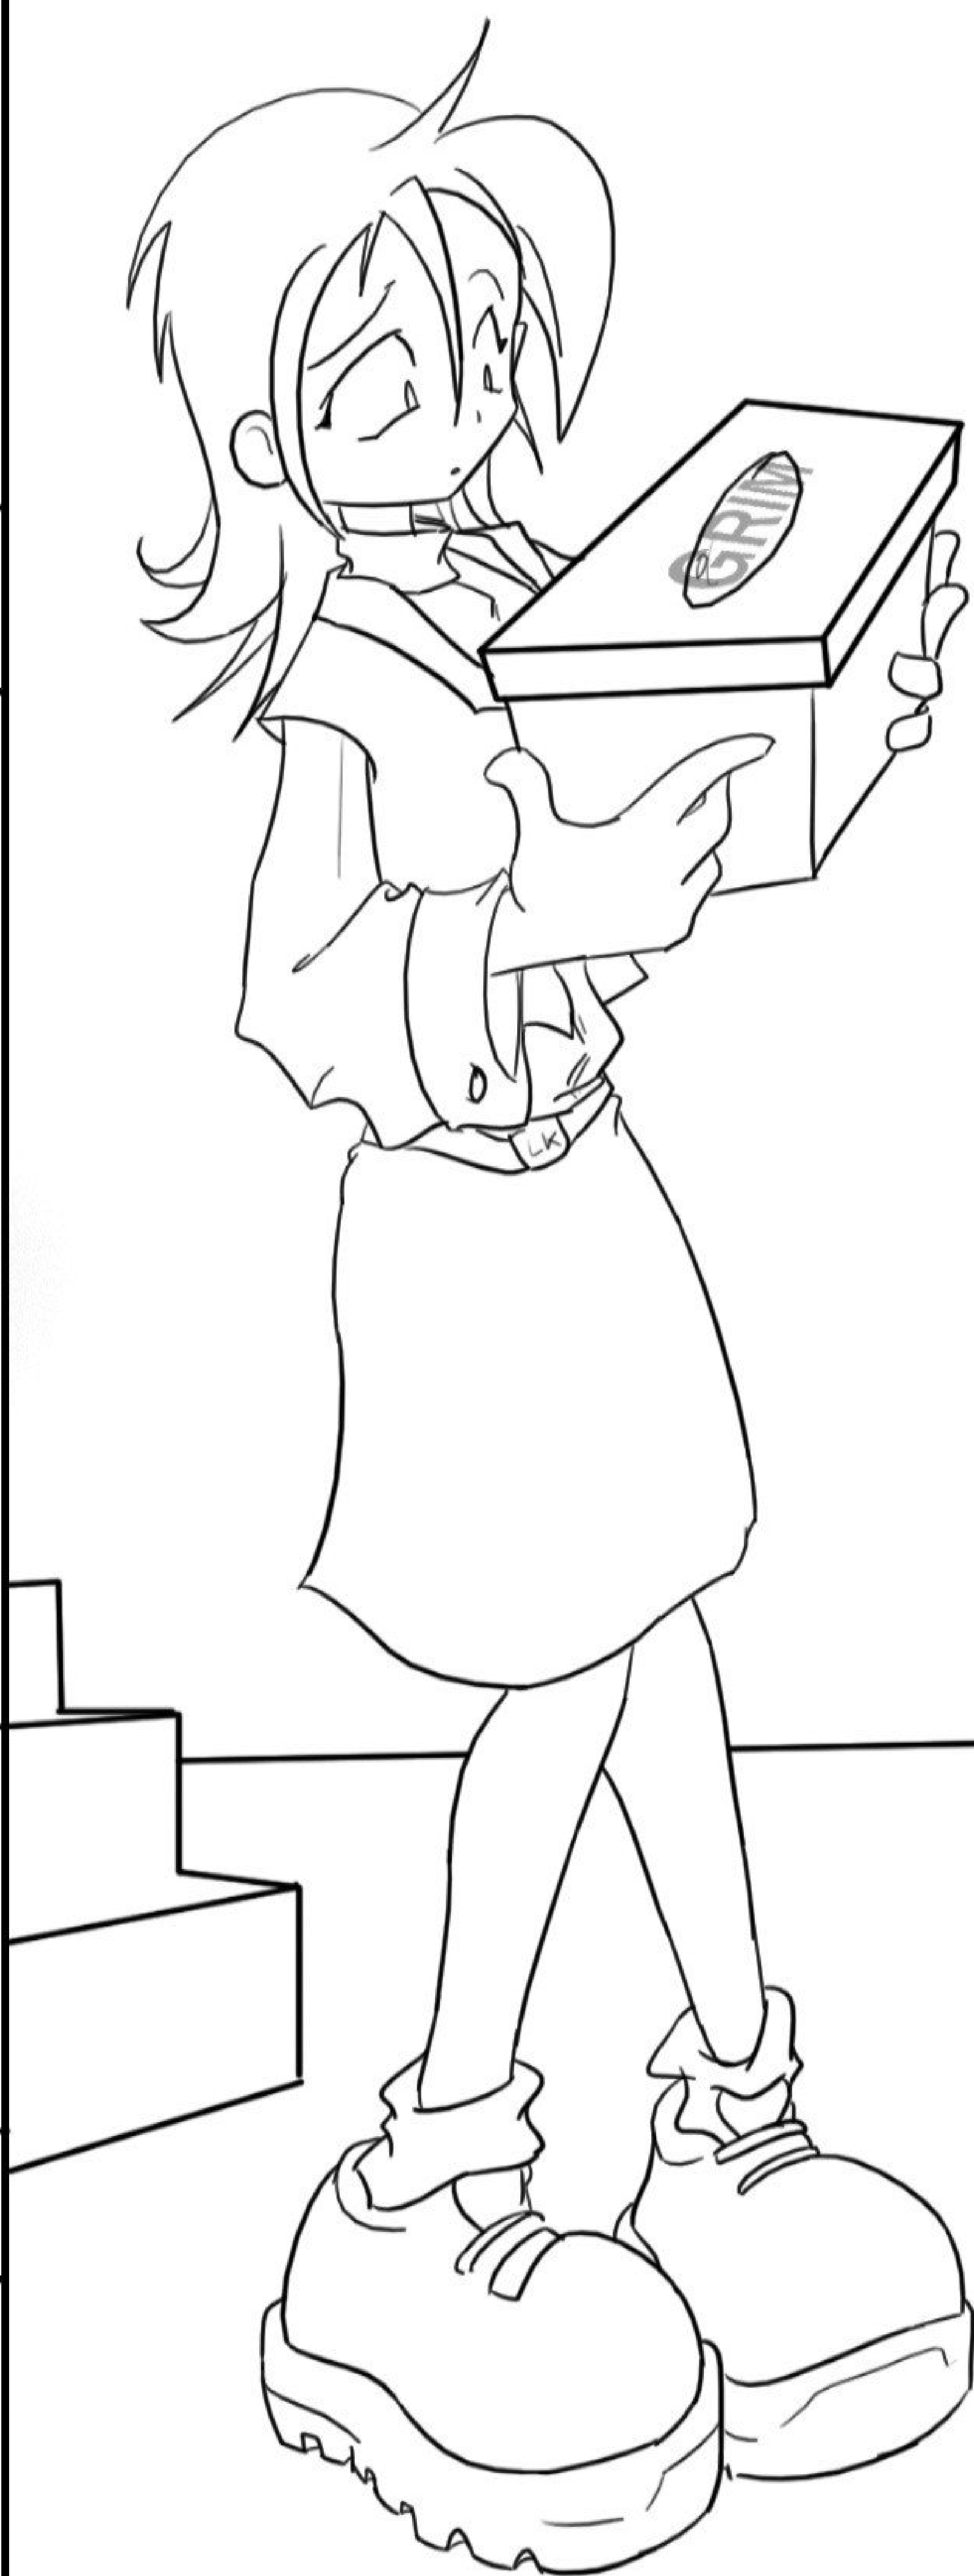

Oh! These shoes are
a bit higher up than
I remember!

Oh yes!
She's perfect.

Hmmm...there's something funny about
this box. Well...I better not keep her
waiting any longer.

Let me get those for you!

Thank you Kali!

So....

Miko.

So, Miko, what shoe size are you?

I'm normally a nine.

(Normally?) I see. And what do you do for a living dressed like that?

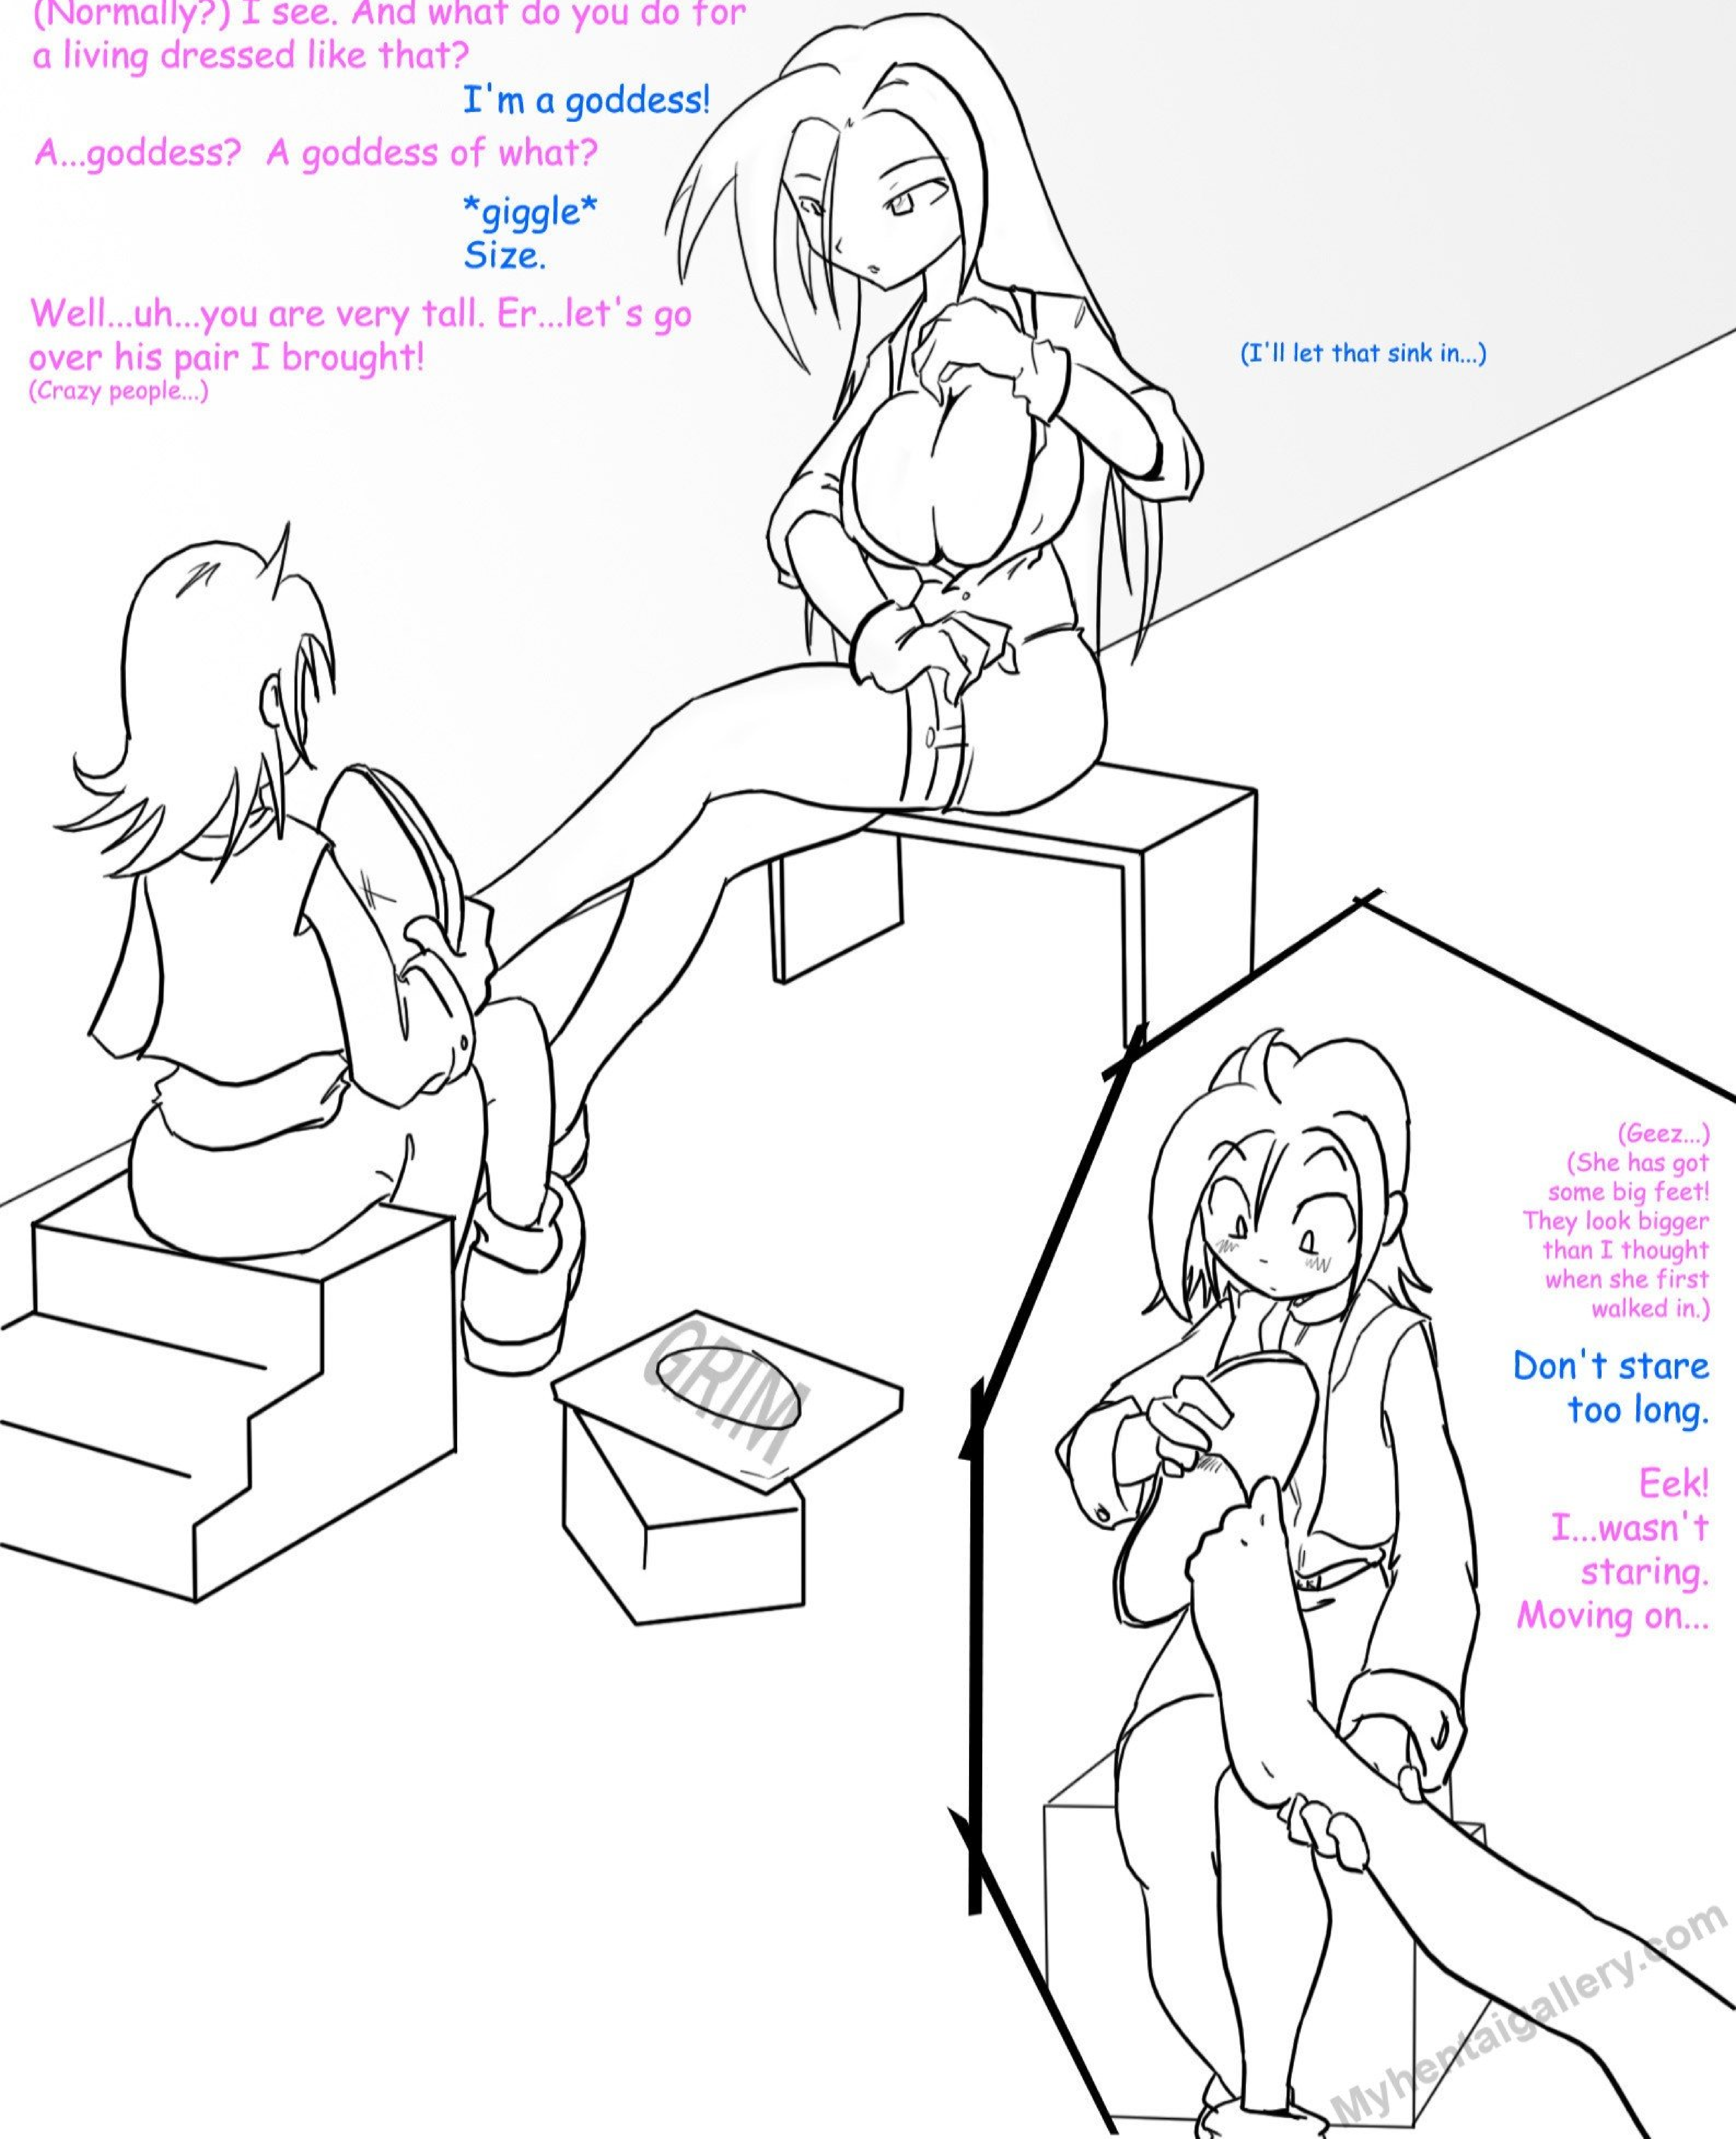

I'm a goddess!

A...goddess? A goddess of what?

giggle
Size.

Well...uh...you are very tall. Er...let's go over his pair I brought!
(Crazy people...)

(I'll let that sink in...)

(Geez...)
(She has got
some big feet!
They look bigger
than I thought
when she first
walked in.)

Don't stare
too long.

Eek!
I...wasn't
staring.
Moving on...

ahem

This one here is one of our most popular brands!
With a nice thick sole, you'll be the height of the party!
These shoes here are a size...

(Let's take a little more and see how she reacts...)

(That feeling again...oh!!)
(Did this thing just
get bigger or is it me?)

(My clothes feel kinda
weird too...am I coming
down with something?)

Er, well I thought
this was
a size 9.
It looks
bigger.

I could've sworn...yeah the
tag says it's a size 9. I
must be having a bad day.

Yes God...er...Miko!

(Oh she is just
soooooo good!)

Why don't you put
them on for me,
chibi?

