

You are sure about this, right?

It isn't too late.

I know we've talked about it a lot, but...

We have. And I am sure.

The real question is... are you ready?

I trust you... more than anyone.

But it's a big responsibility.

Yes. Let's do this.

R-right! This... Oh, it's so exciting!

Aii!

Your hands-c-cold!

Sorry.

I-woah...

Th-this feeling...!

moan

B-by... the... gods...!

O-oooh!!
Y-yyess...

Hah-
Hah!

H-holy
shit...!

N-ngh!

Hyaah!

pant
pant

pant

W-woah...!

They're...
huge!

They feel
so... good!

So... soft!
Wow...

chuckle

Mind holding
them for a bit? I
need to get to
under them.

Y-yeah,
what're you-
HYAAAH!!

Oh-oh
oh-oh-oh!

What's-
Oh, gods!!

Please try
to stay still,
dear.

moan

E-easy-
for you-
to say!!

M-mmm-!!

HYAAAAH!!

pant

pant

pant

Ooooh~

Gods
above...!

They're
gorgeous!

Oh, and they
feel even better
than they look...!

I should've
gotten a second
pair of boobs
years ago...

A means
to an end.
Ready?

Huh...?

O-oh!

They're
gonna
be...?

Oh, fuck,
that's so hot!
Do it- I'm
ready!

