12 days until the wedding-

I still can't believe Ezreal proposed!

Ah! I'm so nervous...
I don't know what to do —

I-I'm still a virgin though...
And Zoe once said-

giggle -
Lux, boys **HATE** inexperienced girls!

I haven't told him...

W-What if it ruins our wedding night?

M-Maybe I could practice...

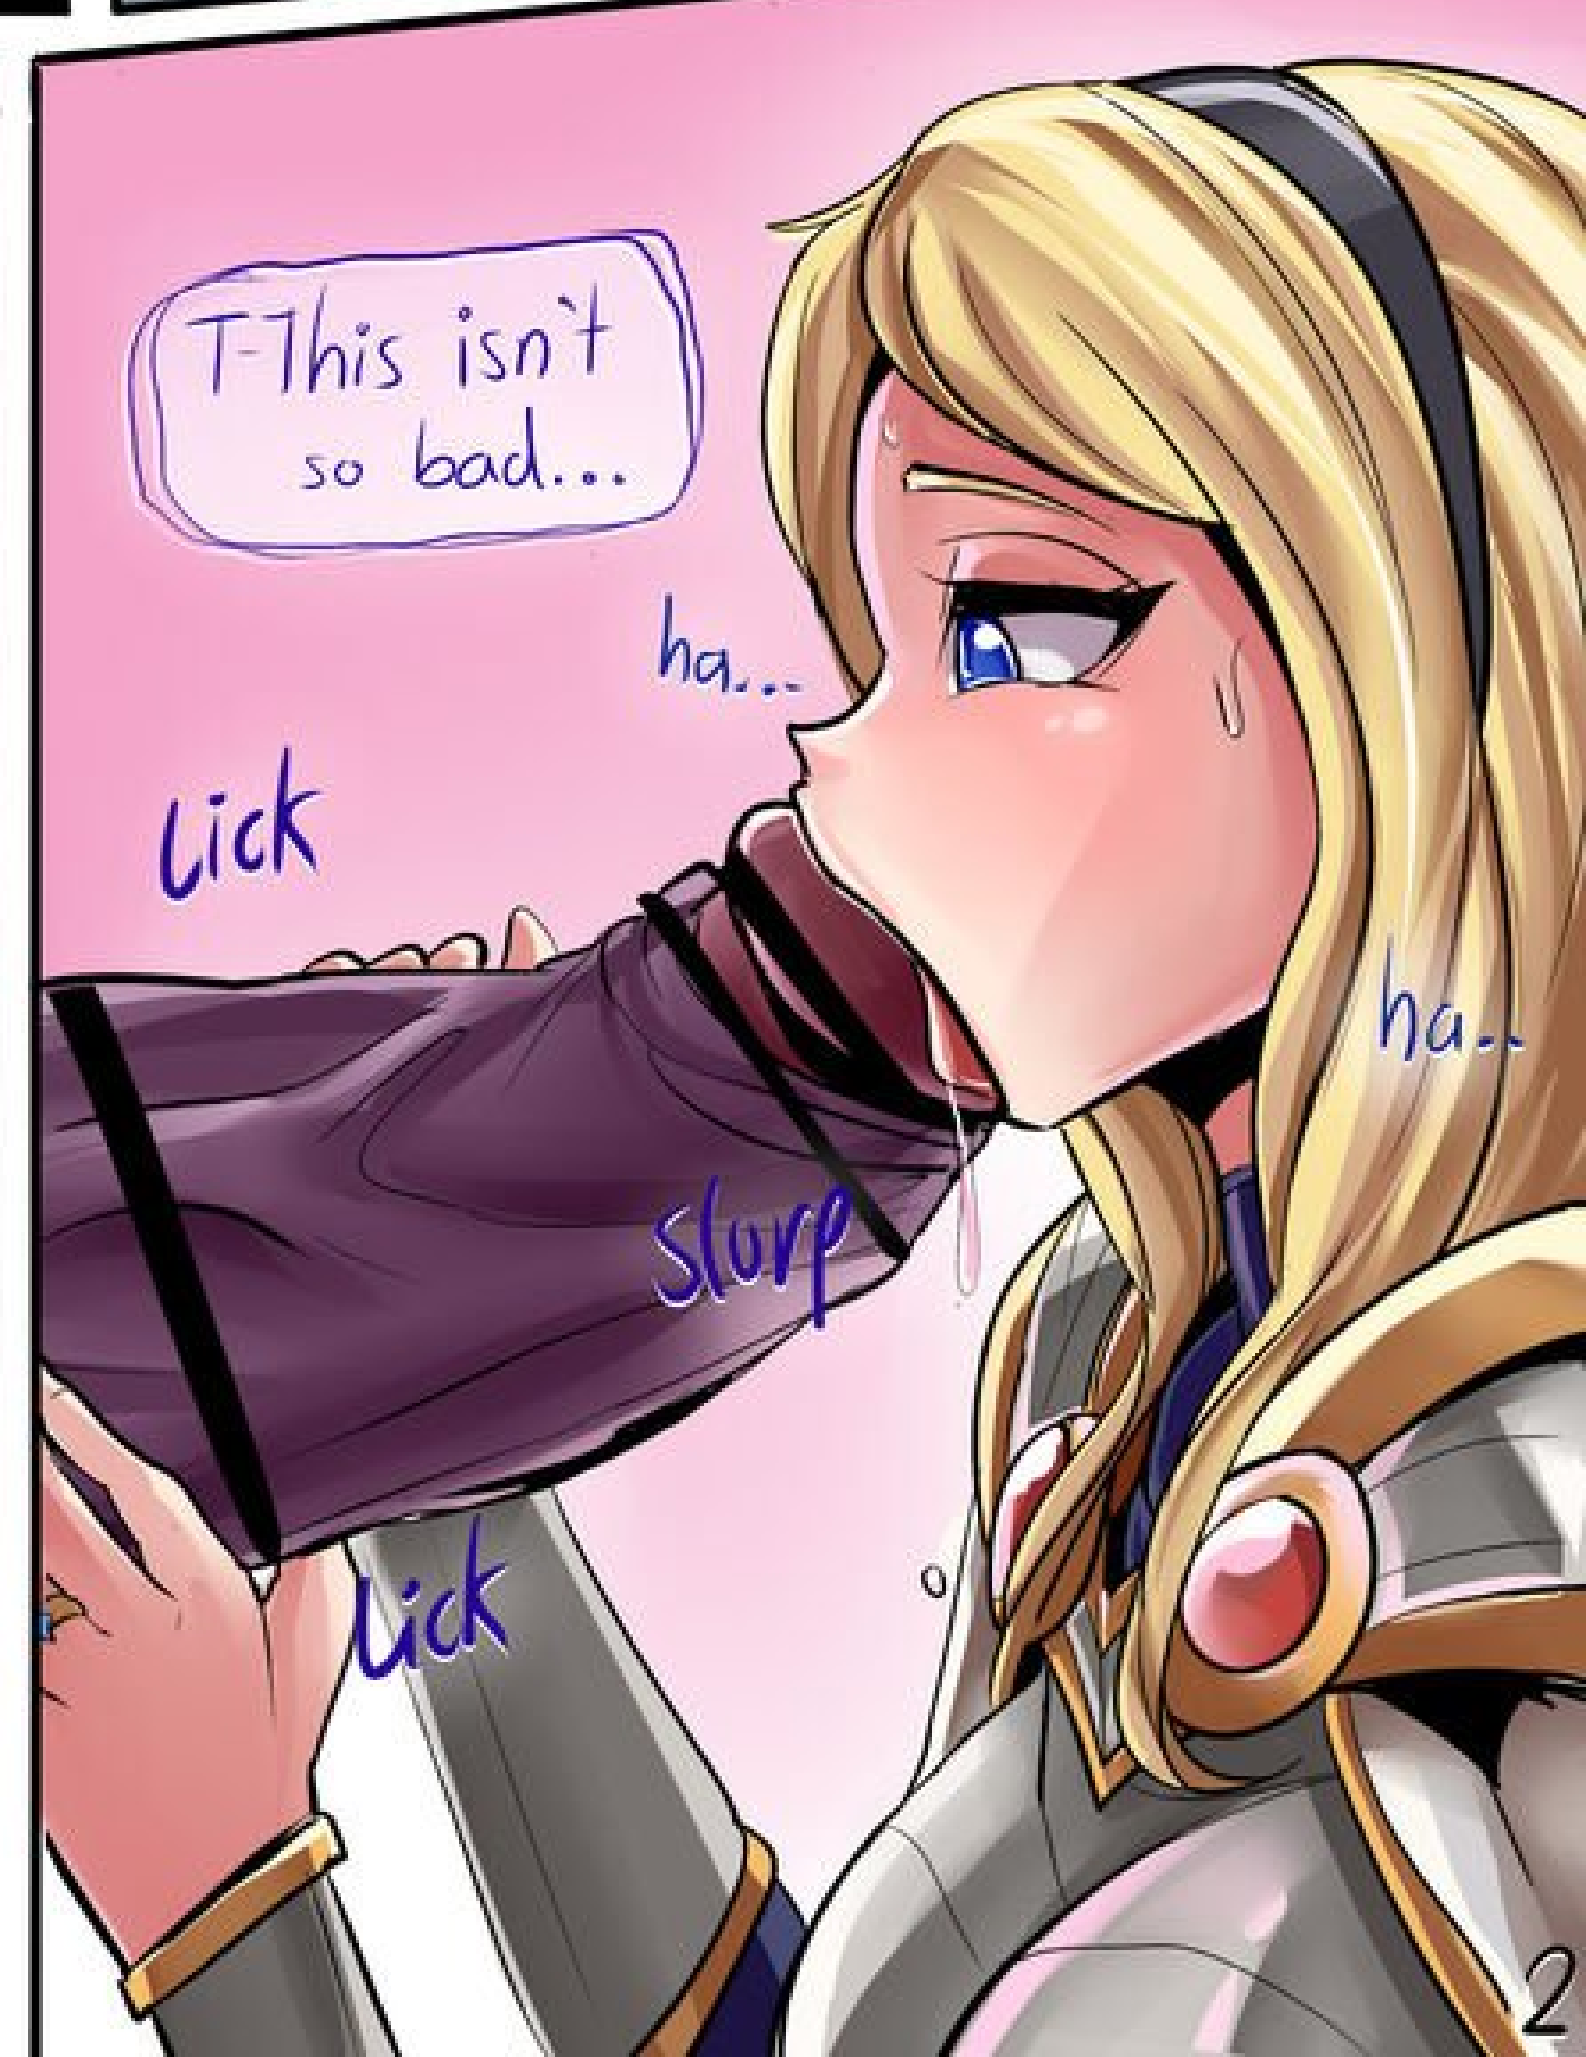