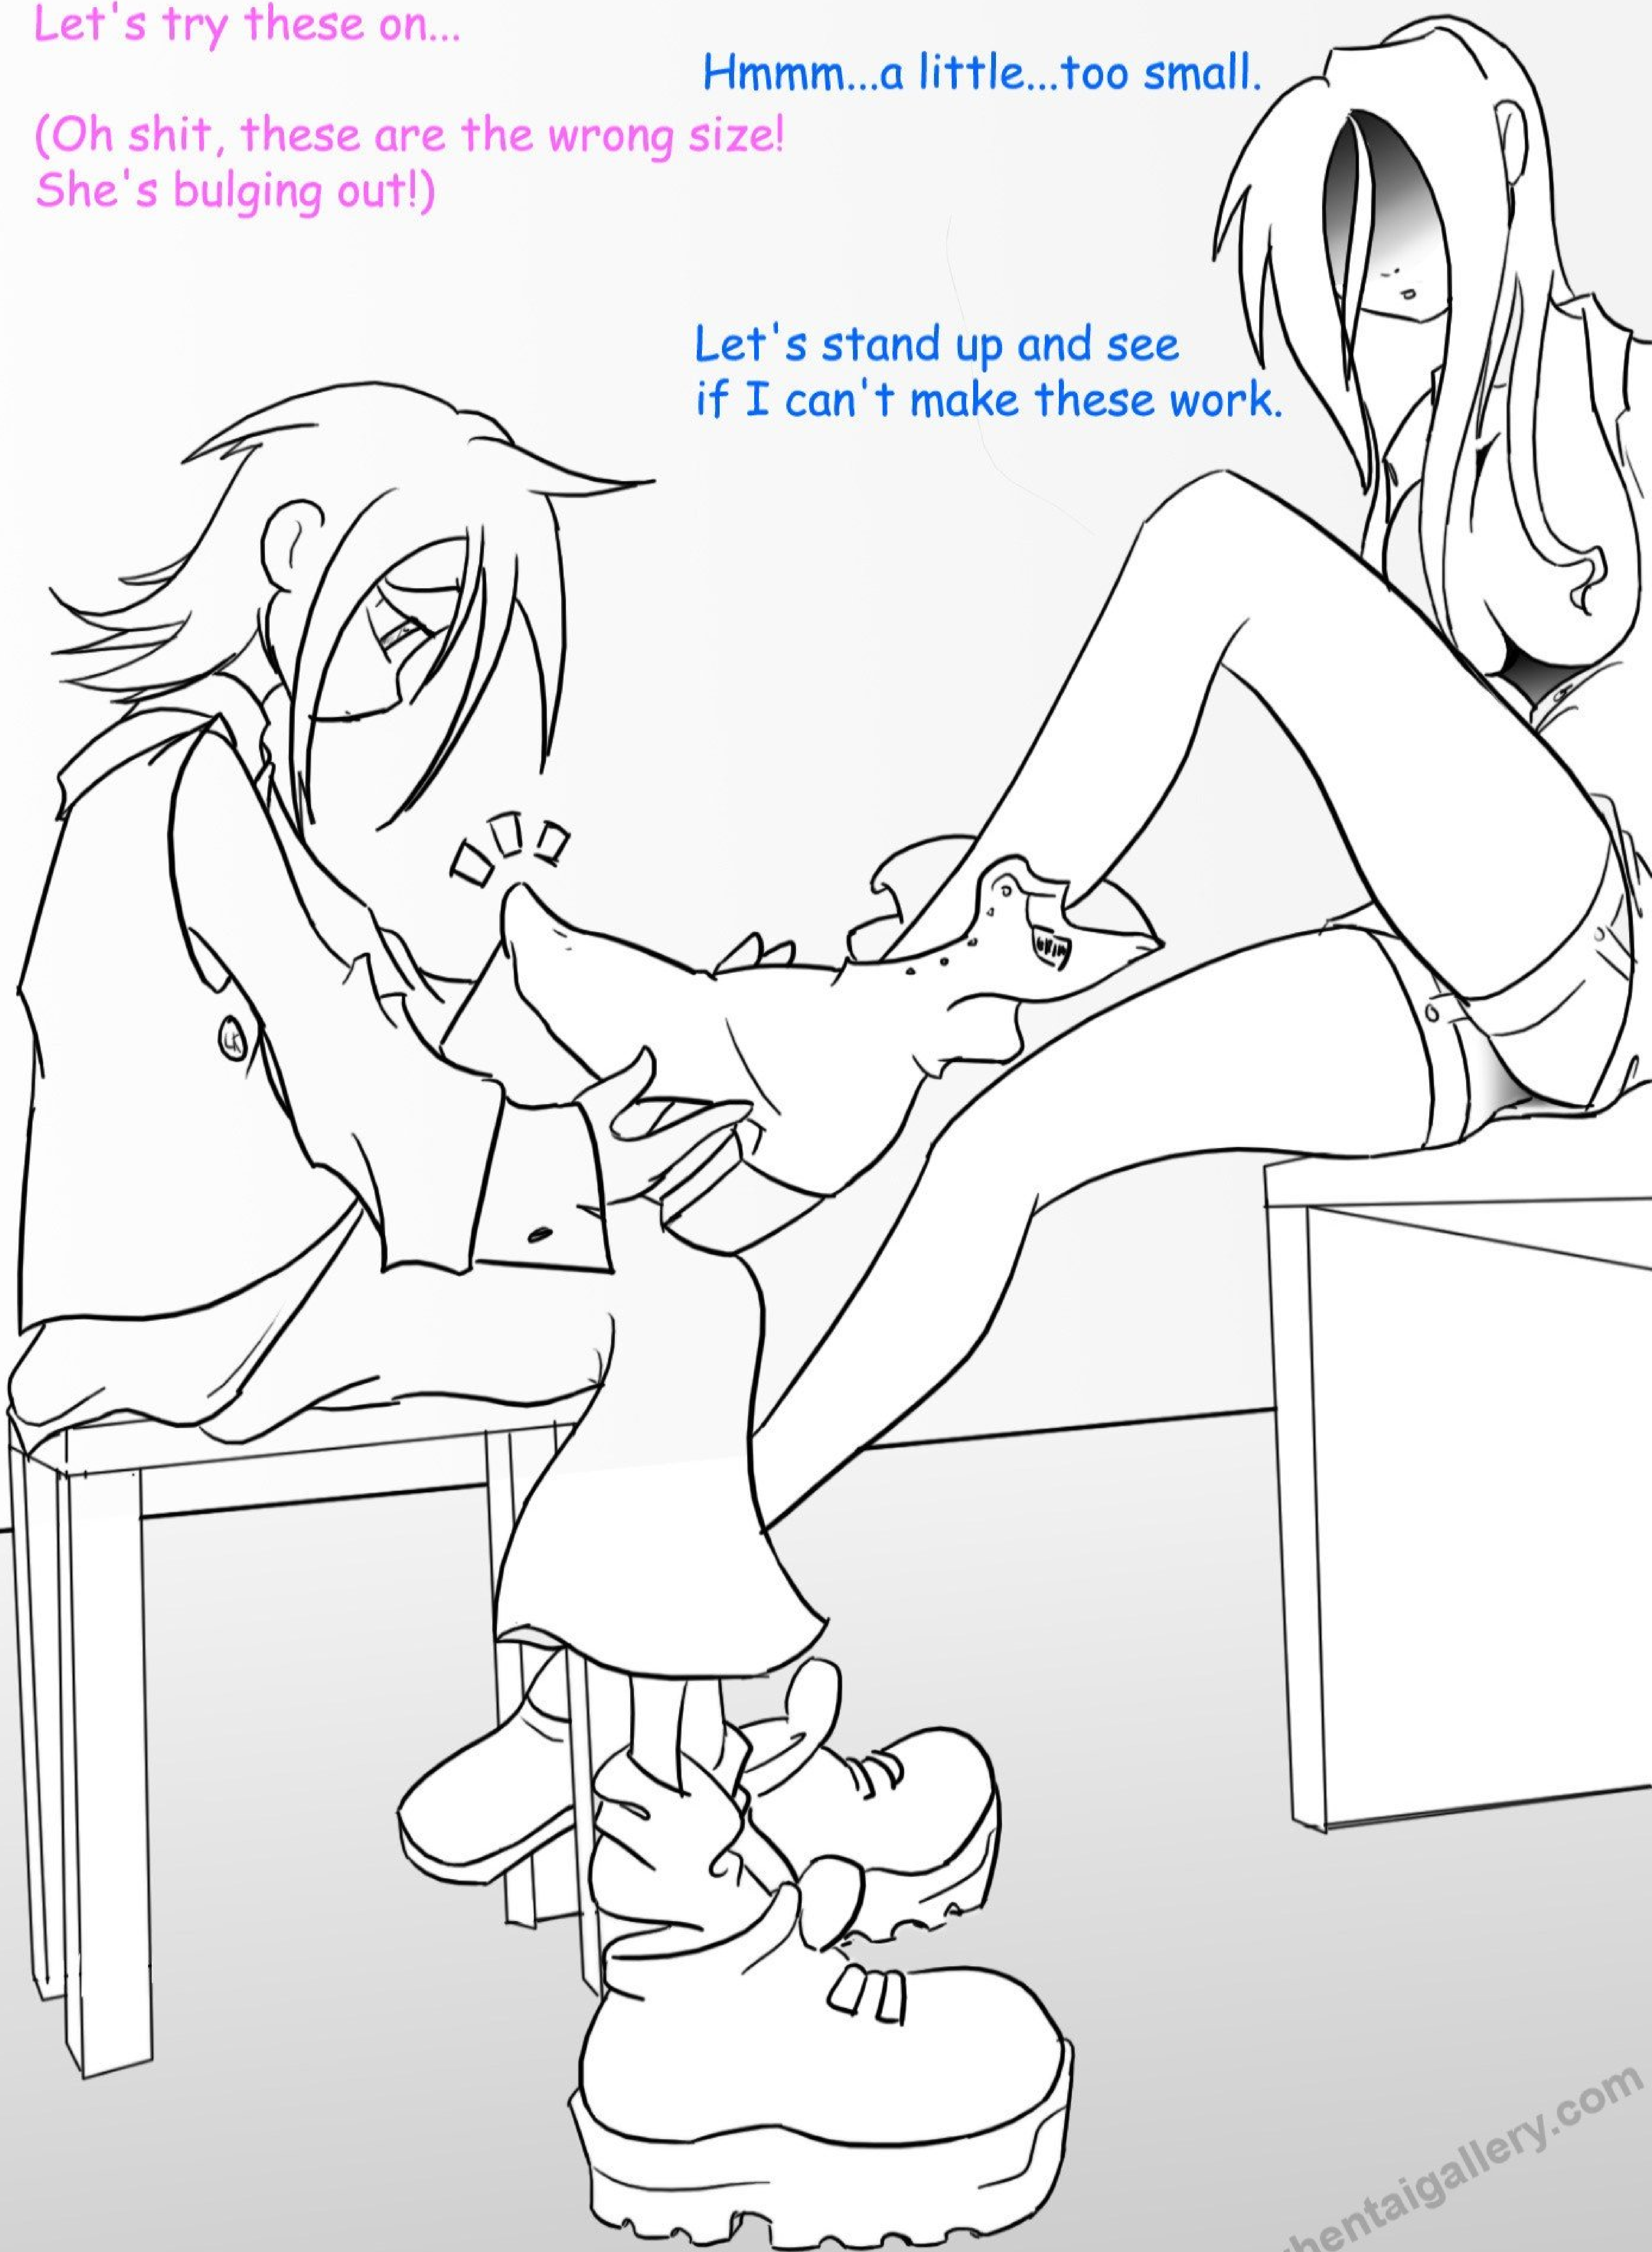

(My clothes feel all baggy, and I can't even reach the floor with my feet! I'll figure out what's going on after this sale...)

Let's try these on...

Hmmm...a little...too small.

(Oh shit, these are the wrong size!
She's bulging out!)

Let's stand up and see
if I can't make these work.

Let's see...

Oh yes, these will never do. I am simply not tall enough in them.

(Not tall enough?! She's huge!
A giantess even!
Who knew platforms were this effective?)

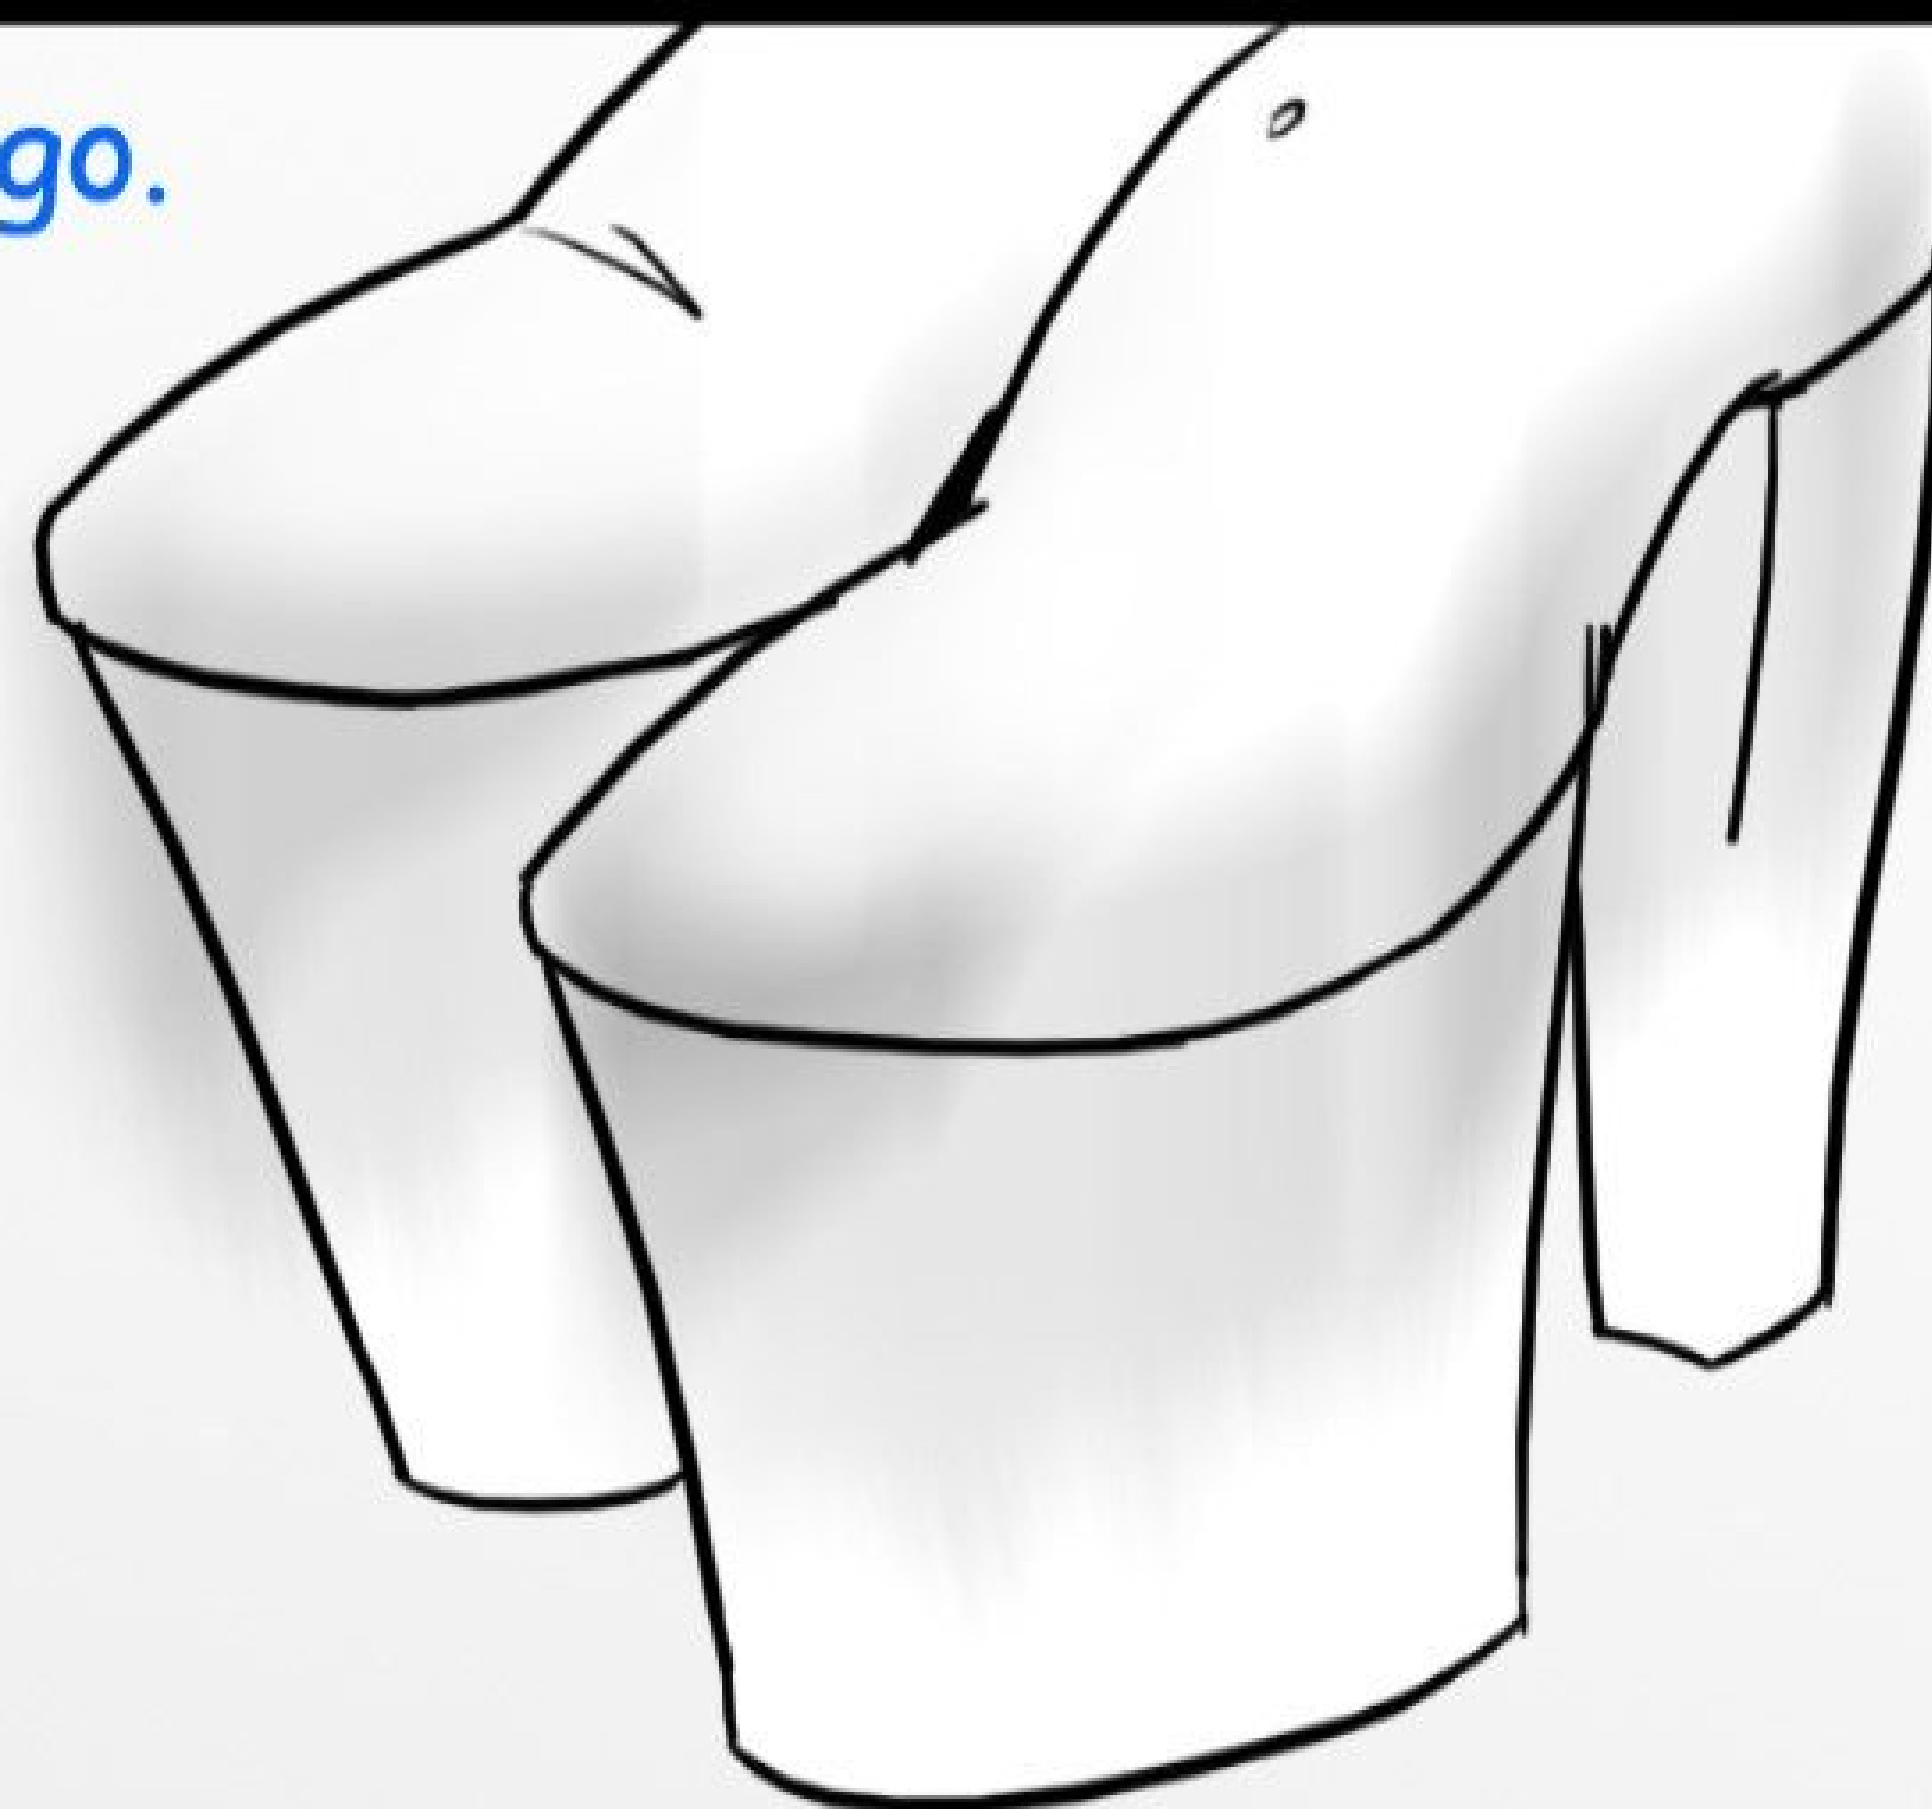

(Kali doesn't quite get it, does she?)

Let me add my own touch...

Ah, there we go.

GRIM

There we go! Now I feel really tall!
Oh, and they fit. I suppose that's
important and everything.

(How'd she do that? And why didn't she
do that in the first place? Would have
saved me some work!)

Yes you're quite enormous now!

(It's easy
when you're
so little...)

You know, being around you makes me feel so relaxed. Come over here, chibi.

Y-y-yes Miko!

(Oh no, my skirt is falling!!)

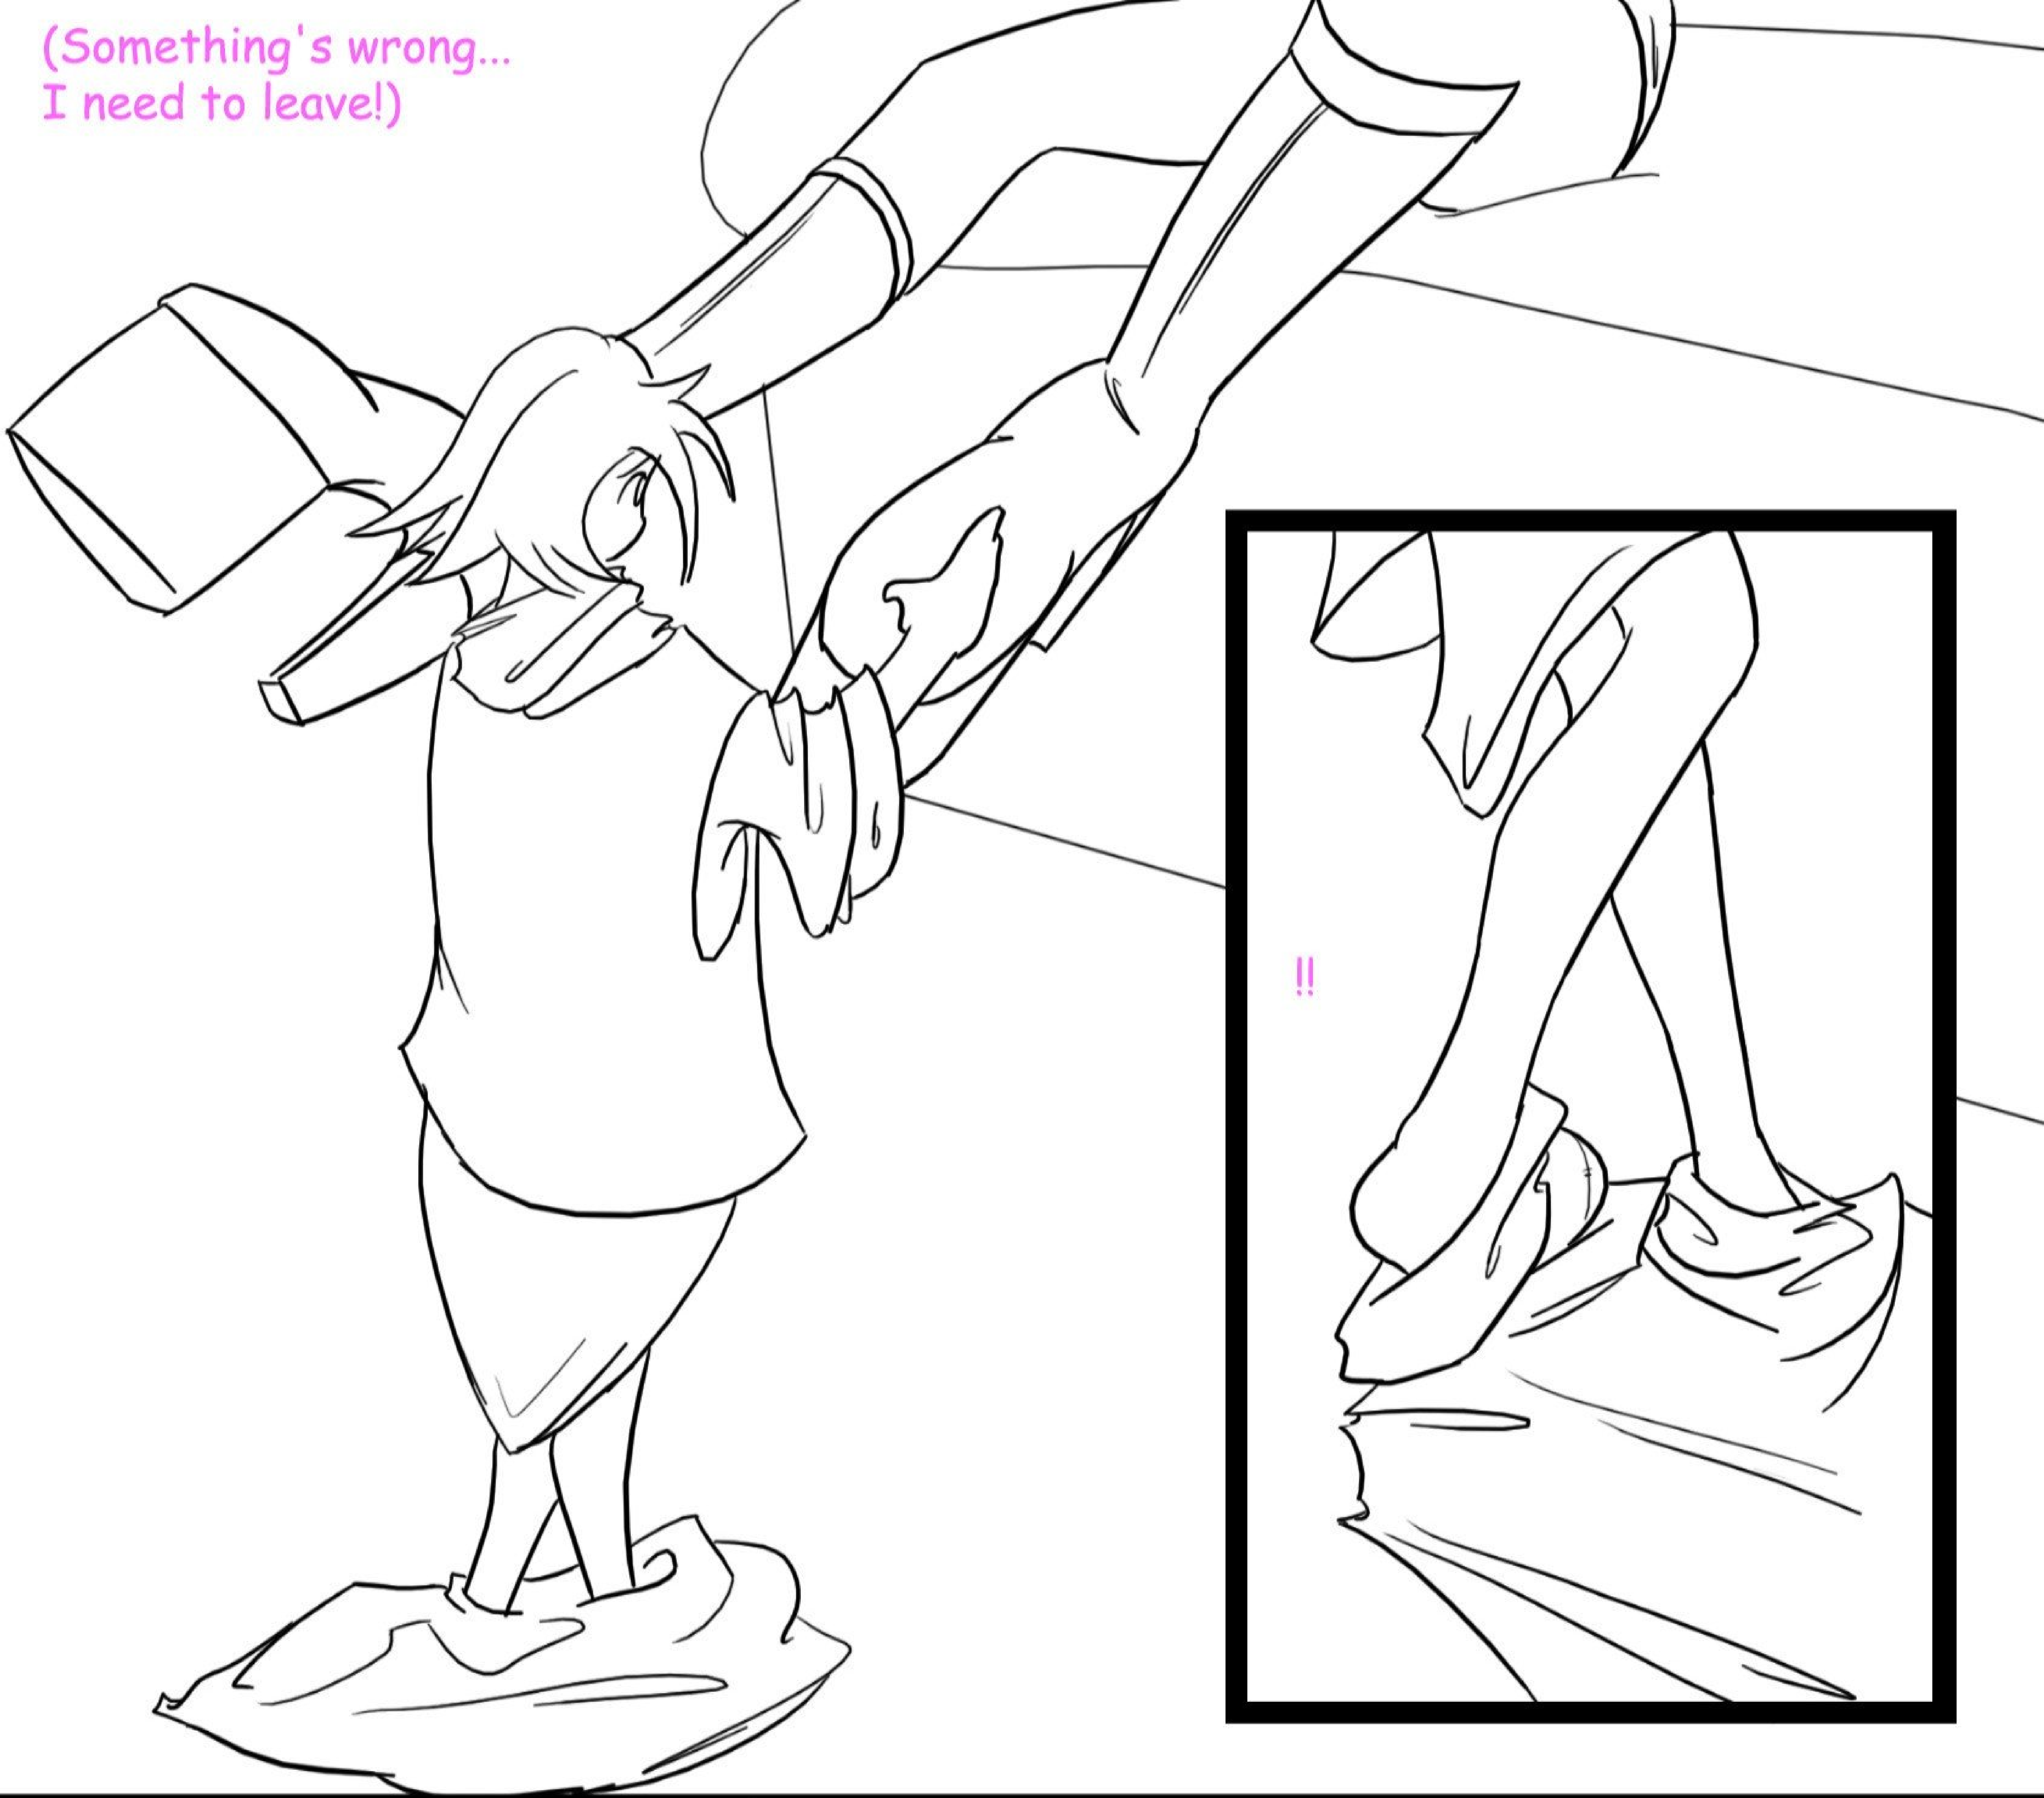

This feels nice, don't you think?

Uh...
Uh...
Yes!

Shrink.

Wh...
What?

(Something's wrong...
I need to leave!)

(Oh no!)

(Ow...)

Now that wasn't
very nice Kali.

Okay Chibi...
Time to come clean!

I'm looking for a
new helper in my
"Goddess duties".

I know more about
you than you think...

Including your deepest
fantasies.

And I think you'd be
perfect for the job!

I know you'd want to
help me...

I can promise you so much!

But **ONLY**
if you say
yes!

.....
Y....yes Goddess!

Great! But first I must test you!

Well...get up!

'kay!

Yes yes!

(These clothes
are so heavy!)

Kali?

Uh...yes! Yes Goddess Miko?

