NATASHA?

A comic panel featuring two anime-style female characters. On the left, a girl with long brown hair and a white flower accessory looks surprised and blushing, with small heart icons floating around her head. She is wearing a pink long-sleeved sweater. On the right, a girl with long black hair and a purple headband is groping the first girl's chest with both hands. She has a smug expression and is wearing a black top. The background is a simple indoor setting with a dark couch.

YOU KNOW,
YOU SHOULD TAKE
OFF YOUR SWEATER...