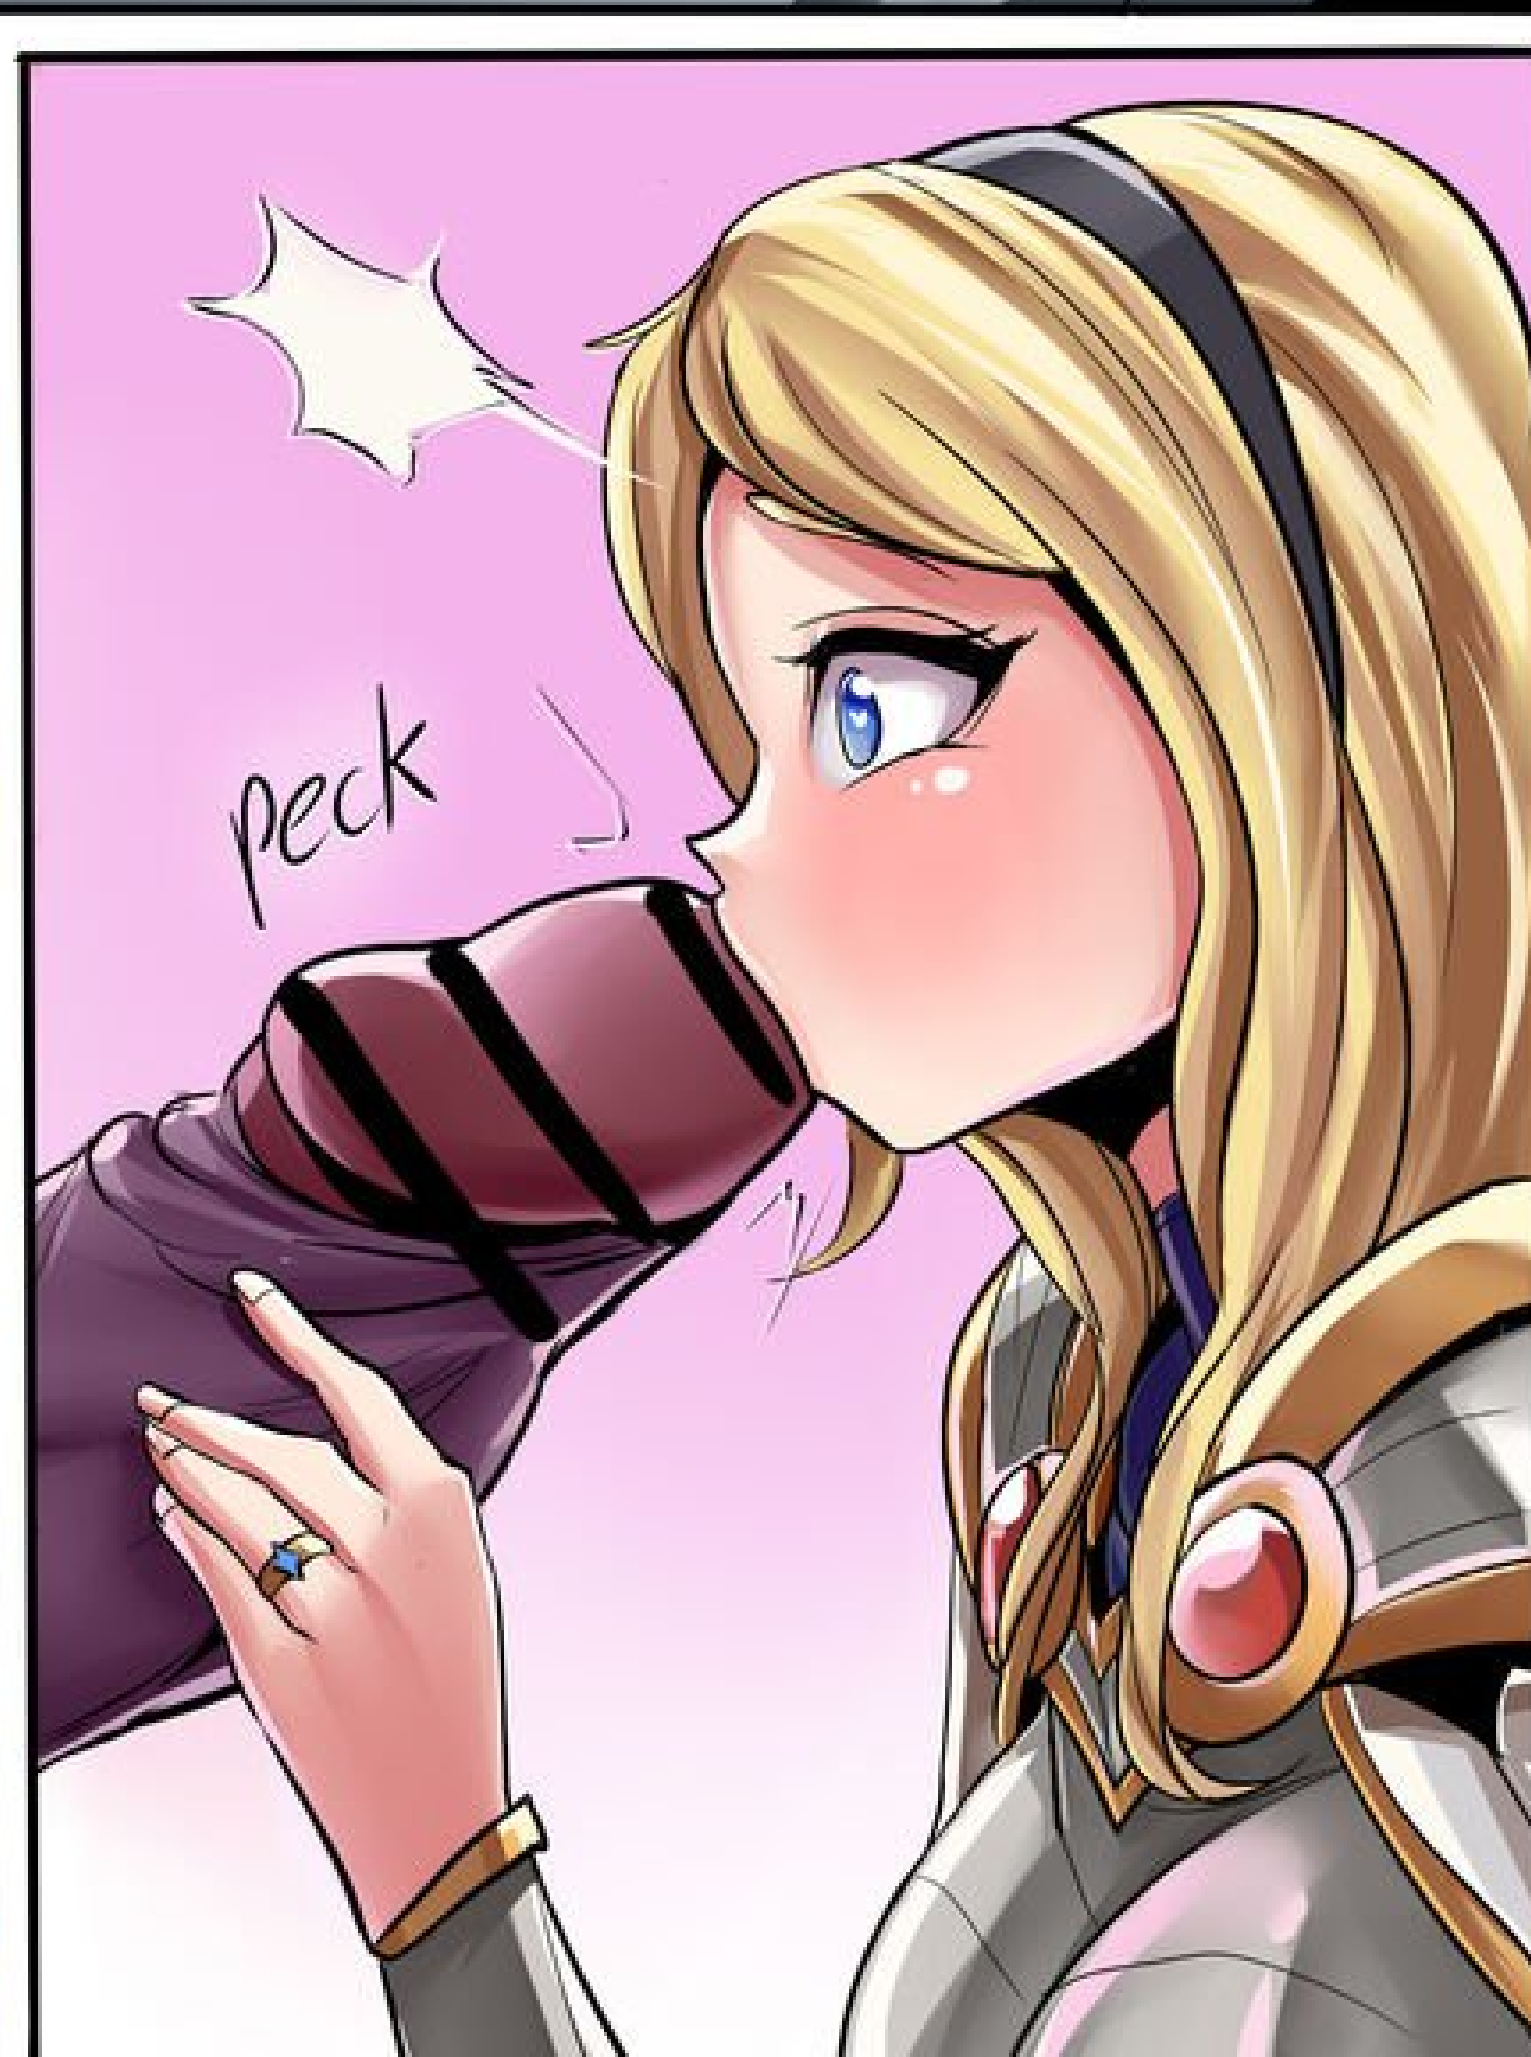

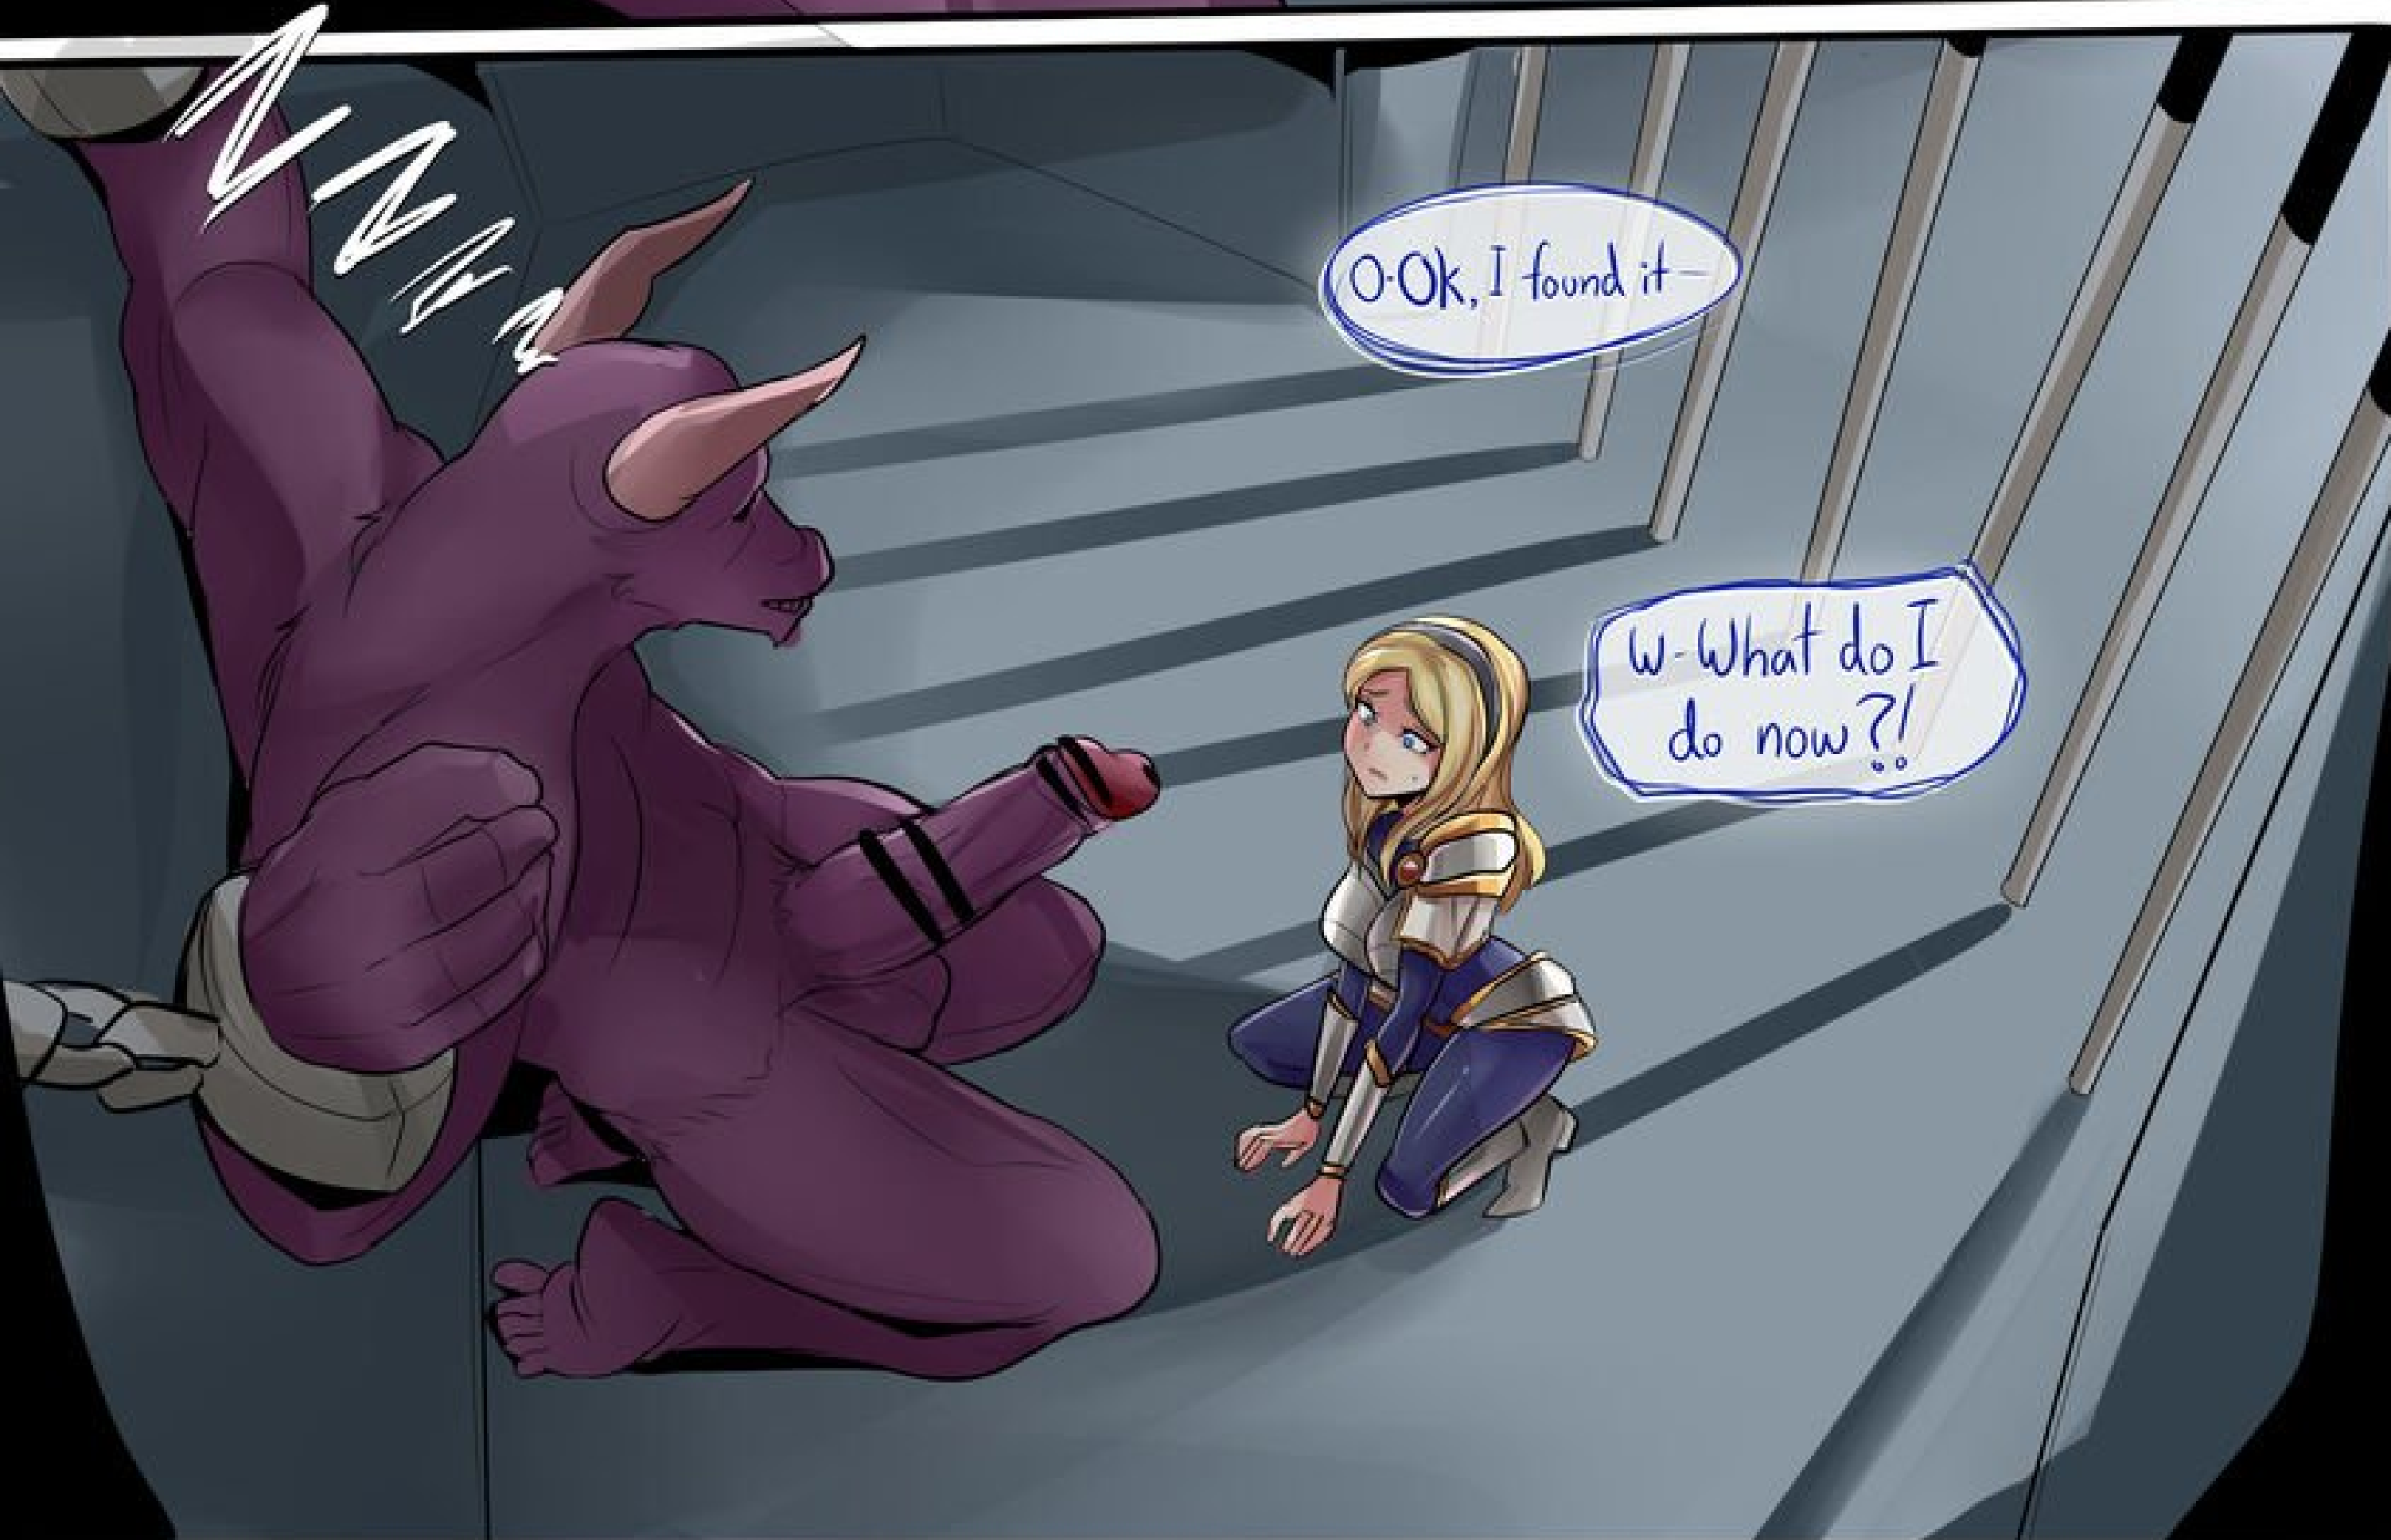

Minotaurs?

Similar to human males in anatomy,
but low intelligence...
Oh-There's one in the Mageseeker Dungeon...