Oh you're just precious! I love you already! I'm sure this will work out great.

Before you start your new duties, you'll need to finish your old ones! I like these boots, so please get them ready for me.

Too easy...let's make things
a bit more difficult.

(Smaller my pet...)

Ok! Let me wrap these
up!

huff

(She's doing it
again! That
shrinking feeling...)

(Feels nice...)

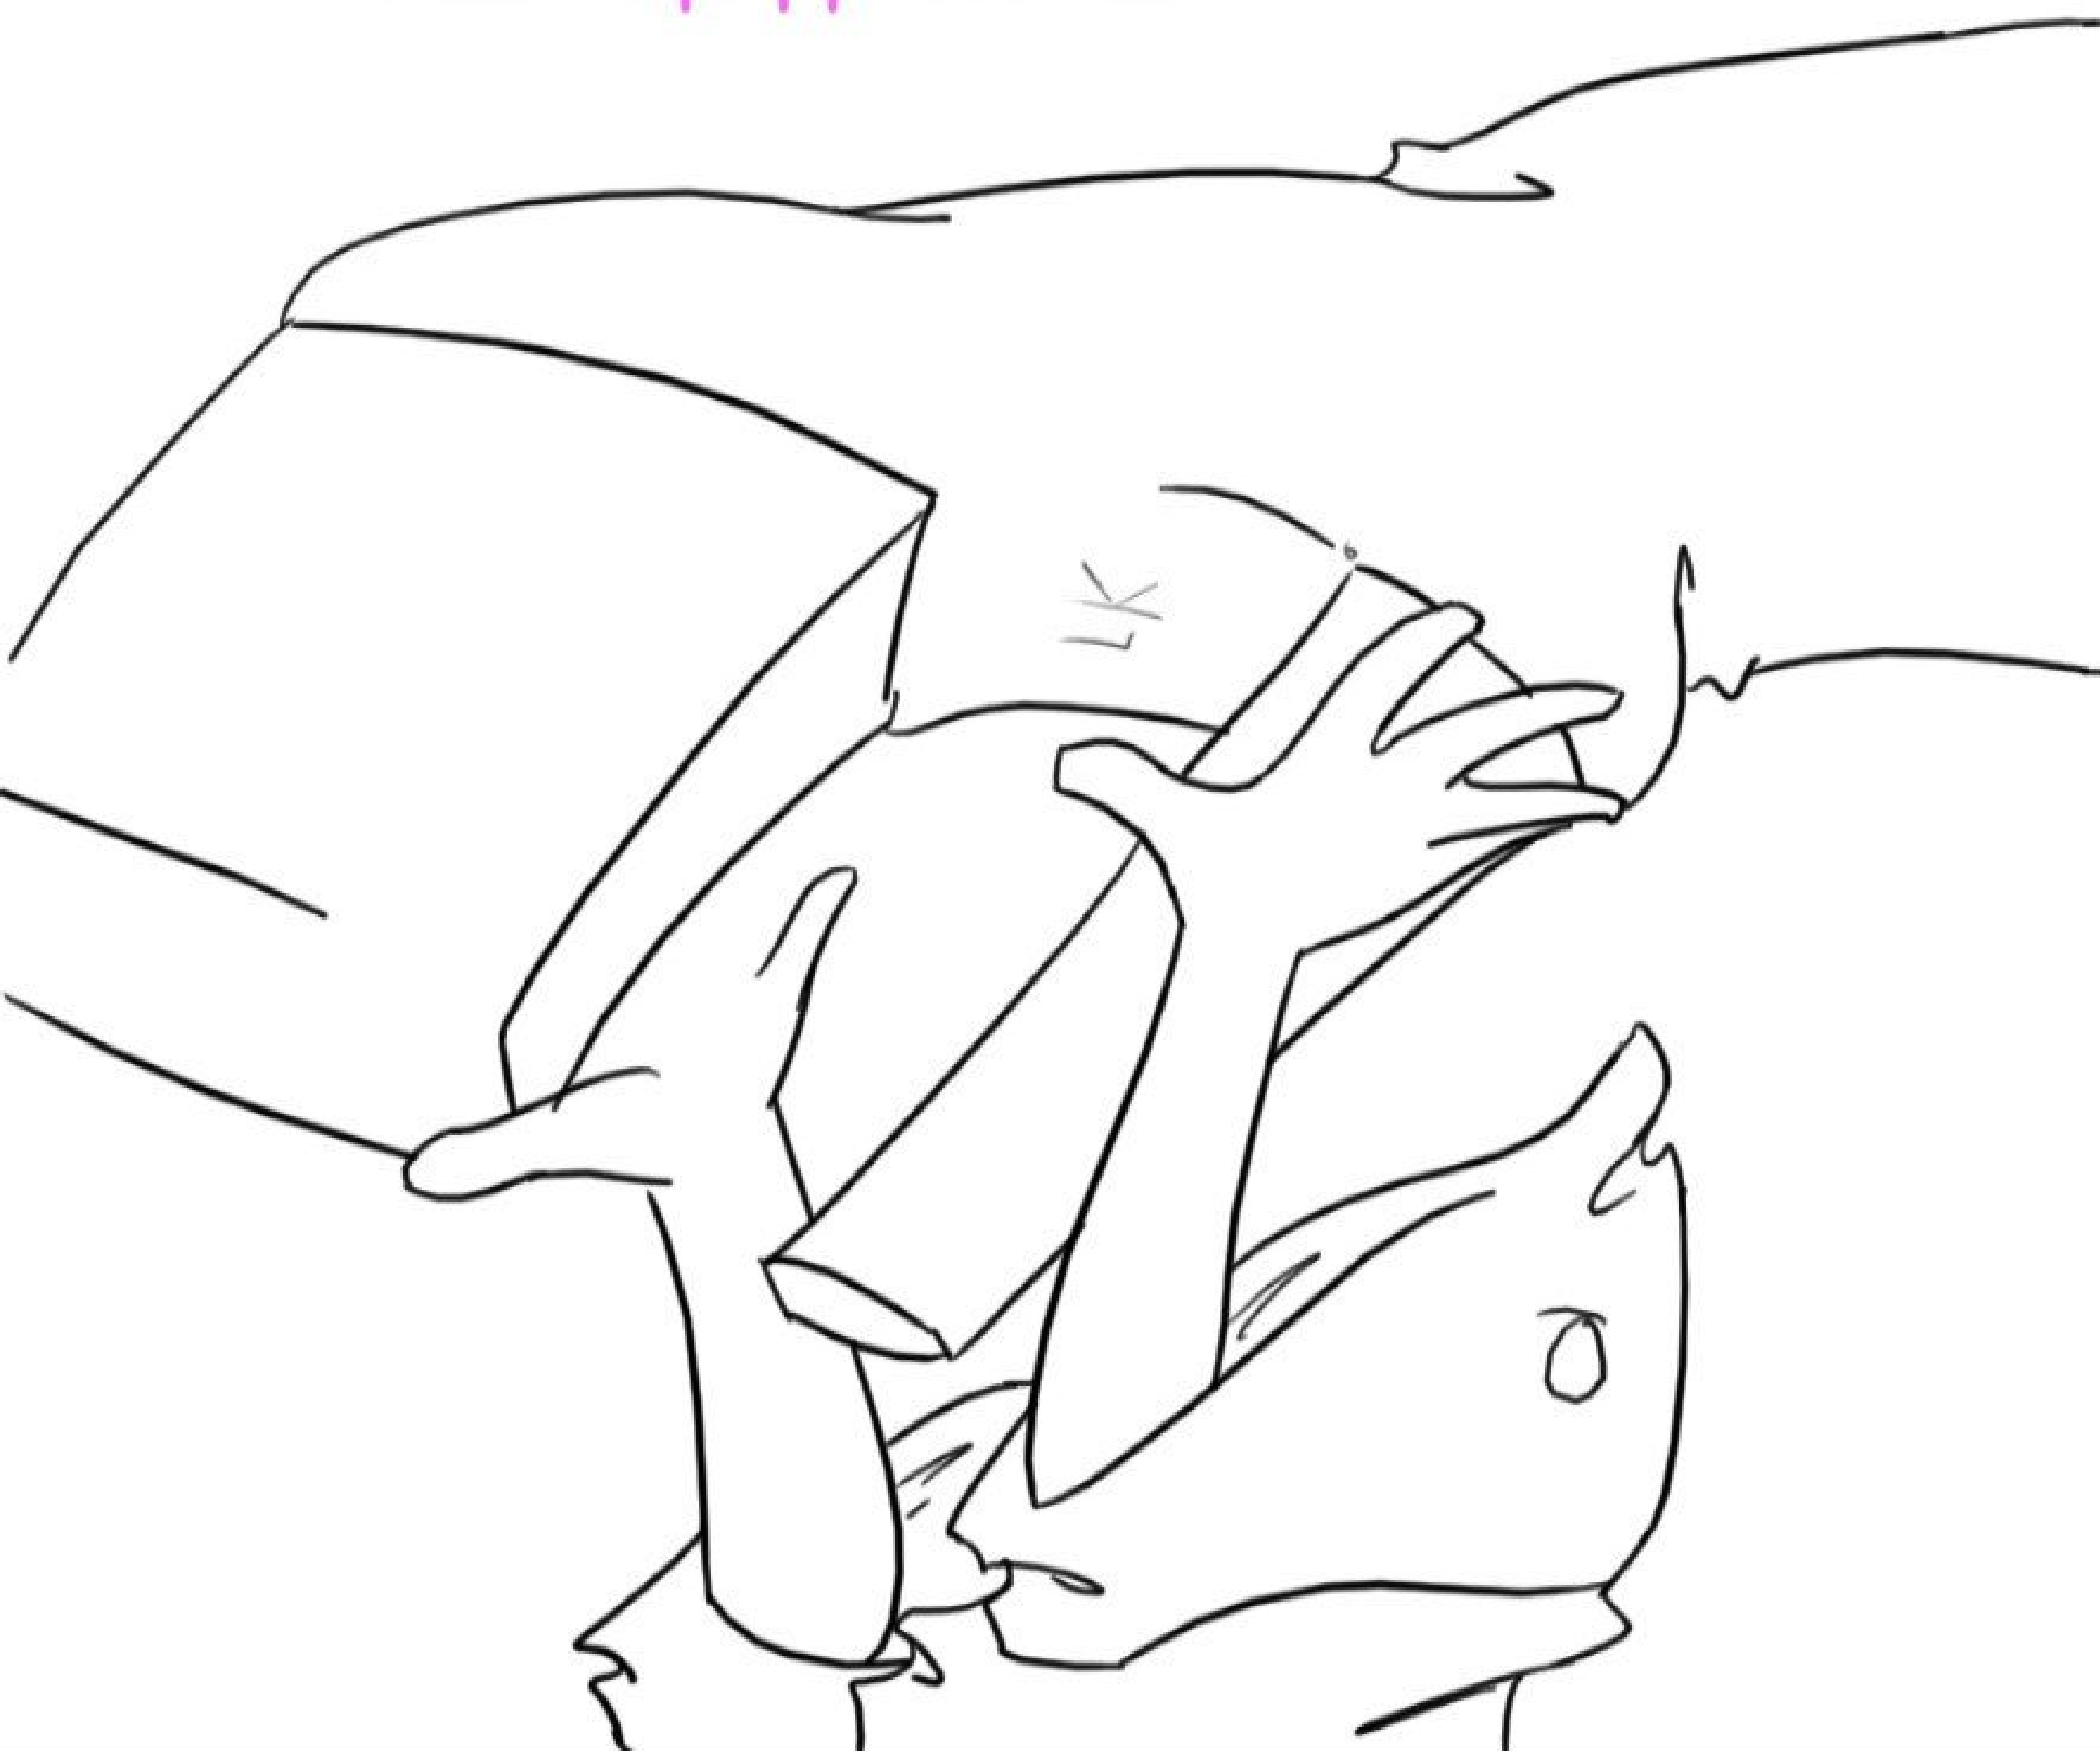

Now the other one...

(Everything
just keeps
getting
bigger! I'm
going to be
naked here
soon!)

Hnnnnn...

(This is a
lot more
difficult!)

Ah! It popped off!

Waaaa!

WHUMP

(Hee hee...that wasn't so bad...it feels kinda nice to be under Goddess Miko's boot...)

(She really does know my secret desires!)

Let's go Kali! I'm a busy Goddess!
Places to go, people to shrink! ♥

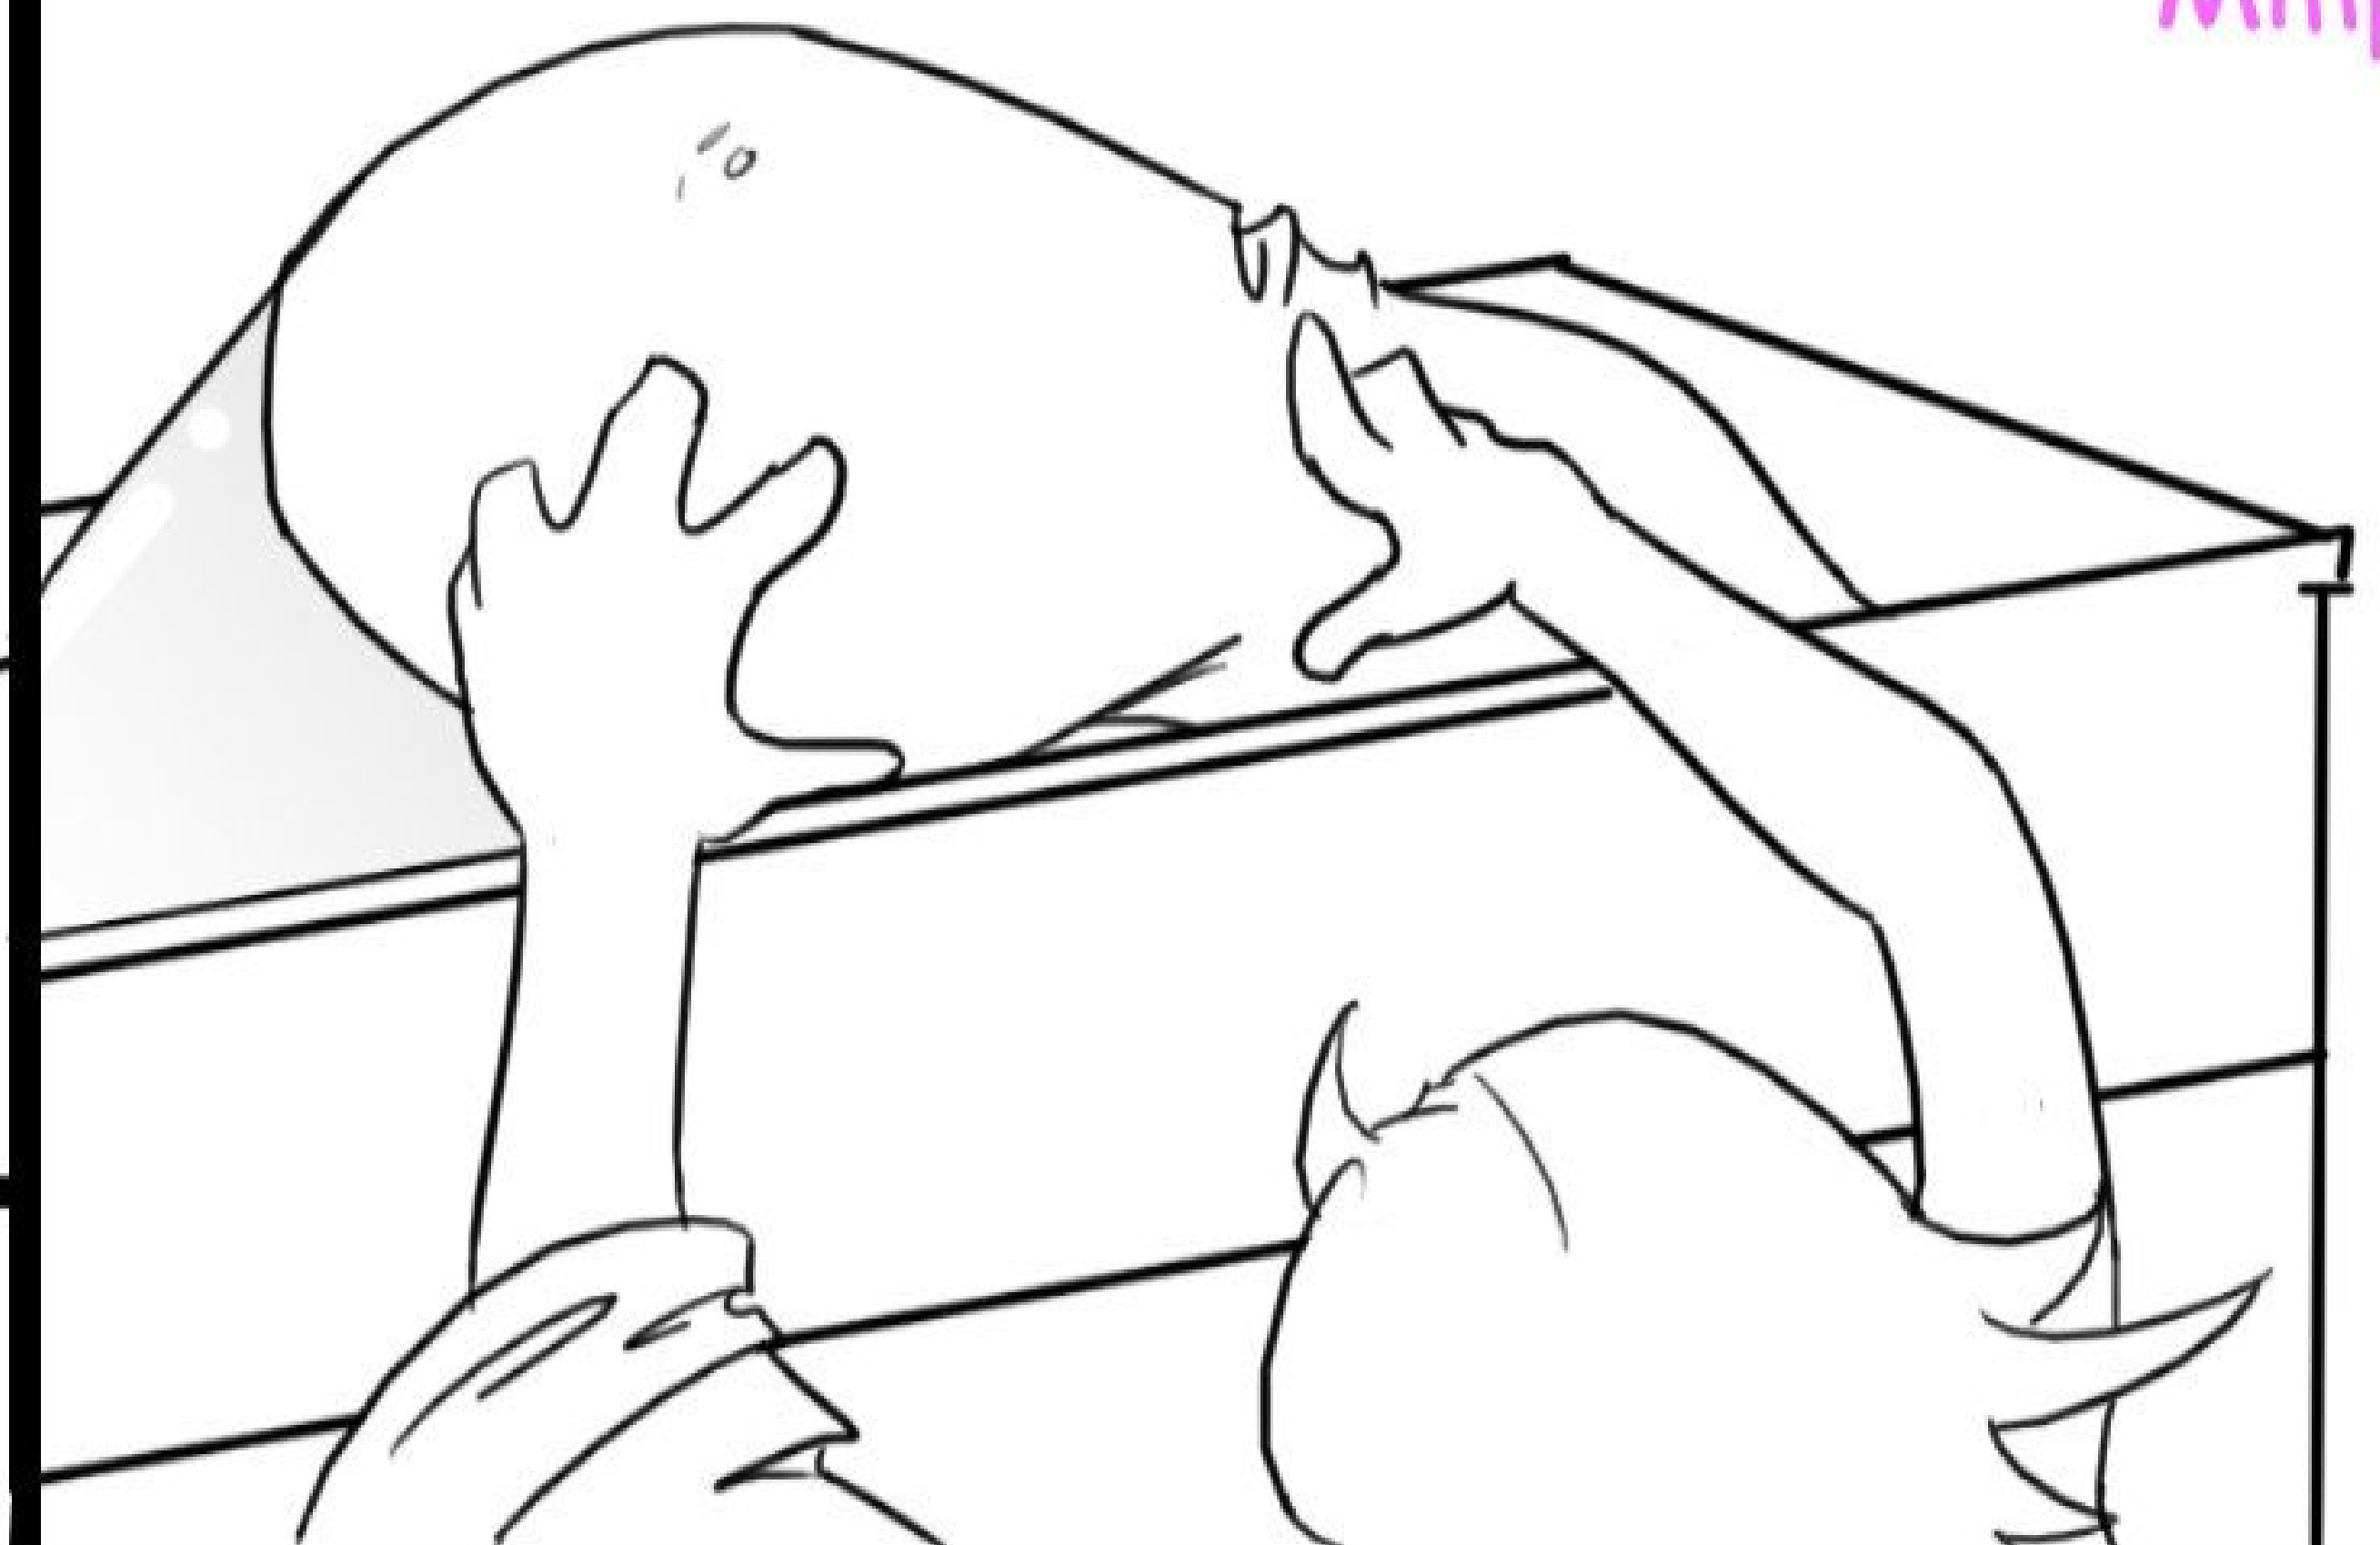

Alright, one second!

(You turned me into a weakling here...)

Mmph!

(How am I supposed to help her out
when I can barely lift her boots?)

