

Hey, Recruit!
What're you
spacing out
for?

We still
have lots of
TRAINING
to do.

It's because
of YOU,
Commander!
TAKE
RESPONSIBILITY!!
Eh?...

This
LEWD
BODY is
distracting
EVERYONE!
EHHH?!

Lets get this
over with
quickly

I can't have
you swinging
this around
the training
grounds

And don't
mention this
to anyone!

T-That
should be
enough to
calm you down

We better
hurry back
or the others
will get
suspicious
Rookie?...

If this went
INSIDE me
I'd be
PREGNANT

completely
filled my
cleavage...
