Tomorrow a man named Lloyd Frontera will head to Kandahar, you will be his escort.....

and you will make him yours NO MATTER WHAT!

I will follow your command.

Disgusting, some weak little man who's also hideous if what the reports say are true.... but it is fathers orders....

Ill do my duty quickly then father can work him to dust for all I care

Serajard Asfahan, The Fourth Princess

Serajard decided after a day of herflirting (barely contained distain) towards Lloyd she decides to just pounce on him at night.

This man looked utterly pathetic and ugly and completely deplorable with no redeeming qualities-

But... he's gifted with a slab of virile meat!

Come on your a damn Princess, yell and run away i don't want to deal with you anymore!

Contract

Myhentaigallery.com

By chance Lloyds brother Julian returned to the Frontera territory and quickly he Serajard fell in love and had the in marriage ceremony

Ah well, little brother that sexual demon is all yours now. I'll pray for you.

Can you please stop smiling like that? You're ruining this joyful occasion with that look....

With this I'm safe from the queens grasp! Now that I'm an imporant figure in both the kingdoms, If she tries to use me as a slave I'll just run to Serajard's father in his territory and I'm in the dear!

Now I can finally rest up properly-

....I definitely didn't expect to have To use my dick to keep Serajard here but that's all done thanks to that marriage clause.

Later that same night

Serajard... didn't agree in your contract that-

It's your fault i'm like this Lloyd frontera!

Your brother and mines wedding night was everything I hoped for.....

but the little brother is lacking where the big brother excels....

So we shall make a new deal...

All I require from you is this beast of a cock... my heart belongs to Julian.

But I need this!

..... So much for sleeping easy at home again....

You have obteined a new praise!

THE BROTHER CUCKER!

WHY THE HELL WOULD I WANT THAT TITLE???

Serajard and Julian enjoyed a blissful married life together and made frequent returns to Frontera territory from time to time to keep in touch... especially when Lloyd was around...
