RING!

There you are.

uh hello? hello
hello? uh hello
and welcome
to your new
summer job in
the new and
improved,
Freddys.
im here to-

is this
a pre-recorded
call?

uh no no, im actually here talking
to you miss. you must be
Miss Amanda right?
the new nighthguard?

ok ok just
checking,
and yes,
yes i am

amazing. as i was saying
im here to help you with
everything here in your
new summer job in
Freddys

Thanks. its
weird. being
helped in my
first day via
phone. kinda
creepy tho

yes, i understand the
sake. and you're right, and
i need the money so.
what do i have to do?

Oh no no Miss Amanda
i can assure theres
nothing weird or
creepy in this job!
except the payment
at the end of the night
of course haha...
thats uh.. thats
really creepy cause...
you know its a lot of-

uh you know, the usual for a night
guard. first of all you should check
the locker aside the desk to put on
your uniform, and then-

HEY WHAT THE
FUCK IS THIS?!
YOU TOLD ME
YOU WERE
OK WITH
FUTANARIES!!

a-and we
are!

WHAT IS THIS
BULLSHIT THEN?!
i will NOT
USE
THIS!!

YOU BETTER
HAVE A
GOOD EXPLANATION
OF WHY THIS SÖKE IS
IN THE LOCKER!

Miss Amanda i dont want to be rude but
since you answered the phone you
did nothing but interrupt me! please
have patience and let me explain
all to you so everything its ok!

.... ok

ok now first of all. you HAVE to utilize an uniform, the animatronics can be very violent if they see someone without an uniform, and they think you are a threat!. so please use the uniform. even if you dont like it, nobody is there to see you, so it shouldnt be a problem!

This is not only unprofessional, but also it might be illegal. im gonna use half of the female uniform and half of the male one

... ok we can work with that

and that all the animatronics are charged by the end of your shift. that shouldnt be a problem for a person like you!

is like ME?!

ok so more rules. at night the animatronics are in "battery mode" where they recharge battery with a sophisticated method that doesnt use electricity! so your work its to make sure all its "secured" hehe..

there are other shanannigans but i'll explain them to you other day!

there are other animatronics from our past pizzeria and they might turn on, but like i said, not a problem for you!

...OKEY

.... look dude, im checking the cams... i dont think those are the same robots that i've-

oh! that must be their battery mode! like i said before!

... Uhu

can you tell me how they recharge? like, what is like-

that has a pretty simple answer Miss Amanda

a new day comes in Libi-Town
yes thats its name its my comic
and the town its Libi-Town

where our hero arrives
home

she is recived with a cheerful
hug, celebrating for her
first day at the job

and after a long night of work

she sleeps.

what she was going to do? the "animatronic situation" started
without her consent, but oh boy did she enjoyed it. the
job was not what she expected but oh boy did she
needed it. being a futanari its tough. but she loved
her girlfriend

Amanda had a decision to make

dinner with her gf was ok,
nothing out of the usual talk.
boring yes, but she loved
her, and she would never
do anything to hurt the love
of her life

right?

a memory awaken the giant piece of meat between our hero's legs,
but shes with her gf! so she must be used to deal with this
kind of futanari behavior

so the gf says its ok!
if she wanted some sexy time
they can have it!

"HUHI?
REALLY?!"
says our
hero

"of course" was the answer.
they can masturbate together
as they always do! as
you know a futanari dick
its too big for anyone to
ride it! so that was the ONLY
way they can be intimate.
but there was no problem at
all! they loved each other!
and they learned to deal
with this with love and
affection

Right?

