

SHORYUKEN

Oops! Missed!

My turn!

OOAAFFRH

THUNK

UNFH

BLUMPH

A close-up of Rainbow Mika, a blonde girl with a blue mask and a yellow cape, looking at Ryu. In the background, Ryu is lying on the ground, looking exhausted.

Ungh...how
are you so strong...?

A close-up of Rainbow Mika smiling and looking down.

I'm strong because I train hard
now a deal is a deal Ryu!

AAAAND THE WINNER IS
RAINBOW MIKA!!!

Rainbow Mika is shown from the waist up, holding a red ring. She is wearing a blue mask and a blue and white outfit. She has a yellow cape.

Time for you to formally join
Rainbow Mika's team!

Rainbow Mika is shown from the waist up, holding a red ring. She is wearing a blue mask and a blue and white outfit. She has a yellow cape.

I got an idea on how to make
you stronger Ryu and your about
to enroll into R Mika's wrestling boot camp!

Time for your
new life Ryu!

Ungh..What happened..?

Now your wrestling
baptism has started!

Although there is a quick
catch you will be as strong
as me...in more ways than one
with this special training.

YOUR FACE IS ALL WRONG FOR A STRONG
WRESTLER SO WE NEED TO FIX THAT

YOU GOT THE FACE
OF A REAL WRESTLER NOW

Your voice is all wrong it
needs that Rainbow Mika charm

Gungh.....

You should strive to be strongest wrestler
like me and for that you need some 'assets'

Nice breasts Ryu, but you also need to
rock my waist I worked hard to get

Your practically my twin,
but your missing something vital
that is important
for being as strong as me

Those muscular thighs are earned
from the tough hellish training
at the beach

Wow those thighs can choke
someone out and I should know

You're almost done, but this one might suck for you...

OoOooooooOooooo.....

You got a firm butt now and I made sure with the amount of Squats I do daily

SLAP

OOOAAHHH!!!!

Stop being embarrassed of your new weapon and show it off with pride!

You look perfect to be the strongest female wrestler in the world now!

Okay that's enough!
Change me back now!

Be quiet girl!

You may have the body, but lack
the training to use it

so today onward your gonna train to
wrestle like I do if there is hope for
you to be my tag team partner

Your new daily training regiment for the summer at
the beach of hell will consist
of 10000 Squats, and 5000 smacks on your
ass with a bamboo sword

not counting
punishments for defiance and 1000
tire run laps around the beach

Before we go my new tag partner Rainbow Ryoko
and I will give you our signature ass slap
in sync then we'll get started sister R Ryuko you
will appreciate your new techniques to reach new strength

5 more miles and you get a break Ryoko!
Do you prefer to get smacked again!?

Please Mika I'm tired! And N-no thanks
I don't want more smacks!