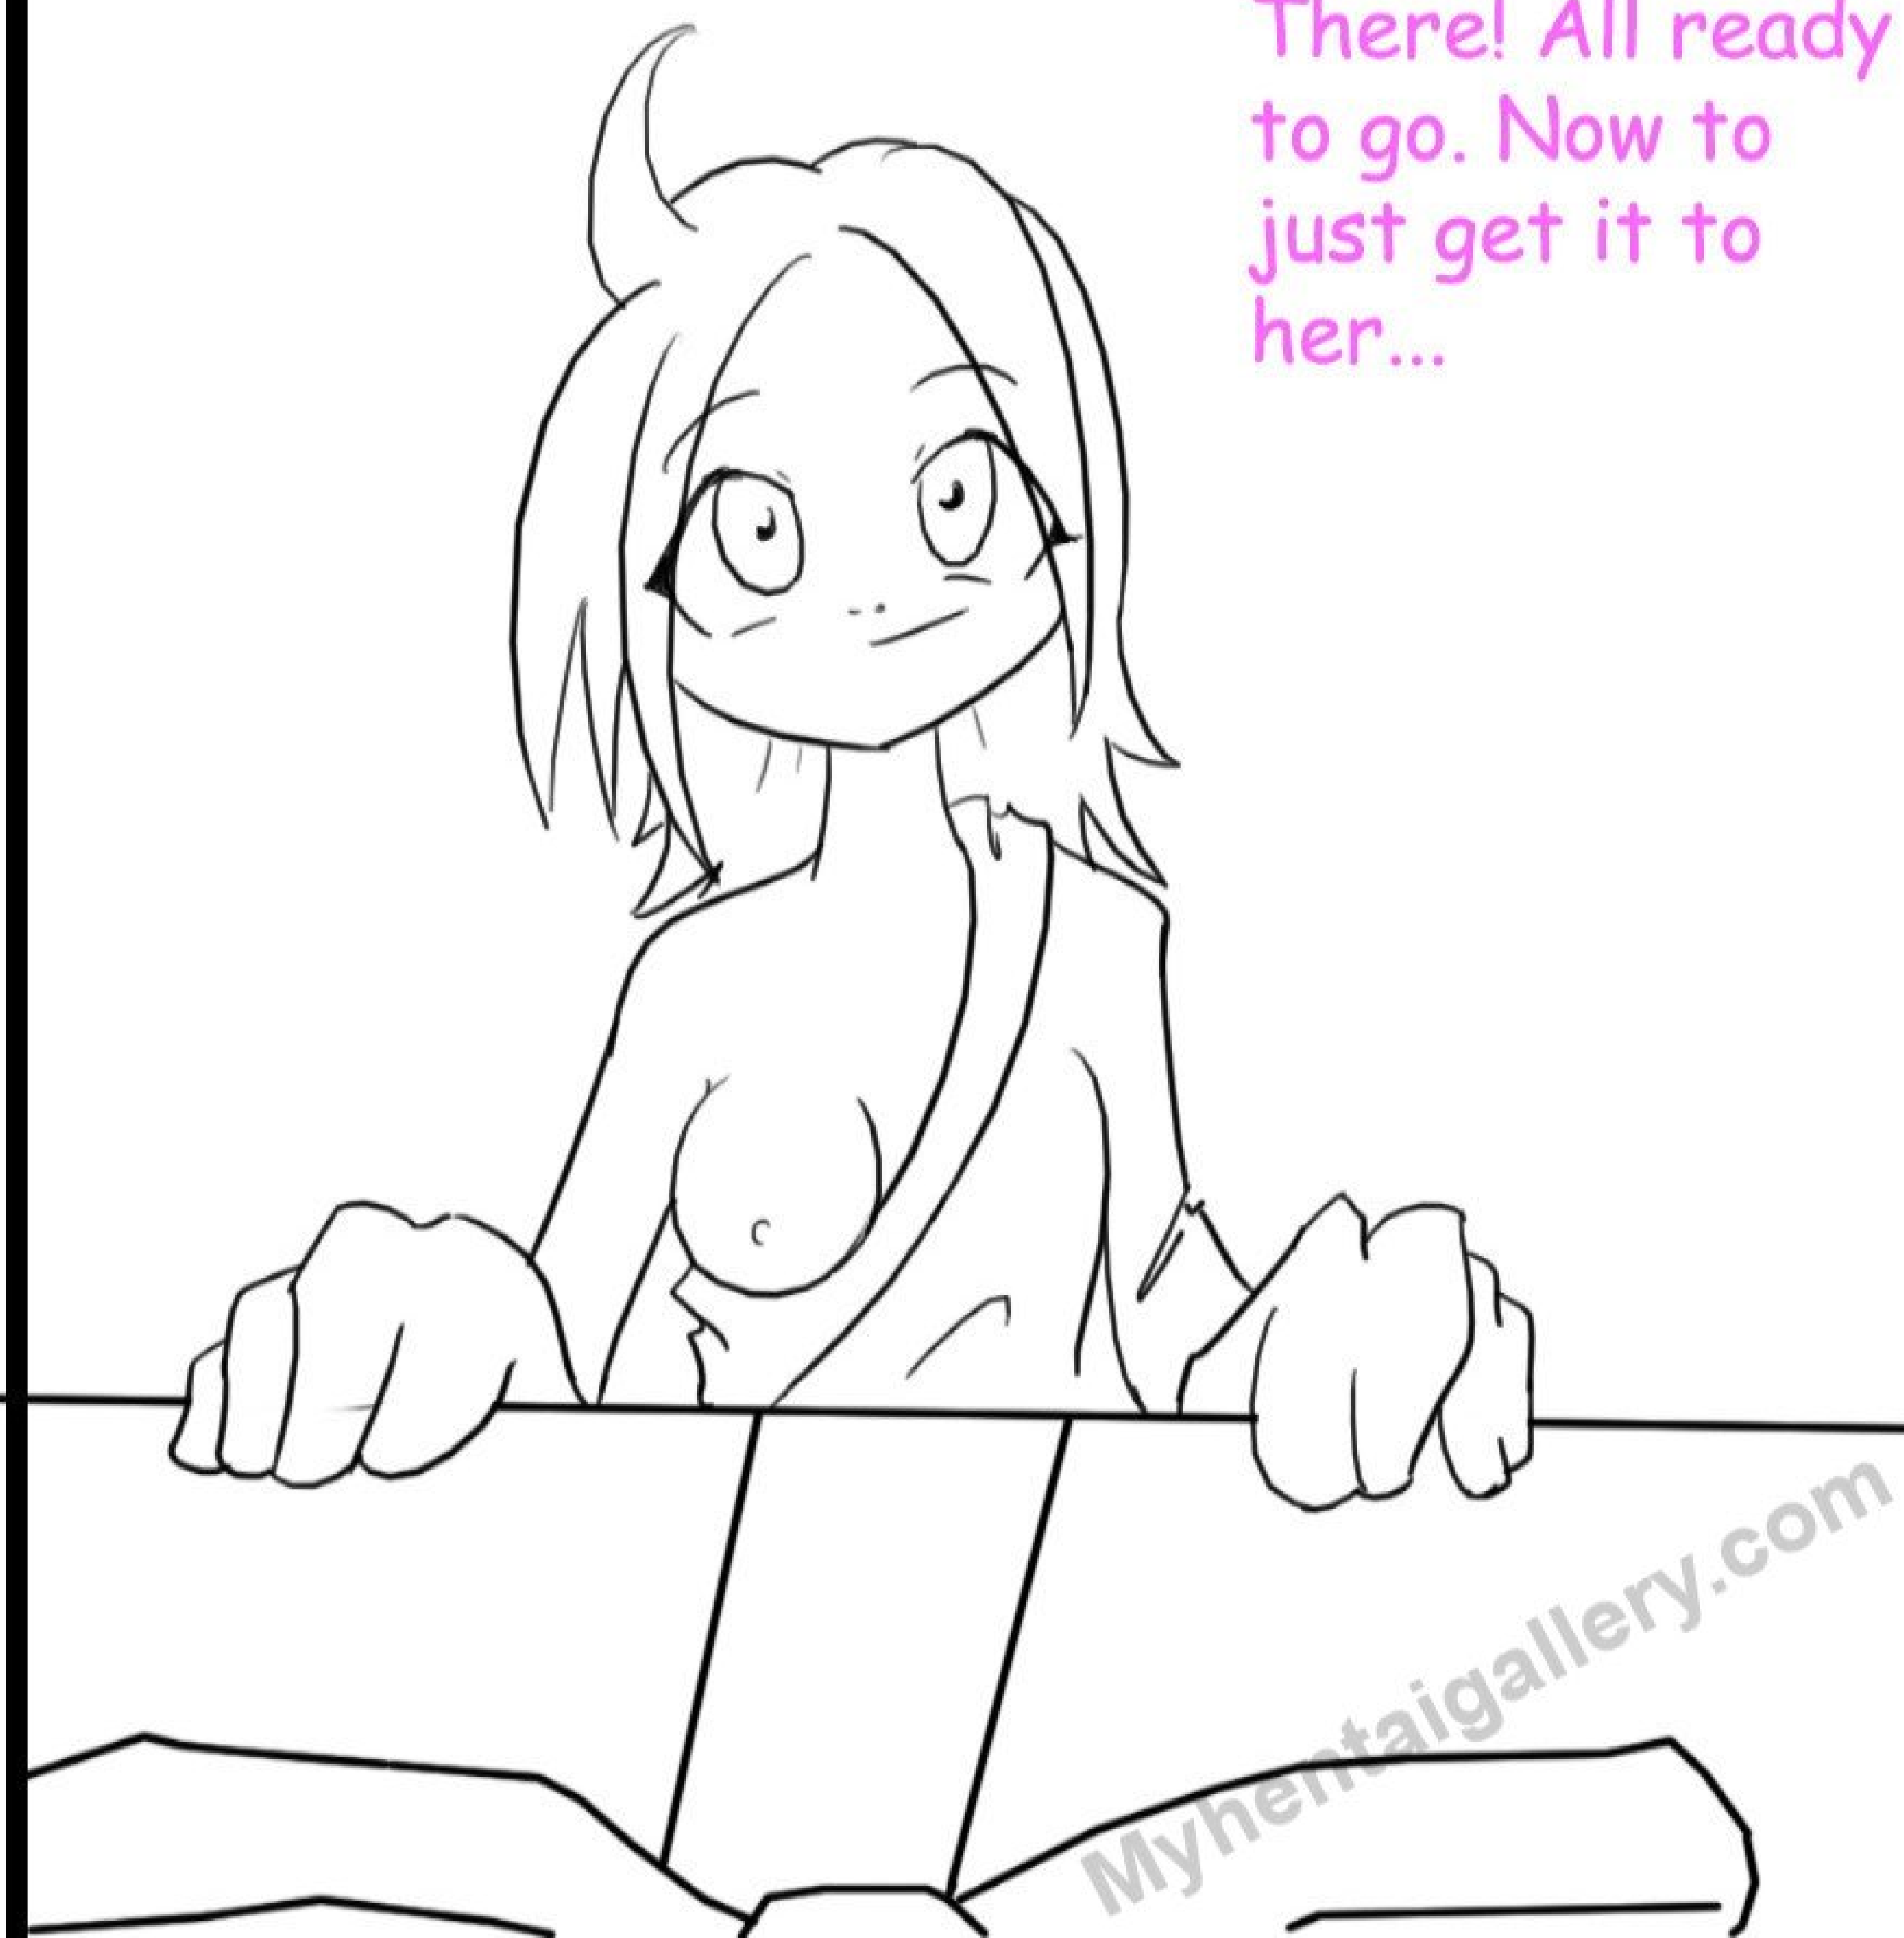

Chibi?

Coming!

(Is she always like
this? I hope I didn't
make a mistake...)

There! All ready
to go. Now to
just get it to
her...

(So...heavy...shrinking is not good for one's strength!)

(Waaa! I tripped on something!)

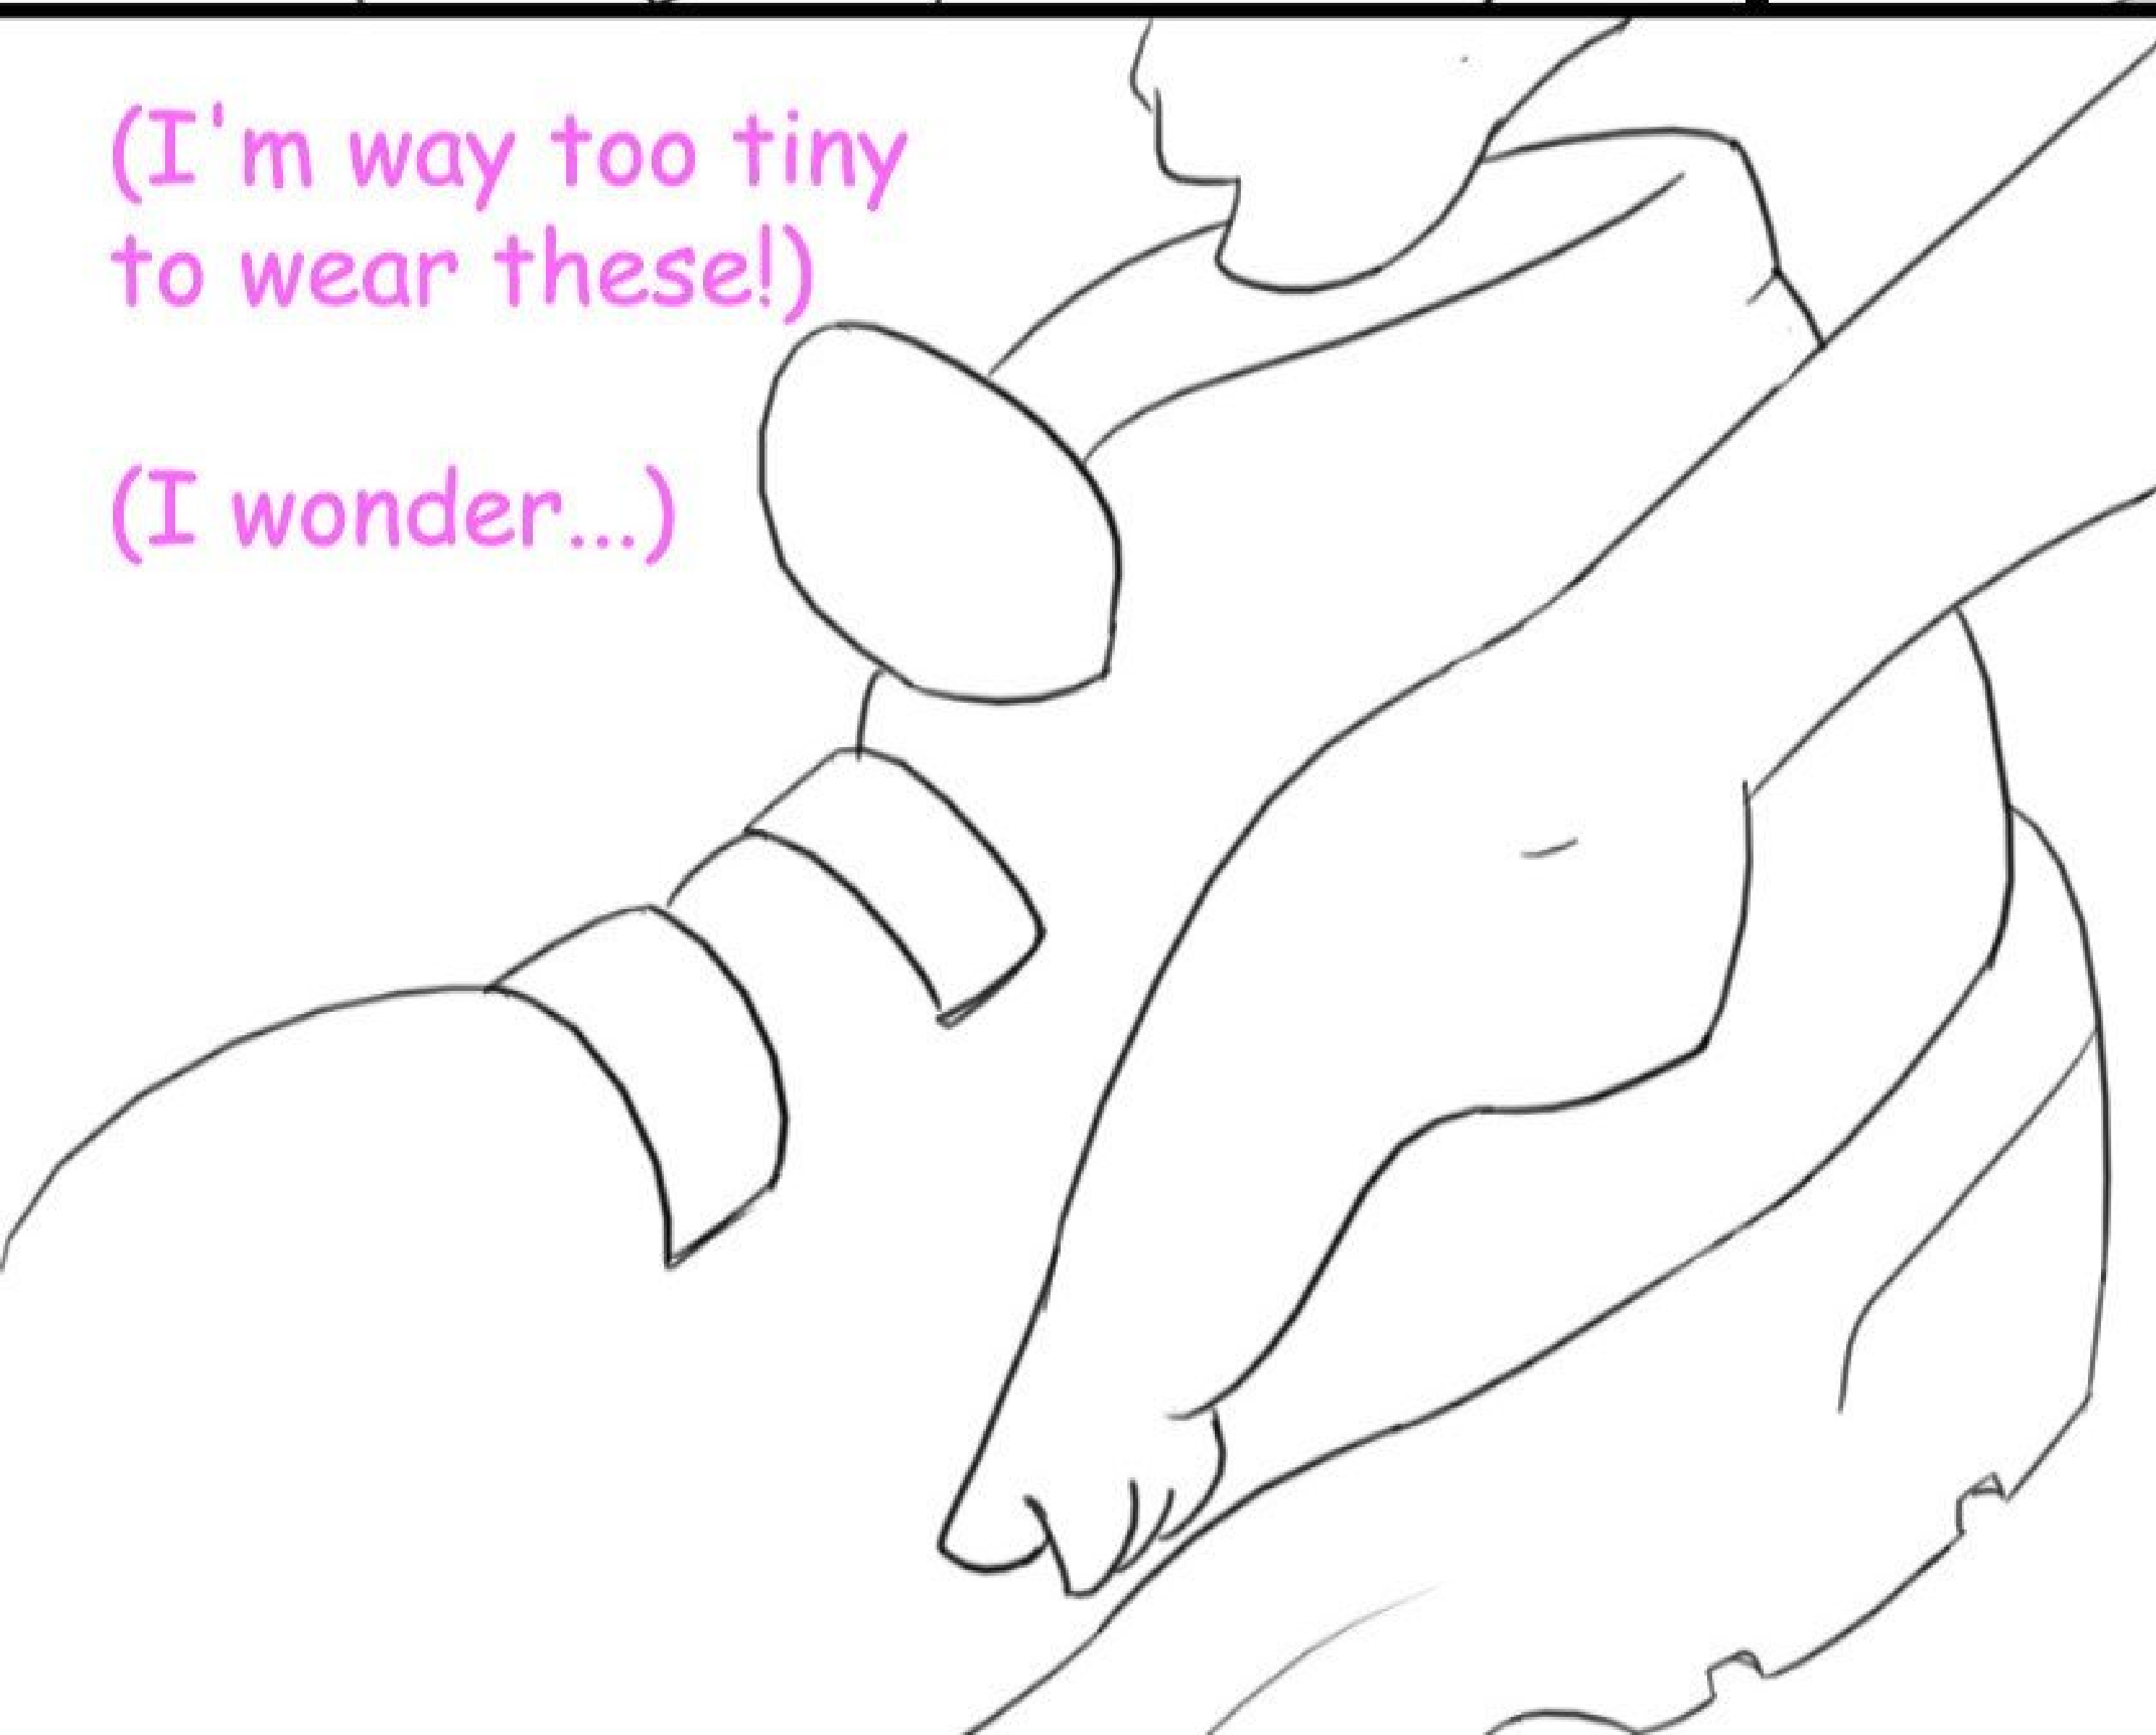

Baka!

plop

(My old shoes...
I'm getting so small...even
my shoes look gigantic!
And here I thought Miko's
feet were way too big)

(I'm way too tiny
to wear these!)

(I wonder...)

(Hee hee...
I can fit
into one shoe!)

Chibi!

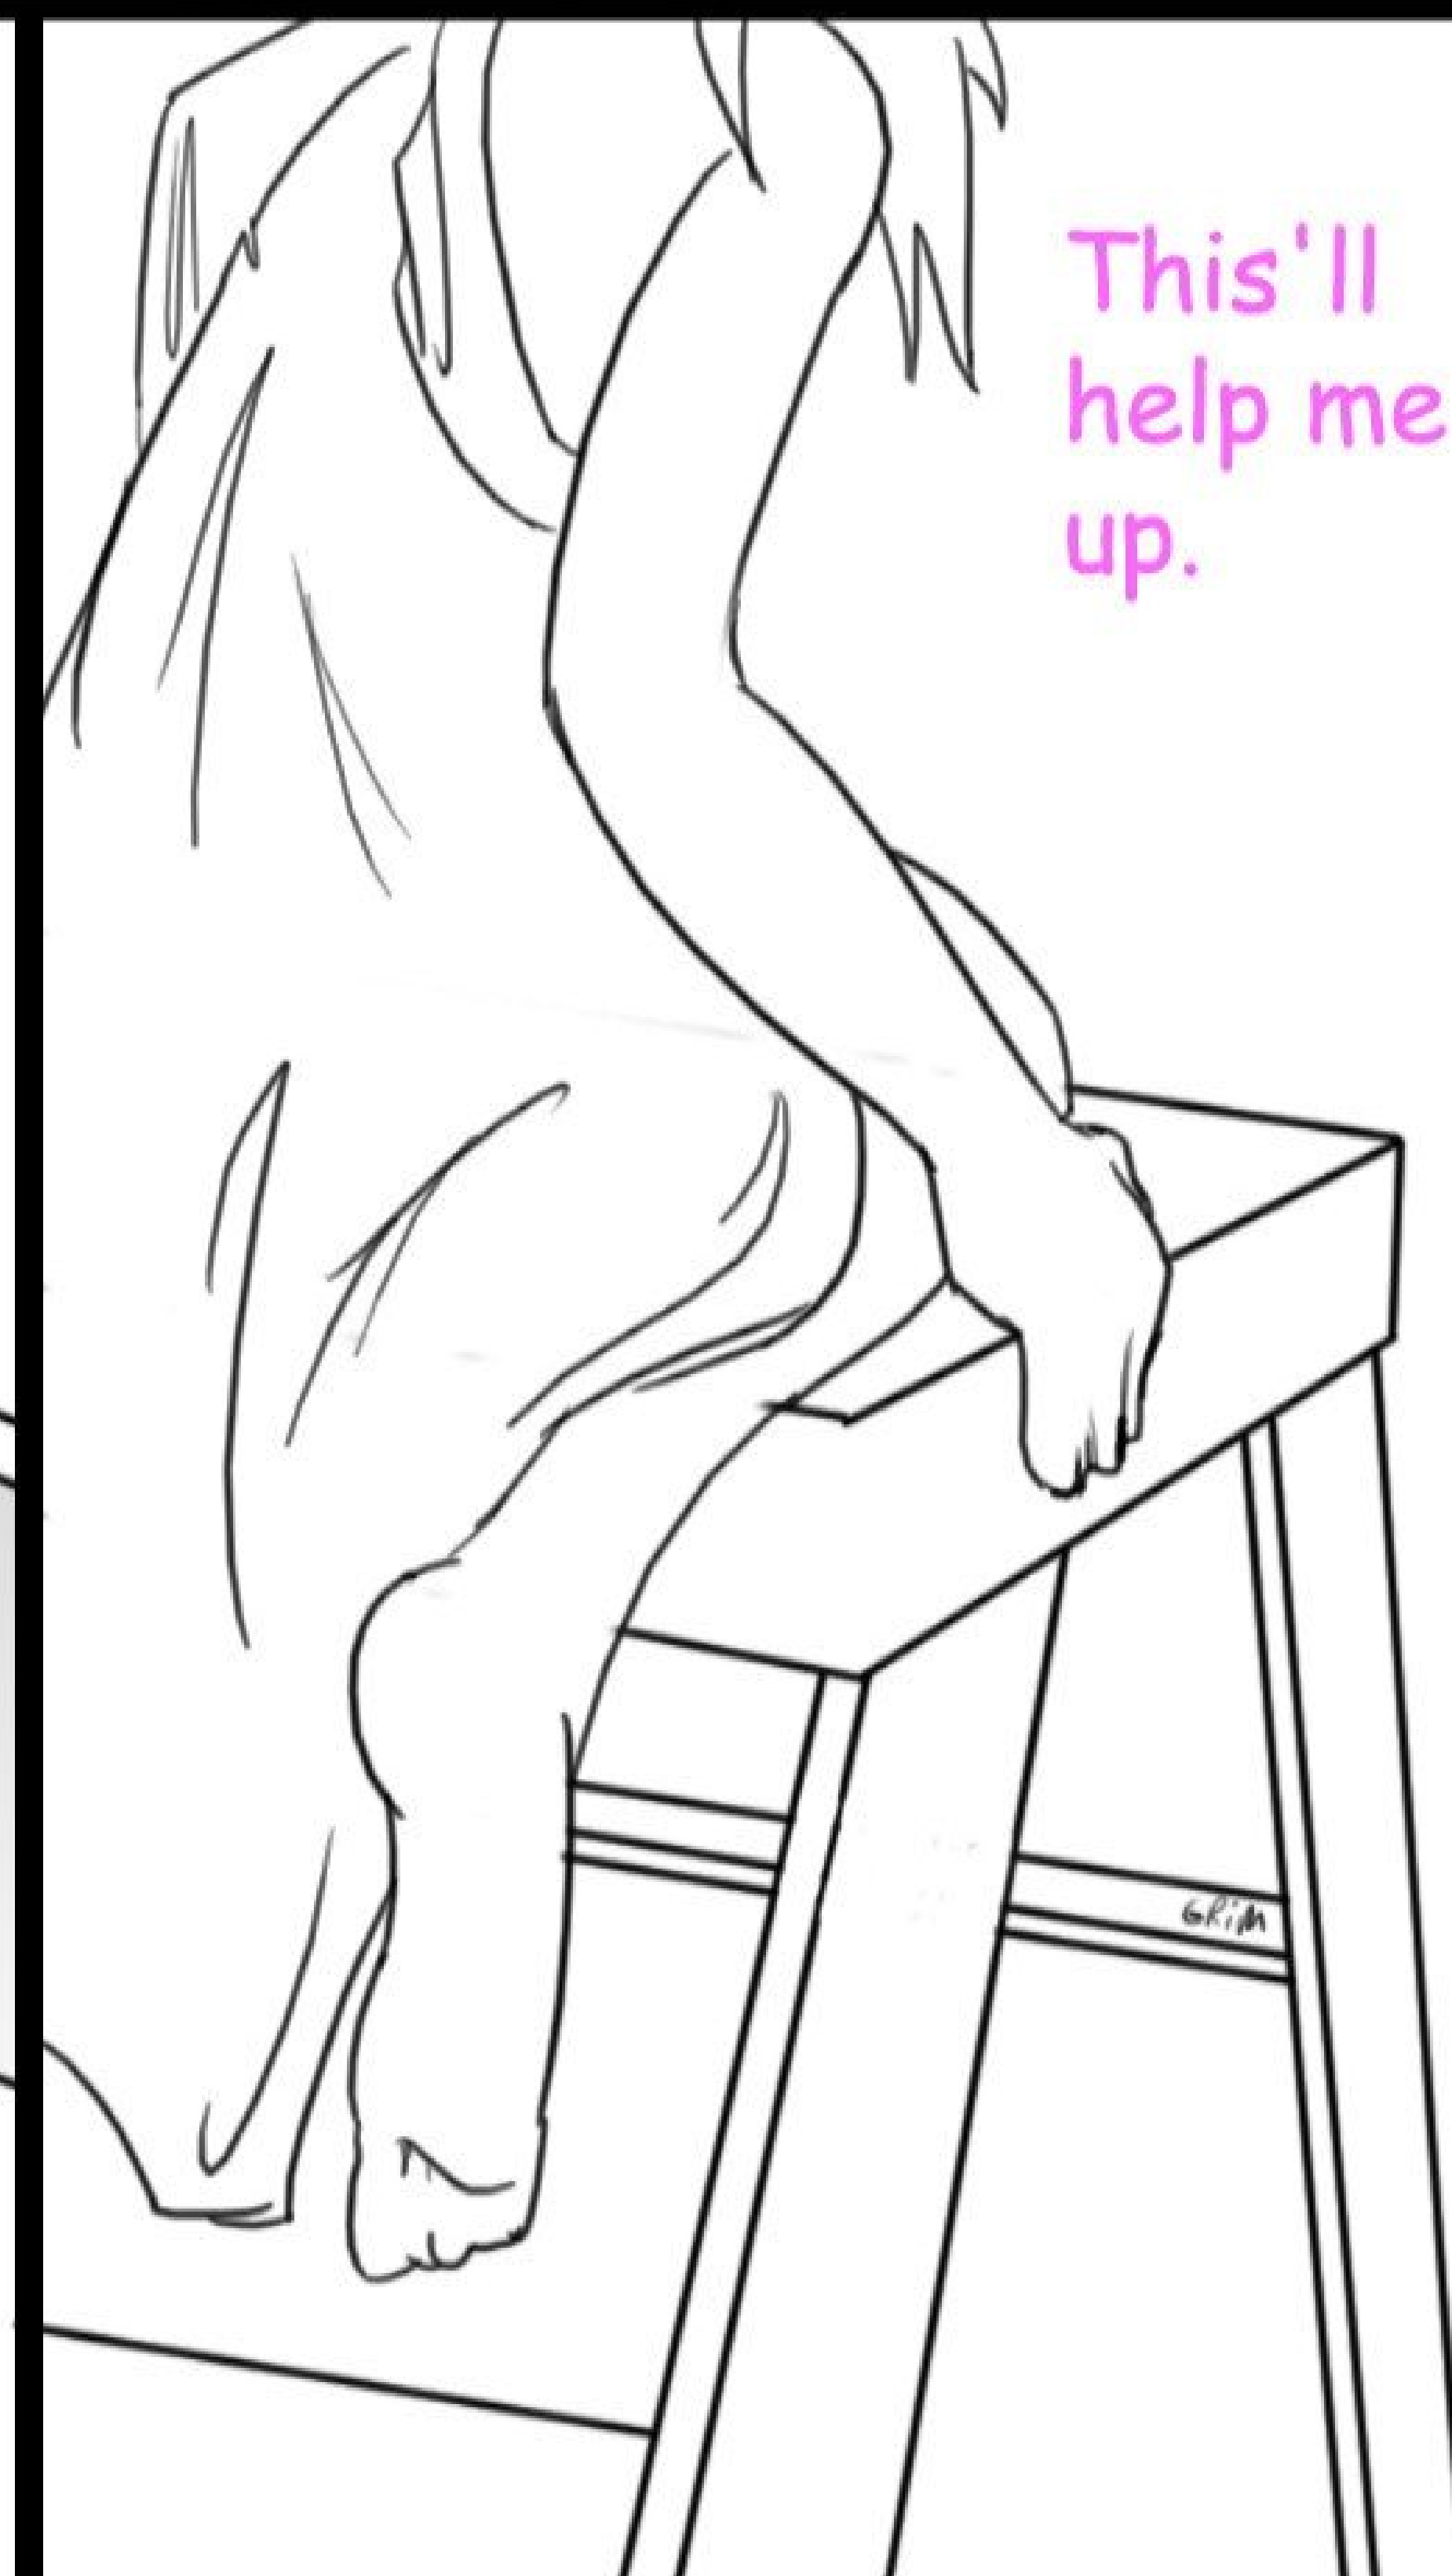

Hmmm?