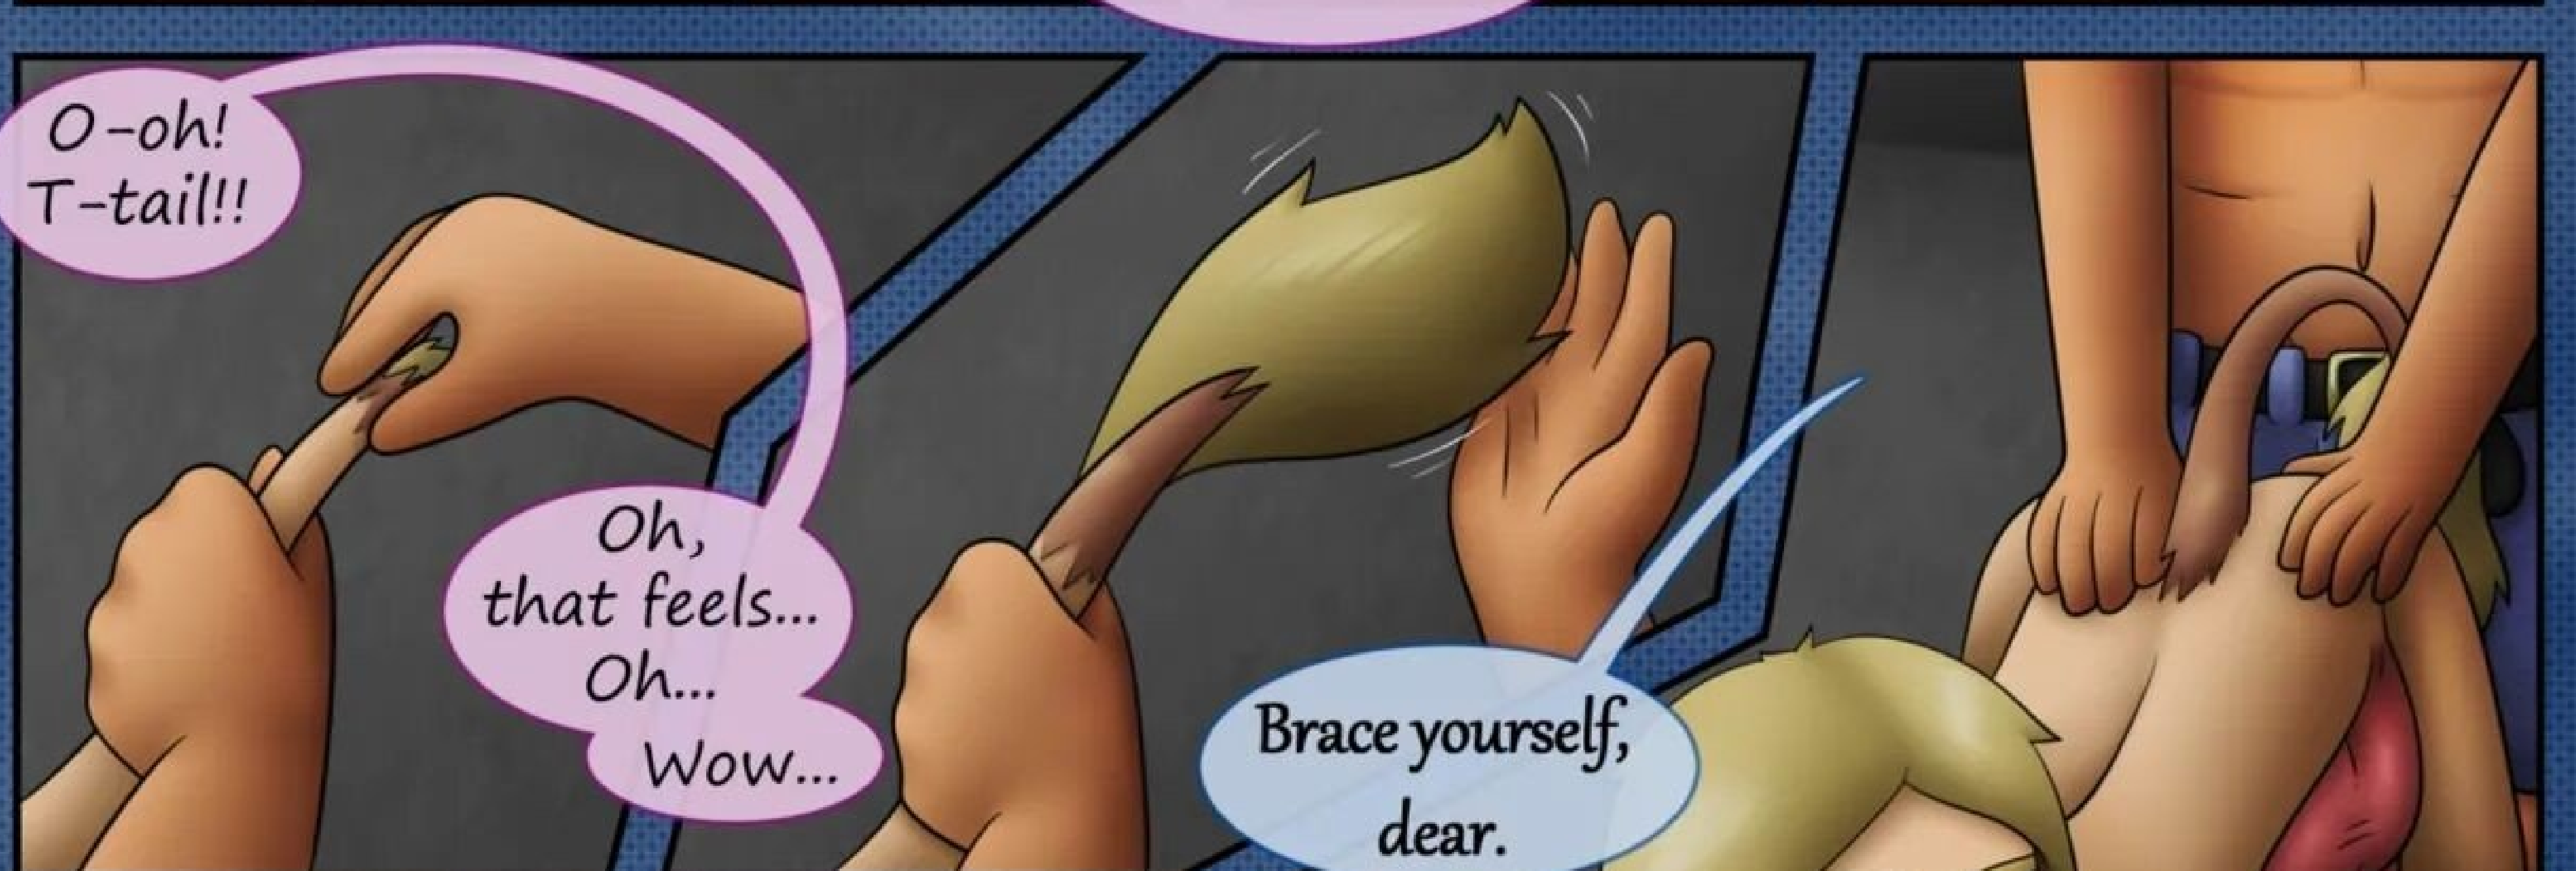

gasp

H-holy-
nngh-

H-h-
m-mm-
mmmmngh...!
A-aah-aaa-

HYAAA
AAAAAH!!

pant

pant

H-holy crap...

I spent so many nights imagining what it would feel like, but-

I was not prepared...!

