A comic book panel featuring Cyborg in a yellow and black suit. He is shown from the waist up, looking down with a determined expression. He is surrounded by numerous bright purple energy blasts or lightning bolts that are striking him and the ground. The background shows a cityscape with buildings. In the bottom right corner, a small figure is seen from behind, looking up at the main character.

CYBORG!

I'M TIRED OF  
DEBRIS DUTY!

I'M GOING  
UP THERE!

AH, HELL.

AND WE'RE LIVE AT  
THE AFTERMATH OF  
A MASSIVE BATTLE  
BETWEEN MEMBERS OF  
THE JUSTICE LEAGUE  
AND GOTHAM'S  
BASIL KARLO.

NOW MORE WELL KNOWN  
AS THE SUPER CRIMINAL,  
**CLAYFACE**.

IT APPEARS HE  
ESCAPED DISGUISED AS  
ONE OF THE PIECES  
OF DEBRIS THAT FELL  
OFF THE TOP OF  
LEXCORP NORTH'S  
ROOF.

LUCKILY, THE BATTLE WAS  
KEPT LOCALIZED AND CLEAR  
OF CIVILLIANS AND THERE  
WERE ZERO CASUALTIES.

LET'S SEE WHO  
WE HAVE TO THANK  
TODAY.

A close-up, stylized illustration of Clayface's face. He has a grey, textured, clay-like skin with visible cracks and a somewhat menacing expression. His eyes are dark and slanted, and his lips are slightly parted, showing a small gap. The background is a soft, out-of-focus purple and blue.

Congratulations,  
You're the League's  
new Media Ambassador.

LOL, what happened  
to the old one?

She pitched a fit.  
Get it, because i threw  
her and fit is slang for  
attractive.

Keep the other  
day job because  
you're definitely  
not gonna be a  
comedian.