Chibi, it's time to go!
Get my slippers
please!

OK!

This'll
help me
up.

(I think I could fit half my body into these!)

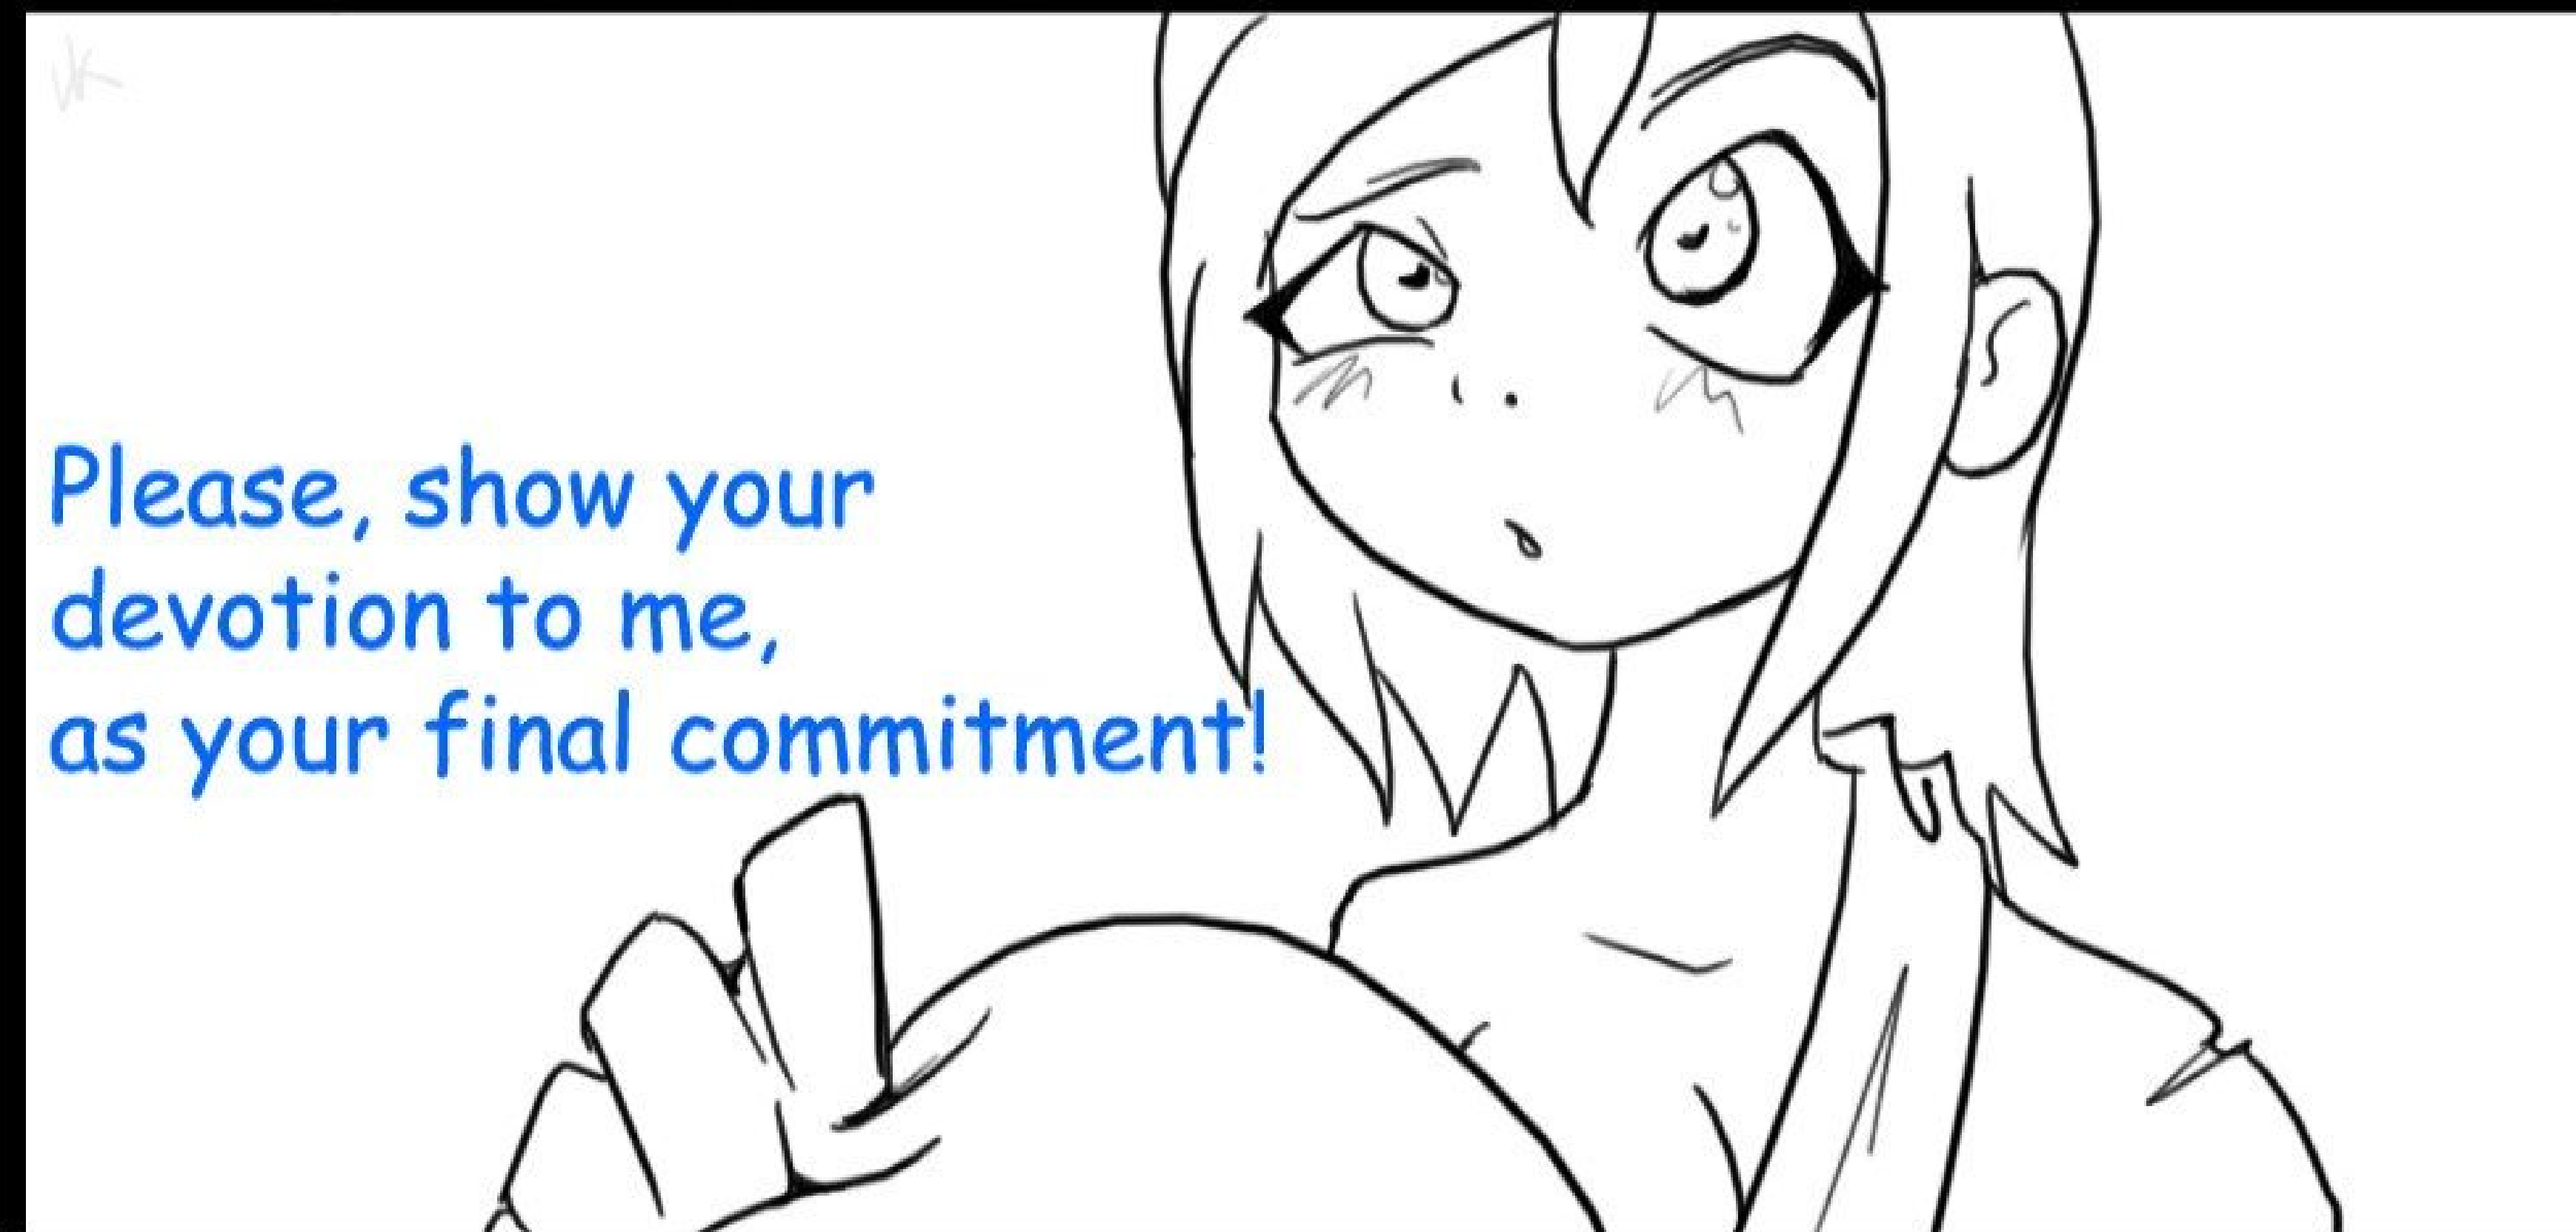

Here!
Let me
put these
on for you!

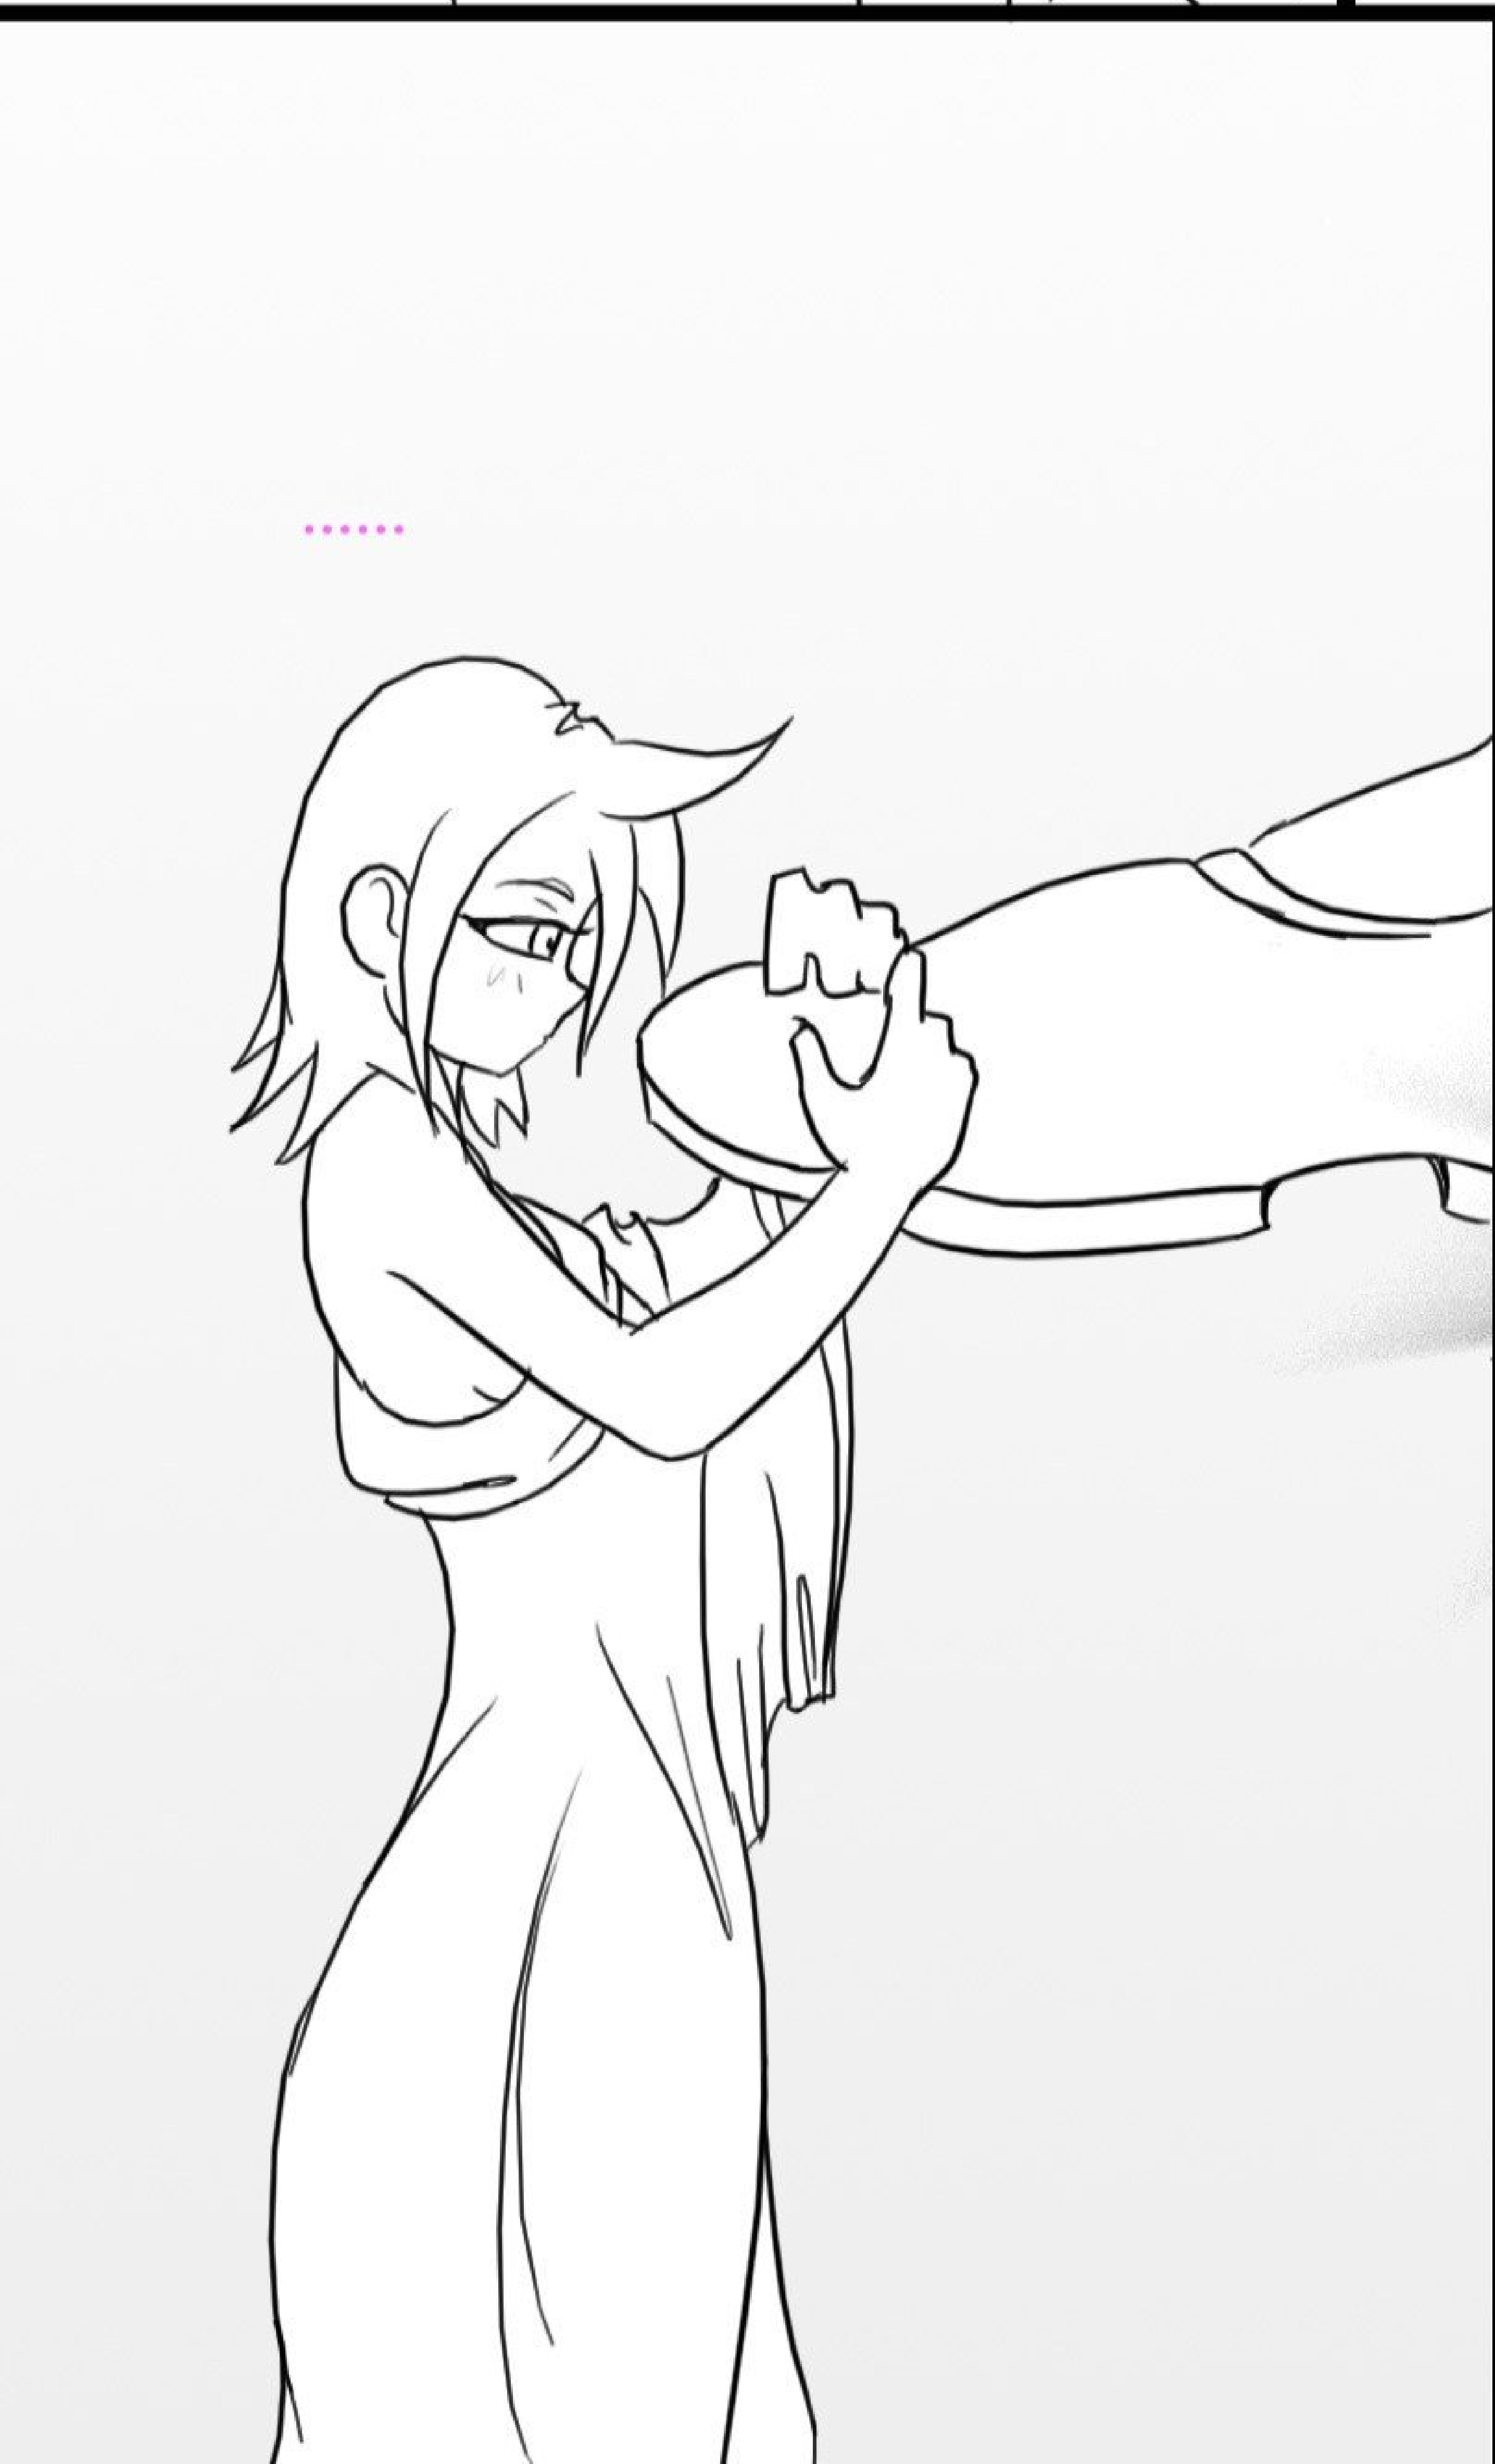

Oh Chibi! You are being so helpful!

Though...I must see if
you really love this new
life. Some form of...
affection.

Please, show your
devotion to me,
as your final commitment!

.....

(Ohhh...I can feel her
growing! Her shoe too!)