chuckle

O-oh!
A-ah- that's
o-odd-

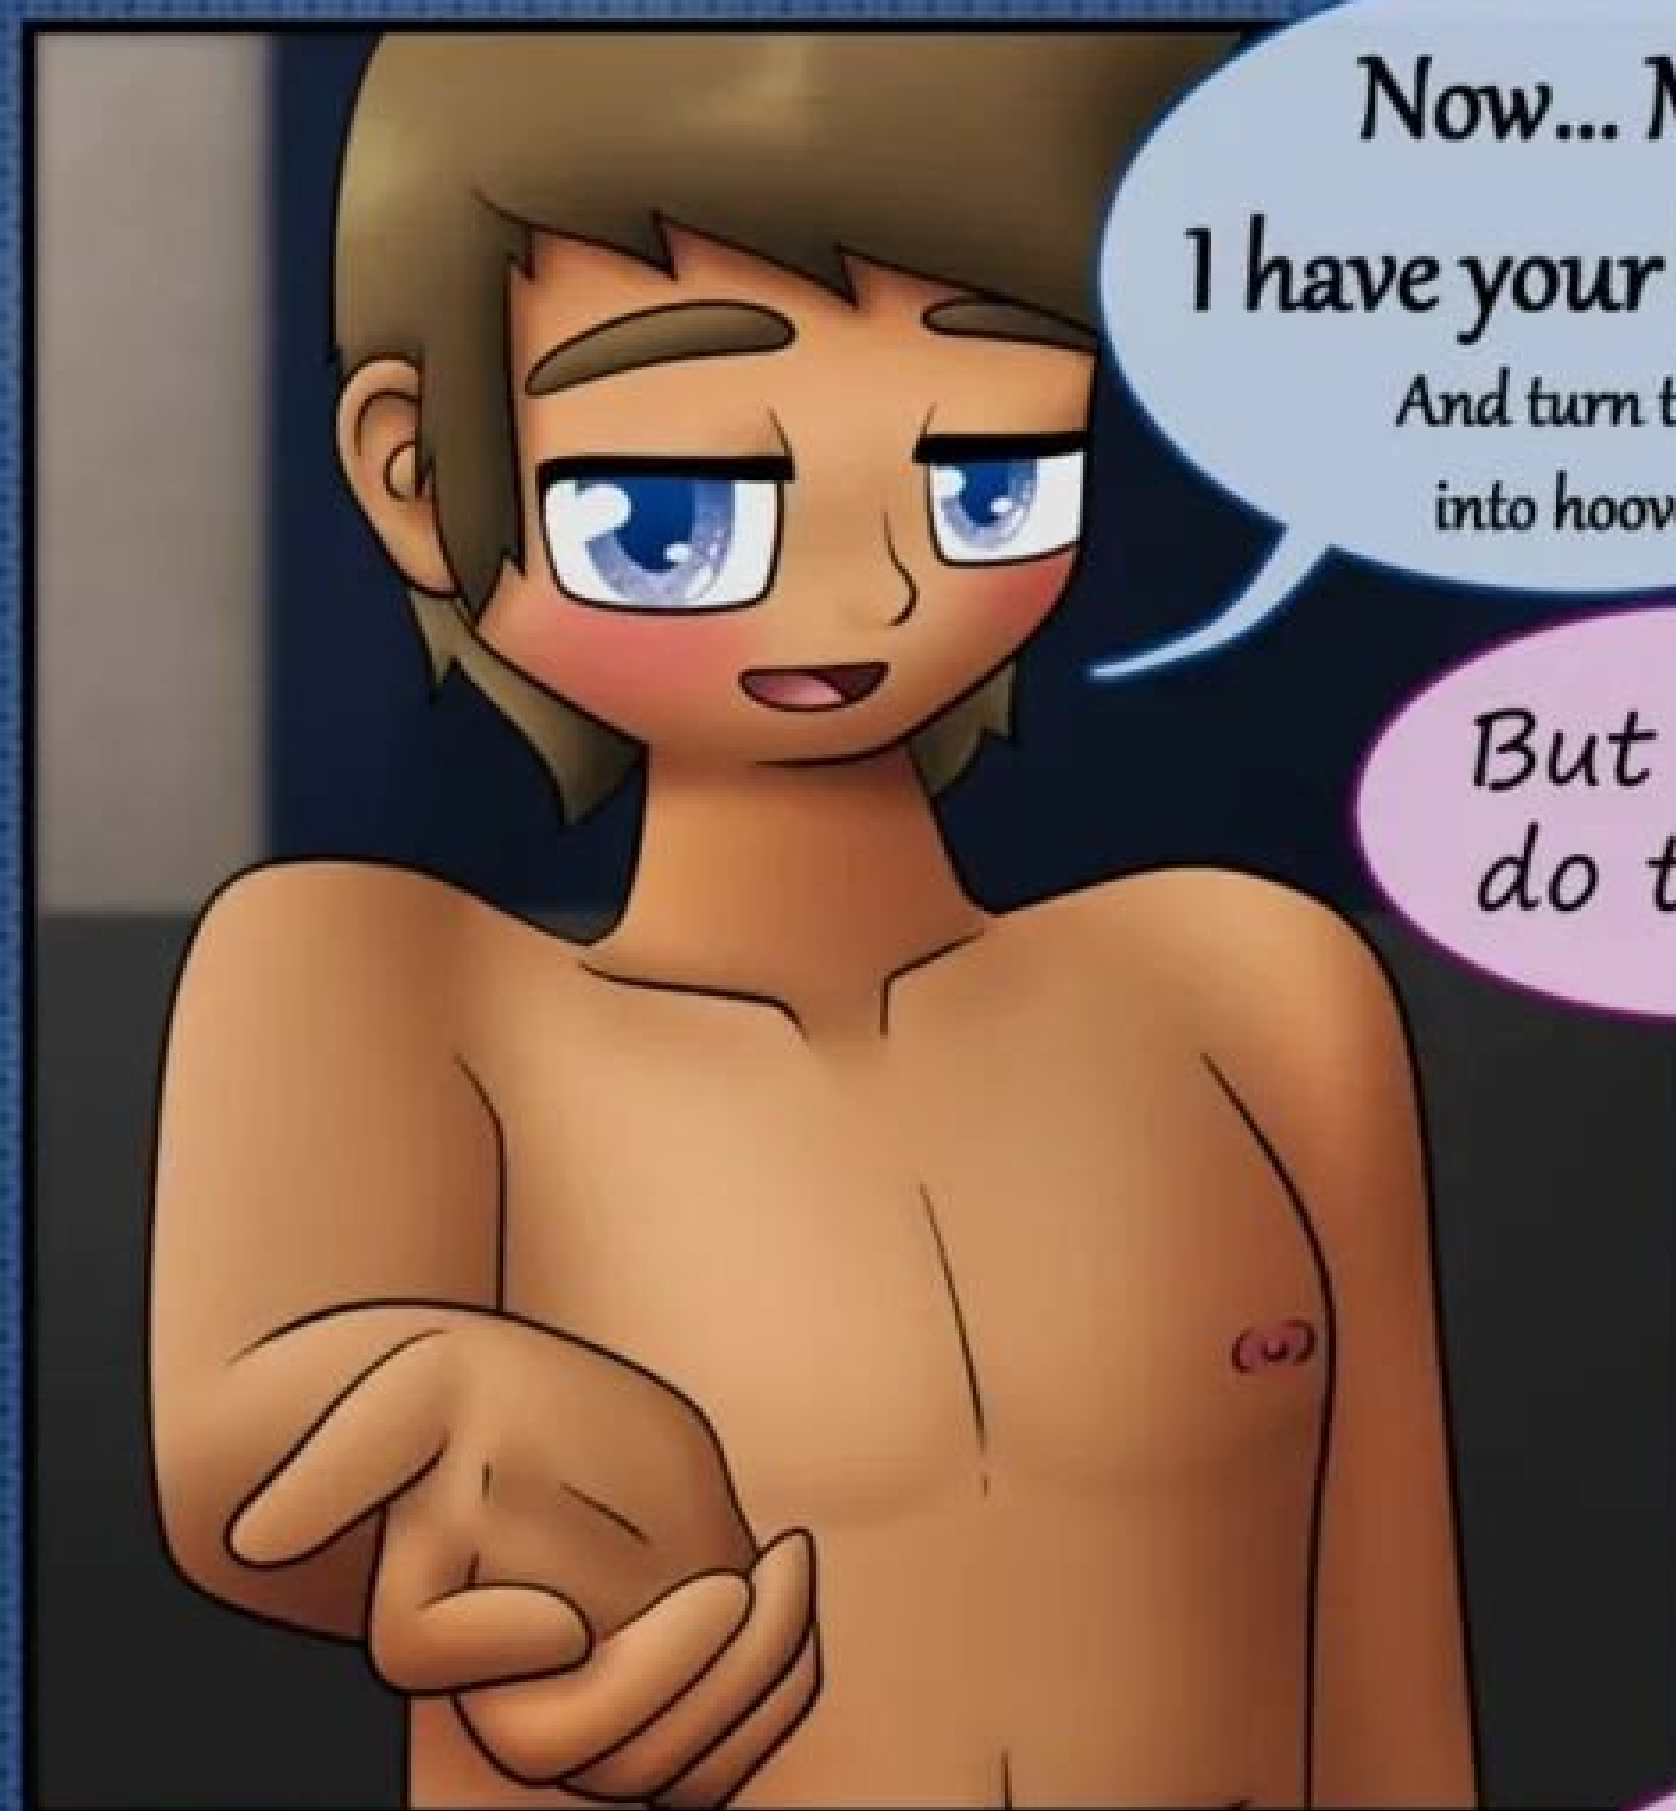

A-ah, I
c-can feel
the bones
sh-shifting-

Wow...

It feels
so... different!
Like, the idea is
the same, but...

J-just
the way it
moves...!

Now... May
I have your hands?

And turn them
into hooves?

But if you
do that...!

I... I won't be
able to grab things,
or even cast spells!
I'll be...

Helpless...!

...*giggle*

Do it!
Take them!

O-oh, that
feels even weirder
than my feet did!

W-wow...

H-heh,
look at them...
Just for
walking now...!

W-wah-
G-gonna have
to learn how to
walk again!

Gods, this
udder's heavy!
A constant
reminder of what
I'm becoming...
O-oh fuck...

O-oh,
what now?

Just making
your body more
cow-like...

O-oh, a-ah
I can feel my
insides changing-
aagh-

H-huh...
E-everything is
starting to feel...
way more 'right'
all of a sudden...

Woah...!
I
don't even
recognise
myself
anymore!

Well, believe it.
You're gonna the best
cow ever, and I'm
gonna take good
care of you~

Yeah...
giggle

Neck down,
that's- that's
just pure
cow!!

S-still can't
believe this is really
happening...!

O-oh,
my ears...?
That feels...
really nice,
actually...

Ooh...

Eight months later...

ka-chunk

Mmm...?

Ah, I'm home, dear!

Moo!

Oh my, your udder is looking quite swollen now... How about we try to finally milk you, eh?

Moo!!