N-No one would know...
It probably can't even speak —

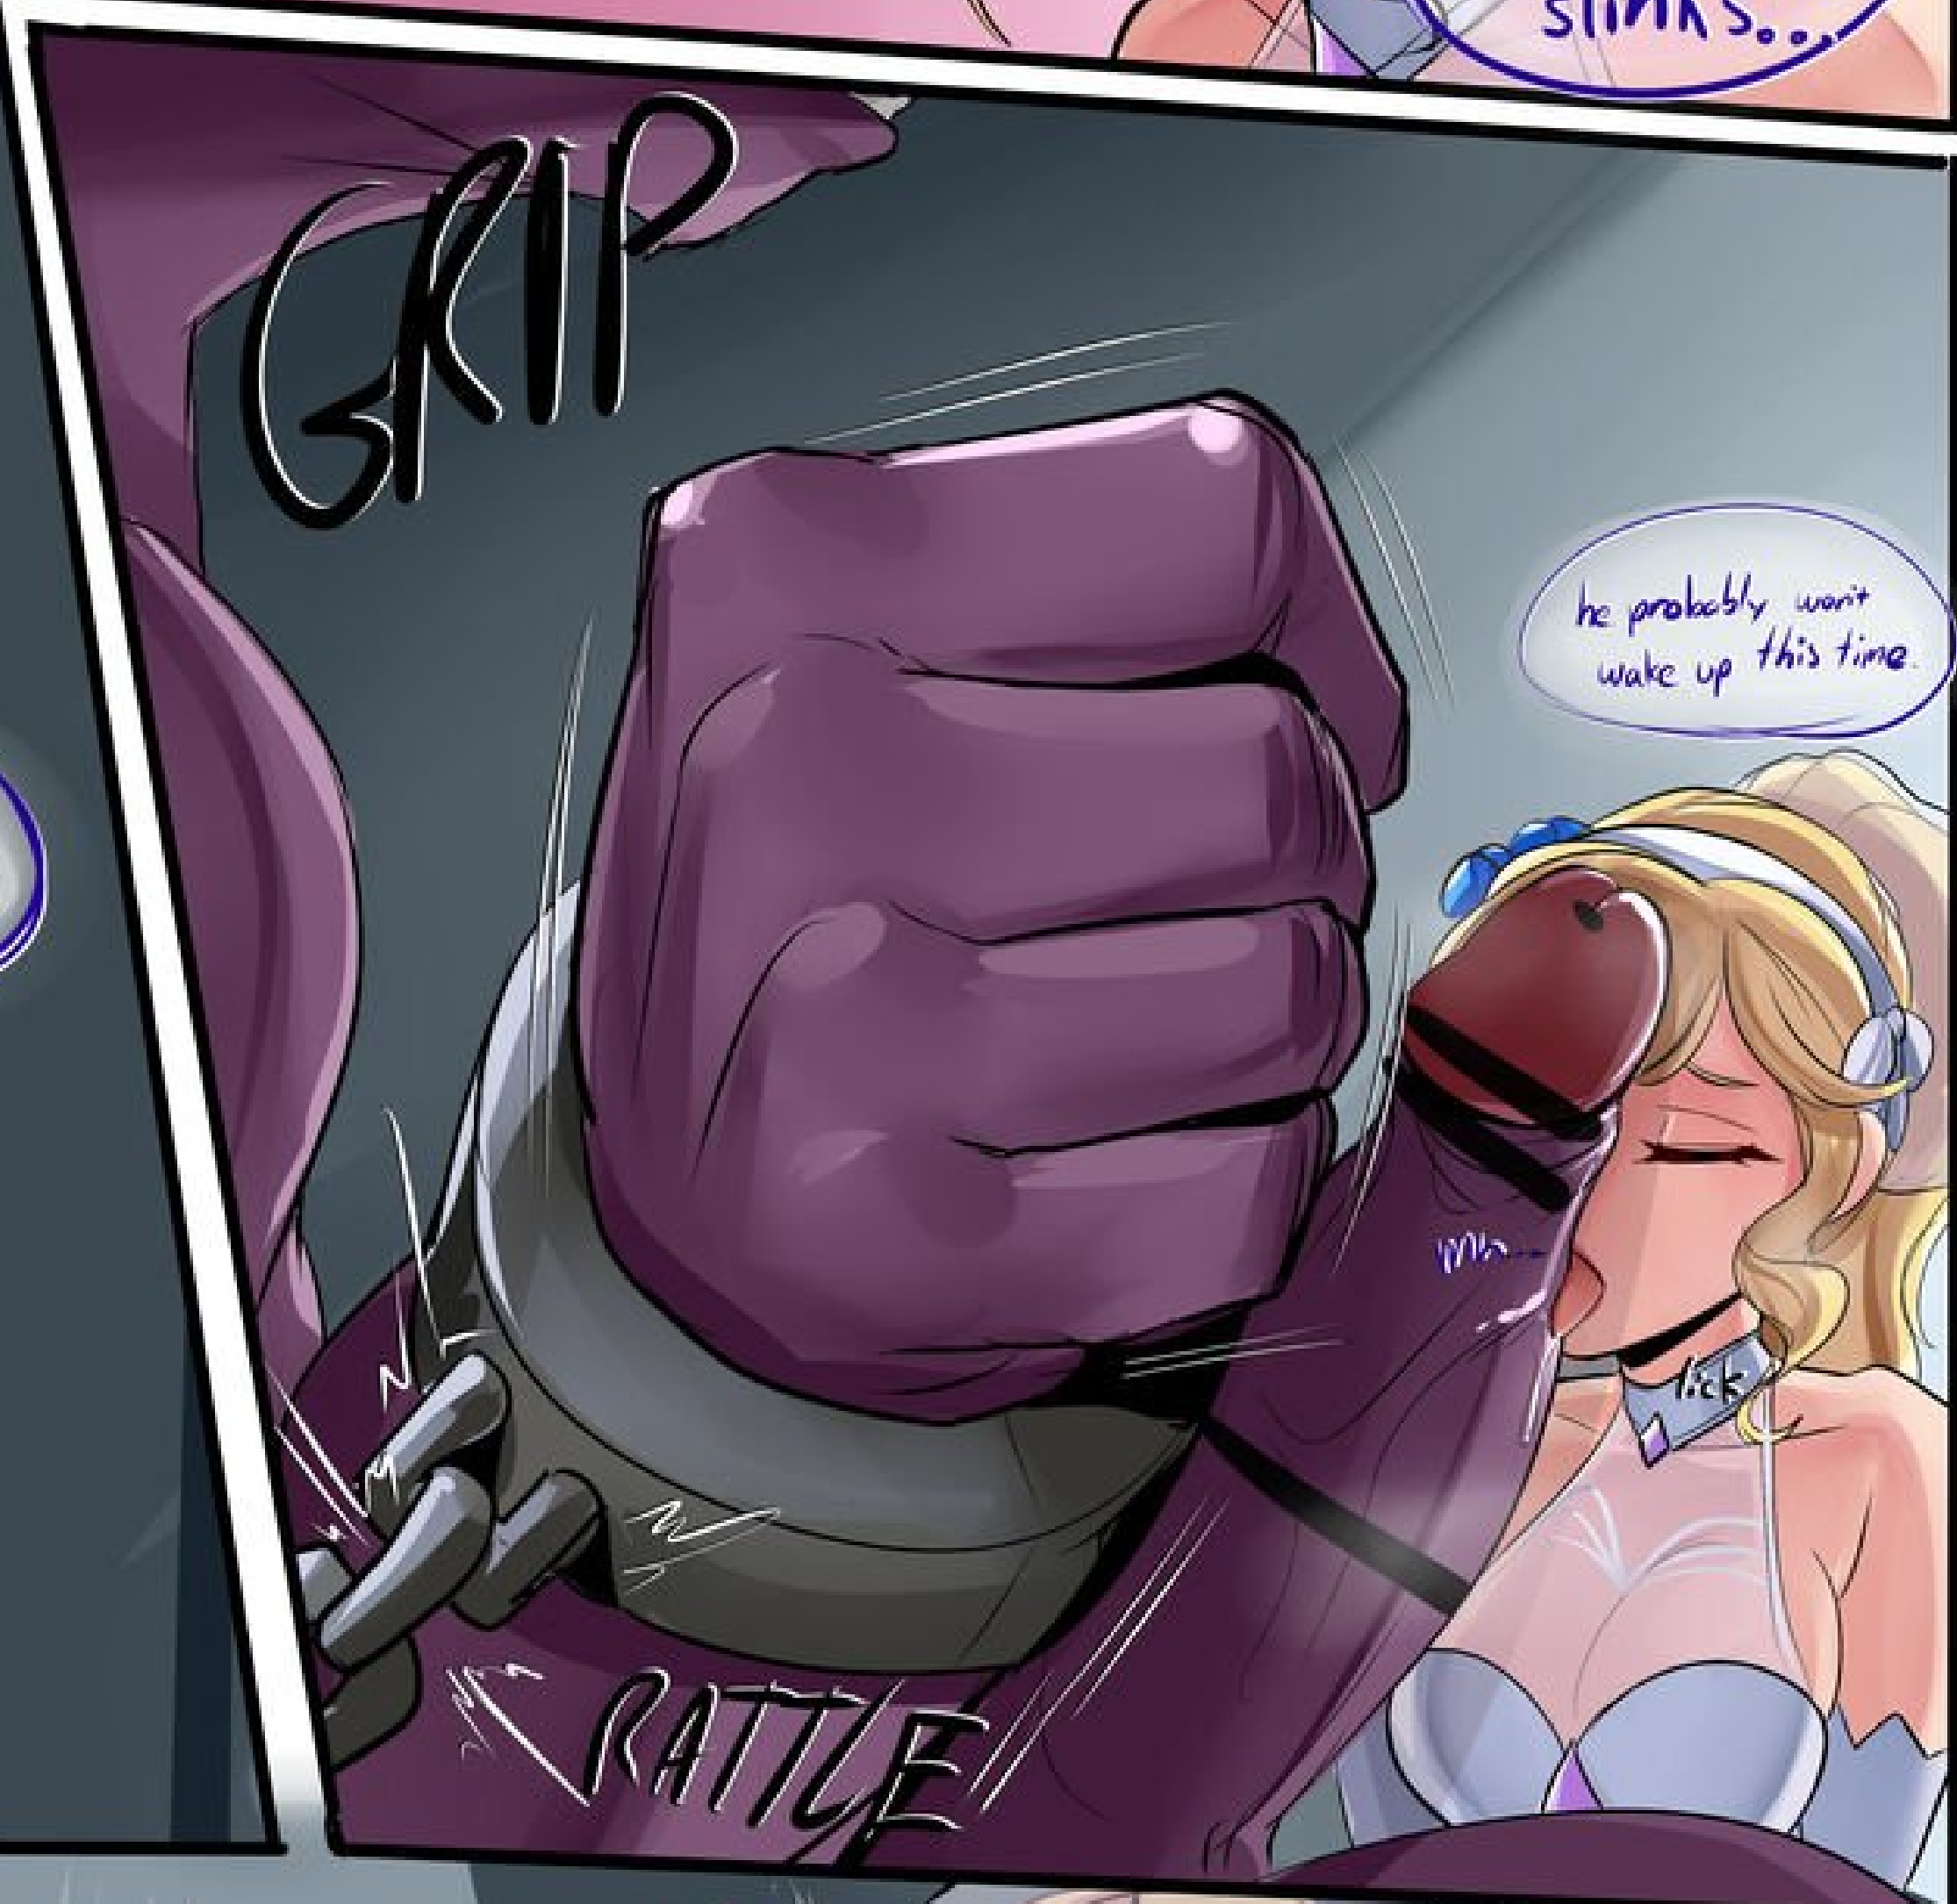

f-For Ezreal!!