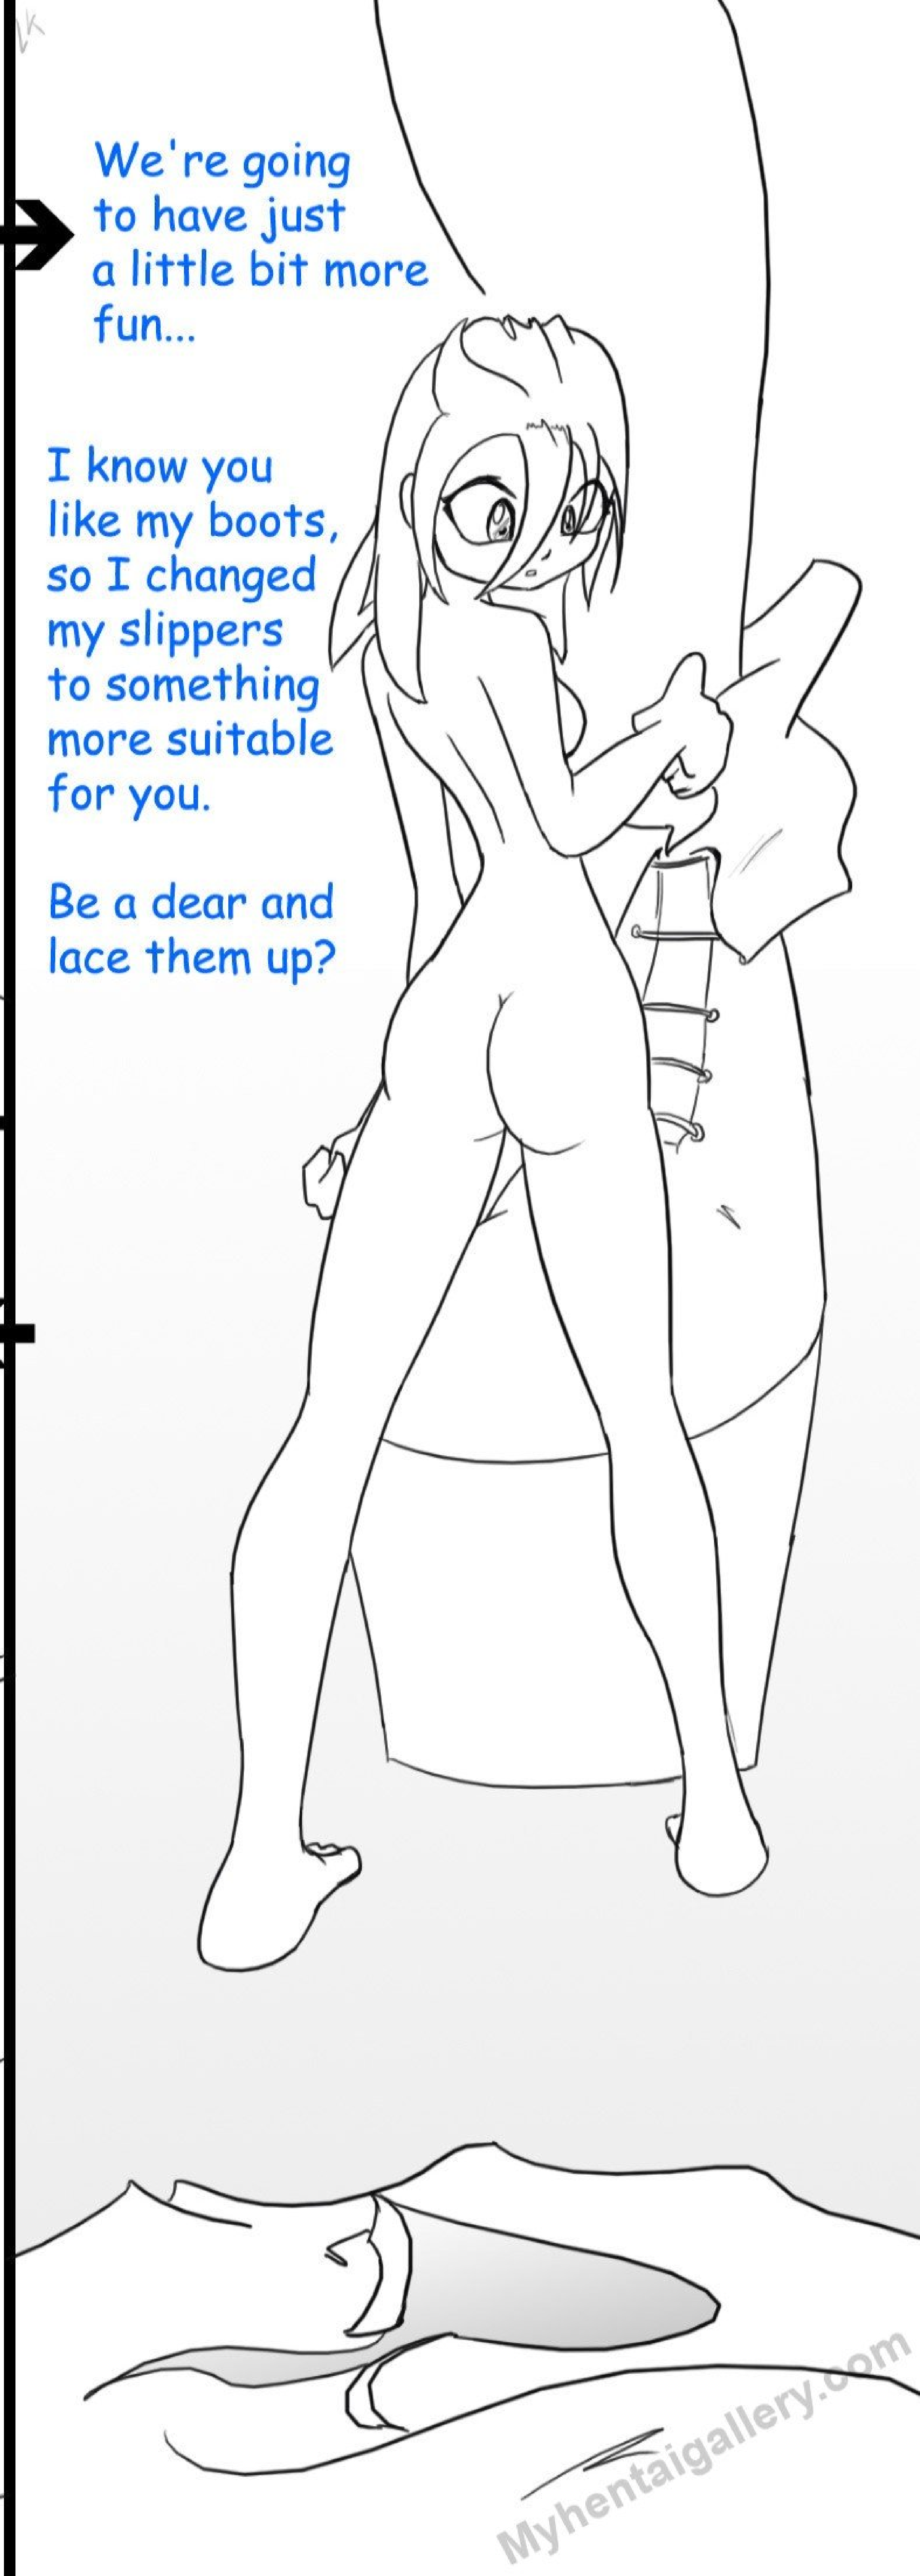

You won't need
those clothes
anymore.

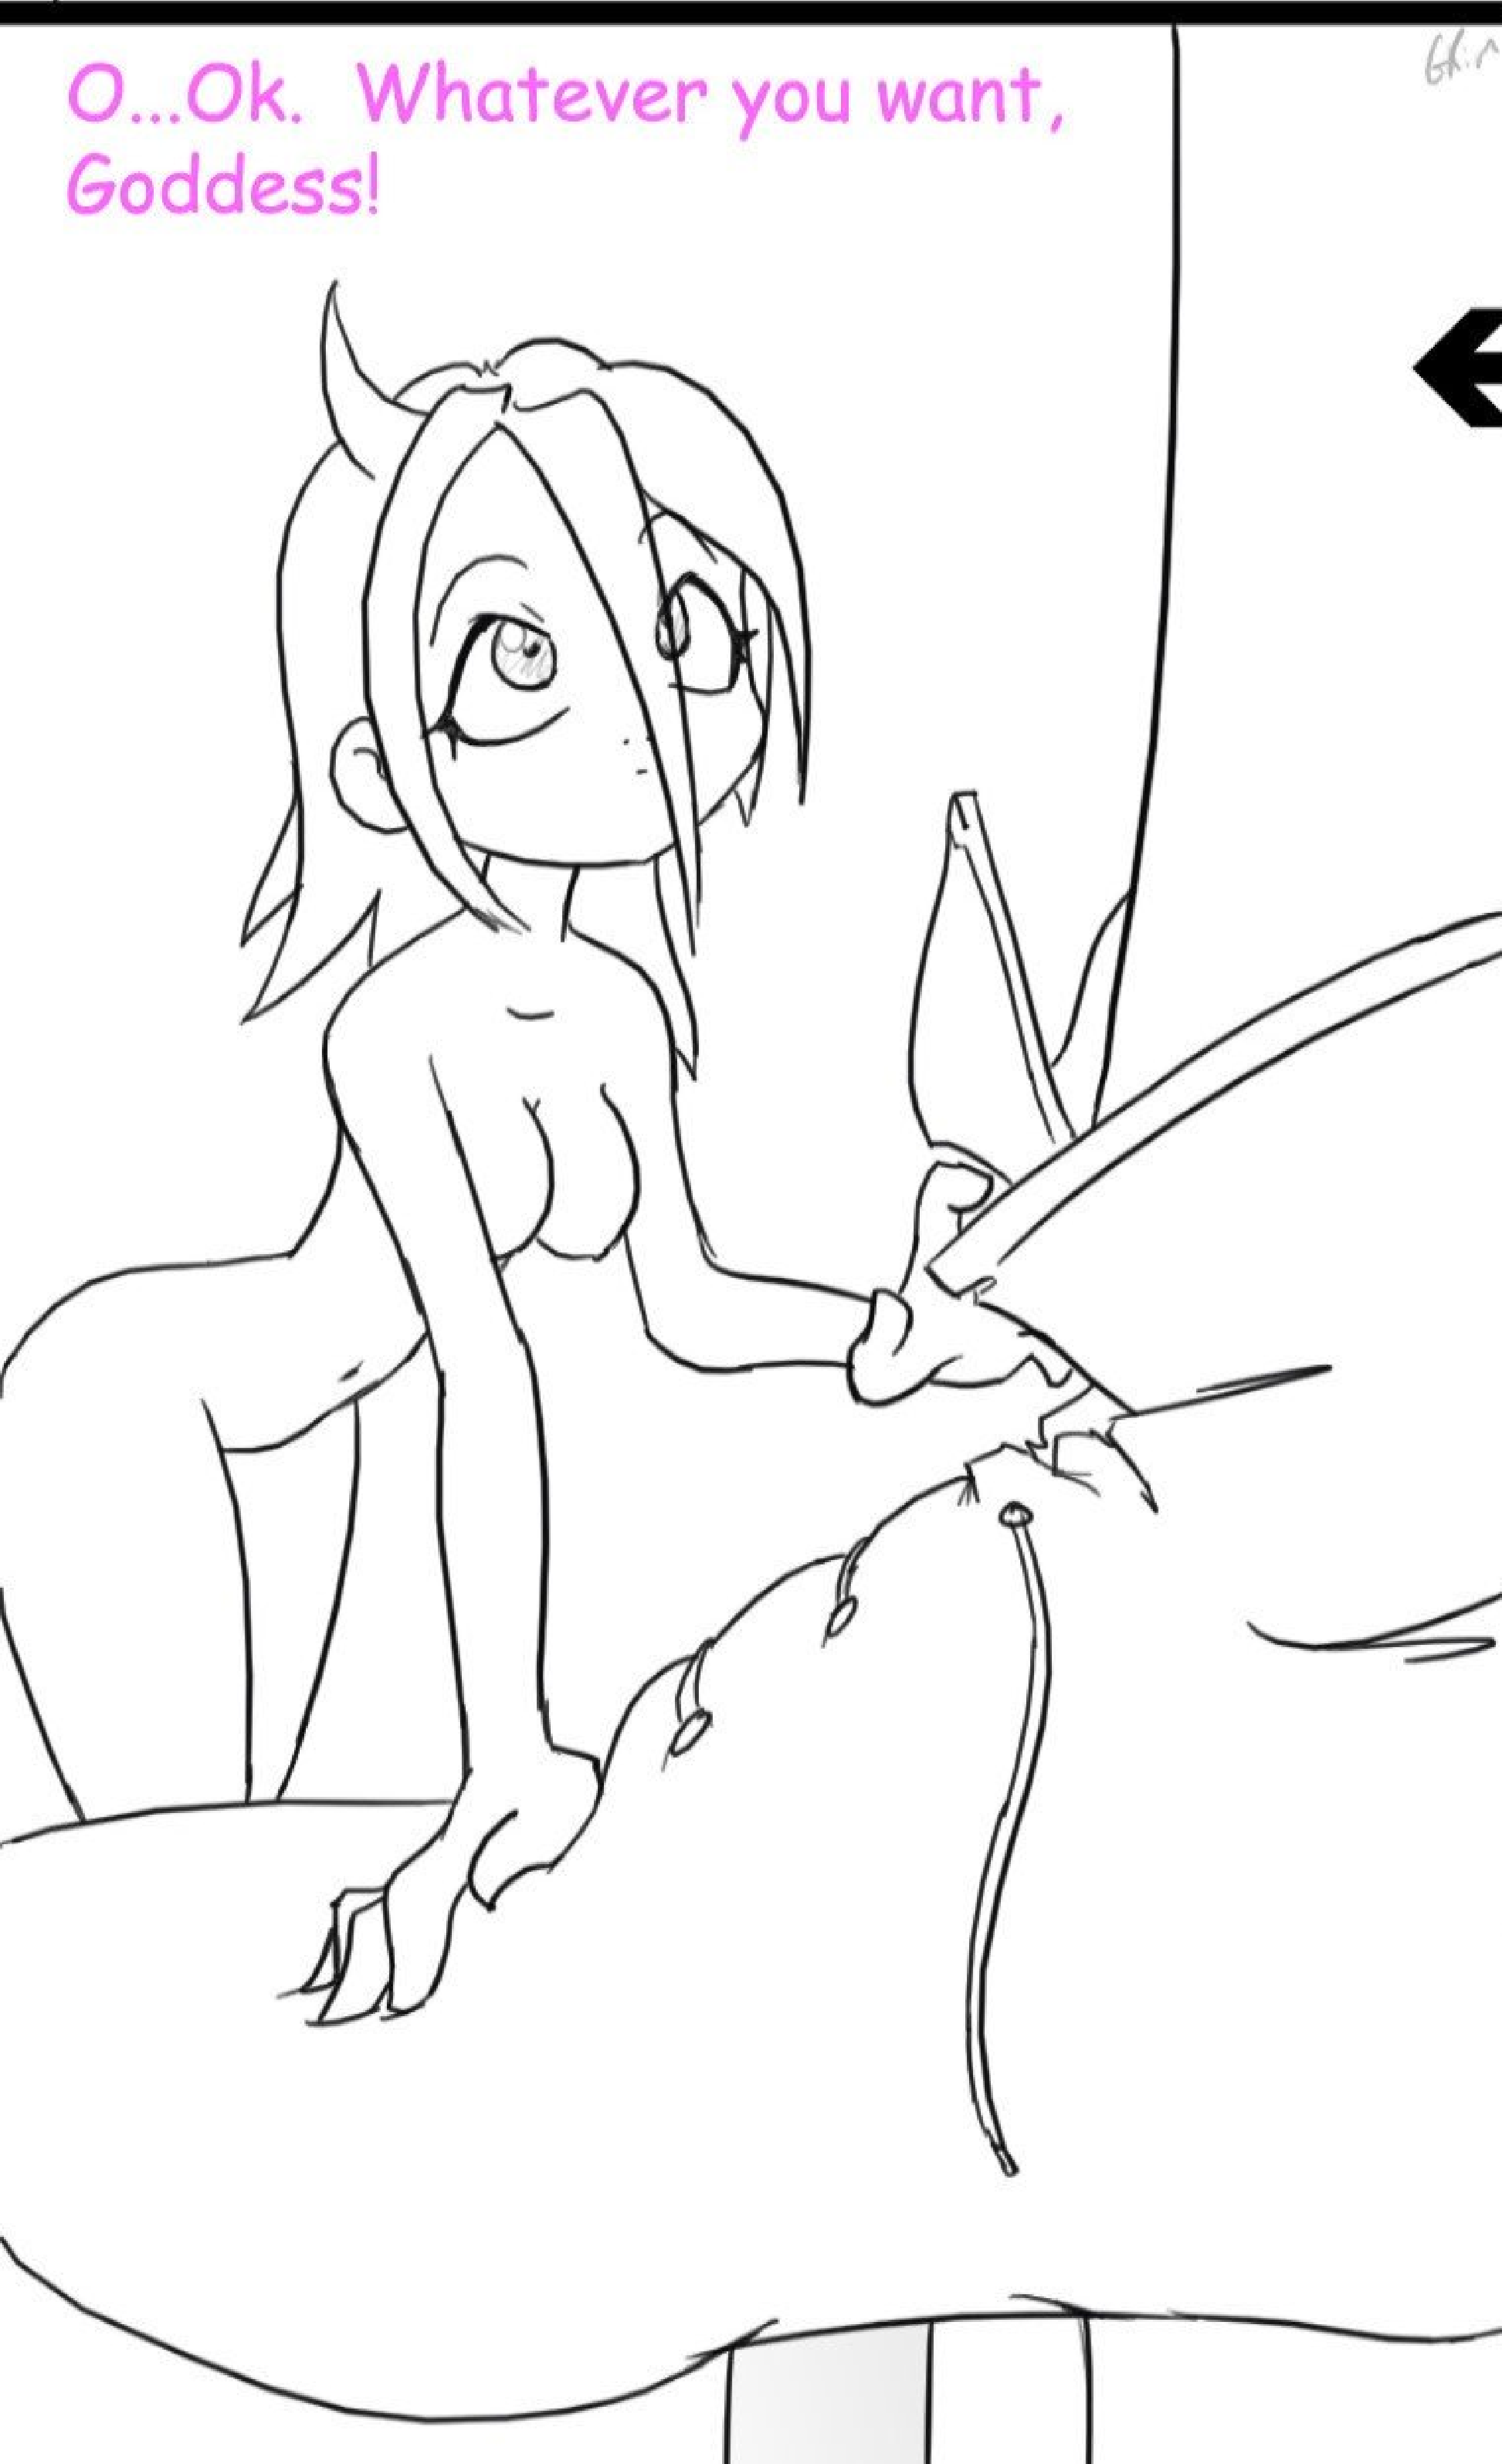

We're going
to have just
a little bit more
fun...

I know you
like my boots,
so I changed
my slippers
to something
more suitable
for you.

Be a dear and
lace them up?

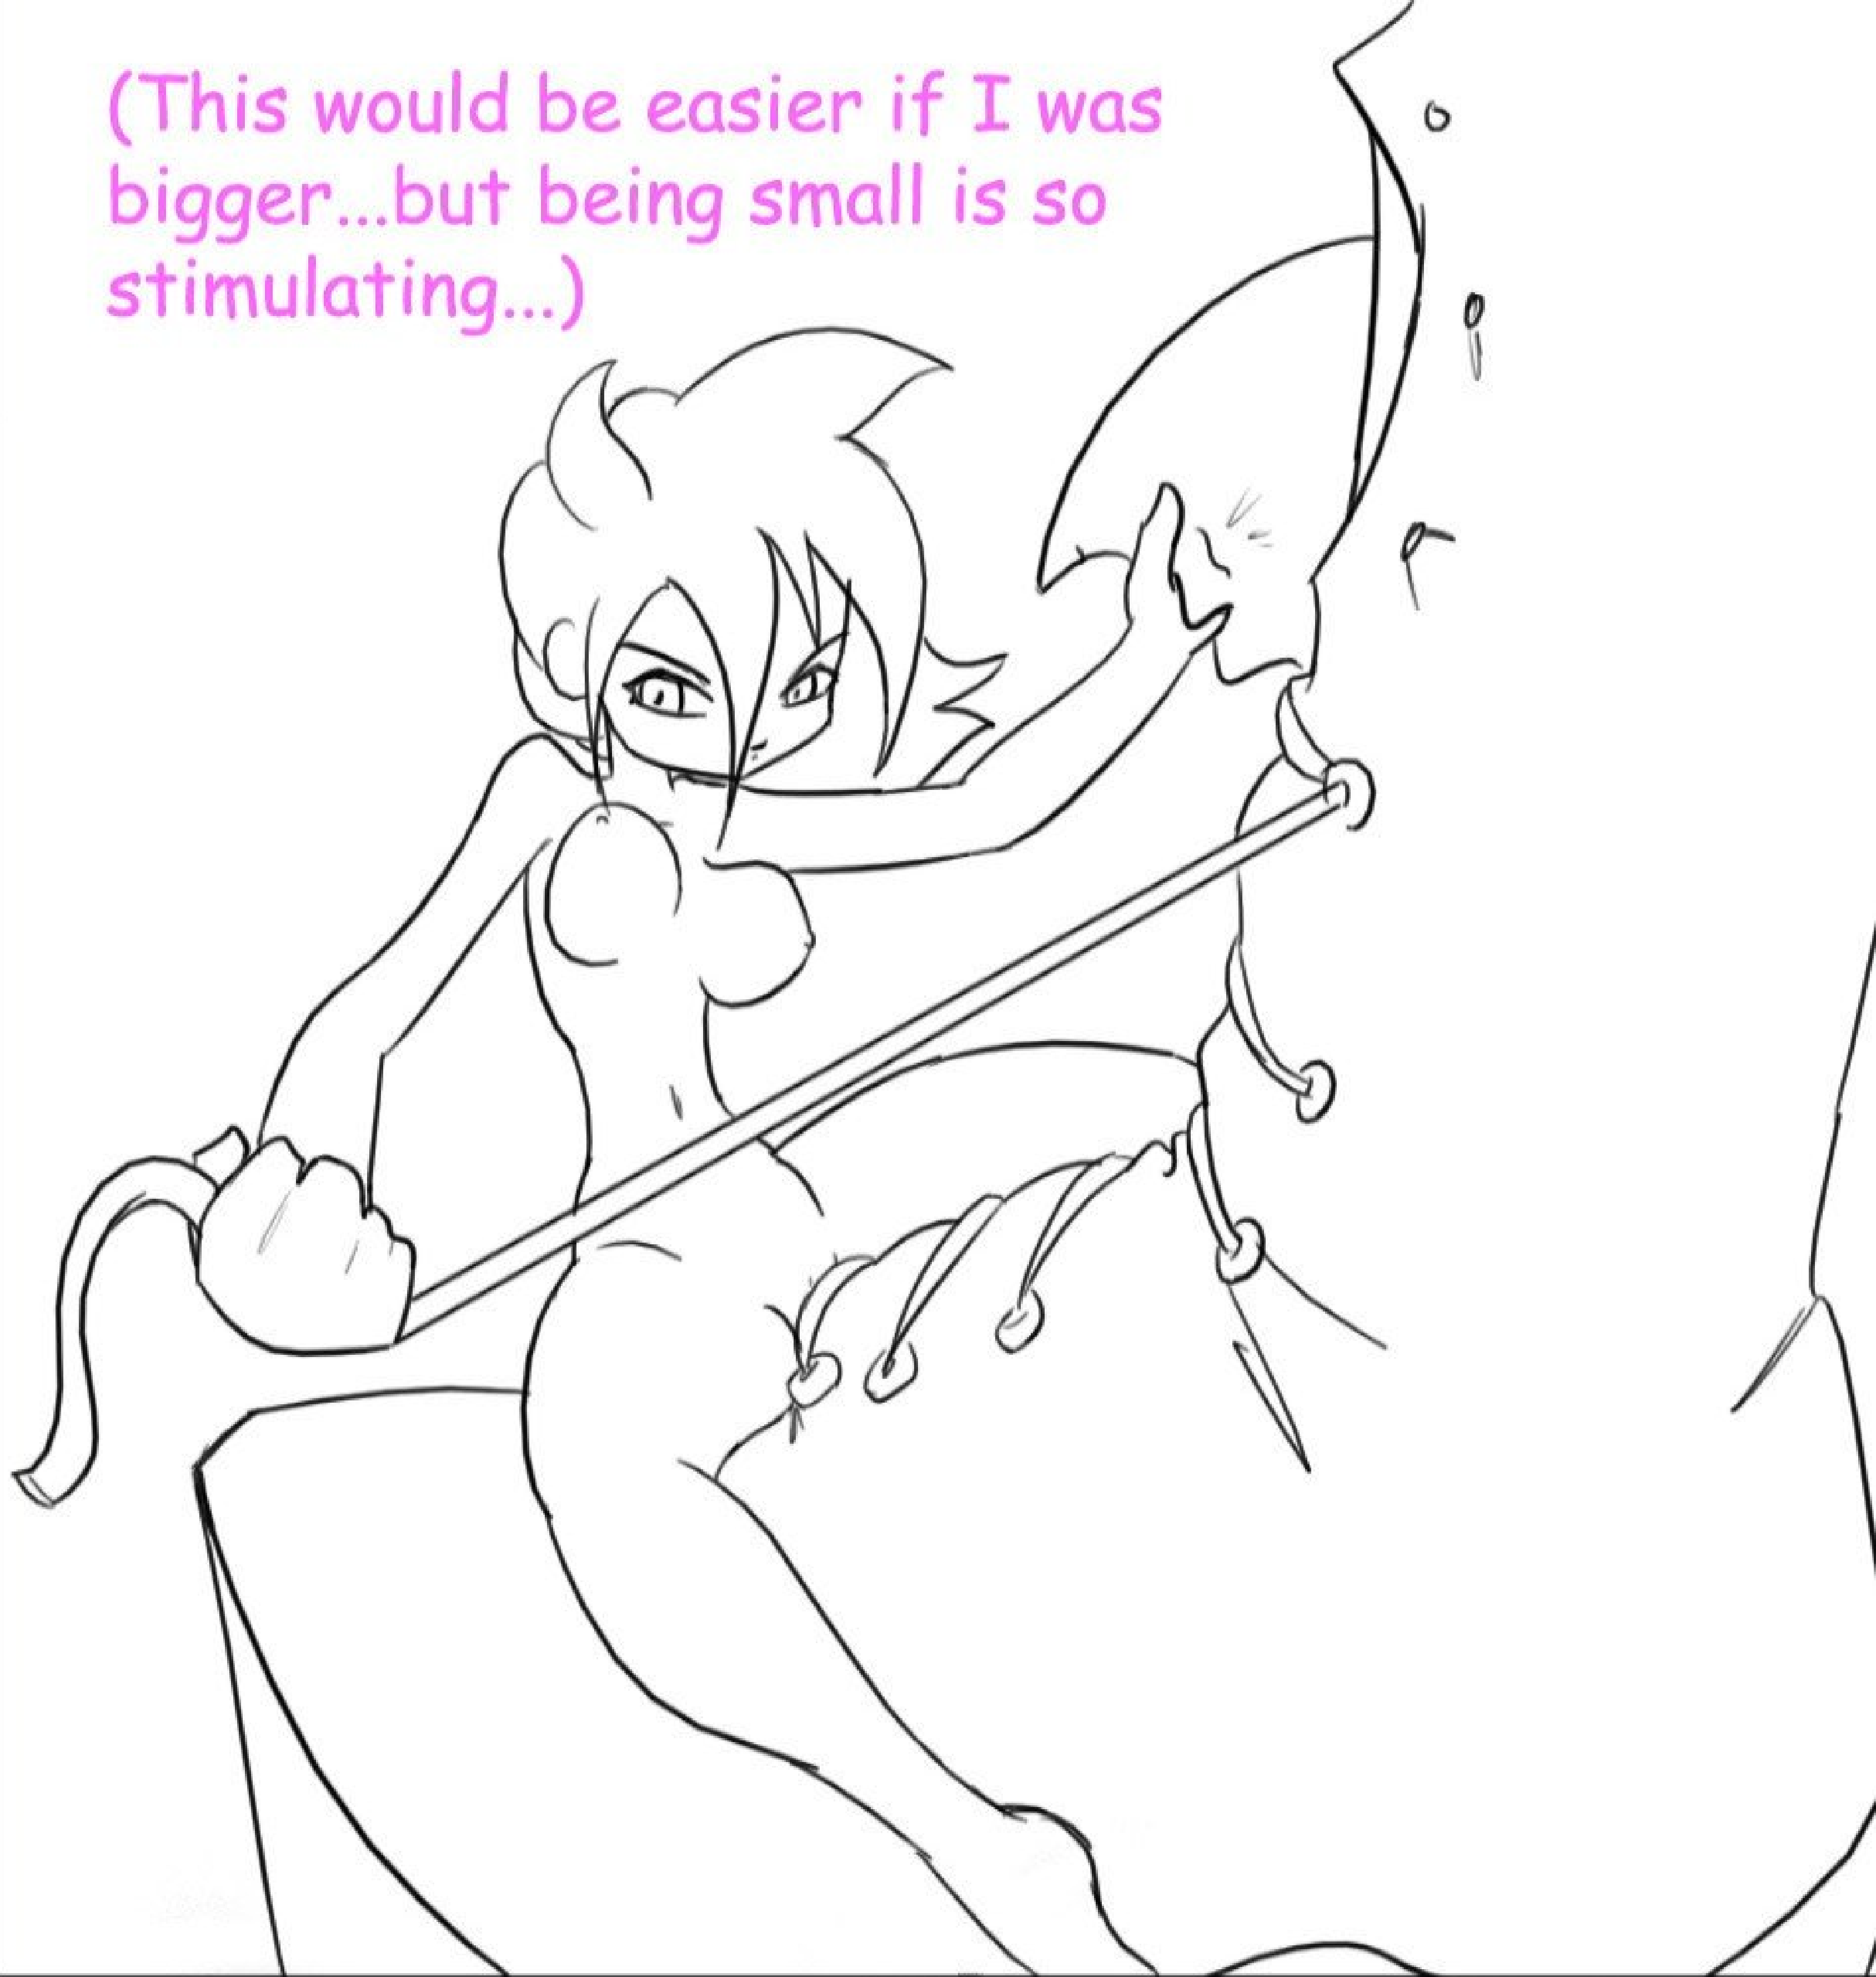

O...Ok. Whatever you want,
Goddess!

(Her boot makes a handy chair!)

(This would be easier if I was bigger...but being small is so stimulating...)

(Ohhh...her laces and boot leather are rubbing against my crotch!)

(Ooough...)

Ok Chibi...I think we're having just a little too much fun!

