

Damn tigress, I didn't know you enjoyed getting KO'ed by me so much! Why else try to slug it out with me like this? "No evading or blocking" rules? I can just run you over!

Uggh!
Cut the tough act, Masha, I called you out to my private gym so we could both improve on our strength and tough

What?! I'm **ALREADY** strong and tough enough! I'll prove it to you!

No, the only reason we even have boxing gloves at all is for **ME** to prove it to **YOU!**

Bwaagh!

You bitch! That was a tackle! I thought we were boxing!

I KNOW
you're skilled at boxing, but it
looks like you fold when we press
body-to-body!

Cheating tiger, I'll make you pay
for this! Stop pinning me against the
ropes!

Thickheaded
bear, this is going to help
both of us! As soon as I
convince you!

Gguuh!

Not so tough when we're
punching, are you?

Apbfh!

Get your head checked, I'm
keeping up with you just
fine!

Stop being so stubborn and just
go down already! How many times do I
have to hit you?

Can't see it when it's right in
front of you, can you?! I'm **JUST** as
tough as you!

Hrnnng!

You were such a slippery evasive bitch back during our last fights! How can you be this much of a bruiser when you're already so fast?

Muugh!!

Just because I can weave or sidestep your punches doesn't mean I have to sacrifice toughness for it! I'm just as much of a bruiser as you are!

Arrogant kitty, just because you can trade punches with me doesn't mean you're my equal! I can give-and-take like this for as long as I need to!

Don't kid yourself, I can keep hitting you for as long as you can keep hitting me! You know it deep down! We've already slugged it out for hours!

Achk!

Stop crowding you thug! This isn't a brawl!

This isn't boxing either! I've shown that I can trade punches with you...

Hey!

What are you doing?

But now I'm going to show you the main course of our training!

Idiot! Get
your tits out of my rack! I didn't come all
the way over here to cuddle!

That's
where you're
wrong, Masha.
We're not cuddling,
this is grappling.
We're going to
practice
clinch-fighting.

What, you
don't think I can wrestle? I
can pin you to the ground no
problem!

Who said anything about
wrestling on the ground? You can fight
with your fists, now it's time to fight with your
body. Wanna really see who's stronger? Clinch
with me, Masha, woman-to-woman.

We're both bulls, Masha. And this is how we lock horns.

huff* *huff
Why... are you pushing me back?
It's like wrestling a bull!

When we train, we both win, Masha. But for starters, try and push me into a corner.

How... do we decide the winner?

Nnfh... a
shoving match is... mmfh... nothing to get
excited about! I have enough muscle to pin your
ass up against that corner!

Muscle? Maybe.
Endurance? No. You're good at
punching, but when somebody
wraps you up in a grapple...

Oh, and
you're going to teach me, huh? Agh!
What are you doing? Get your mound out of
my crotch! What the hell!

It's not just about
mashing tits, stupid
bear. If I get my core
and hips into you, I can
get some leverage...
RRAAH! To **LIFT** you!

Aagh! Damn
it! How'd you
learn to grapple
like that?

Wrestling you in
person was trickier,
but lifting heavy stuff
like water barrels
helped!

Hulgh!
You've
pinned me
already, you
damn tigress!
Stop
THRUSTING
into me!

How do
you plan to
get out if
you're trapped
like this, huh?
Tap if you're
done!

Fine, you've made your point. We need to train up our body-to-body combat. But what are we going to do if we don't have boxing gear?

That's easy. Get your mawashi from home. We're going to grapple sumo-style in this ring until we can muscle huge girls like Sali and Konga into a corner.

Heh, out-grappling Konga sounds nice... but I need some compensation for this ambush today. Let me sleep over and we'll call it even.

...Fine. Just take it easy, I know you like to go on girls hard in bed, but I want to be in enough shape to train tomorrow.

How's **THAT**, you
tigress whore! How do you like me using my chest? My core?
My hips!

Aaahh!
You
bitch!
How do
you have
this much
stamina!!

I always have more energy when
"bed-wrestling" is involved! C'mon Lihua,
let's have a sumo wrestling match with our
pussies!

HHHAAAANNNNNNNHHH!!