Amanda had a big decision to make

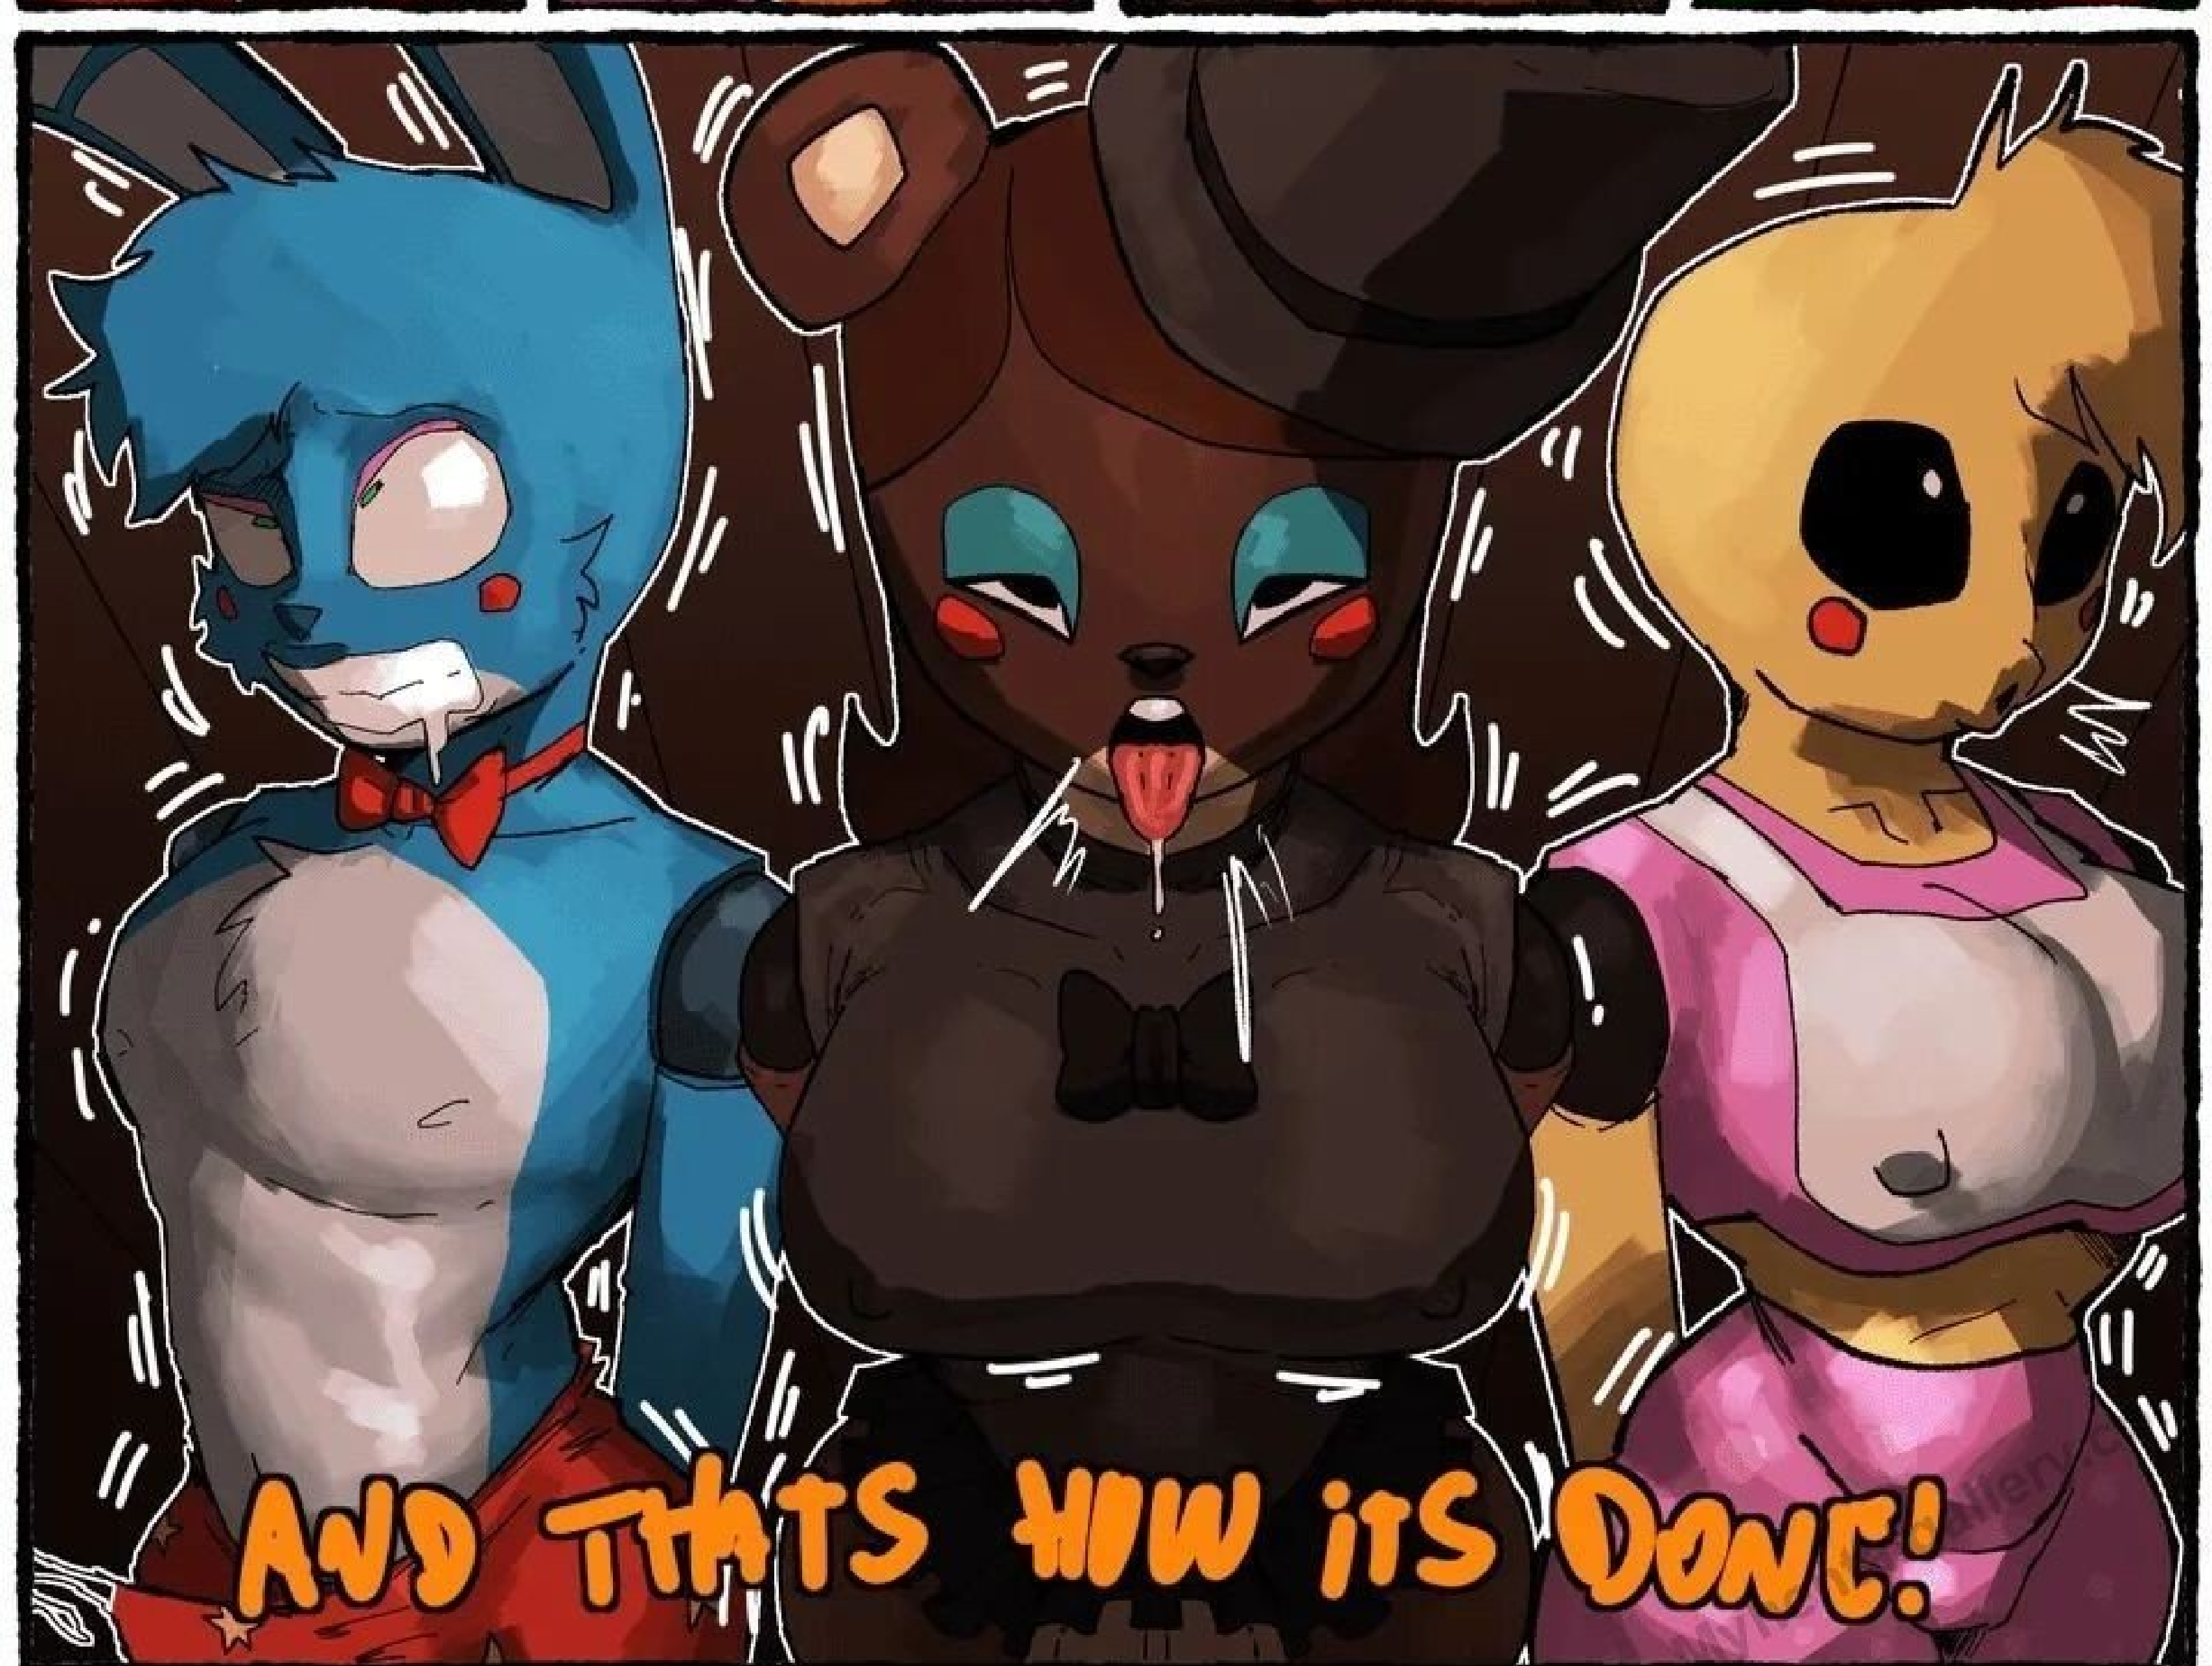

she decided to go to work

You like my uniform?

MISS AMANDA WHAT THE FUCK ARE YOU DOING HERE AND WITH THOSE CLOTHES!!!!
GET THE FUCK OUT OF HERE BEFORE THE ANIMATRONICS SEE YOU OR YOU ARE FIRED!!!!

BUT YOU WERE JUST PERFECT FOR THE JOB AND I KNEW YOU WOULD LIKE IT! I HAVE BEEN WATCHING YOU AND YOU WERE A FUTANARI WITH A HUGE COCK, HUGE LIBIDO AND SEXUALLY FRUSTRATED. YOU WERE JUST WHAT WE NEEDED

i already jerked off all the toys. i don't care, you lie and rape me. i will do whatever i want

FUCK! OK LISTEN PLEASE
I DIDNT WANNA LIE

BUT NOW THE ANIMATRONICS ARE CHARGED!
YOU ARE TOO MUCH FOR THEM TO HANDLE
2 CHARGING SESSIONS IN LESS THAN 48 HOURS!
PLEASE GET OUT OR YOU MIGHT BREAK THEM!

OH FUCK PUPPET ITS UP!
GET OUT! GET OUT IN THIS INSTANT!!

PLEASE MISS AMANDA THIS WILL COST
A LOT OF MONEY!