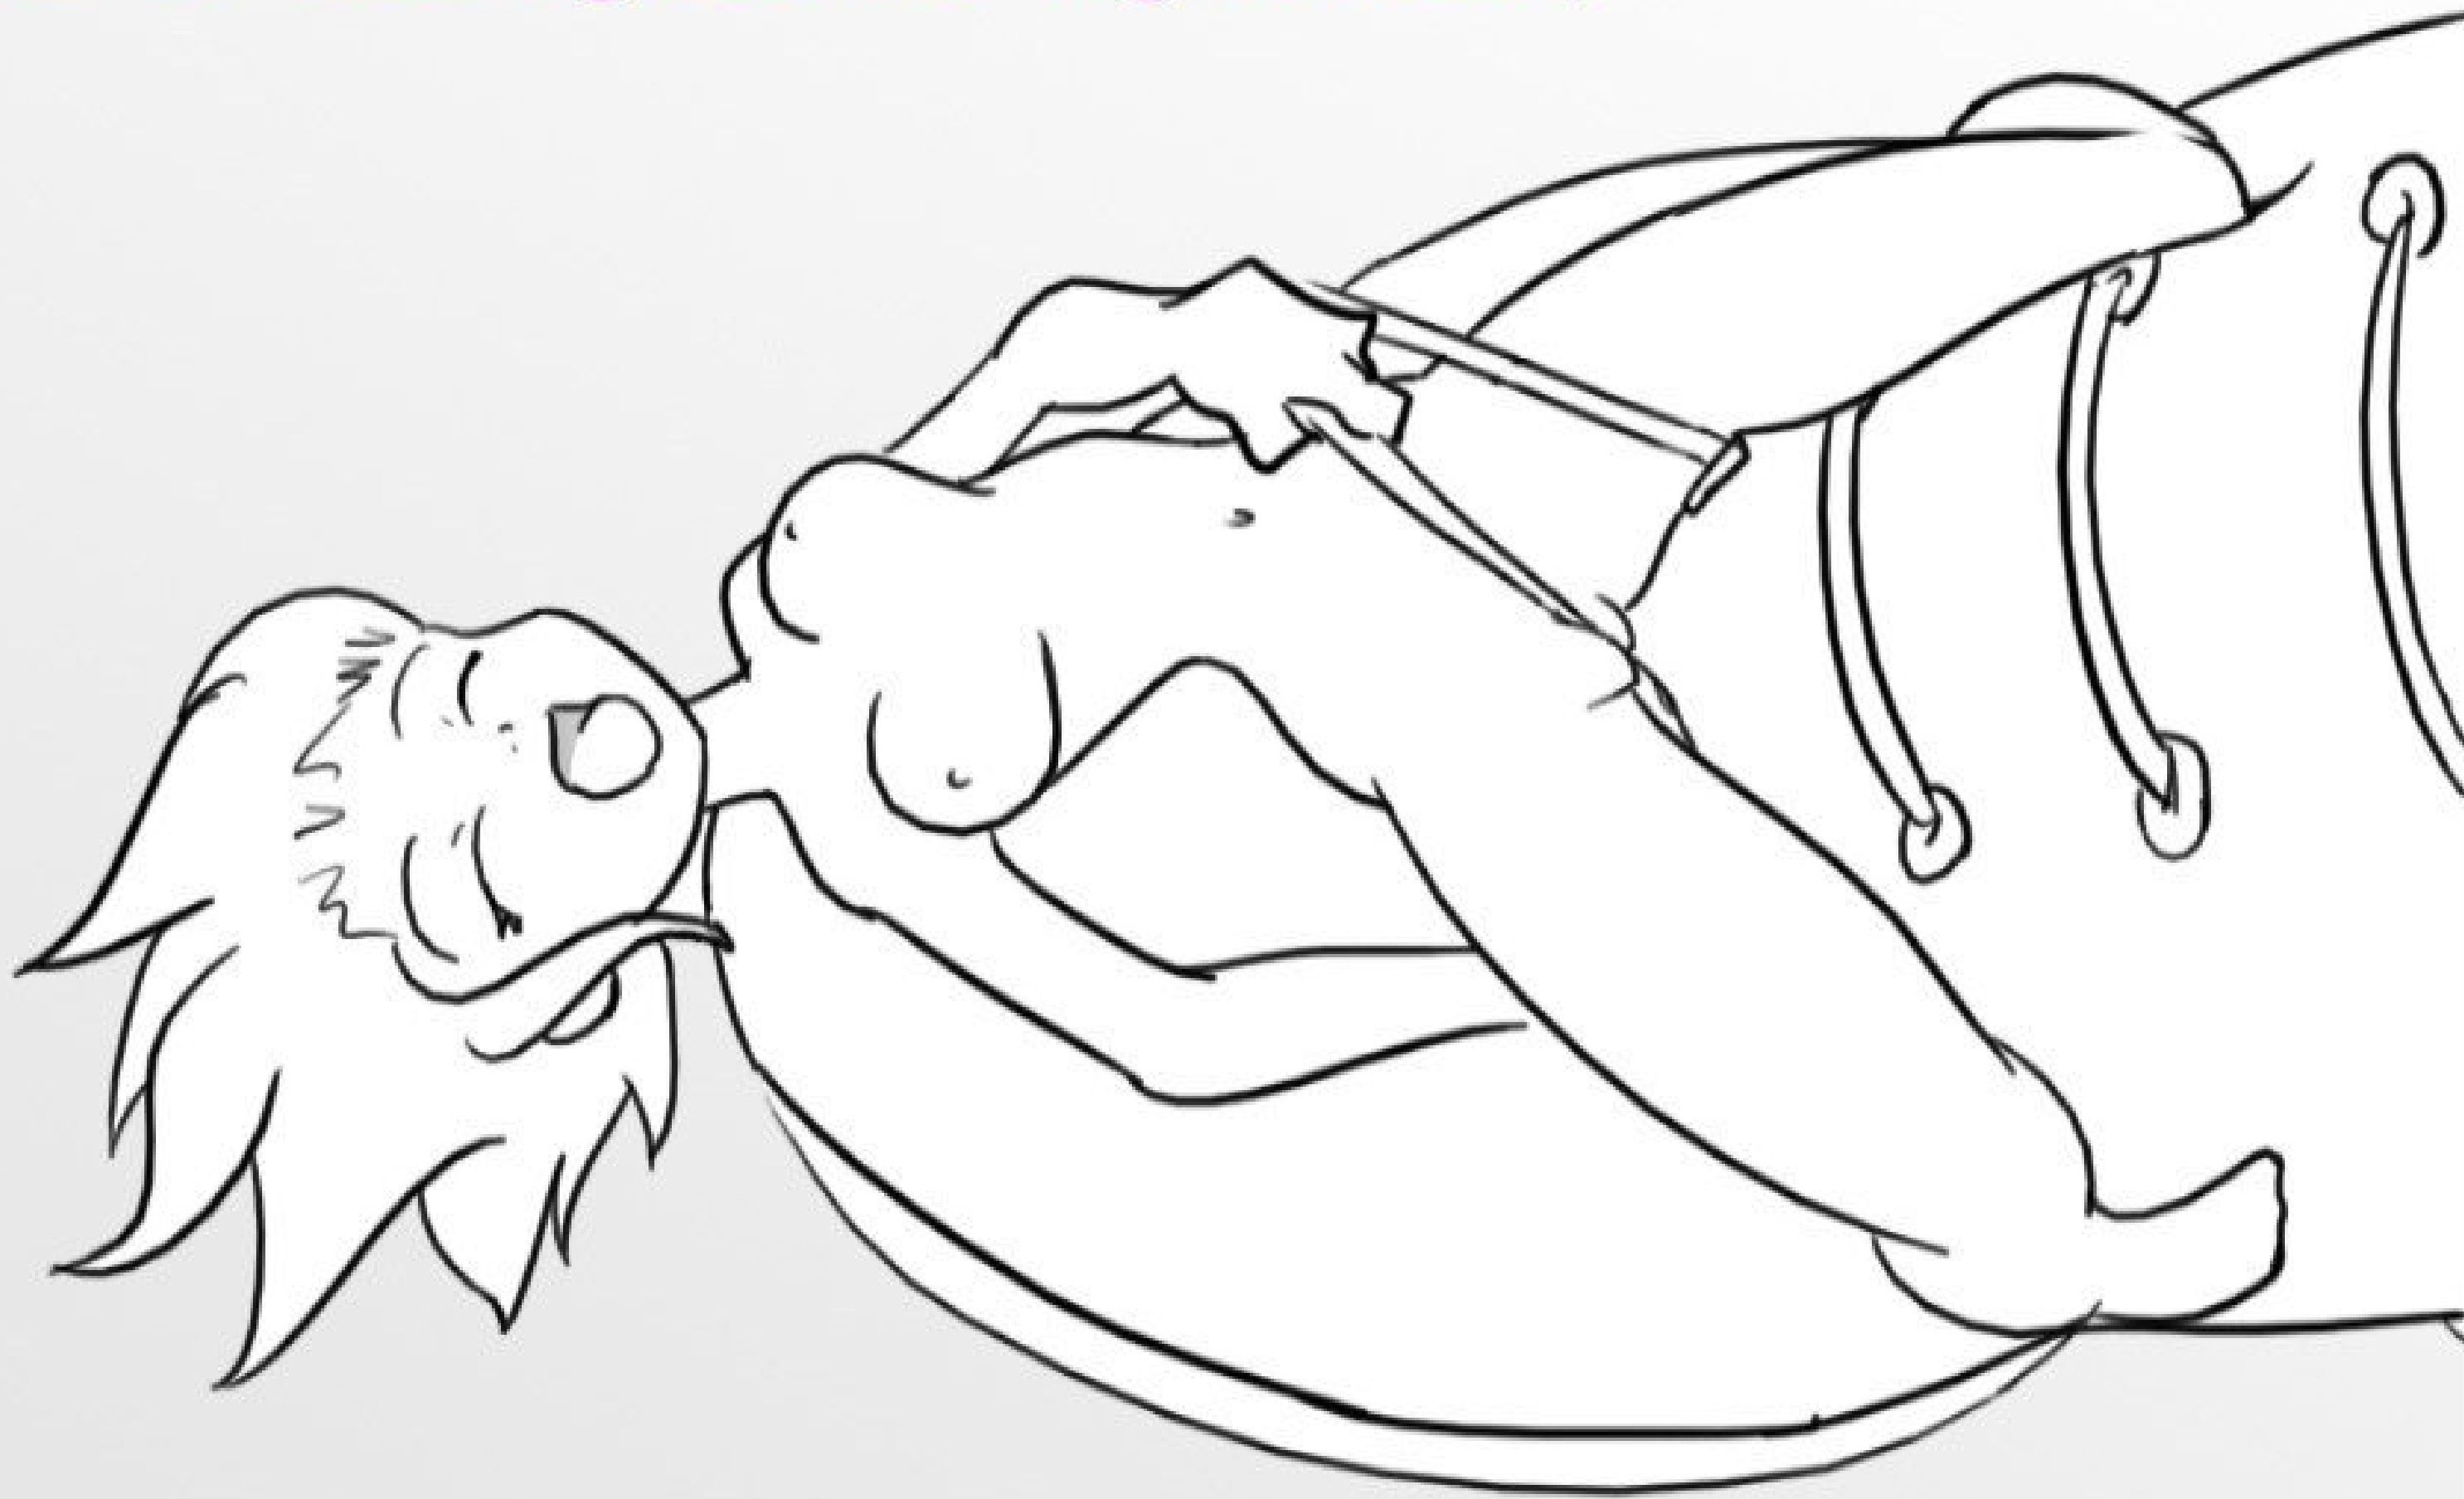

??

Woah!

Myhentaigallery.com

(Oh...forget her...this is so great...
I'm feeling so hot right now.)

(This is like
a dream...)

Chibi! Let's not get
off track.

Oh Goddess! I'm
having way more
fun than you think!

Ok, that's it!
Get down!

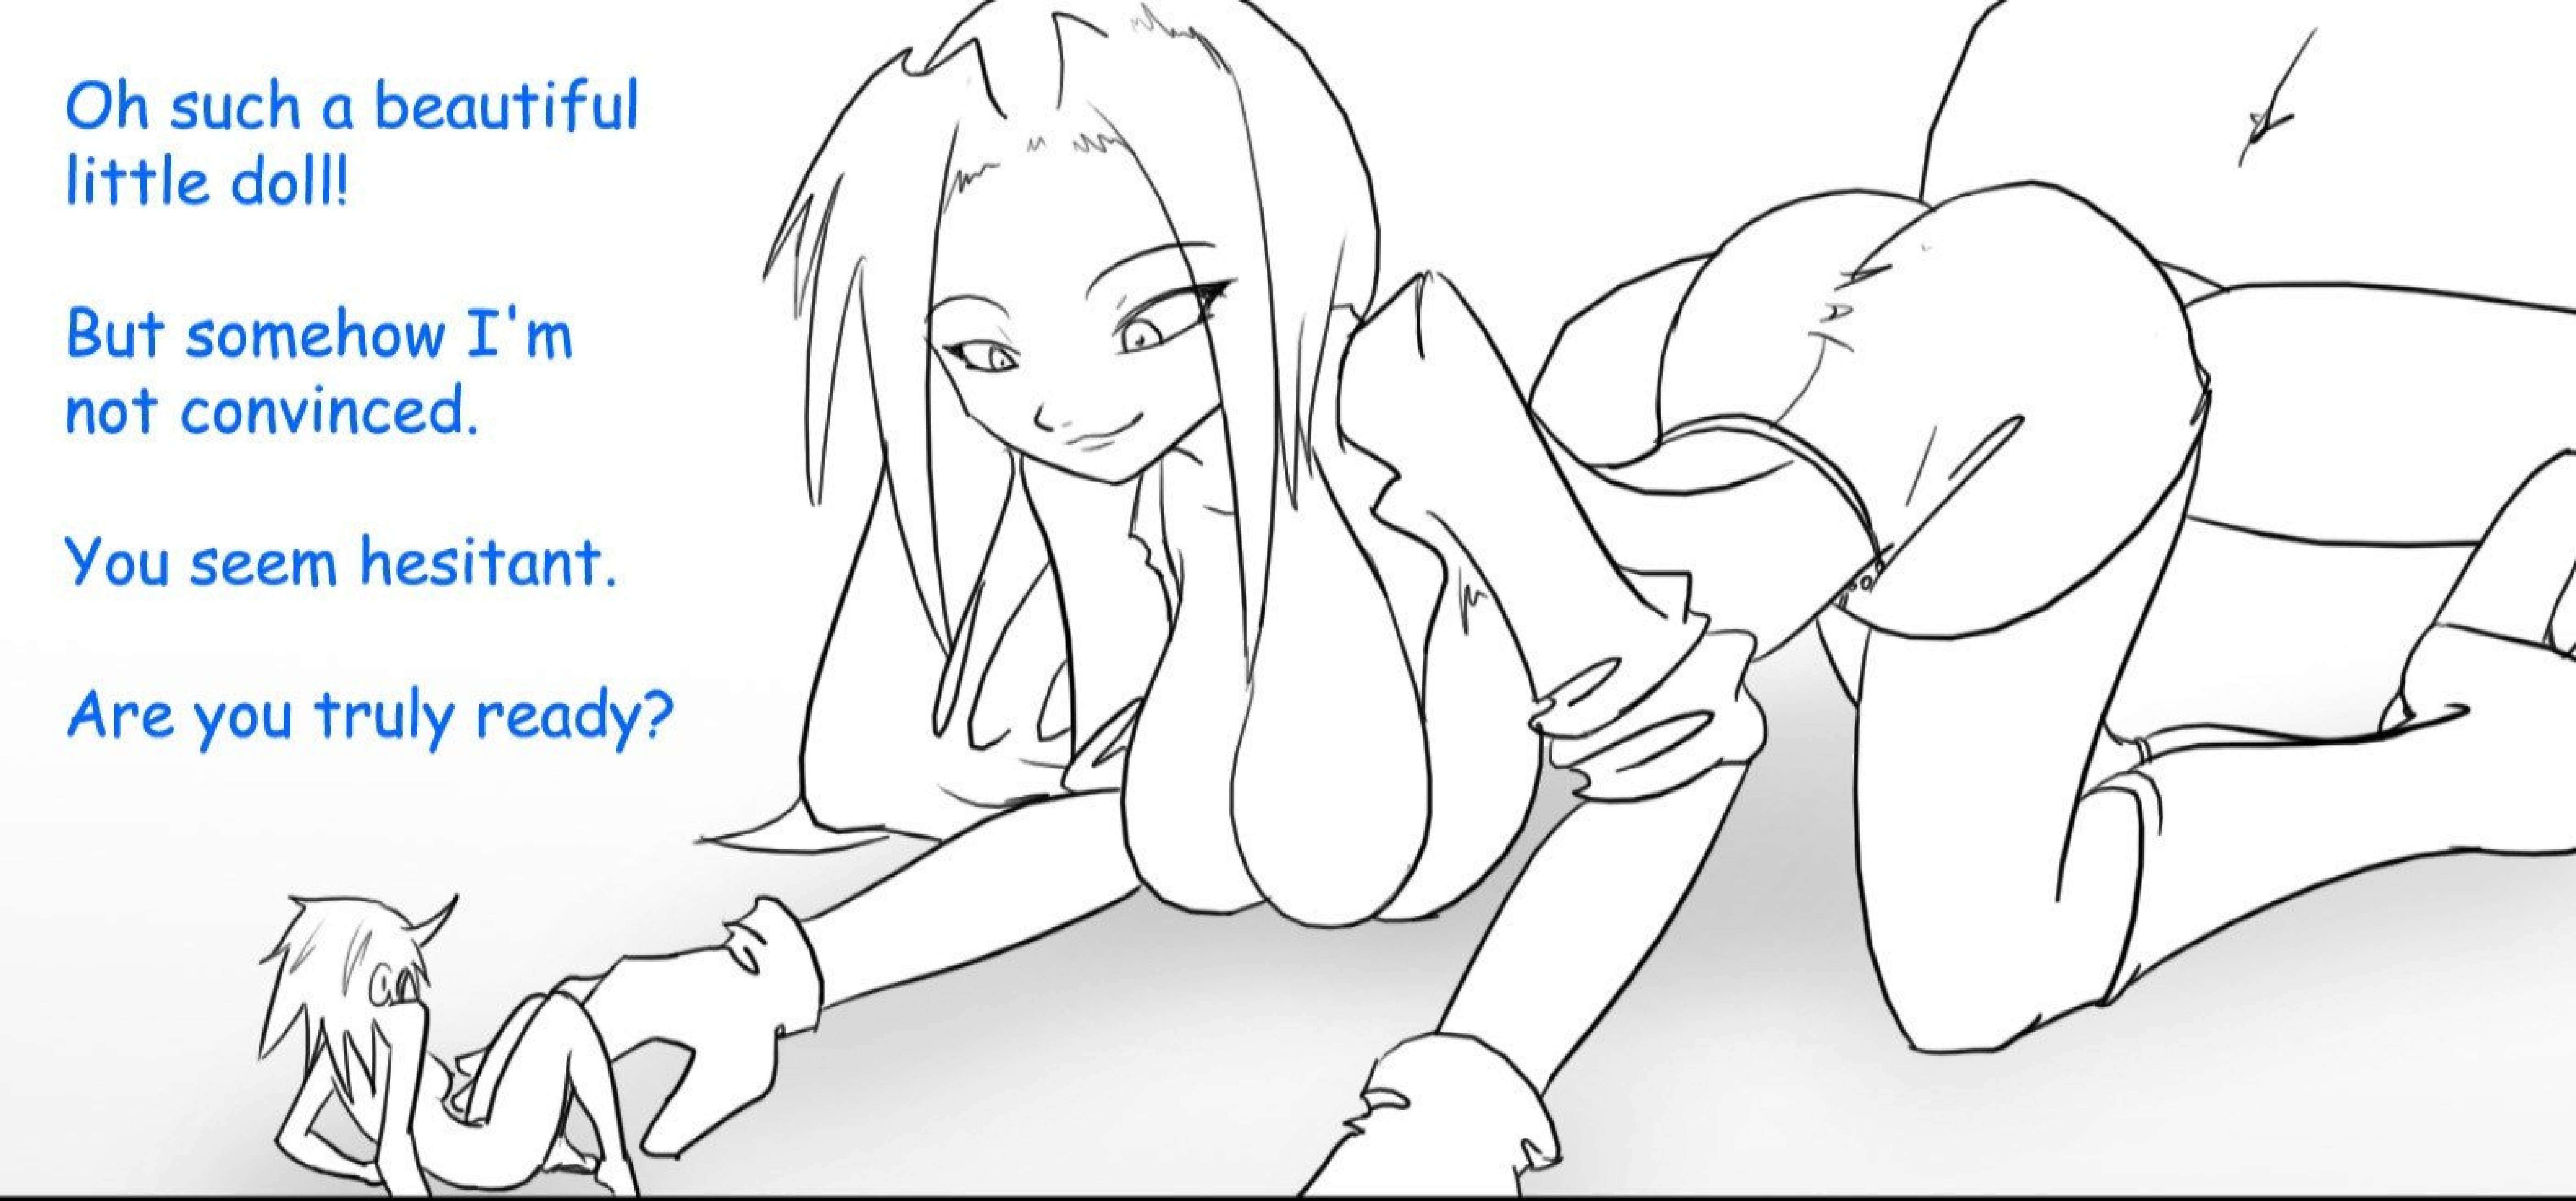

(How much
smaller am I
going to get?)

Oh such a beautiful
little doll!

But somehow I'm
not convinced.

You seem hesitant.

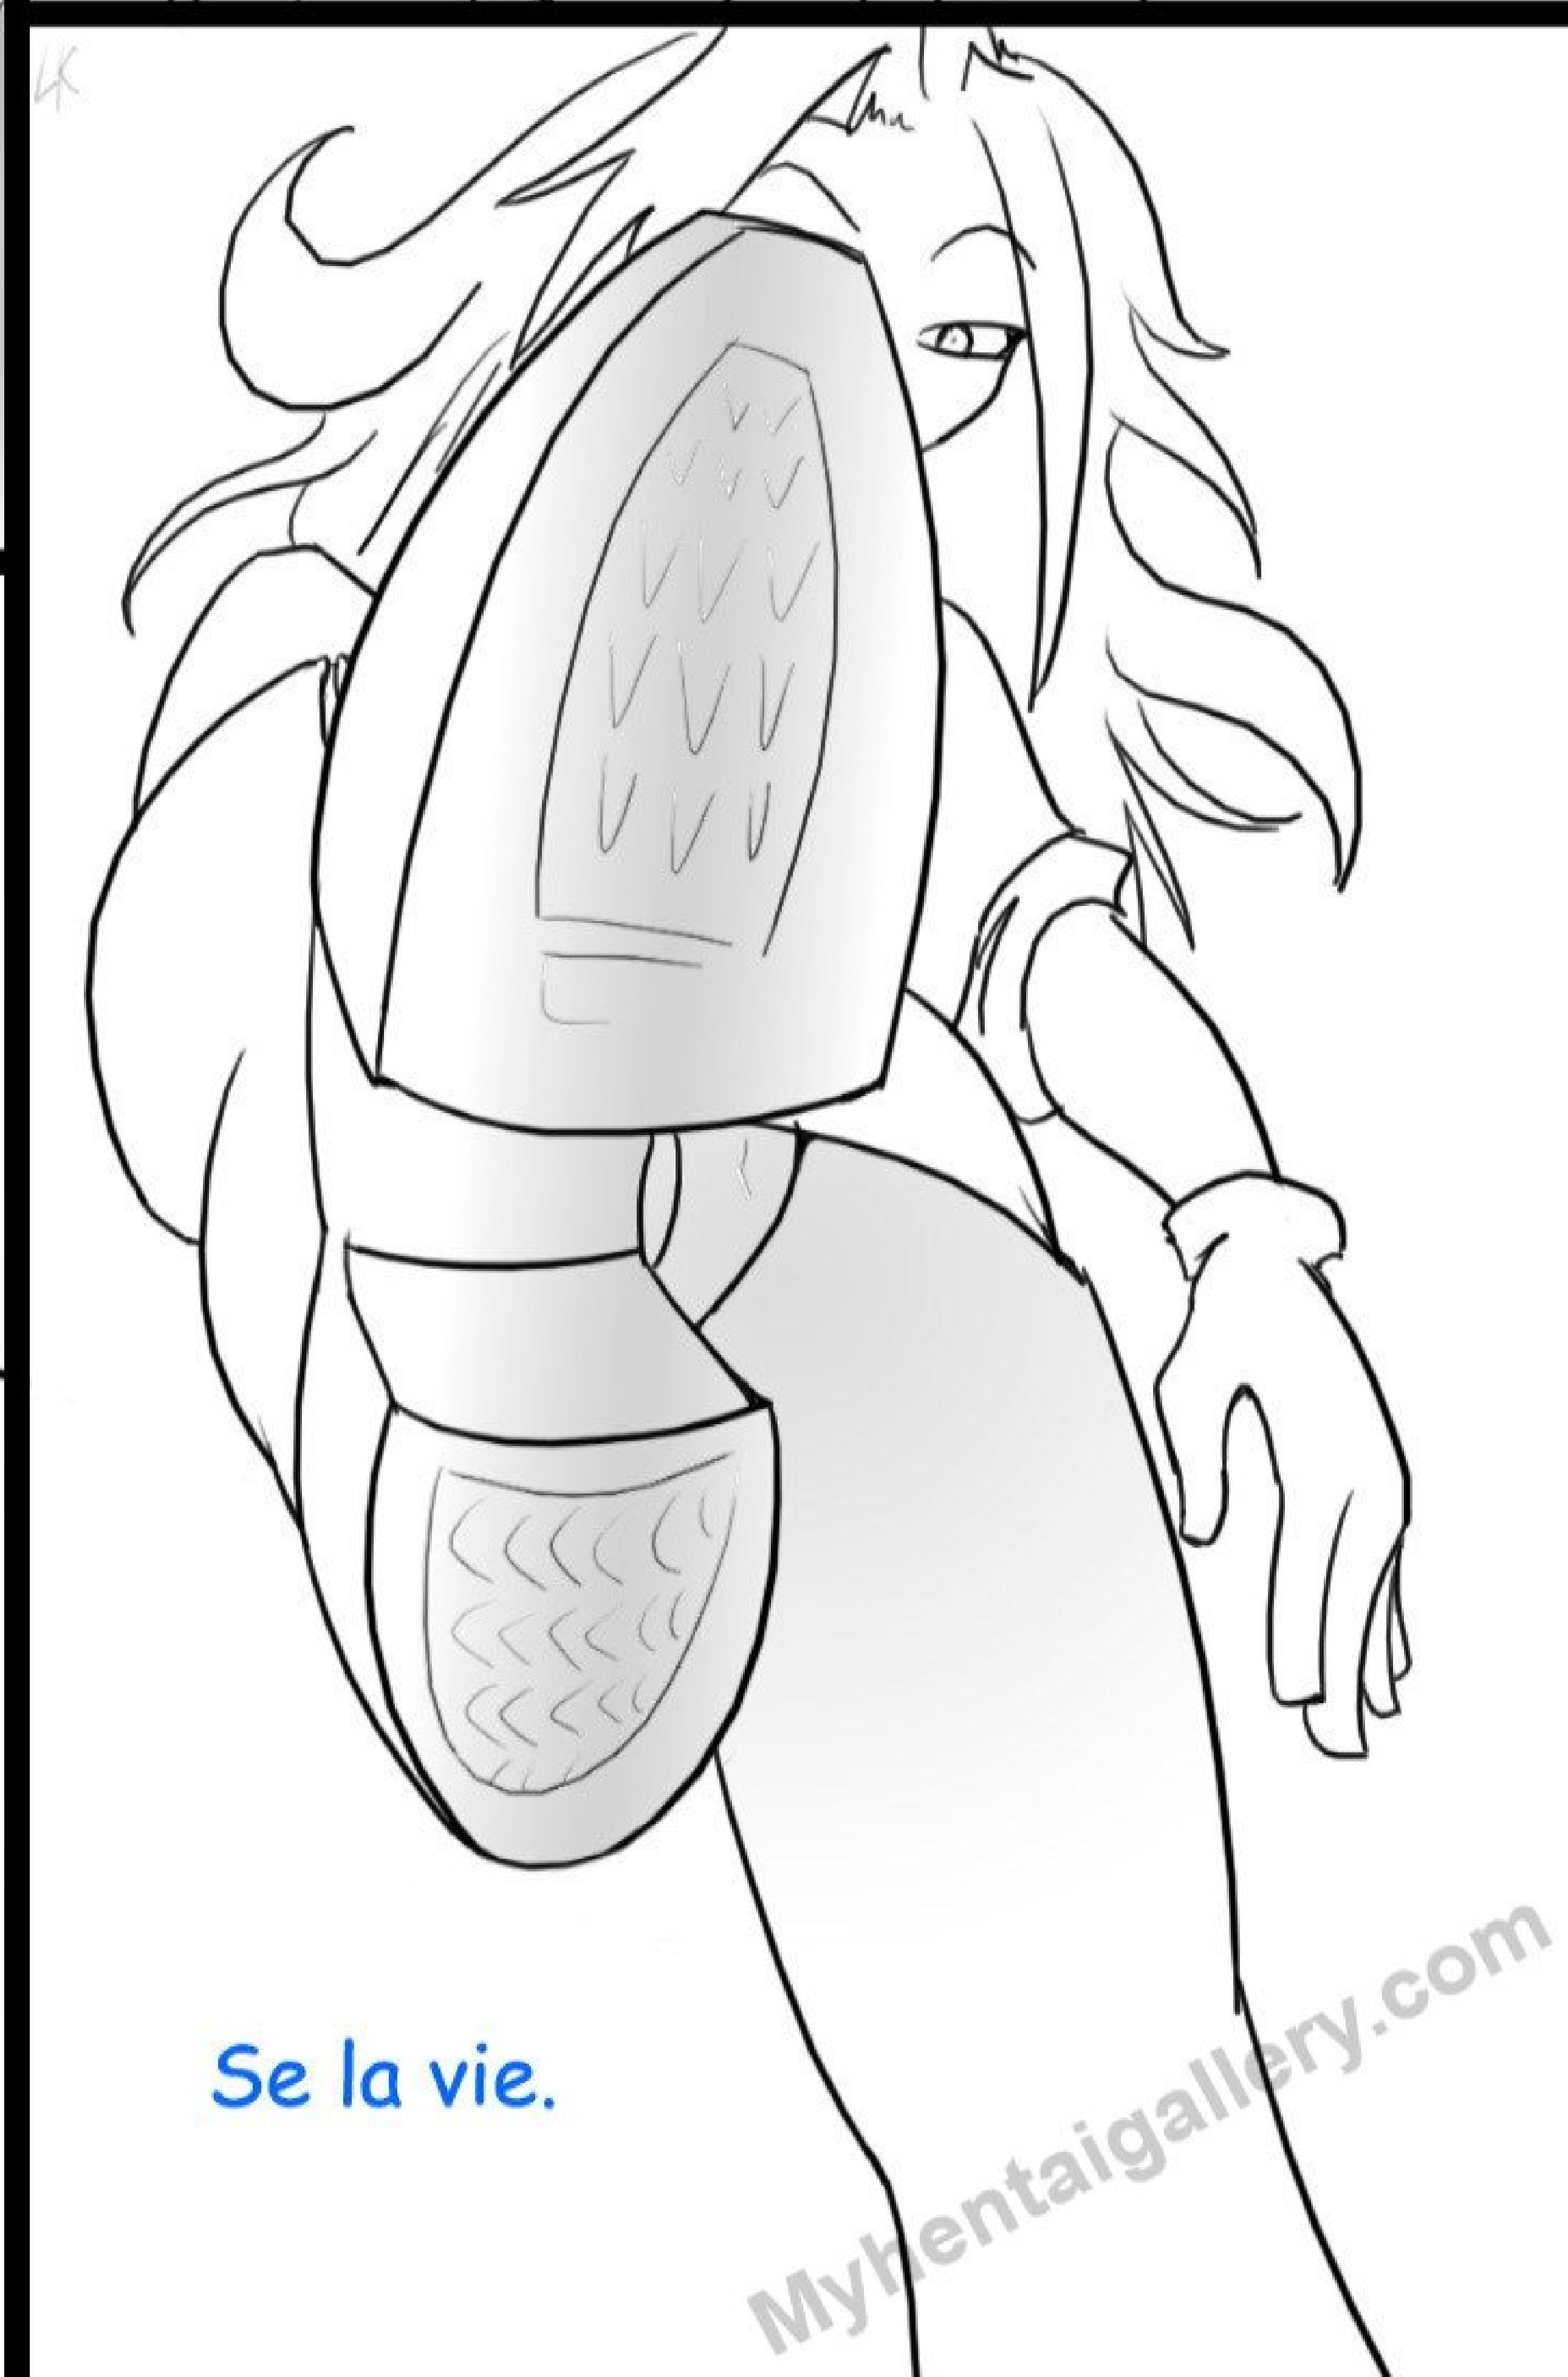

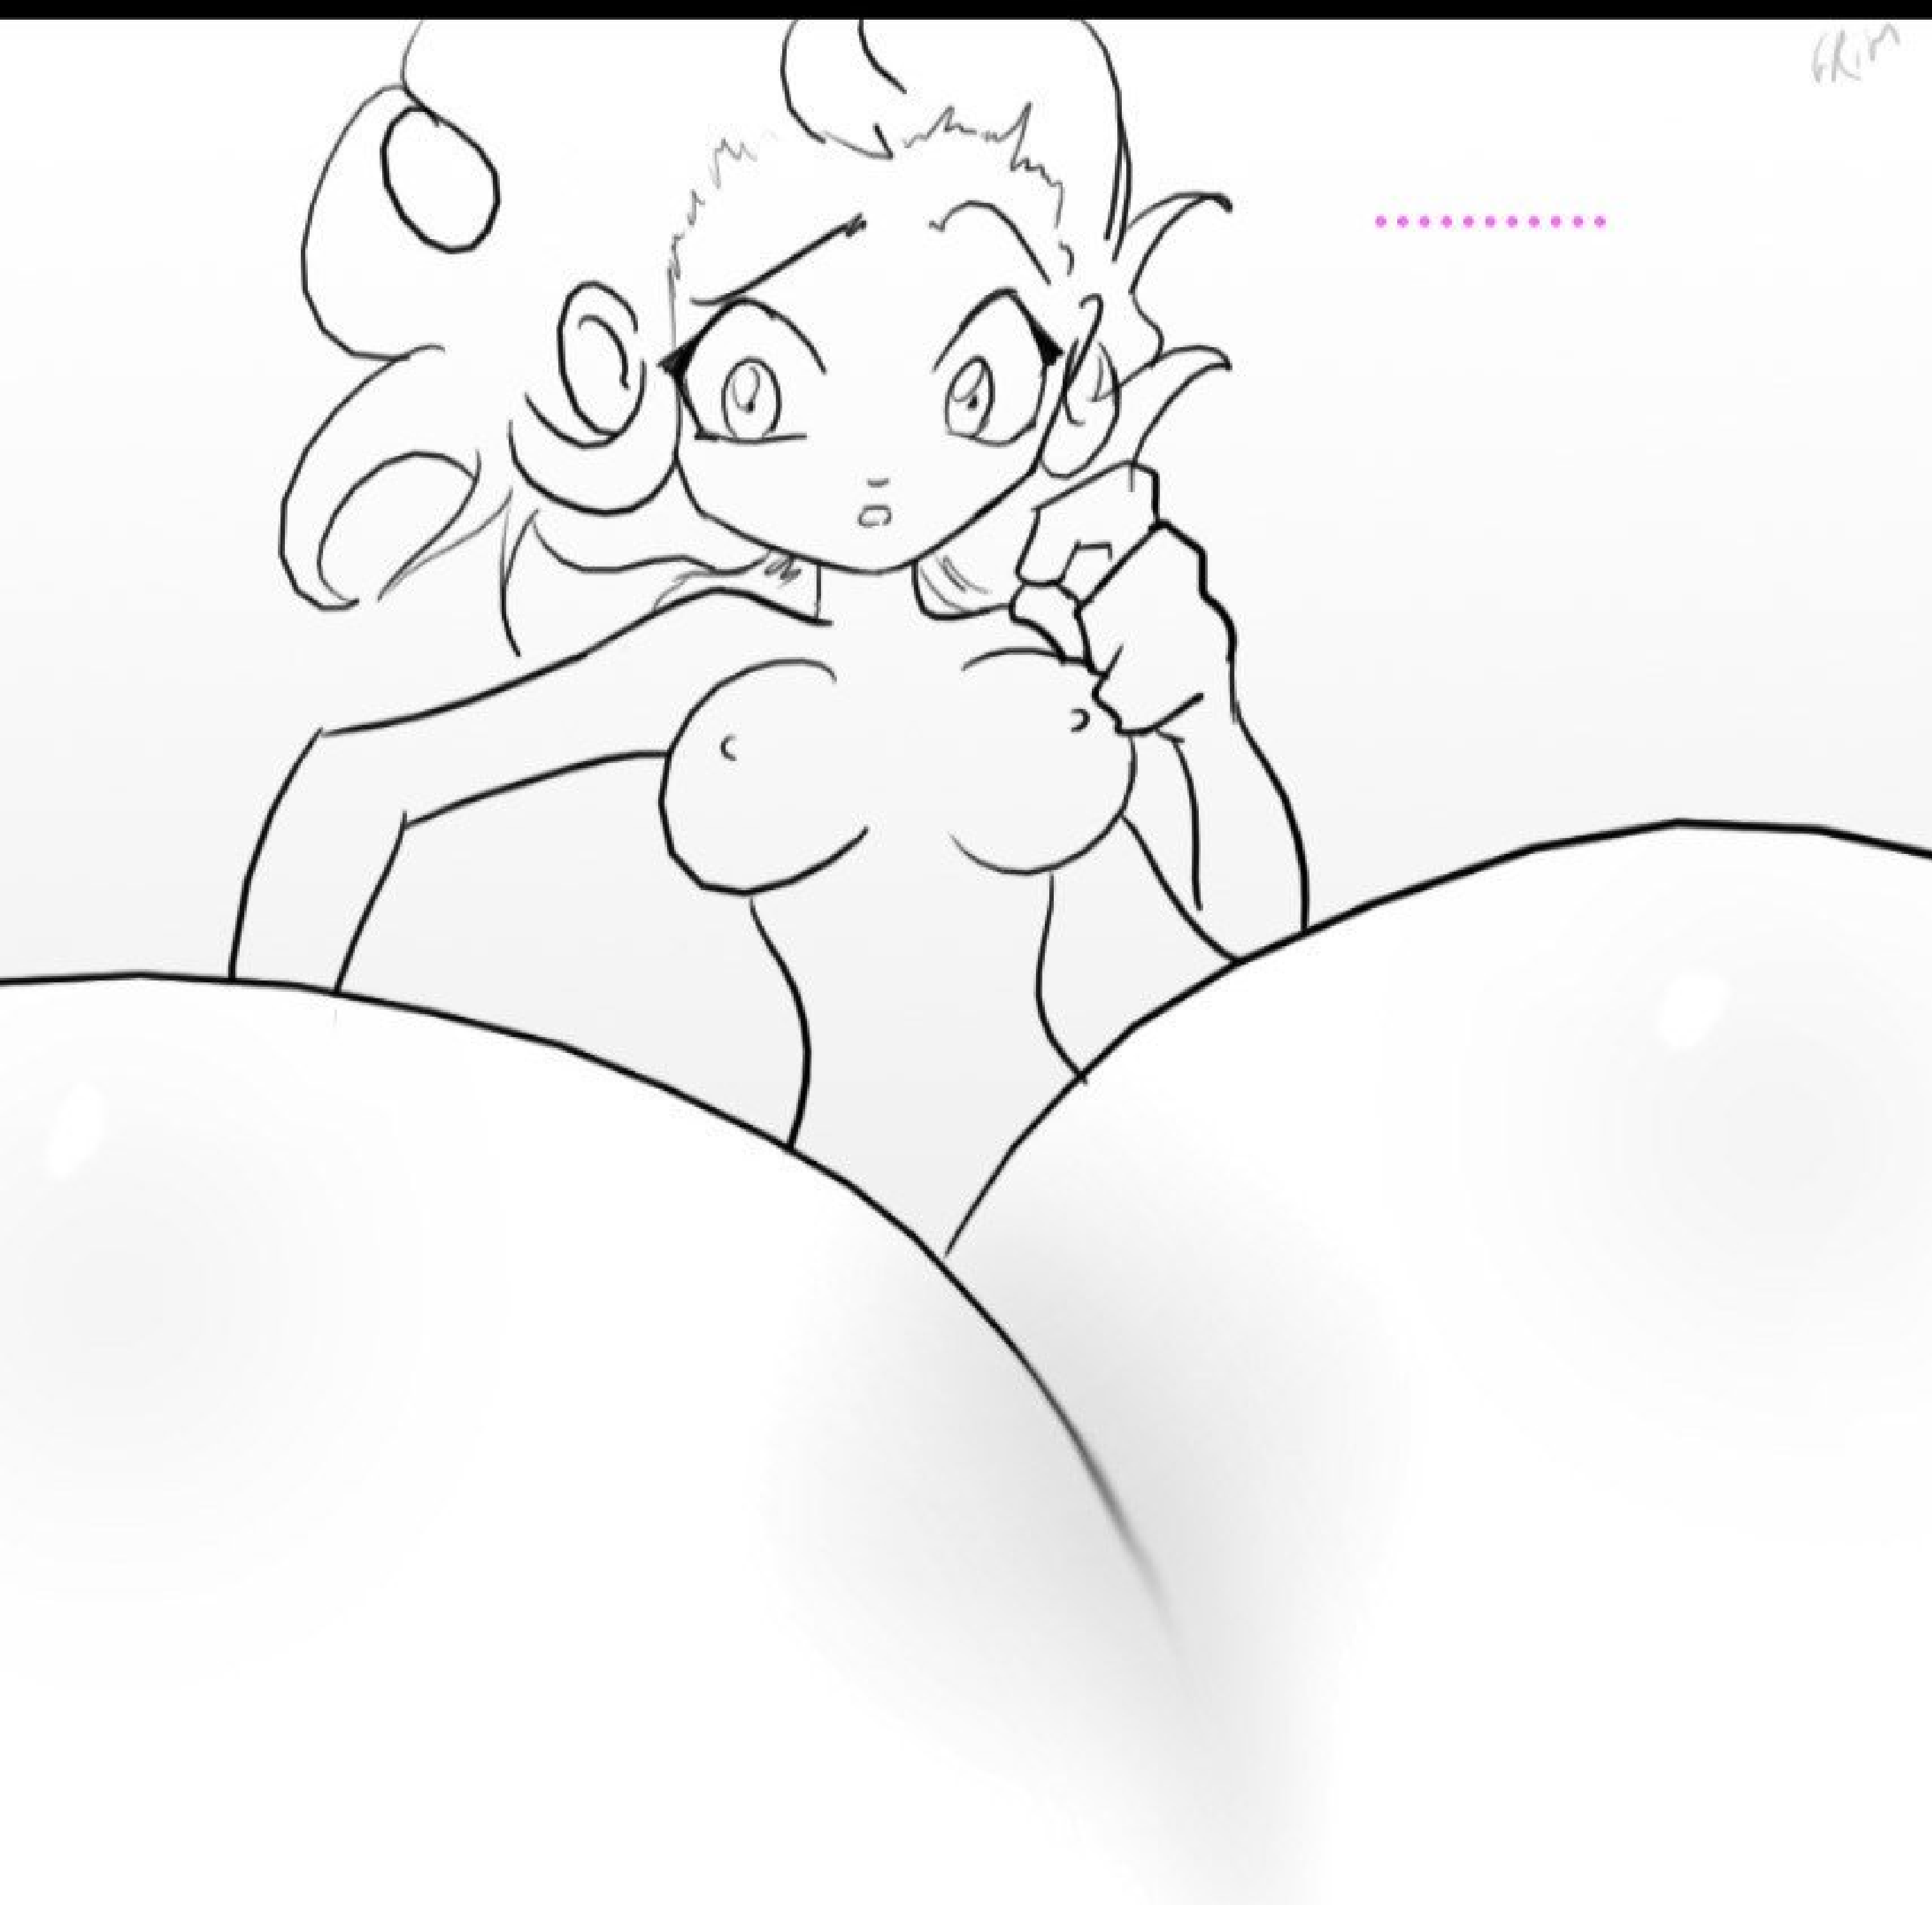

Are you truly ready?

Hmmmm?

Alright
then.

Se la vie.

So, like the view?

(Ohhhh...)

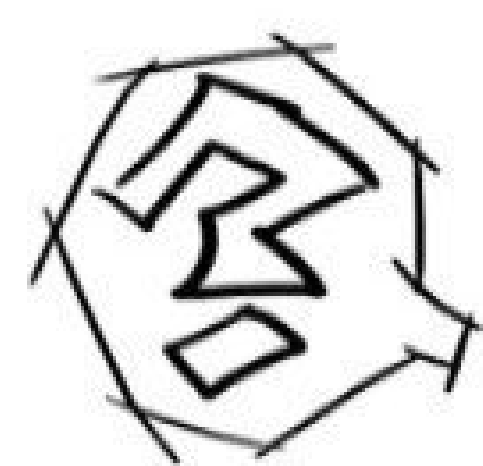

Oh Goddess!
I love you!
I would do
anything to
please you!

(This pleasure!)

Very well!

I'm convinced!
Congratulations!

Hnnn?

(Am I growing?)
No!

Don't worry
Chibi, it is
just my first
gift to you!

Oh my god!

These are so
cute! Thank you!

But...uh...I don't
want to sound
ungrateful, but
could you also
give me a boost
with my...uh...

Do you
have to ask?

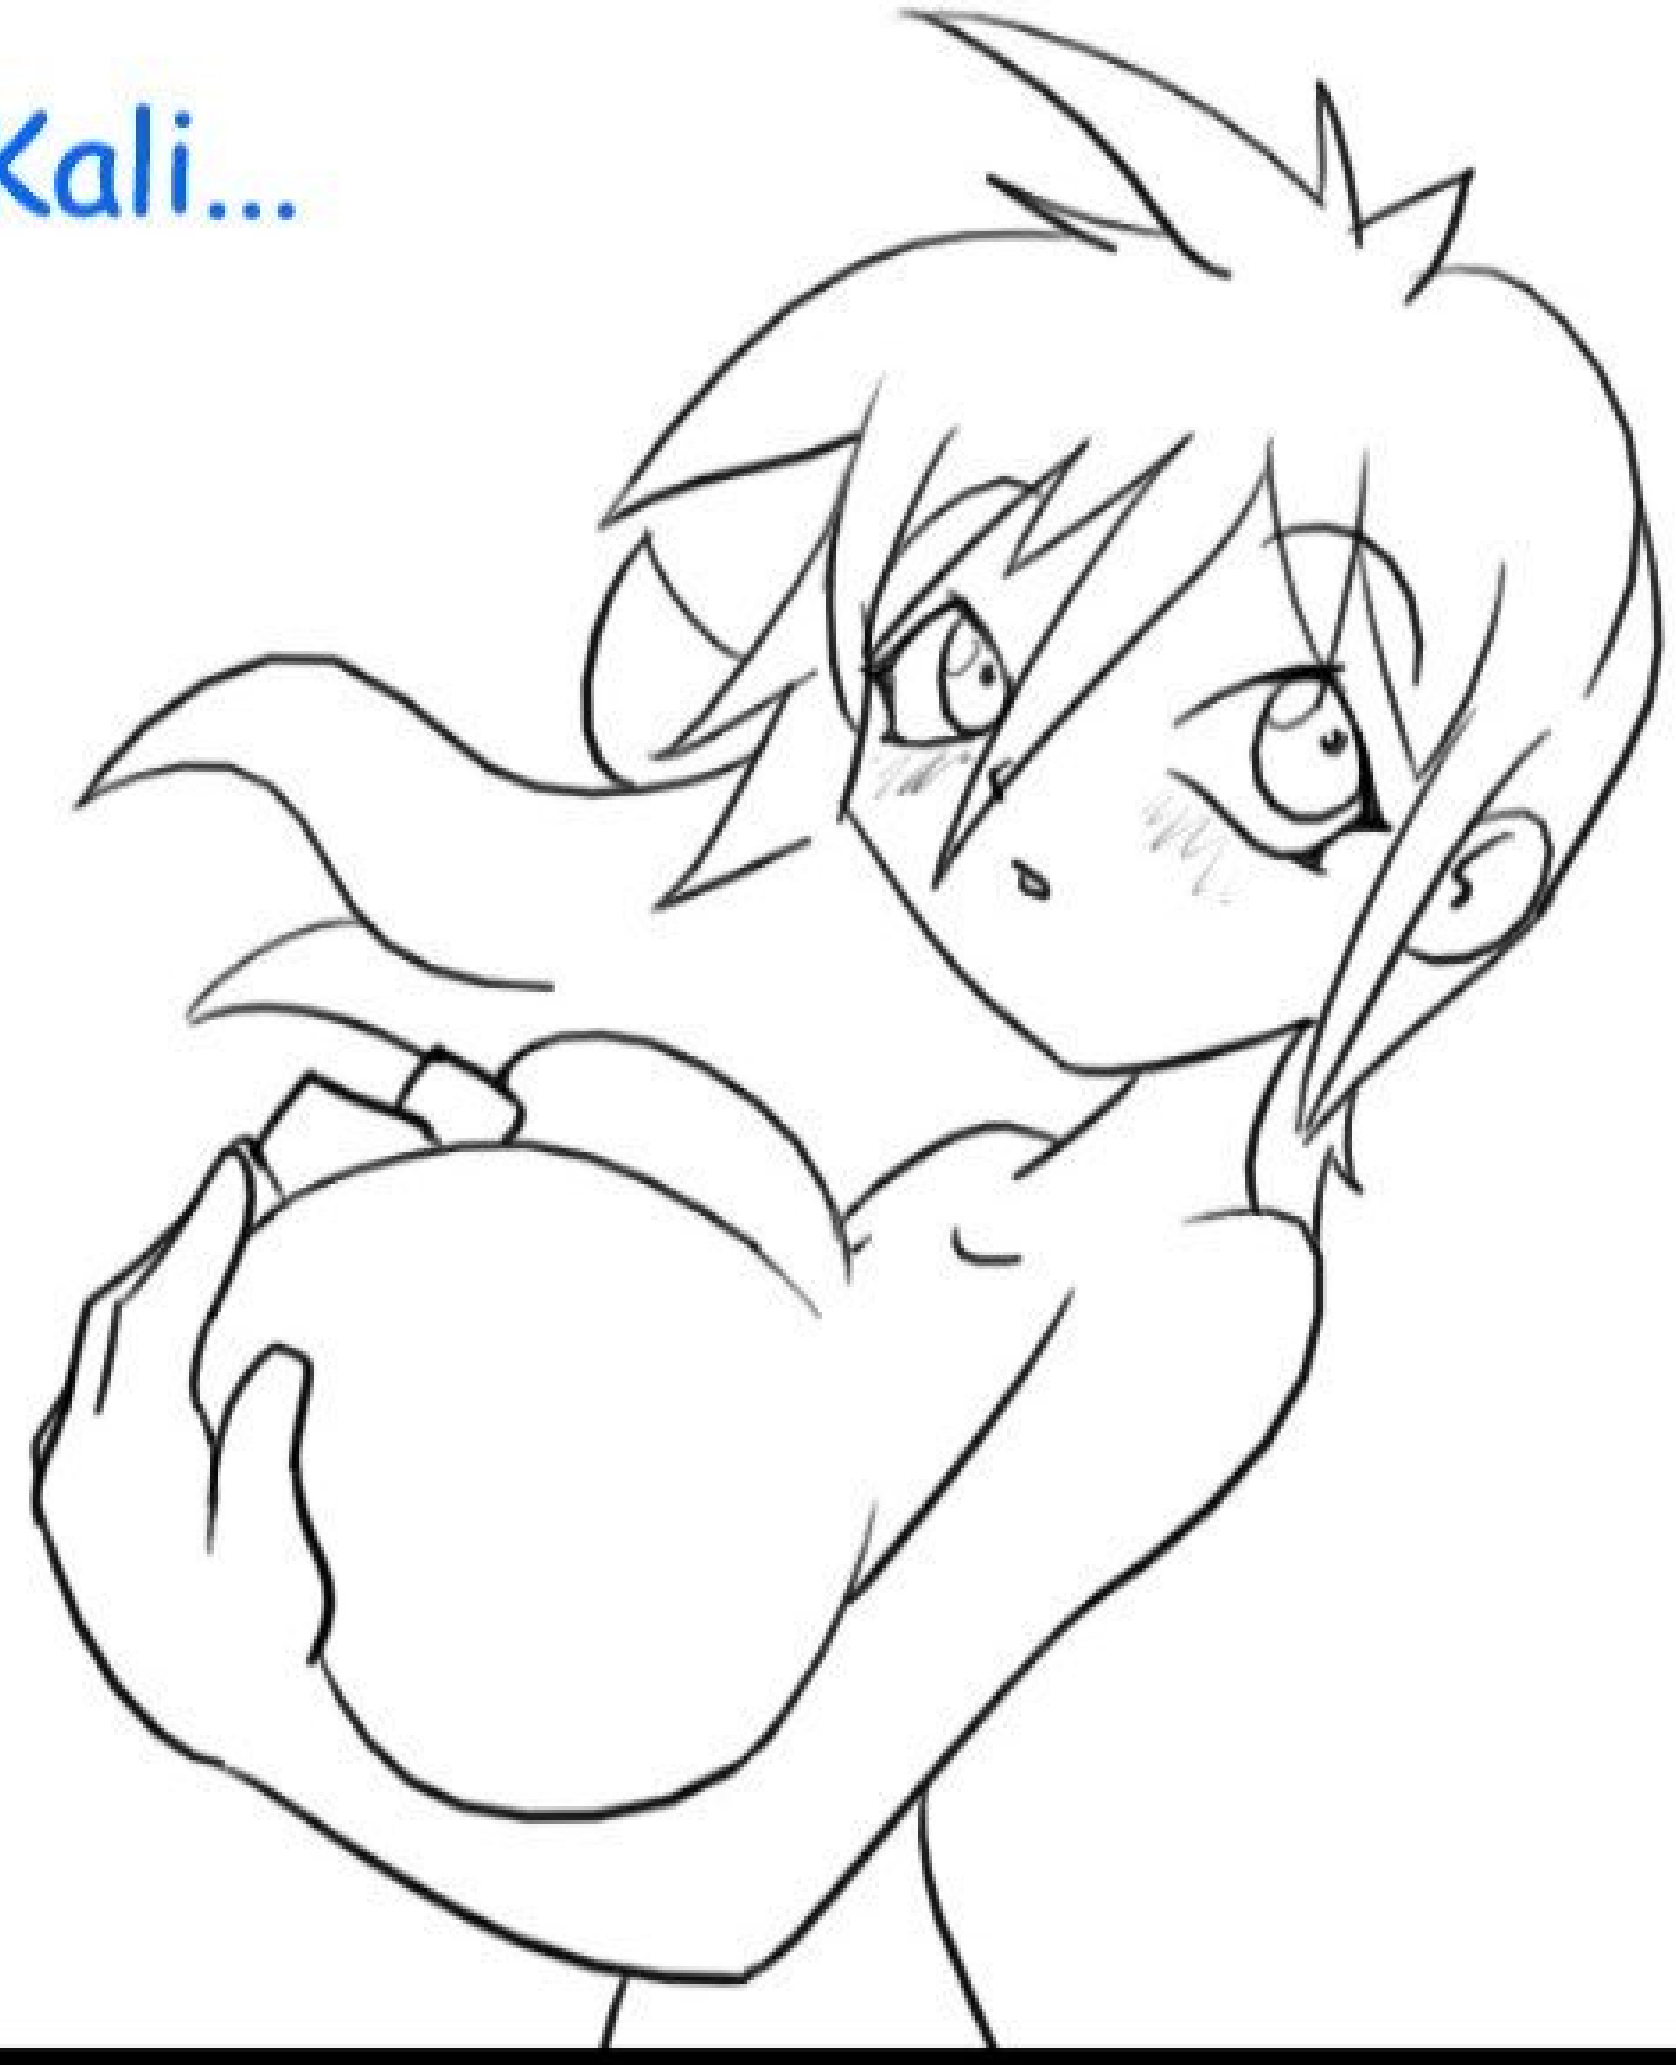

Waaaaa!

Yay! I'm
almost as
beautiful as
Miss Goddess!

Now Kali...

You know you
will belong to
me from now
on, right?

Geez! You make that
sound like there is
a down side!

And so, Chibi Kali began her new life as a hand maiden to the Goddess of Size, Miko.

Goddess! You forgot your purse!

Great! Let's visit one last store for the evening.

Yes!
